## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Cyrus Abhar, Public Works Director  
Elizabeth Sparkman, Senior Engineer

**SUBJECT: RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR RANCHO CORDOVA ROAD MAINTENANCE ASSESSMENT DISTRICT**

### RECOMMENDATION

That Council:

- a) Adopt Resolution No. 86-2013 initiating proceedings for the annual levy and collection of assessments, declaring its intention to levy the annual assessments and preliminarily approving the Engineer's Report for the Rancho Cordova Road Maintenance Assessment District for Fiscal Year 2013-2014; and
- b) Adopt Resolution No. 87-2013 amending and/or approving the Annual Engineer's Report and ordering the levy and collection of assessments within the Rancho Cordova Road Maintenance Assessment District for Fiscal Year 2013-2014.

### RESULT OF RECOMMENDED ACTION

Adoption of these resolutions will authorize the continuance of the annual levy and collection of assessments in the District. The assessments provide funding for street light and road maintenance and only apply to specific newly developed areas that are part of the District as identified in the Engineer's Report.

### BACKGROUND

The Rancho Cordova Road Maintenance Assessment District (hereinafter "the District") was formed in June 2006 by the City Council. The purpose was to create a financial mechanism to provide street and street lighting operations and maintenance services for public improvements created as a result of new development.

State law requires the City to hold a public hearing prior to the approval of the proposed assessment rates and the levy of the annual assessment. An Engineer's Report showing the proposed assessment rates has been prepared, placed on file with the City Clerk, a copy of which is attached as **Exhibit A** to the Resolutions.

Through adoption of **Resolution No. 86-2013 (Attachment 1)**, the City is initiating the proceedings for the annual levy and collection of assessments and caused the preparation of

the Engineer's Report and preliminarily approves the Engineer's Report, declaring its intention to levy the annual assessments for Fiscal Year 2013-2014. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report prepared by Harris & Associates includes diagrams of the assessment areas, a description and costs estimates of the operations and maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by the District include ongoing maintenance, operation and street improvements and related street lighting and related facilities at the locations described in the Engineer's Report. The proposed assessments per Zone for Fiscal Year 2013-2014 are shown in Table 1 below:

**Table 1**

2. Resolution No. 87-2013 including Engineer's Annual Levy Report (Exhibit A).

**ATTACHMENT 1****RESOLUTION NO. 86-2013**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF  
ASSESSMENTS, DECLARING ITS INTENTION TO LEVY THE ANNUAL  
ASSESSMENTS AND PRELIMINARILY APPROVING THE ENGINEER'S REPORT  
FOR THE RANCHO CORDOVA ROAD MAINTENANCE ASSESSMENT DISTRICT  
FOR FISCAL YEAR 2013-2014 PURSUANT TO THE BENEFIT ASSESSMENT  
ACT OF 1982**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, the City Council by previous action and resolutions formed the "Rancho Cordova Road Maintenance Assessment District (hereafter referred to as the "District") pursuant to the Benefit Assessment Act of 1982, Chapter 6.4, Division 2, Title 5 of the Government Code of the State of California commencing with Section 54703 (hereafter referred to as the "Act"); for the purposes of levying annual assessments upon benefiting properties within the District for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

**WHEREAS**, in May of 2006, an Engineer's Report (hereafter referred to as the "Formation Report") was prepared, filed and subsequently approved by the City Council in connection with the District and the levy of said assessments, pursuant to Section 54716 of said Act; and

**WHEREAS**, on June 19, 2006, the City Council conducted property owner protest proceedings relating to the improvements and services described in the Formation Report and the levy and collection of annual assessments and an annual assessment rate inflator formula related thereto in accordance with the provisions of the California Constitution Article XIIID; and

**WHEREAS**, the City Council has retained Harris & Associates as the Engineer of Work for the purpose of assisting with the annual levy of the District, and to prepare and file an Engineer's Report (hereafter referred to as the "Engineer's Report" or the "Report") with the City Clerk; and

**WHEREAS**, the Engineer of Work has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, the Engineer's Report, which describes the assessments against the parcels of land within the District for the fiscal year commencing July 1, 2013 and ending June 30, 2014 to pay for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

**WHEREAS**, this City Council has carefully examined and reviewed the Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

**WHEREAS**, The City Clerk has given notice that a Public Hearing on these matters is to be held by the City Council on Monday, July 15, 2013 at 5:30 pm, or as soon thereafter as feasible, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California by causing the publishing of such notice once in a local newspaper for two consecutive

**ATTACHMENT 1**

weeks not less than ten (10) days before the date of the hearing, and by posting a copy of such notice on the official bulletin board customarily used by the City Council for the posting of notices.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, THE LEGISLATIVE BODY FOR SAID DISTRICT, AS FOLLOWS:**

**Section 1:** The above recitals are all true and correct.

**Section 2:** The Report as presented, consists of the following:

- a. A Description of Improvements.
- b. A Description of the District.
- c. The proposed Annual Budget for the fiscal year (Costs and Expenses).
- d. The Method of Apportionment that details the method of calculating each parcel's proportional special benefits and annual assessment.
- e. The District boundaries.
- f. The Preliminary Assessment Roll containing the Levy for each Assessor Parcel Number within the District proposed for Fiscal Year 2013-2014.

**Section 3:** The proposed assessments as outlined in the Report have been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed within the District, and are in compliance with the Act and the provisions of California Constitution Article XIID.

**Section 4:** The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

**Section 5:** The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.

**Section 6:** The City Council hereby declares its intention to seek the annual levy of the District assessments for Fiscal Year 2013-2014, pursuant to the Act, over and including the land within the District boundaries to pay the costs of the maintenance, operation and servicing of streets, street lights, facilities related thereto and other improvements, as more fully described in the Report.

**Section 7:** The boundaries of the District are described in the Report and include the parcels within the District at the time of the Resolution of Intention as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.

**Section 8:** The proposed assessments for Fiscal Year 2013-2014 do not exceed the maximum assessment approved through the property owner protest proceedings during the formation of the District.

**Section 9:** The City Clerk has given proper notice of the time and place of the public hearing regarding these matters.

## RESOLUTION NO. 87-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
AMENDING AND/OR APPROVING THE ANNUAL ENGINEER'S REPORT AND  
ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS WITHIN  
THE RANCHO CORDOVA ROAD MAINTENANCE ASSESSMENT DISTRICT  
FOR FISCAL YEAR 2013-2014 PURSUANT TO THE PROVISIONS OF  
THE BENEFIT ASSESSMENT ACT OF 1982**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, the City Council has, by previous Resolution, declared its intention to levy assessments within the Rancho Cordova Road Maintenance Assessment District (hereafter referred to as the "District"); and

**WHEREAS**, the Engineer selected by the City Council has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, an Engineer's Report (hereafter referred to as the "Engineer's Report" or the "Report"), attached as **Exhibit A**, that describes the assessments against the parcels of land within the District for the fiscal year commencing July 1, 2012 and ending June 30, 2013 to pay for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

**WHEREAS**, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein, and finds that the levy of assessments has been spread in accordance with the special benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said the Report; and

**WHEREAS**, the City Council and its legal counsel have reviewed Proposition 218 and found that these assessments comply with applicable provisions of Article XIIID of the California State Constitution; and

**WHEREAS**, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these assessments onto the County roll and tax bills for the City of Rancho Cordova; and

**WHEREAS**, the City Council desires to levy and collect assessments against parcels of land within the District for the Fiscal Year commencing July 1, 2013 and ending June 30, 2014, to pay the costs and expenses of operating, maintaining and servicing the improvements and appurtenant facilities located within the District; and

**WHEREAS**, it is the City's intention to conduct a public hearing concerning the levy of assessments for the District; and

**ATTACHMENT 2**

**WHEREAS**, the City Clerk has given notice that a Public Hearing on these matters is to be held by the City Council on Monday, July 15, 2013 at 5:30 p.m., or as soon thereafter as feasible, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California by the publishing of such notice once in a local newspaper for two consecutive weeks not less than ten (10) days before the date of the hearing, and by posting a copy of such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

**NOW, THEREFORE BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE DISTRICT, AS FOLLOWS:**

**Section 1:** Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of assessments, the Engineer's Report prepared in connection therewith, and considered any oral and written statements, protests and communications made or filed by interested persons regarding these matters.

**Section 2:** The City Council finds the proposed assessments for Fiscal Year 2013-2014 are consistent with the assessment methodology and rates approved through the balloting proceedings.

**Section 3:** That the Engineer's Report is hereby approved (as amended) and is ordered to be filed in the office of the City Clerk as a permanent record and to remain open to public inspection, the City Council hereby finds and determines that:

- a) The land and eligible parcels within the boundaries of the District will receive a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large from the operation, maintenance and servicing of the improvements and appurtenant facilities identified in the Engineer's Report (hereinafter referred to as "Special Benefit"); and
- b) The District includes the lands and parcels receiving such Special Benefit; and
- c) The net amount to be assessed upon the lands within the District is in accordance and apportioned by a formula and method which fairly distributes the net amount among eligible parcels in proportion to the special benefit to be received by each parcel from the improvements and services for the fiscal year commencing July 1, 2013 and ending June 30, 2014.

**Section 4:** The Engineer's Report and assessment as presented to the City Council and on file in the office of the City Clerk comply with the applicable provisions of the California State Constitution Article XIID and are hereby confirmed as filed.

**Section 5:** The maintenance, operation and servicing of the improvements shall be performed pursuant to the provisions of the *Benefit Assessment Act of 1982, Title 5, Division 2, Part 1, Chapter 6.4 of the Government Code of the State of California Commencing with section 54703* (hereafter referred to as the "Act"). The City Council hereby orders the proposed improvements to be made, which improvements are briefly described as the ongoing maintenance, operation of street improvements and appurtenant facilities, street lighting and appurtenance facilities related thereto located within the District

**ATTACHMENT 2**

boundaries, the City of Rancho Cordova, and the jurisdiction of the City Council. A more detailed description of the improvements is contained within the Engineer's Report.

**Section 6:** The County Auditor of Sacramento County shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to the provisions provided in the Act. After collection by the County, the net amount of the levy shall be paid to the Treasurer of the City of Rancho Cordova.

**Section 7:** The adoption of this Resolution constitutes the District levy for the fiscal year commencing July 1, 2013 and ending June 30, 2014.

**Section 8:** The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the District and such money shall be expended only for the maintenance, operation and servicing of the improvements as described in Section 5.

**Section 9:** Harris & Associates is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Harris & Associates within two weeks of adoption via either e-mail to DAnderson@harris-assoc.com or US Mail to: Harris & Associates, 34 Executive Park, Suite 150, Irvine, CA 92614-4705 Attn: Dennis Anderson.

**Section 10:** That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of, any modification to and final confirmation of the Report.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova this \_\_\_\_\_ day of \_\_\_\_\_, 2013, by the following vote:

# Engineer's Report

---

for the

## Road Maintenance Assessment District (Fiscal year 2013-14)

*Prepared under the provisions of the  
Benefit Assessment Act of 1982*

For the

**CITY OF RANCHO CORDOVA**  
Sacramento County, California

July 3, 2013

**CITY OF RANCHO CORDOVA**  
**FISCAL YEAR 2013-14**  
**ENGINEER'S REPORT**  
**PREPARED PURSUANT TO THE PROVISIONS OF THE**  
**BENEFIT ASSESSMENT ACT OF 1982**  
**ARTICLE 4, CHAPTER 6.4**  
**OF THE CALIFORNIA GOVERNMENT CODE**

Pursuant to Part 1, Division 2 of Title 5 of the Government of the State of California, and in accordance with the Resolution of Initiation adopted by the City Council of the City of Rancho Cordova, State of California, in connection with the proceedings for:

**CITY OF RANCHO CORDOVA**  
**ROAD MAINTENANCE ASSESSMENT DISTRICT**

Hereinafter referred to as the "Assessment District" or "District", I, K. Dennis Klingelhofer, P.E., the authorized representative of Harris & Associates, the duly appointed ASSESSMENT ENGINEER, submit herewith the "Report" consisting of five (5) parts as follows:

**PART A**  
**PLANS AND SPECIFICATIONS**

Plans and specifications for the existing and ultimate improvements are as set forth on the lists thereof, attached hereto, and are on file in the Office of the City Engineer and are incorporated herein by reference.

**PART B**  
**ESTIMATE OF COST**

The estimated cost to be funded by the District for the operation, servicing and maintenance of the improvements for fiscal year 2013-14, including incidental costs and expenses in connection therewith.

**PART C**  
**METHOD OF APPORTIONMENT**

The method of apportionment of assessments indicates the proposed assessment of the net amount of the costs and expenses of the maintenance and/or servicing of the existing and ultimate improvements to be assessed upon the several lots and parcels of land within the Assessment District in proportion to the estimated special benefits to be received by such lots and parcels.

**PART D  
COST OF LIVING ADJUSTMENT**

Each year, the Road Maintenance Assessment District increases cost estimations based on the annual change in the Construction Cost Index (CCI) as presented by Engineering News Record (ENR) Magazine. Part D shows the adjustment to the Maximum Assessment Rate.

**PART E  
BOUNDARY MAP**

The Boundary Map, which shows the exterior boundaries of the Assessment District, the boundaries of any zones within the Assessment District and the lines and dimensions of each lot or parcel of land within the Assessment District, is attached hereto and is incorporated herein by reference and is on file in the Office of the City Clerk.

The lines and dimensions of each lot or parcel within the Assessment District are those lines and dimensions shown on the maps of the Assessor of the County of Sacramento for the fiscal year to which this Report applies. The Assessor's maps and records are incorporated by reference herein and made part of this Report.

**PART F  
ASSESSMENT ROLL**

An assessment of the estimated cost of maintenance and/or servicing of the existing improvements on each benefited lot or parcel of land within the Assessment District for the fiscal year to which this report applies are on file in the Office of the City Clerk and incorporated herein by reference.

The undersigned respectfully submits the enclosed report as directed by the City Council. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

## EXECUTIVE SUMMARY

### I. Introduction

The Benefit Assessment Act of 1982 (hereinafter referred to as the "1982 Act") permits the establishment of assessment districts by cities for the purpose of providing certain public improvements which include the maintenance and operation costs of streets and street lighting services.

Annual assessments through the District will fund the operation, servicing and maintenance of the District's streets and street lighting improvements, as described herein, for fiscal year 2013-14, including incidental costs and expenses in connection therewith.

This Engineer's Report provides the formula to be used to determine the costs of providing these services and the methodology used to levy the assessments to the parcels within the District to fund the costs.

### II. Formation Overview

The City Council, pursuant to the 1982 Act, and in accordance with Article XIID of the California Constitution ("Article XIID"); and the Proposition 218 Omnibus Implementation Act, commencing with Section 53750 of the California Government Code (the "Implementation Act"), did on May 31, 2006, adopt Resolution 64-2006 initiating proceedings for the formation of the District.

On June 19, 2006, pursuant to the 1982 Act and Article XIID, the City Council conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and the levy of assessments. At the public hearing, property owner protest ballots received were tabulated and a majority protest did not exist for the proposed maximum assessments and the annual inflationary adjustment factor presented and described herein. The City Council adopted Resolution 93-2006, which approved the Engineer's Report, ordered the formation of the District, and approved the levy and collection of assessments.

## **PART A**

### **PLANS AND SPECIFICATIONS\**

#### **I. Description of District Boundaries**

The District consists of three noncontiguous zones: Zone 1, Zone 4, and Zone 5. Reference is made to the boundary maps shown in Part E of the Engineer's Report.

##### **Zone 1**

The location of Zone 1 and the "Capital Village" development is generally described as:

- Disk Drive and Data Drive as the northern boundary;
- Six hundred feet south on International Drive as the southern boundary;
- Zinfandel Drive as the westerly boundary; and
- Prospect Drive as the easterly boundary

##### **Zone 4**

The location of Zone 4 and the "Sundance" development, which consist of approximately 11.44 gross acres, is generally located in the southwest corner of Douglas Road and Sunrise Boulevard.

##### **Zone 5**

The location of Zone 5 and the "Anthology at Anatolia" development is generally described as:

- Douglas Road as the northern boundary
- Herodian Drive as the southern boundary
- The extension of Anatolia Drive as the approximate westerly boundary

The property owners of the proposed Zones 2 and 3 of the District withdrew their properties prior to the formation of the District.

#### **II. Description of District Facilities**

The District facilities, which have been constructed within the City, and those which may be subsequently constructed to be services and maintained are generally described below.

##### **Streets and Appurtenant Facilities**

Improvements include but are not limited to: sidewalks, curb and gutter, curb ramps, pavement, marking and striping, street furniture, traffic signs, hardscape, street monumentation, traffic signals, traffic signal interconnect and appurtenant facilities as required in public rights-of-way and dedicated easements within the boundaries of said District.

Maintenance means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the street improvements or appurtenant facilities including the replacement thereof, together with cleaning, sandblasting, and painting of the improvements to remove or cover graffiti.

Operating and servicing includes the furnishing of electric energy for the operation of traffic signals and controllers, together with the administration of all aspects of the maintenance within the District.

### Lighting and Appurtenant Facilities

Improvements include but are not limited to: poles and fixtures, bulbs, conductors, equipment including guys, anchors, posts and pedestals, metering devices, controllers and appurtenant facilities as required to provide lighting in public rights-of-way and dedicated easements within the boundaries of said District.

The public lighting system shall be maintained to provide adequate illumination. Electricity for streetlights shall be furnished and it shall be adequate for the intended purpose. Rates for power shall be those authorized by the California Public Utilities Commission.

Maintenance means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the public lighting improvements or appurtenant facilities including replacement thereof, together with the cleaning, sandblasting, and painting of light poles and other improvements to remove or cover graffiti.

Operating and servicing means the furnishing of electric energy for the public lighting improvements or appurtenant facilities, the operation of controllers and the administration of all aspects of the maintenance and the District.

The City will not maintain the streetlights until the streetlights are transferred to the City for maintenance from CSA No. 1.

The plans and specifications for the improvements, showing the general nature, location and the extent of the improvements, are on file in the office of the City Engineer and are by reference herein made a part of this report.

## PART B ESTIMATE OF COST

The City's budget for the operation, maintenance and servicing of streets and street lighting details the estimated costs for fiscal year 2013-14 as available at the time of preparation of this report, and includes reserves, engineering fees, legal fees, printing, mailing, postage, publishing, and all other related costs identified with the district proceedings.

Funds raised by the assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments or maintenance may be deferred to reduce the overall annual cost, which in turn would reduce the assessment, as the City Council deems appropriate annually.

Any balance or deficit remaining on July 1 must be carried over to the next fiscal year.

The following assumptions were used in developing the estimated costs:

| Street Maintenance                          | Base Year<br>Per Unit<br>Costs | Current Year<br>Per Unit<br>Costs |
|---------------------------------------------|--------------------------------|-----------------------------------|
| Streets (Local / Arterial)                  |                                |                                   |
| Slurry Seal - per square foot               | \$ 0.60                        | \$ 0.40                           |
| Overlay - per square foot                   | \$ 3.00                        | \$ 2.00                           |
| Alley/Aisle                                 |                                |                                   |
| Slab Replacement - per square foot          | \$ 9.00                        | \$ 9.00                           |
| Other Improvements                          |                                |                                   |
| Curb & Gutter Replacement - per linear foot | \$ 10.00                       | \$ 40.00                          |
| Sidewalk Replacement - per square foot      | \$ 21.00                       | \$ 15.00                          |
| Annual Traffic Signal Maint - each          | \$ 4,500.00                    | \$ 5,600.00                       |

| Street Light Maintenance                  | Base Year<br>Per Unit<br>Costs | Current Year<br>Per Unit<br>Costs |
|-------------------------------------------|--------------------------------|-----------------------------------|
| Single Fixture Annual Maint - each        | \$ 150.00                      | \$ 75.00                          |
| Double Fixture Annual Maint - each        | \$ 225.00                      | \$ 112.50                         |
| Single Fixture Capital Replacement - each | \$ 2,500.00                    | \$ 3,375.00                       |
| Double Fixture Capital Replacement - each | \$ 3,000.00                    | \$ 4,050.00                       |

The pavement unit cost above also includes the cost of re-marking and re-striping the roadway after pavement maintenance is complete.

| <u>Annual Capital Replacement (75 years)</u> |          |                |
| Double Fixture Street Lights                 | 12       | \$648          |
| Double Fixture Street Lights                 | 16       | 864            |
| Sub-Total                                    |          | \$1,512        |
| City Contribution for General Benefit        |          | (1,332)        |
| Sub-Total                                    |          | \$3,330        |
| Capital Reserve                              |          | 1,631          |
| Administration Expenses                      |          | 340            |
| Projected (Surplus) / Deficit July 1         |          | (1,589)        |
| Capital Expenditures                         |          | -              |
| <b>Total Lighting Area 2 Assessment</b>      |          | <b>\$3,712</b> |
| <b>Potential Maximum Assessment</b>          |          | <b>\$7,641</b> |

For a description of Benefit Areas see Part C of this report.

## ZONE 4 – SUNDANCE

### Street Maintenance FY 2013-14 Maximum Estimated Cost

| Description                                          | Amount       |
|------------------------------------------------------|--------------|
| Annual Street Maintenance - Sunrise Blvd             | \$ 5,425     |
| Traffic Signal Maintenance (0.25 Signals)            | 417          |
| Measure A & Gas Tax Contribution for General Benefit | (6,756)      |
| Sub-Total                                            | \$ (914)     |
| Capital Reserve                                      | \$956        |
| Administration Expenses                              | 1,074        |
| Projected (Surplus) / Deficit July 1                 | (\$932)      |
| Capital Expenditures                                 | -            |
| Annual Update of Pavement Management System          | 250          |
| <b>Total Assessment</b>                              | <b>434</b>   |
| <b>Potential Maximum Assessment</b>                  | <b>2,140</b> |

\* Quantities were estimated using the typical street sections and the lengths of the streets for the development as shown on the tentative subdivision map.

### Street Light Maintenance FY 2013-14 Maximum Estimated Cost

| Description                                               | Quantity | Amount     |
|-----------------------------------------------------------|----------|------------|
| Annual Maintenance - Single Fixture Street Lights         | 3.11     | \$234      |
| Annual Capital Replacement - Single Fixture Street Lights | 3.11     | \$140      |
| City Contribution for General Benefit                     |          | (293)      |
| Sub-Total                                                 |          | \$81       |
| Capital Reserve                                           |          | \$87       |
| Administration Expenses                                   |          | 83         |
| Projected (Surplus) / Deficit July 1                      |          | (85)       |
| Capital Expenditures                                      |          | -          |
| <b>Total Street Light Assessment</b>                      |          | <b>166</b> |
| <b>Potential Maximum Assessment</b>                       |          | <b>166</b> |

## ZONE 5 – ANTHOLOGY AT ANATOLIA

### Street Maintenance FY 2013-14 Maximum Estimated Cost

| Description                                          | Amount          |
|------------------------------------------------------|-----------------|
| <u>Annual Street Maintenance Costs</u>               |                 |
| Arterial Streets - Herodian Drive                    | \$3,720         |
| Local Streets                                        | 21,795          |
| Sub-Total                                            | \$25,515        |
| Traffic Signal Maintenance (0.5 Signals)             | 2,800           |
| Measure A & Gas Tax Contribution for General Benefit | (3,260)         |
| Sub-Total                                            | \$25,055        |
| Capital Reserve                                      | \$9,028         |
| Administration Expenses                              | 2,360           |
| Projected (Surplus) / Deficit July 1                 | (8,798)         |
| Capital Expenditures                                 | -               |
| Annual Update of Pavement Management System          | 200             |
| <b>Total Assessment</b>                              | <b>\$27,845</b> |
| <b>Potential Maximum Assessment</b>                  | <b>\$56,427</b> |

\* Quantities were estimated using the typical street sections and the lengths of the streets for the development as shown on the tentative subdivision map.

### Street Light Maintenance FY 2013-14 Maximum Estimated Cost

| Description                                               | Quantity | Amount         |
|-----------------------------------------------------------|----------|----------------|
| Annual Maintenance - Single Fixture Street Lights         | 16.42    | \$1,231        |
| Annual Capital Replacement - Single Fixture Street Lights | 16.42    | \$739          |
| City Contribution for General Benefit                     |          | (240)          |
| Sub-Total                                                 |          | \$1,730        |
| Capital Reserve                                           |          | \$814          |
| Administration Expenses                                   |          | 449            |
| Projected (Surplus) / Deficit July 1                      |          | (793)          |
| Capital Expenditures                                      |          | -              |
| <b>Total Street Light Assessment</b>                      |          | <b>\$2,200</b> |
| <b>Potential Maximum Assessment</b>                       |          | <b>\$4,682</b> |

## PART C METHOD OF APPORTIONMENT

### **I. INTRODUCTION**

The Benefit Assessment Act of 1982 (hereinafter referred to as the “1982 Act”) permits the establishment of assessment districts by cities for the purpose of providing certain public improvements which include the maintenance and operation costs of streets and street lighting services.

“Streets” as defined herein is based on the definitions provided by the Office of the Controller for the State of California in the *Guidelines Relating to Gas Tax Expenditures* published by the Division of Local Government Fiscal Affairs. The state’s gas tax program is administered in city agencies, but audited by the Office of the State Controller. The proceeds of the gas tax are statutorily limited to expenditures for streets and roads. Because the funds are restricted to street and road costs, the State Controller has developed “Street Purpose Definitions and Guidelines” based on the *Manual of Uniform Highway Accounting and Financial Management Procedures* developed by the American Association of State Highway Officials. “Streets”, as it relates to this District, is defined as the operation or maintenance of facilities within the right-of-way used for street or road purposes.

The 1982 Act requires that maintenance assessments be levied according to benefit. Section 54711 provides that the "amount of the assessment imposed on any parcel of property shall be related to the benefit to the parcel which will be derived from the provision of the service". Additionally, Section 54715(c) of the 1982 Act permits the designation of zones of benefit within any individual assessment district "on a parcel, class of improvement to property, or use of property basis, or a combination thereof". Thus, the 1982 Act requires the levy of a true "assessment" rather than a "special tax."

In addition, Proposition 218, which added Article XIID to the California Constitution, requires that a parcel’s assessment may not exceed the reasonable cost for the proportional special benefit conferred on that parcel. Article XIID provides that only special benefits are assessable and the City must separate the general benefits from the special benefits. It also requires that publicly owned properties which benefit from the improvements be assessed.

This report establishes the formula to be used to distribute the costs of providing the services described in this report to the benefiting parcels within the City.

### **II. BENEFIT ANALYSIS**

Proper maintenance and operation of the street improvements and street lights, together with other public improvements, provide special benefit to adjacent properties by providing access, security, safety, and community character and vitality.

#### **A. Street Maintenance**

1. **Special Benefit.** The operation, maintenance and servicing of improvements within the street right-of-way along local streets in close proximity to certain lots or parcels provides a special benefit to such lots or parcels by providing: 1) improved ingress and egress from such lots, 2) improved aesthetics, 3) improved local access for emergency vehicles, and 4) improved drainage. All parcels within the District receive special benefit from the street maintenance and improvements.

2. **General Benefit.** The City recognizes that a portion of the maintenance, operation and servicing of those Street Improvements that are a part of the City's arterial roadways provide a general benefit to the public at large, which equates to the higher level of lighting required.

The arterial section of the street is seen as the two center lanes and the median of a 4-lane roadway, the portion used predominantly for through traffic. This amounts to approximately 50% of the right-of-way to be maintained. Therefore, 50% of the street lighting maintenance for arterial roadways is considered to be of general benefit.

3. **Special Benefit Area.** All parcels within the District receive special benefit from the proposed street maintenance improvements.

## B. Street Lighting

1. **Special Benefit.** The operation, maintenance and servicing of lighting along local streets in close proximity to certain lots or parcels provides a special benefit to such lots or parcels by providing illumination resulting in: 1) improved security of such lots or parcels, 2) improved ingress and egress from such lots or parcels by illuminating access after sunset, and 3) improved nighttime visibility for the local access of emergency vehicles. All parcels within the District receive special benefit from the street maintenance and improvements.
2. **General Benefit.** The City recognizes that a portion of the maintenance, operation and servicing of those Street Lighting Improvements that are a part of the City's arterial lighting improvements provide a general benefit to the public at large, which equates to the higher level of lighting required on arterial roads.

The general benefits associated with arterial lighting are attributable to the higher level of lighting required for an arterial roadway. That higher level of lighting provides a measure of safety for the additional width of the street. There are also general benefits associated with higher wattage lights at intersections for safety lighting.

The arterial section of the street is seen as the two center lanes and the median of a 4-lane roadway, the portion used predominantly for through traffic. This amounts to approximately 50% of the right-of-way to be lit by the street lighting system. Therefore, 50% of the street lighting maintenance for arterial roadways is considered to be of general benefit.

3. **Special Benefit Areas.**

### a. **ZONE 1 – CAPITAL VILLAGE**

**Lighting Area 1** encompasses all parcels in the residential area of the development as well as the commercial property on the south side of International Drive and will be assessed for street lighting maintenance costs associated with the residential area.

**Lighting Area 2** encompasses the commercial property on the north side of International Drive and will be assessed for the street lighting maintenance for those streetlights directly adjacent to the property.

### b. **ZONES 4 and 5**

There are no special benefit areas designated for Zones 4 and 5.

### C. Special Benefit Methodology

To establish the benefit to the individual parcels within the District, a Benefit Unit system is proposed. Each parcel of land is assigned Benefit Units in proportion to the estimated benefit the parcel receives relative to the other parcels within the District from the improvements. Benefit Units are established by considering both a dwelling unit equivalency of a property and the benefits provided, as discussed above.

#### **Basic Formula:**

$$(\text{Equivalent Dwelling Units}) \times (\text{Benefit Factor}) = \text{Benefit Units}$$

In order to allocate benefit fairly between the parcels, an Equivalent Dwelling Unit (EDU) methodology is proposed which equates different types of land uses, thereby allowing a uniform method of assessment.

The number of EDU's to be assigned to each parcel shall be calculated as follows:

The single-family parcel has been selected as the basic unit for calculation of the assessments and is defined as 1.00 Equivalent Dwelling Unit (EDU). Parcels with other land uses receive varying levels of benefit based on parcel usage and size. Equivalency factors have been developed to indicate the amount of benefit received relative to the single-family parcel. All land uses are converted to EDU's in the manner described below.

Benefit Factors are assigned to properties when the special benefit received differs between similar land use types.

#### **1. ZONE 1 – CAPITAL VILLAGE EDU METHODOLOGY**

**Single Family Residential (SFR).** The high-density SFR (**SFR-H**) parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). High-density SFR parcels have been chosen as this basic unit and are those parcels zoned as single family residential and are shown on the map on page 26 of this Report. These units parcels are assessed 1.0 EDU.

Medium-density SFR (**SFR-M**) parcels are those parcels zoned as single family residential and are shown on page 26 this Report. The average size of these buildings is 25% larger than the Townhome high-density buildings, therefore these medium-density SFR parcels are assessed 1.25 EDU's.

Low-density SFR (**SFR-L**) parcels are those parcels zoned as single family residential and are shown on page 26 of this Report. The average size of these buildings is 40% larger than the Townhome high-density buildings, therefore these low-density SFR parcels are assessed 1.40 EDU's.

**Commercial (COM).** Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area (2,472 sq ft) within the development, which equates to 17.6 EDUs per acre.

**Vacant/Parks (VAC/PARK).** Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value.

Additionally, the utilization of vacant property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (2,472 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 4.5 EDU's per acre or any portion thereof.

**Exempt (EXE).** Excepted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also excepted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

## 2. ZONE 1 – CAPITAL VILLAGE BENEFIT FACTORS

### Street Benefit Factor (SBF)

- **Local Streets.** All parcels are considered to have a local street benefit. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor of 1.0.
- **Alleys/Aisles.** All parcels that have access via an alley or aisle receive an additional benefit for the maintenance of these alleys and aisles. The maintenance costs for alleys/aisles make up approximately 25% of the total street maintenance costs within the Street Area. Therefore, parcels in this category will be assigned a benefit factor of 1.345. See the table below for the calculation of this factor.

**ZONE 1 - CAPITAL VILLAGE**

**Street Area - SBF for Alley/Aisle Benefit**

**(based on original Engineer's Report dated June 19, 2006)**

|                                  |                     |   |                 |
|----------------------------------|---------------------|---|-----------------|
| Alley/Aisle Maintenance Cost     | \$53,399            |   |                 |
| All Local Street Maintenance     | <u>\$323,821</u>    |   |                 |
|                                  | \$377,220           |   |                 |
| Alley/Aisle EDUs                 | 737.400             |   |                 |
| All Local Street EDUs            | <u>807.168</u>      |   |                 |
|                                  | 1544.568            |   |                 |
| Alley/Aisle Cost per EDU         | \$53,399 / 737.4    | = | \$72.42         |
| Local Street Costs to all EDUs   | \$323,821 / 1,544.6 | = | <u>\$209.65</u> |
|                                  |                     |   | \$282.07        |
| Alley/Aisle Cost Factor          | \$282.07 / \$209.65 | = | 1.345           |
| SBF - Alley/Aisle = <b>1.345</b> |                     |   |                 |

**Street Benefit Assessment Formula:**

EDU x SBF = Street Benefit Units (SBU)

**Lighting Benefit Factor (LBF)**

- **Local Lighting.** A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor of 1.00.
- **Alley/Aisle Lighting.** Parcels that have standard street lighting on alleys or aisles that also have Local Lighting receive an additional benefit for the lighting in these alleys and aisles. The maintenance costs for alley/aisle lighting make up more than 50% of the total lighting costs within Lighting Area 1. (There are no alleys or aisles in Lighting Area 2, therefore those costs are not included in these calculations.) Therefore, parcels in this category will be assigned a benefit factor of 1.587. See the table below for the calculation of this factor.

**ZONE 1 - CAPITAL VILLAGE**  
**Lighting Area 1 - LBF for Alley/Aisle Benefit**  
**(based on original Engineer's Report dated June 19, 2006)**

|                              |                   |   |                |
|------------------------------|-------------------|---|----------------|
| Alley/Aisle Maintenance Cost | \$18,333          |   |                |
| All Other Lights             | \$43,235          |   |                |
|                              | <u>\$61,569</u>   |   |                |
| Alley/Aisle EDUs             | 733.7             |   |                |
| All other EDUs               | 281.5             |   |                |
|                              | <u>1,015.2</u>    |   |                |
| Alley/Aisle Cost per EDU     | \$18,333 / 733.65 | = | \$24.99        |
| Other Costs to all EDUs      | \$43,235 / 1015.2 | = | <u>\$42.59</u> |
|                              |                   |   | \$67.58        |
| Alley/Aisle Cost Factor      | \$67.58 / \$42.59 | = | 1.587          |
| LBF - Alley/Aisle =          | <b>1.587</b>      |   |                |

**Lighting Benefit Assessment Formula:**  
EDU x LBF = Lighting Benefit Units (LBU)

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone.

**Street Benefit Summary**

| <u>No Alley/Aisle Benefit</u> |            |               |                |                |
|-------------------------------|------------|---------------|----------------|----------------|
| Land Use                      | Parcels    | Acres         | EDU            | SBU            |
| COM                           | 14         | 26.888        | 473.227        | 473.227        |
| EXE                           | 56         |               | 0.000          | 0.000          |
| PARK                          | 3          | 6.93          | 31.185         | 31.185         |
| SFR-H                         | 6          |               | 6.000          | 6.000          |

| SFR-L                      | 124        |               | 173.600          | 275.528          |
| SFR-M*                     | 222        |               | 277.500          | 440.448          |
| <b>Sub-Totals</b>          | <b>562</b> |               | <b>667.100</b>   | <b>1,058.768</b> |
| <b>District Totals</b>     | <b>738</b> | <b>48.668</b> | <b>1,361.837</b> | <b>1,753.505</b> |

\* The SFR-M alley/aisle parcel count differs between the street benefit and the lighting benefit. This is due to Lots 508, 509, and 510 receiving the alley/aisle benefit for street maintenance but not the alley/aisle benefit from the lighting maintenance. These lots and their adjacent alleys have no street lighting.

### 3. ZONE 1 – CAPITAL VILLAGE ASSESSMENT RATE CALCULATION

The Fiscal year 2013-14 actual and maximum assessment rates\* are calculated as follows:

|                            | FY 2013/14<br>Estimated<br>Cost | Benefit<br>Units  | FY 2013/14<br>Applied<br>Assessment Rate | FY 2013/14<br>Maximum<br>Assessment Rate* |
|----------------------------|---------------------------------|-------------------|------------------------------------------|-------------------------------------------|
| Street Assessment:         | \$229,800                       | / 1,593.224 SBU = | \$144.24 per SBU                         | \$258.09                                  |
| Lighting Area 1 Assessment | \$26,136                        | / 1,292.299 LBU = | \$20.23 per LBU                          | \$52.41                                   |
| Lighting Area 2 Assessment | \$3,712                         | / 461.206 LBU =   | \$8.05 per LBU                           | \$16.57                                   |

\* The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI), as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part D of this Report for details regarding the increase to the FY 2013-14 maximum assessment rates.

The table below provides sample calculations for various types of parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

#### FY 2013-14 Assessment - Sample Calculations ZONE 1 – CAPITAL VILLAGE

| Land Use                      | Zone Area | Acres | Benefit Factor | EDU    | SBU         | LBU         | Street Asmt | Lighting Asmt | Total Asmt |
|-------------------------------|-----------|-------|----------------|--------|-------------|-------------|-------------|---------------|------------|
| <b>No Alley/Aisle Benefit</b> |           |       |                |        |             |             |             |               |            |
| COM                           | 2         | 1.5   | 17.60 /Acre    | 26.400 | 26.400      | 26.400      | \$3,807.82  | \$212.52      | \$4,020.34 |
| SFR-H                         | 1         |       | 1.00 /Parcel   | 1.000  | 1.000       | 1.000       | \$144.24    | \$20.23       | \$164.47   |
| SFR-M*                        | 1         |       | 1.25 /Parcel   | 1.250  | 1.250       | 1.250       | \$180.29    | \$25.29       | \$205.58   |
| SFR-L                         | 1         |       | 1.40 /Parcel   | 1.400  | 1.400       | 1.400       | \$201.93    | \$28.32       | \$230.25   |
| VAC/PARK                      | 1         | 1.5   | 4.50 /Acre     | 6.750  | 6.750       | 6.750       | \$973.59    | \$136.55      | \$1,110.14 |
| <b>Alley/Aisle Benefit</b>    |           |       |                |        |             |             |             |               |            |
|                               |           |       |                |        | EDU X 1.345 | EDU X 1.587 |             |               |            |
| SFR-H                         | 1         |       | 1.00 /Parcel   | 1.000  | 1.345       | 1.587       | \$194.00    | \$32.11       | \$226.11   |
| SFR-M*                        | 1         |       | 1.25 /Parcel   | 1.250  | 1.681       | 1.984       | \$242.50    | \$40.13       | \$282.63   |
| SFR-L                         | 1         |       | 1.40 /Parcel   | 1.400  | 1.883       | 2.222       | \$271.60    | \$44.95       | \$316.55   |

\* The SFR-M alley/aisle parcel count differs between the street benefit and the lighting benefit. This is due to Lots 508, 509, and 510 receiving the alley/aisle benefit for street maintenance but not the alley/aisle benefit from the lighting maintenance. These lots and their adjacent alleys have no street lighting.

#### 4. ZONE 4 – SUNDANCE EDU METHODOLOGY

**Single Family Residential (SFR).** The SFR parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). These units parcels are assessed 1.0 EDU.

**Commercial (COM).** Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area within the development, which equates to 11.70 EDUs per acre.

**Vacant/Parks (VAC/PARK).** Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value. Additionally, the utilization of vacant property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (3,725 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 2.925 EDU's per acre or any portion thereof.

**Exempt (EXE).** Excepted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also excepted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

#### 5. ZONE 4 – SUNDANCE BENEFIT FACTORS

##### Street Benefit Factor (SBF)

- **Local Streets.** All parcels are considered to have a local street benefit. Within the Sundance development area the local streets are private and will be maintained by the owners. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (SBF) of 1.0.

**Street Benefit Assessment Formula:**  
EDU x SBF = Street Benefit Units (SBU)

##### Lighting Benefit Factor (LBF)

- **Local Lighting.** A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general

benefit contribution. All parcels in this category will be assigned a benefit factor (LBF) of 1.00.

**Lighting Benefit Assessment Formula:**  
EDU x LBF = Lighting Benefit Units (LBU)

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone for FY 2013-14.

| Street Benefit Summary |          |               |               | Light Benefit Summary |          |               |               |
|------------------------|----------|---------------|---------------|-----------------------|----------|---------------|---------------|
| Land use               | Parcels  | EDU           | SBU           | Land use              | Parcels  | EDU           | LBU           |
| VACANT                 | 1        | 34.574        | 34.574        | VACANT                | 1        | 34.574        | 34.574        |
| <b>Totals</b>          | <b>1</b> | <b>34.574</b> | <b>34.574</b> | <b>Totals</b>         | <b>1</b> | <b>34.574</b> | <b>34.574</b> |

## 6. ZONE 4 – SUNDANCE ASSESSMENT RATE CALCULATION

The FY 2013-14 actual and maximum assessment rates are calculated as follows:

|                     | FY 2013/14<br>Estimated<br>Cost |          | Benefit<br>Units | FY 2013/14<br>Applied<br>Assessment Rate |               | FY 2013/14<br>Maximum<br>Assessment Rate <sup>(1)(2)</sup> |
|---------------------|---------------------------------|----------|------------------|------------------------------------------|---------------|------------------------------------------------------------|
| Street Assessment   | \$                              | 434.49 / | 34.574 SBU =     | \$                                       | 12.57 per SBU | \$61.90                                                    |
| Lighting Assessment | \$                              | 166.07 / | 34.574 LBU =     | \$                                       | 4.80 per LBU  | \$4.80                                                     |

- (1) The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI), as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part D of this Report for details regarding the increase to the FY 2013-14 maximum assessment rates.
- (2) The terms of a development agreement, dated May 15, 2006, between the City and the Developer limit Zone 4's (Sundance) combined annual assessment rate to \$300 per single family residential parcel or single family residential parcel equivalent, which amount shall be adjusted annually by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI).

The table below provides sample calculations for parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

**FY 2013-14 Assessment - Sample Calculations**  
**ZONE 4 – SUNDANCE**

| Land Use | Acres | Benefit Factor | Benefit Units | Street Asmt | Lighting Asmt | Total Asmt |
|----------|-------|----------------|---------------|-------------|---------------|------------|
| SFR      |       | 1.00 /Parcel   | 1.000         | \$12.57     | \$4.80        | \$17.37    |
| COM      | 1.5   | 11.70 /Acre    | 17.550        | \$220.55    | \$84.30       | \$304.85   |
| VAC/PARK | 1.5   | 2.925 /Acre    | 4.388         | \$55.14     | \$21.07       | \$76.21    |

## 7. ZONE 5 – ANTHOLOGY AT ANATOLIA EDU METHODOLOGY

**Single Family Residential (SFR).** The SFR parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). These units parcels are assessed 1.0 EDU.

**Commercial (COM).** Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area within the development, which equates to 9.0 EDUs per acre.

**Vacant/Parks (VAC/PARK).** Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value. Additionally, the utilization of vacant property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (4,835 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 2.25 EDU's per acre or any portion thereof.

**Exempt (EXE).** Excepted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also excepted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

## 8. ZONE 5 – ANTHOLOGY AT ANATOLIA BENEFIT FACTORS

### Street Benefit Factor (SBF)

- **Local Streets.** All parcels are considered to have a local street benefit. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (SBF) of 1.00.

**Street Benefit Assessment Formula:**  
$$\text{EDU} \times \text{SBF} = \text{Street Benefit Units (SBU)}$$

### Lighting Benefit Factor (LBF)

- **Local Lighting.** A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (LBF) of 1.00.

**Lighting Benefit Assessment Formula:**  
EDU x LBF = Lighting Benefit Units (LBU)

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone.

| Street Benefit Summary |            |            |            | Light Benefit Summary |            |            |            |
|------------------------|------------|------------|------------|-----------------------|------------|------------|------------|

## 9. ZONE 5 – ANTHOLOGY AT ANATOLIA ASSESSMENT RATE CALCULATION

The FY 2013-14 actual and maximum assessment rates\* are calculated as follows:

|                     | 2013/14<br>Estimated<br>Cost | Benefit<br>Units | 2013/14<br>Applied<br>Assessment Rate | 2013/14<br>Maximum<br>Assessment Rate* |
|---------------------|------------------------------|------------------|---------------------------------------|----------------------------------------|
| Street Assessment   | \$27,845                     | 118.000 SBU      | = \$ 235.98 per SBU                   | \$478.19                               |
| Lighting Assessment | 2,200                        | 118.000 LBU      | = \$ 18.64 per LBU                    | \$39.68                                |

\* The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index, as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part D of this Report for details regarding the increase to the FY 2013-14 maximum assessment rates.

The table below provides sample calculations for parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

### FY 2013-14 Assessment - Sample Calculations ZONE 5 – ANTHOLOGY AT ANATOLIA

| Land Use | Acres | Benefit<br>Factor | Benefit<br>Units | Street<br>Asmt | Lighting<br>Asmt | Total Asmt |
|----------|-------|-------------------|------------------|----------------|------------------|------------|
| SFR      |       | 1.00 /Parcel      | 1.000            | \$235.98       | \$18.64          | \$254.62   |
| COM      | 1.5   | 9.00 /Acre        | 13.500           | \$3,185.71     | \$251.66         | \$3,437.37 |
| VAC/PARK | 1.5   | 2.250 /Acre       | 3.375            | \$796.43       | \$62.92          | \$859.35   |

## PART D COST OF LIVING ADJUSTMENTS

The property owner balloting that established the District's maximum assessment rates included an annual inflator formula. The purpose of establishing the inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add additional costs to the District. The law implementing Constitution Article XIID clarifies that an increase in a maximum rate, implemented through a voter-approved inflator formula, is not considered an increase that is subject to additional property owner consideration.

Each year, the District's maximum assessment rates may be increased by the annual percentage change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI) as determined by the City Council. The District's estimated maintenance costs shall also be increased annually by the same percentage increase to the maximum assessment rates.

The annual increase is calculated using the percentage difference in the ENR CCI between December and December of the previous year. The base year maximum rates and estimated costs were set at the formation of the District, these maximum rates and estimated costs shall continue to be adjusted annually. The percentage increase in the ENR CCI from December 2012 to December 2013 was 2.62%.

The ENR CCI factors and percentage increases to the District's maximum assessment rates are shown below.

| Fiscal Year | CCI  | Increase |
|-------------|------|----------|
| 2006/07     | 7647 | N/A      |
| 2007/08     | 7888 | 3.15%    |
| 2008/09     | 8089 | 2.55%    |
| 2009/10     | 8551 | 5.71%    |
| 2010/11     | 8641 | 1.053%   |
| 2011/12     | 8952 | 3.60%    |
| 2012/13     | 9172 | 2.46%    |
| 2013/14     | 9412 | 2.62%    |

## **PART E**

### **BOUNDARY MAP**

The boundary maps, as shown on the following pages, provide the exterior boundaries of the each Zone within the District, and are incorporated herein by reference.

The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of Sacramento for the fiscal year to which this report applies. The Assessor's maps and records are incorporated by reference herein and made part of this report.

## BOUNDARY MAP - ZONE 1 CAPITAL VILLAGE

### BOUNDARY MAP – ZONE 4 – SUNDANCE

## BOUNDARY MAP – ZONE 5 – ANTHOLOGY AT ANATOLIA

## **PART F**

### **ASSESSMENT ROLL**

Parcel identification for each lot or parcel within the District shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

The total proposed assessment for Fiscal year 2013-14 and the amount of the total proposed assessment apportioned to each lot or parcel within the District, as shown on the latest assessment roll at the Sacramento County Assessor's Office, are contained in the Assessment Roll on file in the Office of the City Clerk of the City of Rancho Cordova, which is incorporated herein by reference.

At the conclusion of the public hearing for the District and the proposed assessments, approval of the Report (as submitted or as modified) confirms the method of apportionment and the assessments to be levied against each eligible parcel and thereby constitutes the approval levy and collection of assessments for FY 2013-14. The listing of parcels and the amount of assessments to be levied shall be submitted to the County Auditor/Controller and included on the FY 2013-14 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Cyrus Abhar, Public Works Director  
Elizabeth Sparkman, Senior Engineer

**SUBJECT: RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 1**

### **RECOMMENDATION**

That Council:

- a) Adopt Resolution No. 88-2013 Initiating Proceedings for the Annual Levy and Collection Charges, Preliminarily Approving the Engineer's Report and Declaring its Intention to Levy the Annual Charges for Fiscal Year 2013-2014 for the Rancho Cordova Transit Related Services Benefit District, Zone No. 1; and
- b) Adopt Resolution No. 89-2013 Amending and/or Confirming the Engineer's Report and Establishing the Fiscal Year 2013-2014 Service Charge for the Rancho Cordova Transit Related Services Benefit District, Zone No. 1.

### **RESULT OF RECOMMENDED ACTION**

Adoption of these resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 1 to provide for a broad range of miscellaneous transportation services within the District identified in the Engineer's Report.

### **BACKGROUND**

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of transportation services intended to benefit property within the District.

In May 2003, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 1 of County Services Area (CSA) No. 10. The CSA was formed to collect annual charges for extended transportation-related services within Benefit Zone No. 1 for the Villages of Zinfandel.

CSA No. 10, Benefit Zone No. 1 is located within the City limits. Upon the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the CSA No. 10 formally detaching the district from the County and transfer responsibility to serve the CSA to the City.

On August 4, 2008, the City redesignated the name of County Services Area No. 10 Benefit Zone No. 1 to **“Transit Related Services Benefit District, Zone No. 1”** (hereafter referred to as the “Transit Benefit Zone No. 1 or the “District”). Services include transit shuttle services, transportation planning, educational programs at Navigator Elementary School, a Guaranteed Ride Home Program, and infrastructure support.

Transit shuttle services commenced on June 15, 2009 with the implementation of a 3-year demonstration route called the “Rancho CordoVan” which was primarily funded through a grant from the federal Congestion Mitigation and Air Quality (“CMAQ”) program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012. The City has been able to continue to operate the shuttle serving Zone 1 by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in StoneCreek and Capital Village and in September 2012 was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT’s Gold Line was changed to the Zinfandel Station in the Zinfandel Plaza parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer’s Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Exhibit A to the second Resolution.

Through adoption of **Resolution No. 88-2013, Attachment 1**, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminarily approves such written report, and declares its intention to levy the annual charges for Fiscal Year 2013-2014. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer’s Report prepared by Willdan Financial Services, describes the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget, a description of the property to be benefited, and the amount of the charge to each individual property. The proposed Fiscal Year 2013-2014 charge for each land use category is shown below.

**Table 1 - Transit Zone No. 1**

| <b>Land Use Category</b>        | <b>Parcels Levied</b> | <b>Residential Units / Acres</b> | <b>Equivalent Dwelling Units</b> | <b>Proposed Rate</b> | <b>Per Unit / Acre</b> | <b>FY 2013/14 Charge</b> |
|---------------------------------|-----------------------|----------------------------------|----------------------------------|----------------------|------------------------|--------------------------|
| Low Density Cluster Residential | 196                   | 196                              | 196                              | \$61.54              | per unit               | \$12,061.84              |
| Low Density Residential         | 1,298                 | 1,298                            | 1,298.00                         | \$61.54              | per unit               | 79,878.92                |
| Business Park                   | 3                     | 8.224                            | 181.257                          | \$1,356.62           | per acre               | 11,156.84                |
| <b>TOTAL LEVY</b>               |                       |                                  |                                  |                      |                        | <b>\$103,097.60</b>      |

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt **Resolution No. 88-2013, Attachment 1**, which initiates the proceedings for the District, preliminarily approves the Engineer’s Report, and declares its

intention to levy and collect service charges for Fiscal Year 2013-2014 and adopt **Resolution No. 89-2013, Attachment 2**, which amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2013- 2014.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES  
FOR CERTAIN MISCELLANEOUS EXTENDED SERVICES, PRELIMINARILY APPROVING  
THE ENGINEER'S REPORT AND DECLARING ITS INTENTION TO LEVY THE ANNUAL  
CHARGES FOR FISCAL YEAR 2013-2014 FOR THE TRANSIT RELATED SERVICES BENEFIT  
DISTRICT, ZONE NO. 1 (FORMERLY COUNTY OF SACRAMENTO, COUNTY SERVICE AREA  
NO. 10, BENEFIT ZONE NO. 1)**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, on May 21, 2003, the Board of Supervisors of the County of Sacramento, (the "Board"), pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2003-0549, ordered the formation of Benefit Zone No. 1 of County Service Area No. 10 ("CSA 10 Benefit Zone 1") during concurrent proceedings to form County Service Area No. 10; on July 16, 2003, the Board adopted Resolution No. 2003-0854, approving the Written Report ("the Formation Report"), ordering the collection of annual charges, commencing with Fiscal Year 2003-2004; and, on July 20, 2004, the Board adopted Ordinance No. 1522 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 1; and

**WHEREAS**, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in all of the territory within CSA 10 Benefit Zone No. 1 to be located within the new City limits; and

**WHEREAS**, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of a portion of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 1 was transferred to the City; and

**WHEREAS**, on August 4, 2008, the City redesignated the name of CSA 10 Benefit Zone 1 to the "Transit Related Services Benefit District, Zone No. 1" (hereafter referred to as the "Transit Benefit Zone No. 1" or the "District"); and

**WHEREAS**, pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a Written Report (hereinafter referred to as the "Engineer's Report" or "Report") containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

**WHEREAS**, the City Council has retained Willdan Financial Services as the Engineer of Work, for the purpose of assisting with the annual levy of the District, and to prepare and file the Engineer's Report with the City Clerk; and

**ATTACHMENT 1**

**WHEREAS**, the Engineer of Work has prepared and filed with the City Clerk said Report in connection with the District and the levy of charges for Fiscal Year 2013-2014 for the period July 1, 2013 to June 30, 2014, pursuant to Government Code Section 25210.77a; and

**WHEREAS**, the Report provides a description of each parcel of real property receiving a service and the amount of the Fiscal Year 2013-2014 charge for each parcel, and the Services provided, pursuant to Government Code section 25210.77a; and

**WHEREAS**, the City Council has carefully examined and reviewed the Engineer's Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

**WHEREAS**, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, July 15, 2013 at 5:30 p.m., or as soon thereafter as feasible, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California by causing the publishing of such notice once a week for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, THE LEGISLATIVE BODY FOR SAID DISTRICT, AS FOLLOWS:**

**Section 1:** The above recitals are all true and correct.

**Section 2:** The Report as presented consists of the following:

- a. A description of the District.
- b. A description of the District boundaries.
- c. The Services to be provided by the District.
- d. The proposed Annual Budget for the fiscal year (Costs and Expenses).
- e. The Method of Apportionment of the District that details the method of calculating each parcel's annual charge.
- f. The Formula for Inflating the Annual Maximum Charge of the District parcels.
- g. A description of each parcel of real property receiving a Service.
- h. A Preliminary Charge Roll containing the proposed charge for each Assessor Parcel Number within the District for Fiscal Year 2013-2014.

**Section 3:** The proposed charges as outlined in the Report are in compliance with County Service Area Law and the provisions of California Constitution Article XIID.

**Section 4:** The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

**ATTACHMENT 1**

**Section 5:** The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.

**Section 6:** The City Council hereby declares its intention to seek the annual levy of the District charges pursuant to County Service Area Law, over and including the land within the District boundaries for Fiscal Year 2013-2014.

**Section 7:** The boundaries of the District are described in the Report and include the parcels within the District as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.

**Section 8:** The proposed charges for Fiscal Year 2013-2014 do not exceed the maximum charge approved through the property owner protest proceedings upon formation of the District.

**Section 9:** The City Clerk has given proper notice, pursuant to County Service Area Law and Government Code Section 6066, of the public hearing regarding these matters.

## RESOLUTION NO. 89-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
AMENDING AND/OR CONFIRMING THE ENGINEER'S REPORT AND ESTABLISHING  
THE FISCAL YEAR 2013-2014 SERVICE CHARGES FOR CERTAIN MISCELLANEOUS  
EXTENDED SERVICES WITHIN TRANSIT RELATED SERVICES BENEFIT DISTRICT,  
ZONE NO. 1 (FORMERLY COUNTY OF SACRAMENTO, COUNTY SERVICE  
AREA NO. 10, BENEFIT ZONE NO. 1)**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, on May 21, 2003, the Board of Supervisors of the County of Sacramento, (the "Board"), pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2003-0549, ordered the formation of Benefit Zone No. 1 of County Service Area No. 10 ("CSA 10 Benefit Zone 1") during concurrent proceedings to form County Service Area No. 10; on July 16, 2003, the Board adopted Resolution No. 2003-0854 ordering the collection of annual charges, commencing with Fiscal Year 2003-2004; and, on July 20, 2004, the Board adopted Ordinance No. 1522 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 1; and

**WHEREAS**, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in all of the territory within CSA 10 Benefit Zone No. 1 to be located within the new City limits; and

**WHEREAS**, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of a portion of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 1 was transferred to the City; and

**WHEREAS**, on August 4, 2008, the City Council redesignated the name of CSA 10 Benefit Zone 1 as the "Transit Related Services Benefit District, Zone No. 1" (hereafter referred to as the "Transit Benefit Zone No. 1"); and

**WHEREAS**, pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a written report containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

**WHEREAS**, Willdan Financial Services has prepared a written report for Fiscal Year 2013-2014 (the "Engineer's Report" or the "Report") in connection with the District's levy of charges for the period July 1, 2013 to June 30, 2014. The Report has been filed with the City Clerk and is attached as **Exhibit A**; and

**WHEREAS**, by previous resolution, the Report has been preliminarily approved by the City Council; and

**WHEREAS**, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein; and

**ATTACHMENT 2**

**WHEREAS**, the City Clerk has fixed 5:30 p.m. (or as soon thereafter as the matter may be heard) on Monday, July 15, 2013, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California, as the time, date and place for the public hearing on the Engineer's Report and the proposed charges therein; and

**WHEREAS**, the notice of the time, date and place for the public hearing has been published for two successive weeks in a newspaper of general circulation pursuant to Government Code section 6066; and

**WHEREAS**, this City and its legal counsel have reviewed Proposition 218 and found that these charges comply with applicable provisions of Article XIID of the California State Constitution; and,

**WHEREAS**, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these charges onto the County roll and tax bills for the City of Rancho Cordova; and

**WHEREAS**, the City Council has considered the propriety of the Engineer's Report, and has further considered the comments and evidence presented by all interested persons at the public hearing and has determined to act upon the matter.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL AS FOLLOWS:**

**Section 1 Confirming the Engineer's Report**

- a. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of the Charges, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
- b. The public hearing was duly convened by the City Council at the time, date and place indicated in the notice and all protests received by the City Clerk were presented to the City Council and City Council heard and considered all objections and protests against the Engineer's Report.
- c. The exterior boundaries of Transit Related Services Benefit District, Zone No. 1 are confirmed as those described in the Engineer's Report.
- d. The submitted Engineer's Report as presented, or amended, is hereby confirmed.

**Section 2 Fixing Fiscal Year 2013-2014 Service Charges**

- a. Service Charges for the miscellaneous extended transportation-related services shall be apportioned to benefiting parcels only, and in proportion to the benefit received. Parcels defined as exempt in the Ordinance are not included in the calculation or collection of the Service Charges. The revenues obtained from the Service Charges shall be dedicated to financing the miscellaneous extended transportation-related services for Transit Benefit Zone No. 1.

**ATTACHMENT 2**

- b. The City Council finds and determines that the properties to be charged in Transit Benefit Zone No. 1 will be benefited by the services and activities to be funded by the Service Charges levied thereon.
- c. The City Council hereby fixes the Fiscal Year 2013-2014 Service Charges to only parcels of property within Transit Benefit Zone No. 1 as determined by the City Public Works Director or his/her designee (the "Administrator") to be "developed" as defined in the Ordinance, the Service Charges shall be applied at the maximum charge per unit or acre, as applicable, according to Table 2 of the Engineer's Report for each parcel's corresponding land use type.
- d. The Auditor of the County is hereby directed to enter on the Sacramento County Tax Roll opposite each lot or parcel of land, the Service Charge shown in the Engineer's Report subject to minor modifications as approved by the Administrator.

**Section 3** Willdan Financial Services is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Willdan Financial Services within two weeks of adoption via either e-mail to mashley@willdan.com or US Mail to: Willdan Financial Services, 27368 Via Industria, Suite 110, Temecula, CA 92590 Attn: Mickey Ashley.

**Section 4** That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final confirmation of the Report as approved or amended.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova on the \_\_\_\_ day of \_\_\_\_\_, 2013 by the following vote:

## EXECUTIVE SUMMARY

---

### A. Introduction

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the “County”), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as “County Service Area Law”), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the “Constitution”) formed a County Service Area designated as:

#### **County Service Area No. 10**

(hereafter referred to as “the CSA” or “CSA 10”) to provide miscellaneous extended transportation services for trip reduction in the following areas:

#### **Villages of Zinfandel, Sunridge Specific Plan, and Mather Field.**

On May 21, 2003, the County formed a benefit zone within a portion of the CSA to be known as:

#### **Benefit Zone No. 1**

to impose an annual charge, commencing Fiscal Year 2003/04, upon all of the parcels of land within the subdivision known as:

#### **The Villages of Zinfandel**

An Engineer’s Report, dated February 27, 2003, (hereafter referred to as the “CSA Formation Report”) was prepared in connection with the formation proceedings of the CSA and the concurrent proceedings to form and levy annual charges in Benefit Zone No. 1. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 1, including its structure (organization), proposed services, initial rates, inflator formula, and method of apportionment and charges, as well as the projections of development activity and cost associated with the extended services, all of which have been presented in the CSA Formation Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District’s Fiscal Year 2008/09 Engineer’s Report, which was approved through City Council Resolution 81-2008.)

### **Upon the Incorporation of the City of Rancho Cordova**

on July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within Benefit Zone Nos. 1 and 2, were then located within the new City limits..

Pursuant to County Service Area Law and after all requirements to detach these portions of the CSA from County control and transfer to the City of Rancho Cordova (hereafter referred to as the "City"), LAFCO issued a Certificate of Completion to the City for the

### **Detachment from County Service Area No. 10**

subject to the conditions within LAFCO Resolution 1342.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of those portions of CSA No. 10 lying within the City limits was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code section 56886(m) and 56886(t). In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 1, the City approved the District's Fiscal Year 2008/09 Engineer's Report to continue the annual levy of charges previously authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 1 as the:

### **Transit Related Services Benefit District, Zone No. 1**

(hereafter referred to as the "Transit Zone No. 1" or the "District").

It is the City's intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2013/14 in order to provide certain miscellaneous extended transportation services within the District.

## **B. Report Organization**

This Report consists of the following five (5) parts.

### **Part I: Plans and Specifications**

This part describes the properties included in the boundaries of Transit Zone No. 1 together with the proposed extended services to be provided by Transit Zone No. 1.

### **Part II: The Method of Apportionment**

This part describes the method of calculating each Transit Zone No. 1 parcel's annual charge.

### **Part III: Transit Zone No. 1 Budget**

This part provides the projected costs to provide extended services to developed properties within Transit Zone No. 1.

### **Part IV: Diagrams**

This part provides a diagram showing the detached territory of CSA 10 Benefit Zone No. 1, together with the diagrams of CSA 10 Benefit Zone No. 1; these diagrams shall serve as the exterior boundaries of Transit Zone No. 1.

### **Part V: Preliminary Charge Roll**

This part provides the fiscal year 2013/14 preliminary charges for the parcels within Transit Zone No. 1 to be applied to the tax roll.

## C. Overview

### Purpose of Transit Zone No. 1

The purpose of Transit Zone No. 1 is to enable the extension of a broad range of miscellaneous transportation services to developing areas within the District boundaries. These extended services are funded by a property related charge validated pursuant to the Constitution Article XIID, Section 6. The formation of the former CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development the Zinfandel Special Planning Area and related planning documents.

Annual charges through Transit Zone No. 1 for residential and nonresidential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

### Adoption Proceedings of CSA No. 10, Benefit Zone No. 1

Pursuant to Constitution Article XIID, Sections 4 and 6, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 1. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Formation Report, imposed the maximum allowable charge in Benefit Zone No. 1 for fiscal year 2003/04, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

### Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 1

According to Government Code section 56886, "Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance ☐ or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory."

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for detached Zones within CSA 10, utilizing the

procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this Report, any references to County Service Area Law and the City's authorized capacity to apply same, the term "City" shall be used in the place of "County".

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own number by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this Report.

## **PART I: PLANS AND SPECIFICATIONS**

---

This part describes the properties included in the boundaries of Transit Zone No. 1. This part also describes the proposed extended services to be provided by Transit Zone No. 1.

### **A. Description of CSA No. 10 and Sphere of Influence**

#### **CSA No. 10 Boundaries**

For information regarding the boundaries of County Service Area (CSA) No. 10 and its sphere of influence, reference is made to the CSA Formation Report.

### **B. Description of Transit Zone No. 1**

#### **Transit Zone No. 1 Boundaries**

The boundaries of Transit Zone No. 1 and the former CSA 10 Benefit Zone No. 1 are congruent. Transit Zone No. 1 is an irregular shape that covers the Villages of Zinfandel. The Villages of Zinfandel is generally located:

- ♦ South of International Boulevard;
- ♦ North of Mather Boulevard;
- ♦ East of Femoyer Street; and
- ♦ West of the Folsom South Canal.

Reference is made to the diagram shown in Part IV of the Report.

#### **General Description of Services**

Transit Zone No. 1 provides the funding mechanism (annual charges) for transit shuttle and other supplemental transportation services as described in the CSA Formation Report. Transit Zone No. 1 will provide transportation services to both residential and nonresidential development within the Zinfandel Special Planning Area. The formation of CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development included in County Ordinance No SCZ 2000-018 for the Zinfandel Special Planning Area and related planning documents as well as the related Transportation System Management Plan and AQ-15 Plan, for funding shuttle service and provision of supplemental transportation services.

The charges for residential and nonresidential development will fund these transportation services as determined appropriate by the City Council. The City Council, in its sole discretion, may discontinue the portion of the service charge used for shuttle service once the City Council determines that Sacramento Regional Transit has provided appropriate service. Alternately, the City Council may maintain such service charge and increase other supplemental transportation services. Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;
- ♦ Transit Subsidies – financial assistance to encourage residents and employees to use transit or other alternative transportation measures;
- ♦ Transportation Planning for employers and/or resident groups – plans which guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs;
- ♦ Education Programs – various programs such as education of transit options, home office set up, and alternative commute opportunities;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities;
- ♦ Transportation Coordinator, Training and Support – instruction in mobility (transportation alternatives) for residential groups and work site coordinators;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for purchasing new bicycles or alternative fuel vehicles.

## PART II: METHOD OF APPORTIONMENT

---

### A. General

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part I, above. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and inflator formula for the charge to be levied in Transit Zone No. 1.

### B. Methodology

The methodology established through CSA 10 Benefit Zone No. 1 and authorized for Transit Zone No. 1 is summarized below.

The Transit Zone No. 1 charges are levied to fund property-related services. These charges comply with County Service Area Law and the Constitution Article XIID, Section 6, as the charges are to fund property-related services as defined in Article XIID.

The initial rates of CSA 10 Benefit Zone No. 1 were based on the estimated costs to fund supplemental transportation services in fiscal year 2003/04 for the Villages of Zinfandel Special Planning Area at build out.

#### Equivalent Dwelling Unit Factors

The unit of demand used for the charge is an equivalent dwelling unit ("EDU"). One EDU is the amount of demand for services associated with one low-density residential unit in a single year. The demand for all other land use types reflects the demand for service relative to one EDU for Low Density. **Table 1** provides the number of EDUs assigned to each land use type for calculating the maximum charge.

**Table 1: Transit Zone No. 1 - EDU's by Land Use**

| Land Use                                      | EDU Factor <sup>(1)</sup> |
|-----------------------------------------------|---------------------------|
| <b><i>Developed Acreage</i></b>               |                           |
| <u><i>Residential (per dwelling unit)</i></u> |                           |
| Low Density                                   | 1.00                      |
| Medium Density                                | 0.80                      |
| High Density                                  | 0.60                      |
| <u><i>Nonresidential (per acre)</i></u>       |                           |
| Retail Commercial                             | 25.64                     |
| Business Park                                 | 22.04                     |
| Light Industrial                              | 9.20                      |
| <b><i>Undeveloped Acreage</i></b>             |                           |
| All Land Uses                                 | -                         |

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No.1, FY 2003/04

These EDU Factors were based upon average daily vehicle trips ("ADT") per land use type. ADT was used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge. Demand for services was measured by using average vehicle trip generation rates that vary by type of land use. Each parcel's charge was calculated by multiplying the cost per unit of demand by each parcel's demand for services. Demand is assumed to be generated by developed residential and nonresidential land uses. No demand is associated with undeveloped land and no charge is levied on this land use.

This methodology fairly distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. In this manner, each parcel's charge does not exceed the reasonable cost of services to that parcel.

### Land Use Definitions

Land use definitions are as follows:

***Developed Parcels*** All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or prior to June 30 of the fiscal year preceding the year in which the charge is levied.

|                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Undeveloped Parcels</i> | All parcels that are not Developed Parcels or Exempt Parcels.                                                                                                                                                                                                                                                                                                                                                                                                           |
| <i>Low Density</i>         | This category includes densities of up to five (5.0) dwelling units per residential acre. Permitted uses in the LD Area as shown in Section 512-215 of the Zoning Code include those uses allowed in the RD-5, RD-4, and RD-3 Land Use Zones.                                                                                                                                                                                                                           |
| <i>Low Density Cluster</i> | This category includes densities of more than five (5.1 and greater) dwelling units per acre and up to 15.0 units per acre. Permitted uses in the Low Density Cluster area as shown in Section 512-215 include those uses allowed in the RD-7, RD-10, and RD-15 Land Use Zones.                                                                                                                                                                                         |
| <i>Medium Density</i>      | This category includes densities of more than 15.0 (15.1 and greater) and no more than 20.0 dwelling units per acre. Permitted uses in the Medium Density area as shown in Section 512-215 of the Zoning Code include those uses allowed in the RD-15 and RD-20 Land Use Zones.                                                                                                                                                                                         |
| <i>High Density</i>        | The category includes densities of more than 20.0 (20.1 and greater) units per net residential acre. The uses permitted in a High Density area as shown include those uses allowed in the RD-25, RD-30 and, RD-40 Land Use Zones.                                                                                                                                                                                                                                       |
| <i>Retail Commercial</i>   | <p>Permitted uses within the retail commercial areas, as shown in Section 512-215 of the Zoning Code, are those uses permitted in the Shopping Center, Business and Professional Office Zone, and Residential (RD-10, RD-15, and RD-20) or any other retail category.</p> <p>This land use designation further includes all other uses that would generate a high number of average daily trips.</p>                                                                    |
| <i>Business Park</i>       | <p>Permitted uses within the Business Park areas as shown in Section 512-215 of the Zoning Code are those permitted in Business and Professional Office (BP), as listed in Zoning Code Section 225, and Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other business park-related land use category.</p> <p>This land use designation further includes all other uses that would generate a medium number of average daily trips.</p> |

### *Light Industrial*

Permitted uses within the Light Industrial areas as shown in Section 512-215 of the Zoning Code are those uses permitted in the Light Industrial (M-1) Land Use Zone and the Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other industrial-related land use category.

This land use designation further includes all other uses that would generate a low number of average daily trips.

### *Exempt*

Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 1 are provided to these parcels.

## **C. Formula for Inflating the Annual Maximum Charge**

The formula for inflating the annual maximum charge established through CSA 10 Benefit Zone No. 1, and to be used for Transit Zone No. 1, is summarized below.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 1 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Benefit Zone No. 1. The law implementing Constitution Article XIID (Senate Bill 919) clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before adjustment of the charge to the January in the year preceding adjustment of the charge; beginning in the second fiscal year (fiscal year 2004/2005) and each fiscal year thereafter, the maximum allowable charge will be recalculated and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, have imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way,

the maximum allowable charge is adjusted annually and is calculated independent of the Benefit Zone's annual budget.

The U.S. Department of Labor, Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area as these are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 1 shall now use the CPI data for the month of February.

The percentage increase from the February 2012 CPI to the February 2013 CPI was 2.44723%.

**Table 2** provides the fiscal year 2013/14 maximum charge per EDU together with the maximum charge by land use.

**Table 2: Transit Zone No. 1 - Maximum Charge by Land Use**

| Land Use                                      | EDU Factor <sup>(1)</sup> | Charge Per EDU <sup>(2)</sup> | Maximum Annual Charge Per Unit / Acre |
|-----------------------------------------------|---------------------------|-------------------------------|---------------------------------------|
| <b><i>Developed Acreage</i></b>               |                           |                               |                                       |
| <u><i>Residential (per dwelling unit)</i></u> |                           |                               |                                       |
| Low Density                                   | 1.00                      | \$ 61.5528                    | \$ 61.55                              |
| Medium Density                                | 0.80                      | \$ 61.5528                    | \$ 49.24                              |
| High Density                                  | 0.60                      | \$ 61.5528                    | \$ 36.93                              |
| <u><i>Nonresidential (per acre)</i></u>       |                           |                               |                                       |
| Retail Commercial                             | 25.64                     | \$ 61.5528                    | \$ 1,578.21                           |
| Business Park                                 | 22.04                     | \$ 61.5528                    | \$ 1,356.62                           |
| Light Industrial                              | 9.20                      | \$ 61.5528                    | \$ 566.29                             |
| <b><i>Undeveloped Acreage</i></b>             |                           |                               |                                       |
| All Land Uses                                 | 0                         | \$ 61.5528                    | \$ 0.00                               |

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No.1, FY 2003/04.

(2) The FY 2013/14 maximum charge per EDU is calculated by increasing the FY 2012/13 maximum charge per EDU of \$60.0824 by 2.44723%, the percentage increase in the CPI from February 2012 to February 2013.

Rates and percentages shown in this Report have been rounded for presentation purposes.

## PART III: TRANSIT ZONE No. 1 BUDGET

This part provides the fiscal year 2013/14 budget, additional funding requirements and the description of each budget item, for Transit Zone No. 1.

### A. Transit Zone No. 1 Budget

| DESCRIPTION                                                                   | AMOUNT           |
|-------------------------------------------------------------------------------|------------------|
| <b>SERVICES AND OPERATING COSTS (DIRECT COSTS)</b>                            |                  |
| Shuttle Services Operations & Planning                                        | \$62,700         |
| Transportation Planning and Coordination                                      | 5,000            |
| Outreach and Educational Programs                                             | 3,000            |
| Guaranteed Ride Home                                                          | 1,000            |
| Infrastructure Support                                                        | 3,000            |
| Transit Subsidies & Incentives                                                | 3,000            |
| <b>TOTAL DIRECT COSTS</b>                                                     | <b>\$77,700</b>  |
| <b>ADMINISTRATION COSTS</b>                                                   |                  |
| District Administration                                                       | \$10,855         |
| Transit Shuttle Administration                                                | 18,333           |
| County Collection Fees                                                        | 963              |
| <b>TOTAL ADMINISTRATION COSTS</b>                                             | <b>\$30,152</b>  |
| <b>TOTAL DIRECT AND ADMINISTRATION COSTS</b>                                  | <b>\$107,852</b> |
| <b>ADJUSTMENTS AFFECTING LEVY AMOUNT</b>                                      |                  |
| Replenishment to / (Use of) Operating Reserve                                 | (4,735)          |
| Contribution to / (Use of) Capital Outlay / Contingency Reserve               | 0                |
| Rounding <sup>(1)</sup>                                                       | (19)             |

<sup>(1)</sup> Variance due to rounding, including rounding limitations imposed by the County of Sacramento.

## B. Additional Funding Requirements

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the "Rancho CordoVan") on June 15, 2009. A primary benefit of the demonstration shuttle service is mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit's light rail system.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality ("CMAQ") program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012.

The City has been able to continue to operate the shuttle serving Zone 1 by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in StoneCreek and Capital Village in September 2012 and was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT's Gold Line was changed to the Zinfandel Station in the Zinfandel parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train.

The FY 2013/14 expenditures for Transit Zone No. 1 include:

- ♦ Shuttle Services Operations & Planning – \$62,700 towards the operations and maintenance of the CordoVan shuttle service
- ♦ Transportation Planning and Coordination – about \$5,000 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ridesharing, van pool, and shuttle program.
- ♦ Outreach and Educational Programs – about \$3,000 is allocated to continue safe routes to school education at Navigator Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school.

- ♦ **Guaranteed Ride Home** – about \$1,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.
- ♦ **Infrastructure Support** – transit facilities (bus stop signs, shelters, etc) An allocation of at least \$3,000 is needed for on-going maintenance of bus stops, shelters, and signs.
- ♦ **Transit Subsidies and Incentives** – about \$3,000 of financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

## C. Descriptions of Budget Items

The following is a brief description of the budgeted costs associated with the services funded through the Transit Zone No. 1.

### SERVICES AND OPERATING COSTS (DIRECT COSTS)

**Shuttle Services Operations & Planning** – Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options.

**Transportation Planning and Coordination** - Includes cost of transportation plans for employers and/or resident groups, which can guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs, as well as instruction in mobility (transportation alternatives) for residential groups and work site coordinators; if zero, this line item may not be shown in the budget.

**Outreach and Educational Programs** - Includes cost of various programs such as education of elementary students at Navigator Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school. If zero, this line item may not be shown in the budget.

**Guaranteed Ride Home** – Includes cost to provide free taxi rides and rental cars for ride sharers in case of an emergency.

**Infrastructure Support** – Includes cost of facilities, such as additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities.

**Transit Subsidies and Incentives** – includes cost for financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

## ADMINISTRATION COSTS

**City Administration** — Estimated costs incurred by the City for the management and administration of the District, including actions associated with the annual levy and collection of charges and response to inquiries or concerns of the public related thereto.

**Transit Shuttle Administration** — Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service budget and coordination of the annual approval of the charges.

**Professional Services** — Includes the professional service costs associated with the annual process of preparing the annual Engineer's Report, calculating rates, placing the annual charges of the Transit Zone onto the County tax roll and responding to public inquiries. This budget item also includes the costs of contracting with professionals to provide other administrative, legal or engineering services for operation of the Transit Zone, or for the costs of future ballot protest procedures as required.

**County Collection Fees** — This is the cost to the Transit Zone for the County Auditor/Controller to place charges on the property tax bills.

## ADJUSTMENTS AFFECTING LEVY AMOUNT

**Replenishment/(Use) of Operating Reserve** – A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget.

**Contribution for /(Use of) Capital Outlay / Contingency Reserve** — A “contribution” increases the levy in order to generate funding for capital outlay / contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay / Contingency Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Capital Outlay / Contingency Reserve is provided under “Reserve Balance Information” below.

**Rounding** – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

**Net Adjustments** – The net adjustments affecting levy amount.

**Balance To Levy** - This is the total amount to be levied and collected through charges for the current fiscal year. “Balance to Levy” represents the sum of the total costs together with any applicable adjustments to the budget as described above.

## DISTRICT STATISTICS

**Parcels to be Levied** - The total number of parcels that are expected to be charged for the current fiscal year.

**Developed Equivalent Dwelling Units (EDU's)**- The total number of developed Equivalent Dwelling Units (EDU's) that are expected to be charged for the current fiscal year.

**Applied Rate per EDU** - The rate to be applied to each developed EDU for the current fiscal year.

**Maximum Rate per EDU** - The maximum rate to be charged to each EDU for the current fiscal year.

**Total Potential Maximum Charges** - The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

## RESERVE BALANCE INFORMATION

The Transit Zone's two types of reserves are described further below. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve as follows: a) Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes; and, b) Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone.

## OPERATING RESERVE BALANCE

**Beginning Operating Reserve Balance 7-1-2013 (est.)** - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2013 to December 31, 2013, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

**Collect from FY 2013/14 Levy** – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1, 2013 (the beginning of the Fiscal Year) through December 31, 2013. If zero, this line item may not be shown in the budget.

**Use for FY 2013/14 Expenses** – The amount of the Operating Reserve to be used to fund FY 2013/14 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2013 (the beginning of the Fiscal Year) through December 31, 2013. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Capital Outlay/Contingency Reserve** — The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

**Ending Operating Reserve Balance 6-30-2014 (est.)** - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2014. This balance should be sufficiently funded to provide for the first six-months of budgeted expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

#### **CAPITAL OUTLAY / CONTINGENCY RESERVE BALANCE**

**Beginning Capital Outlay / Contingency Reserve Balance 7-1-2013 (est.)**— The projected balance of funds in the Capital Outlay / Contingency Reserve as of July 1, 2013. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone. Further information regarding the use of Capital Outlay / Contingency Reserve is provided above under "Reserve Balance Information".

**Collect from FY 2013/14 Levy** — This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the budget.

**Use for FY 2013/14 Capital Outlay / Contingency Purposes** – The amount of Capital Outlay / Contingency Reserve monies expected to be transferred out of the Capital Outlay / Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Operating Reserve** — The amount of Capital Outlay / Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

***Ending Capital Outlay / Contingency Reserve Balance 6-30-2014 (est.) -***

The projected balance of funds in the Capital Outlay / Contingency Reserve as of June 30, 2014. These funds shall be used for future year Capital Outlay / Contingency purposes.

## **PART IV: DIAGRAMS**

---

A depiction of the diagram showing the detached territory of the CSA 10 Benefit Zone No. 1 is provided on the following page.

The diagrams used to form the CSA 10 Benefit Zone No. 1 are shown thereafter; these diagrams serve as the exterior boundaries of Transit Zone No. 1.

For parcel identification, including the lines and dimensions of each lot, parcel and subdivision of land within Transit Zone No. 1, reference is hereby made to the Sacramento County Assessor's maps for a detailed description of each parcel within Transit Zone No. 1.

**FIGURE 1**  
**CSA NO. 10 - DETACHING TERRITORY**

## **PART V: CHARGE ROLL**

---

Parcel identification for each lot or parcel within Transit Zone No. 1 shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

A listing of the proposed parcels to be included within Transit Zone No. 1 and the charge amount for each parcel is provided on the following pages. This listing is based on the then current property tax roll as of the date of this report.

At the conclusion of the public hearing for Transit Zone No. 1 and the proposed charges, approval of the Report (as submitted or as modified) confirms the method of apportionment and the charges to be levied against each eligible parcel and thereby constitutes the approved levy and collection of charges for FY 2013/14. The listing of parcels and the amount of charges to be levied shall be submitted to the County Auditor/Controller and included on the FY 2013/14 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and charge rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and charge rate rather than a proportionate share of the original charge.

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Cyrus Abhar, Public Works Director  
Elizabeth Sparkman, Senior Engineer

**SUBJECT:** **RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 2**

### **RECOMMENDATION**

That Council

- 1) Adopt Resolution No. 90-2013 Initiating Proceedings for the Annual Levy and Collection of Charges, Preliminarily Approving the Engineer's Report, and Declaring its Intention to Levy the Annual Charges for Fiscal Year 2013-2014 for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2; and
- 2) Adopt Resolution No. 91-2013 Amending and/or Confirming the Engineer's Report and Establishing the Fiscal Year 2013-2014 Service Charges for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2.

### **RESULT OF RECOMMENDED ACTION**

Adoption of these resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 2 to provide for a broad range of miscellaneous transportation services within the District as identified in the Engineer's Report.

### **BACKGROUND**

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of miscellaneous transportation services intended to benefit the property within the Zone.

In January 2004, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 2 of County Services Area (CSA) No. 10. The CSA was formed to collect annual charges for extended transportation-related services within Benefit Zone No. 2 for the Sunridge Specific Plan Area.

CSA No. 10, Benefit Zone No. 2, is located within the City limits. Upon the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the County Service Area No. 10 formally detaching the district from the County and transferring of services responsibility and funding of the CSA to the City.

On August 4, 2008, the City redesignated the name of County Services Area No. 10 Benefit Zone No. 2 to "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2" or the "District").

The construction of the International Drive extension to Sunrise Boulevard and the completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively service the area with shuttle service. The CordoVan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. Unused funds of the FY 2013-2014 levy will be retained in reserves for future additional service to the area.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer's Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Exhibit A to the second Resolution.

Through adoption of **Resolution No. 90-2013, Attachment 1**, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminary approves such written report, and declares its intention to levy the annual charges for Fiscal Year 2013-2014. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report prepared by Willdan Financial Services, describes the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget, a description of the property to be benefited, and the amount of the charge to each individual property.

The proposed Fiscal Year 2013-2014 charges for each land use category are shown in Table 1 below.

**Table 1 - Transit Zone No. 2**

| Land Use Category          | Parcels Levied | Residential Units / Acres | Equivalent Dwelling Units | Proposed Rate | Per Unit / Acre | FY 2013/14 Charges  |
|----------------------------|----------------|---------------------------|---------------------------|---------------|-----------------|---------------------|
| Low Density Residential    | 3,406          | 3,406                     | 3,406                     | \$95.62       | per unit        | \$325,681.72        |
| Medium Density Residential | 999            | 999                       | 799.2                     | \$76.48       | per unit        | 76,403.52           |
| Mixed Commercial           | 1              | 4.34                      | 95.65                     | \$2,107.52    | per acre        | 9,146.64            |
| Retail                     | 1              | 2.38                      | 61.02                     | \$2,451.76    | per acre        | 5,835.18            |
| <b>TOTAL LEVY</b>          |                |                           |                           |               |                 | <b>\$417,067.06</b> |

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt **Resolution No. 90-2013**, which initiates the proceedings for the District, preliminary approves the Engineer's Report, and declares its intention to levy and collect service charges for Fiscal Year 2013-2014 and adopt **Resolution No. 91-2013**,

**Attachment 2**, which amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2013-2014.

**ATTACHMENTS**

1. Resolution 90-2013.
2. Resolution 91-2013 including Engineer's Annual Levy Report (Exhibit A).

**ATTACHMENT 1****RESOLUTION NO. 90-2013**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES  
FOR CERTAIN MISCELLANEOUS EXTENDED SERVICES, PRELIMINARILY APPROVING  
THE ENGINEER'S REPORT AND DECLARING ITS INTENTION TO LEVY THE ANNUAL  
CHARGES FOR FISCAL YEAR 2013-2014 FOR THE TRANSIT RELATED SERVICES  
BENEFIT DISTRICT, ZONE NO. 2 (FORMERLY COUNTY OF SACRAMENTO, COUNTY  
SERVICE AREA NO. 10, BENEFIT ZONE NO. 2)**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in the area known as the Sunridge Specific Plan to be located within the City boundaries; and

**WHEREAS**, on January 11, 2005, the Board of Supervisors of the County of Sacramento (the "Board"), in coordination with the City, pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2005-0061, ordered the formation of Benefit Zone No. 2 of County Service Area No. 10 ("CSA 10 Benefit Zone 2"); on March 15, 2005, the Board adopted Resolution No. 2005-0298, approving the Written Report (the "Formation Report"), ordering the collection of annual charges, commencing with Fiscal Year 2005-2006; and, on June 20, 2006, the Board adopted Ordinance No. 1539 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 2; and

**WHEREAS**, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of portions of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 2 was transferred to the City; and

**WHEREAS**, on August 4, 2008, the City redesignated the name of CSA 10 Benefit Zone 2 to the "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2" or the "District"); and

**WHEREAS**, Government Code section 25210.77a and the Ordinance require that the governing jurisdiction cause to be prepared annually, a Written Report (hereinafter referred to as the "Engineer's Report" or "Report") containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

**WHEREAS**, the City Council has retained Willdan Financial Services as the Engineer of Work, for the purpose of assisting with the annual levy of the District, and to prepare and file the Engineer's Report with the City Clerk; and

**WHEREAS**, the Engineer of Work has prepared and filed with the City Clerk said Report in connection with the District and the levy of Charges for Fiscal Year 2013-2014 for the period July 1, 2013 to June 30, 2014, pursuant to Government Code Section 25210.77a; and

**ATTACHMENT 1**

**WHEREAS**, the Report provides a description of each parcel of real property receiving a service and the amount of the Fiscal Year 2013-2014 charge for each parcel, and the Services provided, pursuant to Government Code section 25210.77a; and

**WHEREAS**, the City Council has carefully examined and reviewed the Engineer's Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

**WHEREAS**, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, July 15, 2013 at 5:30 pm, or as soon thereafter as feasible, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California by causing the publishing of such notice once a week for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, THE LEGISLATIVE BODY FOR SAID DISTRICT, AS FOLLOWS:**

**Section 1:** The above recitals are all true and correct.

**Section 2:** The Report as presented consists of the following:

- a. A description of the District.
- b. A description of the District boundaries.
- c. The Services to be provided by the District.
- d. The proposed Annual Budget for the fiscal year (Costs and Expenses).
- e. The Method of Apportionment of the District that details the method of calculating each parcel's annual charge.
- f. The Formula for Inflating the Annual Maximum Charge of the District parcels.
- g. A description of each parcel of real property receiving a Service.
- h. A Preliminary Charge Roll containing the proposed charge for each Assessor Parcel Number within the District for Fiscal Year 2013-2014.

**Section 3:** The proposed charges as outlined in the Report are in compliance with County Service Area Law and the provisions of California Constitution Article XIID.

**Section 4:** The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

**Section 5:** The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.

**ATTACHMENT 1**

**Section 6:** The City Council hereby declares its intention to seek the annual levy of the District charges pursuant to County Service Area Law, over and including the land within the District boundaries for Fiscal Year 2013-2014.

**Section 7:** The boundaries of the District are described in the Report and include the parcels within the District as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.

**Section 8:** The proposed charges for Fiscal Year 2013-2014 do not exceed the maximum charge approved through the property owner protest proceedings upon formation of the District.

**Section 9:** The City Clerk has given proper notice, pursuant to County Service Area Law and Government Code Section 6066, of the public hearing regarding these matters.

## ATTACHMENT 2

## RESOLUTION NO. 91-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
AMENDING AND/OR CONFIRMING THE ENGINEER'S REPORT AND ESTABLISHING THE  
FISCAL YEAR 2013-2014 SERVICE CHARGES FOR CERTAIN MISCELLANEOUS  
EXTENDED SERVICES WITHIN TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE  
NO. 2 (FORMERLY COUNTY OF SACRAMENTO, COUNTY SERVICE AREA NO. 10,  
BENEFIT ZONE NO. 2)**

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS**, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in the area known as the Sunridge Specific Plan to be located within the City boundaries; and

**WHEREAS**, on January 11, 2005, the Board of Supervisors of the County of Sacramento (the "Board"), in coordination with the City, pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2005-0061, ordered the formation of Benefit Zone No. 2 of County Service Area No. 10 ("CSA 10 Benefit Zone 2"); on March 15, 2005, the Board adopted Resolution No. 2005-0298 ordering the collection of annual charges, commencing with Fiscal Year 2005-2006; and, on June 20, 2006, the Board adopted Ordinance No. 1539 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 2; and

**WHEREAS**, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of portions of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 2 was transferred to the City; and

**WHEREAS**, on August 4, 2008, the City Council redesignated the name of CSA 10 Benefit Zone 2 as the "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2"); and

**WHEREAS**, Pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a written report containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

**WHEREAS**, Willdan Financial Services has prepared a written report for Fiscal Year 2013-2014 (the "Engineer's Report" or the "Report"), styled as an engineer's report, in connection with the District's levy of charges for the period July 1, 2013 to June 30, 2014. The Report has been filed with the City Clerk and is attached as **Exhibit A**; and

**WHEREAS**, by previous resolution, the Report has been preliminarily approved by the City Council; and

**ATTACHMENT 2**

**WHEREAS**, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein; and

**WHEREAS**, the City Clerk has fixed 5:30 p.m. (or as soon thereafter as the matter may be heard) on Monday, July 15, 2013, at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California, as the time, date and place for the public hearing on the Engineer's Report and the proposed charges therein; and

**WHEREAS**, the notice of the time, date and place for the public hearing has been published for two successive weeks in a newspaper of general circulation pursuant to Government Code Section 6066; and

**WHEREAS**, the City and its legal counsel have reviewed Proposition 218 and found that these charges comply with applicable provisions of Article XIID of the California State Constitution; and

**WHEREAS**, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these charges onto the County roll and tax bills for the City of Rancho Cordova; and

**WHEREAS**, the City Council has considered the propriety of the Engineer's Report, and has further considered the comments and evidence presented by all interested persons at the public hearing and has determined to act upon the matter.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL AS FOLLOWS:**

**Section 1 Confirming the Engineer's Report**

- a. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of the charges, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
- b. The public hearing was duly convened by the City Council at the time, date and place indicated in the notice and all protests received by the City Clerk were presented to the City Council and City Council heard and considered all objections and protests against the Written Report.
- c. The exterior boundaries of Transit Related Services Benefit District, Zone No. 2 are confirmed as those described in the Engineer's Report.
- d. The submitted Engineer's Report as presented, or amended, is hereby confirmed.

**Section 2 Fixing Fiscal Year 2013-2014 Service Charges**

- a. Service Charges for the miscellaneous extended transportation-related services shall be apportioned to benefiting parcels only, and in proportion to the benefit

**ATTACHMENT 2**

- received. Parcels defined as exempt in the Ordinance are not included in the calculation or collection of the Service Charges. The revenues obtained from the Service Charges shall be dedicated to financing the miscellaneous extended transportation-related services for Transit Benefit Zone No. 2.
- b. The City Council finds and determines that the properties to be charged in Transit Benefit Zone No. 2 will be benefited by the services and activities to be funded by the Service Charges levied thereon.
  - c. The City Council hereby fixes the fiscal year 2013-2014 Service Charges to only parcels of property within Transit Benefit Zone No. 2 as determined by the City Public Works Director or his/her designee (the "Administrator") to be "developed" as defined in the Ordinance, the Service Charges shall be applied at the maximum charge per unit or acre, as applicable, according to Table 2 of the Engineer's Report for each parcel's corresponding land use type.
  - d. The Auditor of the County is hereby directed to enter on the Sacramento County Tax Roll opposite each lot or parcel of land, the Service Charge shown in the Engineer's Report subject to minor modifications as approved by the Administrator.

**Section 3** Willdan Financial Services is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Willdan Financial Services within two weeks of adoption via either e-mail to mashley@willdan.com or US Mail to: Willdan Financial Services, 27368 Via Industria, Suite 110, Temecula, CA 92590 Attn: Mickey Ashley.

**Section 4** That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final confirmation of the Report as approved or amended.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova on the \_\_\_\_ day of \_\_\_\_\_, 2013 by the following vote:

## EXECUTIVE SUMMARY

---

### A. Introduction

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the "County"), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as "County Service Area Law"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the "Constitution") formed a County Service Area designated as:

#### **County Service Area No. 10**

(hereafter referred to as "the CSA" or "CSA 10") to provide miscellaneous extended transportation services for trip reduction in the following areas:

**Villages of Zinfandel,  
Sunridge Specific Plan, and  
Mather Field.**

#### **Upon the Incorporation of the City of Rancho Cordova**

on July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within the Sunridge Specific Plan, was then located within the new City limits.

On January 11, 2005, the County, in coordination with the City of Rancho Cordova (hereafter referred to as the "City"), formed a benefit zone within a portion of the CSA to be known as:

#### **Benefit Zone No. 2**

to impose an annual charge, commencing Fiscal Year 2005/06, upon all of the parcels of land within the subdivision known as the:

#### **Sunridge Specific Plan**

An Engineer's Report dated November 18, 2004 and noted as "Final (Revised)", together with the one-page memorandum, dated January 10, 2005, regarding an amendment thereto (hereafter referred to as the "CSA Zone 2 Formation Report") was prepared in connection with the proceedings to form and levy annual charges in Benefit Zone No. 2. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 2, including its structure (organization), proposed services, initial rates, inflator formula, and method of apportionment and charges, as

well as the projections of development activity and cost associated with the extended services, all of which have been presented in the CSA Formation Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District's Fiscal Year 2008/09 Engineer's Report, which was approved through City Council Resolution 82-2008.)

Pursuant to County Service Area Law and after all requirements to detach the portion of CSA 10 from County control and transfer to the City, LAFCO issued a Certificate of Completion to the City for the

### **Detachment from County Service Area No. 10**

subject to the conditions within LAFCO Resolution 1342. The detaching territory was comprised of the areas known as Benefit Zone No. 1, Benefit Zone No. 2 and a portion of Mather Field.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of these portions of CSA No. 10 within the City's boundary was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code Sections 56886(m) and 56886(t). In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 2, the City approved the District's Fiscal Year 2008/09 Engineer's Report to continue the annual levy of charges previously authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 2 as the:

### **Transit Related Services Benefit District, Zone No. 2**

(hereafter referred to as the "Transit Zone No. 2" or the "District").

It is the City's intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2013/14 in order to provide certain miscellaneous extended transportation services within the District.

## **B. Report Organization**

This Report consists of the following five (5) parts:

### **Part I: Plans and Specifications**

This part describes the properties included in the boundaries of Transit Zone No. 2 together with the proposed extended services to be provided by Transit Zone No. 2.

### **Part II: The Method of Apportionment**

This part describes the method of calculating each Transit Zone No. 2 parcel's annual charge.

### **Part III: Transit Zone No. 2 Budget**

This part provides the projected costs to provide extended services to developed properties within Transit Zone No. 2.

### **Part IV: Diagrams**

This part provides a diagram showing the detached territory of CSA 10 Benefit Zone No. 2, together with the diagrams of CSA 10 Benefit Zone No. 2; these diagrams shall serve as the exterior boundaries of Transit Zone No. 2.

### **Part V: Preliminary Charge Roll**

This part provides the fiscal year 2013/14 preliminary charges for the parcels within Transit Zone No. 2 to be applied to the tax roll.

## **C. Overview**

### **Purpose of Transit Zone No. 2**

The purpose of Benefit Zone No. 2 is to extend certain transportation-related services to developing areas, as described below. Extended services are funded by a property related charge pursuant to the Constitution Article XIID, Section 6. The formation of Benefit Zone No. 2 fulfills certain conditions of development for the Sunridge Specific Plan and related planning documents.

Annual charges through Transit Zone No. 2 for residential and nonresidential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

### **Adoption Proceedings of CSA No. 10, Benefit Zone No. 2**

Pursuant to Constitution Article XIID, Sections 4 and 6, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 2. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Zone 2 Formation Report, imposed the maximum allowable charge in Benefit Zone No. 2 for fiscal year 2005/06, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

## **Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 2**

According to Government Code section 56886, "Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance ☐ or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory."

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for the detached Zones within CSA 10, utilizing the procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this Report, any references to County Service Area Law and the City's authorized capacity to apply same, the term "City" shall be used in the place of "County".

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own number by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this Report.

## PART I: PLANS AND SPECIFICATIONS

This part describes the properties included in the boundaries of Transit Zone No. 2. This part also describes the proposed extended services to be provided by Transit Zone No. 2.

### A. Description of Transit Zone No. 2

#### Transit Zone No. 2 Boundaries

The boundaries of Transit Zone No. 2 and the former CSA 10 Benefit Zone No. 2 are congruent. Benefit Zone No. 2 is an irregular shape that covers the Sunridge Specific Plan. The Sunridge Specific Plan is generally located:

- ♦ South of Douglas Boulevard (plus a small triangular section adjoining to the north);
- ♦ North of Kiefer Boulevard;
- ♦ East of Sunrise Boulevard; and
- ♦ West of Grant Line Road.

Reference is made to the diagrams shown in Part IV of the Report.

#### General Description of Services

Transit Zone No. 2 provides the funding mechanism (annual charges) for transit shuttle and other supplemental transportation services as described in the CSA Zone 2 Formation Report. Transit Zone No. 2 will provide transportation services to both residential and nonresidential development within the Sunridge Specific Plan. The formation of CSA 10 Benefit Zone No. 2 fulfilled certain conditions of development included in County Ordinance No SCZ 2002-0014 for the Sunridge Specific Plan and related planning documents as well as the related Transportation System Management Plan and AQ-15 Plan.

In particular, Benefit Zone No. 2 is designed to support implementation of the following zoning condition:

The Sunridge Specific Plan shall have a targeted goal of a 30% reduction in daily vehicle trips. In support of that goal, the Sunridge Specific Plan shall participate in a County Service Area (CSA), or an equivalent funding mechanism to the satisfaction of the Board of Supervisors, or successor city, for the purpose of funding a variety of transportation demand management strategies, including but not limited to a transit shuttle service, which will contribute Sunridge's targeted 30% reduction in daily vehicle trips.

The charges for residential and nonresidential development will fund these transportation services as determined appropriate by the City Council. Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;
- ♦ Transit Subsidies – financial assistance to encourage residents and employees to use transit or other alternative transportation measures;
- ♦ Transportation Plans for employers and/or resident groups – plans which guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs;
- ♦ Education Programs – various programs such as education of transit options, home office set up, alternative commute opportunities;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities;
- ♦ Transportation Coordinator Training and Support – instruction in mobility (transportation alternatives) for residential groups and work site coordinators;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for purchasing new bicycles or alternative fuel vehicles.

## **PART II: METHOD OF APPORTIONMENT**

---

### **A. General**

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part I, above. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and inflator formula for the charge to be levied in Transit Zone No. 2.

### **B. Methodology**

The methodology established through CSA 10 Benefit Zone No. 2 and authorized for Transit Zone No. 2 is summarized below.

The Transit Zone No. 2 charges are levied to fund property-related services. These charges comply with County Service Area Law and Constitution Article XIID, Section 6, as the charges are to fund property-related services as defined in Article XIID.

The initial rates of CSA 10 Benefit Zone No. 2 were based on the estimated costs to fund supplemental transportation services in fiscal year 2005/06 for the Sunridge Specific Plan at build out.

#### **Equivalent Dwelling Unit Factors**

Each land use type is assigned an Equivalent Dwelling Unit (EDU) factor representing the relative demand for services compared to a low-density single family unit.

The level of service identified for Benefit Zone No. 2 was based on the level of service identified in user surveys conducted by the North Natomas

Transportation Management Authority ("NNTMA"). Demand for services was measured using vehicle trip generation rates adjusted for trip length and trip purpose (diverted and pass-by trips versus primary trips) by type of land use.

Demand is assumed to be generated by developed residential and nonresidential land uses. No demand is associated with undeveloped land and no charge is levied on this land use. **Table 1** provides the number of EDU's assigned to each land use type for calculating the maximum charge.

**Table 1: Transit Zone No. 2 - EDU's by Land Use**

| Land Use                                      | EDU Factor <sup>(1)</sup> |
|-----------------------------------------------|---------------------------|
| <b><i>Developed Acreage</i></b>               |                           |
| <u><i>Residential (per dwelling unit)</i></u> |                           |

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 2, FY 2005/06

Each parcel's charge is calculated by multiplying the cost per EDU by the amount of EDU's assigned to each land use type. This methodology fairly distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. Each parcel's charge does not exceed the reasonable cost of services to that parcel.

The EDU factor for each land use is based upon average daily vehicle trips (ADT) per land use type. ADT is used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge.

## Land Use Definitions

Land use definitions are as follows:

|                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Developed Parcels</i>               | All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or prior to June 30 of the fiscal year preceding the year in which the charge is levied.                                                                                                                                                                                                                                                                                                                                                                                         |
| <i>Undeveloped Parcels</i>             | All parcels that are not Developed Parcels or Exempt Parcels.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <i>Low Density Residential</i>         | This category includes densities of up to five (5.0) dwelling units per acre. Uses consistent with the Low Density Residential category include those allowed by right in the RD-5 land use zone and other residential zones of lesser maximum density as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.                                 |
| <i>Medium Density Residential</i>      | This category includes densities of more than five (5.1 or greater) dwelling units per acre and up to fifteen (15.0) dwelling units per acre. Uses consistent with the Medium Density Residential category include those allowed by right in the RD-7, RD-10, and RD-15 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova. |
| <i>High Density Residential</i>        | This category includes densities of more than fifteen (15.1 or greater) dwelling units per acre. Uses consistent with the High Density Residential category include those allowed by right in the RD-20, RD-25, RD-30, and RD-40 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.                                        |
| <i>Retail &amp; Service Commercial</i> | This category as designated in the Sunridge Specific Plan includes those non-residential land uses allowed by right or use permit in the SC Shopping Center land                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses that would generate a high number (500 or more) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the SC Shopping Center land use zone by development plan review or by conditional use permit are considered to be Low Density, Medium Density, or High Density Residential according to their density as determined by the Planning Director of Rancho Cordova and these definitions.

*Commercial Mixed Use*

This category as designated in the Sunridge Specific Plan includes those non-residential land uses allowed by right or use permit in the LC Limited Commercial land use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses that would generate a low to medium number (less than 500) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the LC Limited Commercial land use zone by development plan review or by conditional use permit are considered to be either Low Density, Medium Density, or High Density Residential according to their actual density in dwelling units per acre as determined by the Planning Director of Rancho Cordova and these definitions.

*Exempt*

Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 2 are provided to these parcels.

### **C. Formula for Inflating the Annual Maximum Charge**

The formula for inflating the maximum annual charge established through CSA 10 Benefit Zone No. 2, and to be used for Transit Zone No. 2, is summarized below.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 2 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Benefit Zone No. 2. The law implementing Constitution Article XIID (Senate Bill 919) clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before adjustment of the charge to the January in the year preceding adjustment of the charge; beginning in the second fiscal year (fiscal year 2006/2007) and each fiscal year thereafter, the maximum allowable charge will be recalculated and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, have imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way, the maximum allowable charge is adjusted annually and is calculated independent of the Benefit Zone's annual budget.

The U.S. Department of Labor, Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area as these are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 2 shall now use the CPI data for the month of February.

The percentage increase from the February 2012 CPI to the February 2013 CPI was 2.44723%.

**Table 2** provides the fiscal year 2013/14 maximum charge per EDU together with the maximum charge by land use.

**Table 2: Transit Zone No. 2 - Maximum Charge by Land Use**

| Land Use                                      | EDU Factor <sup>(1)</sup> | Charge Per EDU <sup>(2)</sup> | Maximum Annual Charge Per Unit / Acre |
|-----------------------------------------------|---------------------------|-------------------------------|---------------------------------------|
| <b><i>Developed Acreage</i></b>               |                           |                               |                                       |

| <u><i>Nonresidential (per acre)</i></u>       |                           |                               |                                       |
| Retail and Service Commercial                 | 25.64                     | \$ 95.6226                    | \$ 2,451.76                           |
| Commercial Mixed Use                          | 22.04                     | 95.6226                       | \$ 2,107.52                           |
| <b><i>Undeveloped Acreage</i></b>             |                           |                               |                                       |
| All Land Uses                                 | 0                         | \$ 95.6226                    | \$ 0.00                               |

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 2, FY 2005/06.

(2) The FY 2013/14 maximum charge per EDU is calculated by increasing the FY 2012/13 maximum charge per EDU of \$93.3384 by 2.44723%, the percentage increase in the CPI from February 2012 to February 2013.

Rates and percentages shown in this Report have been rounded for presentation purposes.

## PART III: TRANSIT ZONE NO. 2 BUDGET

This part provides the fiscal year 2013/14 budget, additional funding requirements and the description of each budget item, for Transit Zone No. 2.

### A. Transit Zone No. 2 Budget

| DESCRIPTION                                                                   | AMOUNT           |
|-------------------------------------------------------------------------------|------------------|
| <b>SERVICES AND OPERATING COSTS (DIRECT COSTS)</b>                            |                  |
| Shuttle Services Operations                                                   | \$171,000        |

<sup>(1)</sup> Variance due to rounding, including rounding limitations imposed by the County of Sacramento.

## **B. Additional Funding Requirements**

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the "Rancho CordoVan") on June 15, 2009. A primary benefit of the demonstration shuttle service was mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit's light rail system. The Rancho CordoVan demonstration shuttle was limited to the area between the Cordova Town Center Light Rail station and the businesses and residents just south of Highway 50, along Zinfandel Boulevard.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality ("CMAQ") program with supplemental funding from each benefit zone proportional to directly related services in that Zone. No funds from CSA 10 Benefit Zone 2 were used to operate this service. The Grant funding and the demonstration period ended on June 30, 2012.

The completion of the International Drive extension to Sunrise Boulevard and the recent completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively serve the Sunridge area with shuttle service. The Cordovan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. Unused funds of the FY 2013/14 annual levy will be retained in reserves for future additional services to the area.

The FY 2013/14 expenditures for Transit Zone No. 2 include:

- ♦ Shuttle Services Operations - \$171,000 towards the operations and maintenance of the CordoVan shuttle service.
- ♦ Transportation Planning and Coordination – about \$5,500 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ride sharing, van pool and shuttle program
- ♦ Outreach and Educational Programs – about \$7,000 is allocated to continue safe routes to school education at Sunrise Elementary School

in the Anatolia community on alternative mode transportation and encourage students and parents to walk or bicycle to school.

- ♦ **Guaranteed Ride Home** – about \$1,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.
- ♦ **Transit Subsidies and Incentives** – about \$15,000 of financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.
- ♦ **Infrastructure Support** – transit facilities (bus stop signs, shelters, etc). An allocation of about \$7,500 is needed for on-going maintenance of bus stops, shelters, and signs.

## C. Descriptions of Budget Items

The following is a brief description of the budgeted costs associated with the services funded through the Transit Zone No. 2.

### SERVICES AND OPERATING COSTS (DIRECT COSTS)

**Shuttle Services Operations** – Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options; if zero, this line item may not be shown in the budget.

**Transportation Planning and Coordination** — Includes cost of transportation plans for employers and/or resident groups which can guide employers and resident groups on the implementation of trip reduction programs for ridesharing, van pool, shuttle services or similar programs, as well instruction in mobility (transportation alternatives) for residential groups and work site coordinators; if zero, this line item may not be shown in the budget.

**Outreach and Educational Programs** — Includes cost of various programs such as education of elementary students at Sunrise Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school; if zero, this line item may not be shown in the budget.

**Guaranteed Ride Home** – Includes cost to provide free taxi rides and rental cars for ride sharers or shuttle riders in case of an emergency; if zero, this line item may not be shown in the budget.

**Transit Subsidies and Incentives** – Includes financial assistance in the form of subsidies to encourage residents and employees to use transit or other

alternative transportation measures, including ride sharing, vanpool or transit shuttle services; if zero, this line item may not be shown in the budget.

**Infrastructure Support** – Includes cost of facilities, such as additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities; if zero, this line item may not be shown in the budget.

## ADMINISTRATION COSTS

**City Administration** — Estimated costs incurred by the City for the management and administration of the District, including actions associated with the annual levy and collection of charges and response to inquiries or concerns of the public related thereto.

**Transit Shuttle Administration** — Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service budget and coordination of the annual approval of the charges.

**Professional Services** — Includes the professional service costs associated with the annual process of preparing the annual Engineer's Report, calculating rates, placing the annual charges of the Transit Zone onto the County tax roll and responding to public inquiries. This budget item also includes the costs of contracting with professionals to provide other administrative, legal or engineering services for operation of the Transit Zone, or for the costs of future ballot protest procedures as required.

**County Collection Fees** — This is the cost to the Transit Zone for the County Auditor/Controller to place charges on the property tax bills.

## ADJUSTMENTS AFFECTING LEVY AMOUNT

**Replenishment to / (Use of) Operating Reserve** – A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget.

**Contribution to / (Use of) Capital Outlay / Contingency Reserve** — A “contribution” increases the levy in order to generate funding for capital outlay / contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay / Contingency Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Capital Outlay / Contingency Reserve is provided under “Reserve Balance Information” below.

**Rounding** – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

**Net Adjustments** – The net adjustments affecting levy amount.

**Balance To Levy** - This is the total amount to be levied and collected through charges for the current fiscal year. "Balance to Levy" represents the sum of the total costs together with any applicable adjustments to the budget as described above.

## **DISTRICT STATISTICS**

**Parcels to be Levied** - The total number of parcels that are expected to be charged for the current fiscal year.

**Developed Equivalent Dwelling Units (EDU's)** - The total number of developed Equivalent Dwelling Units (EDU's) that are expected to be charged for the current fiscal year.

**Applied Rate per EDU** - The rate to be applied to each developed EDU for the current fiscal year.

**Maximum Rate per EDU** - The maximum rate to be charged to each EDU for the current fiscal year.

**Total Potential Maximum Charges** - The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

## **RESERVE BALANCE INFORMATION**

The Transit Zone's two types of reserves are described further below. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve as follows: a) Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes; and, b) Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone.

## **OPERATING RESERVE BALANCE**

**Beginning Operating Reserve Balance 7-1-2013 (est.)** - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2013 to December 31, 2013, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections

from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

**Collect from FY 13/14 Levy**— This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1, 2013 (the beginning of the Fiscal Year) through December 31, 2013. If zero, this line item may not be shown in the budget.

**Use for FY 13/14 Expenses** – The amount of the Operating Reserve to be used to fund FY 13/14 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2013 (the beginning of the Fiscal Year) through December 31, 2013. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Capital Outlay/Contingency Reserve** — The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

**Ending Operating Reserve Balance 6-30-2014 (est.)** - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2014. This balance should be sufficiently funded to provide for the first six-months of budgeted expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

## **CAPITAL OUTLAY / CONTINGENCY RESERVE BALANCE**

**Beginning Capital Outlay / Contingency Reserve Balance 7-1-2013 (est.)** — The projected balance of funds in the Capital Outlay / Contingency Reserve as of July 1, 2013. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone. Further information regarding the use of Capital Outlay / Contingency Reserve is provided above under "Reserve Balance Information".

**Collect from FY 13/14 Levy** — This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the budget.

**Use for FY 13/14 Capital Outlay / Contingency Purposes** – The amount of Capital Outlay / Contingency Reserve monies expected to be transferred out of the Capital Outlay / Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Operating Reserve** — The amount of Capital Outlay / Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

**Ending Capital Outlay / Contingency Reserve Balance 6-30-2014 (est.)** - The projected balance of funds in the Capital Outlay / Contingency Reserve as of June 30, 2014. These funds shall be used for future year Capital Outlay / Contingency purposes.

## **PART IV: DIAGRAMS**

---

A depiction of the diagram showing the detached territory of the CSA 10 Benefit Zone No. 2 is provided on the following page.

The diagrams used to form the CSA 10 Benefit Zone No. 2 are shown thereafter; these diagrams serve as the exterior boundaries of Transit Zone No. 2.

For parcel identification, including the lines and dimensions of each lot, parcel and subdivision of land within Transit Zone No. 2, reference is hereby made to the Sacramento County Assessor's maps for a detailed description of each parcel within Transit Zone No. 2.

**FIGURE 1**  
**CSA NO. 10 - DETACHING TERRITORY**

## **PART V: CHARGE ROLL**

---

Parcel identification for each lot or parcel within Transit Zone No. 2 shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

A listing of the proposed parcels to be included within Transit Zone No. 2 and the charge amount for each parcel is provided on the following pages. This listing is based on the then current property tax roll as of the date of this report.

At the conclusion of the public hearing for Transit Zone No. 2 and the proposed charges, approval of the Report (as submitted or as modified) confirms the method of apportionment and the charges to be levied against each eligible parcel and thereby constitutes the approved levy and collection of charges for FY 2013/14. The listing of parcels and the amount of charges to be levied shall be submitted to the County Auditor/Controller and included on the FY 2013/14 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and charge rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and charge rate rather than a proportionate share of the original charge.

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Adam U. Lindgren, City Attorney

**SUBJECT: AN ORDINANCE OF THE CITY COUNCIL AMENDING CHAPTER 23.158 "DEVELOPMENT AGREEMENTS," OF TITLE 23 "ZONING CODE" OF THE RANCHO CORDOVA MUNICIPAL CODE UPDATING REQUIREMENTS AND PROCEDURES FOR DEVELOPMENT AGREEMENTS**

### **RECOMMENDATIONS**

Waive first reading and introduce Ordinance No. 25-2013.

### **RESULT OF RECOMMENDED ACTION**

Adoption of this Ordinance is consistent with the City's goal to promote orderly development and efficient approval of development entitlements. The attached Ordinance will help streamline the execution of approved development agreements by providing the City Manager with the authority to execute the agreements. The Ordinance will also provide the City and developers with more flexibility regarding the extension of development agreements.

### **BACKGROUND**

As development activity increases within the City, it is important to review the City's rules and regulations in an effort to remove unneeded obstacles to new development. Development agreements serve a key role in promoting development within the City. Development agreements increase the certainty in the approval of development projects, thereby preventing the waste of resources, reducing the cost of development to the consumer, and encouraging investment in and commitment to comprehensive planning, all leading to the maximum efficient utilization of resources at the least economic cost to the public. This development tool provides assurance to the applicant that, upon approval of the project, the applicant may proceed with the project in accordance with existing policies.

Development agreements also enable the City to plan for and finance public facilities, including, but not limited to, streets, sewerage, transportation, drinking water, school, and utility facilities, thereby removing a serious impediment to the development of new housing.

**ANALYSIS**

In an effort to promote development activity within the City, Staff is recommending that the City Council adopt the attached Ordinance, making minor amendments to the "Development Agreements" Chapter of the City's Zoning Code. The Ordinance will streamline the approval process for development agreements by providing the City Manager the authority to execute approved agreements. Given the urgency that usually surrounds the execution and recordation of development agreements, Staff believes this will assist in streamlining the process.

The attached Ordinance will also be deleting the requirement that extensions to development agreements conform to the new General Plan as of the adoption date of the amended development agreement. Deletion of this Section will allow holders of expiring development agreements to apply for extensions while still maintaining all their vested rights. This does not prohibit the City Council from denying the extension, however, it does provide the City Council and developers with an option to extend. Given the economic downturn, many projects have remained undeveloped for many years. Staff hopes that removing extension obstacles will help promote development within the City in situations where existing development agreements approach their expiration date.

**ATTACHMENT**

Draft Ordinance 25-2013

2106605.1

**CITY OF RANCHO CORDOVA**

**ORDINANCE NO. 25-2013**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
AMENDING CHAPTER 23.158 “DEVELOPMENT AGREEMENTS,” OF TITLE 23  
“ZONING CODE” OF THE RANCHO CORDOVA MUNICIPAL CODE UPDATING  
REQUIREMENTS AND PROCEDURES FOR DEVELOPMENT AGREEMENTS**

**WHEREAS**, as development activity increases within the City, it is important to review the City’s rules and regulations in an effort to remove unneeded obstacles to new development. One of the City’s tools in promoting development is development agreements; and

**WHEREAS**, development agreements increase the certainty in the approval of development projects, thereby preventing the waste of resources, reducing the cost of development to the consumer, and encouraging investment in and commitment to comprehensive planning, all leading to the maximum efficient utilization of resources at the least economic cost to the public; and

**WHEREAS**, development agreements provide assurance to the applicant for a development project that, upon approval of the project, the applicant may proceed with the project in accordance with existing policies. Development agreements also enable the City to plan for and finance public facilities, including, but not limited to, streets, sewerage, transportation, drinking water, school, and utility facilities, thereby removing a serious impediment to the development of new housing; and

**WHEREAS**, in an effort to streamline processing for development agreements and help continue to provide the City and developers with the assurances and benefits provided by development agreements, this Ordinance amends minor procedural steps in the execution of development agreements and the processing of extensions; and

**WHEREAS**, the amendments under this Ordinance are consistent with the provisions of California Government Code sections 65864 through 65869.5; and

**WHEREAS**, this Ordinance is consistent with the City of Rancho Cordova General Plan in that the General Plan, its objectives, policies and goals promote orderly development and efficient approval of development entitlements; and

**WHEREAS**, this Ordinance is exempt from California Environmental Quality Act (CEQA) requirements pursuant to Section 15061(b) of the CEQA Guidelines (California Code of Regulations) because the amendments to Chapter 23.158, “Development Agreements,” do not have a potential for causing a significant effect on the environment. The amendments are purely administrative dealing only to the processing and extensions of development agreements; and

**WHEREAS**, on July 15, 2013, the City Council held a properly noticed public hearing at which it received a report from City Staff, oral and written testimony from the public, and deliberated on the item.

**THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:**

**SECTION 1.** The foregoing recitals are true and correct and made a part of this Ordinance

**SECTION 2.** Section 23.158.030, "Procedure," subsection (A), of the Rancho Cordova Municipal Code shall be amended as follows:

"A. A development agreement shall be processed as a City Council decision.  
The ~~Mayor~~ City Manager shall execute any development agreement approved."

**SECTION 3.** Section 23.158.030, "Procedure," subsection (D), of the Rancho Cordova Municipal Code shall be amended as follows:

"D. Amendments or Extensions to Development Agreements.

1. Changes to Approved Development. If any development agreement is amended during its term, any change shall be consistent with the provisions of the General Plan and any applicable Specific Plan.

~~2. Extension of Agreement. If the term of a development agreement is extended, any development that occurs after the original expiration date shall be consistent with the provisions of the General Plan as of the adoption date of the amended development agreement."~~

**SECTION 6. Severability**

If any provision of this Ordinance, or the application thereof to any person or circumstance, is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid or unenforceable.

**SECTION 7. Effective Date**

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its inception.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova on the \_\_\_\_ day of \_\_\_\_\_, 2013 by the following vote:

### **RECOMMENDATION**

Introduce and waive first reading of Ordinance 24-2013.

### **RESULT OF RECOMMENDED ACTION**

Adoption of Ordinance 24-2013 would approve a five (5) year extension to the Development Agreement with Richmond American Homes of Maryland, Inc., for certain lots in the Anatolia III project. The current Development Agreement is set to expire on November 20, 2013. This extension will give the current owner an additional five (5) years to complete the portion of the Anatolia III project that they own in accordance with the vested entitlements from the original Anatolia III project approval.

### **REQUIRED PERMITS AND REGULATORY BASIS**

Development Agreements may be amended pursuant to California Government Code section 65868.

## **BACKGROUND**

The original Development Agreement for the Anatolia III project was approved on November 20, 2003, with an initial ten (10) year term. Through the years, portions of villages within the Anatolia III project have been sold to different parties. The rights and obligation under the original Development Agreement were assumed by the different buyers through the execution of an Assignment and Assumption Agreement with the previous owners. Unless extended by the City Council, the original Development Agreement will automatically expire on November 20, 2013.

In early 2013, TW Investments requested an extension of the Anatolia III Development Agreement for the parcels of the Anatolia III project, which they owned at the time of their request. Staff was aware that TW Investments had a pending land sale with Richmond American Homes of Maryland, Inc. and that the five (5) year extension was an important term of the pending sale. Just prior to the drafting of this Staff Report, staff was informed that TW Investments had sold the property and assigned their rights and obligations under the Development Agreement to Richmond American Homes of Maryland. The attached Ordinance and First Amendment to the Development Agreement (First Amendment), **Attachments 1 and 2**, describe the ownership transfer history for the subject parcels. **Exhibit A** to the First Amendment provides the legal description of the subject parcels and a map indicating the location of the various villages subject to this First Amendment.

Approval of this request would allow Richmond American Homes to continue home construction consistent with the rights and obligations that have applied to all previous development within the Anatolia III project.

## **ATTACHMENTS**

1. Ordinance 24-2013, approving the First Amendment to the Development Agreement by and between the City of Rancho Cordova and Richmond American Homes of Maryland, Inc. relative to certain lots of Anatolia III (Village 18 Lots 1-66; 72-85; Village 19 Lots 30-33; 48-60; and Village 24 Lots 13; 17; and 18).
2. First Amendment to the Development Agreement, with **Exhibit A** Legal Description and Map.
3. Mailing List.

## ATTACHMENT 1

## CITY OF RANCHO CORDOVA

## ORDINANCE NO. 24-2013

**AN ORDINANCE OF THE CITY COUNCIL OF RANCHO CORDOVA  
APPROVING THE FIRST AMENDMENT TO THE DEVELOPMENT AGREEMENT  
BY AND BETWEEN THE CITY OF RANCHO CORDOVA AND  
RICHMOND AMERICAN HOMES OF MARYLAND, INC.,  
RELATIVE TO CERTAIN LOTS OF ANATOLIA III  
(Village 18 Lots 1-66; 72-85; Village 19 Lots 30-33; 48-60;  
and Village 24 Lots 13; 17; and 18).**

**THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:****Section 1. Recitals.**

- A. In order to strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted Section 65864, *et seq.*, of the Government Code (the "Development Agreement Statute"), authorizing the City, and any person having a legal or equitable interest in the real property, to enter into a development agreement and establish certain development rights in the property, which is the subject of the development project application. Pursuant to Government Code section 65868, Development Agreements may be amended by mutual assent of the parties.
- B. On November 20, 2003, the City of Rancho Cordova and Sun Ridge, LLC, a California limited liability company ("Sun Ridge") entered into that certain agreement entitled Development Agreement by and between the City of Rancho Cordova and Sun Ridge, LLC Relative to Anatolia III (the "Development Agreement"). Pursuant to the Development Agreement, Sun Ridge agreed to develop certain property, more particularly described in the Development Agreement (the "Anatolia III Development"), subject to certain conditions and obligations as set forth in the Development Agreement. The Development Agreement was recorded against the Subject Property in the Official Records of Sacramento County on December 5, 2003, in Book 20031205, Page 1484.
- C. Sun Ridge conveyed portions of the Anatolia III Development to several landowners, including the property that is subject to the Development Agreement amendment ("First Amendment"), attached hereto as **Attachment 2**. Specifically, Sun Ridge conveyed the portions of Anatolia III subject to the First Amendment ("Subject Property"), as shown in **Exhibit A** to the First Amendment, to Lennar Renaissance, Inc. Sun Ridge and Lennar Renaissance, Inc. entered into an Assignment and Assumption Agreement dated February 23, 2005.
- D. Lennar Renaissance, Inc. conveyed the Subject Property to Family Real Property, LP., and the parties entered into an Assignment and Assumption Agreement dated November 25, 2008.
- E. Family Real Property, LP. conveyed the Subject Property to TW Investments, Inc. and both parties entered into an Assignment and Assumption Agreement dated June 5, 2013, wherein TW Investments, LLC assumed all of the rights and obligations of Family Real Property, LP. under the Development Agreement with respect to the Subject Property.

**ATTACHMENT 1**

- F. TW Investments, LLC conveyed the Subject Property to Richmond American Homes of Maryland, Inc. ("Landowner"). TW Investments, LLC and Landowner entered into an Assignment and Assumption Agreement dated June 11, 2013, wherein Landowner assumed all of the rights and obligations of TW Investments, LLC under the Development Agreement with respect to the Subject Property.
- G. The Development Agreement is set to expire on November 20, 2013. Pursuant to the Landowner's request, and pursuant to Government Code section 65868, this First Amendment will amend the Development Agreement extending the term an additional five (5) years as it relates to the Subject Property.
- H. All environmental impacts have been reviewed and addressed at the time the Project was approved. All recitals and findings of determination in Ordinance 17-2003, which adopted the Development Agreement on October 20, 2003, are still accurate and relevant to this First Amendment.
- I. The Anatolia III Project is within the Sunrise Douglas Community Plan and the SunRidge Specific Plan ("SDCP/SRSP") area. The SDCP/SRSP was approved by the County of Sacramento ("County") in July 2002. The County also prepared and certified an Environmental Impact Report ("EIR") (State Clearinghouse Number 97022055) for the SDCP/SRSP. In July 2003, the City of Rancho Cordova incorporated an area that included the SDCP and SRSP. In response to litigation involving the SDCP/SRSP EIR, the City subsequently rescinded approval of the SDCP/SRSP. On November 7, 2012, the City certified a partially Revised EIR for the SDCP/SRSP, however, at that time, the City determined to carry out the projects within the SDCP/SRSP area without re-approving the SDCP/SRSP. No impacts beyond those previously considered were identified.
- J. On July 15, 2013, the City Council, as the legislative body for purposes of Development Agreement approval, held a properly noticed public hearing pursuant to Government Code section 65867 and considered all comments received in writing and all testimony received at the public hearing.

**Section 2: Findings.**

Therefore, on the basis of: (a) the foregoing recitals, which are hereby incorporated herein; (b) the City of Rancho Cordova's General Plan and General Plan EIR at the time the Development Agreement was approved; (c) the SDCP/SRSP EIR; (d) subsequent review and certification of the SDCP/SRSP EIR; and (e) the Anatolia III MND, the City Council finds and determines that:

A. The attached First Amendment to the Development Agreement is consistent with the objectives, policies, general land uses and programs specified and contained in the City's General Plan in effect on the date the Development Agreement was approved in that: (a) the development planned under the Development Agreement ("**Project**") is unchanged from the previous project approval; (b) the Project remains consistent with the fiscal policies of the General Plan in effect at the time the Development Agreement was approved with respect to provisions of infrastructure and public services; and, (c) the Development Agreement includes provisions relating to financing public services, construction and maintenance of public facilities, park development fees. The First Amendment is also consistent with the land use designations in the City's current General Plan.

**ATTACHMENT 1**

B. The First Amendment to the Development Agreement is in conformity with public convenience, general welfare and good land use policies in that the Project will implement land use guidelines set forth in the General Plan at the time the Development Agreement was approved.

D. The First Amendment to the Development Agreement will not be detrimental to the health, safety and general welfare in that the Project will proceed in accordance with the programs and policies of the General Plan in effect at the time the Development Agreement was adopted. The impacts of the development on existing land uses, public services and the environment have been evaluated and mitigated through the CEQA compliance process.

E. The First Amendment to the Development Agreement will not adversely affect the orderly development of property, or the preservation of property values, in that the amendment is consistent with the General Plan at the time the Development Agreement was approved.

F. The First Amendment to the Development Agreement is consistent with and includes the substantive elements of Government Code sections 65864 through 65869.5, and has been processed consistent with all the procedural requirements thereof.

**Section 3. Approval of Development Agreement.**

A. The City Council hereby approves the First Amendment to the Anatolia III Development Agreement, attached to this Ordinance and incorporated herein by reference as **Attachment 2**, and authorizes the City Manager to sign the First Amendment to the Development Agreement after the effective date of this Ordinance.

**Section 4. Recordation**

Within ten (10) days after the First Amendment to the Development Agreement is executed by the City Manager, the City Clerk shall submit the Agreements to the County Recorder for recordation.

**Section 5. Severability.**

If any section, subsection, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, it shall not affect the remaining portions of this Ordinance that can be given effect without the invalid provision and, to this end, the provisions of this Ordinance are severable. This City Council hereby declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance be enforced.

**Section 6. Publication and Effective Date.**

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its inception.

Government Code Section 6103

RECORDING REQUESTED BY AND  
WHEN RECORDED, MAIL TO:

City of Rancho Cordova  
2729 Prospect Park Drive  
Rancho Cordova, CA 95670  
Attention: City Clerk

(SPACE ABOVE THIS LINE RESERVED FOR RECORDER'S USE)

**FIRST AMENDMENT TO DEVELOPMENT AGREEMENT  
BY AND BETWEEN THE CITY OF RANCHO CORDOVA AND  
RICHMOND AMERICAN HOMES OF MARYLAND, INC.**

**RELATIVE TO CERTAIN LOTS OF ANATOLIA III  
(Village 18 Lots 1-66; 72-85; Village 19 Lots 30-33; 48-60;  
and Village 24 Lots 13; 17; and 18)**

This First Amendment ("**First Amendment**") to Development Agreement is entered into this \_\_\_\_ day of \_\_\_\_\_ 2013, by and between the CITY OF RANCHO CORDOVA, a California municipal corporation ("**City**") and RICHMOND AMERICAN HOMES OF MARYLAND, INC., a Maryland corporation ("**Landowner**"). City and Landowner are hereinafter collectively referred to as the "Parties," and singularly as a "Party."

**RECITALS**

A. On November 20, 2003, the City of Rancho Cordova and Sun Ridge, LLC, a California limited liability company ("**Sun Ridge**") entered into that certain agreement entitled Development Agreement by and between the City of Rancho Cordova and Sun Ridge, LLC Relative to Anatolia III (the "**Development Agreement**"). Pursuant to the Development Agreement, Sun Ridge agreed to develop certain property, more particularly described in the Development Agreement (the "**Anatolia III Development**"), subject to certain conditions and obligations as set forth in the Development Agreement. The Development Agreement was recorded against the Subject Property in the Official Records of Sacramento County on December 5, 2003, in Book 20031205, Page 1484.

B. Sun Ridge conveyed portions of the Anatolia III Development to several landowners. Specifically, Sun Ridge conveyed the portions of Anatolia III subject to this First Amendment ("**Subject Property**"), as shown in **Exhibit A**, to Lennar Renaissance, Inc. Sun Ridge and Lennar Renaissance, Inc. entered into an Assignment and Assumption Agreement dated February 23, 2005.

C. Lennar Renaissance, Inc. conveyed the Subject Property to Family Real Property, LP., and the parties entered into an Assignment and Assumption Agreement dated November 25, 2008.

D. Family Real Property, LP. conveyed the Subject Property to Landowner. Family Real Property, LP. and Landowner entered into an Assignment and Assumption Agreement

**ATTACHMENT 2**

dated June 5, 2013, wherein Landowner assumed all of the rights and obligations of Family Real Property, LP. under the Development Agreement with respect to the Subject Property.

E. Family Real Property, LP. conveyed the Subject Property to TW Investments, LLC and both parties entered into an Assignment and Assumption Agreement dated June 5, 2013, wherein TW Investments, LLC assumed all of the rights and obligations of Family Real Property, LP. under the Development Agreement with respect to the Subject Property.

F. TW Investments, LLC conveyed the Subject Property to Landowner. TW Investments, LLC and Landowner entered into an Assignment and Assumption Agreement dated June 11, 2013, wherein Landowner assumed all of the rights and obligations of TW Investments, LLC under the Development Agreement with respect to the Subject Property.

G. All environmental impacts have been reviewed and addressed at the time the Project was approved. All recitals and findings of determination in Ordinance 17-2003, which adopted the Development Agreement on October 20, 2003, are still accurate and relevant to this First Amendment.

H. The Anatolia III Project is within the Sunrise Douglas Community Plan and the SunRidge Specific Plan ("SDCP/SRSP") area. The SDCP/SRSP was approved by the County of Sacramento ("County") in July 2002. The County also prepared and certified an Environmental Impact Report ("EIR") (State Clearinghouse Number 97022055) for the SDCP/SRSP. In July 2003, the City of Rancho Cordova incorporated an area that included the SDCP and SRSP. In response to litigation involving the SDCP/SRSP EIR, the City subsequently rescinded approval of the SDCP/SRSP. On November 7, 2012, the City certified a partially Revised EIR for the SDCP/SRSP, however, at that time, the City determined to carry out the projects within the SDCP/SRSP area without re-approving the SDCP/SRSP. No impacts beyond those previously considered were identified.

I. This First Amendment to the Development Agreement is consistent with the objectives, policies, general land uses and programs specified and contained in the City's General Plan in effect on the date the Development Agreement was approved. This First Amendment is also consistent with the land use designations in the City's current General Plan.

**NOW, THEREFORE**, in consideration of the foregoing recitals and the mutual covenants contained herein, the Parties hereby agree to amend the Agreement as follows:

**AGREEMENT**

1. Term. Section 5.2 of the Development Agreement is amended to read as follows:

5.2. Term. Upon execution, the term of this Agreement shall commence on the Effective Date and shall continue in force until November 20, 2018, unless said term is terminated, modified or extended by circumstances set forth in this Agreement. Following the expiration of the term, this Agreement shall be deemed terminated and of no further force and effect; provided, however, said termination of the Agreement shall not affect any right or duty created by City approvals for the Property adopted prior to, concurrently with, or subsequent to the approval of this Agreement.

2. Scope of Amendment. This First Amendment shall only apply to the Subject Property more particularly described in the attached **Exhibit A**.

**ATTACHMENT 2**

3. All Other Terms Remain in Force. Except as amended by Sections 1 through 14 above, all terms and conditions of the Agreement remain in full force and effect.

4. Effective Date. This First Amendment takes effect on the effective date of the ordinance that approves it (the "Effective Date") (Gov. Code, § 65868).

5. Recording. Within ten (10) days after the Effective Date, City shall record this First Amendment with the Sacramento County Recorder's Office.

6. Counterparts. The Parties may execute this First Amendment in counterparts, each of which will be considered an original, but all of which will constitute the same instrument.

**IN WITNESS WHEREOF**, the City of Rancho Cordova, a municipal corporation, has authorized the execution of this First Amendment in duplicate by its City Manager and attested to by its City Clerk under the authority of Ordinance No. 24-2013, adopted by the Council of the City on this \_\_\_\_ day of \_\_\_\_\_ 2013, and Landowner has caused this First Amendment to be executed.

**Legal Description of Assigned Parcel**

**Parcel One:**

Lots 1 to 66, inclusive, and Lots 72 to 85, inclusive, as shown on the official map of "Anatolia III, Village 18", filed in the office of the Recorder of Sacramento County, California, on August 5, 2004, in Book 333 of Maps, at Page 6, Records of said County. Certificate of Correction recorded August 11, 2005, in Book 20050811, Page 764, Official Records and on February 15, 2006, in Book 20060215, Page 1067, Official Records.

Excepting therefrom an undivided one-half interest in and to all oil, gas, asphaltum and other hydrocarbons and all minerals located 100 feet or more below the surface of said land upon or above its surface, as reserved in Deed dated June 20, 1955, executed by Natomas Company to Harry M. Kauffman, et al, recorded July 12, 1955, in Book 2873, Page 230, Official Records.

Also Excepting therefrom all oil, gas and other hydrocarbon substances, inert gases, minerals and metals lying below a depth of 500 feet from the surface of said land and real property, whether now known to exist or hereafter discovered, including but not limited to the rights to explore for, develop and remove such oil, gas and other hydrocarbon substances, inert gases, minerals and metals without, however, any right to use the surface of such land and real property or any other portion thereof above a depth of 500 feet from the surface of such land and real property for any purpose whatsoever, as reserved by Sun Ridge LLC, a California limited liability company, in Grant Deed recorded December 11, 2003 in Book 200312-11, Page 1646, Official Records.

**Parcel Two:**

Lots 30 through 33, inclusive, and Lots 48 through 60, inclusive, as shown on the official map of "Anatolia III, Village 19", filed in the office of the Recorder of Sacramento County, California, on August 5, 2004, in Book 333 of Maps, at Page 7, records of said County.

Excepting therefrom an undivided one-half interest in and to all oil, gas, asphaltum and other hydrocarbons and all minerals located 100 feet or more below the surface of said land upon or above its surface, as reserved in Deed dated June 20, 1955, executed by Natomas Company to Harry M. Kauffman, et al, recorded July 12, 1955, in Book 2873, Page 230, Official Records.

Also Excepting therefrom all oil, gas and other hydrocarbon substances, inert gases, minerals and metals lying below a depth of 500 feet from the surface of said land and real property, whether now known to exist or hereafter discovered, including but not limited to the rights to explore for, develop and remove such oil, gas and other hydrocarbon substances, inert gases, minerals and metals without, however, any right to use the surface of such land and real property or any other portion thereof above a depth of 500 feet from the surface of such land and real property for any purpose whatsoever, as reserved by Sun Ridge LLC, a California limited liability company, in Grant Deed recorded December 11, 2003 in Book 200312-11, Page 1646, Official Records.

Parcel Three:

Lots 13, 17 and 18, as shown on the official map of "Anatolia III, Village 24", filed in the office of the Recorder of Sacramento County, California, on July 22, 2004, in Book 332 of Maps, at Page 4, as amended by Certificate of Correction recorded October 19, 2005 in Book 200510-19, Page 163, records of said County.

Excepting therefrom an undivided one-half interest in and to all oil, gas, asphaltum and other hydrocarbons and all minerals located 100 feet or more below the surface of said land upon or above its surface, as reserved in Deed dated June 20, 1955, executed by Natomas Company to Harry M. Kauffman, et al, recorded July 12, 1955, in Book 2873, Page 230, Official Records.

Also Excepting therefrom all oil, gas and other hydrocarbon substances, inert gases, minerals and metals lying below a depth of 500 feet from the surface of said land and real property, whether now known to exist or hereafter discovered, including but not limited to the rights to explore for, develop and remove such oil, gas and other hydrocarbon substances, inert gases, minerals and metals without, however, any right to use the surface of such land and real property or any other portion thereof above a depth of 500 feet from the surface of such land and real property for any purpose whatsoever, as reserved by Sun Ridge LLC, a California limited liability company, in Grant Deed recorded December 11, 2003 in Book 200312-11, Page 1646, Official Records.

| <b>PROJECT:</b><br><br><b>FILE:</b><br><b>LOCATION:</b><br><b>APN:</b><br><b>PLANNER:</b> | Mather Veterans Village Conditional Use Permit and Design Review addresses a proposed project that consists of the following three phases:<br>Phase 1: New construction of a supportive permanent housing project for veterans to provide 44 one-bedroom units and 6 two-bedroom units, and the rehabilitation of 4,000 square feet of existing 24,093 square foot Infirmary Building for community/office space.<br>Phase 2: Rehabilitation of the remaining 20,000 square feet of the existing Infirmary Building to include 24 to 30 dormitory style rooms, a kitchen, cafeteria/common room, offices, and classrooms.<br>Phase 3: A future phase of new construction of up to 30 additional veteran housing units and support services for which detailed programming has not yet been completed.<br>DD7915- Conditional Use Permit and Major Design Review<br>3611 Bleckley Street, Rancho Cordova<br>067-0010-099<br>William Campbell, Principal Planner |
|-------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### **RECOMMENDATION**

Adopt Resolution 75-2013.

### **RESULT OF RECOMMENDED ACTION**

Adoption of this resolution would complete Council Design Review and Use Permit approval for this project and would support the funding applications for the Mather Veterans Village project. Construction of the project would be phased, with initial phases to include new construction of 50 dwellings and the rehabilitation of an existing building to provide community space and transitional dormitory units. The project would add veteran specific housing to an area that is

rich in veterans' services and would provide additional support to homeless and disabled veterans.

### **REQUIRED PERMITS AND REGULATORY BASIS**

According to the Mather Field Special Planning Area, the Veteran's Village project is subject to the following provisions:

1. Section 603-14 B1- Human Services Area permitting the Veteran Village with a Use Permit, per Article 2, Table II, section P(3) of the County of Sacramento Zoning Code.
2. Chapter 23.141 Major Design Review of the Rancho Cordova Zoning Code.
3. Section 23.134 Conditional Use Permit, Rancho Cordova Zoning Code

### **BACKGROUND**

The Mather Air Force Base was decommissioned in 1993, resulting in a surplus of undeveloped and underutilized land partially located within the boundaries of what would become the City of Rancho Cordova. The County of Sacramento, in partnership with the Sacramento Housing and Redevelopment Agency (SHRA) formed the Mather Redevelopment Area that set development guidelines and zoning for the former military site. A significant portion of the under-utilized land, including the acreage identified as the site for the proposed Mather Veterans Village, was indicated for residential use.

In 2010 Sacramento County and the SHRA released a Request for Proposals for the development of the Mather Veterans Village housing and support services project for the proposed site at what is now 3611 Bleckley St. Mercy Housing was selected as the developer for the project from the RFP process. In 2012 the City, in partnership with Mercy Housing and the County of Sacramento identified a 3.69 acre site (**see Figure 1**) as the development site for the Mather Veterans Village, which includes an existing 24,093 square feet infirmary building. Mercy Housing and the City engaged the architectural firm Mogavero Notestine Associates to prepare a design package for a multi-phase veterans housing and supportive services project.

The project development team consists of Mercy Housing and Veterans Resource Center of America (VRCA) who provides services for homeless and disabled veterans and manages transitional housing facilities across the state. The Mather Veterans' Village is co-sponsored by the City of Rancho Cordova, County of Sacramento, and the Mather VA Hospital.

On June 11, 2013 the City received site control of the property from the County in the form of a 99 year lease, and ownership of the existing infirmary building (purchased for \$1.00). The first two phases of the Mather Veterans Village project were prepared for design review to support a March 2014 tax credit application for construction financing, and a winter of 2013 application for Veterans Affairs Supportive Housing (VASH) vouchers from SHRA, as allocated from the Federal department of Housing and Urban Development HUD.

Mather Veterans' Village is a planned transitional and permanent supportive housing development that would serve disabled and homeless veterans. The multi-phase project would ultimately consist of approximately 100 units of permanent supportive housing (in two 50-unit phases) and in another phase of up to 60 transitional beds. The development would consist of a service-rich living environment provided in a community setting. The overall site would include

common areas, a group dining area, classrooms and case work offices. The site would provide for indoor and outdoor recreation and gardening areas.

Funding and subsidies for the multiple stages of Mather Veterans' Village would come from multiple sources. Phase I would consist of 50 new construction Permanent Supportive Housing units plus the conversion/rehabilitation of the ground floor of the northwesterly wing of the old infirmary building. With a successful Tax Credit application, capital funding requirements for phase I will be in hand (\$11.9 million). With the exception of successful future grant applications and possible CDBG assistance, the City's financial participation will be limited to its current \$2.0 million Local Housing Trust Fund commitment.

Figure 1 – Location Map

Figure 2 – Site Plan

Phase II of the development of Mather Veterans' Village is proposed to be the conversion of the Old Infirmary Building as 60 transition beds and ancillary facilities. Since part of that existing structure would provide the "common area" and "administrative" spaces of the phase I development, it is hoped that we might be able to rehabilitate phase II in concert with phase I development. To this end, the co-sponsors and development team are embarking on a \$2.5 million corporate fund raising effort.

### **MATHER AREA SPECIAL PLANNING AREA CONSISTENCY**

The Mather Area Special Planning Area (MASPA) is the regulatory document that guides development of the proposed project site. On June 3, 2013 the MASPA was amended to include both transitional and permanent supportive housing as allowable by right in the zone where the project site is located. The project is consistent with the zoning and the long-term plans for the Mather Area. The approving authority is required to review and approve a conditional use permit for the project, which is part of this application. The supporting evidence is provided in the resolution for approving both the use permit and the design review.

### **CONDITIONAL USE PERMIT**

The requested Conditional Use Permit addresses full construction of the Mather Veterans' Village project, including Phases 1, 2 and 3 (see Figure 2 above). At built out, this project could include up to 110 dwelling units and a range of support services that would serve the needs of veterans. All projects within the Mather Field Special Planning Area are within subareas of that plan and are subject to the County's Zoning Code table of uses. In this particular case, Section 603-14 B1- Human Services Area, per Article 2, Table II, section P(3) of the County of Sacramento Zoning Code, allows the Veteran Village with a Use Permit. The County used the Use Permit process to give flexibility in the review of projects. Other than the specified

development standards listed for projects in the Human Services Area (listed below) no other special conditions of approval for the use permit are anticipated. The proposed Conditions of Approval would combine the Use Permit and Design Review entitlement requirements within a single approving resolution. The findings and evidence supporting the Use Permit are provided in the resolution (**Attachment 1**).

#### Consistency with Development Standards

The project is located within the Human Services Subarea of the Mather Area Special Planning Area, with the following development standards:

1. *Building Setbacks:*
  - *Front- 25 ft. minimum*
  - *Interior side- 6 ft.*
  - *Rear- 25 ft. minimum*
2. *Building Height- 50 feet maximum*
3. *Floor Area Ratio- NA*
4. *Density- NA*
5. *Parking Standards:* one parking space per every three occupants for the residential use and 4.5 parking spaces per 1000 square feet of the office use. 27 parking spaces are required and 32 parking spaces are provided.

The proposed project meets the minimum development standards.

#### **DESIGN REVIEW**

This design review addresses Phase 1 (new construction) and Phase 2 (renovation of an existing building) of the Mather Veterans' Village project. A future Phase 3 of this project would require future review and approval by the City Council.

Phase 1 construction portion of the project is new construction of a three-story apartment building served by two elevators and exterior walkways and bridges. The design of the project is intended to bring a more residential atmosphere to the existing institutional style of buildings currently on and adjacent to the project site. The new construction will be situated around the western and southern edges of the property, to create a community courtyard that can be shared by the residents. The one and two bedroom units would open towards the courtyard and be connected by a wide balcony style walkway with elevator access at the eastern and western ends of the building. The building would consist of four apartment blocks that are connected by bridges across pathways that open from the street-side to the courtyard (**see Figure 2, site plan**). There would be 44 single bedroom apartments and 6 two bedroom apartments. The units would incorporate universal design to facilitate disabled tenants with minimal remodeling. The new construction would be stick built on site. Phase 1 also include the renovation of 4,000 square feet of the existing Infirmary Building for community and office uses to support the new veterans' housing residents.

Phase 2 of the project (anticipated to be built concurrently with Phase 1) would involve the rehabilitation of the existing Infirmary Building. This Phase would provide new apartment units

within the existing infirmary building. The Infirmary Building is an institutional structure, however it is solidly built, with a high quality of construction. The development team assessed the building, and determined that, despite the institutional design, the building offered unique opportunities that would otherwise be too cost prohibitive to build new at the same quality of construction. The rehabilitation of the Infirmary Building would provide space for multiple uses. The community space for the new construction would inhabit approximately 4,000 sq. feet of the first floor of the western end of the building (**see Exhibit A, floor plan**). This community space that would be administered by Mercy Housing would consist of management offices and a community room, as well as a lobby entrance that would be shared with the remainder of the infirmary building, which, when rehabilitated, would be administered by VRCA.

The current exterior of the existing Infirmary Building is a painted stucco skin over concrete and masonry block walls with a flat roof. The rehabilitated building shell would also consist of stucco over the masonry walls, with additional insulation and new or restored windows. Due to the positioning of the building, the construction materials, and the general building mass, the existing infirmary building has the potential to be a net-zero building without excessive additional expense. The rehabilitation design includes solar panels stacked along the south facing side of the building in a photo voltaic array to provide electricity for the building. The rehab design also includes smaller panels layered along the flat roof on the western facing leg of the building. These panels may be used to supplement electricity production, or to provide additional hot water for the occupants.

The VRCA portion of the infirmary building includes a kitchen, dining area, class rooms, offices, and dormitory rooms with ganged bathrooms. These facilities would be located on the first floor of the south facing leg of the building and the entire second floor. (**see Exhibit A, floor plan**).

### **ENVIRONMENTAL ANALYSIS**

This project is Categorically Exempt under Section 15332, In-Fill Development, of the California Environmental Quality Act Guidelines. A full Environmental Assessment has been conducted that fulfills the NEPA requirements for this project.

### **RECOMMENDED MOTION**

Move the City Council adopts Resolution 75-2013 approving the Use Permit for the Mather Veterans' Village and Design Review of the Mather Veterans Village Phase I and Phase II as submitted, subject to the design package (**Exhibit A**) and the Conditions of Approval (**Exhibit B**).

### **ATTACHMENTS**

1. Resolution 75-2013, Approving the Conditional Use Permit and the Design Package (**Exhibit A**) and Conditions of Approval (**Exhibit B**).
2. 500' radius map and mailing labels used for Public Hearing Notice.

## CITY OF RANCHO CORDOVA

## RESOLUTION NO. 75-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
APPROVING A CONDITONAL USE PERMIT AND DESIGN REVIEW FOR  
THE MATHER VETERANS VILLAGE, PROJECT DD7915**

**WHEREAS**, Mercy Housing (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova to approve a Conditional Use Permit and Design Review for 50 units of new permanent supportive housing and up to 60 transitional housing dormitory beds in a rehabilitated existing building, known has the Mather Veterans Village; and

**WHEREAS**, The City Council previously approved an amendment to the zoning code for the Mather Field Special Planning Area to allow both transitional and permanent supportive housing in the Mather Field Special Planning Area by Ordinance No. 14-2013; and

**WHEREAS**, the City Council is the appropriate authority to hear and take action on this project; and

**WHEREAS**, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
HEREBY RESOLVES AS FOLLOWS:**

1. Determine the project assessment is adequate and complete according to the Guidelines of the California Environmental Quality Act.
  - a) Finding: *The project site has been analyzed in compliance with the California Environmental Quality Act.* Evidence: The County of Sacramento adopted an Environmental Impact Report for the Mather Field Special Planning Area, prepared by EIP Associates in 1997, and issues of aesthetics of the development for the project site were adequately addressed within the document. The project has further been determined to be categorically exempt, according to Section 15332 and the project will not create any significant adverse impact on the environment, per he following findings:
    - A. Finding: *The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.* Evidence: The project is within the Campus District, Human Services subarea of the Mather Field Special Planning Area. The proposed use is consistent with the allowed land uses in that area and will complement the VA Hospital and it satellite services.
    - B. Finding: *The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.* Evidence: The project is in an establish subarea of a Special Planning Area that has existing developments surrounding the proposed site. The project area has been developed over the years by the military and privately, after the Air Force vacated the site and relinquished the land to the County of Sacramento.

## ATTACHMENT 1

- C. *Finding: The project site has no value as habitat for endangered, rare or threatened species. Evidence: The project site has been historically developed and any valued habitat prior to that date has since been removed or destroyed.*
  - D. *Finding: Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality. Evidence: The new use will not generate new significant levels of traffic or noise impacts to the immediate area. The new project will improve the existing conditions related to on-site drainage and water quality by the new improvement measures required by the current codes.*
  - E. *Finding: The site can be adequately served by all required utilities and public services. Evidence: The site can be served by all required utilities that are currently in the area. Sewer, gas, electric service and drainage are all present on site or stubbed to the property. The City of Rancho Cordova will provide Police emergency services and Metropolitan Fire District will provide fire protection services.*
2. Approve the Major Design Review, subject to the Project Plans (**Exhibit A**) and the Conditions of Approval (**Exhibit B**); supported by the following Findings and Evidence, as required by Zoning Code Section 23.141.050:
- a) *Finding: The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and Special Planning Area provisions, and is consistent with the applicable Rancho Cordova Design Guidelines. Evidence: The General Plan designation and Mather Field Special Planning Area designation for this property is Human Services, wherein high density multi-family residential units are consistent with both designations, with the approval of a Conditional Use Permit. The proposed project has been designed to meet the applicable regulations of the Special Planning Area design guidelines, including setbacks, height regulations, and density for this site.*
  - b) *Finding: The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community. Evidence: The Developer has provided a design package that clearly illustrates the composition and form of the new units as well as the floor plan and elevations for the rehabilitated infirmary building (**Exhibit A**). The new three story structure is treated with a veneer of stucco and siding with external balcony style hallways. The infirmary rehab would feature stucco exterior, solar panels, shade structures, and new entrances. The Applicant has submitted preliminary landscape plans with the Design Review package (see **Exhibit A**). A condition has been placed on the project that will require approval from the Planning Director, in order to accommodate refinements to the site improvement plans, prior to building permits are issued.*
  - c) *Finding: The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties. Evidence: The architectural style of the new construction has a distinct residential feel that would help to introduce a more residential tone to the neighborhood. The design of the rehabilitated existing building is intended to counter the institutional design of the building while capturing the cost savings of re-*

## ATTACHMENT 1

using an existing structure. The color and material palettes are complementary to each other and include stucco, horizontal siding, and balcony railings and shade structures. The building wall mass of the new construction is offset to provide greater articulation to the vertical mass, along with changing roof sheds to break the monotony of a single ridge roof system.

- d) Finding: *The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.* Evidence: The units and site configuration have been designed to provide dedicated pedestrian walkways from the units to the public sidewalk. The on-site parking lot is appropriately configured to serve the units and reduce the conflict between vehicle and pedestrian movement.
3. Approve the Conditional Use Permit, subject to the Conditions of Approval (see **Exhibit B**); supported by the following Findings and Evidence, as defined in Zoning Code Section 23.134.030;
- a) Finding: *The site size, dimensions, location, topography, and access are adequate for the needs of the proposed use, considering the proposed building mass, parking, traffic, noise, vibration, exhaust/emissions, light, glare, erosion, odor, dust, visibility, safety, and aesthetic considerations.* Evidence: The site size, dimensions, location, topography, and access of the site are adequate for the proposed use and the new development will not have a negative effect on the surrounding area. This finding has been met.
- b) Finding: *Any negative impacts of the proposed use on adjacent properties and on the public can be mitigated through application of other Code standards or other reasonable conditions of approval.* Evidence: Any negative impacts of the proposed permanent supportive and transitional housing have been reduced to a less than significant level by the placement of the facilities, landscaping to screen views by sensitive users and through the application of Code standards and the attached Conditions of Approval. This finding has been met.
- c) Finding: *All required public facilities have adequate capacity to serve the proposal.* Evidence: All required public facilities have adequate capacity to serve the Project. Currently, all public facilities are adequately serving the existing site. This finding has been met.
- d) Finding: *The project meets the requirements of the Zoning Code including development standards, design guidelines, and special use provisions.* Evidence: The project is consistent with all the requirements of the Zoning Code Section 23.913.030 E that specifically addresses the development of permanent supportive and transitional housing. The conditions of approval will provide additional assurance that the new use will not negatively impact the area. This finding has been met.
- e) Finding: *If structures and site plans are considered nonconforming, the elements of a project that are nonconforming have been brought into compliance with the Zoning Code.* Evidence: There will be no nonconforming elements of this Project as identified in paragraph D above. This finding has been met.

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <u>Timing/<br/>Implementation</u> | <u>Enforcement/<br/>Monitoring</u> | <u>Verification</u><br>(date and signature) |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|------------------------------------|---------------------------------------------|
| 1. | Mather Veterans Village Conditional Use Permit and Design Review – for a 50 unit supportive permanent housing project for veterans and up to 60 transitional housing dormitory beds for homeless veterans. The City of Rancho Cordova and Mercy Housing would sponsor the development of this three-story apartment project, consisting of 44 one-bedroom 608 square foot units and 6 two-bedroom 828 square foot units of new construction. The project includes the rehabilitation of an existing 24,093 square foot building currently on the site. This rehabilitation includes 4,000 square feet to be used as community and office space for the management and operations of the new construction. The remaining 20,000 square feet would be rehabilitated to include 24 to 30 dormitory style rooms, a kitchen, cafeteria/common room, offices, and classrooms. | On-Going                          | Planning                           |                                             |
| 2. | The Applicant shall hold harmless the City, its Council Members, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.                                                                                                                                                                                                                                                                                                                                                                                                                        | On-Going                          | Planning                           |                                             |
| 3. | Applicant shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at <a href="mailto:billings@cityofranhocordova.org">billings@cityofranhocordova.org</a> for the status of your account with the City.                                                                                                                                                                                                                                                                                                                                                                                            | On-Going                          | Finance                            |                                             |

## Conditions of Approval

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                        |              |  |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|--------------|--|
| 4.  | Applicant shall be responsible for all damage to City streets associated with construction of the project and shall repair any damage as soon as possible.<br><b>Prior to Issuance of Improvement Plans</b>                                                                                                                                                                                                                                                                                                     | On-Going                               | Public Works |  |
| 5.  | Applicant shall photo-document the condition of adjacent streets, sidewalks and infrastructure to the satisfaction of the Public Works Department.                                                                                                                                                                                                                                                                                                                                                              | Prior to Approval of Improvement Plans | Public Works |  |
| 6.  | Enter into a frontage agreement, if necessary for those portions of the streets adjacent to the project and bond for construction of public improvements to the satisfaction of the Public Works Department.                                                                                                                                                                                                                                                                                                    | Prior to Approval of Improvement Plans | Public Works |  |
| 7.  | Provide drainage easements as needed and pay any fee required by the Sacramento County Water Agency Code. Install facilities pursuant to the Sacramento County Floodplain Management Ordinance, Sacramento County Water Agency Code, and City of Rancho Cordova Improvement Standards. If the system is to be a private system, then it shall be labeled as such on the improvement plans and a copy of an approved and executed private maintenance agreement shall be provided to the City of Rancho Cordova. | Prior to Approval of Improvement Plans | Public Works |  |
| 8.  | Incorporate into the site improvement plans storm water quality measures in conformance with applicable County ordinances & standards, and state and federal law. The project may implement low impact development design pursuant to and consistent with <i>The Storm Water Quality Design Manual for the Sacramento &amp; South Placer Regions</i> . Such implementation may be able to reduce the storm water quality treatment requirement.                                                                 | Prior to Approval of Improvement Plans | Public Works |  |
| 9.  | Annex to the Storm Water Utility District.                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Prior to Approval of Improvement Plans | Public Works |  |
| 10. | Applicant shall submit improvement plans to the satisfaction of the Public Works Department. Improvement plans shall include, but shall not be limited to: <ul style="list-style-type: none"> <li>• All onsite civil improvements.</li> </ul>                                                                                                                                                                                                                                                                   | Prior to Approval of Improvement Plans | Public Works |  |

## Conditions of Approval

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                        |              |  |

| 15. | All street trees shall be approved by the City's Engineer and Planning Director.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Prior to Final Building Inspection    | Planning     |  |
| 16. | Connection(s) to the Sacramento Area Sewer District's (SASD) sewer system shall be required to the satisfaction of the SASD. In order to obtain sewer service, construction of SASD sewer infrastructure may be required. SASD Design Standards apply to any on and off-site sewer construction. Each parcel with a sewage source shall have a separate connection to SASD public sewer system. If there is more than one building in any single parcel and the parcel is not proposed for split, then each building on that parcel shall have a separate connection to a private on-site sewer line or SASD public sewer line. | Prior to Final Building Inspection    | Public Works |  |
| 17. | Install improvements per the approved Public Works plans and to the satisfaction of the Public Works Department.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Prior to Final Building Inspection    | Public Works |  |
| 18. | As-Built reproducible grading and improvement plans, as well as a compact disc containing said plans in AutoCAD format, shall be submitted and approved by the Public Works Department.                                                                                                                                                                                                                                                                                                                                                                                                                                         | Prior to Final Building Inspection    | Public Works |  |

# DD-7915 Veteran Village Use Permit and Design Review

---

Rancho Cordova City Council  
William Campbell, Project Planner  
Jessica Hayes, Housing Services  
July 15, 2013

---

# Project Request

- Mather Veterans Village Conditional Use Permit and Design Review addresses a proposed project that consists of the following three phases:
  - Phase 1: New construction of a supportive permanent housing project for veterans to provide 44 one-bedroom units and 6 two-bedroom units, and the rehabilitation of 4,000 square feet of existing 24,093 square foot Infirmary Building for community/office space.
  - Phase 2: Rehabilitation of the remaining 20,000 square feet of the existing Infirmary Building to include 24 to 30 dormitory style rooms, a kitchen, cafeteria/common room, offices, and classrooms.
  - Phase 3: A future phase of new construction of up to 30 additional veteran housing units and support services for which detailed programming has not yet been completed.

### **RECOMMENDATION**

Determine that the project is consistent with the Capital Village, Mitigated Negative Declaration and adopt Resolution No. 92-2013, to approve changes to the Capital Village Sign Criteria document.

### **RESULT OF RECOMMENDED ACTION**

Adoption of this resolution would allow for more design flexibility for wall signs throughout the Capital Village project. The amendments would allow the height of sign text and sign logos to be calculated separately. Amendments would allow for the height of signs on all facades to have additional height. This would allow proposed Panera Bread building signs to be constructed as proposed by the applicant.

### **REQUIRED PERMITS AND REGULATORY BASIS**

In order to issue sign permits within the Capital Village commercial project, signs must be consistent with the Capital Village, Sign Criteria document (dated March 15<sup>th</sup>, 2007). This type of document is referred to as a Unified Sign Program, by the Rancho Cordova zoning code. Amendments to this document are requested prior to the issuance of any sign permits for the Panera Bread building, so that the Panera Bread logo may be used without compromising the aesthetics of the façade or the proposed sign. According to the zoning ordinance, a Unified Sign

Program is required for all multi-tenant shopping centers (Chapter 23.119). The zoning ordinance grants authority to the Planning Director to approve Unified Sign Programs, but since this Capital Village document was originally approved by the City Council, amendments can only be authorized by the City Council in March 2007.

## **BACKGROUND**

The design review for the Capital Village Panera Bread was approved at the May 20, 2013 meeting. As a follow-up item, amendments to the Capital Village sign criteria document are proposed. Signs within the Capital Village commercial site (Figure 1) are subject to the requirements of this document. Due to the configuration of the Panera Bread restaurant façade (Figure 2), it was discovered that the maximum height limit on wall sign was too restrictive. The preferred configuration is to place the bread logo above the word “Panera Bread,” but this arrangement would exceed the maximum permitted sign height, since the logo and text must be measured together under the current language within the sign criteria document. The entire Capital Village project is affected by a change to the Sign Criteria document.

The Capital Village Sign Criteria document specifies the size and type of signs permitted within this development. The submitted Panera sign package does not comply with the current limits within this document and amendments are requested:

- Each pad tenant (under 5,000 square feet) is permitted a sign that is 36 inches in height (a 50% increase is permitted to allow for logos and other creative sign approaches). A sign that is 52 inches in height would be permitted under the current rules. Sign height is inclusive of all logos, lettering, even if occurring in multiple rows.
- If a pad tenant has multiple facades secondary signs are permitted up to a maximum height of 24 inches. Applying the 50% increase rule to allow for logos, a secondary sign could be up to 36 inches in height.

Figure 1 - Project Location

Figure 2 - New Building Design (north facade)

Figure 3 - Proposed Panera Bread Sign

## REQUEST

The applicant has requested a revision to allow for the height of the logo and the text to be calculated separately and to eliminate the distinction between a “primary” and a “secondary” façade. This will allow the bread logo to be stacked on top of the Panera Bread text and for the same sign to be used on all facades. The following edits to the sign criteria document are proposed (see **Exhibit A** to Resolution 92-2013 for the replacement pages). The strike-outs and underlines indicate the proposed changes:

### Page 2

“For all Tenants:

- (1) Tenants may be allowed an extra 50% of sign height and 15% of sign area to allow enhancements to graphics and/or architectural balance. However, this option is at the discretion of the Landlord and requires approval of the City Planning Director prior to sign permit approval.
- (2) All signs shall be measured for area by drawing a shape (rectangular or other) around each element of the individual signs. For example, measure the area of letters and area of icon and/or logo separately. ~~The sign height shall be the total height of all letter and graphics combined.~~
- (3) Double stacking of letters is permitted, if the total sign height limit is not exceeded. ~~Adjacent text and graphics shall be considered one (1) sign for height measurement purposes.~~
- (4) Letters and logos/icons may be considered separate signs for height measurement purposes only.”

Figure 2 - Proposed Panera Bread Sign

## **FINDINGS**

Section 23.119.040 (Approval findings) requires that changes to any unified sign programs such as the Capital Village Sign Criteria Document meet the following findings:

Finding A. The proposed sign program does not violate provisions of this zoning code and the municipal code. *Finding met: The proposed signs do not violate any provisions of the zoning code and does not permit any sign types that would not otherwise permitted.*

Finding B. The proposed sign program is generally consistent with location, size, height, setback and other requirements of the underlying zoning district and applicable design guidelines for signs permitted with or without a unified sign program requirement. *Finding met: This document is generally more restrictive than the Rancho Cordova sign code in terms of the size of wall signs permitted. The zoning code does not establish a maximum height and sets a sign area maximum of 300 sf.*

Finding C. The appearance, scale, materials, design and graphics, and orientation of signs are in keeping with the character of the site and buildings, and the surrounding neighborhood. *Finding met: With the proposed amendments, signs designed according to the sign criteria document will fit in well with the building architecture on the Capital Village site. The amendments would allow for additional design flexibility and the arrangement of company logos in relation to sign text.*

Finding D. Approval of the unified sign program would not be detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity in which the project is located. *Finding met: Only minor changes to dimensional limits on the size and height of building signs are proposed. Nothing in the amendments would result in any detriment to the public interest, safety, convenience or welfare.*

**RECOMMENDED MOTION**

Determine that the project is consistent with the Capital Village, Mitigated Negative Declaration and Adopt Resolution No. 92-2013, to approve a change to the Capital Village Sign Criteria document and as depicted in the replacement pages (**Exhibit A**).

**ATTACHMENTS**

1. Resolution No. 92-2013, including the Capital Village Sign Criteria document replacement pages (**Exhibit A**).
2. Redline Copy of the Capital Village Sign Criteria document (additions handwritten, deletions in strikethrough, pages with no edits have been omitted).
3. 500' radius map and labels.

## CITY OF RANCHO CORDOVA

## RESOLUTION NO. 92-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
APPROVING AN AMENDMENT TO THE CAPITAL VILLAGE SIGN CRITERIA DOCUMENT  
PROJECT # DD7909**

**WHEREAS**, Kim Whitney of Merlone Geier (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a Design Review Amendment (DRA) and Conditional Use Permit (CUP) for a new Panera Bread located at the northeast corner of Zinfandel Drive and International Drive (Assessor's Parcel Numbers: 072-3010-004); and

**WHEREAS**, the fore mentioned DRA and CUP was approved on May 20, 2013 by the Rancho Cordova City Council. A subsequent action was requested by the applicant to amend the Capital Village, Sign Criteria document to enable the installation of signs designed for the Panera Bread restaurant; and

**WHEREAS**, the City Council is the appropriate authority to hear and take action on this project; and

**WHEREAS**, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code Section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA** that the Council:

1. Determine the project is consistent with the Capital Village Mitigated Negative Declaration that applies to this project site according to the Guidelines of the California Environmental Quality Act.

- a) Finding: This project will not have a significant adverse impact on the environment and is consistent with the Capital Village, Mitigated Negative Declaration prepared and adopted for the Capital Village project in 2004 and amended in 2005.

Evidence: The proposed amendments to the sign criteria document do not significantly alter the project from a CEQA perspective. The impacts of the proposed design are the same as, or less than, the project studied by the Mitigated Negative Declaration (MND) and no additional analysis is required. On the basis of the MND, there is no substantial evidence that the project will have a significant adverse impact on the environment.

2. Approve the amendments to the Capital Village, Sign Criteria document, subject to the replacement pages (**Exhibit A**); supported by the following Findings and Evidence, as required by Zoning Code 23.119.040 (Approval findings):

- a) Finding: The proposed sign program does not violate provisions of this zoning code and the municipal code.

Evidence: The proposed signs do not violate any provisions of the zoning code and does not permit any sign types that would not otherwise permitted.

**ATTACHMENT 1**

- b) Finding: The proposed sign program is generally consistent with location, size, height, setback and other requirements of the underlying zoning district and applicable design guidelines for signs permitted with or without a unified sign program requirement.

Evidence: This document is generally more restrictive than the Rancho Cordova sign code in terms of the size of wall signs permitted. The zoning code does not establish a maximum height and sets a sign area maximum of 300 sf.

- c) Finding: The appearance, scale, materials, design and graphics, and orientation of signs are in keeping with the character of the site and buildings, and the surrounding neighborhood.

Evidence: With the proposed amendments, signs designed according to the sign criteria document will fit in well with the building architecture on the Capital Village site. The amendments would allow for additional design flexibility and the arrangement of company logos in relation to sign text.

- d) Finding: Approval of the unified sign program would not be detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity in which the project is located.

Evidence: Only minor changes to dimensional limits on the size and height of building signs are proposed. Nothing in the amendments would result in any detriment to the public interest, safety, convenience or welfare.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova on the \_\_\_\_\_ day of \_\_\_\_\_, 2013 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAIN:**

\_\_\_\_\_  
Linda Budge, Mayor

**ATTEST:**

\_\_\_\_\_  
Mindy Cuppy, CMC, City Clerk

FREE STANDING SIGN TYPES

(A) Multi-Tenant Monument Sign (Exhibit M1)

The overall size of the monument sign shall not exceed 8' - 0" in height (including "Capital Village" moniker)

(B) Single-Tenant Monument Sign (Exhibit M2)

The overall size of this monument sign shall not exceed 6' - 0" in height (including "Capital Village" moniker)

TENANT WALL SIGNS

Each Tenant is allowed one (1) storefront ID sign above their storefront. However, specific suites with secondary entrance(s) and/or secondary building elevations may incorporate one (1) additional identification sign per elevation, subject to Landlords approval

The size of each Tenant's sign is based on the following calculation:

- Two (2) square feet per linear foot of Tenant's store frontage.
- The maximum width of any tenant's storefront sign may not exceed seventy-five (75%) percent of the tenants leased storefront.

Signs may identify the business name and a generic word description of the service. No product identity or specific service description may be displayed

For all Tenants:

- (1) Tenants may be allowed an extra 50% of sign height and 15% of sign area to allow enhancements to graphics and/or architectural balance. However, this option is at the discretion of the Landlord and requires approval of the City Planning Director prior to sign permit approval.
- (2) All signs shall be measured for area by drawing a shape (rectangular or other) around each element of the individual signs. For example, measure the area of letters and area of icon and/or logo separately.
- (3) Double stacking of letters is permitted, if the total sign height limit is not exceeded.
- (4) Letters and logos / icons may be considered separate signs for height measurement purposes.

TENANT WALL SIGNS (Cont.)

- (i) Anchor Tenant (140,000 square feet)

Anchor Tenant is allowed storefront signage based on the following calculations:

  - One (1) primary sign is permitted on the front facade only.
  - The maximum sign height: 8' - 0"
  - Maximum sign area per elevation not to exceed 400 square feet.
  - Multiple secondary signs are permitted up to the maximum allowable signage area per elevation and not to exceed 2' - 0" in sign height. Words such as: Appliances, Tile, Lumber may be used.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation. The area of each sign on additional elevation(s) must be calculated using the same formula as per front elevation. Additional signs are permitted to reinforce multiple storefront concept.
- (ii) Major Tenant (5,000 - 50,000 square feet)

Major Tenant is allowed storefront signage based on the following calculations:

  - One (1) sign is permitted on each facade
  - The maximum sign height: 4' - 0"
  - Maximum sign area per elevation not to exceed 250 square feet.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation.
- (iii) Pad Tenants (less than 5000 square feet)

Pad Tenant is allowed storefront signage based on the following calculations:

  - One (1) sign is permitted on each facade
  - Maximum sign height: 3' - 0"
  - Maximum sign area per elevation not to exceed 150 square feet.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation.
- (iv) Inline Tenants

Inline Tenant is allowed storefront signage based on the following calculations:

  - One (1) sign is permitted on each facade
  - Maximum sign height: 2' - 6"
  - Each Tenant is entitled to one (1) sign per elevation of its retail space frontage

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, May incorporate one (1) additional sign per elevation.

- (2) All signs shall be measured for area by drawing a shape (rectangular or other) around each element of the individual signs. For example, measure the area of letters and area of icon and/or logo separately. ~~the sign height shall be the total height of all letter and graphics combined~~

- (3) Double stacking of letters is permitted, if the total sign height limit is not exceeded. ~~Adjacent text and graphics shall be considered one (1) sign for height measurement purposes~~

(4) Letters and logos/icons may be considered separate signs for height measurement purposes.

TENANT WALL SIGNS (Cont.)

(i) Anchor Tenant (140,000 square feet)

- Anchor Tenant is allowed storefront signage based on the following calculations:
- One (1) primary sign is permitted on the front facade only.
  - The maximum sign height: 8' - 0"
  - Maximum sign area per elevation not to exceed 400 square feet.
  - Multiple secondary signs are permitted up to the maximum allowable signage area per elevation and not to exceed 2' - 0" in sign height. Words such as: Appliances, Tile, Lumber may be used.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation. The area of each sign on additional elevation(s) must be calculated using the same formula as per front elevation. Additional signs are permitted to reinforce multiple storefront concept.

(ii) Major Tenant (5,000 - 50,000 square feet)

- Major Tenant is allowed storefront signage based *on each* on the following calculations:
- One (1) ~~primary~~ sign is permitted ~~on the front facade only~~
  - The maximum sign height: 4' - 0" (~~primary facade only~~)
  - Maximum sign area per elevation not to exceed 250 square feet.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation.  
~~(Maximum sign height: 2' - 0")~~

(iii) Pad Tenants (less than 5000 square feet)

- Pad Tenant is allowed storefront signage based on the following calculations:
- One (1) ~~primary~~ sign is permitted ~~on the front facade only~~
  - Maximum sign height: 3' - 0" (~~primary facade only~~)
  - Maximum sign area per elevation not to exceed 150 square feet.

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation.  
~~(Maximum sign height: 2' - 0")~~

(iv) Inline Tenants

- Inline Tenant is allowed storefront signage based on the following calculations:
- One (1) ~~primary~~ sign is permitted ~~on the front facade only~~
  - Maximum sign height: 2' - 6"
  - Each Tenant is entitled to one (1) sign per elevation of its retail space frontage

**Note:** Tenant with building elevations facing multiple exposures such as a parking lot or street, may incorporate one (1) additional sign per elevation.  
~~(Maximum sign height: 2' - 0")~~

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** William Campbell, Principal Planner

**SUBJECT:** **MONTELENA GENERAL PLAN AMENDMENT, REZONE, TENTATIVE SUBDIVISION MAPS, AND A 3<sup>RD</sup> AMENDMENT TO THE DEVELOPMENT AGREEMENT; PROJECT NO. DD7920 – LOCATED SOUTH OF DOUGLAS ROAD, APPROXIMATELY ¾ MILE EAST OF SUNRISE BOULEVARD.**

|                                                                                                                                                                                                                                                               |                                                                                                     |

### **RECOMMENDATION**

That Council:

- a) Adopt Resolution 94-2013 approving a General Plan Amendment, a Tentative Subdivision Map for those portions of Village 3 and 6 of the Montelena project, subject to the draft Conditions of Approval; and,
- b) Waive first reading and introduce Ordinance 23-2013 approving a zone change for that portion of Villages 3 and 6 of the Montelena project and the third amendment to the Development Agreement for the Montelena project.

### **RESULT OF RECOMMENDED ACTION**

Approval of the proposed actions would convert two small City open space sites to residential lots. Elimination of these open space sites is consistent with recent Council direction to amend the City Open Space standard. The remaining CRPD park located adjacent to these two open space sites will effectively serve the recreational needs of local residents. The proposed actions would also establish various obligations and rights noted within the 3rd Amendment of the Montelena Development Agreement.

## **REQUIRED PERMITS AND REGULATORY BASIS**

The project will need the following entitlements in order to proceed into the next phase of development:

- A. General Plan Amendment – Section 23.155 et.al. establishes the process for amending the City's General Plan. The support evidence supporting the GPA is provided in the resolution. The City may amend its General Plan up to four times in a calendar year.
- B. Rezone – Section 23.146 et.al. establishes the process for amending the Zoning Map of the City and the supporting evidence supporting the rezone is provided in the ordinance.
- C. Two Tentative Subdivision Maps – The Subdivision Map Act of the State of California and the City Subdivision Ordinance will guide the division of land, according to the Zoning Code.
- D. 3rd Amendment to Development Agreement – Section 23.158 et.al. establishes the process for adopting and amending a Development Agreement between the City and the applicant.

## **BACKGROUND**

The Montelena project is located in the northern portion of the SunRidge Specific Plan (SRSP) and is bounded by Douglas Road to the north and Rancho Cordova Parkway to the east. The project abuts developed lands within the Anatolia project to the west and south.

The original Montelena project was originally approved in 2006, amended in 2012 and remained consistent with the vested SRSP for the unmodified portion of the project. The 2012

amendment amended the General Plan and changed the Zoning consistent with the current adopted General Plan of the City.

### Proposed Land Use Amendments

The proposed land use amendments are based on the reduction of the minimum parks and mandatory open space standard from 7.0 acres per 1,000 population that was in place when Montelena was originally approved to the 6.0 acres/1,000 population that Council supported as part of the City/BIA facilitated discussions. Consistent with **Exhibit 1B** of Resolution 94-2013, two smaller open space sites are proposed to be converted to residential lots. Staff is supportive of this change because of the proximity of Park "C" and the program elements CRPD has planned for Park "C" which include a shade structure, playground features and open turf to meet the local neighborhood recreational needs of this portion of Montelena. Based on the City/BIA discussions, another requested change that was supported by Council was to lower the Park and Open Space Renovation Fee to \$1,000 per residential unit. This change is covered in section 6.4.3 of the third amendment to the Development Agreement.

The proposed land use changes consist of the following:

- A. General Plan Amendment (City GP) of approximately 2.1± acres (parcel E) Parks/Open Space (City GP) to Low Density Residential (City GP), see **Exhibit 1A** of the resolution.
- B. Rezone approximately 1.7± acres (Parcel D) from Parks/Open Space (SRSP) to RD-7(SRSP), and 2.1± acres (parcel E) of Parks/Open Space (City Zoning) to RD-5 Single Family Residential (City Zoning). The 1.7± acre portion of the project will enjoy the vested rights of the original approval under the General Plan designation at the time of project approval, see **Exhibit 2A** of the ordinance.
- C. Two Tentative Subdivision Maps to create 9 lots on the 1.7 acre (parcel D) and 7 lots on the 2.1 acre (parcel E), subject to the conditions of approval for the Montelena development, see **Exhibits 1B and 1C** of the resolution. The open space conversion is conditioned with the developer paying an in lieu fee on the difference of the 15.99 acres required and the 15.40 acres provided (0.59 acres), if the open space standard is not amended by the City prior to the date of recordation of the maps.

### Third Amendment to the Development Agreement

The Third Amendment to Development Agreement will revise the current development agreement for the approved Montelena subdivision and incorporate revised and new provisions to support the proposed changes to the land plan and fee calculations, see **Exhibit 2B** of the ordinance.

The amendment will change several sections of the original Development Agreement in the following:

- Revise Section 6.4.1 concerning the "New Park Development Obligations"
- Revise Section 6.4.2 concerning the "Timing of Dedication and Improvements of Parks"
- Restatement of 6.4.3 concerning "In-fill Park and Open Space Renovation and Acquisition Fee"
- Add Section 6.4.9 concerning "New Pedestrian Bridge"

- Replace Exhibit E with a new diagram of park dedication.
- Replace Exhibit I, Drainage Basin Improvements with Exhibits 3 and 4 of the Development Agreement

One resolution has been prepared to adopt the environmental assessment, the General Plan Amendment and the Tentative Subdivision Maps, with exhibits that correspond to each request. One ordinance has been prepared for the rezoning of portions of the project and the Third Development Agreement Amendment. Due to the processing and adoption difference between the ordinances and resolutions, certain actions within the resolution will not take effect until the ordinance has been adopted and the 30 day statute of limitation period has lapsed. A condition of approval is included that stipulates the approval of the maps is contingent upon the recordation of the Development Agreement and the rezoning being fully adopted and taking affect.

In the future, subsequent actions to be taken would involve design review for the new residential product and the commercial site. Preliminary site studies have been reviewed that would indicate the commercial site will be anchored by either a grocery store or mid-sized anchor retailer, with other support retail and service type uses in free standing pad buildings or inline mixed uses. Some uses may require a use permit and would be processed at the same time as the design review for the building.

### **ENVIRONMENTAL**

The environmental impacts of the project were initially analyzed in the SDCP/SRSP EIR (State Clearinghouse No. 97022055). The City of Rancho Cordova completed project specific environmental review when the City Council adopted the original Montelena Initial Study/Mitigated Negative Declaration (MND) with Conditions of Approval on March 20, 2006 (State Clearinghouse No. 2005052138, City Resolution 25-2006). To adequately address the project's minor modifications, an addendum to the previously adopted Mitigated Negative Declaration (MND) was prepared pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15164 for the approved Montelena project. The City Council should use the prepared addendum to consider the environmental impacts that would occur as a result of the proposed project.

### **RECOMMENDED MOTION**

Move the City Council adopt Resolution 94-2013 approving a General Plan Amendment, two Tentative Subdivision Maps for those portions of Villages 3 and 6 of the Montelena project, subject to the draft Conditions of Approval and introduce and waive first reading of Ordinance 23-2013 approving a zone change for those portions of Villages 3 and 6 of the Montelena project and the third amendment to the Development Agreement for the Montelena project.

## CITY OF RANCHO CORDOVA

## RESOLUTION NO. 94-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
ADOPTING AN ADDENDUM TO A MITIGATED NEGATIVE DECLARATION AND  
APPROVING A GENERAL PLAN AMENDMENT, AND A SMALL LOT TENTATIVE  
SUBDIVISION MAP, WITH CONDITIONS OF APPROVAL FOR THE MONTELENA  
PROJECT ASSESSOR PARCEL NUMBERS APN 067-0030-064 and 067-0030-065  
PROJECT NO. DD7920**

WHEREAS, the City Council originally approved the Montelena Project on March 20, 2006; and

WHEREAS, Montelena Douglas LLC (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a General Plan Amendment, a Rezone, a Small Lot Subdivision and a amendment to an existing Development Agreement for the existing Montelena project; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project; and

WHEREAS, an addendum to the originally adopted Mitigated Negative Declaration was prepared in conformance to the requirements of the California Environmental Quality Act (CEQA); and

WHEREAS, the City Council considered the requests at a duly noticed public hearing on July 15, 2013 and received a staff report and public testimony at the public hearing.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA HEREBY RESOLVES AS FOLLOWS:

1. Determine the Addendum to the Mitigated Negative Declaration is adequate and complete, as submitted and based on the following findings:

A. California Environmental Quality Act

Finding: The proposal will not have a significant adverse impact on the environment and an Addendum to the Mitigated Negative Declaration has been prepared and completed in accordance with the California Environmental Quality Act (CEQA). Evidence: An Addendum has been prepared for the proposed project and no new mitigation measures have been developed that will reduce potential environmental impacts to less than significant levels. On the basis of the Addendum to the Mitigated Negative Declaration, comments received, and the whole record, there is no substantial evidence that the project will have a significant adverse impact on the environment and that the Addendum to the Mitigated Negative Declaration reflects the City Council's independent judgment and analysis.

**ATTACHMENT 1**

- B. General Plan Consistency - According to Section 23.155.040 of the Zoning Code, in order to amend the General Plan to modify the Land Use Map (**Exhibit 1A**) the following findings shall be made:

1. Finding: The proposed amendment is internally consistent with the General Plan. Evidence: The requested modification of 2.1± acres (parcel E) Parks/Open Space (City GP) to Low Density Residential (City GP) is consistent with the other goals and policies of the Land Use Element. The Circulation and Housing Elements are not impacted by the minor change, as no additional road requirements are necessary. The developer will pay an in lieu fee for the difference between the required open space acreage (15.99 acres) and the provided open space (15.40 acres), if the open space standard is not amended, prior to the date of recordation of the map.
2. Finding: The proposed amendment would not be detrimental to the public interest, health, safety, convenience or welfare of the city. Evidence: The amendment would not negatively impact the neighborhood; due to the whole project would remain consistent with the parks and open space requirements of the General Plan.
3. Finding: The proposed project has been reviewed in compliance with the provisions of the California Environmental Quality Act (CEQA). Evidence: An Addendum to the original Mitigated Negative Declaration was performed and the minor change to create an additional 16 lots was determined to be insignificant. The additional lots are not equal to the loss of approximately 80 lots that occurred in 2012. The new project would total 806 lots, an increase of 16 lots from the second amendment lot count of 790.

- C. Two Tentative Subdivision Maps (**Exhibit 1B**) to create 9 lots on the 1.7 acre (parcel D) and 7 lots on the 2.1 acre (parcel E), subject to the existing conditions of approval (**Exhibit 1C**) for the Montelena development.

Finding: Section 66474 of the California Subdivision Map Act requires a City to deny approval of a tentative map, if it makes any of the following findings:

1. That the proposed map is not consistent with applicable general and specific plans as specified in Section 65451.
2. That the design or improvement of the proposed subdivision is not consistent with applicable general and specific plans.
3. That the site is not physically suitable for the type of development.
4. That the site is not physically suitable for the proposed density of development.
5. That the design of the subdivision or the proposed improvements is likely to cause substantial environmental damage or substantially and avoidably injure fish or wildlife or their habitat.
6. That the design of the subdivision or type of improvements is likely to cause serious public health problems.
7. That the design of the subdivision or type of improvements will conflict with easements acquired by the public at large, for access through or use of, property within the proposed subdivision.

**ATTACHMENT 1**

Evidence: The above Findings #1 through #6 do not apply to the proposed Tentative Subdivision Maps, for the following reasons:

1. The proposed maps are consistent with the density limits as specified in the Rancho Cordova Land Use Policy Plan of the General Plan, as amended. The new plan is less impacting than the original Land Plan, due to the reduction of 89 single family dwellings by the second amendment and the gain of 16 lots in the third amendment.
2. The proposed project meets its park and open space obligations through dedication of 15.4 acres of park and open space lands and payment of an in lieu fee for 0.59 acres of open space land. This in lieu fee shall be waived if the City amends the City Open Space standard from 1.75 acres per 1,000 residents to a new standard of 1.0 acres per 1,000 residents.
3. The design or improvements of the proposed subdivisions are consistent with the goals of the Rancho Cordova General Plan. The projects are consistent with the adopted design guidelines for subdivision design that promotes internal pedestrian connectivity using greenways and trails, and providing a street system that interconnects with the other projects in the area.
4. The site is physically suitable for the proposed development. The applicant is proposing to add 16 new lots from the converted surplus park open space. The first amendment reduced the lot count to 790 from 879 and the new lots will yield a new lot count of 806. The project can be served by all necessary services, and has provided documentation to meet the requirements of Government Code Section 66473.7.
5. The site is physically suitable for the proposed density of development. The Montelena project, as amended, would still provide suitable area for future housing products that was originally conceived in the planning area. Less than 1% of the total project is being changed by this action.
6. The Addendum to the Mitigated Negative Declaration prepared for the project determined that potential environmental impacts from the minor modifications will be mitigated to less than significant levels with implementation of existing mitigation measures.
7. No conflict with easements acquired by the public at large, for access through or use of, property within the proposed subdivision, have been identified.

|                                                                                                                           | experience in this field at such time City of Rancho Cordova inspection staff deem necessary. Such treatment shall be accomplished in a manner that does not pose a toxic threat to fish and other aquatic organisms in receiving waters.                                                                                                                                                                                                                                                                        |                                                                 |                            |                                            |
| 9.                                                                                                                        | Resolution 11-2006 requires the installation of a dual plumbed system, one potable system and one purple pipe system, for irrigation use only in new parks, golf courses, school fields, street medians and commercial/industrial areas. This scenario also includes the installation of the public recycled water distribution systems within new developments. This requirement shall be installed to the satisfaction of the Public Works Director, prior to acceptance of the system for public maintenance. | Prior to Improvement Plans                                      | Public Works               |                                            |
| 10.                                                                                                                       | Traffic control devices shall be designed where needed to the satisfaction of the Public Works Director. Traffic control locations will be determined at time of improvement plan submittal.                                                                                                                                                                                                                                                                                                                     | Prior to Improvement Plans                                      | Public Works               |                                            |
| 11.                                                                                                                       | Complete and implement a master drainage study for the project, with approval from County of Sacramento Department of Water Resources of the Public Works Agency. Implementation shall comprise installation of drainage facilities and granting of appropriate easements to the City of Rancho Cordova.                                                                                                                                                                                                         | Prior to Improvement Plans or Final Map, whichever comes first. | Water Resources            |                                            |
| 12.                                                                                                                       | A Notice of Intent (NOI) must be filed with the state Water Resources Control Board prior to construction to obtain coverage under the State's General Construction Activity Stormwater Permit. As a condition of the General Permit, a Stormwater Pollution Prevention Plan (SWPPP) must                                                                                                                                                                                                                        | Prior to approval of improvement plans                          | Water Resources            |                                            |

## Conditions of Approval

| Conditions of Approval Applicable to Only the newly created lots in Villages 3 and 6, as shown in the attached Exhibit 1B |                                                                                                                                                                                                                                                                                                                                                                      | Timing/<br>Implementation              | Enforcement/<br>Monitoring | Verification<br>(date<br>and<br>Signature) |
|---------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|----------------------------|--------------------------------------------|
|                                                                                                                           | be developed for the project.                                                                                                                                                                                                                                                                                                                                        |                                        |                            |                                            |
| 13.                                                                                                                       | Developer shall provide adequate drainage facilities to the boundary of the park site at a depth sufficient to accept all drainage requirements for the improved park site. The District and the City shall review and approve the public improvement plans for the street frontages and utilities adjacent to a park site prior to installation.                    | Prior to approval of improvement plans | Parks                      |                                            |
| 14.                                                                                                                       | Applicant shall photo-document the condition of adjacent streets, sidewalks and infrastructure to the satisfaction of the Public Works Department.                                                                                                                                                                                                                   | Prior to approval of improvement plans | Public Works               |                                            |
| 15.                                                                                                                       | Number, size, and location of driveways are subject to approval by the Public Works Department                                                                                                                                                                                                                                                                       | Prior to approval of improvement plans | Public Works               |                                            |
| 16.                                                                                                                       | Dedicate the landscaped lots to the City of Rancho and provide a maintenance entity with an ongoing funding source. The maintenance entity shall be approved and found acceptable by City representatives. Annexation to a current Lighting and Landscape District or a Mello Roos Community Finance District may be possible and is the preferred course of action. | Prior to approval of improvement plans | Public Works               |                                            |
| 17.                                                                                                                       | Developer shall prepare improvement plans and construct or bond for the dedicated landscape corridors, according to the approved tentative map, and to the satisfaction of the Public Works Director.<br><br>The following specifications shall be applied to trails in the project:                                                                                 | Prior to approval of improvement plans | Public Works               |                                            |

| 46.                                                                                                                       | The developer of the project shall disclose to future / potential owners buyers adjacent to Douglas Road and Rancho Cordova Parkway of the potential and existing 69kV lines.                                                                                                                                                                                                                                                                                                                                                                                                                              |  |  | Prior to Final Inspection                   | SMUD                               |                                                      |

## Conditions of Approval

| Conditions of Approval Applicable to Only the newly created lots in Villages 3 and 6, as shown in the attached Exhibit 1B |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | <u>Timing/<br/>Implementation</u>                      | <u>Enforcement/<br/>Monitoring</u> | <u>Verification<br/>(date<br/>and<br/>Signature)</u> |
|---------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------|------------------------------------|------------------------------------------------------|
| 47.                                                                                                                       | Improve the landscaped lots according to the approved plans. Layout of the sidewalk shall be reviewed and approved by the Planning Director. All improvements shall be reviewed and accepted by the Public Works Director, prior to assuming maintenance responsibility.                                                                                                                                                                                                                                                                         | Prior to Final Inspection of the first unit            | Planning                           |                                                      |
| 48.                                                                                                                       | All landscape corridor walls shall be of masonry construction using graffiti resistant materials. Wall design and materials shall be subject to City's approval and according to the design standards in the Sunridge Specific Plan.                                                                                                                                                                                                                                                                                                             | Prior to Final Inspection of the first unit            | Public Works and Planning          |                                                      |
| 49.                                                                                                                       | When improvements to landscape corridors and trails are complete and accepted by the Public Works Director, the improved property shall be conveyed by a grant deed to the City for ongoing maintenance, operation, repair and replacement. Developer shall be responsible to pay the direct cost associated with the performance of this work until such time as the City incorporates the cost of doing this work into the financing mechanism annual budget and collects the additional tax revenues required to fund the costs of this work. | Prior to the final inspection of the improvement plans | Public Works and Planning          |                                                      |

## General Information and Voluntary Compliance Items

The following items are noted for the applicant's information. These items are either required or advised by other local agencies, state or federal agencies, and are not conditions of approval of the project.

1. Though not required, it is recommended that all single-family dwellings be equipped with an automatic fire sprinkler system. As approximately 80% of all fire deaths occur in residential dwellings, these life safety systems drastically improve the occupant's chance of surviving a fire. (Fire Department)
2. Permits and/or fees are required for the following reviews: civil plans, architectural plans, fire sprinkler plans and fire alarm plans. Additional permits and fees may apply depending upon the scope of the project. (Fire Department)
3. The installation of on-site or off-site fire protection equipment, including fire hydrants and water mains, shall meet the standards of the Metro Fire District and the water purveyor having jurisdiction. (Fire Department)
4. The installation of addresses, landscaping, tree wells and/or traffic islands are subject to the standards outlined by the Metro Fire District.
5. Gas service may be available to this project if desired. The developer should contact PG & E's Service Planning Department as soon as possible to coordinate construction so as not to delay the project. (PGE)
6. Developers will construct a concrete base for placement of the centralized mail delivery unit after construction of curb, gutter and sidewalk. Specifications and location of such base shall be determined pursuant to the applicable requirements of the Postal Service and the Sacramento County Public Works Agency, with due consideration of street light location, traffic safety, security, and consumer convenience. (Post Office)
7. Homes that have attached garages with secondary access doors should have solid core or metal covered doors with dead bolt locks. (Police Department)
8. Skylight side panels that are placed next to entrance doors should not be on the same side as the lock mechanism of the door. Only one panel should be installed per door, adjacent to the hinges. (Police Department)
9. On-site source and control measures are required for this project in accordance with the latest version of the City/County Guidance Manual (Guidance Manual of On-Site Storm Water Quality Control Measures). In all cases, source control measures on the improvement plans will include provision of a permanent storm drain message "No Dumping – Flows to Creek" or other approved message shall be stamped in concrete at each inlet. Other on-site source and treatment control measure(s) should also be used in accordance with specific residential activities referenced in the Guidance Manual. The final design of the proposed on-site source and treatment controls will be approved by the Department of Water Resources. (Water Resources).
10. Project proponents and/or future successors of interests shall comply with all 'Water Supply' provisions established in Ordinance No. SZC 2002-0014, Control No. 93-0243.
11. All pedestrian access ramps affected by this project must be installed/upgraded pursuant to the State of California Title 24 Code of Regulations and to the satisfaction of the Department of Transportation of the Public Works Agency.

**ATTACHMENT 2****CITY OF RANCHO CORDOVA****ORDINANCE NO. 23-2013**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
ADOPTING A THIRD AMENDMENT TO THE DEVELOPMENT AGREEMENT  
FOR THE MONTELENA PROJECT AND AMENDING CERTAIN  
ZONING CODE DESIGNATIONS WITHIN THE PROJECT**

**THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:****Section 1. Recitals.**

A. In order to strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted Section 65864, *et seq.*, of the Government Code (the "Development Agreement Statute"), authorizing the City, and any person having a legal or equitable interest in the real property, to enter into a development agreement and establish certain development rights in the property, which is the subject of the development project application. Pursuant to Government Code section 65868, Development Agreements may be amended by mutual assent of the parties.

B. On April 3, 2006, the City and CP Sunridge, LLC entered into a Development Agreement for the Montelena Project, consisting of 251.9 acres of low density residential development. (Ordinance Number 10-2006). The Montelena Project is located south of Douglas Road and west of Rancho Cordova Parkway (hereinafter known as the "Property"). The Montelena Project remains undeveloped.

C. The Montelena Project is within the Sunrise Douglas Community Plan and the SunRidge Specific Plan ("SDCP/SRSP") area. The SDCP/SRSP was approved by the County of Sacramento ("County") in July 2002. The County also prepared and certified an Environmental Impact Report ("EIR") (State Clearinghouse Number 97022055) for the SDCP/SRSP. In July 2003, the City of Rancho Cordova incorporated an area that included the SDCP and SRSP. In response to litigation involving the SDCP/SRSP EIR, the City subsequently rescinded approval of the SDCP/SRSP. On November 7, 2012, the City certified a partially Revised EIR for the SDCP/SRSP, however, at that time the City, determined to carry out the projects within the SDCP/SRSP area without re-approving the SDCP/SRSP.

D. On February 21, 2006, the City approved an Initial Study and a Mitigated Negative Declaration ("MND") for the Tentative Subdivision Map of the Montelena Project, pursuant to the California Environmental Quality Act ("CEQA"). In the Initial Study and MND, the City concluded that the Project would not have a significant impact on the environment due to the mitigation measures adopted by the City in the SDCP/SRSP EIR and the MND. All environmental impacts were reviewed and addressed at the time the Project was approved. All recitals and findings of determination in Ordinance 10-2006, which adopted the Development Agreement, are still accurate and relevant to the Amendment.

**ATTACHMENT 2**

E. On November 19, 2007, the City approved an amendment to the Agreement (“First Amendment”) identifying a fifty (50) acre wetland preserve within the Project. (City Ordinance 25-2007.) The 2007 amendment did not result in any direct physical change to the environment, or any reasonably foreseeable indirect physical change in the environment, thus, no additional environmental review was conducted at that time.

F. Montelena Douglas, LLC (“Landowner”) was assigned all of the interest of CP Sunridge, LLC in the Agreement in 2008 by virtue of that certain “Assignment and Assumption Agreement Relative to Montelena” dated February 14, 2008, and recorded on February 15, 2008 in the Official Records of Sacramento County at Book 20080215, Page 0899 .

G. On June 18, 2012, City and Landowner subsequently entered into the “Second Amendment to Development Agreement by and between the City of Rancho Cordova and Montelena Douglas LLC relative to Montelena” that was recorded on September 6, 2012, in the Official Records of Sacramento County, at Book 20120906, Page 1316 (the “Second Amendment”) to memorialize a change in the Project Approvals that City had approved for the Property. The Development Agreement, as amended by the First Amendment and by the Second Amendment are hereinafter collectively referred to as the “Amended Development Agreement.”

H. The Second Amendment changed the land use designations in Villages 4 and 5 of the Project, encompassing approximately 45.3 acres of the 251.9-acre Project, by removing 85 single-family homes (reducing the total from 875 to 790), and then adding 14.2 acres of commercial use, a 1.6 acre park, and a 2.4 acre fire station site.

I. In processing the Second Amendment, the City performed an Initial Study pursuant to CEQA Guidelines section 15063. The Initial Study reviewed the potential environmental impacts of the proposed changes to the Project and concluded that the changes did not result in any new significant impacts that were not analyzed in previous environmental documents. As a result of that conclusion, the City prepared a Subsequent Mitigated Negative Declaration (“SMND”). The Initial Study and SMND updated the previous environmental analysis to reflect the changes to the Project, revised previous mitigation measures where necessary, and imposed new mitigation measures to ensure the changes to the Project would not result in any new significant environmental impacts.

J. Pursuant to Government Code section 65868, City and Landowner now desire to modify the Amended Development Agreement to reflect certain further changes and modifications to the obligations of the Landowner to pay certain fees for park renovations at existing city parks, and for park improvements at new city parks, to revise the Landowner’s park dedication obligations, and to provide for the installation of a pedestrian bridge at the Property by Landowner, all as more fully set forth in the attached Third Amendment to the Development Agreement “Third Amendment.”

K. The requested approvals by Landowner to the Montelena Project include the Third Amendment, an amendment to the City’s Zoning Code Map and a General Plan Amendment. The General Plan Amendment was presented to the City Council on July 15, 2013 as part of Resolution No. 94-2013.

**ATTACHMENT 2**

L. The attached Zoning Code Map amendment changes 1.7± acres within the Montelena Project from Parks/Open Space (SRSP) to RD-7(SRSP), and 2.1± acres of Parks/Open Space (City Zoning) to RD-5 Single Family Residential (City Zoning). The 1.7± acre portion of the Project will continue to be developed pursuant to the vested rights of the original approval under the General Plan designation at the time of Montelena Project was approved.

M. The proposed General Plan Amendment, Zoning Code Map Amendment and Third Amendment will not have a significant adverse impact on the environment. An Addendum to the Mitigated Negative Declaration was prepared in accordance with the California Environmental Quality Act (CEQA). No signification impacts were identified. On the basis of the Addendum to the Mitigated Negative Declaration, comments received, and the whole record, there is no substantial evidence that the Project will have a significant adverse impact on the environment. The Addendum to the Mitigated Negative Declaration reflects the City Council's independent judgment and analysis.

N.. On July 15, 2013, the City Council, as the legislative body for purposes of Development Agreement approval, held a properly noticed public hearing pursuant to Government Code section 65867 and considered all comments received in writing and all testimony received at the public hearing.

## **Section 2: Findings.**

Therefore, on the basis of: (a) the foregoing recitals, which are hereby incorporated herein; (b) the City of Rancho Cordova's General Plan and General Plan EIR; (c) the SDCP/SRSP EIR; (d) the Montelena MND; and, (e) the SMND prepared for the Second Amendment to the Development Agreement, the City Council finds and determines that:

A. The Third Amendment to the Development Agreement is consistent with the objectives, policies, general land uses and programs specified and contained in the City's General Plan in that: (a) The Project remains predominantly low-density residential and consistent with the General Plan and Zoning Code amendments that were prepared for the Second Amendment; (b) the Project is consistent with the fiscal policies of the General Plan with respect to provisions of infrastructure and public services; and, (c) the Third Amendment and Amended Development Agreement include provisions relating to financing public services, construction and maintenance of public facilities, park development fees and similar provisions to replace those set forth in the SunRidge Specific Plan.

B. The Third Amendment and Amended Development Agreement are compatible with the uses authorized in, and the regulations prescribed for, the land use area in which the real property is located, including the amendment to the Rancho Cordova Zoning Code Map as adopted herein.

C. The Third Amendment to the Development Agreement is in conformity with public convenience, general welfare and good land use policies in that the Third Amendment and Amended Development Agreement will continue to implement land use guidelines set forth in the General Plan and help fund infrastructure and parks needed to serve new development.

**ATTACHMENT 2**

D. The Third Amendment will not be detrimental to the health, safety and general welfare in that the Project will proceed in accordance with the programs and policies of the General Plan.

E. The Third Amendment will not adversely affect the orderly development of property, or the preservation of property values, in that the amendment is consistent with the General Plan.

F. The Third Amendment is consistent with and includes the substantive elements of Government Code sections 65864 through 65869.5, and has been processed consistent with all the procedural requirements thereof.

**Section 3: Approval of Third Amendment to Development Agreement.**

The City Council hereby approves the Third Amendment to the Development Agreement, attached to this Ordinance and incorporated herein by reference as **Exhibit 2B**, and authorizes the City Manager to sign the amended Development Agreement after the effective date of this Ordinance.

**Section 4: Recordation**

Within ten (10) days after the Third Amendment to the Development Agreement is executed by the City Manager, the City Clerk shall submit the amendment to the County Recorder for recordation.

**Section 5: Amendment to the Rancho Cordova Zoning Code Map**

The City Council hereby amends the Rancho Cordova Zoning Code Map for portions of the Montelena Project as shown on **Exhibit 2A**

**Section 6: Severability.**

If any section, subsection, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, it shall not affect the remaining portions of this Ordinance that can be given effect without the invalid provision and, to this end, the provisions of this Ordinance are severable. This City Council hereby declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance be enforced.

**Section 7: Publication and Effective Date.**

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its adoption.

**THIRD AMENDMENT TO DEVELOPMENT AGREEMENT  
BY AND BETWEEN  
THE CITY OF RANCHO CORDOVA AND MONTELENA DOUGLAS, LLC  
RELATIVE TO MONTELENA**

**THIRD AMENDMENT TO DEVELOPMENT AGREEMENT  
BY AND BETWEEN  
THE CITY OF RANCHO CORDOVA AND MONTELENA DOUGLAS, LLC  
RELATIVE TO MONTELENA**

This Third Amendment (the "Third Amendment") to Development Agreement is dated \_\_\_\_\_, 2013, for references purposes only, and is made by and between the **CITY OF RANCHO CORDOVA**, a California municipal corporation ("City"); and **MONTELENA DOUGLAS, LLC**, a California limited liability company (the "Landowner"). City and Landowner are hereinafter collectively referred to as the "Parties" and singularly as a "Party."

**RECITALS**

A. The City and the Landowner's predecessor in interest, CP SUNRIDGE, LLC, a Delaware limited liability company, are parties to a Development Agreement that is dated April 3, 2006 and was recorded on July 18, 2006 in the Official Records of Sacramento County at Book 20060718, Page 0966 (the "Agreement") establishing certain development rights for real property located in the City of Rancho Cordova, California, as more particularly described in Exhibit A-1 and Exhibit A-2 of the Agreement (the "Property").

B. The Agreement was subsequently amended by the City and CP Sunridge LLC on November 19, 2007 by an instrument entitled "First Amendment to Development Agreement By and Between the City of Rancho Cordova and CP Sunridge, LLC relative to Montelena" and was recorded on January 31, 2008, in the Official Records of Sacramento County at Book 20080131, Page 1582 (the "First Amendment") to clarify that the terms and provisions of the Agreement were not applicable to the wetland preserve area established within the Property.

C. Landowner was assigned all of the interest of CP SUNRIDGE LLC in the Agreement in 2008 by virtue of that certain "Assignment and Assumption Agreement Relative to Montelena" dated February 14, 2008, and recorded on February 15, 2008 in the Official Records of Sacramento County at Book 20080215, Page 0899 (the "Assignment").

D. On June 18, 2012, City and Landowner subsequently entered into the "Second Amendment to Development Agreement by and between the City of Rancho Cordova and Montelena Douglas LLC relative to Montelena" that was recorded on September 6, 2012, in the Official Records of Sacramento County at Book 20120906 at Page 1316 (the "Second Amendment") to memorialize a change in the Project Approvals that City had approved for the Property. The Development Agreement, as amended by the First Amendment and by the Second Amendment are hereinafter collectively referred to as the "Amended Development Agreement."

E. Pursuant to Government Code Section 65868, City and Landowner now desire to modify revise the Amended Development Agreement to reflect certain further changes and modifications to the obligations of the Landowner to pay certain fees for park renovations at existing city parks and for park improvements at new city parks, to revise the Landowner's park dedication obligations, and to

provide for the installation of a pedestrian bridge at the Property by Landowner, all as more fully set forth below in this Third Amendment.

F. This Third Amendment that amends certain provisions of the Amended Development Agreement applicable to the entire Property was adopted by City Ordinance No. \_\_\_\_\_ on \_\_\_\_\_, 2013.

## AGREEMENT

**1. Incorporation of Recitals.** Recitals A through F are hereby incorporated herein, including all documents referred to in said Recitals.

**2. Restatement of Section 6.4.1 concerning the “New Park Development Obligation.”** City and Landowner agree that Section 6.4.1 of the Amended Development Agreement is hereby deleted and replaced with the following:

**“6.4.1 New Park Development Obligation.** City and Landowner agree that Landowner’s obligation to dedicate land for new parks and open space shall be satisfied by Landowner’s dedication of 15.4± net acres of park land within the Project, set forth more specifically in the revised Exhibit 1 (the “Dedicated Land”). The Dedicated Land consists of 10.8 acres for a community park (Park Site A on Exhibit 1) and two neighborhood parks consisting of a total of 4.6 acres (Park Sites B and C on Exhibit 1 hereto).

Landowner shall pay a park development impact fee for each single-family residential parcel or residential parcel equivalent on the Property to mitigate the costs for the Cordova Recreation and Park District and the City to design, construct and install park improvements (the “Park Development Impact Fee”). The Park Development Impact Fee will be paid prior to issuance of each residential building permit within the Project.

The amount of the Park Development Impact Fee will depend on which parks the Landowner constructs.

Prior to the recordation of the first final small lot subdivision map on any portion of the Property, the Landowner, in its sole discretion, shall decide, whether it will construct: (1) none of the three parks in Exhibit 1; (2) the two neighborhood parks (Park Sites B and C on Exhibit 1), but not the community park (Park Site A on Exhibit 1); or (3) both neighborhood parks and the community park (all three parks on Exhibit 1).

For any parks the Landowner decides to construct, its obligation is to design, construct and install park facility improvements (i.e., “turnkey parks”) consistent

with (i) the “Park Development Agreement” being negotiated between the Landowner and the Cordova Recreation and Park District, and (ii) then applicable City standards. The Landowner shall inform the City of its decision about which parks it will construct in writing prior to the approval of the first final small lot subdivision map on any portion of the Property such that the City may reflect that decision in approval documents and/or subdivision improvement agreements for final small lot subdivision maps on the Property. The Landowner’s decision shall be a one-time decision which shall fix the Park Development Impact Fee for all residential units in the Project.

If the Landowner decides to construct none of the three parks in Exhibit 1, the Park Development Impact Fee will be \$10,460 for each single-family residential parcel or residential parcel equivalent.

If the Landowner decides to construct the two neighborhood parks (Park Sites B and C on Exhibit 1) , but not the community park (Park Site A on Exhibit 1), the Park Development Impact Fee will be \$8,079 for each single-family residential parcel or residential parcel equivalent.

If the Landowner decides to construct both neighborhood parks and the community park (all three parks on Exhibit 1), the Park Development Impact Fee will be \$2,215 for each single-family residential parcel or residential parcel equivalent.

Regardless of the Landowner’s decision about which parks to construct, the Park Development Impact Fee shall be adjusted on March 1, 2014 and annually thereafter no later than March 15<sup>th</sup> by the method provided in City Ordinance No. 24-2004 as follows:

- (a) A “mean” index will be computed by averaging the index for 20 U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous January, however the March 2014 adjustment factor shall be computed by dividing the “mean” index for January 2013.

The Park Development Impact Fee shall not include the cost of park street frontage improvements at parks. If and when the City amends the Citywide Park Improvement Fee, the Landowner and City agree to explore adjustments to the Park Development Impact Fee. Under no circumstances shall the Landowner be required to pay any new Citywide Park Improvement Fee in addition to the Park Development Impact Fee as set forth in this Third Amendment.

City further agrees and acknowledges that the 15.4 acres of park land dedication being provided at the Project pursuant to this Third Amendment will satisfy the park land dedication requirements of Resolution No. 28-2005. ”

**4. Restatement of Section 6.4.2 concerning the “Timing of Dedications and Improvements of Parks.”** City and Landowner agree that Section 6.4.2 of the Amended Development Agreement is hereby deleted and replaced with the following:

**“6.4.2 Timing of Dedications of Parks.** Prior to the recordation of any residential small lot final subdivision map in the Project which contains a portion of the Dedicated Land, but not prior to construction of model homes, Landowner shall irrevocably offer for dedication to the Cordova Recreation and Park District that portion of the Dedicated Land that is encompassed within such residential small lot final subdivision map, and either (a) enter into a park development agreement with the Cordova Recreation and Park District for the improvement of the applicable Park Site(s) within that portion of the Dedicated Land situated within said residential small lot final subdivision map if the Landowner has elected to construct park facility improvements under Section 6.4.1 above at any Park Site and pay the Park Development Impact Fee in the applicable amount, or (b) be required to only pay the applicable Park Development Impact Fee if the Landowner has elected pursuant to Section 6.4.1 not to construct improvements at any of the Park Sites.”

**5. Restatement of Section 6.4.3 concerning the “In-fill Park and Open Space Renovation and Acquisition Fee.”** City and Landowner agree that Section 6.4.3 of the Amended Development Agreement is hereby deleted and replaced with the following:

**“6.4.3 In-fill Park and Open Space Renovation and Acquisition Fee.** Landowner agrees that it shall pay City the total sum of One Thousand Dollars (\$1,000) for each residential parcel shown on the final maps for the Property (the “Park Renovation Fee”). Beginning January 1, 2014, the fee shall be adjusted annually on each January 1 based upon the percentage change in the United States Department of Labor Consumer Price Index for all Urban Consumers for the San Francisco-Oakland-San Jose area between April and April of each year. This fee shall be paid to City no later than prior to issuance of the building permit for each residential parcel for the Property. It shall be used by City, at its sole discretion, to acquire, renovate, repair, improve or maintain parks or open space in that portion of the City outlined in Exhibit G to the Amended Development Agreement. This payment is made voluntarily by Landowner. It is in addition to all other existing park fees, and construction and dedication obligations, including without limitation any fees paid pursuant to California Government Code Section 66477 (the “Quimby Act”). Landowner agrees that it shall not claim any credit or right to reimbursement of any other existing park fees, and construction and dedication obligations, including Quimby Act fees, as a result of

paying the Park Renovation Fee required under this Section 6.4.3. If and when the City reduces or eliminates the Park Renovation Fee on a Citywide basis (by adoption of a park tax, special sales tax or other measure), then the Park Renovation Fee under this Section 6.4.3 shall be automatically adjusted to correspond to the new Citywide funding mechanism, provided that the Landowner does not challenge or oppose the approval or implementation of the new Citywide funding mechanism.

**6. Addition of New Section 6.4.9 Concerning Installation of new Pedestrian Bridge.** City and Landowner agree to add a new Section 6.4.9 to the Amended Development Agreement as follows to provide for the Landowner's obligation to install a new pedestrian bridge at the Project:

**"6.4.9 New Pedestrian Bridge.** City and Landowner agree the Landowner shall have the obligation to install a new pedestrian bridge (the "Bridge") over the drainage canal located in the southwest corner of the park identified as Park Site A on the diagram attached as Exhibit 1 to this Third Amendment. The Bridge shall be a steel H-5 loading "Bow truss" design bridge with a ten foot wide wood deck travel lane for pedestrian use (as measured inside rail to inside rail). Plans and specifications for the Bridge shall be prepared by Landowner in substantial compliance with the design in Exhibit 2, and be approved by the City; such City approval will not to be unreasonably withheld, conditioned or delayed. The Bridge shall be installed when the park improvements are constructed at the park in Park Site A shown on Exhibit 1 to this Third Amendment."

**7. Replacement of Exhibit E "Diagram of Park Land Dedication."** City and Landowner agree to delete Exhibit E of the Amended Development Agreement and replace it with the new Exhibit 1 "Diagram of Park Land Dedication" attached hereto and hereby incorporated herein by reference.

**8. Detention Basin Improvements.** Exhibit 3 and Exhibit 4 attached hereto and incorporated by reference identify improvements that Landowner will construct to the detention basin and its surrounding edge and it is hereby agreed that they replace Exhibit "I" of the Second Amendment in its entirety. The trails and other landscaping improvements are conceptually shown on Exhibit 3. The construction of improvements within the detention basin are shown in Exhibit 4 and will satisfy the detention basin improvement obligation described in Section 10 of the Second Amendment to the Development Agreement. City agrees with Landowner that due to grading and the hydrology of the detention basin trails will not be placed inside or routed through the detention basin.

**9. Landscape Corridor Lots.** City and Landowner agree that whenever Landowner records a final map for any of the Landscape Corridor Lots "H" through "T" as shown on the Tentative Map for the Property attached as Exhibit C to the Second Amendment, after all the improvements have been completed and accepted by the City the Landowner shall within thirty (30) days thereafter transfer ownership of said lots to the City and the City will accept ownership and maintenance responsibility for said lots from and after the date of transfer. City agrees to accept title to the Landscape Corridor lots subject to any public utility easements that may have been granted therein, including, but not limited to, easements granted to the Sacramento County Water Agency.

**10. Definition of Terms.** All capitalized terms used in this Third Amendment shall have the same definition as provided in the Amended Development Agreement, except where a different definition has been supplied in this Third Amendment.

**11. All Other Terms Remain in Force.** Except as amended by Sections 1 through 8 above, all terms and conditions of the Amended Development Agreement remain in full force and effect.

**12. Effective Date.** This Third Amendment takes effect on the effective date of the ordinance that approves it (the "Effective Date") (Gov. Code, § 65868).

**13. Recording.** Within ten (10) days after the Effective Date, City shall record this Third Amendment with the Sacramento County Recorder's Office.

**14. Counterparts.** The Parties may execute this Third Amendment in counterparts, each of which will be considered an original, but all of which will constitute the same instrument.

**15. Entire Agreement.** This Third Amendment sets forth the Parties' entire understanding regarding the matters set forth above. It supersedes all prior or contemporaneous agreements, representations, and negotiations regarding those matters (whether written, oral, express, or implied) and may be modified only by another written agreement signed by all Parties. This Third Amendment will control if any conflict arises between it and the Amended Development Agreement.

## Amendment #3

### Mitigated Negative Declaration Addendum

### City of Rancho Cordova

2729 Prospect Park Drive  
Rancho Cordova, CA 95670

July 2013

## ADDENDUM TO THE PREVIOUSLY ADOPTED MITIGATED NEGATIVE DECLARATION FOR THE MONTELENA DOUGLAS PROJECT

### INTRODUCTION

This document is an addendum to the previously adopted Mitigated Negative Declaration (MND) prepared pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15164 for the approved Montelena project (now known as the Montelena Douglas project).

The project is located within the Sunrise Douglas Community Plan/Sunridge Specific Plan (SDCP/SRSP) area. The environmental impacts of the project were initially analyzed in the SDCP/SRSP EIR (State Clearinghouse No. 97022055). The City of Rancho Cordova completed Project specific environmental review when the City Council adopted the original Montelena Initial Study/Mitigated Negative Declaration (MND) with Conditions of Approval on March 20, 2006 (State Clearinghouse No. 2005052138, City Resolution 25-2006).

Following adoption of the MND, the current property owners, Montelena Douglas, LLC, requested a change to the site plan wherein 89 proposed single-family homes were replaced with a 14.2-acre commercial shopping center, a 1.6-acre park, and a 2.4-acre site for a possible future fire station. The changes constituted relatively minor modifications of a previously approved project, which resulted in slightly different impacts than those originally identified in the MND. A Supplemental Mitigated Negative Declaration (SMND) was released for public review for 30 days beginning on February 10, 2012 running through March 12, 2012. The SMND for Montelena Douglas was adopted in April 2012.

Currently, changes to the approved project are proposed that would amend specific portions of the project site that were previously designated for park purpose that will convert to residential land use within the Montelena project. These parks are being eliminated as a result of the revised parks and open space obligations. These changes constitute minor modification of a previously approved project, which would result in equal or less impacts than those originally identified in the MND and Supplemental MND.

---

**PROJECT DESCRIPTION**

The proposed project modifications consist of the following:

- General Plan Amendment (City GP) of approximately 2.1± acres (parcel E) Parks/Open Space (City GP) to Low Density Residential (City GP) (See **Exhibit 1A** of staff report),
- Rezone approximately 1.7± acres (Parcel D) from Parks/Open Space (SRSP) to RD-7(SRSP), and 2.1± acres (parcel E) of Parks/Open Space (City Zoning) to RD-5 Single Family Residential (City Zoning). The 1.7± acre portion of the project will enjoy the vested rights of the original approval under the General Plan designation at the time of project approval (See **Exhibit 2A** of staff report),
- Two Tentative Subdivision Maps to create 9 lots on the 1.7 acre (parcel D) and 7 lots on the 2.1 acre (parcel E), subject to the existing conditions of approval for the Montelena development (See **Exhibits 1B** and **1C** of staff report); and,
- 3rd Amendment to Development Agreement will revise the current development agreement for the approved Montelena subdivision and incorporate new provisions to support the proposed changes to the land plan and fee calculations.

**EXPLANATION OF THE DECISION NOT TO PREPARE A SUBSEQUENT MITIGATED NEGATIVE DECLARATION**

CEQA Guidelines Sections 15162 and 15164 set forth the criteria for determining the appropriate environmental documents, if any, that must be completed when changes are proposed to a project for which an MND has already been adopted. These guidelines allow a lead agency to prepare an addendum to an MND if all of the following conditions are met:

- Substantial changes to the project do not require major revisions to the previously adopted MND due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified potentially significant effects.
- Substantial changes with respect to the circumstances under which the project is undertaken do not require major revisions of the previous MND due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects.
- No new mitigation measures or alternatives which are considered different from those analyzed in the MND or which were previously found not to be feasible are identified.
- No new information of substantial importance becomes available which shows new significant effects or significant effects substantially more severe than previously discussed.
- Only minor technical changes or additions are necessary to make the MND under consideration adequate under CEQA.

An addendum to the original Montelena MND is considered the appropriate CEQA document for the proposed modifications, as described above, because:

- There are no new substantial changes to the project that would result in new significant environmental effects or a substantial increase in the severity of a previously identified potentially significant effect;
- All impacts resulting from implementation of the proposed modifications would be less than significant with implementation of mitigation measures included in the MND and supplemental MND, and
- There is no new information of substantial importance that shows new significant effects or significant effects would be substantially more severe than previously discussed.

### **POTENTIAL ENVIRONMENTAL IMPACTS AND MITIGATION MEASURES**

The following sections describe how the proposed modifications relate to the prior analysis. The proposed modifications would result in changing approximately 3.8 acres of Parks/Open Space to 16 residential dwelling units. The original MND analyzed development of 874 residential dwelling units with the Supplemental MND analyzing increased commercial uses and reducing residential uses to 790 dwelling units. This addendum will analyze increasing the total dwelling units from 790 to 806.

#### **Aesthetics**

The original MND concluded that aesthetics impacts would be less than significant. The Montelena Douglas project modifications do not propose any land uses or densities substantially different from those already analyzed in the SDCP/SRSP EIR and original Montelena MND. Therefore, there will be no further impacts pertaining to this subject than were analyzed in the original MND.

#### **Agricultural Resources**

The original MND referenced the SDCP/SRSP FEIR (State Clearinghouse #97022055, page 4.32) in analyzing this issue and determined that the project would have less than significant impacts regarding conflicts with zoning for agricultural use and Williamson Act contracts, as the project site contains no parcels under Williamson Act contracts (SDCP/SRSP EIR, page 4.30a). Because the proposed changes in the Montelena Douglas project will not require development of any additional lands beyond those analyzed in the original MND, there will be no new impacts pertaining to this subject.

#### **Air Quality**

The original Montelena MND air quality analysis indicated that the project is a subsequent project within the scope of activities and land uses studied in the SDCP/SRSP Master EIR. The proposed modifications would not create any new or additional significant air quality impacts that were not already identified in the Master EIR, nor would they cause any impacts peculiar to the project or parcels. To ensure that the mitigation measures are carried out at this project level, the original MND included mitigation measures MM 3.2a through MM 3.2e (Appendix A, pp. 3-12 and 3-13), which are revisions to previously adopted measures in the SDCP/SRSP EIR, made applicable to this project. The original MND also added mitigation measure MM 3.2f to reduce emissions from off-road diesel-powered construction vehicles.

Because air emissions estimated for the proposed modifications do not show significant increases from those estimated using the original project land uses, the same level of impact and mitigation measures that were adopted in the original MND will continue to apply to the project and a less than significant impact will result.

### **Biological Resources**

The SDCP/SRSP EIR addressed the potential biological impacts of development in a general (non-site-specific) manner and applied mitigation measures to subsequent projects seeking approval in conjunction with the SDCP/SRSP. Subsequent projects in the SDCP/SRSP are required to prepare wetland delineations and site-specific special-status species surveys and obtain appropriate state and federal permits, and to provide "fair-share" mitigation for known biological impacts.

Following approval of the original project, the entire site, save for the 54.5-acre wetland preserve, was rough graded and building pads were created. This activity essentially removed all surface cover and removed all potential habitat and wetlands in these areas. A 404 Permit was secured and approved by the appropriate agencies. Revisions to the project associated with the Montelena Douglas project would affect areas already rough graded for homes and roadways and would therefore have no effect on the dedicated wetland preserve, which also contains communities of slender Orcutt grass.

The proposed modifications would not increase biological impacts over what were previously identified in the original MND and a less than significant impact will result with implementation of identified mitigation measures.

### **Cultural Resources**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the cultural resources studies conducted for the SDCP/SRSP EIR, as no additional areas with potential cultural resources will be developed.

### **Geology and Soils**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced soil types and geologic conditions studied for the SDCP/SRSP EIR, as no additional areas with potential geological resources will be developed, and proposed changes in land use development will not require deeper or more extensive foundations.

### **Hazards and Hazardous Materials**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the hazardous materials studies conducted for the SDCP/SRSP EIR, as no additional areas with potential hazardous materials or waste will be developed.

### **Hydrology and Water Quality**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the hydrology

and water quality studies conducted for the SDCP/SRSP EIR. No special construction methods, such as blasting or pile driving, are expected to be required.

Following initial approval of the Montelena project, the site was rough graded and stormwater infrastructure adequate to meet the needs of the project, consistent with the mitigation measures identified in the original MND, was constructed on site, including a stormwater detention basin and stormwater canals. While these have been installed, the mitigation measures in the original MND remain applicable to the project to ensure that these features remain in perpetuity to reduce potential water quality standards and waste discharge requirements impacts to less than significant levels.

### **Land Use and Planning**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the land uses and zoning analysis conducted for the SDCP/SRSP EIR.

The proposed project modifications are located within the area analyzed by the SDCP/SRSP EIR and thus represent the next development to occur in a portion of the city designated for urban development. The updated project description would modify the original project plan as well as the General Plan designation and zoning for the project area. However, except for the establishment of the wetland preserve, the actual land use design of the project site was not established with the purpose of avoiding an environmental effect. Land use impacts would be less than significant with implementation of the project modifications.

### **Mineral Resources**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the mineral resources studies conducted for the SDCP/SRSP EIR, as no additional areas with potential mineral resources will be developed.

### **Noise**

The original MND found that, as predicted in the SDCP/SRSP Master EIR, the Montelena project may place residential and other land uses in close proximity to roadways, which may result in traffic noise in excess of established Sacramento County General Plan and Noise Ordinance Standards (FEIR, pp. 12.15–12.16). This project, however, is subject to the mitigation measures adopted by the County for these impacts. Therefore, this impact will be mitigated to a less than significant level using mitigation measure MM 11.1, based on NS-5 of the SDCP/SRSP EIR.

Furthermore, the Montelena Douglas project is a subsequent project within the scope of activities and land uses studied in the SDCP/SRSP Master EIR. This project would not create any new or additional significant noise impacts that were not already identified in the Master EIR, nor would it cause any impacts peculiar to the project or parcels. Thus, the same mitigation measure (MM 11.1) in the original MND will remain applicable. However, since adoption of the original MND, the City of Rancho Cordova has adopted its own General Plan including a Noise Element with goals, policies, and action items to implement these policies. The City has also added Chapter 6.68, Noise Control, to its Municipal Code. The City's General Plan noise policies and Municipal Code provisions are based largely on those of Sacramento County, but supersede the County's noise code and General Plan policies for projects within the city limits approved after Rancho Cordova's incorporation in 2006. However, the overall impact of these changes and

mitigation measures will be less than significant as they do not change the conclusions of the original MND.

### **Population and Housing**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the population and housing analysis conducted for the SDCP/SRSP EIR.

### **Public Services**

The proposed modifications to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the public services analysis conducted for the SDCP/SRSP EIR. The original MND included 874 units and the supplemental MND reduced the amount of units to 790. Increasing the amount of units from 790 to 806 will not adversely affect public services in any substantial way. Prior environmental analysis and adopted mitigation measures would ensure equal or lesser impacts.

### **Recreation**

The proposed changes to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the recreation analysis conducted for the SDCP/SRSP EIR. The reduction in park uses and slight increase in residential units is a result of a change in the parks and open space requirements. Adequate park facilities will be required to serve the proposed residential dwelling units and a less than significant impact will result.

### **Transportation/Traffic**

The proposed changes to the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND and supplemental MND. The traffic and circulation impacts associated with the Montelena Douglas project will not affect previous analysis and findings.

### **Utilities and Service Systems**

The proposed modifications associated with the Montelena Douglas project will have no impact to the findings and mitigation measures adopted in the original MND, which referenced the utilities and service systems analysis conducted for the SDCP/SRSP EIR.

### **Conclusion**

The City has reviewed the potential environmental impacts related to proposed modifications to the Montelena Douglas project. The City finds that no new or substantially more severe impacts would result from these modifications and that prior analysis contained in the originally adopted MND and Supplemental MND adequately address all environmental impacts. Based on the criteria discussed above, an addendum is considered the appropriate level of documentation to satisfy the requirements of CEQA, and no further analysis is required.

---

# Project Request

- General Plan Amendment (City GP) of approximately 2.1± acres (parcel E) Parks/Open Space (City GP) to Low Density Residential (City GP), see **Exhibit 1A** of the resolution.
- Rezone approximately 1.7± acres (Parcel D) from Parks/Open Space (SRSP) to RD-7(SRSP), and 2.1± acres (parcel E) of Parks/Open Space (City Zoning) to RD-5 Single Family Residential (City Zoning). The 1.7± acre portion of the project will enjoy the vested rights of the original approval under the General Plan designation at the time of project approval, see **Exhibit 2A** of the ordinance.
- Two Tentative Subdivision Maps to create 9 lots on the 1.7 acre (parcel D) and 7 lots on the 2.1 acre (parcel E), subject to the conditions of approval for the Montelena development, see **Exhibits 1B and 1C** of the resolution. The open space conversion is conditioned with the developer paying an in lieu fee on the difference of the 15.99 acres required and the 15.40 acres provided (0.59 acres), if the open space standard is not amended by the City prior to the date of recordation of the maps.
- 3rd Amendment to Development Agreement

# Tentative Subdivision Maps

Parcel "D"

Parcel "E"

---

# Development Agreement

The 3<sup>rd</sup> amendment will change several sections of the 2<sup>nd</sup> Development Agreement in the following areas:

- Revise Section 6.4.1 concerning the “New Park Development Obligations”
- Revise Section 6.4.2 concerning the “Timing of Dedication and Improvements of Parks”
- Restatement of 6.4.3 concerning “In-fill Park and Open Space Renovation and Acquisition Fee”
- Add Section 6.4.9 concerning “New Pedestrian Bridge”
- Replace Exhibit E with a new diagram of park dedication.
- Replace Exhibit I, Drainage Basin Improvements with Exhibits 3 and 4 of the Development Agreement

---

# Environmental Review

An addendum to the previously adopted Mitigated Negative Declaration (MND) was prepared to adequately address the project's minor modifications pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15164 for the approved Montelena project. The City Council should use the prepared addendum to consider the environmental impacts that would occur as a result of the proposed project. Resolution

---

# Recommended Motion

- Move the City Council adopt Resolution 94-2013 approving a General Plan Amendment, two Tentative Subdivision Maps for those portions of Villages 3 and 5 of the Montelena project, subject to the draft Conditions of Approval
- Introduce and waive first reading of Ordinance 23-2013 approving a zone change for those portions of Villages 3 and 5 of the Montelena project and the third amendment to the Development Agreement for the Montelena project.

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Jeffrey S. Beiswenger, AICP, Senior Planner

**SUBJECT:** **CAPITAL VILLAGE CHILI'S RESTAURANT DESIGN REVIEW AMENDMENT;  
PROJECT NO. DD7763 – LOCATED AT 3199 ZINFANDEL DRIVE.**

|                                                                                                                                              |                                                                                                                                   |

|---------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### **RECOMMENDATION**

Determine whether the proposed project revisions are appropriate and, if so, determine that the project is consistent with the Capital Village Mitigated Negative Declaration and Adopt Resolution 93-2013, approving the Design Review Amendment.

### **RESULT OF RECOMMENDED ACTION**

Adoption of this resolution would amend the Chili's Restaurant color materials board and modify specific design elements of this building.

### **REQUIRED PERMITS AND REGULATORY BASIS**

Buildings within the Capital Village commercial project are subject to the design review approved by Resolution 167-2006 which included a color materials board applicable to the project. The Chili's Restaurant would like to use building wall colors and awnings that are not included as part of this prior approval. City Council action would allow the alternative color and awning materials to be used. This would only allow these additional colors and materials to be used on the Chili's Restaurant building.

## **BACKGROUND**

The Chili's Restaurant is located with the Capital Village commercial area along Zinfandel Drive (see Figure 1). The design review for the overall Capital Village commercial project was approved in 2006 and this approval included a color materials board (see **Attachment 1**). Chili's would like to repaint the building and use different awnings that are more in-line with the current corporate branding.

**Figure 1 - Project Location**

## **PROPOSED DESIGN CHANGES**

The proposal would allow four colors to be used that are not currently permitted within the Capital Village project since they are not on the existing color materials board (see Figure 2 below) and allow for a new awning with a different style, up-lighting and color scheme. The new colors are consistent with a Chili's rebranding effort. The new corporate colors include "Rapture" red which was originally proposed by the applicant as a prominent wall color, but staff determined that this was not consistent with the Capital Village project and the applicant has opted to not use this as a wall color. This red color is still proposed for the doors and awnings:

|                                                                                     |                                 |
|-------------------------------------------------------------------------------------|---------------------------------|
|  | GLIDDEN<br>"RAPTURE"            |
|  | GLIDDEN<br>"THE DAKR SIDE"      |
|  | ICI - 0535<br>"TRADITIONAL TAN" |
|  | ICI - 0265<br>"GOOD EARTH"      |

**Figure 2 – Proposed Additional Colors**

The applicant proposes to change the following building elements:

- Remove the large three-dimensional chili pepper from the entry roof and the Chili's sign from the façade and replace with a three-dimensional "Chili's" wording on the roof and a two-dimensional chili pepper on the building wall.
- Eliminate the existing earth-tone colors of "Phantom Blue," "Red Maple," "Chateau" (beige), and "Heron Grey" from the façade and replace with "Traditional Tan," "Good Earth" (brown), "The Darker Side" (dark brown), and "Rapture Red" (doors only).
- Eliminate the lights above the awnings and replace with fixtures that up-light the awnings.
- Replace the existing striped awnings with larger red and green awnings. These new awnings are a different style which covers the clerestory windows that are above the current awnings. The up-light on the new awnings are proposed for more dramatic effect.

**Figure 3 - Proposed Redesign**

**Figure 4 - Existing Building**

Figure 5 – Proposed Color and Materials

Figure 6 – Original Approval

### **DESIGN REVIEW FINDINGS**

In accordance with Zoning Code Section 23.140, commercial projects must obtain Design Review approval. The proposed plans were evaluated for consistency with the Zoning Code and the Design Guidelines for commercial buildings. Design Review approvals shall be granted only when all of the findings defined in Zoning Code Section 23.140.050 can be made. The required findings and the evidence to support them are contained in Resolution No. 93-2013 (**Attachment 2**).

### **RECOMMENDED MOTION**

Determine that the project is consistent with the Capital Village, Mitigated Negative Declaration and Adopt Resolution 93-2013, approving the Design Review Amendment for the Chili's Restaurant building.

### **ATTACHMENTS**

1. Capital Village Color Materials Board (approved 2006).
2. Resolution No. 93-2013, including the amendments to the Capital Village Chili's Restaurant (**Exhibit A**) and Conditions of Approval (**Exhibit B**).
3. 500' radius map and labels.

## ATTACHMENT 2

## CITY OF RANCHO CORDOVA

## RESOLUTION NO. 93-2013

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA  
APPROVING THE DESIGN REVIEW AMENDMENT FOR THE CAPITAL VILLAGE CHILI'S  
RESTAURANT - PROJECT # DD7763**

**WHEREAS**, Kim Whitney of Merlone Geier (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a Design Review Amendment (DRA) for the Chili's Restaurant within the Capital Village commercial area, located at 3199 Zinfandel Drive (Accessor's Parcel Numbers: 072-3010-008); and

**WHEREAS**, the City Council is the appropriate authority to hear and take action on this project; and

**WHEREAS**, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code Section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA** that the Council:

1. Determine the project is consistent with the Capital Village Mitigated Negative Declaration that applies to this project site according to the Guidelines of the California Environmental Quality Act.

- a) Finding: This project will not have a significant adverse impact on the environment and is consistent with the Capital Village, Mitigated Negative Declaration prepared and adopted for the Capital Village project in 2004 and amended in 2005.

Evidence: The proposed Design Review Amendment does not significantly alter the project from a CEQA perspective. The impacts of the proposed design are the same as, or less than, the project studied by the Mitigated Negative Declaration (MND) and no additional analysis is required. On the basis of the MND, there is no substantial evidence that the project will have a significant adverse impact on the environment.

2. Approve the Design Review Amendment, subject to the Project Plans (**Exhibit A**) and the Conditions of Approval (**Exhibit B**); supported by the following Findings and Evidence, as required by Zoning Code Section 23.140.050:

- a) Finding: The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, and Special Planning Area provisions, and is consistent with the applicable Rancho Cordova Design Guidelines.

Evidence: The restaurant is existing and has been previously designed to meet all applicable Zoning regulations contained with the Capital Village, Special Planning Area document and the Zoning Code. The project adequately meets the objectives of the City Design Guidelines.

- b) Finding: The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community.

**ATTACHMENT 2**

Evidence: The proposed amendments to the architecture and color materials board are consistent with the original design approved for the larger Capital Village commercial development. The architecture, color and materials of the buildings, as proposed, will blend well into the established Capital Village retail center.

- c) Finding: The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.

Evidence: With the exception of paint colors and awning material, and signage no additional changes to the building architecture are proposed. The proposed design changes are architecturally consistent with the existing buildings on-site and with the prior design review approval. Four new colors and a different awning color, design and style will be added to the palette of materials and colors are being used.

- d) Finding: The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.

Evidence: The proposed changes will not impact the site planning aspects of the site.

**PASSED AND ADOPTED** by the City Council of the City of Rancho Cordova on the \_\_\_\_\_ day of \_\_\_\_\_, 2013 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAIN:**

\_\_\_\_\_  
Linda Budge, Mayor

**ATTEST:**

\_\_\_\_\_  
Mindy Cuppy, CMC, City Clerk

| 1. | The new design for a Chili's Restaurant is approved for the Capital Village Commercial project. This will permit the addition of three new paint colors and a new awning to be used for a remodel of the existing building.                                                                                                                                                                                                                                                    | ON-GOING                          | PLANNING                           |                                                    |
| 2. | In the event of a legal challenge, this permit shall be withheld pending the outcome of the legal process.                                                                                                                                                                                                                                                                                                                                                                     | ON-GOING                          | PLANNING                           |                                                    |
| 3. | This action does not relieve the applicant of the obligation to comply with all ordinances, statutes, regulations, and procedures.                                                                                                                                                                                                                                                                                                                                             | ON-GOING                          | PLANNING                           |                                                    |
| 4. | Applicant shall hold harmless the City, its Council Members, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.                                   | ON-GOING                          | PLANNING                           |                                                    |
| 5. | Applicant shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at <a href="mailto:billings@cityofranchocordova.org">billings@cityofranchocordova.org</a> for the status of your account with the City. | ON-GOING                          | FINANCE                            |                                                    |

# Comparison

## New elements

- Red and green awnings
- New (more muted) wall colors
- Dark trim color
- Up-lighting of awnings

Proposed (photo simulation)

## Existing Elements

- Smaller striped awnings
- Earth-tone colors
- Light trim color
- Wall lighting (above awnings)

Existing

---

# Motion

- Determine that the project is consistent with the Capital Village, Mitigated Negative Declaration and Adopt Resolution \_\_-2013, approving the Design Review Amendment for the Chili's Restaurant building

## MEMORANDUM

**DATE:** July 15, 2013

**TO:** Honorable Mayor and Council Members

**FROM:** Micah Runner, Economic Development Manager

**SUBJECT: PUBLIC MEETING ON THE RENEWAL OF THE RANCHO CORDOVA  
TOURISM BUSINESS IMPROVEMENT DISTRICT**

### **RECOMMENDATION**

Allow public testimony on the 10 year renewal of the Rancho Cordova Tourism Business Improvement District and levy of assessments.

### **RESULT OF RECOMMENDED ACTION**

If no more than fifty percent of the assessed parties protest the assessment, a final public hearing will take place on August 19, 2013 to renew the Rancho Cordova Travel Business Improvement District (RCTBID) for ten years. A majority of the lodging business owners subject to the assessment have petitioned the City Council to renew the RCTBID.

### **BACKGROUND**

At the June 17, 2013 City Council meeting, Resolution No. 81-2013 was approved by the City Council, expressing the intention to renew the RCTBID for an additional 10 years. Notices were mailed to the owners of all businesses proposed to be within the district, which began a forty-five day period in which owners may protest district formation. A final public hearing will take place on August 19, 2013.

The RCTBID is a benefit assessment district that was created to help fund marketing and sales promotion efforts for Rancho Cordova lodging businesses. A major investment of the RCTBID has been the creation of the Rancho Cordova Events Center to attract tournament sports activities and major events. This approach has been used successfully in other destination areas throughout the state to improve tourism and drive additional room nights. The proposed RCTBID includes all lodging businesses located within the boundaries of the City of Rancho Cordova, which are currently 16 hotels. The RCTBID would generate approximately \$633,000 on an annual basis for promotion of travel and tourism specific to Rancho Cordova.

### **MANAGEMENT DISTRICT PLAN**

The Management District Plan includes the proposed boundary of the RCTBID, a service plan and budget and a proposed means of governance. The RCTBID will include all lodging businesses, existing and in the future, available for public occupancy within

the boundaries of the City of Rancho Cordova. The boundary currently includes 16 lodging business with a total of 2,015 hotel rooms.

The proposed RCTBID renewal will have a ten year life. The RCTBID assessment will be implemented beginning September 1, 2013. Once per year beginning on the anniversary of the formation of the district there is a 30 day period in which owners paying more than 50% of the assessment may protest and terminate the district.

The Rancho Cordova Travel and Tourism Corporation (RCTTC) shall serve as the Owner's Association for the RCTBID. The Board of Directors shall have no less than seven and no more than nine members, including five to seven representatives of assessed hotels, one representative of the City of Rancho Cordova and one representative of the Rancho Cordova Chamber of Commerce.

The City of Rancho Cordova will be responsible for collecting the assessment on a monthly basis from each lodging business located in the boundaries of the RCTBID. The City of Rancho Cordova shall forward the assessments to the RCTTC, which will have the responsibility of managing TBID programs as provided in this Management District Plan. The City of Rancho Cordova shall be paid a fee equal to 2% of the amount of assessment collected to cover its costs of collection and administration.

The Draft Annual Budget detailed below was developed under the assumption of a \$1.50 per room per night fee generating approximately \$633,000 in revenue to the RCTTC.

### **DISTRICT FORMATION PROCESS**

June 17, 2013

#### **RESOLUTION OF INTENTION HEARING**

Upon the submission of a written petition, signed by the property or business owners in the proposed district who will pay more than 50 percent of the assessments proposed to be levied, the city council may initiate proceedings to form a district by the adoption of a resolution expressing its intention to form a district.

June 18, 2013

#### **NOTICE**

The Property and Business Improvement District Act of 1994 requires the City mail written notice to the owners of all businesses proposed to be within the district. Mailing the notice begins a mandatory forty-five day period in which owners may protest district formation.

July 15, 2013

**PUBLIC MEETING**

Allow public testimony on the establishment of the TBID and levy of assessments. No council action required.

August 19, 2013

**FINAL PUBLIC HEARING**

If written protests are received from the owners of businesses in the proposed district which will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent, no further proceedings to levy the proposed assessment against such businesses shall be taken for a period of one year from the date of the finding of a majority protest by the city council.

At the conclusion of the public hearing to establish the district, the city council may adopt, revise, change, reduce, or modify the proposed assessment or the type or types of improvements and activities to be funded with the revenues from the assessments. Proposed assessments may only be revised by reducing any or all of them.

If the city council, following the public hearing, decides to establish the proposed property and business improvement district, the city council shall adopt a resolution of formation.
