CITY OF RANCHO CORDOVA

ORDINANCE NO. 8-2015

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
AMENDING THE FOLSOM BOULEVARD SPECIFIC PLAN AND TITLE 23 OF THE
MUNICIPAL CODE**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:

Section 1. Purpose and Declarations.

WHEREAS, as seen throughout the region, craft brewery facilities are growing in popularity and the City has been approached by many of these facilities and has found some challenge in permitting them within the existing Code restriction; and

WHEREAS, in keeping with the City's progressive approach on economic development, staff has worked with the Council Subcommittee on the Zoning Code Amendments to draft revisions to both the FBSP and the City-wide Zoning Code to support these uses where appropriate and possible and to provide clarity for both staff and our customers; and

WHEREAS, in July 2014, the City Council conducted a study session discussion regarding Commercial Mixed Use zoning (FB-CMU) within the Folsom Boulevard Specific Plan (FBSP), specific to a few properties located on Trade Center Drive; and

WHEREAS, the City Council directed staff to review and propose amendments to the FB-CMU zone to accommodate the existing building forms rather than rezoning these properties to a different designation; and

WHEREAS, amendments to grocery store/supermarkets and neighborhood markets within both the FBSP and Zoning Code are included to clarify the permissions related to these uses; and

WHEREAS, the certified Environmental Impact Report prepared for the previously adopted General Plan was found to adequately address all potential environmental impacts associated with the adoption of the proposed Zoning Code amendments; and

WHEREAS, the Mitigated Negative Declaration prepared for the previously adopted Folsom Boulevard Specific Plan was found to adequately address all potential environmental impacts associated with the adoption of the proposed Specific Plan amendments; and

WHEREAS, these amendments were analyzed and determined to be within the scope of the General Plan EIR and the Folsom Boulevard Specific Plan Mitigated Negative Declaration and require no further environmental review under State CEQA Guidelines Section 15162; and

WHEREAS, on May 18, 2015, the City Council held a properly noticed public hearing for this Ordinance.

Section 2: Findings. The City Council hereby finds:

A. **CEQA Compliance.** The Rancho Cordova General Plan Final Environmental Impact Report (EIR) was certified in June 2006 by the Rancho Cordova City Council. The General Plan EIR is a Program EIR (CEQA Guidelines section 15168). Subsequently, the City adopted the Folsom Boulevard Specific Plan Mitigated Negative Declaration (MND) in July 2008 to address project specific impacts that were not fully addressed in the General Plan EIR. The amendments to the City-wide Zoning Code and Folsom Boulevard Specific Plan are activities within the scope of the General Plan Program EIR and FBSP MND and no further environmental review is required. Further environmental review is not required because the proposed amendments do not meet the criteria for preparing a subsequent EIR or Negative Declaration under State CEQA Guidelines Section 15162.

B. **The proposed amendment is consistent with the General Plan.** The attached Zoning Code and FBSP Amendment ("Amendment") are consistent with the General Plan as required by Government Code Section 65454. The Amendment will provide for additional and varied land use opportunities throughout the City. Regulations related to craft breweries will aid in creating a destination place for residents and visitors within Rancho Cordova. Increased use opportunities will serve to redevelop and regenerate the existing building stock along Folsom Boulevard and Trade Center Drive.

B. Use Classifications

The permitted land uses districts are unique to this Specific Plan. Where there are conflicts with existing definitions in the City's Zoning Code, the use classifications of this Specific Plan will prevail. The listing of use classifications below is organized alphabetically.

Alcoholic Beverage Sales. The retail sale of beer, wine, and/or other alcoholic beverages for consumption off-premises. On-premises consumption is not included in this definition and is considered accessory to the primary use.

Artisan Shop. A retail store selling art glass, ceramics, jewelry, and other handcrafted items and supplies needed to create finished items, where the facility includes an area for the crafting of the items being sold.

Artisanal and Specialty Manufacture, Display and Sales. The manufacture, display and sales of specialty food and goods requiring the transformation of raw materials into products that may be edible, useful or decorative. Outdoor display, sales and consumption on premises may be included subject to zoning and accessibility requirements, and any other applicable state or local regulations such as, but not limited to, the California Uniform Food Facilities Law (CURFFL). This listing includes craft breweries, small scale winery production facilities, and craft distilleries. Such facilities manufacture alcoholic beverages with an annual production of less than 60,000 barrels of beer or 60,000 gallons of wine or spirits respectively. Incidental to the manufacturing process, a tasting area not to exceed 50% of the floor area is allowed. Tasting rooms must comply with retail hours of operation from 10:00 AM to 10:00 PM. Tasting shall follow all guidelines established and enforced by Alcoholic Beverage Control (ABC). All manufacturing activities occur within a completely enclosed building or in an outdoor work area screened from view. Off-site sales of alcoholic beverages are allowed at this facility consistent with regulations of ABC licensure. Prior to occupancy, all craft breweries, wineries, or distilleries shall provide evidence of acquisition of all required state and federal permits. See also "Tasting Room, Off-site".

Art, Antique, Collectable. Retail sales uses including antique shops, art galleries, curio, gift, and souvenir shops, and the sales of collectable items including sports cards and comic books. Stores selling handcrafted items that are produced on the site are defined separately as "Artisan Shops."

Auto and Vehicle Retail Sales and Rental. Retail establishments selling and/or renting automobiles, trucks, and vans. This use listing includes the sales and rental of mobile homes, recreation vehicles, and boats. May also include repair shops and the sales of parts and accessories, incidental to vehicle dealerships. It does not include the sale of auto parts/accessories separate from a vehicle dealership (see "Auto Parts Sales"), bicycle and moped sales (see "Retail – General"), tire recapping establishments (see "Vehicle Services – Major"), businesses dealing exclusively in used parts, (see "Recycling Facility– Scrap and Dismantling"), or "Service Stations," which are separately defined.

Auto and Vehicle Sales, Wholesale. Wholesale establishments selling new and used vehicles and used vehicle parts.

Auto and Vehicle Storage. Facilities for the storage of operative and inoperative vehicles for limited periods of time. Includes but is not limited to storage of parking tow-aways, impound yards, and storage lots for automobiles, trucks, buses, and recreation vehicles. Does not include vehicle dismantling or retail sales.

These facilities do not include bars that are part of a larger restaurant. Includes bars, taverns, pubs, and similar establishments where any food service is subordinate to the sale of alcoholic beverages. Bars and nightclubs may include outdoor food and beverage areas.

Bed and Breakfast. A residential structure with one family in permanent residence with up to five bedrooms rented for overnight lodging, where meals may be provided subject to applicable Health Department regulations. A bed and breakfast inn with more than five guest rooms is considered a hotel or motel and is included under the definition of "Hotels/Motels."

A facility where specific alcoholic beverages are manufactured, with an annual production of more than 60,000 barrels of beer or 60,000 gallons of wine or spirits per year. Incidental to the manufacturing process, a tasting area not to exceed 50% of the overall floor area is allowed. Tasting rooms must comply with retail hours of operation from 10:00 AM to 10:00 PM. Tasting shall follow all guidelines established and enforced by Alcoholic Beverage Control (ABC). All manufacturing activities occur within a completely enclosed building or in an outdoor work area screened from view. Off-site sales of alcoholic beverages are allowed at this facility consistent with ABC licensure. Prior to occupancy, all craft breweries, wineries, or distilleries shall provide evidence of acquisition of all required state and federal permits.

Includes incidental retail ready-mix concrete operations, except where excluded by a specific zoning district. Establishments primarily selling electrical, plumbing, heating, and air conditioning equipment and supplies are classified in "Warehousing and Distribution." Hardware stores are listed in the definition of "Retail – General," even if they sell some building materials. Also see "Home Improvement Supplies" for smaller specialty stores.

MEMORANDUM

DATE: May 18, 2015

TO: Honorable Mayor and Council Members

FROM: Reed Flory, Housing and Neighborhood
Reinvestment Manager
Jessica Hayes, Housing and Neighborhood Project Coordinator

SUBJECT: **THIRD AMENDMENT AND RESTATEMENT OF THE EXISTING DISPOSITION
DEVELOPMENT AND LOAN AGREEMENT WITH UHC 00575 RANCHO
CORDOVA, L.P. FOR THE DEVELOPMENT OF THE HORIZONS SENIOR
HOUSING PROJECT**

RECOMMENDATION

Approve Resolution 20-2015.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will authorize the City Manager to execute the third amendment and restatement of the Development, Disposition and Loan Agreement (DDLA) with Urban Housing Communities (UCH), the Developer for the Horizons at New Rancho senior affordable housing development, thereby permitting the submittal of an application for required additional project funding through the Second competitive round of 2015 Tax Credits.

BACKGROUND

PROJECT HISTORY

In July of 2008 the Rancho Cordova Community Redevelopment Agency signed a Memorandum of Understanding (MOU) with Urban Housing Communities (UCH) to prepare projects for the redevelopment of the former Stagger Inn site. The project was divided into two phases. Phase one was the Crossings @ New Rancho, an 18 unit affordable family housing community. The Crossings was funded primarily through Neighborhood Stabilization Program grants and Tax Credits. The project was completed in February of 2012, and is 100% occupied. Phase Two is to be the Horizons @ New Rancho, a 48 unit senior affordable housing development.

On July 2, 2012 the City and UHC entered into an Exclusive Negotiation Rights Agreement (ENRA) establishing preliminary terms for a future DDA for the remaining parcel on which the Horizons project will be developed. This ENRA permitted the City and Developer to submit an application to the State Department of Housing and Community Development for a HOME grant. The application was unsuccessful, and on February 26, 2013 the City Council approved Resolution No. 27-2013 to have the City Manager agree to a Development and Disposition Agreement (DDA) with UHC that terminated the ENRA. The DDA allowed UHC to apply for competitive Tax Credits in the First Round of the 2013 Tax Credit Allocation. The application

was unsuccessful, even though the project scored very well, due to a very competitive affordable housing development environment.

On July 1, 2013 the City Council adopted Resolution No. 82-2013, which made minor amendments to the DDA to allow for the timely submittal of an application for 2013 Round 2 Tax Credit funding. UHC was not successful with that Tax Credit application. Competition was fierce and the application was second in the City's allocation area, losing in a battle of tie-breaker points for a finite amount of Tax Credit allocation.

In anticipation of a different type of funding, an amended and restated Disposition, Development and Loan Agreement was approved by City Council on June 23, 2014 via Resolution No. 56-2014 to allow for a Home Investment Partnerships Program (HOME) application to the State of California Department of Housing and Community Development. The application was unsuccessful. However, UHC used the new form of the DDLA for a Tax Credit application in the Second round of 2014. Again the application was very competitive, yet unsuccessful.

PROJECT STATUS

The Horizons @ New Rancho is a shovel-ready project. The City and Developer have prepared plans and specifications for the project. This includes complete architectural and engineering plans, landscape plans, local approvals, and utility applications. The plans and specs for the Horizons project were developed in 2012, and there have been some significant building code changes since, so there will be considerable work that will need to be done to get the plans and specs permit-ready, however, because the project is designed to be factory built, those changes will be simpler to implement and will not add significantly to the cost of the project.

Similar to the Crossings project, the Horizons @ New Rancho senior housing project would be owned by Developer, and would be governed by a regulatory agreement with the City of Rancho Cordova committing the units to remain affordable to seniors at and below 50% of the area median income. The project would be managed by a professional management company, and the proximity to the Crossings project would allow the developer and the management company to really leverage services – ensuring a higher quality residential product.

FUNDING

The Horizons @ New Rancho will be funded through a variety of funds. This DDLA will allow UHC to apply for 2015 Second Round Tax Credits. The Tax Credits will constitute the majority of the project funding. However, the project will also include funds from the City's Local Housing Trust Fund, which will operate as Match to the State's Local Housing Trust Funds, as well as an Infrastructure Infill Grant (IIG) from HCD.

The City will be loaning UHC a total of \$2 million of new money for the project. That \$2 million is made up of \$1 million of the City's Local Housing Trust Fund matching funds that were dedicated via Resolution 36-2012 approved on May 7th, 2012, and \$1 million of the City's Local Housing Trust Fund that was approved by the City Council in Resolution 15-2015 dated February 17th 2015. These funds will be drawn from the City's Local Housing Trust Fund, which is sourced by the non-residential impact fee that the City charges on commercial building permits. The City's Local Housing Trust fund has not collected the expected fees over the last few years (particularly during the recession) and does not have a positive cash flow. To the extent that the City's Local Housing Trust Fund is operating with a negative balance, the City is providing funds through an Interfund Loan Agreement, which was approved by City Council on April 6th, 2015 in Resolution 46-2015. That Interfund Loan Agreement provides for the use and

full repayment of any funds fronted to the City's Local Housing Trust Fund for the development of the Horizon's project.

The State's Local Housing Trust Fund will add an additional \$1 million to the project via an escrow that will be set up during the Construction Loan closing process. The State's Local Housing Trust Fund money will not be passed through the City's accounts. While the City is the official recipient of the State's Local Housing Trust Fund Grant, the Grant is designed to be used as a pass-through to the project developer. The City will not be required to front funds to the State's Local Housing Trust Fund Grant, nor will it be obligated in any way to pay the \$1 million dedicated to the project from the State. The State funds will be directly deposited into the Project's Construction Loan Closing Escrow account. The City is including the State Local Housing Trust Fund money into the overall Project Loan because the City is the official recipient of the Local Housing Trust Fund Grant, and because the additional loan amount provides performance leverage for the City with UHC, to ensure that the project meets its agreed affordability and maintenance standards.

The City's Loan to UHC will be a 0% interest loan, with a 55 year deferred payment, as per the requirements for Tax Credits.

The IIG is another grant from the State that will go directly to UHC and will add approximately \$500,000 to the project to pay for off-site improvement and infrastructure upgrades. The City is in no way responsible for these funds.

The City will also be providing a Project Grant to UHC for approximately \$1.85 million made up of sunk costs from the predevelopment of the project. During the initial eminent domain, relocation, and demolition of the Stagger Inn and Woodberry Gardens sites, the City incurred about \$1.85 million in costs. These costs were paid out of the Redevelopment 20% set aside funds, the City's Very Low Income Housing Fund, and Community Development Block Grant funds. Some of these costs can be included as basis in the Tax Credit application and will improve the competitiveness of the project. These sunk costs are un-recoverable and will be included in the project budget as a Project Grant. All of the Project Grant funds were used to pay for predevelopment costs incurred before July 20th, 2012. The Project Grant will not include any new money. The City has approximately a TOTAL of \$1.85 million in sunk costs in the Horizons project.

The City and the developer, UHC has agreed to a purchase price of \$341,000 will be paid to the City as a payment for the property. These funds will be made available to the City upon the closing of the Construction Loan. UHC will pay the City \$341,000 for the property located at 2728 Woodberry Way. These funds will be used to offset the Inter-Fund Loan from the City's General Fund to the Housing Trust, as identified in the staff report and Resolution No. 15-2015.

Below is a Funding Summary that identifies the funds dedicated to the Horizons @ New Rancho project. The Funds in *Italics* are the funds that are being loaned from the General Fund. The Funds in **Bold** are the funds that will be coming from the State of California Local Housing Trust Fund and will not have a neutral impact on the City's funds. The remaining funds are the sunk costs previously discussed that are represented as a Project Grant.

The Parties desire to amend the “Amended and Restated Disposition, Development and Loan Agreement dated June 16, 2014 which adopted an amended and restated DDA which was adopted February 26, 2013, as amended by that certain First Amendment to Disposition and Development Agreement dated July 1, 2013 (collectively, “**Original DDA**”). This Agreement amends and restates the original DDA in its entirety and accordingly, upon execution of this Agreement, the original DDA shall have no legal force or effect.

B. Pursuant to California Health and Safety Code Section 34176(a)(1), on January 17, 2012, the City Council of the City of Rancho Cordova (“**City Council**”) adopted Resolution No. 7-2012, whereby the City elected to retain the housing assets and functions of the Community Redevelopment Agency of the City of Rancho Cordova (“**Agency**”) upon the dissolution of the Agency, effective February 1, 2012. The City thereby became the designated Housing Successor to the former Agency.

C. On April 17, 2012, the Oversight Board of the Rancho Cordova Successor Agency to the Community Redevelopment Agency of the City of Rancho Cordova, adopted Resolution No. OB 2-2012, whereby the Oversight Board acknowledged and approved of the transfer of housing assets, obligations and functions from the former Agency to the City as Housing Successor.

D. On October 14, 2012, pursuant to Health and Safety Code Section 34176(a)(2), the City submitted to the California Department of Finance (“**DOF**”) a list of housing assets, including that certain real property consisting of approximately 1.07 acres located in the City of Rancho Cordova, identified as Sacramento Assessor’s Parcel 057-0221-022 (previously known as Assessor’s Parcel Nos. 057-0221-010, 057-0221-009, and 057-0221-020), and more particularly described in Exhibit A attached hereto (the “**Property**”). On November 7, 2012, the DOF responded with an analysis of the housing assets, and did not dispute the City’s claim that the real property listed was a housing asset, however the DOF did require the remittance of un-encumbered Low and Moderate Housing funds. All requested un-encumbered Low and Moderate Housing funds were remitted to the County of Sacramento as per DOF’s findings on November 14, 2012.

E. City owns fee simple title to the Property.

F. City desires to cause the development of the Property with up to forty-eight (48) units of multi-family senior rental housing affordable at very-low income (not to exceed sixty percent (60%) of Area Median Income) and extremely low-income (not to exceed thirty percent (30%) of Area Median Income) levels. Developer has proposed developing same on the

Property, to include Developer's best efforts to develop the housing building as a net zero energy building with the amenities set forth herein (the "**Project**"). It was determined that the certified Environmental Impact Report prepared for the adopted General Plan was found to adequately address all significant environmental impacts associated with the adoption of the FBSP, the Zoning Code amendment, and Zoning Code map amendment, and therefore no additional environmental review was necessary pursuant to California Environmental Quality Act ("CEQA") Guidelines 15183(a) and California Public Resources Code Section 21083.3. Subsequently, amendments to the FBSP were analyzed under a Mitigated Negative Declaration (MND) and a Notice of Determination was filed for the MND on June 19, 2008. The City has completed an environmental review of the project and has determined that the project is consistent with previously prepared environmental review and is also Categorically Exempt under Section 15332, In-Fill Development.

J. A material inducement to the City to enter into this Agreement is the agreement by Developer to develop the Project within the time periods specified herein and in accordance with the provisions hereof, and the City would be unwilling to enter into this Agreement in the absence of an enforceable commitment by Developer to complete the Project in accordance with such provisions and within such time periods, subject to the terms and conditions set forth herein.

If an attempt to receive a TCAC award consistent with the approved Financing Plan is unsuccessful, Developer and City shall meet to discuss alternative financing options. If no mutually agreeable alternate grant funding sources are identified, City, at its sole discretion, may terminate this Agreement, retain all rights to the Property and take assignment of all work products derived from the City's Predevelopment Funding, pursuant to an Assignment of Agreements, Plans and Specifications in a form substantially similar to Exhibit H attached hereto and incorporated herein by reference.

Developer shall commence and complete plan development and construction of the Project and shall satisfy all other obligations of Developer under this Agreement within the time periods set forth herein and as described in the attached Development and Performance Schedule attached as Exhibit E hereto, as such time periods may be extended upon the mutual written consent of the Parties. For the purpose of ensuring that the Project is developed in compliance with this Agreement, Developer shall permit representatives of the City to enter upon the Property to inspect the Project following forty-eight (48) hours written notice, including without limitation inspection for labor standards compliance monitoring as described in Section 5.17 (except in the case of emergency in which case such notice as may be practical under the circumstances shall be provided). Developer shall have the right to accompany any City representative performing an inspection of the Project.

5.10 City Disclaimer. Developer acknowledges that City shall have the right to monitor, review, supervise, or inspect the progress of construction or the operation of the Project. Notwithstanding such right, Developer and all third parties shall rely on its or their own supervision and inspection in determining the quality and suitability of the materials and work, the performance of architects, subcontractors, and material suppliers, and all other matters relating to the construction and operation of the Project. Any review or inspection undertaken by the City is solely for the purpose of determining whether Developer is properly discharging its obligations under this Agreement, and shall not be relied upon by Developer or any third party as a warranty or representation by the City as to the quality of the design or construction of the Improvements or otherwise.

5.11 Construction Plans. Prior to commencement of Project construction, Developer shall submit to City's Building Department detailed construction plans for the development of the Project (the "**Construction Plans**"). The Construction Plans shall be based upon the scope of development set forth herein and upon the approvals issued by the City for the Project, and shall not materially deviate therefrom without the express written consent of City. Provided that the Construction Plans are consistent with the requirements of this Agreement, approval of the Construction Plans by City staff shall be deemed approval thereof by City.

Developer shall develop the Project in accordance with the approved Construction Plans, the Conditions of Approval, and all other permits and approvals granted by the City pertaining to construction of the Project. Developer shall comply with all directions, rules and regulations of any fire marshal, health officer, building inspector or other officer of every governmental entity having jurisdiction over the Property or the Project. Each element of the work shall proceed only after procurement of each permit, license or other authorization that may be required for such element by any governmental entity having jurisdiction. All design and construction work on the Project shall be performed by licensed contractors, engineers or architects, as applicable.

5.13 Changes in Construction Plans. If Developer desires to make any material change in the approved Construction Plans, Developer shall submit the proposed change in writing to City in accordance with its standard review process. Approval of changes to the Construction Plans by City shall be deemed approval thereof by City. Nothing in this Section is intended to or shall be deemed to modify the City's standard plan review procedures.

5.14 Defects in Plans. City shall not be responsible to Developer or to any third party for any defect in the Construction Plans or for any structural or other defect in any work done pursuant to the Construction Plans. Subject to the last sentence of this Section 5.14, Developer shall indemnify, defend (with counsel approved by City) and hold harmless the Indemnitees from and against all Claims arising out of, or relating to, or alleged to arise from or relate to defects in the Construction Plans or defects in any work done pursuant to the Construction Plans whether or not any insurance policies shall have been determined to be applicable to any such Claims. Developer's indemnification obligations set forth in this Section shall survive the expiration or earlier termination of this Agreement and the recordation of a Certificate of Completion and shall be assumed by any successor to Developer's interest in this Agreement. It is further agreed that City shall not, waive any rights against Developer which they may have by reason of this indemnity and hold harmless agreement because of the acceptance by City, or Developer's deposit with City of any of the insurance policies described in this Agreement. Developer's indemnification obligations pursuant to this Section shall not extend to Claims to the extent arising due to the gross negligence or willful misconduct of the Indemnitees. Developer's indemnification obligations set forth in this Section shall not apply to any Construction Plans that are not used by or on behalf of Developer or any entity affiliated with Developer, including without limitation, a Controlled Affiliate or an entity controlled by or under common control

with Developer. In addition, if City uses any of the Construction Plans (or permits a third party to use such Construction Plans), City agrees to release Developer from liability for Claims arising in connection with such use except to the extent any such Claim arises from the gross negligence or willful misconduct of Developer or Developer's employees, agents or representatives.

5.15 Certificate of Completion for Project. Promptly after completion of construction of the Project, issuance of a final Certificate of Occupancy by the City and the written request of Developer, the City will provide an instrument ("**Certificate of Completion**") so certifying, provided that at the time such certificate is requested all applicable components of the Project have been completed. The Certificate of Completion shall be conclusive evidence that Developer has satisfied its obligations regarding the development of the Property.

The Certificate of Completion shall be issued substantially in the form attached hereto as Exhibit C, and at Developer's option, shall be recorded in the Official Records. The Certificate of Completion shall not constitute evidence of compliance with or satisfaction of any obligation of Developer to any holder of a deed of trust or mortgage securing money loaned to finance the Project or any part thereof and shall not be deemed a notice of completion under the California Civil Code, nor shall such Certificate provide evidence that Developer has satisfied any obligation that survives the expiration of this Agreement, including without limitation, Developer's obligations pursuant to the Regulatory Agreement.

5.16 Equal Opportunity. During the construction of the Project, there shall be no discrimination on the basis of race, color, religion, creed, sex, sexual orientation, marital status, ancestry or national origin in the hiring, firing, promoting or demoting of any person engaged in construction of the Project, and Developer shall direct its contractors and subcontractors to refrain from discrimination on such basis.

Developer, at its own expense, shall prepare and obtain approval from the City of a plan for monitoring, enforcing and reporting on the payment of prevailing wages. This plan shall describe penalties, approved by the City, for the Contractor if it fails to implement said plan and to satisfy on a timely basis the reporting requirements included in said plan.

Subject to the last sentence of this paragraph, Developer shall indemnify, defend (with counsel approved by City) and hold the City, and its respective elected and appointed officers, officials, employees, agents, consultants, and contractors (collectively, the "**Indemnitees**") harmless from and against all liability, loss, cost, expense (including without limitation attorneys' fees and costs of litigation), claim, demand, action, suit, judicial or administrative proceeding, penalty, deficiency, fine, order, and damage (all of the foregoing collectively "**Claims**") which directly or indirectly, in whole or in part, are caused by, arise in connection with, result from, relate to, or are alleged to be caused by, arise in connection with, or relate to, the payment or requirement of payment of prevailing wages (including without limitation, all

claims that may be made by contractors, subcontractors or other third party claimants pursuant to Labor Code Sections 1726 and 1781), the failure to comply with any state or federal labor laws, regulations or standards in connection with this Agreement, including but not limited to the Prevailing Wage Laws, or any act or omission of Developer related to this Agreement with respect to the payment or requirement of payment of prevailing wages, whether or not any insurance policies shall have been determined to be applicable to any such Claims. It is further agreed that City does not and shall not waive any rights against Developer which they may have by reason of this indemnity and hold harmless agreement because of the acceptance by City, or Developer's deposit with City of any of the insurance policies described in this Agreement. The provisions of this Section 5.17 shall survive the expiration or earlier termination of this Agreement and the issuance of a Certificate of Completion for the Project and shall be assumed by any successor to Developer's interest in this Agreement. Developer's indemnification obligations set forth in this Section shall not apply to Claims to the extent arising from the gross negligence or willful misconduct of one or more of the Indemnitees. Developer's indemnification obligations set forth in this Section shall only apply to work performed by or on behalf of Developer or any entity affiliated with Developer, including without limitation, a Controlled Affiliate or an entity controlled by or under common control with Developer.

5.18 Compliance with Laws. In connection with development and construction of the Project, Developer shall comply, and shall cause its contractors to comply with all applicable federal, state and local laws, rules, ordinances and regulations, including without limitation, all applicable federal and state labor laws and standards, applicable provisions of the California Public Contracts Code (if any), the City zoning and development standards, building, plumbing, mechanical and electrical codes, all other provisions of the City's Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation, applicable provisions of the Americans with Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq.* Developer shall indemnify, defend (with counsel approved by City) and hold harmless the Indemnitees from and against any and all Claims arising in connection with the breach of Developer's obligations set forth in this Section whether or not any insurance policies shall have been determined to be applicable to any such Claims. It is further agreed that City shall not waive any rights against Developer which they may have by reason of this indemnity and hold harmless agreement because of the acceptance by City, or Developer's deposit with City of any of the insurance policies described in this Agreement. Developer's indemnification obligations set forth in this Section shall not apply to Claims to the extent arising from the gross negligence or willful misconduct of the Indemnitees. Developer's defense and indemnification obligations set forth in this Section 5.18 shall survive the expiration or earlier termination of this Agreement and the issuance of a Certificate of Completion for the Project.

5.19 Liens and Stop Notices. Until the expiration of the term of the Regulatory Agreement, if a claim of a lien or stop notice is given or recorded affecting the Project or the Property, Developer shall within thirty (30) days of such recording or service: (a) pay and discharge (or cause to be paid and discharged) the same; or (b) effect the release thereof by recording and delivering (or causing to be recorded and delivered) to the party entitled thereto a surety bond in sufficient form and amount; or (c) provide other assurance satisfactory to City that the claim of lien or stop notice will be paid or discharged. The provisions of this Section 5.19 shall apply from and after Developer's acquisition of a fee simple interest in the Property.

5.20 Right of City to Satisfy Liens on the Property. If Developer fails to satisfy or discharge any lien or stop notice on the Property pursuant to and within the time period set forth in Section 5.19 above, the City shall have the right, but not the obligation, to satisfy any such liens or stop notices at Developer's expense with prior written notice to Developer. In such event Developer shall be liable for and shall immediately reimburse City for such paid lien or stop notice. Alternatively, the City may require Developer to immediately deposit with City the amount necessary to satisfy such lien or claim pending resolution thereof. The City may use such deposit to satisfy any claim or lien that is adversely determined against Developer. Developer shall file a valid notice of cessation or notice of completion upon cessation of construction of the Improvements for a continuous period of thirty (30) days or more, and shall take all other reasonable steps to forestall the assertion of claims or liens against the Property or the Improvements. The City may (but has no obligation to), with prior written notice to Developer, record any notices of completion or cessation of labor, or any other notice that the City deems necessary or desirable to protect its interest in the Property and the Improvements.

5.21 Performance and Payment Bonds. Prior to commencement of construction work on the Project, Developer shall cause its general contractor to deliver to the City copies of payment bond(s) and performance bond(s) issued by a reputable insurance company licensed to do business in California, each in a penal sum of not less than one hundred percent (100%) of the scheduled cost of construction of the Project. The bonds shall name the Developer and the City as co-obligees. In lieu of such performance and payment bonds, subject to City's approval of the form and substance thereof, Developer may submit evidence satisfactory to the City of the contractor's ability to commence and complete construction of the Project in the form of an irrevocable letter of credit, pledge of cash deposit, certificate of deposit, or other marketable securities held by a broker or other financial institution, with signature authority of the City required for any withdrawal, or a completion guaranty in a form and from a guarantor acceptable to City. Such evidence must be submitted to City in approvable form in sufficient time to allow for City's review and approval prior to the scheduled construction start date.

(iv) No material adverse change as determined by City in its reasonable judgment shall have occurred in the condition of the Property or in the financial or other condition of Developer since the date of this Agreement.

(v) City's written agreement to the costs and schedule of products represented in the Predevelopment phase of the Financing Plan attached as Exhibit D. Such costs shall be consistent with and support the initial draft of the total Project Financing Plan.

(vi) City's receipt of a written requisition from Developer specifying the amount and use of the requested funds, accompanied by copies of third-party invoices for services rendered or to be rendered in connection with the Project (accompanied by or to be followed by evidence of payment of such invoices, as applicable), and such other documentation as City shall reasonably require, including without limitation, cost certification as to the expenses incurred. All such requisitions shall be preceded by written request from Developer to City for consideration of the specific Predevelopment cost. For those costs and expenses not included in Predevelopment budget approved by the City, the City must provide written approval before Developer may incur such cost or expense.

(b) For funding during the Construction period ("**Construction Phase**") , in

addition to continuing the aforementioned conditions of disbursement, the following are additional requirements for funding requests on or after Commencement of Construction:

(i) Prior to construction loan closing, City's written agreement to the updated Financing Plan to be attached as an amendment to Exhibit D reflecting all Project costs, all sources and uses of Project funding, the operating budget and any other schedules, narratives or products required by the City. The Financing Plan shall reflect the funding and underwriting requirements of all lenders and grant programs funding the costs of the Construction Phase of the Project. All funds shall be used and secured in the manner specified in the updated Financing Plan. ARTICLE VII

7.1 Use; Affordable Housing. Developer covenants and agrees for itself and its successors and assigns that the Property shall be used for the development and operation of an affordable, multi-family, senior residential project, in accordance with the terms and conditions of this Agreement and the Regulatory Agreement.

7.2 Maintenance. Developer, at its own expense, shall maintain the Property, the improvements and related landscaping and common areas in good physical condition, in good repair, and in decent, safe, sanitary, habitable and tenantable living conditions in conformity with all applicable state, federal, and local laws, ordinances, codes, and regulations. Without limiting the foregoing, Developer agrees to maintain the Project and the Property (including without limitation, the residential units, common areas, landscaping, driveways, parking areas, and walkways) in a condition free of all waste, nuisance, debris, unmaintained landscaping, graffiti, disrepair, abandoned vehicles/appliances, and illegal activity, and shall take all reasonable steps to prevent the same from occurring on the Property or at the Project. Developer shall prevent and/or rectify any physical deterioration of the Property and the Project and shall make all repairs, renewals and replacements necessary to keep the Property and the improvements located thereon in good condition and repair. Developer shall provide adequate security for occupants of the Project. The provisions of this Section 7.2 shall apply from and after Developer's acquisition of the Property.

7.3 Taxes and Assessments. From and after Developer's acquisition of the Property, Developer shall pay all real and personal property taxes, assessments and charges and all franchise, income, payroll, withholding, sales, and other taxes assessed against the Property or the Improvements and payable by Developer, at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property or the Improvements; provided, however, that Developer shall have the right to contest in good faith, any such taxes, assessments, or charges. In the event the Developer exercises its right to contest any tax, assessment, or charge, the Developer, on final determination of the proceeding or contest, shall immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

7.4 Obligation to Refrain from Discrimination. From and after Developer's acquisition of the Property, Developer shall not restrict the rental, sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property or the Improvements, or any portion thereof, on the basis of race, color, religion, creed, sex, sexual orientation, disability, marital status, ancestry, or national origin of any person. Developer covenants for itself and all persons claiming under or through it, and this Agreement is made and accepted upon and subject to the condition that there shall be no discrimination against or segregation of any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12952 and Section 12955.2 of the Government Code,

Developer shall include such provision in all deeds, leases, contracts and other instruments executed by Developer, and shall enforce the same diligently and in good faith.

All deeds, leases or contracts made or entered into by Developer, its successors or assigns, as to any portion of the Property or the Improvements shall contain the following language:

(a) In Deeds, the following language shall appear:

The foregoing covenant shall run with the land.

With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11 and 799.5 of the Civil Code, relating to housing for senior citizens. (b) In Leases, the following language shall appear:

“(1) The lessee herein covenants by and for the lessee and lessee’s heirs, personal representatives and assigns, and all persons claiming under the lessee or through the lessee, that this lease is made subject to the condition that there shall be no discrimination against or segregation of any person or of a group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, ancestry or disability in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the property herein leased nor shall the lessee or any person claiming under or through the lessee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the property herein leased.

shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11 and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1).”

- (c) In Contracts, the following language shall appear:

“There shall be no discrimination against or segregation of any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to selection, location, number, use or occupancy of tenants, lessee, subtenants, sublessees or vendees of the land.”

Additionally, City reserves the right to require other mandatory contract language necessary to satisfy existing Federal, State and Local requirements.

ARTICLE VIII

LIMITATIONS ON CHANGE IN OWNERSHIP, MANAGEMENT AND CONTROL OF DEVELOPER

8.1 Change Pursuant to this Agreement. Developer and its principals have represented that they possess the necessary expertise, skill and ability to carry out the development of the Project on the Property pursuant to this Agreement. The qualifications, experience, financial capacity and expertise of Developer and its principals are of particular concern to the City. It is because of these qualifications, experience, financial capacity and expertise that the City has entered into this Agreement with Developer. No voluntary or involuntary successor, assignee or transferee of Developer shall acquire any rights or powers under this Agreement, except as expressly provided herein.

8.2 Prohibition on Transfer. Prior to the expiration of the term of the Regulatory Agreement, Developer shall not, except as expressly permitted by this Agreement, directly or indirectly, voluntarily, involuntarily or by operation of law make or attempt any total or partial sale, transfer, conveyance, assignment or lease (collectively, “**Transfer**”) of the whole or any part of Developer’s interest in the Property, the Project, the Improvements, or this Agreement, without the prior written approval of City, which approval shall not be unreasonably withheld. (The provisions concerning Transfer of the Property, the Project and the Improvements shall apply commencing upon Developer’s acquisition of a fee simple interest in the Property.) Any such attempt to assign this Agreement without the City’s consent shall be null and void and shall confer no rights or privileges upon the purported assignee. In addition to the foregoing, prior to the expiration of the term of the Regulatory Agreement, except as expressly permitted by this Agreement, Developer shall not undergo any significant change of ownership without

the prior written approval of City. For purposes of this Agreement, a “significant change of ownership” shall mean a transfer of the beneficial interest of more than twenty-five percent (25%) in aggregate of the present ownership and /or control of Developer, taking all transfers into account on a cumulative basis; provided however, neither the admission of an investor limited partner, nor the transfer by the investor limited partner to subsequent limited partners shall be restricted by this provision.

8.3 Permitted Transfers. Notwithstanding any contrary provision hereof, the prohibitions set forth in this Article shall not be deemed to prevent: (i) the granting of easements or permits to facilitate development of the Property; (ii) the dedication of any property required pursuant to this Agreement; (iii) the lease of individual residences to tenants for occupancy as their principal residence in accordance with the Regulatory Agreement; (iv) assignments creating security interests for the purpose of financing the acquisition, construction or permanent financing of the Project or the Property in accordance with the approved Financing Plan as it may be updated with City approval, and subject to the requirements of Article VII, or Transfers directly resulting from the foreclosure of, or granting of a deed in lieu of foreclosure of, such a security interest; or (v) a Transfer to a single purpose limited partnership in which at least one of the general partners is an affiliate controlled by Urban Housing Communities LLC, a California limited liability company (“**Controlled Affiliate**”).

8.4 Requirements for Proposed Transfers. The City may, in the exercise of its sole discretion, consent to a proposed Transfer of this Agreement, the Improvements, the Property or portion thereof if all of the following requirements are met (provided however, the requirements of this Section 8.4 shall not apply to Transfers described in clauses (i) through (v) of Section 8.3):

(i) The proposed transferee demonstrates to the City’s satisfaction that it has the qualifications, experience and financial resources necessary and adequate as may be reasonably determined by the City to competently complete construction of the Project and to otherwise fulfill the obligations undertaken by the Developer under this Agreement.

(ii) The Developer and the proposed transferee shall submit for City review and approval all instruments and other legal documents proposed to effect any Transfer of this Agreement, the Improvements, the Property or interest therein together with such documentation of the proposed transferee’s qualifications and development capacity as the City may reasonably request.

(iii) The proposed transferee shall expressly assume all of the rights and obligations of the Developer under this Agreement and the City Documents arising after the effective date of the Transfer and all obligations of Developer arising prior to the effective date of the Transfer (unless Developer expressly remains responsible for such obligations) and shall agree to be subject to and assume all of Developer’s obligations pursuant to the Conditions of Approval and all other conditions, and restrictions set forth in this Agreement and the Regulatory Agreement. In the event that such assignment and assumption agreement does not expressly provide that Developer remains responsible for all Developer obligations under this Agreement, the transferee shall be solely liable for breach of such obligations, and the City shall look solely to the transferee for fulfillment of all Developer obligations under this Agreement.

(iv) The Transfer shall be effectuated pursuant to a written instrument

satisfactory to the City in form recordable in the Official Records.

Consent to any proposed Transfer may be given by the City Manager unless the City Manager, in his or her discretion, refers the matter of approval to the City Council. If a proposed Transfer has not been approved by City in writing within thirty (30) days following City's receipt of written request by Developer, it shall be deemed rejected.

8.5 Effect of Transfer without City Consent.

8.5.1 In the absence of specific written agreement by the City, no Transfer by Developer shall be deemed to relieve the Developer or any other party from any obligation under this Agreement.

8.5.2 Without limiting any other remedy City may have under this Agreement, or under law or equity, it shall be an Event of Developer Default hereunder entitling City to terminate this Agreement if without the prior written approval of the City, Developer assigns or Transfers this Agreement, the Improvements, or the Property prior to the City's issuance of a Certificate of Completion. This Section 8.5.2 shall not apply to Transfers described in clauses (i) through (v) of Section 6.3.

ARTICLE IX

SECURITY FINANCING AND RIGHTS OF MORTGAGEES

9.1 Mortgages and Deeds of Trust for Development. Mortgages and deeds of trust, or any other reasonable security instrument are permitted to be placed upon the Property or the Improvements only for the purpose of securing loans for the purpose of the design and construction of the Improvements, and other expenditures reasonably necessary for development of the Property pursuant to this Agreement. Developer shall not enter into any conveyance for such financing that is not contemplated in the Financing Plan as it may be updated with City approval, without the prior written approval of the City's Chief Executive officer or his or her designee. As used herein, the terms "mortgage" and "deed of trust" shall mean any security instrument used in financing real estate acquisition, construction and land development.

9.1.1 Memorandum and Regulatory Agreement to be Senior to Mortgages. The City agrees that pursuant to Health and Safety Code Section 33334.14(a)(4), City will not withhold consent to reasonable requests for subordination of the Regulatory Agreement to deeds of trust provided for the benefit of Tax Credit equity partners identified in the Financing Plan as it may be updated with City approval, provided that the instruments effecting such subordination include reasonable protections to the City in the event of default consistent with the requirements of Health and Safety Code Section 33334.14(a)(4).

9.2 Holder Not Obligated to Construct. The holder of any mortgage, deed of trust authorized by this Agreement shall not be obligated to complete construction of the Improvements or to guarantee such completion. Nothing in this Agreement shall be deemed to permit or authorize any such holder to devote the Property or any portion thereof to any uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Agreement.

9.3 Notice of Default and Right to Cure. Whenever City delivers any notice of

default hereunder, City shall concurrently deliver a copy of such notice to each holder of record of any mortgage or deed of trust secured by the Property or the Improvements, provided that City has been provided with the address for delivery of such notice. City shall have no liability to any such holder for any failure by the City to provide such notice to such holder. Each such holder shall have the right, but not the obligation, at its option, to cure or remedy any such default or breach within the cure period provided to Developer extended by and additional sixty (60) days. In the event that possession of the Property or the Improvements (or any portion thereof) is required to effectuate such cure or remedy, the holder shall be deemed to have timely cured or remedied the default if it commences the proceedings necessary to obtain possession of the Property or Improvements, as applicable, within sixty (60) days after receipt of the City's notice, diligently pursues such proceedings to completion, and after obtaining possession, diligently completes such cure or remedy. A holder who chooses to exercise its right to cure or remedy a default or breach shall first notify City of its intent to exercise such right prior to commencing to cure or remedy such default or breach. Nothing contained in this Agreement shall be deemed to permit or authorize such holder to undertake or continue the construction of the Project (beyond the extent necessary to conserve or protect the same) without first having expressly assumed in writing Developer's obligations to City under this Agreement. The holder in that event must agree to complete, in the manner provided in this Agreement, the Project and the Improvements and submit evidence reasonably satisfactory to City that it has the development capability on staff or retainer and the financial capacity necessary to perform such obligations. Any such holder properly completing the Project pursuant to this Section shall assume all rights and obligations of Developer under this Agreement and shall be entitled to a Certificate of Completion upon compliance with the requirements of this Agreement.

9.4 City Right to Cure Defaults. In the event of a breach or default by Developer under a mortgage or deed of trust secured by the Property or the Improvements, City may cure the default, without acceleration of the subject loan, following prior notice thereof to the holder of such instrument and Developer. In such event, Developer shall be liable for, and City shall be entitled to reimbursement from Developer for all costs and expenses incurred by City associated with and attributable to the curing of the default or breach and such sum.

9.5 Holder to be Notified. Developer agrees to use best efforts to ensure that each term contained herein dealing with security financing and rights of holders shall be either inserted into the relevant deed of trust or mortgage or acknowledged by the holder prior to its creating any security right or interest in the Property or the Improvements.

9.6 Modifications to Agreement. City shall not unreasonably withhold its consent to modifications of this Agreement requested by Project lenders or investors provided such modifications do not alter City's substantive rights and obligations under this Agreement.

9.7 Estoppel Certificates. Either Party shall, at any time, and from time to time, within fifteen (15) days after receipt of written request from the other Party, execute and deliver to such Party a written statement certifying that, to the knowledge of the certifying Party: (i) this Agreement is in full force and effect and a binding obligation of the Parties (if such be the case), (ii) this Agreement has not been amended or modified, or if so amended, identifying the amendments, and (iii) the requesting Party is not in default in the performance of its obligations under this Agreement, or if in default, describing the nature of any such defaults.

ARTICLE X

ENVIRONMENTAL MATTERS

10.1 No City Liability; Developer's Covenants. City shall be responsible for the cost of any soil, groundwater or other environmental remediation or other response activities for any Hazardous Materials existing or occurring in, on, under or about the Improvements, the Property or any portion thereof. From and after Developer's acquisition of the Property, upon receipt of any notice regarding the presence, release or discharge of Hazardous Materials in, on or under the Improvements, the Property, or any portion thereof, Developer agrees to timely initiate and diligently pursue and complete all appropriate response, remediation and removal actions for the presence, release or discharge of such Hazardous Materials within such deadlines as specified by applicable Environmental Laws. Developer hereby covenants and agrees that commencing upon Developer's acquisition of the Property:

(i) Developer shall not knowingly permit the Project or the Property or any portion of either to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Materials or otherwise knowingly permit the presence or release of Hazardous Materials in, on, under, about or from the Project or the Property with the exception of cleaning supplies and other materials customarily used in construction, operation or maintenance of residential property and any commercial uses developed as part of the Project, and used, stored and disposed of in compliance with Hazardous Materials Laws, and

(ii) Developer shall keep and maintain the Project and the Property and each portion thereof in compliance with, and shall not cause or permit the Project or the Property or any portion of either to be in violation of, any Hazardous Materials Laws.

(iii) Developer has performed a due diligence review of the condition of the Property. All information obtained by Developer regarding such condition has been disclosed to City in writing.

10.2 Environmental Indemnification. Subject to the last sentence of this Section, commencing upon Developer's acquisition of the Property, Developer shall indemnify, defend (with counsel approved by City) and hold the Indemnitees harmless from and against any and all Claims including without limitation any expenses associated with the investigation, assessment, monitoring, response, removal, treatment, abatement or remediation of Hazardous Materials and administrative, enforcement or judicial proceedings resulting, arising, or based directly or indirectly in whole or in part, upon (i) the presence, release, use, generation, discharge, storage or disposal or the alleged presence, release, discharge, storage or disposal of any Hazardous Materials on, under, in or about, or the transportation of any such Hazardous Materials to or from, the Property, or (ii) the failure of Developer, Developer's employees, agents, contractors, subcontractors, or any person acting on behalf of any of the foregoing to comply with Hazardous Materials Laws or the covenants set forth in Section 10.1. The foregoing indemnity shall further apply to any residual contamination in, on, under or about the Property or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws. The provisions of this Section 10.2 shall survive the issuance of a Certificate of Completion for the

Project and the expiration or earlier termination of this Agreement. Except for any Claims caused by sole negligence of the Developer or its agents, Developer's indemnification obligations set forth in this Section shall not apply to Claims regarding the Property arising out of or occurring prior to Developer's acquisition of the Property.

10.2.1 No Limitation. Developer hereby acknowledges and agrees that Developer's duties, obligations and liabilities under this Agreement, including, without limitation, under Section 8.2 above, are in no way limited or otherwise affected by any information the City may have concerning the Property and/or the presence in, on, under or about the Property of any Hazardous Materials, whether the City obtained such information from the Developer or from its own investigations. It is further agreed that City does not and shall not waive any rights against Developer that they may have by reason of this indemnity and hold harmless agreement because of the acceptance by City, or the deposit with City by Developer, of any of the insurance policies described in this Agreement.

10.3 Hazardous Materials. As used herein, the term "**Hazardous Materials**" means any substance, material or waste which is or becomes regulated by any federal, state or local governmental authority, and includes without limitation (i) petroleum or oil or gas or any direct or indirect product or by-product thereof; (ii) asbestos and any material containing asbestos; (iii) any substance, material or waste regulated by or listed (directly or by reference) as a "hazardous substance", "hazardous material", "hazardous waste", "toxic waste", "toxic pollutant", "toxic substance", "solid waste" or "pollutant or contaminant" in or pursuant to, or similarly identified as hazardous to human health or the environment in or pursuant to, the Toxic Substances Control Act [15 U.S.C. 10.4 Environmental Laws. As used herein, the term "**Environmental Laws**" means all federal, state or local statutes, ordinances, rules, regulations, orders, decrees, judgments or common law doctrines, and provisions and conditions of permits, licenses and other operating authorizations regulating, or relating to, or imposing liability or standards of conduct concerning (i) pollution or protection of the environment, including natural resources; (ii) exposure of persons, including employees and agents, to Hazardous Materials (as defined above) or other products, raw materials, chemicals or other substances; (iii) protection of the public health or welfare from the effects of by-products, wastes, emissions, discharges or releases of chemical

ARTICLE XI

DEFAULTS, REMEDIES AND TERMINATION

11.1 Event of Developer Default. The following events shall constitute an event of default on the part of Developer (“**Event of Developer Default**”):

(a) Subject to force majeure, the availability of financing and City’s issuance of permits and approvals, Developer fails to commence or complete construction of the Project within the times set forth in Section 5.8, or, subject to force majeure, abandons or suspends construction of the Project prior to completion for a period of sixty (60) days or more;

(f) A court of competent jurisdiction shall have made or entered any decree or order (1) adjudging the Developer to be bankrupt or insolvent, (2) approving as properly filed a petition seeking reorganization of the Developer or seeking any arrangement for Developer under bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (3) appointing a receiver, trustee, liquidator, or assignee of the Developer in bankruptcy or insolvency or for any of its properties, or (4) directing the winding up or liquidation of the Developer;

(g) Developer shall have assigned its assets for the benefit of its creditors (other than pursuant to a mortgage loan) or suffered a sequestration or attachment of or execution

on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon shall have been returned or released within sixty (60) days after such event (unless a lesser time period is permitted for cure under any other mortgage on the Property or the Improvements, in which event such lesser time period shall apply under this subsection as well) or prior to any sooner sale pursuant to such sequestration, attachment, or execution;

(h) The Developer shall have voluntarily suspended its business or Developer shall have been dissolved or terminated;

(i) An event of default arises under any City Document and remains uncured beyond any applicable cure period; or

(j) Developer defaults in the performance of any term, provision, covenant or agreement contained in this Agreement other than an obligation enumerated in this Section 9.1 and unless a shorter cure period is specified for such default, the default continues for ten (10) days in the event of a monetary default or sixty (60) days in the event of a nonmonetary default after the date upon which City shall have given written notice of the default to Developer; provided however, if the default is of a nature that it cannot be cured within sixty (60) days, an Event of Developer Default shall not arise hereunder if Developer commences to cure the default within sixty (60) days and thereafter prosecutes the curing of such default with due diligence and in good faith to completion and in no event later than one hundred twenty (120) days after receipt of notice of the default.

12.2 City Default. An event of default on the part of City (“**Event of City Default**”) shall arise hereunder if City fails to keep, observe, or perform any of its covenants, duties, or obligations under this Agreement, and the default continues for a period of thirty (30) days after written notice thereof from Developer to City, or in the case of a default which cannot with due diligence be cured within thirty (30) days, City fails to commence to cure the default within thirty (30) days of such notice and thereafter fails to prosecute the curing of such default with due diligence and in good faith to completion.

12.3 City’s Right to Terminate Agreement. If an Event of Developer Default shall occur and be continuing beyond any applicable cure period, then City shall, in addition to other rights available to it under law or this Agreement, have the right to terminate this Agreement. If City makes such election, City shall give written notice to Developer and to any mortgagee entitled to such notice specifying the nature of the default and stating that this Agreement shall expire and terminate on the date specified in such notice, and upon the date specified in the notice, this Agreement and all rights of Developer under this Agreement, shall expire and terminate.

12.4 City’s Remedies and Rights Upon an Event of Developer Default. Upon the occurrence of an Event of Developer Default and the expiration of any applicable cure period, City shall have all remedies available to it under this Agreement or under law or equity, including, but not limited to the following, and City may, at its election, without notice to or demand upon Developer, except for notices or demands required by law or expressly required pursuant to the City Documents, exercise one or more of the following remedies:

(a) Seek specific performance to enforce the terms of the City Documents;

(b) Pursue any and all other remedies available under this Agreement or under law or equity to enforce the terms of the City Documents and City's rights thereunder including, without limitation, calling all sums advanced by and payable to the City, with accrued interest; entering into possession of the Property and taking over and completing development of the Project; stopping construction; curing defaults by disbursement from the City Loan; and/or appointment of a receiver.

12.5 Developer's Remedies Upon an Event of City Default. Upon the occurrence of an Event of City Default, in addition to pursuing any other remedy allowed at law or in equity or otherwise provided in this Agreement, Developer may bring an action for equitable relief seeking the specific performance of the terms and conditions of this Agreement, and/or enjoining, abating, or preventing any violation of such terms and conditions, and/or seeking to obtain any other remedy consistent with the purpose of this Agreement.

12.6 Remedies Cumulative; No Consequential Damages. Except as otherwise expressly stated in this Agreement, the rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different time, of any other rights or remedies for the same or any other default by the other Party. Notwithstanding anything to the contrary set forth herein, a Party's right to recover damages in the event of a default shall be limited to actual damages and shall exclude consequential damages.

12.7 Inaction Not a Waiver of Default. No failure or delay by either Party in asserting any of its rights and remedies as to any default shall operate as a waiver of such default or of any such rights or remedies, nor deprive either Party of its rights to institute and maintain any action or proceeding which it may deem necessary to protect, assert or enforce any such rights or remedies in the same or any subsequent default.

ARTICLE XII

INDEMNITY AND INSURANCE

12.1 Indemnity. Developer shall indemnify, defend (with counsel approved by City) and hold Indemnitees, except third party contractors and consultants, harmless from and against any and all Claims, including without limitation, Claims arising directly or indirectly, in whole or in part, as a result of or in connection with Developer's or Developer's contractors, subcontractors, agents or employees development, construction, improvement, operation, ownership or maintenance of the Project or the Property, or any part thereof or otherwise arising out of or in connection with Developer's performance under this Agreement. Developer's indemnification obligations under this Section 12.1 shall not extend to Claims resulting solely from the gross negligence or willful misconduct of, or to any breach of a warranty or representation of this Agreement by, one or more Indemnitees. The provisions of this Section 10.1 shall survive the issuance of a Certificate of Completion for the Project and the expiration or earlier termination of this Agreement. It is further agreed that City will not and shall not waive any rights against Developer that they may have by reason of this indemnity and hold

harmless agreement because of the acceptance by City, or the deposit with City by Developer, of any of the insurance policies described in this Agreement.

12.2 Liability and Workers' Compensation Insurance.

(a) Prior to initiating work on the Project and continuing through the issuance of the Certificate of Completion, Developer and all contractors working on behalf of Developer on the Project shall maintain a commercial general liability policy in the amount of One Million Dollars (\$1,000,000) each occurrence, Two Million Dollars (\$2,000,000) annual aggregate, together with Three Million Dollars (\$3,000,000) excess liability coverage, or such other policy limits as City may require in its reasonable discretion, including coverage for bodily injury, property damage, products, completed operations and contractual liability coverage. Such policy or policies shall be written on an occurrence basis and shall name the Indemnitees as additional insureds.

(b) Until issuance of the Certificate of Completion, Developer and all contractors working on behalf of Developer shall maintain a comprehensive automobile liability coverage in the amount of One Million Dollars (\$1,000,000), combined single limit including coverage for owned and non-owned vehicles and shall furnish or cause to be furnished to City evidence satisfactory to City that Developer and any contractor with whom Developer has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. Automobile liability policies shall name the Indemnitees as additional insureds.

(c) Upon commencement of construction work and continuing until issuance of a Certificate of Completion, Developer and all contractors working on behalf of Developer shall maintain a policy of builder's all-risk insurance in an amount not less than the full insurable cost of the Project on a replacement cost basis naming City as loss payee. Such insurance shall include coverage for risks of direct physical loss or damage, excluding the perils of earthquake, flood, and earth movement.

(d) Upon completion of construction, Developer shall maintain property insurance covering all risks of loss (other than earthquake and flood) for one hundred percent (100%) of the replacement value of the Project with deductible, if any, in an amount acceptable to City, naming City as loss payee.

(e) Companies writing the insurance required hereunder shall be licensed to do business in the State of California. Insurance shall be placed with insurers with a current A.M. Best's rating of no less than A: VII. The Commercial General Liability and comprehensive automobile policies required hereunder shall name the Indemnitees as additional insureds. Builder's Risk and property insurance shall name City as loss payees as their interests may appear.

(f) Prior to commencement of construction work, Developer shall furnish City with certificates of insurance in form acceptable to City evidencing the required insurance coverage and duly executed endorsements evidencing such additional insured status. The certificates shall contain a statement of obligation on the part of the carrier to notify City of any

material adverse change, cancellation, termination or non-renewal of the coverage at least thirty (30) days in advance of the effective date of any such material adverse change, cancellation, termination or non-renewal.

(g) If any insurance policy or coverage required hereunder is canceled or reduced, Developer shall, within twenty-one (21) days after receipt of notice of such cancellation or reduction in coverage, but in no event later than the effective date of cancellation or reduction, file with City a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon failure to so file such certificate, City may, without further notice and at its option, procure such insurance coverage at Developer's expense, and Developer shall promptly reimburse City for such expense upon receipt of billing from City.

(h) Coverage provided by Developer shall be primary insurance and shall not be contributing with any insurance, or self-insurance maintained by City, and the policies shall so provide. The insurance policies shall contain a waiver of subrogation for the benefit of the City. Developer shall furnish the required certificates and endorsements to City prior to the commencement of construction of the Project, and shall provide City with certified copies of the required insurance policies upon request of City.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

13.1 No Brokers. Each Party warrants and represents to the other that no person or entity can properly claim a right to a real estate commission, brokerage fee, finder's fee, or other compensation with respect to the transactions contemplated by this Agreement, except as identified in the Financing Plan. Each Party agrees to defend, indemnify and hold harmless the other Party from any claims, expenses, costs or liabilities arising in connection with a breach of this warranty and representation. The terms of this Section shall survive the expiration or earlier termination of this Agreement.

13.2 Enforced Delay; Extension of Times of Performance. Subject to the limitations set forth below, performance by either Party shall not be deemed to be in default, and all performance and other dates specified in this Agreement shall be extended where delays are due to: war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualties, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, governmental restrictions or priority, litigation, including court delays, unusually severe weather, acts or omissions of the other Party, acts or failures to act of the City or any other public or governmental City or entity (other than the acts or failures to act of City which shall not excuse performance by City), or any other cause beyond the affected Party's reasonable control. An extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the Party claiming such extension is sent to the other Party within thirty (30) days of the commencement of the cause and such extension is not rejected in writing by the other Party within ten (10) days of receipt of the notice. Neither Party shall unreasonably withhold consent to an extension of time pursuant to this Section.

Times of performance under this Agreement may also be extended in writing by the mutual agreement of Developer and City (acting in the discretion of its City Manager unless he or she determines in his or her discretion to refer such matter to the governing board of the City). City and Developer acknowledge that adverse changes in economic conditions, either of the affected Party specifically or the economy generally, changes in market conditions or demand, and/or inability to obtain financing to complete the work of Improvements shall not constitute grounds of enforced delay pursuant to this Section. Each Party expressly assumes the risk of such adverse economic or market changes and/or financial inability, whether or not foreseeable as of the Effective Date.

13.3 Notices. Except as otherwise specified in this Agreement, all notices to be sent pursuant to this Agreement shall be made in writing, and sent to the Parties at their respective addresses specified below or to such other address as a Party may designate by written notice delivered to the other Parties in accordance with this Section. 13.5 Waivers; Modification. No waiver of any breach of any covenant or provision of this Agreement shall be deemed a waiver of any other covenant or provision hereof, and no waiver shall be valid unless in writing and executed by the waiving Party. The Parties acknowledge that this Agreement is the product of negotiation and compromise on the part of both Parties, and the Parties agree, that since both Parties have participated in the negotiation and drafting of this Agreement, this Agreement shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

13.9 Action or Approval. Whenever action and/or approval by City is required under this Agreement, the City Manager or his or her designee may act on and/or approve such matter unless specifically provided otherwise, or unless the City Manager determines in his or her discretion that such action or approval requires referral to the City Council for consideration.

13.10 Entire Agreement. This Agreement, including Exhibits A through J attached hereto and incorporated herein by this reference, together with other City Documents contains the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all prior written or oral agreements, understandings, representations or statements between the Parties with respect to the subject matter hereof.

13.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original and all of which taken together shall constitute one instrument. The signature page of any counterpart may be detached therefrom without impairing the legal effect

of the signature(s) thereon provided such signature page is attached to any other counterpart identical thereto having additional signature pages executed by the other Party. Any executed counterpart of this Agreement may be delivered to the other Party by facsimile and shall be deemed as binding as if an originally signed counterpart was delivered.

13.12 Severability. If any term, provision, or condition of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect unless an essential purpose of this Agreement is defeated by such invalidity or unenforceability.

13.13 No Third Party Beneficiaries. Nothing contained in this Agreement is intended to or shall be deemed to confer upon any person, other than the Parties and their respective successors and assigns, any rights or remedies hereunder.

13.14 Parties Not Co-Venturers. Nothing in this Agreement is intended to or shall establish the Parties as partners, co-venturers, or principal and agent with one another.

13.15 Non-Liability of Officials, Employees and Agents. No officer, official, employee or agent of City shall be personally liable to Developer or its successors in interest in the event of any default or breach by City for any amount which may become due to Developer or its successors in interest pursuant to this Agreement.

13.16 Time of the Essence; Calculation of Time Periods. Time is of the essence for each condition, term, obligation and provision of this Agreement. Unless otherwise specified, in computing any period of time described in this Agreement, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included, unless such last day is not a business day, in which event the period shall run until the next business day. The final day of any such period shall be deemed to end at 5:00 p.m., local time at the Property. For purposes of this Agreement, a "business day" means a day that is not a Saturday, Sunday, a federal holiday or a state holiday under the laws of California.

13.17 Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to principles of conflicts of laws.  5. Agreement by the tenant that Owner or Owner's agent may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;
 6. Agreement by the tenant to waive any right to a trial by jury;
 7. Agreement by the tenant to waive tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and
 8. Agreement by the tenant to pay attorneys' fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.
- g. Rules of Conduct Owner shall establish reasonable rules of conduct and occupancy. Such rules shall be consistent with state law and regulations. Said rules shall be in writing and shall be given to each tenant upon occupancy. Any changes shall become effective no fewer than thirty (30) days after giving written notice thereof to each tenant household.
- h. Appeal & Grievance Procedures Owner shall adopt an appeal and grievance procedure to resolve grievances filed by tenants and appeals of actions taken by Owner with respect to tenants' occupancy in the Project, and prospective tenants' applications for occupancy. Owner's appeal and grievance procedures shall be subject to City's approval and, at a minimum, shall include the following:
1. A requirement for delivery to each tenant and applicant of a written copy of the appeal and grievance procedure;
 2. Procedures for informal dispute resolution;
 3. A right to a hearing before an impartial body, which shall consist of one or more persons with the power to render a final decision on the appeal or grievance; and
 4. Procedures for the conduct of an appeal or grievance hearing and the appointment of an impartial hearing body.
- i. Security Deposits Security deposits shall be required by tenants only in accordance

with State law and this Agreement. Any security deposits collected by Owner or Owner's agent shall be kept separate and apart from all other funds of the Project in a trust account with a depository insured by the Federal Insurance Deposit Corporation ("F.D.I.C") or comparable federal deposit insurance program, and shall be held and disbursed in accordance with State law. The balance of such account shall at all times equal or exceed the aggregate of all outstanding obligations under such account, plus accrued interest thereon.

9. Period of Affordability

Owner acknowledges that the Permanent Loan is being made to Owner under the terms and conditions of the DDLA to ensure affordable housing for Project tenants. To preserve affordability of the Restricted Units, Owner covenants that the Restricted Units shall remain affordable for a period of fifty-five (55) years (hereinafter referred to as the "**Period of Affordability**") from the date of "Project Completion" as specified at 24 CFR 92.2. It is intended by the parties to this Agreement, that this covenant shall run with the land in accordance with the provisions of 24 CFR 92.252, with the benefit of this covenant running to the City, in order to preserve the public interest in maintaining the affordability of the Restricted Units. The Period of Affordability will remain without regard to the term of any mortgage or the transfer of the Property ownership, other than by foreclosure or deed in lieu of foreclosure.

10. Restrictions on Sale, Transfer or Conversion

- a. Upon any sale or transfer, including transfer by gift, devise, descent, foreclosure, assignment, deed in lieu of foreclosure, condemnation, or voluntary or involuntary bankruptcy, of the Property without the prior written approval of City, all principal, interest and costs then owing upon the Permanent Loan will become immediately due and payable to City.
- b. City may approve a sale, transfer or conveyance of the Property provided that all of the following conditions are met: (i) the existing Owner is in compliance with this Agreement or the sale, transfer or conveyance will result in the cure of any existing violations of this Agreement; (ii) the successor-in-interest to Owner agrees to assume all obligations of the existing Owner pursuant to this Agreement; (iii) the successor-in-interest demonstrates to City's satisfaction that it can own and operate the Project in full compliance with all City requirements; and (iv) City determines, in the sole exercise of its reasonable discretion, that no terms of the sale transfer or conveyance threaten City's security or the successor's ability to comply with all requirements of this Agreement.
- c. Owner shall not convert the Project to condominium or cooperative ownership or sell condominium or cooperative rights to the Project or any part thereof during the Period of Affordability.
- d. Nothing contained in this Section 10 shall prohibit the transfer of the Property or Owner's interest therein that is permitted under Article VIII of the DDLA.

11. Restrictions on Encumbrances.

Owner covenants that Owner has not, and shall not enter into or execute any other agreement with provisions contrary to the provisions of this Agreement, or contrary to the intent of maintaining the affordability of the Property for the full Period of Affordability described in Section 9, above; provided, however, that Owner may, without the written consent of City, enter into a Regulatory Agreement with CTCAC with regard to tax credits. In all cases, the provisions of 24 CFR 92.252(e) shall continue to apply to the Project. Owner further covenants that it has not, and shall not, otherwise encumber the Property, including without limitation by way of mortgage or deed of trust, or by judgment, mechanic's, tax or other lien without City's prior written consent.

12. Reserve Accounts

- a. Replacement Reserve. Commencing no later than the end of the second month following the initial occupancy of the Project or such other date as the City shall designate in writing, Owner shall establish a segregated interest-bearing replacement reserve account in an F.D.I.C. or other comparable federally-insured financial institution. Funds from the replacement reserve are to be used for defraying the cost of infrequent major repairs, and replacement of building components that are too costly to be absorbed by the Project's annual operating budget.
 - (1) Withdrawals from the replacement reserve shall require prior written approval of the City. Should the City fail to take action on a request for an eligible withdrawal from the replacement reserve within thirty (30) days of documented receipt of the request, that request shall be deemed approved.
 - (2) Withdrawals shall only be made for capital improvements, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Property.
 - (3) The replacement reserve shall be funded from Operating Income or a combination of Operating Income and development sources as required by lenders and other funding sources. The City may periodically adjust the amount of required deposits to the replacement reserve for the Project based on the results of reserve studies or other reliable indicators of the need for replacement reserve funds over time.
- b. Operating Reserve. Commencing no later than the end of the second month following the initial occupancy of the Project, or such other date as the City shall designate in writing, Owner shall establish an operating reserve account or subaccount within the Project's general operating account in an amount required by lenders and other funding sources.
 - (1) Funds from the operating reserve shall be used for defraying operating shortfalls arising from unforeseen circumstances beyond the rent-up period.

- (2) Withdrawals from the operating reserve shall require prior written approval of the City. Should the City fail to take action on a request for an eligible withdrawal from the operating reserve within thirty (30) days from documented receipt of the request, that request shall be deemed approved.
 - (3) Owner shall fully replace any withdrawals from the operating reserve using available cash flow prior to use of any cash flow to pay deferred developer fee, asset management, partnership management or similar fees, or distributions.
 - (4) Upon occurrence of both of the following events, the City may reduce the required minimum balance: (i) operation at a debt service coverage ratio of 1.15 or greater for five (5) years; and (ii) operation at an Operating Expense coverage ratio of 1.08, where Operating Expense ratio is defined to equal effective gross income, less required replacement reserve deposits and non-contingent debt service, divided by total Operating Expenses, not including the approved cost of supportive services coordination.
 - (5) Where all development funding sources are legally precluded from using their funds to capitalize the operating reserve as required by lenders and other funding sources, the operating reserve may be funded from Operating Income, provided that cash flow is sufficient to reasonably ensure that the required balance can be accumulated within six (6) years of initial occupancy.
13. Accounting Records, Audits. In a manner subject to City approval, Borrower shall maintain on an accrual or modified accrual basis, a general ledger accounting system that is posted monthly and that accurately and fully shows all assets, liabilities, income and expenses of the Project. All records and books relating to this system shall be kept for a period of at least seven (7) years and in such a manner as to ensure that the records are reasonably protected from destruction or tampering. All records shall be subject to City inspection and audit. In addition, Borrower shall obtain and provide to City an annual independent audit performed by a certified public accountant using generally accepted accounting principles.
14. Use of Income from Operations.
- a. Owner, or Owner's management agent, shall promptly deposit all Operating Income in a segregated account established exclusively for the Project with an F.D.I.C. or other comparable federally-insured financial institution.
 - b. Withdrawals from this account shall be made only in accordance with the provisions of this Agreement, and the approved budget, and shall be disbursed, applied, or reserved and set aside for payment when due, in the following priority, to the extent available: (1) salaries, wages, and any other compensation due and payable to the employees or agents of Owner employed on site in connection with the maintenance, administration or operation of the Project, along with all withholding taxes, insurance premiums, Social Security payments and other payroll taxes or payments required in

connection with such employees; (2) all charges incurred in the operation of the Project in connection with utilities, real estate taxes and assessments, and liability, fire and other hazard insurance; (3) payments of required interest, principal, impounds, fees and charges, if any, on loans other than the Permanent Loan that are secured by liens on the Property and that have been approved by the City; (4) all other expenses incurred to cover operating costs, including the fee of the managing agent and any extraordinary expenses, in accordance with the approved annual operating budget of the City or as otherwise approved in advance by the City; (5) deposits to required operating and replacement reserve accounts.

- c. The balance of Operating Income remaining after the payments described in Section 21(b) above shall be deemed “Residual Receipts” to be paid and applied as provided in Section 15 below.

15. Surplus Cash and Distributions.

Surplus Cash (or Residual Receipts) shall be applied as described in the Note.

16. Non-Discrimination; Compliance with Fair Housing Laws

a. Fair Housing. Owner shall comply with State and Federal fair housing laws in the marketing and rental of the units in the Project.

b. Non-Discrimination. Owner shall not restrict the rental, sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, or any portion thereof, on the basis of race, color, religion, creed, sex, sexual orientation, disability, marital status, ancestry, or national origin of any person. Owner covenants for itself and all persons claiming under or through it, and this Agreement is made and accepted upon and subject to the condition that there shall be no discrimination against or segregation of any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property or part thereof, nor shall Owner or any person claiming under or through Owner establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in, of, or for the Property or part thereof. Owner shall include such provision in all deeds, leases, contracts and other instruments executed by Owner, and shall enforce the same diligently and in good faith.

All deeds, leases or contracts made or entered into by Owner, its successors or assigns, as to any portion of the Property or the Improvements shall contain the following language:

- (1) In Deeds, the following language shall appear:

“Grantee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through it, that there shall be no discrimination against or segregation of a person or of a group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property herein conveyed nor shall the grantee or any person claiming under or through the grantee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the property herein conveyed. The foregoing covenant shall run with the land.”

Notwithstanding the above paragraph, with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11 and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1).

(2) In Leases, the following language shall appear:

“The lessee herein covenants by and for the lessee and lessee’s heirs, personal representatives and assigns, and all persons claiming under the lessee or through the lessee, that this lease is made subject to the condition that there shall be no discrimination against or segregation of any person or of a group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, ancestry or disability in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the property herein leased nor shall the lessee or any person claiming under or through the lessee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the property herein leased.”

Notwithstanding the above paragraph, with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11 and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1).

(3) In Contracts

“There shall be no discrimination against or segregation of any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to selection, location, number, use or occupancy of tenants, lessee, subtenants, sublessees or vendees of the land.”

17. Default and Remedies

a. Events of Default The occurrence of any one or more of the following events shall constitute an event of default ("**Event of Default**") hereunder:

(1) The occurrence of a transfer, sale or conversion in violation of Section 10 hereof or an encumbrance in violation of Section 11 hereof;

(2) If, pursuant to or within the meaning of the United States Bankruptcy Code or any other federal or state law relating to insolvency or relief of debtors ("Bankruptcy Law"), Owner or any general partner thereof (i) commences a voluntary case or proceeding; (ii) consents to the entry of an order for relief against Owner or any general partner thereof in an involuntary case; (iii) consents to the appointment of a trustee, receiver, assignee, liquidator or similar official for Owner or any general partner thereof; (iv) makes an assignment for the benefit of its creditors; or (v) admits in writing its inability to pay its debts as they become due;

(3) A court of competent jurisdiction shall have made or entered any decree or order (1) adjudging the Owner to be bankrupt or insolvent, (2) approving as properly filed a petition seeking reorganization of the Owner or seeking any arrangement for Owner under bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (3) appointing a receiver, trustee, liquidator, or assignee of Owner in bankruptcy or insolvency or for any of its properties, or (4) directing the winding up or liquidation of the Owner;

(4) Owner shall have assigned its assets for the benefit of its creditors (other than pursuant to a mortgage loan) or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon shall have been returned or released within sixty (60) days after such event (unless a lesser time period is permitted for cure under any other mortgage on the property or the improvements thereon, in which event such lesser time period shall apply under this subsection as well) or prior to any sooner sale pursuant to such sequestration, attachment, or execution;

(5) Owner shall have voluntarily suspended its business or Owner shall have been dissolved or terminated; or

(6) Any material breach by Owner or any of its successors of any representation, warranty or covenant hereunder, which is not cured within thirty (30) days after notice thereof given by the City or Agency, or, if a cure is not possible within thirty (30) days, where cure is not commenced within thirty (30) days and thereafter diligently prosecuted to completion.

b. Remedies If an Event of Default occurs under the DDLA, this Agreement or documents for the Permanent Loan, City may give written notice to the Owner by certified mail or any express delivery service with a delivery receipt requested. If the breach or violation is not cured to the satisfaction of the Party so notifying Owner within the time period specified in the notice, which shall not be fewer than thirty (30) days, the notifying Party may declare a default and may seek legal remedies including the following:

(1) Collect all rents and income in connection with the operation of the Project and use the same and the reserve funds for the operation and maintenance of the Project.

(2) Take possession of the Project and bring any action necessary to enforce any rights of the Owner arising from the operation of the Project, and operate the Project in accordance with the terms of this Agreement until such time as the City, in its sole discretion, shall determine that the Owner is again in a position to operate the Project in accordance with the terms of this Agreement.

(3) Apply to the applicable State or federal court for an order of specific performance of this Agreement, or for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, or for such other relief as may be appropriate. It is agreed by the Owner that the injury to the City arising from a default under any of the terms of this Agreement would be irreparable, and that the amount of compensation which would provide adequate relief to the City, would be impossible to ascertain.

(4) Accelerate all amounts, including outstanding principal and interest, due under the Permanent Loan, and demand immediate repayment thereof. Upon a failure to repay such accelerated amount in full, the City may proceed with a foreclosure in accordance with the provisions of the Deed of Trust and State law regarding foreclosures. However, in the event of a nonmonetary breach that cannot reasonably be cured within the time period set forth in the notice, the Permanent Loan may not be accelerated hereunder if within said designated time Owner gives written notice to City of Owner's intention to cure said breach, and diligently prosecutes and effects such cure no later than sixty (60) days from the date such notice of breach is given.

(5) The City may seek such other remedies as may be available under law or equity.

(6) In the event that the breach or violation involves the rents to tenants or other charges in excess of those permitted under this Agreement, the City may demand, and seek as an additional remedy, the return of such excess rents or other charges to the affected households.

(7) The tenants of the Restricted Units shall be considered to be third-party beneficiaries of this Agreement, and shall have such rights and remedies to enforce the requirements of this Agreement as may be available to third-party beneficiaries under the law.

c. Remedies Cumulative The remedies of the City hereunder are cumulative, and the exercise of one or more of such remedies shall not be deemed an election of remedies and shall not preclude the exercise by the City of any one or more of its other remedies.

d. Rights of Limited Partners. Owner's limited partners shall have the right to cure any default of Owner hereunder upon the same terms and conditions afforded to Owner. Whenever City delivers any notice of default hereunder, City shall concurrently deliver a copy of such notice to Developer's limited partner(s) at the following address (or such alternate address designated by such limited partner(s) from time to time in a written notice to City).

18. Recordkeeping and Reports

Owner or the management agent designated by Owner, as approved by City, will be responsible for recordkeeping and reports, including those required to comply with Fair Housing and Equal Opportunity requirements, as may be required by City. The management agent will establish and maintain a comprehensive system of records, books, and accounts in a manner conforming to the directives of Owner in order to assist City in meeting Federal and State recordkeeping and reporting requirements, as applicable. All records, books, and accounts will be subject to examination at reasonable hours by any authorized representative of City. All such records and books shall be kept for a period of at least seven (7) years in a manner designed to protect them from destruction or tampering, and shall be subject to inspection and audit by the City, or its authorized agents.

19. Maintenance & Management

- a. Owner is solely and specifically responsible for all maintenance, repair, and management functions for the Project, including without limitation, selection of tenants, certification and recertification of household income and size, evictions, collection of rents, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. Owner shall maintain units and common areas in a safe and sanitary manner in accordance with local health, building, and housing codes, HUD housing quality standards pursuant to 24 CFR 882.109. City shall not have any responsibility for management or maintenance of the Property or the Project, but shall have the remedies provided for in Section 14 hereof, which they may exercise at their option as applicable.
- b. Owner may contract with a management agent for the performance of the services or duties required in Section 19a above. However, doing so shall not relieve Owner of responsibility for proper performance of said duties. Any such contract shall contain a provision allowing Owner to terminate the contract without penalty with no more than thirty (30) days notice. Upon determination by City and notice to Owner that the contracted management agent has failed to operate the Project in accordance with this Agreement, Owner shall exercise such right of termination forthwith and shall

immediately make arrangements, subject to City approval, for continuing performance of the requirements of this Agreement.

- c. If Owner operates the Project directly without contracting with a management agent and City determines that the Project is not being operated in accordance with this Agreement, City may provide notice to Owner thereof, and may require Owner to contract with a management agent to operate the Project, or to make such other arrangements as City deems necessary to ensure performance of the requirements of this Agreement.

20. Inspections

- a. Owner shall allow City access to the Project to conduct inspections on an annual basis, or more frequently, with fourteen (14) days written notice to Owner.
- b. Owner shall provide tenants with a minimum of twenty-four (24) hours written notice prior to seeking access to a tenant unit for inspection purposes. In said notice, Owner shall clearly inform tenant of the purposes of the inspection.

21. Hazard & Liability Insurance

- a. Owner shall at all times keep the development insured against loss by fire, flood (as required pursuant to 24 CFR 92.358), and other such hazards, casualties, liabilities and contingencies, and in such amounts and for such periods as set forth in the DDLA. All insurance policies and renewals thereof shall be issued by a carrier and in a form acceptable to City. Property insurance policies shall name City as an additional insured in a manner approved by City.
- b. Insurance proceeds and condemnation awards for any loss to or taking of the Project, or any portion thereof, shall be applied or utilized by Owner as provided in the Deed of Trust for the Permanent Loan.

22. Governing Law

This Agreement shall be construed in accordance with and be governed by the laws of the State of California.

23. Successors and Assigns

This Agreement and all the covenants, promises, and agreements contained in it shall be binding on and inure to the benefit of the Parties and their respective legal and personal representatives, devisees, heirs, successors, and assigns.

24. Severability

If any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby unless, in the sole discretion of City, the invalidity, or unenforceability of the provision negates the purpose of this Agreement and/or threatens the security for the City's Permanent Loan.

25. Venue

If either Party to this Agreement initiates any legal or equitable action to enforce the terms of this Agreement, to declare the rights of the parties under this Agreement, or which relates to this Agreement in any manner, the Parties agree that the proper venue for any such action is the Superior Court of the State of California of and for the County of Sacramento or in the United States District Court for the Eastern District of California, as applicable.

26. Attorneys' Fees and Costs of Enforcement

Owner agrees to pay any and all of City's costs with respect to enforcement of this Agreement, including City's reasonable attorneys' fees, costs and expenses. Furthermore, the prevailing party in any action to enforce this Agreement, including the tenants of Restricted Units, shall be entitled to reasonable attorneys' fees as determined by the trier of fact in that forum.

27. Counterparts/Originals

This Agreement may be executed in counterparts, each of which shall be an original and all of which together shall constitute one (1) entire Agreement.

28. Amendment

This Agreement shall not be altered or amended except in a writing executed by the Parties.

29. No Waiver

No waiver by the City of any breach of or default under this Agreement shall be deemed to be a waiver of any other or subsequent breach or default hereunder.

30. Captions

The captions used in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this Agreement.

31. Parties Not Co-Venturers

Nothing in this Agreement is intended to or shall establish the Parties as partners, co-venturers, or principal and agent with one another.

32. Notice

Written notices and other written communications between the Parties shall be addressed to their principal place of business unless or until a Party communicates in writing to the other party that a different address should be used.

33. Hold Harmless

Except to the extent arising from the City's willful misconduct, Owner agrees to indemnify, defend and hold harmless the City and its agents, employees and officers (collectively, "**Indemnitees**") from and against any and all claims, losses, liabilities, causes of action or costs (including reasonable attorneys' fees) arising from or in connection with Owner's development, management, maintenance or operation of the Project.

34. Affordability Protocols

To the extent that State, Federal and local laws and regulations may conflict with respect to household income levels, rent levels, or similar provisions relating to affordability of the Project, the Parties acknowledge and agree that the intent of this Agreement is to provide the maximum affordability restrictions.

35. Entire Agreement

This Agreement, including Exhibit A, attached hereto and incorporated herein by this reference, together with the other City Documents, contains the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all prior written or oral agreements, understandings, representations or statements between the Parties with respect to the subject matter hereof.

RECOMMENDATION

Adopt Resolution 75-2012

RESULT OF RECOMMENDED ACTION

The proposed project is the second phase of the "New Rancho" project (the first phase being Crossings @ New Rancho) and will provide a total of 48 affordable units in an area close to transit and existing commercial establishments. The two projects, Crossings and Horizons, replace several severely deteriorated structures that negatively impacted the immediate area. The Horizons project will provide residential development on Folsom Boulevard, and will promote one of the major goals of the Folsom Boulevard Specific Plan to reduce substandard buildings along Folsom Boulevard.

ADVANCES GOALS: 1 and 2**BACKGROUND**

The City and Rancho Cordova Redevelopment Agency, before its demise, assisted its developer partner, Urban Housing Communities, to acquire seven properties which comprised the New Rancho Redevelopment Project. These actions were necessary in order to clear the old, deteriorated, and foreclosed housing units and commercial structures. The developer subsequently received approval for the construction of the first phase of the project plan – Crossings @ New Rancho. This development has been completed and is now fully occupied. With this application, Urban Housing Communities has initiated the second phase of the overall development plan, Horizons @ New Rancho. The City and Developer have entered into an Exclusive Negotiation Rights Agreement and plan to enter into a Development Disposition Agreement in November of this year to fully improve the remaining 1.07 acres. The Horizons will supply housing for 48 senior households and ultimately will be totally financed through private investment, State and Federal Grant funds and Tax Credit monies.

The project is designed to be a single, three-story, apartment building served by an elevator and interior corridors. This project is unique for the City, in that the unit modules will be manufactured off-site, transported to the site, and then stacked. As such, the units provide

an interesting design option by allowing greater offsets to the building walls over conventional stick framing. The merits of the design are addressed in the finding and evidence section of the accompanying resolution. Staff believes the design will provide an attractive new concept for the area that can be used as a template for other new developments. The project design will incorporate energy saving features with the goal of a "Net Zero" electric use rating. The project will provide solar water heating and solar photovoltaic arrays to offset the energy needs of the units and the common area. The panels are proposed to be installed on the roof and on the top surface of the parking carports.

FOLSOM BOULEVARD SPECIFIC PLAN CONSISTENCY

The Folsom Boulevard Specific Plan is the regulatory document that guides development of the proposed project site. The Specific Plan includes both high level expectations for revitalizing Folsom Boulevard and specific development regulations that apply to individual projects.

Overall Specific Plan Goals

The Folsom Boulevard Specific Plan includes 11 specific goals that guide the transformation of development along the Boulevard. The following six goals from the Specific Plan pertain to the proposed project.

- *Create a Boulevard that will serve as the high-intensity development center of the City.*
- *Develop transit-oriented activity nodes strategically located at light rail stations and freeway interchanges; these nodes will serve as catalyst sites for redevelopment.*
- *Provide additional housing opportunities and developments that support transit ridership.*
- *Ensure development will take advantage of the proximity and availability of light rail to and from the Area.*
- *Create opportunity for identifiable project design that contributes to the enhanced character of the City.*
- *Enrich the pedestrian environment along the Boulevard through well designed and appropriately scaled/articulated projects.*

Staff has evaluated the proposed project against the relevant Specific Plan goals and found the project to be consistent with the intent of these goals. However, as initially proposed, the project does not appear to have an adequately strong relationship to Folsom Boulevard. The project should create a strong relationship and connection to Folsom Boulevard that would enhance pedestrian circulation, promote light rail ridership and encourage shopping at adjacent businesses. Therefore, staff has proposed conditions of approval to address improvements of the south face of the proposed building, adjacent landscape improvements and the fencing/gates along Folsom Boulevard to improve the connection between the project and Folsom Boulevard.

Consistency with Development Standards

The project is located within the UR-2 zone of the Folsom Boulevard Specific Plan and the development standards that apply to the UR-2 zone are listed in the RMU Residential Mixed Use category of the Zoning Code, they include:

1. *Building Setbacks:*
 - *Front- 10 ft minimum*
 - *Interior side- 0 ft.*
 - *Rear- 10 ft. minimum*
2. *Building Height- 50 feet maximum*
3. *Floor Area Ratio- (na)*
4. *Density- 6 (min.) to 40 (max.) units/acre- current project is 44.85 units/acre.* City Council approved a density bonus for this site by Resolution 15-2010.
5. *Parking Standards:* The Specific Plan defers to the Rancho Cordova Zoning Code for determining required on-site parking. Consistent with Zoning Code requirements, the project is providing a total of 24 onsite parking spaces that provides approximately .5 parking spaces per unit. 18 of the 24 spaces are covered and the structures will support some of the solar panels.

The proposed project will meet the minimum development standards.

CONCLUSION

The approval of this project will allow the Developer to submit for State grant funding and to receive tax credits for the development. This project will also contribute to the stated goals and policies of the Housing Element in meeting the targeted objectives towards providing housing for all economic groups while satisfying certain City obligations for the timely replacement of substandard housing demolished within the Redevelopment area.

ENVIRONMENTAL ANALYSIS

This project is Categorically Exempt under Section 15332, In-Fill Development, of the California Environmental Quality Act Guidelines. A full Environmental Assessment has been conducted and updated that fulfills the NEPA requirements for this project and it has been approved by both the Federal Department of Housing and Urban Development and the California Department of Housing and Community Development.

RESOLUTION NO. 75-2012

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING A DESIGN REVIEW FOR THE HORIZONS @ NEW RANCHO,
PROJECT DD7563**

WHEREAS, UHC 00575 Rancho Cordova, L.P. (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova to approve a Design Review for a new three story 48 unit affordable housing senior project, known has the Horizons @ New Rancho; and

WHEREAS, The City Council previously approved a density bonus for the development of this site by Resolution 15-2010; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project; and

WHEREAS, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
HEREBY RESOLVES AS FOLLOWS:**

1. Determine the project assessment is adequate and complete according to the Guidelines of the California Environmental Quality Act.
 - a) ***Finding:** The project site has been analyzed in compliance with the California Environmental Quality Act. **Evidence:** The City of Rancho Cordova adopted an Environmental Impact Report for the Folsom Boulevard Specific Plan, and issues of aesthetics of the development for the project site were adequately addressed within the document. The project has further been determined to be categorically exempt, according to Section 15332 and the project will not create any significant adverse impact on the environment.*
2. Approve the Major Design Review, subject to the Project Plans (**Exhibit A**) and the Conditions of Approval (**Exhibit B**); supported by the following Findings and Evidence, as required by Zoning Code Section 23.141.050:
 - a) ***Finding:** The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and Special Planning Area provisions, and is consistent with the applicable Rancho Cordova Design Guidelines. **Evidence:** The General Plan designation and Folsom Boulevard Specific Plan designation for this property is Urban Reserve-2, wherein high density multi-family residential units are consistent with both designations. The proposed project has been designed to meet the applicable regulations of the Specific Plan and Design Guidelines, including setbacks, height regulations, and density for this site.*
 - b) ***Finding:** The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community. **Evidence:** The Developer has provided a design package that clearly illustrates the composition and form of the new units. The basic structure is composed of modular units stacked to create the building form. A roof structure has been*

designed to give the appearance of a full roof, however a mechanical equipment well has been provided to hide the A/C units (see roof plan, Exhibit A). The new plan emulates characteristics of the Craftsman style and uses complementary materials and colors to coordinate with the "Crossings" project to the north. The three story structure is treated with a veneer of stucco on the ground floor and a combination of horizontal siding and stucco panels to accent the wall panels. The unit floor plans provide an opportunity to create offsets to the exterior walls of the building and the projecting balcony structure adds to the articulation of the structure. The Applicant has submitted preliminary landscape plans with the Design Review package (Exhibit A). A condition has been placed on the project that will require approval from the Planning Director, in order to accommodate refinements to the site improvement plans, prior to building permits are issued.

- c) **Finding:** *The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.* **Evidence:** The architectural style is distinctive in mass and in its details for a structure that is modular and stacked. The color and material palettes are complementary to the Crossings project, which include stucco, horizontal sidings, and heavy timber balcony railings and support structure to add to the overall design of the building. The building wall mass is offset to provide greater articulation to the vertical mass, along with changing roof sheds to break the monotony of a single ridge roof system. The southern elevation, facing Folsom Blvd will be an attractive addition to the street front by incorporating the conditions of approval to that elevation and provide a better pedestrian connection to the boulevard.
- d) **Finding:** *The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.* **Evidence:** The units and site configuration have been designed to provide dedicated pedestrian walkways from the units to the public sidewalk. The on-site parking lot is appropriately configured to serve the units and reduce the conflict between vehicle and pedestrian movement. The project will also be linked to a more accessible path to Folsom Boulevard and the commercial businesses and transit opportunities along the corridor.

**FORM OF THE
ASSIGNMENT OF AGREEMENTS, PLANS AND
SPECIFICATIONS**

ASSIGNMENT OF AGREEMENTS, PLANS AND SPECIFICATIONS

FOR VALUE RECEIVED, effective as of _____, 2015 (the “**Effective Date**”), UHC 00575 Rancho Cordova L.P., a California limited partnership (“**Assignor**”) hereby assigns to the City of Rancho Cordova, a California municipal corporation (“**City**”) and grants to City a security interest in all of its right, title and interest in and to the contracts and agreements listed in Exhibit A attached hereto and incorporated herein by reference and all of the items listed in the following paragraphs (A) and (B) (all of which hereafter shall collectively be referred to as the “**Assigned Documents**”). Other than as expressly stated herein, Assignor makes no express or implied representations or warranties in connection with the Assigned Documents. Capitalized terms used without definition herein shall have the meaning ascribed to such terms in the DDLA (defined below). City and Assignor are referred to herein as the “**Parties**.”

- (A) All architectural, design, engineering, consulting and construction contracts, and any and all amendments, modifications, supplements, addenda and general conditions thereto equaling or exceeding Five Thousand Dollars (\$5000) in cost (collectively “**Agreements**”), heretofore or hereafter entered into by Assignor and any architect, engineer, analyst, consultant, contractor or other person or entity (“**Contractor**”) in connection with the preparation of plans, specifications, studies, assessments, analyses, drawings or any other similar service related to the Property, the Project, or the improvements existing or to be installed or constructed on the Property (the “**Improvements**”); and
- (B) All permits, reports, analyses, studies, plans and specifications, shop drawings, working drawings, amendments, modifications, changes, supplements, general conditions and addenda thereto equaling or exceeding Five Thousand Dollars (\$5000) in cost (collectively “**Reports, Plans and Specifications**”) heretofore or hereafter obtained or prepared by or for Assignor or its agents, employees or any Contractor with respect to the Property, the Project or the Improvements.

As used herein, the term “**Assigned Documents**” shall also include all Agreements, Reports, Plans and Specifications to which beneficial interest or rights of use have been obtained by or assigned to Assignor.

In addition, the Parties agree as follows:

1. This Assignment of Agreements, Plans, and Specifications (this “**Assignment Agreement**”) is made pursuant to that certain Amended and Restated Disposition and Development and Loan Agreement executed by and between Assignor and City dated as of _____, 2015 (the “**DDLA**”).

2. This Assignment Agreement is made to secure payment to the City of all sums now or hereafter owing as “predevelopment financing” under the DDLA, and any and all advances, modifications, extensions, renewals and amendments thereof, and is made by Assignor for the benefit of City.

3. Assignor hereby irrevocably appoints City as its attorney-in-fact (which City is coupled with an interest) upon the occurrence of an Event of Developer Default under the DDLA or upon termination of the DDLA, to demand, receive, and enforce any and all of Assignor's rights with respect to the Assigned Documents, and to perform any and all acts in the name of Assignor or in the name of the City with the same force and effect as if performed by Assignor in the absence of this Assignment Agreement.

4. Assignor agrees to obtain from each Contractor whose contract equals or exceeds Five Thousand Dollars (\$5000) and deliver to City a duly executed Consent substantially in the form attached hereto as Exhibit B.

5. Assignor represents and warrants to City that no previous assignment of its respective rights or interest in or to any of the Assigned Documents has been made. So long as the City holds or retains any interest under the DDLA, Assignor agrees not to assign, sell, pledge, transfer, mortgage, or hypothecate its respective rights or interest in any of the Assigned Documents without prior written approval of the City; provided however, the City approves the Assignor's assignment of such rights and interests to other Project lenders, if any, approved pursuant to the Financing Plan as it may be updated.

6. This Assignment Agreement shall be binding upon and inure to the benefit of the heirs, legal representatives, assigns, and successors-in-interest of Assignor and the City.

7. Unless an Event of Developer Default (as defined in the DDLA) shall have occurred or Assignor terminates the DDLA, Assignor shall be entitled (subject to the provisions of Section 5 above) to enjoy and enforce all of its rights under the Assigned Documents. If such an Event of Developer Default or termination occurs and City gives written notice (an "**Exercise Notice**") to any Contractor who is a party to any Assigned Document, which Exercise Notice refers to this Assignment Agreement, states that an Event of Developer Default or termination has occurred, and states that City intends to exercise its rights under this Assignment Agreement, then the City shall be entitled thereafter to enjoy and enforce all of the rights of Assignor under such Assigned Document and shall become bound to perform all future obligations of Assignor thereunder, it being understood that in no event shall City be liable for payments or costs relating to any work which any Contractor has performed prior to the date of City's delivery of such Exercise Notice. Unless and until such Exercise Notice is given, City shall not be obliged to perform any of the obligations of Assignor under the Assigned Documents.

8. Assignor represents and warrants that to the best of its knowledge after reasonable inquiry, there are no defaults under any Assigned Document by any party thereto.

9. Assignor further represents and warrants that all sums due and owing to any Contractor to date under any Assigned Document have been duly paid in full, except to the extent deferral of such sums is allowed pursuant to such Assigned Document.

10. As provided in this Section 10, City may assign its rights under this Assignment Agreement, and the Assigned Documents, and the rights and obligations of any assignee of City shall be the same as provided herein as to City and Contractor. City may, in its discretion, make any such assignment to a third party, with the consent of Assignor and the Contractor who is a

party to such Assigned Documents, provided the consent of Assignor and such Contractor shall not be unreasonably withheld, conditioned or delayed.

11. This Assignment Agreement shall not be deemed to release or affect in any way the obligations of Assignor to any Contractor under the Assigned Documents.

12. Assignor is executing this Assignment Agreement to induce City to enter into and disburse funds pursuant to the DDLA, and Assignor understands that City would not do so but for the execution and delivery of this Assignment Agreement by Assignor.

13. Notices. Except as otherwise specified herein, all notices to be sent pursuant to this Assignment Agreement shall be made in writing, and sent to the parties at their respective addresses specified below (or in the case of Contractor, to the address specified in the Consent attached hereto) or to such other address as a party may designate by written notice delivered to the other parties in accordance with this Section. (iv) facsimile transmission, in which case notice shall be deemed delivered upon transmittal, provided that (a) a duplicate copy of the notice is promptly delivered by first-class or certified mail or by overnight delivery, or (b) a transmission report is generated reflecting the accurate transmission thereof. Any notice given by facsimile shall be considered to have been received on the next business day if it is received after 5:00 p.m. recipient's time or on a nonbusiness day.

ASSIGNOR:

14. Amendments. This Assignment Agreement may be modified only by a written instrument signed by the Parties.

15. Further Assurances; Consents. The Parties shall execute, acknowledge and deliver to the other such other documents and instruments, and take such other actions, as either shall reasonably request as may be necessary to carry out the intent of this Assignment Agreement.

16. Parties Not Co-Venturers. Nothing in this Assignment Agreement is intended to or shall establish the Parties as partners, co-venturers, or principal and agent with one another.

17. Action by the City. Except as may be otherwise specifically provided herein, whenever any approval, notice, direction, consent or request by the City is required or permitted

under this Agreement, such action shall be in writing, and such action may be given, made or taken by the City Manager or by any person who shall have been designated by the City Manager, without further approval by the City Council unless the City Manager determines that such matter requires the consent of same.

18. Non-Liability of City and City Officials, Employees and Agents. No member, official, employee or agent of the City of Rancho Cordova shall be personally liable to Assignor, or any successor in interest, in the event of any default or breach by the City, or for any amount of money which may become due to Assignor or its successor or for any obligation of City under this Assignment Agreement.

19. No Third Party Beneficiaries. There shall be no third party beneficiaries to this Assignment Agreement.

20. Headings; Construction. The headings of the sections and paragraphs of this Assignment Agreement have been inserted for convenience only and shall not be used to construe this Assignment Agreement. The language of this Assignment Agreement shall be construed as a whole according to its fair meaning and not strictly for or against any Party. Time is of the essence in the performance of this Assignment Agreement.

21. Governing Law; Venue. This Assignment Agreement shall be construed in accordance with the laws of the State of California without regard to principles of conflicts of law. The Parties consent to the jurisdiction of any federal or state court in the jurisdiction in which the Property is located (the “**Property Jurisdiction**”). Assignor agrees that any controversy arising under or in relation to this Assignment Agreement or the DDLA shall be litigated exclusively in courts having jurisdiction in the Property Jurisdiction. Assignor irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.

22. Attorneys' Fees. If any claim, at law or otherwise is made by either Party, the prevailing party or the nondefaulting party, as the case may be, shall be entitled to its costs and reasonable attorneys' fees.

23. Severability. If any term of this Assignment Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties are materially altered or abridged by such invalidation, voiding or unenforceability.

24. Counterparts. This Assignment Agreement may be executed in multiple counterparts, each of which shall be an original and all of which together shall constitute one agreement.

CONSENT

This Consent ("**Consent**") is executed effective as of _____, 20__, pursuant to that certain Assignment of Agreements, Plans and Specifications ("**Assignment Agreement**") executed by and between _____ ("**Assignor**") and _____ ("**City**") dated as of _____, 2014. Unless otherwise defined herein, capitalized terms used in this Consent shall have the meanings given them in the Assignment Agreement.

The undersigned consultant, architect, engineer, and/or contractor ("**Contractor**") hereby consents to the Assignment Agreement and the assignments contemplated thereby, and hereby waive all provisions in the Assigned Documents to which Contractor is a party which would impair, hinder or prevent the making of any such assignment by Assignor to City or the enforcement thereof by City.

Contractor agrees that if at any time, the City shall, pursuant to its rights under the Assignment Agreement, deliver an Exercise Notice to Contractor, then provided that Contractor has received, receives or continues to receive the compensation called for under the Assigned Documents to which Contractor is a party, the City may, at its option, use and rely upon the Reports, Plans and Specifications for the purposes for which they were prepared, and Contractor will continue to perform its obligations under the Assigned Documents to which Contractor is a party for the benefit and account of the City in the same manner as if performed for the benefit or account of Assignor in the absence of the Assignment Agreement. Contractor agrees that it shall rely conclusively upon any Exercise Notice given to Contractor by City, and Contractor agrees to be bound by such Exercise Notice.

By its execution of this Consent, Contractor agrees to look solely to Assignor and its successors in interest for performance of Assignor's obligations under the Assigned Documents to which Contractor is a party unless and until Contractor shall have received an Exercise Notice from City.

Contractor agrees that, notwithstanding anything hereinabove contained or contained in the Assigned Documents to the contrary, provided that Contractor has received, receives or continues to receive the compensation called for under the Assigned Documents to which Contractor is a party, City will have the right to receive and to use (without cost to City) any and all Reports, Plans and Specifications relating to the Property, the Project or the Improvements, as the same may be amended or modified from time to time, which Contractor may own or have the right to use and to grant others the right to use. Contractor further agrees that, upon the written request of City (whether or not any Event of Developer Default has occurred), it will execute and deliver a certification confirming City's rights with respect to such Reports, Plans, and Specifications as City from time to time may reasonably request.

Contractor agrees that for so long as the Assignment Agreement is effective, if Assignor defaults in making any required payment or in performing any other obligation under any Assigned Document to which Contractor is a party, Contractor shall give prompt written notice thereof to City. Unless and until such notice is given to City, and for a period of fifteen (15) business days thereafter, Contractor shall not exercise any of its rights or remedies against Assignor under the Assigned Documents (including, without limitation, the right to terminate any Assigned Document or to stop work thereunder). After such notice is given and for a period of fifteen (15) business days thereafter, City may, at its option, cure (but shall have no obligation to cure) any such default by Assignor and, if such default is so cured during such notice period, Contractor shall continue performance under the Assigned Documents to which such Contractor is a party.

Contractor represents and warrants that (i) the Assigned Documents to which Contractor is a party are in full force and effect, and to Contractor's knowledge there are no defaults thereunder by any party thereto; (ii) Contractor has made no assignment of any Assigned Document to which Contractor is a party or of its rights thereunder (other than to City); and (iii) there presently exists no unpaid claims presently due to Contractor, except as disclosed in writing to the City, arising in connection with the performance of Contractor's obligations under the Assigned Documents to which Contractor is a party. Contractor agrees that for so long as the Assignment Agreement is effective, absent the prior written consent of City, Contractor shall not assign its rights or interest in any of the Assigned Documents to any entity other than a lender whose loan is secured by the Property, the Project or the Improvements with the prior written approval of the City; provided however, the City approves of any assignment to the Project lenders approved pursuant to the Financing Plan as it may be updated.

IN WITNESS WHEREOF, Contractor has duly executed this Consent as of the date first written above.

California
_____, 2014

FOR VALUE RECEIVED, UHC 00575 Rancho Cordova, L.P., a California limited partnership (“**Borrower**”), hereby promises to pay to the order of the City of Rancho Cordova, a California municipal corporation (“**City**”), in lawful money of the United States of America, the principal sum of Three Million Five Hundred Thirty Nine Thousand Two Hundred Fifty-Nine Dollars and No Cents Dollars (\$3,500,000.00) or so much thereof as may be advanced by City pursuant to the Amended and Restated Disposition and Development Loan Agreement referred to below, together with interest on the outstanding principal balance in accordance with the terms and conditions described herein. Interest shall accrue on the outstanding principal balance of this Note at a rate equal to zero percent (0%) simple interest per annum, commencing upon the date of disbursement thereof. Interest shall be calculated on the basis of a year of 365 days, and charged for the actual number of days elapsed. This Secured Promissory Note (this “**Note**”) has been executed and delivered pursuant to and in accordance with the Amended and Restated Disposition and Development Loan Agreement, dated as of the date hereof and executed by and between Borrower and City (the “**DDLA**”), and is subject to the terms and conditions of the DDLA and the Regulatory Agreement, which are by this reference incorporated herein and made a part hereof. Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the DDLA.

This Note is secured by a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (“**Deed of Trust**”) dated as of the date hereof, executed by Borrower for the benefit of City and encumbering the property described therein. City shall be entitled to the benefits of the security provided by the Deed of Trust and shall have the right to enforce the covenants and agreements contained herein, in the Deed of Trust, the DDLA, the Regulatory Agreement and the other City Documents. The Regulatory Agreement shall remain effective for the full term thereof and shall survive the repayment of this Note.

This Note evidences the obligation of Borrower to the City for the repayment of funds loaned to Borrower by the City for the purpose of assisting Borrower to develop a forty-eight (48) unit multi-family senior rental housing project in the City of Rancho Cordova, as more fully described in the DDLA and the Regulatory Agreement (the “**Project**”) and to be located on that particular property described in the Deed of Trust (the “**Property**”).

1. PAYMENTS.

1.1 PAYMENT DATES; MATURITY DATE. No periodic payments are anticipated on this Note. In no event shall any amount due under this Note become subject to any rights, of offset, deduction or counterclaim on the part of Borrower. The entire outstanding principal

balance of this Note, together with interest accrued thereon (if any) and any other sums accrued hereunder shall be payable in full on the date (the “**Maturity Date**”) that is the fifty-fifth (55th) anniversary of the date upon which the City issues a final certificate of occupancy for the Project.

1.2 ANNUAL PAYMENTS FROM SURPLUS CASH. By no later than June 1 of each year following the issuance of a final certificate of occupancy for the Project, Borrower shall distribute Surplus Cash pursuant to Section 1.2.6 below.

No later than May 1 of each year following the issuance of a final certificate of occupancy for the Project, Borrower shall provide to City Borrower’s calculation of Surplus Cash for the previous calendar year, accompanied by such supporting documentation as City may reasonably request, including without limitation, an independent audit prepared for the Project by a certified public accountant in accordance with generally accepted accounting principles. No later than November 1 of each year following issuance of the final certificate of occupancy for the Project, Borrower shall provide to City a projected budget for the following calendar year which shall include an estimate of Surplus Cash.

1.2.1 “**Surplus Cash**” shall mean for each calendar year during the term hereof, the amount by which Gross Revenue (defined below) exceeds Annual Operating Expenses (defined below) for the Project. Surplus Cash shall also include net cash proceeds realized from any refinancing of the Project, less fees and closing costs reasonably incurred in connection with such refinancing, and any City-approved uses of the net cash proceeds of the refinancing. Surplus Cash shall not include any interest income earned on tenant security deposits and reserve accounts.

The amount of surplus cash available for distribution shall be determined and identified in the annual audit by a certified public accountant. In such report the qualified accountant shall also certify his or her conclusion as to the amount of Surplus Cash and provide the City with all documentation which supports the qualified accountant's conclusion. The report shall be due no later than ninety (90) days after the end of Borrower's fiscal year (or calendar year if applicable).

1.2.2 “**Gross Revenue**” shall mean for each calendar year during the term hereof, all revenue, income, receipts and other consideration actually received by Borrower from the operation and leasing of the Project. Gross Revenue shall include, but not be limited to: all rents, fees and charges paid by tenants; Section 8 payments or other rental subsidy payments received for the dwelling units; deposits forfeited by tenants; all cancellation fees, price index adjustments and any other rental adjustments to leases or rental agreements; proceeds from vending and laundry room machines; the proceeds of business interruption or similar insurance; the proceeds of casualty insurance not required to be paid to the holders of Approved Senior Loans (provided however, expenditure of such proceeds for repair or restoration of the Project shall be included within Annual Operating Expenses in the year of the expenditure); condemnation awards for a taking of part or all of the Property or the Improvements for a temporary period; and the fair market value of any goods or services provided to Borrower in consideration for the leasing or other use of any part of the Project. Gross Revenue shall include any release of funds from Replacement Reserve and other reserve accounts to Borrower other than for costs associated with the Project. Gross Revenue shall not include tenant security

deposits, loan proceeds, capital contributions or similar advances.

1.2.3 “**Annual Operating Expenses**” shall mean for each calendar year during term hereof, the following costs reasonably and actually incurred for the operation and maintenance of the Project to the extent that they are consistent with an annual independent audit performed by a certified public accountant using generally accepted accounting principles: property taxes and assessments or payments in lieu thereof; debt service currently due and payable on a non-optional basis (excluding debt service due from residual receipts or surplus cash of the Project) on loans which have been approved by the City and which are secured by deeds of trust senior in priority to the Deed of Trust (“**Approved Senior Loans**”); property management fees and reimbursements shall be in amounts in accordance with industry standards for similar residential projects and that are consistent with the Financing Plan; premiums for property damage and liability insurance; utility service costs not paid for directly or indirectly by tenants; maintenance and repair costs; fees for licenses and permits required for the operation of the Project; organizational costs (e.g., annual franchise tax payments) and costs associated with accounting, tax preparation and legal fees of Borrower incurred in the ordinary course of business; expenses for security services; advertising and marketing costs; payment of deductibles in connection with casualty insurance claims not paid from reserves; tenant services; the amount of uninsured losses actually replaced, repaired or restored and not paid from reserves; cash deposits into reserves for capital replacements shall be in an amounts as are reasonably required by the holder of a City approved Loan or as required by a physical needs assessment prepared by a third-party selected or approved by City and prepared at Borrower’s expense; an asset management fee payable to the Limited Partner and other management fees as identified in the Financing Plan as set forth in the DDLA; any previously unpaid portion of the developer fee (without interest) due in accordance with the Financing Plan approved by City as set forth in the DDLA (the “**Approved Developer Fee**”);

1.2.4 EXCLUSIONS FROM ANNUAL OPERATING EXPENSES. Annual Operating Expenses shall exclude the following: developer fees and interest on any deferred developer fees (except as permitted pursuant to Section 1.2.3); contributions to Project Operating Reserve; debt service payments on any loan which is not a City approved Senior Loan, including without limitation, unsecured loans or loans secured by deeds of trust which are subordinate to the Deed of Trust; depreciation, amortization, depletion and other non-cash expenses; expenses paid for with disbursements from any reserve account; distributions to partners; and any amount paid to Borrower, any general partner of Borrower, or any entity controlled by the persons or entities in control of Borrower or any general partner of Borrower. Notwithstanding the foregoing limitation regarding payments to Borrower and related parties, the following fees shall be included in Annual Operating Expenses, subject to applicable limitations set forth in Section 1.2.3 above, even if paid to Borrower, an affiliate of Borrower, or a partner of Borrower: fees paid to a property management agent, resident services agent, or social services agent; partnership management fees, developer fees, asset management fees, and subject to Section 1.2.5, repayment of cash advances by Borrower or its partners to cover Project operating expense deficits or emergency cash needs of the Project.

1.2.5 ADJUSTMENT TO OPERATING EXPENSES. Notwithstanding anything to the contrary set forth herein, for the purpose of calculating Surplus Cash, Annual Operating Expenses shall include: (a) the repayment of operating deficit loans provided by

Borrower's limited partner(s) provided however, interest payable on such loans may be included in Annual Operating Expenses only in an amount equivalent to the lesser of (i) interest accrued at the actual interest rate charged for the loan, or (ii) interest accrued at a rate equal to three percent (3%) in excess of the rate of interest most recently announced by Bank of America, NT & SA (or its successor bank) at its San Francisco office as its "prime rate", and (b) the amount of any tax credit adjustor that is required to be paid from Project cash flow.

1.2.6 DISTRIBUTION OF SURPLUS CASH. If there is "**Surplus Cash**" from the Project as defined above, Borrower (or its successors and assigns who have been approved in writing by the City) shall be entitled to retain fifty percent (50%) of such Surplus Cash. The remaining fifty percent (50) of the Surplus Cash is to be applied to the repayment of the obligation which is derived from the loan sources described in this Note.

Any allowable operating expenses incurred which could not be included due to a deficit in the annual operating income during the fiscal year (or calendar year if applicable) shall be accrued, carried over and allowed as deductions in the Surplus Cash calculation for later fiscal years (or calendar year if applicable) in which there is sufficient operating income. For purposes of determining "operating expenses," the combination of the partnership accounting fee and the partnership management fee may not exceed the limit set forth in Section 1.2.3.

Also, to the extent that Borrower has not been paid its full developer fee from the initial Project capital sources (and, therefore, a portion of such developer fee has to be deferred), the deferred amount of the Borrower's developer fee shall be paid the Borrower before any Surplus Cash distributions and calculations under this Section 1.2.6.

Surplus Cash payments shall be paid once a year, one hundred twenty (120) days after the end of the fiscal year (or calendar year if applicable) for the prior fiscal year (or calendar year if applicable). If there are any later revisions or adjustments which increase the amount due hereunder, payments for same shall be due and payable within ten (10) days after Borrower is notified of the adjustments.

If any other lender requires payment of a portion of "residual receipts" or out of "surplus cash" (hereinafter a "**Surplus Cash Lender**"), the City will consent to a proration of the available fifty percent (50%) portion of the Surplus Cash between itself and the Surplus Cash Lender. The City's share shall, to the extent there is Surplus Cash as defined above, be that amount which is derived by multiplying the available Surplus Cash times a fraction, the denominator of which is the sum of all the original principal amounts of the loans of the Surplus Cash lender and the City, and the numerator of which is the original principal amount of this Note.

1.3 COST SAVINGS. If, upon completion of the Project development, there are "Cost Savings" as defined below, Borrower shall be entitled to retain twenty-five percent of such Cost Savings. The balance of seventy-five percent (75%) of such cost savings is to be applied, proportionally, to the repayment of the underlying City loan sources which are described in this Note, with such cost savings payments being applied first to interest then outstanding and then to principal.

"Cost Savings," as that term is used in this Note, is the difference between the total sources of funds and the total cost of development as shown in the Final Cost Certificate Report provided to the California Tax Credit Allocation Committee ("TCAC") at the end of the construction of the Project; provided, however, that Cost Savings must take into account the net costs saved by the Borrower, after adjusting for the loss of any equity investment due to an adjustment in the allowable tax credits (which in turn, reduces the total sources of funds upon which the Tax Credits are based); and provided, further, that the tax credit factor applied to the required equity contribution shall be as referenced in the limited partnership agreement executed by Borrower with respect to the Project; and provided, finally, that in no event shall the amount payable to the City under this Section be reduced or eliminated by reducing the amount of the first mortgage loan by the cost savings. Nothing contained herein is intended to prohibit Borrower from reducing its first mortgage loan. The City shall be entitled to review and approve the Final Cost Certification Report prior to its submission to the TCAC, to assure that cost savings have not been minimized or reallocated.

If the City has not responded to Borrower within sixty (60) days after receipt of the Final Cost Certification Report, the information in the Final Cost Certification Report shall be deemed approved by the City. The amount payable to the City under this Section shall be paid within one hundred twenty (120) days following issuance of the Final Cost Certification Report to the TCAC.

For purposes of this Section 1.3, and notwithstanding anything to the contrary contained herein, Construction period Change Orders equal to or less than Twenty Thousand Dollars (\$20,000) shall be deemed approved without prior approval of the City, but a complete description of such Change Orders shall be submitted to the City within fifteen (15) days of initiation of such work. Any Change Order exceeding Twenty Thousand Dollars (\$20,000) shall be submitted to the City for approval prior to commencement of the work described therein. City shall respond to such request for approval within ten (10) days of receipt of said Change Order and shall not withhold approval unreasonably. Except for emergencies, as reasonably determined by City, no work associated with a Change Order in excess of Twenty Thousand Dollars (\$20,000) will be eligible for payment if it has not been approved by City prior to initiation of the work. City shall be given immediate telephonic or electronic notice of emergency work anticipated to require a Change Order in an amount in excess of Twenty Thousand Dollars (\$20,000). To the maximum extent possible, a single Change Order must describe all related work associated with the condition causing the need for a Change Order.

1.3.1 LIMITATION ON PARTNERSHIP FEES. All fees paid to the general and the limited partners, including without limitation, fees designated for asset management, partnership accounting fees or partnership management fees, for any given year shall not exceed a total sum of Twenty One Thousand Dollars (\$21,000), as adjusted annually for the percentage change in the prior twelve (12) months in the United States Department of Labor, Bureau of Labor Statistics' Consumer Price Index for San Francisco-Oakland-San Jose, All Urban Consumers; provided, however, any increase for any single year shall not exceed four percent (4%). Notwithstanding the previous sentence, to the extent there is insufficient Surplus Cash in any given year to allow Borrower to pay the full amount of Partnership Fees of annual fees, any unpaid amounts may be paid from available Surplus Cash in future years, in addition to the restricted earned fee for any future year. Any fees paid with respect to prior years shall be

treated as eligible operating expenses for the current year and such amounts shall not be subject to the annual limitation for the current year. The foregoing accounting fee limitation does not include reimbursements to a partner for actual, normal and customary out of pocket expenses, such as tax return preparation fees or franchise tax payments. There is no limit on the amount by which a decrease adjustment may be made from year to year. The anniversary date for adjusting these fees shall be the first day of the first new year of the partnership, and annually thereafter on that date. If the Consumer Price Index utilized is replaced or discontinued, The City shall select a replacement index which achieves substantially the same purpose.

1.4 DUE ON SALE. The entire unpaid principal balance and all interest and other sums accrued hereunder shall be due and payable upon the Transfer (as defined in Section 8.2 of the DDLA) absent City consent, of all or any part of the Project or the Property or any interest therein other than a Transfer permitted without City consent pursuant to the DDLA. Without limiting the generality of the foregoing, this Note shall not be assumable without City's prior written consent, which consent may be granted or denied in City's sole discretion.

1.5 PREPAYMENT. Borrower may, without premium or penalty, at any time and from time to time, prepay all or any portion of the outstanding principal balance due under this Note, provided that each such prepayment is accompanied by accrued interest on the amount of principal prepaid calculated to the date of such prepayment. Prepayments shall be applied first to any unpaid late charges and other costs and fees then due, then to accrued but unpaid interest, and then to principal. The Regulatory Agreement shall remain in full force for the entire term thereof regardless of any prepayment of this Note.

1.6 MANNER OF PAYMENT. All payments of principal and interest on this Note shall be made to City at 2729 Prospect Park Drive, Rancho Cordova, California 95670 or such other place as City shall designate to Borrower in writing, or by wire transfer of immediately available funds to an account designated by City in writing.

2. DEFAULTS AND REMEDIES.

2.1 EVENTS OF DEFAULT. The occurrence of any one or more of the following events shall constitute an event of default hereunder ("**Event of Default**"):

(a) Borrower fails to pay when due the principal and interest payable hereunder and such failure continues for ten (10) days after City notifies Borrower thereof in writing.

(b) Borrower fails to use Loan Proceeds in accordance with Borrower's request for disbursement of Loan Proceeds.

(c) Pursuant to or within the meaning of the United States Bankruptcy Code or any other federal or state law relating to insolvency or relief of debtors ("**Bankruptcy Law**"), Borrower or any general partner thereof (i) commences a voluntary case or proceeding; (ii) consents to the entry of an order for relief against Borrower or any general partner thereof in an involuntary case; (iii) consents to the appointment of a trustee, receiver, assignee, liquidator or similar official for Borrower or any general partner thereof; (iv) makes an assignment for the benefit of its creditors; or (v) admits in writing its inability to pay its debts as they become due.

(d) A court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (i) is for relief against Borrower or any general partner thereof in an involuntary case, (ii) appoints a trustee, receiver, assignee, liquidator or similar official for Borrower or any general partner thereof or substantially all of such entity's assets, (iii) orders the liquidation of Borrower or any general partner thereof, or (iv) issues or levies a judgment, writ, warrant of attachment or similar process against the Property or the Project, and in each case the order or decree is not released, vacated, dismissed or fully bonded within sixty (60) days after its issuance.

(e) The occurrence of a Transfer in violation of Article VIII of the DDLA.

(f) A default arises under any debt instrument secured by a mortgage or deed of trust on the Project or the Property and remains uncured beyond any applicable cure period such that the holder of such instrument has the right to accelerate payment thereunder.

(g) Borrower fails to maintain insurance on the Property and the Project as required pursuant to the City Documents and Borrower fails to cure such default within ten (10) days.

(h) Subject to Borrower's right to contest the following charges pursuant to the City Documents, if Borrower fails to pay taxes or assessments due on the Property or the Project or fails to pay any other charge that may result in a lien on the Property or the Project, and Borrower fails to cure such default within thirty (30) days, but in all events before the imposition of any such tax or other lien.

(i) If any representation or warranty contained in any City Document, or any certificate furnished in connection therewith, or in connection with any request for disbursement of the proceeds of the Loan proves to have been false or misleading in any material adverse respect when made and continues to be materially adverse to the City.

(j) An Event of Default shall have been declared under the DDLA, the Regulatory Agreement or any other City Document and remains uncured beyond the expiration of the applicable cure period.

2.2 REMEDIES. Upon the occurrence of an Event of Default hereunder, City may, at its option (i) by written notice to Borrower, declare the entire unpaid principal balance of this Note, together with all accrued interest thereon and all sums due hereunder, immediately due and payable regardless of any prior forbearance, (ii) exercise any and all rights and remedies available to it under applicable law, and (iii) exercise any and all rights and remedies available to City under this Note and the other City Documents, including without limitation the right to pursue foreclosure under the Deed of Trust. Borrower shall pay all reasonable costs and expenses incurred by or on behalf of City including, without limitation, reasonable attorneys' fees, incurred in connection with City's enforcement of this Note and the exercise of any or all of its rights and remedies hereunder and all such sums shall be a part of the indebtedness secured by the Deed of Trust. The rights and remedies of City under this Note shall be cumulative and not alternative.

2.3 DEFAULT RATE. Upon the occurrence of an Event of Default, interest shall automatically be increased without notice to the rate of the lesser of ten percent (10%) per annum

or the maximum rate permitted by law (the “**Default Rate**”); provided however, if any payment due hereunder is not paid when due, the Default Rate shall apply commencing upon the due date for such payment. When Borrower is no longer in default, the Default Rate shall no longer apply, and the interest rate shall once again be the rate specified in the first paragraph of this Note. Notwithstanding the foregoing provisions, if the interest rate charged exceeds the maximum legal rate of interest, the rate shall be the maximum rate permitted by law. The imposition or acceptance of the Default Rate shall in no event constitute a waiver of a default under this Note or prevent City from exercising any of its other rights or remedies.

2.4 LIMITED PARTNERS RIGHT TO CURE. Borrower’s limited partners shall have the right to cure any default of Borrower hereunder upon the same terms and conditions afforded to Borrower. The City shall provide any notice of default hereunder to the limited partners concurrently with the provision of such notice to Borrower at the following address (or such alternate address as the limited partners may designate from time to time in a written notice to the City);

As to the limited partners, the cure periods specified herein shall commence upon the date of delivery of such notice in accordance with Section 9.3 of the DDLA.

3. MISCELLANEOUS.

3.1 WAIVERS; AMENDMENTS; BORROWER’S WAIVERS. No waiver by City of any right or remedy under this Note shall be effective unless in writing signed by City. Neither the failure nor any delay in exercising any right, power or privilege under this Note will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege by City will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. No waiver that may be given by City will be applicable except in the specific instance for which it is given. No notice to or demand on Borrower will be deemed to be a waiver of any obligation of Borrower or of the right of City to take further action without notice or demand as provided in this Note. There shall be no amendment to or modification of this Note except by written instrument executed by Borrower and City.

To the maximum extent permitted by applicable law Borrower hereby waives presentment, demand, protest, notices of dishonor and of protest and all defenses and pleas on the grounds of any extension or extensions of the time of payment or of any due date under this Note, in whole or in part, whether before or after maturity and with or without notice.

3.2 NOTICES. Any notice required or permitted to be given hereunder shall be given in accordance with Section 13.3 of the DDLA.

3.3 SEVERABILITY. If any provision in this Note is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Note will remain in full force and effect. Any provision of this Note held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

3.4 GOVERNING LAW; VENUE. This Note shall be governed by the laws of the State of California without regard to principles of conflicts of laws. Any legal action filed in

connection with this Note shall be filed in the Superior Court of Sacramento County, California, or in the Federal District Court for the Eastern District of California.

3.5 PARTIES IN INTEREST. This Note shall bind Borrower and its successors and assigns and shall accrue to the benefit of City and its successors and assigns.

3.6 SECTION HEADINGS, CONSTRUCTION. The headings of Sections in this Note are provided for convenience only and will not affect its construction or interpretation.

3.7 RELATIONSHIP OF THE PARTIES. The relationship of Borrower and City under this Note is solely that of borrower and lender, and the loan evidenced by this Note and secured by the Deed of Trust will in no manner make City the partner or joint venturer of Borrower.

3.8 TIME IS OF THE ESSENCE. Time is of the essence with respect to every provision of this Note.

3.9 NONRECOURSE. Except as expressly provided in this Section 3.9, neither Borrower nor its partners shall have personal liability for payment of the principal of, or interest on, this Note, and the sole recourse of City with respect to the payment of the principal of, and interest on, this Note shall be to the Project, the Property and any other collateral held by City as security for this Note; provided however, nothing contained in the foregoing limitation of liability shall:

(A) impair the enforcement against all such security for the Loan of all the rights and remedies of the City under the Deed of Trust and any financing statements City files in connection with the Loan as each of the foregoing may be amended, modified, or restated from time to time;

(B) impair the right of City to bring a foreclosure action, action for specific performance or other appropriate action or proceeding to enable City to enforce and realize upon the Deed of Trust, the interest in the Project and the Property created thereby and any other collateral given to City in connection with the indebtedness evidenced hereby and to name the Borrower as party defendant in any such action;

(C) be deemed in any way to impair the right of the City to assert the unpaid principal amount of the Loan as a demand for money within the meaning of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto;

(D) constitute a waiver of any right which City may have under any bankruptcy law to file a claim for the full amount of the indebtedness owed to City hereunder or to require that the Project and the Property shall continue to secure all of the indebtedness owed to City hereunder in accordance with this Note and the Deed of Trust; or

(E) limit or restrict the ability of City to seek or obtain a judgment against Borrower to enforce against Borrower and its general partners to:

(1) recover under those sections of the DDLA that pertain to Borrower's indemnification obligations), or

(2) recover from Borrower and its general partners compensatory damages as well as other costs and expenses incurred by City (including without limitation attorney's fees and expenses) arising as a result of the occurrence of any of the following:

(a) any fraud or material misrepresentation on the part of the Borrower, any general partner thereof, or any officer, director or authorized representative of Borrower or any general partner thereof in connection with the request for or creation of the Loan, or in any City Document, or in connection with any request for any action or consent by City in connection with the Loan;

(b) any failure to maintain insurance on the Property and the Project as required pursuant to the City Documents;

(c) failure to pay taxes, assessments or other charges which may become liens on the Property or the Project;

(d) the presence of Hazardous Materials on the Property or other violation of the Borrower's obligations under Article X of the DDLA or Section 7.11 of the Deed of Trust (pertaining to environmental matters);

(e) the occurrence of any act or omission of Borrower that results in waste to or of the Project or the Property and which has a material adverse effect on the value of the Project or the Property;

(f) the material misapplication of the Loan proceeds;

(g) the removal or disposal of any personal property or fixtures or the retention of rents, insurance proceeds, or condemnation awards in violation of the Deed of Trust;

(h) the material misapplication of the proceeds of any insurance policy or award resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Project or the Property; and

(i) the failure of Borrower to pay all amounts payable under this Note in full if Borrower transfers the Property in violation of the DDLA.

h. All interests and rights in any private or governmental grants, subsidies, loans or other financing provided in connection with development of the Land and construction of the Improvements, excluding any low income housing tax credits awarded to Trustor in connection with the Project and any equity contributed to Trustor by Trustor's limited partners (collectively, “**Financing**”).

All of the above-referenced interests of Trustor in the Land, Improvements, Appurtenances, Equipment, Leases, Rents, Proceeds, Gross Revenues, Plans and Financing as hereby conveyed to Trustee or made subject to the security interest herein described are collectively referred to herein as the “**Property**.”

2. Obligations Secured. This Deed of Trust is given for the purpose of securing payment and performance of the following (collectively, the “**Secured Obligations**”): (i) all present and future indebtedness evidenced by the Note and any amendment thereof, including principal, interest and all other amounts payable under the terms of the Note; (ii) all present and future obligations of Trustor to Beneficiary under the Loan Documents (defined below); (iii) all additional present and future obligations of Trustor to Beneficiary under any other agreement or instrument acknowledged by Trustor (whether existing now or in the future) which states that it is or such obligations are, secured by this Deed of Trust; (iv) all obligations of Trustor to Beneficiary under all modifications, supplements, amendments, renewals, or extensions of any of the foregoing, whether evidenced by new or additional documents; and (v) reimbursement of all amounts advanced by or on behalf of Beneficiary to protect Beneficiary's interests under this Deed of Trust or any other Permanent Loan Document as such may be modified, supplemented, amended, renewed or extended. The DDLA, the Note, the this Deed of Trust, and the Affordable Housing Regulatory Agreement and Declaration of Restrictive Covenants (“**Regulatory Agreement**”) dated as of the date hereof, executed by and between Trustor and Beneficiary and recorded substantially concurrently herewith are hereafter collectively referred to as the “**Permanent Loan Documents**.”

3. Assignment of Rents, Issues, and Profits. Trustor hereby irrevocably, absolutely, presently and unconditionally assigns to Beneficiary the Rents, royalties, issues, profits, revenue, income and proceeds of the Property. This is an absolute assignment and not an assignment for security only. Beneficiary hereby confers upon Trustor a license to collect and retain such Rents, royalties, issues, profits, revenue, income and proceeds as they become due and payable prior to any Event of Default hereunder. Upon the occurrence and during the continuance of any such Event of Default, Beneficiary may terminate such license without notice to or demand upon Trustor and without regard to the adequacy of any security for the indebtedness hereby secured, and may either in person, by agent, or by a receiver to be appointed by a court, enter upon and take possession of the Property or any part thereof, and sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, to any indebtedness secured hereby, and in such order as Beneficiary may determine. Beneficiary's right to the rents, royalties, issues, profits, revenue, income and proceeds of the Property does not depend upon

whether or not Beneficiary takes possession of the Property. The entering upon and taking possession of the Property, the collection of such rents, issues, and profits, and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and/or is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Land or the Improvements, Beneficiary shall not be deemed to be a "mortgagee in possession," shall not be responsible for performing any obligation of Trustor under any Lease, shall not be liable in any manner for the Property, or the use, occupancy, enjoyment or operation of any part of it, and shall not be responsible for any waste committed by Trustor, lessees or any third parties, or for dangerous or defective condition of the Property or any negligence in the management, repair or control of the Property. Absent Beneficiary's written consent, Trustor shall not accept prepayment of Rents for any rental period exceeding one month.

4. Security Agreement. The parties intend for this Deed of Trust to create a lien on the Property, and an absolute assignment of the Rents and Leases, all in favor of Beneficiary. The parties acknowledge that some of the Property may be determined under applicable law to be personal property or fixtures. To the extent that any Property may be or be determined to be personal property, Trustor as debtor hereby grants to Beneficiary as secured party a security interest in all such Property to secure payment and performance of the Secured Obligations. This Deed of Trust constitutes a security agreement under the California Uniform Commercial Code, as amended or recodified from time to time (the "UCC"), covering all such Property. To the extent such Property is not real property encumbered by the lien granted above, and is not absolutely assigned by the assignment set forth above, it is the intention of the parties that such Property shall constitute "proceeds, products, offspring, rents, or profits" (as defined in and for the purposes of Section 552(b) of the United States Bankruptcy Code, as such section may be modified or supplemented) of the Land and Improvements.

5. Financing Statements. Pursuant to the UCC, Trustor, as debtor, hereby authorizes Beneficiary, as secured party, to file such financing statements and amendments thereof and such continuation statements with respect thereto as Beneficiary may deem appropriate to perfect and preserve Beneficiary's security interest in the Property and Rents, without requiring any signature or further authorization by Trustor. If requested by Beneficiary, Trustor shall pay all fees and costs that Beneficiary may incur in filing such documents in public offices and in obtaining such record searches as Beneficiary may reasonably require. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall not be construed as in any way derogating from or impairing this Deed of Trust or the rights or obligations of the parties under it.

Everything used in connection with the Property and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable shall be regarded as part of the estate encumbered by this Deed of Trust irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment

items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. Similarly, the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for lessening of value, or (3) Trustor's interest as lessor in any present or future lease or rights to income growing out of the use and/or occupancy of the property conveyed hereby, whether pursuant to lease or otherwise, shall not be construed as in any way altering any of the rights of Beneficiary as determined by this instrument or impugning the priority of Beneficiary's lien granted hereby or by any other recorded document. Such mention in any financing statement is declared to be solely for the protection of Beneficiary in the event any court or judge shall at any time hold, with respect to the matters set forth in the foregoing clauses (1), (2), and (3), that notice of Beneficiary's priority of interest is required in order to be effective against a particular class of persons, including but not limited to the federal government and any subdivisions or entity of the federal government.

6. Fixture Filing. This Deed of Trust is intended to be and constitutes a fixture filing pursuant to the provisions of the UCC with respect to all of the Property constituting fixtures, is being recorded as a fixture financing statement and filing under the UCC, and covers property, goods and equipment which are or are to become fixtures related to the Land and the Improvements. Trustor covenants and agrees that this Deed of Trust is to be filed in the real estate records of Sacramento County and shall also operate from the date of such filing as a fixture filing in accordance with Section 9502 and other applicable provisions of the UCC. This Deed of Trust shall also be effective as a financing statement covering minerals or the like (including oil and gas) and accounts subject to the UCC, as amended. Trustor shall be deemed to be the "debtor" and Beneficiary shall be deemed to be the "secured party" for all purposes under the UCC.

7.6 Restrictions on Conveyance and Encumbrance; Acceleration. It shall be an Event of Default hereunder if the Property, any part thereof, or interest therein is sold, assigned, conveyed, transferred, hypothecated, leased, licensed, or encumbered in violation of the DDLA or if any other Transfer (as defined in the DDLA) occurs in violation of the DDLA. If any such Transfer shall occur in violation of such requirements, without limiting the provisions of Section 8 hereof, all obligations secured by this Deed of Trust, irrespective of the maturity dates of such obligations, shall at the option of Beneficiary, and without demand, immediately become due and payable, subject to any applicable cure period.

7.7 Inspections; Books and Records. Beneficiary and its agents and representatives shall have the right at any reasonable time upon reasonable notice to enter upon the Land and inspect the Property to ensure compliance with the Permanent Loan Documents. Trustor shall maintain complete and accurate books of account and other records (including copies of supporting bills and invoices) adequate to document the use of the Permanent Loan Proceeds and the operation of the Property, together with copies of all written contracts, Leases and other instruments which affect the Property. 7.9 Subrogation. Beneficiary shall be subrogated to the liens of all encumbrances, whether released of record or not, which are discharged in whole or in part by Beneficiary in accordance with this Deed of Trust.

7.10 Hazard, Liability and Workers' Compensation Insurance. At all times during the term hereof, at Trustor's expense, Trustor shall keep the Improvements and personal property now existing or hereafter located on the Property insured against loss by fire, vandalism and malicious mischief by a policy of standard fire and extended all-risk insurance. The policy shall be written on a full replacement value basis and shall name Beneficiary as loss payee as its interest may appear. The full replacement value of the improvements to be insured shall be determined by the company issuing the policy at the time the policy is initially obtained. Not more frequently than once every two (2) years, either the Trustor or the Beneficiary shall have the right to notify the other party that it elects to have the replacement value redetermined by the

insurance company. Subject to the rights of any senior lienholder, the proceeds collected under any insurance policy may be applied by Beneficiary to any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary, the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

7.10.1 Trustor shall at all times during the term hereof, maintain a comprehensive general liability insurance policy in an amount not less than One Million Dollars (\$1,000,000) combined single limit, Two Million Dollars (\$2,000,000) annual aggregate, together with Five Million Dollars (\$5,000,000) umbrella liability coverage or such other policy limits as City may require in its reasonable discretion, including coverage for bodily injury, property damage, products, completed operations and contractual liability coverage. Such policy or policies shall be written on an occurrence basis and shall name the Indemnitees as additional insureds. Such policy shall name the Beneficiary as additional insured. Trustor shall maintain workers' compensation insurance as required by law.

7.10.2 Trustor shall file with Beneficiary prior to the commencement of the term hereof, certificates (or such other proof as Beneficiary may require, including without limitation, copies of the required insurance policies) evidencing each of the insurance policies and endorsements thereto as required by this Section, and such certificates (or policies) shall provide that at least thirty (30) days' prior written notice shall be provided to Beneficiary prior to the expiration, cancellation or change in coverage under each such policy.

7.10.3 If any insurance policy required hereunder is canceled or the coverage provided thereunder is reduced, Trustor shall, within fifteen (15) days after receipt of written notice of such cancellation or reduction in coverage, but in no event later than the effective date of cancellation or reduction, file with Beneficiary a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon failure to so file such certificate, Beneficiary may, without further notice and at its option, procure such insurance coverage at Trustor's expense, and Trustor shall promptly reimburse Beneficiary for such expense upon receipt of billing from Beneficiary.

7.10.4 The insurance policies required hereunder shall be issued by insurance companies authorized to do business in the State of California with a financial rating of at least A VII status as rated in the most recent edition of Best's Key Rating Guide. Each policy of insurance shall contain an endorsement requiring the insurer to provide at least thirty (30) days' written notice to Beneficiary prior to change in coverage, cancellation or expiration thereof. If any insurance policy required pursuant to the Bridge Loan Documents is canceled or the coverage provided thereunder is reduced, Trustor shall, within ten (10) days after receipt of written notice of such cancellation or reduction in coverage, but in no event later than the effective date of cancellation or reduction, file with Beneficiary a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon failure to so file such certificate, Beneficiary may, without further notice and at its option, procure such insurance coverage at Trustor's expense, and Trustor shall promptly reimburse Beneficiary for such expense upon receipt of billing from Beneficiary.

7.11 Hazardous Materials. Trustor represents and warrants that except as disclosed to Beneficiary in writing, as of the date hereof to the best knowledge of Trustor: (i) the Land is free and has always been free of Hazardous Materials (as defined below) and is not and has never been in violation of any Environmental Law (as defined below); (ii) there are no buried or partially buried storage tanks located on the Land; (iii) Trustor has received no notice, warning, notice of violation, administrative complaint, judicial complaint, or other formal or informal notice alleging that conditions on the Land are or have ever been in violation of any Environmental Law or informing Trustor that the Land is subject to investigation or inquiry regarding Hazardous Materials on the Land or the potential violation of any Environmental Law; (iv) there is no monitoring program required by the Environmental Protection Agency or any other governmental agency concerning the Land; (v) no toxic or hazardous chemicals, waste, or substances of any kind have ever been spilled, disposed of, or stored on, under or at the Land, whether by accident, burying, drainage, or storage in containers, tanks, holding areas, or any other means; (vi) the Land has never been used as a dump or landfill; and (vii) Trustor has disclosed to Beneficiary all information, records, and studies in Trustor's possession or reasonably available to Trustor relating to the Land concerning Hazardous Materials.

Trustor shall not cause or permit any Hazardous Material (as defined below) to be brought upon, kept, stored or used in, on, under, or about the Land by Trustor, its agents, employees, contractors or invitees except for incidental supplies ordinarily used in connection with the construction, rehabilitation, repair, and operation of residential developments and in compliance with all applicable laws, and shall not cause any release of Hazardous Materials into, onto, under or through the Land. If any Hazardous Material is discharged, released, dumped, or spilled in, on, under, or about the Land and results in any contamination of the Land or adjacent property, or otherwise results in the release or discharge of Hazardous Materials in, on, under or from the Land, Trustor shall promptly take all actions at its sole expense as are necessary to comply with all Environmental Laws (as defined below).

Trustor shall indemnify, defend (with counsel reasonably acceptable to Beneficiary), and hold Beneficiary and its elected and appointed officials, officers, agents and employees (collectively, "**Indemnitees**") harmless from and against any and all loss, claim, liability, damage, demand, judgment, order, penalty, fine, injunctive or other relief, cost, expense (including reasonable fees and expenses of attorneys, expert witnesses, and other professionals advising or assisting Beneficiary), action, or cause of action (all of the foregoing, hereafter individually "**Claim**" and collectively "**Claims**") arising in connection with the breach of Trustor's covenants and obligations set forth in this Section 7.11 or otherwise arising in connection with the presence or release of Hazardous Materials in, on, under, or from the Property, except to the extent that Claims arise as a result of the gross negligence or willful misconduct of Indemnitees. The foregoing indemnity includes, without limitation, all costs of investigation, assessment, containment, removal, remediation of any kind, and disposal of Hazardous Materials, all costs of determining whether the Land is in compliance with Environmental Laws, all costs associated with bringing the Land into compliance with all applicable Environmental Laws, and all costs associated with claims for damages or injury to persons, property, or natural resources.

Without limiting the generality of the foregoing, Trustor shall, at Trustor's own cost and expense, do all of the following:

a. pay or satisfy any judgment or decree that may be entered against any Indemnitee or Indemnitees in any legal or administrative proceeding incident to any matters against which Indemnitees are entitled to be indemnified under this Deed of Trust;

b. reimburse Indemnitees for any expenses paid or incurred in connection with any matters against which Indemnitees are entitled to be indemnified under this Deed of Trust; and

c. reimburse Indemnitees for any and all expenses, including without limitation out-of-pocket expenses and fees of attorneys and expert witnesses, paid or incurred in connection with the enforcement by Indemnitees of their rights under this Deed of Trust, or in monitoring and participating in any legal or administrative proceeding.

Trustor's obligation to indemnify the Indemnitees shall not be limited or impaired by any of the following, or by any failure of Trustor to receive notice of or consideration for any of the following: (i) any amendment or modification of any Permanent Loan Document; (ii) any extensions of time for performance required by any Permanent Loan Document; (iii) any provision in any of the Permanent Loan Documents limiting Beneficiary's recourse to property securing the Secured Obligations, or limiting the personal liability of Trustor, or any other party for payment of all or any part of the Secured Obligations; (iv) the accuracy or inaccuracy of any representation and warranty made by Trustor under this Deed of Trust or by Trustor or any other party under any Permanent Loan Document, (v) the release of Trustor or any other person, by Beneficiary or by operation of law, from performance of any obligation under any Permanent Loan Document; (vi) the release or substitution in whole or in part of any security for the Secured Obligations; and (vii) Beneficiary's failure to properly perfect any lien or security interest given as security for the Secured Obligations.

The provisions of this Section 7.11 shall be in addition to any and all other obligations and liabilities that Trustor may have under applicable law, and each Indemnitee shall be entitled to indemnification under this Section without regard to whether Beneficiary or that Indemnitee has exercised any rights against the Property or any other security, pursued any rights against any guarantor or other party, or pursued any other rights available under the Permanent Loan Documents or applicable law. The obligations of Trustor to indemnify the Indemnitees under this Section shall survive any repayment or discharge of the Secured Obligations, any foreclosure proceeding, any foreclosure sale, any delivery of any deed in lieu of foreclosure, and any release of record of the lien of this Deed of Trust.

Without limiting any of the remedies provided in this Deed of Trust, Trustor acknowledges and agrees that each of the provisions in this Section 7.11 is an environmental provision (as defined in Section 736(f)(2) of the California Code of Civil Procedure) made by Trustor relating to real property security (the "**Environmental Provisions**"), and that Trustor's failure to comply with any of the Environmental Provisions will be a breach of contract that will entitle Beneficiary to pursue the remedies provided by Section 736 of the California Code of Civil Procedure ("**Section 736**") for the recovery of damages and for the enforcement of the Environmental Provisions. Pursuant to Section 736, Beneficiary's action for recovery of damages or enforcement of the Environmental Provisions shall not constitute an action within the meaning of Section 726(a) of the California Code of Civil Procedure or constitute a money

judgment for a deficiency or a deficiency judgment within the meaning of Sections 580a, 580b, 580d, or 726(b) of the California Code of Civil Procedure.

Trustor shall provide written notice to Beneficiary of any uninsured or partially uninsured loss affecting the Property through fire, theft, liability, or property damage in excess of an aggregate of Fifty Thousand Dollars (\$50,000) within three (3) business days of the occurrence of such loss. Trustor shall ensure that Beneficiary shall receive timely notice of, and shall have a right to cure, any default under any other financing document or other lien affecting the Property and shall use best efforts to ensure that provisions mandating such notice and allowing such right to cure shall be included in all such documents. Within three (3) business days of Trustor's receipt thereof, Trustor shall provide Beneficiary with a copy of any notice of default Trustor receives in connection with any financing document secured by the Property or any part thereof.

b. Defense of Security. At Trustor's sole expense, Trustor shall protect, preserve and defend the Property and title to and right of possession of the Property, the security of this Deed of Trust and the rights and powers of Beneficiary and Trustee created under it, against all adverse claims.

c. Compensation; Reimbursement of Costs. Notwithstanding any contrary provision contained herein, the obligations of Trustor under this Section shall survive any foreclosure proceeding, any foreclosure sale, any delivery of a deed in lieu of foreclosure, and any release or reconveyance of this Deed of Trust.

7.14. Limitation of Liability. Beneficiary shall not be directly or indirectly liable to Trustor or any other person as a consequence of any of the following: (i) Beneficiary's exercise of or failure to exercise any rights, remedies or powers granted to Beneficiary in this Deed of Trust; (ii) Beneficiary's failure or refusal to perform or discharge any obligation or liability of Trustor under any agreement related to the Property or under this Deed of Trust; (iii) any waste committed by Trustor, the lessees of the Property or any third parties, or any dangerous or defective condition of the Property; or (iv) any loss sustained by Trustor or any third party resulting from any act or omission of Beneficiary in managing the Property after an Event of Default, unless the loss is caused by the willful misconduct, gross negligence, or bad faith of Beneficiary. Trustor hereby expressly waives and releases all liability of the types described in this Section 7.14 and agrees that Trustor shall assert no claim related to any of the foregoing against Beneficiary.

7.15 Insurance and Condemnation Proceeds. Subject to the rights of any senior lienholders, any award of damages in connection with any condemnation for public use of, or injury to the Property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply such moneys to any indebtedness secured hereby in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Notwithstanding the foregoing, so long as the value of Beneficiary's lien is not impaired, insurance and/or condemnation proceeds may be used to repair and/or restore the Project.

7.16 Release, Extension, Modification. At any time and from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note for endorsement, Trustee may release or reconvey all or any part of the Property, consent to the making of any map or plat of the Land or part thereof, join in granting any easement or creating any restriction affecting the Property, or join in any extension agreement or other agreement affecting the lien or charge hereof. At any time and from time to time, without liability therefor and without notice, Beneficiary may (i) release any person liable for payment of any Secured Obligation, (ii) extend the time for payment or otherwise alter the

terms of payment of any Secured Obligation; (iii) accept additional real or personal property of any kind as security for any Secured Obligation, or (iv) substitute or release any property securing the Secured Obligations.

7.17 Reconveyance. Upon written request of Beneficiary stating that all of the Secured Obligations have been paid in full, and upon surrender of this Deed of Trust, and the Note, Trustee shall reconvey, without warranty, the Property or so much of it as is then held under this Deed of Trust. The recitals in any reconveyance executed under this Deed of Trust of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustor shall pay all fees of Trustee and all recordation fees related to such reconveyance.

7.18 Cure; Protection of Security. Either Beneficiary or Trustee may cure any breach or default of Trustor, and if it chooses to do so in connection with any such cure, Beneficiary or Trustee may also enter the Property and/or do any and all other things which it may in its sole discretion consider necessary and appropriate to protect the security of this Deed of Trust. Such other things may include: appearing in and/or defending any action or proceeding which purports to affect the security of, or the rights or powers of Beneficiary or Trustee under, this Deed of Trust; paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien which in Beneficiary's or Trustee's sole judgment is or may be senior in priority to this Deed of Trust, such judgment of Beneficiary or Trustee to be conclusive as among Beneficiary, Trustee and Trustor; obtaining insurance and/or paying any premiums or charges for insurance required to be carried hereunder; otherwise caring for and protecting any and all of the Property; and/or employing counsel, accountants, contractors and other appropriate persons to assist Beneficiary or Trustee. Beneficiary and Trustee may take any of the actions permitted under this Section 7.18 either with or without giving notice, except for notices required under applicable law. Any amounts disbursed by Beneficiary pursuant to this paragraph shall become additional indebtedness secured by this Deed of Trust.

7.19 Limited Partners Right to Cure. Trustor's limited partners shall have the right to cure any default of Trustor hereunder upon the same terms and conditions afforded to Trustor. Beneficiary shall provide any notice of default hereunder to the limited partners concurrently with the provision of such notice to Trustor, at the following address (or such alternate address as the limited partners may designate from time to time in a written notice to the City):

As to the limited partners, the cure periods specified herein shall commence upon the date of delivery of such notice in accordance with Section 10.2.

8. Default and Remedies.

8.1 Events of Default. Trustor acknowledges and agrees that an Event of Default shall occur under this Deed of Trust upon the occurrence of any one or more of the following events:

a. Beneficiary's declaration of an Event of Default under any Permanent Loan Document, subject to the expiration of any applicable cure period set forth in such document;

b. Trustor fails to perform any monetary obligation which arises under this Deed of Trust, and does not cure that failure within ten (10) days following written notice from Beneficiary or Trustee;

c. If Trustor's interest in the Property or any part thereof is voluntarily or involuntarily sold, transferred, leased, encumbered, or otherwise conveyed in violation of Section 7.6 hereof or if any other Transfer occurs in violation of the DDLA and Trustor fails to rescind such conveyance or otherwise cure such breach within the time period specified in paragraph j below;

d. Trustor fails to maintain the insurance coverage required hereunder or otherwise fails to comply with the requirements of Section 7.10 hereof and Trustor fails to cure such default within the time specified in Section 7.10;

e. Subject to Trustor's right to contest such charges as provided herein, Trustor fails to pay taxes or assessments due on the Land or the Improvements or fails to pay any other charge that may result in a lien on the Land or the Improvements, and Trustor fails to cure such default within ten (10) days.

f. Any representation or warranty of Trustor contained in or made in connection with the execution and delivery of this Deed of Trust or in any certificate or statement furnished pursuant hereto or in any other Permanent Loan Document proves to have been false or misleading in any material adverse respect when made;

g. If, pursuant to or within the meaning of the United States Bankruptcy Code or any other federal or state law relating to insolvency or relief of debtors ("**Bankruptcy Law**"), Trustor or any general partner thereof (i) commences a voluntary case or proceeding; (ii) consents to the entry of an order for relief against Trustor or any general partner thereof in an involuntary case; (iii) consents to the appointment of a trustee, receiver, assignee, liquidator or similar official for Trustor or any general partner thereof; (iv) makes an assignment for the benefit of its creditors; or (v) admits in writing its inability to pay its debts as they become due.

h. If a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (i) is for relief against Trustor or any general partner thereof in an involuntary case, (ii) appoints a trustee, receiver, assignee, liquidator or similar official for Trustor or any general partner thereof or substantially all of such entity's assets, (iii) orders the liquidation of Trustor or any general partner thereof, or (iv) issues or levies a judgment, writ, warrant of attachment or similar process against the Property or the Project, and in each case the order or decree is not released, vacated, dismissed or fully bonded within sixty (60) days after its issuance.

i. The holder of any other debt instrument secured by a mortgage or deed of trust on the Property or part thereof declares an event of default thereunder and exercises a right to declare all amounts due under that debt instrument immediately due and payable, subject to the expiration of any applicable cure period set forth in such holder's documents; or

j. Trustor fails to perform any obligation arising under this Deed of Trust other than one enumerated in this Section 8.1, and does not cure that failure either within ten (10)

days after written notice from Beneficiary or Trustee in the event of a monetary default, or within thirty (30) days after such written notice in the event of a nonmonetary default, provided that in the case of a nonmonetary default that in Beneficiary's reasonable judgment cannot reasonably be cured within thirty (30) days, an Event of Default shall not arise hereunder if Trustor commences to cure such default within thirty (30) days and thereafter prosecutes such cure to completion with due diligence and in good faith and in no event later than sixty (60) days following receipt of notice of default.

8.2 Remedies. Subject to the applicable notice and cure provisions set forth herein, at any time after an Event of Default, Beneficiary and Trustee shall be entitled to invoke any and all of the rights and remedies described below, and may exercise any one or more or all, of the remedies set forth in any Permanent Loan Document, and any other remedy existing at law or in equity or by statute. All of Beneficiary's rights and remedies shall be cumulative, and the exercise of any one or more of them shall not constitute an election of remedies. Beneficiary shall be entitled to collect all expenses incurred in pursuing the remedies provided hereunder, including without limitation reasonable attorneys' fees and costs.

a. Acceleration. Beneficiary may declare any or all of the Secured Obligations, including without limitation all sums payable under the Note and this Deed of Trust, to be due and payable immediately.

b. Receiver. Beneficiary may apply to any court of competent jurisdiction for, and obtain appointment of, a receiver for the Property.

c. Entry. Beneficiary, in person, by agent or by court-appointed receiver, may enter, take possession of, manage and operate all or any part of the Property, and may also do any and all other things in connection with those actions that Beneficiary may in its sole discretion consider necessary and appropriate to protect the security of this Deed of Trust. Such other things may include: taking and possessing copies of all of Trustor's or the then owner's books and records concerning the Property; entering into, enforcing, modifying, or canceling Leases on such terms and conditions as Beneficiary may consider proper; obtaining and evicting tenants; fixing or modifying Rents; collecting and receiving any payment of money owing to Trustor; completing any unfinished construction; and/or contracting for and making repairs and alterations. If Beneficiary so requests, Trustor shall assemble all of the Property that has been removed from the Land and make all of it available to Beneficiary at the site of the Land. Trustor hereby irrevocably constitutes and appoints Beneficiary as Trustor's attorney-in-fact to perform such acts and execute such documents as Beneficiary in its sole discretion may consider to be appropriate in connection with taking these measures, including endorsement of Trustor's name on any instruments.

d. UCC Remedies. Beneficiary may exercise any or all of the remedies granted to a secured party under the UCC.

e. Judicial Action. Beneficiary may bring an action in any court of competent jurisdiction to foreclose this Deed of Trust in the manner provided by law for foreclosure of mortgages on real property and/or to obtain specific enforcement of any of the covenants or agreements of this Deed of Trust.

f. Power of Sale. Under the power of sale hereby granted, Beneficiary shall have the discretionary right to cause some or all of the Property, including any Property which constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

8.3 Power of Sale. If Beneficiary elects to invoke the power of sale hereby granted, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of its election to cause the Property to be sold to satisfy the obligations hereof, and shall cause such notice to be recorded in the office of the Recorder of each County wherein the Property or some part thereof is situated as required by law and this Deed of Trust.

Prior to publication of the notice of sale, Beneficiary shall deliver to Trustee this Deed of Trust and the Note or other evidence of indebtedness which is secured hereby, together with a written request for the Trustee to proceed with a sale of the Property, pursuant to the provisions of law and this Deed of Trust.

Notice of sale having been given as then required by law, and not less than the time then required by law having elapsed after recordation of such notice of default, Trustee, without demand on Trustor, shall sell the Property at the time and place fixed by it in the notice of sale, either as a whole or in separate parcels and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may, and at Beneficiary's request shall, postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time and place fixed by the preceding postponement. Trustee shall deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary, may purchase at such sale.

After deducting all costs, fees, and expenses of Trustee and of the trust hereby created, including reasonable attorneys' fees in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums advanced or expended by Beneficiary or Trustee under the terms hereof and all outstanding sums then secured hereby, and the remainder, if any, to the person or persons legally entitled thereto.

Without limiting the generality of the foregoing, Trustor acknowledges and agrees that regardless of whether or not a default has occurred hereunder, if an Event of Default has occurred under the Permanent Loan Documents, and if in connection with such Event of Default Beneficiary exercises its right to foreclose on the Property, then: (i) Beneficiary shall be entitled to declare all amounts due under the Note immediately due and payable, and (ii) the proceeds of any sale of the Property in connection with such foreclosure shall be used to pay all Secured Obligations, including without limitation, the outstanding principal balance and all other amounts due under the Note.

At any foreclosure sale, any person, including Trustor, Trustee or Beneficiary, may bid for and acquire the Property or any part of it to the extent permitted by then applicable law.

Instead of paying cash for such property, Beneficiary may settle for the purchase price by crediting the sales price of the property against the following obligations:

a. First, the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Trustor is obligated to pay or reimburse Beneficiary or Trustee under Section 7.12(c); and

b. Second, the remaining balance of all other Secured Obligations in any order and proportions as Beneficiary in its sole discretion may choose.

8.4 Trustor's Right to Reinstate. Notwithstanding Beneficiary's acceleration of the sums secured by this Deed of Trust, Trustor shall have the right to have any proceedings begun by Beneficiary to enforce this Deed of Trust discontinued at any time prior to five days before sale of the Property pursuant to the power of sale contained in this Deed of Trust or at any time prior to entry of a judgment enforcing this Deed of Trust if: (a) Trustor pays Beneficiary all sums which would be then due under the Permanent Loan Documents if the Secured Obligations had no acceleration provision; (b) Trustor cures all breaches of any other covenants or agreements of Trustor contained in this Deed of Trust; (c) Trustor pays all reasonable expenses incurred by Beneficiary and Trustee in enforcing the covenants and agreements of Trustor contained in this Deed of Trust, and in enforcing Beneficiary's and Trustee's remedies as provided herein, including, but not limited to, reasonable attorney's fees; and (d) Trustor takes such action as Beneficiary may reasonably require to assure that the lien of this Deed of Trust, Beneficiary's interest in the Property and Trustor's obligation to pay the sums secured by this Deed of Trust shall continue unimpaired. Upon such payment and cure by Trustor, this Deed of Trust and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

9. Trustor's Waivers. To the fullest extent permitted by law, Trustor waives: (a) all statutes of limitations as a defense to any action or proceeding brought against Trustor by Beneficiary; (b) the benefit of all laws now existing or which may hereafter be enacted providing for any appraisement, valuation, stay, extension, redemption or moratorium; (c) all rights of marshalling in the event of foreclosure; and (d) all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of acceptance of this Deed of Trust and of the existence, creation, or incurring of new or additional indebtedness, and demands and notices of every kind.

10. Miscellaneous Provisions.

10.1 Additional Provisions. The Permanent Loan Documents grant further rights to Beneficiary and contain further agreements and affirmative and negative covenants by Trustor which apply to this Deed of Trust and the Property.

10.2 Notices. Trustor requests that a copy of notice of default and notice of sale be mailed to Trustor at the address set forth below. That address is also the mailing address of Trustor as debtor under the UCC. Beneficiary's address set forth below is the address for Beneficiary as secured party under the UCC. Except for any notice required under applicable law to be given in another manner, all notices to be sent pursuant to this Deed of Trust shall be

made in writing, and sent to the parties at their respective addresses specified below or to such other address as a party may designate by written notice delivered to the other parties in accordance with this Section. All such notices shall be sent by:

- a. personal delivery, in which case notice shall be deemed delivered upon receipt;
- b. certified or registered mail, return receipt requested, in which case notice shall be deemed delivered two (2) business days after deposit, postage prepaid in the United States mail;
- c. nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) day after deposit with such courier; or
- d. facsimile transmission, in which case notice shall be deemed delivered on transmittal, provided that a transmission report is generated reflecting the accurate transmission thereof.

10.3 Binding on Successors. The terms, covenants and conditions of this Deed of Trust shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors in interest, transferees, and assigns of the Trustor, Beneficiary and Trustee; provided however this Section 10.3 does not waive the provisions of Section 7.6.

10.4 Substitution of Trustee. Beneficiary may from time to time or at any time substitute a trustee or trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office of the Recorder of Sacramento County, it shall be conclusive evidence of the appointment of such trustee or trustees, and such new trustee or trustees shall succeed to all of the powers and duties of the Trustee named herein.

10.5 Attorneys' Fees and Costs. In any action or proceeding to foreclose this Deed of Trust or to enforce any right of Beneficiary or of Trustee, Trustor shall pay to Beneficiary and Trustee all costs of such action or proceeding, including reasonable attorneys' fees.

10.6 Governing Law; Severability; Interpretation. This Deed of Trust shall be governed by the laws of the State of California without regard to principles of conflicts of laws. Trustor agrees that any controversy arising under or in relation to this Deed of Trust shall be litigated exclusively in the jurisdiction where the Land is located (the "**Property Jurisdiction**"). The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have exclusive jurisdiction over all controversies which shall arise under or in relation to the Permanent Loan Documents. Trustor irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation, and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. If any provision of this Deed of Trust is held unenforceable or void, that provision shall be deemed severable from the remaining provisions, and shall in no way affect the validity of this Deed of Trust. The captions used in this Deed of Trust are for convenience only and are not intended to affect the interpretation or construction of the provisions herein contained. In this Deed of Trust, whenever the context so requires, the singular number includes the plural.

10.7 Waiver, Modification and Amendment. Any waiver by Beneficiary of any obligation of Trustor hereunder must be in writing, and no waiver shall be construed as a continuing waiver. No waiver shall be implied from any delay or failure by Beneficiary or Trustee to take action on account of any default of Trustor. Consent by Beneficiary or Trustee to any act or omission by Trustor shall not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Beneficiary's or Trustee's consent to be obtained in any future or other instance. No amendment to or modification of this Deed of Trust shall be effective unless and until such amendment or modification is in writing, executed by Trustor and Beneficiary. Without limiting the generality of the foregoing, Beneficiary's acceptance of payment of any sum secured hereby after its due date shall not constitute a waiver by Beneficiary of its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

10.8 Action by Beneficiary. Except as may be otherwise specifically provided herein, whenever any approval, notice, direction, or consent by the Beneficiary is required or permitted under this Agreement, such action shall be in writing, and such action may be given, made or taken by Beneficiary's City Manager or by any person who shall have been designated by Beneficiary's City Manager, without further approval by the governing board of Beneficiary. Beneficiary shall use reasonable best efforts to respond to requests for any such approval, notice, direction, or consent in a timely manner. In any approval, consent, or other determination by Beneficiary required hereunder, Beneficiary shall act reasonably and in good faith.

10.9 Joint and Several Liability. If Trustor consists of more than one person or entity, each shall be jointly and severally liable for the faithful performance of all of Trustor's obligations under this Deed of Trust.

10.10 Time is of the Essence. Time is of the essence for each provision of this Deed of Trust.

10.11 Regulatory Agreement Controls. In the event of any inconsistencies between the terms set forth in the Regulatory Agreement and the terms of this Deed of Trust, the terms of the Regulatory Agreement shall control.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Cyrus Abhar, Interim Assistant City Manager

SUBJECT: **RESOLUTION AUTHORIZING THE ACQUISITION OF PROPERTY AND AUTHORIZING EXECUTION OF A CERTIFICATE OF ACCEPTANCE AND RECORDATION OF A GRANT DEED FOR LAND KNOWN AS NORTH DOUGLAS LOT 70 – VILLAGE 1**

RECOMMENDATION

Adopt Resolution No. 50-2015.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution authorizes the City Manager to proceed with execution of documents as necessary to purchase and take possession of property known as North Douglas Lot 70 – Village 1; APN 072-2890-070.

BACKGROUND

When the Sunridge Specific Plan (SRSP) was implemented and the North Douglas Subdivision was originally approved in 2004, there were no specific development projects identified in the SRSP land use plan north of the North Douglas Subdivision. Over the years since then, projects to the north have come into consideration such that it is prudent for the City to take action now to allow for a future roadway connection through the site known as Lot 70, the "Property". Without any action, the North Douglas subdivision could build out essentially closing the opportunity for a future logical connection.

Under the terms of an Amended Development Agreement between the City and Developer, the City has the option to purchase the Property at a price of \$75,000 and have landowner construct improvements. The purpose of the purchase of the land and the improvements is to provide for a future roadway connection to potential development areas to the north. The improvements include utility relocation, grading, paving and concrete work to provide a stub for a future roadway connection. On March 16, 2015, the Council approved a Credit Agreement with MS Rialto to allow the use of credits against the Supplemental Transportation Fee in an amount not to exceed \$176,850 in to fund the purchase of the Property and improvements thereon.

The attached Resolution authorizes the City Manager to proceed with the execution of documents, including the Agreement of Purchase and Sale and Joint Escrow Instructions, attached as Exhibit A to the Resolution. The above referenced Credit Agreement is also attached as an Exhibit B to the Agreement of Purchase and Sale.

Environmental Review under CEQA

The acquisition of property by a public agency is a project within the meaning of the California Environmental Quality Act (CEQA).

The project is exempt from CEQA pursuant to Title 14 of the California Code of Regulations, Chapter 3, Division 6 (State CEQA Guidelines) Section 15183 (Projects Consistent with a Community Plan, General Plan, or Zoning.)

The full CEQA report is included in Attachment 2 of this report.

FISCAL IMPACT

The purchase price for the Property is \$75,000 plus estimated construction costs for improvements in a total amount not to exceed \$176,850 in exchange for credits against the Supplemental Transportation Fee. There is no impact to the general fund.

3.1. **Opening.** The purchase and sale of the Property shall be consummated through an escrow ("**Escrow**") opened with Escrow Holder by depositing this Agreement in accordance with Section 1.7.

3.2. **Instructions.** This Agreement constitutes escrow instructions to Escrow Holder. Any supplemental escrow instructions given to Escrow Holder shall be consistent with the terms of this Agreement and shall provide that, as between the parties, the terms of this Agreement shall prevail if there is any inconsistency.

3.3. **Close of Escrow; Scheduled Closing Date.** "**Closing**" or the "**Close of Escrow**" shall mean the date upon which the grant deed conveying the Property to the Buyer is recorded with the Sacramento County Recorder. Escrow for the Property shall close on or before the date that is 15 days following the expiration of the Feasibility Period (the "**Scheduled Closing Date**"), unless otherwise extended by written mutual agreement of the parties.

3.4. **Costs.** Charges and expenses incurred in each Escrow are to be borne by the parties as follows:

3.4.1. **Seller's Costs.** Seller shall bear the cost of the CLTA portion of the title insurance premium attributable to the title policy issued at the Close of Escrow; transfer and similar taxes imposed on the deed upon recordation; and one-half of any Escrow fees, document preparation costs, recording fees and other related closing costs.

3.5. **Prorations and Adjustments.** Real property taxes, special Mello-Roos taxes, any similar taxes and assessments imposed upon the Property, and assessments of all owners' associations affecting the Property (collectively, "**Taxes and Assessments**") shall be prorated as of the Closing with respect to the property which is the subject of that Closing.

3.5.1. **Basis of Prorations.** Except as otherwise provided in this Section 3.5.1, prorations for real property taxes and similar charges shall be based upon the full amount of the latest available tax bills applicable to the Property.

3.5.2. Post Closing Adjustment. With respect to any prorations based on estimates rather than bills for the period covered by the proration, if and when the actual bill for the tax, assessment or other charge related thereto is finally issued by the appropriate agency, the parties shall adjust said proration, as necessary, within 30 days of such bill becoming available, based on such final billing. Supplemental tax bills affecting the Property shall be similarly prorated, with supplemental tax bills received after the Closing being prorated within 30 days after receipt of such supplemental tax bill. The party owing reimbursement following any such adjustment shall make full payment within 30 days following the date written notice containing the basis for the adjustment and the amount due is sent by the other party. If the party owing reimbursement fails to make such payment within such period, the amount unpaid shall bear interest at 10% per annum from the date of such written notice.

3.6. Deliveries to Escrow by Seller. Prior to Closing, Seller shall deliver into Escrow the following items to be delivered and/or recorded at Closing:

3.6.1. Grant Deed. A duly executed and acknowledged grant deed for the Property.

3.6.2. Nonforeign Certification. A sworn Affidavit stating under penalty of perjury that Seller is not a "foreign person" as such term is defined in Section 1445(f)(3) of the Internal Revenue Code of 1986, as amended (the "**Code**"), or such other evidence as Buyer and Escrow Holder may require showing that Buyer is not required to withhold taxes from the Purchase Price under Section 1445(a) of the Code.

3.6.3. General Assignment. A duly executed "**General Assignment**," a copy of which is attached hereto and incorporated herein as **Exhibit C**, assigning to Buyer all of Seller's right, title, and interest in all warranties, claims, and any similar rights relating to and benefitting the Property or the assets transferred thereby; all tangible rights, goodwill, and rights benefitting the Property; all development rights, permits, plans, or approvals benefitting the Property; and all rights, claims, or awards benefitting the Property (collectively, "**Assigned Rights**").

3.6.4. California Franchise Tax Withholding. Evidence reasonably satisfactory to Buyer and Escrow Holder that Seller is exempt from the provisions of Section 18662 of the California Revenue and Taxation Code and that neither Buyer nor Escrow Holder is required to withhold any amounts from the Purchase Price pursuant thereto.

3.6.5. Closing Payments. Seller's share, if any, of any then-known prorations, fees and costs, in immediately available funds.

3.6.6. Miscellaneous. Such other documents and instructions as may be reasonably required by the Escrow Holder or Buyer in order to close Escrow in accordance with the terms of this Agreement.

3.7. Deliveries to Escrow by Buyer. Prior to Closing, Buyer shall deliver into Escrow the following items to be delivered and/or recorded at Closing:

3.7.1. Closing Payments. Buyer's share, if any, of any then-known prorations, fees and costs, in immediately available funds.

3.7.2. General Assignment. The General Assignment, duly executed by Buyer.

3.7.3. Certificate of Acceptance. A duly executed Certificate of Acceptance, pursuant to Government Code Section 27281.

3.7.4. Miscellaneous. Such other documents and instructions as may be reasonably required by the Escrow Holder or Seller in order to close Escrow in accordance with the terms of this Agreement.

ARTICLE 4. CONDITIONS TO CLOSE OF ESCROW.

4.1. Buyer's Conditions to Close of Escrow. Buyer's obligation to purchase the Property and close Escrow is subject to the fulfillment of each and every one of the conditions in this Section 4. 1. Except where a different time period is specifically set forth, satisfaction of each condition shall occur no later than the Close of Escrow. If any of such conditions are not satisfied or waived by Buyer by the date for satisfaction, then Buyer shall have the right to terminate this Agreement by giving written notice to Seller, in which case the parties shall have no further obligation to each other except for Buyer's obligations under Section 4.1.1 and, if the failure of the condition to be satisfied is also a default by Seller, Seller's obligations under Section 2.4.2. Notwithstanding anything in this Agreement to the contrary, however, Buyer shall not have the right to terminate this Agreement if Escrow fails to close as the result of the material breach by Buyer of an obligation under this Agreement.

4.1.1. Feasibility. Prior to the date of this Agreement, and during the period this Agreement was being negotiated, Buyer has had the right, and Buyer shall continue to have the right, to conduct such investigations, studies and examinations with respect to investigations, studies and examinations with respect to the Property and such other matters as Buyer, in its sole and absolute discretion, deems appropriate. Feasibility issues shall include all issues which Buyer determines to be relevant and material to its determination to purchase the Property, including, without limitation, political, planning, zoning and entitlement matters, geology, environmental, economic and marketing issues.

A. Feasibility Period. Buyer shall have until 5:00 p.m. Pacific Time on the date that is 30 days following the Effective Date (the "**Feasibility Period**" or "**End of Feasibility**"), to give written notice ("**Buyer Approval Notice**") to Seller that Buyer wishes to proceed with this transaction. Should Buyer fail to timely deliver the Buyer Approval Notice to Escrow Holder and Seller in accordance with this Section, this Agreement shall automatically terminate, and the parties shall have no further obligation to each other except for Buyer's obligations under Section 4.1.1.

B. Right of Entry. Buyer and Buyer's Representatives and authorized agents shall have the right to enter on the Property from the Effective Date to the End of Feasibility to make such tests, surveys and other studies of the real property as Buyer deems appropriate, and the right to contact Seller's consultants and governmental officials with respect to such real property.

(1) Buyer shall bear the entire cost of all tests and studies performed by Buyer or at Buyer's direction.

(2) Prior to its entry onto the Property, Buyer shall furnish Seller with a certificate of insurance evidencing that Buyer has the following insurance: that required of a municipality by California law. All coverages must include a waiver of subrogation endorsement in favor of, and naming, Seller. Buyer shall restore all damage to the Property resulting from the exercise of Buyer's rights hereunder. Such restoration shall be to substantially the same or better condition than existed prior to Buyer's entry.

(3) Buyer shall defend, indemnify and hold Seller and the Property harmless from any and all costs, expenses, claims, losses, liabilities and demands to the extent arising from the exercise of these rights, provided such obligation does not apply to: (x) any loss, liability cost, claim, damage, injury or expense to the extent resulting from the acts or omissions of Seller, its officers or agents; or (y) any diminution in value or losses resulting from matters or latent defects discovered by Buyer, including the discovery of hazardous materials on the Property, during its investigation of the real property.

(4) Buyer shall furnish Seller, at no cost to Seller and without any representation or warranty as to accuracy, with copies of all third party tests, studies and reports obtained by Buyer within 10 days of their receipt, except for marketing studies and other proprietary information. Buyer's liability under this section shall survive the termination of this Agreement.

4.1.2. Title; Title Policy. At Close of Escrow, Seller shall convey the Property to Buyer by grant deed, subject only to the "Permitted Exceptions" defined below, and, at Close of Escrow, shall cause the Escrow Holder's underwriter to issue the "Buyer's Title Policy" described below with respect to the Property.

A. Preliminary Report. Within five days following the Effective Date, Seller shall cause Escrow Holder to deliver to Buyer and Seller a preliminary title report and all legible copies of all documents referred to therein covering the Property (collectively, the "**Preliminary Report**"). Buyer shall have until 5:00 p.m. on the 15th day following the Effective Date to give Seller written notice ("**Buyer's Title Notice**") of Buyer's approval or disapproval of each and every item or exception set forth in the Preliminary Report. Buyer's failure to give the Buyer's Title Notice by such date and time shall be deemed to be Buyer's disapproval of title to the Property. Notwithstanding the foregoing, Buyer shall automatically be deemed to object to, and Seller shall automatically be deemed to agree to remove monetary liens other than the following: (a) nondelinquent general taxes and assessments; (b) nondelinquent special taxes or assessments such as so-called Mello-Roos taxes, lighting and landscape district taxes or assessments.

B. Seller's Title Notice. In the event that the Buyer's Title Notice disapproves any exception, or is deemed to disapprove title, Seller shall have until 5:00 p.m. on the 5th business day following Buyer's disapproval or deemed disapproval, to give Buyer written notice ("**Seller's Title Notice**") of those disapproved title matters, if any, which Seller is unwilling or unable to remove. The failure of Seller to give Seller's Title Notice by such date and time shall constitute Seller's refusal to remove all items

objected to in the Buyer's Title Notice or deemed objected to. If Seller's Title Notice refuses to remove any items disapproved by Buyer, or if Seller fails to send Seller's Title Notice, Buyer shall have until the End of Feasibility to give Seller written notice ("**Buyer's Title Waiver Notice**") that Buyer waives its prior disapproval with respect to all items which Seller has refused (or is deemed to have refused) to remove. If Seller has not received Buyer's Title Waiver Notice by 5:00 p.m. on the date determined in this subsection, this Agreement shall terminate, and the parties shall have no further obligations to each other except for Buyer's obligations under Section 4.1.1. The Buyer Approval Notice, if delivered, shall also constitute Buyer's Title Waiver Notice. Seller shall have until the Close of Escrow to remove those exceptions, if any, which Seller agrees to remove.

C. Permitted Exceptions. Those exceptions which are approved by Buyer, those matters shown on and those matters disclosed by the Village 1 Final Map and the documents which are to be recorded pursuant to the terms of this Agreement, if any, are called the "**Permitted Exceptions**."

D. Buyer's Title Policy. The title insurance policy issued at each Close of Escrow (the "**Buyer's Title Policy**") shall be a CLTA Owner's policy of title insurance, with liability in the amount of the Purchase Price insuring title in Buyer to the Property, subject only to: (i) the Permitted Exceptions; and (ii) the printed exceptions and exclusions common to CLTA policies.

E. ALTA Policy. Notwithstanding the foregoing, at Buyer's election, the Buyer's Title Policy shall be an ALTA Extended Coverage Owner's policy, so long as Buyer furnishes any ALTA Survey required by Escrow Holder as set forth below (or, at Buyer's election, agrees to accept the survey exception required by the title insurer). If Buyer does elect to obtain an ALTA Extended Coverage Owner's title policy, the printed exceptions and exclusions to the Buyer's Title Policy would be those common to ALTA Extended Coverage policies.

4.1.3. Seller's Performance. Seller shall have timely performed all of its material obligations under this Agreement.

4.1.4. Representations and Warranties True. Each and every one of Seller's representations and warranties contained in this Agreement shall be true and correct in every material respect.

4.1.5. No Material Change. No adverse material change to the physical condition of the Property shall have occurred subsequent to the delivery of the Buyer's Approval Notice and prior to the Close of Escrow.

4.2. Seller's Conditions to Close of Escrow. Seller's obligation to sell the Property and to close Escrow is subject to the fulfillment of each and every one of the conditions in this Section 4.2. Except where a different time period is specifically set forth, satisfaction of each condition shall occur no later than the Close of Escrow. If any of such conditions are not satisfied or waived by Seller by the date for satisfaction, then Seller shall have the right to

terminate this Agreement by giving written notice to Buyer, whereupon the parties shall have no further obligation to each other except for Buyer's obligations under Section 4.1.1. Seller shall not have the right to terminate this Agreement, however, where the failure of a condition resulted from the material breach by Seller of an obligation under this Agreement.

4.2.1. Buyer Approval Notice. Buyer shall have timely given Seller the "Buyer Approval Notice" (as defined in Section 4.1.1).

4.2.2. Buyer's Performance. Buyer shall have timely performed all of its material obligations under this Agreement.

4.2.3. Representations and Warranties True. Each and every one of Buyer's representations and warranties contained in this Agreement shall be true and correct in every material respect.

ARTICLE 5. DISCLAIMERS, REPRESENTATIONS AND WARRANTIES.

5.1. **DISCLAIMER.** BUYER ACKNOWLEDGES AND AGREES THAT, EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, SELLER HAS NOT MADE ANY REPRESENTATIONS, WARRANTIES, GUARANTIES, PROMISES, STATEMENTS OR ASSURANCES WHATSOEVER, EXPRESS OR IMPLIED, DIRECTLY OR THROUGH ANY EMPLOYEE OR AGENT, AS TO THE CONDITION OF THE PROPERTY, OR ANY OTHER MATTER, INCLUDING, BUT NOT LIMITED TO, HAZARDOUS MATERIALS. BUYER ACKNOWLEDGES AND AGREES THAT EXCEPT FOR SELLER'S EXPRESS COVENANTS, REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT, SELLER SPECIFICALLY DISCLAIMS: (A) ALL MATTERS RELATING TO THE TITLE TOGETHER WITH ALL GOVERNMENTAL AND OTHER LEGAL REQUIREMENTS SUCH AS TAXES, ASSESSMENTS, ZONING, USE PERMIT REQUIREMENTS, BUILDING PERMIT REQUIREMENTS, BUILDING CODES AND OTHER DEVELOPMENT REQUIREMENTS; (B) THE PHYSICAL CONDITION OF THE PROPERTY; (C) ALL OTHER MATTERS OF ANY SIGNIFICANCE AFFECTING THE PROPERTY, WHETHER PHYSICAL IN NATURE OR INTANGIBLE IN NATURE, SUCH AS THE POLITICAL CLIMATE WITH RESPECT TO THE GOVERNMENTAL AGENCIES THAT HAVE JURISDICTION OVER THE PROPERTY, DEVELOPMENT OF THE PROPERTY OR THE OPERATION OF THE PROPERTY; (D) THE EXISTENCE, QUALITY, NATURE, ADEQUACY AND PHYSICAL CONDITION OF UTILITIES SERVING THE PROPERTY; (E) THE ECONOMICS OF THE PRESENT OR FUTURE OWNERSHIP AND/OR OPERATION OF THE PROPERTY; AND (F) THE EXISTENCE OF HAZARDOUS MATERIALS IN, UNDER OR AFFECTING THE PROPERTY; AND BUYER IS PURCHASING THE PROPERTY "AS IS-WITH ALL DEFECTS" BASED UPON BUYER'S OWN INSPECTION OF THE PROPERTY.

5.2. Representations and Warranties in General.

5.2.1. Knowledge Representations. Warranties or representations of Seller modified by a phrase such as "**to the best knowledge**" shall mean that the warranty or representation is given to the extent the subject matter is within the actual present knowledge of Larry Gualco. No knowledge of other persons shall be imputed, and there shall be no implication or duty of inquiry or investigation beyond that described in the following sentence. The persons named in this Section 5.2.1 are the persons within Seller who are most knowledgeable regarding the subject matter of Seller's representations and warranties, or have made due inquiry with the persons within Seller who are most knowledgeable regarding the subject matter to enable them to make such representations and warranties.

5.2.2. Exceptions; Exception Matters. The following shall be deemed exceptions to the representations and warranties of Seller contained in this Agreement: (i) those matters set forth in this Agreement and its schedules and exhibits; (ii) matters actually discovered by Buyer prior to the execution and delivery of this Agreement by Buyer, (iii) matters disclosed to Buyer in writing prior to Buyer's execution and delivery of this Agreement, and (iv) any matters recorded in the official records of Sacramento County (the "**Exception Matters**"). If Buyer obtained actual knowledge of any Exception Matter before the execution hereof, but nonetheless elects to execute this Agreement, Buyer shall consummate the acquisition of the Property subject to such Exception Matter and Seller shall have no liability with respect to such Exception Matter, notwithstanding any contrary provision, representation or warranty contained in this Agreement.

5.2.3. Interpretation and Effect of Disclosures. The disclosures by Seller which are contained in this Agreement (including its exhibits) are intended to be interpreted in light of Buyer's experience, and such disclosures, to the extent inconsistent with the representations and warranties herein, shall be exceptions to the representations and warranties contained in this Agreement.

5.2.4. Restatement. Except as otherwise provided in Section 5.4, the representations made by Seller in Section 5.3 shall be deemed to be restated by Seller immediately prior to the Close of Escrow. The representations made by Buyer in Section 5.4 shall likewise be deemed to be restated by Buyer immediately prior to the Close of Escrow. Subject to the provisions of Section 5.5, all of the representations and warranties of the parties set forth herein shall survive the Close of Escrow for a period of two years.

5.3. Representations and Warranties by Seller. Seller acknowledges that the execution of this Agreement by Buyer is made in material reliance by Buyer on each and every one of the representations and warranties made by Seller in this Section 5.3. Seller hereby represents and warrants to Buyer that:

5.3.1. Authority. Seller has the right, power and authority to enter into this Agreement and to perform its obligations hereunder, and the person(s) executing this Agreement on behalf of Seller have the right, power and authority to do so. This Agreement constitutes the

legal, valid and binding obligation of Seller enforceable against Seller in accordance with its terms. This Agreement does not violate any provision of any other agreement or document to which Seller is a party or to which Seller is bound.

5.3.2. No Grants. Seller has not granted to any party other than Buyer any option, contract or other agreement with respect to a purchase or sale of the Property or any portion thereof or any interest therein. Nothing in this representation shall prohibit Seller from entering into any "backup" or other agreement with respect to the Property which recognizes and is subordinate to the prior right of Buyer to purchase the Property in accordance with the terms of this Agreement, and Seller expressly reserves that right.

5.3.3. Hazardous Materials. Neither Seller nor any agent of Seller has used, generated, transported, discharged, released, manufactured, stored or disposed any Hazardous Materials on, under, from or affecting the Property in any manner which violates federal, state or local laws, ordinances, rules, regulations or policies governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and, to the best of Seller's knowledge, except as disclosed to Buyer by Seller in writing prior to the delivery of the Buyer Approval Notice, no prior tenant, subtenant, occupant, prior subtenant, prior occupant or other third party has used Hazardous Materials on, from or affecting the Property in any manner which violates federal, state or local laws, ordinances, rules, regulations or policies governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials. Seller has not received any notice of any violation of federal, state or local laws, ordinances, rules, regulations or policies governing the use, storage, treatment, transportation, manufacture, handling, production or disposal of Hazardous Materials, and, to the best of Seller's knowledge, except as disclosed to Buyer by Seller in writing prior to the delivery of the Buyer Approval Notice, there have been no actions commenced or threatened by any party for noncompliance therewith. To the best of Seller's knowledge: (i) there has been no migration of any Hazardous Material from, into, at, on, under or about the Property in violation of any law; and (ii) there is not and never has been on or in the Property underground storage tanks or surface or any below-grade impoundments used to store, treat or handle Hazardous Materials. For purposes of this Agreement, "**Hazardous Materials**" means any substance, product, waste, flammable materials, explosive, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as now or hereafter amended (42 U.S.C. Sections 9601, et seq.), the Hazardous Materials Transportation Act, as now or hereafter amended (49 U.S.C. Sections 1801, et seq.), the Resource Conservation and Recovery Act, as now or hereafter amended (42 U.S.C. Sections 9601, et seq.), and in the regulations promulgated pursuant thereto, or any other federal, state or local governmental law, ordinance, rule or regulation.

5.3.4. No Default. Seller is not in default under, and no event has occurred which with the giving of notice or the passage of time, or both, would constitute a default under, any contract, transaction, agreement, covenant, condition, restriction, lease, easement, encumbrance or instrument pertaining to the Property.

5.3.5. No Violation. To the best knowledge of Seller, there is not now, and the Closing of the transaction contemplated by this Agreement shall not constitute, any violation of any law, ordinance, rule, regulation or administrative or judicial order affecting the Property.

5.3.6. No Claims. To the best knowledge of Seller, there is no pending claim or litigation affecting the Property.

5.3.7. Not a Foreign Person. Seller is not a "foreign person" within the meaning of Section 1445(f) of the Internal Revenue Code and Seller is not, nor is any person who owns a controlling interest in or otherwise controls Seller: (i) listed on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control ("OFAC"), Department of the Treasury, and/or on any other similar list maintained by the OFAC pursuant to any authorizing statute, Executive Order or regulation (collectively, "**OFAC Laws and Regulations**"); or (ii) a person either (A) included within the term "designated national" as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (B) designated under Sections 1(a), 1(b), 1(c) or 1(d) of Executive Order No. 13224, 66 Fed. Reg. 49079 (published September 25, 2001) or similarly designated under any related enabling legislation or any other similar Executive Orders (collectively, the "**Executive Orders**"). Neither Seller nor any of its principals or affiliates is (iii) a person or entity with which Buyer is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law, or that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Orders, or (iv) is affiliated or associated with a person or entity listed in the preceding clause (iii). To the best knowledge of Seller, neither Seller nor any of its principals or affiliates, nor any brokers or other agents acting in any capacity in connection with the transactions contemplated herein (v) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to the Executive Orders or (vi) engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law. As used herein, "**Anti-Terrorism Law**" means the OFAC Laws and Regulations, the Executive Orders and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Pub. L. No. 107-56, 115 Stat. 272 (2001), as amended.

5.4. Buyer's Representations and Warranties. Buyer acknowledges that the execution of this Agreement by Seller is made in material reliance by Seller on each and every one of the representations and warranties made by Buyer in this Section 5.4. Buyer hereby represents and warrants to Seller that:

5.4.1. Authority. Buyer has the right, power and authority to enter into this Agreement and to perform its obligations hereunder, and the person(s) executing this Agreement on behalf of Buyer have the right, power and authority to do so. This Agreement constitutes the legal, valid and binding obligation of Buyer enforceable against Buyer in accordance with its terms, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, moratorium and other principles relating to or limiting the rights of contracting parties generally. This Agreement does not violate any provision of any other agreement or document to which Buyer is a party or to which Buyer is bound.

5.4.2. Feasibility Period. By the End of Feasibility, Buyer will have been afforded a reasonable period of time to perform such due diligence as Buyer believes is reasonably necessary to make the decision to consummate the transactions described in this Agreement.

5.4.3. Reliance on Own Investigation. Except for express representations made by Seller in this Agreement, Buyer is relying and shall rely solely upon its own investigation and inspection of the Property and the improvements thereon and upon the aid and advice of Buyer's independent expert(s) in purchasing the Property, and shall take title to the Property without any warranty, express or implied, by Seller or any employee or agent of Seller.

5.4.4. No Attachments. There are no attachments, executions or assignments for the benefit of creditors, or voluntary or involuntary proceedings in bankruptcy or under any other debtor-relief laws pending or, to the best of Buyer's knowledge, threatened against Buyer.

5.5. Discovery of Inaccuracy.

5.5.1. Notice. If, after the date of this Agreement, either party discovers any inaccuracy in any representation or warranty under this Agreement, whether made by that party or the other party, the discovering party shall promptly notify the other party in a written notice setting forth the particular representation or warranty which is inaccurate, and the nature of the inaccuracy discovered.

5.5.2. Right to Terminate. If the inaccuracy is material, then the party in whose favor the representation or warranty runs (the "**Benefitted Party**") shall have the right to terminate this Agreement within 10 calendar days of learning of such inaccuracy by giving notice to the other party (the "**Representing Party**"). Failure of the Benefitted Party to terminate this Agreement within such 10-day period shall be deemed a waiver of the right to terminate due to the inaccuracy. If the Representing Party had no knowledge of the inaccuracy on the date of execution of this Agreement, then the Benefitted Party's sole remedy shall be to terminate this Agreement, and if the Benefitted Party does terminate this Agreement, the parties shall have no further obligation to each other except for Buyer's obligations under Section 4.1.1.

5.5.3. Other Rights. If the Representing Party did have knowledge of the inaccuracy on the date of execution of this Agreement, then, except to the extent limited by other provisions of this Agreement, the Benefitted Party shall also have all other rights and remedies afforded by law and equity.

5.6. Indemnity; Exculpation and Release.

5.6.1. Buyer's Indemnity. Except as otherwise provided herein, Buyer hereby agrees to indemnify, defend and hold Seller, and its successors and assigns, partners, shareholders, officers, directors and/or employees (collectively, "**Seller Indemnified Parties**") harmless from and against any and all obligations, liabilities, claims, liens, encumbrances, losses, damages, costs and expenses, including, without limitation, reasonable attorneys' fees (collectively, "**Claims**"), incurred or suffered by, or asserted or awarded against any one or more of the Seller Indemnified Parties to the extent relating to or arising from any one or more of the following: (a) Buyer's ownership or the activities of Buyer, its agents, employees or contractors, on the Property subsequent to its purchase by Buyer; (b) any breach of any covenant, representation or warranty of Buyer contained in this Agreement; or (c) the violation by Buyer, its agents, employees or contractors of any federal, state or local law, ordinance or regulation, occurring or allegedly occurring with respect to the Property. Notwithstanding anything in this

subsection 5.6.1 or elsewhere in this Agreement to the contrary, Buyer shall have no obligation regarding contingent or consequential damages.

5.6.2. Seller's Indemnity. Except as otherwise provided herein, Seller hereby agrees to indemnify, defend and hold Buyer, and its successors and assigns, partners, shareholders, officers, directors and/or employees (collectively, "**Buyer Indemnified Parties**") harmless from and against any and all Claims incurred or suffered by, or asserted or awarded against any one or more of the Buyer Indemnified Parties to the extent relating to or arising from any one or more of the following: (a) Seller's ownership or the activities of Seller, its agents, employees or contractors, on the Property prior to its purchase by Buyer; (b) any breach of any covenant, representation or warranty of Seller contained in this Agreement; or (c) the violation by Seller, its agents, officers, employees or contractors of any federal, state or local law, ordinance or regulation, occurring or allegedly occurring with respect to the Property. Notwithstanding anything in this subsection 5.6.1 or elsewhere in this Agreement to the contrary, Seller shall have no obligation regarding contingent or consequential damages.

5.6.3. Release. Except as otherwise provided in this Section 5.6.3, Buyer and its officers, officials, managers, representatives, agents, employees, affiliates, partners, successors and assigns do hereby fully and forever waive, release and discharge Seller and the Seller Indemnified Parties from any and all Claims of any nature or sort, known or unknown, past, present and future, which Buyer may have which arise out of or relate in any way to any liability or responsibility for the Property, including, without limitation, any investigation, clean-up or remediation of any toxic or Hazardous Materials, on, in, under or about the Property. This release shall not apply to any Claims to the extent: (a) the same was caused by Seller, or its employees, agents or contractors; (b) that Seller has breached its representations and warranties or covenants in this Agreement; or (c) Seller has otherwise agreed in this and the exhibits attached to this Agreement. Buyer agrees that this release is fully effective regardless of any present lack of knowledge on the part of any party as to any possible claim or any facts or circumstances pertaining to this matter. Buyer expressly waives the benefits and provisions of Section 1542 of the Civil Code of the State of California, and any similar law of any state or territory of the United States or other jurisdiction. Civil Code Section 1542 provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

ARTICLE 6. AGREEMENTS REGARDING DEVELOPMENT OF PROPERTY.

6.1. Installation of Improvements. Seller shall have no obligations with respect to the Property, except as expressly set forth in this Section 6.1. Seller shall have the obligation to construct the improvements to Lot 70 for a public street thereon (the "**Improvements**"), as more specifically described in the Fee Credit Agreement, including without limitation, as set forth

Exhibit A and Figure 2, attached to the Fee Credit Agreement. The plans and specifications of the Improvements, conveyance of the Improvements to the Buyer and acceptance of the same by the Buyer, shall be done in accordance with the terms and conditions set forth in the Fee Credit Agreement and as required by any applicable laws and regulations.

6.2. Boundary Line Adjustment. The ultimate dimensions of the Improvements located on Lot 70 may not encompass the entirety of Lot 70, resulting in unimproved areas of land ("**Unimproved Lot 70 Land**") remaining after the completion of the Improvements. Accordingly, Buyer shall be solely responsible for timely processing and finalizing boundary line adjustments to lots 69 and 71 (the "**Boundary Line Adjustments**"), located adjacent to and on either side Lot 70, to include the Unimproved Lot 70 Land within those lots, at its sole cost and expense. Buyer shall complete the Boundary Line Adjustments no later than 6 months following the Close of Escrow.

7.1.1. Parties May Include Brokers. The Seller is a California licensed real estate broker with one or more responsible employees who are California licensed real estate brokers and salespeople. 7.1.2. No Brokers; Indemnity. Neither party has had any contact or dealings regarding the subject matter of this transaction through any licensed real estate broker or other person who can claim a commission or finder's fee as a procuring cause of the sale contemplated herein. 7.3. Legal; Interpretation. This Agreement has been executed in Sacramento, California, and venue for any dispute arising hereunder shall be Sacramento County, California. If the inaccuracy is material, then the Party in whose favor the representation or warranty runs (the “**Benefited Party**”) shall have the right to terminate this Agreement within 10 calendar days of learning of such inaccuracy by giving notice to the other Party (the “**Representing Party**”). Failure of the Benefited Party to terminate this Agreement within such 10-day period shall be deemed a waiver of the right to terminate the

7.5. Successors Bound. The provisions hereof shall be binding upon and inure to the benefit of the successors and assigns of Buyer and Seller; subject, however, to the limitation on assignment expressed in Section 7.5.

7.6. Assignment. Buyer may not assign its rights under this Agreement except with the prior written consent of Seller, which may be given or withheld in Seller's sole and absolute discretion.

7.7. JUDICIAL REFERENCE OF DISPUTES; ARBITRATION.

7.7.1. JUDICIAL REFERENCE. IF ANY CLAIM OR CONTROVERSY THAT ARISES OUT OF OR RELATES TO, DIRECTLY OR INDIRECTLY, THIS AGREEMENT OR ANY DEALINGS BETWEEN THE PARTIES CANNOT BE SETTLED BY THE PARTIES WITHIN 14 DAYS AFTER EITHER PARTY IS FIRST PROVIDED WRITTEN NOTICE OF THE CLAIM OR CONTROVERSY BY THE OTHER, THE MATTER SHALL BE DETERMINED BY JUDICIAL REFERENCE PURSUANT TO THE PROVISIONS OF CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 638 THROUGH 645.1, EXCEPT AS OTHERWISE MODIFIED HEREIN.

A. COOPERATION. BUYER AND SELLER SHALL COOPERATE IN GOOD FAITH TO ENSURE THAT ALL NECESSARY AND APPROPRIATE PARTIES ARE INCLUDED IN THE JUDICIAL REFERENCE PROCEEDING.

B. SPECIAL PROVISIONS. IN THE EVENT THAT A LEGAL PROCEEDING IS INITIATED BASED ON ANY SUCH DISPUTE, THE FOLLOWING SHALL APPLY:

(1) THE PROCEEDING SHALL BE BROUGHT AND HELD IN THE COUNTY IN WHICH THE PROPERTY IS LOCATED UNLESS THE PARTIES AGREE TO A DIFFERENT VENUE;

(2) THE PARTIES SHALL USE THE PROCEDURES ADOPTED BY JAMS FOR JUDICIAL REFERENCE AND SELECTION OF A REFEREE (OR ANY OTHER ENTITY OFFERING JUDICIAL REFERENCE DISPUTE RESOLUTION PROCEDURES AS MAY BE MUTUALLY ACCEPTABLE TO THE PARTIES);

(3) THE REFEREE MUST BE A RETIRED JUDGE OR LICENSED ATTORNEY WITH SUBSTANTIAL EXPERIENCE IN RELEVANT REAL ESTATE MATTERS;

(4) THE PARTIES TO THE JUDICIAL REFERENCE PROCEDURE SHALL AGREE UPON A SINGLE REFEREE WHO SHALL

HAVE THE POWER TO TRY ANY AND ALL OF THE ISSUES RAISED, WHETHER OF FACT OR OF LAW, WHICH MAY BE PERTINENT TO THE MATTERS IN DISPUTE, AND TO ISSUE A STATEMENT OF DECISION THEREON. ANY DISPUTE REGARDING THE SELECTION OF THE REFEREE SHALL BE RESOLVED BY JAMS OR THE ENTITY PROVIDING THE REFERENCE SERVICES, OR, IF NO ENTITY IS INVOLVED, BY THE COURT IN ACCORDANCE WITH CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 638 AND 640;

(5) THE REFEREE SHALL BE AUTHORIZED TO PROVIDE ALL REMEDIES AVAILABLE IN LAW OR EQUITY APPROPRIATE UNDER THE CIRCUMSTANCES OF THE CONTROVERSY;

(6) THE REFEREE MAY REQUIRE ONE OR MORE PRE-HEARING CONFERENCES;

(7) THE PARTIES SHALL BE ENTITLED TO DISCOVERY, AND THE REFEREE SHALL OVERSEE DISCOVERY AND MAY ENFORCE ALL DISCOVERY ORDERS IN THE SAME MANNER AS ANY TRIAL COURT JUDGE;

(8) A STENOGRAPHIC RECORD OF THE REFERENCE PROCEEDINGS SHALL BE MADE;

(9) THE REFEREE'S STATEMENT OF DECISION SHALL CONTAIN FINDINGS OF FACT AND CONCLUSIONS OF LAW TO THE EXTENT APPLICABLE;

(10) THE REFEREE SHALL HAVE THE AUTHORITY TO RULE ON ALL POST-HEARING MOTIONS IN THE SAME MANNER AS A TRIAL JUDGE;

(11) THE PARTIES SHALL PROMPTLY AND DILIGENTLY COOPERATE WITH EACH OTHER AND THE REFEREE AND PERFORM SUCH ACTS AS MAY BE NECESSARY FOR AN EXPEDITIOUS RESOLUTION OF THE DISPUTE; AND

(12) THE STATEMENT OF DECISION OF THE REFEREE UPON ALL OF THE ISSUES CONSIDERED BY THE REFEREE SHALL BE BINDING UPON THE PARTIES, AND UPON FILING OF THE STATEMENT OF DECISION WITH THE CLERK OF THE COURT, OR WITH THE JUDGE WHERE THERE IS NO CLERK, JUDGMENT MAY BE ENTERED THEREON. THE DECISION OF THE REFEREE SHALL BE APPEALABLE AS IF RENDERED BY THE COURT. 7.7.2. ARBITRATION OF DISPUTES. IF FOR ANY REASON THE JUDICIAL REFERENCE PROCEDURES IN SECTION 7.6.1 ARE LEGALLY UNAVAILABLE AT THE TIME A DISPUTE WOULD OTHERWISE BE REFERRED TO JUDICIAL REFERENCE, THEN, UPON THE WRITTEN DEMAND OF EITHER PARTY, THE DISPUTE SHALL BE RESOLVED BY BINDING ARBITRATION IN ACCORDANCE WITH THE AMERICAN ARBITRATION ASSOCIATION'S COMMERCIAL ARBITRATION RULES EXCEPT THAT THE ARBITRATION SHALL BE CONDUCTED BY 1 ARBITRATOR WHO IS A RETIRED SUPERIOR COURT JUDGE OR AN ATTORNEY WITH NOT LESS THAN FIFTEEN (15) YEARS EXPERIENCE IN REAL ESTATE MATTERS. THE JUDGMENT UPON THE ARBITRATION AWARD SHALL BE FINAL AND BINDING UPON THE PARTIES AND MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF. IF THE PARTIES DO NOT AGREE UPON AN ARBITRATOR WITHIN 15 DAYS AFTER DELIVERY OF A WRITTEN DEMAND FOR ARBITRATION, THEN THE ARBITRATOR SHALL BE CHOSEN BY THE AMERICAN ARBITRATION ASSOCIATION. THE ARBITRATOR MAY ALLOCATE THE FEES AND COSTS OF ARBITRATION BETWEEN THE PARTIES AND MAY AWARD COSTS, INCLUDING REASONABLE ATTORNEYS' FEES, TO EITHER PARTY. IN THE ABSENCE OF A DETERMINATION BY THE ARBITRATOR, EACH PARTY SHALL BEAR 1/2 OF THE COSTS OF THE ARBITRATION AND THE ARBITRATOR AND ALL OF ITS OWN COSTS. NOTHING CONTAINED IN THIS SECTION SHALL RESTRICT EACH PARTY FOR SEEKING EQUITABLE RELIEF FROM THE COURT SYSTEM PENDING RESOLUTION OF THE ARBITRATION.

NOTICE: BY INITIALING IN THE SPACE BELOW YOU ARE AGREEING TO HAVE ANY DISPUTE ARISING OUT OF THE MATTERS INCLUDED IN THE "ARBITRATION OF DISPUTES" PROVISION DECIDED BY NEUTRAL ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND YOU ARE GIVING UP ANY RIGHTS YOU MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT OR JURY TRIAL. BY INITIALING IN THE SPACE BELOW YOU ARE GIVING UP YOUR JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, UNLESS THOSE RIGHTS ARE SPECIFICALLY INCLUDED IN THE "ARBITRATION OF DISPUTES" PROVISION. IF YOU REFUSE TO SUBMIT TO ARBITRATION AFTER AGREEING TO THIS PROVISION, YOU MAY BE COMPELLED TO ARBITRATE UNDER THE AUTHORITY OF THE CALIFORNIA CODE OF CIVIL PROCEDURE. YOUR AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY.

7.8. Time of Essence. Time is of the essence of this Agreement and of the Escrow provided for herein. All periods of time referred to in this Agreement shall include all Saturdays, Sundays, and state or national holidays, unless the period of time specifies business days (and for purposes of this Agreement, "**business days**" do not include Saturdays, Sundays, and state and national holidays). If the date to perform any act or give any notice with respect to this Agreement falls on a Saturday, Sunday, or state or national holiday, the act or notice may be timely performed or given on the next succeeding business day.

7.9. Attorneys' Fees. In the event any of the parties shall commence legal proceedings for the purpose of enforcing any provision or condition hereof, or by reason of any breach arising under the provisions hereof, then the successful party in such proceeding shall be entitled to court costs and reasonable attorneys' fees to be determined by the Court or Arbitrator. Without limiting the generality of the foregoing: (a) the prevailing party shall be entitled to recover its reasonable attorneys' fees and other legal expenses incurred in connection with a bankruptcy or other insolvency-related proceeding of the other party (and including such fees and expenses incurred in efforts, whether successful or not, to obtain adequate protection, annulment, modification or termination of the automatic stay); and (b) the prevailing party shall be entitled, in addition to and separately from the amounts recoverable under clause "(a)," to the payment by the losing party of the prevailing party's reasonable attorneys' fees, court costs and litigation expenses incurred in connection with any appellate review of the judgment rendered or of any other ruling in such action or proceeding, and any proceeding to enforce a judgment in such action and proceeding. It is the intent of the parties that the provisions of clause "(b)" be distinct and severable from the other rights of the parties under this Agreement, shall survive the entry of judgment in any action or proceeding and shall not be merged into such judgment.

7.10. Integration. This Agreement and the Exhibits hereto contain the entire agreement of the parties hereto, and supersede any prior written or oral agreements between them concerning the subject matter contained herein, including, without limitation, any letters of intent or letters of interest between the parties. THERE ARE NO REPRESENTATIONS, AGREEMENTS, ARRANGEMENTS OR UNDERSTANDINGS, ORAL OR WRITTEN, RELATING TO THE SUBJECT MATTER WHICH ARE NOT FULLY EXPRESSED HEREIN.

7.11. Additional Documents. From time to time prior to and after the Close of Escrow, each party shall execute and deliver such instruments of transfer and other documents as may be reasonably requested by the other party to carry out the purpose and intent of this Agreement.

7.12. Dependency and Survival of Provisions. The respective warranties, representations, covenants, agreements, obligations and undertakings of each party hereunder

shall be construed as dependent upon and given in consideration of those of the other party and shall survive the Close of Escrow and delivery of the deed.

7.13. Risk of Loss; Possession. Risk of loss shall remain with Seller until Closing. Possession of the Property and the risk of loss shall pass to Buyer at Closing.

7.14. Condemnation. In the event that a substantial portion of the Property shall be taken in condemnation or under the right of eminent domain after the Effective Date, or in the event that a substantial portion of the Property is damaged or destroyed after the Effective Date, Buyer, may either: (a) terminate this Agreement; or (b) proceed to close this transaction, in which case Buyer shall be entitled to the entire portion of the award and/or insurance proceeds which are attributable to the Property acquired by Buyer. For purposes of this Agreement, condemnation or damage or destruction shall be deemed to affect a "substantial" portion of the Property if the same would reduce the number of lots in any village by more than 10%. Deductions required in connection with a subdivision map shall not be considered to be a taking or a threatened taking.

7.15. Counterparts; Facsimile and PDF Signatures. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but which together shall constitute a single document. Signatures transmitted by facsimile and signatures transmitted by e-mailing a "pdf" signature shall be binding; provided, however, that any person transmitting his or her signature by facsimile or e-mail shall promptly send an original signature to the other parties in accordance with Section 7.2.

EXHIBIT B**CITY OF RANCHO CORDOVA****CREDIT AGREEMENT
FOR PRIVATELY CONSTRUCTED PUBLIC FACILITIES**

This Agreement, dated as of the _____ day of _____, 2015, by and between the **City of Rancho Cordova**, a municipal corporation (the "City") and **Lennar Homes of California, Inc.** (the "Developer"),

RECITALS:

WHEREAS, on July 21, 2014 the City and Developer entered into a Second Amendment to the Development Agreement Relative to North Douglas (the "Second Amendment";

WHEREAS, pursuant to the terms of Section 11 of the Second Amendment, Developer is obligated to pay a Supplemental Traffic Impact Fee in the amount of \$850 at the time of the issuance of a building permit for each residential unit;

WHEREAS, pursuant to the terms of Section 12 of the Second Amendment, Developer agrees to provide the City an option to purchase Lot 70 in the amount of \$75,000 and make improvements to Lot 70 as agreed to by the City and Developer with such purchase and improvements paid for by the City through Supplemental Impact Fee credits;

NOW, THEREFORE, in consideration of the mutual promises contained herein, the City and the Developer hereby agree as follows:

Section 1. Project Scope

Subject to the terms of this Agreement, the City agrees to provide credits of funds to the Developer in an amount not to exceed **One Hundred Seventy-Six Thousand Eight Hundred Fifty Dollars (\$176,850)** for the purchase of Lot 70 in the North Douglas Subdivision as shown on **Figure 1** and the installation of the improvements as shown on **Figure 2** and listed in **Exhibit A** hereto (the "Improvements").

Section 2. Credit Amount

The City agrees to provide credits to Developer for purchase of Lot 70 and installation of the Improvements constructed by the Developer in an amount based on the lesser of:

- (a) the purchase price of \$75,000 and the actual engineering and construction cost of the improvements, and
- (b) an amount not to exceed \$176,850.

Section 3. Credit/Reimbursement Timing

- (a) **Credit Priority.** The credit toward Supplemental Traffic Impact Fees shall be equal to the credit allocation as authorized by the Public Works Director as specified in Section 2, upon approval of this agreement. Such fee credits shall be applied on building permits issued within the North Douglas Subdivision in **Figure 1**. Upon acceptance of the improvement and after reconciliation of the final improvement costs, credit balance may

be adjusted if the actual design and construction costs are less than the estimated \$72,000.

Fee credits granted to Developer pursuant to this Agreement may be transferred to other owners, builders, or developers subject to the payment of a Supplemental Traffic Impact Fee. To effect such a transfer, Developer shall submit a completed form to the City in substantially the same format as set forth in **Exhibit B** that will (i) reference this Agreement; (ii) identify the Developer and assignee if credits are being assigned to a builder or other party; (iii) identify the number of lots against which the credits will be applied; (iv) identify the fee credit balance before and after the transfer; and (v) include a map or other method that is acceptable to the City that identifies the lots or parcels against which the fee credits will be applied. The form must be signed by the Developer and the City, and an executed copy of the form shall be kept on file at the City.

Section 4. Process and Procedures

The Developer's construction contracts, construction work, and requests for credit relating to the Improvements shall be performed in conformance with the City's most current "Reimbursement Policies and Procedures for Privately Constructed Public Facilities" document, which is available from the City Engineer. The Developer shall be responsible for complying with all applicable laws, codes, and regulations relating to contracting and construction procedures for publicly funded public works projects.

Section 5. Limited City Obligation

The obligations arising from this Agreement are neither a debt of the City nor a legal or equitable pledge, charge, lien, or encumbrance upon any of its property or upon any of its income, receipts, or revenues, except the fees collected for the Improvements. Neither the General Fund nor any other fund of the City, except the applicable fund(s) associated with the Supplemental Traffic Impact Fee, shall be liable for the payment of any obligations arising from this Agreement. The credit or taxing power of the City is not pledged for the payment of any obligation arising from this Agreement. No Developer shall compel the forfeiture of any of the City's property to satisfy any obligations arising from this Agreement.

Section 6. Conveyance of the Improvements

Once Improvements are accepted and deemed satisfactory by the City, the Improvements automatically become the property of the City. The Developer shall take any and all actions necessary to convey to the City and vest in the City full, complete and clear title to the Improvements that the Developer has constructed.

Section 7. Delivery of Plans and Specifications

Prior to final acceptance of Improvements by the City, the constructing Developer shall deliver to the City copies of all plans, specifications, shop drawings, as-built plans, operating manuals, service manuals, warranties and other documents relating to the design, construction, installation, and operation of the Improvements.

Section 8. Liens, Claims, and Encumbrances

Prior to final acceptance of Improvements by the City, the constructing Developer shall provide a written guarantee and assurance to the City that there are no liens, claims, or encumbrances on those Improvements, together with unconditional final releases from all contractors and

material suppliers, and with copies of invoices and corresponding checks issued by the Developer for all items for which reimbursement is requested under this Agreement for the Improvements. Notwithstanding any other provision or term of this Agreement, the City shall have no obligation to make any reimbursement payments until the constructing Developer has cleared any and all liens, claims and encumbrances from the Improvements and provided the required documentation, guarantee and assurance in writing, to the satisfaction of the City.

Section 9. Warranty and Repair

- (a) Warranty. Each Developer hereby warrants the Improvements that it constructs as to materials and workmanship and, should any failure of those Improvements occur within a period of one (1) year after final acceptance thereof by the City, the Developer shall promptly cause the needed repairs to be made without cost to the City.
- (b) Repair. The City is hereby authorized to make such repairs if the constructing Developer fails to make or undertake with due diligence the aforesaid repairs within twenty (20) days after the City has given written notice of such failure. In case of emergency where, in the sole opinion of the City Engineer, delay would cause serious hazard to the public, the necessary repairs may be made or lights, signs and barricades erected, without prior notice to the Developer. In all cases of failure of Improvements within the warranty period where the City has taken action in accordance with this paragraph, the constructing Developer shall reimburse the City as appropriate for all costs, direct and indirect, incurred by the City.

Section 10. Indemnity

The Developer, by execution of this Agreement, specifically agrees to assume the defense of, indemnify, and hold harmless the City and its officers, employees, consultants, and agents (the "Indemnitees" from and against all liabilities, actions, damages, claims, losses or expenses of every type and description, including attorneys' and consultants' fees and expenses (collectively "Liabilities"), to which they may be subjected or put, by reason of, or resulting from, the acquisition or installation of the Improvements constructed by the Developer, except Liabilities arising from the sole negligence or willful misconduct of the City and/or the Indemnitees. This indemnification shall extend to Liabilities occurring after this Agreement is terminated as well as while it is in force.

Section 11. No Third Party Beneficiary

City does not assume any liability, duty or obligation to Developer's contractors, subcontractors or agents by execution or performance of this Agreement and no contractors, subcontractors, agents or any parties are third party beneficiaries of this Agreement.

Section 12. Attorney's Fee

If any suit, action or proceeding in law or equity is brought to enforce the provisions of this Agreement, the prevailing party shall be entitled to reasonable costs and attorneys' fees.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Senior Engineer

SUBJECT: RESOLUTIONS INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE LANDSCAPING AND LIGHTING DISTRICT NO. 2005-1 FOR FISCAL YEAR 2015-2016

RECOMMENDATION

That City Council adopts:

- a) Resolution No. 59-2015 Initiating Proceedings for the Annual Levy and Collection of Assessments for the Landscaping and Lighting District 2005-1 for Fiscal Year 2015-2016; and
- b) Resolution No. 60-2015 Preliminarily Approving the Engineer's Annual Levy Report and Declaring its Intention to Levy and Collect Annual Assessments for the Landscaping and Lighting District No. 2005-1 for Fiscal Year 2015-2016.

RESULT OF RECOMMENDED ACTION

The recommended actions are required as part of the process to continue the annual levy and collection of assessments in the District. The assessments fund landscape maintenance in the District. There are no new impacts to existing or new residents. No assessments shall increase as a result of this action.

BACKGROUND

The Landscaping and Lighting District No. 2005-1 (LLD 2005-1) was formed in June 2005 by the City Council to continue a financial mechanism to provide landscape maintenance services previously funded since 1994 in Zone 4 and Zone 5 of the Sacramento County Landscape Maintenance District (SLMD). The maximum assessment rates authorized under LLC 2005-1 are equal to the maximum rates previously authorized in Zones 4 and 5 of the County's District.

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the report and the levy of the annual assessment. **Resolution No. 59-2015, Attachment 1**, directs Willdan Financial Services to prepare and file the Engineer's Report.

In anticipation of this resolution, the Engineer's Report has been prepared and is on file with the City Clerk. The **Engineer's Report, Exhibit A, to Resolution 60-2015, Attachment 2**, includes a diagram of the assessment area, a description of the maintenance services to be

provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by LLD 2005-1 include ongoing maintenance, operation and servicing of landscaping and streetscape within the right-of-ways and other public areas within the District at the locations described in the Engineer's Report.

The proposed Fiscal Year 2015-2016 assessment rates do not exceed the rates previously levied by the County since 1994 and are equal to the rates levied by the City in Fiscal Year 2014-2015. The boundaries of each Zone are shown in the district diagram in Part IV of the Engineer's Report and the details for each Zone are listed below:

- Zone 1 of the District is comprised of ninety-seven (97) residential parcels in the Ellenwood subdivision. These parcels are assessed on per Parcel basis at the maximum rate of \$42.50 per parcel.
- Zone 2 of the District is comprised of one hundred fifty-nine (159) residential parcels known as California Jazz Unit No. 1 and Unit No. 2. These parcels are assessed on an acreage basis at the maximum rate of \$30.48 per acre for the median landscape and parkway landscape improvements associated with these parcels.
- Zone 3 of the District is comprised of eighteen (18) parcels along Zinfandel Drive between Data Drive and south of International Drive. These parcels are assessed on an acreage basis at the rate of \$1,413.24 per acre for the median landscape improvements within the District.
- Zone 4 is comprised of fifty-two (52) parcels, including a portion of Capital Village, generally bounded by White Rock Road to the west, White Rock Road and Disk Drive to the north, fronting Kilgore Drive to the East, and fronting International Drive to the south. These parcels are assessed at the maximum rate of \$30.48 per gross acre.
- Zone 4A is comprised of six hundred sixty-four (664) parcels which are a part of the development known as Capital Village. Zone 4A was created to account for overlapping boundaries with a Landscape Maintenance CFD (LMCFD) formed by the City. The CFD will provide supplemental funding for landscape improvements within and adjacent to the development, including some median landscaping identified herein. Zone 4A shall be assessed at the maximum rate of \$30.48 per gross acre. Any supplemental funds generated by LMCFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

The Fiscal Year 2015-2016 total assessment is estimated at \$91,593. The District has an established Operating Reserve which provides funding for the operations and maintenance of the District, as well as providing financing for emergency expenditures. A second reserve fund finances special projects such as a central irrigation system, revegetation projects, and other rehabilitation projects or replacements of District improvements.

In July 2006, the County transferred funds previously collected in the County's Zone 4 and 5 to the City, which was deposited to the LLD 2005-1. The City had previously deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Funds from the undesignated reserve can be used to fund costs of any zone(s) that are unable to be funded by the annual assessments.

In order to proceed with the levy of assessments after consideration and approval of the Engineer's Report, it is appropriate for the Council to adopt **Resolution No. 60-2015, Attachment 2**, which declares the Council's intention to levy assessments for Fiscal Year 2015-2016. It also sets July 6, 2015 at 5:30 p.m. or as soon thereafter as possible, as the date and time for a public hearing on the issue of the levy of Fiscal Year 2015-2016 assessments. Notice of the public hearing will be given by publication.

INTRODUCTION

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIII D (hereafter referred to as the "California Constitution"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance of the special assessment district designated as:

Landscaping and Lighting District No. 2005-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance and operation of landscaping and lighting improvements within the District.

These improvements have previously been provided and administered by the County of Sacramento (the "County") as part of the Sacramento Landscape Maintenance District (hereafter referred to as "SLMD"). Commencing with fiscal year 2005/2006, the City conducted property owner protest ballot proceedings and confirmed the assessments described herein at which time the maintenance and operation of the improvements became the responsibility of the City with the City Council acting as the legislative body of the District. The City Council proposes to continue the levy and collection of annual assessments through the County tax rolls to provide ongoing funding for the costs and expenses required to service and maintain the District improvements.

This Engineer's Report (hereafter referred to as "Report") has been prepared in connection with the annual administration of said District and the levy and collection of annual assessments related thereto for fiscal year 2015/16, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the proposed assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The annual assessments will provide a continued funding source for the ongoing operation and maintenance of public landscaping and lighting improvements associated with the properties within the District.

The improvements and assessments described in this Report are based on the improvements and assessments previously established by the County for SLMD Zone 4 and Zone 5 and represent an estimate of the direct expenditures, incidental expenses, and fund balances associated with the maintenance and servicing of those improvements. The structure of the District (organization), the

improvements, the method of apportionment, and assessments described herein have been established to continue the maintenance of the existing improvements and assessments previously established by the County as outlined in the District's Fiscal Year 2005/2006 Engineer's Report.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the County Assessor's Office. The County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

In fiscal year 2005/2006, as part of the District formation to continue the assessments previously levied by the County as part of the SLMD Zone 4 and Zone 5 for properties within the boundary of the City, the City conducted a Property Owner Protest Ballot proceeding for the District assessments pursuant to the provisions of the *California Constitution, Article XIID Section 4*. In conjunction with this ballot proceeding, the City Council also conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and levy of maximum assessments. Upon conclusion of the public hearing, property owner protest ballots received were opened and tabulated to determine whether majority protest existed (ballots were weighted based upon the assessment amounts), and by resolution the City Council confirmed the results of the ballot tabulation. Tabulation of the ballots indicated that a majority protest did not exist for the continuation and transfer of assessments as presented and described in the fiscal year 2005/2006 Engineer's Report. The City Council approved the report, ordered the formation of the District, and approved the levy and collection of FY 2005/2006 assessments. The FY 2005/2006 assessments were then submitted to the Sacramento County Auditor/Controller for inclusion on the property tax roll for each parcel.

For fiscal year 2015/16, this Report has been prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed budget and assessments for this fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments. Should the proposed annual assessments for the District or portion thereof, exceed the maximum assessments described herein (as approved by the property owners), the new or increased assessment must be confirmed through another property owner protest ballot proceeding before the new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A description of the District boundaries and the proposed improvements associated with the District. The District was formed with four (4) benefit zones encompassing all lots and parcels of land within the boundaries of the City. The territory within the District had previously been assessed through Zone 4 and Zone 5 of the SLMD in fiscal year 2004/2005. The District was first assessed in fiscal year 2005/2006.

Part II

The Method of Apportionment: A discussion of benefits the improvements and services provide to properties within the District and the method of calculating each property's proportional special benefit and annual assessment.

Part III

The District Budget: An estimate of the annual costs to operate, maintain and service the District's landscaping and lighting improvements and facilities. The special benefit assessments are based on the overall operation costs minus any costs that are considered general benefit. The proposed budget includes the anticipated costs for operating, maintaining and servicing the District improvements for fiscal year 2015/16, including any funds necessary to perform maintenance activities that cannot be reasonably collected in a single fiscal year to establish the proposed assessments for that year. Should the proposed assessments exceed the assessments described herein, property owner ballot proceedings shall be conducted to approve such an increase before the increase may be imposed.

Part IV

District Diagram: A Diagram showing the exterior boundaries of the District and the Zones therein is provided in this Report and includes the parcels that receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District, are inclusive of all parcels as shown on the County Assessor's Parcel Maps as they existed at the time of the passage of the Resolution of Intention, and shall include all subsequent subdivisions, lot line adjustments or parcel changes therein. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District.

Part V

Assessment Roll: A listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment.

Part I — PLANS AND SPECIFICATIONS

A. Description of the District

The territory within the District consists of the lots and parcels of land that in fiscal year 2004/2005 were both within the City and within a portion of Zone 4 and all of Zone 5 of the Sacramento Landscape Maintenance District ("SLMD"). Said territory encompasses an area of land totaling approximately five hundred twelve acres (512 acres) that is centrally located within the City, generally south of Highway 50 and north of the City limits. Refer to the Budget Section for the current number of parcels within each Zone.

- **Zone 1:** That portion of the previous SLMD Zone 4, which at the time of the formation of the District included a total of ninety-seven (97) assessable parcels within the residential subdivision known as Ellenwood Court located south of Ellenwood Avenue. Upon formation of the District, this area was designated as Zone 1 to reflect the special benefit these parcels receive from the District improvements associated with the development located on the south side of Ellenwood Avenue.
- **Zones 2, 3 and 4:** The parcels within previous SLMD Zone 5, which at the time of the formation of the District included a total of six hundred eighty-six (686) assessable parcels generally located south of the American River, east of Mather Field Road and in close proximity to Zinfandel Drive and International Drive. Upon formation of the District, this area was designated as Zones 2, 3, and 4 and are described as follows:

Zone 2 included the one hundred fifty-four (154) assessable parcels within the residential subdivision known as California Jazz Units 1 & 2 generally located east of Data Drive, north of Reserve Drive, south of Capital Center Drive and west of International Drive.

Zone 3 included the eight (8) assessable parcels located on either side of Zinfandel Drive from Data Drive to the southern boundary of the District (approximately 700 feet south of International Drive).

Zone 4 included the remaining parcels that were previously included in SLMD Zone 5 that were not designated as either Zone 2 or Zone 3 of the District. This Zone includes parcels along Data Drive, International Drive, Capital Center Drive, White Rock Road, Quality Drive, Disk Drive, Prospect Park

Drive and Kilgore Road.

Zone 4A is the portion of Zone 4 that also lies within the City's Community Facilities District No. 2005-2 ("CFD 2005-2"). Zone 1 of CFD 2005-2 was established to fund, to the extent that funds from CFD 2005-2 are available, maintenance of landscape improvements of the residential subdivision development known as Capital Village. These landscape improvements were installed along the subdivision's rights-of-way and within the median(s) adjacent to the development. The funds from Zone 1 of CFD 2005-2, to the extent available, shall offset all or a portion of the costs within Zone 4A.

B. Description of Improvements and Services

Landscape Improvements

The purpose of this District is to ensure the ongoing maintenance, operation and servicing of local landscaping and street lighting improvements within the District (improvements that had been previously funded through annual assessments from the SLMD). The improvements may consist of all or a portion of the public landscaped areas, street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting and landscape improvements including but not limited to parkways, medians and other designated easements, right-of-ways or public areas within the District. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

- **Zone 1:** Streetscape (parkway) landscaping along the South side of Ellenwood Avenue east of Routier Road that is within the public right-of-ways or easements dedicated to the City for maintenance. The costs and special benefits of these improvements are shared equally by only the assessable properties within Zone 1 of the District.
- **Zone 2:** Streetscape (parkway) landscaping surrounding and adjacent to the California Jazz subdivision on the north side of Reserve Drive from Data Drive to International Drive; the east side of Data Drive from Reserve Drive north to the end of the subdivision; the west side of Capital Center Drive from International Drive north to the end of the subdivision; and the north side of International Drive from Reserve Drive to Capital Center Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 2 of the District.

- **Zone 3:** Streetscape (parkway) landscaping on both sides of Zinfandel Drive between International Drive and Data Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 3 of the District.
- **Zones 2, 3, 4 and 4A:** All median landscape improvements within the District located on International Drive from approximately 570 feet westerly of Data Drive to Kilgore Road and on Zinfandel Drive from Data Drive to International Drive. The costs and special benefits of these improvements are proportionately shared by all the properties within Zone 2, 3, 4 and 4A of the District.

Specifically not included as District improvements are those improvements located on private property, improvements and facilities that may be provided or maintained by an agency other than the City; improvements and facilities that may be provided by another assessment or tax levied by the City or County and any improvement provided and maintained by a Homeowner's Association or similar entity.

Detailed descriptions of the location and extent of the specific improvements to be maintained by the District are on file with the City and by reference are made part of this Report. The net annual cost to provide and maintain the improvements determined to be of special benefit shall be allocated to each property in proportion to the special benefits received.

The landscape improvements for the District may include, but are not limited to turf, ground cover, shrubs and plants, trees, irrigation and drainage systems, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments, and associated appurtenant facilities located within the landscape easements or public right-of-ways. Specifically the landscape improvement areas for this District generally consist of the following:

- Approximately 9,600 square feet of streetscape (parkway) landscaping and 34 trees within the public right-of-ways located on the south side of Ellenwood Avenue.
- Approximately 11,000 square feet of turf, 28,455 square feet of streetscape (parkway) landscaping including 110 trees, located on the north side of Reserve Drive from Data Drive to International Drive; east side of Data Drive, from Reserve Drive north to end of California Jazz tract Unit No. 1; west side of Capital Center Drive, from International Drive north to the end of California Jazz Tract Unit No. 2; and north side of International Drive, from Reserve Drive to Capital Center Drive.

- Approximately 19,400 square feet of turf, 11,500 of streetscape (parkway) landscaping including 57 trees, located on the west side of Zinfandel Drive, south of International Drive.

Public Lighting Improvements

Lighting facilities that may be located within the landscaped areas including safety lights, security lights or ornamental lights installed as part of the landscape improvements are budgeted as part of the landscape maintenance costs.

The lighting improvements may include but shall not be limited to the cost of providing electrical energy and servicing of lighting fixtures, poles, meters, conduits, electrical cable and associated appurtenant facilities associated with the street lighting, safety lighting and/or traffic signals within the District including public lighting facilities on designated arterial and collector streets as well as lighting facilities within residential subdivisions or public areas such as parks. The cost of such improvements shall be allocated based on the proportional special benefits properties receive from these improvements.

- e) Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- f) Costs associated with any elections held for the approval of a new or increased assessment.

Part II — METHOD OF APPORTIONMENT

A. General

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”;

Article XIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public

improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

The method of apportionment described in this Report for allocation of special benefit assessments utilizes commonly accepted engineering practices and have been established pursuant to the 1972 Act and the provisions of the California Constitution. The formulas used for calculating assessments reflects the composition of parcels within the District and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

B. Benefit Analysis

Each of the proposed improvements, the associated costs and assessments have been carefully reviewed, identified, and allocated based on special benefit pursuant to the provisions of the California Constitution and 1972 Act.

The improvements provided by the District and for which properties will be assessed have been identified as necessary, required and/or desired for the development of properties within the District and as such, the ongoing operation, servicing and maintenance of these improvements would be the financial obligation of the parcels within the District. Therefore, the improvements and the annual costs of ensuring the maintenance and operation of the improvements are a distinct and special benefit to the properties within the District. Any improvement or portion thereof that is considered to be of general benefit shall be funded by other revenue sources and not included as part of the special benefit assessments allocated to properties within the District.

Special Benefit

The method of apportionment (method of assessment) established herein is based on the premise that each assessed parcel within the District receives special benefits from specific improvements and the desirability and security of those properties is enhanced by the presence of well-maintained improvements in close proximity to those properties.

The special benefits associated with landscape improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.

- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the District resulting from well-maintained improvements associated with the properties.
- Enhanced quality of life through well-maintained green space and landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The special benefits of street lighting and other public lighting facilities are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on roads, streets and public areas.
- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal act and damage to improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.

All of the preceding factors contribute to a specific enhancement and desirability of each of the assessed parcels within the District and thereby provide special benefits to the properties. Furthermore, it has been determined that the lack of funding to properly service and maintain the District improvements could have a negative impact on the properties within the District.

General Benefit

In reviewing each of the District improvements, the proximity of those improvements to both properties within the District and those outside the District as well as the reasons for installing and constructing such improvements, it is evident that the improvements are solely for the benefit of properties within the District and the ongoing maintenance and

operation of the improvements will directly affect the properties within the District. Although the improvements include public areas, easements, right-of-ways and other amenities available or visible to the public at large, the construction and installation of these improvements were only in direct benefit to the properties within the District and were not required nor necessarily desired by any properties or developments outside the District boundary and any public access or use of the improvements by others is incidental. Therefore, it has been determined that the improvements and the ongoing maintenance, servicing and operation of those improvements provide no measurable general benefit to properties outside the District or to the public at large, but clearly provide distinct and special benefits to properties within the District.

C. Assessment Methodology

The method of apportionment for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the District. The special benefit received by each lot or parcel is equated to the overall land use of parcels within the District based on the parcel's actual land use or proposed development.

All costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with the California Constitution, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

At the time that the District was being formed and to identify and determine the special benefit to be received by each parcel and their proportionate share of the improvement costs, it was necessary to consider the entire scope of improvements to be maintained by the District, as well as individual property development within the District. Upon review of the improvements to be maintained, it was determined that four (4) distinct areas benefit differently from the improvements within the District and therefore the landscape maintenance and assessments were established as four (4) benefit zones for the allocation of the assessments and proportional special benefit, as described below. Although a portion of Zone 4 was designated as Zone 4A in fiscal year 2007/08, as discussed below, Zones 4 and 4A remain as one benefit zone and are assessed at the same maximum rate.

Zones and Assessments:

Zone 1, upon formation of the District, was comprised of one hundred five (105) parcels that were previously part of the SLMD Zone 4. At that time, ninety-seven (97) of these parcels were residential properties and were assessed on a per parcel basis at the pre-existing rate of \$42.50 per parcel. Ninety-seven (97) parcels are currently being assessed within Zone 1.

Zone 2, upon formation of the District, was comprised of one hundred fifty-nine (159) parcels that were previously part of SLMD Zone 5 and are part of the residential developments known as California Jazz Unit No.1 and Unit No. 2. At that time, one hundred fifty four (154) of these parcels were assessed as residential properties on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements and parkway landscape improvements associated with these parcels. One hundred fifty four (154) parcels are currently being assessed within Zone 2.

Zone 3, upon formation of the District, was comprised of eight (8) parcels, all of which were assessable, that were previously part of SLMD Zone 5. These parcels were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscaping and \$1,382.76 per acre for the landscaping along the parkways of Zinfandel Drive, totaling \$1,413.24 per acre. Eighteen (18) parcels are currently being assessed within Zone 3.

Zone 4, upon formation of the District, was comprised of seventy (70) parcels that were previously part of the SLMD Zone 5 that were not included as part of this District's Zone 2 or 3. At that time, sixty three (63) of these parcels were non-exempt and were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements within the District. Fifty-two (52) parcels are currently being assessed within Zone 4.

Zone 4A, a portion of Zone 4 was redesignated as Zone 4A commencing with the fiscal year 2007/08 levy to account for the Zone 4A parcels lying within with a portion of CFD 2005-2; the Zone 4 parcels are outside of the CFD 2005-2 boundaries. At that time, Zone 4A consisted of five hundred seven (507) parcels, four hundred sixty two (462) of which were assessable. Since the CFD 2005-2 Zone 1, special taxes are to be levied upon Zone 4A parcels, these special taxes are contributed in part to the District for the benefit of Zone 4A. Zone 1 of the CFD provides funding for landscape improvements within and adjacent to the development, including the median landscaping identified herein. Although the CFD may fund median landscaping, the special taxes levied within Capital Village may not provide sufficient funds to maintain both the landscape improvements within the Capital Village development and the median

landscape improvements within the District that specially benefit the parcels within Zone 4A. Therefore, the six hundred sixty four (664) non-exempt parcels currently within Zone 4A will continue to be assessed up to \$30.48 per gross acre until such time that the CFD generates sufficient revenue to fund the median landscape improvements. Any funds generated by the CFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

Exempt Parcels — Properties within the District that are not assessed for special benefit include but is not limited to:

- Lots or parcels identified as public streets and other roadways (typically not assigned an APN by the County);
- Dedicated public easements including open space areas, utility rights-of-way, greenbelts, parkways, parks or other publicly owned properties that are part of the District improvements or may provide other benefits to private properties within the District;
- Private properties that cannot be developed independently from an adjacent property, such as common areas, sliver parcels or bifurcated lots or properties with very restrictive development use;

These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment, but shall be reviewed annually by the assessment engineer to confirm the parcels current development status. Government owned properties or public properties are not necessarily exempt properties and shall be subject to special benefit assessment unless it qualifies for an exempt status.

Special Cases — In many districts where multiple land uses and zones exist, the typical property classification and assessment methodology does not accurately identify the special benefits received from the improvements for each and every parcel. For example, in some cases, only a small percentage of the parcel's total acreage can actually be developed. In this case, an appropriate calculation would be based on the net acreage that can be utilized rather than the gross acreage of the parcel. These special circumstances will be reviewed annually by the assessment engineer.

Part III — DISTRICT BUDGET

A. Budget

The Maximum Assessment per Parcel or Acre shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The budget within this report identifies the cost to maintain the improvements within each specified Zone of the District.

Each zone within the District maintains two separate reserves, one is utilized for Working Capital purposes (the "Operating Reserve") and the other for longer-term projects (the "Special Projects Reserve"). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve for each zone is limited by Streets and Highways Code 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County. The City has determined that all budgeted costs as presented in this Report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the of Streets and Highways Code 22569.

The Special Projects Reserve can be used to finance the Central Irrigation System (CIS) project and re-vegetation projects, as well as other rehabilitation projects, repairs or replacements of District improvements. The District also holds an undesignated reserve, which represents the balance of the funds transferred from Sacramento County to the City when the authority for the District passed from County control to that of the City. At that time, the City deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Accordingly, funds from the Undesignated Reserve shall be transferred to fund the costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone.

B. Description of Budget Items

Description of the terms used in the preceding Budget, Assessment Rates and Reserve Balance tables are listed below:

MAINTENANCE AND OPERATION (DIRECT COSTS)

Contract Maintenance - Landscaping – Includes all regularly scheduled contract labor, materials, supplies and equipment required to properly maintain and ensure the satisfactory condition or maintenance of all landscaping improvements, irrigation and related drainage systems, as well as maintenance of appurtenant facilities (the “improvements”).

Utilities (Water/Electricity) – Landscaping - The furnishing of water and electricity required for the operation and maintenance of the landscaping related improvements.

Utilities (Electricity) – Lighting - The furnishing electricity required for the operation of the lighting improvements.

Periodic Repair/Rehabilitation – Landscaping – Expected costs for repair, replacement, installation or planned upgrades of District landscaping improvements.

Periodic Repair/Rehabilitation – Lighting – Expected costs for repair, replacement, installation or planned upgrades of District lighting improvements. If zero, this line item may not be shown in the budget.

Special Project Expenditures – Expected costs for installation, replacement or planned upgrades of District landscaping or lighting improvements for the current year that were previously funded or accumulated in the Special Projects Reserve. The Special Projects Reserve is used to accumulate funds for costs associated with the future rehabilitation, repair or replacement of these District improvements that cannot be conveniently raised from a single year's assessment. If zero, this line item may not be shown in the budget.

ADMINISTRATION COSTS

District Administration – Estimated costs incurred by the City in preparation of the annual budget and the preparation, review, posting and / or publishing of documents and notices required for City Council action to approve the annual assessments. These costs also include contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts and the preparation of the Engineer's Report.

Contract Administration – Estimated costs to coordinate and oversee the maintenance contracts and overall repair, maintenance and replacements of the District Improvements.

County Collection Fees – The fee charged to the District by the County for placing assessments on property tax bills.

Other Administration Expenses – Administration expenses not included above, including the cost to publish public notices required for City Council action relating to the District. If zero, this line item may not be shown in the budget.

TOTAL COSTS – The total expected costs of the District.

ADJUSTMENTS AFFECTING LEVY AMOUNT

Replenishment/(Use) of Operating Reserve – A "Replenishment" increases the levy in order to replenish the Operating Reserve. On the other hand, a "Use" of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided in the following pages of this Section.

Contribution to/(Use of) Special Projects Reserve — A "Contribution" increases the levy in order to generate funding for the Special Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation projects or replacements in future years. On the other hand, a "Use of" of the Special Projects Reserve provides current year funding of rehabilitation projects or replacements from available funds within the Special Projects Reserve. In the event that the expenditure of a current year special project is funded entirely by a collection from the current fiscal year levy and / or a transfer from

the Undesignated Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the budget. Further information regarding the function of the Special Projects Reserve is provided in the following pages of this Section.

Undesignated Reserve Fund Transfer - A transfer of undesignated reserve funds provides current year funding for one or more Zones that are unable to be adequately funded by a Zone's annual assessments. Further information regarding the undesignated reserve can be found in the first page of the Budget Section.

Revenues from Other Sources – These amounts represent contributions from CFD No. 2005-2; only affects Zone 4A. This relationship is more fully described in the previous sections of this report.

Rounding Adjustment – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

BALANCE TO LEVY - This is the total amount to be levied and collected through assessments for the current fiscal year for each zone. The Balance to Levy represents the sum of the total District costs together with any applicable adjustments to the budget as described above.

DISTRICT STATISTICS & ASSESSMENT RATES

Number of Assessable Parcels - The total number of parcels within each Zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-ways or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements, due possibly to development restrictions.

Assessable Acreage - The total assessable acreage within each Zones at are expected to be assessed on an acreage basis for the current fiscal year.

Applied Rate per Parcel - The assessment rates to be applied each non-exempt parcel within the Zone for the current fiscal year.

Applied Rate per Acre - The assessment rate per acre to be applied

each non-exempt parcel within the respective Zone for the current fiscal year.

Maximum Rate per Parcel - The maximum assessment rate that can be assessed to each non-exempt parcel within the respective Zone for the current fiscal year.

Maximum Rate per Acre - The maximum assessment rate per acre that can be assessed to each non-exempt parcel within the respective Zone for the current fiscal year.

Potential Maximum Assessment – The total amount that can be assessed to all parcels within each Zone for the current fiscal year based upon the expected number of assessable units and acres using the maximum assessment rates.

UNDESIGNATED RESERVE FUND BALANCE

Beginning Undesignated Reserve Balance 7-1-2015 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations, of the Undesignated Reserve. This reserve is undesignated; therefore, funds from the Undesignated Reserve may be used to fund costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone. Further information regarding the Undesignated Reserve can be found in the first page of the Budget Section.

Funding of Expenses in Excess of Assessments (est.) – The amounts expected to be transferred from the Undesignated Reserve to fund FY 2015/16 expenses. Funds from the Undesignated Reserve may be transferred to fund the costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone.

Ending Undesignated Reserve Balance 6-30-2016 (est.) - The anticipated ending balance of cash and receivables, net of any unpaid prior year obligations, of the Undesignated Reserve.

OPERATING RESERVE BALANCES

Beginning Reserve Balance 7-1-2015 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations for each Zone. These beginning balances shall be used to fund each Zone's expenditures from July 1, 2015 to December 31, 2015, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

Add: Collect from FY 15/16 Levy – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from the period of July 1, 2015 (the beginning of the Fiscal Year) through December 31, 2015. If zero, this line item may not be shown in the budget.

Less: Use for FY 15/16 Expenses – The amount of the Operating Reserve to be used to fund FY 15/16 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected District costs for the period of July 1, 2015 (the beginning of the Fiscal Year) through December 31, 2015. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Special Projects Reserve — The amount of Operating Reserve monies to be transferred to or from the Special Projects Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2016 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) for each Zone as of June 30, 2016. The size of each Zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from

the County, which is estimated to be December 31. Therefore, each Zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

SPECIAL PROJECTS RESERVE BALANCES

Beginning Reserve Balance 7-1-2015 (est.) — The projected balance of funds in the Special Projects Reserve as of July 1, 2015. Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Add: Collect from FY 15/16 Levy — This amount is added to the levy to accumulate funding of future year rehabilitation projects, replacements, repairs, restorations or upgrades of District improvements. This line may show a portion of funds transferred from the Undesignated Reserve to fund a current year special project. If zero, this line item may not be shown in the budget.

Less: Use for FY 15/16 Special Projects — The amount of Special Projects Reserve monies expected to be expended for Special Projects to fund the costs of installation, replacement or planned upgrades of District improvements for the current year. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Operating Reserve — The amount of Special Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2016 (est.) - The projected balance of funds in the Special Projects Reserve as of June 30, 2016. These funds shall be use to provide for future year rehabilitation projects, replacements, restorations or upgrades of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Special Projects Reserve or related activity, the Special Projects Reserve information may not be presented in the Report.

C. Special Projects Reserve – Capital Improvement Plan

Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Therefore, a five year Capital Improvement Plan is shown below for the rehabilitation, restoration, repair and/or replacement of District improvements and other allowable costs for each Zone projecting an ending Special Projects Reserve balance:

Zone 3:

- Upgrades to irrigation system; replacement and/or enhancement of landscape improvements: \$12,000 in FY 2015/16, \$40,000 in FY 2016/17, \$40,000 in FY 2017/18 and \$25,000 in each of FYs 2018/19 and 2019/20.
- Upgrades related to drought resistant landscaping: \$25,000 in FY 2015/16, \$25,000 in FY 2016/17 and \$15,500 in each of FYs 2017/18, 2018/19 and 2019/20.
- Projected costs to reorganize district, including costs of re-engineering and balloting: \$25,330 in each of FYs 2017/18 and 2018/19 for Zone 3's share of costs.

Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

Part IV — DISTRICT DIAGRAM

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as "Boundary Map of Landscaping and Lighting District No. 2005-1."

The following Boundary Map displays the exterior boundaries of the District, as well as the zones of benefit within the District, which was based upon both the County Assessor's Maps and County Assessor's information and identifies all the parcels of land as the same existed at the time that the District was formed. The combination of these diagrams and the Assessment Roll contained in this Report constitute the Assessment Diagram for this District.

Part V — ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on the Assessment Diagrams presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

Non-assessable lots or parcels may include, but are not limited to public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas, right-of-ways, common areas; landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed or has little or no value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this Report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein:

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Member:

FROM: Elizabeth Sparkman, Senior Engineer

SUBJECT: **RESOLUTIONS INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING DISTRICT NO. 2012-1 FOR FISCAL YEAR 2015-2016**

RECOMMENDATION

That City Council adopts:

- a) Resolution No. 65-2015 Initiating Proceedings for the Annual Levy and Collection of Assessments for the Rancho Cordova Lighting District No. 2012-1 for Fiscal Year 2015-2016; and
- b) Resolution No. 66-2015 Preliminarily Approving the Engineer's Annual Levy Report and Declaring its Intention to Levy and Collect Annual Assessments for the Rancho Cordova Lighting District No. 2012-1 for Fiscal Year 2015-2016.

RESULT OF RECOMMENDED ACTION

The recommended actions are required as part of the process to continue the annual levy and collection of assessments for the Rancho Cordova Lighting District No. 2012-1 (the "District"). The assessments fund street lights and safety lights in the District. There are no new impacts to existing or new residents. No assessment rates shall increase as a result of this action.

BACKGROUND

County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. From 1987 to 1996, the Board adjusted the annual assessment rates to account for fluctuations in operating and maintenance costs, which generally allowed for higher levels of service. The passage of Proposition 218 in 1996 capped the assessment rates and removed the Board's discretion to approve future rate increases. Since that time, the Board of Supervisors approved the creation of separate zones within CSA 1 for the Cities of Citrus Heights, Elk Grove and Rancho Cordova allowing the cities and the County to supplement CSA 1 revenues specific to those areas; Zone 2 of CSA 1 encompassed all of the City of Rancho Cordova. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005), Citrus Heights (June 2006) from CSA 1 and Rancho Cordova (June 2012).

The City of Rancho Cordova has been administering the District since the FY 2012-2013 annual levy.

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessment. **Resolution No. 65-2015, Attachment 1**, directs Willdan Financial Services to prepare and file the Engineer's Report.

In anticipation of this resolution, the Engineer's Report has been prepared and is on file with the City Clerk. The **Engineer's Report, Exhibit A to Resolution 66-2015, Attachment 2**, includes a diagram of the assessment area, a description of the improvements and the operation and maintenance to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by RCLD 2012-1 include ongoing maintenance, operation and servicing of street lights and safety lights within the right-of-ways and other public areas within the District as described in the Engineer's Report. The proposed Fiscal Year 2015-2016 assessment rates are equal to the rates previously levied by the City in Fiscal Year 2014-2015.

The Fiscal Year 2015-2016 total assessment is estimated at \$357,299. The District has established an Operating Reserve which provides funding for the operations and maintenance of the District Improvements, as well as providing financing for emergency expenditures. A Capital Projects Reserve has been established to fund replacements and upgrades of the District Improvements.

In September 2014, the City of Rancho Cordova completed the retrofit of all existing street lights located within the Rancho Cordova Lighting District (RCLD) with new LED street lights. The project was funded from a 1% interest loan from the California Energy Commission (CEC). This project is expected to significantly reduce electricity and maintenance costs. The electrical and maintenance savings will be used to pay back the loan from the energy commission. The RCLD has historically been underfunded and has been supplemented by Measure A Maintenance funds. Once the CEC loan is paid off in Fiscal Year 2028, the District is projected to generate sufficient revenues to build a reserve to cover the costs of the replacement of the LED street light heads when they need to be replaced in 20 years.

In order to proceed with the levy of assessments after consideration and approval of the Engineer's Report, it is appropriate for the Council to adopt **Resolution No. 66-2015, Attachment 2**, which declares the Council's intention to levy assessments for Fiscal Year 2015-2016. It also sets July 6, 2015 at 5:30 p.m., or as soon thereafter as possible, as the date and time for a public hearing on the issue of the levy of Fiscal Year 2015-2016 assessments. Notice of the public hearing will be given by publication.

INTRODUCTION

Pursuant to the provisions of the Landscape and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance and operation of a special benefit assessment district designated as:

Rancho Cordova Lighting District No. 2012-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance, servicing and operation of public lighting improvements (safety lights and street lights) within the City that had been administered by the County of Sacramento as Zone 2 of County Service Area 1 (CSA 1) until the FY 2012/2013 levy.

Prior to the formation of the District, the detachment of those portions of CSA 1 lying within the City limits was approved, resulting in the transfer of the responsibility of the servicing of CSA 1 improvements and related administration to the City. Commencing with the FY 2012/2013 levy, the City Council formed the District in order to provide ongoing funding for the costs and expenses required to service and maintain the safety light and street light improvements for the benefiting lots and parcels of land within the boundaries of the District.

County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. Since the establishment of CSA 1, the cities of Citrus Heights, Elk Grove and Rancho Cordova have been incorporated and in July 2005, the Board of Supervisors approved the creation of zones within CSA 1. The creation of these zones allowed the incorporated cities and the County to supplement CSA 1 revenues specific to those areas. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005) and Citrus Heights (June 2006) from CSA 1 and Rancho Cordova (June 2012).

This Engineer's Report (hereafter referred to as "Report") has been prepared in connection with the levy and collection of annual assessments related thereto for FY 2015/16, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The formation of this District and the annual assessments will provide a continued funding source for the City to fund, in part, the ongoing maintenance, servicing and operation, of the safety lights and street lights that provide special benefits to the properties within the District.

The improvements and assessments described in the FY 2012/2013 Engineer's Report (hereafter referred to as the "Formation Report") were based on the improvements and assessments previously established by the County of Sacramento for CSA 1 Zone 2 and the assessment revenues will be used to fund, in part, the annual direct expenditures and incidental expenses associated with the maintenance and servicing of the District's improvements. The formation of the District, the structure of the District (organization), the improvements, the method of apportionment, and assessments described in the Formation Report have been established to continue the maintenance of the existing improvements and assessments

previously established by the County of Sacramento for CSA 1 and as such are not considered to be new or increased assessments under the provisions of the California Constitution Article XIIID.

As part of the District formation to continue the assessments previously levied by the County of Sacramento as part of CSA 1, in addition to the proceedings conducted the Local Agency Formation Commission (LAFCO) for the detachment of the City of Rancho Cordova from CSA 1, the Rancho Cordova City Council conducted a noticed public hearing pursuant to the provisions of the 1972 Act to consider public testimonies, comments and written protests regarding the formation of the District and levy of assessments.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

Each subsequent fiscal year, an Engineer's Report shall be prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed budget and assessments for that fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments for that fiscal year. If in any year, the proposed annual assessments for the District exceed the assessments described herein, such an assessment would be considered a new or increased assessment and must be confirmed through property owner protest ballot proceeding before that new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A description of the District boundaries and the proposed improvements associated with the District. The District has two (2) designated benefit zones that collectively encompass all lots and parcels of land within the boundaries of the District. The two benefit zones are designated as "Safety Light Only" Zone, which includes those lots and parcels of land within the District that are associated and benefit from only safety light improvements; and "Safety Light and Street Light" Zone, which includes those lots and parcels of land within the District that are associated and benefit from both safety light improvements and local street light improvements.

Part II

Method of Apportionment: A discussion of benefits the improvements and services provide to properties within the District and the method of calculating each property's proportional special benefit and annual assessment.

Part III

District Budget: An estimate of the annual costs to service, maintain and operate the safety light and street light improvements and appurtenant facilities within the District. This budget includes an estimate of direct operational costs (energy and maintenance costs), anticipated repair and replacement of the existing facilities and incidental expenses authorized by the 1972 Act such as administration expenses and collection of appropriate fund balances.

Part IV

District Diagram: A diagram showing the exterior boundaries of the District, and the Zones therein at the time of the formation of the District, is provided herein and includes all parcels that receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District, are inclusive of all parcels as shown on the Sacramento County Assessor's Parcel Maps, as they existed at the time this Report was prepared and shall include all subsequent subdivisions, lot-line adjustments or parcel changes therein. Reference is hereby made to the Sacramento County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District.

Part V

Assessment Roll: A listing of the proposed assessment amount for each parcel based on the parcel's proportional special benefit as outlined in the method of apportionment. These assessment amounts represent the assessments proposed to be levied and collected on the County Tax Rolls for fiscal year 2015/16.

PART I — PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of all lots and parcels of land within the boundaries of the City of Rancho Cordova that in fiscal year 2011/2012, were considered to lie within CSA 1 Zone 2. Within these boundaries, parcels are identified and grouped into one of two designated benefit zones based on the special benefits properties receive from the District improvements, namely Safety Lights Only or Safety Lights and Street Lights. The two Zones within the District and the benefits associated with the properties therein are described in more detail in Part II (Method of Apportionment) of this Report. In addition, the District Diagram in Section IV of the Report provides a visual representation of the District showing the exterior boundaries of the District.

Improvements and Services

Improvements and Services Authorized by the 1972 Act

As generally defined by the 1972 Act and may be applicable to this District, the improvements and associated assessments may include one or more of the following:

- The installation or construction of public lighting facilities including, but not limited to street lights, safety lights and traffic signals;
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof;
- The maintenance or servicing, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:
 - Repair, removal, or replacement of all or any part of any improvements;
 - Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
- Incidental expenses associated with the improvements including, but not limited to:
 - The costs of the report preparation, including plans, specifications, estimates, budgets, diagrams, and assessment;
 - The costs of printing and advertising, and publishing, posting and mailing of notices;
 - Compensation payable to the County for collection of assessments;
 - Compensation of any engineer or attorney employed to render services;
 - Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
 - Costs associated with any elections held for the approval of new or increased assessments.

Description of District Improvements

The District's annual assessments will finance in part the maintenance, operation and servicing of the District's lighting improvements (safety lights and street lights) which generally includes the furnishing of labor, materials, equipment and electricity for the ordinary and usual maintenance, operation, and servicing of street lights within the public right-of-ways and easements dedicated to the City, incidental expenses including administrative costs as well as the performance of periodic repairs, replacement and expanded maintenance resulting from damage or vandalism. These services and activities more specifically may include, but are not limited to:

- Payment of the electrical bill for the safety lights and street lights.
- Maintenance, repair and replacement of light poles and fixtures, including changing light bulbs, painting, photoelectric cell repair or replacement, and repairing damage cause by automobile accidents, vandalism, time, and weather, including principal and interest related to funding of the replacement of the improvements.
- Electrical conduit and pullbox repair and replacement due to damage by construction and weather.
- Monitoring of the Underground Service Alert (USA) network, identification of proposed excavation in the vicinity of lighting electrical conduits, and marking the location of those underground conduits in the field to prevent damage by excavation.
- Service-can maintenance, repair and replacement including painting, replacing worn out electrical components and repairing damage due to accidents, vandalism, and weather.
- Remedial projects for major repairs or upgrading of facilities. Construction for such projects are usually performed by contract, however City maintenance workers may execute small projects.
- Street light inventory database, pole numbering and mapping to establish the number of streetlights that must be maintained, as well as the condition and location of these street lights as part of an effective maintenance program.
- Acquisition of land, easements and right-of-ways necessary to maintain the street and safety lighting system.
- Responding to citizens and Council member inquiries and complaints regarding street lighting. Resolving complaints may require and engineering study and possible project.

For the purpose of determining benefit and the proportional assessment of special benefit, the light fixtures to be maintained by the District are defined as either "Street Lights" or "Safety Lights". Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. All other lights are designated as Street Lights. The following table provides a summary of the safety light and street light inventory within the City upon formation of the District. Detailed maps identifying the location and extent of the District's Safety Lights and Street Lights at that time are on file in the Public Works Department.

Type of Light	Number of Lights
Safety Light	428
Street Light	4,240
Total District Lights	4,668
Decorative Light ⁽¹⁾	92
Total City Lights	4,760

- ⁽¹⁾ The 92 decorative lights shown above were contained within a single residential development and these lights are funded by a separate revenue source levied on those parcels. Therefore these lights are not included as part of the District's improvements, budget or assessments. Parcels within this residential development are included in the "Safety Light Only" zone

PART II — METHOD OF APPORTIONMENT

Based on the provisions of the 1972 Act and the California Constitution, this section of the Report summarizes the benefits associated with the District's safety and street light improvements and services to be provided by the District; the resulting District structure (zones of benefit); and the formulas used to calculate each parcel's proportional special benefit assessment obligation based on the entirety of the cost of providing the various improvements (method of assessment).

Benefit Analysis

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include but are not limited to the construction, maintenance, operation, and servicing of public street lighting improvements and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service";

Article XIID Section 2i defines Special Benefit as:

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Article XIID Section 4a defines proportional special benefit assessments as:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

The method of apportionment (method of assessment) established herein is based on the premise that each assessed property receives special benefits from the maintenance, serving and operation of either safety lights located throughout the District or both safety lights and local street lights and these improvements will be funded in part by such assessments, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as

compared to other properties that receive such special benefits as outlined in the preceding definitions established in the 1972 Act and the California Constitution.

To identify and determine the proportional special benefit to each parcel within the District, as well as any general benefit associated with the improvements, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The District's improvements and the associated costs described in this Report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District and is consistent with the method of apportion previously established for the assessments as part of CSA 1.

While the California Constitution requires that *"The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement..."*; it is reasonable to conclude that the reasons for installing local street lights are often similar, but somewhat different than the reasons for installing safety lights. Therefore, the overall benefits associated with street lights and safety lights are different which also suggests that the apportionment of the cost to provide those improvements would be different.

In reviewing the location and extent of the City's Street Light improvements to be funded by District assessments and the relationship these improvements have to properties within the District, it was determined that these lights are entirely local lighting improvements that were installed specifically in connection with the development of nearby properties or were necessary as a precursor to property development and would otherwise not have been necessary or required without the development of the properties near those improvements. As such, these Street Light improvements have a direct and particular relationship to, and provide special benefit to, the properties located in close proximity to those lighting improvements and serve as extension of those properties and developments into the public areas (streets) that serve those properties. These lights clearly provide special benefits that affect these properties in a way that is particular and distinct from its effect on other parcels, and that of real property in general and the public at large do not share. This is most evident in the fact that the District's Street Light improvements are concentrated within the City's various residential developments and developed non-residential areas and the absence of such lights within many portions of the undeveloped areas of the District. The fact that these lights are a direct result of property development and many areas of the City forgo the need of local street lighting, the maintenance and operation costs associated with the Street Light improvements are considered to be solely a special benefit to those properties and developments in close proximity to those lights and have no measurable general benefit to the public at large or to the District as a whole. However, it is also recognized that these lights are not exclusive or typically isolated to a particular parcel, but are rather shared and directly affect entire neighborhoods or groups of parcels. In this District, it has been determined that each parcel that is assessed for Street Lights is at least within two-hundred feet (200 feet) of a street light although that light may be located across the street from the parcel.

As previously noted, Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. Although the location and extent of these lights are most certainly driven by development of properties in the area (concentrated largely in developed areas of the City), unlike the Street Light improvements which are directly correlated to specific developments and parcels, the District's Safety Lights are not entirely the result of specific property development, but more the result of overall development throughout the City and in addition to directly benefiting the properties in the District, these Safety Lights provide nighttime traffic illumination to enhance traffic circulation and safety.

Therefore, while the need for such lights is most often facilitated by development in the area and certainly a special benefit to properties within the District, because safety lights promote nighttime traffic illumination and circulation for the general public as well as for properties in the District, these lights obviously provide some measure of benefit to the community as a whole and to the public at large (general benefit). In order to separate general benefits from special benefits, an evaluation of the overall extent and location of the Safety Lights in the City, revealed that less than half (approximately 47%) of the Safety Lights within the District are located on major streets that are considered through-traffic corridors, namely Bradshaw Road, Folsom Boulevard and Sunrise Boulevard. The remaining Safety Lights within the City were located on streets and intersections considered internal City traffic routes that provide direct access to the parcels in the District. Therefore it would be reasonable to conclude that like the local Street Light improvements, the Safety Light improvements located on these internal City traffic routes (approximately 53% of the Safety Lights at the time of formation of the District) are entirely for the special benefit of the properties they serve, while the Safety Lights on the through-traffic corridors provide comparable (proportionately equal) special benefit to properties in the District and general benefit to real property in general and the public at large. Therefore collectively, it has been determined that no more than 25% of the total maintenance and operation (O&M) costs of providing Safety Lights would be considered general benefit.

Zones of Benefit

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District

Article XIID Section 4a reads in part:

"...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

In an effort to ensure an appropriate allocation of the estimated annual cost to provide the District improvements based on proportional special benefits, this District has established benefit zones ("Zones") as authorized pursuant to Chapter 1 Article 4, Section 22574 of the 1972 Act:

"The diagram and assessment may classify various areas within an assessment district into different zones where, by reason of variations in the nature, location, and extent of the improvements, the various areas will receive differing degrees of benefit from the improvements. A zone shall consist of all territory which will receive substantially the same degree of benefit from the improvements."

Therefore, in order to separate general benefits from special benefits and to ensure each parcel is assessed for only the special benefits received from the improvements two benefit zones have been established and every parcel in the City is grouped into one of these two Zones:

- Safety Lights Only: Includes all parcels that receive special benefits from the maintenance of Safety Lights only which includes lights located at intersections on major streets and along the rear of properties that abut major streets.

- **Street Lights and Safety Lights:** Includes all remaining parcels within the City that specially benefit from maintenance of Street Lighting (local lights) as well as Safety Lights.

The District Budget, incorporated herein under Part III of this Report, provides a summary of the total estimated cost of providing the street light improvements and the allocation of those costs that are considered general benefit. Details regarding the location and extent of the street lighting improvements within the District and the Zones therein upon formation of the District are on file in the Public Works Department. A diagram showing the exterior boundaries of the District and the location of the two Zones therein at the time of formation is attached and incorporated herein under Part IV (District Diagram) of this Report.

Assessment Methodology

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Article XIID Section 4a reads in part:

"...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

Safety Lights and Street Lights, like most public improvements, provides varying degrees of benefit (whether they be general or special) based largely on the extent of such improvements, the location of the improvements in relationship to the properties, the specific use of each property, and the reason or need for such improvements as it relates to individual properties. In this District, these issues are each considered in determining the proportional special benefit to each parcel by the use of benefit zones, the separation of general benefit and special benefit, and County land use designations.

Safety Lights

Safety Lights are located throughout the District and properties throughout the City are considered to benefit proportionally from Safety Lights and are therefore levied a flat rate calculated by the following formula.

$$\text{Net Safety Light Cost} / \text{Total Assessable Parcels} = \text{Levy per Parcel}$$

Street Lights

Only properties that benefit from Street Lights are charged for Street Lights. Parcels are classified based on land use into two categories: Residential and Non-Residential. Residential parcels that have street lights are levied equally. Non-Residential are levied on a front footage basis. Formulas for both Non-Residential and Residential parcels are illustrated below.

Residential Parcels

$$\text{Net Residential Street Light Cost} / \text{Residential Parcels} = \text{Levy per Residential Unit}$$

Non-Residential Parcels

Net Non-Residential Street Light Cost / Non-Residential Front Footage=
 Levy per Non-Residential Front Foot

Levy per Non-Residential Front Foot x Non-Residential Parcel Front Footage=
 Levy per Parcel

Exempt

Excepted from the assessment would be the areas of public streets and other roadways (typically not assigned an APN by the County), dedicated public easements, open space areas and rights-of-ways including public greenbelts and parkways. Also excepted from assessment would be utility rights-of-ways, common areas (such as in condominium complexes), landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed. These types of parcels do not benefit from the improvements.

The land use classification for each parcel has been based on the Sacramento County Assessor's Roll.

Rates

The following Table shows the assessment rates proposed to be levied in Fiscal Year 2015/16. It is important to note that these rates are the same rates applied to the District parcels under CSA 1 and that these rates have not increased since the passage of Proposition 218 in 1996.

Description of District Budget

Annual Maintenance & Operation (O&M) — Includes the regular annual costs of maintaining and servicing lighting improvements. This may include, but is not limited to, the costs for labor, utilities, equipment and supplies that are required to properly maintain the items that provide a direct benefit to the District.

- **Electrical Costs** — Includes the cost of providing electricity to the lights. Additionally, some lights may be maintained by the Sacramento Municipal Utility District ("SMUD") and the cost for maintenance of these lights is included as part of the utility bill for those lights.
- **Maintenance Costs** — Includes the contract labor associated with the maintenance of the lights and the cost of the preparing and maintaining the light inventory.
- **Special Project** - Includes costs for minor special project(s) related to annual maintenance and / or operation of the improvements not described in the above categories.

Capital Expenditures & Other Costs — Includes funding needs to support the improvements that are not included or considered to be costs associated with the regular annual maintenance, servicing and operation of the District improvements.

- **Repairs/Replacements & Capital Expenditures** — Includes, but is not limited to repairs that are only required periodically, repairs and replacements resulting from damage or vandalism, capital improvement expenditures to rehabilitate or upgrade the improvements, and collection of funding (installments) for future capital improvement projects. The amount collected each fiscal year is based on an estimate of current and future needs, but may be limited by available funding (assessment revenues and City contributions).
- **USA Markings** – includes costs associated with marking the location of underground utilities related to the above.
- **RCLD Loan Principal** --- Amounts of principal due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing street lights located within the District with new LED street lights which will reduce energy costs.
- **RCLD Loan Interest** --- Amounts of interest due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing street lights located within the District with new LED street lights which will reduce energy costs.
- **Special Capital Projects** - Includes costs expected to be incurred in FY 2015/16 for special capital projects shown in the District's Capital Improvement Plan. Costs in this category do not increase the annual levy as the Capital Improvement Reserve is used to fund these costs.

Annual Administrative Expenses — Incidental district costs not included above that are required on an annual basis.

- **District Administration** — Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the assessments and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the assessments, preparation of the annual Report, and placing the assessment on the property tax bills.

- Contract Administration – Estimated costs to coordinate and oversee the applicable maintenance and operation contracts and overall repair, maintenance, operation and replacements of the District Improvements.
- County Collection Fees — Includes the cost that the County charges to place the assessments onto the Sacramento County Secured Tax Roll.
- Miscellaneous Administration Expenses — Includes other minor administrative costs such as telephone, copying, noticing, mailing, office supplies and fees related to District Administration.

Total District Expenses — This is the total of the Annual Maintenance & Operation (O&M), Capital Expenditures, Annual Administrative Expenses and other costs which are considered to be the direct and incidental costs for the regular annual maintenance, servicing and operation of the District improvements.

Contributions/Adjustments — Represents the expected funding from sources other than the current year assessments to support the annual costs budgeted for the maintenance, servicing and operation of the District improvements.

- Replenishment/(Use) of Operating Reserve – Funding transferred from or to the District's Operating Reserve to either offset a portion of the Total Expense or to replenish the Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided in the following pages of this Section.
- Replenishment/(Use) of Capital Projects Reserve – Funding transferred from or to the District's Capital Projects Reserve to either adjust the annual levy for FY 2015/16 expenditures funded by the Capital Projects Reserve or to replenish the Capital Projects Reserve for future projects. Further information regarding the function of the Capital Projects Reserve is provided in the following pages of this Section. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided in the following pages of this Section.
- General Benefit Contribution — Funding from the City utilizing revenue sources other than assessment revenues to pay the proportional costs for the regular annual maintenance, servicing and operation of the District improvements that have been determined to be of General Benefit and which cannot be included as part of the annual assessments. This City funding may be from the City's General Fund or any other funding source available to the City.
- Other Revenue Contributions – Additional funds designated for use by the District that are not District assessments. Often referred to as a City Contribution, these funds may be from any source available to the City to support the District and reduce the amount to be collected by the District assessments (the "Net Assessment Budget"). If the Total District Expenses minus any Reserve Fund Transfer and General Benefit Contribution results in an amount greater than the amount that can be collected through the assessments, the City would either have to reduce expenses or contribute funds to balance the budget.

Net Assessment Budget (Balances to Levy) — Represents the total amount proposed to be levied and collected as assessments on the County Tax Rolls for the fiscal year.

OPERATING RESERVE

Beginning Reserve Balance 7-1-2015 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations. These beginning balances shall be used to fund expenditures from July 1, 2015 to December 31, 2015, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

Replenishment/(Use) of Operating Reserve – Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve is intended to fund expenditures from the period of July 1, 2015 (the beginning of the Fiscal Year) through December 31, 2015. If positive, this amount is added to the levy in order to replenish the Operating Reserve. On the other hand, if negative, this portion of the Operating Reserve is used to fund FY 2015/16 expenses and therefore reduces the levy amount. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Capital Projects Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Projects Reserve. Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2016 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2016. The size of the Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, the District may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

CAPITAL PROJECTS RESERVE

Beginning Reserve Balance 7-1-2015 (est.) — The projected balance of funds in the Capital Projects Reserve as of July 1, 2015. Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Use for 15/16 Capital Projects – The amount expected to be incurred for Capital Projects in FY 2015/16 and funded from the Capital Projects Reserve rather than the FY 2015/16 levy. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Operating Reserve — The amount of Capital Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2016 (est.) - The projected balance of funds in the Capital Projects Reserve as of June 30, 2016. These funds shall be use to fund the costs of installation, replacement, repair or upgrading of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Capital Projects Reserve or related activity for the current fiscal year, the Capital Projects Reserve information will not be presented in the Report.

Capital Projects Reserve – Capital Improvement Plan

Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Should an ending Capital Projects Reserve balance be projected, a five year Capital Improvement Plan is shown below in order to fund the installation, replacement, repair or upgrading of District improvements and other allowable costs:

The District expects expenditures for updating, verifying and/or replacing street light / pole numbers: \$5,000 in FY 2015/16; the painting of existing street light poles: \$15,000 in FY 2016/17 and the retrofit of poles for electrical outlet upgrade and installation of new sign brackets: \$100,000 in FY 2016/17, \$52,000 in FY 2017/18 and \$10,000 in FY 2018/19.

Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

PART V — ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on available parcel maps and property data from the Sacramento County Assessor's Office. A listing of the Assessor's Parcel Numbers (APNs) to be assessed within this District, along with the corresponding Assessment Amount to be levied for fiscal year 2015/16, as determined by the District's assessment rates and method of apportionment, is provided in the following pages.

If any APN submitted for collection of the assessments is identified by the County Auditor/Controller of the County of Sacramento to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

MEMORANDUM

DATE: June 1, 2015
TO: Honorable Mayor and Council Members
FROM: Liisa Behrends, Interim Finance Director

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AMENDING THE OPERATING BUDGET FOR THE FISCAL YEAR 2014/2015, PROVIDING FOR THE APPROPRIATIONS AND EXPENDITURES OF ALL SUMS SET FORTH THEREIN

RECOMMENDATION

Adopt Resolution No. 62-2015 (**Attachment 1**) amending the Fiscal Year 2014/15 Adopted Budget for various Special Revenue Funds, Capital Funds, Enterprise Funds and certain Agency Funds.

RESULT OF RECOMMENDED ACTION

The Fiscal Year 2014/15 Adopted Budget will be amended to reflect variances in expenses not originally anticipated in the budget. This amendment will bring our approved appropriations for these specific funds in line with our actual anticipated expenditures for Fiscal Year 2014/15. The General Fund does not require a budget increase, however an adjustment to the transfers out is needed with an offsetting decrease in professional services.

BACKGROUND

The City operates on a fiscal year that begins July 1st and ends June 30th of each year. The City financial operations are governed by a "budget document". The Fiscal Years 2013/14 and 2014/15 Proposed Budget was first submitted to Council in a workshop on May 20, 2013 and was adopted by the City Council on June 3, 2013. The budget was subsequently amended on June 16, 2014 to include additional grant funding that was secured by the Public Works Department.

In conjunction with the Finance Director and the City Manager, the departments monitor their budgets very closely throughout the year. Since the appropriations set the legal spending limit, the Finance Department is requesting an amendment to the budget to adjust for these variations. Attachment 1 illustrates the funds in question and highlights the proposed amendments.

General Fund

The General Fund does not require a budget increase at this time. However, the closure of the Capital Improvement Fund last year has left a residual balance due that is

currently unfunded. While staff continues to work to identify the appropriate funding source for the shortage, staff is proposing the deficit be eliminated over a five year period through the General Fund, unless an additional funding source is identified prior to the end of the five year period. As such, the transfer out in the General Fund is being increased by \$100,000, with an offsetting reduction to Professional Services, to accommodate the first of five transfers to the Capital Improvement Fund. .

Special Revenue Funds

As previously reported, actual revenues and expenditures in some of the Special Revenue Funds are expected to be greater than originally budgeted as follows:

A budget amendment is necessary in the Sunrise Douglas Park Impact Fee to cover reimbursements related to Sunridge Park and the Anatolia Bike Trail as well as the transfer of In Lieu Fees to the Cordova Parks & Recreation District.

The City has a credit/reimbursement agreement for the Anatolia Groundwater Treatment Plant, to be paid out of the SD Supplemental Offsite Water Impact Fee. An estimated reimbursement was budgeted for release to the developer. Additional monies were available to be paid, requiring a budget amendment.

The Traffic Mitigation Impact Fee Fund provided a match to Regional Transit in December for the Horn Light Rail Station. Additionally, a slight increase is also necessary to cover additional capital improvement projects in both this fund and the Traffic Mitigation Admin Fee Fund.

The amendment to the Other Grants Fund reflects the monies obtained by Public Works to pay a portion of the Cordova Meadows ADA sidewalk project.

For multi-year construction projects, we estimated the expenditures necessary in Fiscal Year 13/14 and Fiscal Year 14/15. A budget amendment is needed to account for the expenditures in Gas Tax and Measure A Construction which were not completed in Fiscal Year 13/14 and therefore rolled over into Fiscal Year 14/15.

A minor adjustment to the Landscape & Lighting District Fund covers the cost associated with additional landscaping projects.

The Rancho Cordova Lighting District funded the LED street lighting conversion project that was not originally anticipated when the budget was being prepared.

Capital Funds

As recommended by the City's Independent Auditors during the FY 2012/13 audit, management reviewed the intended purposes of all of its Internal Service Funds (ISF) to determine if they were properly classified. During this process, management identified three funds that were identified as ISF's but were functioning as Capital Project Funds. These funds were closed and re-established as Capital Project Funds in FY 2013/14. Because this analysis occurred after the budget has been adopted, all activity recorded in these funds require budget amendments since no budget has been established for these new funds.

Enterprise Funds

The Kilgore Cemetery requires a minor adjustment to allow for the costs associated with the Phase III expansion approved by Council in February 2015.

At the beginning of this year, Public Works transitioned the operation Storm Drain system from Sacramento County to City staff. As a result, the Storm Drain Enterprise Fund was established and the Storm Water Utility Tax Special Revenue Fund was closed. This budget adjustment was necessary to account for the current year activity since a budget had not been prepared for this new fund in the past..

Agency Funds

In April, Council approved the inter-fund loan between the General Fund and the Local Housing Trust Fund. This amendment represents the Trust Fund's match to grant funds.

The Sunridge Park CFD 2004-1 amendment is due to construction reimbursements, from bond proceeds, that were made to the developer throughout the year.

Finally, minor adjustments are needed for Sunridge North Douglas CFD 2005-1 and CFD No. 2014-2 Street, L&L. CFD 2005-1 has been dormant since 2007, when the housing market crashed, but the developer has recently started pulling building permits within the development and has requested the City move forward with the first Bond Issuance and CFD 2014-2 has not been formed prior to the original budget adoption.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Cyrus Abhar, Interim Assistant City Manager

SUBJECT: CROSS JURISDICTIONAL RECIPROCAL FUNDING AGREEMENT WITH COUNTY OF SACRAMENTO

RECOMMENDATION

Adopt Resolution No. 61-2015.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will authorize the City Manager to execute the Cross Jurisdictional Reciprocal Funding Agreement (RFA) with the County of Sacramento.

BACKGROUND

The City and the County have drafted a Reciprocal Funding Agreement (RFA) that provides a general framework to advance cross-jurisdictional cooperation regarding transportation infrastructure improvements. The RFA also allows for a project specific mechanism (an Operational Agreement) for coordinated resolution of CEQA impacts affecting the other jurisdiction.

Several land development projects are being planned in areas adjoining the City and County jurisdictions. Future development may have significant impacts on the existing transportation system. These roadway impacts and the resulting mitigation measures are generally identified in the California Environmental Quality Act (CEQA) requirements for each project. Depending on the proximity of the project relative to a neighboring jurisdiction and the traffic flow network adjoining the project, it is common that the CEQA mitigations of a project can include roadway improvements that are entirely within the adjacent jurisdiction.

Previously, the City and County have not had a formal process to discuss, plan, or potentially collect funds for the development impacts and associated CEQA mitigations, that were created by a development in the neighboring jurisdiction. City and County staff have determined that development of a formal Agreement, which would enable the two jurisdictions to jointly participate on a fair share basis to address and mitigate cross jurisdictional transportation impacts, would be beneficial to both the City and County.

DISCUSSION

The City and County propose a two-step agreement process that will provide a more collaborative effort to address future cross jurisdictional impacts that are created when a project in one jurisdiction creates CEQA transportation impacts that are wholly within the adjacent jurisdiction. The first proposed agreement which is Exhibit A to **Resolution No. 61-2015, Attachment 1**, is referred to as a Reciprocal Funding Agreement (RFA). The purpose of the RFA is for the City and County to mutually agree that projects in each party's jurisdiction shall be required to participate on a fair share basis in funding the associated improvements needed to mitigate the significant cross jurisdictional transportation projects.

The RFA is not intended to establish project specific fair share funding details. However, the RFA does compel both jurisdictions to work together on a more project specific "Operational Agreement" (the second step) that is intended to address fair share funding contributions for a project having relevant cross jurisdictional impacts.

Upon approval of this RFA by both jurisdictions, County will draft an Operational Agreement for the Cordova Hills development. City staff will return to the Council within the next few months to present the Operational Agreement for the Cordova Hills development. That project specific Operational Agreement will enable the County to collect fees, on behalf of the City, for impacts that the Cordova Hills development imposes on certain roadway segments located within the City. Similar Operational Agreements may be created for future projects within the City that have impacts on County roadways.

FISCAL IMPACT

The execution of the RFA will have no direct fiscal impact to the City Budget. Future Operational Agreements resulting from the RFA may provide for the collection of development fees and the transfer of funds between the City and County to support the construction of transportation improvements.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Michelle Mingay, Sr. Finance Analyst

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DECLARING ITS INTENTION TO TRANSFER DELINQUENT REFUSE SERVICE CHARGES TO THE PROPERTY TAX ROLLS AND TO SET A PUBLIC HEARING FOR THE SAME

RECOMMENDATION

Adopt Resolution No. 58-2015.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will begin the process to allow delinquent refuse service charges to be collected on the property tax roll and sets a Public Hearing for July 6, 2015 at 5:30 pm in the City Council Chambers.

BACKGROUND

The Collection Services Contract ("Contract"), between the City of Rancho Cordova and Republic Services, formerly Allied Waste Services, ("Republic"), for residential garbage collection and recycling, allows Republic to take any action legally available to collect past due amounts. Pursuant to Government Code sections 38790.1 and 25831, one such action is for the City to assist Republic by placing the delinquent accounts on the property tax roll.

The City's Municipal Code allows for the property tax rolls to be utilized for collecting delinquent charges but in order for the City to assist Republic, the City Council must approve two separate Resolutions prior to recording a tax levy for delinquent residential solid waste accounts. The first resolution, which is the subject of tonight's meeting, establishes the intent of the City Council to transfer delinquent residential solid waste accounts to the tax rolls, as well as sets a Public Hearing for July 6th at 5:30 p.m. to take comments and objections from the public regarding the transfer of delinquent residential solid waste accounts to the tax roll. At the conclusion of the Public Hearing, the Council will be asked to adopt the second resolution titled "A Resolution of the City Council of the City of Rancho Cordova Authorizing Delinquent Residential Solid Waste Service Charges to be Collected on the Property Tax Roll."

As of May 26, 2015, there are a total of 1,008 accounts eligible to be transferred to the tax roll, with a total balance due \$332,008.89. This amount includes a ten percent (10%) penalty which will be added to the tax roll to cover the cost for the City to administer the program.

In order to proceed with the levy of assessments, it is requested that Council adopt **Resolution No. 58-2015** A Resolution of Intention of The City Council of The City of Rancho Cordova to Transfer Delinquent Refuse Service Charges to the Tax Roll. Approval of this resolution also sets July 6, 2015 at 5:30 p.m. as the date and time for a public hearing on the issue. Notice of the public hearing will be given by publication at least 10 days prior.

FISCAL IMPACT

The City will receive a 10% administrative fee, based on the final balance transferred to the property tax roll, to cover the cost of administering the program.

RECOMMENDATION

Adopt Resolution No. 63-2015.

RESULT OF RECOMMENDED ACTION

Adoption of Resolution No. 63-2015 would approve the applicant's request for a Conditional Use Permit (CUP) to allow the sale of beer, wine, and distilled spirits. This resolution would be forwarded to the Department of Alcoholic Beverage Control (ABC), which would allow the applicant to obtain a license to sell alcohol.

BACKGROUND

In March 2011 the representatives of the Walgreens drug store submitted an application to ABC for a Type 20 liquor license for beer and wine sales (permit # 505238). In early 2015, the store submitted a proposal to expand existing alcohol sales to include distilled spirits. This would require them to convert their Type 20 (beer, wine) liquor license to a Type 21 (beer, wine, spirits) liquor license; however since the previous application did not obtain the necessary use permit prior to operation, this expansion must be reviewed in accordance with City regulation of off-sale of beer, wine, and distilled spirits. Since the City of Rancho Cordova requires a Conditional Use Permit (CUP) for the off-sale of alcoholic beverages at the subject site, the approval or denial of the CUP by City Council would constitute the local government's direction

regarding the project site's ability to accommodate off-sale liquor license. This land use determination shall be forwarded to ABC.

ANALYSIS

General Plan Compliance:

The project site is located in the CMU (Commercial Mixed Use) designation of the City's General Plan and is intended to include mostly retail, office, and some residential development.

Table 1: Surrounding Designations and Existing Uses

Location	Existing Use	General Plan Designation	Zoning Designation
4050 Sunrise Boulevard (Project Site)	Existing Walgreens Drug Store	CMU- Commercial Mixed Use- Sunridge Specific Plan	GC (General Commercial)
North	Undeveloped. Approved Sundance project RC04-122	CMU-Commercial Mixed Use- Sunridge Specific Plan	GC (General Commercial)
East	Existing Anatolia Residential Subdivision	Medium Density Residential (MDR)	RD7 (Residential- Sunridge Specific Plan)
South	Undeveloped. Approved Sundance residential project RC04-122	CMU- Commercial Mixed Use- Sunridge Specific Plan	LC (Limited Commercial-Sunridge Specific Plan)
West	Undeveloped. Approved Sundance project RC04-122	Commercial Mixed Use- Sunridge Specific Plan	LC (Limited Commercial-Sunridge Specific Plan)

The existing drug store is consistent with the CMU designation and supports the surrounding residential uses by providing a variety of goods in close proximity. The CMU encourages a mixture of different retail, grocery, office and restaurant uses as alcohol sale would expand those services by allowing residents the opportunity to buy more products closer to their homes. The applicant anticipates liquor sales will constitute a small percent of all sales for the drug store and would allow patrons from the adjacent housing community the option of buying all of their goods (food, household items, liquor, etc.) in one location instead of multiple locations, therefor reducing the trips generated to other areas.

Zoning Compliance:

The project site is zoned General Commercial (GC) which allows for a wide range of commercial development and is designed to provide for the integration of retail and service commercial uses with office and/or residential uses. Although the existing Walgreens store is allowed by-right; alcoholic beverage "off-site" sales is subject to a Conditional Use Permit (CUP) per zoning code 23.316.030. As discussed in the General Plan section above, liquor sales will be a minimal part to the Walgreens drug store services. Planning staff and the Police Department have reviewed the proposed liquor sales and proposed conditions of approval to help mitigate any conflicts from increased liquor sale.

The Walgreens drug store is the only liquor license in Census Tract 88.01. By allowing the establishment to continue to sell liquor, patrons may reduce the amount of trips when shopping for food, household goods, and alcohol. It is staff's position that a license for liquor sale within a drug store could constitute a public convenience due to the reduction of trips as customers will be able to get more goods (food, household goods, liquor) in one location.

FISCAL ANALYSIS OF PROJECT

The City anticipates that this project may have a neutral or slight increase in additional revenues from sales tax generated from the liquor sales purchased by staff and patrons of the drug store.

ENVIRONMENTAL

The project is exempt from the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations, Chapter 3, Division 6 (State CEQA Guidelines) Section

15301 (Existing Facilities). A description of the evidence for the exemption is found in the findings included in **Attachment 1**.

RECOMMENDED MOTION

Move the City Council adopt Resolution 63-2015 approve the Conditional Use Permit based on the proposal meeting all of the approval findings and direct staff to forward the City Council's determination to the office of Alcohol Beverage Control for the existing Walgreens drug store located at 4050 Sunrise Boulevard.

CITY OF RANCHO CORDOVA

RESOLUTION NO. 63-2015

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING A REQUEST FOR A CONDITIONAL USE PERMIT
FROM THE CITY OF RANCHO CORDOVA FOR
THE WALGREENS DRUG STORE ALCOHOL SALES
PROJECT #DD8569**

WHEREAS, In 2011 Walgreens Co. (hereinafter referred to as Applicant) was issued a Type 20 liquor license (beer and wine) by the California department of Alcoholic Beverage Control (ABC) without the review and approval of a conditional use permit for the existing Walgreens drug store located at 4050 Sunrise Boulevard, Assessor's Parcel Number 067-0030-039-0000; and

WHEREAS, On March 6, 2015, the Applicant filed an application with the City of Rancho Cordova for Conditional Use Permit (CUP) to bring their alcohol sales into compliance with City regulations and to allow the sale of distilled spirits by converting their off-sale Type 20 license to an off-sale Type 21 (beer, wine, spirits); and

WHEREAS, As of May 2015 all comments had been received and the project was deemed complete for processing; and

WHEREAS, on the 1st of June 2015, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize and adopt resolution No. 63-2015 to approve a Conditional Use Permit, subject to the attached Project Plans (**Exhibit A**) and Conditions of Approval (**Exhibit B**), based on the following findings.

1. Determine that the project site was adequately analyzed according to the California Environmental Quality Act (CEQA) Guidelines and Categorically Exempt under Section 15301 (Existing Facilities), in that the additional sales of alcohol will not have the potential for causing a significant effect on the environment.
2. Conditional Use Permit: Zoning Code section 23.134.030 states that if the City Council must make all of these findings to approve the Conditional Use Permit (CUP). The following are each of the required findings and evidence to support them:
 - a) Finding: The site size, dimensions, location, topography, and access are adequate for the needs of the proposed use, considering the proposed building mass, parking, traffic, noise, vibration, exhaust/ emissions, light, glare, erosion, odor, dust, visibility, safety, and aesthetic considerations.

Evidence: The current proposal is for a CUP to allow the existing Walgreens drug store the ability to expand their current alcohol sales to allow distilled spirits and apply for a Type 21 liquor license from the California department of Alcoholic Beverage Control (ABC). The store will operate in an existing building as the

ATTACHMENT 1

proposed alcohol sales will not include any physical changes and/or expansion that would impact the built facilities or increase unwanted impacts on traffic, noise, vibration, exhaust/ emissions, light, glare, erosion, odor, dust, visibility, safety, and aesthetic considerations.

- b) Finding: The negative impacts of the proposed use on adjacent properties and on the public can be mitigated through application of other code standards or other reasonable conditions of approval.

Evidence: Alcohol sales at this location has been reviewed and approved by the Rancho Cordova Police Department. The Walgreens drug store is an existing drug store that services the adjacent residential areas. The applicant anticipates the sale of liquor to be less than 1% of all sales for the store. Conditions have been attached to mitigate any increase in unwanted impacts to public health and safety.

- c) Finding: All required public facilities have adequate capacity to serve the proposal.

Evidence: There are no physical improvements or changes proposed related to the sale of liquor, and the project site is currently developed with adequate infrastructure.

- d) Finding: The project meets the requirements of the zoning code including development standards, design guidelines, and special use provisions.

Evidence: There are no physical improvements or changes proposed for this liquor sales application. Any future change related to the store operations or exterior improvement would require design review and will be handled with a subsequent building permit.

- e) Finding: If structures and site plans are considered nonconforming, the elements of a project that are nonconforming have been brought into compliance with the zoning code, where feasible.

Evidence: The previous Type 20 sale license issued by ABC in 2011 did not involve a use permit which is not in compliance with the zoning code. The proposed conditional use permit will address the expansion of existing liquor sales to include distilled spirits and bring the liquor sale use into compliance with City standards by placing the operation under the requirements of the approved use permit. The store is within a developed building and the proposed alcohol sales will not include any physical changes or expansion of any nonconforming use and/or structure.

Be it further resolved that if the City Council does support the CUP entitlement that would allow alcohol sales at 4050 Sunrise Boulevard.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Nicholas Sosa, Assistant Planner

SUBJECT: VERIZON WIRELESS RANCHO CORDOVA SC3 CONDITIONAL USE PERMIT; PROJECT DD8501 – LOCATED AT 10971 OLSON DRIVE.

PROPERTY OWNER: Koreana DEV Associates LLC Mr. Paul Chon 2370 Telegraph Avenue Oakland, CA 94612	APPLICANT/DEVELOPER: Epic Wireless for Verizon Wireless Mr. Andrew Lesa 8700 Auburn Folsom Road, Suite 400 Granite Bay, CA 95746
---	---

PROJECT: FILE: LOCATION: APN: PLANNER:	The applicant is requesting a Conditional Use Permit for installation of new telecommunication equipment within a Commercial Mixed Use (CMU) in the Folsom Boulevard Specific Plan (FBSP) DD8501 10971 Olson Drive 072-0280-099-0000 Nicholas Sosa, Assistant Planner
---	---

RECOMMENDATION

Adopt Resolution No. 64-2015.

RESULT OF RECOMMENDED ACTION

Adoption of Resolution No. 64-2015 would allow the applicant to install new telecommunication equipment on a roof penthouse at 10971 Olson Drive. The installation of this equipment would alleviate overcapacity of nearby towers and increase cellular service within the proposed area.

BACKGROUND

The City of Rancho Cordova received an application from Epic Wireless originally requesting a Limited Use Permit to allow the collocation of telecommunication equipment on an existing building. After further review, staff determined the project does not adhere to the requirements and qualifications for the zoning code's definition of collocation and is better suited for the categorization of a tower as the equipment is a building mounted antenna that is not screened from view.

Figure 1: Subject Property Aerial Photograph

According to Chapter 23.907.020, an existing structure must be owned and operated by a service provider in order for a new communication facility to be placed on the same structure and be considered collocation. The proposed building mounted equipment is the only communication equipment on the structure and is not screened from view. The project has been conditioned to camouflage the new installation with similar colors and materials to be consistent with the existing structure. In addition, the new equipment is also within 500' of a residential zoning area and therefore requires a Conditional Use Permit.

REQUIRED PERMITS AND REGULATORY BASIS

Table 23.313-1 of the City of Rancho Cordova Zoning Code requires a Conditional Use Permit for any new telecommunication facility located within 500' feet of a residential zoning district or existing residential area. The proposed project site is approximately 250 feet from an existing High Density Residential zone which prompted the issuance of the Conditional Use Permit. Additionally, the proposed project will follow all development standards and regulations in Chapter 23.907 of the Zoning Code as well as obtain the proper permits from the Building and Safety Division.

ANALYSIS

The proposed Verizon Communications facility will be located within a 10' x 10' lease area on the building's rooftop and will consist of (2) new panel antennas to the exterior of the existing penthouse. The equipment will also contain (4) new RRU's within the interior of the penthouse, (1) new small cell power cabinet and (1) new microwave antenna with a pipe mount located behind the penthouse away from visibility. All equipment will be painted to match the existing structure to minimize public right-of-way visibility as required per code section 23.907.020. The

proposed small cell equipment will provide increased cellular service within an underserved area of Rancho Cordova by offloading a nearby tower that is at capacity and overloaded with digital traffic. The installation of this equipment complies with all required standards

Figure 2: Building Elevations Existing & Proposed

ENVIRONMENTAL

This project is Categorically Exempt under Section 15301 (Existing Facility) of the California Environmental Quality Act.

The proposed telecommunication facility will be located on an existing building located at 10971 Olson Drive. The new equipment will be on the roof of Koreana Plaza and will be painted to minimize visibility from the public right-of-way. The site is served by adequate public utilities and there are no environmental resources within the immediate area.

RECOMMENDED MOTIONS

Staff recommends that the City Council find the project to be in compliance with the California Environmental Quality Act (CEQA) as exempt pursuant to CEQA Guidelines Section 15301 and adopt Resolution No. 64-2015 for the Conditional Use Permit for Epic Wireless project DD8501, subject to the findings, Project Plans (**Exhibit A**), Coverage Maps (**Exhibit B**) and Conditions of Approval (**Exhibit C**).

RESOLUTION NO. 64-2015

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING THE EPIC WIRELESS FOR VERIZON WIRELESS CONDITONAL USE PERMIT
– PROJECT NO. DD8501**

WHEREAS, Epic Wireless (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a Conditional Use Permit to install telecommunication equipment to the façade of Koreana Plaza located at 10971 Olson Drive (Assessor's Parcel Number: 072-0280-099); and

WHEREAS, on May 25, 2015 all comments had been received and the project was deemed complete for processing; and

WHEREAS, on June 1, 2015 the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 testimony presented during the hearing; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize and adopt Resolution No. 64-2015 to approve a Conditional Use Permit, subject to the attached Project Plans (**Exhibit A**), Coverage Maps (**Exhibit B**) and Conditions of Approval (**Exhibit C**).

1. Determine that the project site was adequately analyzed according to the California Environmental Quality Act (CEQA) Guidelines and Categorically Exempt under Section 15301 (Existing Facilities), in that the additional equipment on the façade will not have the potential for causing a significant effect on the environment.
2. Conditional Use Permit: Zoning Code Section 23.134.030 states that if the City Council must make all of these findings to approve the Conditional Use Permit (CUP). The following are each of the required findings and evidence to support them.
 - a. Finding: The site size, dimensions, location, topography, and access are adequate for the needs of the proposed use, considering the proposed building mass, parking, traffic, noise, vibration, exhaust/emissions, light, glare, erosions, odor, dust, visibility, safety and aesthetic considerations.

Evidence: The location of the new telecommunications facility is adequate for the needs of the proposed use as the location will fill an underserved cellular area for Verizon wireless customers. As apparent in the Project Description in (**Exhibit A**) provided by the applicant, the new telecommunication equipment will relieve nearby towers from overcapacity and provide faster more reliable service. Considering aesthetics, the visible equipment is minimal and those placed in public view will be painted to be consistent with the building's front façade.

ATTACHMENT 1

- b. Finding: The negative impacts of the proposed use on adjacent properties and on the public can be mitigated through application of other code standards or other reasonable conditions of approval.

Evidence: There are no apparent negative impacts of the proposed facility at this location. A small portion of the equipment will not be screened from view of the public right-of-way but will be required to be camouflaged to reduce visibility through the Conditions of Approval (**Exhibit C**)

- c. Finding: All required public facilities have adequate capacity to serve the proposal.

Evidence: The proposed project site contains all necessary utilities and access availability to serve the proposed use. There are no physical restraints from the proposed telecommunication facility.

- d. Finding: The project meets the requirements of the zoning code including development standards, design guidelines, and special use provisions

Evidence: The project site is within a Commercial Mixed Use (CMU) zone located within the Folsom Boulevard Specific Plan (FBSP). New towers are permitted within this zone given the applicant obtain a Conditional Use Permit when located within 500' feet of a residential zone. The equipment will also be camouflaged as required by section 23.907.020(H) to minimize the visual impact to the greatest extent.

- e. Finding: If structures and site plans are considered nonconforming, the elements of a project that are nonconforming have been brought into compliance with the zoning code, where feasible.

Evidence: All aspects of the project are up to current code and follow existing regulations and standards of the City of Rancho Cordova.

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Jessica Jordan, Principal Planner

**SUBJECT: RIO DEL ORO TIER I DEVELOPMENT AGREEMENT AMENDMENT;
PROJECT NO. DD8403 – LOCATED SOUTH OF WHITE ROCK ROAD,
NORTH OF DOUGLAS ROAD, AND EAST OF SUNRISE BOULEVARD.**

PROPERTY OWNER: Elliott Homes Mr. Price Walker 340 Palladio Parkway, Suite 521 Folsom, CA 95630	PROPERTY OWNER: Easton Development Company Mr. Michael LaFortune P.O. Box 1209 Folsom, CA 95763
PROJECT: Rio del Oro Specific Plan Development Agreement Amendment - A Development Agreement (DA) Amendment to allow for grading activities within a delineated portion of the NW quadrant of the Rio Del Oro Specific Plan area. Said grading activities would be allowed to proceed prior to completion of the Tier II entitlements still required by the project. The applicant and City would continue working on the Tier II entitlements and bring them to completion within a reasonable time following the start of grading activities. FILE: DD8403 LOCATION: 1,516 acres south of White Rock Road, North of Douglas Road, and east of Sunrise Boulevard PLANNER: Jessica Jordan	

RECOMMENDATION

Introduce and waive first reading of Ordinance 9-2015.

RESULT OF RECOMMENDED ACTION

Adoption of Ordinance 9-2015 would allow for grading to begin within the areas identified on the grading exhibit included within the Development Agreement Amendment. Allowing grading at this time would give the developers the opportunity to begin project grading work while the City and developers complete the remaining Tier II entitlements for the project.

BACKGROUND

The Rio del Oro Specific Plan was approved by the City Council in September 2010. The approval established a two tiered system whereby, the Council approved the Specific Plan and Tier 1 Development Agreement and deferred the completion of Tier II entitlements.

The applicant submitted an application and materials in November 2013 to pursue the completion of Tier II entitlements, which include: a Finance Plan; Phasing Plan; Large Lot Tentative Subdivision Map; Affordable Housing Plan; and, a Tier II Development Agreement. Additionally, the application included a request for minor amendments to the Specific Plan to address some changes in City policy related to high density housing and open space requirements that have occurred since 2010.

Staff and the applicant have been diligently working on the Tier II entitlements and anticipate being prepared to bring them forward for Council consideration in the near future. However, in the meantime, the project team believes that providing the applicant with the opportunity to begin grading within a certain area of the specific plan prior to the formal approval of the Tier II entitlements will benefit the overall success of the project.

PROJECT ANALYSIS

The Development Agreement Amendment will allow limited grading within Phases 1, 2, and 5 of the Specific Plan area as indicated in Figure 1 below.

Figure 1: Rio Del Oro Location of Initial Grading

The applicant is working with staff to satisfy the existing mitigation measures and grading permit requirements that must be met prior to issuance of the grading permit for this initial effort. The

Tier II entitlements continue to move forward and are likely to be ready for Council consideration within the near future.

ENVIRONMENTAL ANALYSIS

The Rio Del Oro Environmental Impact Report (EIR)/Environmental Impact Statement (EIS) was certified in September 2010 by the Rancho Cordova City Council (SCH#2003122057). The Development Agreement Amendment to the Rio Del Oro Specific Plan is an activity within the scope of the Rio Del Oro EIR/EIS and no further environmental review is required. Further environmental review is not required because the proposed Development Agreement Amendment does not meet the criteria for preparing a subsequent EIR or Negative Declaration under State CEQA Guidelines Section 15162.

First, the proposed amendment does not constitute a substantial change to the existing Rio Del Oro Specific Plan due to the fact that it is limited in nature. The Rio Del Oro EIR/EIS analyzed the impacts of grading the entire project site by phase where development activities would occur and included mitigation measures to reduce grading impacts to the furthest extent feasible. Mitigation measures relating to grading impacts will be enforced as they would be for any phase of the project. Allowing grading activities to occur prior to approval of Tier II entitlements would have no effect on the analysis and disclosures contained in the EIR/EIS. Therefore, the amendment would not cause a new significant impact or substantially increase the severity of a previously identified significant impact from the Rio Del Oro EIR/EIS (State CEQA Guidelines Section 15162[a][1]) that would require major revisions to the Rio Del Oro EIR/EIS. All impacts would be equivalent to the impacts previously analyzed in the Rio Del Oro EIR/EIS.

Second, the City is not aware of any substantial changes in the circumstances that would cause a new significant impact or substantially increase the severity of a previously identified significant impact requiring major revisions to the Rio Del Oro EIR/EIS (State CEQA Guidelines Section 15162[a][2]). There have been no changes in the environmental conditions in the Rio Del Oro Specific Plan Area not contemplated and analyzed in the EIR/EIS that would result in new or substantially more severe environmental impacts.

Third, there is no new information of substantial importance (which was not known or could not have been known at the time of the Rio Del Oro Specific Plan adoption in September 2010) that identifies: a new significant impact (condition "A" under State CEQA Guidelines Section 15162[a][3]); a substantial increase in the severity of a previously identified significant impact (condition "B" State CEQA Guidelines Section 15162[a][3]); mitigation measures or alternatives previously found infeasible that would now be feasible and would substantially reduce one or more significant effects of the Specific Plan; or mitigation measures or alternatives which are considerably different from those analyzed in the Rio Del Oro EIR/EIS which would substantially reduce one or more significant effects on the environment (conditions "C" and "D" State CEQA Guidelines Section 15162[a][3]). None of the "new information" conditions listed in the State CEQA Guidelines Section 15162[a][3] are present here to trigger the need for a subsequent EIR.

Further environmental review is not required because the proposed Development Agreement Amendment does not meet the criteria for preparing a subsequent EIR or Negative Declaration under State CEQA Guidelines Section 15162.

STAFF RECOMMENDATION

Staff recommends the City Council introduce and waive the first reading of Ordinance ##-2015 finding the project is not subject to further environmental review under State CEQA Guidelines Section 15162 and approving the Rio Del Oro Development Agreement Amendment – DD8403.

CITY OF RANCHO CORDOVA

ORDINANCE NO. 9-2015

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
AMENDING THE TIER 1 DEVELOPMENT AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND ELLIOTT HOMES, INC.
FOR THE RIO DEL ORO PROJECT**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:**Section 1. Recitals**

WHEREAS, on September 7, 2010 and September 20, 2010, the City approved various items related to the Rio del Oro Specific Plan, a mixed use development on a total of approximately 3,828 acres northeast of Sunrise and Douglas Boulevards. One of those approvals was a Tier 1 Development Agreement for the 1,516-acre Elliott Homes ("Elliott") portion of the Rio del Oro property ("Original Development Agreement"); and

WHEREAS, on December 6, 2010, the City Council approved ordinance 33-2010 making a technical amendment to the approved Development Agreement; and

WHEREAS the Tier 1 Development Agreement broadly defines the term "Development Activity" to include, among other activities, "grading" and provides that "Development Activity shall occur on the Elliott Property only following approval of Tier 2 Entitlements as further provided in Section 7 hereto."

WHEREAS, Elliot has requested a second amendment to its Tier 1 Development Agreement to redefine "Development Activity" so as to not include grading within a delineated portion of the northwest quadrant of the property within the meaning of "Development Activity"; and

WHEREAS, all environmental impacts were reviewed and addressed at the time the Original Development Agreement was approved. An Environmental Impact Report/Environmental Impact Statement ("EIR/EIS") was prepared for the Project and circulated in accordance with the requirements of the California Environmental Quality Act ("CEQA") and the National Environmental Protection Act (NEPA). All recitals and findings of determination in Ordinance 16-2010, which adopted the Development Agreement on September 20, 2010, are still accurate and relevant to the attached Second Amendment to the Development Agreement and are incorporated herein by this reference; and

WHEREAS, in accordance with Government Code section 65867, the Rancho Cordova City Council held a noticed public hearing on June 1, 2015 to consider approval of the Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., attached hereto as **Exhibit A**; and

WHEREAS, the public hearing was noticed in accordance with the requirements set forth in Government Code section 65090 and 65091.

ATTACHMENT 1**Section 2. Findings and Determination**

On the basis of (a) the foregoing Recitals, which are incorporated herein, (b) the Rio del Oro Specific Plan, (c) the City of Rancho Cordova's General Plan, (d) the Environmental Impact Report for the Rio del Oro project, and (e) on the basis of the specific conclusions set forth below, the City Council finds and determines that:

A. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott is consistent with the objectives, policies, general land uses and programs specified and contained in the City's General Plan, in that:

In accordance with Government Code section 65867.5(b), the Amended Tier 1 Development Agreement is consistent with the City's General Plan. The Amended Tier 1 Development Agreement does not change any development rights of Elliott which were granted by the Original Development Agreement which was approved by the City Council on September 20, 2010. The Amended Tier 1 Development Agreement still vests Elliott's right to proceed with development of the property in accordance with the Rio del Oro Specific Plan which is consistent with the City's General Plan. The Amended Tier 1 Development Agreement does not amend or revise the development standards in the Rio Del Oro Specific Plan. Therefore, the Amended Tier 1 Development Agreement will be consistent with the General Plan. As required by Government Code section 65867.5(b), the City Council finds that the Amended Tier 1 Development Agreement, which vests development under the Specific Plan, is consistent with the City's General Plan. The findings and evidence to support this General Plan consistency determination is set forth, and incorporated herein by reference, in Ordinance 16-2010, which adopted the Original Development Agreement.

B. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., is consistent with the Rio Del Oro Specific Plan, in that the development standards under the Rio Del Oro Specific Plan are incorporated into and vested by the Amended Tier 1 Development Agreement. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., does not amend or alter the development standards under the Rio Del Oro Specific Plan.

C. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., is compatible with the uses authorized in, and the regulations prescribed for, the land use area in which the real property is located in that the project approvals include the Rio del Oro Specific Plan.

D. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., is in conformity with public convenience, general welfare and good land use policies in that it will implement land use guidelines set forth in the General Plan, which have planned for mixed-use development, consisting of both residential and commercial uses at this location.

E. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., will not be detrimental to the health, safety and general welfare in that the Rio del Oro project will proceed in accordance with all the programs and policies of the General Plan and Rio del Oro Specific Plan. The impacts of the development on existing land uses, public services and the environment have been evaluated and mitigated through the CEQA process, except for those impacts found to be significant and unavoidable for which the City Council adopted a Statement of Overriding Considerations as part of their original approval of the Rio del Oro EIR/EIS on September 7, 2010.

ATTACHMENT 1

F. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., will not adversely affect the orderly development of property or the preservation of property values in that the project will be consistent with the General Plan.

G. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc., is consistent with the provisions of Government Code sections 65864 through 65869.5 in that it includes all the substantive elements, and have been processed consistent with, all the procedural requirements of Government Code sections 65864 through 65869.5.

Section 3. CEQA Compliance

The Rio Del Oro Environmental Impact Report (EIR)/Environmental Impact Statement (EIS) was certified in September 2010 by the Rancho Cordova City Council (SCH#2003122057). In addition to this certification, the City Council, pursuant to Resolution No. 92-2010 adopted environmental findings pursuant to CEQA guidelines section 15091, adopted a statement of overriding considerations, and adopted a mitigation monitoring plan for the Rio del Oro project, including the two Tier 1 Development Agreements, prior to approval of the Development Agreements.

The only difference between the Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc. and the originally approved Tier 1 Development Agreement is that the amendment advances the date when grading may occur on a portion of the northwest quadrant of the property. Said grading activities were fully analyzed and for which mitigation measures were imposed by and in the certified EIR for the Project. The Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc. will, therefore, not result in any additional direct physical change in the environment over what was analyzed in the certified EIR.

The Development Agreement Amendment to the Rio Del Oro Specific Plan is an activity within the scope of the Rio Del Oro EIR/EIS and no further environmental review is required. Further environmental review is not required because the proposed Development Agreement Amendment does not meet the criteria for preparing a subsequent EIR or Negative Declaration under State CEQA Guidelines Section 15162.

Section 4. Approval

The City Council hereby approves the Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc. (**Exhibit A**).

Section 5. Recordation

Within ten (10) days after the Second Amendment to the Tier 1 Development Agreement between the City and Elliott Homes, Inc. is executed by the City Manager, the City Clerk shall submit the Agreement to the County Recorder for recordation.

Section 6. Severability

If any provision of this Ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the

ATTACHMENT 1

provisions of this Ordinance are severable. This City Council declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance be enforced.

Section 7. Effective Date

Within fifteen (15) days after adoption, a Summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code Section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its inception.

**SECOND AMENDMENT TO THE TIER 1 DEVELOPMENT AGREEMENT BY
AND BETWEEN THE CITY OF RANCHO CORDOVA AND ELLIOTT HOMES,
INC. RELATIVE TO THE RIO DEL ORO PROJECT**

This Second Amendment to the Tier 1 Development Agreement ("Second Amendment") is entered into this ____ day of _____ 2015, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City") and ELLIOTT HOMES INC., an Arizona corporation ("Elliott"), pursuant to the authority of Government Code section 65864 et.seq. relating to Development Agreements. City and Elliott are hereinafter collectively referred to as the "Parties" and singularly as "Party."

RECITALS

A. On September 20, 2010, the City approved various items related to the Rio del Oro Specific Plan, a mixed use development on a total of approximately 3,828 acres northeast of Sunrise and Douglas Boulevards ("Property"). One of those approvals was a Tier 1 Development Agreement for the 1,516-acre Elliott Homes portion of the Rio del Oro property ("Development Agreement").

B. Shortly after approval of the Development Agreement, the parties approved a First Amendment to make a technical amendment to the approved Development Agreement relating to Elliott Homes as the holder of an option to acquire the property subject to the Development Agreement from two other Elliott entities, Elliott Whiterock, LLC and Stonecreek Industrial, LLC.

C. Elliot Homes and the City are currently negotiating the terms of a Tier 2 Development Agreement which Tier 2 Development Agreement will enable Elliot to commence development of the Property. Pending action on the Tier 2 Development Agreement, Elliot has sought permission from the City to commence grading of the northwest quadrant of the Property. The City's approval of that request prior to approval of the Tier 2 Development Agreement requires this Second Amendment.

D. All environmental impacts have been reviewed and addressed at the time the original Development Agreement was approved. An environmental impact report/environmental impact statement (EIR/EIS) was prepared for the Rio del Oro Specific Plan for purposes of compliance with the National Environmental Policy Act (NEPA) and the California Environmental Quality Act (CEQA).

E. In compliance with the California Environmental Quality Act, on September 7, 2010, the Rancho Cordova City Council, pursuant to Resolution No. 92-2010 certified the EIR, adopted environmental findings pursuant to CEQA guidelines section 15091, adopted a statement of overriding considerations, and adopted a mitigation monitoring plan for the Rio del Oro project, including the two Tier 1 Development Agreements, prior to approval of the Development Agreements.

F. All recitals and findings of determination in Ordinance 16-2010, which adopted the Development Agreement on September 20, 2010, are still accurate and relevant to the Amendment.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and pursuant to Government Code §65868, the Parties hereby agree to amend the Development Agreement as follows:

AGREEMENT

1. The definition of "Development Activity" set forth in Section 3 of the Agreement is revised in full to read as follows:

Development Activity expressly does not include: (a) any development, construction or land use authorized by laws regulations, plans, policies or permits, of the City applicable to the Property that were in effect prior to the effective date of the Rio del Oro Specific Plan and the other Tier 1 Entitlements, including without limitation, Rio del Oro Mining Permit pertaining to Assessor's Parcel No. 072-0370-070-000 (now Assessor's Parcel Nos. 072-0370-102-000, 072-0370-103- 000, 072-0370-104-000, and 072-0370-105-000) and associated reclamation activities issued to Granite Construction Company (b) activities necessary to fill "waters of the United States," as defined by then applicable federal law and pursuant to a valid and unexpired Section 404 permit for the Property; (c) any work of any nature that Aerojet or the Boeing Company may be required or authorized to conduct by local, state or federal regulatory agencies, in

connection with the McDonnell Douglas Inactive Rancho Cordova Test Site (IRCTS), including, by way of example and not by way of limitation, orders, consent decrees, waste discharge requirements, monitoring/reporting program orders and any amendments thereto that have been issued or may in the future be issued by the California Department of Toxic Substance Control (DTSC), United States EPA, United States Fish and Wildlife Service, United States Army Corps of Engineers, and/or the Central Valley Regional Water Quality Control Board, pertaining to, arising out of or related to soil and groundwater remediation, endangered species mitigation, wetlands mitigation, or any other similar activity required or authorized by said local, state or federal regulatory agencies; and (d) grading limited to that approximately 170 acre portion of the northwest corner of the Elliott Project identified as Phase 1 on Exhibit A of this Second Amendment.

2. All other terms and conditions in the Development Agreement shall remain in full force and effect to the extent they are not in conflict with this Second Amendment

3. This Second Amendment may be executed in multiple counterparts, each of which shall be deemed an original, but all of which, together, shall constitute one and the same instrument.

AGENDA ITEM 9.3

MEMORANDUM

DATE: June 1, 2015

TO: Honorable Mayor and Council Members

FROM: Brian Nakamura, City Manager

SUBJECT: UPDATE ON MEASURE “H” IMPLEMENTATION

RECOMMENDATION

Provide preliminary direction to staff regarding the up-coming implementation of Measure “H”.

BACKGROUND

On January 6 and 7, 2015, the City Council conducted a two day retreat regarding the future implementation of the recently voter approved Measure “H”. The funds generated are anticipated to equate to \$7 million annually for meaningful and purposeful public services and programs that enhance and improve our community’s quality of life. These funds can be used to address community and economic development matters, policing, recreation and parks, and public works infrastructure and/or operations.

A key component for the implementation of Measure “H” identified by the City Council was the desire to “go to the people” and hear what types of projects and services the citizens of Rancho Cordova would use the funds for. As a result, the City conducted sixteen (16) Town Hall meetings during the months of March and April where a total of approximately 500 people were asked the following questions:

- 1) What are the short term projects that could enhance your neighborhood or City in the next 1-3 years; and,
- 2) What are your dreams for the City 10 years from now, and what projects could get us there?

These meetings produced many great suggestions and ideas for the enhancement of the community. Every idea that was presented at the individual meetings was recorded and placed on the City’s web page for anyone to follow the City’s progress with the Town Hall meetings. A complete summary of all comments received is included as Attachment 1 to this memo. This summary groups all ideas received into a number of different categories including: arts and culture; children and youth; civic engagement; community pride; infrastructure; public safety; quality of life, along with the number of times they were mentioned at all meetings. This list was further refined into the summary provided in Attachment 2 which attempts to simplify the list of numerous projects into clearer themes. As you will see from these two documents, the citizens of Rancho Cordova have many great ideas for the enhancement of their respective neighborhoods and for the improvement of the overall community.

While many of the projects and ideas on Attachment 1, would more than likely be implemented by either the City or a private developer, there were also other projects that were proposed by individuals, community groups, organizations and businesses that are interested in investing in the community. To assist these projects, the City Council established a Measure “H” Grant application process, where people could apply for Measure “H” funds to implement their plan, program, or project. As part of this grant process, the City Council established the following set of draft criteria to guide the City’s evaluation and selection of projects to receive Measure “H” funds:

- Community Pride - The project should create pride by making residents happy to call Rancho Cordova their home.
- Civic Engagement - Projects should promote opportunities for civic engagement because the City views stakeholder involvement as crucial to citywide success.
- Quality of Life - The City encourages projects that provide a socio or economic benefit to the City by promoting community relations, residents’ well-being, attracting new businesses and providing jobs for the City.
- Public Safety - Attention is given to improving public safety to promote the welfare of our community.
- Arts and Culture - The City continues to seek projects that support the arts as a positive outlet for self-discovery and inquiry.
- Children and Youth - The City seeks projects that support the growth and development of children and youth.

To assist the community with the proposed grant process, the City conducted two grant application workshops on April 20th where anyone who was interested in applying for a grant could ask questions about the process and their project or plan. An estimated total of 25 individuals attended these workshops. Of those in attendance, some people were there to inquire about their own project, while others were there to recommend improvement projects that they were hoping the City would undertake (i.e., street improvements, lighting).

Now that the public outreach component has been completed, staff has been preparing to assist the City Council with the implementation of the Measure “H” program. This includes planning for among other things: the administration and community grant application processing components of the program. To assist the Council with organizing and implementing the program, staff has included a variety of questions below for the Council’s consideration. The answers to these questions will likely help create a structure for the on-going implementation of the program.

Program Administration

- How should the funds be divided? Should there be a portion of the funds allocated to community grants, and/or legacy projects?
- Should a specific amount or pre-defined percentage be designated for community grants?
- Should a “reserve” account be established in order to fund large future projects?
- Should the funding be used to augment services funding (or used to leverage existing services funds)?
- Should a portion of the funds be used to leverage additional monies (i.e., increased bonding capacity)?
- How often will the funds be programmed: annually, biannually (aligned with the City budget) or with a long term basis (i.e., five year Capital Improvement Plan)?
- Will a cap be established for projects (public and/or private)?
- How are the projects from the list provided in Attachment 1 (Town Hall project summaries) included in future funding discussions?

Community Grant Process

- Is the draft criteria previously established by the Council for the grant selection process still appropriate for evaluating future applications?
- What is the project selection process? Should the projects that address more of the selection criteria be scored higher? Are short-term projects more preferable than long-term projects?
- Who comprises the application “evaluation committee”?
- For larger/more involved construction projects, what level of plans and studies are needed in order to evaluate future success?
- How are projects managed and tracked to ensure proper use of funds?
- Should the City create a grant administrator and/or project manager position(s) to handle the development of projects, as well as the necessary tracking and reporting of the grant application process?
- How often will the funds for Community Grants be programmed: annually, biannually (aligned with the City budget) or with a long term basis (i.e., five year Capital Improvement Plan)?
- Is there a time limit for start and completion of projects once funds are awarded?

While there is no one way to structure an implementation program for something like Measure “H”, the City did research if there were any existing models to evaluate. The most comparable example found was the City of Vallejo who recently passed Measure “B” in 2011. This measure was comprised of a one percent sales tax that is to be used “to solve issues and concerns identified by residents and the City Council within the City”. For your reference, Attachment 3 provides a summary of how the City of Vallejo allocated their sales tax funds to different programs in their most recent budget.

NEXT STEPS

At the recent Council retreat, specific dates were established for the inaugural implementation of the Measure “H” program. The Council set June 1st as the submittal deadline for Community Grant applications and June 15th as the date for bringing the applications to the Council for consideration. Depending on the number of applications received, Staff could be prepared to bring forward the applications to Council at their June 15th meeting for consideration. However, based on all of the discussion points previously identified regarding the creation of the structure for the program, staff is recommending that the June 15th City Council meeting be used to first discuss and establish the structure for the Measure “H” implementation program.

Once the Council has created the very important structure for the program, staff can then bring forward the evaluations of the Community Grant applications for the Council's consideration at a subsequent Council meeting.
