CITY OF RANCHO CORDOVA

ORDINANCE NO. 17-2014

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
AMENDING THE MUNICIPAL CODE CHAPTER 9.81, ENTITLED PROHIBITION
AGAINST AGGRESSIVE, INTRUSIVE AND UNSAFE PANHANDLING TO ADD
ADDITIONAL PROHIBITIONS**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:

Section 1. Purpose and Declarations.

WHEREAS, in 2009, the City Council adopted Ordinance 17-2009, which added Chapter 9.81 entitled "Prohibition Against Aggressive, Intrusive and Unsafe Panhandling" to the Rancho Cordova Municipal Code. The City Council's purpose in enacting the chapter was to protect the safety and welfare of the general public by imposing regulations against unsafe panhandling that were reasonable time, place, and manner restrictions that still respected the constitutional rights of free speech for all citizens;

WHEREAS, panhandling continues to pose a threat to the safety and welfare of the public, therefore the City Council desires to adopt further regulations to prohibit aggressive panhandling, and panhandling in specified areas of the City as allowed by the law to prevent unnecessary harassment and intimidation of residents and visitors of the City; and

WHEREAS, state and federal courts have continued to clarify constitutionally permissible regulations that cities may adopt to regulate panhandling in cases such as *Berkeley Community Health Project v. City of Berkeley*, 966 F.Supp. 941 (N.D. Cal. 1997); *Los Angeles Alliance for Survival v. City of Los Angeles*, 22 Cal.4th 352 (2000); and *Doucette v. City of Santa Monica*, 955 F.Supp.1192 (1997); and

WHEREAS, the amendments to the Municipal Code made by this Ordinance will achieve these objectives.

Section 2. Amendment of Code. Section 9.81.010(C) of the Rancho Cordova Municipal Code, is hereby amended to read as follows:

"C. Vehicle safety risks.

1. The practice of panhandling for contributions from persons in vehicles in the public roadway from a median or near intersections subjects the panhandlers, pedestrians and vehicles to an unacceptable level of danger. Drivers become distracted from their primary duty to watch traffic which results in the delay and obstruction of the public's free flow of travel. These activities further result in the congestion and blockage of streets when such persons approach the vehicles to negotiate with the occupants. The most severe impacts are experienced when money or other items of value are directly and immediately exchanged, hand-to-hand, in the public right-of-way as a result of the solicitation. Distracted drivers are more prone to be involved in automobile accidents, and accidents on the public streets constitute a substantial traffic safety problem.

2. The city council finds that the practice of panhandling near driveways accessing shopping centers, retail and business establishments presents an unacceptable level of danger for panhandlers, pedestrians and vehicles. The location of the panhandler near the driveway interferes with drivers' vision and ability to safely enter and exit the driveway. Furthermore, drivers become distracted from their duty to watch traffic as they maneuver to avoid a panhandler preventing safe access to the driveway, then causing vehicular congestion and blockage of traffic. As set forth above, distracted drivers are more prone to automobile accidents and the safety risk to vehicle occupants, panhandlers, and pedestrians increase."

Section 3. Amendment of Code. Section 9.81.010(D) of the Rancho Cordova Municipal Code, is hereby amended to read as follows:

"D. The city council further finds that panhandling from people in places where they are a captive audience (in which it is impossible or difficult for them to exercise their own rights to decline to listen to or to avoid panhandling from others) is abusive, detracts from the right of transit-dependent residents to the quiet enjoyment of these public facilities on which they necessarily rely, increases the vulnerability to intimidation or harassment of such residents since they must have cash or means of payment out or readily available at such sites, and creates an unacceptable risk to the residents' safety and welfare. Such places include buses, shuttles and marked public transportation stops, banks and check cashing facilities, ATM Machines, outdoor dining facilities, and public parking lots and structures, and gas pumps available for public use. Restricting panhandling in these places will provide a balance between the rights of panhandlers and the rights of persons who will commonly be carrying cash on their persons and wish to decline or avoid such panhandlers."

Section 4. Amendment of Code. Section 9.81.010(E) of the Rancho Cordova Municipal Code, is hereby amended to read as follows:

"E. The restrictions contained herein are neither overbroad nor vague, and are narrowly tailored to serve a substantial governmental interest. The goal of this chapter is to protect city residents, visitors and panhandlers from traffic safety problems, along with intrusive or threatening conduct and personal harassment or intimidation that may result from panhandling."

Section 5. Amendment of Code. Section 9.81.020, "Definitions," of the Rancho Cordova Municipal Code, is hereby amended to read as follows:

"For the purpose of this chapter, unless the context clearly requires a different meaning, the words, terms and phrases hereinafter shall have the meaning given them in this section.

A. "Automated teller machine" shall mean any electronic information processing device which accepts or dispenses cash in connection with a credit, deposit, or convenience account.

B. "Automated teller machine facility" shall mean the area comprised of one or more automated teller machines, and any adjacent space which is made available to banking customers during and after regular banking hours.

C. "Bank" means any member bank of the Federal Reserve System, and any bank, banking association, trust company, savings bank, or other banking institution organized or operated under the laws of the United States, and any bank the deposits of which are insured by the Federal Deposit Insurance Corporation.

FOR THE SUNRIDGE NORTH DOUGLAS PROJECT**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:

Section 1. Recitals.

A. On November 1, 2004, The City and James D. Weidinger and Christina Weidinger Revocable Trust and the Archel C. and Mary W. Cupp Family Trust (collectively, "**Original Owner**") entered into a Development Agreement establishing certain development rights for real property located in the City of Rancho Cordova, California.

B. In 2002, Sacramento County ("**County**"), certified, as adequate and complete the Final Environmental Impact Report ("**EIR**") for the Sunrise Douglas Community Plan and Sunridge Specific Plan ("**SDCP/SRSP**") and Zoning Ordinance for the Property. The City also approved a Mitigated Negative Declaration ("**MND**") for the North Douglas General Plan Amendment, Specific Plan Amendment for the Rezoning of the Property, and the Tentative Subdivision Map (the "**Project**") on June 21, 2004. Mitigation measures were required in the EIR and the MND and incorporated into the Development Agreement. In response to litigation involving the SDCP/SRSP EIR, the City subsequently rescinded approval of the SDCP/SRSP. On November 7, 2011, the City certified a partially revised EIR for the SDCP/SRSP, however, at that time, the City determined to carry out the projects within the SDCP/SRSP area without re-approving the SDCP/SRSP. No impacts beyond those previously considered were identified.

C. On March 30, 2005, the Original Owner and U.S. Home/KB North Douglas, LLC entered into an Assignment and Assumption Agreement pursuant to which Original Owner assigned and U.S. Home/KB North Douglas, LLC assumed all the rights, title interest, burdens and obligations of landowner under the Development Agreement with respect to the Property.

D. On April 17, 2006, the City and U.S. Home/KB North Douglas, LLC subsequently entered into a First Amendment to Development Agreement. The First Amendment provided for U.S. Home/KB North Douglas, LLC to pay new development fees and made other minor changes including, but not limited to, provisions related to foundation only building permits, production of homes and lot sales. U.S. Home/KB North Douglas, LLC's agreement to pay the new development fees was in exchange for the City amending certain zoning and map conditions affecting the Property to revise the roadway improvement phasing for the Sunridge Specific Plan. The City prepared an Addendum to the Sunrise Douglas Community Plan/Sunridge Specific Plan Final EIR, dated April 3, 2006, addressing the revision of the roadway improvement phasing affecting the Property pursuant to the map conditions amendment as prepared by the City.

E. U.S. Home/KB North Douglas, LLC and MS RIALTO NORTH DOUGLAS CA, LLC ("**Developer**") entered into an Assignment and Assumption Agreement pursuant to which U.S. Home/KB North Douglas, LLC assigned and Developer assumed all the rights, title interest,

burdens and obligations of landowner under the Development Agreement, as amended, with respect to the Property.

I. Pursuant to Government Code section 65868, City and Landowner now desire to modify and revise the Agreement again to extend the term of the amended Development Agreement, modify the park development obligation including park impact fees, Developer's requirements to annex into maintenance districts, Developer's requirement to sell a lot to the City, and other minor clarifications, all as more fully set forth below in this Second Amendment. ("**Second Amendment.**")

J. On July 7, 2014, the City Council, as the legislative body for purposes of Development Agreement approval, held a properly noticed public hearing pursuant to Government Code section 65867 and considered all comments received in writing and all testimony received at the public hearing. Following the public hearing, the Developer is required to pay all costs associated with processing the Second Amendment and to maintain a minimum \$5,000 deposit with the City for Development Agreement compliance review as the project builds out.

Section 2: Findings.

Therefore, on the basis of: (a) the foregoing recitals, which are hereby incorporated herein; (b) the City of Rancho Cordova's General Plan and General Plan EIR; (c) the SDCP/SRSP EIR; and (d) the Sunridge North Douglas MND, the City Council finds and determines that:

A. The Second Amendment to the Development Agreement is consistent with the objectives, policies, general land uses and programs specified and contained in the City's General Plan in that: (a) The Project remains predominantly low-density residential and consistent with the General Plan and Zoning Code; (b) the Project is consistent with the fiscal policies of the General Plan with respect to provisions of infrastructure and public services; and, (c) the Second Amendment to the Amended Development Agreement include provisions relating to financing public services, construction and maintenance of public facilities, park development fees and similar provisions to replace those set forth in the Sunridge Specific Plan.

B. The Second Amendment and Amended Development Agreement are compatible with the uses authorized in, and the regulations prescribed for, the land use area in which the real property is located.

C. The Second Amendment to the Development Agreement is in conformity with public convenience, general welfare and good land use policies in that the Second Amendment and Amended Development Agreement will continue to implement land use guidelines set forth in the General Plan and help fund infrastructure and parks needed to serve new development.

D. The Second Amendment will not be detrimental to the health, safety and general welfare in that the Project will proceed in accordance with the programs and policies of the General Plan.

E. The Second Amendment will not adversely affect the orderly development of property, or the preservation of property values, in that the amendment is consistent with the General Plan.

F. The Second Amendment is consistent with and includes the substantive elements of Government Code sections 65864 through 65869.5, and has been processed consistent with all the procedural requirements thereof.

Section 3: Approval of Second Amendment to Development Agreement.

The City Council hereby approves the Second Amendment to the Development Agreement, attached to this Ordinance and incorporated herein by reference as **Exhibit 1A, in a form approved by the City Attorney**, and authorizes the City Manager to sign the amended Development Agreement after the effective date of this Ordinance.

Section 4: Recordation

Within ten (10) days after the Second Amendment to the Development Agreement is executed by the City Manager, the City Clerk shall submit the amendment to the County Recorder for recordation.

Section 5: Severability.

If any section, subsection, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, it shall not affect the remaining portions of this Ordinance that can be given effect without the invalid provision and, to this end, the provisions of this Ordinance are severable. This City Council hereby declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance be enforced.

Section 6: Publication and Effective Date.

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its adoption.

2. Project Name. City and Landowner agree to change the name of the project covered by the Development Agreement from "North Douglas I and II" to "North Douglas." This change is reflected in the title of this Second Amendment.

3. Amendment of Section 5 of the Recitals concerning "Project Approvals." City and Landowner agree that Section 5 of the Recitals of the Agreement is hereby amended to add the following Project Approval:

EXHIBIT 1A

4. Restatement of Section 5.2 concerning the “Term.” City and Landowner agree that Section 5.2 of the Agreement is hereby deleted and replaced with the following:

“5.2. Term. Upon the execution of the Second Amendment, the term of this Agreement shall commence on the Effective Date and extend to [REDACTED], 2029, which date is a period of fifteen (15) years from the effective date of City Ordinance No. [REDACTED]-2014 approving the Second Amendment, unless said term is terminated, modified or extended by circumstances set forth in this Agreement. Following the expiration of the term, this Agreement shall not affect any right or duty created by City approvals for the Property adopted prior to, concurrently with, or subsequent to the approval of this Agreement.”

5. Restatement and retitling of Section 6.4.1 of the Development Agreement as amended by the First Amendment concerning the “New Park Development Fees.” City and Landowner agree that this Section relating to the payment of fees for park improvements and Section 11 below relating to the payment of fees for roadway improvements includes, supersedes and replaces the Landowner’s obligation to pay the New Development Fee described in Sections 2 and 5 of the First Amendment. City and Landowner agree that Section 6.4.1 of the Agreement, as amended in its entirety by the First Amendment, is hereby amended to read as follows:

“6.4.1 New Park Development Obligation.

(i) Dedication of Park Land

City and Landowner acknowledge and agree that Landowner’s obligation to dedicate land for new parks and open space has been satisfied by Landowner’s irrevocable offer of dedication to the Cordova Recreation and Park District (the **“Park District”**) of certain land within the Project, set forth more specifically in Exhibit 1 to the Second Amendment, for a neighborhood park (**“Neighborhood Park”**) and payment of additional in-lieu land dedication fees.

(ii) Park Land Improvement

The Landowner agrees to construct certain improvements to the Neighborhood Park (the **“Neighborhood Park Improvements”**). Landowner’s obligation to construct the Neighborhood Park Improvements requires Landowner to design, construct and install certain park facility improvements including street frontage improvements (i.e., “turnkey park”) consistent with and subject to the terms of that certain Amended and Restated and Consolidated Park Development and Development Impact Fee Credit/Reimbursement Agreement between the Landowner, the City and the Park District, dated [REDACTED], 2014 (the **“Park Development and Credit Agreement”**). City acknowledges that, except for the sidewalks to be installed as part of the Neighborhood Park Improvements, the required street frontage improvements have been completed consistent with applicable City standards.

EXHIBIT 1A

(iii) Timing of Park Land Improvement

The Parties agree that the timing and complete construction of the Neighborhood Park Improvements in Exhibit 1 of the Second Amendment is a critical issue.

The timing of the construction of the Neighborhood Park Improvements shall comply with the requirements of the Second Amendment. In addition to the general authority under the First Amendment, the City has the specific authority to withhold building permits if construction of the Neighborhood Park is not in full compliance with the requirements of this Second Amendment or the Park Development and Credit Agreement.

Unless the City, in its sole discretion, authorizes Landowner to defer the timing for completion of construction under the Park Development and Credit Agreement due to coordination and/or funding issues involving the Park District or due to other factors beyond Developer's reasonable control, Landowner will complete and make all the Neighborhood Park Improvements required by the Park Development and Credit Agreement, open and fully operational prior to the issuance by the City of the 332nd residential building permit for the Project (prior to issuance of that permit, the City will have issued just under 50% of the approximately 663 residential building permits anticipated to be issued for the Project). Any such deferral by the City shall not require an amendment to this Agreement.

(iv) Park Fees and Credits

Landowner shall pay a park development impact fee for each single-family residential parcel or residential parcel equivalent on the Property to mitigate the costs for the Park District and the City to design, construct and install other park improvements and community open space (the "**Park Development Impact Fee**"). The Park Development Impact Fee will be paid prior to the issuance of each residential building permit within the Project. Based on the initial fee credit amount of Three Thousand Six Hundred Thirty Five Dollars (\$3,635) per-unit under the Park Development and Credit Agreement in consideration of Landowner's covenant to turnkey the Neighborhood Park Improvements, the Park Development Impact Fee, including the administrative component thereof calculated on the full amount of the Impact Fee, will initially be Five Thousand One Hundred Forty-Eight Dollars (\$5,148) for each single-family residential parcel or residential parcel equivalent.

The City agrees that payment of the Park Development Impact Fee under this Section shall satisfy the Landowner's parks and open space development fee financing obligations for the Property, pursuant to Condition of Approval/Mitigation Monitoring Reporting Program ("**MMRP**") (i.e., Number 20 of Exhibit B to Resolution No. 84-2004). This payment is made voluntarily by the Landowner.

EXHIBIT 1A

The Park Development Impact Fee is in addition to any dedication obligations or in lieu of fee obligations of Landowner pursuant to California Government Code section 66477 (the “**Quimby Act**”). Landowner agrees that it shall not claim any credit or right to reimbursement of any fees, or dedication obligations, required of Landowner under the Quimby Act. City acknowledges that, pursuant to the Park Development and Credit Agreement, Landowner has fully satisfied its parkland and open space dedication requirements and shall have no obligation to pay any Quimby Act fee or other such in-lieu land dedication fee to the City or the Park District.

The Park Development Impact Fee of Five Thousand One Hundred Forty-Eight Dollars (\$5,148) payable hereunder shall be adjusted on January 1, 2015 and annually thereafter no later than January 15th by the method provided in City Ordinance No. 05-2014 as follows:

- (a) A “mean” index will be computed by averaging the index for 20 U.S. cities with the index for San Francisco by resort to the most recent October issue of the Engineering News Record magazine Construction Cost Index.
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous October.
- (c) The adjusted Park Development Impact Fee shall be calculated by multiplying the adjustment factor, as calculated in subsection (b) of this section, by the Park Development Impact Fee in place prior to the annual adjustment.

If and when the City adopts the Citywide Park Improvement Fee, the Landowner and City agree to explore adjustments to the Park Development Impact Fee. Under no circumstances shall the Landowner be required to pay any new Citywide Park Improvement Fee in addition to the Park Development Impact Fee as set forth in this Second Amendment.”

6. Restatement of Section 6.4.2 concerning the In-fill Park Renovation Fees. City and Landowner agree that Section 6.4.2 of the Agreement, “Existing Park Renovation Fees,” is hereby retitled to “In-Fill Renovation and Acquisition Fee,” and amended to read as follows:

“6.4.2 In-fill Park Renovation and Acquisition Fee. The Landowner agrees that it shall pay City the total sum of Nine Hundred Eighteen Dollars and Eighty-Five Cents (\$918.85) for each residential parcel shown on the final maps for the Property (the “**Park Renovation Fee**”). Beginning January 1, 2015, the fee shall be adjusted annually on each January 1 based upon the percentage change in the United States Department of Labor Consumer Price Index for all Urban Consumers for the San Francisco-Oakland-San Jose area between August and August of each year. This fee shall be paid to City no later than prior to issuance of the building permit for each residential parcel for the Property. It shall be used by the City, at its sole discretion, to renovate, repair, improve or maintain existing parks in the City. This payment is made voluntarily by the

EXHIBIT 1A

Landowner. It is in addition to all other existing park fees, and construction and dedication obligations, including without limitation any fees paid pursuant to the **Quimby Act**. Landowner agrees that it shall not claim any credit or right to reimbursement of any other existing park fees, and construction and dedication obligations, including Quimby Act fees as a result of paying the existing Park Renovation Fee required under this Section. The City agrees that compliance with the terms of this Section will satisfy the Landowner's obligation under Condition of Approval/MMRP Number 20 to pay a Park Renovation Fee per residential parcel. If and when the City reduces or eliminates the Park Renovation Fee on a Citywide basis (by adoption of a park tax, special sales tax or other measure), then the Park Renovation Fee under this Section 6.4.3 shall be automatically adjusted or eliminated to correspond to the new Citywide funding mechanism, provided that the Landowner does not challenge or oppose the approval or implementation of the new Citywide funding mechanism."

7. Violation of Park Development and Credit Agreement. Landowner agrees that the City will be a party to the Park Development and Credit Agreement. Landowner agrees that any violation of the Park Development and Credit Agreement by Landowner may be enforced by the City as a violation of this Second Amendment.

8. Restatement of Section 6.4.3 concerning the Police Tax. City and Landowner agree that Section 6.4.3 of the Agreement, "Police Tax," is hereby amended to read as follows:

"6.4.3 Police Tax. Landowner and City agree that the Property shall be subject to a Police Tax. This obligation has been met through the addition of a Service component within Community Facilities District 2005-1 (CFD 2005-1). Prior to the inclusion of the Police Tax in CFD 2005-1, the obligation had been met with the formation of Special Police Tax Zone 9. Within ninety (90) days of approval of this Second Amendment, the City Council will rescind City Ordinance No. 40-2004 pertaining to Police Tax Zone 9.

A vote by Landowner to repeal or amend the special tax shall constitute an event of default under this Agreement, and in addition to all other remedies, Landowner shall be obligated to pay under this Agreement, the difference between the amount of the tax before the vote to repeal or amend the tax, and the amount of the proposed special tax."

9. Amendment of Section 6.4, "Additional Conditions," adding a Section concerning the Project's Stormwater Drainage System Maintenance Responsibilities. City and Landowner agree that Section 6.4, "Additional Conditions," is hereby amended to add Section 6.4.4, "Stormwater Drainage Maintenance District," to read as follows:

"6.4.4 Stormwater Utility User Fee District. City and Landowner agree and acknowledge that the Project's stormwater drainage and flood protection system will need ongoing maintenance following its installation. Landowner agrees that within ninety (90) days of the approval of the Second Amendment, Landowner shall annex the property into a new stormwater utility user fee district formed by the City for the

EXHIBIT 1A

purpose of providing a financial mechanism to fund the operation and maintenance of the Project's stormwater and flood protection system."

10. Amendment of Section 6.4, "Additional Conditions," adding a Section concerning the Project's Street Light Maintenance Responsibilities. City and Landowner agree that Section 6.4, "Additional Conditions," is hereby amended to add Section 6.4.5, "Street Light Maintenance," to read as follows:

"6.4.5 Street Light Maintenance. City and Landowner agree and acknowledge that the Project's street lighting system will need ongoing maintenance following its installation. Landowner agrees that within ninety (90) days of the approval of the Second Amendment, Landowner shall annex the property into Community Facilities District No. 2014-2 (Street, Lighting and Landscaping Maintenance) for the purpose of providing a financial mechanism to fund the operation and maintenance of the Project's street lighting system. The annual cost for street light maintenance shall be based on a FY 13/14 rate Thirty-Eight Dollars (\$38) per SFD and shall be increased by the annual inflation factor specified by the district. "

11. Supplemental Traffic Impact Fee. City and Landowner agree that Landowner's obligation to pay the portion of the New Development Fee under Sections 2 and 5 of the First Amendment related to roadway improvements (the "**Supplemental Traffic Impact Fee**") is superseded and replaced by this Section 11. City and Landowner agree that the amount of the Supplemental Traffic Impact Fee is One Thousand Seven Hundred Fifteen Dollars (\$1,715) for each residential lot shown on the final maps for the Property. City acknowledges that Landowner has already paid Eight Hundred Sixty-Five Dollars (\$865) of the Supplemental Traffic Impact Fee as previously required under Section 2 of the First Amendment. Landowner is still obligated to and shall pay an additional amount of Eight Hundred and Fifty Dollars (\$850) at the time of the issuance of a building permit for each residential unit, representing the balance of the Supplemental Traffic Impact Fee. The revenues from the Supplemental Traffic Impact Fee shall be used by the City to fund certain roadway improvements.

12. Sale of Lot 70 to City. Landowner agrees to provide the City an option to purchase Lot 70, as shown in **Exhibit 2** to this Second Amendment, for Seventy Five Thousand Dollars (\$75,000). City will have ninety (90) days of the Effective Date of this Second Amendment to exercise the option to purchase Lot 70. Landowner agrees to receive payment for Lot 70 through City's Supplemental Traffic Impact Fee credits in the amount not to exceed Eight Hundred and Fifty Dollars (\$850.00) per residential lot within the Property until the purchase price of Seventy Five Thousand Dollars (\$75,000) is fully paid off. Landowner agrees to improve Lot 70, as agreed to by the City and Landowner, and have the cost of the improvements also be paid for by the City through City Supplemental Traffic Impact Fee credits.

13. Repeal of Requirement for Use of Recycled Water. Pursuant to the City Council's adoption of Resolution No. 9-2014 on February 18, 2014, the Project shall not be required to install a dual plumbed recycled water system, commonly referred to as "purple pipe." The Landowner shall be entitled to amend its improvement plans to remove any and all such requirements.

CITY OF RANCHO CORDOVA

ORDINANCE NO. 19-2014

**AN ORDINANCE OF THE CITY OF RANCHO CORDOVA
ESTABLISHING A SPECIAL TAX FOR TRANSIT-RELATED SERVICES FOR THE
3500 FITZGERALD ROAD INDUSTRIAL BUILDING PROJECT SUBJECT TO
VOTER CONFIRMATION**

**THE CITY COUNCIL OF THE CITY OF THE RANCHO CORDOVA DOES ORDAIN AS
FOLLOWS:**

Section 1. Purpose, Intent and Authority.

It is of critical importance to the City Council of the City of Rancho Cordova that residents of and employees working in the City receive high quality transit-related services. In carefully reviewing the City's budget and revenue projections, it has become clear to City staff that the City budget does not contain adequate funding to ensure the continued delivery of adequate high quality transit-related services unless additional revenues are obtained.

It is the purpose and intent of this Ordinance to generate additional funds to pay for transit-related services by authorizing the levy of a tax on improved parcels of real property on the secured property tax roll of Sacramento County that are within Zone 17 of the Rancho Cordova Transit-Related Services Special Tax Area (the "Zone").

This tax is a special tax within the meaning of Section 4 of the Article XIII A of the California Constitution. Because the burden of this tax falls upon property, this tax also is a property tax, but this tax is not determined according to nor in any manner based upon the value of property; this tax is levied on a parcel and use of property basis. Insofar as not inconsistent with this Ordinance or with legislation authorizing special taxes and insofar as applicable to a property tax that is not based on value, such provisions of the California Revenue and Taxation Code and of Article XIII of the California Constitution as relate to ad valorem property taxes are intended to apply to the collection and administration of this tax (Section 4 of this Ordinance), as authorized by law. This tax is not an ad valorem property tax; it is an excise tax on the use of property. Because the revenue from the tax may be used only to fund transit-related services, it is also a special tax.

The revenues raised by this tax are to be used solely for the purpose of providing transit-related services as are deemed necessary by the City Council for the benefit of the residents and/or employees of Zone 17.

At the time that the Council adopted this Ordinance, there were zero (0) registered voters residing in Zone 16 and one property owner. Because the Transit-Related Services Special Tax will be imposed on property in Zone 17 and paid by the owners of the property, the Council finds that restricting the vote on the Transit-related Services Special Tax to property owners in Zone 17 is appropriate and consistent with the principles and requirements of California Constitution article XIIC (Proposition 218).

Section 2. Definitions.

The following definitions shall apply throughout this Ordinance.

A. "Constant first year dollars" shall mean an actual dollar amount which, in years subsequent to the first fiscal year the tax is levied, shall have the same purchasing price as the base amount in first fiscal year dollars as measured by the Consumer Price Index. The base amount shall be the amount of tax per parcel as specified in Section 3(A) herein. The adjustments from actual to constant dollars shall be made by use of the Consumer Price Index, as specified in Section 3(B) herein.

B. "Consumer Price Index" means the Consumer Price Index for all Urban Consumers (CPI-U) for the San Francisco-Oakland-San Jose Area as published by the U.S. Department of Labor, Bureau of Labor Statistics. If the Consumer Price Index is discontinued or revised, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Consumer Price Index had not been discontinued or revised.

C. "Fiscal year" means the period of July 1 through the following June 30.

D. "Parcel" means the land and any improvements thereon, designated by an assessor's parcel map and parcel number and carried on the secured property tax roll of Sacramento County. For the purposes of this Ordinance, parcel does not include any land or improvements outside the boundaries of Zone 17 nor any land or improvements owned by any governmental entity.

E. "Rancho Cordova Transit-Related Services Special Tax Area" means all the properties within the jurisdictional limits of the City of Rancho Cordova.

F. "Rancho Cordova Transit-Related Services Special Tax Area Zone 17" (the "Zone") means that portion of the incorporated area of the City of Rancho Cordova located within the boundaries described in **Exhibit A** hereto and as shown on the map **Exhibit B** hereto.

G. "Transit-Related Services" means providing, operating, maintaining and subsidizing transit services and all supporting facilities, infrastructure, programs and incentives that benefit the residents of the Rancho Cordova Transit-Related Services Special Tax Area, and shall be calculated and set according to the methodology described in Engineer's Report County Service Area No. 10 and Benefit Zone No. 2 County of Sacramento, September 7, 2004, which established the methodology for the original service charge for Benefit Zone No. 2.

H. "Voter" means a person who owns real property within Zone 17, as shown on the last equalized assessment role prepared by the Sacramento County Assessor's Office, at the time that the City Council adopts an ordinance authorizing the imposition of a transit-related services tax to the voters of Zone 17.

Section 3. Amount and Level of Taxes.

The tax per year on each parcel in the Zone shall not exceed the amount applicable to the parcel, as specified below.

A. For First Fiscal Year:

The tax per year for the first fiscal year (July 1, 2013 through June 30, 2014) shall be the amount of Tax per Parcel for a Land Use Code Category as set forth on **Exhibit C** hereto. The use code assigned to each parcel shall be reviewed and updated periodically. Rates in **Exhibit C** shall be calculated and set according to the methodology described in Engineer's Report County Service Area No. 10 and Benefit Zone No. 2 County of Sacramento, September 7, 2004, which established the methodology for the original service charge for Benefit Zone No. 2.

B. For Subsequent Fiscal Year:

In order to keep the tax on each parcel in constant first year dollars for each fiscal year subsequent to the first fiscal year, the tax per year shall be adjusted as set forth below to reflect any increase in the Consumer Price Index beyond the first fiscal year the tax is levied.

In June or July of each year, City Council shall determine the amount of taxes to be levied upon the parcels in Zone 17 for the then current fiscal year, as set forth below.

For each Land Use Category on **Exhibit C**, the tax per year on each parcel for each fiscal year subsequent to the first fiscal year shall be an amount determined as follows:

Tax Per Parcel For then Current Fiscal Year	=	Tax Per Parcel For Immediately Preceding X Fiscal Year	Consumer Price Index from April of immediately Preceding Fiscal Year to April of then Current Fiscal Year OR 6 percent, whichever is less
---	---	---	--

Provided, however, that in no event shall the tax per parcel for any fiscal year be less than the amount established for the first fiscal year.

C. Nature of Tax Levy.

The taxes levied on each parcel pursuant to this Article shall be a charge upon the parcel and shall be due and collectible as set forth in Section 4, below.

Section 4. Collection and Administration.

A. Taxes as Liens Against the Property.

The amount of taxes for each parcel each year shall constitute a lien on such property, in accordance with Revenue and Taxation Code Section 2187, and shall have the same effect as an ad valorem real property tax lien until fully paid.

B. Collection.

The taxes on each parcel shall be billed on the secured roll tax bills for ad valorem property taxes and are to be collected in the same manner in which Sacramento County collects secured roll ad valorem property taxes. Insofar as feasible and insofar as not inconsistent with this Ordinance, the times and procedures regarding exceptions, due dates,

installment payments, corrections, cancellations, refunds, late payments, penalties, liens, and collections for secured roll ad valorem property taxes (as established by Sacramento County) shall be applicable to the collection of this tax. Notwithstanding anything to the contrary in the foregoing, as to this tax:

1. The secured roll tax bills shall be the only notices required for this tax, and
2. The homeowners and veterans exemptions shall not be applicable because such exemptions are determined by dollar amount of value.

C. Costs of Administration by County.

The reasonable costs incurred by the County officers collecting and administering this tax shall be deducted from the collected taxes.

D. Use of Tax Revenue.

The revenue collected from the tax imposed by this ordinance shall be placed into a separate account and may be used only to fund transit-related services, including the costs of administering and collecting the tax and enforcing the provisions of this ordinance. Revenue from the tax may be used for transit-related services citywide.

E. Refunds.

1. Whenever the amount of any tax, interest or penalty has been overpaid or paid more than once, or has been erroneously or illegally collected or received by the City pursuant to this ordinance, it may be refunded as provided in this Section.
2. No refund may be made except upon a written claim verified by the person who paid the tax or by his or her guardian or conservator or the executor or administrator of his or her will or estate and stating the grounds upon which the claim is made. All claims filed pursuant to this subsection must be presented within one year after payment of the amount for which the claimant is seeking a refund.
3. No order of a refund may be made until a written claim therefor has been presented in accordance with this subsection. No suit for money, damages or a refund may be brought against the City until a written claim therefor has been presented to the City and has been acted upon or has been deemed rejected by the City, in accordance with this subsection. Only the person who filed the claim may bring such a suit, and if another person should do so, judgment shall not be rendered for the plaintiff.

F. Initiatives to Affect Tax.

Consistent with the California Constitution (art. XIIC, § 3) the tax imposed by this ordinance may be affected by initiative. The procedures for qualification of such an initiative and the election on a qualified initiative shall be consistent with the California Constitution (art. 2, sec. 8), the California Elections Code (Chapter 3 of Division 9), and the Municipal Code. The minimum number of signatures necessary to qualify an initiative to affect the tax approved by this ordinance shall be equal to 5 percent of the votes in the City for all candidates for Governor

at the last gubernatorial election. The election on a qualified initiative to affect the tax shall be a regular citywide election. An initiative affecting the tax shall be approved only if at least two-thirds of the votes cast on the measure are in favor of its approval.

Section 5. Severability Clause.

If any article, section, subsection, sentence, phrase of clause of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The voters of Zone 17 hereby declare that they would have adopted the remainder of this Ordinance, including each article, section, subsection, sentenced phrase or clause, irrespective of the invalidity of any other article, section, subsection, sentence, phrase or clause.

Section 6. Effective Date and Posting.

This Ordinance shall take effect immediately upon its approval by two-thirds of the voters voting within the Zone in an election to be held on September 2, 2014 so that taxes shall first be collected hereunder for the tax year beginning July 1, 2015.

The comment period closed on June 9, 2014 and the project team is currently collating comments from a variety of area agencies, interest groups and the public. The team will begin preparing responses during the summer and fall.

**SUBJECT: RESOLUTION REJECTING ALL BIDS FOR THE ARAMON DRIVE/
STUDARUS DRIVE AND COLOMA ROAD TRAFFIC SIGNAL PROJECT**

RECOMMENDATION

Adopt Resolution No. 95-2014.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will reject all bids for the Aramon Drive/ Studarus Drive and Coloma Road Traffic Signal project and allow staff to revise the project scope and re-advertise.

BACKGROUND

On May 22, 2014, the traffic signal improvement project at the Aramon Drive/ Studarus Drive and Coloma Road intersection was advertised on the City website and plans were made available for contractors. The project was subsequently advertised in the Grapevine on June 6, and 10, 2014. Bids for the project were publicly opened and read on Friday, June 20, 2014. The project received a total of 6 bids.

Staff now wishes to expand the scope of the project to include a traffic signal interconnect which involves trenching and the placement of conduit and fiber optic cable. This will allow the City to provide better coordination between traffic signals along Coloma Road.

The Public Contract Code requires that a project be rebid when “material changes” are made to a bid invitation. The addition of the traffic signal interconnect will increase the construction cost by more than twenty percent. This increase in scope of the project amounts to a “material change” as defined in the California Public Contract Code, and Staff recommends Council reject all bids for the Aramon Dr./Studarus Drive and Coloma Road Traffic Signal project and allow Staff to re-advertise the project at a later date.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA APPROVING AN UPDATED FUNDING, CONSTRUCTION AND ACQUISITION AGREEMENT IN CONNECTION WITH THE NORTH DOUGLAS COMMUNITY FACILITIES DISTRICT NO. 2005-1

RECOMMENDATION

Adopt Resolution No. 99-2014

RESULT OF RECOMMENDED ACTION

Adoption of this Resolution approves an updated Funding, Construction and Acquisition Agreement for the North Douglas Community Facilities District ("CFD") 2005-1

BACKGROUND

In July 2005, the City Council approved the formation of Community Facilities District No. 2005-1 for the Sunridge North Douglas Project (Lennar/KB Home now Lennar/MS Rialto North Douglas) (the "Developer") pursuant to Mello-Roos law. The CFD was formed to help fund public infrastructure improvements of benefit to the Project. In 2007 the City and the Developer amended various agreements and the City Council approved the sale of the first series of Bonds for the CFD. Unfortunately, this was during the downturn in the housing market and it was decided by both the Developer and the Bond Financing Team that the 2007 bond market would not support the bonds therefore the bonds were never issued.

The housing market has started to recover and the Developer is ready to restart this project. Although the City Council had previously approved a Funding, Construction and Acquisition Agreement (the "Acquisition Agreement") for this CFD, the agreement was never executed as a result of the Bonds not being issued. Both the City and the Developer have reviewed the original agreement and determined updates were necessary to the original agreement to bring it in line with agreements recently approved for current development projects. Since the original Acquisition Agreement was never fully executed Bond Counsel recommends the Council approve an updated Acquisition Agreement rather than a 1st Amendment to an unexecuted agreement.

RECITALS

(A) Developer is the developer of the real property described as the Sunridge North Douglas area of the Sunridge Specific Plan. Pursuant to the request of Developer, City commenced and completed proceedings for the establishment of a community facilities district pursuant to the provisions of Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982," (the "**Act**"), over and including certain property of Developer for the purpose of paying a share of the costs for certain public facilities and services which are necessary to the development of the Specific Plan and the provision of municipal services to the Specific Plan, including the issuance of special tax bonds. Said community facilities district is known as "Sunridge North Douglas Community Facilities District No. 2005-1, of the City of Rancho Cordova, County of Sacramento, State of California" (the "**District**"). The Developer's real property within the District is herein referred to as the "**Property**". The Property is located within the corporate limits of the City.

(B) Developer proposes to construct improvements and to pay certain fees which will fund improvements to the portion of the Specific Plan that includes the Property (the development of such portion of the Specific Plan is defined herein as the "**Project**") as required by the Project Approvals (as defined below). The County of Sacramento approved the Sunridge Specific Plan for the development of the Property (and properties owned by others) in August, 2002 (the "**Specific Plan**"). The Specific Plan sets forth a comprehensive land use plan and establishes detailed regulations, conditions and programs for development of the property that includes the Property. The City approved tentative subdivision maps for the Project and final subdivision maps for portions of the Project. The Specific Plan, the tentative subdivision maps, including conditions of approval, and other existing and subsequent approvals granted by City and agreements between Developer and City in implementation of the Project, as the same may be amended from time to time, including amendments thereto, are herein collectively referred to as the "**Project Approvals**."

(C) Section 53313.5 of the California Government Code provides that a community facilities district may finance the construction and acquisition of facilities constructed after the adoption of the resolution of formation establishing the community facilities district if the facilities have been constructed as if they had been constructed under the direction and supervision, or under the authority of, the local agency whose governing body is conducting proceedings for the establishment of the district.

(D) The purpose of this Agreement is to provide for the acquisition of certain public facilities serving development of the Project to be financed in whole or in part by the District, including payment of certain fees to fund such public facilities, using proceeds from special taxes and/or issuance and sale of bonds for the District to finance the design and acquisition of

EXHIBIT A

such public facilities and expenses incidental thereto and to provide the terms of any reimbursement to Developer.

AGREEMENTS

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, the parties agree as follows:

Section 1. ESTABLISHMENT OF DISTRICT. The City has initiated and concluded proceedings pursuant to the Act for the establishment of the District. Such proceedings included elections pursuant to Sections 53326 and 53327 of the California Government Code on (i) the question of the issuance of bonds for the District to finance the design, construction or acquisition of the below described authorized facilities, either directly or through the payment of fees charged by the City to fund capital improvements, (ii) the issue of the annual levy of special taxes on all taxable property within the District for the payment of principal and interest on the bonds of the District and the annual administrative expenses of the City and the District in levying and collecting such special taxes, paying the principal and interest on such bonds and providing for the registration, exchange and transfer of such bonds, including the fees of fiscal agents and paying agents, and any necessary replenishment for the reserve fund for such bonds, accumulation of funds for future bond payments, or the acquisition of authorized facilities and payment of authorized costs from the proceeds of such special taxes, and (iii) the question of the establishment of an appropriations limit for the District.

Section 2. SALE OF BONDS; AUTHORIZED FACILITIES. The City intends to proceed with the sale of bonds for the District in an aggregate principal amount not to exceed \$20,000,000 for the purpose of raising money eligible for use as payment for Authorized Facilities and/or Authorized Fees (described below) in accordance with this Agreement and City policies. The timing of the issuance and sale of the Bonds, the aggregate principal amount thereof, and the terms and conditions upon which they shall be sold shall be determined by the City. If multiple series of bonds are to be issued, this Agreement is applicable to proceeds from the first series of such bonds; such first series is herein referred to as the “**Bonds.**” Proceeds from subsequent series of bonds for the District may be made applicable to this Agreement by mutual agreement of the parties hereto, or may be made applicable to a separate agreement.

The authorized facilities (the “**Authorized Facilities**”) eligible for reimbursement from Bond proceeds and the Specific Plan and City-wide fees eligible for advance funding (the “**Authorized Fees**”) from Bond proceeds are generally described in Exhibit "A" attached hereto. The Authorized Facilities identified in Exhibit “A” represent all of the facilities that are eligible for acquisition, however Developer may not construct all of the Authorized Facilities (e.g. some facilities may be constructed by City, other public agencies or utilities, or other developers that require the construction of such facilities, or in concert with other developers).

References to payments from Available Construction Proceeds for an Authorized Facility installed by Developer or for payment or prepayment of Authorized Fees for the Developer shall mean and refer to the Available Construction Proceeds related solely to development of the Property. “**Available Construction Proceeds**” shall be (i) the proceeds of the sale of the Bonds net of costs of issuance, less the Formation Fees and Costs, capitalized interest, and any administration costs to be deducted therefrom, plus any interest earnings on such proceeds (“**Net Bond Proceeds**”), and (ii) Available Special Tax Revenues (defined in Section 12 below). Developer has entered into a Common Facilities Plan Cost Sharing Agreement and Cost Sharing Agreement (collectively, the “**Private Cost Sharing Agreements**”) with Sunridge

EXHIBIT A

Park, LLC and Cresleigh Homes Corporation (“**Sunridge Park/Cresleigh**”), for purposes of sharing in the soft costs of design and permitting and the hard costs of constructing some of the Authorized Facilities (which shared Facilities shall be referred to herein as the “**Shared Authorized Facilities**”). Sunridge Park/Cresleigh is participating in a separate Community Facilities District (the “**Sunridge Park CFD**”). Developer and Sunridge Park/Cresleigh intend that each party will be eligible for reimbursement for its share of such Shared Authorized Facilities, based on its relative share of costs advanced for such Facilities under the Private Cost Sharing Agreements, and that each party’s reimbursements would be funded by and limited to the Available Construction Proceeds (and as to Sunridge Park/Cresleigh, from such similarly defined proceeds generated in the Sunridge Park CFD) defined in Section 5(b) below derived from such party’s property. With the City’s assistance in providing the accounting information described in Section 9(e) below, Developer shall be solely responsible for determining and tracking the Available Construction Proceeds derived from Sunridge Park/Cresleigh’s and Developer’s Property and City may rely solely on the disbursement requests signed by the Developer that the reimbursements requested by Developer are limited to its respective allocation of the cost of the Authorized Facility.

Section 3. TAX REQUIREMENTS. The City shall take all actions which, in the opinion of City’s bond counsel, are necessary in order to avoid classification of the bonds as “arbitrage bonds” or the loss of tax exemption for the bonds for any other reason.

Section 4. AMOUNTS TO BE INCLUDED IN BONDS. The aggregate principal amount of the Bonds shall include an amount needed (i) to fund a reserve fund for the payment of principal and interest of the Bonds as is determined by the City to be necessary and appropriate, capitalized interest on the Bonds for such period as the City shall determine is appropriate (if and to the extent not provided by the levy and collection of special taxes in advance of such Bond sale), (ii) the amount of the discount of the underwriter who purchases the Bonds, and (iii) other expenses incurred by the City in connection with the issuance and sale of the Bonds, including bond and disclosure counsel fees, legal fees, fees of the bank which will act as transfer agent, registrar and paying or fiscal agent for the Bonds, other fees and costs normally incidental to the sale of Bonds, and such other fees and costs enumerated in Section 53345.3 of the Act as the City determines are necessary and appropriate. The City may also include within the aggregate principal amount of the Bonds an amount determined by the City to equitably reimburse Developer, or any entities related thereto, for costs and expenses incurred by them which are related to the establishment of the District; provided that the City shall determine the amount to be so reimbursed on the basis of detailed itemizations of costs provided by Developer, the amount to be reimbursed to Developer shall be based on the relative amount advanced for such costs by the Developer and shall be limited to the proceeds derived from Developer’s Property. (All of the foregoing fees, costs, and expenses described in this paragraph are hereinafter “**Formation Fees and Costs.**”) In no event shall Developer be reimbursed from Bond proceeds for (i) in-house administrative overhead (except that Developer shall be entitled to payment equal to four percent (4%) of actual construction costs as and for project and construction management services), (ii) interest expense incurred by Developer on moneys advanced during the proceedings for formation of the District and issuance of Bonds, and during construction of the Authorized Facilities; and (iii) any other costs and expenses incurred by Developer which are not authorized by the Act.

Upon issuance of the first two series of the Bonds, a portion of the proceeds will be reserved to cover cost overruns above costs covered by development impact fee programs for portions of Douglas Road, Jaeger Road, Chrysanthy Blvd., and Americanos Road and intersections related to these improvements (improvements covered include improvements R-1;

EXHIBIT A

R-2; R-3; R-8; R-9; R-20, R-21, R-22 and R-23), as well as the frontage lane costs for Americanos Road (R-7). The amount to be reserved shall be \$2,915,683 and shall be used consistent with Exhibit B, but otherwise at the City's sole discretion to supplement fee program funding for any or all of such roadways. The amount reserved from the first series of Bonds shall be \$2,068,388 and shall be used for items R-1, R-2, R-7, R-20, R-21, R-22 and R-23, and the amount reserved from the second series of Bonds shall be \$847,295 and shall be used for items R-3, R-8, and R-9. As these improvements are constructed and/or other development projects that are obligated to construct portions of the improvements can be obligated to fund cost overruns and have funds available to so fund them, the unused amount of proceeds reserved for these improvements will be appropriately reduced. The amount so reserved shall only be available for these improvements unless released by the City for use to fund other Authorized Facilities in accordance with this Agreement.

Section 5. DESIGN OF AUTHORIZED FACILITIES.

(a) Conformance With Standards. Authorized Facilities to be acquired by the City shall be designed in conformance with all applicable City standards and requirements. Upon completion of the design of each such Authorized Facility to the satisfaction of the City; and when Developer has paid to the City all applicable plan checking and other fees, Developer shall notify City that the design of the Authorized Facility is completed.

(b) Reimbursement for Design. Developer may be reimbursed out of Available Construction Proceeds for such expenses incurred in designing those Authorized Facilities set forth in Exhibit "A" hereto, including all applicable plan checking and other fees paid, subject to the City's determination of the amount to be so reimbursed pursuant to the terms hereof, and subject to the limitation that reimbursement in all cases is to be made from Available Construction Proceeds only. Reimbursement for design and for plan check services related to approval of the design for each Authorized Facility shall be made in one or more lump sum payments as and when the design for each Authorized Facility is approved, but only after City has received and approved all invoices for such services associated with the design of such Authorized Facility.

(c) Assumption of Design by City. Notwithstanding the preceding provisions of this Section, if the City determines that Developer is not proceeding with the design of an Authorized Facility to be constructed by Developer for acquisition by City on a reasonable schedule which will enable the City to insure that construction of such Authorized Facility can be completed within the time specified in Section 6 hereof, the City may take over the design of the Authorized Facility by giving Developer written notice thereof. Upon receipt of such a notice, Developer shall surrender to the City all plans and specifications which have then been completed or which are in progress with respect to such Authorized Facility.

If the City takes over the design of an Authorized Facility as provided above, the City shall reimburse Developer from the Available Construction Proceeds for the approved expenses incurred in connection with the design of the Authorized Facility which have not previously been reimbursed, provided there are sufficient funds remaining, after payment for the Authorized Facilities, to do so. City shall be reimbursed from Available Construction Proceeds the expenses incurred to complete the design. If the City takes over the design of other Authorized Facilities commenced by Developer, the cost of a portion of the plans for such Authorized Facilities taken over shall be eligible for fee credits to the extent fee credits are applicable hereunder for Authorized Facilities.

EXHIBIT A

(d) Advance Funding of Design for Alta Sunrise Reliever. Developer hereby agrees that City may use up to Five Hundred Thousand Dollars (\$500,000) from the net proceeds of the sale of Bonds to finance design and other pre-construction costs related to the Alta Sunrise Reliever between Douglas Road and U.S. 50 (identified as R-4 in the list of Authorized Facilities). Developer shall receive an equivalent dollar-for-dollar credit against either the Sunrise Douglas Community Plan Roadway Fee or the Citywide Transportation & Administration Impact Fee for the amount of Bond proceeds used by the City to fund such Alta Sunrise Reliever costs. Should Developer be unable to apply the credits to its property, Developer shall, at its option, be entitled to transfer such credits to be applied against another project that is subject to such fees.

Section 6. CONSTRUCTION FOR ACQUISITION. The City shall only be required to acquire from Developer, and otherwise pay Developer for, the Authorized Facilities set forth in Exhibit "A." For those Authorized Facilities which Developer constructs, Developer shall proceed with the construction thereof in accordance with the approved plans and specifications.

For construction of Authorized Facilities under this Section, Developer shall comply with all of the following requirements to insure that the Authorized Facilities will be constructed as if they had been constructed under the direction and supervision, or under the authority of the City:

(a) Approval by City. The plans and specifications and form of contract documents shall be approved by the City Engineer and City Attorney for conformance with City Codes and policy.

(b) Contract Requirements. Developer shall require, and the specifications and contract documents shall require, all such contractors to pay prevailing wages in accordance with the California Labor Code, Government Code and Public Contracts Code relating to public works projects of cities and as required by the procedures and standards of the City with respect to the construction of its public works projects.

(c) Proof of Insurance/Completion of Construction. All such contractors shall be required to provide proof of insurance coverage throughout the term of the construction of the Authorized Facilities which they will construct in conformance with the City's standard procedures and requirements. Developer shall cause the Authorized Facilities to be constructed in an expeditious manner as determined by the City to be in accordance with project approvals and development progress. If Developer fails to expeditiously prosecute such construction of the Authorized Facilities to be constructed by Developer for acquisition by the City, the City shall have the right and may elect to take over the construction of such Authorized Facilities, or any part thereof, if it determines it is necessary for it to so proceed in order to protect the City's interests. If the City elects to so proceed, it shall notify Developer in writing that if Developer does not satisfy the City that construction is proceeding expeditiously on the construction of an Authorized Facility within 30 days after receipt of such notice, the City will take over the construction of such Authorized Facilities. If after receiving such a written notification Developer does not satisfy the City that they are proceeding expeditiously to construct that portion of the Authorized Facilities identified in the written notification to the satisfaction of the City, within 30 days from the date of receipt thereof, Developer shall relinquish to the City all design documents, and shall cooperate with the City in every way to ensure that the construction of the Authorized Facilities will be completed expeditiously.

EXHIBIT A

Notwithstanding the provisions of this Section, the sources of funds to be utilized by the City for the construction of any such Authorized Facilities may include (i) the proceeds of the sale of bonds of the District, (ii) the proceeds of applicable City development fees collected pursuant to the applicable codes, ordinances and policies of the City, (iii) proceeds from the sale of the bonds of another community facilities district or assessment district established over and including, property in the City, (iv) interest earnings on the reserve fund or improvement fund for bonds of the District, to the extent such earnings are determined by the City to be available for construction of the Authorized Facilities, (v) the Developer's subdivision bond or bonds to the extent applicable, (vi) any other performance security that may have been provided by Developer, and (vii) the Developer's and/or contractors' performance bonds. To the extent that such sources may be insufficient to pay for the construction of a Authorized Facility which will be constructed by the City pursuant to this Section, the City may either construct only those Authorized Facilities which can be constructed with such sources of funds which are available therefor, or the City may proceed to complete the Authorized Facilities and charge the Developer, the Developer's bond or any contractor's bond for the costs thereof. Nothing contained herein and no take-over of construction of Authorized Facilities by the City shall relieve a Developer of any of its responsibilities under any development agreement or project approval relating to the Property.

Section 7. INSPECTION AND APPROVAL OF CONSTRUCTION. The City shall provide such level of inspection of the progress of construction of the Authorized Facilities to be constructed by Developer for acquisition or reimbursement therefor by the City as it deems necessary. The City may provide engineering and inspection services using City staff, contracting with the Sacramento County Public Works Agency, or contracting with any other entity for these services (in all cases referred to as the "City Inspectors"). City Inspectors shall have access to the construction sites at all times for the purpose of conducting their inspections. Developer and its contractors shall cooperate in every way with the City Inspectors to ensure that they are afforded an adequate opportunity to inspect each and every aspect of the progress of construction of each and every such Authorized Facility.

Section 8. LIENS. Upon the expiration of the time for the recording of claims of liens as prescribed by Section 3115 and 3116 of the California Civil Code, Developer shall provide to the City (as set forth in paragraph 9(a) below) such evidence or proof as the City shall reasonably require that all persons, firms and corporations supplying work, labor, materials, supplies and equipment to the construction of the Authorized Facilities, or portion thereof, constructed by Developer for acquisition by the City have been paid, and that no claims of liens have been recorded by or on behalf of any such person, firm or corporation. During construction of the Authorized Facilities, Developer shall provide, or cause its contractors to provide, conditional lien releases with respect to pending Requests for Payment (and unconditional lien releases for previously paid Requests for Payment), in accordance with the statutory requirements and as may be requested by City.

Section 9. PAYMENT OF ACQUISITION PRICE.

(a) **Request for Payment of Acquisition Price.** On the 30th day of each month following commencement of construction of any of the Authorized Facilities or such other dates as are mutually agreeable by City and Developer, Developer will submit to City an invoice, or other form of request, for payment (the "**Request for Payment**") of the Acquisition Price (as determined below) for the portion of each Authorized Facility constructed or the amount of Authorized Fees paid or prepaid (or requested by Developer to be paid or prepaid directly from Available Construction Proceeds) during the previous month. The Request for Payment shall

EXHIBIT A

be made on the form attached hereto as Exhibit "C" and include such necessary information (including invoices, receipts, worksheets and other evidence) in sufficient detail to allow the City to verify the Acquisition Price of such portions of the Authorized Facilities; furthermore, with respect to any Request for Payment that includes an Acquisition Price for a Shared Authorized Facilities that is stated to have been funded by Developer and Sunridge Park/Cresleigh, the Request for Payment shall be signed by both Developer and Sunridge Park/Cresleigh and shall include the respective shares of the Acquisition Price therefor allocable to Developer and Sunridge Park/Cresleigh. Notwithstanding the joint execution of a Request for Payment by Developer for a Shared Authorized Facility, the City shall have no obligation under this Agreement to pay any payment or reimbursement to Developer for its share of such Shared Authorized Facility; any such payment to Sunridge Park/Cresleigh shall be controlled by the separate acquisition agreement to be entered into between the City and Sunridge Park/Cresleigh with respect to the Sunridge Park CFD. With the Request for Payment, Developer shall also submit copies of verifications of inspections conducted pursuant to Section 7 and lien releases pursuant to Section 8 above for the portions of the Authorized Facilities for which the Request for Payment is submitted.

(b) Determination of Acquisition Price/City Inspection. Upon submittal of a complete (as reasonably determined by City) Request for Payment, the City or the City and Other Public Entity, shall determine the Acquisition Price (or in the case of a reimbursement, the reimbursement amount, which hereinafter is included in the term "**Acquisition Price**") to be paid by the City for the acquisition from Developer of the portions of the Authorized Facilities constructed by Developer and the portions of any Shared Authorized Facilities constructed by Developer and Sunridge Park/Cresleigh during said prior month. City Inspectors shall verify the type and quantity of work described in the Request for Payment as having been completed and confirms said work is completed in a satisfactory manner. City Inspectors shall transmit to the City's Finance Department the findings of its review and then consult with the Finance Department as needed to determine the Acquisition Price. The Acquisition Price for the portion of an Authorized Facility shall include the actual cost of construction (or payment) thereof as determined by the contract prices as set forth in contracts and purchase orders entered into by Developer and/or Sunridge Park/Cresleigh with its contractors, and suppliers, in accordance with standards and procedures therefor as prescribed by the City. The City shall use its best efforts to determine the Acquisition Price within twenty (20) business days from receipt of a Request for Payment to determine the Acquisition Price. Upon determining the Acquisition Price, City shall promptly notify Developer in writing of such Acquisition Price.

(c) Payment of Acquisition Price. Within forty-five (45) days after receipt of a complete (as reasonably determined by City) Request for Payment, the City, through its fiscal agent, shall pay from the Available Construction Proceeds the Acquisition Price then due to Developer. If the Payment Request indicates that Developer is withholding from its contractor a retention of a least five percent (5%) of the contract price for the portion of the constructed Authorized Facility, then the full amount of the approved Acquisition Price shall be authorized for payment to Developer; if the Payment Request does not indicate the withholding by Developer of such five percent (5%) retention, then the amount to be paid to Developer shall be equal to the Acquisition Price, less a retention of five percent (5%) of the contract price for the portion of the constructed Authorized Facility. Upon completion of such Authorized Facility in its entirety, including all "Punch List" work, and acceptance of the Authorized Facility by the City, the City, through its fiscal agent, shall pay from the Available Construction Proceeds the balance of the Acquisition Price then due Developer for such Facility, including any 5% progress retention then paid by Developer or any 5% retentions previously retained by City with respect thereto. City may withhold payment from a Developer if the Developer requesting payment owes the City

EXHIBIT A

money on outstanding invoices, or is delinquent in the payment of any special taxes, until such balance is brought to zero.

(d) Payment Limited to Available Construction Proceeds. As noted hereunder, payments to Developer shall be payable solely from the Available Construction Proceeds. The amount to be paid to Developer shall be a reimbursement for actual costs incurred as determined by the City in accordance with this Agreement and shall not exceed the Developer's cost thereof as reasonably determined by the City to be eligible under the Act to be part of the Acquisition Price of Authorized Facilities, provided that subject to the terms of Section 16 below the City may, with Developer's prior consent, directly prepay applicable Authorized Fees from Available Construction Proceeds. All portions of the Authorized Facilities not acquired with the Available Construction Proceeds shall nonetheless be constructed by the Developer, to the extent required by the project approvals. In the event Available Construction Proceeds are insufficient to pay the eligible Acquisition Price, any shortfall shall be the responsibility of the Developer, however Developer may request that all or any portion of such shortfall be reimbursed from additional series of bonds for the District if and when such additional bonds are issued, and in such event the deferred amount will be eligible for reimbursement from proceeds of such future bonds, to the extent funds are available.

Developer shall not be entitled to reimbursement for costs allocable to any Authorized Facility which has previously been acquired by the City and reimbursed from other sources, if, in the opinion of the City, such reimbursement would create a double payment to Developer(s) for such Authorized Facility, or component thereof.

(e) Annual Accounting of Available Construction Proceeds. At the request of Developer, which shall be not more than once a year during the term of this Agreement, City shall prepare and provide to Developer an accounting (an "**Annual Accounting**") of the following: (i) the total amount of Available Construction Proceeds then on deposit in the Improvement Fund hereunder and deposited thereto from the prior fiscal year; (ii) the fiscal year tax roll submitted to the County Auditor-Controller; (iii) the amount of all charges and credits to the Improvement Fund during the prior fiscal year, including interest earnings on the funds therein and charges for City administration and any third party consultant or administration fees; (iv) the amount of Authorized Fees then advanced on behalf of Developer pursuant to Section 16 below; and (v) the amount, if any, of outstanding payments then approved for payment to Developer pursuant to approved Requests for Payment.

Section 10. ACQUISITION/OWNERSHIP OF FACILITIES.

(a) Dedication of Authorized Facilities. Upon determination by Developer that an Authorized Facility is complete and ready for acceptance by the City, Developer shall execute and submit to City or other public agency or utility that will own and operate such Authorized Facility an offer of dedication (or other such instrument acceptable to the City or applicable public entity) irrevocably offering to transfer ownership of the Authorized Facility (the "**Offer of Dedication**").

(b) Review of Completed Construction. Upon delivery to City or other public agency or utility of the Offer of Dedication and upon (i) completion of the construction of an Authorized Facility, (ii) receipt of written notification from City's Inspectors that construction thereof has been completed in accordance with the plans and specifications thereof and the City's or other entity's standard requirements, and (iii) receipt of satisfactory proof, based on the records of Developer and the City and such certifications as the City may require, that the

EXHIBIT A

requirements of Section 6 hereof have been satisfied, the City shall notify Developer in writing that the construction of the Authorized Facility has been satisfactorily completed. Upon receiving such notification of a completed Authorized Facility, Developer shall forthwith file with the County Recorder of the County of Sacramento a Notice of Completion pursuant to the provision of Section 3093 of the California Civil Code. Developer shall furnish to the City a duplicate copy of each such Notice of Completion showing thereon the date of filing with the County Recorder. The costs incurred by the City in inspecting and approving the construction of the Authorized Facilities shall be paid by Developer, subject to reimbursement from Available Construction Proceeds derived from Developer's Property. Upon recordation of a Notice of Completion, the City or other entity shall accept the Authorized Facility offered and the one-year warranty period provided in paragraph 11(c) shall commence.

(c) Ownership of Facilities. Notwithstanding the fact that some of the Authorized Facilities, or components or segments thereof, to be constructed by Developer for acquisition by the City or other public agency or utility may be constructed in dedicated street rights-of-way or on property which has been or will be dedicated or offered for dedication to the City, District or other entity, such Authorized Facilities, or components or segments, shall be and remain the property of Developer, and Developer shall be responsible for any loss or damage thereto or liability arising therefrom, until they are acquired by the City or other entity as provided in this Agreement. Such ownership by Developer shall likewise not be affected by any agreement which Developer may enter into with the City pursuant to the provisions of the Subdivision Map Act (Section 66410 et seq. of the California Government Code) which agreement may contain or include provisions with respect to the construction and ownership of Authorized Facilities which provisions may seem to be contradictory to the provision of this Agreement. The provisions of this Section shall control.

(d) Maintenance of Authorized Facilities. Until an Authorized Facility is acquired by the City or other public agency or utility, Developer shall maintain it, and shall keep the same free of any liens and in good operating condition. Upon the acceptance of an Offer of Dedication of an Authorized Facility by the City or other entity, the City or other entity shall, except as otherwise provided in the Project Approvals, become responsible for its maintenance, subject to the warranty period in section 11(c).

(e) Dedication of Rights-of-Way. Notwithstanding the preceding provisions of this Section, the City will not acquire any Authorized Facilities, unless and until the street, drainage or other utility rights of way where they are located have been irrevocably offered to the City for dedication.

Section 11. IMPROVEMENT SECURITY.

(a) Security Prior to Final Maps. Notwithstanding the provisions of this Agreement, Developer shall be required to agree to construct and to secure the construction and completion of construction of the Authorized Facilities, or portions thereof, as a condition precedent to the approval of final subdivision or parcel maps for portions of Developer's Property as required by the City pursuant to Section 66462 and Sections 66499 through 66499.10 of the Government Code.

(b) Reduction in Amount of Improvement Bonds. The aggregate principal amount of the improvement bonds or other security provided by Developer pursuant to this Section shall be reduced by such amount as the City shall reasonably determine is appropriate upon receipt of the proceeds derived from Developer's Property from the sale of the Bonds.

EXHIBIT A

The amount of the reduction of such aggregate principal amount shall be determined by the City based on the amount of each such improvement bond or other security which relates to the Authorized Facilities to be constructed or acquired with the Available Construction Proceeds provided by the sale of the Bonds and Special Tax Revenues derived from Developer's Property.

(c) Performance Bonds-One Year Warranty. Developer warrants to the City or other public agency or utility having jurisdiction that the Authorized Facilities constructed by Developer and acquired by the City shall be free from defects in workmanship or materials for a period of one year from the date of acceptance by the City. All subdivision and performance bonds shall provide, among other things, that the principal thereof, whether that be Developer or its contractor(s), guarantees that the completed Authorized Facilities shall be free from defects resulting from faulty workmanship and materials for a period of one (1) year from the date of acceptance by the City or other public entity, and the obligation of the surety shall extend to the fulfilling of that guarantee. At the end of said one year period, and subject to certification from the City Engineer that any defects have been corrected, the obligation of the principal and surety named therein shall cease.

Section 12. GAP SHORTFALL.

(a) "Gap Shortfall" Defined. The parties anticipate that a shortfall will occur between: (i) the anticipated cost of the Authorized Facilities as determined from the actual construction and design contracts and related invoices therefor and the actual costs of all other Authorized Facilities, and (ii) the Net Bond Proceeds (hereafter referred to as the **"Gap Shortfall."**)

(b) Reimbursement of Gap Shortfall to Developers. To cover the Gap Shortfall, Developer agrees with the City to defer payment of the Gap Shortfall until and to the extent the District can impose and collect annual special taxes in excess of the amounts required annually to pay required debt service, replenish the debt service reserve fund, cure bond delinquencies and pay City administration costs associated therewith (**"Available Special Tax Revenues"**). In consideration of such deferral of payment of the Gap Shortfall, City covenants and agrees that upon the Developer's request, either prior to or at any time after the sale and issuance of the Bonds, but in no event commencing earlier than the 2015-2016 fiscal year, the City shall levy and collect the special taxes against all properties within the District at the maximum rate permitted under the District and annually pay, after September 1st of each year, to Developer from Available Special Tax Revenues payments towards such deferred Gap Shortfall, for a period of ten (10) years (unless the Gap Shortfall is sooner paid in full) beginning with Available Special Tax Revenues in the first year the special tax is levied in the District (the **"Gap Shortfall Period"**). After the expiration of the Gap Shortfall Period, City may use Available Special Tax Revenues for any other purpose authorized for the District, as determined by the City in its sole discretion. The method described herein of funding Authorized Facilities from accumulated Available Special Tax Revenues is known as the "Pay-As-You-Go" method of funding.

(c) Personal to Developer. Regardless of who pays the cost for any Authorized Facilities, the reimbursement of the Gap Shortfall hereunder shall be personal to Developer, shall not run with the land, and shall not be assigned by Developer without the written consent of the City, which shall not be unreasonably withheld.

Section 13. CONSTRUCTION OF JOINT COMMUNITY FACILITIES. The parties acknowledge that the City has or will be entering into joint community facilities agreements pursuant to Section 53316.2 of the Act (each a “**Joint Community Facilities Agreement**”) with other public entities, including without limitation, Cordova Recreation and Park District, Sacramento County Water Agency, and County Sanitation District 1 of Sacramento County (each an “**Other Public Entity**”), with respect to the construction of certain Authorized Facilities to be financed by the District and acquired by such other Public Entities. In accordance with such Joint Community Facilities Agreements, City and Developer agrees that the Authorized Facilities to be acquired by an Other Public Entity shall be designed in conformance with and constructed pursuant to all applicable City and Other Public Entity requirements and statutes (and/or County of Sacramento requirements and regulations, if the Facility is located in the County and such standards or regulations apply thereto) and in compliance with the applicable requirements of the Act. City and Developer further each agree to comply with any and all other requirements, and perform any and all other covenants, applicable to them under the Joint Community Facilities Agreements.

Section 14. CONSTRUCTION OF OTHER FACILITIES. Developer shall also proceed expeditiously with the design and construction of the other improvements and facilities, other than the Authorized Facilities, which are necessary to the development of the Specific Plan and the provision of municipal services within the District and to the residents therein. Such other public improvements and facilities shall be designed and constructed on a schedule which will not delay or interfere in any way with the design and construction of the Authorized Facilities. The provisions of this Section shall not supersede those of any other agreement between Developer and the City.

Section 15. INDEMNIFICATION; INSURANCE.

(a) Indemnity. Developer shall defend, indemnify and hold harmless the City, the District, and their officers, agents and employees from any and all liability, cost and expense in connection with the construction of the Authorized Facilities to be constructed by Developer for acquisition by the City, including, but not limited to, liability, costs, expense and claims arising under the procedures set forth in Section 6 of this Agreement. Developer shall also defend, indemnify and hold harmless the City, the District, and their officers, agents and employees from any and all liability, cost and expense in connection with the ownership of the Authorized Facilities to be constructed by Developer for acquisition by the City prior to the time the City accepts the Authorized Facilities, whether or not such Authorized Facilities are to be acquired with Bond proceeds. The indemnity obligations of Developer as set forth herein shall terminate upon the end of the warranty period provided for in section 11(c).

(b) General Liability Insurance. Developer shall procure and provide, until construction of all of the Authorized Facilities to be constructed by Developer is completed and acceptance thereof by the City has occurred, a broad form comprehensive general liability policy of insurance, in a form acceptable to the City, naming the City, the District and their officers, agents and employees as additional insureds, having a single aggregate liability limit as to all coverages provided thereby in the amount of \$2,000,000. Before commencing the construction of any Authorized Facility, Developer shall provide the City with a certification of insurance and endorsement as to such insurance, in a form acceptable to the City, and Developer shall upon each renewal of such insurance policy provide the City with a new certificate of insurance with respect thereto.

EXHIBIT A

(c) Workers' Compensation Insurance. Developer shall also furnish to the City, prior to commencing the construction of any Authorized Facility to be constructed by Developer for acquisition by the City, a certificate of insurance evidencing that Developer has procured and have in force a current policy of workers' compensation insurance in compliance with California law as to all workers to be employed by Developer in connection with the design and construction of the Authorized Facilities. Developer shall require each person, firm or corporation with whom it contracts in connection with the design and construction of the Authorized Facilities to provide and maintain such workers' compensation insurance and a broad form comprehensive general liability insurance policy in the amount hereinabove specified and in a form acceptable to the City. Developer shall provide to the City proof, in such form and at such intervals as set forth below, that each contractor with whom it contracts has procured and is maintaining such insurance.

(d) Contractor/Sub Contractor Insurance Coverage. Within thirty (30) days of the date of this Agreement, and thereafter, upon the execution of each contract with each person, firm or corporation with whom Developer contracts in connection with the design and construction of the Authorized Facilities, and prior to permitting any such person, firm or corporation to commence, or continue, work under such contract, as applicable, Developer shall provide to the City a certificate from the insurance provider for each such contractor that the contractor has in force the insurance policies required of it under this Section 15, that the City is named as an additional insured on the broad form comprehensive general liability insurance policy of such contractor, and that the policies will not be canceled or allowed to lapse without thirty (30) days written notice to the City.

(e) Reimbursement for Insurance Premiums. The premiums paid by Developer for the insurance required by this Section may be included in the Acquisition Price to be paid by the City for the Authorized Facilities to be constructed by Developer as an incidental cost.

Section 16. ADVANCES OF AUTHORIZED FEES. At any time Developer may request that City pay or prepay any Authorized Fees from Available Construction Proceeds, however acceptance of any Developer request to pay or prepay Authorized Fees shall be subject to the reasonable discretion of the City after consultation with the Developers. If payment is to be allowed, such request shall be subject to the other Developer's written confirmation that the amount of Available Construction Proceeds to be advanced against the requesting Developer's Authorized Fees is supported by and credited against the Available Construction Proceeds derived by the requesting Developer's Property. To facilitate the tracking and administration of such fee advances, the City may require that such request be submitted in a specific format. The City does not expect to allow the use of Bond proceeds to prepay any other fees unless such advance payment of fees serves a need of the City, as determined at the City's sole discretion.

In the event Authorized Fees are paid or Authorized Facilities are funded from Available Construction Proceeds, Developer shall be entitled to fee credits, pursuant to City policies on fee credits, for Authorized Facilities that are acquired or constructed by the City and that are also included in the City's fee programs.

If an Authorized Facility or component thereof has been acquired from the Developer using Available Construction Proceeds, any reimbursement to the City for such item which comes from other revenue sources and which is otherwise payable to the Developer will be paid to the District and will be used first to pay for other Authorized Facilities and, thereafter, to

EXHIBIT A

reduce outstanding Bonds. Other revenue sources include fee revenues paid by other development projects not owned by the Developer or direct reimbursements from other development projects. If only a portion of the Acquisition Price for an Authorized Facility is paid by to Developer using Available Construction Proceeds, then any reimbursement for such Authorized Facility which comes from other revenue sources shall be paid first to Developer until the balance of the Acquisition Price is paid to Developer, and thereafter any additional reimbursement from other revenue sources shall be paid to the City as provided above.

City acquisition or construction of an Authorized Facility shall not prevent Developer from receiving refunds of fees paid by development within the District that would have been off-set by fee credits, but for the timing of completion of the Authorized Facility. In particular, the City's fee credits policy requires 20% of the anticipated fee credits to be reserved until the improvement generating such fee credits is accepted and a final accounting is completed. If the 80% amount allowed to be taken as fee credits is exhausted prior to completion of an Authorized Facility, City policy provides that some or all of the 20% amount reserved for fee credits will be paid by the City as a fee reimbursement, instead of being taken as fee credits, to the extent development within the District continues and fees for such improvement are paid prior to such completion. Payment of the Acquisition Price for such Authorized Facility shall not prevent City from providing any such fee refunds pursuant to City policy.

Section 17. BINDING ON COMMUNITY FACILITIES DISTRICT. The District shall automatically become a party to this Agreement to the extent permitted by California law, and all provisions hereof which apply to the City shall so apply to the District. The City Council of the City, acting for the District, shall perform all parts of this Agreement which require performance on the part of the District.

Section 18. ASSIGNMENT. Developer may not assign this Agreement or any right or duty hereunder without the express written approval of the City. The City may condition any such approval on proof of the financial responsibility and experience of a proposed assignee to undertake and perform the duties and responsibilities of Developer under this Agreement. The City's approval of an assignment of this Agreement and the rights and duties of Developer hereunder shall not be unreasonably withheld or delayed.

Section 19. PROMPT ACTION. All consents, approvals and determinations required of either the City or Developer pursuant to this Agreement shall be promptly given or made, and shall not be unreasonably withheld.

Section 20. GENERAL. This Agreement contains the entire agreement between the parties with respect to the matters herein provided for, and may be amended by a subsequent written agreement signed on behalf of both parties. This Agreement is for the exclusive benefit of the parties and shall not be construed to confer any rights or benefits upon any persons other than the City and Developer. This Agreement shall, however, inure to the benefit of and be binding upon the successors and assigns of the parties. This Agreement shall be construed and governed by the Constitution and laws of the State of California. Should either party to this Agreement commence a court action or proceeding against the other party with respect to this Agreement or the design and acquisition or construction of the Authorized Facilities, the party prevailing in such action or proceeding shall be entitled to receive from the losing party its attorney's fees, expert witness' fees, court costs, and other costs incurred by it in prosecuting or defending such action or proceeding. The captions of the sections of this Agreement are provided for convenience only, and shall not have any bearing on the interpretation of any

section hereof. This Agreement may be executed in several counterparts, each of which shall be an original of the same Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed as of the date first above written.

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Michelle Mingay, Sr. Finance Analyst

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA CONSENTING TO THE INCLUSION OF LAND WITHIN THE TERRITORIAL JURISDICTION OF THE CITY IN THE COUNTY OF SACRAMENTO COMMUNITY FACILITIES DISTRICT 2012-1 (CLEAN ENERGY)

RECOMMENDATION

Adopt Resolution No. 100-2014.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution authorizes the City of Rancho Cordova to join the Sacramento County PACE Program by granting the annexation of lands within the territorial jurisdiction of the City to the Sacramento Community Facilities District No. 2012-1.

BACKGROUND

Recent changes to state law (AB 811 and SB 555) enable cities and counties to set up property supported financing in which property owners may obtain financing for the acquisition, installation and improvement of energy efficiency, water conservation and renewable energy improvements to or on their real property, including homes and commercial buildings. Property owners that choose to obtain such financing would repay it through assessments or special taxes on their property tax bills over a set period of time. This type of program is often referred to as "Property Assessed Clean Energy" (PACE) financing. PACE financing is completely voluntary: only property owners that choose to seek financing through the CFD for energy- and water-related improvements to their property *and* unanimously vote to annex their property into the CFD will be subject to this program. No property will be annexed into the CFD or subject to any part of this program without the express willing unanimous consent of the property owner(s).

PACE financing addresses two major financial hurdles to capital-intensive energy efficiency and renewable energy projects: the high up-front cost and the potential that those costs will not be recovered upon sale of the property. With PACE financing, there is little or no up-front cost to the property owner, and if the property is sold before the investors are repaid, the new owner will, unless a prepayment is arranged or a repayment is required by a mortgage company, assume responsibility for the remaining assessments or special taxes as part of the property's annual tax bill. By overcoming these barriers, PACE financing presents an unparalleled

opportunity to stimulate construction and building activity, reduce peak energy demand, increase property values, and generate savings on utility bills for property owners.

PACE's unique financing mechanism is tied to the property, rather than the individual, and enables 100% financing for efficiency retrofits based on eligibility. Program eligibility is determined by property value and the amount of property equity at the time of application. The payment obligation transfers to new owners if the property is sold without additional eligibility requirements. The low upfront costs to property owners and longer financing term make the investment more attractive for some property owners. In addition to reduced energy costs, property owners that participate are likely to enjoy increased property values.

Sacramento County PACE Program

Recognizing these benefits, the County of Sacramento in collaboration with Ygrene Energy Fund (a nationwide third-party PACE administrator) established Community Facilities District No. 2012-1 (Clean Energy) (Clean Energy CFD) on March 23, 2013. This CFD was authorized under the Mello-Roos Community Facilities Act of 1982 as amended by Senate Bill No. 555 (SB 555).

On November 5, 2013, the Sacramento County Board of Supervisors approved the Property Assessed Clean Energy (PACE) program for both commercial and residential property owners. PACE, offered by the County through program administrator Ygrene Energy Fund, allows businesses and homeowners to finance energy efficiency, water conservation, and renewable energy upgrades with low upfront costs. The improvements are paid for by a voluntary tax on the owner's property tax bill.

Property owners within incorporated areas in the County would not be able to obtain PACE financing via the County's program unless the city in which they are located takes affirmative action to "opt-in" to the County's program. Cities within the County that want to "opt-in" can do so by a passing a resolution.

Ygrene is a developer and administrator of clean energy financing programs throughout the U.S. They opened the Ygrene Energy Center, located at 2600 Capitol Avenue in Sacramento, in January 2013. The center serves as a community and educational hub for residents and commercial property owners throughout the region. Ygrene offers contractor training, energy efficiency workshops and partner meetings, and provide information on cutting-edge green products and consultations about participating in Clean Energy Sacramento.

If the Council approves participation in the County PACE program, it would become the fourth PACE program available to property owners in Rancho Cordova. To date, the City of Rancho Cordova has approved three different PACE Programs; CaliforniaFIRST, CaliforniaPACE and the HERO Program. The CaliforniaFIRST program was approved in December 2009 and is administered by California Statewide Communities Development Authority (CSCDA), a Joint Powers Authority (JPA). The CaliforniaPACE program was approved in April 2012 and is administered by California Enterprise Development Authority (CEDA), a Joint Powers Authority (JPA). The HERO program was approved in December 2013 and is administered by Western Riverside Council of Governments (WRCOG), a Joint Powers Authority (JPA).

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Cyrus Abhar, Public Works Director
Elizabeth Sparkman, Senior Engineer

SUBJECT: RESOLUTION APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR LANDSCAPING AND LIGHTING DISTRICT NO. 2005-1

RECOMMENDATION

Adopt Resolution No. 68-2014.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will authorize the continuance of the annual levy and collection of assessments in the District. On June 2, 2014, the City Council approved resolutions ordering the preparation of the Engineer's Annual Levy Report, and set the public hearing to be held prior to approving and ordering the levy of assessments for Fiscal Year 2014-2015. The assessments fund the ongoing landscape maintenance services in the District. There are no new impacts to existing or new residents. No assessments shall increase as a result of this action.

BACKGROUND

The Landscaping and Lighting District No. 2005-1 (LLD 2005-1) was formed in June 2005 by the City Council to continue a financial mechanism to provide landscape maintenance services previously funded since 1994 in Zone 4 and Zone 5 of the Sacramento County Landscape Maintenance District (SLMD). The maximum assessment rates authorized under LLC 2005-1 are equal to the maximum rates previously authorized in Zones 4 and 5 of the County's District.

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessments. On June 2, 2014, the City initiated the proceedings for the annual levy and collection of assessments through adoption of Resolution No. 45-2014 ordering the preparation of the Engineer's Report and Resolution No. 46-2014 preliminarily approving the Engineer's Report, declaring its intention to levy and collect annual assessments for Fiscal Year 2014-2015, and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report includes a diagram of the assessment area, a description of the maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by LLD 2005-1 include ongoing maintenance, operation and servicing of landscaping and streetscape improvements within the right-of-ways and other public areas within the District at the locations described in the Engineer's Report.

The proposed Fiscal Year 2014-2015 assessment rates do not exceed the rates previously levied by the County since 1994 and are equal to the rates levied by the City in Fiscal Year 2013-2014. The boundaries of each Zone are shown in the district diagram in Part IV of the Engineer's Report and the details for each Zone are listed below:

- Zone 1 of the District is comprised of ninety-seven (97) residential parcels in the Ellenwood subdivision. These parcels are assessed on per a Parcel basis at the maximum rate of \$42.50 per parcel.
- Zone 2 of the District is comprised of one hundred fifty-nine (159) residential parcels known as California Jazz Unit No. 1 and Unit No. 2. These parcels are assessed on an acreage basis at the maximum rate of \$30.48 per acre for the median landscape and parkway landscape improvements associated with these parcels.
- Zone 3 of the District is comprised of eighteen (18) parcels along Zinfandel Drive between Data Drive and south of International Drive. These parcels are assessed on an acreage basis at the rate of \$1,413.24 per acre for the median landscape improvements within the District.
- Zones 4 and 4A are comprised of seven hundred sixteen (716) assessable parcels which are a part of the development known as Capital Village. The fifty-two (52) assessable parcels within Zone 4 are assessed at the maximum rate of \$30.48 per gross acre. Zone 4A was created to account for overlapping boundaries with a Landscape Maintenance CFD (LMCFD) formed by the City. The CFD will provide supplemental funding for landscape improvements within and adjacent to the development, including some median landscaping identified herein. The six hundred sixty-four (664) assessable parcels within Zone 4A are assessed at the maximum rate of \$30.48 per gross acre. Any supplemental funds generated by LMCFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

The Fiscal Year 2014-2015 total assessment is estimated at \$91,593. The District has an established Operating Reserve which provides funding for the operations and maintenance of the District, as well as providing financing for emergency expenditures. A second reserve fund finances special projects such as a central irrigation system, revegetation projects, and other rehabilitation projects or replacements of District improvements.

In July 2006, the County transferred funds previously collected in the County's Zone 4 and 5 to the City, which were deposited to the LLD 2005-1. The City had previously deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Funds from the undesignated reserve can be used to fund costs of any zone(s) that are unable to be funded by the annual assessments.

In order to proceed with the levy of assessments, it is appropriate for the Council to conduct the public hearing and adopt Resolution No. 68-2014 which approves the Engineer's Report and authorizes the levy and collection of assessments for Fiscal Year 2014-2015.

INTRODUCTION

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the "California Constitution"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance of the special assessment district designated as:

Landscaping and Lighting District No. 2005-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance and operation of landscaping and lighting improvements within the District.

These improvements have previously been provided and administered by the County of Sacramento (the "County") as part of the Sacramento Landscape Maintenance District (hereafter referred to as "SLMD"). Commencing with fiscal year 2005/2006, the City conducted property owner protest ballot proceedings and confirmed the assessments described herein at which time the maintenance and operation of the improvements became the responsibility of the City with the City Council acting as the legislative body of the District. The City Council proposes to continue the levy and collection of annual assessments through the County tax rolls to provide ongoing funding for the costs and expenses required to service and maintain the District improvements.

This Engineer's Report (hereafter referred to as "Report") has been prepared in connection with the annual administration of said District and the levy and collection of annual assessments related thereto for fiscal year 2014/15, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the proposed assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The annual assessments will provide a continued funding source for the ongoing operation and maintenance of public landscaping and lighting improvements associated with the properties within the District.

The improvements and assessments described in this Report are based on the improvements and assessments previously established by the County for SLMD Zone 4 and Zone 5 and represent an estimate of the direct expenditures, incidental expenses, and fund balances associated with the maintenance and servicing of those improvements. The structure of the District (organization), the

improvements, the method of apportionment, and assessments described herein have been established to continue the maintenance of the existing improvements and assessments previously established by the County as outlined in the District's Fiscal Year 2005/2006 Engineer's Report.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the County Assessor's Office. The County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

In fiscal year 2005/2006, as part of the District formation to continue the assessments previously levied by the County as part of the SLMD Zone 4 and Zone 5 for properties within the boundary of the City, the City conducted a Property Owner Protest Ballot proceeding for the District assessments pursuant to the provisions of the *California Constitution, Article XIID Section 4*. In conjunction with this ballot proceeding, the City Council also conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and levy of maximum assessments. Upon conclusion of the public hearing, property owner protest ballots received were opened and tabulated to determine whether majority protest existed (ballots were weighted based upon the assessment amounts), and by resolution the City Council confirmed the results of the ballot tabulation. Tabulation of the ballots indicated that a majority protest did not exist for the continuation and transfer of assessments as presented and described in the fiscal year 2005/2006 Engineer's Report. The City Council approved the report, ordered the formation of the District, and approved the levy and collection of FY 2005/2006 assessments. The FY 2005/2006 assessments were then submitted to the Sacramento County Auditor/Controller for inclusion on the property tax roll for each parcel.

For fiscal year 2014/15, this Report has been prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed budget and assessments for this fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments. Should the proposed annual assessments for the District or portion thereof, exceed the maximum assessments described herein (as approved by the property owners), the new or increased assessment must be confirmed through another property owner protest ballot proceeding before the new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A description of the District boundaries and the proposed improvements associated with the District. The District was formed with four (4) benefit zones encompassing all lots and parcels of land within the boundaries of the City. The territory within the District had previously been assessed through Zone 4 and Zone 5 of the SLMD in fiscal year 2004/2005. The District was first assessed in fiscal year 2005/2006.

Part II

The Method of Apportionment: A discussion of benefits the improvements and services provide to properties within the District and the method of calculating each property's proportional special benefit and annual assessment.

Part III

The District Budget: An estimate of the annual costs to operate, maintain and service the District's landscaping and lighting improvements and facilities. The special benefit assessments are based on the overall operation costs minus any costs that are considered general benefit. The proposed budget includes the anticipated costs for operating, maintaining and servicing the District improvements for fiscal year 2014/15, including any funds necessary to perform maintenance activities that cannot be reasonably collected in a single fiscal year to establish the proposed assessments for that year. Should the proposed assessments exceed the assessments described herein, property owner ballot proceedings shall be conducted to approve such an increase before the increase may be imposed.

Part IV

District Diagram: A Diagram showing the exterior boundaries of the District and the Zones therein is provided in this Report and includes the parcels that receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District, are inclusive of all parcels as shown on the County Assessor's Parcel Maps as they existed at the time of the passage of the Resolution of Intention, and shall include all subsequent subdivisions, lot line adjustments or parcel changes therein. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District.

Part V

Assessment Roll: A listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment.

Part I — PLANS AND SPECIFICATIONS

A. Description of the District

The territory within the District consists of the lots and parcels of land that in fiscal year 2004/2005 were both within the City and within a portion of Zone 4 and all of Zone 5 of the Sacramento Landscape Maintenance District ("SLMD"). Said territory encompasses an area of land totaling approximately five hundred twelve acres (512 acres) that is centrally located within the City, generally south of Highway 50 and north of the City limits. Refer to the Budget Section for the current number of parcels within each Zone.

- **Zone 1:** That portion of the previous SLMD Zone 4, which at the time of the formation of the District included a total of ninety-seven (97) assessable parcels within the residential subdivision known as Ellenwood Court located south of Ellenwood Avenue. Upon formation of the District, this area was designated as Zone 1 to reflect the special benefit these parcels receive from the District improvements associated with the development located on the south side of Ellenwood Avenue.
- **Zones 2, 3 and 4:** The parcels within previous SLMD Zone 5, which at the time of the formation of the District included a total of six hundred eighty-six (686) assessable parcels generally located south of the American River, east of Mather Field Road and in close proximity to Zinfandel Drive and International Drive. Upon formation of the District, this area was designated as Zones 2, 3, and 4 and are described as follows:

Zone 2 included the one hundred fifty-four (154) assessable parcels within the residential subdivision known as California Jazz Units 1 & 2 generally located east of Data Drive, north of Reserve Drive, south of Capital Center Drive and west of International Drive.

Zone 3 included the eight (8) assessable parcels located on either side of Zinfandel Drive from Data Drive to the southern boundary of the District (approximately 700 feet south of International Drive).

Zone 4 included the remaining parcels that were previously included in SLMD Zone 5 that were not designated as either Zone 2 or Zone 3 of the District. This Zone includes parcels along Data Drive, International Drive, Capital Center Drive, White Rock Road, Quality Drive, Disk Drive, Prospect Park

Drive and Kilgore Road.

Zone 4A is the portion of Zone 4 that also lies within the City's Community Facilities District No. 2005-2 ("CFD 2005-2"). Zone 1 of CFD 2005-2 was established to fund, to the extent that funds from CFD 2005-2 are available, maintenance of landscape improvements of the residential subdivision development known as Capital Village. These landscape improvements were installed along the subdivision's rights-of-way and within the median(s) adjacent to the development. The funds from Zone 1 of CFD 2005-2, to the extent available, shall offset all or a portion of the costs within Zone 4A.

B. Description of Improvements and Services

Landscape Improvements

The purpose of this District is to ensure the ongoing maintenance, operation and servicing of local landscaping and street lighting improvements within the District (improvements that had been previously funded through annual assessments from the SLMD). The improvements may consist of all or a portion of the public landscaped areas, street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting and landscape improvements including but not limited to parkways, medians and other designated easements, right-of-ways or public areas within the District. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

- **Zone 1:** Streetscape (parkway) landscaping along the South side of Ellenwood Avenue east of Routier Road that is within the public right-of-ways or easements dedicated to the City for maintenance. The costs and special benefits of these improvements are shared equally by only the assessable properties within Zone 1 of the District.
- **Zone 2:** Streetscape (parkway) landscaping surrounding and adjacent to the California Jazz subdivision on the north side of Reserve Drive from Data Drive to International Drive; the east side of Data Drive from Reserve Drive north to the end of the subdivision; the west side of Capital Center Drive from International Drive north to the end of the subdivision; and the north side of International Drive from Reserve Drive to Capital Center Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 2 of the District.

- **Zone 3:** Streetscape (parkway) landscaping on both sides of Zinfandel Drive between International Drive and Data Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 3 of the District.
- **Zones 2, 3, 4 and 4A:** All median landscape improvements within the District located on International Drive from approximately 570 feet westerly of Data Drive to Kilgore Road and on Zinfandel Drive from Data Drive to International Drive. The costs and special benefits of these improvements are proportionately shared by all the properties within Zone 2, 3, 4 and 4A of the District.

Specifically not included as District improvements are those improvements located on private property, improvements and facilities that may be provided or maintained by an agency other than the City; improvements and facilities that may be provided by another assessment or tax levied by the City or County and any improvement provided and maintained by a Homeowner's Association or similar entity.

Detailed descriptions of the location and extent of the specific improvements to be maintained by the District are on file with the City and by reference are made part of this Report. The net annual cost to provide and maintain the improvements determined to be of special benefit shall be allocated to each property in proportion to the special benefits received.

The landscape improvements for the District may include, but are not limited to turf, ground cover, shrubs and plants, trees, irrigation and drainage systems, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments, and associated appurtenant facilities located within the landscape easements or public right-of-ways. Specifically the landscape improvement areas for this District generally consist of the following:

- Approximately 9,600 square feet of streetscape (parkway) landscaping and 34 trees within the public right-of-ways located on the south side of Ellenwood Avenue.
- Approximately 11,000 square feet of turf, 28,455 square feet of streetscape (parkway) landscaping including 110 trees, located on the north side of Reserve Drive from Data Drive to International Drive; east side of Data Drive, from Reserve Drive north to end of California Jazz tract Unit No. 1; west side of Capital Center Drive, from International Drive north to the end of California Jazz Tract Unit No. 2; and north side of International Drive, from Reserve Drive to Capital Center Drive.

- Approximately 19,400 square feet of turf, 11,500 of streetscape (parkway) landscaping including 57 trees, located on the west side of Zinfandel Drive, south of International Drive.
- Approximately 152,340 square feet of turf, 55,600 square feet of streetscape and median landscaping including 392 trees along the medians and frontage corridors on Zinfandel Drive, from Data Drive to International Drive; and medians on International Drive, west of Data Drive to Kiloge Road.

Public Lighting Improvements

Lighting facilities that may be located within the landscaped areas including safety lights, security lights or ornamental lights installed as part of the landscape improvements are budgeted as part of the landscape maintenance costs.

The lighting improvements may include but shall not be limited to the cost of providing electrical energy and servicing of lighting fixtures, poles, meters, conduits, electrical cable and associated appurtenant facilities associated with the street lighting, safety lighting and/or traffic signals within the District including public lighting facilities on designated arterial and collector streets as well as lighting facilities within residential subdivisions or public areas such as parks. The cost of such improvements shall be allocated based on the proportional special benefits properties receive from these improvements.

Improvements and Services Permitted Pursuant to the 1972 Act

As generally defined by the 1972 Act, the improvements and associated assessments for this District may include now or in the future one or more of the following:

- 1) The installation or planting of landscaping;

 - d) The removal of trimmings, rubbish, debris, and other solid waste;
 - e) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti;
 - f) Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
 - g) Water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.
- 8) Incidental expenses associated with the improvements including, but not limited to:

Part II — METHOD OF APPORTIONMENT

A. General

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

The method of apportionment described in this Report for allocation of special benefit assessments utilizes commonly accepted engineering practices and have been established pursuant to the 1972 Act and the provisions of the California Constitution. The formulas used for calculating assessments reflects the composition of parcels within the District and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

B. Benefit Analysis

Each of the proposed improvements, the associated costs and assessments have been carefully reviewed, identified, and allocated based on special benefit pursuant to the provisions of the California Constitution and 1972 Act. The improvements provided by the District and for which properties will be assessed have been identified as necessary, required and/or desired for the development of properties within the District and as such, the ongoing operation, servicing and maintenance of these improvements would be the financial obligation of the parcels within the District. Therefore, the improvements and the annual costs of ensuring the maintenance and operation of the improvements are a distinct and special benefit to the properties within the District. Any improvement or portion thereof that is considered to be of general benefit shall be funded by other revenue sources and not included as part of the special benefit assessments allocated to properties within the District.

Special Benefit

The method of apportionment (method of assessment) established herein is based on the premise that each assessed parcel within the District receives special benefits from specific improvements and the desirability and security of those properties is enhanced by the presence of well-maintained improvements in close proximity to those properties.

The special benefits associated with landscape improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.
- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the District resulting from well-maintained improvements associated with the properties.
- Enhanced quality of life through well-maintained green space and landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The special benefits of street lighting and other public lighting facilities are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on roads, streets and public areas.
- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal act and damage to improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.

All of the preceding factors contribute to a specific enhancement and desirability of each of the assessed parcels within the District and thereby provide special benefits to the properties. Furthermore, it has been determined that the lack of funding to properly service and maintain the District improvements could have a negative impact on the properties within the District.

General Benefit

In reviewing each of the District improvements, the proximity of those improvements to both properties within the District and those outside the District as well as the reasons for installing and constructing such improvements, it is evident that the improvements are solely for the benefit of properties within the District and the ongoing maintenance and operation of the improvements will directly affect the properties within the District. Although the improvements include public areas, easements, right-of-ways and other amenities available or visible to the public at large, the construction and installation of these improvements were only in direct benefit to the properties within the District and were not required nor necessarily desired by any properties or developments outside the District boundary and any public access or use of the improvements by others is incidental. Therefore, it has been determined that the improvements and the ongoing maintenance, servicing and operation of those improvements provide no measurable general benefit to properties outside the District or to the public at large, but clearly provide distinct and special benefits to properties within the District.

C. Assessment Methodology

The method of apportionment for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the District. The special benefit received by each lot or parcel is equated to the overall land use of parcels within the District based on the parcel's actual land use or proposed development.

All costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with the California Constitution, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

At the time that the District was being formed and to identify and

determine the special benefit to be received by each parcel and their proportionate share of the improvement costs, it was necessary to consider the entire scope of improvements to be maintained by the District, as well as individual property development within the District. Upon review of the improvements to be maintained, it was determined that four (4) distinct areas benefit differently from the improvements within the District and therefore the landscape maintenance and assessments were established as four (4) benefit zones for the allocation of the assessments and proportional special benefit, as described below. Although a portion of Zone 4 was designated as Zone 4A in fiscal year 2007/08, as discussed below, Zones 4 and 4A remain as one benefit zone and are assessed at the same maximum rate.

Zones and Assessments:

Zone 1, upon formation of the District, was comprised of one hundred five (105) parcels that were previously part of the SLMD Zone 4. At that time, ninety-seven (97) of these parcels were residential properties and were assessed on a per parcel basis at the pre-existing rate of \$42.50 per parcel. Ninety-seven (97) parcels are currently being assessed within Zone 1.

Zone 2, upon formation of the District, was comprised of one hundred fifty-nine (159) parcels that were previously part of SLMD Zone 5 and are part of the residential developments known as California Jazz Unit No.1 and Unit No. 2. At that time, one hundred fifty four (154) of these parcels were assessed as residential properties on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements and parkway landscape improvements associated with these parcels. One hundred fifty four (154) parcels are currently being assessed within Zone 2.

Zone 3, upon formation of the District, was comprised of eight (8) parcels, all of which were assessable, that were previously part of SLMD Zone 5. These parcels were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscaping and \$1,382.76 per acre for the landscaping along the parkways of Zinfandel Drive, totaling \$1,413.24 per acre. Eighteen (18) parcels are currently being assessed within Zone 3.

Zone 4, upon formation of the District, was comprised of seventy (70) parcels that were previously part of the SLMD Zone 5 that were not included as part of this District's Zone 2 or 3. At that time, sixty three (63) of these parcels were non-exempt and were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements within the District. Fifty-two (52) parcels are currently being assessed within Zone 4.

Zone 4A, a portion of Zone 4 was redesignated as Zone 4A commencing with the fiscal year 2007/08 levy to account for the Zone 4A parcels lying within with a portion of CFD 2005-2; the Zone 4 parcels are outside of the CFD 2005-2 boundaries. At that time, Zone 4A consisted of five hundred seven (507) parcels, four hundred sixty two (462) of which were assessable. Since the CFD 2005-2 Zone 1, special taxes are to be levied upon Zone 4A parcels, these special taxes are contributed in part to the District for the benefit of Zone 4A. Zone 1 of the CFD provides funding for landscape improvements within and adjacent to the development, including the median landscaping identified herein. Although the CFD may fund median landscaping, the special taxes levied within Capital Village may not provide sufficient funds to maintain both the landscape improvements within the Capital Village development and the median landscape improvements within the District that specially benefit the parcels within Zone 4A. Therefore, the six hundred sixty four (664) non-exempt parcels currently within Zone 4A will continue to be assessed up to \$30.48 per gross acre until such time that the CFD generates sufficient revenue to fund the median landscape improvements. Any funds generated by the CFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

Exempt Parcels — Properties within the District that are not assessed for special benefit include but is not limited to:

- Lots or parcels identified as public streets and other roadways (typically not assigned an APN by the County);
- Dedicated public easements including open space areas, utility rights-of-way, greenbelts, parkways, parks or other publicly owned properties that are part of the District improvements or may provide other benefits to private properties within the District;
- Private properties that cannot be developed independently from an adjacent property, such as common areas, sliver parcels or bifurcated lots or properties with very restrictive development use;

These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment, but shall be reviewed annually by the assessment engineer to confirm the parcels current development status. Government owned properties or public properties are not necessarily exempt properties and shall be subject to special benefit assessment unless it qualifies for an exempt status.

Special Cases — In many districts where multiple land uses and zones exist, the typical property classification and assessment methodology does not accurately identify the special benefits received from the improvements for each and every parcel. For example, in some cases, only a small percentage of the parcel's total acreage can actually be developed. In this case, an appropriate calculation would be based on the net acreage that can be utilized rather than the gross acreage of the parcel. These special circumstances will be reviewed annually by the assessment engineer.

Part III — DISTRICT BUDGET

A. Budget

The Maximum Assessment per Parcel or Acre shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The budget within this report identifies the cost to maintain the improvements within each specified Zone of the District.

Each zone within the District maintains two separate reserves, one is utilized for Working Capital purposes (the "Operating Reserve") and the other for longer-term projects (the "Special Projects Reserve"). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve for each zone is limited by Streets and Highways Code 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County. The City has determined that all budgeted costs as presented in this Report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the of Streets and Highways Code 22569.

The Special Projects Reserve can be used to finance the Central Irrigation System (CIS) project and re-vegetation projects, as well as other rehabilitation projects, repairs or replacements of District improvements. The District also holds an undesignated reserve, which represents the balance of the funds transferred from Sacramento County to the City when the authority for the District passed from County control to that of the City. At that time, the City deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Accordingly, funds from the Undesignated Reserve shall be transferred to fund the costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone.

B. Description of Budget Items

Description of the terms used in the preceding Budget, Assessment Rates and Reserve Balance tables are listed below:

MAINTENANCE AND OPERATION (DIRECT COSTS)

Contract Maintenance - Landscaping – Includes all regularly scheduled contract labor, materials, supplies and equipment required to properly maintain and ensure the satisfactory condition or maintenance of all landscaping improvements, irrigation and related drainage systems, as well as maintenance of appurtenant facilities (the “improvements”).

Utilities (Water/Electricity) – Landscaping - The furnishing of water and electricity required for the operation and maintenance of the landscaping related improvements.

Utilities (Electricity) – Lighting - The furnishing electricity required for the operation of the lighting improvements.

Periodic Repair/Rehabilitation – Landscaping – Expected costs for repair, replacement, installation or planned upgrades of District landscaping improvements.

Periodic Repair/Rehabilitation – Lighting – Expected costs for repair, replacement, installation or planned upgrades of District lighting improvements. If zero, this line item may not be shown in the budget.

Special Project Expenditures – Expected costs for installation, replacement or planned upgrades of District landscaping or lighting improvements for the current year that were previously funded or accumulated in the Special Projects Reserve. The Special Projects Reserve is used to accumulate funds for costs associated with the future rehabilitation, repair or replacement of these District improvements that cannot be conveniently raised from a single year's assessment. If zero, this line item may not be shown in the budget.

ADMINISTRATION COSTS

District Administration – Estimated costs incurred by the City in preparation of the annual budget and the preparation, review, posting and / or publishing of documents and notices required for City Council

action to approve the annual assessments. These costs also include contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts and the preparation of the Engineer's Report.

Contract Administration – Estimated costs to coordinate and oversee the maintenance contracts and overall repair and maintenance of the District.

County Collection Fees – The fee charged to the District by the County for placing assessments on property tax bills.

Other Administration Expenses – Administration expenses not included above, including the cost to publish public notices required for City Council action relating to the District. If zero, this line item may not be shown in the budget.

TOTAL COSTS – The total expected costs of the District.

ADJUSTMENTS AFFECTING LEVY AMOUNT

Replenishment/(Use) of Operating Reserve – A “Replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “Use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided in the following pages of this Section.

Contribution to/(Use of) Special Projects Reserve — A “Contribution” increases the levy in order to generate funding for the Special Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation projects or replacements in future years. On the other hand, a “Use of” of the Special Projects Reserve provides current year funding of rehabilitation projects or replacements from available funds within the Special Projects Reserve. In the event that the expenditure of a current year special project is funded entirely by a collection from the current fiscal year levy and / or a transfer from the Undesignated Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the budget. Further information regarding the function of the Special Projects Reserve is provided in the following pages of this Section.

Undesignated Reserve Fund Transfer - A transfer of undesignated reserve funds provides current year funding for one or more Zones that are unable to be adequately funded by a Zone's annual assessments. Further information regarding the undesignated reserve can be found in the first page of the Budget Section.

Revenues from Other Sources – These amounts represent contributions from CFD No. 2005-2; only affects Zone 4A. This relationship is more fully described in the previous sections of this report.

Rounding Adjustment – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

BALANCE TO LEVY - This is the total amount to be levied and collected through assessments for the current fiscal year for each zone. The Balance to Levy represents the sum of the total District costs together with any applicable adjustments to the budget as described above.

DISTRICT STATISTICS & ASSESSMENT RATES

Number of Assessable Parcels - The total number of parcels within each Zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-ways or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements, due possibly to development restrictions.

Assessable Acreage - The total assessable acreage within each Zones at are expected to be assessed on an acreage basis for the current fiscal year.

Applied Rate per Parcel - The assessment rates to be applied each non-exempt parcel within the Zone for the current fiscal year.

Applied Rate per Acre - The assessment rate per acre to be applied each non-exempt parcel within the respective Zone for the current fiscal year.

Maximum Rate per Parcel - The maximum assessment rate that can be assessed to each non-exempt parcel within the respective Zone for

the current fiscal year.

Maximum Rate per Acre - The maximum assessment rate per acre that can be assessed to each non-exempt parcel within the respective Zone for the current fiscal year.

Potential Maximum Assessment – The total amount that can be assessed to all parcels within each Zone for the current fiscal year based upon the expected number of assessable units and acres using the maximum assessment rates.

UNDESIGNATED RESERVE FUND BALANCE

Beginning Undesignated Reserve Balance 7-1-2014 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations, of the Undesignated Reserve. This reserve is undesignated; therefore, funds from the Undesignated Reserve may be used to fund costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone. Further information regarding the Undesignated Reserve can be found in the first page of the Budget Section.

Funding of Expenses in Excess of Assessments (est.) – The amounts expected to be transferred from the Undesignated Reserve to fund FY 2014/15 expenses. Funds from the Undesignated Reserve may be transferred to fund the costs of any Zone, to the extent that the Zone is unable to fund such costs through the annual assessments and available reserves of the Zone.

Ending Undesignated Reserve Balance 6-30-2015 (est.) - The anticipated ending balance of cash and receivables, net of any unpaid prior year obligations, of the Undesignated Reserve.

OPERATING RESERVE BALANCES

Beginning Reserve Balance 7-1-2014 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations for each Zone. These beginning balances shall be used to fund each Zone's expenditures from July 1, 2014 to December 31, 2014, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Special

Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

Add: Collect from FY 14/15 Levy – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from the period of July 1, 2014 (the beginning of the Fiscal Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Less: Use for FY 14/15 Expenses – The amount of the Operating Reserve to be used to fund FY 14/15 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected District costs for the period of July 1, 2014 (the beginning of the Fiscal Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Special Projects Reserve — The amount of Operating Reserve monies to be transferred to or from the Special Projects Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2015 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) for each Zone as of June 30, 2015. The size of each Zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, each Zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

SPECIAL PROJECTS RESERVE BALANCES

Beginning Reserve Balance 7-1-2014 (est.) — The projected balance of funds in the Special Projects Reserve as of July 1, 2014. Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Add: Collect from FY 14/15 Levy — This amount is added to the levy to accumulate funding of future year rehabilitation projects, replacements, repairs, restorations or upgrades of District improvements. This line may show a portion of funds transferred from the Undesignated Reserve to fund a current year special project. If zero, this line item may not be shown in the budget.

Less: Use for FY 14/15 Special Projects — The amount of Special Projects Reserve monies expected to be expended for Special Projects to fund the costs of installation, replacement or planned upgrades of District improvements for the current year. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Operating Reserve — The amount of Special Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2015 (est.) - The projected balance of funds in the Special Projects Reserve as of June 30, 2015. These funds shall be use to provide for future year rehabilitation projects, replacements, restorations or upgrades of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Special Projects Reserve or related activity, the Special Projects Reserve information may not be presented in the Report.

C. Special Projects Reserve – Capital Improvement Plan

Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Therefore, a five year Capital Improvement Plan is shown below for the rehabilitation, restoration, repair and/or replacement of District improvements and other allowable costs for each Zone projecting an ending Special Projects Reserve balance:

Zone 3:

- Upgrades to irrigation system; replacement and/or enhancement of landscape improvements: \$65,000 in FY 2014/15, \$15,000 2015/16, and \$40,000 in each FYs 2016/17 and 2017/18.
- Upgrades to Controller software for irrigation system: \$15,000 in FY 2014/15.
- Projected costs to reorganize district, including costs of re-engineering and balloting: \$22,139 in FY 2014/15 for Zone 3's share of costs.

Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

Part IV — DISTRICT DIAGRAM

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as “Boundary Map of Landscaping and Lighting District No. 2005-1.”

The following District Diagram, which was based upon both the County Assessor's Maps and County Assessor's information, identifies all the parcels of land within the District at the time of formation.

Part V — ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on the Assessment Diagrams presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

Non-assessable lots or parcels may include, but are not limited to public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas, right-of-ways, common areas; landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed or has little or no value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this Report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein:

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Cyrus Abhar, Public Works Director
Elizabeth Sparkman, Senior Engineer

SUBJECT: RESOLUTION APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING DISTRICT NO. 2012-1

RECOMMENDATION

Adopt Resolution No. 69-2014.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will authorize the continuance of the annual levy and collection of assessments in the District. On June 2, 2014, the City Council approved resolutions ordering the preparation of the Engineer's Annual Levy Report, and set the public hearing to be held prior to approving and ordering the levy of assessments for Fiscal Year 2014-2015. The assessments fund the ongoing maintenance, servicing and operation of public lighting improvements (safety lights and street lights) in the District. There are no new impacts to existing or new residents. No assessments shall increase as a result of this action.

BACKGROUND

County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. Since that time, the Board of Supervisors approved the creation of separate zones within CSA 1 for the Cities of Citrus Heights, Elk Grove and Rancho Cordova allowing the cities and the County to supplement CSA 1 revenues specific to those areas; Zone 2 of CSA 1 encompassed all of the City of Rancho Cordova. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005), Citrus Heights (June 2006) from CSA 1 and Rancho Cordova (June 2012). The City of Rancho Cordova has been administering the District since the FY 2012-2013 annual levy.

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessments. On June 2, 2014, the City initiated the proceedings for the annual levy and collection of assessments through adoption of Resolution No. 47-2014 ordering the preparation of the Engineer's Report and Resolution No. 48-2014 preliminarily approving the Engineer's Report, declaring its intention to levy and collect annual assessments for Fiscal Year 2014-2015, and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report includes a diagram of the assessment area, a description of the improvements and maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by RCLD 2012-1 include ongoing maintenance, operation and servicing of street lights and safety lights within the right-of-ways and other public areas within the District as described in the Engineer's Report.

The proposed Fiscal Year 2014-2015 assessment rates are equal to the rates previously levied by the City in Fiscal Year 2013-2014.

The Fiscal Year 2014-2015 total assessment is estimated at \$357,105. The District has established an Operating Reserve which provides funding for the operations and maintenance of the District Improvements, as well as providing financing for emergency expenditures. A Capital Projects Reserve has been established to fund replacements and upgrades of the District Improvements. In July 2012, the County transferred the remaining CSA 1 Zone 2 funds to the City which were then deposited into the District's Fund.

In order to proceed with the levy of assessments, it is appropriate for the Council to conduct the public hearing and adopt Resolution No. 69-2014 which approves the Engineer's Report and authorizes the levy and collection of assessments for Fiscal Year 2014-2015.

RESOLUTION NO. 69-2014

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AMENDING AND/OR APPROVING THE ENGINEER'S REPORT AND ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS WITHIN THE RANCO CORDOVA LIGHTING DISTRICT 2012-1 FOR FISCAL YEAR 2014-15

The City Council of the City of Rancho Cordova, California (hereafter referred to as the "City Council") does resolve as follows:

WHEREAS, the City Council has, by previous Resolutions, ordered the preparation of the Engineer's Report for Fiscal Year 2014-15 (hereafter referred to as the "Report" or "Engineer's Report") for said district known and designated as: The Rancho Cordova Lighting District 2012-1 (hereafter referred to as the "District"), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereafter referred to as the "Act"); and

WHEREAS, there has been presented to this City Council the Engineer's Annual Report (**Exhibit A**) as required by *Chapter 3, Section 22623* of said Act, and as previously directed by Resolution; and

WHEREAS, this City Council has carefully examined and reviewed the Report as presented, and is satisfied with each and all of the items and documents as set forth therein, and is satisfied that the levy has been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said Report; and

WHEREAS, this City and its legal counsel have reviewed Proposition 218 and found that these assessments comply with applicable provisions of Article XIII D of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these assessments onto the County roll and tax bills for the City of Rancho Cordova.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE DISTRICT, AS FOLLOWS:

Section 1 Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of assessments, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.

Section 2 Based upon its review (and amendments, as applicable) of the Report, a copy of which has been presented to the City Council, is hereby approved (as amended), and is ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection, the City Council hereby finds and determines that:

- a. The land within the District will be benefited by the operation, maintenance and servicing of improvements, located within the boundaries of the District, and
- b. District includes all of the lands so benefited, and
- c. The net amount to be assessed upon the lands within the District in accordance with the assessment for the Fiscal Year commencing July 1, 2014, and ending June 30, 2015, is apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated special benefits to be received by each parcel from the improvements and services.

Section 3 The maintenance, operation and servicing of the lighting improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders the proposed improvements to be made, which improvements are briefly described as follows: the maintenance, operation and servicing of highway safety lights and local street lights located within the public right-of-ways that were previously serviced through CSA-1, Zone 2. Of the District improvements, highway safety lights are those lights located at intersections, on major streets, and along the rear of properties that abut major streets; and street lights are all lights not designated as highway safety lights, primarily consisting of local street lighting.

Section 4 The County Auditor of the County of Sacramento shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy so apportioned by the formula and method outlined in the Report, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to *Chapter 4, Article 2, Section 22646* of the Act. After collection by the County, the net amount of the levy shall be paid to the City Treasurer.

Section 5 The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the City of Rancho Cordova Lighting District 2012-1 and such money shall be expended only for the maintenance, operation and servicing of the improvements together with all other costs of the District as described in Section 3.

INTRODUCTION

Pursuant to the provisions of the Landscape and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance and operation of a special benefit assessment district designated as:

Rancho Cordova Lighting District No. 2012-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance, servicing and operation of public lighting improvements (safety lights and street lights) within the City that had been administered by the County of Sacramento as Zone 2 of County Service Area 1 (CSA 1) until the FY 2012/2013 levy.

Prior to the formation of the District, the detachment of those portions of CSA 1 lying within the City limits was approved, resulting in the transfer of the responsibility of the servicing of CSA 1 improvements and related administration to the City. Commencing with the FY 2012/2013 levy, the City Council formed the District in order to provide ongoing funding for the costs and expenses required to service and maintain the safety light and street light improvements for the benefiting lots and parcels of land within the boundaries of the District.

County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. Since the establishment of CSA 1, the cities of Citrus Heights, Elk Grove and Rancho Cordova have been incorporated and in July 2005, the Board of Supervisors approved the creation of zones within CSA 1. The creation of these zones allowed the incorporated cities and the County to supplement CSA 1 revenues specific to those areas. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005) and Citrus Heights (June 2006) from CSA 1 and Rancho Cordova (June 2012).

This Engineer's Report (hereafter referred to as "Report") has been prepared in connection with the levy and collection of annual assessments related thereto for FY 2014/15, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The formation of this District and the annual assessments will provide a continued funding source for the City to fund, in part, the ongoing maintenance, servicing and operation, of the safety lights and street lights that provide special benefits to the properties within the District.

The improvements and assessments described in the FY 2012/2013 Engineer's Report (hereafter referred to as the "Formation Report") were based on the improvements and assessments previously established by the County of Sacramento for CSA 1 Zone 2 and the assessment revenues will be used to fund, in part, the annual direct expenditures and incidental expenses associated with the maintenance and servicing of the District's improvements. The formation of the District, the structure of the District (organization), the improvements, the method of apportionment, and assessments described in the Formation Report have been established to continue the maintenance of the existing improvements and assessments

previously established by the County of Sacramento for CSA 1 and as such are not considered to be new or increased assessments under the provisions of the California Constitution Article XIIID.

As part of the District formation to continue the assessments previously levied by the County of Sacramento as part of CSA 1, in addition to the proceedings conducted the Local Agency Formation Commission (LAFCO) for the detachment of the City of Rancho Cordova from CSA 1, the Rancho Cordova City Council conducted a noticed public hearing pursuant to the provisions of the 1972 Act to consider public testimonies, comments and written protests regarding the formation of the District and levy of assessments.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

Each subsequent fiscal year, an Engineer's Report shall be prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed budget and assessments for that fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments for that fiscal year. If in any year, the proposed annual assessments for the District exceed the assessments described herein, such an assessment would be considered a new or increased assessment and must be confirmed through property owner protest ballot proceeding before that new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A description of the District boundaries and the proposed improvements associated with the District. The District has two (2) designated benefit zones that collectively encompass all lots and parcels of land within the boundaries of the District. The two benefit zones are designated as "Safety Light Only" Zone, which includes those lots and parcels of land within the District that are associated and benefit from only safety light improvements; and "Safety Light and Street Light" Zone, which includes those lots and parcels of land within the District that are associated and benefit from both safety light improvements and local street light improvements.

Part II

Method of Apportionment: A discussion of benefits the improvements and services provide to properties within the District and the method of calculating each property's proportional special benefit and annual assessment.

Part III

District Budget: An estimate of the annual costs to service, maintain and operate the safety light and street light improvements and appurtenant facilities within the District. This budget includes an estimate of direct operational costs (energy and maintenance costs), anticipated repair and replacement of the existing facilities and incidental expenses authorized by the 1972 Act such as administration expenses and collection of appropriate fund balances.

Part IV

District Diagram: A diagram showing the exterior boundaries of the District, and the Zones therein at the time of the formation of the District, is provided herein and includes all parcels that receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District, are inclusive of all parcels as shown on the Sacramento County Assessor's Parcel Maps, as they existed at the time this Report was prepared and shall include all subsequent subdivisions, lot-line adjustments or parcel changes therein. Reference is hereby made to the Sacramento County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District.

Part V

Assessment Roll: A listing of the proposed assessment amount for each parcel based on the parcel's proportional special benefit as outlined in the method of apportionment. These assessment amounts represent the assessments proposed to be levied and collected on the County Tax Rolls for fiscal year 2014/15.

PART I — PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of all lots and parcels of land within the boundaries of the City of Rancho Cordova that in fiscal year 2011/2012, were considered to lie within CSA 1 Zone 2. Within these boundaries, parcels are identified and grouped into one of two designated benefit zones based on the special benefits properties receive from the District improvements, namely Safety Lights Only or Safety Lights and Street Lights. The two Zones within the District and the benefits associated with the properties therein are described in more detail in Part II (Method of Apportionment) of this Report. In addition, the District Diagram in Section IV of the Report provides a visual representation of the District showing the exterior boundaries of the District.

Improvements and Services

Improvements and Services Authorized by the 1972 Act

As generally defined by the 1972 Act and may be applicable to this District, the improvements and associated assessments may include one or more of the following:

- The installation or construction of public lighting facilities including, but not limited to street lights, safety lights and traffic signals;
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof;
- The maintenance or servicing, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:
 - Repair, removal, or replacement of all or any part of any improvements;
 - Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
- Incidental expenses associated with the improvements including, but not limited to:
 - The costs of the report preparation, including plans, specifications, estimates, budgets, diagrams, and assessment;
 - The costs of printing and advertising, and publishing, posting and mailing of notices;
 - Compensation payable to the County for collection of assessments;
 - Compensation of any engineer or attorney employed to render services;
 - Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
 - Costs associated with any elections held for the approval of new or increased assessments.

Description of District Improvements

The District's annual assessments will finance in part the maintenance, operation and servicing of the District's lighting improvements (safety lights and street lights) which generally includes the furnishing of labor, materials, equipment and electricity for the ordinary and usual maintenance, operation, and servicing of street lights within the public right-of-ways and easements dedicated to the City, incidental expenses including administrative costs as well as the performance of periodic repairs, replacement and expanded maintenance resulting from damage or vandalism. These services and activities more specifically may include, but are not limited to:

- Payment of the electrical bill for the safety lights and street lights.
- Maintenance, repair and replacement of light poles and fixtures, including changing light bulbs, painting, photoelectric cell repair or replacement, and repairing damage cause by automobile accidents, vandalism, time, and weather, including principal and interest related to funding of the replacement of the improvements.
- Electrical conduit and pullbox repair and replacement due to damage by construction and weather.
- Monitoring of the Underground Service Alert (USA) network, identification of proposed excavation in the vicinity of lighting electrical conduits, and marking the location of those underground conduits in the field to prevent damage by excavation.
- Service-can maintenance, repair and replacement including painting, replacing worn out electrical components and repairing damage due to accidents, vandalism, and weather.
- Remedial projects for major repairs or upgrading of facilities. Construction for such projects are usually performed by contract, however City maintenance workers may execute small projects.
- Street light inventory database, pole numbering and mapping to establish the number of streetlights that must be maintained, as well as the condition and location of these street lights as part of an effective maintenance program.
- Acquisition of land, easements and right-of-ways necessary to maintain the street and safety lighting system.
- Responding to citizens and Council member inquiries and complaints regarding street lighting. Resolving complaints may require an engineering study and possible project.

For the purpose of determining benefit and the proportional assessment of special benefit, the light fixtures to be maintained by the District are defined as either "Street Lights" or "Safety Lights". Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. All other lights are designated as Street Lights. The following table provides a summary of the safety light and street light inventory within the City upon formation of the District. Detailed maps identifying the location and extent of the District's Safety Lights and Street Lights at that time are on file in the Public Works Department.

Type of Light	Number of Lights
Safety Light	428
Street Light	4,240
Total District Lights	4,668
Decorative Light ⁽¹⁾	92
Total City Lights	4,760

- ⁽¹⁾ The 92 decorative lights shown above were contained within a single residential development and these lights are funded by a separate revenue source levied on those parcels. Therefore these lights are not included as part of the District's improvements, budget or assessments. Parcels within this residential development are included in the "Safety Light Only" zone

PART II — METHOD OF APPORTIONMENT

Based on the provisions of the 1972 Act and the California Constitution, this section of the Report summarizes the benefits associated with the District's safety and street light improvements and services to be provided by the District; the resulting District structure (zones of benefit); and the formulas used to calculate each parcel's proportional special benefit assessment obligation based on the entirety of the cost of providing the various improvements (method of assessment).

Benefit Analysis

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include but are not limited to the construction, maintenance, operation, and servicing of public street lighting improvements and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service";

Article XIID Section 2i defines Special Benefit as:

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Article XIID Section 4a defines proportional special benefit assessments as:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

The method of apportionment (method of assessment) established herein is based on the premise that each assessed property receives special benefits from the maintenance, serving and operation of either safety lights located throughout the District or both safety lights and local street lights and these improvements will be funded in part by such assessments, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as

compared to other properties that receive such special benefits as outlined in the preceding definitions established in the 1972 Act and the California Constitution.

To identify and determine the proportional special benefit to each parcel within the District, as well as any general benefit associated with the improvements, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The District's improvements and the associated costs described in this Report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District and is consistent with the method of apportion previously established for the assessments as part of CSA 1.

While the California Constitution requires that *"The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement..."*; it is reasonable to conclude that the reasons for installing local street lights are often similar, but somewhat different than the reasons for installing safety lights. Therefore, the overall benefits associated with street lights and safety lights are different which also suggests that the apportionment of the cost to provide those improvements would be different.

In reviewing the location and extent of the City's Street Light improvements to be funded by District assessments and the relationship these improvements have to properties within the District, it was determined that these lights are entirely local lighting improvements that were installed specifically in connection with the development of nearby properties or were necessary as a precursor to property development and would otherwise not have been necessary or required without the development of the properties near those improvements. As such, these Street Light improvements have a direct and particular relationship to, and provide special benefit to, the properties located in close proximity to those lighting improvements and serve as extension of those properties and developments into the public areas (streets) that serve those properties. These lights clearly provide special benefits that affect these properties in a way that is particular and distinct from its effect on other parcels, and that of real property in general and the public at large do not share. This is most evident in the fact that the District's Street Light improvements are concentrated within the City's various residential developments and developed non-residential areas and the absence of such lights within many portions of the undeveloped areas of the District. The fact that these lights are a direct result of property development and many areas of the City forgo the need of local street lighting, the maintenance and operation costs associated with the Street Light improvements are considered to be solely a special benefit to those properties and developments in close proximity to those lights and have no measurable general benefit to the public at large or to the District as a whole. However, it is also recognized that these lights are not exclusive or typically isolated to a particular parcel, but are rather shared and directly affect entire neighborhoods or groups of parcels. In this District, it has been determined that each parcel that is assessed for Street Lights is at least within two-hundred feet (200 feet) of a street light although that light may be located across the street from the parcel.

As previously noted, Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. Although the location and extent of these lights are most certainly driven by development of properties in the area (concentrated largely in developed areas of the City), unlike the Street Light improvements which are directly correlated to specific developments and parcels, the District's Safety Lights are not entirely the result of specific property development, but more the result of overall development throughout the City and in addition to directly benefiting the properties in the District, these Safety Lights provide nighttime traffic illumination to enhance traffic circulation and safety.

Therefore, while the need for such lights is most often facilitated by development in the area and certainly a special benefit to properties within the District, because safety lights promote nighttime traffic illumination and circulation for the general public as well as for properties in the District, these lights obviously provide some measure of benefit to the community as a whole and to the public at large (general benefit). In order to separate general benefits from special benefits, an evaluation of the overall extent and location of the Safety Lights in the City, revealed that less than half (approximately 47%) of the Safety Lights within the District are located on major streets that are considered through-traffic corridors, namely Bradshaw Road, Folsom Boulevard and Sunrise Boulevard. The remaining Safety Lights within the City were located on streets and intersections considered internal City traffic routes that provide direct access to the parcels in the District. Therefore it would be reasonable to conclude that like the local Street Light improvements, the Safety Light improvements located on these internal City traffic routes (approximately 53% of the Safety Lights at the time of formation of the District) are entirely for the special benefit of the properties they serve, while the Safety Lights on the through-traffic corridors provide comparable (proportionately equal) special benefit to properties in the District and general benefit to real property in general and the public at large. Therefore collectively, it has been determined that no more than 25% of the total maintenance and operation (O&M) costs of providing Safety Lights would be considered general benefit.

Zones of Benefit

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District

Article XIID Section 4a reads in part:

"...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

In an effort to ensure an appropriate allocation of the estimated annual cost to provide the District improvements based on proportional special benefits, this District has established benefit zones ("Zones") as authorized pursuant to Chapter 1 Article 4, Section 22574 of the 1972 Act:

"The diagram and assessment may classify various areas within an assessment district into different zones where, by reason of variations in the nature, location, and extent of the improvements, the various areas will receive differing degrees of benefit from the improvements. A zone shall consist of all territory which will receive substantially the same degree of benefit from the improvements."

Therefore, in order to separate general benefits from special benefits and to ensure each parcel is assessed for only the special benefits received from the improvements two benefit zones have been established and every parcel in the City is grouped into one of these two Zones:

- Safety Lights Only: Includes all parcels that receive special benefits from the maintenance of Safety Lights only which includes lights located at intersections on major streets and along the rear of properties that abut major streets.

- **Street Lights and Safety Lights:** Includes all remaining parcels within the City that specially benefit from maintenance of Street Lighting (local lights) as well as Safety Lights.

The District Budget, incorporated herein under Part III of this Report, provides a summary of the total estimated cost of providing the street light improvements and the allocation of those costs that are considered general benefit. Details regarding the location and extent of the street lighting improvements within the District and the Zones therein upon formation of the District are on file in the Public Works Department. A diagram showing the exterior boundaries of the District and the location of the two Zones therein at the time of formation is attached and incorporated herein under Part IV (District Diagram) of this Report.

Assessment Methodology

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Article XIID Section 4a reads in part:

"...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

Safety Lights and Street Lights, like most public improvements, provides varying degrees of benefit (whether they be general or special) based largely on the extent of such improvements, the location of the improvements in relationship to the properties, the specific use of each property, and the reason or need for such improvements as it relates to individual properties. In this District, these issues are each considered in determining the proportional special benefit to each parcel by the use of benefit zones, the separation of general benefit and special benefit, and County land use designations.

Safety Lights

Safety Lights are located throughout the District and properties throughout the City are considered to benefit proportionally from Safety Lights and are therefore levied a flat rate calculated by the following formula.

Net Safety Light Cost / Total Assessable Parcels = Levy per Parcel

Street Lights

Only properties that benefit from Street Lights are charged for Street Lights. Parcels are classified based on land use into two categories: Residential and Non-Residential. Residential parcels that have street lights are levied equally. Non-Residential are levied on a front footage basis. Formulas for both Non-Residential and Residential parcels are illustrated below.

Residential Parcels

Net Residential Street Light Cost / Residential Parcels=Levy per Residential Unit

Non-Residential Parcels

Net Non-Residential Street Light Cost / Non-Residential Front Footage=
 Levy per Non-Residential Front Foot

Levy per Non-Residential Front Foot x Non-Residential Parcel Front Footage=
 Levy per Parcel

Exempt

Excepted from the assessment would be the areas of public streets and other roadways (typically not assigned an APN by the County), dedicated public easements, open space areas and rights-of-ways including public greenbelts and parkways. Also excepted from assessment would be utility rights-of-ways, common areas (such as in condominium complexes), landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed. These types of parcels do not benefit from the improvements.

The land use classification for each parcel has been based on the Sacramento County Assessor's Roll.

Rates

The following Table shows the assessment rates proposed to be levied in Fiscal Year 2014/15. It is important to note that these rates are the same rates applied to the District parcels under CSA 1 and that these rates have not increased since the passage of Proposition 218 in 1996.

Description of District Budget

Annual Maintenance & Operation (O&M) — Includes the regular annual costs of maintaining and servicing lighting improvements. This may include, but is not limited to, the costs for labor, utilities, equipment and supplies that are required to properly maintain the items that provide a direct benefit to the District.

- **Electrical Costs** — Includes the cost of providing electricity to the lights. Additionally, some lights may be maintained by the Sacramento Municipal Utility District ("SMUD") and the cost for maintenance of these lights is included as part of the utility bill for those lights.
- **Maintenance Costs** — Includes the contract labor associated with the maintenance of the lights and the cost of the preparing and maintaining the light inventory.

Capital Expenditures & Other Costs — Includes funding needs to support the improvements that are not included or considered to be costs associated with the regular annual maintenance, servicing and operation of the District improvements.

- **Repairs/Replacements & Capital Expenditures** — Includes, but is not limited to repairs that are only required periodically, repairs and replacements resulting from damage or vandalism, capital improvement expenditures to rehabilitate or upgrade the improvements, and collection of funding (installments) for future capital improvement projects. The amount collected each fiscal year is based on an estimate of current and future needs, but may be limited by available funding (assessment revenues and City contributions).
- **USA Markings** — includes costs associated with marking the location of underground utilities related to the above.
- **RCLD Loan** --- Amounts of principal and interest due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing street lights located within the District with new LED street lights which will reduce energy costs.

Annual Administrative Expenses — Incidental district costs not included above that are required on an annual basis.

- **District Administration** — Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the assessments and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the assessments, preparation of the annual Report, and placing the assessment on the property tax bills.
- **County Fees** — Includes the cost that the County charges to place the assessments onto the Sacramento County Secured Tax Roll.
- **Miscellaneous Administration Expenses** — Includes other minor administrative costs such as telephone, copying, noticing, mailing, office supplies and fees related to District Administration.

Total District Expenses — This is the total of the Annual Maintenance & Operation (O&M), Capital Expenditures, Annual Administrative Expenses and other costs which are considered to be the direct and incidental costs for the regular annual maintenance, servicing and operation of the District improvements.

Contributions/Adjustments — Represents the expected funding from sources other than the current year assessments to support the annual costs budgeted for the maintenance, servicing and operation of the District improvements.

- Replenishment/(Use) of Reserve – Funding transferred from or to the District's Reserve to either offset a portion of the Total Expense or to replenish the Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided in the following pages of this Section.
- General Benefit Contribution — Funding from the City utilizing revenue sources other than assessment revenues to pay the proportional costs for the regular annual maintenance, servicing and operation of the District improvements that have been determined to be of General Benefit and which cannot be included as part of the annual assessments. This City funding may be from the City's General Fund or any other funding source available to the City.
- Other Revenue Contributions – Additional funds designated for use by the District that are not District assessments. Often referred to as a City Contribution, these funds may be from any source available to the City to support the District and reduce the amount to be collected by the District assessments (the "Net Assessment Budget"). If the Total District Expenses minus any Reserve Fund Transfer and General Benefit Contribution results in an amount greater than the amount that can be collected through the assessments, the City would either have to reduce expenses or contribute funds to balance the budget.

Net Assessment Budget (Balances to Levy) — Represents the total amount proposed to be levied and collected as assessments on the County Tax Rolls for the fiscal year.

OPERATING RESERVE

Beginning Reserve Balance 7-1-2014 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations. These beginning balances shall be used to fund expenditures from July 1, 2014 to December 31, 2014, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

Replenishment/(Use) of Operating Reserve – Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve is intended to fund expenditures from the period of July 1, 2014 (the beginning of the Fiscal Year) through December 31, 2014. If positive, this amount is added to the levy in order to replenish the Operating Reserve. On the other hand, if negative, this portion of the Operating Reserve is used to fund FY 2014/2015 expenses and therefore reduces the levy amount. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Capital Projects Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Projects Reserve. Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2015 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2015. The size of the Operating Reserve is limited by

Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, the District may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

CAPITAL PROJECTS RESERVE

Beginning Reserve Balance 7-1-2014 (est.) — The projected balance of funds in the Capital Projects Reserve as of July 1, 2014. Streets and Highways Code 22660 allows the District generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Transfer from/(to) the Operating Reserve — The amount of Capital Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

Ending Reserve Balance 6-30-2015 (est.) - The projected balance of funds in the Capital Projects Reserve as of June 30, 2015. These funds shall be use to fund the costs of installation, replacement, repair or upgrading of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Capital Projects Reserve or related activity for the current fiscal year, the Capital Projects Reserve information will not be presented in the Report.

Capital Projects Reserve – Capital Improvement Plan

Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Should an ending Capital Projects Reserve balance be projected, a five year Capital Improvement Plan is shown below in order to fund the installation, replacement, repair or upgrading of District improvements and other allowable costs:

The District expects expenditures for LED retrofits of \$28,000 each in FYs 2014/15 and 2015/16.

Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

PART V — ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on available parcel maps and property data from the Sacramento County Assessor's Office. A listing of the Assessor's Parcel Numbers (APNs) to be assessed within this District, along with the corresponding Assessment Amount to be levied for fiscal year 2014/15 is provided in the following pages. If any APN submitted for collection of the assessments is identified by the County Auditor/Controller of the County of Sacramento to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

- b) Adopt Resolution No. 71-2014 Amending and/or Confirming the Engineer's Report and Establishing the Fiscal Year 2014-2015 Service Charge for the Rancho Cordova Transit Related Services Benefit District, Zone No. 1.

RESULT OF RECOMMENDED ACTION

Adoption of these resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 1 to provide for a broad range of miscellaneous transportation services within the District identified in the Engineer's Report.

BACKGROUND

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of transportation services intended to benefit property within the District.

In May 2003, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 1 of County Services Area (CSA) No. 10. The CSA was formed to collect annual charges for extended transportation-related services within Benefit Zone No. 1 for the Villages of Zinfandel.

CSA No. 10, Benefit Zone No. 1 is located within the City limits. Upon the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the CSA No. 10 formally detaching the district from the County and transfer responsibility to serve the CSA to the City.

On August 4, 2008, the City redesignated the name of County Services Area No. 10 Benefit Zone No. 1 to "**Transit Related Services Benefit District, Zone No. 1**" (hereafter referred to

as the “Transit Benefit Zone No. 1 or the “District”). Services include transit shuttle services, transportation planning, educational programs at Navigator Elementary School, a Guaranteed Ride Home Program, and infrastructure support.

Transit shuttle services commenced on June 15, 2009 with the implementation of a 3-year demonstration route called the “Rancho CordoVan” which was primarily funded through a grant from the federal Congestion Mitigation and Air Quality (“CMAQ”) program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012. The City has been able to continue to operate the shuttle serving Zone 1 by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in StoneCreek and Capital Village and in September 2012 was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT’s Gold Line was changed to the Zinfandel Station in the Zinfandel Plaza parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer’s Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Exhibit A to the second resolution.

Through adoption of **Resolution No. 70-2014, Attachment 1**, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminarily approves such written report, and declares its intention to levy the annual charges for Fiscal Year 2014-2015. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer’s Report prepared by Willdan Financial Services, describes the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget, a description of the property to be benefited, and the amount of the charge to each individual property. The proposed Fiscal Year 2014-2015 charge for each land use category is shown below.

Table 1 - Transit Zone No. 1

Land Use Category	Parcels Levied	Residential Units / Acres	Equivalent Dwelling Units	Proposed Rate	Per Unit / Acre	FY 2014/15 Charge
Low Density Cluster Residential	196	196	196	\$63.04	per unit	\$12,355.84
Low Density Residential	1,298	1,298	1,298.00	\$63.04	per unit	81,825.92
Business Park	3	8.224	181.257	\$1,389.82	per acre	11,429.82
TOTAL LEVY						\$105,611.58

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt **Resolution No. 70-2014, Attachment 1**, which initiates the proceedings for the District, preliminarily approves the Engineer’s Report, and declares its intention to levy and collect service charges for Fiscal Year 2014-2015 and adopt **Resolution**

No. 71-2014, Attachment 2, which amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2014- 2015.

EXECUTIVE SUMMARY

A. Introduction

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the "County"), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as "County Service Area Law"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the "Constitution") formed a County Service Area designated as:

County Service Area No. 10

(hereafter referred to as "the CSA" or "CSA 10") to provide miscellaneous extended transportation services for trip reduction in the following areas:

Villages of Zinfandel, Sunridge Specific Plan, and Mather Field.

On May 21, 2003, the County formed a benefit zone within a portion of the CSA to be known as:

Benefit Zone No. 1

to impose an annual charge, commencing Fiscal Year 2003/04, upon all of the parcels of land within the subdivision known as:

The Villages of Zinfandel

An Engineer's Report, dated February 27, 2003, (hereafter referred to as the "CSA Formation Report") was prepared in connection with the formation proceedings of the CSA and the concurrent proceedings to form and levy annual charges in Benefit Zone No. 1. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 1, including its structure (organization), proposed services, initial rates, inflator formula, and method of apportionment and charges, as well as the projections of development activity and cost associated with the extended services, all of which have been presented in the CSA Formation Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District's Fiscal Year 2008/09 Engineer's Report, which was approved through City Council Resolution 81-2008.)

Upon the Incorporation of the City of Rancho Cordova

On July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within Benefit Zone Nos. 1 and 2, were then located within the new City limits.

Pursuant to County Service Area Law and after all requirements to detach these portions of the CSA from County control and transfer to the City of Rancho Cordova (hereafter referred to as the "City"), LAFCO issued a Certificate of Completion to the City for the

Detachment from County Service Area No. 10

subject to the conditions within LAFCO Resolution 1342.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of those portions of CSA No. 10 lying within the City limits was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code section 56886(m) and 56886(t). In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 1, the City approved the District's Fiscal Year 2008/09 Engineer's Report to continue the annual levy of charges previously authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 1 as the:

Transit Related Services Benefit District, Zone No. 1

(hereafter referred to as the "Transit Zone No. 1" or the "District").

It is the City's intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2014/15 in order to provide certain miscellaneous extended transportation services within the District.

B. Report Organization

This Report consists of the following five (5) parts.

Part I: Plans and Specifications

This part describes the properties included in the boundaries of Transit Zone No. 1 together with the proposed extended services to be provided by Transit Zone No. 1.

Part II: The Method of Apportionment

This part describes the method of calculating each Transit Zone No. 1 parcel's annual charge.

Part III: Transit Zone No. 1 Budget

This part provides the projected costs to provide extended services to developed properties within Transit Zone No. 1.

Part IV: Diagrams

This part provides a diagram showing the detached territory of CSA 10 Benefit Zone No. 1, together with the diagrams of CSA 10 Benefit Zone No. 1; these diagrams shall serve as the exterior boundaries of Transit Zone No. 1.

Part V: Preliminary Charge Roll

This part provides the fiscal year 2014/15 preliminary charges for the parcels within Transit Zone No. 1 to be applied to the tax roll.

C. Overview

Purpose of Transit Zone No. 1

The purpose of Transit Zone No. 1 is to enable the extension of a broad range of miscellaneous transportation services to developing areas within the District boundaries. These extended services are funded by a property related charge validated pursuant to the Constitution Article XIID, Section 6. The formation of the former CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development the Zinfandel Special Planning Area and related planning documents.

Annual charges through Transit Zone No. 1 for residential and nonresidential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

Adoption Proceedings of CSA No. 10, Benefit Zone No. 1

Pursuant to Constitution Article XIID, Sections 4 and 6, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 1. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Formation Report, imposed the maximum allowable charge in Benefit Zone No. 1 for fiscal year 2003/04, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 1

According to Government Code section 56886, "Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance ...or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory."

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for detached Zones within CSA 10, utilizing the procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this Report, any references to County Service Area Law and the City's authorized capacity to apply same, the term "City" shall be used in the place of "County".

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own number by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this Report.

PART I: PLANS AND SPECIFICATIONS

This part describes the properties included in the boundaries of Transit Zone No. 1. This part also describes the proposed extended services to be provided by Transit Zone No. 1.

General Description of Services

Transit Zone No. 1 provides the funding mechanism (annual charges) for transit shuttle and other supplemental transportation services as described in the CSA Formation Report. Transit Zone No. 1 will provide transportation services to both residential and nonresidential development within the Zinfandel Special Planning Area. The formation of CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development included in County Ordinance No SCZ 2000-018 for the Zinfandel Special Planning Area and related planning documents as well as the related Transportation System Management Plan and AQ-15 Plan, for funding shuttle service and provision of supplemental transportation services.

The charges for residential and nonresidential development will fund these transportation services as determined appropriate by the City Council. The City Council, in its sole discretion, may discontinue the portion of the service charge used for shuttle service once the City Council determines that Sacramento Regional Transit has provided appropriate service. Alternately,

the City Council may maintain such service charge and increase other supplemental transportation services. Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;

PART II: METHOD OF APPORTIONMENT

A. General

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part I, above. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and inflator formula for the charge to be levied in Transit Zone No. 1.

B. Methodology

The methodology established through CSA 10 Benefit Zone No. 1 and authorized for Transit Zone No. 1 is summarized below.

The Transit Zone No. 1 charges are levied to fund property-related services. These charges comply with County Service Area Law and the Constitution Article XIID, Section 6, as the charges are to fund property-related services as defined in Article XIID.

The initial rates of CSA 10 Benefit Zone No. 1 were based on the estimated costs to fund supplemental transportation services in fiscal year 2003/04 for the Villages of Zinfandel Special Planning Area at build out.

Equivalent Dwelling Unit Factors

The unit of demand used for the charge is an equivalent dwelling unit ("EDU"). One EDU is the amount of demand for services associated with one low-density residential unit in a single year. The demand for all other land use types reflects the demand for service relative to one EDU for Low Density. **Table 1** provides the number of EDUs assigned to each land use type for calculating the maximum charge.

Table 1: Transit Zone No. 1 - EDU's by Land Use

Land Use	EDU Factor ⁽¹⁾
<i>Developed Acreage</i>	
<u><i>Residential (per dwelling unit)</i></u>

Light Industrial	9.20
<i>Undeveloped Acreage</i>	
All Land Uses	-

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No.1, FY 2003/04

These EDU Factors were based upon average daily vehicle trips ("ADT") per land use type. ADT was used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge. Demand for services was measured by using average vehicle trip generation rates that vary by type of land use. Each parcel's charge was calculated by multiplying the cost per unit of demand by each parcel's demand for services. Demand is assumed to be generated by developed residential and nonresidential land uses. No demand is associated with undeveloped land and no charge is levied on this land use.

This methodology fairly distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. In this manner, each parcel's charge does not exceed the reasonable cost of services to that parcel.

Land Use Definitions

Land use definitions are as follows:

Developed Parcels All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or prior to June 30 of the fiscal year preceding the year in which the charge is levied.

<i>Undeveloped Parcels</i>	All parcels that are not Developed Parcels or Exempt Parcels.
<i>Low Density</i>	This category includes densities of up to five (5.0) dwelling units per residential acre. Permitted uses in the LD Area as shown in Section 512-215 of the Zoning Code include those uses allowed in the RD-5, RD-4, and RD-3 Land Use Zones.
<i>Low Density Cluster</i>	This category includes densities of more than five (5.1 and greater) dwelling units per acre and up to 15.0 units per acre. Permitted uses in the Low Density Cluster area as shown in Section 512-215 include those uses allowed in the RD-7, RD-10, and RD-15 Land Use Zones.
<i>Medium Density</i>	This category includes densities of more than 15.0 (15.1 and greater) and no more than 20.0 dwelling units per acre. Permitted uses in the Medium Density area as shown in Section 512-215 of the Zoning Code include those uses allowed in the RD-15 and RD-20 Land Use Zones.
<i>High Density</i>	The category includes densities of more than 20.0 (20.1 and greater) units per net residential acre. The uses permitted in a High Density area as shown include those uses allowed in the RD-25, RD-30 and, RD-40 Land Use Zones.
<i>Retail Commercial</i>	Permitted uses within the retail commercial areas, as shown in Section 512-215 of the Zoning Code, are those uses permitted in the Shopping Center, Business and Professional Office Zone, and Residential (RD-10, RD-15, and RD-20) or any other retail category. This land use designation further includes all other uses that would generate a high number of average daily trips.
<i>Business Park</i>	Permitted uses within the Business Park areas as shown in Section 512-215 of the Zoning Code are those permitted in Business and Professional Office (BP), as listed in Zoning Code Section 225, and Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other business park-related land use category. This land use designation further includes all other uses that would generate a medium number of average daily trips.

Light Industrial

Permitted uses within the Light Industrial areas as shown in Section 512-215 of the Zoning Code are those uses permitted in the Light Industrial (M-1) Land Use Zone and the Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other industrial-related land use category.

This land use designation further includes all other uses that would generate a low number of average daily trips.

Exempt

Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 1 are provided to these parcels.

C. Formula for Inflating the Annual Maximum Charge

The formula for inflating the annual maximum charge established through CSA 10 Benefit Zone No. 1, and to be used for Transit Zone No. 1, is summarized below.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 1 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Benefit Zone No. 1. The law implementing Constitution Article XIID (Senate Bill 919) clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before adjustment of the charge to the January in the year preceding adjustment of the charge; beginning in the second fiscal year (fiscal year 2004/2005) and each fiscal year thereafter, the maximum allowable charge will be recalculated and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, has imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way, the

maximum allowable charge is adjusted annually and is calculated independent of the Benefit Zone's annual budget.

The U.S. Department of Labor, Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area as these are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 1 shall now use the CPI data for the month of February.

The percentage increase from the February 2013 CPI to the February 2014 CPI was 2.44687%.

Table 2 provides the fiscal year 2014/15 maximum charge per EDU together with the maximum charge by land use.

B. Additional Funding Requirements

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the "Rancho CordoVan") on June 15, 2009. A primary benefit of the demonstration shuttle service is mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit's light rail system.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality ("CMAQ") program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012.

The City has been able to continue to operate the shuttle serving Zone 1 by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in StoneCreek and Capital Village in September 2012 and was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT's Gold Line was changed to the Zinfandel Station in the Zinfandel parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train.

The FY 2014/15 expenditures for Transit Zone No. 1 include:

- ♦ Shuttle Services Operations & Planning – \$66,000 towards the operations and maintenance of the CordoVan shuttle service
- ♦ Transportation Planning and Coordination –.about \$5,000 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ridesharing, van pool, and shuttle program.
- ♦ Outreach and Educational Programs – about \$2,000 is allocated to continue safe routes to school education at Navigator Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school.
- ♦ Guaranteed Ride Home – about \$1,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.

- ♦ Infrastructure Support – transit facilities (bus stop signs, shelters, etc). An allocation of at least \$3,000 is needed for on-going maintenance of bus stops, shelters, and signs.
- ♦ Transit Subsidies and Incentives – about \$14,000 of financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

C. Descriptions of Budget Items

The following is a brief description of the budgeted costs associated with the services funded through the Transit Zone No. 1.

SERVICES AND OPERATING COSTS (DIRECT COSTS)

Shuttle Services Operations & Planning – Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options.

Transportation Planning and Coordination - Includes cost of transportation plans for employers and/or resident groups, which can guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs, as well as instruction in mobility (transportation alternatives) for residential groups and work site coordinators; if zero, this line item may not be shown in the budget.

Outreach and Educational Programs - Includes cost of various programs such as education of elementary students at Navigator Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school. If zero, this line item may not be shown in the budget.

Guaranteed Ride Home – Includes cost to provide free taxi rides and rental cars for ride sharers in case of an emergency.

Infrastructure Support – Includes cost of facilities, such as additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities.

Transit Subsidies and Incentives – includes cost for financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

ADMINISTRATION COSTS

City Administration — Estimated costs incurred by the City for the management and administration of the District, including actions associated

with the annual levy and collection of charges and response to inquiries or concerns of the public related thereto.

Transit Shuttle Administration — Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service budget and coordination of the annual approval of the charges.

Professional Services — Includes the professional service costs associated with the annual process of preparing the annual Engineer's Report, calculating rates, placing the annual charges of the Transit Zone onto the County tax roll and responding to public inquiries. This budget item also includes the costs of contracting with professionals to provide other administrative, legal or engineering services for operation of the Transit Zone, or for the costs of future ballot protest procedures as required.

County Collection Fees — This is the cost to the Transit Zone for the County Auditor/Controller to place charges on the property tax bills.

ADJUSTMENTS AFFECTING LEVY AMOUNT

Replenishment/(Use) of Operating Reserve – A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget.

Contribution for/(Use of) Capital Outlay/Contingency Reserve — A “contribution” increases the levy in order to generate funding for capital outlay contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay / Contingency Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Capital Outlay / Contingency Reserve is provided under “Reserve Balance Information” below.

Rounding – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

Net Adjustments – The net adjustments affecting levy amount.

Balance To Levy - This is the total amount to be levied and collected through charges for the current fiscal year. “Balance to Levy” represents the sum of the total costs together with any applicable adjustments to the budget as described above.

DISTRICT STATISTICS

Parcels to be Levied - The total number of parcels that are expected to be charged for the current fiscal year.

Developed Equivalent Dwelling Units (EDU's)- The total number of developed Equivalent Dwelling Units (EDU's) that are expected to be charged for the current fiscal year.

Applied Rate per EDU - The rate to be applied to each developed EDU for the current fiscal year.

Maximum Rate per EDU - The maximum rate to be charged to each EDU for the current fiscal year.

Total Potential Maximum Charges - The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

RESERVE BALANCE INFORMATION

The Transit Zone's two types of reserves are described further below. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve as follows: a) Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes; and, b) Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone.

OPERATING RESERVE BALANCE

Beginning Operating Reserve Balance 7-1-2014 (est.) - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2014 to December 31, 2014, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

Collect from FY 2014/15 Levy – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1, 2014 (the beginning of the Fiscal Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Use for FY 2014/15 Expenses – The amount of the Operating Reserve to be used to fund FY 2014/15 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2014 (the beginning of the Fiscal

Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Capital Outlay/Contingency Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

Ending Operating Reserve Balance 6-30-2015 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2015. This balance should be sufficiently funded to provide for the first six-months of budgeted expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

CAPITAL OUTLAY / CONTINGENCY RESERVE BALANCE

Beginning Capital Outlay / Contingency Reserve Balance 7-1-2014 (est.)- The projected balance of funds in the Capital Outlay / Contingency Reserve as of July 1, 2014. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone. Further information regarding the use of Capital Outlay / Contingency Reserve is provided above under "Reserve Balance Information".

Collect from FY 2014/15 Levy — This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the budget.

Use for FY 2014/15 Capital Outlay / Contingency Purposes – The amount of Capital Outlay / Contingency Reserve monies expected to be transferred out of the Capital Outlay / Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Operating Reserve — The amount of Capital Outlay / Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

Ending Capital Outlay / Contingency Reserve Balance 6-30-2015 (est.) - The projected balance of funds in the Capital Outlay / Contingency Reserve as of June 30, 2015. These funds shall be used for future year Capital Outlay / Contingency purposes.

PART IV: DIAGRAMS

A depiction of the diagram showing the detached territory of the CSA 10 Benefit Zone No. 1 is provided on the following page.

The diagrams used to form the CSA 10 Benefit Zone No. 1 are shown thereafter; these diagrams serve as the exterior boundaries of Transit Zone No. 1.

For parcel identification, including the lines and dimensions of each lot, parcel and subdivision of land within Transit Zone No. 1, reference is hereby made to the Sacramento County Assessor's maps for a detailed description of each parcel within Transit Zone No. 1.

FIGURE 1
CSA NO. 10 - DETACHING TERRITORY

PART V: CHARGE ROLL

Parcel identification for each lot or parcel within Transit Zone No. 1 shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

A listing of the proposed parcels to be included within Transit Zone No. 1 and the charge amount for each parcel is provided on the following pages. This listing is based on the then current property tax roll as of the date of this report.

At the conclusion of the public hearing for Transit Zone No. 1 and the proposed charges, approval of the Report (as submitted or as modified) confirms the method of apportionment and the charges to be levied against each eligible parcel and thereby constitutes the approved levy and collection of charges for FY 2014/15. The listing of parcels and the amount of charges to be levied shall be submitted to the County Auditor/Controller and included on the FY 2014/15 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and charge rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and charge rate rather than a proportionate share of the original charge.

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Senior Engineer

SUBJECT: **RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 2**

RECOMMENDATION

That Council

- 1) Adopt Resolution No. 72-2014 Initiating Proceedings for the Annual Levy and Collection of Charges, Preliminarily Approving the Engineer's Report, and Declaring its Intention to Levy the Annual Charges for Fiscal Year 2014-2015 for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2; and
- 2) Adopt Resolution No. 73-2014 Amending and/or Confirming the Engineer's Report and Establishing the Fiscal Year 2014-2015 Service Charges for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2.

RESULT OF RECOMMENDED ACTION

Adoption of these resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 2 to provide for a broad range of miscellaneous transportation services within the District as identified in the Engineer's Report.

BACKGROUND

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of miscellaneous transportation services intended to benefit the property within the Zone.

In January 2004, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 2 of County Services Area (CSA) No. 10. The CSA was formed to collect annual charges for extended transportation-related services within Benefit Zone No. 2 for the Sunridge Specific Plan Area.

CSA No. 10, Benefit Zone No. 2, is located within the City limits. Upon the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the County Service Area No. 10 formally detaching the district from the County and transferring of services responsibility and funding of the CSA to the City.

On August 4, 2008, the City redesignated the name of County Services Area No. 10 Benefit Zone No. 2 to "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2" or the "District").

The construction of the International Drive extension to Sunrise Boulevard and the completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively service the area with shuttle service. The CordoVan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. Unused funds of the FY 2013-2014 levy will be retained in reserves for future additional service to the area.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer's Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Exhibit A to the second resolution.

Through adoption of **Resolution No. 72-2014, Attachment 1**, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminarily approves such written report, and declares its intention to levy the annual charges for Fiscal Year 2014-2015. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report prepared by Willdan Financial Services, describes the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget, a description of the property to be benefited, and the amount of the charge to each individual property.

The proposed Fiscal Year 2014-2015 charges for each land use category are shown in Table 1 below.

Table 1 - Transit Zone No. 2

Land Use Category	Parcels Levied	Residential Units / Acres	Equivalent Dwelling Units	Proposed Rate	Per Unit / Acre	FY 2014/15 Charges
Low Density Residential	3,438	3,438	3,438	\$97.96	per unit	\$336,786.48
Medium Density Residential	999	999	799.2	\$78.36	per unit	78,281.64
Mixed Commercial	1	4.34	95.65	\$2,159.09	per acre	9,370.44
Retail	1	2.38	61.02	\$2,511.75	per acre	5,977.96
TOTAL LEVY						\$430,416.52

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt **Resolution No. 72-2014**, which initiates the proceedings for the District, preliminarily approves the Engineer's Report, and declares its intention to levy and collect service charges for Fiscal Year 2014-2015 and adopt **Resolution No. 73-2014**,

Attachment 2, which amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2014-2015.

EXECUTIVE SUMMARY

A. Introduction

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the “County”), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as “County Service Area Law”), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the “Constitution”) formed a County Service Area designated as:

County Service Area No. 10

(hereafter referred to as “the CSA” or “CSA 10”) to provide miscellaneous extended transportation services for trip reduction in the following areas:

**Villages of Zinfandel,
Sunridge Specific Plan, and
Mather Field.**

Upon the Incorporation of the City of Rancho Cordova

on July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within the Sunridge Specific Plan, was then located within the new City limits.

On January 11, 2005, the County, in coordination with the City of Rancho Cordova (hereafter referred to as the “City”), formed a benefit zone within a portion of the CSA to be known as:

Benefit Zone No. 2

to impose an annual charge, commencing Fiscal Year 2005/06, upon all of the parcels of land within the subdivision known as the:

Sunridge Specific Plan

An Engineer’s Report dated November 18, 2004 and noted as “Final (Revised)”, together with the one-page memorandum, dated January 10, 2005, regarding an amendment thereto (hereafter referred to as the “CSA Zone 2 Formation Report”) was prepared in connection with the proceedings to form and levy annual charges in Benefit Zone No. 2. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 2, including its structure (organization), proposed services, initial rates, inflator formula, and method of apportionment and charges, as well as the projections of development activity and cost associated with the extended services, all of which have been presented in the CSA Formation

Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District's Fiscal Year 2008/09 Engineer's Report, which was approved through City Council Resolution 82-2008.)

Pursuant to County Service Area Law and after all requirements to detach the portion of CSA 10 from County control and transfer to the City, LAFCO issued a Certificate of Completion to the City for the

Detachment from County Service Area No. 10

subject to the conditions within LAFCO Resolution 1342. The detaching territory was comprised of the areas known as Benefit Zone No. 1, Benefit Zone No. 2 and a portion of Mather Field.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of these portions of CSA No. 10 within the City's boundary was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code Sections 56886(m) and 56886(t). In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 2, the City approved the District's Fiscal Year 2008/09 Engineer's Report to continue the annual levy of charges previously authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 2 as the:

Transit Related Services Benefit District, Zone No. 2

(hereafter referred to as the "Transit Zone No. 2" or the "District").

It is the City's intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2014/15 in order to provide certain miscellaneous extended transportation services within the District.

B. Report Organization

This Report consists of the following five (5) parts:

Part I: Plans and Specifications

This part describes the properties included in the boundaries of Transit Zone No. 2 together with the proposed extended services to be provided by Transit Zone No. 2.

Part II: The Method of Apportionment

This part describes the method of calculating each Transit Zone No. 2 parcel's annual charge.

Part III: Transit Zone No. 2 Budget

This part provides the projected costs to provide extended services to developed properties within Transit Zone No. 2.

Part IV: Diagrams

This part provides a diagram showing the detached territory of CSA 10 Benefit Zone No. 2, together with the diagrams of CSA 10 Benefit Zone No. 2; these diagrams shall serve as the exterior boundaries of Transit Zone No. 2.

Part V: Preliminary Charge Roll

This part provides the fiscal year 2014/15 preliminary charges for the parcels within Transit Zone No. 2 to be applied to the tax roll.

C. Overview

Purpose of Transit Zone No. 2

The purpose of Benefit Zone No. 2 is to extend certain transportation-related services to developing areas, as described below. Extended services are funded by a property related charge pursuant to the Constitution Article XIIID, Section 6. The formation of Benefit Zone No. 2 fulfills certain conditions of development for the Sunridge Specific Plan and related planning documents.

Annual charges through Transit Zone No. 2 for residential and nonresidential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

Adoption Proceedings of CSA No. 10, Benefit Zone No. 2

Pursuant to Constitution Article XIIID, Sections 4 and 6, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 2. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Zone 2 Formation Report, imposed the maximum allowable charge in Benefit Zone No. 2 for fiscal year 2005/06, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 2

According to Government Code section 56886, "Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or

district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance ...or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory."

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for the detached Zones within CSA 10, utilizing the procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this Report, any references to County Service Area Law and the City's authorized capacity to apply same, the term "City" shall be used in the place of "County".

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own number by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this Report.

PART I: PLANS AND SPECIFICATIONS

This part describes the properties included in the boundaries of Transit Zone No. 2. This part also describes the proposed extended services to be provided by Transit Zone No. 2.

A. Description of Transit Zone No. 2

Transit Zone No. 2 Boundaries

The boundaries of Transit Zone No. 2 and the former CSA 10 Benefit Zone No. 2 are congruent. Benefit Zone No. 2 is an irregular shape that covers the Sunridge Specific Plan. The Sunridge Specific Plan is generally located:

- ♦ South of Douglas Boulevard (plus a small triangular section adjoining to the north);
- ♦ North of Kiefer Boulevard;
- ♦ East of Sunrise Boulevard; and
- ♦ West of Grant Line Road.

Reference is made to the diagrams shown in Part IV of the Report.

General Description of Services

Transit Zone No. 2 provides the funding mechanism (annual charges) for transit shuttle and other supplemental transportation services as described in the CSA Zone 2 Formation Report. Transit Zone No. 2 will provide transportation services to both residential and nonresidential development within the Sunridge Specific Plan. The formation of CSA 10 Benefit Zone No. 2 fulfilled certain conditions of development included in County Ordinance No SCZ 2002-0014 for the Sunridge Specific Plan and related planning documents as well as the related Transportation System Management Plan and AQ-15 Plan.

In particular, Benefit Zone No. 2 is designed to support implementation of the following zoning condition:

The Sunridge Specific Plan shall have a targeted goal of a 30% reduction in daily vehicle trips. In support of that goal, the Sunridge Specific Plan shall participate in a County Service Area (CSA), or an equivalent funding mechanism to the satisfaction of the Board of Supervisors, or successor city, for the purpose of funding a variety of transportation demand management strategies, including but not limited to a transit shuttle service, which will contribute Sunridge's targeted 30% reduction in daily vehicle trips.

The charges for residential and nonresidential development will fund these transportation services as determined appropriate by the City Council. Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;
- ♦ Transit Subsidies – financial assistance to encourage residents and employees to use transit or other alternative transportation measures;
- ♦ Transportation Plans for employers and/or resident groups – plans which guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs;
- ♦ Education Programs – various programs such as education of transit options, home office set up, alternative commute opportunities;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternative and ride share informational boards/kiosks, and transit facilities;
- ♦ Transportation Coordinator Training and Support – instruction in mobility (transportation alternatives) for residential groups and work site coordinators;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for purchasing new bicycles or alternative fuel vehicles.

PART II: METHOD OF APPORTIONMENT

A. General

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part I, above. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and inflator formula for the charge to be levied in Transit Zone No. 2.

B. Methodology

The methodology established through CSA 10 Benefit Zone No. 2 and authorized for Transit Zone No. 2 is summarized below.

The Transit Zone No. 2 charges are levied to fund property-related services. These charges comply with County Service Area Law and Constitution Article XIID, Section 6, as the charges are to fund property-related services as defined in Article XIID.

The initial rates of CSA 10 Benefit Zone No. 2 were based on the estimated costs to fund supplemental transportation services in fiscal year 2005/06 for the Sunridge Specific Plan at build out.

Equivalent Dwelling Unit Factors

Each land use type is assigned an Equivalent Dwelling Unit (EDU) factor representing the relative demand for services compared to a low-density single family unit.

The level of service identified for Benefit Zone No. 2 was based on the level of service identified in user surveys conducted by the North Natomas Transportation Management Authority ("NNTMA"). Demand for services was measured using vehicle trip generation rates adjusted for trip length and trip purpose (diverted and pass-by trips versus primary trips) by type of land use.

Demand is assumed to be generated by developed residential and nonresidential land uses. No demand is associated with undeveloped land and no charge is levied on this land use. **Table 1** provides the number of EDU's assigned to each land use type for calculating the maximum charge.

Table 1: Transit Zone No. 2 - EDU's by Land Use

Land Use	EDU Factor ⁽¹⁾
<i>Developed Acreage</i>	
<u><i>Residential (per dwelling unit)</i></u>	
Low Density	1.00
Medium Density	0.80
High Density	0.60
<u><i>Nonresidential (per acre)</i></u>	
Retail and Service Commercial	25.64
Commercial Mixed Use	22.04
<i>Undeveloped Acreage</i>	
All Land Uses	0

(1) EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 2, FY 2005/06

Each parcel's charge is calculated by multiplying the cost per EDU by the amount of EDU's assigned to each land use type. This methodology fairly distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. Each parcel's charge does not exceed the reasonable cost of services to that parcel.

The EDU factor for each land use is based upon average daily vehicle trips (ADT) per land use type. ADT is used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge.

Land Use Definitions

Land use definitions are as follows:

Developed Parcels

All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or

	prior to June 30 of the fiscal year preceding the year in which the charge is levied.
<i>Undeveloped Parcels</i>	All parcels that are not Developed Parcels or Exempt Parcels.
<i>Low Density Residential</i>	This category includes densities of up to five (5.0) dwelling units per acre. Uses consistent with the Low Density Residential category include those allowed by right in the RD-5 land use zone and other residential zones of lesser maximum density as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.
<i>Medium Density Residential</i>	This category includes densities of more than five (5.1 or greater) dwelling units per acre and up to fifteen (15.0) dwelling units per acre. Uses consistent with the Medium Density Residential category include those allowed by right in the RD-7, RD-10, and RD-15 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.
<i>High Density Residential</i>	This category includes densities of more than fifteen (15.1 or greater) dwelling units per acre. Uses consistent with the High Density Residential category include those allowed by right in the RD-20, RD-25, RD-30, and RD-40 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.
<i>Retail & Service Commercial</i>	This category as designated in the Sunridge Specific Plan includes those non-residential land uses allowed by right or use permit in the SC Shopping Center land use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses

that would generate a high number (500 or more) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the SC Shopping Center land use zone by development plan review or by conditional use permit are considered to be Low Density, Medium Density, or High Density Residential according to their density as determined by the Planning Director of Rancho Cordova and these definitions.

Commercial Mixed Use

This category as designated in the Sunridge Specific Plan includes those non-residential land uses allowed by right or use permit in the LC Limited Commercial land use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses that would generate a low to medium number (less than 500) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the LC Limited Commercial land use zone by development plan review or by conditional use permit are considered to be either Low Density, Medium Density, or High Density Residential according to their actual density in dwelling units per acre as determined by the Planning Director of Rancho Cordova and these definitions.

Exempt

Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 2 are provided to these parcels.

C. Formula for Inflating the Annual Maximum Charge

The formula for inflating the maximum annual charge established through CSA 10 Benefit Zone No. 2, and to be used for Transit Zone No. 2, is summarized below.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 2 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Benefit Zone No. 2. The law implementing Constitution Article XIID (Senate Bill 919) clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before adjustment of the charge to the January in the year preceding adjustment of the charge; beginning in the second fiscal year (fiscal year 2006/2007) and each fiscal year thereafter, the maximum allowable charge will be recalculated and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, has imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way, the maximum allowable charge is adjusted annually and is calculated independent of the Benefit Zone's annual budget.

The U.S. Department of Labor, Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area as these are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 2 shall now use the CPI data for the month of February.

The percentage increase from the February 2013 CPI to the February 2014 CPI was 2.44687%.

Table 2 provides the fiscal year 2014/15 maximum charge per EDU together with the maximum charge by land use.

Table 2: Transit Zone No. 2 - Maximum Charge by Land Use

(2) The FY 2014/15 maximum charge per EDU is calculated by increasing the FY 2013/14 maximum charge per EDU of \$95.6226 by 2.44687%, the percentage increase in the CPI from February 2013 to February 2014.

Rates and percentages shown in this Report have been rounded for presentation purposes.

B. Additional Funding Requirements

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the "Rancho CordoVan") on June 15, 2009. A primary benefit of the demonstration shuttle service was mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit's light rail system. The Rancho CordoVan demonstration shuttle was limited to the area between the Cordova Town Center Light Rail station and the businesses and residents just south of Highway 50, along Zinfandel Boulevard.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality ("CMAQ") program with supplemental funding from each benefit zone proportional to directly related services in that Zone. No funds from CSA 10 Benefit Zone 2 were used to operate this service. The Grant funding and the demonstration period ended on June 30, 2012.

The completion of the International Drive extension to Sunrise Boulevard and the recent completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively serve the Sunridge area with shuttle service. The Cordovan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. Unused funds of the FY 2014/15 annual levy will be retained in reserves for future additional services to the area.

The FY 2014/15 expenditures for Transit Zone No. 2 include:

- ♦ Shuttle Services Operations - \$180,000 towards the operations and maintenance of the CordoVan shuttle service.
- ♦ Transportation Planning and Coordination – about \$7,500 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ride sharing, van pool and shuttle program
- ♦ Outreach and Educational Programs – about \$6,000 is allocated to continue safe routes to school education at Sunrise Elementary School in the Anatolia community on alternative mode transportation and encourage students and parents to walk or bicycle to school.

- ♦ Guaranteed Ride Home – about \$1,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.
- ♦ Transit Subsidies and Incentives – about \$23,500 of financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.
- ♦ Infrastructure Support – transit facilities (bus stop signs, shelters, etc). An allocation of about \$7,500 is needed for on-going maintenance of bus stops, shelters, and signs.

C. Descriptions of Budget Items

The following is a brief description of the budgeted costs associated with the services funded through the Transit Zone No. 2.

SERVICES AND OPERATING COSTS (DIRECT COSTS)

Shuttle Services Operations – Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options; if zero, this line item may not be shown in the budget.

Transportation Planning and Coordination — Includes cost of transportation plans for employers and/or resident groups which can guide employers and resident groups on the implementation of trip reduction programs for ridesharing, van pool, shuttle services or similar programs, as well instruction in mobility (transportation alternatives) for residential groups and work site coordinators; if zero, this line item may not be shown in the budget.

Outreach and Educational Programs — Includes cost of various programs such as education of elementary students at Sunrise Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school; if zero, this line item may not be shown in the budget.

Guaranteed Ride Home – Includes cost to provide free taxi rides and rental cars for ride sharers or shuttle riders in case of an emergency; if zero, this line item may not be shown in the budget.

Transit Subsidies and Incentives – Includes financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool or transit shuttle services; if zero, this line item may not be shown in the budget.

Infrastructure Support – Includes cost of facilities, such as additional bike racks and lockers, transportation alternative and ride share informational

boards/kiosks, and transit facilities; if zero, this line item may not be shown in the budget.

ADMINISTRATION COSTS

City Administration — Estimated costs incurred by the City for the management and administration of the District, including actions associated with the annual levy and collection of charges and response to inquiries or concerns of the public related thereto.

Transit Shuttle Administration — Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service budget and coordination of the annual approval of the charges.

Professional Services — Includes the professional service costs associated with the annual process of preparing the annual Engineer's Report, calculating rates, placing the annual charges of the Transit Zone onto the County tax roll and responding to public inquiries. This budget item also includes the costs of contracting with professionals to provide other administrative, legal or engineering services for operation of the Transit Zone, or for the costs of future ballot protest procedures as required.

County Collection Fees — This is the cost to the Transit Zone for the County Auditor/Controller to place charges on the property tax bills.

ADJUSTMENTS AFFECTING LEVY AMOUNT

Replenishment to / (Use of) Operating Reserve – A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget.

Contribution to / (Use of) Capital Outlay / Contingency Reserve — A “contribution” increases the levy in order to generate funding for capital outlay / contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay / Contingency Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Capital Outlay / Contingency Reserve is provided under “Reserve Balance Information” below.

Rounding – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

Net Adjustments – The net adjustments affecting levy amount.

Balance To Levy - This is the total amount to be levied and collected through charges for the current fiscal year. “Balance to Levy” represents the sum of

the total costs together with any applicable adjustments to the budget as described above.

DISTRICT STATISTICS

Parcels to be Levied - The total number of parcels that are expected to be charged for the current fiscal year.

Developed Equivalent Dwelling Units (EDU's) - The total number of developed Equivalent Dwelling Units (EDU's) that are expected to be charged for the current fiscal year.

Applied Rate per EDU - The rate to be applied to each developed EDU for the current fiscal year.

Maximum Rate per EDU - The maximum rate to be charged to each EDU for the current fiscal year.

Total Potential Maximum Charges - The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

RESERVE BALANCE INFORMATION

The Transit Zone's two types of reserves are described further below. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve as follows: a) Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes; and, b) Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone.

OPERATING RESERVE BALANCE

Beginning Operating Reserve Balance 7-1-2014 (est.) - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2014 to December 31, 2014, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

Collect from FY 14/15 Levy - This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1,

2014 (the beginning of the Fiscal Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Use for FY 14/15 Expenses – The amount of the Operating Reserve to be used to fund FY 14/15 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2014 (the beginning of the Fiscal Year) through December 31, 2014. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Capital Outlay/Contingency Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

Ending Operating Reserve Balance 6-30-2015 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2015. This balance should be sufficiently funded to provide for the first six-months of budgeted expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

CAPITAL OUTLAY / CONTINGENCY RESERVE BALANCE

Beginning Capital Outlay / Contingency Reserve Balance 7-1-2014 (est.) — The projected balance of funds in the Capital Outlay / Contingency Reserve as of July 1, 2014. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone. Further information regarding the use of Capital Outlay / Contingency Reserve is provided above under "Reserve Balance Information".

Collect from FY 14/15 Levy — This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the budget.

Use for FY 14/15 Capital Outlay / Contingency Purposes – The amount of Capital Outlay / Contingency Reserve monies expected to be transferred out of the Capital Outlay / Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the budget.

Transfer from/(to) the Operating Reserve — The amount of Capital Outlay / Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve

may be needed to respond to changing operational needs of or conditions within the Transit Zone. If zero, this line item may not be shown in the budget.

Ending Capital Outlay / Contingency Reserve Balance 6-30-2015 (est.) -

The projected balance of funds in the Capital Outlay / Contingency Reserve as of June 30, 2015. These funds shall be used for future year Capital Outlay / Contingency purposes.

PART IV: DIAGRAMS

A depiction of the diagram showing the detached territory of the CSA 10 Benefit Zone No. 2 is provided on the following page.

The diagrams used to form the CSA 10 Benefit Zone No. 2 are shown thereafter; these diagrams serve as the exterior boundaries of Transit Zone No. 2.

For parcel identification, including the lines and dimensions of each lot, parcel and subdivision of land within Transit Zone No. 2, reference is hereby made to the Sacramento County Assessor's maps for a detailed description of each parcel within Transit Zone No. 2.

PART V: CHARGE ROLL

Parcel identification for each lot or parcel within Transit Zone No. 2 shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

A listing of the proposed parcels to be included within Transit Zone No. 2 and the charge amount for each parcel is provided on the following pages. This listing is based on the then current property tax roll as of the date of this report.

At the conclusion of the public hearing for Transit Zone No. 2 and the proposed charges, approval of the Report (as submitted or as modified) confirms the method of apportionment and the charges to be levied against each eligible parcel and thereby constitutes the approved levy and collection of charges for FY 2014/15. The listing of parcels and the amount of charges to be levied shall be submitted to the County Auditor/Controller and included on the FY 2014/15 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and charge rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and charge rate rather than a proportionate share of the original charge.

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Stephanie Snyder, City Manager's Office

SUBJECT: APPLICATION FOR AWARD OF EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT (JAG) PROGRAM FUNDING FOR 2014

RECOMMENDATION

Adopt Resolution No. 101-2014.

RESULT OF RECOMMENDED ACTION

City will make application for, and be authorized to accept if awarded, grant funding from the Department of Justice JAG Program for 2014.

BACKGROUND

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program, Local Solicitation, is a formula based grant program provided by the U.S. Department of Justice. The JAG program provides states and local governments with critical funding necessary to support a broad range of program areas including law enforcement, prosecution and courts, crime prevention and education, corrections and community prosecution, drug treatment and enforcement, planning, evaluation, technology improvement, and crime victim and witness initiatives.

JAG program funds are allocated to the states and local jurisdictions based on previous crime reporting through the FBI Uniform Crime Reporting Program. The Sheriff's Department began separately reporting Rancho Cordova crime statistics to the FBI a few years ago, which triggered City eligibility for JAG funding for the first time in 2013. The City received \$27,964 for first-time eligibility in 2013 to assist in implementing the Community Prosecution Program (CPP).

Current year funding availability is \$32,156 in the FFY 2014-15 starting October 2014. This round of funding will address a need for law enforcement equipment at the Rancho Cordova Police Department to enhance the work and potential crime-fighting capabilities of several interrelated units: investigations, surveillance, traffic enforcement, Intelligence Led Policing (ILP), Problem-Oriented Policing (POP) and patrol services. Specifically, funds are requested for attic pole cameras to assist in officer safety and searches, Panasonic Toughbook tablets for motor units that extend field capabilities, and additional license plate readers to equip surveillance trailers for flexible use throughout the city.

A public hearing and resolution of approval by the governing board is required to receive funding (**Attachment 1**). In addition, 30 days prior to this action, the City filed the required public

notice in our local newspaper with information on access to the application and notice of this hearing date. City Council action will complete the process and pave the way to accept the grant, if received as expected, and move forward with the equipment purchase.

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Brian Nakamura, City Manager

SUBJECT: RESOLUTION ESTABLISHING NOVEMBER 4, 2014 AS THE DATE FOR AN ELECTION ON A PROPOSED BALLOT MEASURE SEEKING VOTER APPROVAL TO IMPOSE A ONE-HALF OF A CENT TRANSACTIONS AND USE ("SALES") TAX FOR GENERAL CITY SERVICES, ESTABLISHING POLICIES AND PROCEDURES IN CONNECTION WITH SUCH AN ELECTION, AND REQUESTING THAT THE COUNTY OF SACRAMENTO CONDUCT SUCH AN ELECTION

RECOMMENDATION

Staff recommends adoption of Resolution No. 98-2014.

RESULT OF RECOMMENDED ACTION

If the City Council adopts the Resolution, residents of the City of Rancho Cordova will be provided with the opportunity to vote on a ballot measure in the November 4, 2014 General Election. If approved by the voters, the ballot measure would enact a one-half cent sales tax to enhance City services, facilities and programs, including:

- Enhancing anti-gang and youth violence prevention programs
- Increasing neighborhood police patrols
- Fixing streets faster
- Expanding children/teen after-school programs
- Removing blight/revitalizing vacant buildings along Folsom Boulevard
- Building community facilities for seniors, working adults and children
- Other general city services.

The City Council's action does not connote support or opposition to this measure, but simply places it on the consolidated ballot for local voters to decide.

BACKGROUND

Every two years the City conducts a resident satisfaction survey to provide feedback on city services, priorities and community concerns. The December 2013 survey showed that residents were highly satisfied with Rancho Cordova's quality of life, but that they are also interested in addressing community priorities in a more significant way. For the past several months the City has been gathering feedback from the community regarding what community priorities they would like addressed and their interest in a potential local revenue measure to address those priorities.

Through the tremendous efforts of citizen leaders, the City of Rancho Cordova officially incorporated in 2003. The community incorporated to obtain local control, in order to strengthen community image and spirit, increase public safety, and provide an increased level of service to Rancho Cordova residents.

On July 1, 2013, the City of Rancho Cordova celebrated its 10th Anniversary. A lot has been accomplished during our first 10 years:

- Achieved financial success and stability
- Significantly reduced violent and non-violent crime rates
- Reinvigorated the Olsen Island shopping area: Koreana Plaza expanded, Kohl's opened at the Mervyns' location
- Reinvigorated the Rivergate Plaza
- The "Finger Area" was annexed into the City
- Capital Village was developed
- Demolished five significant problem properties
- Completed Folsom Boulevard improvements, the Zinfandel Drive extension, constructed International Bridge
- Resurfaced or repaired 77 miles of roadway and constructed 61 new miles of roadways
- Renovated and restored historic Kilgore Cemetery
- Facilitated the opening of the Sacramento Children's Museum
- Developed relationships with partners to enhance services
- Received numerous awards including: All-America City, Great Places to Work and Playful City, U.S.A.
- Created a new, sustainable, LEED certified City Hall

As previously mentioned, the City conducts a resident satisfaction survey every two years to provide feedback on service priorities and community concerns. The most recent survey, completed in December 2013, shows that residents are happy with Rancho Cordova's quality of life, with 85% of respondents saying they were either "very" or "somewhat" satisfied with the services provided by the City of Rancho Cordova.

Since over 10 years have passed since incorporation, and many of the original goals have been achieved, the December 2013 survey also assessed what ongoing priorities the community would like address. Through the survey, the residents identified the following top priorities:

- Enhancing anti-gang and youth violence prevention programs
- Increasing neighborhood police patrols
- Fixing streets faster
- Expanding children/teen after-school programs
- Removing blight/revitalizing vacant buildings along Folsom Boulevard
- Building community and recreation facilities for seniors, working adults and children

We continue to focus on these priorities, through both direct efforts and collaboration with our partner agencies. In 2012 the State eliminated local redevelopment agencies – our primary future funding source for economic development efforts and revitalization of Folsom Boulevard. The State's elimination of redevelopment agencies has significantly impacted economic development efforts and our ability to make improvements to Folsom Boulevard and other areas of the City.

The December 2013 survey also asked residents if they were interested in a local revenue measure to address these community priorities. Over 73% of respondents said they were “very likely” or “somewhat likely” to support a half-cent sales tax, significantly above the 50% threshold needed for passage.

Given significant interest in the community, staff engaged the community to continue the discussion of community priorities and interest in a potential local sales tax measure. Our outreach efforts included emailing a letter to 101 community leaders, describing the issue and requesting feedback by turning in a Community Feedback form, or going to the City’s website to complete the form online. We then sent out an interactive informational mailer to the community inviting residents to provide feedback by returning a tear-off Community Feedback Survey or to by using the online tool on the city’s website.

Small teams of staff also presented to the following community organizations to update them about the City’s efforts to address community priorities:

- Kiwanis Club
- Volunteers in Neighborhood Services (VINS)
- Anatolia Homeowners Association
- Soroptimist Club
- Rancho Cordova Chamber of Commerce Board of Directors
- Rotary Club
- Cordova Community Council Board of Directors
- Neighborhood Watch
- Keep Cordova Meadows Beautiful

Staff presented the issue to these community groups and facilitated discussions on their community priorities and discussed the possibility of a half-cent sales tax measure to address community priorities in a more significant way. Through these discussions and outreach efforts we collected over 720 total feedback surveys. The priorities identified and discussed at the community organization meetings, and those received from the feedback surveys, are similar to the priorities identified in the December 2014 survey.

Another survey was conducted by the Godbe Research Group in June 2014 to assess whether the community was still interested in a half-cent sales tax measure to address community priorities. That survey shows that there is still significant support for this measure, even with turnout now expected to be low, in the November 2014 General Election. The results of the survey will be presented at the July 21st City Council meeting.

A half-cent local sales tax add-on would provide over \$5 million to the city per year. It adds 25 cents to a \$50 taxable purchase. This new local revenue source would greatly increase the City’s ability to address the community priorities. The proposed measure recommended by staff for placement on the ballot would accomplish, among others the following policy objective identified by constituents as being priorities:

- **Improving police services** – Additional funds could enhance current levels of police service, including more neighborhoods patrols, and youth crime prevention programs.

- **Improving Folsom Boulevard** – Constituents have consistently identified improvements to Folsom Boulevard to improve safety, reduce panhandling, revitalize old, vacant buildings and attract new business and entertainment to the areas, as being areas of interest.
- **Local Control of Funds** – Consistent with our local history and movement to incorporate as our own independent city, Rancho Cordova residents highly value local control over local funds for local needs, ensuring that taxpayer dollars remain local to enhance our services, with no ability to be seized by the State.

All funds from this measure would be independently audited and the reports made publicly available, consistent with the City's accountable fiscal management and transparency.

The statewide sales tax rate is 7.5%, 1% of which is generally distributed to counties and cities based upon the point of sale. In addition to the 7.5% statewide sales tax, voters in Sacramento County have approved a half-cent add on tax for transportation maintenance and improvements, bringing our sales tax rate in Rancho Cordova to 8%. If a local half-cent sales tax measure is approved by voters Rancho Cordova's sales tax rate would be 8.5%, the same rate as the City of Sacramento and the City of Galt. Current sales tax rates in the region are as follows:

City of Sacramento	8.50%
City of Galt	8.50%
City of Davis	8.50%
City of Citrus Heights	8.00%
City of Folsom	8.00%
City of West Sacramento	8.00%
County of Sacramento	8.00%
City of Vacaville	7.88%
County of El Dorado	7.50%

There are currently 115 cities (not including San Francisco City/County) with voter approved local sales tax rates. Muniservices, LLC, the city's sales tax consultant, has advised that cities that have enacted a local sales tax do not see a corresponding decrease in economic activity.

A local sales tax is slightly different than the statewide sales tax. First, the tax is specific to the city in which the voters reside. Therefore, it cannot be taken, or even borrowed, by the County, the State or the Federal Government. It belongs solely to the City to improve services for its residents and businesses. Second, it is applied in a slightly different manner. While the statewide sales tax is generally point of sale based, a local sales tax is destination based. This means that it is applied based upon where the goods are received versus where they are

purchased. This doesn't affect retail sales, because the goods are both purchased and received in the store. But, it does change how the tax is applied for online purchases and for business to business purchases. A local sales tax is applied to the online purchase and remitted to the City in which the product is being shipped. Also, in a business to business transaction, local sales tax is applied based on where the product is being shipped. Therefore, those businesses in Rancho Cordova, when selling and shipping product to customers outside of Rancho Cordova, need not apply the local sales tax rate to the transaction.

The details for the tax and how it would be administered are set out in the attached ordinance.

The resolution authorizes the Mayor to prepare a written argument in favor of the proposed measure. If council chooses, this can be amended to authorize a different council member to prepare and sign the argument in favor of the measure.

Should the City Council decide to place the half cent sales tax on the ballot for the November 2014 General Election, and, should the voters approve the measure, the tax rate is anticipated to be in effect by April 1, 2015. The proceeds from the sales tax would be used to address current and future community priorities.

At the Mayor's discretion, the argument may also be signed by any combination of members of the City Council or bona fide associations or by individual voters who are eligible to vote on the measure. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The transactions and use tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the city would undertake the required CEQA review for that particular project. Therefore, under CEQA Guidelines section 15060 review under CEQA is not required.

NOW THEREFORE, THE PEOPLE OF THE CITY OF RANCHO CORDOVA DO ORDAIN AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The People of Rancho Cordova find that all Recitals are true and correct and are incorporated herein by reference.

SECTION 2. Amendment of Municipal Code. The Rancho Cordova Municipal Code is hereby amended to add Chapter 3.05 to read as follows:

3.05.010 - Title.

This Ordinance shall be known as the Rancho Cordova Transactions and Use Tax Ordinance. The City of Rancho Cordova hereinafter shall be called "City." This Ordinance shall be applicable in the incorporated territory of the City.

3.05.020 - Operative Date.

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this Ordinance, the date of such adoption being as set forth below.

3.05.030 - Purpose.

This Ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the

EXHIBIT A

electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.

3.05.040 - Contract With State.

Prior to the operative date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.05.050 - Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one-half of one percent (0.5%) on the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Ordinance.

3.05.060 - Place of Sale.

For the purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

EXHIBIT A**3.05.070 - Use Tax Rate.**

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this Ordinance for storage, use or other consumption in said territory at the rate of one-half of one percent (0.5%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.05.080 - Adoption of Provisions of State Law.

Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Ordinance as though fully set forth herein.

3.05.090 - Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:
 - 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California;
 - 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance;
 - 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
 - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.
 - 4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

EXHIBIT A

- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

3.05.100 - Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Ordinance.

3.05.110 - Exemptions and Exclusions.

- A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.
- B. There are exempted from the computation of the amount of transactions tax the gross receipts from:
 - 1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
 - 2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
 - a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
 - b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

EXHIBIT A

 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Ordinance.
 5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- C. There are exempted from the use tax imposed by this Ordinance, the storage, use or other consumption in this City of tangible personal property:
1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
 2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
 3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.
 4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Ordinance.
 5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
 6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the

EXHIBIT A

property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

- D. Any person subject to use tax under this Ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.05.120 - Amendments.

All amendments subsequent to the effective date of this Ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this Ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this Ordinance.

3.05.130 - Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this Ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.05.140 - Annual Audit.

Annually the City Council retains an independent auditor to conduct an audit of and provide audited financial statements for all of the City's financial activities. The auditor shall include an accounting of the revenue received from the tax in the audited financial statements. The auditor's report shall be presented to the Council and made available to the public.

3.05.150 – Amendments by City Council.

The following amendments to this Chapter must be approved by the voters of the City: increasing the tax rate or revising the methodology for calculating the tax such that a tax increase would result; imposing the tax on transactions and uses not previously subject to the tax (unless such amendment occurs automatically by operation of Section 12); or extending the

EXHIBIT A

tax. The City Council may otherwise amend this Chapter without submitting the amendment to the voters for approval.

3.05.160 - Termination Date.

The authority to levy the tax imposed by this Ordinance shall continue until this ordinance is repealed by a majority vote of the voters of the City, or until it is repealed or suspended or by a majority vote of the City Council, in the event that the City Council repeals or suspends the tax, it may resume collection without voter approval as long as the transactions tax rate and use tax rate are not higher than the rates set forth in Sections 3.05.050 and 3.050.070, respectively.

SECTION 3. Adjustment of Appropriations Limit. Pursuant to Article XIII B of the Constitution of the State of California and applicable laws, the appropriations limit for the City is hereby increased by the aggregate sum authorized to be levied by this tax for fiscal year 2014-15 and each year thereafter.

SECTION 4. Compliance with the California Environmental Quality Act. The approval of this Ordinance is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). This Ordinance imposes a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the ordinance is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the city would undertake the required CEQA review for that particular project. Therefore, pursuant to CEQA Guidelines section 15060, CEQA analysis is not required.

SECTION 5. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 6. Effective Date. This Ordinance relates to the levying and collecting of the City transactions and use taxes and shall take effect immediately.

Subject: Proposed Sales Tax

Good Morning City Council.

I believe that a proposed 1/2 cent sales tax is on the agenda for this evening. As I can't be there, I wanted to let you know of my thoughts on this issue. As a general rule, I am opposed to tax increases. If this was the county or state, I would be very much against an increase. But Rancho Cordova is different. After 11 years of a balanced budget, I trust the City Council and the staff of Rancho Cordova.

I have given this a great deal of thought. After being extorted by the county thru revenue neutrality, and Jerry Brown stealing the redevelopment funds, we have very little left in the budget to improve this community. I know that there are projects that really need to be done, but we currently do not have the funds to do them. With revenue neutrality in effect for another 14 years, we won't have needed funds for a long time. That may be too late for some of the improvements, or they will cost significantly more. Rancho Cordovans have always been very supportive of improving this community and its schools, and I think that they would support this increase if it was presented properly. This is for community benefits, not staff raises. With a new city manager, I believe that we need to continue to improve, but this usually takes money. Therefore, I support the proposed 1/2 sales tax for Rancho Cordova. May we live long and prosper. Thank you.

Sincerely, George Burnash

Subject: Pro Potential Local Tax Letter for 7/21 City Council Mtg
Date: Friday, July 18, 2014 7:23:09 PM

Dear Mindy,

If you are not the Rancho Cordova City Clerk, can you please forward this email to that individual? I will not be able to attend the 7/21 City Council mtg, and saw instructions to send the below letter (Enc. #1) to be read at the meeting.

Thank you,
Karen

Dear City Clerk and Council Members,

I am out of state at the time of our city council meeting 7/21/14. Please accept this letter on my behalf. I appreciate your interest in hearing my views regarding a potential local sales tax.

I am a 25 year resident and homeowner in Rancho Cordova. Both my kids went through Cordova's school and sport system. I am for the proposed local tax. I believe it will allow more options to upgrade/improve the older parts of Rancho Cordova, as well as generate low-no cost options for youth activities through generating revenue over a broad base of people doing business in Cordova (residents, guests, corporate workers alike--not just home owners).

Thank you for your consideration,

Subject: Tax proposal

I will be out of the country during the upcoming council meeting discussing the possible tax increase. I would like this either read or submitted into the records please :

The park District has done a wonderful job of making sure the new parks in the new neighborhoods have modern parks which help reinforce the neighborhood feeling. Unfortunately, the existing parks in the older neighborhoods have essentially been kept functional with baling wire, gum , and hope. Or in the case of the Federspiel pool (a perfect neighborhood pool) filled, sodded , and called a park . It is not a park, it's a green lot . The time has come to stop blaming past boards, past decisions, and Prop 13, and admit we have failed the old parks , and something needs done. Hagan Park should be our grown jewel that rivals Land Park in Sacramento , however it reminds me more of a half empty dying mall, best viewed in dim light.

I am most familiar with the pool complex, once a place where a State Fair meet was held Now a complex with one pool empty, and another pool out of date ,and leaking, bathrooms that as far as I am aware have had 1 minor update in 30 years. As a 38 year resident of Rancho Cordova whose kids participated in youth sports over a 20 year period, who has had kids work summers for the district, it saddens and upsets me to see what we have allowed our older parks to become.

There can be support for a tax measure, HOWEVER any tax proposed should have clear objectives spelled out, and concentrate on the older facilities. We do not need vague promises, and no vision. We need parks updated. As a city we should be ashamed of what we have allowed to happen to our older parks. If the city of Rancho Cordova is not careful, "old Rancho ", will be viewed as " across the tracks "

Thank you

Regarding: City Council Agenda Item 11.1 Ballot Measure Seeking Voter Approval to Impose a One-half Cent Sales Tax

Attention: Mayor Skoglund and City Council Members
City Clerk

I am a resident of the City of Rancho Cordova living at 10965 Pelara Way in a Villages of Zinfandel subdivision. I am writing as a resident of the City of Rancho Cordova. My professional position is the Park Planning and Development Manager for the Cordova Recreation and Park District but I want to make it clear that my comments are in no way a statement from the Park District. My comments are my own person comments as a resident of Rancho Cordova.

The City has done a great job making improvements to our community. As a resident who lives on the south side of Hwy 50 but conducts most of my personal business on the north side of Highway 50 I have observed that the older portions of the City still need more investment.

Improving Folsom Boulevard and the area around it benefits residents and businesses alike. Improvements to the Boulevard would increase safety, reduce panhandling, and encourage revitalization by attracting new businesses to the area.

The community would be made more attractive for residents and businesses by upgrading streets, parks and trails in the older neighborhoods. This would enhance the character of our entire community and improve local property values for the entire community. This measure could provide funding to upgrade existing neighborhood and community parks, including some which are 50-years old, so that all our neighborhoods have equal access to safe and up-to-date recreation opportunities.

As a resident on the south side of Highway 50 and within the Folsom-Cordova Unified School District Boundary I would like to see a portion of the tax measure funds used in collaboration with the School District. I would like to see the local school test scores go up and help young people through after school programs, homework assistance and sports programs.

These improvements funded with the proposed sales tax could will help equalize the public perception of Rancho Cordova as a whole. Improvements made to the older areas of Rancho Cordova will benefit all of the City residents and businesses. I encourage you to vote to place this measure on the ballot.

Sincerely,

Laura L. Taylor

Subject: City of Rancho Cordova Council Meeting July 21, 2014--Support of 0.5% sales tax increase for City of Rancho Cordova

Dear City Manager Dr. Brian Nakamura and City Clerk Ms. Mindy Cuppy:

My wife Karen and I support the above agenda item. We cannot attend Monday's City Council meeting to testify in person due to other commitments but wanted to put on support on record. We are 25 year residents of the City of Rancho Cordova and support not only this measure but others that will help move the city forward and clean up blight.

Also, we had the pleasure of meeting two of the City staff, Donna Silva and Lorianne Ulm at a recent community outreach meeting. They are dedicated professionals, very knowledgeable and truly an asset to your organization.

Re: Support of Sales Tax Initiative

To: Mayor Dan Skoglund
Vice Mayor Robert J. McGarvey
Councilmember David Sander
Councilmember Donald Terry
Councilmember Linda Budge

I am writing in support of the sales tax initiative. As a local businessman and tax professional, I do not normally support tax increases especially a regressive tax like sales tax. Yet, this measure appears to have the potential to be helpful to our community.

We have many visitors to our City for work and recreation who benefit from the infrastructure, public safety, and community events in Rancho Cordova. As our retail businesses grow, these visitors will pay sales tax and help contribute to these efforts.

Many of our residents have found it necessary to go outside of the City to make major purchases, such as automobiles. This sales tax measure will help return some of the revenue to the City, where it can be used to benefit its residents.

I request that you have "a fresh take" and support this sales tax measure.

AGENDA ITEM 11.1

MEMORANDUM

DATE: July 21, 2014

TO: Honorable Mayor and Council Members

FROM: Kerry Simpson, Neighborhood Services Manager

SUBJECT: **AN ORDINANCE AMENDING TITLE 8, “ANIMALS,” OF THE RANCHO CORDOVA MUNICIPAL CODE REGARDING THE DEFINITIONS AND PROCEDURES PERTAINING TO POTENTIALLY DANGEROUS AND VICIOUS ANIMALS, ADMINISTRATIVE CITATION APPEALS, BARKING DOGS, AND THE AUTHORITY OF ANIMAL SERVICES OFFICERS**

RECOMMENDATION

Introduce and waive the first reading Ordinance No. 20-2014.

RESULT OF RECOMMENDED ACTION

Adoption of this Ordinance will clarify the definitions and procedures in the Municipal Code related to potentially dangerous animals, barking dogs, and administrative citation appeals; it will also amend the Municipal Code to give trained animal service officers the authority to use a firearm in limited circumstances where an injured or sick wild animal is causing an immediate threat to public safety. If the Ordinance passes first reading tonight it will return for a final reading and adoption at the next regular City Council meeting.

BACKGROUND

The City of Rancho Cordova established its Animal Services Division in 2006. Since its establishment, the Animal Services Division has been responsive to the needs of the residents and continues to evolve to continue to meet those needs. Occasional updates to the Municipal Code are necessary to ensure that the City's procedures are well-defined and fair to animal owners and the public.

Definition of “Vicious Animal”

The Animal Services Division would like to update the definition of a “vicious animal” within Title 8 of the Rancho Cordova Municipal Code to ensure that the City's procedures related to vicious animal determinations are clear to animal owners, hearing officers, and the public. This Ordinance amends the definitions within Title 8 to clarify the distinction between a “vicious animal” and a “potentially dangerous animal.”

Barking Dogs

This Ordinance amends the Municipal Code to create more specific language related to a barking dog and when such behavior amounts to a violation.

Hearings, Hearing Officers, and Their Authority

If adopted, this Ordinance would also clarify the procedures surrounding hearings held pursuant to Title 8. Specifically, the amendments add language to clarify that a hearing may be held to determine whether an animal is deemed to be a vicious or potentially dangerous animal under Title 8. The amendments also clarify the notice requirements related to hearings to ensure a fair process for all involved.

This Ordinance also amends the Municipal Code to clarify that hearing officers are appointed by the Animal Services Manager and shall be subject to disqualification for any bias, prejudice, or conflict. Additionally, adoption of this Ordinance amends the Municipal Code to give hearing officers the authority to set specific timelines under which animal owners must comply with any imposed conditions. This will give the hearing officers flexibility to work with animal owners.

Authority to Use Firearms in Limited Circumstances

The Animal Services Division responds to calls involving sick or injured wildlife (such as a buck that has been hit by a car and is creating a serious traffic hazard). Animal Services previously received assistance from Sacramento County Animal Services when injured wildlife needed to be destroyed to prevent a danger to public safety. However, the County has informed the City that it can no longer assist the City due to County staffing shortages caused by budget cuts. Animal Services is able to utilize Federal trappers on weekdays, but needs a method to appropriately deal with sick or injured wildlife when the trappers are unavailable as well as on evenings and weekends. Granting the City's Animal Services Officers the authority to use firearms in very limited circumstances on non-domestic animals would address this public safety issue. Disposing of a sick or injured wild animal that is creating a danger not only protects the public, but is often the humane thing to do for the suffering animal.

Although Animal Services Officers are not peace officers under the California Penal Code, they are granted authority under the law — if they complete the required training — to serve warrants, arrest individuals, and to use firearms on animals. Other jurisdictions which grant Animal Services Officers the authority to use firearms on animals include Elk Grove, Folsom, and Sacramento County. The Animal Services Division currently has an Officer on its staff who is a POST-certified Arms Instructor and Range Master. Animal Services also has a gun safe in its offices.

If adopted, this Ordinance would amend the Municipal Code to allow Animal Services Officers to carry a firearm if the Animal Services Manager gives his or her written approval. It also amends the Code to allow approved Officers to use a firearm to destroy a *non-domestic* sick or injured animal when: (1) It poses a clear and present danger to public safety; (2) all reasonable means of capture have failed; and (3) the Animal Services Manager or his or her designee has given specific authority to use the firearm. Other jurisdictions which authorize Animal Control Officers to use firearms allow them to use the weapons on all animals. This Ordinance would allow Rancho Cordova's Animal Services Officers to use a firearm only on sick or injured wild animals and appropriately address clear threats to public safety. Additionally, the Animal Services Manager will implement a detailed policy regarding training requirements and the use and storage of weapons.

REQUESTED MOTION

"I move that the City Council introduce and waive the first reading of Ordinance No. 20-2014."

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:

Section 1. Amendment of Section 8.01.110, the definition of "Vicious animal."

Section 8.01.110 of the Rancho Cordova Municipal Code, entitled "Vicious animal," is hereby amended to read as follows:

8.01.110 Vicious animal.

"Vicious animal" means any of the following (except a dog assisting a peace officer engaged in law enforcement duties):

A. Any animal seized under Section 599aa of the Penal Code (regarding the seizure of fighting animals), and upon the sustaining of a conviction of the owner or keeper under subdivision (a) of Section 597.5 of the Penal Code (regarding the ownership, keeping, or training of fighting dogs).

B. Any animal which, when unprovoked and in an aggressive manner, inflicts severe injury (as defined in RCMC 8.01.140) on, or kills, a human being.

C. Any animal previously determined to be, and currently listed as, a potentially dangerous animal which, after its owner or keeper has been notified of this determination, continues the behavior described in RCMC 8.01.120, or is found in violation of RCMC 8.07.055 or RCMC 8.07.060.

Nothing contained herein shall apply to reasonable animal noises emanating from legally operated veterinary hospitals, humane societies, animal shelters, farms, or agricultural operations.

4. Act in such other manner so as to constitute a public nuisance.

B. Nothing in this section shall prohibit the use of animals on school property for teaching, use for the blind, or other school purposes when permitted by school officials, or require a person to keep any animal in his possession on a leash if, at the time, the animal is restrained in a vehicle or cage.

Section 3. Amendment of Section 8.04.030, “Authority to use tranquilizer equipment.”

Section 8.04.030 of the Rancho Cordova Municipal Code, entitled “Authority to use tranquilizer equipment,” is hereby retitled “Authority to use tranquilizer equipment and firearms,” and amended to read as follows:

8.04.030 Authority to use tranquilizer equipment and firearms.

In the performance of his or her duties, an animal services officer shall have the authority to employ the use of tranquilizer equipment and all other animal control devices commonly used by other animal control agencies located within the State of California. Animal services officers shall have the authority to carry a firearm upon written approval by the animal services manager. Animal services officers shall have the authority, when specifically authorized by the animal services manager or his or her designee, to use a firearm on a non-domestic sick or injured animal (any animal not falling under the definition of “domestic animal” in RCMC 8.01.015), and if necessary to destroy a non-domestic animal in a humane manner by such use, when a clear and present danger to public safety exists because of the animal and all reasonable means of capture have failed to prevent such danger. Animal services officers shall successfully complete firearm training as prescribed by Penal Code section 832 prior to carrying

and/or using a firearm and shall adhere to the Animal Services Weapons Policy, to be established by the animal services manager, at all times.

For the purposes of this Section, the destruction of an animal under this Section shall not be considered a violation of RCMC 8.07.070.

Section 4. Amendment of Section 8.06.030(M)(3).

Section 8.06.030(M)(3) of the Rancho Cordova Municipal Code, is hereby amended to read as follows:

3. Dogs and cats that are certified in writing by a licensed veterinarian as not being suitable subjects for sterilizing because they are too sick or injured or because it would be detrimental to the animal's health will be assessed the altered license fee. If the animal at a later date is determined by the veterinarian to be suitable for sterilization then the appropriate fee will be assessed.

Section 5. Amendment of Section 8.07.015, "Owner responsibility and penalty."

Section 8.07.015 of the Rancho Cordova Municipal Code, entitled "Owner responsibility and penalty," is hereby amended to read as follows:

8.07.015 Owner responsibility and penalty.

A. Any owner of any animal is deemed responsible for the acts committed by that animal when the owner has failed to comply with the legal requirements for the keeping of that animal as defined in this title. No person shall permit or cause an animal to act in such a manner that constitutes vicious behavior as defined in RCMC 8.01.130.

B. A violation of any of the provisions of this chapter is punishable as otherwise provided in this Code and as follows: any violations of this chapter involving a potentially dangerous animal shall be punished by a fine not to exceed \$500.00. Any violation of this chapter involving a vicious animal shall be punished by a fine not to exceed \$1,000.00. Any animal owner who maintains any animal in such a manner as to permit, or cause it to, exhibit vicious behavior shall also be guilty of a misdemeanor pursuant to RCMC 1.01.190(E).

C. Nothing in this chapter shall prevent prosecution for violations of other statutes or codes which may deal with other or more specific offenses, including, but not limited to, penal and civil statutes.

Section 6. Amendment of Section 8.07.040, "Impoundment of animal."

Section 8.07.040 of the Rancho Cordova Municipal Code, entitled "Impoundment of animal," is hereby amended to read as follows:

Upon receipt by the animal services manager of an affidavit filed in compliance with RCMC 8.07.030 and 8.07.035, the animal services manager or his or her designee shall initiate an investigation of the incident or incidents described in the affidavit for the purpose of verifying the facts stated or obtaining other information. The investigation shall be completed no later than seven business days after the date the affidavit is filed. If, after an investigation, the identified facts show the existence of a vicious animal within the meaning of RCMC 8.01.110 or a

potentially dangerous animal within the meaning of RCMC 8.01.120, the animal services manager or his or her designee shall locate and impound the animal which is the subject of the charges within 48 hours of the date the investigation is completed.

Section 7. Amendment of Section 8.07.045, “Notice of hearing.”

Section 8.07.045 of the Rancho Cordova Municipal Code, entitled “Notice of hearing,” is hereby amended to read as follows:

Within 48 hours of the impoundment of a purportedly vicious or potentially dangerous animal, or at such time as is determined by the animal services manager, the animal services manager or his or her designee shall either personally serve upon or mail to the residential address of the owner or keeper of the animal and the affiant the following:

A. A written notice of the time, date, and place of the hearing prescribed by chapter 8.09 of the RCMC, and the date of said hearing to be scheduled, not earlier than 5 working days and not later than 10 working days following the date of impoundment;

B. A copy of the affidavit filed pursuant to RCMC 8.07.030 and 8.07.035; and

C. A copy of the provisions of this title and the provisions of Section 8.09.050 of the RCMC regarding hearing procedures.

Conversely, if, after an investigation, the identified facts show that no cause exists to conduct a vicious or potentially dangerous animal hearing, the animal services manager or his or her designee shall notify the affiant and the animal owner or keeper of this in writing. Additionally, an animal owner may waive, in writing, their right to such hearing timelines.

Section 8. Amendment of Section 8.07.060(D).

Section 8.07.060(D) of the Rancho Cordova Municipal Code is hereby amended to read as follows:

D. The owner of an animal that has been designated as potentially dangerous must abide by all conditions imposed by the hearing officer, pursuant to RCMC 8.09.030 and RCMC 8.09.050, regarding how to keep the potentially dangerous animal. Such compliance must occur within 14 calendar days of the date on which notice of the hearing officer’s written decision is served upon the owner, pursuant to RCMC 8.09.095, unless the hearing officer has designated additional time in the written decision. This involves proper enclosure for such animal. For purposes of this Section, “enclosure” means a fence or structure suitable to prevent the entry of young children, and which is suitable to confine a potentially dangerous animal in conjunction with other measures which may be taken by the owner or keeper of the animal. The enclosure shall be designed in order to prevent the animal from escaping. The animal shall be housed pursuant to the requirements of Section 597t of the California Penal Code.

All costs associated with these provisions, or any other or additional provisions ordered by the hearing officer, shall be borne by the owner of the animal which has been declared to be potentially dangerous.

Section 9. Amendment of Chapter 8.08, "Impoundment."

Section 8.08.050 through Section 8.08.090 shall be added to Chapter 8.08 of the Rancho Cordova Municipal Code, entitled "Impoundment," to read as follows:

8.08.050 Duration of impoundment and hearing rights.

A. All impounded dogs and cats shall be kept at an animal shelter, or other location designated by the animal services manager or his or her designee, for a period of not less than seven days, not including the day of impoundment, unless sooner redeemed by the owner or except as otherwise required herein.

B. All other impounded domestic animals, including, but not limited to, a rabbit, guinea pig, hamster, pig, bird, lizard, snake, turtle, or tortoise, shall be kept at an animal shelter, or other location designated by the animal services manager or his or her designee, for at least seven days, not including the day of impoundment, unless sooner redeemed by the owner or except as otherwise required herein.

C. Animals impounded pursuant to Penal Code section 597.1, when an owner, driver, or keeper of the animal permits it to go without proper care and attention and prompt action is necessary to protect the health or safety of the animal or others, shall be subject to the following proceedings:

1. The owner or keeper shall be notified, within 48 hours (excluding weekends and holidays), of the opportunity for a postseizure hearing to determine the validity of the impoundment.

2. To request a hearing, the owner or keeper must give proper notice to the city pursuant to the instructions on the hearing notice and Penal Code section 597.1.

3. The postseizure hearing shall be conducted within 48 hours of the request (excluding weekends and holidays). Failure of the owner or keeper to request or attend a scheduled hearing shall result in a forfeiture of any right to a postseizure hearing or right to challenge his or her liability for costs incurred.

4. All other hearing procedures within Sections 8.09.050 through 8.09.080, and Sections 8.09.095 and 8.09.100, shall be applicable to such impoundments.

D. When an animal is subject to possible seizure and impoundment under Penal Code section 597.1, but where the need for immediate seizure is not present, the city shall provide the owner or keeper of the animal with written notice of an opportunity for a pre seizure hearing prior to any seizure or impoundment. Such notice must state that the owner or keeper of the animal must request the hearing in writing within 48 hours of receipt of the notice, excluding weekends and holidays.

1. The pre seizure hearing must be conducted within 48 hours, excluding weekends and holidays, after receipt of the request for hearing. Failure of the owner or keeper to request or attend a scheduled hearing shall result in a forfeiture of any right to a pre seizure hearing or right to challenge his or her liability for costs incurred.

2. The owner shall produce the animal at the hearing, unless prior arrangements are made for the city to observe the animal.

3. All other hearing procedures within Sections 8.09.050 through 8.09.080, and Sections 8.09.095 and 8.09.100, shall be applicable to preseizure hearings.

E. Except as otherwise set forth herein, all impounded livestock shall be kept in an animal shelter, or other location designated by the animal services manager or his or her designee, for at least fourteen days, not including the day of impoundment, unless sooner redeemed by the owner, and if not redeemed within that time shall be turned over to the California State Bureau of Livestock Identification for disposition by that office. If an inspector from the California State Bureau of Livestock Identification makes a request upon the city to turn over the impounded livestock prior to the expiration of the fourteen-day impoundment period, the city shall deliver possession of such impounded livestock to the inspector.

F. During the holding period required by this section, and prior to the adoption or euthanasia of any impounded animal, the animal shelter shall scan the animal for a microchip which may identify the owner of that animal, and the animal shelter shall make reasonably diligent efforts to contact the owner and notify him or her that his or her animal is impounded.

8.08.060 Returning animals to known owners.

When any animal is impounded, and its ownership is known to the animal services officer, in lieu of taking the animal to an animal shelter, the animal services officer, at his or her discretion, may return the animal to its owners and may cite the owner of the animal for any violations of the provisions of this title.

8.08.070 Disposition authorized.

Except as otherwise provided in this title, an impounded animal which is not redeemed within the specified holding period shall be considered to be abandoned by its owner and shall become the property of the city. Such animal may be placed for adoption or humanely euthanized. No animal which is impounded shall be euthanized prior to a reasonably diligent attempt to contact the animal's owner, if known.

8.08.080 Abandonment.

The refusal or failure of the owner of any impounded animal to pay the fees and charges, after due notification, shall constitute an abandonment of the animal. Any animal not claimed by its owner within the period specified in this title shall become the property of the city and may be placed for adoption or humanely euthanized. Abandonment does not relieve the owner's obligation to pay all fees related to the impounding and keeping of the animal.

8.08.090 Animals not subject to redemption or adoption.

Consistent with Food and Agricultural Code Section 17006, animals impounded by or surrendered to the city that are irremediably suffering from a serious illness or severe injury, as determined by a veterinarian, shall not be held for owner redemption or adoption and may be humanely euthanized. Newborn animals that need maternal care and cannot reasonably survive without their mothers that have been impounded by or surrendered to the city without their mothers may be euthanized without being held for owner redemption or adoption.

Section 10. Amendment of Section 8.09.020, “Cause for hearing.”

Section 8.09.020 of the Rancho Cordova Municipal Code, entitled “Cause for hearing,” is hereby amended to read as follows:

Hearings may be held to determine the following:

- A. That an animal is a potentially dangerous animal or a vicious animal within the meaning of this title, in compliance with RCMC chapter 8.07;
- B. That the decision of the hearing officer has been breached;
- C. That cause for an order no longer exists and the owner may be relieved of the conditions imposed by said order;
- D. That a permit has been denied, issued conditionally, or revoked in accordance with the provisions of this title;
- E. Whether an administrative fine or penalty is required to be paid; or
- F. Whether an impoundment pursuant to chapter 8.08 of this title is valid.

A person shall be deemed to have shown cause for a hearing to be held when he or she complies with the applicable appeal, complaint or charge filing provisions specified in this title.
