MEMORANDUM

ITEM 16.2.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director
Jeanette Cervantes, Management Technician

SUBJECT: **RESOLUTIONS INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE LANDSCAPE AND LIGHTING DISTRICT NO. 2005-1 FOR FISCAL YEAR 2021-2022**

RECOMMENDATION

Adopt the Resolution Initiating Proceedings for the Annual Levy and Collection of Assessments for the Landscaping and Lighting District 2005-1 for Fiscal Year 2021-2022; and adopt the Resolution Preliminarily Approving the Engineer's Annual Levy Report and Declaring its Intention to Levy and Collect Annual Assessments for the Landscaping and Lighting District No. 2005-1 for Fiscal Year 2021-2022.

RESULT OF RECOMMENDED ACTION

The recommended actions are required as part of the process to continue the annual levy and collection of assessments in the District. The assessments fund landscape maintenance in the District. No assessments shall increase as a result of this action.

BACKGROUND

The Landscaping and Lighting District No. 2005-1 (LLD 2005-1) was formed in June 2005 by the City Council to continue a financial mechanism to provide landscape maintenance services previously funded since 1994 in Zone 4 and Zone 5 of the Sacramento County Landscape Maintenance District (SLMD). The maximum assessment rates authorized under LLD 2005-1 are equal to the maximum rates previously authorized in Zones 4 and 5 of the County's District.

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the report and the levy of the annual assessment. The Resolution, Attachment 1, directs Francisco & Associates, Inc. to prepare and file the Engineer's Report.

In anticipation of this resolution, the Engineer's Report has been prepared and is on file with the

City Clerk. The Engineer's Report, Exhibit A to the Resolution, Attachment 3, includes a diagram of the assessment area, a description of the maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by LLD 2005-1 include ongoing maintenance, operation, and servicing of landscaping within the right-of-ways and other public areas within the District at the locations described in the Engineer's Report.

The proposed Fiscal Year 2021-2022 assessment rates do not exceed the rates previously levied by the County since 1994 and are equal to the rates levied by the City in Fiscal Year 2020-2021. The boundaries of each Zone are shown in the district diagram in Part IV of the Engineer's Report and the details for each Zone are listed below:

- Zone 1 of the District is comprised of ninety-six (97) residential parcels in the Ellenwood subdivision. These parcels are assessed on per Parcel basis at the maximum rate of \$42.50 per parcel.
- Zone 2 of the District is comprised of one hundred fifty-four (154) residential parcels known as California Jazz Unit No. 1 and Unit No. 2. These parcels are assessed on an acreage basis at the maximum rate of \$30.48 per acre for the median landscape and parkway landscape improvements associated with these parcels.
- Zone 3 of the District is comprised of eighteen (18) parcels along Zinfandel Drive between Data Drive and south of International Drive. These parcels are assessed on an acreage basis at the rate of \$1,413.24 per acre for the median landscape improvements within the District.
- Zone 4 is comprised of fifty-two (52) parcels, including a portion of Capital Village, generally bounded by White Rock Road to the west, White Rock Road and Disk Drive to the north, fronting Kilgore Drive to the East, and fronting International Drive to the south. These parcels are assessed at the maximum rate of \$30.48 per gross acre.
- Zone 4A is comprised of a portion of Zone 4. Properties within Zone 4A were re designated as Zone 4A commencing with the Fiscal Year 2007/08 to account for the Zone 4A parcels lying within a portion of CFD 2005-2, while the remaining Zone 4 parcels are outside of the CFD 2005-2 boundaries. Since the CFD 2005-2 Zone 1, special taxes are to be levied upon Zone 4A parcels, these special taxes are contributed in part to the District for the benefit of Zone 4A. Zone 1 of the CFD provides funding for landscape improvements within and adjacent to the development, including the median landscaping identified herein. Although the CFD may fund median landscaping, the special taxes levied within Capital Village may not provide sufficient funds to maintain both the landscape improvements within the Capital Village development and the median landscape improvements within the District that specially benefit the parcels within Zone 4A. Therefore, Zone 4A is comprised of seven hundred eighty-three (783) assessable properties, each of which were assessed \$30.48 per gross acre until such time that the CFD generates sufficient revenue to fund the median landscape improvements. Any funds generated by the CFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

The Fiscal Year 2021-2022 total assessment is estimated at \$89,037. The District has an established Operating Reserve which provides funding for the operations and maintenance of

the District, as well as providing financing for emergency expenditures. A second reserve fund finances special projects such as a central irrigation system, revegetation projects, and other rehabilitation projects or replacements of District improvements.

In July 2006, the County transferred funds previously collected in the County's Zone 4 and 5 to the City, which was deposited to the LLD 2005-1. The City had previously deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Funds from the undesignated reserve can be used to fund costs of any zone(s) that are unable to be funded by the annual assessments.

In order to proceed with the levy of assessments after consideration and approval of the Engineer's Report, it is appropriate for the Council to adopt the Resolution, Attachment 2, which declares the Council's intention to levy assessments for Fiscal Year 2021-2022. It also sets June 7, 2021 at 5:30 p.m. or as soon thereafter as possible, as the date and time for a public hearing on the issue of the levy of Fiscal Year 2021-2022 assessments. Notice of the public hearing will be given by publication.

ENGINEER'S REPORT
CITY OF RANCHO CORDOVA
LANDSCAPE AND LIGHTING ASSESSMENT DISTRICT NO. 2005-1
FISCAL YEAR 2021-22

The undersigned, acting on behalf of Francisco & Associates, Inc. respectfully submits the enclosed Engineer's Report as directed by the Rancho Cordova City Council pursuant to the provisions of Article XIID, Section 4 of the California Constitution, provisions of the Landscaping and Lighting Act of 1972 and Section 22500 et al of the California Streets and Highways Code. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

SECTION I

INTRODUCTION

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the “1972 Act”), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIII D (hereafter referred to as the “California Constitution”), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as “City”), has by resolution initiated proceedings in connection with the ongoing maintenance of the special assessment district designated as:

Landscaping and Lighting District No. 2005-1

(hereafter referred to as “District”), for the purpose of continuing and providing for the ongoing maintenance and operation of landscaping and lighting improvements within the District.

In Fiscal Year 2005-06, as part of the District formation to continue the assessments previously levied by the County as part of the Sacramento Landscape Maintenance District (“SLMD”) Zone 4 and Zone 5 for properties within the boundary of the City, the City conducted a Property Owner Protest Ballot proceeding for the District assessments pursuant to the provisions of the *California Constitution, Article XIII D Section 4*. In conjunction with this ballot proceeding, the City Council also conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and levy of maximum assessments. Upon conclusion of the public hearing, property owner protest ballots received were opened and tabulated to determine whether a majority protest existed (ballots were weighted based upon the assessment amounts), and by resolution the City Council confirmed the results of the ballot tabulation. Tabulation of the ballots indicated that a majority protest did not exist for the continuation and transfer of assessments as presented and described in the Fiscal Year 2005-06 Engineer’s Report. The City Council approved the report, ordered the formation of the District, and approved the levy and collection of Fiscal Year 2005-06 assessments. The Fiscal Year 2005-06 assessments were then submitted to the Sacramento County Auditor/Controller for inclusion on the property tax roll for each parcel.

The improvements and assessments described in this Report are based on the improvements and assessments previously established by the County for SLMD Zone 4 and Zone 5, and represent an estimate of the direct expenditures, incidental expenses, and fund balances associated with the maintenance and servicing of those improvements. The structure of the District (organization), the improvements, the method of apportionment, and assessments described herein have been established to continue the maintenance of the existing improvements and assessments previously established by the County as outlined in the District’s Fiscal Year 2005-06 Engineer’s Report.

For Fiscal Year 2021-22, this Report has been prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed cost estimate and assessments for this fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments. Should the proposed annual assessments for the District or portion thereof, exceed the maximum assessments described herein (as approved by the property owners), the new or increased assessment must be confirmed through another property owner protest ballot proceeding before the new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

The word “parcel,” for the purposes of this Report, refers to an individual property assigned its own Assessor’s Parcel Number (APN) by the County Assessor’s Office. The County Auditor/Controller uses Assessor’s Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

THE CALIFORNIA STREETS AND HIGHWAYS CODE****CITY OF RANCHO CORDOVA****LANDSCAPE AND LIGHTING ASSESSMENT DISTRICT NO. 2005-1
FISCAL YEAR 2021-22**

Pursuant to the 1972 Act, and in accordance with the Resolution of Intention, being Resolution No. _____ adopted by the City Council of the City of Rancho Cordova on May 17, 2021, I, Joseph A. Francisco, the duly appointed Engineer of Work, Assessment Engineer for the City of Rancho Cordova Landscape and Lighting Assessment District No. 2005-1 (the "District") submit the following Report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District was formed with four (4) benefit zones encompassing all lots and parcels of land within the boundaries of the City. The territory within the District had previously been assessed through Zone 4 and Zone 5 of the SLMD in Fiscal Year 2004-05. The District was first assessed in Fiscal Year 2005-06. Plans and specifications for the improvements are on file at the City of Rancho Cordova, and are incorporated herein by reference.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's landscaping and lighting improvements and facilities. The estimate included herein, is also on file at the City of Rancho Cordova.

Part C – ASSESSMENT DISTRICT DIAGRAM

This part incorporates a diagram of the District showing the exterior boundaries of the District, the boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT OF ASSESSMENTS

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment of assessments used to calculate each property's proportional special benefit and annual assessment.

Part E – ASSESSMENT ROLL

This part contains a listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment of assessments. The Assessment Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

Part A
PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of the lots and parcels of land that in Fiscal Year 2004-05 were both within the City and within a portion of Zone 4 and all of Zone 5 of the Sacramento Landscape Maintenance District ("SLMD"). Said territory encompasses an area of land totaling approximately five hundred twelve acres (512 acres) that is centrally located within the City, generally south of Highway 50 and north of the City limits.

Zone 1: That portion of the previous SLMD Zone 4, which at the time of the formation of the District included a total of ninety-seven (97) assessable parcels within the residential subdivision known as Ellenwood Court located south of Ellenwood Avenue. Upon formation of the District, this area was designated as Zone 1 to reflect the special benefit these parcels receive from the District improvements associated with the development located on the south side of Ellenwood Avenue.

Zones 2, 3 and 4: The parcels within previous SLMD Zone 5, which at the time of the formation of the District included a total of six hundred eighty-six (686) assessable parcels generally located south of the American River, east of Mather Field Road, and near Zinfandel Drive and International Drive. Upon formation of the District, this area was designated as Zones 2, 3, 4, and 4A and are further described as follows:

Zone 2 included the one hundred fifty-four (154) assessable parcels within the residential subdivision known as California Jazz Units 1 & 2, generally located east of Data Drive, north of Reserve Drive, south of Capital Center Drive and west of International Drive.

Zone 3 included the eight (8) assessable parcels located on either side of Zinfandel Drive from Data Drive to the southern boundary of the District (approximately 700 feet south of International Drive).

Zone 4 included the remaining parcels that were previously included in SLMD Zone 5 that were not designated as either Zone 2 or Zone 3 of the District. This Zone includes parcels along Data Drive, International Drive, Capital Center Drive, White Rock Road, Quality Drive, Disk Drive, Prospect Park Drive and Kilgore Road.

Zone 4A is the portion of Zone 4 that also lies within the City's Community Facilities District No. 2005-2 ("CFD 2005-2"). Tax Zone 1 of CFD 2005-2 was established to fund, to the extent that funds from CFD 2005-2 are available, maintenance of landscape improvements of the residential subdivision development known as Capital Village. These landscape improvements were installed along the subdivision's rights-of-way and within the median(s) adjacent to the development. The funds from Tax Zone 1 of CFD 2005-2, to the extent available, shall offset all or a portion of the costs within Zone 4A.

Description of Improvements and Services

The purpose of this District is to ensure the ongoing maintenance, operation and servicing of local landscaping and street lighting improvements within the District (improvements that had been previously funded through annual assessments from the SLMD). The improvements may consist of all or a portion of the public landscaped areas, street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting and landscape improvements, including, but not limited to parkways, medians and other designated easements, rights-of-way or public areas within the District. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

Improvements and Services Permitted Pursuant to the 1972 Act

As generally defined by the 1972 Act, the improvements and associated assessments for this District may include now or in the future one or more of the following:

- 1) The installation or planting of landscaping;
- 2) The installation or construction of statuary, fountains, and other ornamental structures and facilities;
- 3) The installation or construction of public lighting facilities including, but not limited to street lights and traffic signals;
- 4) The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof;
- 5) The installation of park or recreational improvements, including, but not limited to, all the following:
 - a) Land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks, and drainage.
 - b) Lights, playground equipment, play courts, and public restrooms.
- 6) The acquisition of land for park, recreational, or open-space purposes or any existing improvement otherwise authorized pursuant to this section.
- 7) The maintenance or servicing, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:
 - a) Repair, removal, or replacement of all or any part of any improvements;

- b) Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - c) Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury;
 - d) The removal of trimmings, rubbish, debris, and other solid waste;
 - e) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti;
 - f) Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
 - g) Water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.
- 8) Incidental expenses associated with the improvements including, but not limited to:
- a) The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
 - b) The costs of printing, advertising, and the publishing, posting and mailing of notices;
 - c) Compensation payable to the County for collection of assessments;
 - d) Compensation of any engineer or attorney employed to render services;
 - e) Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
 - f) Costs associated with any elections held for the approval of a new or increased assessment.

Landscape Improvements

The landscape improvements for the District may include, but are not limited to turf, ground cover, shrubs and plants, trees, irrigation and drainage systems, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments, and associated appurtenant facilities located within the landscape easements or public rights-of-way. Zone specific landscape improvements are described generally as follows:

Zone 1: Streetscape (parkway) landscaping along the South side of Ellenwood Avenue east of Routier Road that is within the public rights-of-way or easements dedicated to the City for maintenance. The costs and special benefits of these improvements are shared equally by only the assessable properties within Zone 1 of the District.

Zone 2: Streetscape (parkway) landscaping surrounding and adjacent to the California Jazz subdivision on the north side of Reserve Drive from Data Drive to International Drive; the east side of Data Drive from Reserve Drive north to the end of the subdivision; the west side of Capital Center Drive from International Drive north to the end of the subdivision; and the north side of International Drive from Reserve Drive to Capital Center Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 2 of the District.

Zone 3: Streetscape (parkway) landscaping on both sides of Zinfandel Drive between International Drive and Data Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 3 of the District.

Zones 2, 3, 4 and 4A: All median landscape improvements within the District located on International Drive from approximately 570 feet westerly of Data Drive to Kilgore Road and on Zinfandel Drive from Data Drive to International Drive. The costs and special benefits of these improvements are proportionately shared by all the properties within Zone 2, 3, 4 and 4A of the District.

Specifically, the landscape improvement areas for this District generally consist of the following:

- Approximately 9,600 square feet of streetscape (parkway) landscaping and 34 trees within the public rights-of-way located on the south side of Ellenwood Avenue.
- Approximately 11,000 square feet of turf, 28,455 square feet of streetscape (parkway) landscaping including 110 trees, located on the north side of Reserve Drive from Data Drive to International Drive; east side of Data Drive, from Reserve Drive north to end of California Jazz tract Unit No. 1; west side of Capital Center Drive, from International Drive north to the end of California Jazz Tract Unit No. 2; and north side of International Drive, from Reserve Drive to Capital Center Drive.
- Approximately 19,400 square feet of turf, 11,500 square feet of streetscape (parkway) landscaping including 57 trees, located on the west side of Zinfandel Drive, south of International Drive.
- Approximately 152,340 square feet of turf, 55,600 square feet of streetscape and median landscaping including 392 trees along International Drive; and medians on International Drive, west of Data Drive to Kilgore Road.

Specifically, not included as District improvements, are those improvements located on private property, improvements and facilities that may be provided or maintained by an agency other than the City; improvements and facilities that may be provided by another assessment or tax levied by the City or County and any improvement provided and maintained by a Homeowner's Association or similar entity.

Detailed descriptions of the location and extent of the specific improvements to be maintained by the District are on file with the City and by reference are made part of this Report. The net annual cost to provide and maintain the improvements determined to be of special benefit shall be allocated to each property in proportion to the special benefits received.

Public Lighting Improvements

Lighting facilities that may be located within the landscaped areas including safety lights, security lights or ornamental lights installed as part of the landscape improvements are included as part of the landscape maintenance costs.

The lighting improvements may include but shall not be limited to the cost of providing electrical energy and servicing of lighting fixtures, poles, meters, conduits, electrical cable and associated appurtenant facilities associated with the street lighting, safety lighting and/or traffic signals within the District including public lighting facilities on designated arterial and collector streets as well as lighting facilities within residential subdivisions or public areas such as parks. The cost of such improvements shall be allocated based on the proportional special benefits properties receive from these improvements.

**Part B
ESTIMATE OF COSTS**

The maximum assessment per parcel or acre shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within each specified zone of the District.

Each zone within the District maintains two separate reserves, one is utilized for working capital purposes (the “Operating Reserve”) and the other for longer-term projects (the “Special Projects Reserve”). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve for each zone is limited by Streets and Highways Code 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the agency expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the Streets and Highways Code 22569.

The Special Projects Reserve can be used to finance the Central Irrigation System (CIS) project and re-vegetation projects, as well as other rehabilitation projects, repairs or replacements of District improvements.

The Cost Estimate for the District prepared by the City for Fiscal Year 2021-22 follows on the next page.

(1) Contribution from CFD No. 2005-2; Only affects Zone 4A.

(2) The annual levy may differ slightly from the maximum revenue shown due to rounding, because of rounding limitations imposed by the County of Sacramento.

(3) Negative fund balances represent funds that will need to be contributed or loaned from an appropriate funding source outside of the assessment district.

A description of the terms used in the preceding Cost Estimate table are listed below:

Direct Costs (Maintenance and Operation)

Contract Maintenance - Landscaping – Includes all regularly scheduled contract labor, materials, supplies and equipment required to properly maintain and ensure the satisfactory condition or maintenance of all landscaping improvements, irrigation and related drainage systems, as well as maintenance of appurtenant facilities (the “improvements”).

Utilities (Water/Electricity) – Landscaping - The furnishing of water and electricity required for the operation and maintenance of the landscaping related improvements.

Utilities (Electricity) – Lighting - The furnishing of electricity required for the operation of the lighting improvements.

Periodic Repair/Rehabilitation – Landscaping – Expected costs for repair, replacement, installation or planned upgrades of District landscaping improvements.

Periodic Repair/Rehabilitation – Lighting – Expected costs for repair, replacement, installation or planned upgrades of District lighting improvements. If zero, this line item may not be shown in the cost estimate.

Special Project Expenditures – Expected costs for installation, replacement or planned upgrades of District landscaping or lighting improvements for the current year that were previously funded or accumulated in the Special Projects Reserve. The Special Projects Reserve is used to accumulate funds for costs associated with the future rehabilitation, repair or replacement of these District improvements that cannot be conveniently raised from a single year’s assessment. If zero, this line item may not be shown in the cost estimate.

Administration Costs

District Administration – Estimated costs incurred by the City in preparation of the annual cost estimate and the preparation, review, posting and/or publishing of documents and notices required for City Council action to approve the annual assessments. These costs also include contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts and the preparation of the Engineer’s Report.

Contract Administration – Estimated costs to coordinate and oversee the maintenance contracts and overall repair, maintenance and replacements of the District Improvements.

County Collection Fees – The fee charged to the District by the County for placing assessments on property tax bills.

Other Administration Expenses – Administration expenses not included above, including the cost to publish public notices required for City Council action relating to the District. If zero, this line item may not be shown in the cost estimate.

Total Direct and Administration Costs – The total expected costs of the District.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Replenishment/(Use) of Operating Reserve – A “Replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “Use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Operating Reserve is provided in the following pages of this section.

Contribution to/(use of) Special Projects Reserve — A “Contribution” increases the levy in order to generate funding for the Special Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation of projects or replacement in future years. On the other hand, a “Use of” the Special Projects Reserve provides current year funding of rehabilitation projects or replacement from available funds within the Special Projects Reserve. If the expenditure of a current year special project is funded entirely by a collection from the current fiscal year levy and/or a transfer from the Undesignated Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Special Projects Reserve is provided in the following pages of this section.

Revenues from Other Sources – These amounts represent contributions from CFD No. 2005-2; which only affects Zone 4A. This relationship is more fully described in the previous sections of this report.

Balance to Levy - This is the total amount to be levied and collected through assessments for the current fiscal year for each Zone. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

District Statistics and Assessment Rates

Number of Assessable Parcels - The total number of parcels within each zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-way or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements, due possibly to development restrictions.

Assessable Acreage - The total assessable acreage within each zone that are expected to be assessed on an acreage basis for the current fiscal year.

Maximum Rate per Parcel - The maximum assessment rate that can be assessed to each non-exempt parcel within the respective zone for the current fiscal year.

Maximum Rate per Acre - The maximum assessment rate per acre that can be assessed to each non-exempt parcel within the respective zone for the current fiscal year.

Estimated Maximum Assessment Revenue – The total amount that can be assessed to all parcels within each zone for the current fiscal year based upon the expected number of assessable units and acres using the maximum assessment rates.

Operating Reserve Fund Balances

Beginning Reserve Fund Balance 7-1-2021 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations for each zone. These beginning balances shall be used to fund each zone's expenditures from July 1, 2021 to December 31, 2021, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Add: Collect from FY 2021-22 Levy – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from the period of July 1, 2021 (the beginning of the fiscal year) through December 31, 2021. If zero, this line item may not be shown in the cost estimate.

Less: Use for FY 2021-22 Expenses – The amount of the Operating Reserve to be used to fund Fiscal Year 2021-22 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Fund Balance to an amount no greater than the expected District costs for the period of July 1, 2021 (the beginning of the fiscal year) through December 31, 2021. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Special Projects Reserve - The amount of Operating Reserve monies to be transferred to or from the Special Projects Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2022 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) for each zone as of June 30, 2022. The size of each zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, each zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. Any deficit fund balances will be contributed or loaned to the District from a source outside of the District. All Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Special Projects Reserve Fund Balance

Beginning Special Projects Reserve Fund Balance 7-1-2021 (est.) — The projected balance of funds in the Special Projects Reserve as of July 1, 2021. Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Add: Collect from FY 2021-22 Levy — This amount is added to the levy to accumulate funding of future year rehabilitation projects, replacements, repairs, restorations, or upgrades of District improvements. If zero, this line item may not be shown in the cost estimate.

Less: Use for FY 2021-22 Special Projects – The amount of Special Project Reserve monies expected to be expended for special projects to fund the costs of installation, replacement, or planned upgrades of District improvements for the current year. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve — The amount of Special Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Special Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Project Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Special Projects Reserve Fund Balance 6-30-2022 (est.) - The projected balance of funds in the Special Projects Reserve as of June 30, 2022. These funds shall be used to provide for future year rehabilitation projects, replacements, restorations or upgrades of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Special Project Reserve or related activity, the Special Project Reserve information may not be presented in the report.

Special Projects Reserve – Capital Improvement Plan

Streets and Highways Code Section 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Therefore, a multi-year Capital Improvement Plan is shown below for the rehabilitation, restoration, repair and/or replacement of District improvements and other allowable costs for each zone projecting an ending Special Project Reserve balance:

Zone 3:

- Upgrades to irrigation system; replacement and/or enhancement of landscape improvements: \$5,000 in Fiscal Year 2021-22 and \$25,000 in each of Fiscal Years 2022-2023 and 2023-24.
- Upgrades related to drought resistant landscaping: \$10,000 in each of Fiscal Year 2021-22 and \$15,500 in Fiscal Years 2022-23 and 2023-24.
- Projected costs to reorganize district, including costs of re-engineering and balloting: \$25,330 in Fiscal Year 2023-24 for Zone 3's share of costs.

Part C**ASSESSMENT DISTRICT DIAGRAM**

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as “Assessment Diagram of Landscaping and Lighting District No. 2005-1.” The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this Report was prepared and are incorporated herein and made part of this Report.

Part D

METHOD OF APPORTIONMENT OF ASSESSMENTS

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIIID addresses several key criteria for the levy of assessments, notably:

Article XIIIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”;

Article XIIIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIIIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

The method of apportionment described in this Report for allocation of special benefit assessments utilizes commonly accepted engineering practices and have been established pursuant to the 1972 Act and the provisions of the California Constitution. The formulas used for calculating assessments reflects the composition of parcels within the District and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

Benefit Analysis

Each of the proposed improvements and the associated costs and assessments have been carefully reviewed, identified, and allocated based on special benefit pursuant to the provisions of the California Constitution and 1972 Act.

The improvements provided by the District and for which properties will be assessed have been identified as necessary, required and/or desired for the development of properties within the District and as such, the ongoing operation, servicing and maintenance of these improvements would be the financial obligation of the parcels within the District. Therefore, the improvements and the annual costs of ensuring the maintenance and operation of the improvements are a distinct and special benefit to the properties within the District. Any improvement or portion thereof that is considered to be of general benefit shall be funded by other revenue sources and not included as part of the special benefit assessments allocated to properties within the District.

Special Benefit

The method of apportionment (method of assessment) established herein is based on the premise that each assessed parcel within the District receives special benefits from specific improvements and the desirability and security of those properties is enhanced by the presence of well-maintained improvements in close proximity to those properties. The special benefits associated with landscape improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.
- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the District resulting from well-maintained improvements associated with the properties.
- Enhanced quality of life through well-maintained green space and landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The special benefits of street lighting and other public lighting facilities are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on roads, streets and public areas.

- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal act and damage to improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.

All of the preceding factors contribute to a specific enhancement and desirability of each of the assessed parcels within the District and thereby provide special benefits to the properties. Furthermore, it has been determined that the lack of funding to properly service and maintain the District improvements could have a negative impact on the properties within the District.

General Benefit

In reviewing each of the District improvements, the proximity of those improvements to both properties within the District and those outside the District as well as the reasons for installing and constructing such improvements, it is evident that the improvements are solely for the benefit of properties within the District and the ongoing maintenance and operation of the improvements will directly affect the properties within the District. Although the improvements include public areas, easements, rights-of-way and other amenities available or visible to the public at large, the construction and installation of these improvements were only a direct benefit to the properties within the District and were not required nor necessarily desired by any properties or developments outside the District boundary and any public access or use of the improvements by others is incidental. Therefore, it has been determined that the improvements and the ongoing maintenance, servicing and operation of those improvements provide no measurable general benefit to properties outside the District or to the public at large, but clearly provide distinct and special benefits to properties within the District.

Assessment Methodology

The method of apportionment for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the District. The special benefit received by each lot or parcel is equated to the overall land use of parcels within the District based on the parcel's actual land use or proposed development.

All costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with the California Constitution, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

At the time that the District was being formed and to identify and determine the special benefit to be received by each parcel and their proportionate share of the improvement costs, it was necessary to consider the entire scope of improvements to be maintained by the District, as well as individual property development within the District. Upon review of the improvements to be

maintained, it was determined that four (4) distinct areas benefit differently from the improvements within the District and therefore the landscape maintenance and assessments were established as four (4) benefit zones for the allocation of the assessments and proportional special benefit, as described below. Although a portion of Zone 4 was designated as Zone 4A in Fiscal Year 2007-08, as discussed below, Zones 4 and 4A remain as one benefit zone and are assessed at the same maximum rate.

Zones and Assessments:

Zone 1 is comprised of ninety-six (96) assessable residential properties, each of which were assessed on a per parcel basis at the pre-existing rate of \$42.50 per parcel.

Zone 2 is comprised of one hundred fifty-four (154) assessable residential properties within the developments known as California Jazz Unit No.1 and Unit No. 2. Each of the one hundred fifty-four (154) assessable parcels were assessed as residential properties on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements and parkway landscape improvements associated with these parcels.

Zone 3 is comprised of eighteen (18) assessable properties, each of which were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscaping and \$1,382.76 per acre for the landscaping along the parkways of Zinfandel Drive, totaling \$1,413.24 per acre.

Zone 4 is comprised of fifty-two (52) assessable properties, each of which were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements within the District.

Zone 4A is comprised of a portion of Zone 4. Properties within Zone 4A were re-designated as Zone 4A commencing with the Fiscal Year 2007-08 to account for the Zone 4A parcels lying within a portion of CFD 2005-2, while the remaining Zone 4 parcels are outside of the CFD 2005-2 boundaries. Since the CFD 2005-2 Zone 1, special taxes are to be levied upon Zone 4A parcels, these special taxes are contributed in part to the District for the benefit of Zone 4A. Zone 1 of the CFD provides funding for landscape improvements within and adjacent to the development, including the median landscaping identified herein. Although the CFD may fund median landscaping, the special taxes levied within Capital Village may not provide sufficient funds to maintain both the landscape improvements within the Capital Village development and the median landscape improvements within the District that specially benefit the parcels within Zone 4A. Therefore, Zone 4A is comprised of seven hundred eighty-three (783) assessable properties, each of which were assessed \$30.48 per gross acre until such time that the CFD generates sufficient revenue to fund the median landscape improvements. Any funds generated by the CFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

Exempt Parcels — Properties within the District that are not assessed for special benefit include but are not limited to:

- Lots or parcels identified as public streets and other roadways (typically not assigned an APN by the County);
- Dedicated public easements including open space areas, utility rights-of-way, greenbelts, parkways, parks or other publicly owned properties that are part of the District improvements or may provide other benefits to private properties within the District;
- Private properties that cannot be developed independently from an adjacent property, such as common areas, sliver parcels or bifurcated lots or properties with very restrictive development use;

These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment, but shall be reviewed annually by the assessment engineer to confirm the parcels current development status. Government owned properties or public properties are not necessarily exempt properties and shall be subject to special benefit assessment unless it qualifies for an exempt classification.

Special Cases — In many districts where multiple land uses, and zones exist, the typical property classification and assessment methodology does not accurately identify the special benefits received from the improvements for each and every parcel. For example, in some cases, only a small percentage of the parcel's total acreage can actually be developed. In this case, an appropriate calculation would be based on the net acreage that can be utilized rather than the gross acreage of the parcel. These special circumstances will be reviewed annually by the assessment engineer.

Part E
ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on the Assessment Diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

Non-assessable lots or parcels may include, but are not limited to public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas, rights-of-way, common areas; landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed or has little or no value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this Report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein.

MEMORANDUM

ITEM 16.3.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director
Jeanette Cervantes, Management Technician

SUBJECT: **RESOLUTIONS INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING DISTRICT NO. 2012-1 FOR FISCAL YEAR 2021-2022**

RECOMMENDATION

Adopt the Resolution Initiating Proceedings for the Annual Levy and Collection of Assessments for the Rancho Cordova Lighting District No. 2012-1 for Fiscal Year 2021-2022; and adopt the Resolution Preliminarily Approving the Engineer's Annual Levy Report and Declaring its Intention to Levy and Collect Annual Assessments for the Rancho Cordova Lighting District No. 2012-1 for Fiscal Year 2021-2022.

RESULT OF RECOMMENDED ACTION

The recommended actions are required as part of the process to continue the annual levy and collection of assessments for the Rancho Cordova Lighting District No. 2012-1 (the "District"). The assessments fund the maintenance of street lights and safety lights in the District. No assessment rates shall increase as a result of this action.

BACKGROUND

State law requires the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessment. The Resolution, Attachment 1, directs Francisco and Associates, Inc. to prepare and file the Engineer's Report.

In anticipation of this resolution, the Engineer's Report has been prepared and is on file with the City Clerk. The Engineer's Report, Exhibit A to the Resolution, Attachment 3, includes a diagram of the assessment area, a description of the improvements and the operation and maintenance to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by the District include on-going maintenance, operation and servicing of street lights and safety lights

within the right-of-ways and other public areas within the District as described in the Engineer's Report.

The proposed Fiscal Year 2021-2022 assessment rates are equal to the rates previously levied by the City in Fiscal Year 2020-2021.

The Fiscal Year 2021-2022 total assessment is estimated at \$361,015.12. The District has established an Operating Reserve which provides funding for the operations and maintenance of the District Improvements, as well as providing financing for emergency expenditures. A Capital Projects Reserve has been established to fund replacements and upgrades of the District Improvements.

In September 2014, the City of Rancho Cordova completed the retrofit of all existing street lights located within the Rancho Cordova Lighting District (RCLD) with new LED street lights. The project was funded from a 1% interest loan from the California Energy Commission (CEC). This project has significantly reduced electricity and maintenance needs. The electrical and maintenance savings will be used to pay back the loan from the energy commission. Once the CEC loan is paid off in Fiscal Year 2028, the District is projected to generate sufficient revenues to build a reserve to cover the costs of the replacement of the LED street light heads when they need to be replaced in 20 years.

In order to proceed with the levy of assessments after consideration and approval of the Engineer's Report, it is appropriate for the Council to adopt the Resolution, Attachment 2, which declares the Council's intention to levy assessments for Fiscal Year 2021-2022. It also sets Monday, June 7, 2021 at 5:30 p.m., or as soon thereafter as possible, as the date and time for a public hearing on the issue of the levy of Fiscal Year 2021-2022 assessments. Notice of the public hearing will be given by publication.

FISCAL IMPACT AND FUNDING SOURCE

There is no impact to the City's General Fund.

RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION
OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING DISTRICT NO. 2012-1
FOR FISCAL YEAR 2021-2022**

WHEREAS, the City Council has, by previous Resolutions, formed the Rancho Cordova Lighting District No. 2012-1 (hereafter referred to as the "District"), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereinafter referred to as the "Act"), that provides for levy and collection of assessments through the County of Sacramento for the City of Rancho Cordova to fund the ongoing operation, maintenance and servicing of public lighting facilities and appurtenants, previously provided and maintained by the County of Sacramento as part of County Service Area No. 1, Zone 2; and

WHEREAS, the City Council has retained Francisco and Associates, Inc. as the Engineer of Work for the purpose of assisting with the annual levy of the District, and to prepare and file an Engineer's Report with the City Clerk in accordance with *Chapter 3, Section 22623* of the Act.

**NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE
CITY OF RANCHO CORDOVA:**

1. The above recitals are true and correct.
2. The City Council hereby orders Francisco and Associates, Inc. to prepare the Engineer's Report (hereinafter referred to as the "Report" or "Engineer's Report") concerning the levy of assessments for the District in accordance with *Chapter 1, Article 4 (commencing with Section 22565), pursuant to Chapter 3, Section 22622* of the Act.
3. The District improvements include lighting improvements and associated appurtenant facilities, located within the public right of ways of the City of Rancho Cordova which were previously serviced through CSA-1, Zone 2. Of the District improvements, highway safety lights are those lights located at intersections, on major streets, and along the rear of properties that abut major streets; and, street lights are all lights not designated as highway safety lights, primarily consisting of local street lighting. District assessments are to fund the operation, maintenance and incidental costs of the District improvements. The Report so ordered, shall describe the existing improvements and any new improvements or substantial changes in the existing improvements.

SECTION I

INTRODUCTION

Pursuant to the provisions of the Landscape and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the “1972 Act”), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as “City”), has by resolution initiated proceedings in connection with the ongoing maintenance and operation of a special benefit assessment district designated as:

Rancho Cordova Lighting District No. 2012-1

(hereafter referred to as “District”), for the purpose of continuing and providing for the ongoing maintenance, servicing, and operation of public lighting improvements (safety lights and street lights) within the City that had been administered by the County of Sacramento as Zone 2 of County Service Area 1 (CSA 1) until the Fiscal Year 2012-13 levy.

Prior to the formation of the District, the detachment of those portions of CSA 1 lying within the City limits was approved, resulting in the transfer of the responsibility of the servicing of CSA 1 improvements and related administration to the City. Commencing with the Fiscal Year 2012-13 levy, the City Council formed the District in order to provide ongoing funding for the costs and expenses required to service and maintain the safety light and street light improvements for the benefiting lots and parcels of land within the boundaries of the District. County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. Since the establishment of CSA 1, the cities of Citrus Heights, Elk Grove and Rancho Cordova have been incorporated and in July 2005, the Board of Supervisors approved the creation of zones within CSA 1. The creation of these zones allowed the incorporated cities and the County to supplement CSA 1 revenues specific to those areas. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005), Citrus Heights (June 2006), and Rancho Cordova (June 2012) from CSA 1.

This Engineer’s Report (hereafter referred to as “Report”) has been prepared in connection with the levy and collection of annual assessments related thereto for Fiscal Year 2021-22, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The formation of this District and the annual assessments will provide a continued funding source for the City to fund, in part, the ongoing maintenance, servicing and operation, of the safety lights and street lights that provide special benefits to the properties within the District.

The improvements and assessments described in the Fiscal Year 2012-13 Engineer's Report (hereafter referred to as the "Formation Report") were based on the improvements and assessments previously established by the County of Sacramento for CSA 1 Zone 2. Such assessment revenues will be used to fund, in part, the annual direct expenditures and incidental expenses associated with the maintenance and servicing of the District's improvements. The formation of the District, the structure of the District (organization), the improvements, the method of apportionment, and assessments described in the Formation Report have been established to continue the maintenance of the existing improvements and assessments previously established by the County of Sacramento for CSA 1 and as such are not considered to be new or increased assessments under the provisions of the California Constitution Article XIII D.

As part of the District formation to continue the assessments previously levied by the County of Sacramento as part of CSA 1, in addition to the proceedings conducted by LAFCO for the detachment of the City of Rancho Cordova from CSA 1, the Rancho Cordova City Council conducted a noticed public hearing pursuant to the provisions of the 1972 Act to consider public testimonies, comments and written protests regarding the formation of the District and levy of assessments. At the close of the public hearing, the City Council adopted a Resolution approving the Formation Report and confirming and levying the assessments for Fiscal Year 2012-13.

Each subsequent fiscal year, an Engineer's Report shall be prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed cost estimate and assessments for that fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments for that fiscal year. If in any year, the proposed annual assessments for the District exceed the assessments described herein, such an assessment would be considered a new or increased assessment and must be confirmed through property owner protest ballot proceeding before that new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

CITY OF RANCHO CORDOVA

LIGHTING ASSESSMENT DISTRICT NO. 2012-1 FISCAL YEAR 2021-22

Pursuant to the 1972 Act, and in accordance with the Resolution of Intention, being Resolution No. _____ adopted by the City Council of the City of Rancho Cordova on May 17, 2021, I, Joseph A. Francisco, the duly appointed Engineer of Work, Assessment Engineer for the City of Rancho Cordova Lighting Assessment District No. 2012-1 (the "District") submit the following Report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District has two (2) designated benefit zones that collectively encompass all lots and parcels of land within the boundaries of the District. The two benefit zones are designated as "Safety Light Only" Zone, which includes those lots and parcels of land within the District that are associated and benefit from only safety light improvements; and the "Safety Light and Street Light" Zone, which includes those lots and parcels of land within the District that are associated and benefit from both safety light improvements and local street light improvements.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's lighting improvements and facilities. The estimate included herein, is also on file at the City of Rancho Cordova.

Part C – ASSESSMENT DISTRICT DIAGRAM

This part incorporates a diagram of the District showing the exterior boundaries of the District, the boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT OF ASSESSMENTS

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment of assessments used to calculate each property's proportional special benefit and annual assessment.

Part E –ASSESSMENT ROLL

This part contains a listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment of assessments. The Assessment Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

Part A
PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of all lots and parcels of land within the boundaries of the City of Rancho Cordova that in Fiscal Year 2011-12, were considered to lie within CSA 1 Zone 2. Within these boundaries, parcels are identified and grouped into one of two designated benefit zones based on the special benefits properties receive from the District improvements, namely "Safety Lights Only" or "Safety Lights and Street Lights". The two zones within the District and the benefits associated with the properties therein are described in more detail in Part D (Method of Apportionment of Assessments) of this Report. In addition, the Assessment District Diagram in Part C of the report provides a visual representation of the District showing the exterior boundaries of the District.

Description of Improvements and Services

The purpose of this District is to ensure the ongoing maintenance, operation, and servicing of street lighting improvements within the District (improvements that had been previously funded through annual assessments from the CSA 1). The improvements may consist of all or a portion of the public street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting improvements. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

Improvements and Services Authorized by the 1972 Act

As generally defined by the 1972 Act, the improvements and associated assessments for this District may include now or in the future one or more of the following:

- The installation or construction of public lighting facilities including, but not limited to streetlights, safety lights and traffic signals;
- The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof;
- The maintenance or servicing, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:
 - Repair, removal, or replacement of all or any part of any improvements;
 - Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;

- Incidental expenses associated with the improvements including, but not limited to:
 - The costs of the report preparation, including plans, specifications, cost estimates, diagrams, and assessment;
 - The costs of printing and advertising, and publishing, posting, and mailing of notices;
 - Compensation payable to the County for collection of assessments;
 - Compensation of any engineer or attorney employed to render services;
 - Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
 - Costs associated with any elections held for the approval of new or increased assessments.

Public Lighting Improvements

The District's annual assessments will finance in part the maintenance, operation and servicing of the District's lighting improvements (safety lights and street lights) which generally includes the furnishing of labor, materials, equipment and electricity for the ordinary and usual maintenance, operation, and servicing of street lights within the public rights-of-way and easements dedicated to the City, incidental expenses including administrative costs as well as the performance of periodic repairs, replacement and expanded maintenance resulting from damage or vandalism. These services and activities more specifically may include, but are not limited to:

- Payment of the electrical bill for the safety lights and streetlights.
- Maintenance, repair and replacement of light poles and fixtures, including changing light bulbs, painting, photoelectric cell repair or replacement, and repairing damage caused by automobile accidents, vandalism, time, and weather, including principal and interest related to funding of the replacement of the improvements.
- Electrical conduit and pull box repair and replacement due to damage by construction and weather.
- Monitoring of the Underground Service Alert (USA) network, identification of proposed excavation in the vicinity of lighting electrical conduits and marking the location of those underground conduits in the field to prevent damage by excavation.
- Services and maintenance repair and replacement including painting, replacing worn out electrical components and repairing damage due to accidents, vandalism, and weather.
- Remedial projects for major repairs or upgrading of facilities. Construction for such projects is usually performed by contract, however City maintenance workers may execute small projects.
- Streetlight inventory database, pole numbering and mapping to establish the number of streetlights that must be maintained, as well as the condition and location of these streetlights as part of an effective maintenance program.

- Acquisition of land, easements and rights-of-way necessary to maintain the street and safety lighting system.
- Responding to citizens and Council member inquiries and complaints regarding street lighting. Resolving complaints may require an engineering study and possible project.

For the purpose of determining benefit and the proportional assessment of special benefit, the light fixtures to be maintained by the District are defined as either “Street Lights” or “Safety Lights”. Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. All other lights are designated as Street Lights. The following table provides a summary of the safety light and street light inventory within the City upon formation of the District. Detailed maps identifying the location and extent of the District’s Safety Lights and Street Lights at that time are on file in the Public Works Department of the City.

Type of Light	Number of Lights
Safety Lights	428
Street Lights	4,240
Total District Lights	4,668
Decorative Lights ⁽¹⁾	92
Total City Lights	4,760

(1) The 92 decorative lights shown above were contained within a single residential development and these lights are funded by a separate revenue source levied on those parcels. Therefore, these lights are not included as part of the District’s improvements, budget or assessments. Parcels within this residential development are included in the “Safety Light Only” zone.

Part B

ESTIMATE OF COSTS

The maximum assessment revenue shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within each specified zone of the District.

The District maintains two separate reserves, one is utilized for working capital purposes (the “Operating Reserve”) and the other for longer-term projects (the “Capital Projects Reserve”). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve is limited by Streets and Highways Code Section 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the Streets and Highways Code Section 22569. In addition, the Capital Projects Reserve can be used to finance rehabilitation projects, repairs, or replacement of District improvements.

The cost estimate for the District prepared by the City for Fiscal Year 2021-22 follows on the next page.

(1) The General Benefit Contribution was calculated at 25% of the annual Electrical and Maintenance costs associated with Safety Lighting.

(2) The annual levy may differ slightly from the maximum revenue shown due to rounding because of rounding limitations imposed by the County of Sacramento.

(3) Negative fund balances represent funds that will need to be contributed or loaned from an appropriate funding source outside the assessment district.

A description of the terms used in the preceding Cost Estimate table are listed below:

Direct Costs (Maintenance and Operation)

Direct Costs includes the regular annual costs of maintaining and servicing lighting improvements. This may include, but is not limited to, the costs for labor, utilities, equipment and supplies that are required to properly maintain the items that provide a direct benefit to the properties within the District. Specific Direct Costs may include, but are not limited to:

Electrical Costs — Includes the cost of providing electricity to the lights. Additionally, some lights may be maintained by the Sacramento Municipal Utility District (“SMUD”) and the cost for maintenance of these lights is included as part of the utility bill for those lights.

Maintenance Costs — Includes the contract labor associated with the maintenance of the lights and the cost of the preparing and maintaining the light inventory.

Repairs/Replacements & Capital Expenditures — Includes but is not limited to activities needed to support the improvements that are not included or considered to be costs associated with the regular annual maintenance, servicing, and operation of the District improvements. Additionally, this item may include repairs that are only required periodically, repairs and replacements resulting from damage or vandalism, capital improvement expenditures to rehabilitate or upgrade the improvements, and collection of funding (installments) for future capital improvement projects. The amount collected each fiscal year is based on an estimate of current and future needs but may be limited by available funding (assessment revenues and City contributions).

USA Markings – includes costs associated with marking the location of underground utilities related to the above.

RCLD Loan Principal - Amounts of principal due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing streetlights located within the District with new LED streetlights which will reduce energy costs.

RCLD Loan Interest - Amounts of interest due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing streetlights located within the District with new LED streetlights which will reduce energy costs.

Special Projects - Includes costs for minor special project(s) related to annual maintenance and or operation of the improvements not described in the above categories.

Special Capital Projects - Includes costs expected to be incurred in any specific fiscal year for special capital projects shown in the District’s Capital Improvement Plan. Costs in this category do not increase the annual levy as the Capital Improvement Reserve is used to fund these costs. For this reason, these costs may not be shown in the annual cost estimate.

Administration Costs

Annual Administration Costs include incidental District costs not included above that are required on an annual basis. Specific Administration Costs may include, but are not limited to:

District Administration - Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the assessments and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the assessments, preparation of the annual report, and placing the assessment on the property tax bills.

Contract Administration - Estimated costs to coordinate and oversee the applicable maintenance and operation contracts and overall repair, maintenance, operation, and replacements of the District Improvements.

County Collection Fees - Includes the cost that the County charges to place the assessments onto the Sacramento County Secured Tax Roll.

Miscellaneous Administration Expenses - Includes other minor administrative costs such as telephone, copying, noticing, mailing, office supplies and fees related to District Administration.

Total Direct and Administration Costs - This is the total of the Direct and Administration Costs which are the direct and incidental costs for the regular annual maintenance, servicing, and operation of the District improvements.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Miscellaneous Cost and Collections/(Credits) Applied to the Levy represent the expected contributions and funding from sources other than the current year assessments to support the annual costs included for the maintenance, servicing, and operation of the District improvements.

Replenishment/(Use) of Operating Reserve - A “Replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “Use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Operating Reserve is provided in the following pages of this section.

Contribution/(Use) of Capital Projects Reserve - A “Contribution” increases the levy in order to generate funding for the Capital Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation of projects or replacement in future years. On the other hand, a “Use of” the Capital Projects Reserve provides current year funding of rehabilitation projects or replacement from available funds within the Capital Projects Reserve. If the expenditure of a current year capital project is funded entirely by a collection from the current fiscal year levy and/or a transfer from the Operating Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Capital Projects Reserve is provided in the following pages of this section.

General Benefit Contribution – This amount represents funding from the City or other, utilizing revenue sources other than assessment revenues to pay the proportional costs for the regular annual maintenance, servicing and operation of the District improvements that have been determined to be of General Benefit and which cannot be assessed to property owners. This funding may be from the City's General Fund or any other funding sources available.

Other Revenue Contributions - Additional funds designated for use by the District that are not District assessments. Often referred to as a City Contribution, these funds may be from any source available to the City to support the District and reduce the amount to be collected by the District assessments. If the Total Direct and Administration Costs minus any Reserve Fund Transfer and General Benefit Contribution results in an amount greater than the amount that can be collected through the assessments, the City either must reduce expenses or contribute funds to balance the cost estimate.

Balance to Levy - This is the total amount to be levied and collected through assessments for the current fiscal year for each zone. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

District Statistics and Assessment Rates

Parcels Levied - The total number of parcels within each zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-way or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements.

Front Footage - The total assessable front footage for non-residential property that are expected to be assessed on a front footage basis for the current fiscal year.

Residential Parcels – The total number of assessable residential parcels subject to the street lighting assessment.

Per Parcel Rate – Safety Lights - The maximum assessment rate that can be assessed to each assessable parcel within the respective zone for the current fiscal year.

Per Parcel Rate – Streetlights (Residential) - The maximum assessment rate that can be assessed to each assessable residential parcel for streetlights for the current fiscal year.

Per Front Foot Rate – Streetlights (Non-Residential) - The maximum assessment rate that can be assessed to each front foot of non-residential property for streetlights for the current fiscal year.

Estimated Maximum Assessment Revenue – The total amount that can be assessed to all parcels within each zone for the current fiscal year based upon the expected number of assessable parcels and front footage using the maximum assessment rates.

Operating Reserve Fund Balance

Beginning Reserve Fund Balance 7-1-2021 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations. These beginning balances shall be used to fund expenditures from July 1, 2021 to December 31, 2021, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Replenishment/(Use) of Operating Reserve - Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve is intended to fund expenditures from the period of July 1, 2021 (the beginning of the fiscal year) through December 31, 2021. If positive, this amount is added to the levy in order to replenish the Operating Reserve. On the other hand, if negative, this portion of the Operating Reserve is used to fund Fiscal Year 2021-22 expenses and therefore reduces the levy amount. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Capital Project Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Projects Reserve. Periodically, funds held in a Capital Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Project Reserve are subject to transfer to the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2022 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2022. The size of the Operating Reserve is limited by Streets and Highways Code Section 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, the District may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Project Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Capital Project Reserve Fund Balance

Beginning Capital Project Reserve Fund Balance 7-1-2021 (est.) — The projected balance of funds in the Capital Project Reserve as of July 1, 2021. Streets and Highways Code Section 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Use for FY 2021-22 Capital Projects - The amount expected to be incurred for Capital Projects in Fiscal Year 2021-22 and funded from the Capital Projects Reserve rather than the Fiscal Year 2021-22 levy. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve — The amount of Capital Project Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Project Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2022 (est.) - The projected balance of funds in the Capital Projects Reserve as of June 30, 2022. These funds shall be used to fund the costs of installation, replacement, repair or upgrading of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Capital Projects Reserve or related activity for the current fiscal year, the Capital Projects Reserve information will not be presented in the report.

Capital Projects Reserve - Capital Improvement Plan

Streets and Highways Code Section 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. The projected fiscal year ending Capital Project Reserve Fund balance will fund the multi-year Capital Improvement Plan, as shown below, in order to fund the installation, replacement, repair or upgrading of District improvements and other allowable costs:

The District expects expenditures for updating, verifying and/or replacing street light/pole numbers and the painting of existing street light poles: \$10,000 in Fiscal Years 2021-22 and 2022-23; the retrofit of poles for electrical outlet upgrade and installation of new sign brackets: \$5,000 in Fiscal Years 2021-22, 2022-23, and 2023-24.

Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

ASSESSMENT DISTRICT DIAGRAM

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as “Assessment Diagram of Rancho Cordova Lighting District No. 2012-1.” The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this report was prepared and are incorporated herein and made part of this report.

Part D

METHOD OF APPORTIONMENT OF ASSESSMENTS

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include but are not limited to the construction, maintenance, operation, and servicing of public street lighting improvements and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”.

Article XIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

The method of apportionment established herein is based on the premise that each assessed property receives special benefits from the maintenance, servicing and operation of either safety lights located throughout the District or both safety lights and local street lights, and these improvements will be funded in part by such assessments, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as compared to other properties that receive such special benefits as outlined in the preceding definitions established in the 1972 Act and the California Constitution.

Benefit Analysis

To identify and determine the proportional special benefit to each parcel within the District, as well as any general benefit associated with the improvements, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The District's improvements and the associated costs described in this report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District, and is consistent with the method of apportionment previously established for the assessments as part of CSA 1.

While the California Constitution requires that *"The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement..."*; it is reasonable to conclude that the reasons for installing local street lights are often similar, but somewhat different than the reasons for installing safety lights. Therefore, the overall benefits associated with streetlights and safety lights are different, which also suggests that the apportionment of the cost to provide those improvements would be different.

In reviewing the location and extent of the City's Street Light improvements to be funded by District assessments and the relationship these improvements have to properties within the District, it was determined that these lights are entirely local lighting improvements that were installed specifically in connection with the development of nearby properties or were necessary as a precursor to property development and would otherwise not have been necessary or required without the development of the properties near those improvements. As such, these Street Light improvements have a direct and particular relationship to, and provide special benefit to, the properties located in close proximity to those lighting improvements and serve as extension of those properties and developments into the public areas (streets) that serve those properties. These lights clearly provide special benefits that affect these properties in a way that is particular and distinct from its effect on other parcels, and that of real property in general and the public at large do not share. This is most evident in the fact that the District's Street Light improvements are concentrated within the City's various residential developments and developed non-residential areas and the absence of such lights within many portions of the undeveloped areas of the District. The fact that these lights are a direct result of property development and many areas of the City forgo the need of local street lighting, the maintenance and operation costs associated with the Street Light improvements are considered to be solely a special benefit to those properties and developments in close proximity to those lights and have no measurable general benefit to the public at large or to the District as a whole. However, it is also recognized that these lights are not exclusive or typically isolated to a particular parcel but are rather shared and directly affect entire neighborhoods or groups of parcels. In this District, it has been determined that each parcel that is assessed for Street Lights is at least within approximately two- hundred feet (200 feet) of a streetlight although that light may be located across the street from the parcel.

As previously noted, Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. Although the location and extent of these lights are most certainly driven by development of properties in the area (concentrated largely in developed areas of the City), unlike the Street Light improvements which are directly correlated

to specific developments and parcels, the District's Safety Lights are not entirely the result of specific property development, but more the result of overall development throughout the City and in addition to directly benefiting the properties in the District, these Safety Lights provide nighttime traffic illumination to enhance traffic circulation and safety.

Therefore, while the need for such lights is most often facilitated by development in the area and certainly a special benefit to properties within the District because safety lights promote nighttime traffic illumination and circulation for the general public as well as for properties in the District, these lights obviously provide some measure of benefit to the community as a whole and to the public at large (general benefit). In order to separate general benefits from special benefits, an evaluation of the overall extent and location of the Safety Light in the City, revealed that less than half (approximately 47%) of the Safety Lights within the District are located on major streets that are considered through-traffic corridors, namely Bradshaw Road, Folsom Boulevard and Sunrise Boulevard. The remaining Safety Lights within the City were located on streets and intersections considered internal City traffic routes that provide direct access to the parcels in the District. Therefore, it would be reasonable to conclude that like the local Street Light improvements, the Safety Light improvements located on these internal City traffic routes (approximately 53% of the Safety Lights at the time of formation of the District) are entirely for the special benefit of the properties they serve, while the Safety Lights on the through-traffic corridors provide comparable (proportionately equal) special benefit to properties in the District and general benefit to real property in general and the public at large. Therefore, collectively, it has been determined that no more than 25% of the total direct costs (maintenance and operation costs) of providing Safety Lights would be considered general benefit.

Zones of Benefit

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Article XIIID Section 4a reads in part:

"...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

In an effort to ensure an appropriate allocation of the estimated annual cost to provide the District improvements based on proportional special benefits, this District has established benefit zones ("Zones") as authorized pursuant to Chapter 1 Article 4, Section 22574 of the 1972 Act:

"The diagram and assessment may classify various areas within an assessment district into different zones where, by reason of variations in the nature, location, and extent of the improvements, the various areas will receive differing degrees of benefit from the improvements. A zone shall consist of all territory which will receive substantially the same degree of benefit from the improvements."

Therefore, in order to separate general benefits from special benefits and to ensure each parcel is assessed for only the special benefits received from the improvements, two benefit zones have been established and every parcel in the City is grouped into one of these two Zones:

- “Safety Lights Only” Zone: Includes all parcels that receive special benefits from the maintenance of Safety Lights only, which includes lights located at intersections on major streets and along the rear of properties that abut major streets.
- “Streetlights and Safety Lights” Zone: Includes all remaining parcels within the City that specially benefit from maintenance of Street Lighting (local lights) as well as Safety Lights.

The District cost estimate incorporated herein under Part B of this report, provides a summary of the total estimated cost of providing the street light improvements and the allocation of those costs that are considered general benefit. Details regarding the location and extent of the street lighting improvements within the District and the Zones therein upon formation of the District are on file in the Public Works Department of the City. A diagram showing the exterior boundaries of the District and the location of the two zones therein at the time of formation is attached and incorporated herein under Part C of this report.

Assessment Methodology

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs, it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Safety Lights and Street Lights, like most public improvements, provides varying degrees of benefit (whether they be general or special) based largely on the extent of such improvements, the location of the improvements in relationship to the properties, the specific use of each property, and the reason or need for such improvements as it relates to individual properties. In this District, these issues were each considered in determining the proportional special benefit to each parcel by the use of benefit zones, the separation of general benefit and special benefit, and County land use designations.

Safety Lights

Safety Lights are located throughout the District and properties throughout the City are considered to benefit proportionally from Safety Lights and are therefore levied a flat rate calculated by the following formula.

$$\text{Net Safety Light Cost} / \text{Total Assessable Parcels} = \text{Levy per Parcel}$$

Streetlights

Only properties that benefit from Street Lights are charged for Street Lights. Parcels are classified based on land use into two categories: Residential and Non-Residential. Residential parcels that have streetlights are levied equally. Non-Residential are levied on a front footage basis. Formulas for both Non-Residential and Residential parcels are illustrated below.

Residential Parcels

Net Residential Street Light Cost / Residential Parcels = Levy per Residential Parcel

Non-Residential Parcels

Net Non-Residential Street Light Cost / Non-Residential Front Footage = Levy per Non-Residential Front Foot

Levy per Non-Residential Front Foot x Non-Residential Parcel Front Footage = Levy per Parcel

Exempt

Exempted from the assessment would be the areas of public streets and other roadways (typically not assigned an APN by the County), dedicated public easements, open space areas and rights-of-ways including public greenbelts and parkways. Also exempted from assessment would be utility rights-of-ways, common areas (such as in condominium complexes), landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed. These types of parcels do not benefit from the improvements.

The land use classification for each parcel has been determined and based on the Sacramento County Assessor's most recent secured roll.

Rates

The following Tables show the assessment rates proposed to be levied in Fiscal Year 2021-22 and an estimate of the revenue to be assessed. It is important to note that these rates are the same rates applied to the District parcels under CSA 1 and that these rates have not increased since the passage of Proposition 218 in 1996.

Proposed Fiscal Year 2021-22 Assessment Rates	
<u>Improvement Type</u>	<u>Proposed Rates</u>
Safety Lights	\$ 2.56 per parcel
Street Lights	\$15.32 per parcel
Street Lights (Non-Residential) *	\$ 0.2519 per front foot

* Non-Residential parcels include commercial and multi-family properties.

Estimated Fiscal Year 2021-22 Assessment Revenues				
Benefit Classifications	Applied Rates	Parcels	Applied Front Footage	Total Estimated Revenue
Safety Light Only	\$ 2.56 per Parcel	8,691	N/A	\$ 22,248.96
Street and Safety Light (Residential)	\$ 2.56 + \$15.32 per Parcel	10,517	N/A	\$ 188,043.96
Street and Safety Light (Non-Residential)	\$ 2.56 per Parcel + 0.2519 per front foot	3,166	566,232	\$ 150,722.20
Totals		22,374	566,232	\$ 361,015.12

(1) The annual levy may differ slightly due to rounding because of rounding limitations imposed by the County of Sacramento.

ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District is based on the Assessment Diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein.

MEMORANDUM

ITEM 16.4.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director
Jeanette Cervantes, Management Technician

SUBJECT: **A RESOLUTION DECLARING RESULTS OF THE MAIL BALLOT ELECTION RELATING TO THE IMPOSITION OF THE ANNUAL STORMWATER UTILITY FEE ON THE HIGH CLASS MOTORS PROJECT IN THE CITY OF RANCHO CORDOVA**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will declare the results of the ballot tabulation for the proposed imposition of the annual Stormwater Utility Fee on the High Class Motors project. If majority approval exists, the City Council may impose the annual Stormwater Utility Fee on the High Class Motors project pursuant to the Fee Ordinance.

BACKGROUND

The City Council previously adopted a Resolution on April 5, 2021 declaring its intention to impose the annual Stormwater Utility Fee ("Fee") pursuant to Ordinance No. 7 2014 on the High Class Motors project. A protest hearing was conducted on April 19, 2021 at which time no written protest was received from the property owner representing a majority of the parcel subject to the Fee. Council then adopted a Resolution authorizing the mailing of a property owner ballot for the purpose of submitting the Fee to a vote of the owner, subject to the Fee. Only one parcel is subject to the fee.

The Clerk has tabulated the ballot returned by the property owner for the High Class Motors project. The majority vote of the owner of the parcel approved to impose the annual Fee on the High Class Motors project pursuant to the Ordinance. The Council action tonight is to adopt the Resolution declaring the results of the mail ballot election.

FISCAL IMPACT AND FUNDING SOURCE

There is no impact to the City's General Fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, DECLARING THE RESULTS OF A MAIL BALLOT ELECTION
RELATING TO THE IMPOSITION OF THE ANNUAL STORMWATER UTILITY FEE ON THE
HIGH CLASS MOTORS PROJECT IN THE CITY OF RANCHO CORDOVA**

WHEREAS, on April 5, 2021, the City Council adopted a Resolution declaring its intention to impose the Annual Stormwater Utility Fee ("Fee") for the High Class Motors project; and

WHEREAS, Article XIII D of the California Constitution (Proposition 218) requires the City to follow certain procedural and substantive requirements relating to the imposition of property-related fees and charges (as defined in Proposition 218); and

WHEREAS, the City has determined that the Fee is a property related fee, subject to the provisions of Proposition 218; and

WHEREAS, before imposing the Fee, the City Council is required to hold a noticed public hearing on a written report (the "Written Report") containing a description of each parcel of real property within the City to which the Fee is applicable and the amount of the Fee for each such parcel for Fiscal Year 2021-2022 and to consider protests to the Fee and, if a majority protest is not received at the public hearing, the Council must submit the question of the imposition of the Fee to a vote of the owners of the property subject to the proposed Fee for approval before the proposed Fee may be levied; and

WHEREAS, in accordance with Proposition 218 the City Council held a duly noticed public hearing on the matter of the Written Report and the proposed Fee on April 19, 2021 and took testimony, both written and oral; and

WHEREAS, having determined a written protest was not received from property owner representing a majority of the parcels subject to the Fee, the City Council adopted a Resolution authorizing the mailing of a property owner ballot (the "Ballot Measure") for the purpose of submitting the Fee to a vote of the owner of parcel subject to the Fee, and subject to approval by a majority vote of the owner of parcel subject to the Fee; and

WHEREAS, pursuant to the terms of Ordinance No. 7-2014 and the unanimous consent of the property owner, the Property Owner Balloting was conducted and completed, and the City Clerk has on file a Certificate of the City Clerk as to the Results of the Canvass of the Ballot Return in Connection with the Proposed Stormwater Utility Fee (the "Certificate"), a copy of which is attached hereto as Exhibit B and by this reference incorporated herein.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA that:

If approved by a majority of the returned ballots, the proposed maximum annual Storm Drain User Fee rate for FY 2021-2022 will be \$137.62 per Drainage Measurement Unit (DMU). The maximum rate per DMU will increase annually by the amount of the increase of the CPI. However, each year the City Council will hold a public hearing and determine the actual rate per DMU that will be charged. At the annual public hearing, the City Council will set the actual rate for the next year, which would be equal to or less than the annual maximum rate. The Council may decide to reduce the rate or set the rate to \$0 per DMU in any fiscal year.

Please mark your ballot in ink and return the entire page.

Upon completion, fold the ballot, place it in the addressed, return envelope and seal the envelope. Pursuant to the enclosed instructions, mail the ballot to the address shown on the return envelope, or deliver to the City Clerk at City Hall located at 1:30 p.m. Wednesday, May 5, 2021.

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will approve Contract Amendment No. 146-2017-1 extending the contract term from December 3, 2020 to December 3, 2022 and increase the contract amount from 288,000 to an amount not to exceed \$576,000 for the purpose of providing janitorial services.

BACKGROUND

The City went out to bid for Janitorial services for 2729 and 2701 Prospect Park Drive and 3303 Luyung Drive and entered into a contract with the lowest qualified bidder, SBM Management Services, LLP on December 3, 2017. The current contract provides the opportunity to extend the contract for an additional two years with the ability to pay for additional services as required.

These expected additional services increases the contract amount to an amount not to exceed \$576,000. The additional services required are to cover enhanced deep cleaning and additional sanitation due to COVID-19, hourly wage increases and increased cost of supplies.

FISCAL IMPACT AND FUNDING SOURCE

Funding for this item will come from the General Fund- Building Operating Budget Fund 7300.

**FIRST AMENDMENT TO THE GENERAL SERVICES AGREEMENT
BETWEEN THE CITY OF RANCHO CORDOVA AND SBM MANAGEMENT
SERVICES, LLP**

This First Amendment to the General Services Agreement ("Amendment") is made by and between the City of Rancho Cordova ("City") and SBM Management Services, LLP ("Contractor") as of December 4, 2020. City and Contractor are hereinafter collectively referred to as the "Parties."

RECITALS

WHEREAS, the Parties entered into a General Services Agreement ("GSA") dated December 3, 2017 for the purpose of providing Janitorial Services and Maintenance for City Properties located at: 2729 Prospect Park Drive, 2701 Prospect Park Drive, 10191 Mills Station and 3303 Luyung Drive; and

WHEREAS, this Amendment will extend the term of the contract for an additional two years for the said services; and

WHEREAS, the Parties agree that changes to the term and services provided for in the GSA are necessary in order for the City to continue receiving services by Contractor.

NOW, THEREFORE, the Parties hereto agree as follows:

AGREEMENT

1. The Parties agree to modify the end date of the GSA from December 3, 2020, to December 3, 2022. The first sentence of Section 2 of the GSA, "Term," is amended to read as follows:

"The term of this Agreement shall begin on the date first noted above and shall end on December 3, 2022, unless the term of the Agreement is otherwise terminated at provided for in Section 10."

2. Section 4 of the GSA, "Compensation of Contractor," provides for the City to pay Contractor a sum not to exceed Two hundred and eighty-eight thousand dollars (\$288,000). The Parties agree to amend Section 2 of the GSA in order to increase the compensation amount to pay Contractor for additional services. The first sentence of Section 4 of the GSA is amended to read as follows:

"The Contractor shall be paid a sum not to exceed Two hundred and twenty-eight thousand dollars (\$228,000) for performance of the Services pursuant to this Agreement."

ITEM 16.5.

**GENERAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND SBM MANAGEMENT SERVICES LP, (Contractor)**

THIS AGREEMENT (hereinafter referred to as "Agreement") is made by and between the City of Rancho Cordova, a California municipal corporation, (herein "City") and SBM Management Services, LP, (herein "Contractor"), as of Sunday, December 3, 2017.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A ("Services") at the time and place and in the manner as specified therein. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

Section 2. TERM. The term of this Agreement shall begin on the date first noted above and shall end on December 3, 2020, and the option to be renewed for two (2) years unless the Agreement is otherwise terminated as provided for in Section 12. The time provided to Contractor to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 12.

Section 3. CONTRACT ADMINISTRATOR. This Agreement shall be administered by Tim Watson ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

Section 4. COMPENSATION OF CONTRACTOR. The Contractor shall be paid a sum not to exceed Ninety six thousand dollars (\$96,000) per year or \$288,000.00 for the term of the contract for performance of the Services pursuant to this Agreement. The Contractor shall submit invoices to the City Finance Director on a monthly basis detailing the Services performed. In the event of a conflict between this Agreement and Contractor's Exhibit A regarding the amount of compensation, the Agreement shall prevail. Upon receipt and approval of the Contractor's invoices, the City shall remit payment to the Contractor for Services provided within thirty (30) days. Payment to Contractor shall be considered as full compensation for performing the Services. City's failure to discover or object to any unsatisfactory work or billing prior to payment will not constitute a waiver of City's right to request Contractor to correct such work or billings or seek any other legal remedy.

A. In the event tax law, federal and state legislation, collective bargaining agreement changes during the Term of this contract mandates an employee wage increase for Vendor employees performing Services under this contract, Vendor will have the right to "pass through" the employee wage increase, provided that Vendor gives thirty (30) days prior written notice thereof and provides in writing evidence of any such cost increases. Any such price increase must be agreed to by the Parties in writing.

Section 5. PERFORMANCE STANDARDS.

A. Contractor shall comply with all applicable laws now in force or which may hereafter be in force with regard to the provision of Services and this Agreement.

B. Contractor represents that it has the skills, expertise, licenses and permits necessary to perform the Services. Contractor shall perform all such Services in the manner and according to the

CONTRACT #146-2017

standards observed by a competent practitioner of the same profession in which Contractor is engaged and in accordance with applicable industry standards. Permits and/or licenses shall be obtained and maintained by Contractor without additional compensation throughout the term of this Agreement.

C. Contractor or Contractor's affiliate's suite of software tools and performance management platform currently called "SBMInsite.com" and/or "Insite" (hereinafter collectively referred to as the "SBMInsite") is the proprietary property of Contractor. In the event that City is given access to the SBMInsite during the term of the Agreement while Contractor is performing services for City, City shall enter into a License Agreement and/or End User License Agreement (hereinafter the "SBMInsite License Agreement"), which will govern City's access to and use of SBMInsite during the term of the Agreement at the locations covered under this Agreement and for the services that Contractor is performing for City. The parties agree that Contractor shall at all times during and after the expiration or earlier termination of the Agreement own all right, title and interest, including all intellectual property right in and to the Insite Platform and any modifications, enhancements, improvements, upgrades, updates and derivative works thereof.

Section 6. INDEPENDENT CONTRACTOR. Contractor shall perform the Services as an independent contractor and nothing herein contained shall be construed to make Contractor an agent or employee of the City while providing the Services. Contractor shall be entitled to no other benefits or compensation except as provided in this Agreement.

Section 7. INSURANCE REQUIREMENTS. Prior to beginning any Service under this Agreement, Contractor, at its own cost and expense, shall procure insurance coverage at such levels of coverage, scope, limits, and/or forms as set forth in Exhibit B ("Insurance Requirements") hereto. Contractor shall provide proof satisfactory to City of such insurance and maintain the insurance throughout the term of this Agreement.

Section 8. INDEMNIFICATION. Contractor shall indemnify, defend with counsel selected by the City, and hold harmless City, its officers, agents, employees and representatives from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from Services performed pursuant to this Agreement caused in whole or in part by any negligent or willful act or omission of Contractor, its officers, agents, employees, or anyone directly or indirectly acting on behalf of Contractor. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

Section 9. NONDISCRIMINATION AND EQUAL OPPORTUNITY. Contractor shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for

CONTRACT #146-2017

employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby. Contractor shall include the provisions of this section in any subcontract approved by the City.

Section 10. AMENDMENTS. No modification or amendment of this Agreement is effective unless made in writing and signed by both the City and Contractor.

Section 11. ASSIGNMENT AND SUBCONTRACTING. Contractor shall not assign or transfer any interest in this Agreement without the prior written consent of the City.

Section 12. TERMINATION. Either party may terminate this Agreement without cause, upon Thirty (30) days written notice to the other party. In the event of termination, Contractor shall be entitled to payment for Services then satisfactorily completed. Contractor shall not be entitled to any claim against City for any additional compensation or damages in the event of such termination.

Section 13. NOTICES. All notices that are regarding this Agreement shall be in writing and shall be deemed to have been given if delivered personally or enclosed in a properly addressed envelope and deposited in a United States Post Office for delivery by registered or certified mail addressed to the parties at the following addresses:

City: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670
ATTN: Finance Director

Contractor: SBM Mangement Services, LP
5241 Arnold Avenue
Sacramento, CA 95652
Attn: Contract Manager
Email: dwhitehead@sbmcorp.com

Section 14. GOVERNING LAW AND VENUE. The laws of the State of California shall govern this Agreement. Venue for any action regarding this Agreement shall be in the Superior Court of the County of Sacramento.

Section 15. ATTORNEYS' FEES. If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.

Section 16. SEVERABILITY. If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

CONTRACT #146-2017

Section 17. WAIVER. The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

Section 18. SURVIVAL. The obligations of this Agreement, which by their nature would continue beyond the term or expiration of the Agreement, including without limitation obligations regarding indemnification shall survive the term or expiration of this Agreement.

Section 19. ENTIRE AGREEMENT. This Agreement represents the entire and integrated Agreement between City and Contractor and supersedes all prior negotiations, representations, and Agreements regarding the subject matter of this Agreement, either written or oral.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year set forth above, which date shall be considered the effective date of this Agreement.

4. Changes to the Specific Requirements

The City reserves the right to add or delete any given type of janitorial work to the requirements described in this Statement of Work. The cost shall be calculated or negotiated at the time the change is required. There may be a need for janitorial services on weekends for special after hour's events, including but not limited to special events held after hours or weekend events that continue after hours; notification will be given to the Contractor identifying the type of service and areas to be serviced. No modification

or change to this Agreement, including any changes to this Statement of Work, will be valid without written approvals by the City in the form of an amendment, as set forth in General Terms and Conditions.

5. General Requirements

- a. Contractor shall furnish all necessary labor, supervision, travel, equipment, Materials and supplies to perform the services described in this Statement of Work.
- b. Contractor shall provide sufficient labor and supervision at all times to carry out the Work satisfactorily, and shall ensure that only competent workers who are skilled in the type of work specified are employed. If the City determines that a person is incompetent or unsuitable, the Contractor shall immediately remove such person from performing any further service and make sure all keys/badges and any other items that belong to the City are returned to the City within 24 hours.
- c. Contractor shall keep a record of each of its employees working on this Agreement as follows:
 - Name, address and telephone number
 - Date of Birth
 - Social Security number
 - California Driver's License Number
 - City Work Location
 - Bi-Weekly hours worked
 - Emergency Contact Information
- d. The above information will be provided to the City prior to the employee working on site. The Social Security number shall be left off of the City copy.
- e. Contractor shall provide relief personnel as necessary to ensure that each assignment is performed per specifications and deliverables, regardless of employee absenteeism.
- f. The lead person and all supervisors on any janitorial crew shall be able to read, write, speak and understand the English language to the extent required for communication in person, via telephone, and in writing with designated Facilities and City representatives in connection with the janitorial duties to be performed. Further, the communication ability shall extend to being able to call the appropriate law enforcement agencies and/or alarm company in the event of a break-in or inadvertent activation of a burglar alarm system. The English speaking person shall be over the age of eighteen (18) years.
- g. Contractor is required to learn the proper operation of the security alarm systems used in the Facilities, if necessary, and ensure that the building is properly secured and locked when they are the last ones to leave the building after

hours. In addition, the Contractor shall ensure that all employees are properly trained on safety and emergency procedures (such as fire building evacuations, etc.) for the facilities in which they work.

- h. Together with the City's Facility Manager, establish safety and security procedures that strictly control access to the City facilities, the facilities keys, and alarm systems.
- i. Contractor shall notify the City of any irregularities noted during performance of services including, but not limited to, doors left unlocked, lights not working or left on, defective plumbing, broken windows, broken bathroom fixtures, unstable or broken furniture, graffiti, vandalism and/or damage to the building or its contents.
- j. No unauthorized visitors or workers will be allowed on the Facilities premises. The City must approve all individuals visiting or working in the Facilities.
- k. Contractor employees are prohibited from using, tampering with, or removing from City premises City equipment, including, but not limited to, computers, networks, photo copiers, fax machines, telephones, printers, consumable supplies and office supplies. The removal of City equipment or consumable supplies is prohibited and the City will seek prosecution of any individual(s) who may do so. The City will also seek financial restitution for the use and or removal of equipment and or supplies from the City. Contractor employee are also prohibited from moving or otherwise disturbing papers on desks or other work areas, removing any food stored in refrigerators or on desks, and opening any drawers or cabinets.
- l. If the City finds any Contractor's employees to not be satisfactorily performing the services as described in this Statement of Work, the City shall reserve the right to direct the Contractor to replace this employee immediately. This provision in no way requires the Contractor to terminate the employment of any employee replaced pursuant to this paragraph. Nor, by the terms of this section, does City endorse or approve (express or implied) any termination by Contractor of any employee replaced pursuant to this paragraph.
- m. The Contractor is responsible for maintaining satisfactory standards for employees in regards to conduct appearance and integrity (i.e. use of foul language, use of City staff's personal items, cooking, phone and TV usage). The Contractor's employees shall present a neat and clean appearance at all times while performing work at the facilities.
- n. Contractor shall ensure that staff working after business hours keeps voices, radios, and compact disc and tape players at a low decibel level so as not to disturb facilities staff.
- o. The Contractor shall conduct its Work in a manner that will cause a minimum of inconvenience to the facilities' employees and the general public. The facilities' business must be maintained without interruption during the progress of the Work, and no unnecessary interference shall be permitted.

6. Equipment

- a. The equipment used by Contractor and methods used in the handling of the Work will be such that a satisfactory quality of work will be maintained, and which will ensure compliance with the intent of the Agreement.
- b. In cases where particular types of equipment have been banned, or in cases where designated City contact or his or her designee has condemned for use any piece of equipment, the Contractor shall remove such equipment from the site of work. Failure to do so within a reasonable time may affect a breach of Agreement.
- c. All vacuums used must be equipped with Hepa Filtration.

7. Materials and Supplies

- a. Only Materials and supplies meeting Green industry standards will be acceptable in the performance of this Work. The Facility Manager reserves the right to specify the type and quality of all Materials used in the Work. In the event a substitution is necessary for a required Material, written Notice will be provided to the Contractor and a Material of equal value will be substituted at no additional cost to the City. Floor finishes, polishes, cleaners, detergents and germicides shall be harmless to the surfaces on which they are used. Floor wax shall be the "anti-slip" type.
- b. Under no circumstances will cleaning tools and Materials be left unattended during normal business hours.
- c. The Contractor shall handle chemicals provided at each site so as to minimize the possibility of exposure of facility occupants to acid based or caustic based Materials. A list of all chemicals and SDS sheets used for these services shall be submitted and pre-approved by City's designated contact.
- d. The City will supply to the Contractor light, power and hot and cold water as may be required for the performance of the Work.
- e. The City reserves the option to supply the Contractor with janitorial supplies such as toilet paper, paper towels, bag liners, and trash receptacles, at mutually agreed upon cost.
 - If it is agreed upon that the Contractor is to supply the above items, the Contractor shall replenish any of the items necessary, and before the stock of any item is depleted. The Contractor shall provide the City with an invoice detailing the supplies purchased, and the specific quantities to each individual location.
 - If the City obtains the supplies elsewhere, the Contractor shall notify the Facility Manager when replenishment of any of these items is necessary and before the stock of any item is depleted so that a sufficient supply remains until the stock is replenished.
- f. All unused products and empty containers shall be properly disposed of by the Contractor as required by Federal, state, and local laws and regulations. The Contractor shall provide the City with documentation of proper disposal of all

products and containers used in the performance of services.

8. Storage of Equipment and Materials

- a. The Contractor shall obtain prior approval from the designated City representative for any space or area required for storage of the Contractor's equipment and Materials. The City shall not be held liable for any loss or damages.
- b. Equipment and Materials shall not be piled or stored at any location to hinder normal business operations or to constitute a hazard to persons or property.
- c. All Materials which are stored in liquid form shall be stored on shelves not higher than three (3) feet above the floor.
- d. All products stored in secondary containers shall be properly labeled as to the contents.

9. Drug Testing/Criminal Background Check

- a. Prior to performing any Work, Contractor's employees shall be required to pass a drug test administered at a certified medical lab or facility. The Contractor shall be responsible for all costs to perform this drug test. The Contractor's employees will be required to sign a release form to provide a copy of the test results to the Contractor and the City.
- b. Personnel must successfully pass a criminal background check. The Contractor's employees will be required to sign a release form to provide a copy of the criminal background check to the Contractor and the City.

10. Hours of Operation and Holiday Schedule

- a. The Contractor is responsible for providing services as described herein between 6:00 p.m. and 12:00 a.m. regardless of the Contractor's holiday schedule. The Contractor shall review the sites observed holiday schedule with the City annually.
- b. The hours of work under a resulting Agreement shall be in accordance with, and subject to, the provisions of the State of California labor code. The City reserves the right to reschedule Contractor's hours of Work.
- c. The Contractor shall be available twenty-four (24) hours a day, seven (7) days a week to perform emergency services as requested by the City and shall begin to perform these services within two hours after receiving the City's service request. Such services shall be provided at a rate as set forth in Attachment B, Pricing Sheet.

11. Acceptance of Work, Inspection and Reporting Requirements

- a. The City's Facility Manager or his or her designee will make field inspections of the Contractor's Work at their discretion and will be responsible for signing-off acceptance of all the Work submitted. Prior to sign-off, Facility Manager will apply the acceptance criteria (including timeliness, completeness, technical accuracy and conformance to statistical, industry or marketplace standards) to determine if contractor's work is acceptable. Contractor shall provide the work

to the City, and City shall accept that Work, if delivered in accordance with the criteria. Facility Manager shall notify the Contractor of the Work's acceptability. If rejecting the Work, Facility Manager shall detail its failure to meet the criteria. Contractor shall have ten business days from receipt of notice of rejection to correct the failure(s) to conform to the criteria. For contractor's ongoing failure to meet the acceptance criteria, parties should refer to the dispute resolution provisions in General Terms and Conditions.

- b. Inspection shall not relieve the Contractor of its obligations to inspect and furnish Material and workmanship in accordance with the Agreement, Imperfections of Materials or workmanship overlooked by the inspectors shall not be exempted from rejection if they shall later be discovered.
- c. The Contractor's designated supervisor shall perform a monthly inspection of the work performed at the Facilities and submit a written report to the Facility Manager which shall provide enough information to determine if the Contractor is performing the work in accordance with this Statement of Work. The Facility Manager may then instruct the Contractor's designated supervisor to take immediate and appropriate action to resolve any deficiencies.

12. Customer Service

- a. The Contractor's customer service process shall ensure that all customer service issues are addressed in a consistent manner, including problem escalation and resolution. The Contractor must respond to all messages within a time period of eight (8) business hours (business hours are 8:00 a.m. to 5:00 p.m., Monday through Friday). The customer service process includes, but is not limited to:
 - Customer service organizational structure
 - Contact process (phone, email, fax, etc)
 - Follow up process
 - Internal procedures to track customer service contact and resolution
 - Escalation process to resolve outstanding service issues.
- b. Develop administrative, personnel and security policies that reflect an understanding of the City requirements (in conjunction with the City Facility Manager).
- c. Establish procedures and practices for ongoing monitoring of employee performance.
- d. Conduct regular and timely performance reviews for all staff.

Contract Requirements

Vendors should be aware that a contract for the services noted in this proposal will include all, but not be limited to, the following sections:

General Terms and Conditions

CONTRACT #146-2017

EXHIBIT B INSURANCE REQUIREMENTS

Before beginning any work under this Agreement, Contractor, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Contractor shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Contractor shall maintain all required insurance listed herein for the duration of this Agreement.

1. **Workers' Compensation.** Contractor shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Contractor. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Contractor may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Contractor, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance insurance may be waived by the City upon written verification that Contractor does not have any employees.

2. **Commercial General and Automobile Liability Insurance.**

- 2.1 **General requirements.** Contractor, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000.00) and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general

CONTRACT #146-2017

aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

- 2.2 Minimum scope of coverage.** Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.
- 2.3 Additional requirements.** Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:
- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Contractor, including the insured's general supervision of Contractor; products and completed operations of Contractor; premises owned, occupied, or used by Contractor; and automobiles owned, leased, or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City or its officers, employees, agents, or volunteers.
 - b. The insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
 - c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
 - d. Any failure of Contractor to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
 - e. An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

CONTRACT #146-2017

3. All Policies Requirements.

- 3.1 Acceptability of insurers.** All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.
- 3.2 Verification of coverage.** Prior to beginning any work under this Agreement, Contractor shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 3.3 Subcontractors.** Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
- 3.4 Deductibles and Self-Insured Retentions.** Contractor shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.

During the period covered by this Agreement, only upon the prior express written authorization of Contract Administrator, Contractor may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The Contract Administrator may condition approval of an increase in deductible or self-insured retention levels with a requirement that Contractor procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

- 3.5 Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Contractor, its employees, agents, and subcontractors.
- 3.6 Notice of Reduction in Coverage.** In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to City at Contractor's earliest possible opportunity and in no case later than five (5) days after Contractor is notified of the change in coverage.

CONTRACT #146-2017

4. **Remedies.** In addition to any other remedies City may have if Contractor fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Contractor's breach:
- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
 - Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment, until Contractor demonstrates compliance with the requirements hereof; and/or
 - Terminate this Agreement.

CONTRACT NO.: XX-2015

Form W-9 (Rev. September 2007) Department of the Treasury Internal Revenue Service	Request for Taxpayer Identification Number and Certification	Give form to the requester. Do not send to the IRS.			
Print or type See Specific Instructions on page 2.	Name (as shown on your income tax return)				
	Business name, if different from above				
	Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership ☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ ☐ Exempt payee ☐ Other (see instructions) ▶				
	Address (number, street, and apt. or suite no.)	Requester's name and address (optional)			
	City, state, and ZIP code				
	List account number(s) here (optional)				
Part I Taxpayer Identification Number (TIN) Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see <i>How to get a TIN</i> on page 3. Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.					
Part II Certification Under penalties of perjury, I certify that: - The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and - I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and - I am a U.S. citizen or other U.S. person (defined below). Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4. Social security number or Employer identification number

General Instructions Section references are to the Internal Revenue Code unless otherwise noted.					
Purpose of Form A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to: - Certify that the TIN you are giving is correct (or you are waiting for a number to be issued), - Certify that you are not subject to backup withholding, or - Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income. Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.					
Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are: • An individual who is a U.S. citizen or U.S. resident alien, • A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, • An estate (other than a foreign estate), or • A domestic trust (as defined in Regulations section 301.7701-7). Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income. The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases: • The U.S. owner of a disregarded entity and not the entity,					

Cat. No. 10231X

Form **W-9** (Rev. 9-2007)

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details).
3. The IRS tells the requester that you furnished an incorrect TIN.

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
 2. The United States or any of its agencies or instrumentalities,
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
 4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
 5. An international organization or any of its agencies or instrumentalities.
- Other payees that may be exempt from backup withholding include:
6. A corporation,
 7. A foreign central bank of issue,
 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
 10. A real estate investment trust,
 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
 12. A common trust fund operated by a bank under section 584(a),
 13. A financial institution,
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your **TIN** in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A *disregarded domestic entity that has a foreign owner must use the appropriate Form W-8*.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number to Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account)	The actual owner of the account or, if combined funds, the first individual on the account ¹

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name and you may also enter your business or "DBA" name on the second name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see Special rules for partnerships on page 1.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

☐ Corporations: The above-named corporation has a permanent place of business in California at the address shown above or is qualified through the California Secretary of State (SOS) to do business in California. The corporation will file a California tax return and withhold on payments of California source income to nonresidents when required. If this corporation ceases to have a permanent place of business in California or ceases to do any of the above, I will promptly notify the withholding agent. See instructions for General Information F, What is a Permanent Place of Business, for the definition of permanent place of business.		
☐ Partnerships or Limited Liability Companies (LLC): The above-named partnership or LLC has a permanent place of business in California at the address shown above or is registered with the California SOS, and is subject to the laws of California. The partnership or LLC will file a California tax return and will withhold on foreign and domestic nonresident partners or members when required. If the partnership or LLC ceases to do any of the above, I will promptly inform the withholding agent. For withholding purposes, a Limited Liability Partnership (LLP) is treated like any other partnership.		
☐ Tax-Exempt Entities: The above-named entity is exempt from tax under California R&TC Section 23701 _____ (insert letter) or Internal Revenue Code Section 501(c) _____ (insert number). The tax-exempt entity will withhold on payments of California source income to nonresidents when required. If this entity ceases to be exempt from tax, I will promptly notify the withholding agent. Individuals cannot be tax-exempt entities.		
☐ Insurance Companies, IRAs, or Qualified Pension/Profit Sharing Plans: The above-named entity is an insurance company, IRA, or a federally qualified pension or profit-sharing plan.		
☐ California Trusts: At least one trustee and one noncontingent beneficiary of the above-named trust is a California resident. The trust will file a California fiduciary tax return and will withhold on foreign and domestic nonresident beneficiaries when required. If the trustee becomes a nonresident at any time, I will promptly notify the withholding agent.		
☐ Estates — Certification of Residency of Deceased Person: I am the executor of the above-named person's estate. The decedent was a California resident at the time of death. The estate will file a California fiduciary tax return and will withhold on foreign and domestic nonresident beneficiaries when required.		
☐ Nonmilitary Spouse of a Military Servicemember: I am a nonmilitary spouse of a military servicemember and I meet the Military Spouse Residency Relief Act (MSRRA) requirements. See instructions for General Information E, MSRRA.		

CERTIFICATE: Please complete and sign below.

Under penalties of perjury, I hereby certify that the information provided in this document is, to the best of my knowledge, true and correct. If conditions change, I will promptly notify the withholding agent.

Vendor/Payee's name and title (type or print) _____ Daytime telephone no. _____

Vendor/Payee's signature ► _____ Date _____

- * A spouse shall not be deemed to have acquired a residence or domicile in any other state solely by reason of being there to be with the servicemember serving in compliance with military orders

Domicile is defined as the one place:

- * Where you maintain a true, fixed and permanent home
- * To which you intend to return whenever you are absent

A military servicemember's nonmilitary spouse is considered a nonresident for tax purposes if the servicemember and spouse have the same domicile outside of California and the spouse is in California solely to be with the servicemember who is serving in compliance with Permanent Change of Station orders (Note: California may require nonmilitary spouses of military servicemembers to provide proof that they meet the criteria for California personal income tax exemption as set forth in the MSRAA).

For assistance in determining whether the applicant meets the MSRAA requirements, get FTB Pub. 1032, Tax Information for Military Personnel.

F What is a Permanent Place of Business

A corporation has a permanent place of business in California if it is organized and existing under the laws of California or if it is a foreign corporation qualified to transact intrastate business by the California SOS. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in California only if it maintains a permanent office in California that is permanently staffed by its employees.

G Withholding Agent

Keep Form 590 for your records. Do not send this form to the FTB unless it has been specifically requested.

For more information, contact Withholding Services and Compliance, see General Information H.

The vendor/payee must notify the withholding agent if any of the following situations occur:

- * The individual vendor/payee becomes a nonresident.
- * The corporation ceases to have a permanent place of business in California or ceases to be qualified to do business in California.
- * The partnership ceases to have a permanent place of business in California.
- * The LLC ceases to have a permanent place of business in California.
- * The tax-exempt entity loses its tax-exempt status.

The withholding agent must then withhold and report the withholding using Form 592, Resident and Nonresident Withholding Statement, and remit the withholding using Form 592-A, Payment Voucher for Foreign Partner or Member Withholding. Form 592-B, Resident and Nonresident Withholding Tax Statement, is retained by the withholding agent and a copy is given to the payee.

**SBM - CITY OF RANCHO CORDOVA JANITORIAL
PROPOSAL SUBMISSION**
October 19th 2017

October 19, 2017

Re: City of Rancho Cordova Janitorial Services RFP

Dear Tim Watson,

Thank you for the opportunity to bid with the city of Rancho Cordova. We understand that there have been service challenges in the past, however, we are forthright in our determination to ensure that those deficiencies are behind us and that we have provided staff training as well as adjusted supervisor & management practices to ensure they do not occur again. Please see our Escalation process enclosed.

SBM has reviewed and accepts all terms and conditions contained in the RFP and is able to perform in accordance with the Statement of Work as described below and in our proposal. As part of our dedication to continually providing value for the City of Rancho Cordova, SBM has increased our wage rates to incentivize high productivity in our associates, as such our pricing has increased slightly to remain consistent with industry standards.

SBM is a global soft service provider with more than 30 years of experience developing solutions that transform our clients' facilities programs. We bring more than good business practice—we bring a vision.

Our unique approach, founded on employee empowerment, skilled management, and data-driven performance visibility will ensure your facilities run as efficiently as they are pristine. SBM has focused on our employees' experience to provide exceptional value for our clients. We connect and empower teams with mobile devices and proven systems, and processes to ultimately change the way our people think, behave, and perform their jobs.

SBM will bring standardized quality levels that meet and exceed the City's expectations through a suite of customized services that are constantly evaluated and evolving to enhance performance levels across your facilities.

Rancho Cordova can expect to experience complete financial transparency, elevated customer satisfaction, increased productivity, improved safety levels, and an exceptional service experience. We are excited to continue our partnership providing best-in-class services and overall value.

Sincerely,

Darin Morino

1. Executive summary

The vendor must provide an Executive Summary of its proposal. The Executive Summary should be a general overview of how the vendor proposes to accomplish the requirements of this RFP. The Executive Summary should demonstrate the vendor understanding of the requirements, particularly with Statement of Work. The vendor must also address in this section how it meets the qualification requirements.

Executive Summary

The facilities industry has long posed labor as the solution and overall value to meeting scope requirements. But labor doesn't equal service excellence. With SBM, the City of Rancho Cordova is getting more than just a cleaning company.

We connect and empower our teams across your sites with our performance technology.

Ultimately, we change the way our people think, behave and perform their jobs to deliver an exceptional service experience for both our employees and your building occupants.

We've developed **innovative systems and processes** in key disciplines that when effectively managed achieve planned, predictable, repeatable results.

Our SEP, **Service Excellence Program**, sets the standard in service excellence **incentivizing exceptional performance for our associates** across 8 categories such as professionalism, quality audits, safety, and more.

"You guys (SBM) are different than any janitorial company I have worked with in my 20 years. You call out your faults, implement impactful resolutions, follow up to ensure satisfaction and your sense of ownership and urgency is impressive! Thank you for all you do!"

Kimberly Kruse General Manager US Bank Cincinnati, OH

Because our technology and people processes enable service transparency, Rancho Cordova can expect to experience reduced costs, improved efficiency, and constant service innovations. Here is how:

- Customized training videos **tailor cleaning processes directly to your scope of work**. We upskill our associates, and empower them to provide a proactive cleaning experience.
- **Real-time feedback** from our performance systems of employee-initiated service work orders **decreases Rancho Cordova's need to supervise**.
- Engaged account management personnel and **dedicated onsite staff will meet directly with Rancho Cordova's facility management teams** at specified intervals to ensure our service exceeds expectations.

2. Cover Page and Vendor Information

The vendor's proposal must provide the information requested below.

a. Cover page to include complete name, address, company name, fax and phone numbers, and email address. The authorized signature and name of submitting authority must be included.

Please see our signed cover letter in the preceding pages with the required information.

b. Vendor profile and California locations (a short description of the vendor).

SBM Vendor Profile

SBM is a facilities services company with a core competency in soft services. With more than thirty years in the industry, we have established a global reach that includes presence in the US, Canada, Puerto Rico, Latin America, Singapore and the United Kingdom. Locally we are well established throughout California, with our company headquarters located in McClellan, CA.

3. Qualifications, Experience and References

The City requires the vendor and its subcontractors to have prior experience in all aspects of the services described in this RFP for customers similar to or with relevance in the size, complexity and scope of this RFP. Vendor shall:

a. Describe the vendor's experience as it pertains to providing services similar in size, complexity and scope to those required under this RFP and in the manner required pursuant to this RFP.

SBM has provided janitorial services to both municipal and private business clients for over 30 years. SBM's experience includes providing comprehensive facilities management programs such as janitorial, general building maintenance, recycling and environmental awareness programs, cleanroom and laboratory sanitizing, move-add-change support services and related ancillary services to customers throughout the United States, United Kingdom, Canada, Singapore and Latin America. We will seamlessly integrate our standardized processes and industry-leading technology to ensure the health, safety and security of the City's occupants and visitors.

b. Provide the names, addresses and telephone numbers for a minimum of three (3) customers for whom the vendor has provided similar products and services within the last 18 months. The vendor should include a brief description of the scope of services provided to the customer and the duration of the contract. The City may contact some or all of the references provided in order to determine the vendor's performance records. The City reserves the right to contact references other than those provided in the proposal and to use the information gained from them in the evaluation process.

4. Organizational Structure

a. Include the Customer Service Structure, contact process, response time, and follow up procedures.

SBM Dedicated Customer Service Team

Contact Process:

SBM's contact process involves contacting a member of our account service team either by phone, email, or through our performance platform or in person. If at the site level SBM is unable to reach a resolution, the next steps would be to escalate the issue to our Area Manager or Regional Manager, and failing that our Vice President of Operations Mike Abercrombie. All of our service team associates are available 24/7 for any of Rancho Cordova's needs. Rancho Cordova can expect response times of 24 hours or less.

b. Describe the escalation process to resolve outstanding service issues.

Escalation process

We proactively manage complaints and provide swift corrective action plans. In the case that service issues are continually noted within site KPIs, we have developed a closed-loop system with which we identify core issues and implement action plans and follow-up recovery plans to ensure continued success. This system encompasses the following:

Root Cause Analysis • The process is broken down to its fundamental elements in order to identify the basic breakdown (Root Cause) that resulted in a missed expectation or opportunity for improvement.

Prescriptive Action Plan • The management team develops a comprehensive Action Plan with clearly defined deliverables that addresses the issues involved.

Implementation • Management rolls out the Action Plan, making sure that all the resources and training required are made available.

Ensure Sustained Results • Increased auditing of the program is performed to ensure that elimination of the issue is complete and sustained. Regular reporting to the customer through the process is maintained.

c. Describe the procedures and practices for ongoing monitoring of employee performance.

Our real-time performance platform monitors employee performance and drives exceptional service for our clients by bolstering our associates' productivity through the following.

- Internal quality audits are performed on a mutually agreed schedule. We also encourage weekly joint audits with customers to calibrate performance expectations. Auditing results are entered into our online system and key data is communicated through our performance platform.
- We incentivize our associates' performance to drive an ownership mentality by assigning specific areas throughout your buildings to each employee and holding them accountable to KPIs such as Conduct, Complaints, Quality Audits, Report-Its, Compliments, Training, Professionalism and Safety.
- Continual data feedback creates proactive employees who document deficiencies and process their own work orders and are rewarded for performance that goes above and beyond.
- All performance data is visible to our clients and our associates with permissions based access at particular levels to generate meaningful data at the touch of button and align on expectations.

d. Describe the hiring and pre-employment screening procedures (fingerprinting, drug testing, criminal background check).

Drug & Background Screening

SBM requires all new hires to successfully complete a pre-employment background search, drug test and reference check. Drug tests and background screenings are completed by Jungle Source Inc., which may include criminal background history, including state records and a Department of Homeland Security EVP review. All SBM employees are bonded. SBM is able to perform periodic background checks after our pre-employment screening if required by client.

e. Describe any on-going training plans including Green Cleaning.

SBM has created training videos specifically related to green cleaning as part of our employee knowledge center housed in our learning management system. We will have each SBM employee take these trainings within the next 3-6 months as part of our quarterly recycling training. SBM has a site specific PowerPoint that reinforces site specifics.

Please see the below video our sustainability program. The password is: **SBM!**

<https://vimeo.com/233873863>

f. Describe the policy and utilization of back-up staff in the event of any absences.

SBM takes every measure possible to appropriately staff our sites to meet the scope of work without needing to implement overtime hours for our employees. We do recognize that there are unforeseen incidents or occasions that may arise which call for additional labor hours. In this event, SBM can use one of its staffing resources to ensure that the necessary work is completed. This may include calling on cross-trained employees, utilizing on-call employees, or drawing from our supplemental / floating labor pool.

5. Start-Up Plan

Sample Start-Up Plan

Because SBM is the current incumbent, no start-up plan would be necessary. However, below is a sample plan as requested.

Phase 1: Pre- Transition (First 30 days)

SBM's objective is to seek to understand the current working model before implementing any changes. The transition team would be at Rancho Cordova's locations 30 days before the contracted start date to become familiar with the facility, risk assessments, shadow current janitorial staff and asses workflows and staff responsibilities.

- A transition checklist that details frequencies and periods of actionable items will be created in collaboration with the Rancho Cordova point-of-contact to ensure transparency and alignment.
- The timeline will create tasks that are assigned to each transition team member and will be managed by the transition manager holding the team accountable for completing each task on time.
- The transition team will adjust the current workflows or develop new workflows that will outline roles and responsibilities of each team member.
- This information will be reported in a Pre-Transition Review presentation in order to establish baseline quality measurements.
- SBM's customized Gantt chart will outline the full 90 day transition with action items assigned to time frames of completion.

Sample Transition Schedule

	Action Item	Assignment	Week	One	Two	Three	Four
Awards	Notice To Award of Contract	CLIENT					
	Establish Transition Office	SBM					
	Transition Team on Site	SBM					
	Announcement and Notices	CLIENT					
Staffing	Recruit Internally	SBM					
	Recruit Externally	SBM					
	Interview Candidates	SBM					
	Drug Screening/Background Checks	SBM					
	Orientation and Training	SBM					
Admin & Technical	Ongoing Transition Meetings	SBM					
	Alignment Meeting	SBM					
	Process Orientations	SBM					
	Understanding Expectations	SBM					
	Communications Process	SBM					
	Establish Initial Performance Metrics	SBM					
	Strategic Planning	SBM					
	Ordering of Equipment	SBM					

Staffing

One of the most important steps in our transition planning is staffing. In the event that current employees at your site do not meet our requirements, we will utilize several recruiting techniques including, but not limited to: referrals, local community service organizations, internal job postings, advertisements and job fairs. SBM completes all pre-employment screening per local laws. In the case that not all incumbent staff pass our rigorous hiring qualifications we may use several sources to obtain qualified candidates.

Baseline Audits

Additionally, SBM's site manager and transition manager will conduct base line audits of facilities. The baseline audit is performed using the mutually agreed upon audit scale and key performance indicators created with the site point-of-contact. The results of the baseline audits will be reviewed and compared to audits conducted throughout the full 90 day transition.

End-User Communication

Upon award of the contract, SBM will provide end-user education materials to advise members of Rancho Cordova's community of the shift to a new janitorial service provider. We will work with you to identify opportunities to create communication pieces that fit the specific needs and / or concerns that may be expressed.

Phase 2: Implementation (Next 30 days)

The implementation phase is the time period of the first 30 days SBM's full staff is onsite for the Rancho Cordova contract start date. This phase is our initial delivery of services outlined in the scope of work. SBM's transition team will stay on site during this phase to ensure the sustaining staff is fully trained, support any work flow changes and scheduling that may be changed, and provide any additional support needed to ensure a seamless transition.

Phase 3: Sustaining (Last 30 days)

Phase 3 is when SBM is in full operation of the project including SBM's ownership of day-to-day duties, all operational functions and performing deliverables.

- Sites are audited regularly to ensure key processes have been properly implemented and fundamental operations are sustained.
- SBM also examines areas of opportunity for continuous improvement of our services.

ITEM 16.5.**ATTACHMENT 3**

a. Describe the employee training program that will be utilized at the start of the contract.

We create a knowledgeable workforce through our automated Learning Management System and continuous training program.

- We offer best-in-class videos, onsite training classes, on the job training with management / corporate support resources to set up our associates for success.
- Our program tracks and reports status of completion in real time, which enables our management teams to focus on the "doing" versus tracking the paper work to ensure compliance.
- Part of the value we are creating is that our work force is self-managed.
- In addition, SBM provides its front-line staff with ongoing best-in-class training and personalized transcripts thus increasing professionalism by providing Knowledge Center Development.

b. Explain the staffing that will be used at both locations.

Because SBM has its headquarters and we perform services at many locations throughout the Sacramento region, we are able to provide outstanding & unique support for your site. In addition to dedicated supervision & management, SBM proposes to maintain the existing staffing level at your site. Currently, that is:

2729 Prospect Park: 1 Full time Employee & 1 Part time employee

2701 Prospect Park: 1 Part time employee

3303 Luyung: 1 Part time employee

Mills station- Resources will be assigned as requested utilizing our proposed hourly bill rate.

ITEM 16.5.

ATTACHMENT 3

c. Explain how the needs of the City will be met as per Statement of Work.

SBM will meet City of Rancho Cordova's Statement of Work through our dedicated systems and processes to continually monitor our associates' performance, calibrate our services, and recommend additional efficiencies that may bring further cost savings. Critical emphasis will be to implement quality control and accountability processes to areas currently lacking oversight. With increased focus on individual behaviors and our proven safety protocol, we will increase transparency, efficiency, and overall performance.

SBM Systems and Processes

ITEM 16.5. Bid Assumptions

ATTACHMENT 3

SBM's proposal is based on the information below being incorporated into the Agreement. SBM reserves the right to review and negotiate terms and conditions during the negotiations and/or award process.

- SBM's pricing is based on information provided including but not limited to square footages and employee populations in the Request for Proposal. Should any information change, SBM will work with Customer to determine the revised pricing schedule, if applicable.
- Pricing is fixed fee. Pricing excludes applicable sales or equivalent taxes for the services provided within the geographic regions. Applicable taxes will be billed on the monthly invoice as a separate line item and are in addition to the monthly fixed fee pricing.
- SBM is committed to honoring our bid proposal pricing associated with this Agreement. However, in the event of tax law, federal and state legislation, collective bargaining agreement during the term of this Agreement, SBM will need to adjust its pricing to allow for "pass through" employee wage increase directly attributed to state and federal tax increases, minimum wage increases, union wage increases which include wages, fringe benefits, taxes and other costs currently applicable by virtue of negotiated union wage agreements that may arise during the Term of the Agreement. SBM will give a thirty (30) day written notice to Customer of such increase and the date that these increases will take effect.
- Net 30 day Payment terms.
- All staffing, hours and wages are estimated and may vary so long as SBM provides the services set forth in the Agreement.
- SBM's proposed pricing for consumable supplies is an estimate only, and subject to change pending a thorough review of current paper brands, consumption patterns, dispensing unit capacity, etc.
- SBM's pricing assumes a union workforce for all locations bid.
- SBM reserves the right to review and negotiate terms and conditions during the negotiations and/or award process.
- SBM's or SBM's affiliate's suite of software tools and performance management platform currently called "SBMInsite.com" and/or "Insite"(hereinafter collectively referred to as the "SBMInsite") is the proprietary property of SBM. In the event that Customer is given access to the SBMInsite during the term of the Agreement while SBM is performing services for Customer, Customer shall enter into a License Agreement and/or End User License Agreement (hereinafter the "SBMInsite License Agreement"), which will govern Customer's access to and use of SBMInsite during the term of the Agreement at the locations covered under this Agreement and for the services that SBM is performing for Customer. The parties agree that SBM shall at all times during and after the expiration or earlier termination of the Agreement own all right, title and interest, including all intellectual property right in and to the Insite Platform and any modifications, enhancements, improvements, upgrades, updates and derivative works thereof.
- SBM agrees to hold the subject matter of this Agreement as confidential and make no disclosure to any third parties of any nature without prior written approval from Customer. Both parties agree that any and all information and/or data exchanged between the parties, pursuant to this Agreement, shall be considered confidential and proprietary. Each party agrees it shall not transmit such information and/or data to any third party without prior written consent from the other party.

Statement of Acceptance of Terms and Conditions

Execution hereof is certification that the undersigned has read and understands the terms and conditions hereof and that the undersigned's principle is fully bound and committed.

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

• Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)

• Form 1099-C (canceled debt)

• Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China Income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exempt payee code.

- Generally, individuals (including sole proprietors) are not exempt from backup withholding.
- Except as provided below, corporations are exempt from backup withholding for certain payments, including interest and dividends.
- Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.
- Corporations are not exempt from backup withholding with respect to attorneys' fees or gross proceeds paid to attorneys, and corporations that provide medical or health care services are not exempt with respect to payments reportable on Form 1099-MISC.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space in line 4.

- 1—An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2)
- 2—The United States or any of its agencies or instrumentalities
- 3—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities
- 4—A foreign government or any of its political subdivisions, agencies, or instrumentalities
- 5—A corporation
- 6—A dealer in securities or commodities required to register in the United States, the District of Columbia, or a U.S. commonwealth or possession
- 7—A futures commission merchant registered with the Commodity Futures Trading Commission
- 8—A real estate investment trust
- 9—An entity registered at all times during the tax year under the Investment Company Act of 1940
- 10—A common trust fund operated by a bank under section 584(a)
- 11—A financial institution
- 12—A middleman known in the investment community as a nominee or custodian
- 13—A trust exempt from tax under section 664 or described in section 4947

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 13.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 7
Broker transactions	Exempt payees 1 through 4 and 6 through 11 and all C corporations. S corporations must not enter an exempt payee code because they are exempt only for sales of noncovered securities acquired prior to 2012.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 4
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 5 ²
Payments made in settlement of payment card or third party network transactions	Exempt payees 1 through 4

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

B—The United States or any of its agencies or instrumentalities

C—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities

D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(1)(i)

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(i)

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

H—A regulated investment company as defined in section 851 or an entity registered at all times during the tax year under the Investment Company Act of 1940

I—A common trust fund as defined in section 584(a)

J—A bank as defined in section 581

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if Items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in Items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out Item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out Item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account)	The actual owner of the account or, if combined funds, the first individual on the account ¹
3. Custodian account of a minor (Uniform Gift to Minors Act)	The minor ²
4. a. The usual revocable savings trust (grantor is also trustee) b. So-called trust account that is not a legal or valid trust under state law	The grantor-trustee ¹ The actual owner ²
5. Sole proprietorship or disregarded entity owned by an individual	The owner ³
6. Grantor trust filing under Optional Form 1099 Filing Method 1 (see Regulations section 1.671-4(b)(2)(i)(A))	The grantor ⁴
For this type of account:	Give name and EIN of:
7. Disregarded entity not owned by an individual	The owner
8. A valid trust, estate, or pension trust	Legal entity ⁴
9. Corporation or LLC electing corporate status on Form 8832 or Form 2553	The corporation
10. Association, club, religious, charitable, educational, or other tax-exempt organization	The organization
11. Partnership or multi-member LLC	The partnership
12. A broker or registered nominee	The broker or nominee
13. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district, or prison) that receives agricultural program payments	The public entity
14. Grantor trust filing under the Form 1041 Filing Method or the Optional Form 1099 Filing Method 2 (see Regulations section 1.671-4(b)(2)(i)(B))	The trust

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name and you may also enter your business or DBA name on the "Business name/disregarded entity" name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see *Special rules for partnerships* on page 2.

*Note. Grantor also must provide a Form W-9 to trustee of trust.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, *Identity Theft Prevention and Victim Assistance*.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

- c. The provider shall submit in a sealed envelope one (2) signed original completed copy of the proposal addressed to:

Tim Watson
City of Rancho Cordova
Facilities Department
2729 Prospect Park Drive, Suite 100
Rancho Cordova, CA 95670

Document Submittal

- d. Respondents to the RFP must choose to quote on all locations.
- e. Proposals must be received no later than 2:00 p.m. October 19th, 2017. This means that proposals must be mailed prior to the due date in order for the City to receive them by the deadline. Hand delivery is acceptable. No proposals will be accepted after 2:00 p.m. on the bid due date.
- f. All information entered on the RFP must be clearly typed. No erasures are permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent and must be initialed in ink by the person signing the RFP. The outside of your sealed bid envelope should be marked in the lower left corner "Janitorial Services RFP."
- g. All costs of provider's proposal preparation shall be borne by the provider.
- h. All materials submitted in response to this solicitation will become the property of the City and will be returned only at the City's option and at the expense of the vendor submitting the proposal. One copy of a submitted proposal will be retained for official files and become a public record. Any material that a vendor considers as confidential but does not meet the disclosure exemption requirements of the California Public Records Act should not be included in the vendor's proposal as it may be made available to the public.
- i. Failure to comply with any and all parts of the RFP may be considered non-conforming and ineligible for consideration.
- j. The City may reject any or all proposals, or where provided for in the RFP, portions of proposals. The City may reject proposals failing to conform to requirements set forth in the RFP. The City shall reject the response of any Bidder who received any form of consideration from the City for the preparation of the RFP, or any portion thereof. The City shall document the Contract Record regarding any decisions to reject all proposals, indicating why rejection is in the best interest of the City. The City will notify all Bidders, in writing, if the City' rejects all quotes.

2. Mandatory Pre-Submittal Conference

- a. There is a mandatory pre-submittal conference scheduled at 10:00 a.m. on Monday October 16th, 2017.
- b. The purpose of this Mandatory Pre-Submittal Conference and is to permit interested Vendors to ask questions about the facilities in order to better understand the proposal requirements an authorized representative may attend on their behalf. A representative may only sign in for one Vendor. Proposals from Vendors who did not attend the Mandatory Pre-Submittal Conference will not be accepted.

3. Requests for Clarification or Modifications

Vendors interested in this solicitation may ask questions during the Mandatory Pre-

Submittal Conference. No questions about the work or proposal will be answered before or after this meeting.

4. Requests for Additional Information

The City reserves the right to seek clarification or additional information from any vendor throughout the solicitation process. The City may require a Vendor's representative to answer questions during the evaluation process with regard to the Vendors' proposal. Failure of a Vendor to demonstrate that the claims made in its proposal are in fact true may be sufficient cause for deeming a proposal non-responsive.

5. Ambiguity, Discrepancies, Omissions

- a. If a Vendor submitting a proposal discovers any ambiguity, conflict, discrepancy, omission, or other error in this solicitation document, the Vendor shall immediately provide the Solicitation Contact Notice via email of the problem and request that the solicitation document be clarified or modified.
- b. If prior to the proposal deadline a Vendor submitting a proposal knows of or should have known of an error in the solicitation document but fails to notify the Solicitation Contact of the error, the Vendor shall submit a proposal at its own risk, and if the Vendor is awarded the purchase, the Vendor shall not be entitled to additional compensation or time by reason of the error or its later correction.

6. RFP Addenda

- a. The City may modify this solicitation document prior to the date fixed for submissions of proposals by posting any addenda on the City's website. If any potential Vendor determines that an addendum unnecessarily restricts its ability to propose, it must notify the Submittal Contact person no later than three (3) business days following the date the addendum was posted.
- b. It is the responsibility of all interested participants in this RFP process to check the City's website for the posting of any addenda. Pricing shall reflect all addenda issued by the City. Failure to do so will permit the City to interpret the bid to include all addenda issued in any resulting contract.

7. Contact with City

Vendors are specifically directed NOT to contact any City personnel or consultants for meetings, conferences, or discussions that are specifically related to this RFP at any time prior to any award of a contract. Unauthorized contact with any City personnel or consultants may be cause for rejection of the Vendor's response.

8. Interviews and Negotiations

- a. Following the initial screening of proposals, the City reserve the right to require, and each Bidder must be prepared to conduct, oral presentations and other discussions (written or verbal) on the content of its proposal. If the City determines that interviews or presentations are required, selected Bidders will be

notified in writing of the date, place, time and format of the interview or presentation. Bidders will be responsible for all costs related to the interview, which, at the City's sole discretion, may be in-person and/or by teleconference. Failure to participate in such interviews or presentations shall result in a Bidder's disqualification from further consideration.

- b. **If the City desires to enter into negotiations, it will do so with one or more Bidders at its discretion. If the City enters into negotiations and no contract is reached, the City can negotiate with other Bidders or make no award under this RFP. The City reserves the right to award a contract, if any, without negotiations.**

9. Award of Contract

The Evaluation Committee will make a final recommendation for award of the contract. Upon award, the successful bidder will be required to execute a Contract in accordance with the Statement of Work and the General Conditions. Certificates of insurance with endorsements must be in conformance with the requirements set forth in the contract and included with the signed agreement. The period for execution of the Contract may be changed by mutual contract of the parties. Contracts are not effective until signed by both parties.

Proposal Evaluation Criteria

Selection Criteria

Selection of a vendor and determination of the award will be made to the qualified vendor whose proposal is determined to be of superior quality, responsive to the requirements of this RFP and competitively priced. Selection will result from the City's overall judgment that a proposal meets or exceeds its requirements, as measured against the following criteria (not listed in order of importance):

- Confidence that the vendor has the ability to best deliver high quality janitorial services consistent with the stated specifications.
- Superior responsiveness to specifications, quality of work plan, and demonstrated understanding of city security regulations. Vendor qualifications, office hours, and prompt and continuous availability of quality emergency services are critical.
- Financial feasibility and cost effectiveness of the bid.
- The number of years the Vendor has been providing this type of service.
- Vendor's capabilities in terms of qualifications and relevant past experience. Vendors shall indicate their past performance in providing similar services with organizations of similar size.
- Vendor's complete documentation of the number, scope and service specifications for similar services, including (a) a list of contact names, addresses and telephone numbers for such services, and (b) demonstration that the key people proposed and guaranteed as available by the Vendor to work on the project resulting from this RFP have participated

in a significant number of these services.

- Qualifications and experience of key individuals proposed and guaranteed as available and committed to this service. In the case of positions that will be filled by new-hires, the Vendor's stated and guaranteed minimum qualifications and the guaranteed start date of any to be hired.
- The reasonableness of the proposed work plan, including the capabilities and number of personnel and/or personnel hours allocated to specific tasks, a detailed description of each task, the time frames for completion and the logical sequence of tasks to be performed.
- The City may contact some or all of the references provided in order to determine the vendor's work performance. The City reserves the right to contact references other than those provided in the proposal and to use the information gained from them in the evaluation process.
- The City reserves the right to request additional information to assure itself of a vendor's financial status.

Contents of Proposal

Responsive bids should provide straightforward, concise information that satisfies the requirements of this solicitation. Emphasis should be placed on conformity to the City's instructions, requirements of this solicitation, and the completeness and clarity of content.

- e. Contractor shall provide relief personnel as necessary to ensure that each assignment is performed per specifications and deliverables, regardless of employee absenteeism.
- f. The lead person and all supervisors on any janitorial crew shall be able to read, write, speak and understand the English language to the extent required for communication in person, via telephone, and in writing with designated Facilities and City representatives in connection with the janitorial duties to be performed. Further, the communication ability shall extend to being able to call the appropriate law enforcement agencies and/or alarm company in the event of a break-in or inadvertent activation of a burglar alarm system. The English speaking person shall be over the age of eighteen (18) years.
- g. Contractor is required to learn the proper operation of the security alarm systems used in the Facilities, if necessary, and ensure that the building is properly secured and locked when they are the last ones to leave the building after

hours. In addition, the Contractor shall ensure that all employees are properly trained on safety and emergency procedures (such as fire building evacuations, etc.) for the facilities in which they work.

- h. Together with the City's Facility Manager, establish safety and security procedures that strictly control access to the City facilities, the facilities keys, and alarm systems.
- i. Contractor shall notify the City of any irregularities noted during performance of services including, but not limited to, doors left unlocked, lights not working or left on, defective plumbing, broken windows, broken bathroom fixtures, unstable or broken furniture, graffiti, vandalism and/or damage to the building or its contents.
- j. No unauthorized visitors or workers will be allowed on the Facilities premises. The City must approve all individuals visiting or working in the Facilities.
- k. Contractor employees are prohibited from using, tampering with, or removing from City premises City equipment, including, but not limited to, computers, networks, photo copiers, fax machines, telephones, printers, consumable supplies and office supplies. The removal of City equipment or consumable supplies is prohibited and the City will seek prosecution of any individual(s) who may do so. The City will also seek financial restitution for the use and or removal of equipment and or supplies from the City. Contractor employee are also prohibited from moving or otherwise disturbing papers on desks or other work areas, removing any food stored in refrigerators or on desks, and opening any drawers or cabinets.
- l. If the City finds any Contractor's employees to not be satisfactorily performing the services as described in this Statement of Work, the City shall reserve the right to direct the Contractor to replace this employee immediately. This provision in no way requires the Contractor to terminate the employment of any employee replaced pursuant to this paragraph. Nor, by the terms of this section, does City endorse or approve (express or implied) any termination by Contractor of any employee replaced pursuant to this paragraph.
- m. The Contractor is responsible for maintaining satisfactory standards for employees in regards to conduct appearance and integrity (i.e. use of foul language, use of City staff's personal items, cooking, phone and TV usage). The Contractor's employees shall present a neat and clean appearance at all times while performing work at the facilities.
- n. Contractor shall ensure that staff working after business hours keeps voices, radios, and compact disc and tape players at a low decibel level so as not to disturb facilities staff.
- o. The Contractor shall conduct its Work in a manner that will cause a minimum of inconvenience to the facilities' employees and the general public. The facilities' business must be maintained without interruption during the progress of the Work, and no unnecessary interference shall be permitted.

6. Equipment

- a. The equipment used by Contractor and methods used in the handling of the Work will be such that a satisfactory quality of work will be maintained, and which will ensure compliance with the intent of the Agreement.
- b. In cases where particular types of equipment have been banned, or in cases where designated City contact or his or her designee has condemned for use any piece of equipment, the Contractor shall remove such equipment from the site of work. Failure to do so within a reasonable time may affect a breach of Agreement.
- c. All vacuums used must be equipped with Hepa Filtration.

7. Materials and Supplies

- a. Only Materials and supplies meeting Green industry standards will be acceptable in the performance of this Work. The Facility Manager reserves the right to specify the type and quality of all Materials used in the Work. In the event a substitution is necessary for a required Material, written Notice will be provided to the Contractor and a Material of equal value will be substituted at no additional cost to the City. Floor finishes, polishes, cleaners, detergents and germicides shall be harmless to the surfaces on which they are used. Floor wax shall be the "anti-slip" type.
- b. Under no circumstances will cleaning tools and Materials be left unattended during normal business hours.
- c. The Contractor shall handle chemicals provided at each site so as to minimize the possibility of exposure of facility occupants to acid based or caustic based Materials. A list of all chemicals and SDS sheets used for these services shall be submitted and pre-approved by City's designated contact.
- d. The City will supply to the Contractor light, power and hot and cold water as may be required for the performance of the Work.
- e. The City reserves the option to supply the Contractor with janitorial supplies such as toilet paper, paper towels, bag liners, and trash receptacles, at mutually agreed upon cost.
 - If it is agreed upon that the Contractor is to supply the above items, the Contractor shall replenish any of the items necessary, and before the stock of any item is depleted. The Contractor shall provide the City with an invoice detailing the supplies purchased, and the specific quantities to each individual location.
 - If the City obtains the supplies elsewhere, the Contractor shall notify the Facility Manager when replenishment of any of these items is necessary and before the stock of any item is depleted so that a sufficient supply remains until the stock is replenished.
- f. All unused products and empty containers shall be properly disposed of by the Contractor as required by Federal, state, and local laws and regulations. The Contractor shall provide the City with documentation of proper disposal of all

products and containers used in the performance of services.

8. Storage of Equipment and Materials

- a. Prior to performing any Work, Contractor's employees shall be required to pass a drug test administered at a certified medical lab or facility. The Contractor shall be responsible for all costs to perform this drug test. The Contractor's employees will be required to sign a release form to provide a copy of the test results to the Contractor and the City.
- b. Personnel must successfully pass a criminal background check. The Contractor's employees will be required to sign a release form to provide a copy of the criminal background check to the Contractor and the City.

10. Hours of Operation and Holiday Schedule

- a. The Contractor is responsible for providing services as described herein between 6:00 p.m. and 12:00 a.m. regardless of the Contractor's holiday schedule. The Contractor shall review the sites observed holiday schedule with the City annually.
- b. The hours of work under a resulting Agreement shall be in accordance with, and subject to, the provisions of the State of California labor code. The City reserves the right to reschedule Contractor's hours of Work.
- c. The Contractor shall be available twenty-four (24) hours a day, seven (7) days a week to perform emergency services as requested by the City and shall begin to perform these services within two hours after receiving the City's service request. Such services shall be provided at a rate as set forth in Attachment B, Pricing Sheet.

11. Acceptance of Work, Inspection and Reporting Requirements

- a. The City's Facility Manager or his or her designee will make field inspections of the Contractor's Work at their discretion and will be responsible for signing-off acceptance of all the Work submitted. Prior to sign-off, Facility Manager will apply the acceptance criteria (including timeliness, completeness, technical accuracy and conformance to statistical, industry or marketplace standards) to determine if contractor's work is acceptable. Contractor shall provide the work

to the City, and City shall accept that Work, if delivered in accordance with the criteria. Facility Manager shall notify the Contractor of the Work's acceptability. If rejecting the Work, Facility Manager shall detail its failure to meet the criteria. Contractor shall have ten business days from receipt of notice of rejection to correct the failure(s) to conform to the criteria. For contractor's ongoing failure to meet the acceptance criteria, parties should refer to the dispute resolution provisions in General Terms and Conditions.

- b. Inspection shall not relieve the Contractor of its obligations to inspect and furnish Material and workmanship in accordance with the Agreement, Imperfections of Materials or workmanship overlooked by the inspectors shall not be exempted from rejection if they shall later be discovered.
- c. The Contractor's designated supervisor shall perform a monthly inspection of the work performed at the Facilities and submit a written report to the Facility Manager which shall provide enough information to determine if the Contractor is performing the work in accordance with this Statement of Work. The Facility Manager may then instruct the Contractor's designated supervisor to take immediate and appropriate action to resolve any deficiencies.

12. Customer Service

- a. The Contractor's customer service process shall ensure that all customer service issues are addressed in a consistent manner, including problem escalation and resolution. The Contractor must respond to all messages within a time period of eight (8) business hours (business hours are 8:00 a.m. to 5:00 p.m., Monday through Friday). The customer service process includes, but is not limited to:
 - Customer service organizational structure
 - Contact process (phone, email, fax, etc)
 - Follow up process
 - Internal procedures to track customer service contact and resolution
 - Escalation process to resolve outstanding service issues.
- b. Develop administrative, personnel and security policies that reflect an understanding of the City requirements (in conjunction with the City Facility Manager).
- c. Establish procedures and practices for ongoing monitoring of employee performance.
- d. Conduct regular and timely performance reviews for all staff.

Contract Requirements

Vendors should be aware that a contract for the services noted in this proposal will include all, but not be limited to, the following sections:

General Terms and Conditions

1. Accounting

Contractor will maintain a system of accounting and internal controls that meets Generally Accepted Accounting Principles (U.S. GAAP).

2. Audit; Retention of Records

- a. Audit. Upon reasonable Notice, Contractor will provide to the City, to any federal or state entity with monitoring or reviewing authority, or to City's authorized representatives, access to and the right to examine and audit all records and documents relating to performance and billing under this Agreement, and, as necessary, to determine compliance with relevant federal, state, and local statutes, rules, and regulations. Contractor agrees to provide the City with all relevant information requested, and will permit access to its premises at reasonable times, for the purpose of interviewing employees and inspecting and copying any relevant records.
- b. Retention of Records. Contractor will maintain all financial information, supporting documents, and all other records relating to performance and billing under this Agreement for a period in accordance with state and federal law. The minimum retention period will be four years from the date of the submission of the final payment request or until audit findings are resolved, whichever is later.

3. Assignment

Contractor will not assign its rights or obligations under this Agreement, either in whole or in part, without the prior written consent of the City, in the form of an Amendment. Any attempted assignment in violation of this clause shall be null and void.

4. Choice of Law; Jurisdiction and Venue

- a. Choice of Law. This Agreement and performance under it will be exclusively governed by the laws of the State of California without regard to its conflict of law provisions.
- b. Jurisdiction. Contractor irrevocably consents to the exclusive jurisdiction of the state and federal City's located in California in any legal action concerning or relating to this Agreement.

5. Certifications and Representations

Contractor's signature on the cover page shall also serve as certification for the following paragraphs, A-G below.

- a. ADA Compliance. Contractor certifies that it and its Subcontractors comply with applicable provisions of the Americans with Disabilities Act ("ADA") of 1990 (42 U.S.C. Sections 012101et seq.), which prohibits discrimination on the basis of disability, as well as with all applicable regulations and guidelines issued pursuant to the ADA.
- b. FEHA Compliance. Contractor certifies that it and its Subcontractors comply with all applicable provisions of the Fair Employment and Housing Act, Calif. Gov. Code, § 12990 *et seq.*, and all applicable regulations promulgated under Calif. Code of Regulations, title 2, § 7285 *et seq.*

Contractor certifies that it and its Subcontractors will not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, disability, marital status, age (over 40), sex, or sexual orientation. Contractor will ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.

Contractor certifies that it and its Subcontractors will not unlawfully harass, including sexually harass, any persons with whom Contractor or its Subcontractors interact in the performance of this Work. Contractor and its Subcontractors will take all reasonable steps to prevent such harassment.

- c. Labor Code Section 1060(b) (1) The Displaced Janitor Opportunity Act. Contractor certifies that it will meet any and all requirements contained in Labor Code Section 1060(b)-(f) of The Displaced Janitor Opportunity Act and provide documentation to the City.
- d. Section 504 of the Rehabilitation Act of 1973. Pursuant to Section 504 (Public Law 93-112), the Contractor agrees that no otherwise qualified disabled individual shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of this contract.

Compliance of Section 504 of the Rehabilitation Act of 1973, as amended, requires that all benefits, aids, and services are made available to disabled persons on an equivalent basis with those received by non-disabled persons. Contractor shall agree to be in compliance with Section 504 requirements.

- Non-Discrimination – General. No person shall, on the grounds of age (over 40), ancestry, creed, color, disability, marital status, medical conditions, national origin, political or religious affiliation, race, sex, sexual orientation or any non-job related criteria be excluded from participation in, be denied benefits, or be subjected to discrimination under this Agreement.
 - Non-Discrimination – Employment. Contractor shall ensure equal opportunity employment based on objective standards of recruitment, selection, promotion, classification, compensation, performance evaluations, and management relations, for all employees under this Agreement. Contractor's equal employment opportunity policies shall be made available to the City upon request.
- e. Drug-free Workplace. Contractor certifies that it and its Subcontractors will provide a drug- free workplace as required by Calif. Gov. Code, § 8355-8357.
 - f. Labor/Collective Bargaining. Contractor certifies that it and its Subcontractors will provide Notice of their obligations under the foregoing provisions to labor organizations with which it or they have collective bargaining agreements, prior to execution of this Agreement.
 - g. National Labor Relations Board (NLRB) Certification. Contractor certifies that, within the immediately preceding two-year period, no more than one final,

unappealable finding of contempt of court by a federal court has been issued against Contractor because of Contractor's failure to comply with an order of the National Labor Relations Board.

6. Changes in Work

- a. The City reserves the right to require Contractor to make changes in the Work, which may include additions, deletions, or modifications to the Work, or changes in the timing or level of effort for the Work. Contractor may also request additions, deletions or modifications to the Work
- b. For any change proposed by the City or Contractor, Contractor will submit in writing:
 - i. A description of the proposed change and the reasons for the change;
 - ii. A summary of the total compensation to be paid Contractor with a breakdown of Tasks and costs, including any increase or reduction in work or costs resulting from the change; and
 - iii. A statement of the expected impact on schedule.
- c. If, with respect to any change requested by the City, the City agrees to the terms submitted by Contractor under this section, Contractor shall undertake such change following execution of an Amendment documenting such change(s). If the City and Contractor agree on any change requested by Contractor, Contractor may undertake such change following execution by the parties of an Amendment documenting such change(s).
- d. If the parties cannot agree to the terms of a change, Contractor will proceed diligently with Work unless otherwise directed by the City, and any continuing disagreement will follow the dispute resolution process set forth in Section 11. Contractor should not proceed with any change prior to receiving a written directive or Amendment from the City. All costs for changes performed by Contractor without City's prior written approval will be at Contractor's sole risk and expense.

7. Stop Work.

- a. The City may, at any time, by delivery of a written Stop Work Order to Contractor, require Contractor to stop any or all of the Work, for ninety days after the Stop Work Order is delivered to Contractor, and for any further period to which the parties may agree.
- b. Upon receipt of the Stop Work Order, Contractor will immediately comply with its terms and take all reasonable steps to minimize the costs incurred to the City during the applicable Stop Work period. Within ninety days after a Stop Work Order is delivered to Contractor, or within any mutually agreed extension of that period, The City will either cancel the Stop Work Order or terminate the Work, as provided in Section 22 (Termination).
- c. If a Stop Work Order is cancelled, or the period of the Stop Work Order or any extension thereof expires, Contractor will resume Work. The City may make an

equitable adjustment in the delivery schedule, the Agreement Amount, or both, if (a) the Stop Work Order increases Contractor's costs or the time required for performance; and (b) Contractor asserts its right to an equitable adjustment within thirty days after the end of the applicable Stop Work period.

- d. If a Stop Work Order is not canceled and the Work covered by the Stop Work Order is terminated other than for cause, The City may allow reasonable costs resulting from the Stop Work Order.
- e. The City will not be liable to Contractor for loss of profits because of any Stop Work Order.

8. Confidential Information

- a. Requirements of Strict Confidence. While performing Work under this Agreement, Contractor and its Subcontractors may gain access to Confidential Information that, if disclosed to Third Parties, may be damaging to the City, its personnel, city users, or other government entity. Neither Contractor nor its Subcontractors acquires any right or title to the Confidential Information, and Contractor and its Subcontractors agree not to disclose any Confidential Information to any Third Party. All Confidential Information disclosed to Contractor or its Subcontractor will be held in strict confidence and used only in performance of Work under this Agreement. In the event of any unauthorized disclosure or loss of Confidential Information, Contractor will immediately provide Notice to the City, with pertinent details of the unauthorized disclosure or loss, and any remedial measures taken.
- b. Permissible Disclosures. Contractor may disclose City's Confidential Information on a "need to know" basis to Contractor's employees and Subcontractors and any representatives of the City that are working on the project. Additionally, Contractor may disclose the Confidential Information, to the extent necessary to (i) comply with any applicable law, rule, regulation, or ruling; (ii) respond to any enforceable summons or subpoena; or (iii) enforce its rights under this Agreement.

9. Conflict of Interest

- a. Contractor covenants that it and its Subcontractors presently have no interest, and will acquire no interest, which would directly or indirectly conflict in any manner or to any degree, with the full and complete performance required under this Agreement. Contractor further agrees to submit full disclosure statements, if required by law to do so, pursuant to the requirements of the California Fair Political Practices Act or any other applicable federal or state law, regulation, or conflict of interest code.
- b. Contractor and its Subcontractors and employees will not participate in proceedings that involve the use of the City funds or that are sponsored by the City if the Contractor, its Subcontractors, or their employees, principals, partners, family members, or organizations have a financial interest in the outcome of the proceedings.
- c. Contractor and its Subcontractors and employees will not engage in actions

resulting in, or creating the appearance of:

- Use of an official position with the government for private gain;
- Preferential treatment to any particular person associated with this Work or Agreement;
- Impairment of City's independence or impartiality;
- A decision made outside official channels; or
- Adverse effects on the confidence of the public in the integrity of City.

10. Prohibition Against Gratuities.

- a. Contractor covenants that no gratuities, in the form of entertainment, gifts, or otherwise, were offered by Contractor or any agent, director, or representative of Contractor, to any officer, official, agent, or employee of the City, in an effort to secure the Agreement or favorable treatment with respect to any determinations concerning the performance of the Agreement.
- b. For any breach or violation of this covenant, the City has the right to terminate the Agreement for cause, whether whole or in part. Any loss or damage sustained by the City in procuring, on the open market, replacement goods or services that Contractor agreed to provide, will be borne and paid for by Contractor. City's rights and remedies under this provision are in addition to any other rights and remedies provided by law or under this Agreement.

11. Consideration

The consideration paid to Contractor is the entire compensation for all Work performed under this Agreement, including all of Contractor's expenses incurred, such as travel and per diem expenses, unless otherwise expressly provided.

- a. Payment Does Not Imply Acceptance of Work. City's payment will not relieve Contractor from its obligation to replace unsatisfactory Work, even if the unsatisfactory character of such Work may have been apparent or detected at the time such payment was made. Work, that does not conform to requirements of this Agreement will be rejected, and will be redone by Contractor, without delay or additional cost to the City.
- b. Disallowance. If Contractor receives payment from the City for a service or reimbursement that is later disallowed or rejected by the City, Contractor will promptly refund the disallowed amount to the City upon City's request. At its option, the City may offset the amount disallowed from any payment due to Contractor, under this Agreement or any other agreement.

12. Contractor Status

- a. Independent Contractor.
 - i. Contractor, Subcontractors, and their agents, employees, and all others acting on behalf of Contractor for this Work, act as independent Contractors and not as the City agents, or employees. Contractor has no authority to bind or incur any obligation on behalf of the City. Contractor

has no authority or responsibility to exercise any rights or power vested in the City.

- ii. This Agreement will not be considered under any circumstance to create a joint-venture relationship.
- iii. If any governmental entity concludes that Contractor is not an independent Contractor, the City may terminate this Agreement immediately upon Notice. Alternatively, Contractor may agree to a reduction in City's financial liability, so that City's total costs under this Agreement do not exceed the originally contemplated amount.

b. Contractor's Employees.

- i. Contractor's employees will be entirely and exclusively under the direction, supervision, and control of Contractor. All terms of employment including hours, wages, working conditions, discipline, hiring, and termination, or any other employment issues or requirements of law, will be determined by Contractor.
- ii. On site employees must not have a criminal history and/or currently be on probation or parole (reference not in violation of Labor Code 432.7).
- iii. Contractor will issue W-2 forms or other forms as required by law for income and employment tax purposes for all of Contractor's employees, consultants, and independent Contractors.
- iv. If the Internal Revenue Service or any other federal or state governmental entity should investigate or challenge Contractor's independent status with respect to the City, the parties agree that (i) each will inform the other party of such investigation or challenge; and (ii) The City will have the right, but not the obligation, to participate in any discussion or negotiation occurring with the federal or state entity, regardless who initiates such discussions or negotiations.
- v. Contractor will indemnify and hold the City harmless from all claims, costs, and liabilities resulting from third-party actions alleging an employment relationship between the City and any Contractor or Subcontractor personnel.

c. Exclusive Control of Means and Method of Performance. Contractor will determine the method, details, and means of performing or supplying the Work under this Agreement. Contractor will be responsible to the City only for the requirements and results specified in this Agreement and more particularly as set forth – Statement of Work, and will not be subjected to City's control with respect to the physical action or activities of Contractor in fulfillment of this Agreement. Contractor will have the "right to control" and bear the sole responsibility for the job site conditions and safety.

d. Permits, Laws, and Regulations.

- i. Contractor must observe and comply with all applicable laws, rules, and regulations affecting the Work. During the term of this Agreement,

Contractor will obtain and keep in full force and effect, all permits and licenses necessary to accomplish the Work. Such permits and licenses will be made available to the City, upon request.

- ii. Contractor will promptly provide Notice to the City of any conflict discovered between this Agreement and any applicable laws, rules, regulations, and/or permits and licenses, and await resolution of the conflict. If Contractor proceeds with the Work in question without resolution of the conflict, Contractor will be solely liable for any costs, fines, penalties, or damages that accrue, including costs for remedial work required to comply with such requirements.

e. Subcontracting.

- i. Contractor will not engage a Subcontractor to perform any portion of this Work, without the express written consent of the City. Any Subcontracting without City's written consent is a material breach of this Agreement.
- ii. Contractor warrants and represents that all Subcontractors will be subject to and bound by the same terms and conditions applicable to Contractor under this Agreement. Contractor will be liable for all acts or omissions for employees, Subcontractors or other Third Party performing service under this Agreement, including any and all indemnity obligations.

- f. Signature Authority. Contractor has all requisite power and authority to conduct its business, and to execute and perform the Agreement.

13. Dispute Resolution

City and Contractor will attempt, in good faith, to resolve any disputes informally. Contractor will meet with City's Facility Manager or other designated representative to discuss the matter and any actions necessary to resolve a dispute.

a. Escalation.

- i. If a dispute remains unresolved following Notice by either party, each party's Chief Executive Officer ("CEO") or designated representative will meet to exchange information and attempt resolution within fifteen days of the effective date of the Notice.
- ii. If the matter is not resolved as set forth in Section 11.A.1, the aggrieved party will submit a second Notice which will:
 - Provide detailed factual information;
 - Identify the specific provisions in this Agreement on which any demand is based;
 - Advise if the demand involves a cost adjustment and, if so, provide the exact amount, accompanied by all supporting records; and
 - Attach a declaration that the demand is made in good faith, the supporting data are accurate and complete, and the amount

requested properly reflects the necessary adjustment. Notice will be signed by an authorized representative of the aggrieved party.

- iii. Each party will comply with reasonable requests for additional information. Any additional information will be provided within fifteen days after receipt of a written request, unless otherwise agreed.

b. Confidentiality During Dispute Resolution.

- i. All dispute resolution negotiations are considered confidential, and will be treated as compromise and settlement negotiations, to which California Evidence Code § 1152 applies.
- ii. Pending final resolution of any dispute, Contractor agrees to proceed diligently with the performance of the Work, including Work associated with the dispute, unless otherwise directed by the City. Contractor's failure to diligently proceed in accordance with City's instructions will be considered a material breach of the Agreement.

14. Force Majeure

- a. Force Majeure events include, but are not limited to:
 - i. Catastrophic acts of nature, or public enemy;
 - ii. Civil disorder;
 - iii. Fire or other casualty for which a party is not responsible; and
 - iv. Quarantine or epidemic.

The party asserting a Force Majeure event will immediately provide Notice to the other party of the occurrence and nature of the Force Majeure event, and its expected impact on schedule. The party claiming Force Majeure will use commercially reasonable efforts to continue or resume performance, including alternate sources or means. Contractor will have no right to additional payment for costs incurred as a result of a Force Majeure event.

- b. Any assertion of a Force Majeure event by Subcontractors will be attributed to Contractor.

15. Indemnification

- a. To the fullest extent permitted by law, Contractor will indemnify, hold harmless, and defend (with counsel satisfactory to the City) The City and its agents, officers, and employees from and against any and all claims, damages, losses, judgments, liabilities, expenses, and other costs, including litigation costs and attorneys' fees, arising or resulting from, or in connection with, the performance or breach of this Agreement by Contractor or its officers, employees, agents, representatives, or Subcontractors. Such indemnification will not include loss, damage, or expense arising from the sole negligence or willful misconduct of the City or its agents, officers, and employees.
- b. Contractor's obligation to defend, indemnify, and hold the City and its agents, officers, and employees harmless is not limited to, or restricted by, any

requirement in this Agreement that Contractor procure and maintain a policy of insurance.

16. Insurance

- a. General Insurance Requirements. Contractor will obtain and maintain the minimum insurance set forth in subparagraph B, below. By requiring such minimum insurance, the City will not be deemed or construed to have assessed the risks applicable to Contractor. Contractor will assess its own risks, and if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage. For full coverage, each insurance policy shall be written on an “occurrence” form; excepting that insurance for professional liability, when required, may be acceptable on a “claims made” form. If coverage is approved and purchased on a “claims made” basis, Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, for three years from the date of completion of the Work.
- b. Minimum Scope & Limits of Coverage. Contractor will maintain the following coverage:
 - i. Workers' Compensation at statutory requirements of the state of residency.
 - ii. Employers' Liability with minimum limits of **\$1,000,000.00** for each accident.
 - iii. Commercial General Liability Insurance with minimum limits of **\$2,000,000.00** for each occurrence and annual aggregate. The Contractor may satisfy these limits of liability through any combination of primary, excess or umbrella insurance. Each policy must include coverage for liabilities arising out of premises, operations, independent contractors, products and completed operations, personal and advertising injury, and liability assumed under contract. The policy must not contain exclusions for replacement of lost keys or the cost to install new locks or for damage to the City's property that must be repaired or replaced because work was performed incorrectly.
 - iv. Business Automobile Liability Insurance with minimum limits of **\$1,000,000.00** for each occurrence, Combined Single Limit Bodily Injury and Property Damage, including owned and non-owned and hired automobile coverage, as applicable.
 - v. A Crime Insurance covering the dishonest acts of employees furnished by Contractor, including coverage for theft of property of the City by the Contractor, its employees or subcontractors. The limit shall not be less than **\$250,000** each occurrence.
- c. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City. The deductible and/or self-insured retentions will not limit or apply to Contractor's liability to the City and will be the sole responsibility of Contractor.
- d. Endorsements; Additional Insureds. The General Liability policy will contain, or

be endorsed to contain, the following provisions:

- i. City, its officers, officials, employees and agents will be covered as additional insureds for liability arising out of activities performed by, or on behalf of, Contractor;
 - ii. To the extent of Contractor's negligence, Contractor's insurance coverage will be primary insurance as respects City, its officers, officials, employees and agents. Any insurance and/or self-insurance maintained by City, its officers, officials, employees or agents will not contribute with the insurance, or benefit Contractor in any way;
 - iii. Contractor's insurance will apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability;
 - iv. Contractor will provide City with certificates of insurance satisfactory to City, evidencing all required coverages before Contractor begins any Work, and complete copies of each policy upon City's request;
 - v. If at any time, the foregoing policies become unsatisfactory to City, as to form or substance, or if a company issuing any such policy becomes unsatisfactory to City, Contractor will, upon Notice from City, promptly obtain a new policy, and submit the same to City, with the appropriate certificates and endorsements, for approval;
 - vi. All of Contractor's policies will be endorsed to provide Notice to City of cancellation, non-renewal, and reduction in coverage, within fifteen days, mailed to the City's representative for Notices named on the Agreement Cover Sheet. Such Notice will reference the relevant project, and Agreement number.
- e. Waiver of subrogation. Contractor and its insurance carrier waive any and all rights of subrogation against the City. This waiver will be reflected on the Certificate of Insurance, provided by Contractor. If Contractor fails to obtain the appropriate waivers of subrogation, additional insured status, or certificates of insurance from carrier, Contractor will indemnify City from all costs and liability caused by Contractor's breach.

17. Limitation of Liability

City will not be liable to Contractor, its officers, employees, Subcontractors, or Third Parties for any indirect, special, incidental, or consequential damages, including lost profits or revenue, arising from or relating to this Agreement, regardless whether City was advised of the possibility of such loss or damage. In no event will City's liability for direct damages arising from or related to this Agreement, for any cause whatsoever, and regardless of the form of action, whether in Agreement or in tort, exceed the amounts paid to Contractor by City under this Agreement.

18. Safety Data Sheets

If any of the products used by Contractor to perform the Work are on CAL OSHA's "Hazardous Substances List," Contractor shall forward a completed Safety Data Sheet

(SDS) to the City.

19. Modification.

No modification or change to this Agreement will be valid without written approval by City, in the form of an Amendment, including any changes to Statement of Work.

20. Statement of Work; Acceptance

- a. Statement of Work. Contractor will perform and complete all Work described in Statement of Work, in compliance with the requirements of this Agreement, and to the satisfaction of City.
- b. Acceptance. All Work provided by Contractor under this Agreement is subject to written acknowledgement and acceptance by City's Facility Manager. The City's Facility Manager will apply the acceptance criteria set forth in – Statement of Work, (including timeliness, completeness, technical accuracy and conformance to statistical, industry or marketplace standards) to determine acceptance or non-acceptance of the Work.
 - i. If the Work is not acceptable, Facility Manager shall detail its failure to meet the acceptance criteria. Contractor shall have ten business days from receipt of Notice to correct the failure(s) to conform to the acceptance criteria. Contractor will re-submit the Work and the Facility Manager shall re-apply the acceptance criteria to determine its acceptance or non-acceptance. Thereafter, the parties shall repeat the process set forth in this section 18 until Contractor's receipt of the City's written acceptance of such corrected Work; provided, however, that if the City rejects any Work on at least two (2) occasions, the City may terminate that portion of this Agreement which relates to the rejected Work at no expense to the City.
- c. Prior Work. Prior work, performed by Contractor pursuant to City's authorization, but before execution of this Agreement, will be considered as having been performed subject to the provisions of this Agreement.
- d. Non-Exclusivity. This is a non-exclusive agreement. The City reserves the right to perform, or have others perform the Work of this Agreement. The City reserves the right to bid the Work to others or procure the Work by other means.

21. Standard of Performance; Warranties

- a. Standard of Performance. Contractor will perform all Work with the requisite skill and diligence consistent with professional standards for the industry and type of work performed under the Agreement, and pursuant to the governing rules and regulations of the industry. Contractor understands that the City relies on the accuracy, competence, and completeness of Contractor's services.
- b. Warranties.
 - i. Services Warranty. Contractor warrants and represents that the services rendered and Work performed under this Agreement shall be performed in a competent and professional manner with requisite skill and diligence consistent with professional standards for the industry and type of work being performed, and in compliance with all applicable laws, rules and regulations. Contractor further warrants and represents that each of

Contractor's employees, subcontractors, and agents assigned to perform the Work shall possess the training, background, and skills reasonably commensurate with the level of performance required. Contractor hereby acknowledges that the City relies on the accuracy, competence, and completeness of the services and Work to be performed hereunder by Contractor.

- ii. Non-Infringement. Contractor represents and warrants to the City that it is and will be either own, or be authorized to use for its own and the City's benefit, all intellectual property rights used and to be used in connection with providing and/or performing the Work.
- iii. All warranties will inure to the City, its successors, assigns, customer agencies, and users of the Work provided hereunder.
- iv. Unless otherwise specified, the warranties set forth in this section 19 commence after Work has been approved by the City.

c. Personnel Requirements.

- i. Contractor will use adequate numbers of qualified individuals with suitable training, education, experience, and skill to perform the Work. For continuity, Contractor will endeavor to retain the same individuals as proposed during the performance of Work.
- ii. The City reserves the right to disapprove Contractor's personnel, if dissatisfied with their performance. Upon receipt of such Notice, Contractor will immediately assign replacement personnel, with equivalent or greater experience and skills, who are acceptable to the Facility Manager.
- iii. Contractor will be responsible for all costs associated with replacing personnel, including additional costs to familiarize replacement personnel with the Work. If Contractor does not promptly furnish replacement personnel acceptable to the Facility manager, the City may terminate this Agreement for cause.
- iv. No minor under 18 years of age shall work in any City facility without the express written approval of the City's Facility Manager.

d. Background Checks.

- i. For Contractor's employees, Subcontractors, or agents performing work, and with access to City's systems (on-site or remotely) in the performance of their Work under this Agreement, the City will have the right, but not the obligation, to request or conduct a background check, before granting access to City's premises or systems or at any other time.
- ii. Contractor will cooperate with the City in performing any background checks; will provide prompt Notice to the City of:
 - Any person refusing to undergo such background check, and will immediately remove person from the project, and
 - The results of any background check as requested by the City.
- iii. Contractor will obtain all releases, waivers, or permissions required for the

release of such information to the City. Any additional costs will be borne by Contractor.

- iv. Verification of clearance for any employees with access and entry into the facilities must be received by the City PRIOR to the start of Work.

22. Survival

Terms that will survive termination or expiration of this Agreement include, but are not limited to: Assignment, Audit Rights and Retention of Records, Confidentiality, Indemnification, Limitation of Liability, Warranties.

23. Term

This Agreement shall be effective October 1, 2017 and shall remain in effect for an initial three-year term, unless otherwise terminated as provided herein. This Agreement is of no force or effect until signed by both parties. Contractor shall not perform any of its obligations under this Agreement, until this Agreement is fully executed. The City shall have the option to extend this Agreement for two additional one-year periods.

24. Termination

- a. Termination for Cause. The City may terminate this Agreement, in whole or in part, and be relieved of any payments, if Contractor fails to perform the requirements of this Agreement at the time and in the manner agreed. The City may proceed with the Work in any manner deemed proper. All costs to the City arising from Contractor's default, including costs to complete or correct the Work, and any and all costs associated with re-keying any City facility, will be deducted from any sum due Contractor. Contractor will not be entitled to recover overhead or profit on the uncompleted portions of the Work.
- b. Termination for Convenience.
 - i. The City may terminate this Agreement, in whole or in part, at any time and for any reason, upon at least thirty days Notice to Contractor. Upon receipt of the termination Notice, Contractor will promptly discontinue Work as specified in the Notice.
 - ii. If the City terminates all or part of this Agreement other than for cause; the City will pay Contractor for the Work satisfactorily performed prior to the termination. Contractor will not recover overhead or profit on the uncompleted portions of the Work.
- c. Termination due to Fund Appropriation and Availability.
 - i. City's obligations under this Agreement are subject to the availability of funds authorized for this Work. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement. Funding beyond the current Appropriation Year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement.
 - ii. Upon Notice, the City may terminate this Agreement in whole or in part, without prejudice to any right or remedy of the City, for lack of

appropriation of funds. Upon termination, the City will pay Contractor for the fair value of Work satisfactorily performed prior to the termination, not to exceed the total Agreement amount.

d. Effect of Termination.

- i. Upon any expiration or termination, the City will have the right to take possession of any materials, equipment, deliverables, and other Work including partially completed Work. Contractor will immediately assign to the City all of Contractor's right, title, and interest in and to such Work and related materials and work product, and any and all intellectual property rights.
- ii. Upon termination of any kind, the City may withhold from payment any sum that the City determines to be owed to the City by Contractor, or necessary to protect the City against loss due to outstanding liens or claims of former lien holders.

25. Time is of the Essence.

Time of performance is of the essence in the performance of services by Contractor under this Agreement.

26. Waiver; Severability

- a. Waiver of Rights. City's action, inaction, or failure to enforce any right or provision of this Agreement is not a waiver of its rights, and will not prevent the City from enforcing such rights on any future occasion.
- b. Severability. The provisions of this Agreement will be effective in all cases, unless otherwise prohibited by applicable state or federal law. The provisions of this Agreement are separate and severable. The invalidity of any sentence, paragraph, provision, section, or portion of this Agreement will not affect the validity of the remainder of this Agreement.

BLANKET ADDITIONAL INSURED (CONTRACTORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
 - a) Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
 - b) If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.
2. The insurance provided to the additional insured by this endorsement is limited as follows:
 - a) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
 - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - i. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - ii. Supervisory, inspection, architectural or engineering activities.
- c) The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such "other insurance".
4. As a condition of coverage provided to the additional insured by this endorsement:
 - a) The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

COMMERCIAL GENERAL LIABILITY

- i. How, when and where the "occurrence" or offense took place;
 - ii. The names and addresses of any injured persons and witnesses; and
 - iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b) If a claim is made or "suit" is brought against the additional insured, the additional insured must:
- i. Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.
- The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c) The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
 - d) The additional insured must tender the defense and indemnity of any claim or "suit" to

any provider of "other insurance" which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured as described in paragraph 3, above.

5. The following definition is added to SECTION V. – DEFINITIONS:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

DESIGNATED PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE**Designated Project(s):**

EACH "PROJECT" FOR WHICH YOU HAVE AGREED, IN A WRITTEN CONTRACT WHICH IS IN EFFECT DURING THIS POLICY PERIOD, TO PROVIDE A SEPARATE GENERAL AGGREGATE LIMIT, PROVIDED THAT THE CONTRACT IS SIGNED AND EXECUTED BY YOU BEFORE THE "BODILY INJURY" OR "PROPERTY DAMAGE" OCCURS.

**Designated Project
General Aggregate(s):**

\$2,000,000

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C (SECTION I)**, which can be attributed only to operations at a single designated "project" shown in the Schedule above:
1. A separate Designated Project General Aggregate Limit applies to each designated "project", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations, unless separate **Designated Project General Aggregate(s)** are scheduled above.
 2. The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A.**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under **COVERAGE C**, regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under **COVERAGE A.** for damages or under **COVERAGE C.** for medical expenses shall reduce the Designated Project General Aggregate Limit for that designated "project". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Project General Aggregate Limit for any other designated "project" shown in the Schedule above.
 4. The limits shown in the Declarations for **Each Occurrence, Damage To Premises Rented To You and Medical Expense** continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Project General Aggregate Limit.
- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C. (SECTION I)**, which cannot be attributed only to operations at a single designated "project" shown in the Schedule above:

COMMERCIAL GENERAL LIABILITY

1. Any payments made under **COVERAGE A.** for damages or under **COVERAGE C.** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Project General Aggregate Limit.
- C. Part 2. of SECTION III – LIMITS OF INSURANCE** is deleted and replaced by the following:
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Damages under **Coverage B;** and
 - b. Damages from "occurrences" under **COVERAGE A (SECTION I)** and for all medical expenses caused by accidents under **COVERAGE C (SECTION I)** which cannot be attributed only to operations at a single designated "project" shown in the **SCHEDULE** above.
- D.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.
- E.** For the purposes of this endorsement the **Definitions Section** is amended by the addition of the following definition:
- "Project" means an area away from premises owned by or rented to you at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad shall be considered a single "project".
- F.** The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by this endorsement shall continue to apply as stipulated.

COMMERCIAL GENERAL LIABILITY

3. The following replaces Paragraph a. of the definition of "insured contract" in the **DEFINITIONS** Section:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage to premises while rented to you, or temporarily occupied by you with permission of the owner, caused by:

- (1) Fire;
- (2) Explosion;
- (3) Lightning;
- (4) Smoke resulting from such fire, explosion, or lightning; or
- (5) Water.

is not an "insured contract";

4. The following replaces Paragraph 4.b.(1)(b) of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

- (b) That is insurance for premises rented to you, or temporarily occupied by you with the permission of the owner;

D. BLANKET WAIVER OF SUBROGATION

The following is added to Paragraph 8., **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

We waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of premises owned or occupied by or rented or loaned to you; ongoing operations performed by you or on your behalf, done under a contract with that person or organization; "your work"; or "your products". We waive this right where you have agreed to do so as part of a written contract, executed by you prior to loss.

E. BLANKET ADDITIONAL INSURED – OWNERS, MANAGERS OR LESSORS OF PREMISES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that is a premises owner, manager or lessor and that you have agreed in a written contract or agreement to name as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" that:

- a. Is "bodily injury" or "property damage" caused by an "occurrence" that takes place, or "personal injury" or "advertising injury" caused by an offense that is committed, after you have signed and executed that contract or agreement; and
- b. Arises out of the ownership, maintenance or use of that part of any premises leased to you.

The insurance provided to such premises owner, manager or lessor is subject to the following provisions:

- a. The limits of insurance provided to such premises owner, manager or lessor will be the limits which you agreed to provide in the written contract or agreement, or the limits shown on the Declarations of this Coverage Part, whichever are less.
- b. The insurance provided to such premises owner, manager or lessor does not apply to:
 - (1) "Bodily injury" or "property damage" caused by an "occurrence" that takes place, or "personal injury" or "advertising injury" caused by an offense that is committed, after you cease to be a tenant in that premises; or
 - (2) Structural alterations, new construction or demolition operations performed by or on behalf of such premises owner, manager or lessor.
- c. The insurance provided to such premises owner, manager or lessor is excess over any valid and collectible other insurance available to such premises owner, manager or lessor, unless you have agreed in a written contract for this insurance to apply on a primary or contributory basis.

F. BLANKET ADDITIONAL INSURED – LESSORS OF LEASED EQUIPMENT

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that is an equipment lessor and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" that:

- a. Is "bodily injury" or "property damage" caused by an "occurrence" that takes place, or "personal injury" or "advertising injury" caused by an offense that is committed, after you have

PROVISIONS**A. BROAD FORM NAMED INSURED**

The following is added to Paragraph A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph c. in A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which

this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section II.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., **Other Insurance**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

- b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

- (d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph D., **Deductible**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph A.4.b., **Loss Of Use Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

However, the most we will pay for any expenses for loss of use is \$65 per day, to a maximum of \$750 for any one "accident".

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., **Transportation Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

We will pay up to \$50 per day to a maximum of \$1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL PROPERTY

The following is added to Paragraph A.4., **Coverage Extensions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Property

We will pay up to \$400 for "loss" to wearing apparel and other personal property which is:

- (1) Owned by an "insured"; and

- (2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Property coverage.

K. AIRBAGS

The following is added to Paragraph B.3., **Exclusions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

- If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
- The airbags are not covered under any warranty; and
- The airbags were not intentionally inflated.

We will pay up to a maximum of \$1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph A.2.a., of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

- You (if you are an individual);
- A partner (if you are a partnership);
- A member (if you are a limited liability company);
- An executive officer, director or insurance manager (if you are a corporation or other organization); or
- Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by

PROVISIONS

1. The following is added to Paragraph A.1.c., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in **SECTION II**.

2. The following is added to Paragraph B.5., **Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Regardless of the provisions of paragraph a. and paragraph d. of this part 5. **Other Insurance**, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

MEMORANDUM

ITEM 16.6.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Steve Harriman, Public Works Division Manager

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2021-51 WITH THE COUNTY OF SACRAMENTO IN AN AMOUNT NOT TO EXCEED \$250,000 FOR HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will authorize the City Manager to execute Contract No. 2021-51 with the County of Sacramento in an amount not to exceed \$250,000 for Household Hazardous Waste Collection Program Services.

BACKGROUND

Sacramento County operates two facilities that accept hazardous materials from residents and small businesses for safe handling, transportation, recycling and disposal. The first is the North Area Recover Station located at 4450 Roseville Road, which accepts a broad range of materials like paint, oil, batteries, acids, aerosol cans, gasoline, paint thinners, poisons, household cleaners, pool chemicals, solvents, antifreeze, fluorescent bulbs and e-waste. The second is Kiefer Landfill located in Sloughhouse, which accepts only antifreeze, batteries, oil and paint.

Similar agreements have been in-place with Sacramento County since 2004. The proposed agreement allows Rancho Cordova residents to deliver hazardous materials at no charge, and the County then invoices the City for the disposal fees. The objective of this arrangement is to create an incentive for residents to deliver their hazardous materials to these facilities and avoid illegal disposal and releases of hazardous wastes into the environment. The proposed agreement also allows small businesses located in Rancho Cordova to deliver hazardous materials to the two facilities, however the County charges them directly for the delivered

materials.

The proposed agreement includes an administrative fee of \$22.90 per vehicle, plus a variable fee based upon the type and quantity of materials delivered. In 2020 a total of 780 vehicles from Rancho Cordova delivered hazardous materials to the County's facilities under the current agreement at an average cost of approximately \$40 per vehicle.

FISCAL IMPACT AND FUNDING SOURCE

This contract is funded by the Public Works operating budget and has no impact on the cities general fund.

RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA,
AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2021-51 IN AN
AMOUNT NOT TO EXCEED \$250,000 WITH THE COUNTY OF SACRAMENTO FOR
HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM SERVICES**

WHEREAS, the City of Rancho Cordova desires to enter into contract no. 2021-51 with the County of Sacramento in an amount not to exceed \$250,000 for household hazardous waste collection program services; and

WHEREAS, the proper handling, transportation, recycling and disposal of hazardous wastes is vital to the protection of humans and the environment; and

WHEREAS, the County of Sacramento will charge an administrative fee in the amount of \$22.90 per residential generator that uses the County's facilities, plus a variable fee based upon the type and quantity of materials delivered; and

WHEREAS, the services will exceed the maximum amount the City Manager has authorization to approve; and

WHEREAS, the contract will be paid through the Public Works operating budget. The contract does not impact the general fund.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute contract no. 2021-51 in an amount not to exceed \$250,000 and in a form approved by the City Attorney.

**COUNTY OF SACRAMENTO
PUBLIC WORKS AND INFRASTRUCTURE**

**AGREEMENT FOR HOUSEHOLD HAZARDOUS WASTE COLLECTION
PROGRAM SERVICES BETWEEN THE COUNTY OF SACRAMENTO AND
THE CITY OF RANCHO CORDOVA**

THIS AGREEMENT is made and entered into on July 1, 2021, by and between the COUNTY OF SACRAMENTO, a political subdivision of the State of California, hereinafter referred to as "COUNTY" and the CITY OF RANCHO CORDOVA, a municipal corporation, hereinafter referred to as "CITY".

RECITALS

WHEREAS, COUNTY owns and operates a permitted permanent household hazardous waste collection facility located at the COUNTY'S North Area Recovery Station, 4450 Roseville Road, North Highlands, California (hereinafter referred to as "NARS PHHWCF"); and

WHEREAS, COUNTY owns and operates a permitted Antifreeze, Batteries, Oil, and Paint ("ABOP") collection facility located at the COUNTY'S Kiefer Landfill, 12701 Kiefer Boulevard, Sloughhouse, California (hereinafter referred to as "Kiefer ABOPF"); and

WHEREAS, CITY does not operate a permitted permanent household hazardous waste collection facility ("PHHWCF") or ABOP facility for the proper disposal, recycling and exchange of household hazardous waste materials and ABOP materials; and

WHEREAS, it is more cost effective for CITY to pay its share of costs incurred at the COUNTY'S facilities than develop its own PHHWCF and/or ABOP facility; and

WHEREAS, COUNTY and CITY desire to enter into this Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, COUNTY and CITY agree as follows:

1. SCOPE OF SERVICES

CITY's and COUNTY's respective obligations, service commitments, and requirements are described in Exhibit A, which is attached hereto and incorporated herein.

2. TERM

This Agreement shall be effective as of the date first written above and shall remain in effect until June 30, 2026. COUNTY Director and CITY Director are authorized to amend this Agreement to extend the term for up to three (3) additional one-year terms upon mutual written consent of the COUNTY Director and CITY Director.

3. NOTICE

Any notice, demand, request, consent, or approval that either party may or is required to give the other pursuant to this Agreement shall be in writing and shall be either personally delivered or sent by first class mail, postage pre-paid, addressed as follows:

Attn: Steve Harriman

Either party may change the address to which subsequent notice and/or other communications can be sent by giving written notice designating a change of address to the other party, which shall be effective upon receipt.

4. COMPENSATION, INVOICE, AND PAYMENT

- A. Compensation under this Agreement shall be in accordance with Exhibit B and the provisions in this section.
- B. COUNTY shall submit an invoice to the CITY for payment no later than thirty (30) days following the monthly invoice period. Invoices shall be submitted to the email address specified below.
 1. COUNTY invoices to CITY shall be sent to:
sharriman@cityofranchocordova.org
 2. Invoices shall include the following information:
 - COUNTY Contract Number: 70830
 - CITY Contract Number: 2021-51
 - Project Name: HHW Program Costs
 - Date of invoice submission
 - Remit address
 - Services provided and respective reimbursement requested
 - Any other information deemed necessary by the parties.

- C. CITY shall submit payment within thirty (30) days of receipt of COUNTY invoice.

5. **COUNTY DIRECTOR**

As used in this Agreement, "COUNTY Director" shall mean the Director of the Department of Waste Management and Recycling or his/her designee. COUNTY Director shall administer this Agreement on behalf of the COUNTY, and has authority to make administrative amendments to this Agreement on behalf of the COUNTY including, but not limited to, scope of services, pricing, management practices, etc. Unless otherwise provided herein or required by applicable law, COUNTY Director shall be vested with all the rights, powers, and duties of COUNTY herein. With respect to matters herein subject to the approval, satisfaction, or discretion of COUNTY or COUNTY Director, the decision of the COUNTY Director in such matters shall be final.

6. **CITY DIRECTOR**

As used in this Agreement, "CITY Director" shall mean the Director of Public Works for CITY or his/her designee. CITY Director shall administer this Agreement on behalf of the CITY and has authority to make administrative amendments to this Agreement on behalf of the CITY including, but not limited to, scope of services, pricing, management practices, etc. Unless otherwise provided herein or required by applicable law, CITY Director shall be vested with all the rights, powers, and duties of CITY herein. With respect to matters herein subject to the approval, satisfaction, or discretion of CITY or CITY Director, the decision of the CITY Director in such matters shall be final.

7. **COMPLIANCE WITH LAWS**

COUNTY and CITY shall observe and comply with all applicable Federal, State, and local law, regulations and ordinances.

8. **GOVERNING LAWS AND JURISDICTION**

This Agreement shall be deemed to have been executed and to be performed within the State of California and shall be construed and governed by the laws of the State of California. Any legal proceedings arising out of or relating to this Agreement shall be filed in state or federal court located in Sacramento County, California.

9. **STATUS OF PARTIES**

There is no agency relationship between the parties. Neither party shall have authority, express or implied, to act on behalf of the other party in any capacity whatsoever as an agent. Notwithstanding anything contained herein, the employees of each party will continue

to be entirely and exclusively under the direction, supervision and control of the employing party.

10. INDEMNIFICATION

To the fullest extent permitted by law, each of the parties shall indemnify, defend, and hold harmless each of the other parties, their respective governing boards, officers, directors, officials, employees, and authorized volunteers and agents (collectively "indemnified parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "claims"), including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including but not limited to the property of either party hereto, arising out of, pertaining to, or resulting from the alleged or actual acts or omissions of their respective governing boards, officers, directors, officials, employees, volunteers, agents, or contractors.

It is the intention of the parties that the provisions of this indemnity obligation be interpreted to impose on each party responsibility to the other for the acts and omissions of their governing boards, officers, directors, officials, employees, authorized volunteers and agents, or contractors. It is also the intention of the parties that, where comparative fault is determined to have been contributory, principles of comparative fault will be followed and each party shall bear the proportionate cost of any claims attributable to the fault of that party, its governing board, officers, directors, officials, employees, volunteers, agents, or contractors.

The right to defense and indemnity under this section arises upon occurrence of an event giving rise to a claim and, thereafter, upon tender in writing to the indemnifying party. The indemnifying party shall defend the indemnified party with counsel reasonably acceptable to the indemnified party. Notwithstanding the foregoing, the indemnified party shall be entitled, on its own behalf, and at the expense of the indemnifying party, to assume control of its defense or the defense of any indemnified party in any legal action, with counsel reasonably selected by it. Should the indemnified party elect to initially assume control of its defense, or the defense of any indemnified party, it does so without prejudice to its right to subsequently request that the indemnifying party thereafter assume control of the defense and pay all attorneys' fees and costs incurred thereby.

This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by the parties.

Nothing in this indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this indemnity obligation shall survive the expiration or termination of the Agreement.

11. INSURANCE

COUNTY and CITY finance their liability, property, and workers' compensation risks through a combination of self-insurance and insurance. COUNTY and CITY are knowledgeable of each entity's risk financing programs and agree to rely on these programs to pay for any liabilities, losses, costs, suits, acclaims, judgments, expenses, fines, or demands of any kind that may arise under the terms of this Agreement.

12. ASSIGNMENT

This Agreement is not assignable by CITY or COUNTY in whole or in part.

13. AMENDMENT AND WAIVER

Except as provided herein, no alteration, amendment, variation, or waiver of the terms of this Agreement shall be valid unless made in writing and signed by both parties. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder. No interpretation of any provision of this Agreement shall be binding upon COUNTY or CITY unless agreed in writing by counsel for COUNTY and COUNTY'S Director, and CITY'S Director and attorney for CITY.

14. SUCCESSORS

This Agreement shall bind the successors of COUNTY and CITY in the same manner as if they were expressly named.

15. TIME

Time is of the essence of this Agreement.

16. INTERPRETATION

This Agreement shall be deemed to have been prepared equally by both of the parties, and the Agreement and its individual provisions shall not be construed or interpreted more favorably for one party on the basis that the other party prepared it.

17. DISPUTES

In the event of any dispute arising out of or relating to this Agreement, the parties shall attempt, in good faith, to promptly resolve the dispute mutually between them. If the dispute cannot be resolved by mutual agreement, nothing herein shall preclude either party's right to pursue remedy or relief by civil litigation, pursuant to the laws of the State of California.

18. TERMINATION

- A. Except as provided in section B below, either party may terminate this Agreement without cause upon sixty (60) days written notice to the other party. Notice shall be deemed served on the date of mailing.
- B. Either party may terminate this Agreement immediately upon giving written notice to the other party, 1) if advised that funds are not available from external sources for this Agreement or for any portion thereof; 2) if funds in party's yearly proposed and final budget are not appropriated by party for this Agreement or any portion thereof; or 3) if funds that were previously appropriated for this Agreement are reduced, eliminated, and/or re-allocated by party as a result of mid-year budget reductions.
- C. If this Agreement is terminated, the parties shall satisfy any outstanding repayment obligations pursuant to the terms of Exhibit B, incurred up to and including the date of termination.

19. PRIOR AGREEMENTS

This Agreement constitutes the entire contract between COUNTY and CITY regarding the subject matter of this Agreement. Any prior agreements, whether oral or written, between COUNTY and CITY regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

20. AUTHORITY TO EXECUTE

Each person executing this Agreement represents and warrants that he or she is duly authorized and has legal authority to execute and deliver this Agreement for or on behalf of the parties to this Agreement. Each party represents and warrants to the other that the execution and delivery of the Agreement and the performance of such party's obligations hereunder have been duly authorized.

21. COUNTERPARTS

This Agreement may be executed in duplicate counterparts. The Agreement shall be deemed executed when it has been signed by both parties.

Signatures scanned and transmitted electronically shall be deemed original signatures for purposes of this Agreement, with such scanned signatures having the same legal effect as original signatures. This Agreement may be executed through the use of an electronic signature and will be binding on each party as if it were physically executed.

EXHIBIT A to Agreement**SCOPE OF SERVICES****1. DEFINITIONS**

- A. "Conditionally Exempt Small Quantity Generator" (hereinafter referred to as "CESQG") means a business concern which meets the criteria specified in Section 261.5 of Title 40 of the Code of Federal Regulations.
- B. "Hazardous Waste" means any waste which meets the definitions set forth in section 66261.3 of Title 22 of the California Code of Regulations and is required to be managed.
- C. "Household Hazardous Waste" (hereinafter referred to as "HHW") means any hazardous waste generated incidental to owning or maintaining a place of residence, but does not include any waste generated in the course of operating a business concern at a residence. (California Health and Safety Code §25218(1)e).
- D. "Residential Generator" means a resident of the CITY seeking to dispose of HHW.

2. CITY RESPONSIBILITIES

- A. CITY may direct CITY residents to self-haul HHW to NARS PHHWCF or to Kiefer ABOPF, and CESQGs in the CITY to self-haul Hazardous Waste to NARS PHHWCF. Any public education or promotional efforts developed by CITY shall indicate the specific days and hours of operation of the NARS PHHWCF and Kiefer ABOPF.
- B. CITY acknowledges that the NARS PHHWCF does not accept all types and quantities of residential HHW and CESQG Hazardous Waste. Prohibited materials include, but are not limited to: radioactive materials, railroad ties or treated wood, explosives (flares are acceptable), and medical waste (home generated needles or syringes are acceptable). Quantity limits per trip are currently as follows but are subject to change at the will of

COUNTY with written notice to the CITY: Quantity limits for residential HHW are 15 gallons (liquid) or 125 pounds (solid) per vehicle trip. Quantity limits for CESQG Hazardous Waste are 27 gallons (liquid) or 220 pounds (solid) per vehicle trip. No containers larger than 5 gallons are accepted. Further, CITY acknowledges that COUNTY will only accept antifreeze, auto and household batteries, motor and cooking oil, motor oil filters, latex and oil based paint, and universal waste at the Kiefer ABOPF. Quantity limits as described herein apply to those materials acceptable at the Kiefer ABOPF.

- C. In the event COUNTY constructs, owns, and operates a permanent household hazardous waste collection facility at Kiefer during the term of this agreement, then all acceptable materials and limits thereto as reflected in section 2.B. above for the NARS PHHWCF shall apply.

3. **COUNTY RESPONSIBILITIES**

- A. Subject to the limitations provided in Section 2.B. above, COUNTY shall accept self-hauled HHW from CITY residents at no charge to the resident and Hazardous Waste from CESQGs located in the CITY at NARS PHHWCF and at Kiefer ABOPF during the regular days and hours of operation. The days and hours of operation of the NARS PHHWCF and Kiefer ABOPF are subject to change at the will of COUNTY with written notice to CITY:
1. Residential Generators: HHW will be accepted at the NARS PHHWCF, and antifreeze, batteries, motor and cooking oil, motor oil filters, latex and oil based paint, and universal waste will be accepted at the Kiefer ABOPF with no appointment required.
 2. CESQGs: CESQGs must call the COUNTY to make an appointment to self-haul Hazardous Waste to NARS PHHWCF. No material will be accepted from a CESQG without an appointment. COUNTY shall charge any CESQG from the CITY for use of the NARS PHHWCF the same amount for the same materials and quantities as COUNTY charges CESQGs from the unincorporated areas of the COUNTY. Payment will be required prior to CESQG gaining access to the NARS PHHWCF.

EXHIBIT B to Agreement**COMPENSATION**

- A. CITY shall pay COUNTY for the use of COUNTY's facilities by CITY Residential Generators as provided in this section.
- B. COUNTY shall maintain a record of the jurisdiction of waste origin, including but not limited to, zip code and address, of each self-hauled HHW vehicle load received at their facilities. All addresses shall be verified through GIS applications to determine whether a certain address for a self-hauled HHW vehicle load is physically located within the CITY.
- C. CITY payment to COUNTY will be determined using the COUNTY's Hazardous Waste data collection application (SacHazTracker). COUNTY will provide CITY with the monthly excel spreadsheet generated from SacHazTracker to support its calculation.

Payment shall occur for each CITY self-hauled HHW vehicle load received at COUNTY's facilities each month.

- 1. Each self-hauled HHW vehicle load will include an HHW Admin Fee and Per Item Fees. The Per Item Fees are based on the type and quantity of material delivered in each self-hauled HHW vehicle load.
 - 2. The HHW Admin Fee and Per Item Fees, shown in Exhibit B-1 attached hereto and incorporated herein, for the COUNTY shall be established each year and shall take effect July 1. The HHW Admin Fee and Per Item Fees shall be based on the cost of service principle. Fees will be calculated using actual costs incurred, including but not limited to labor, materials, transportation, and disposal. In addition, fees may be adjusted as necessary to address changes in regulation and/or when new material types are identified.
 - 3. CITY payment amount to COUNTY will be calculated each month using CITY specific self-hauled HHW vehicle load count data and pricing consistent with Exhibit B-1.
- D. The maximum reimbursement amount to be paid by CITY to COUNTY under this Agreement shall not exceed \$50,000.00 on an annual basis, or \$250,000.00 for the term of this Agreement.

MEMORANDUM

ITEM 16.7.

DATE: May 17, 2021
TO: Honorable Mayor and Council Members
FROM: Michelle Mingay, Senior Finance Analyst
SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DECLARING ITS INTENTION TO TRANSFER DELINQUENT REFUSE SERVICE CHARGES TO THE PROPERTY TAX ROLLS AND TO SET A PUBLIC HEARING FOR THE SAME**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will begin the process to allow delinquent refuse service charges to be collected on the property tax roll and sets a Public Hearing for June 21, 2021 at 5:30 pm in the City Council Chambers.

BACKGROUND

The Collection Services Contract ("Contract"), between the City of Rancho Cordova and Republic Services, formerly Allied Waste Services, ("Republic"), for residential garbage collection and recycling, allows Republic to take any action legally available to collect past due amounts. Pursuant to Government Code sections 38790.1 and 25831, one such action is for the City to assist Republic by placing the delinquent accounts on the property tax roll.

The City's Municipal Code allows for the property tax rolls to be utilized for collecting delinquent charges but in order for the City to assist Republic, the City Council must approve two separate Resolutions prior to recording a tax levy for delinquent residential solid waste accounts. The first resolution, which is the subject of tonight's meeting, establishes the intent of the City Council to transfer delinquent residential solid waste accounts to the tax rolls, as well as sets a Public Hearing for June 21, 2021 at 5:30 p.m. to take comments and objections from the public regarding the transfer of delinquent residential solid waste accounts to the tax roll. At the conclusion of the Public Hearing, the Council will be asked to adopt the second resolution titled "A Resolution of the City Council of the City of Rancho Cordova Authorizing Delinquent Residential Solid Waste Service Charges to be collected on the Property Tax Roll."

As of May 11, 2021, there are a total of 951 delinquent accounts eligible to be transferred to the tax roll, with a total balance due \$337,804.36. This amount includes a ten percent (10%) penalty which will be added to the tax roll to cover the cost for the City to administer the program.

In order to proceed with the levy of assessments, it is requested that Council adopt A Resolution of Intention of the City Council of the City of Rancho Cordova to Transfer Delinquent Refuse Service Charges to the Tax Roll. Approval of this resolution also sets June 21, 2021 at 5:30 p.m. as the date and time for a public hearing on the issue. Notice of the public hearing will be given by publication at least 10 days prior.

FISCAL IMPACT AND FUNDING SOURCE

The City will receive a 10% administrative fee, based on the final balance transferred to the property tax roll, to cover the cost of administering the program.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2021

A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, TO TRANSFER DELINQUENT REFUSE SERVICE CHARGES TO THE 2021-2022 PROPERTY TAX ROLL

WHEREAS, in 2017 the City of Rancho Cordova executed the Collection Services Contract with Allied Waste Services of North America, LLC, a subsidiary of Republic Services ("Republic") for the provision of residential solid waste collection and recycling services; and

WHEREAS, the Collection Services Contract requires Republic to bill residential solid waste accounts for garbage and recycling services; and

WHEREAS, pursuant to Government Code sections 38790.1 and 25831, the City may assist Republic Services in collection of past due accounts; and

WHEREAS, the property tax collection process has been used for many years, by both the City of Rancho Cordova and the County of Sacramento, to collect delinquent utility charges.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA that it is the opinion of the Council that the public interest and convenience require, and that it is the intention of this Council to order delinquent refuse charges and late penalties collected on the tax roll at the time and in the manner as the general tax levy for County purposes; and

BE IT FURTHER RESOLVED that this Council hereby gives notice that it sets June 21, 2021 at the hour of 5:30 PM in the Council Chambers located at 2729 Prospect Park Drive in the City of Rancho Cordova, California as the time and place for any and all persons having objections to the proposed collection of delinquent refuse charges and late penalty on the tax roll to appear before the Council and show cause as to why the proposed action herein described should not be carried out in accordance with this Resolution; and

BE IT FURTHER RESOLVED that this Council hereby gives notice that any owner of property liable to be assessed for a delinquent refuse charge may, at any time not later than the hour set for hearing objections to the proposed collection of such delinquent charges on the tax roll, make and file with the City Clerk a written protest against the proposed action herein described and/or against the amount of such charges; and

BE IT FURTHER RESOLVED that the City Clerk shall cause a summary of this Resolution to be published in the Grapevine Independent, a newspaper published and circulated in the City of Rancho Cordova, which said newspaper is hereby designated for that purpose.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 17th day of May 2021 by following vote:

MEMORANDUM

ITEM 16.8.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Victor Ramos, Operations & Maintenance Technician

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO AWARD CONTRACT NO. 2021-67 WITH SIERRA ASPHALT, INC. IN AN AMOUNT NOT TO EXCEED \$169,850 FOR ON-CALL PAVEMENT MAINTENANCE SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will authorize the City Manager to execute Contract No. 2021-67 with Sierra Asphalt, Inc. in an amount not to exceed \$169,850 for On-Call Pavement Maintenance Services.

BACKGROUND

City staff advertised for a new on-call pavement maintenance contract to perform ongoing street repair. Street maintenance will cover routine maintenance activities such as filling potholes, overlays, and other roadway repairs. On-call contracts facilitate fast response times that keep City streets safe.

Bids for the project were solicited on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges on March 26, 2021. Bids for the project were publicly opened on April 14, 2021. A total of five (5) bids were received. The lowest responsible base bid was in the amount of \$169,850 from Sierra Asphalt, Inc.

FISCAL IMPACT AND FUNDING SOURCE

There is no impact to the City's General Fund. Funding for this contract will consist of Measure A maintenance funds, Gas Tax, and other special revenues.

**CONSTRUCTION SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND SIERRA ASPHALT INC.
FOR ON-CALL PAVEMENT MAINTENANCE SERVICES**

THIS AGREEMENT made and entered into between the City of Rancho Cordova ("City") and Sierra Asphalt Inc. ("Contractor") as of July 1st, 2021.

W I T N E S S E T H:

WHEREAS, the City Council for the City heretofore caused plans and specifications for On-Call Pavement Maintenance Services ("Project") to be prepared, and therefore did approve and adopt said plans and specifications; and

WHEREAS, the City Council for the City did cause to be published for the time and in the manner required by law, a notice inviting sealed bids for the performance of said work; and

WHEREAS, the notice was published on March 26, 2021 on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges ("Notice"); and

WHEREAS, the Contractor, in response to such Notice, submitted to the City Council for the City within the time specified in said Notice, and in the manner provided for therein, a sealed bid for the performance of the Project specified in said plans and specifications, which said bid and proposal, and other bids and proposals submitted in response to said Notice, the City Council opened and canvassed in the manner provided by law; and

WHEREAS, the Contractor was the lowest responsible bidder for the performance of said Project, and said City Council for the City as a result of the canvass of said bids, did determine and declare Contractor to be the lowest responsible bidder for said Project and award to a contract therefore.

NOW THEREFORE, in consideration of the promises herein, it is mutually agreed between the parties hereto as follows:

Section 1. CONTRACT DOCUMENTS. The following documents are by this reference incorporated in and made a part of this Agreement: The County of Sacramento, Standard Construction Specifications dated January 2016; the Special Provisions; the contract drawings, all addenda; the Notice to Contractors; the Proposal; all required bonds; and all supplemental Agreements covering alterations, amendments, or extensions to the contract. The documents which describe the work to be performed are sometimes collectively referred to herein as the Plans and Specifications.

Section 2. SCOPE OF WORK. The Contractor will furnish all labor, materials, services, transportation, appliances, and mechanical workmanship required for Contract No. xx-2021 as provided for and set forth in said Plans and Specifications, or in either of them, which said Plans and Specifications are hereby referred and by such reference incorporated herein and made a part of this Agreement. All of the said work done under this Agreement shall be under the supervision of and performed to the satisfaction of the Public Works Director of the City of

Rancho Cordova who shall have the right to reject any and all materials and supplies furnished by the Contractor which do not comply with the Plans and Specifications, together with the right to require the Contractor to replace any and all work furnished by the Contractor which shall not either in workmanship or material be in strict accordance with the Plans and Specifications.

Section 3. COMPLETION. Agreement shall be effective from the time at which the contract is fully executed through June 30, 2024 as described in Section 2.3 of the attached.

Section 4. PAYMENT. Attached hereto as Exhibit "A" and by reference made a part hereof, is the bid and proposal of Contractor. Said bid and proposal will contain, as required by the terms of said specifications, the full and complete schedule of the different items with the lump sums or unit prices as so specified. The City agrees in consideration of the work to be performed for the Project herein and subject to the terms and conditions thereof, to pay Contractor all sums of money which may become due to Contractor in accordance with the terms of the aforesaid bid and proposal, and this Agreement, to wit: One Hundred Sixty-Nine Thousand Eight Hundred and Fifty dollars and no cents (\$169,850). Said sum shall be paid in accordance with Section 8 of the Standard Specifications. With respect to that portion of the above sum as is based upon the estimated quantities specified for the general scope of the work to be performed herein, actual payment will be based upon the quantities as measured upon completion. No payment made under this Agreement shall be construed to be an acceptance of defective work or improper materials.

Section 5. PREVAILING WAGES. Pursuant to the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holidays and overtime work, for each craft, classification or type of worker needed to execute the Project contemplated under this Agreement shall be paid to all workers, laborers and mechanics employed in the execution of said Project by Contractor, or by any subcontractor doing or contracting to do any part of said Project. The appropriate determination of the Director of the California Department of Industrial Relations is filed with, and available for inspection at 2729 Prospect Park Drive, Rancho Cordova, CA 95670, the office of the Clerk of the City. Contractor shall post, at each job site, a copy of such prevailing rate of per diem wages as determined by the Director for the California Department of Industrial Relations.

Section 6. INSURANCE. The Contractor shall carry and maintain during the life of this Agreement, such public liability, property damage and contractual liability, auto, worker's compensation and builders' risk insurance as required by the specifications.

Section 7. WORKERS' COMPENSATION CERTIFICATION. By execution of this Agreement, the Contractor certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

Section 8. PERFORMANCE AND PAYMENT BONDS. The Contractor shall, before beginning said work for the Project, file two bonds with the City, each made payable to the City. These bonds shall be issued by a surety company authorized to do business in the State of California, and shall be maintained during the entire life of the Agreement at the expense of the Contractor. One bond shall be in the amount of one hundred percent (100%) of the Agreement

and shall guarantee the faithful performance of the Agreement. The second bond shall be the payment bond required by California Civil Code Section 3247 et seq., and shall be in the amount of one hundred percent (100%) of the Agreement. Any alterations made in the specifications which are a part of this Agreement or in any provision of this Agreement shall not operate to release any surety from liability on any bond required hereunder and the consent to make such alterations is hereby given, and any surety on said bonds hereby waives the provisions of California Civil Code Sections 2819 and 2845.

Section 9. INDEMNIFICATION.

- 9.1 Contractor's Performance.** To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless City, its governing Board, officers, directors, agents, employees and volunteers from and against any and all claims, demands, actions, losses, liabilities, damages, and all costs incidental thereto, including cost of defense, settlement, arbitration, and reasonable attorneys' fees arising out of, pertaining to, or resulting from the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law, regardless of whether caused in part by a party indemnified hereunder.
- 9.2 No Limitation of Liability for Indemnification.** The indemnities set forth in this Section shall not be limited by the insurance requirements set forth in the Contract.

Section 10. MISCELLANEOUS PROVISIONS.

- 10.1** This Agreement shall bind and inure to the heirs, devisees, assignees, and successors in interest of Contractor and to the successors in interest of Contractor in the same manner as if such parties had been expressly named herein. All times stated herein or in the contract documents are of the essence hereof. As used in this instrument the singular includes the plural, and the masculine includes the feminine and the neuter. This Agreement may create a possessory interest subject to property taxation, and Contractor may be subject to the payment of property taxes levied on such interest.
- 10.2 Contract Administration.** This Agreement shall be administered by Victor Ramos ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.
- 10.3 Notices.** Any written notice to Consultant shall be sent to:
- Tim Carver, Vice President/Secretary

MEMORANDUM

ITEM 16.9.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Quoc Nham, Associate Civil Engineer

SUBJECT: **A RESOLUTION APPROVING THE FINAL MAP OF MONTELENA VILLAGE 3, SUBDIVISION NO. RC-04-132.3, AND AUTHORIZING THE EXECUTION OF THE SUBDIVISION IMPROVEMENT AGREEMENT CONTRACT NO. 2021-70**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will authorize the City to enter into Subdivision Improvement Agreement Contract No. 2021-70 ([Attachment 2](#)) guaranteeing the construction of public roads and utilities with MDRE Development, LLC and the recording of the final subdivision map creating 125 residentially zoned lots located west of Rancho Cordova Parkway between Douglas Road and Chrysanthy Boulevard.

BACKGROUND

The map has been examined and checked for compliance with Title 22 of the City of Rancho Cordova Municipal Code and the California Subdivision map Act. The City Council approved the Tentative Map on March 20, 2006. A Development Agreement was entered on July 18, 2006 and amended four times to clarify intentions of the Agreement with regards to the wetland preserve, amend the project's land use designations in Villages 4 and 5, amendment to the City's Zoning Code Map and a General Plan Amendment, and lastly an amendment to extend its term an additional 10-years to May 3, 2031 for Villages 3, 5, and 7. A copy of the final map ([Attachment 3](#)) and copy of the vicinity map ([Attachment 4](#)) are included with this letter.

Roads are offered for dedication with this subdivision. MDRE Development, LLC has provided a performance and labor and material bond guaranteeing the construction of the public improvements. MacKay & Soms, Inc. has waived the requirement for a bond to guarantee payment for setting the survey monuments with the subdivision. The soils report requirement

has been satisfied by Wallace Kuhl & Associates, dated December 2013.

There are no delinquent taxes against the property and the Tax Collector has so certified. The 2020/2021 estimated taxes have been secured with the Sacramento County Tax Collector.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City.

RESOLUTION NO. XX-2021

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, APPROVING THE FINAL MAP OF MONTELENA VILLAGE 3, SUBDIVISION NO. RC-04-132.3, AND AUTHORIZING THE EXECUTION OF THE SUBDIVISION IMPROVEMENT AGREEMENT CONTRACT NO. 2021-70

WHEREAS, the City Council approved the Tentative Map on March 20, 2006 per Resolution No. 26-2006; and

WHEREAS, the map is in substantial compliance with the approved tentative map; and

WHEREAS, the conditions of approval have been complied with; and

WHEREAS, the map complies with Title 22 of the City of Rancho Cordova municipal code and the California Subdivision Map Act; and

WHEREAS, the approval of final maps is exempt from review under the California Environmental Quality Act (CEQA) pursuant to CEQA Regulation Section 15268(b)(3) as a ministerial approval; and

WHEREAS, the City desires to enter into a subdivision improvement agreement with the developer to ensure necessary public improvements are completed and secured with a bond.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does approve the Final Map of Montelena Village 3, Subdivision No. RC-04-132.3 and does authorize the City Manager to execute Subdivision Improvement Agreement 2021-70 with MDRE Development, LLC, in a form approved by the City Attorney.

SUBDIVISION IMPROVEMENT AGREEMENT

Montelena Village 3 RC-04-132.3

THIS SUBDIVISION IMPROVEMENT AGREEMENT (hereinafter, "Agreement") entered into this _____ day of _____, 20__, by and between the City of Rancho Cordova, (hereinafter "City"), a California municipal corporation, and **MDRE Development, LLC** (hereinafter "Principal").

RECITALS

WHEREAS, Section 66462 of the Government Code provides that if the work of improvement required therein is not completed prior to the acceptance of a final subdivision map, the owner of the subdivision may enter into an agreement with the City to perform the work of improvement as required by said sections in consideration of the acceptance of said final subdivision map by the City; and

WHEREAS, Section 66499 of the Government Code requires that said agreement be secured by a surety bond or by an instrument of credit issued by a financial institution subject to regulation by the State or federal governments or by a cash deposit; and

WHEREAS, Section 66499.3 establishes the types and amount of security to guarantee the performance of any such improvement agreement; and

WHEREAS, City and Principal desire to enter into an improvement agreement as authorized by the Subdivision Map Act under the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual promises, conditions and covenants hereinafter set forth, City and Principal agree as follows:

1. **Incorporation of Recitals.** The foregoing recitals are hereby incorporated by reference.
2. **Findings and Conditions of Subdivision Map.** Principal recognizes that approval of its subdivision was subject to the findings and conditions attached to such approval and hereby acknowledges and agrees to be bound by such findings and conditions.
3. **City Approval of Subdivision Map.** City agrees to approve the final map of the subdivision presented to it by Principal and designated **Montelena Village 3 RC-04-132.3** and to accept on behalf of the public all lands, rights of way and easements therein offered in dedication, in accordance with the conditions hereinafter set forth.
4. **Completion of Improvements.** In consideration of such approval, Principal

agrees to complete the work of improvement required for said subdivision in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements. The work required may lie within or outside the subdivision and must be completed within 24 months of the date of this Agreement.

5. **Payment For Services.** Principal further agrees to promptly pay, when due, all costs for plan checking, inspection services and material testing performed by City pursuant to the requirements of Sections 12.03.210 et. seq. of the Rancho Cordova Municipal Code.

6. **Acceptance of Improvements.** Upon satisfactory completion of all public improvements in accordance with standard specifications created by City ordinances or resolutions which are in effect at the time of the installation of said improvements, City agrees to accept for maintenance the work of improvement within the dedicated parcels shown on said final subdivision map, and any off site easements granted, subject to the provisions of paragraph 9 hereof. Acceptance will be postponed until such time the City determines a public purpose exists. Public Purpose is defined as existence of habitable structures within the subdivision.

7. **Notice of Commencement of Work.** Principal shall notify the City Engineer in writing of the commencement of the work of improvements.

8. **Correction of Defects.** Principal agrees to remedy any defects in the improvement arising from faulty or defective construction of said improvements occurring within twelve months after acceptance thereof by City.

9. **Indemnity.** Principal shall indemnify and hold harmless City from any and all loss, damage or liability arising out of or resulting from Principal's performance or non-performance of his duties and obligations under this Agreement, or from the negligent act or omission of himself, his agents, servants and employees. Principal shall, at his own cost and expense, defend any and all actions, suits, or legal proceedings arising out of or resulting from the performance or nonperformance of this Agreement, that may be brought or instituted against the City, its officers and employees, on any such claim or demand, and pay or satisfy any judgment that may be rendered against the City in any such action, suit or legal proceedings, or result thereof, regardless whether caused in part by a party indemnified hereunder.

10. **Extension of Completion Date.** If the construction of the work or improvement should be delayed without fault of Principal, the time for completion thereof may be extended by City for such period of time as City may deem reasonable.

11. **Improvement Security.** (a) Principal shall obtain and furnish to City an

improvement security consisting of a surety bond in favor of City, issued by a corporate surety authorized to do business in the State of California, and in form approved by City, securing the faithful performance by Principal of the work of improvement required, and also securing the payment of the costs and interest, if any, due under Sections 12.030.210 et seq. of the Rancho Cordova Municipal Code, as provided in Paragraph 5 herein and an additional bond issued by a corporate surety authorized to do business in the State of California, in the amount of not less than 50 percent of the total estimated cost of the improvement, securing payment to contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement.

(b) In lieu of said corporate surety bonds, Principal may furnish an improvement security consisting of a letter of credit, certificate of deposit, or similar instrument of credit, in form satisfactory to City, issued by a financial institution subject to regulation by the State or Federal government, pledging that the funds necessary to meet the performance required herein are on deposit, and guaranteed for payment on demand. Said letter of credit, certificate of deposit, or similar instrument of credit shall provide that the funds designated therein shall become trust funds for the purposes set forth in said instrument.

(c) The failure of Principal to commence the required work of improvements, or to complete the same within the time required after commencement thereof, shall entitle City to the full payment of the security, or so much thereof as may be necessary to complete the required work of improvement. The amount of the surety bond for faithful performance shall be in the sum of **\$3,021,728.50**. The amount of the surety bond for the payment of the claims of the contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement shall be at least 50 percent of the above amount. The letter of credit, certificate of deposit or similar instrument of credit, or cash deposit for faithful performance, shall be in the above amount plus an additional 50 percent for the purposes set forth herein.

12. Improvement Security As Condition Precedent. The furnishing of the improvement security by Principal as required by paragraph 12 hereof shall be a condition precedent to acceptance by City of the above described real property and the performance by the City of the covenants herein on its part to be performed.

13. Inspection of Work In Progress. (a) Principal may request The City Engineer to inspect the work as it progresses. If the work performed is found to be in accordance with the requirements of City, it may be accepted as it progresses and a partial refund of the cash deposit, or a release pro tanto of the faithful performance bond, letter of credit, certificate of deposit or similar instrument of credit shall be made in a sum in the same ratio to the total

deposit as the work accepted bears to the total work to be done. No refund in excess of 85 percent of the total amount of the improvement security for faithful performance shall be made until all the work has been completed and accepted.

(b) The determination of the Administrator of Public Works of City as to the amount of work done, and the amount of refund or partial release pro tanto, shall be final and conclusive. When the work of improvement is accepted, 10 percent of the improvement security shall be retained to guarantee faithful performance of the provisions of paragraph 9 of this Agreement.

(c) Improvement security given to secure payment to contractor, his subcontractors and to persons renting equipment or furnishing labor or materials for the work of improvement may, six months after completion and acceptance of the work, be reduced to an amount not less than the total of all claims on which an action has been filed, and notice thereof given in writing to City, and if there are no actions filed, such improvement security may be released in full.

14. Execution By Real Party In Interest. Where title to the subdivision property is held by the record owner thereof under a holding Agreement, this Agreement and the bond given pursuant thereto must be executed by the real party or parties in interest.

15. Waiver of Civil Code Section 2819. Any extension of time hereunder shall not operate to release the surety on the bond filed pursuant to this Agreement. In this connection the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

16. City Construction of Improvements. In the event that all or any portion of the works of improvement contemplated herein are proposed to be constructed by street improvement proceedings under the control of City, the undertaking of such proceedings shall in no way relieve Principal of any duties under this Agreement, except where all of the works of improvement that are required under this Agreement have in fact been constructed and accepted by City.

17. Interest. Interest shall accrue at the highest rate permitted by law on all sums from the date payment is due under the terms of this Agreement and the sum due is certain or reasonably capable of being made certain.

18. Attorneys' Fees. In the event that it is necessary for the City to enforce the obligations secured by the improvement security furnished pursuant to Paragraph 12 hereof, the City shall be entitled to recover its costs and reasonable expenses and fees, including reasonable attorneys' fees, as provided for in Government Code Section 66499.4.

19. Amendments. This Agreement may be modified or amended, or any of its provisions waived, only by a subsequent written agreement executed by the parties hereto.

20. **Entire Agreement.** This Agreement and any attachments hereto constitute the sole, final, complete, exclusive and integrated expression and statement of the terms and conditions of this Agreement among the parties hereto concerning the subject matter addressed herein, and supercedes all prior negotiations, representations or agreements, oral or written, that may be related to the subject matter of this Agreement.

21. **Construction and Interpretation.** It is agreed and acknowledged by the Principal that the provisions of this Agreement have been arrived at through negotiation, and that the Principal has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

22. **Successors and Assigns.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of the parties hereto.

23. **Time.** Time is of the essence in the performance of each and every term of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first set forth above, which date shall be considered by the Parties to be the effective date of this Agreement..

MEMORANDUM

ITEM 16.10.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Steve Harriman, Public Works Division Manager

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2021-69 WITH WEST COAST ARBORISTS IN AN AMOUNT NOT TO EXCEED \$545,475 FOR ON-CALL TREE MAINTENANCE SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the resolution will authorize the City Manager to execute Contract No. 2021-69 with West Coast Arborists in an amount not to exceed \$545,475 for on-call tree maintenance services.

BACKGROUND

The Public Works Department solicited proposals for on-call tree maintenance services and received two proposals. After careful review and consideration, staff recommends award of the contract to West Coast Arborists based on lowest price, available resources and ability to assist with the Urban Forest Program in Rancho Cordova. The Contractor will be expected to perform services comprised of on-call tree pruning, tree planting and removal, stump grinding, 24/7 emergency services, crane services, traffic control, and arborist consulting.

West Coast Arborists has held the contract for on-call tree maintenance services with the City since July 1, 2016. They have assisted city staff and the Sacramento Tree Foundation with numerous community tree planting events and annual pruning and maintenance of City trees. West Coast Arborists will be an effective partner as the City continues to maintain and improve the urban forest.

FISCAL IMPACT AND FUNDING SOURCE

This contract is currently funded by the Community Enhancement Fund, Measure A, the Public

Works operating budget and stormwater funds. This contract has no impact to the general fund.

RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE
CONTRACT NO. 2021-69 IN AN AMOUNT NOT TO EXCEED \$545,475 FOR ON-CALL
TREE MAINTENANCE SERVICES**

WHEREAS, the City of Rancho Cordova desires to enter into contract no. 2021-69 with West Coast Arborists in an amount not to exceed \$545,475 for on-call tree maintenance services; and

WHEREAS, the contractor will assist with on-call tree pruning, tree planting and removal, stump grinding, 24/7 emergency services, crane services, traffic control, and arborist consulting; and

WHEREAS, the services will exceed the maximum amount the City Manager has authorization to approve; and

WHEREAS, the contract will be funded by the Community Enhancement Fund, Measure A, the Public Works operating budget, and stormwater funds. The contract does not impact the general fund.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute contract no. 2021-69 with West Coast Arborists in an amount not to exceed \$545,475 and in a form approved by the City Attorney.

**GENERAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND WEST COAST ARBORISTS, INC.**

THIS AGREEMENT (hereinafter referred to as "Agreement") is made by and between the City of Rancho Cordova, a California municipal corporation, (herein "City") and West Coast Arborists, Inc., (herein "Contractor"), as of July 1, 2021.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A ("Services") at the time and place and in the manner as specified therein. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

Section 2. TERM. The term of this Agreement shall begin on the date first noted above and shall end on June 30, 2024, unless the term of the Agreement is otherwise terminated as provided for in Section 10. The time provided to Contractor to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 10.

Section 3. CONTRACT ADMINISTRATOR. This Agreement shall be administered by Steve Harriman ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

Section 4. COMPENSATION OF CONTRACTOR. The Contractor shall be paid \$545,475 for performance of the Services pursuant to this Agreement. The Contractor shall submit invoices to the City Finance Director on a monthly basis detailing the Services performed. In the event of a conflict between this Agreement and Contractor's Exhibit A regarding the amount of compensation, the Agreement shall prevail. Upon receipt and approval of the Contractor's invoices, the City shall remit payment to the Contractor for Services provided within thirty (30) days. Payment to Contractor shall be considered as full compensation for performing the Services.

City's failure to discover or object to any unsatisfactory work or billing prior to payment will not constitute a waiver of City's right to request Contractor to correct such work or billings or seek any other legal remedy.

Section 5. PERFORMANCE STANDARDS.

A. Contractor shall comply with all applicable laws now in force or which may hereafter be in force with regard to the provision of Services and this Agreement.

B. Contractor represents that it has the skills, expertise, licenses, and permits necessary to perform the Services. Contractor shall perform all such Services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged and in accordance with applicable industry standards. Permits and/or licenses shall be obtained and maintained by Contractor without additional compensation throughout the term of this Agreement.

Section 6. INDEPENDENT CONTRACTOR. Contractor shall perform the Services as an independent contractor and nothing herein contained shall be construed to make Contractor an agent or employee of the City while providing the Services. Contractor shall be entitled to no other benefits or compensation except as provided in this Agreement.

Section 7. INSURANCE REQUIREMENTS. Prior to beginning any Service under this Agreement, Contractor, at its own cost and expense, shall procure insurance coverage at such levels of coverage, scope, limits, and/or forms as set forth in Exhibit B ("Insurance Requirements") hereto. Contractor shall provide proof satisfactory to City of such insurance and maintain the insurance throughout the term of this Agreement.

Section 8. INDEMNIFICATION. Contractor shall indemnify, defend with counsel selected by the City, and hold harmless City, its officers, agents, employees, and representatives from and against any and all claims, losses, liabilities or damages, demands, and actions, including payment of reasonable attorney's fees, arising out of or resulting from Services performed pursuant to this Agreement caused in whole or in part by any negligent or willful act or omission of Contractor, its officers, agents, employees, or anyone directly or indirectly acting on behalf of Contractor. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

Section 9. NONDISCRIMINATION AND EQUAL OPPORTUNITY. Contractor shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby. Contractor shall include the provisions of this section in any subcontract approved by the City.

Section 10. AMENDMENTS. No modification or amendment of this Agreement is effective unless made in writing and signed by both the City and Contractor.

Section 11. ASSIGNMENT AND SUBCONTRACTING. Contractor shall not assign or transfer any interest in this Agreement without the prior written consent of the City.

Section 12. TERMINATION. Either party may terminate this Agreement without cause, upon 60 days written notice to the other party. In the event of termination, Contractor shall be entitled to payment for Services then satisfactorily completed. Contractor shall not be entitled to any claim against City for any additional compensation or damages in the event of such termination.

Section 13. NOTICES. All notices that are regarding this Agreement shall be in writing and shall be deemed to have been given if delivered personally or enclosed in a properly addressed envelope and deposited in a United States Post Office for delivery by registered or certified mail addressed to the parties at the following addresses:

City: City of Rancho Cordova

ATTN: O&M Manager

Contractor: West Coast Arborists, Inc.
2200 E. Via Burton Street
Anaheim, CA 92806
ATTN: Victor Gonzalez, V.P. Business Development

Section 14. GOVERNING LAW AND VENUE. The laws of the State of California shall govern this Agreement. Venue for any action regarding this Agreement shall be in the Superior Court of the County of Sacramento.

Section 15. ATTORNEYS' FEES. If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.

Section 16. SEVERABILITY. If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

Section 17. WAIVER. The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

Section 18. SURVIVAL. The obligations of this Agreement, which by their nature would continue beyond the term or expiration of the Agreement, including without limitation obligations regarding indemnification shall survive the term or expiration of this Agreement.

Section 19. ENTIRE AGREEMENT. This Agreement represents the entire and integrated Agreement between City and Contractor and supersedes all prior negotiations, representations, and Agreements regarding the subject matter of this Agreement, either written or oral.

SIGNATURE PAGE FOLLOWING

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year set forth above, which date shall be considered the effective date of this Agreement.

EXHIBIT ASCOPE OF SERVICES**2.1 SUMMARY OF ON-CALL SERVICES**

The primary City objective with this contract is to provide on-call tree maintenance services. The selected Contractor shall provide the following services on an on-call basis at the City Project Manager's written request. The Contractor shall furnish all tools, equipment, fuel, apparatus, facilities, labor, services, and materials. Maintenance will include trees on public and private property. Tree pruning, planting, removal, and maintenance services shall be performed according to the most current editions of the following benchmark standards:

1. American National Standards Institute (ANSI) A300 Pruning Standards
2. ANSI Z133.1 Safety Standards
3. ISA Best Management Practices

The following tasks are included in the Scope of Services for this engagement:

- Wildlife Protection: Prior to the commencement of any work in the vicinity of any tree, each tree shall be visually surveyed, from all sides, for the sole purpose of detecting the presence of bird nests or wildlife of any type. If a nest is found and determined to be active, there shall be no work of any kind in the tree in which the nest is found without the City's designated representative's written permission. At no time shall any nest or wildlife be removed from its location. In the event that wildlife is accidentally displaced, the Contractor shall notify the City representative for assistance.
- Tree Pruning: includes crown cleaning, the removal of dead, diseased, detached, and broken branches 1" or larger. This pruning is done to reduce the risk of falling branches and reduce the risk of decay spreading into the tree from dead or dying branches. Cleaning is the preferred pruning method for mature trees. Cleaning removes branches with cracks that may be prone to fail. Care must be used to avoid stripping branches of too much foliage within the tree crown. This practice which is known as "lion tailing," is unacceptable.
- Structure Pruning: includes the removal of live branches and stems to influence the orientation, spacing, growth rate, and strength of attachment of branches and stems. It is used on young and medium-aged trees to provide a stable structure and strong branch arrangement. It is used on large maturing trees to reduce certain defects and space main branches along one dominant trunk and limit the failure potential of included branch attachments.
- Clearance Pruning: includes the selective removal of branches to provide vertical clearance. This pruning shortens or removes lower branches of a tree to provide clearance for

pedestrians and vehicles, traffic signals, street signs, street lights, fences, buildings, etc., as directed. Live crown ratio should be no less than 66% when raising is completed and some structural pruning is considered by the City to be part of this pruning.

- Palm Tree Pruning: shall be limited to the removal of dead, broken, and strongly chlorotic fronds. Live, healthy fronds shall not be removed. Fronds should be severed close to the petiole base without damaging living trunk tissue. Palm fruit, flowers, and loose petiole bases should be removed if deemed to be a safety risk. A disinfectant (such as Clorox or rubbing alcohol) shall be used on pruning tools before and after pruning individual trees. Climbing spikes or spurs shall not be used to climb palms for pruning.
- Tree Removal: includes removal of trees (including the stump) from public or private property, as directed by the City. The errant removal of trees shall be penalized up to the appraised value of the tree as defined in the Guide for Plant Appraisal (10th Edition, 2nd printing). The Contractor will be held liable for loss of control incidents and shall pay for all damages and associated costs.
- Stump Grinding: includes grinding of tree stumps and surface roots and removal of chips and debris on public or private property, as directed by the City. The Contractor shall be required to contact USA at least 2 days prior to stump grinding. The Contractor shall take all responsibility for any damage that occurs once the process of removing a tree and/or associated root removal begins.
- Tree Planting: Contractor shall have underground utilities located prior to commencing work. Contractor shall remove all existing grass and weeds (including roots) within area of tree hole excavation and may use the sod, flipped upside down, from excavation area to construct a berm around planting hole or the material may be disposed of at the Contractor's expense. The planting hole shall be at least 2 times the width of the root ball or 3 feet in diameter, whichever is greater. The hole shall be centered on the tree locate mark. The depth of the hole shall not be deeper than the height of the tree's root flare. The sides of the hole shall not be glazed. If circling roots are present, the encircling outer roots shall be loosened or pruned to prevent tree girdling. The root flare shall be exposed. The tree shall be free of all tags or bindings before planting to prevent accidental girdling of trunk or branches. If any competing leaders are present, the less dominant one may be removed to reduce the likelihood of future structural defects. The tree shall be watered until the ground is saturated. Mulch shall be applied to newly planted trees using the 3-3-3 rule: lay mulch down in a uniform 3-inch thick layer, 3 inches away from the tree trunk, in at least a 3-foot diameter circle around the tree. Newly planted trees shall have nursery stakes removed and shall be staked with two wooden stakes driven into soil outside of the mulch zone.
- Planting Hole Preparation: The Urban Forest Program organizes tree planting events with volunteers and homeowners in collaboration with the Sacramento Tree Foundation. The Contractor shall prepare planting holes for volunteers on private property. The planting hole shall be 3 feet in diameter centered on the tree locate mark. The depth of the hole shall be

12 inches deep. The sides of the hole shall not be glazed.

- 24/7 Emergency Services: includes removal of trees, branches, or vegetation from public or private property resulting from storms, accidents, or tree failure. The Contractor shall be on-site within 2 hours (120 minutes) of a request from City staff to provide emergency services, including nights, weekends, and holidays. The Contractor will be compensated for a minimum of 2 hours for all emergency call-outs.
- Arborist Consulting and Reports: includes inspection of trees on public or private property, and submittal of an opinion report from a certified arborist based on the situation and assignment.
- Crane Services: includes use of a crane to remove or prune vegetation.
- Traffic Control: includes traffic control as required in accordance with the MUTCD when vehicles or equipment will encroach upon the traffic lanes, bicycle lanes, sidewalks, or obstruct driveway or alley access in accordance with the applicable local and state regulations. Additional details are located in Appendix C.
- Recycling Services: all vegetative material generated in the execution of work under this contract shall be diverted from landfill disposal through aerobic or anaerobic composting, incineration, or land application in accordance with the applicable green waste local and state regulations. It is the responsibility of the Contractor to appropriately dispose of diseased trees.
- Recordkeeping: Contractor shall maintain a record of all work performed in an electronic format that is compatible and consistent with the City's tree inventory software. The record shall include the street address, tree I.D. #, tree species, and a brief description of work performed. The record shall be kept current within one week of work. Tree/site specific backup data containing these same fields shall accompany the invoicing for the work period.
- Unscheduled Extra Work: line 10 in table 4.2.1 includes \$50,000 for unscheduled extra work. This is a contingency budget in case the City requires extra work in the Urban Forest Program. The unscheduled extra work will be billed at the rates provided in Table 4.2.1.

2.2 WORK GUIDANCE

Selected Contractor shall be aware of, and shall comply with, City ordinances governing trees and tree maintenance services, ANSI A300 Tree Management Standards, ISA Best Management Practices, ANSI Z133 Tree Care Safety Standards, and traffic control regulations during work, as applicable to individual circumstances and locations being maintained.

A complete, preliminary copy of the City's contract for On-Call Tree Maintenance Services is attached to this RFP as Appendix A. The contract shall bind selected Contractors to perform work in accordance with this RFP.

2.3 DESCRIPTION OF WORK STANDARDS

City requires the selected Contractor to meet the following minimum standards:

Workmanship: All materials and workmanship shall be of a quality that is equal or superior to any similar work considered by an ISA certified arborist to be best practice. All work completed by selected Contractor shall be subject to inspection prior to payment being authorized. All work shall be conducted in a manner that least interferes with operation and public usage of the streets and sidewalks.

Safety: All services, supplies, and equipment must strictly comply with California Safety Division of Industrial Safety Orders and O.S.H.A, especially those pertaining to the work to be performed set forth in Title 8, California Code of Regulations section 3420, including the standards set forth including . The Contractor shall plan and conduct the work in a manner that will safeguard all persons from injury and shall take all precautions required by applicable regulations of the State Department of Industrial Regulations. **The Contractor's employees shall wear O.S.H.A. approved safety vests at all times during contract work and comply with all applicable manufacturer's warnings and equipment instructions.**

Hazards and Vandalism: Any hazards or acts of vandalism shall be reported immediately to the City Project Manager and then followed up in writing. Hazards shall be remedied by the Contractor after approval is obtained from the City Project Manager. Hazards that create life-threatening situations or potential for bodily harm shall be remedied immediately by the Contractor.

Response: Selected Contractor will be required to be able to respond to any location with no more than two hours (120 minutes) delay in response time. A communications system shall be in place, which provides the City with the ability to contact the Contractor in an emergency twenty-four (24) hours per day, seven days per week. Failure to adequately respond may result in immediate termination of the remainder of the contract.

Equipment: Selected Contractor shall furnish all tools and equipment needed to provide a high level of workmanship to ensure continuous and safe operation and complete work in

accordance with the current City and standard specifications. City may require demonstration of equipment during selection process of this RFP, as outlined in **Section 5, Contractor Experience and Operations Plan.**

2.4 COMMENCEMENT OF WORK

Contractors acknowledge that submittal of a proposal does not constitute any acceptance of work by City. Additionally, the receipt of award of contract to any proposer shall not constitute any authority to enter upon sites for work. Work shall commence only upon formal execution of a contract and work orders from the City.

The City seeks to select a Contractor and execute a contract for On-Call Tree Maintenance Services by July 1, 2021. Proposers acknowledge that they are prepared to execute a contract and begin prosecuting work within this time. Any proposer unable to meet this timeframe shall not be considered for award.

2.5 TERM OF AGREEMENT

Any contract resulting from subject Proposal is expected to be a three (3) year contract starting from the time at which the Contract is fully executed.

If mutually agreeable to both parties, any resultant Contract may be extended for two (2) additional one (1) year terms.

Failure of the Contractor to diligently prosecute the work as defined herein will be considered as grounds for termination of the contract.

Failure to provide an adequate workforce shall be considered as grounds for the termination of the contract.

The executed contract relating to this RFP may be terminated by the City, at its discretion, upon sixty (60) calendar days prior written notice addressed to the last known address of the Contractor. In the event of such termination, the Contractor shall be paid for all work successfully completed up to the effective date of such termination.

2.6 ANNUAL RATE ADJUSTMENTS

Hourly rates will remain constant for the three (3) year term of the agreement, through June 30, 2024. Hourly rates may be adjusted for any contract extension beyond the initial term upon mutual agreement by City and Contractor.

2.7 SUBCONTRACTORS

Contractors requiring the provision of additional services from subcontractors acknowledge that all proposed subcontractors shall adhere to the same standards of work as described in this RFP.

Contractors further acknowledge that the selected Contractor shall be required to perform, with the Contractor's own organization and employees, not less than fifty percent (50%) of the value of all work conducted under the executed contract.

Any Proposers submitting bids for work that includes the use of subcontractors shall additionally complete and submit Section 5.4, Designation of Subcontractors.

2.8 ADDITIONAL SPECIAL PROVISIONS

Further special provisions guiding the execution of a contract for On-Call Tree Maintenance Services are fully described in Appendix C, Additional Special Provisions. The additional provisions as described in Appendix C include items such as Prevailing Wage, Payroll Records, Traffic Management, Regulations of Work, Payment, and other additional special provisions. Contractor's attention is directed to review of these Additional Special Provisions as they will be made part of the contract to be executed by the selected Contractor.

RE: RFP: On-Call Tree Maintenance Services

Due: Monday, April 12, 2021 at 03:00PM

To whom it may concern;

Thank you for allowing West Coast Arborists, Inc. (WCA) the opportunity to submit a proposal for tree maintenance services for the City of Rancho Cordova. WCA is a family-owned and operated company employing over 1,000 full-time employees providing various tasks to achieve one goal: serving communities who care about trees. We have reviewed, understand, and agree to the terms and conditions described in this RFP. We also hereby acknowledge that we meet the minimum requirements and responded to each of these requirements to the best of our ability. Our proposal is valid for a minimum of 90 days.

WCA's corporate values include listening to customers and employees to help improve services offered. By establishing clear goals and expectations for the organization, supporting its diverse teams, and exchanging frequent feedback from customers and employees, we are able to provide 'gold standard' tree care services. WCA's top management team has created a culture where employees become accountable for actions and results. Our Tree Care Industry Association (TCIA) company-wide accreditation is evidence of the commitment WCA has to our safety and training programs, customer satisfaction and our capacity to maintain industry standards.

WCA has a 48-year track record of working for more than 300 California and Arizona municipalities as well as other various agencies. Our company has been in business since 1972 and is licensed by the California State Contractors License Board under license #366764. We have held this license in good standing since 1978. The license specializes in Class C61 (Tree Service), Class C27 (Landscaping) and Class C31 (Traffic Control). We currently employ over 80 Certified Arborists and over 150 Certified Tree workers, as recognized by the International Society of Arboriculture. WCA is also registered with the Department of Industrial Relations (DIR) for Public Works projects, our registration number is 1000000956. All work will be performed in-house; no subcontractors will be used.

Our employees will operate from our Sacramento Office located at 355 Commerce Circle, Sacramento, CA 95815. For questions related to this proposal and who has the authority to negotiate/present please contact Victor Gonzalez, V.P. Business Development, at (714) 991-1900 or at vgonzalez@wcainc.com. Brian Kirkegaard, Area Manager, will be assigned to this project should WCA be awarded a contract. He can be reached at (209) 663-0694 or: kirke_aard@wcainc.com.

Sincerely,

Patrick Maoney, President

4.1 HOURLY BILLING RATES (Amended)

The City will reimburse the Contractor on an hourly basis for on-call services shown below in Column A. The hours shown in Column B represent projected hours by task based upon the historical billings for similar services. The hourly billings under the new on-call contract will be based solely upon the City's needs, and there is no guarantee of the level of work under this contract. Please complete Table 4.2.1 by completing the following steps:

1. Insert "Billing Rates" in Column C for tasks 1 through 9;
2. Multiply "Projected Hours/Units Per Year" in Column B by "Billing Rates" in Column C and insert the product in Column D;
3. Insert the sum of cells D1 through D10 in cell D11.

Section 5**CONTRACTOR'S LICENSE, EXPERIENCE AND QUALIFICATIONS, AND OPERATIONS PLAN****5.1 CONTRACTOR'S LICENSE CERTIFICATION**

Any person or entity submitting a proposal on this Project to engage in the business or act in the capacity of a contractor shall be licensed as a contractor in accordance with the provisions of Division 3, Chapter 9 of the California Business and Professions Code. A proposal submitted to the City by a contractor who is not licensed as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this Project, the City must verify that the Contractor was properly licensed when the Contractor submitted his/her proposal on this Project. In order for the City to verify the license status of a contractor, the Contractor, at the time he/she submits his/her proposal for the Project, shall provide in writing to the City his/her Contractor's license number, name on the license, classification, and expiration date of the license.

No proposal submitted to the City shall be invalidated by the failure of the proposer to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the Contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the City that the records of the Contractors' State License Board indicate that the Contractor was properly licensed at the time the contract was awarded. Any proposer or Contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors' State License Board. Failure of the proposer to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the proposer.

CERTIFICATION

Any person or entity submitting a proposal on this Project to engage in the business or act in the capacity of a contractor shall register as a contractor in accordance with the provisions of the Department of Industrial Relations (DIR). A bid submitted to the City by a contractor who is not registered as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this Project, the City must verify that the Contractor was properly registered when the Contractor submitted his/her bid on this Project. In order for the City to verify the registration status of a contractor, the Contractor, at the time he/she submits his/her bid for the Project, shall provide in writing to the City his/her Contractor's registration number, name on the registration, and expiration date of the registration.

No bid submitted to the City shall be invalidated by the failure of the Proposer to be registered in accordance with the laws of this state. However, at the time the contract is awarded, the Contractor shall be properly licensed in accordance with the laws of this state. Any Proposer or Contractor not so registered shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the DIR. Failure of the Proposer to obtain proper and adequate registration for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the Proposer.

INTRODUCTION

West Coast Arborist's (WCA) is a company comprised of a management team and a safety committee. Staff members have diverse educational backgrounds including accounting, business

administration, engineering and forestry.

WORK FORCE

WCA actively maintains ongoing processes to assure that only qualified and competent staff provides safe and quality tree maintenance services. These skilled employees can only be achieved through both training and work experience. We believe that essential experience should always be obtained through qualified supervision: this includes both basic and extended skills. WCA makes every attempt to ensure that this is undertaken before performing

work, leading a crew, or career advancement. The work performed

on this contract is routine, recurring and usual. The work includes watering, trimming, pruning, planting, removal and replacement of trees and plants, and servicing of irrigation. The rates included in the Cast Proposal are based on the current prevailing wage

CERTIFICATION

WCA encourages its employees to get certified through the International Society of Arboriculture, in an effort to raise the standard of professional tree care companies. This standard

exemplifies our company's commitment to providing customers with

competent, knowledgeable certified workers. WCA employs a large number of ISA Certified Arborists and ISA Certified Tree Workers.

CREW EVALUATION

WCA employees are evaluated through an internal mechanism supervised by our Management Team. Each employee performs their duties according to a criteria-based job description that reflects safety, quality workmanship, productivity, appropriateness of care, problem solving and customer service. A performance appraisal is

conducted for each employee upon completion of the probationary

determination for "Tree Maintenance (Laborer)."

period and at least annually thereafter. Each worker is also required to complete a competency assessment and orientation upon hire and annually thereafter in selected areas to assure that ongoing requirements are met and opportunities for improvement are identified.

ITEM 16.10.

UPPER MANAGEMENT TEAM

From marketing, contract administration, field and fleet management, to information technology, our Upper Management Team is involved in the day-to-day operations supporting each Project Team and Customer to ensure the highest quality of tree care is being achieved in the industry.

NCCO Crane Operator #50816231

The project Area Manager will be the central point of contact and will work cooperatively with Agency staff, local residents and business owners, etc. The Area Manager will provide overall field supervision and crew management.

Daily Management

Daily management will consist of, but not be limited to:

- Email notification complete with location, crew, equipment type, and work description
- Supervise crew personnel to insure proper pruning standards are followed in a safe manner
- Traffic control setup and maintenance of work zone
- Ensure work area is left free of debris at the end of shift
- Maintain record of work completed each day
- Maintain good public relations at all times
- Provide immediate notification to Agency Inspector upon damage of personal property including a plan for corrective measures to take place within 48 hours

Weekly Management

Weekly management will consist of, but is not limited to:

- Weekly inspection of work completed
- Meet with the Agency to review work schedule and progress
- Insure standards of pruning are performed in accordance with Agency specifications
- Maintain open communication with the Agency Inspector and field crew

Scheduling of Work

The Area Manager is responsible for scheduling work which shall conform to the Agency's schedule of performance. We recommend equal distribution of work throughout the course of the fiscal year. Notifications will be provided to residents prior to the start of pruning operations in said area. All work will be performed in a cooperative manner as to cause the least amount of interference or inconvenience.

Public Notification

Upon Agency staff approval, WCA will post a door hanger notice prior to commencement of grid pruning (within 24-48 hours). After tree plantings, door hangers will be provided to residents instructing them on the proper care for their newly planted tree. For more comprehensive outreach we can also submit a press release for special projects or routine maintenance. The Agency may modify the procedures and materials to which we notify residents.

Communication Systems

Our use of modern and reliable communication systems affect our daily job performance by increasing our efficiency. Management and Field Personnel utilize smart phones as both navigational and communication devices in the field. Smart phones have proven to be a convenient method to input data as related to tree inventories, daily work records, timesheets, photos, and billing information; eliminating the need to handwrite data and improving customer service by minimizing response time.

Permits and Licensing

WCA will procure a City Business License as necessary and any "na-fee" permits prior to commencement of work. Permits (i.e., encroachment, traffic control, etc.) requiring fees will be charged back to the Agency.

Right-of-Way

All work will be performed in the public right-of-way. Employees will not utilize private property for eating, breaks or any other reason or use water or electricity from such property without prior written permission of owner.

Cooperation and Collateral Work

WCA will give right to operate within the project to the Agency workers and/or other contractors, utility companies, street sweepers, and others as needed in a cooperative effort to minimize interference in daily operations.

Project Site Maintenance

Work sites will be left free of debris at the end of each workday. We will not discharge smoke, dust, or any other air contaminants in quantities that violate the regulations of any legally constituted authority.

Protection of Public and Private Property

WCA will provide all safety measures necessary to protect the public and worker within the work area. We will maintain good public relations at all times. The work will be conducted in a manner which will cause the least disturbance.

Public Convenience and Safety

WCA will comply with any and all local sound control and noise level rules, regulations, and ordinances which apply to any work performed in the contracted area. All work will cease

by 5:00 pm or as directed by the Agency.

*Excluding emergency services.

Traffic Control

Traffic control procedures will be set-up in accordance with the Work Area Traffic Control Handbook (WATCH) and State of California Manual of Traffic Controls as well as the Agency Traffic and Safety Operating Rules. WCA will make adequate provisions to insure the normal flow of traffic over the public streets and park roads. Every effort will be made to keep commercial driveways and passageways open to the public during business hours. High visibility arrowboard(s) will be used when needed. Prior to use, the Agency will approve traffic safety equipment and devices. Pedestrian and vehicular traffic shall be allowed to pass through the work areas only under conditions of safety and with as little inconvenience and delay as possible. Unless the work area is totally barricaded or otherwise kept safe, at least one worker will serve to coordinate safe operations on the ground at all times when work operations are in progress.

Customer Service Department

As we work with, or near, the public, we are mindful that we will

most likely be the first person the public contacts. We have a full-time Customer Service Department with each Customer Service Representative (CSR) trained in addressing concerned residents and bystanders.

Complaints B Damage Resolution

Should there be any property damage, we adhere to specific procedures to resolve the problem. The Foreman at the job site will notify the resident and the Inspector immediately.

If the resident is not at home, then we will leave a WCA card with instructions to call our Claims Coordinator in our corporate office. The ultimate goal at each work site is to leave the property in the same condition as before we entered it. We will notify the Agency Representative immediately upon damage of personal property including plans for corrective measures to take place within 48

All WCA vehicles are equipped with an Accident Kit should anything happen during the work day. Each kit has an Incident Report, an

Accident Report, an Injury Report, a camera, First Aid instructions and protocol for contacting the corporate office. A computerized log of all incidents is maintained to include the date, time of occurrence, location, problem and action to be taken pursuant thereto or reasoning for non-action.

Any activities found by the Agency to be unacceptable will be rectified immediately. All other complaints will be abated or resolved within twenty-four (24) hours of the occurrence. We have teams specifically assigned for handling damage to properties, both private and public. Through our communication system, we have the ability to dispatch either of these teams and have them respond immediately to the site for proper repair. We pride ourselves on professional workmanship to avoid these types of incidents. However, should one occur, we take all appropriate measures to resolve the matter in a timely and efficient manner.

**OATH OF COMMITMENT**

WCA is committed to working with the agency staff to develop and maintain a work schedule that will provide the citizens with the most effective and efficient means to perform tree care services. We will adhere to the schedule established by the Agency and ensure residents of our dedication to completing work in a timely manner. We understand that there may be fluctuations in the Agency's budget and that the Agency may ask us to reduce service levels in an effort to meet the current economic demands. By being flexible, we can help to ease any financial strain, promote contractor stability and guarantee residents with quality tree care and customer service.

This is our oath of commitment to uphold the prestigious namesake of the Agency by providing gold standard tree care services.

PRUNE CLASSIFICATIONS

Grid Prune- Grid tree pruning is based on pruning in pre-designed districts, or grids on a set cycle and includes all trees (small, medium and large-sized.) Pruning will include structural pruning, crown raising, and crown cleaning in accordance with the standards set forth by the International Society of Arboriculture Pruning Standards (Best Management Practices) and shall have no more than 25% of the live foliage removed at a given time.

Full Prune/Crown Reduction- Crown reduction is performed when conditions within the crown of a hardwood tree are such that the

entire tree needs to be reduced. A full prune is recommended when the primary objective is to maintain or improve tree health and structure, and includes pruning to reduce overall canopy mass and excessive dead weight. Trees that are identified for a full prune shall have more than 25% of the live foliage removed at a given time.

Service Requests

A Service Request Prune includes tree maintenance services on designated tree(s) as ordered by the Agency Arborist or designee. Pruning may include structural pruning, crown raising,

crown cleaning or pruning to reduce/restore the crown. Whichever work type is ordered by the Agency, pruning will be performed in accordance with the standards set forth by the International Society of Arboriculture Pruning Standards and the Best Management

Practice, Tree Pruning Guidelines. Work assignments from the

Agency may require mobilization from one tree site to another within the Agency.

Line Clearance

Trees that interfere or have the possibility of interfering with utility lines will be trimmed in a manner to achieve the required clearances as specified and in accordance with the California Public Utilities Commission. It is our goal to protect the current health and condition of the tree and to maintain its symmetry and direct growth away from the utility lines.

Small Tree Care

Proper pruning and care during the early stages of the tree's life will save money in the future, and create a safer, more beautiful, healthy, easy-to-maintain tree. We believe that tree care that is performed early will affect its shape, strength and life span. Our specialized small tree care team consists of certified personnel trained to perform the following:

- Selective structural pruning
- Removal of dead, interfering, split and/or broken limbs
- Pre-conditioning the water retention basin built around the tree
- Staking or re-staking

5

SCOPE OF SERVICES

Palm Trunk Skinning

Palm tree skinning consists of the removal of dead frond bases

(only). at the point they make contact with the trunk without damage

to the live trunk tissue.

Root Pruning

We strongly recommend against any root pruning, however, should the Agency elect to proceed, we recommend that it be done no closer than 3 times the diameter of the trunk. Roots will be pruned to a depth of approximately 12 inches by cleanly slicing through the roots, so as not to tear or vibrate the root causing damage to the tree. The excavated area will be backfilled with native soil and debris will be hauled away.

Tree Removal Operations

With a minimum of 48 hours advanced notice, WCA will inform

Underground Service Alert (USA) of the location of work for the

- Adjusting tree ties
- Adjusting trunk protectors
- Weed abatement

purpose of identifying any and all utility lines. The removal process consists of lowering limbs delicately onto the ground to prevent any hardscape damage. Immediately following the removal, the stump will be ground down, if ordered to do so and with proper USA notification.

Tree Planting

We can replace trees that have been removed and plant new trees in accordance with specifications. We are prepared financially and logistically to acquire and purchase selected tree species for tree planting. At a minimum of 48 hours in advance we will inform Underground Service Alert (USA) of the location of work for the purpose of identifying any and all utility lines. A well-trained planting team will perform the soil preparation and installation of the tree.

Tree Watering

Tree watering will be performed by a full-time WCA team member on various routes, when requested by the Agency. This team will also be responsible for reporting special care needs to the small tree care team. This could include reporting weeds, soil that has settled, and/or staking and tying needs.

Emergency Response

We are prepared for emergency calls 24 hours a day, 7 days a week including holidays. The toll free number is 866-LIMB-OWN (866-546-2368). This number will be provided to the Agency, Police Department and/or Fire Department. Our emergency response team will do what is necessary to render the hazardous tree or tree-related condition safe until the following workday.

Crew Rental

Due to our vast amount of resources, including our specialty equipment and qualified personnel we are able to extend our commitment to our customers by providing various miscellaneous services outside of the most common tree maintenance services:

- Flag hanging
- Holiday light installation
- Changing ball park lights
- Misc. use of aerial towers and cranes (including equipment rental)
- Crown reduction
- Crown restoration

Arborist Reports

We have full-time Certified Arborists on staff that can prepare detailed arborist reports, tree evaluations and site inspections based on your specific needs. Reporting can be generated for one tree or an entire selection and is handled on a case-by-case basis.

Plant Health Care

Tim Crothers, Plant Health Care Manager

- ISA Board Certified Master Arborist WE-7655 BUM
- CPR Qualified Pest Control Applicator #145321
- IAL Category B 60

Our PHC program managed by Tim Crothers goes beyond standard chemical applications. We have developed an efficient Integrated Pest Management Program (IPM) that requires diagnosis before treatment. WCA is staffed with licensed applicators and advisors that are environmentally conscious as well as compliant with the California Department of Pesticide Regulation. This service allows us to provide you with:

- Proper diagnosis based on on-site inspection with laboratory testing when necessary
- Proactive and preventative recommendations that reduce the amount of potential pest and disease issues
- Follow-up evaluations to ensure that the recommended treatments result in a healthy and balanced urban forest

Wildlife Protection

We have full-time Biologist, Lissette Velarde, on staff who's responsibilities include writing reports, pre-work bird assessments, and training crews on current bird nesting laws as well as BMPs for tree maintenance. The protection of birds, especially during nesting season, is critical to providing responsible tree maintenance and her experience, training and

skilled eye have proven to be a great asset to our team.

ABILITY TO ACQUIRE, PURCHASE 6 STAGE TREES

Cities expect the highest quality of new trees, proven varieties and an organization with the knowledge and skills to provide them with the latest and most reliable information available related to tree planting. By meeting these expectations, we're able to contribute to the success of reforestation projects within communities. In order to complete successful tree planting programs, cities can rely on us to locate, acquire and purchase different tree species.

As part of our Corporate Capability, we are financially able to purchase large quantities of trees for planting projects. Being familiar with over 50 nurseries in California, allows us to obtain the best tree available from a broad and plentiful stock. The process by which we obtain trees is quite simple: First, we utilize our database of nurseries, and contact several of them requesting specific trees with their prices.

Upon locating the availability of trees, we then perform a tree pre-inspection at the nursery. When time is of the essence, nurseries will provide us with photos either by mail or by e-mail for our review. Once the trees are purchased, and depending on the size of the project, we have them delivered to our facility in Placentia, Brea, or

if possible, at a staging area within the Agency. It is through this process that we have planted an average of 14,000 trees for all of our customers each year during the past three years.

GREEN WASTE

WCA's commitment to be a socially responsible corporate partner to our customers and communities is exemplified in our Recycling Program. With the steadily-increasing concern for the ecological health of our communities, WCA has embarked on a landfill diversion process where all material is taken to recycling facilities where it is used in the production of soil amendments. We are committed to taking all recyclable materials removed from the trees trimmed for the duration of this project to a recycling center for processing. Verification of amounts recycled will be obtained and reported by WCA via ArborAccess for the purpose of meeting the goals of the State for reducing landfill usage.

MULCH is made from coarse ground branches and leaves. It should be spread on the ground at a rate of six to twelve inches for best effect. Fresh mulch will deplete nitrogen from the surface of the soil which will reduce unwanted weeds. Once the mulch has decayed, it returns nitrogen which helps build the quality of soil for plants. A large amount of tree debris is processed by WCA and used in large scale mulching projects for establishing native plants in open space areas.

COMPOST is made from fine ground branches, leaves or other organic material. When mixed with oxygen and water, the organic material will decay or "compost." A finished compost is excellent for turning into the top layer of soil and will add nitrogen and increase the water holding capacity of soil. You can make compost at home in a pile in your yard or in a bin that you make or purchase. Large scale composting is done at regional recycling facilities.

FIREWOOD is traditionally the most common use of large branches and logs. Firewood is used to heat homes during winter months. WCA takes logs to our yard and these are then chipped into usable firewood.

STREET TREE REVIVAL, our wood recycling program has become an important component of our approach to urban forest management. 25 years ago, we started our urban wood recycling program in collaboration with the California Department of Forestry and Fire Protection (COF). Since a number of trees require removal, it was important to create an environmentally sound and socially responsible alternative to importing lumber from other areas and to reduce the demand of trees from natural forests.

EQUIPMENT
INVENTORY

EDUIPMENT

Our modern fleet undergoes daily inspection prior to use to ensure efficiency and safety. All equipment is routinely serviced, painted, and detailed. All equipment used during the duration of this project will meet state and federal safety requirements and have all up-to-date certifications as required.

CHP Biennial Inspection of Terminal Certification

We have successfully been awarded the CHP Biennial Inspection Award of Recognition. This inspection has assisted our company in instituting several safety programs, as well as our Preventative Maintenance Program utilized by our in-house fleet department. The inspection reviews our vehicle maintenance and repair records, our procedural methods and policies for vehicle maintenance and operations. This certification ensures that our vehicles operate safely.

Telematics Fleet Solutions

WCA has partnered with Telematics Fleet Solutions to provide GPS units on all vehicles and equipment. This investment has given us and our customers the following benefits:

- Provide faster response times and more efficient routing allowing us to service more customers
- Lower operational costs by optimizing our fleet size, reducing labor, overtime, and insurance, and minimizing costly vehicle repairs
- Decrease fuel use by monitoring fleet fuel economy and saving on unnecessary fuel expenditures
- Reduce emissions by helping drivers improve their habits such as speed and idle time, and reducing total miles driven which will significantly reduce harmful greenhouse gas emissions
- Improve dispatching with landmarks and driving directions. GPS units helps us to better dispatch so that we can service more customers, faster
- Recover stolen vehicles reducing liability costs which can be passed on to customers

PROJECT EQUIPMENT LIST

Through our ability to dedicate specific pieces of equipment for this project, we believe it will lead to a successful program. In addition to aerial lift devices, dump trucks, flatbed trucks and roll off containers, we will also have additional equipment for use throughout the project such as cranes, loaders, and special aerial lift devices for higher elevated trees. LIST TRACKING SYSTEM

The List Tracking Report in Arbor Access is a useful tool in the management of incoming work. This report allows both parties to track specific jobs as they are ordered by the Agency. Proper use of this system enables the Agency and WCA to track the completion of work that is ordered.

7 INVENTORY SOFTWARE

INVENTORY SOFTWARE- ARBARACCESS

Our tree management program sets us apart from other companies. With nearly 2,000 active users, ArbarAccess and our mobile app will help you easily manage your urban forest with ease and convenience. Tree site attributes include location (utilizing GPS coordinates), species type, and parkway size. Features allow you to view and edit work history records and create work orders directly from the field, all from our secure cloud.

The information contained in ArbarAccess is live data that can also be linked directly to a GIS program, such as ArcView, for geocoding purposes and can assist your Agency in meeting GASB34 requirements. ArbarAccess provides an unlimited resource of information regarding your urban forest.

SOFTWARE TRAINING

Our IT Department is based out of our corporate office in Anaheim, CA with regional offices located throughout California and Arizona. Each office has the ability to provide software training to our customers. We are also available to provide training sessions on-site at the customer's discretion. On-site training is proven to be effective as it provides a guided hands-on experience.

We offer periodic tree maintenance and management workshops each year. These free workshops are provided to our customers regionally and educate over 250 people annually. They have proven to be a great round-table and networking opportunity for the different agencies in attendance. Presentations are provided by WCA management staff and complimented with guest speakers in the industry. Certified Arborists and Tree Workers who attend are eligible to receive continuing education credits (CEU's) from the International Society of Arboriculture.

The success of any urban forest program depends on the proper management of information. Unlimited telephone and/or email support is available to answer technical questions and aid staff in the use of the software system. Software training and support is included in the cost associated with the inventory data collection.

WCA has completed 300+ GPS tree inventories

BILLING

WCA, Inc. operates a modern invoicing system that is updated on a daily basis. Progress billings will be submitted to the Customers on a bi-weekly basis, unless otherwise requested. Invoices will reflect an amount complete for the billing period, along with a year-to-date total for that job. Each billing will include a listing of completed work by address, tree species, work performed and appropriate data acceptable to the customer. This information will be supplied in hardcopy and immediately accessible on ArborAccess. Job balances reflecting the percent of completion for each job can be viewed on ArborAccess.

SAMPLE MANAGEMENT TOOLS

DETAILED TREE SITE CHARACTERISTICS

The advanced technology provides a valuable tool to urban forestry professionals by displaying specific tree site information along with a representative photograph of the species type and a recommended maintenance field. ArborAccess' built-in quality control features assist in data accuracy. As maintenance is performed, the work history is updated and accompanied with bi-weekly invoices. This process eliminates the need for dual-inputting and helps keep the tree inventory current and accurate.

MAINTENANCE RECORDS

Accurate maintenance records for each location at all times can assist the Agency with liability claims. Maintaining a detailed history of the work performed at each location demonstrates good faith in preserving its urban forest. It is imperative that work requests are pulled from the system prior to the work being performed, otherwise inventory accuracy is not guaranteed.

SAMPLE AGENCY SPECIES FREQUENCY REPORT

	Botanical	Common	Total	Pct,
	Liquidambar styraciflua	AMERICAN SWEETGUM	4,781	14.36%

The Species Frequency report can assist your Agency in identifying the tree population within the urban forest. This type of information is valuable in the event of an insect infestation, deadly disease, or even estimating future maintenance costs. In addition, an analysis can be performed to evaluate the history of the performance of a particular species within your Agency.

APPENDIX C
ADDITIONAL SPECIAL PROVISIONS

C.1) PAYROLL RECORDS

Attention is directed to Section 1776 of the Labor Code of the State of California. Regulations complementing said Section 1776 are located in Section 16000 and Sections 16400 through 16403 of Title 8, California Administrative Code. The Contractor is required to comply with the provisions of Section 1776 of said Labor Code. The Contractor shall also be responsible for compliance by their subcontractors.

C.2) PREVAILING WAGE

See Section 6 in Appendix A. The Contractor is required to submit certified payrolls on a monthly basis. Failure to submit payroll records is cause for delay in payment or payment may be stopped.

C.3) PRESERVATION OF PROPERTY

Attention is directed to Section 13-1.01 "Preservation of Property" of the Sacramento County Standard Construction Specifications (2016) and these Special Provisions.

The Contractor shall take every precaution to protect all public and private property during the performance of this contract. Any damages caused by the Contractor's personnel or equipment will promptly be repaired to the condition existing before the damage. If, in the opinion of the Contract Administrator, repair is not possible, the damaged facilities will be replaced in kind and size. All costs for such repairs or replacements shall be the sole responsibility of the Contractor. Damages to City facilities due to the Contractor's lack of performance in accordance with these specifications are the Contractor's responsibility.

C.4) EXISTING UTILITIES

Attention is directed to Section 6-16 "Existing Utilities" of the Sacramento County Standard Construction Specifications and these Special Provisions.

The toll-free number for Underground Service Alert (U.S.A.) is 811. The Contractor is required to call this number two working days (48 hours) in advance of performing excavation work.

The Contractor shall take adequate measures to ensure that their operations do not harm any existing underground facilities not specifically mentioned, or shown on the plans.

C.5) TRAFFIC MAINTENANCE

The Contractor's attention is directed to Section 7-1.04, "Public Safety", and Section 12, "Temporary Traffic Control," of the State Standard Specifications, the Uniform Manual of Traffic Control Devices (latest edition of the California Supplement), and these Special Provisions.

Typically, a minimum of one (1) traffic lane, (not less than 3.66 m (12 feet wide), per direction, shall be allowed for closure during construction activity, or as defined within the approved traffic control plan. All other traffic lanes shall be open for public vehicular traffic at all times during non-

construction activity. No work that interferes with public traffic shall be performed between 3:30 p.m. and 8:30 a.m. except work required under Section 7-1.03, "Public Convenience", and Section 7-1.04, "Public Safety" or by special approval of the Contract Administrator.

The full width of the traveled way shall be open for use by public traffic on Saturdays, Sundays, and designated legal holidays and when maintenance operations are not actively in progress.

Prior to performing any work, under this contract the Contractor shall prepare and submit a Traffic Control Plan (TCP) to the City Traffic Engineer for review. Note: To avoid delays, the Contractor is encouraged to submit in advance, several standard TCP's covering the most common maintenance situations anticipated, prior to the start of the contract period. ALL night work (if any), requires a MANDATORY Traffic Control Plan (TCP), for each occurrence;

If traffic controls are required for any operation under this contract to ensure the safety of workers and the public, a TCP must be submitted to the City Traffic Engineer four (4) working days in advance of performing said operation. Contractor must receive written approval from the City Traffic Engineer, or their designee, prior to implementing any traffic controls and notify Police, and Fire at least twenty-four (24) hours in advance of implementing the traffic controls. Review and approval of a TCP by the City Traffic Engineer, or their designee, is based upon general conformance with Federal, State and local regulations and standards and does not relieve Contractor of responsibility for the safety of its workers and the public.

If any component in the Contractor's traffic control system is displaced, damaged, or ceases to operate correctly, from any cause, during the life of the work, the Contractor shall immediately repair said component to its original condition or replace said component and shall restore the component to its original location.

Full compensation for conforming to the requirements of this Section shall be considered as included in the prices paid for the various Contract items of work and no separate payment will be made therefore.

The City Traffic Engineer or their designee shall review and approve all Traffic Control Plans on the basis of general conformance with applicable regulations and standards. Such review and approval of a Traffic Control Plan does not relieve Contractor of responsibility for public and worker safety.

C.6) REGULATIONS AND CONDUCT OF WORK

The Contractor shall plan and conduct the work to comply with local, State, and Federal government agencies' applicable rules, regulations, codes, and ordinances to adequately safeguard persons and property from injury. The Contractor shall direct the performance of the work in compliance with reasonable safety regulations and work practices, and with applicable federal, state, and local laws, rules and regulations including but not limited to "Occupational Safety and Health Standards" promulgated by the U.S. Secretary of Labor, and Safety Orders of the California Division of Industrial Safety.

C.7) PERSONNEL

All work shall be performed by qualified and trained personnel with a minimum of two (2) years of experience in tree maintenance. Experience must include use of typical tools and operation of commonly used equipment. All workers shall be neat and orderly in appearance.

C.8) SUPERVISION

The Contractor shall provide a competent superintendent during all times that work is being performed with the authority to represent and act for the Contractor in any matter pertaining to this contract. The Contractor shall furnish the names of all such superintendents to the Contract Administrator prior to the commencement of this contract and further advise of any changes.

C.9) DISMISSAL OF UNSATISFACTORY EMPLOYEES

The Contractor shall only furnish workers who are competent and skilled for work under this contract. If, in the opinion of the Contract Administrator, an employee of the Contractor is incompetent or disorderly, refuses to perform in accordance with the contract specifications, threatens or uses abusive language while on City property, does not meet safety requirements or is otherwise unsatisfactory, that employee shall be removed from all work under this contract. Contractor shall remove an unsatisfactory employee from contract sites immediately following notification.

Failure by the Contractor to remove an unsatisfactory employee from contract sites within one week of notification will result in withholding of monthly payment. Failure by the Contractor to permanently replace an unsatisfactory employee will result in formal written warning (30-day notice) to the Contractor specifying that the employee must be replaced. Failure by the Contractor to replace an unsatisfactory employee within the 30 day time period will result in termination of this contract.

In the event of termination, the City shall be liable only for payment of those services performed and accepted by the City prior to the date of termination; and the Contractor and his surety shall be liable and assessed for any and all costs for the re-procurement of the contract services.

C.10) PAYMENT

Attention is directed to Section 8 of the Sacramento County Standard Construction Specifications. The following shall be substituted with regard to invoicing procedure.

At the end of each month the Contractor shall submit invoice(s) to the City for routine and emergency maintenance work approved by the City.

The Contractor's routine maintenance invoice shall include:

Invoice Number

Invoice Date

City's Contract Number

Period Service Provided (Date from – Date to)

A breakdown of each work order completed with a description of the work performed,

quantity of the work performed, unit cost, and total cost for the work performed.

The Contractor's emergency invoice shall include:

Invoice Number

Invoice Date

City's Contract Number

Period Service Provided (Date from – Date to)

A breakdown of each work order completed with a description of the work performed, job itemization giving employee(s)' actual hours worked, equipment and material costs, and total cost for the work performed.

Billing shall be submitted to the following address:

City of Rancho Cordova

Public Works Department

3303 Luyung Drive

Rancho Cordova, CA 95742

ATTN: O&M Manager

C.11) WITHHOLDING OF PAYMENT

For work deemed by the Contract Administrator as not meeting the requirements of the specifications, the City shall withhold monthly payments or percentages thereof for work not completed, or until work is completed as per contract specifications. The City shall withhold monthly payments or percentages thereof for work that is not completed on schedule.

To provide funds to cover the cost of any City of Rancho Cordova or private facilities or plant materials damaged by the Contractor, the City shall withhold monthly payments until the damages are repaired. In the event repairs are not made the City shall withhold monthly maintenance payments to fund the necessary repairs. The Contractor shall be responsible for damages to the City of Rancho Cordova or private facilities or plant materials due to the Contractor's failure to perform the services in accordance with these specifications. Expenses to cover damages shall be solely the Contractor's, and repairs shall meet with approval of the Contract Administrator.

C.12) FAILURE TO PERFORM

If the Contractor, or his representative, fails to perform in accordance with the terms and conditions of this contract, the Contract Administrator will specify the reasons and locations as applicable by written correspondence. Failure by the Contractor to correct any deficiencies within one (1) calendar week of notification may result in withholding of payment. Failure by the Contractor to correct any deficiencies within two (2) calendar weeks or more may result in formal written warning (30-day notice) to the Contractor specifying that such deficiencies must be corrected. Failure by the Contractor to correct such deficiencies within the 30-day specified time period may result in termination of this contract.

In the event of termination, the City shall be liable only for payment of those services performed and accepted by the City prior to the date of termination. Any damages to property caused by the Contractor's inability to meet specification shall be recovered by withholding payments. The

Contractor and his surety shall be liable and assessed for any and all costs for the re-procurement of the contract services and damages to City facilities or plant materials.

C.13) INSPECTION

The Contractor may receive an inspection report from the Contract Administrator. This form will indicate any deficiencies in the work performance of the Contractor. The Contract Administrator may inform the Contractor by telephone of urgent deficiencies for immediate attention or repairs. Inspection by City staff will occur the following day the Contractor has serviced the areas.

Lack of inspections by the City staff does not relieve the Contractor of his obligations to provide services as required by these specifications. Lack of receipt of inspection reports does not relieve the Contractor of his obligations to provide services as required by these specifications. Schedules as required by these specifications shall be submitted and used as a guide for City staff inspection schedules. Inspection will be scheduled to occur the following day the Contractor has serviced the area(s).

C.14) COMPLIANCE WITH STANDARD TERMS & CONDITIONS

Contractor agrees to be bound by the standard contract conditions, a sample of which is attached to this RFP (Appendix A), and all other terms and conditions in this RFP.

C.15) INSURANCE

The Contractor, upon being notified of being awarded the contract, shall have their Certificate of Insurance delivered to City of Rancho Cordova Public Works Department, 3303 Luyung Drive, Rancho Cordova, CA 95742, Attn: O&M Manager. Contractor's insurance shall comply with all insurance requirements as shown in Appendix B. No goods or services shall be rendered by the Contractor until a valid Certificate of Insurance is on file with the City of Rancho Cordova.

C.16) INDEMNITY

The Contractor indemnifies the City as stated in Section 10 of Appendix A.

C.17) STANDARD CONSTRUCTION SPECIFICATIONS

The County of Sacramento, Municipal Services Agency, Standard Construction Specifications, adopted January 2016, and these Special Provisions shall control all work to be done under this contract. A copy of the Standard Construction Specifications may be obtained at the Cashier's window, County Administration Building, 872 Seventh Street, Room 105, Sacramento, CA 95814.

C.18) STATE SPECIFICATIONS AND STATE STANDARD PLANS

Selected Contractor shall be aware of, and shall comply with, City ordinances governing trees and tree maintenance services, ANSI A300 Tree Management Standards, ISA Best Management Practices, ANSI Z133 Tree Care Safety Standards, and traffic control regulations during work, as applicable to individual circumstances and locations being maintained.

C.19) PRECEDENCE

In the event of a conflict between the Standard Construction Specifications and the State Specifications/Standard Plans, the Standard Constructions Specifications shall govern. These

Special Provisions shall govern over both the Standard Construction Specifications and State Specifications/Standard Plans in the event of a conflict.

C.20) CODES AND LEGAL REQUIREMENTS

- (a) All reference to codes, specifications, and standards in the contract documents shall mean, and are intended to be, the latest editions, amendments, and/or revisions of such reference documents in effect, as of the date of this contract.
- (b) Authorities shall apply the minimum work requirements available to any work done for this Project. Nothing described in these contract documents shall be construed to permit work not conforming to the most stringent of applicable codes and regulations.
- (c) When contract documents call for materials or construction of better quality or larger size than required by applicable codes, laws, rules or regulations, the contract documents shall take precedence.

C.21) TERMINATION

Any contract resulting from this RFP may be canceled by either party upon sixty (60) calendar days advance notice in writing.

C.22) SOUND CONTROL REQUIREMENTS

Sound control shall conform to the provisions in Section 12-1.09B, "Noise" of the Standard Construction Specifications.

The noise level from the Contractor's operations, between the hours of 8:00 p.m. and 7:00 a.m., shall not exceed 86 dbA at a distance of 15 m (50 feet). Said noise level requirement shall apply to all equipment on the work or related to the work, including but not limited to trucks, transit mixers or transient equipment that may or may not be owned by the Contractor. The use of loud sound signals shall be avoided in favor of light warnings except those required by safety laws for the protection of personnel.

Full compensation for conforming to the requirements of this section shall be considered as included in the Contract prices paid for the various Contract items of work involved and no additional compensation will be allowed, therefore.

C.23) COOPERATION

Attention is directed to Section 5-5, "Cooperation with Other Entities," of the Standard Construction Specifications.

The Contractor shall notify United Service Alert (USA) prior to commencing any excavation: **Underground Service Alert (USA) – 811.**

C.24) PUBLIC CONVENIENCE

Public convenience shall conform to the provisions in Section 7-1.03, "Public Convenience," of the State Standard Specifications. The Contractor shall limit his operations to weekdays between the

hours of 7:00 a.m. to 6:00 p.m. unless otherwise approved by the Contract Administrator.

No work will commence before 8:30 a.m. on the City main arterial and collector street without prior written approval by the Contract Administrator.

Temporary closure of driveways may be allowed subject to the advance written approval of the affected property owners and the Contract Administrator. Prior to closure of a driveway, the Contractor shall coordinate and notify the property owner at least twice of such closure. The Contractor shall deliver closure notices to residents and operators of commercial properties seventy-two (72) hours prior to each closure, (twenty-four (24) hour notice for emergency repairs).

It is the Contractor's responsibility to provide and accommodate all residents, operators of commercial properties and property owners' specific needs for driveway and pedestrian access at all times.

Full compensation for conforming to the provisions of this Section shall be considered as included in the prices paid for the various contract items of work and no additional compensation will be allowed, therefore.

C.25) OBSTRUCTIONS

Attention is directed to the presence of overhead and underground utilities in the construction sites. The Contractor shall exercise due caution in performing his work so as not to damage the utilities. The work specified shall be so conducted by the Contractor as to permit the utility companies to maintain their services without interruption. Utilities which are to remain in place shall be worked around and protected from damage or interruption of service. The Contractor shall coordinate his work with the utility companies where utilities are to be relocated or set to grade.

The toll-free number for **Underground Service Alert (U.S.A.) is 811**. The Contractor shall take adequate measures to ensure that their operations do not harm any existing underground facilities not specifically mentioned, or shown on the plans.

Full compensation for conforming to the provisions of this Section shall be considered as included in the prices paid for the various contract items of work and no additional compensation will be allowed, therefore.

C.26) CONSTRUCTION AREA SIGNS

Construction area signs shall be furnished, installed, maintained, and removed when no longer required by the Contractor in accordance with the provisions in Section 12 of the Standard Construction Specifications.

Full compensation for conforming to the requirements of this Section shall be considered as included in the prices paid for the various Contract items of work and no additional compensation will be allowed, therefore.

C.27) WATER POLLUTION CONTROL

Water pollution control work shall conform to the requirements in Section 13, "Water Pollution Control," of the State Standard Specifications, and these Specifications.

As part of the water pollution control work, a Water Pollution Control Program, hereafter referred to as the "WPCP," is required for this contract. The WPCP shall be prepared in accordance with the State's Storm Water Quality Handbooks, SWPPP and WPCP Preparation Manual, current addition.

Implementation, inspection, maintenance, and modification of the WPCP shall be in accordance with the States's Storm Water Quality Handbooks, Construction Site Best Management Practice Field Manual and Trouble Shooting Guide, current addition.

Copies of the above State handbooks may be obtained from the Department of Transportation, Material Operations Branch, Publication Distribution Unit, 1900 Royal Oaks Drive, Sacramento, California 95815, Telephone: (916) 445-3520.

The Contractor shall become fully informed of and comply with the applicable provisions of the Handbook and Federal, State and local regulations that govern the Contractor's operations and storm water discharges from both the project site and areas of disturbance outside the project limits during construction.

Unless arrangements for disturbance of areas outside the project limits are made by the City and made part of the contract, it is expressly agreed that the City assumes no responsibility to the Contractor or property owner whatsoever with respect to any arrangements made between the Contractor and property owner to allow disturbance of areas outside the project limits.

The Contractor shall be responsible for the costs and for any liability imposed by law as a result of the Contractor's failure to comply with the requirements set forth in this section "Water Pollution Control" including, but not limited to, compliance with the applicable provisions of the Handbook and Federal, State, and local regulations. For the purposes of this paragraph, costs and liabilities include but are not limited to fines, penalties and damages whether assessed against the City or the Contractor, including those levied under the Federal Clean Water Act and the State Porter Cologne Water Quality Act.

Full compensation for conforming to the requirements of this section shall be considered as included in the prices paid for the various contract items of work involved and no additional compensation will be allowed, therefore.

C.28) QUANTITIES

The quantities shown in the RFP are given to provide Proposers with an indication of potential work and the order of magnitude and scope of work. The actual amount of work done under this contract may differ from the quantities shown. The City does not expressly or by implication agree that the actual amount of work will correspond therewith but reserves the right to increase or decrease the amount of any class or portion of the work or to omit portions of the work as directed by the Contract Administrator.

C.29) MOBILIZATION

Mobilization shall be in accordance with Section 8-1.03 of the Standard Construction Specifications. Full compensation for conforming to the requirements of this Section shall be considered as included in the prices paid for the various Contract items of work and no separate payment will be made, therefore.

C.30) WORK ORDER

Requests for maintenance are made via a Work Order (WO). WO's are originated by City staff during normal City business hours in response to observed or reported maintenance deficiencies. While initial contact with the Contractor may be directly by phone, this will always be followed up with a written WO. Delivery of the written WO's shall be via email and will be made directly to Contractor or designated Supervisor. Requests for service after working hours, on weekends, and on holidays will be forwarded from the City's Emergency On-Call representative to the Contractor by phone. A written WO will be generated on the next regular business day and sent via email.

C.31) EMERGENCY WORK

Definition: Emergency Work includes unforeseen/unscheduled maintenance related tasks that must be performed on short notice due to potential impacts on public safety and convenience. This item is considered to be a safety concern. When notified by the City to respond to an emergency situation, the Contractor shall be at the site in **two (2) hour or less from the time of notification**.

The Contractor shall maintain a local telephone number where he can be reached twenty-four (24) hours per day, seven days a week, including Holidays.

Tasks: Generally, Emergency Work procedures shall include, but is not limited to, the following steps:

- Receipt and confirmation of the requested task;
- Initial response to maintenance site and evaluation of problem & site conditions;
- Implementation of appropriate traffic controls;
- Perform the requested task;
- Field check for proper operation and restore site to a safe condition;
- Logbook entry detailing time, date, and nature of maintenance task performed and verbal report to Maintenance Coordinator if appropriate.

Response: An emergency response may be initiated by the City or the Contractor (if emergency condition observed in the field and upon notification provided to the City). The Contractor shall provide emergency response 24 hours per day, seven days per week, including holidays. The response time sequence is as follows:

- The Contractor must also have a supervisor available at all times.
- The Contractor shall make the site safe immediately or as soon as possible.
- The Contractor shall immediately advise the City of any emergency situation by phone and follow up with a written report by end of next business day.

ITEM 16.10.

- Corrective action shall be taken immediately.
- Contractor shall have the capability to provide all necessary materials, equipment, and labor in time frames referenced above.

EXHIBIT B
INSURANCE REQUIREMENTS

Before beginning any work under this Agreement, Contractor, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Contractor shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Contractor shall maintain all required insurance listed herein for the duration of this Agreement.

1. **Workers' Compensation.** Contractor shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Contractor. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Contractor may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Contractor, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance insurance may be waived by the City upon written verification that Contractor does not have any employees.

2. **Commercial General and Automobile Liability Insurance.**

- 2.1 **General requirements.** Contractor, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000.00) and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to

the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

2.2 Minimum scope of coverage. Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.

2.3 Additional requirements. Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Contractor, including the insured's general supervision of Contractor; products and completed operations of Contractor; premises owned, occupied, or used by Contractor; and automobiles owned, leased, or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City or its officers, employees, agents, or volunteers.
- b. The insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
- c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
- d. Any failure of Contractor to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
- e. An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

3. All Policies Requirements.

- 3.1 Acceptability of insurers.** All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.
- 3.2 Verification of coverage.** Prior to beginning any work under this Agreement, Contractor shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 3.3 Subcontractors.** Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
- 3.4 Deductibles and Self-Insured Retentions.** Contractor shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.
- During the period covered by this Agreement, only upon the prior express written authorization of Contract Administrator, Contractor may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The Contract Administrator may condition approval of an increase in deductible or self-insured retention levels with a requirement that Contractor procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.
- 3.5 Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Contractor, its employees, agents, and subcontractors.
- 3.6 Notice of Reduction in Coverage.** In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to City at Contractor's earliest possible opportunity and in no case later than five (5) days after Contractor is notified of the change in coverage.

- 4. Remedies.** In addition to any other remedies City may have if Contractor fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which

are alternatives to other remedies City may have and are not the exclusive remedy for Contractor's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment, until Contractor demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

MEMORANDUM

ITEM 16.11.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Kim Juran-Karageorgiou,
Administrative Services Director

SUBJECT: TREASURER'S REPORT – MARCH 31, 2021

RECOMMENDATION

This report is informational only. It is recommended that the City Council receive and file the March 31, 2021 Treasurer's Report.

RESULT OF RECOMMENDED ACTION

The Treasurer's Report is required to be submitted to the City Council at least quarterly in accordance with California Government Code Section 53600 et. seq. The purpose of the Treasurer's Report is to update the City Council and the public on the status of the City's cash balances and investments and highlight material changes from one period to another. The scope of this report covers the first quarter of the 2021 calendar year ending March 31, 2021 and is in compliance with the State's reporting requirements.

BACKGROUND

Attached is the quarterly Treasurer's Report for the period ending March 31, 2021. Treasurer's Reports are provided to the City Council on a quarterly basis.

At December 31, 2020, the value of the City's total portfolio was \$190.3 million. Since that time, the balances increased by \$14.8 million with an ending balance of \$205.1 million as of March 31, 2021. The funds are held as follows:

Investment Distribution	Par Value	Book Value	Market Value
Cash at Banking Institutions	36,540,556	36,540,556	36,540,556
Local Agency Investment Fund (LAIF)	6,180,482	6,180,482	6,180,482
CAMP Pool	80,379,910	80,379,910	80,379,910
CAMP Managed Account	38,861,019	39,060,786	39,655,810
Insight Investment	41,066,891	41,495,623	42,370,983
Total	203,028,858	203,657,358	205,127,741

The first quarter of 2021 saw an improved growth outlook as the U.S. economy rebounded sharply and the GDP grew at its fastest rate in nearly 40 years. The U.S. unemployment rate fell to 6% in the first quarter and the pace is expected to accelerate in the second quarter as the economy continues to reopen. Inflation pressures continue to be a concern as COVID-sensitive sectors, commodities, and manufactured goods continue to see rising prices due to increased demand coupled with supply chain issues. Despite all of the news about a rebounding economy, short-term interest rates are expected to remain near zero for the remainder of 2021.

At March 31, 2021, the City's cash balance was allocated by fund type/purpose as follows:

- General Fund: \$39.3 million
- Community Enhancement Fund: \$12.4 million
- Sunrise Development Impact Fees (restricted for specific improvements needed as a result of development in the area): \$42.9 million
- Transportation Funds: \$53.3 million
- Storm Drain Fund: \$17.4 million
- Capital Projects/Grant/Special Revenue Funds: \$29.5 million
- Agency Funds: \$8.9 million

The overall portfolio is well diversified with \$80.6 million invested in marketable securities, \$86.6 million is invested in short-term investments that are considered liquid (LAIF, CAMP, and money markets), and another \$36.5 million is on deposit with our banks, which includes \$11.5 million on

deposit with three local banks as part of the City's participation in a local banking initiative and COVID-19 Lift Program. Staff, in conjunction with our financial advisors, periodically reviews the mix of liquid and long-term investments and adjusts the portfolio according to the market conditions and our short-term cash needs.

Staff thoroughly reviews investment statements and makes appropriate inquiries of its investment advisors to confirm the existence and viability of the City's assets. The City invests conservatively in investment policy options in accordance with California State Government Code. The long-term assets are in securities that can be held to maturity, thus are less vulnerable to the fluctuations of the market. All securities are in compliance with the City's investment policy. There are sufficient funds to meet the City's expenditure requirements for the next six months.

The distributions of investments are displayed in the following charts:

MEMORANDUM

ITEM 16.12.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Quoc Nham, Associate Civil Engineer

SUBJECT: **A RESOLUTION APPROVING THE FINAL MAP OF RIO DEL ORO PHASE 1 LARGE LOT MAP, SUBDIVISION NO. FM2019-004-01 AND AUTHORIZING THE EXECUTION OF SUBDIVISION IMPROVEMENT AGREEMENT CONTRACT NO. 2021-71 WITH ALTA VISTA, LLC.**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the resolution will authorize the City to enter into Subdivision Improvement Agreement Contract No. 2021-71 (Attachment 2) guaranteeing the construction of public roads and utilities with Alta Vista, LLC and the recording of the final subdivision map creating nine private future development lots, seven miscellaneous lots and one designated remainder located south of White Rock Road and west of Rancho Cordova Parkway between Douglas Road.

BACKGROUND

The map has been examined and checked for compliance with Title 22 of the City of Rancho Cordova Municipal code and the California Subdivision Map Act. The City Council approved the Large Lot Tentative Map on September 19, 2016. A Development Agreement was entered on December 6, 2010. The City and Elliott Homes executed an Amended and Restated Development Agreement on October 19, 2016. A copy of the final map (Attachment 3) and copy of the vicinity map (Attachment 4) are included with this letter.

The Rio Del Oro Specific Plan includes 12,189 residential units at various densities; 517 acres of employment generating uses, public/quasi-public uses, elementary, middle, and high schools; community and neighborhood parks, retail and supporting services, recreational uses, and a broad range of residential uses and infrastructure and roads on approximately 3,828 acres in the City of Rancho Cordova. Roads are offered for dedication with this subdivision.

Alta Vista, LLC has provided a performance and labor and material bond guaranteeing the construction of the public improvements. Wood Rodgers has waived the requirement for a bond to guarantee payment for setting the survey monuments with the subdivision. The soil report requirement has been satisfied by Wood Rodgers, dated November 2019.

There are no delinquent taxes against the property and the Tax Collector has so certified. The 2021/2022 estimated taxes have been secured with the Sacramento County Tax Collector.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City.

SUBDIVISION IMPROVEMENT AGREEMENT**RIO DEL ORO PHASE 1 SUBDIVISION NO. FM 2019-004-01**

THIS SUBDIVISION IMPROVEMENT AGREEMENT (hereinafter, "Agreement") entered into this _____ day of _____, 2021, by and between the City of Rancho Cordova, (hereinafter "City"), a California municipal corporation, and Alta Vista, LLC, an Arizona limited liability company (hereinafter "Principal").

RECITALS

WHEREAS, Section 66462 of the Government Code provides that if the work of improvement required therein is not completed prior to the acceptance of a final subdivision map, the owner of the subdivision may enter into an agreement with the City upon mutually agreeable terms to thereafter complete the improvements at the owner's expense in consideration of the acceptance of said final subdivision map by the City; and

WHEREAS, Section 66499 of the Government Code requires that said work is to be secured by a surety bond or by an instrument of credit issued by a financial institution subject to regulation by the State or federal governments, or by a cash deposit, or by other means; and

WHEREAS, City and Principal desire to enter into an improvement agreement as permitted by the Subdivision Map Act under the terms and conditions hereinafter set forth, with respect to that certain Large Lot Final Map ("LL Final Map") in connection with that project known as Rio Del Oro LL Final Map Parcels 67A, 67B, 67C, 67D, 67E, 66, 65, 63, and 25D, and Lots A-G ("Project").

NOW, THEREFORE, in consideration of the mutual promises, conditions and covenants hereinafter set forth, City and Principal agree as follows:

1. **Incorporation of Recitals.** The foregoing recitals are hereby incorporated by reference.
2. **Findings and Conditions of Subdivision Map.** Principal recognizes that approval of its LL Final Map is subject to the findings and conditions attached to such approval and hereby acknowledges and agrees to be bound by such findings and conditions.
3. **City Approval of Subdivision Map.** City agrees to accept on behalf of the public all lands, rights of way and easements therein offered in dedication in the LL Final Map, in accordance with the conditions hereinafter set forth.
4. **Completion of Improvements.** When required for development of the Project,

Principal, or assignee, agrees to complete the work of improvement included within the LL Final Map in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements. Principal, or assignee, further agrees to complete any improvements included within and identified on the LL Final Map consistent with the terms and also identified in subsequent subdivision improvement agreements ("SIAs") to be executed by the City and Principal, or assignee, following the approval and recordation of small lot final maps ("SLFMs") for the Project, as applicable, and any other improvements as may be reasonably required by the City. The improvements shall be constructed under infrastructure improvement plans to be approved by the City.

5. Restriction on Further Development. A SLFM shall not be recorded, and a building permit shall not be issued, until: (i) all onsite and offsite public utilities and roadway and frontage improvements are installed to serve the parcels subject to or depicted on such SLFM in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements; or (ii) an appropriate surety bond, instrument of credit, or cash deposit satisfactory to the City is submitted and accepted by the City for said onsite and offsite public utilities and improvements. The LL Final Map shall include the following note:

A small lot final map ("SLFM") shall not be recorded, or development of a large lot identified herein shall not proceed other than pursuant to approved infrastructure improvement plans, or a building permit shall not be issued, unless: (i) all offsite and onsite public utilities and roadway and frontage improvements are installed to serve the parcels subject to or depicted on such SLFM in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements; or (ii) an appropriate surety bond, instrument of credit, or cash deposit satisfactory to the City is submitted and accepted by the City for said offsite and onsite public utilities and improvements.

Principal shall ensure that any subsequent purchasers, buyers, or developers of any parcels, of any part of the LL Final Map, shall acknowledge and agree to be bound to, in writing, the above-referenced note in this paragraph and this Agreement.

6. Payment For Services. Principal agrees to promptly pay, when due, all costs for plan checking, inspection services and material testing performed by City pursuant to the

requirements of Sections 12.03.210 et. seq. of the Rancho Cordova Municipal Code.

7. **Correction of Defects.** Principal, or its assignee, agrees to remedy any defects in the improvement arising from faulty or defective construction of said improvements occurring within twelve (12) months after acceptance thereof by City.

8. **Indemnity.** Principal shall indemnify and hold harmless City from any and all loss, damage or liability arising out of or resulting from Principal's performance or non-performance of his duties and obligations under this Agreement, or from the negligent act or omission of himself, his agents, servants and employees, excluding, however, any such loss, damage or liability arising from the gross negligence or willful misconduct of the City, its officers or employees. Principal shall, at his own cost and expense, defend any and all actions, suits, or legal proceedings arising out of or resulting from the performance or nonperformance of this Agreement, that may be brought or instituted against the City, its officers and employees, on any such claim or demand, and pay or satisfy any judgment that may be rendered against the City in any such action, suit or legal proceedings, or result thereof, regardless whether caused in part by a party indemnified hereunder, excluding, however, any such actions, suits or legal proceedings arising from the gross negligence or willful misconduct of the City, its officers or employees.

9. **Improvement Security.** (a) At the time provided in a subsequent SIA for a SLFM, Principal shall obtain and furnish to City an improvement security consisting of a surety bond in favor of City, issued by a corporate surety authorized to do business in the State of California, and in form approved by City, securing the faithful performance by Principal of the work of improvement required, and also securing the payment of the costs and interest, if any, due under Sections 12.030.210 et seq. of the Rancho Cordova Municipal Code, as provided in Paragraph 4 herein and an additional bond issued by a corporate surety authorized to do business in the State of California, in the amount of not less than 50 percent of the total estimated cost of the improvement, securing payment to contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement.

(b) In lieu of said corporate surety bonds, Principal may furnish an improvement security consisting of a letter of credit, certificate of deposit, or similar instrument of credit, in form satisfactory to City, issued by a financial institution subject to regulation by the State or Federal government, pledging that the funds necessary to meet the performance required herein are on deposit, and guaranteed for payment on demand. Said letter of credit, certificate of deposit, or similar instrument of credit shall provide that the funds designated therein shall

become trust funds for the purposes set forth in said instrument.

(c) The failure of Principal to commence the required work of improvements, or to complete the same within the time required after commencement thereof, as detailed in the subsequent SIA for a SLFM described in Exhibit A, shall entitle City to the full payment of the security, or so much thereof as may be necessary to complete the required work of improvement. The amount of the surety bond for faithful performance shall be determined in the subsequent SIA for said SLFM. The amount of the surety bond for the payment of the claims of the contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement shall be at least 50 percent of the above amount. The letter of credit, certificate of deposit or similar instrument of credit, or cash deposit for faithful performance, shall be in the above amount plus an additional 50 percent for the purposes set forth herein.

(d) Prior to issuance of improvements plans not already bonded or secured through a subsequent SIA, Principal shall obtain and furnish to City an improvement security in favor of City under Chapter 12.03 of the Rancho Cordova Municipal Code.

10. Improvement Security As Condition Precedent. The furnishing of the improvement security by Principal as required by Paragraph 9 hereof shall be a condition precedent to acceptance by City of the above-described real property and the performance by the City of the covenants herein on its part to be performed.

11. Execution By Real Party In Interest. Where title to the subdivision property is held by the record owner thereof under a holding agreement, this Agreement must be executed by the real party or parties in interest.

12. Waiver of Civil Code Section 2819. Any extension of time hereunder shall not operate to release the surety on any bond filed pursuant to this Agreement or pursuant to a subsequent SIA for a SLFM. In this connection the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

13. Interest. Interest shall accrue at the highest rate permitted by law on all sums from the date payment is due under the terms of this Agreement and the sum due is certain or reasonably capable of being made certain.

14. Attorneys' Fees. In the event that it is necessary for the City to enforce the obligations secured by the improvement security furnished pursuant to Paragraph 9 hereof, the City shall be entitled to recover its costs and reasonable expenses and fees, including reasonable attorneys' fees, as provided for in Government Code Section 66499.4.

15. Amendments. This Agreement may be modified or amended, or any of its provisions waived, only by a subsequent written agreement executed by the parties hereto.

16. Entire Agreement. This Agreement and any attachments hereto constitute the sole, final, complete, exclusive and integrated expression and statement of the terms and conditions of this Agreement among the parties hereto concerning the subject matter addressed herein, and supersedes all prior negotiations, representations or agreements, oral or written, that may be related to the subject matter of this Agreement.

17. Construction and Interpretation. It is agreed and acknowledged by the Principal that the provisions of this Agreement have been arrived at through negotiation, and that the Principal has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

18. Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective successors and assigns of the parties hereto. Principal may assign its rights and obligations under this Agreement only with the prior written consent of City.

19. Time. Time is of the essence in the performance of each and every term of this Agreement.

SIGNATURE PAGE FOLLOWING

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first set forth above, which date shall be considered by the Parties to be the effective date of this Agreement.

MEMORANDUM

ITEM 16.13.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Quoc Nham, Associate Civil Engineer

SUBJECT: **A RESOLUTION APPROVING THE FINAL MAP OF MONTELENA VILLAGE 8, SUBDIVISION NO. FM 2014-007-41 AUTHORIZING THE EXECUTION OF THE SUBDIVISION IMPROVEMENT AGREEMENT CONTRACT NO. 2021-74 WITH CHRYSANTHY ROAD INVESTMENTS, LLC.**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the resolution will authorize the City to enter into Subdivision Improvement Agreement Contract No. 2021-74 ([Attachment 2](#)) guaranteeing the construction of public roads and utilities with Chrysanthy Road Investments, LLC, and the recording of the final subdivision map creating 81 residentially zoned lots located west of Rancho Cordova Parkway between Douglas Road and Chrysanthy Boulevard.

BACKGROUND

The map has been examined and checked for compliance with Title 22 of the City of Rancho Cordova Municipal Code and the California Subdivision Map Act. The City Council approved the Tentative Map on March 20, 2006. A Development Agreement was entered on July 18, 2006 and amended four times to clarify intentions of the agreement with regards to the wetland preserve, amend the project's land use designations in Villages 4 and 5, amendment to the City's Zoning Code Map and a General Plan Amendment, and lastly an amendment to extend its term an additional 10 years to May 3, 2031 for Villages 3, 5, and 7. A copy of the final map ([Attachment 3](#)) and copy of the vicinity map ([Attachment 4](#)) are included with this letter.

Roads are offered for dedication with this subdivision. Chrysanthy Road Investments, LLC has provided a performance and labor and material bond guaranteeing the construction of the public improvements. MacKay & Soms, Inc. has waived the requirement for a bond to

guarantee payment for setting the survey monuments with the subdivision. The soil report requirement has been satisfied by Wallace Kuhl & Associates, dated December 2013.

There are no delinquent taxes against the property and the Tax Collector has so certified. The 2021/2022 estimated taxes have been secured with the Sacramento County Tax Collector.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City.

SUBDIVISION IMPROVEMENT AGREEMENT**Montelena Village 8 FM 2014-007-41**

THIS SUBDIVISION IMPROVEMENT AGREEMENT (hereinafter, "Agreement") entered into this _____ day of _____, 20__, by and between the City of Rancho Cordova, (hereinafter "City"), a California municipal corporation, and **Chrysanthy Road Investment, LLC** (hereinafter "Principal").

RECITALS

WHEREAS, Section 66462 of the Government Code provides that if the work of improvement required therein is not completed prior to the acceptance of a final subdivision map, the owner of the subdivision may enter into an agreement with the City to perform the work of improvement as required by said sections in consideration of the acceptance of said final subdivision map by the City; and

WHEREAS, Section 66499 of the Government Code requires that said agreement be secured by a surety bond or by an instrument of credit issued by a financial institution subject to regulation by the State or federal governments or by a cash deposit; and

WHEREAS, Section 66499.3 establishes the types and amount of security to guarantee the performance of any such improvement agreement; and

WHEREAS, City and Principal desire to enter into an improvement agreement as authorized by the Subdivision Map Act under the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual promises, conditions and covenants hereinafter set forth, City and Principal agree as follows:

1. **Incorporation of Recitals.** The foregoing recitals are hereby incorporated by reference.
2. **Findings and Conditions of Subdivision Map.** Principal recognizes that approval of its subdivision was subject to the findings and conditions attached to such approval and hereby acknowledges and agrees to be bound by such findings and conditions.
3. **City Approval of Subdivision Map.** City agrees to approve the final map of the subdivision presented to it by Principal and designated **Montelena Village 8 FM 2014-007-41** and to accept on behalf of the public all lands, rights of way and easements therein offered in dedication, in accordance with the conditions hereinafter set forth.
4. **Completion of Improvements.** In consideration of such approval, Principal

agrees to complete the work of improvement required for said subdivision in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements. The work required may lie within or outside the subdivision and must be completed within **24** months of the date of this Agreement.

5. **Payment For Services.** Principal further agrees to promptly pay, when due, all costs for plan checking, inspection services and material testing performed by City pursuant to the requirements of Sections 12.03.210 et. seq. of the Rancho Cordova Municipal Code.

6. **Acceptance of Improvements.** Upon satisfactory completion of all public improvements in accordance with standard specifications created by City ordinances or resolutions which are in effect at the time of the installation of said improvements, City agrees to accept for maintenance the work of improvement within the dedicated parcels shown on said final subdivision map, and any off site easements granted, subject to the provisions of paragraph 9 hereof. Acceptance will be postponed until such time the City determines a public purpose exists. Public Purpose is defined as existence of habitable structures within the subdivision.

7. **Notice of Commencement of Work.** Principal shall notify the City Engineer in writing of the commencement of the work of improvements.

8. **Correction of Defects.** Principal agrees to remedy any defects in the improvement arising from faulty or defective construction of said improvements occurring within twelve months after acceptance thereof by City.

9. **Indemnity.** Principal shall indemnify and hold harmless City from any and all loss, damage or liability arising out of or resulting from Principal's performance or non-performance of his duties and obligations under this Agreement, or from the negligent act or omission of himself, his agents, servants and employees. Principal shall, at his own cost and expense, defend any and all actions, suits, or legal proceedings arising out of or resulting from the performance or nonperformance of this Agreement, that may be brought or instituted against the City, its officers and employees, on any such claim or demand, and pay or satisfy any judgment that may be rendered against the City in any such action, suit or legal proceedings, or result thereof, regardless whether caused in part by a party indemnified hereunder.

10. **Extension of Completion Date.** If the construction of the work or improvement should be delayed without fault of Principal, the time for completion thereof may be extended by City for such period of time as City may deem reasonable.

11. **Improvement Security.** (a) Principal shall obtain and furnish to City an

improvement security consisting of a surety bond in favor of City, issued by a corporate surety authorized to do business in the State of California, and in form approved by City, securing the faithful performance by Principal of the work of improvement required, and also securing the payment of the costs and interest, if any, due under Sections 12.030.210 et seq. of the Rancho Cordova Municipal Code, as provided in Paragraph 5 herein and an additional bond issued by a corporate surety authorized to do business in the State of California, in the amount of not less than 50 percent of the total estimated cost of the improvement, securing payment to contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement.

(b) In lieu of said corporate surety bonds, Principal may furnish an improvement security consisting of a letter of credit, certificate of deposit, or similar instrument of credit, in form satisfactory to City, issued by a financial institution subject to regulation by the State or Federal government, pledging that the funds necessary to meet the performance required herein are on deposit, and guaranteed for payment on demand. Said letter of credit, certificate of deposit, or similar instrument of credit shall provide that the funds designated therein shall become trust funds for the purposes set forth in said instrument.

(c) The failure of Principal to commence the required work of improvements, or to complete the same within the time required after commencement thereof, shall entitle City to the full payment of the security, or so much thereof as may be necessary to complete the required work of improvement. The amount of the surety bond for faithful performance shall be in the sum of **\$1,620,947**. The amount of the surety bond for the payment of the claims of the contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement shall be at least 50 percent of the above amount. The letter of credit, certificate of deposit or similar instrument of credit, or cash deposit for faithful performance, shall be in the above amount plus an additional 50 percent for the purposes set forth herein.

12. Improvement Security As Condition Precedent. The furnishing of the improvement security by Principal as required by paragraph 12 hereof shall be a condition precedent to acceptance by City of the above described real property and the performance by the City of the covenants herein on its part to be performed.

13. Inspection of Work In Progress. (a) Principal may request The City Engineer to inspect the work as it progresses. If the work performed is found to be in accordance with the requirements of City, it may be accepted as it progresses and a partial refund of the cash deposit, or a release pro tanto of the faithful performance bond, letter of credit, certificate of deposit or similar instrument of credit shall be made in a sum in the same ratio to the total

deposit as the work accepted bears to the total work to be done. No refund in excess of 85 percent of the total amount of the improvement security for faithful performance shall be made until all the work has been completed and accepted.

(b) The determination of the Administrator of Public Works of City as to the amount of work done, and the amount of refund or partial release pro tanto, shall be final and conclusive. When the work of improvement is accepted, 10 percent of the improvement security shall be retained to guarantee faithful performance of the provisions of paragraph 9 of this Agreement.

(c) Improvement security given to secure payment to contractor, his subcontractors and to persons renting equipment or furnishing labor or materials for the work of improvement may, six months after completion and acceptance of the work, be reduced to an amount not less than the total of all claims on which an action has been filed, and notice thereof given in writing to City, and if there are no actions filed, such improvement security may be released in full.

14. Execution By Real Party In Interest. Where title to the subdivision property is held by the record owner thereof under a holding Agreement, this Agreement and the bond given pursuant thereto must be executed by the real party or parties in interest.

15. Waiver of Civil Code Section 2819. Any extension of time hereunder shall not operate to release the surety on the bond filed pursuant to this Agreement. In this connection the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

16. City Construction of Improvements. In the event that all or any portion of the works of improvement contemplated herein are proposed to be constructed by street improvement proceedings under the control of City, the undertaking of such proceedings shall in no way relieve Principal of any duties under this Agreement, except where all of the works of improvement that are required under this Agreement have in fact been constructed and accepted by City.

17. Interest. Interest shall accrue at the highest rate permitted by law on all sums from the date payment is due under the terms of this Agreement and the sum due is certain or reasonably capable of being made certain.

18. Attorneys' Fees. In the event that it is necessary for the City to enforce the obligations secured by the improvement security furnished pursuant to Paragraph 12 hereof, the City shall be entitled to recover its costs and reasonable expenses and fees, including reasonable attorneys' fees, as provided for in Government Code Section 66499.4.

19. Amendments. This Agreement may be modified or amended, or any of its provisions waived, only by a subsequent written agreement executed by the parties hereto.

20. **Entire Agreement.** This Agreement and any attachments hereto constitute the sole, final, complete, exclusive and integrated expression and statement of the terms and conditions of this Agreement among the parties hereto concerning the subject matter addressed herein, and supercedes all prior negotiations, representations or agreements, oral or written, that may be related to the subject matter of this Agreement.

21. **Construction and Interpretation.** It is agreed and acknowledged by the Principal that the provisions of this Agreement have been arrived at through negotiation, and that the Principal has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

22. **Successors and Assigns.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of the parties hereto.

23. **Time.** Time is of the essence in the performance of each and every term of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first set forth above, which date shall be considered by the Parties to be the effective date of this Agreement..

MEMORANDUM

ITEM 18.1.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: June Cowles, Senior Planner

SUBJECT: A RESOLUTION TO APPROVE A MAJOR DESIGN REVIEW FOR MATHER BUSINESS PARK PROJECT NO. DD9877

PROPERTY OWNER: Fite Development Company 9857 Horn Road Sacramento, CA 95827	APPLICANT/DEVELOPER: Fite Development Company 9857 Horn Road Sacramento, CA 95827
PROJECT:	A Major Design Review for an office/light industrial development on 11.8 acres site. The development includes 15 buildings totaling 142,800 square feet of light industrial warehouse with associated office use that includes parking, storage yard area, lighting and landscaping on Routier Road and Systems Parkway.
FILE:	DD9877
LOCATION:	System Parkway and Routier Road
ZONING:	Office Industrial Mixed Use (OIMU)
GENERAL PLAN:	Office Mixed Use (OMU)
APN:	077-0360-028-0000, 077-0360-037-0000, 077-0360-038-0000
PLANNER:	June Cowles, Senior Planner

RECOMMENDATION:

Find the project is exempt under CEQA Exemption 15183, Projects Consistent with a Community Plan, General Plan, or Zoning; and Adopt the Resolution for Mather Business Park Major Design Review.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would approve the Major Design Review for Mather Business Park. Approval would allow the applicant to pursue necessary building permits for new construction.

BACKGROUND / PROJECT HISTORY

The project site is 11.8 acres and is located between Routier Road and Systems Parkway. **Figure 1: Project Site Location.**

Figure 1: Project Site Location

In 2008, the project site was included in the city-wide General Plan Amendments, Rezones, and a Zoning Code Update as follows:

- The City's Planning Department requested input on the Zoning Code Update and necessary General Plan amendments through a Policy Advisory Team composed of public officials and stakeholders, a City Staff Working Group, a total of six joint workshops of the City Council and Planning Commission, stakeholder meetings with the business community and advocacy groups, and property-owner outreach.
- To maintain consistency between the General Plan and the Zoning Code Update certain limited amendments to the General Plan text and the General Plan Land Use Map are required.
- The project site General Plan Amendment was from Residential Mixed Use (RMU) to Office Mixed Use (OMU). The site designation of RMU includes medium to high densities, that is integrated with commercial and office services. However, the property is better suited for the land uses established in the OMU category, with a mixture of office and commercial opportunities. The zone change to OIMU will further implement office and light industrial uses with supportive commercial uses. It was determined that the amendment to OMU and rezone to OIMU is a more appropriate use of the land. **Figure 2: 2008 General Plan Amendment and Rezone Exhibit.**

EXISTING CONDITIONS

The site is located between Router Road and Systems Parkway. The site is level and has been graded. The aerial below depicts the existing fences/walls. **Figure 3: Existing Fences/Walls.**

PROPOSED PROJECT

The proposed office/industrial building park project, **Figure 4: Proposed Project Site Plan**, includes the following:

- 15 buildings totaling 142,800 square feet (proposed office 37,200 sqft and warehouse 113,475 sqft). Buildings include dock doors.
- Several outside storage areas.
- 213 Parking spaces (includes designated parking for clean air vehicles and electrical vehicle supply equipment for future charging spaces).
- Landscaping includes a detention basin along Systems Parkway.

Blue represents Building footprint.
Red represents Outdoor Storage areas

ANALYSIS

GENERAL PLAN CONSISTENCY

The project site General Plan designation is Office Mixed Use within the Countryside/Lincoln Village Planning Area. In 2008, the project site was included in the city-wide General Plan Amendments and Rezones. A Policy Advisory Team composed of public officials, stakeholders, and a City Staff Working Group determined that the amendment to OMU and rezone to OIMU was a more appropriate use of the land.

ZONING ORDINANCE

The project site is located within the Office Industrial Mixed Use zoning district which is consistent with the OMU designation. The OIMU zoning district is intended to designate property for a wide range of office and light industrial development. The OIMU district is intended for the seamless integration of office and light industrial uses with supporting retail and service uses. Offices may be developed in an office park setting, but most office and light industrial development stands alone. Commercial and other support services may be integrated vertically and/or horizontally in this district, but the predominant use is office and/or light industrial. Attachment 4 includes the Table 23.313-1 Allowed Use and Permit Requirements for Mixed Use District.

MAJOR DESIGN REVIEW

Site Design

The proposed project is an 11.8 acre site and includes 15 one-story office/industrial buildings with outside storage areas located in-between several buildings as follows:

Buildings 1-10 and 14 (5,000 square foot each)	=	total 55,000 square feet.
Buildings 11-12 (17,800 square foot each)	=	total 35,600 square feet.
Building 13	=	46,200 square feet.
Building 15	=	6,000 square feet

- Buildings 1-12, dock doors are located on the sides facing the outside storage areas.
- Building 13, the largest building, includes dock doors on the west and east elevations. The west elevation includes 3 depressed dock areas.
- Building 14 and 15, adjacent to Systems Parkway, includes dock doors on the north elevation (rear elevation)
- The project includes 2 driveways: one each on Routier Road and Systems Parkway.
- 213 parking spaces that includes 18 clean air vehicle parking spaces (13 of the 18 are for electrical vehicle future charging spaces).
- 12 bicycle covered parking spaces (6 racks) centrally located on the site.
- 25-foot wide landscape buffer along Routier Road and Systems Parkway
- A retention pond on site in accordance to water quality and flood control mitigation.

Traffic Operational Assessment:

A Traffic Operational Assessment was provided that assessed the project potential traffic impacts. Attachment 5: Traffic Operational Assessment for Mather Business Park. The traffic assessment included vehicle and truck traffic analysis to/from the proposed project site. As stated in the report, the closest interchange to US 50 is on Mather Field Road northeast of the site, and trips headed towards the freeway would use Systems Parkway to Old Placerville Road to reach Mather Field Road and the freeway. This route is also designated for trucks permitted under the Surface Transportation Act (STAA). Locally, trips headed westerly could use Old Placerville Road and Routier Road. Large Trucks would travel east to Mather Field Road. Overall project traffic could be split 50% west to Routier Road and 50% east via Systems Parkway to Old Placerville Road. The conclusion of the report is that the addition of project traffic does not change the current Level of Service during either a.m. or p.m. peak hour time period. Therefore, the project impact based on Level of Service is not significant.

A Condition of Approval is included that addresses truck tractor routes as follows:

“All truck tractors and trailers servicing this site shall utilize approved STAA truck routes to and from Highway 50, pursuant to the City’s approved STAA Map. The preferred route is via Mather Field Road, Rockingham Drive, Old Placerville Road and Systems Parkway. Site operators shall make drivers aware of this requirement and enforce it as a condition of on-going business relations”.

Access/Parking

The proposed project includes two points of access as follows:

- Full movement driveway on Routier Road.

- Full movement driveway on Systems Parkway.

Routier Road is classified as a collector street. In 2020, the City completed a Class 4 bike trail facility on Routier Road. As seen in the Aerial and Street view picture **Figure 5: Project Site Aerial and Street View**, Routier Road includes separated bike lanes, bus stops and a signalized pedestrian crossing. The proposed project driveway on Routier Road would require the raised curb to be cut to access the project site. Routier Road is posted as 25 miles per hour and is a 3-lane road in the vicinity of the project site.

Figure 5: Project Site Aerial and Street View

Parking

The project includes the required minimum 213 parking spaces as follows:

Standard Parking spaces	166
Accessible	19
Compact	10
Clean air Vehicle	18

Environmental Noise Assessment

A noise study was completed for the proposed project to assess the potential impact of the project and ensure that the applicable noise standards are satisfied. Attachment 6: Environmental Noise Assessment. The noise study stated the primary noise sources associated with the project are as follows:

- Heavy trucks arriving and departing the site, backing into the loading docks, and coupling/decoupling.
- On-site circulation.
- Activities within the outdoor storage yards.
- Mechanical equipment (HVAC).

The noise study quantified the noise generated by the above noise sources by conducting a noise level measurements of an existing truck distribution facility over a 48 hour period, utilizing the predicted on-site circulation noise level at the residential sites, and utilizing reference file data from previous industrial and commercial projects for outdoor door storage yards. The predicted heavy truck backing/coupling/decoupling noise level includes consideration of the shielding provided by a proposed 6 foot high CMU wall along the northern end of the project property.

Figure 6: Proposed Fence/Wall Locations.

Red depicts 6 foot high CMU block wall
Purple depicts 6 foot high chain link fence
Yellow depicts 7 foot high open view metal fence
Blue depicts 6 foot high wood fence for storage yard fence.

Figure 6: Proposed Fence/Wall Locations

Outdoor storage areas include chain link fence except as noted in blue on the site plan.

Conclusion:

Noise levels at the proposed Mather Business Park are not expected to significantly increase ambient noise levels at the nearest residential receivers. In addition, noise levels generated from project on-site operations are predicted to comply with the applicable City of Rancho Cordova noise level criteria at the nearest residential uses provided that the following specific recommendations and mitigations are implemented:

1. Business park operations should be limited to daytime hours (7:00am to 10:00pm), as proposed.
2. The project design should include construction of a 6 foot high masonry wall along the northern project property boundary, as proposed
3. The project design should include an extension of the 6 foot high masonry wall along the northeastern boundary.
4. In the event the project building parapets do not provide shielding of rooftop HVAC equipment at nearby ground level residential uses, additional screening should be provided (e.g., localized screen walls).
5. In the event that the project delivery trucks have refrigerator units, the trucks should be plugged into loading bay power while on-site.

The noise study recommendations/mitigations are included as conditions of approval.

Biological Resources Review

A Biological Resource review was completed on the site. Attachment 7: Mather Business Park Biological Resource Review. The review concluded that project impacts is less than significant. A nest survey prior to construction is included as a condition of approval.

Cultural Resource Assessment

A Cultural Resource Review was completed on the site. Attachment 8: Cultural Resource Assessment of a portion of Mather Business Park. The review concluded that there were no historic sites recorded on the property and no evidence of prehistoric or historic sites.

Building Design

The proposed project includes one-story buildings that are designed for warehouse and office accessory uses. **Figure 7: Building Elevations and Figure 8: Building Perspectives**. The proposed buildings have a consistent architectural style and paint scheme as follows:

- The buildings include a variety of colors, different tones of grey/brown and an accent blue.
- Horizontal metal canopies are over the main building entrances.
- Glass windows wrap around building corners where the main entrances are located.
- Varied roof line at the corners
- Blue accent stripes and scoring provide color to the buildings.
- Metal trellises are located on the building elevations facing Routier Road and Systems Parkway.
- Dock doors are painted the main building color with the intention of blending in with the building.

City of Rancho Cordova Design Guidelines

Consistent with the City of Rancho Cordova Design Guidelines the proposed project includes the following architecture design:

- The project buildings provide quality building design consisting of durable and maintainable materials.
- The design of the building is consistent with the context of the area.
- Building materials include concrete walls with integrated window and doors systems. The composition of materials results in a clean, attractive appearance.
- Blank walls that face public streets are avoided with changes in roofline, inset windows and entrances and architecture elements to provide visual interest.
- Site buildings have a consistent architectural style and theme. Buildings that are visible from the public streets are designed to a higher level of detail.
- The buildings along the public right-of-ways include varied roof parapets. A horizontal canopy is provided at the building entries to provide weather protection and scale down the building at this location. The design of the façade, through the use of windows and decorative breaks in the concrete walls provides the building to be at a more human scale.
- The site and building design, materials, and colors are compatible with adjacent developed area.

Landscape Design

The submitted landscape plan depicts a variation of drought tolerant trees, shrubs and groundcover. **Figure 9: Landscape Plans.**

Figure 9: Landscape Plans

Landscape along Routier Road and Systems Parkway

Landscape plan interior

Landscape buffers include the following:

- 25 foot wide landscape buffer is provided along Routier Road and Systems Parkway.
- 10 foot wide landscape buffer and a 6 foot high CMU block wall along residential single family homes, a mix of coniferous and broadleaf evergreen trees and shrubs.
- 10 foot wide landscape buffer along the north property line adjacent to the indoor sports facility and along the south property line.
- 5 foot wide landscape buffer along the western property line to the indoor sports facility and eastern property line.

Utilities

The proposed project will utilize and existing water, sewer and electrical infrastructure.

Neighborhood Meeting

The applicant held a neighborhood meeting in conjunction with the It Takes a Lincoln Village meeting via Zoom on April 8, 2021. A summary of the meeting is as follows:

Chuck Shaw, the applicant, presented the proposed project (site plan, sound wall, landscape, architecture)

Questions were regarding:

- potential uses
- truck traffic/routes
- Crossing Routier Road
- Environmental Air Quality review

The applicant was able to answer the above questions showing the proposed project layout, landscape plan, and elevations. The applicant's contact information was included in the meeting and the Neighborhood Meeting notice.

DESIGN REVIEW FINDINGS & EVIDENCE

Approval of the Major Design Review, subject to the Design Review Package (Attachment 2) and the Conditions of Approval (Attachment 3) must provide sufficient evidence for the Findings required by Zoning Code Section 23.141.070. Findings and supportive evidence are shown below:

- A. **Finding:** The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and special planning area provisions, and is consistent with the applicable Rancho Cordova design guidelines.

Evidence: The proposed project is consistent with the purpose and intent of adopted General Plan policies and regulations. The proposed project is consistent with the Zoning Code Office Industrial Mixed Use development standards: setbacks, height, and outdoor storage area development standards and the City Design Guidelines as depicted in the project plans and conditions of approval.

- B. **Finding:** The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community.

Evidence: The proposed site design includes a total of 142,800 square-feet of office/light industrial warehouse buildings, with parking area, lighting, outside storage yards, and landscaping. The building elevations visible from public streets are designed with windows, a stepped roofline, architectural trellis design, horizontal canopy over the entrances which provides a human scale and interest to the buildings. The design of the façade, through the use of windows and decorative breaks in the concrete walls helps break-down long and high walls. The building architecture, use of color, and material are consistent with the surrounding neighborhood and City Design Guidelines. The project includes a 6 foot high masonry wall along the adjacent residential homes as a result of the recommendations from the project noise assessment. In addition, a condition of approval is included that restricts the hours of operation from 7:00 a.m. to 10:00 p.m.

- C. **Finding:** The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements, establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.

Evidence: The proposed buildings have a consistent architectural style and theme. Buildings that are visible from the public streets are designed to a higher level of detail. The design, color, and materials have been designed to integrate and compliment the surrounding buildings. The site and building design are compatible with office and industrial developments. The façades have an acceptable level of articulation with building off-sets, horizontal details above doorways. The site and landscape plan meet the design requirements. The landscape plan includes canopy trees to provide for the required parking lot shading. Additional landscaping is provided to add visual interest and color along the public right-of-way.

Pedestrian walkways and connections to the existing bike/pedestrian are provided to help integrate the project with the surrounding neighborhood.

- D. **Finding:** The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.

Evidence: The proposed project anticipated traffic is consistent with the General Plan Environmental Impact Report (EIR) traffic study that assumed the transportation impacts of the plan area including the subject office and light industrial site on the City roadway network. The project includes a condition of approval that limits truck tractors and trailers servicing the site to utilize approved STAA truck routes to and from Highway 50, pursuant to the City's approved STAA map. The proposed project includes the minimum requirement for parking spaces and a centrally located covered bike rack area.

FISCAL ANALYSIS OF PROJECT

The City anticipates that this project will provide additional revenues from temporary construction jobs, and permanent employment.

ENVIRONMENTAL

The project is exempt from the California Environmental Quality Act (CEQA) pursuant to the California Code of Regulations (CEQA Guidelines) Section 15183, consistent with Community Plan, General Plan and Zoning. A description of the evidence for the exemption is found in the findings included in Attachment 1. The proposed project included a traffic impact analysis, noise assessment, biological resource review, and cultural resource assessment. Appropriate conditions of approval are included to minimize any impacts for noise and biological resources to include surveys prior to grading the site.

RECOMMENDED MOTIONS

Staff recommends that the City Council find the project as follows:

- To be in compliance with the California Environmental Quality Act (CEQA) as exempt pursuant to CEQA Guidelines Section 15183;
- Adopt the Resolution approving the Major Design Review for Mather Business Park DD9877, subject to the findings, Project Plans (Attachment 2, Exhibit A to the Resolution) and Conditions of Approval (Attachment 3, Exhibit B to the Resolution).

CITY OF RANCHO CORDOVA

CITY COUNCIL RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, APPROVING A MAJOR DESIGN REVIEW FOR MATHER
BUSINESS PARK PROJECT NO. DD9877**

WHEREAS, Fite Development Company (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a Major Design Review approval for Mather Business Park Project; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project; and

WHEREAS, the project site is located within the Countryside/Lincoln Village Planning Area. The proposed project is for an office/light industrial development on 11.8 acres site. The development includes 15 buildings totaling 142,800 square feet of light industrial warehouse with associated office use that includes parking, storage yard area, lighting and landscaping. The proposed project and immediate surrounding area would not result in any significant effects to the environment, and therefore was determined to be Exempt per California Environmental Quality Act Section 15183; Consistent with Community Plan, General Plan, and Zoning Code; and

WHEREAS, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
HEREBY RESOLVES AS FOLLOWS:**

1. The proposed project is exempt from CEQA under Guidelines Section 15183: (Consistent with the Community Plan, General Plan, and Zoning Code). The following evidence supports the CEQA exemption.
- A. **Finding:** The project has been analyzed and is exempt per California Environmental Quality Act Guidelines Section 15183 "Consistent with Community Plan, General Plan, and Zoning

Evidence: The proposed project site location is within the Countryside/Lincoln Village Planning Area. In 2008, the project site was included in a city-wide General Plan Amendment and Rezone. It was determined that the project site was better suited for the land uses established in the OMU category, with a mixture of office and commercial opportunities. The zone change to OIMU would further implement office and light industrial uses with supportive commercial uses. An Addendum to the General Plan Final EIR (SCH#2005022137) was prepared that made the determination that the General Plan Final EIR provided sufficient coverage of physical environmental effects and that a subsequent or supplemental EIR was not required pursuant to CEQA Guidelines Section 15162 and 15164.

2. To approve the Design Review, subject to the Major Design Review Package (Exhibit A) and the Conditions of Approval (Exhibit B) as modified; supported by the following Findings and Evidence, as required by Zoning Code Section 23.141.070:

- A. **Finding:** The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and special planning area provisions, and is consistent with the applicable Rancho Cordova design guidelines.

Evidence: The proposed project is consistent with the purpose and intent of adopted General Plan policies and regulations. The proposed project is consistent with the Zoning Code Office Industrial Mixed Use development standards: setbacks, height, and outdoor storage area development standards and the City Design Guidelines as depicted in the project plans and conditions of approval.

- B. **Finding:** The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community.

Evidence: The proposed site design includes a total of 142,800 square-feet of office/light industrial warehouse buildings, with parking area, lighting, outside storage yards, and landscaping. The building elevations visible from public streets are designed with windows, a stepped roofline, architectural trellis design, horizontal canopy over the entrances which provides a human scale and interest to the buildings. The design of the façade, through the use of windows and decorative breaks in the concrete walls helps break-down long and high walls. The building architecture, use of color, and material are consistent with the surrounding neighborhood and City Design Guidelines. The project includes a 6 foot high masonry wall along the adjacent residential homes as a result of the recommendations from the project noise assessment. In addition, a condition of approval is included that restricts the hours of operation from 7:00 a.m. to 10:00 p.m.

- C. **Finding:** The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements, establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.

Evidence: The proposed buildings have a consistent architectural style and theme. Buildings that are visible from the public streets are designed to a higher level of detail. The design, color, and materials have been designed to integrate and compliment the surrounding buildings. The site and building design are compatible with office and industrial developments. The façades have an acceptable level of articulation with building off-sets, horizontal details above doorways. The site and landscape plan meet the design requirements. The landscape plan includes canopy trees to provide for the required parking lot shading. Additional landscaping is provided to add visual interest and color along the public right-of-way. Pedestrian walkways and connections to the existing bike/pedestrian trails are provided to help integrate the project with the surrounding neighborhood.

ITEM 18.1.

PRELIMINARY WELO CALCULATIONS

The calculations provided below are an initial estimate of water usage for the planting and irrigation design being proposed with this plan. Hydrozones are approximated and may change with the final design, but the overall intent will remain and compliance with WELO will be achieved.

City (ETo): Rancho Cordova (50.5)

Plant Type	Water Use (per WUCOLS)	Type of Irrigation (IE)	Plant Factor	Hydrozone Area (sf)	ETWU (gal.)
Shrubs	Moderate	Drip (0.81)	0.5	10,489 sf	202,723
Shrubs	Low	Drip (0.81)	0.3	41,957 sf	486,546

Total: 52,446 sf 689,268

Estimated Total Water Use (ETWU): 689,268 gal.

Maximum Applied Water Allowance (MAWA): 738,938 gal.

PARKING LOT SHADE CALCULATIONS

Tree diameters per species based on published City documentation or the Sunset Western Garden Book. Shade area on plans is identified with the hatch symbol to the left.

Tree Type	Quantity					
	Area at 100%	100%	75%	50%	25%	Subtotal (sf)
35' diameter						
Parking Lot Shade Tree	962 sf	34,632 (36)	7,931 (11)	11,063 (23)	0	53,626
Street Tree	962 sf	0	0	1,924 (4)	0	1,924
Total shade provided by trees:						55,550 sf
Parking area:						101,349 sf
Percentage of shade provided (min. 50% req'd):						55 %

IRRIGATION DESIGN

The landscape on this site will use drip irrigation, will meet the City's requirements, and will comply with the requirements of the State's Water Efficient Landscape Ordinance (WELO). Equipment includes dedicated irrigation meter, smart controller, weather sensor, and efficient irrigation emitters, nozzles, and other equipment.

ROOT BARRIER

Provide 24" deep linear root barrier at all trees located within 10'-0" of hardscape. Provide 12 lf of barrier at each required location, center on tree root ball. Root barrier shall be installed in linear fashion along the edge of hardscape; circular placement around the root ball will not be accepted and will be replaced at contractor's expense. Install per manufacturer's recommendations.

PRELIMINARY PLANT PALETTE

The Preliminary Plant Palette represents a sampling of the types of plants selected for this project that are suitable for the location and design concept. Plants in the final plan will be selected from this list. Not all plants in the list below will be used and additional plants may be incorporated with the final plans, but the overall design concept represented will be maintained.

Trees

Trees shall be a mix of 15-gallon (min.) and 24" box size. Minimum 25% of trees will be 24" box trees, and 30% of the required trees shall be evergreen; final location of these trees to be determined with improvement plans.

Basin Hydro-seeding

Non-irrigated erosion control hydro-seeding by Pacific Seed Company or equal.

Non-Living Groundcovers

Aggregate Bed
Clean, coarse 1-1/2" aggregate bed, min. 2" deep, install on continuous weed barrier filter fabric, provide bender board or manufactured wood edging.

Mulch
Mulch to be evenly distributed throughout all planters. Mulch to be sourced from recycled material, shredded or chipped ("Gorilla Hair" is not acceptable), nitrogen stabilized, maximum 3/4". Install at min. 3" depth. Provide sample for approval prior to installation.

GENERAL NOTES

- This project is designed to conform with City requirements and design guidelines. Final design will conform to the City's Water Efficient Landscape Ordinance (WELO) and any other germane standards or minimum requirements.
- Planters for trees are a minimum of 5' wide; planters for shrubs are a minimum of 4' wide.
- Root barriers shall be provided at trees that are within 10-feet of the public sidewalk.

<u>Conditions of Approval</u>		Category	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
1.	The approved entitlement is for a Major Design Review Permit for Mather Business Park on 11.8 acres that includes 15 buildings totaling 142,800 square-feet of light industrial warehouse with associated office use that includes parking, storage yard area, lighting, and landscaping. as described in the City Council staff report dated May 17, 2021, and <u>Exhibit A</u> with the conditions herein, for Project No. DD9877.	Project Description	On-Going	Planning
2.	The Applicant shall hold harmless the City, its Council Members, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.	General	On-Going	Planning
3.	Any future alteration to the buildings, change in use, intensification of the site, or modification to the parking and landscaped area must be reviewed by the City to ensure compliance with all local, state, and federal regulations. Minor modifications that are found to be in substantial conformance with the approved plans such as colors, plant materials, or minor lot line adjustments, may be approved administratively. Major modifications shall be approved by the applicable decision making body.	General	On-Going	Planning
4.	Applicant/Developer shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at billings@cityoffranchocordova.org for the status of your account with the City.	General	On-Going	Planning

25.	The proposed Hydraulic grade line (HGL) shall maintain a minimum of one-half foot (0.5') freeboard below the elevation of all inlet grates and a minimum one-foot (1.0') freeboard below the elevation of all manhole rims conveying Nolte design flows. Onsite mitigation of the 10-year and 100-year flows is required. The proposed detention basin shall include, but not limited to: ▪ Basin shall include sediment removal and dry weather treatment features. ▪ Incorporate measures as necessary to mitigate short circuiting between the inlet and outlet. ▪ Applicant shall incorporate additional landscaping to limit visibility of the basin from Systems Parkway and integrate into the business park. With the incorporation of the proposed basin, additional offsite drainage analysis is not required if the post-project 100-year flows are less than or equal to pre-project 100-year flows. 28.	Traffic control devices shall be designed where needed to the satisfaction of the City Engineer. Traffic control locations will be determined at time of improvement plan submittal.	Traffic control	Prior to approval of improvement plans	Public Works
29.	All development within the City must comply with the regulations of the Federal Emergency Management Agency (FEMA) and the City of Rancho Cordova Floodplain Management Ordinance. All new structures shall be protected from the 100-year (1 percent) flood event. Certified pad elevations (certified by a registered Civil Engineer or licensed Land Surveyor) shall be set at least one and two tenths foot (1.2') above all sources of 100-year flooding (see Section 9-1 of improvement standards). The overland release path must be shown on the plans and the hydraulic computation must be provided to estimate the flow depths along the overland release paths. The calculations must be in conformance with Section 9-15 Improvement Standards. If overland flows and surface storage will occur during any of the modeled storm events, this should be represented in the models.	Pad Elevations	Prior to approval of improvement plans	Public Works
30.	The Stormwater Pollution Prevention Plan in place for the site shall include a contingency plan for the implementation of a process to remove fine clay sediments prior to discharge to The City of Rancho Cordova's storm drain system and/or Waters of the State (e.g., creeks, rivers) to the satisfaction of the City of Rancho Cordova. A polymer treatment system or comparable process shall be designed in the erosion and sediment control plan of the improvement plans. 33.	The applicant shall coordinate with Sacramento Area Sewer District on the following conditions: a. To obtain sewer service, construction of SASD sewer infrastructure will be required. Current SASD Standards and Specifications apply to any offsite or onsite public sewer construction or modification. These improvements must be shown on the plans. Field modifications to new or existing precast manhole bases are not allowed. b. SASD requires each building on each lot with a sewage source to have a separate connection to SASD's sewer system. If there is more than one building in any single parcel and the parcel is not proposed for split, then each building on that parcel must have a separate connection to a private onsite sewer line or a separate connection to the SASD public sewer line. These improvements must be shown on the plans. c. Sewer easements may be required to service this parcel. All public sewer easements will be dedicated to SASD in a form approved by the District Engineer. All public sewer easements will	Sewer	Prior to approval of improvement plans	SASD and Public Works

No awning or overhang may encroach on the easement area. At minimum, an all-weather access road must be provided to all manholes. d. Permanent structures, walls, signs and footings will not be permitted within the existing SASD easement area unless express written permission is obtained from SASD. e. Alignment of all main lines and structures must provide a minimum of 1 foot vertical clearance and 5 feet horizontal clearance from all other utilities and improvements. Sewer is to be located a minimum of 10 feet (measured horizontally) from any structure or footing. Show public sanitary sewer and water supply facilities in accordance with the Health and Safety Code.			
34.	The applicant shall comply with the Fire conditions as follows; a. Show the design for a fire access roadway of not less than 20-feet of unobstructed width, 13-feet, 6-inches of vertical clearance, and turning radii of 25 feet inside and 50 feet outside dimension on the improvement plans. The access roadway shall extend to within 150 feet of all portions of the exterior walls of the first story of any proposed building. The use of turf-block or grass-crete or similar alternate road surfaces is not approved for installation in fire apparatus access roadways. b. Show on the plans how Fire Lanes will be marked. Provide a note on the plan that reads, "Fire access roadways shall be built to bear a minimum of 80,000 pounds and meet the Sacramento County Public Works Standards for roadways. A report, prepared by a registered geotechnical engineer, verifying the ability of the road to bear the required minimum weight, shall be submitted with any plan indicating construction of roadway. Verification of constructed roadway shall be provided by a registered geotechnical engineer prior to final of the project." Required Private streets and fire apparatus access roads shall be installed to the "first lift," (Up to the last one inch of pavement) identified, and verified by SMFD prior to <u>any</u> construction, (including foundations) or on-site storage of combustible materials. d. Show the location of the required fire hydrants for this project on the improvement plans. Approved fire hydrants capable of providing the required fire flow for the protection of any and all structures shall be located along the fire apparatus access roadway. The required fire hydrants shall be installed and operational prior to <u>any</u> construction, (including foundations) or on-site storage of combustible materials. The minimum required fire flow for the protection of commercial developments is 1,500 gallons per minute (gpm) at a pressure of 20 pounds per square inch (psi) for a two-hour duration. Fire hydrant maximum spacing is 300 feet between hydrants.			
35.	Prior to any construction activity, a pre-construction determinate survey shall be required for work that will commence during the migratory bird nesting season (February 1 through August 31). This survey is to	Survey	Prior to Grading	Planning

The Applicant shall dedicate a 12.5-foot public utility easement for overhead and/or underground facilities and appurtenances adjacent to all public street rights-of-ways. l. The Applicant shall dedicate any private drive, ingress and egress easement, (and 10-feet adjacent thereto) as a public utility easement for (overhead and) underground facilities and appurtenances. All access roads shall meet minimum SMUD requirements for access roads. m. The Applicant shall dedicate and provide all-weather vehicular access for service vehicles that are up to 26,000 pounds. At a minimum: (a) the drivable surface shall be 20-feet wide; and (b) all SMUD underground equipment and appurtenances shall be within 15-feet from the drivable surface. n. The 12.5' PUE along Routier Road and Systems Parkway shall remain.

**RE: TRAFFIC OPERATIONAL ASSESSMENT FOR MATHER BUSINESS PARK,
RANCHO CORDOVA, CALIFORNIA**

Dear Mr. Shaw:

As requested, KD Anderson & Associates has completed this assessment of the potential traffic impacts associated with the Mather Business Park project proposed in Rancho Cordova. As we understand, the proposed project involves construction of a total of 149,100 sf of buildings on a roughly 11± acre site with Office Industrial Mixed Use (OIME) zoning. Figure 1 locates the site, and Figure 2 is the project site plan.

Our assessment follows City requirements. The characteristics of the project were identified based on trip generation rates presented in the *ITE Trip Generation Manual, 10th Edition*, and the distribution of those trips was determined based on current regional travel patterns. Existing traffic conditions were identified at a key area intersection based on recent peak hour traffic counts provided by the City of Rancho Cordova, and analysis of operating Level of Service and queue length was completed. The project's impacts based on Level of Service has been determined on a "worst case" basis with regards to current City significance criteria.

PROJECT CHARACTERISTICS

Site Layout

The project has two points of access. A full access driveway is proposed on Routier Road at the western end of the project roughly 750 feet north of the Routier Road / Systems Parkway intersection. Access is also planned to Systems Parkway at a location roughly ¼ mile east of Routier Road and ¼ mile from Old Placerville Road. An internal circulation aisle will link the two driveways allowing all site users to access both driveways.

Travel Characteristics

Trip Generation Forecast. The *ITE Trip Generation Manual, 10th Edition* was the source of trip generation rates for this project. The site trip generation estimate was summarized in our June 22, 2020 letter and subsequently approved by the City for this project. As noted in Table 1, the project could be expected to generate 740 daily trips (½ inbound and ½ outbound) with 104 trips in weekday a.m. peak hour and 94 trips in the p.m. peak hours.

The City of Rancho Cordova's traffic study guidelines typically determine the need for traffic impact analysis based on consideration of a project's trip generation estimate. Those projects generating fewer than 1,000 daily or 100 peak hour trips do not typically require traffic impact analysis. The Mather

Business Park project's estimates fall below those thresholds on a daily basis and in the p.m. peak hour, but the a.m. peak hour estimate exceeds the threshold by four trips.

Truck Traffic. The amount and nature of site generated truck traffic will vary based on the nature of the individual site tenants. The Trip Generation Manual includes trip generation rates for industrial uses that are specific to trucks, and the rates observed as part of the studies conducted by ITE vary as well. The highest rates are associated with Industrial Parks, and the forecast for that use is presented. The estimate would include all types trucks (i.e., single unit trucks, truck-trailers, etc.), but not pick-ups. On average, the project could be expected to generate 85 daily truck trips.

Directional Distribution. The distribution of trips generated by the project would reflect the location of the routes providing regional access to Rancho Cordova and to the balance of the Sacramento region. In this case, the closest interchange on US 50 is on Matherfield Road northeast of the site, and trips headed towards the freeway would use Systems Parkway to Old Placerville Road to reach Mather Field Road and the freeway. This route is also designated for trucks permitted under the Surface Transportation Authorization Act (STAA). Locally, trips headed westerly into the residential areas of Rancho Cordova and eastern Sacramento County could use Old Placerville Road, Lincoln Village Drive and Routier Road. While large trucks would travel east to Matherfield Road, based on the general distribution of residences in the area we anticipate that overall project traffic could be split 50% west to Routier Road and 50% east via System Parkway to Old Placerville Road.

Analysis Approach

This analysis makes use of available data to make a “worst case” assessment of possible project impacts. Because the project’s trip generation only exceeds the City’s minimum standard marginally, this analysis

ITEM 18.1.

addresses a hypothetical condition whereby all the project trips are assumed to travel through the busiest intersection in this area. While this approach could overstate potential effects at the study location, if conditions there remain within minimum City standards under the worst case assumptions, then it is reasonable to expect that conditions would also remain within City standards at other lesser traveled locations under typical trip distribution assumptions where trips are split among alternative routes.

Existing Conditions

Traffic Count Data. Due to the effects of COVID-19 new traffic volume counts would not represent “regular” conditions, and traffic volume data available from the City of Rancho Cordova was employed. Of the three intersections within the area of the project Year 2016 traffic counts are available for the Old Placerville Road / Routier Road (1,989 p.m. vph) and Old Placerville Road / Systems Parkway (1,784 p.m. vph) intersections. Because the Old Placerville Road / Routier Road intersection is busier, this location was subject to Level of Service analysis, and this is the “worst case” location.

Traffic counts conducted at the Old Placerville Road / Routier Road intersection in 2016 (attached) were factored by 2% annually to estimate Year 2020 conditions without the effects of COVID 19 and school closures, as noted in Figure 3.

Level of Service. Year 2020 Levels of Service were calculated for the Old Placerville Road / Routier Road using methods accepted by the City of Rancho Cordova (i.e., HMS 2010 using Synchro 10.0 software). The intersection delivers LOS B in the a.m. peak hour and in the p.m. peak hour, as indicated in the attached worksheets. Because this location carries more traffic than the other intersections it is reasonable to expect that Levels of Service elsewhere (i.e., Old Placerville Road / Systems Parkway and Routier Road / Systems Parkway) are similar or better.

Project Traffic Effects

Results / Conclusions. Table 2 compares Year 2020 traffic conditions with and without the project assuming the “worst case” trip assignment noted in Figure 3. As noted, the addition of project traffic does not change the current Level of Service during either the a.m. or p.m. peak hour time period, and conditions continue to satisfy the City’s minimum LOS standard. Because the “worst case” project effect at the old Placerville Road / Routier Road intersection does not cause an impact, it can be concluded that City standards would also be achieved at other lesser traveled intersections (i.e., Routier Road / Systems Parkway and Old Placerville Road / Systems Parkway) under more “normal” trip distribution assumptions. Thus, the project impact based on Level of Service is not significant.

Introduction

The Mather Business Park (project) proposes the development of a business park located east of Routier Road and north of Systems Parkway in Rancho Cordova, California (APN's: 077-0360-028, 077-0360-037 and 077-0360-038). Existing land uses in the project vicinity include residential to the north, school to the southwest, and industrial in all other directions. The project area and site plan are shown on Figures 1 and 2, respectively.

Due to the proposed operations of the project and the proximity of residential uses to the north of the project, the City of Rancho Cordova has requested an environmental noise assessment to ensure that the applicable noise standards are satisfied. In response to that request, the project applicant has retained Bollard Acoustical Consultants, Inc. (BAC) to prepare this noise assessment. This report contains the analysis methodology and results.

Noise Fundamentals and Terminology

Noise is often described as unwanted sound. Sound is defined as any pressure variation in air that the human ear can detect. If the pressure variations occur frequently enough (at least 20 times per second), they can be heard, and are called sound. The number of pressure variations per second is called the frequency of sound and is expressed as cycles per second or Hertz (Hz). Definitions of acoustical terminology used in this report are presented in Appendix A.

Measuring sound directly in terms of pressure would require a very large and awkward range of numbers. To avoid this, the decibel scale was devised. The decibel scale uses the hearing threshold (20 micropascals of pressure) as a point of reference defined as 0 dB. Other sound pressures are then compared to the reference pressure and the logarithm is taken to keep the numbers in a practical range. The decibel scale allows a million-fold increase in pressure to be expressed as 120 dB. Another useful aspect of the decibel scale is that changes in decibel levels correspond closely to human perception of relative loudness. Figure 3 illustrates common noise levels associated with various sources.

The perceived loudness of sounds is dependent upon many factors, including sound pressure level and frequency content. However, within the usual range of environmental noise levels, perception of loudness is relatively predictable and can be approximated by weighting the frequency response of a sound level meter by means of the standardized A-weighting network. There is a strong correlation between A-weighted sound levels (expressed as dBA) and community response to noise. For this reason, the A-weighted sound level has become the standard tool of environmental noise assessment. All noise levels reported in this section are in terms of A-weighted levels.

Community noise is commonly described in terms of the "ambient" noise level, which is defined as the all-encompassing noise level associated with a given noise environment. A common statistical tool to measure the ambient noise level is the average, or equivalent, sound level (L_{eq}) over a given time period (usually one hour). The L_{eq} is the foundation of the Day-Night Average Level noise descriptor, L_{dn} , and shows very good correlation with community response to noise.

Figure 3
Common Noise Levels Associated with Various Sources

The Day-Night Average Level (L_{dn}) is based upon the average noise level over a 24-hour day, with a +10 decibel weighting applied to noise occurring during nighttime (10:00 p.m. to 7:00 a.m.) hours. The nighttime penalty is based upon the assumption that people react to nighttime noise exposures as though they were twice as loud as daytime exposures. Because L_{dn} represents a 24-hour average, it tends to disguise short-term variations in the noise environment. L_{dn} -based noise standards are commonly used to assess noise impacts associated with traffic, railroad and aircraft noise sources.

Criteria for Acceptable Noise Exposure

City of Rancho Cordova General Plan

Policies N.1.1 through N.1.4 of the Rancho Cordova Noise Element specifically pertain to noise generated by non-transportation noise sources, such as those from the proposed business park. Those policies, and the corresponding actions which are applied to those policies, are provided below:

Policy N.1.1 Establish standards and policies consistent with those in Tables N-1 and N-2 to govern maximum sound levels in new development.

Action N.1.2.1 – Adopt a Noise Ordinance with noise level performance standards, including maximum allowable noise exposure, ambient versus nuisance noise, method of measuring noise, and enforcement procedures.

Policy N.1.2 Ensure that the indoor and outdoor areas of new projects will be located, constructed, and shielded from noise sources in compliance with the City's noise standards to the maximum extent feasible.

Action N.1.2.1 – Require new development of noise-creating uses to conform with the City's maximum noise levels.

Action N.1.2.2 – Require an acoustical analysis as part of the environmental review process when noise-sensitive land uses are proposed in areas where current or projected exterior noise levels exceed the City's standards.

Action N.1.2.3 – Require any potential noise impacts identified during the acoustical analysis to be mitigated in the project design to the maximum extent feasible.

Policy N.1.3 Ensure that proposed non-residential land uses likely to exceed the City's standards do not create noise disturbances in existing noise-sensitive areas.

Action N.1.3.1 - Require an acoustical analysis as part of the environmental review process when proposed non-residential land uses are likely to produce noise levels that exceed the City's noise standards. The acoustical analysis must be prepared by a qualified person experienced in environmental noise assessment and architectural acoustics and must estimate existing and projected cumulative noise levels and compare those levels to the policies within this Element.

Action N.1.3.2 - Require any noise impacts identified in the acoustical analysis to be mitigated in conjunction with the project design.

Policy N.1.4 Mitigate noise created by proposed non-transportation noise sources to comply with the City's noise standards to the maximum extent feasible.

Action N.1.4.2 – Consider restricting the hours of operation of loading docks, trash compactors, and other noise-producing uses in commercial areas that are adjacent to residential uses.

The City's non-transportation noise level performance standards referenced in these policies are provided in Table N-1 of the Noise Element. That table is reproduced in this report below as Table 1.

Existing Ambient Noise Environment

The existing ambient noise level environment in the project vicinity is primarily defined by distant traffic noise from Routier Road and Systems Parkway, and to a lesser extent by industrial activities on adjacent parcels. To generally quantify existing noise levels in the project area, BAC conducted a continuous (72-hour) noise level survey on the project site from October 22-24, 2019 at the location indicated on Figure 1. Photographs of the noise level measurement location are provided in Appendix B. The noise measurement location was selected to be representative of the existing ambient noise level environment at the nearest residential uses to the north of the project.

A Larson-Davis Laboratories (LDL) Model 820 precision integrating sound level meter was used to complete the noise level measurement survey. The meter was calibrated before and after use with an LDL Model CAL200 acoustical calibrator to ensure the accuracy of the measurements. The equipment used meets all pertinent specifications of the American National Standards Institute for Type 1 sound level meters (ANSI S1.4).

The noise level measurement survey results are summarized below in Table 2. The detailed results of the ambient noise survey are contained in Appendix C in tabular format and graphically in Appendix D.

The Table 2 data indicate that measured average hourly and maximum noise levels at the nearest residential uses to the north ranged from 50-53 dB L_{eq} and 66-71 dB L_{max} (respectively) during daytime hours. In addition, measured average hourly and maximum noise levels during nighttime hours at this location ranged from 50-52 dB L_{eq} and 62-64 dB L_{max}, respectively.

As shown in Table 2, measured ambient daytime noise levels at the nearest residential uses to the north are in close agreement with the City's daytime noise level performance standards. However, measured ambient nighttime noise levels at this location exceed the City's nighttime noise level performance standards. Detailed analyses of on-site project-generated noise levels at the nearest residences were conducted and those analyses are presented in the following section.

Noise Generation of the Proposed Project

According to the project site plan (dated August 3, 2020), the project proposes the construction of 16 buildings of various sizes for office and warehouse uses. Buildings 1-12 (approximately 5,000 ft.²) are proposed to be centrally located on the project site and will have fenced outdoor storage yards. Buildings 11 and 12 (approximately 17,500 ft.²) are proposed to be constructed near the northern end of the project site and will also have fenced outdoor storage yards. The largest proposed structure, Building 13 (approximately 46, 200 ft.²), is proposed to be located on the northeastern end of the property and will have three depressed truck loading docks. Lastly, Buildings 14-16 (approximately 5,000-6,000 ft.²) are proposed to be located on the southern end of the project site. Figure 2 shows the location of the proposed buildings, fenced storage yards, and loading docks.

Noise generated by heavy trucks arriving and departing the site, backing into the loading docks, and coupling/decoupling, will be one of the primary noise sources associated with this project. Once the heavy trucks are docked at the loading bays, they will be loaded and unloaded from within the building, so no outside loading/unloading activities would occur, and noise generated by such activities would be contained within the building. Other primary noise sources associated

Bollard Acoustical Consultants, Inc. (BAC)

with the project have been identified as on-site vehicle circulation, activities within the outdoor storage yards, and mechanical equipment (HVAC). According to the project applicant, the HVAC equipment will be located on the rooftop of proposed buildings and would be shielded from view of nearby ground level residential uses by building parapets. The project applicant has further stated that in the event that project building parapets do not provide shielding of the HVAC equipment at nearby ground level residential uses, additional screening will be provided (e.g., localized screen walls).

Noise generated by project-related activities were quantified through a combination of reference noise level measurements and application of accepted noise modeling techniques. Separate discussions of noise generated by on-site heavy truck circulation, trailer coupling/decoupling, on-site vehicle circulation, and outdoor storage yard activities at the nearest residences to the north are provided in the following sections.

The City of Rancho Cordova establishes daytime and nighttime performance standards of 55 and 45 dB L_{eq} . It is our understanding that activities associated with business park operations, including the arrivals and departures of heavy trucks, will occur during daytime hours only (7:00 a.m. to 10:00 p.m.). As a result, the following sections focus on the analysis of project-generated noise exposure relative to the City's daytime performance standard of 55 dB L_{eq} .

On-Site Heavy Truck Circulation

Based on review of the project site plan, there are a total of three (3) heavy truck loading dock bays proposed as part of this project (all of which are located at Building 13). Assuming each bay had two (2) trailers delivered and two (2) trailers removed each day (believed to be a conservative assumption), the project would generate six (6) heavy truck circulation operations on-site per day. In order to assess project on-site truck circulation noise exposure relative to the City's hourly average (L_{eq}) noise level descriptor, it is necessary to identify the number of truck movements occurring during a typical busy hour of operations to assess compliance with the L_{eq} -based standards. Based on six (6) heavy truck trips per day and 15-hour operations (daytime hours – 7:00 a.m. to 10:00 p.m.), the average number of heavy trucks that would be leaving or arriving the site during any given hour computes to approximately 0.4. However, for a conservative estimate of project noise generation, it was assumed that as many as three (3) trips could occur during any given hour. The conservative assumption of 3 truck trips per hour allows for up to 15 trailers delivered and 15 trailers removed at each loading bay per day. According to the project applicant, the estimation of 15 truck trips per bay per day is a very high estimate and is unlikely.

Heavy truck arrivals and departures, and on-site truck circulation, will occur at low speeds. To quantify the noise generation of slow-moving trucks, BAC utilized single-event passby noise test results for slow-moving heavy trucks conducted at the West El Camino truck stop in Sacramento, California. The passby measurements were conducted at a reference distance of 50 feet at a location suitable for isolation of individual passby events.

During the truck passbys, Larson-Davis Laboratories Model 820 and 2900 sound level meters and frequency analyzers were used to quantify noise levels and event frequency content for each event. The results of the heavy truck measurements indicated that maximum noise levels ranged from 69 to 77 dB L_{max} , with a mean of 74 dB. Truck passby levels measured in terms of Sound

Bollard Acoustical Consultants, Inc. (BAC)

Exposure Levels (SEL) ranged from 77 to 85 dB, with a mean of 83 dB SEL. Based on the conservative estimate of three (3) trips per hour, and an SEL of 83 dB per passby, the hourly average noise level generated by on-site circulation computes to 52 dB L_{eq} at a reference distance of 50 feet from the passby route.

Figures 1 and 2 show the locations of the assumed on-site truck circulation route and nearest residential use (Receiver 1). The nearest residential backyard to the on-site truck circulation route (Receiver 1) is located approximately 35 feet from the center of the truck lane. Assuming standard sound wave spreading loss (-4.5 dB per doubling of distance from a moving point source), and a reference noise level of 52 dB L_{eq} at a distance of 50 feet from the passby route (as indicated above), on-site heavy truck circulation noise exposure at the backyard of Receiver 1 was calculated and the results of those calculations are presented below in Table 3. It should be noted that the predicted on-site truck circulation noise level at Receiver 1 is based on the above-mentioned reference noise level which assumes a total of 3 truck passbys in a given hour, and further assumes that all 3 of those trucks would utilize the northern-most truck route around Building 13 (closest to Receiver 1). Based on conversations with the project applicant, it is more likely that only a portion of the trucks would realistically use the northern-most route around the building, if at all.

The predicted on-site truck circulation noise level presented in Table 3 includes consideration of the shielding provided by the proposed 6-foot tall CMU wall along the northern end of the project property and has been adjusted by -5 dB. The location of the proposed solid barrier is shown on Figure 2.

Table 3
Predicted On-Site Truck Circulation Noise Exposure vs. City Daytime Noise Criteria

Source: <i>Bollard Acoustical Consultants, Inc. (2020)</i>			

The Table 3 data indicate that on-site truck circulation noise exposure at Receiver 1 is predicted to satisfy the City of Rancho Cordova daytime performance standard, including the shielding provided by the proposed 6-foot tall CMU noise barrier along the northern end of the project parcel boundary. However, in order to reduce the potential for an exceedance of the City's daytime noise criteria at other nearby residences to the northeast, it is recommended that the proposed 6-foot tall noise barrier be extended around northeast end of the project parcel boundary, as indicated in Figure 2. Lastly, the predicted on-site truck circulation noise level of 50 dB L_{eq} at Receiver 1 is within the range of measured ambient daytime noise levels at the nearest residence (Site 1). As a result, no further consideration of noise mitigation measures would be warranted for this aspect of the project.

Heavy Truck Backing and Trailer Coupling/Decoupling

The project proposes the construction of three (3) depressed loading dock areas attached to Building 13. Figure 2 shows the location of Building 13 and the associated loading dock areas. Noise would be generated during brief periods by trucks backing into those loading bays (backup beepers) during trailer coupling/decoupling activities.

It is assumed for the purposes of this analysis that trucks would not be permitted to idle while on-site, and that refrigerator trucks (if applicable) would be plugged into loading bay power. The project applicant has indicated that Building 13, which contains all of the truck dock bays, will be used for storage of dry goods only. It is the understanding of BAC that dry goods do not typically require refrigeration, and thus, would not need to be plugged into loading bay power. Further, the project applicant has stated that the associated delivery trucks would not be equipped with refrigeration units. Based on the information above, an analysis of refrigerator truck noise exposure was not included in this assessment.

To quantify the noise generated by backup warning devices and trailer coupling/decoupling, BAC conducted noise level measurements of a truck distribution facility in Patterson, California over a 48-hour period beginning Wednesday, August 26, 2015. Figure 4 shows a photograph of the noise measurement position and adjacent truck distribution facility.

Figure 4
Patterson Truck Distribution Facility Noise Monitoring Location

The noise level results from the Patterson facility indicated that the measured average noise levels for the entire monitoring period were 54 dB L_{eq} and 71 dB L_{max} at a distance of 100 feet from the effective noise center of the truck backing, coupling and decoupling area. Assuming standard spherical spreading loss (-6 dB per doubling of distance), truck backing, coupling and

Bollard Acoustical Consultants, Inc. (BAC)

decoupling noise exposure at the backyard of nearest residential use (Receiver 1) was calculated and the results of those calculations are presented in Table 4.

The predicted heavy truck backing/coupling/decoupling noise level presented in Table 4 includes consideration of the shielding provided by the proposed 6-foot tall CMU wall along the northern end of the project property and has been adjusted by - 5 dB. The location of the proposed barrier is shown on Figure 2.

Table 4

Source: <i>Bollard Acoustical Consultants, Inc. (2020)</i>			

As indicated in Table 4, noise exposure generated by on-site truck backing (back-up beepers) and trailer coupling/decoupling at Receiver 1 is predicted to satisfy the City of Rancho Cordova daytime performance standard, including the shielding provided by the proposed 6-foot tall CMU noise barrier as indicated on Figure 2. In addition, the predicted heavy truck backing/coupling/decoupling noise level of 46 dB L_{eq} at Receiver 1 is within the range of measured ambient daytime noise levels at the nearest residence (Site 1). As a result, no further consideration of noise mitigation measures would be warranted for this aspect of the project.

On-Site Vehicle Circulation

The project site plan indicates that the access points to the proposed business park would occur at Systems Parkway and Routier Road. The business park access points are shown on Figure 2.

To quantify on-site vehicle circulation noise exposure at the nearest residential uses, BAC utilized information from the Institute of Transportation Engineers (ITE) Trip Generation Manual (9th Edition) and the Federal Highway Administration Highway Traffic Noise Prediction Model (FHWA RD-77-108). The FHWA Model was developed to predict hourly L_{eq} values for free-flowing traffic conditions. The ITE Manual indicates that general light industrial uses, such as associated with Buildings 1-12 and Buildings 14-16, generate approximately 0.97 vehicle trips per 1,000 ft². The ITE Manual also indicates that warehousing uses, such as those associated with Building 13, generate approximately 0.32 vehicle trips per 1,000 ft². Based on the provided ITE trip generation rates and the building square footage indicated in the project site plan, the business park would generate a total of approximately 115 vehicles trips per day. Assuming an on-site vehicle speed of 25 mph (through the parking area), and 58 (57.5) vehicle trips in a worst-case hour (50% of total daily trips – very conservative), project on-site vehicle circulation noise exposure at the

Bollard Acoustical Consultants, Inc. (BAC)

nearest receivers to the north (Receivers 1, 3, and 4) was calculated and the results of those calculations are provided in Table 5.

The predicted on-site circulation noise level at Receiver 1 includes consideration of the shielding provided by the proposed 6-foot tall CMU wall along the northern end of the project property and have been adjusted by -5 dB. No adjustments were applied to predicted on-site vehicle circulation noise exposure at Receivers 3 and 4.

Source: <i>Bollard Acoustical Consultants, Inc. (2019)</i>			

As indicated in Table 5, worst-case noise exposure generated by on-site vehicle circulation at Receivers 1, 3 and 4 is predicted to satisfy the City of Rancho Cordova daytime performance standard, including the shielding provided by the proposed 6-foot tall CMU noise barrier as indicated on Figure 2. In addition, predicted on-site vehicle circulation noise levels of 34-41 dB L_{eq} at the nearest receivers are below measured ambient daytime noise levels at the nearest residence (Site 1). As a result, no further consideration of noise mitigation measures would be warranted for this aspect of the project.

Outdoor Storage Yard Activities

The project proposes to include outdoor storage yard areas of various sizes for businesses of the development. Figure 2 shows the locations of the outdoor storage yard areas. It is expected that worst-case outdoor storage yard noise exposure at the nearest residences to the north is expected to be generated from the areas in between Buildings 11 and 12. As a result, the following analysis focuses on noise levels generated from the outdoor storage yards associated with Buildings 11 and 12 at the closest residential uses to the north (Receivers 1-3).

It is the experience of BAC in similar industrial park projects that outdoor yards such as those proposed by the project typically include activities such as vehicles movements and forklift operations. To quantify project outdoor storage yard activity noise levels at the nearest residences, BAC utilized reference file data from previous industrial and commercial projects. According to BAC file data, typical Sound Exposure Level (SEL) due to automobile arrivals/departures, including car doors slamming and people conversing is approximately 70 dB

Bollard Acoustical Consultants, Inc. (BAC)

at a distance of 50 feet. The hourly average noise level generated by vehicle movements is computed using the following formula:

$$\text{Peak Hour } L_{eq} = 70 + 10 \log(N) - 35.6$$

Where 70 is the mean Sound Exposure Level (SEL) for an automobile arrival or departure, N is the number of vehicle movements in a given hour, and 35.6 is 10 times the logarithm of the number of seconds in an hour. For a conservative estimate of vehicle movements, it was assumed that the outdoor storage yards in between Buildings 11 and 12 could have eight (8) vehicles arriving or departing the area in a worst-case hour. BAC file data also indicate that forklift operations are measured to be approximately 69 dB at a distance of 30 feet. Based on the above-mentioned reference noise levels, and assuming standard spherical spreading loss (-6 dB per doubling of distance), outdoor yard noise exposure at the backyards of the nearest residential uses (Receivers 1-3) was calculated and the results of those calculations are presented in Table 6.

Predicted outdoor storage yard noise levels at Receivers 1 and 2 include consideration of the shielding provided by the proposed 6-foot tall CMU wall along the northern end of the project property and have been adjusted by -5 dB. In addition, the proposed orientation of the storage yards associated with Buildings 11 and 12 is such that Building 12 would provide partial screening of the areas at the nearest receivers. To account for this screening, predicted outdoor storage area noise levels at Receivers 1-3 have been adjusted by -5 dB.

Table 6

³ Predicted outdoor storage yard noise levels at Receivers 1 and 2 include consideration of shielding provided by the proposed 6-foot tall CMU wall along the northern project property line and have been adjusted by -5 dB. In addition, an adjustment of -5 dB was included for predicted storage yard noise levels at all receivers to account for the partial screening that would be provided by Building 12.

Source: *Bollard Acoustical Consultants, Inc. (2019)*

As indicated in Table 6, the combined noise exposure generated by outdoor storage yard activities at Receivers 1-3 is predicted to satisfy the City of Rancho Cordova daytime performance standard, including the shielding provided by the proposed 6-foot tall CMU noise barrier as indicated on Figure 2. In addition, the predicted combined outdoor storage yard noise levels of 40-46 dB L_{eq} at Receivers 1-3 are below measured ambient daytime noise levels at the nearest

Bollard Acoustical Consultants, Inc. (BAC)

residence (Site 1). As a result, no further consideration of noise mitigation measures would be warranted for this aspect of the project.

Conclusions and Recommendations

Noise levels associated with on-site operations at the proposed Mather Business Park are not expected to significantly increase ambient noise levels at the nearest residential receivers. In addition, noise levels generated from project on-site operations are predicted to comply with the applicable City of Rancho Cordova noise level criteria at the nearest residential uses provided that the following specific recommendations and mitigation measures are implemented:

1. Business park operations should be limited to daytime hours (7:00 a.m. to 10:00 p.m.), as proposed.
2. The project design should include the construction of a 6-foot tall masonry wall along the northern project property boundary, as proposed.
3. The project design should include an extension of the 6-foot tall masonry barrier along the northeastern boundary. Figure 2 shows the location of the recommended barrier extension.
4. In the event that project building parapets do not provide shielding of rooftop HVAC equipment at nearby ground level residential uses, additional screening should be provided (e.g., localized screen walls).
5. In the event that project delivery trucks have refrigerator units, the trucks should be plugged into loading bay power while on-site.

This concludes BAC's environmental noise assessment for the proposed Mather Business Park. Please contact BAC at (916) 663-0500 or dariog@bacnoise.com with any questions regarding this analysis.

Appendix A

Acoustical Terminology

Acoustics	The science of sound.
Ambient Noise	The distinctive acoustical characteristics of a given space consisting of all noise sources audible at that location. In many cases, the term ambient is used to describe an existing or pre-project condition such as the setting in an environmental noise study.
Attenuation	The reduction of an acoustic signal.
A-Weighting	A frequency-response adjustment of a sound level meter that conditions the output signal to approximate human response.
Decibel or dB	Fundamental unit of sound, A Bell is defined as the logarithm of the ratio of the sound pressure squared over the reference pressure squared. A Decibel is one-tenth of a Bell.
CNEL	Community Noise Equivalent Level. Defined as the 24-hour average noise level with noise occurring during evening hours (7 - 10 p.m.) weighted by a factor of three and nighttime hours weighted by a factor of 10 prior to averaging.
Frequency	The measure of the rapidity of alterations of a periodic signal, expressed in cycles per second or hertz.
L_{dn}	Day/Night Average Sound Level. Similar to CNEL but with no evening weighting.
L_{eq}	Equivalent or energy-averaged sound level.
L_{max}	The highest root-mean-square (RMS) sound level measured over a given period of time.
Loudness	A subjective term for the sensation of the magnitude of sound.
Masking	The amount (or the process) by which the threshold of audibility is for one sound is raised by the presence of another (masking) sound.
Noise	Unwanted sound.
Peak Noise	The level corresponding to the highest (not RMS) sound pressure measured over a given period of time. This term is often confused with the Maximum level, which is the highest RMS level.
RT₆₀	The time it takes reverberant sound to decay by 60 dB once the source has been removed.
Sabin	The unit of sound absorption. One square foot of material absorbing 100% of incident sound has an absorption of 1 sabin.
SEL	A rating, in decibels, of a discrete event, such as an aircraft flyover or train passby, that compresses the total sound energy of the event into a 1-s time period.
Threshold of Hearing	The lowest sound that can be perceived by the human auditory system, generally considered to be 0 dB for persons with perfect hearing.
Threshold of Pain	Approximately 120 dB above the threshold of hearing.

RE: Mather Business Park Biological Resource Review

INTRODUCTION

The City of Rancho Cordova is reviewing the proposed Mather Business Center (Project). The Project is in the City of Rancho Cordova, at the intersection of Systems parkway and Routier Road (**figures 1 and 3**).

ENVIRONMENTAL SETTING

A project site survey was undertaken in March 30, 2020. The Project site consists of a 11+acre parcel that has been graded. The parcel that is surrounded by open space, industrial, and residential development. The Project site is disturbed and consists of sparse ruderal grasslands. Federal or state protected wetlands or other sensitive resources (wildlife and plants) were not present on the parcel during the survey. The SSHCP landcover mapping identifies the site as "disturbed" (**Figure 3**)

The California Natural Diversity Database (CNDDDB) search revealed four sensitive species that occur within 0.5 miles of the Project but not on the Project (**Figure 2**). Habitat for these species does not occur on the site. Hairy water beetle and vernal pool fairy shrimp require aquatic features, which this site lacks. The lack of small mammals burrows due to disking and the deep clay nature of the site: in addition to the scant ground cover supports the conclusion that the Project does not provide suitable habitat for western burrowing owl (*Athene cunicularia*) and unlikely supports foraging Swainson's Hawk (*Buteo swainsoni*).

Should construction occur during the avian nesting seasons (February – August), construction activities could disturb active nest sites located outside the Project but within 100-feet of construction. Nest surveys should be conducted prior to construction commencement and active nests should be avoided with a 50-foot "no activity exclusion zone" established around the active nest site. This buffer can be removed once the nest site is no longer active.

CONCLUSION

Project impacts to sensitive species is less than significant,

INTRODUCTION

The project involves a 11-acre parcel proposed for industrial development within the existing Mather Business Park in Rancho Cordova, California. The project area includes Assessor's Parcel numbers 077-0360-016, 077-0360-028 and 077-0360-038. The project is irregularly shaped and is bounded by short section of Routier Road on the west side, and Systems Parkway on the southeast side. George Washington Carver school lies to the south of the property at the northeast corner of Routier Road and Systems Parkway. The Sacramento Gun Club lies to the north, along Routier Road. The project area lies on lands of the Rancho Rio de los Americanos land grant (Figure 1).

Figure 2 details the proposed layout and phasing of the project.

CALIFORNIA REGULATIONS

State historic preservation regulations affecting this project include the statutes and guidelines contained in the California Environmental Quality Act (CEQA; Public Resources Code sections 21083.2 and 21084.1 and sections 15064.5 and 15126.4 (b) of the CEQA Guidelines). CEQA Section 15064.5 requires that lead agencies determine whether projects may have a significant effect on archaeological and historical resources. Public Resources Code Section 21098.1 further cites: A project that may cause a substantial adverse change in the significance of an historical resource is a project that may have a significant effect on the environment.

An "historical resource" includes, but is not limited to, any object, building, structure, site, area, place, record or manuscript that is historically or archaeologically significant (Public Resources Code section 5020.1).

Advice on procedures to identify such resources, evaluate their importance, and estimate potential effects is given in several agency publications such as the series produced by the Governor's Office of Planning and Research (OPR), *CEQA and Archaeological Resources*, 1994. The technical advice series produced by OPR strongly recommends that Native American concerns and the concerns of other interested persons and corporate entities, including, but not limited to, museums, historical commissions, associations and societies be solicited as part of the process of cultural resources inventory. In addition, California law protects Native American burials, skeletal remains and associated grave goods regardless of the antiquity and provides for the sensitive treatment and disposition of those remains (California Health and Safety Code Section 7050.5, California Public Resources Codes Sections 5097.94 et al).

Figure 1

The California Register of Historical Resources (Public Resources Code Section 5020 et seq.)

The State Historic Preservation Office (SHPO) maintains the California Register of Historical Resources (CRHR). Properties listed, or formally designated as eligible for listing, on the National Register of Historic Places are automatically listed on the CRHR, as are State Landmarks and Points of Interest. The CRHR also includes properties designated under local ordinances or identified through local historical resource surveys.

For the purposes of CEQA, an historical resource is a resource listed in, or determined eligible for listing in the California Register of Historical Resources. When a project will impact a site, it needs to be determined whether the site is an historical resource. The criteria are set forth in Section 15064.5(a) (3) of the CEQA Guidelines, and are defined as any resource that does any of the following:

- A. Is associated with events that have made a significant contribution to the broad patterns of California's history and cultural heritage;
- B. Is associated with the lives of persons important in our past;
- C. Embodies the distinctive characteristics of a type, period, region, or method of construction, or represents the work of an important creative individual, or possesses high artistic values; or
- D. Has yielded, or may be likely to yield, information important in prehistory or history.

In addition, the CEQA Guidelines, Section 15064.5(a) (4) states:

The fact that a resource is not listed in, or determined to be eligible for listing in the California Register of Historical Resources, not included in a local register of historical resources (pursuant to section 5020.1(k) of the Public Resources Code), or identified in an historical resources survey (meeting the criteria in section 5024.1(g) of the Public Resources Code) does not preclude a lead agency from determining that the resource may be an historical resource as defined in Public Resources Code section 5020.1(j) or 5024.1.

California Health and Safety Code Sections 7050.5, 7051, And 7054

These sections collectively address the illegality of interference with human burial remains, as well as the disposition of Native American burials in archaeological sites. The law protects such remains from disturbance, vandalism, or inadvertent destruction, and establishes procedures to be

implemented if Native American skeletal remains are discovered during construction of a project, including the treatment of remains prior to, during, and after evaluation, and reburial procedures.

California Public Resources Code Section 15064.5(e)

This law addresses the disposition of Native American burials in archaeological sites and protects such remains from disturbance, vandalism, or inadvertent destruction. The section establishes procedures to be implemented if Native American skeletal remains are discovered during construction of a project and establishes the Native American Heritage Commission as the entity responsible to resolve disputes regarding the disposition of such remains.

Assembly Bill 52

Assembly Bill (AB) 52 establishes a formal consultation process for California tribes as part of CEQA and equates significant impacts on tribal cultural resources with significant environmental impacts. AB 52 defines a “California Native American Tribe” as a Native American tribe located in California that is on the contact list maintained by the Native American Heritage Commission. AB 52 requires formal consultation with California Native American Tribes prior to determining the level of environmental document if a tribe has requested to be informed by the lead agency of proposed projects. AB 52 also requires that consultation address project alternatives, mitigation measures, for significant effects, if requested by the California Native American Tribe, and that consultation be considered concluded when either the parties agree to measures to mitigate or avoid a significant effect, or the agency concludes that mutual agreement cannot be reached. Under AB 52, such measures shall be recommended for inclusion in the environmental document and adopted mitigation monitoring program if determined to avoid or lessen a significant impact on a tribal cultural resource.

CULTURAL HISTORY**Archeological Background**

The Sacramento Delta was one of the first regions in California to attract intensive archeological fieldwork. Between 1893 and 1901, avocational archeologist J. A. Barr excavated many prehistoric mounds in the Stockton area. He collected nearly 2000 artifacts during the course of his investigations. H. C. Meredith was another avocational archeologist of the period who pursued collecting in the same Stockton locality. Meredith (1899, 1900) did publish a compilation of his own and Barr's findings, and these appear to constitute the earliest accounts of delta archeology. Holmes (1902), from the Smithsonian Institution, further elaborated on the delta or “Stockton District” archeology, presenting illustrations of artifacts collected by Meredith and Barr.

It was Elmer J. Dawson who first recognized culture changes through time in delta archeology. Though he was an amateur archeologist, Dawson understood the necessity of keeping accurate notes on grave associations and provenience of artifacts. He collaborated with W. E. Schenck to produce an overview of northern San Joaquin Valley archeology (Schenck and Dawson 1929). The overview contained information on more than 90 prehistoric sites as well as data on previous collectors.

By 1931, the focus of archeological work was directed toward the Cosumnes River locality, where survey and exploration were conducted by Sacramento Junior College (Lillard and Purves 1936). Excavations, especially at the stratified Windmill mound (CA-SAC-107), suggested three temporally distinct cultural traditions: Early, Transitional, and Late. Information grew as a result of excavations at other mounds in the delta and lower Sacramento Valley by Sacramento Junior College and the University of California, Berkeley.

Previous investigations in the project region have focused upon very detailed archival research of Spanish sources (Bennyhoff 1977), reexamination of earlier work (Ragir 1972; Schulz 1981; Doran 1980) and archeological investigations at a number of small sites (Schulz et al. 1979; Schulz and Simons 1973; Soule 1976). Several of the previously investigated sites probably represent satellite encampments or small villages associated with major villages. The majority of the sites appear to be relatively late in time, and probably represent Plains Miwok. The activities practiced are varied, but detailed studies on the faunal collection suggest seasonality of occupation and a focus on fish species other than the main channel varieties.

Writing the definitive summary of California archeology, Moratto (1984: 529-547) devoted an entire chapter to linguistic prehistory. For the Central Valley region, Moratto points out that some Early Horizon and Middle Horizon central California archeological sites appear at least in part, contemporaneous, based on existing radiocarbon dates. Cultural materials recovered from CA-SJO-68, an Early Horizon site, are thought to relate to date to 4350 ± 250 B.P. or 2350 B.C. On the other hand, a Middle Horizon component at CA-CCO-308 dates to 4450 ± 400 B.P. or 2450 B.C. The antiquity of other Early and Middle Horizon sites demonstrates an overlap of the two horizons by a millennium or more.

One explanation proposes that the Middle Horizon represents an intrusion of ancestral Miwok speaking people into the lower Cosumnes, Mokelumne, and Sacramento River areas from the Bay Area. The Early Horizon may represent older Yokuts settlements or perhaps the speakers of a Utian language who were somehow replaced by a shift of population(s) from the bay.

Ethnology

At the time of the gold rush, the project vicinity was occupied by the Nisenan Indians, identified by the language they spoke. There have been several general treatments of the Nisenan culture by Beals 1933; Kroeber 1929, 1953; Littlejohn 1928; Wilson and Towne 1978 and Wilson 1982. There are also several more specific articles on various aspects of their culture as reported in the bibliography and elsewhere.

The Nisenan peoples occupied the drainages of the Yuba, Bear, and the American Rivers from the Sacramento River on the west to the summit of the Sierra in the east. The Foothill and Hill Nisenan peoples were distinctive from the Valley Nisenan and were loosely organized into tribelets or districts with large central villages, surrounded by smaller villages. These are often referred to as winter villages by older Indians. These central villages and their leaders seemed to have had power or control over the surrounding smaller villages and camps and specific surrounding territory (Beals 1933; Littlejohn 1928; Wilson and Towne 1978). These districts were oriented to the natural resources and the landforms.

In the foothills and mountains, the major drainages became formal or informal boundaries with the land in between forming the district. Thus, the Placerville District is between the Cosumnes River and the Middle Fork of the American River, the Auburn District between the Middle Fork of the American River and the Bear River and the Nevada City District between the Bear River and the Yuba River.

All the Nisenan depended on activities attuned to the seasonal ripening of plant foods and the seasonal movements and migration of the animals and the runs of fish. With the flooding of the valley in the winter and spring a great number of animals such as elk, antelope and bears moved to the natural levees along the rivers and up into the lower foothills. Along the foothill margins they joined the resident and migratory deer herds. Huge flocks of waterfowl visited the flooded areas between the rivers and the foothills, coveys of quail gathered in the fall, and pigeons were common in the fall and spring. Steelhead and salmon ran up most of the major streams including Secret Ravine and Auburn Ravine in the fall, winter and spring. The hunting of these plentiful resources was part of the foothill lifeway.

This same bounty was available to the river-oriented valley peoples out on the valley floor and along the natural levees of the rivers. Major north-south Indian trails along the margin of the foothills were usable year around as well as other trails east and west along the natural levees of the stream courses. There was probably not a great deal of competition for resources at this time except in lean years. Both the valley and foothill peoples lived at the edges of rich ecotones: the rivers and the valley floor, and the valley floor and the foothills.

While the Hill Nisenan to the east in the foothills carried on trade with the valley peoples and shared some of the cultural traits, they lacked the complexity or richness of the Valley Nisenan. The Hill Nisenan had a different resource base to work with which required greater mobility and a more intense use of the available resources (Matson 1972). They developed a local culture that was more oriented to the gathering, storage and year-round use of the acorn, continual foraging of resources by everyone in the village group, specialized hunting strategies and availability of different plants to gather and process (Erskian and Ritter 1972). They depended on activities attuned to the seasonal ripening of plant foods and the seasonal migrations and increased populations of animals and insects. The foothill people relied more on foraging for food, for immediate use or short-term storage, rather than gathering for future needs. This meant they had to be much more mobile in their use of the land and its resources. Population densities and the large number of campsites reflect the more limited ability to acquire and utilize the fewer available resources: they had to work harder for less.

This continual movement meant the foothill people did not have large year-round villages. There are no known major villages in the foothills or mountains that can compare with the valley permanent village sites or population densities. However, there are hundreds of small campsites and villages scattered across the foothills and mountains with certain localities as the centers for these hill peoples.

It appears that the hill people were more socially organized around the extended family than to the village and would often camp in informal family groups around the central village. Since they did some foraging and extensive fishing and hunting in the winter they needed to have some access to a resource base at all times. However, due to the ability to store acorns and other dried foods and take advantage of the winter concentrations of game, birds and fish, they could congregate in larger villages in the wintertime. There is some evidence that these winter villages were moved at times if the local resources were too badly depleted. Over a long period of time a center village may have been abandoned and moved and then reoccupied at a later time. Many place names refer to these old or unoccupied sites.

At the central villages there was the need to build and maintain more substantial houses for winter living. Larger family houses, a dance house and acorn granaries were part of these winter quarters. The availability of firewood may also have been a factor in the preference for living up in the oak woodlands of the foothills. Winter was the time of ceremonies, social gatherings and marriages. Shamans had contests, children were trained, and trade items, tools, baskets and equipment were made and repaired.

Historic Context

The 1833 malaria epidemic that decimated the native peoples in the Central Valley played a major role in defining the post-Contact land use pattern of the people of the region, as well as impacting Euro-American economic development. The introduction of malaria to central California *circa* 1831 occurred as a result of expeditions of several fur brigades of the Hudson's Bay Company with infected individuals. The introduction of the disease led to the tremendous epidemic of 1833 that decimated the native population of the region. An estimated three quarters of the total native population of the region died from the disease in that year.

Malaria was epidemic in the mining camps of the Sierra foothill region, and remained endemic, with frequent sharp local outbreaks throughout the Central Valley until about 1880. The Third Biennial Report of the State Board of Health published in 1875, referenced an undated article from *The Placer Press* that reported, "Almost everybody living west of Gold Hill is either down with fever, or chills and fever, or more or less affected by the miasmatic poison generated and floating around in that locale" (Gray and Fontaine 1951:27).

William Leidesdorff, a prominent businessman in Yerba Buena (now San Francisco), was awarded the Rancho Rio de los Americans land grant by the Mexican government in 1844. The lands of the rancho totaled 35,500 acres on the south side of the American River, and extended from a line at what is now Bradshaw Road eastward into the area now covered in part by the City of Folsom.

Leidesdorff had several businesses in Yerba Buena and did not appear to visit the property too often. Leidesdorff unfortunately died in 1848, only two months after the discovery of gold at Coloma.

After James Marshall's discovery of gold at Coloma on the South Fork of the American River in 1848, thousands came to the Sierra foothills seeking their fortunes. The creeks and drainages throughout the foothill region were worked by the early miners, with varying degrees of success. Many towns grew up to provide goods and services to the miners. The project area was not subject to occupancy in the early era. The land's value for agriculture was eventually discovered, and early ownership consisted of large tracts of land, used for livestock grazing and dry land crops such as grain.

Captain Joseph L. Folsom, a land speculator, recognized the value of the land grant, and travelled to the Danish West Indies to purchase the land grant for \$75,000 from Leidesdorff's mother and heir. Folsom had constant legal problems, and a number of squatters occupied his holdings. The City of Folsom was laid out on the grant in 1855. Folsom, possibly due in part to the stress, died in 1855.

Joseph Routier had come to the United States from France in 1853 to work for Captain Folsom. He appears to have moved into the adobe on the adjacent property. When Folsom died in 1855, the executors of the estate retained Routier. When the land of the rancho was sold in 1863, Routier purchased one hundred acres. It should be noted that current day Folsom Boulevard follows the major travel route through the area, the road to Coloma. Not too far east, the road split, with a northern branch heading through Folsom and on to Coloma, and a southerly road to Placerville. A series of inns developed along the early roadways to provide lodging for the travelers to the gold mines to the east, as well as providing stopping places for the freight wagons that hauled goods and supplies to the mining communities in the foothill region.

The first railroad line in the west, the Sacramento Valley Railroad, completed in 1855, lies in the same location as the modern rail lines to the south of Folsom Boulevard. The railroad led to the demise of many of the inns along the Coloma Road, with many goods shipped by train to Folsom, and then freighting from Folsom, and heading eastward to their destination.

But the benefit of the railroad was the ability to ship the products from the farms and ranches rapidly to the railhead at Sacramento or Folsom, then transported to other markets. Routier began raising fruit including apricots, plums and grapes on his lands. The first rail station in this vicinity was at Patterson, later moved closer to Sacramento to Mayhew's, with a platform built for Mr. Routier's thriving fruit business near the project area in 1866. In 1872, the postmistress at Mayhew resigned, and a post office then established at Routier.

The suburban expansion of Sacramento, beginning in the post-World War II years of the late 1940s-early 1950s brought about the subdivision of most of the early agricultural tracts for residential purposes (Peak 2001).

RECORDS SEARCH

A record search has been conducted through the North Central Information Center to obtain information on all prior studies and sites located on or within a 1/8-mile radius of the property on June 16, 2020 (NCIC File No.: SAC-20-90, Appendix 2). The search indicated that no sites have been recorded on the property, with two historic sites recorded on the former Mather Air Force Base property. One survey for a new tower was completed by EarthTouch, Inc. in 2010 (NCIC Report #010478) covering a small portion of the northern project area.

FIELD ASSESSMENT

The goal of the studies proposed is to determine if cultural resources are present within any portion of the project area, and therefore be potentially subject to physical impacts. Melinda Peak completed a field survey of the project area on June 29, 2020, looking for any surface evidence of cultural resources, and using complete coverage of 5-10 meter wide transects.

The project area has been recently disked, and ground visibility is very good with scant grass and weed cover. The sediment is a light reddish brown in color, containing some small pebbles. Vegetation is limited to introduced trees and shrubs, primarily around the exterior boundary fence of the project area. The parcel appears to have been levelled in the past.

Several spots had not been disked due to the remnants of dumped concrete, asphalt, boulders, landscaping rock, tires and large sections of removed trees clearly brought in from another location.

No evidence was found of prehistoric or historic sites.

RECOMMENDATIONS

There is always a possibility that other sites may exist in the project area and be obscured by vegetation, siltation or historic activities, leaving no surface evidence. If artifacts, exotic rock, shell or bone are uncovered during the construction, work should stop in that area immediately. A qualified archeologist should be contacted to examine and evaluate the deposit.

In the event of discovery or recognition of any human remains in any location other than a dedicated cemetery, there shall be no further excavation or disturbance of the site or any nearby area suspected to overlie adjacent remains until the Sacramento County Coroner has determined that the remains are not subject to any provisions of law concerning investigation of the circumstances, manner and cause of death, and the recommendations concerning the treatment and disposition of the human remains have been made to the person responsible for the excavation, or

Figure 3

to his or her authorized representative. The coroner shall make his or her determination within two working days from the time the person responsible for the excavation, or his or her authorized representative, notifies the coroner of the discovery or recognition of the human remains.

If the Sacramento County Coroner determines that the remains are not subject to his or her authority and if the Coroner recognizes the human remains to be those of a Native American, or has reason to believe that they are those of a Native American, he or she shall contact, by telephone within 24 hours, the Native American Heritage Commission (NAHC).

After notification, the NAHC will follow the procedures outlined in Public Resources Code Section 5097.98, that include notification of most likely descendants (MLDs), and recommendations for treatment of the remains. The MLDs will have 24 hours after notification by the NAHC to make their recommendations (PRC Section 5097.98).

PROFESSIONAL EXPERIENCE

Ms. Peak has served as the principal investigator on a wide range of prehistoric and historic excavations throughout California. She has directed laboratory analyses of archeological materials, including the historic period. She has also conducted a wide variety of cultural resource assessments in California, including documentary research, field survey, Native American consultation and report preparation.

In addition, Ms. Peak has developed a second field of expertise in applied history, specializing in site-specific research for historic period resources. She is a registered professional historian and has completed a number of historical research projects for a wide variety of site types.

Through her education and experience, Ms. Peak meets the Secretary of Interior Standards for historian, architectural historian, prehistoric archeologist and historic archeologist.

EDUCATION

M.A. - History - California State University, Sacramento, 1989

Thesis: *The Bellevue Mine: A Historical Resources Management Site Study in Plumas and Sierra Counties, California*

B.A. - Anthropology - University of California, Berkeley

RECENT PROJECTS

Ms. Peak completed the cultural resource research and contributed to the text prepared for the DeSabra-Centerville PAD for the initial stage of the FERC relicensing. She also served cultural resource project manager for the FERC relicensing of the Beardsley-Donnells Project. For the South Feather Power Project and the Woodleaf-Palermo and Sly Creek Transmission Lines, her team completing the technical work for the project.

In recent months, Ms. Peak has completed several determinations of eligibility and effect documents in coordination with the Corps of Engineers for projects requiring federal permits, assessing the eligibility of a number of sites for the National Register of Historic Places. She has also completed historical research projects on a wide variety of topics for a number of projects including the development of navigation and landings on the Napa River, wineries, farmhouses dating to the 1860s, bridges, an early roadhouse, Folsom Dam and a section of an electric railway line.

In recent years, Ms. Peak has prepared a number of cultural resource overviews and predictive models for blocks of land proposed for future development for general and specific plans. She has been able to direct a number of surveys of these areas, allowing the model to be tested.

She served as principal investigator for the multi-phase Twelve Bridges Golf Club project in Placer County. She served as liaison with the various agencies, helped prepare the historic properties treatment plan, managed the various phases of test and data recovery excavations, and completed the final report on the analysis of the test phase excavations of a number of prehistoric sites.

Ms. Peak has served as project manager for a number of major survey and excavation projects in recent years, including the many surveys and site definition excavations for the 172-mile-long Pacific Pipeline proposed for construction in Santa Barbara, Ventura and Los Angeles counties. She also completed an archival study in the City of Los Angeles for the project. She also served as principal investigator for a major coaxial cable removal project for AT&T.

Additionally, she completed a number of small surveys, served as a construction monitor at several urban sites, and conducted emergency recovery excavations for sites found during monitoring. She has directed the excavations of several historic complexes in Sacramento, Placer and El Dorado Counties.

Ms. Peak is the author of a chapter and two sections of a published history (1999) of Sacramento County, *Sacramento: Gold Rush Legacy, Metropolitan Legacy*. She served as the consultant for a children's book on California, published by Capstone Press in 2003 in the Land of Liberty series.

Please forward a copy of any resulting reports from this project to the office as soon as possible. Due to the sensitive nature of archaeological site location data, we ask that you do not include resource location maps and resource location descriptions in your report if the report is for public distribution. If you have any questions regarding the results presented herein, please contact the office at the phone number listed above.

The provision of CHRIS Data via this records search response does not in any way constitute public disclosure of records otherwise exempt from disclosure under the California Public Records Act or any other law, including, but not limited to, records related to archeological site information maintained by or on behalf of, or in the possession of, the State of California, Department of Parks and Recreation, State Historic Preservation Officer, Office of Historic Preservation, or the State Historical Resources Commission.

Due to processing delays and other factors, not all of the historical resource reports and resource records that have been submitted to the Office of Historic Preservation are available via this records search. Additional information may be available through the federal, state, and local agencies that produced or paid for historical resource management work in the search area. Additionally, Native American tribes have historical resource information not in the California Historical Resources Information System (CHRIS) Inventory, and you should contact the California Native American Heritage Commission for information on local/regional tribal contacts.

Should you require any additional information for the above referenced project, reference the record search number listed above when making inquiries. Requests made after initial invoicing will result in the preparation of a separate invoice.

Sincerely,

Paul Rendes, Coordinator

MEMORANDUM

ITEM 19.1.

DATE: May 17, 2021

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Ben Chan, Assistant Civil Engineer

SUBJECT: **A RESOLUTION AWARDING CONSTRUCTION CONTRACT NO. 2021-79 IN AN AMOUNT NOT TO EXCEED \$5,521,993.40. WITH B & M BUILDERS, INC. FOR THE CORDOVA VINEYARDS NEIGHBORHOOD STREET REHABILITATION PROJECT PHASE 1**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution will authorize the City Manager to execute construction contract no. 2021-79 in an amount not to exceed \$5,521,993.40 with B&M Builders, Inc. to construct the Cordova Vineyards Neighborhood Street Rehabilitation Project Phase 1.

BACKGROUND

The Cordova Vineyards Neighborhood Street Rehabilitation Project Phase 1 includes an overlay of existing pavement to improve the road surfaces, sidewalk repairs and curb ramp upgrades to achieve compliance with the Americans with Disabilities Act, storm drain upgrades to improve flood protection, and other incidental work as required. The project will improve the aesthetics and safety in the neighborhood, and also improve traffic conditions for motorists, pedestrians and bicyclists. The project area is located in the Rancho Cordova neighborhood bordered by Coloma Road, Cordova Lane, Folsom Blvd, and Zinfandel Drive (see [Attachment 3](#) for map of project limits).

The contract award is based on the lowest combined total amount of the base bid plus alternate 1 and alternate 2 bids.

Bids for this work were solicited on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges on April 6th, 2021. Bids for the project were publicly opened on Tuesday, May 4th, 2021. A total of 11 bids were received and the lowest

responsible base bid was \$3,899,436.13.

Staff recommends also accepting the two bid alternatives. Bid Alternate 1 for \$951,200.30 and Bid Alternate 2 for \$671,356.97 to expand the project limits to include more streets in this project. Total base bid, plus the two bid alternates is \$5,521,993.40.

FISCAL IMPACT AND FUNDING SOURCE

Funding for this project will consist of Community Enhancement Funds, Gas Tax, Road Maintenance and Rehabilitation Fund, Measure A Maintenance Fund, Supplemental Transportation, Stormwater Enterprise Fund and Capital Infrastructure Fund.

This project is included in the City's current approved Capital Improvement Plan and in the 2019/20 budget.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT
NO. 2021-79 IN AN AMOUNT NOT TO EXCEED \$5,521,993.40 WITH B&M BUILDERS, INC.
TO CONSTRUCT THE CORDOVA VINEYARDS NEIGHBORHOOD STREET
REHABILITATION PROJECT – PHASE 1**

WHEREAS, the City solicited bids for the Cordova Vineyards Neighborhood Street Rehabilitation Project - Phase 1 under the requirements of state and local law and publicly opened bids on May 4, 2021; and

WHEREAS, the lowest responsible bidder was B&M Builders, Inc.; and

WHEREAS, adoption of this resolution will award construction Contract No. 2021-79 to B&M Builders, Inc. in an amount not to exceed \$5,521,993.40 for the Cordova Vineyards Neighborhood Street Rehabilitation Project - Phase 1; and

WHEREAS, funding for this project consists of Community Enhancement Funds, Gas Tax, Road Maintenance and Rehabilitation Fund, Measure A Maintenance Fund, Supplemental Transportation, Stormwater Enterprise Fund and Capital Infrastructure Fund. There is no impact to the City's General Fund; and

WHEREAS, this project was reviewed under the requirements of the California Environmental Quality Act (CEQA) at the time the City approved its five year Capital Improvement Program, and it has been determined to be exempt from further review pursuant to CEQA Regulation 15301(l) regarding repairs, maintenance, or minor alterations to "existing facilities," so long as the project only involves negligible or no expansion beyond the current facilities.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract No. 2021-79 in an amount not to exceed \$5,521,993.40 with B&M Builders, Inc. and in a form approved by the City Attorney.

CONTRACTORS LICENSE FORM**

Project No. CP20-2214

Project: 2020 Street Rehabilitation Project – RC02 Ph. 1

Any person or entity submitting a bid on this project to engage in the business or act in the capacity of a contractor shall be licensed as a contractor in accordance with the provisions of Division 3, Chapter 9 of the California Business and Professions Code. A bid submitted to the City by a contractor who is not licensed as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this project, the City must verify that the contractor was properly licensed when the contractor submitted his/her bid on this project. In order for the City to verify the license status of a contractor, the contractor, at the time he/she submits his/her bid for the project, shall provide in writing to the City his/her contractor's license number, name on the license, classification, and expiration date of the license.

No bid submitted to the City shall be invalidated by the failure of the bidder to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the City that the records of the Contractors' State License Board indicate that the contractor was properly licensed at the time the contract was awarded. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors' State License Board. Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.

CERTIFICATION

In accordance with the Business and Professions Code, we do hereby, under Penalty of Perjury, certify that the following contractor's license information is true and correct.

Addendum No. 1
Attachment A

EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION

The bidder B&M Builders, Inc.
proposed subcontractor All, hereby
certifies that he has ☒ , has not ☐ , participated in a previous contract or subcontract
subject to the equal opportunity clauses, as required by Executive Orders 10925, 11114, or 11246,
and that, where required, he has filed with the Joint Reporting Committee, the Director of the Office
of Federal Contract Compliance, a Federal Government contracting or administering agency, or the
former President's Committee on Equal Employment Opportunity, all reports due under the
applicable filing requirements.

Note: The above certification is required by the Equal Employment Opportunity Regulations of the
Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed
subcontractors only in connection with contracts and subcontracts which are subject to the
equal opportunity clause. Contracts and subcontracts which are exempt from the equal
opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts
of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders
or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous
contract or subcontract subject to the Executive Orders and have not filed the required
reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contracts and
subcontracts unless such contractor submits a report covering the delinquent period or such
other period specified by the Federal Highway Administration or by the Director, Office of
Federal Contract Compliance, U.S. Department of Labor.

PUBLIC CONTRACT CODE**PUBLIC CONTRACT CODE SECTION 10285.1 STATEMENT**

In conformance with Public Contract Code Section 10285.1 (Chapter 376, Stats. 1985), the bidder hereby declares under penalty of perjury under the laws of the State of California that the bidder has _____, has not ☒ been convicted within the preceding three years of any offenses referred to in that section, including any charge of fraud, bribery, collusion, conspiracy, or any other act in violation of any state or Federal antitrust law in connection with the bidding upon, award of, or performance of, any public works contract, as defined in Public Contract Code Section 1101, with any public entity, as defined in Public Contract Code Section 1100, including the Regents of the University of California or the Trustees of the California State University. The term "bidder" is understood to include any partner, member, officer, director, responsible managing officer, or responsible managing employee thereof, as referred to in Section 10285.1.

Note: The bidder must place a check mark after "has" or "has not" in one of the blank spaces provided. The above Statement is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Statement. Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

PUBLIC CONTRACT CODE SECTION 10162 QUESTIONNAIRE

In conformance with Public Contract Code Section 10162, the Bidder shall complete, under penalty of perjury, the following questionnaire:

Has the bidder, any officer of the bidder, or any employee of the bidder who has a proprietary interest in the bidder, ever been disqualified, removed, or otherwise prevented from bidding on, or completing a federal, state, or local government project because of a violation of law or a safety regulation?

Yes _____ No ☒

If the answer is yes, explain the circumstances in the following space.

PUBLIC CONTRACT CODE 10232 STATEMENT

In conformance with Public Contract Code Section 10232, the Contractor, hereby states under penalty of perjury, that no more than one final unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two year period because of the Contractor's failure to comply with an order of a federal court which orders the Contractor to comply with an order of the National Labor Relations Board.

Note: The above Statement and Questionnaire are part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Statement and Questionnaire.

Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO AWARD CONSTRUCTION CONTRACT NO. 2021-75 IN AN AMOUNT NOT TO EXCEED \$11,067,288.00 WITH TEICHERT CONSTRUCTION FOR THE WHITE ROCK ROAD - FITZGERALD ROAD TO 0.5 MILE EAST OF RANCHO CORDOVA PARKWAY PROJECT TO WIDEN/RE-ALIGN THE ROAD, INCREASE SAFETY, AND PROMOTE ECONOMIC RECOVERY**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will authorize the City Manager to execute Contract No. 2021-75 in an amount not to exceed \$11,067,288.00 with Teichert Construction for the White Rock Road - Fitzgerald Road to 0.5 Mile East of Rancho Cordova Parkway Project Project to widen/re-align the road, increase safety, and promote economic recovery.

BACKGROUND

The White Rock Road - Fitzgerald Road to 0.5 Mile East of Rancho Cordova Parkway is part of an innovative planning effort to alleviate regional congestion, improve roadway safety, nurture economic development, and promote the livability and quality of life in Rancho Cordova and the greater Sacramento region.

The current road condition is very poor which impedes safe and efficient transportation and freight movement and economic growth. The project will improve approximately 1.3 mile undivided 2-lane rural road of White Rock Road by replacing a deteriorating segment of roadway, realign and widen the road from two to four travel lanes to add capacity, add bike lanes, low impact developed landscaped median, drainage facilities, traffic signals, incorporate Intelligent Transportation Systems, and smart controllers that will communicate with the City's

traffic management center.

In November 2020 and in coordination effort with the County of Sacramento, an acquisition memorandum of understanding and a project road closure was presented and approved by the County Board of Supervisors. With that approval and Staff outreach, the project was advertised with the ability to close White Rock Road, from just east of Luyung Drive to approximately a mile east of that point, for a 6-month continuous duration.

This Project stands as an independent utility that will support immediate growth, traffic volumes, parallel capacity and economic driver for the local region.

Bids were solicited on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges on April 02, 2021. Bids for the project were publicly opened on Thursday, April 29, 2021. A total of seven bids were received and staff determined Teichert Construction to be the lowest responsive and responsible bidder. The bid summary sheet is provided as Attachment 3.

The lowest responsive and responsible total bid amount was \$11,067,288.00. Staff recommends the award of the construction contract for the total bid amount of \$11,067,288.00 to Teichert Construction.

The tentative project schedule is to begin construction in June/July 2021 and end construction in February/March 2022.

FISCAL IMPACT AND FUNDING SOURCE

Funding for this project consists of \$8,500,000 Federal Grants, Sacramento County Water Agency Reimbursement, Developer Contribution and Traffic Impact Mitigation Fees. There is no impact to the City's General Fund.

This project is included in the City's current approved Capital Improvement Plan and in the 2019/2020 budget. Additional funding for the project has been budgeted in FY 2021/22 and FY 2022/23 budget to be adopted by Council on June 7, 2021.

**CONSTRUCTION SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND [CONTRACTOR NAME] FOR THE
WHITE ROCK ROAD IMPROVEMENTS
FITZGERALD ROAD TO 0.5 MI EAST OF RANCHO CORDOVA PARKWAY
CITY PROJECT NO: CP07-2055
FEDERAL PROJECT NO: STPLCM-5482(013)**

THIS AGREEMENT made and entered into between the City of Rancho Cordova ("City") and A. Teichert & Son, Inc. dba Teichert Construction ("Contractor") as of May 17, 2021.

WITNESSETH:

WHEREAS, the City Council for the City heretofore caused plans and specifications for the WHITE ROCK ROAD IMPROVEMENTS – FITZGERALD ROAD TO 0.5 MI EAST OF RANCHO CORDOVA PARKWAY ("Project") to be prepared, and therefore did approve and adopt said plans and specifications; and

WHEREAS, the City Council for the City did cause to be published for the time and in the manner required by law, a notice inviting sealed bids for the performance of said work; and

WHEREAS, the notice was published on April 2, 2021 on CIPList.com ("Notice") and City of Rancho Cordova's webpage; and

WHEREAS, the Contractor, in response to such Notice, submitted to the City Council for the City within the time specified in said Notice, and in the manner provided for therein, a sealed bid for the performance of the Project specified in said plans and specifications, which said bid and proposal, and other bids and proposals submitted in response to said Notice, the City Council opened and canvassed in the manner provided by law; and

WHEREAS, the Contractor was the lowest responsible bidder for the performance of said Project, and said City Council for the City as a result of the canvass of said bids, did determine and declare Contractor to be the lowest responsible bidder for said Project and award to a contract therefore.

NOW THEREFORE, in consideration of the promises herein, it is mutually agreed between the parties hereto as follows:

Section 1. CONTRACT DOCUMENTS. The following documents are by this reference incorporated in and made a part of this Agreement: The State of California Standard Specifications and Standard Plans dated 2018; the Special Provisions; the contract drawings, all addenda; the Notice to Contractors; the Proposal; all required bonds; and all supplemental Agreements covering alterations, amendments, or extensions to the contract. The documents which describe the work to be performed are sometimes collectively referred to herein as the Plans and Specifications.

Section 2. SCOPE OF WORK. The Contractor will furnish all labor, materials, services, transportation, appliances, and mechanical workmanship required for Contract No. 2021-75, as provided for and set forth in said Plans and Specifications, or in either of them, which said Plans and Specifications are hereby referred and by such reference incorporated herein and made a part of this Agreement. All of the said work done under this Agreement shall be under the supervision of and performed to the satisfaction of the Public Works Director of the City of Rancho Cordova who shall have the right to reject any and all materials and supplies furnished by the Contractor which do not comply with the Plans and Specifications, together with the right to require the Contractor to

replace any and all work furnished by the Contractor which shall not either in workmanship or material be in strict accordance with the Plans and Specifications.

Section 3. COMPLETION. Said work shall be completed and ready for acceptance.

Section 4. PAYMENT. Attached hereto as Exhibit "A" and by reference made a part hereof, is the bid and proposal of Contractor. Said bid and proposal will contain, as required by the terms of said specifications, the full and complete schedule of the different items with the lump sums or unit prices as so specified. The City agrees in consideration of the work to be performed for the Project herein and subject to the terms and conditions thereof, to pay Contractor all sums of money which may become due to Contractor in accordance with the terms of the aforesaid bid and proposal, and this Agreement, to with: **Eleven Million Sixty Seven Thousand Two Hundred Eighty Eight Dollars (\$11,067,288.00)**. Said sum shall be paid in accordance with Section 8 of the Standard Specifications. With respect to that portion of the above sum as is based upon the estimated quantities specified for the general scope of the work to be performed herein, actual payment will be based upon the quantities as measured upon completion. No payment made under this Agreement shall be construed to be an acceptance of defective work or improper materials.

Section 5. PREVAILING WAGES. Pursuant to the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holidays and overtime work, for each craft, classification or type of worker needed to execute the Project contemplated under this Agreement shall be paid to all workers, laborers and mechanics employed in the execution of said Project by Contractor, or by any subcontractor doing or contracting to do any part of said Project. The appropriate determination of the Director of the California Department of Industrial Relations is filed with, and available for inspection at 2729 Prospect Park Drive, Rancho Cordova, CA 95670, the office of the Clerk of the City. Contractor shall post, at each job site, a copy of such prevailing rate of per diem wages as determined by the Director for the California Department of Industrial Relations.

Section 6. INSURANCE. The Contractor shall carry and maintain during the life of this Agreement, such public liability, property damage and contractual liability, auto, worker's compensation and builders' risk insurance as required by the specifications.

Section 7. WORKERS' COMPENSATION CERTIFICATION. By execution of this Agreement, the Contractor certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

Section 8. PERFORMANCE AND PAYMENT BONDS. The Contractor shall, before beginning said work for the Project, file two bonds with the City, each made payable to the City. These bonds shall be issued by a surety company authorized to do business in the State of California, and shall be maintained during the entire life of the Agreement at the expense of the Contractor. One bond shall be in the amount of one hundred percent (100%) of the Agreement and shall guarantee the faithful performance of the Agreement. The second bond shall be the payment bond required by

California Civil Code Section 3247 et seq., and shall be in the amount of one hundred percent (100%) of the Agreement. Any alterations made in the specifications which are a part of this Agreement or in any provision of this Agreement shall not operate to release any surety from liability on any bond required hereunder and the consent to make such alterations is hereby given, and any surety on said bonds hereby waives the provisions of California Civil Code Sections 2819 and 2845.

Section 9. INDEMNIFICATION

9.1 Contractor's Performance. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless City, its governing Board, officers, directors, agents, employees and volunteers from and against any and all claims, demands, actions, losses, liabilities, damages, and all costs incidental thereto, including cost of defense, settlement, arbitration, and reasonable attorneys' fees arising out of, pertaining to, or resulting from the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law, regardless of whether caused in part by a party indemnified hereunder.

9.2 No Limitation of Liability for Indemnification. The indemnities set forth in this Section shall not be limited by the insurance requirements set forth in the Contract.

Section 10. MISCELLANEOUS PROVISIONS.

10.1 This Agreement shall bind and inure to the heirs, devisees, assignees, and successors in interest of Contractor and to the successors in interest of Contractor in the same manner as if such parties had been expressly named herein. All times stated herein or in the contract documents are of the essence hereof. As used in this instrument the singular includes the plural, and the masculine includes the feminine and the neuter. This Agreement may create a possessory interest subject to property taxation, and Contractor may be subject to the payment of property taxes levied on such interest.

10.2 Contract Administration. This Agreement shall be administered by Edgar Medina ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

10.3 Notices. Any written notice to Contractor shall be sent to:

Eric D. Stannard

A. Employment and Materials Preference for Appalachian Development Highway System or Appalachian Local Access Road Contracts (included in Appalachian contracts only)

I. GENERAL

1. Form FHWA-1273 must be physically incorporated in each construction contract funded under Title 23 (excluding emergency contracts solely intended for debris removal). The contractor (or subcontractor) must insert this form in each subcontract and further require its inclusion in all lower tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services).

The applicable requirements of Form FHWA-1273 are incorporated by reference for work done under any purchase order, rental agreement or agreement for other services. The prime contractor shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Form FHWA-1273 must be included in all Federal-aid design-build contracts, in all subcontracts and in lower tier subcontracts (excluding subcontracts for design services, purchase orders, rental agreements and other agreements for supplies or services). The design-builder shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Contracting agencies may reference Form FHWA-1273 in bid proposal or request for proposal documents, however, the Form FHWA-1273 must be physically incorporated (not referenced) in all contracts, subcontracts and lower-tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services related to a construction contract).

2. Subject to the applicability criteria noted in the following sections, these contract provisions shall apply to all work performed on the contract by the contractor's own organization and with the assistance of workers under the contractor's immediate superintendence and to all work performed on the contract by piecework, station work, or by subcontract.

3. A breach of any of the stipulations contained in these Required Contract Provisions may be sufficient grounds for withholding of progress payments, withholding of final payment, termination of the contract, suspension / debarment or any other action determined to be appropriate by the contracting agency and FHWA.

4. Selection of Labor: During the performance of this contract, the contractor shall not use convict labor for any purpose within the limits of a construction project on a Federal-aid highway unless it is labor performed by convicts who are on parole, supervised release, or probation. The term Federal-aid highway does not include roadways functionally classified as local roads or rural minor collectors.

II. NONDISCRIMINATION

The provisions of this section related to 23 CFR Part 230 are applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more. The provisions of 23 CFR Part 230 are not applicable to material supply, engineering, or architectural service contracts.

In addition, the contractor and all subcontractors must comply with the following policies: Executive Order 11246, 41 CFR 60, 29 CFR 1625-1627, Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The contractor and all subcontractors must comply with: the requirements of the Equal Opportunity Clause in 41 CFR 60-1.4(b) and, for all construction contracts exceeding \$10,000, the Standard Federal Equal Employment Opportunity Construction Contract Specifications in 41 CFR 60-4.3.

Note: The U.S. Department of Labor has exclusive authority to determine compliance with Executive Order 11246 and the policies of the Secretary of Labor including 41 CFR 60, and 29 CFR 1625-1627. The contracting agency and the FHWA have the authority and the responsibility to ensure compliance with Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), and Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The following provision is adopted from 23 CFR 230, Appendix A, with appropriate revisions to conform to the U.S. Department of Labor (US DOL) and FHWA requirements.

1. **Equal Employment Opportunity:** Equal employment opportunity (EEO) requirements not to discriminate and to take affirmative action to assure equal opportunity as set forth under laws, executive orders, rules, regulations (28 CFR 35, 29 CFR 1630, 29 CFR 1625-1627, 41 CFR 60 and 49 CFR 27) and orders of the Secretary of Labor as modified by the provisions prescribed herein, and imposed pursuant to 23 U.S.C. 140 shall constitute the EEO and specific affirmative action standards for the contractor's project activities under

this contract. The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) set forth under 28 CFR 35 and 29 CFR 1630 are incorporated by reference in this contract. In the execution of this contract, the contractor agrees to comply with the following minimum specific requirement activities of EEO:

a. The contractor will work with the contracting agency and the Federal Government to ensure that it has made every good faith effort to provide equal opportunity with respect to all of its terms and conditions of employment and in their review of activities under the contract.

b. The contractor will accept as its operating policy the following statement:

"It is the policy of this Company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color, national origin, age or disability. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship, pre-apprenticeship, and/or on-the-job training."

2. **EEO Officer:** The contractor will designate and make known to the contracting officers an EEO Officer who will have the responsibility for and must be capable of effectively administering and promoting an active EEO program and who must be assigned adequate authority and responsibility to do so.

3. **Dissemination of Policy:** All members of the contractor's staff who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action, or who are substantially involved in such action, will be made fully cognizant of, and will implement, the contractor's EEO policy and contractual responsibilities to provide EEO in each grade and classification of employment. To ensure that the above agreement will be met, the following actions will be taken as a minimum:

a. Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the contractor's EEO policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer.

b. All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer, covering all major aspects of the contractor's EEO obligations within thirty days following their reporting for duty with the contractor.

c. All personnel who are engaged in direct recruitment for the project will be instructed by the EEO Officer in the contractor's procedures for locating and hiring minorities and women.

d. Notices and posters setting forth the contractor's EEO policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

e. The contractor's EEO policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

4. **Recruitment:** When advertising for employees, the contractor will include in all advertisements for employees the notation: "An Equal Opportunity Employer." All such advertisements will be placed in publications having a large circulation among minorities and women in the area from which the project work force would normally be derived.

a. The contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minorities and women. To meet this requirement, the contractor will identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority and women applicants may be referred to the contractor for employment consideration.

b. In the event the contractor has a valid bargaining agreement providing for exclusive hiring hall referrals, the contractor is expected to observe the provisions of that agreement to the extent that the system meets the contractor's compliance with EEO contract provisions. Where implementation of such an agreement has the effect of discriminating against minorities or women, or obligates the contractor to do the same, such implementation violates Federal nondiscrimination provisions.

c. The contractor will encourage its present employees to refer minorities and women as applicants for employment. Information and procedures with regard to referring such applicants will be discussed with employees.

5. **Personnel Actions:** Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, national origin, age or disability. The following procedures shall be followed:

a. The contractor will conduct periodic inspections of project sites to insure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

b. The contractor will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

c. The contractor will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the contractor will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

d. The contractor will promptly investigate all complaints of alleged discrimination made to the contractor in connection with its obligations under this contract, will attempt to resolve such complaints, and will take appropriate corrective action within a reasonable time. If the investigation indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation, the contractor will inform every complainant of all of their avenues of appeal.

6. **Training and Promotion:**

a. The contractor will assist in locating, qualifying, and increasing the skills of minorities and women who are

applicants for employment or current employees. Such efforts should be aimed at developing full journey level status employees in the type of trade or job classification involved.

b. Consistent with the contractor's work force requirements and as permissible under Federal and State regulations, the contractor shall make full use of training programs, i.e., apprenticeship, and on-the-job training programs for the geographical area of contract performance. In the event a special provision for training is provided under this contract, this subparagraph will be superseded as indicated in the special provision. The contracting agency may reserve training positions for persons who receive welfare assistance in accordance with 23 U.S.C. 140(a).

c. The contractor will advise employees and applicants for employment of available training programs and entrance requirements for each.

d. The contractor will periodically review the training and promotion potential of employees who are minorities and women and will encourage eligible employees to apply for such training and promotion.

7. **Unions:** If the contractor relies in whole or in part upon unions as a source of employees, the contractor will use good faith efforts to obtain the cooperation of such unions to increase opportunities for minorities and women. Actions by the contractor, either directly or through a contractor's association acting as agent, will include the procedures set forth below:

a. The contractor will use good faith efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minorities and women for membership in the unions and increasing the skills of minorities and women so that they may qualify for higher paying employment.

b. The contractor will use good faith efforts to incorporate an EEO clause into each union agreement to the end that such union will be contractually bound to refer applicants without regard to their race, color, religion, sex, national origin, age or disability.

c. The contractor is to obtain information as to the referral practices and policies of the labor union except that to the extent such information is within the exclusive possession of the labor union and such labor union refuses to furnish such information to the contractor, the contractor shall so certify to the contracting agency and shall set forth what efforts have been made to obtain such information.

d. In the event the union is unable to provide the contractor with a reasonable flow of referrals within the time limit set forth in the collective bargaining agreement, the contractor will, through independent recruitment efforts, fill the employment vacancies without regard to race, color, religion, sex, national origin, age or disability; making full efforts to obtain qualified and/or qualifiable minorities and women. The failure of a union to provide sufficient referrals (even though it is obligated to provide exclusive referrals under the terms of a collective bargaining agreement) does not relieve the contractor from the requirements of this paragraph. In the event the union referral practice prevents the contractor from meeting the obligations pursuant to Executive Order 11246, as amended, and these special provisions, such contractor shall immediately notify the contracting agency.

8. **Reasonable Accommodation for Applicants / Employees with Disabilities:** The contractor must be familiar

with the requirements for and comply with the Americans with Disabilities Act and all rules and regulations established there under. Employers must provide reasonable accommodation in all employment activities unless to do so would cause an undue hardship.

9. **Selection of Subcontractors, Procurement of Materials and Leasing of Equipment:** The contractor shall not discriminate on the grounds of race, color, religion, sex, national origin, age or disability in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor shall take all necessary and reasonable steps to ensure nondiscrimination in the administration of this contract.

a. The contractor shall notify all potential subcontractors and suppliers and lessors of their EEO obligations under this contract.

b. The contractor will use good faith efforts to ensure subcontractor compliance with their EEO obligations.

10. Assurance Required by 49 CFR 26.13(b):

a. The requirements of 49 CFR Part 26 and the State DOT's U.S. DOT-approved DBE program are incorporated by reference.

b. The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the contracting agency deems appropriate.

11. **Records and Reports:** The contractor shall keep such records as necessary to document compliance with the EEO requirements. Such records shall be retained for a period of three years following the date of the final payment to the contractor for all contract work and shall be available at reasonable times and places for inspection by authorized representatives of the contracting agency and the FHWA.

a. The records kept by the contractor shall document the following:

(1) The number and work hours of minority and non-minority group members and women employed in each work classification on the project;

(2) The progress and efforts being made in cooperation with unions, when applicable, to increase employment opportunities for minorities and women; and

(3) The progress and efforts being made in locating, hiring, training, qualifying, and upgrading minorities and women;

b. The contractors and subcontractors will submit an annual report to the contracting agency each July for the duration of the project, indicating the number of minority, women, and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on [Form FHWA-1391](#). The staffing data should represent the project work force on board in all or any part of the last payroll period preceding the end of July. If on-the-job training is being required by special provision, the contractor

will be required to collect and report training data. The employment data should reflect the work force on board during all or any part of the last payroll period preceding the end of July.

III. NONSEGREGATED FACILITIES

This provision is applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more.

The contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race, color, religion, sex, or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensure that its employees are not assigned to perform their services at any location, under the contractor's control, where the facilities are segregated. The term "facilities" includes waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, washrooms, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees. The contractor shall provide separate or single-user restrooms and necessary dressing or sleeping areas to assure privacy between sexes.

IV. DAVIS-BACON AND RELATED ACT PROVISIONS

This section is applicable to all Federal-aid construction projects exceeding \$2,000 and to all related subcontracts and lower-tier subcontracts (regardless of subcontract size). The requirements apply to all projects located within the right-of-way of a roadway that is functionally classified as Federal-aid highway. This excludes roadways functionally classified as local roads or rural minor collectors, which are exempt. Contracting agencies may elect to apply these requirements to other projects.

The following provisions are from the U.S. Department of Labor regulations in 29 CFR 5.5 "Contract provisions and related matters" with minor revisions to conform to the FHWA-1273 format and FHWA program requirements.

1. Minimum wages

a. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions

of paragraph 1.d. of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph 1.b. of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

b.(1) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(ii) The classification is utilized in the area by the construction industry; and

(iii) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(2) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(3) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Wage and Hour Administrator for determination. The Wage and Hour Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or

will notify the contracting officer within the 30-day period that additional time is necessary.

(4) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs 1.b.(2) or 1.b.(3) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

c. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

d. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

2. Withholding

The contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract, or any other Federal contract with the same prime contractor, or any other federally- assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the contracting agency may, after written notice to the contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3. Payrolls and basic records

a. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-

Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b.(1) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the contracting agency. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting agency for transmission to the State DOT, the FHWA or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the contracting agency..

(2) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(i) That the payroll for the payroll period contains the information required to be provided under §5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(ii) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(iii) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(3) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph 3.b.(2) of this section.

(4) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

c. The contractor or subcontractor shall make the records required under paragraph 3.a. of this section available for inspection, copying, or transcription by authorized representatives of the contracting agency, the State DOT, the FHWA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the FHWA may, after written notice to the contractor, the contracting agency or the State DOT, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and trainees

a. Apprentices (programs of the USDOL).

Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed.

Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly

rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination.

In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

b. Trainees (programs of the USDOL).

Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration.

Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

c. Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

- d. Apprentices and Trainees (programs of the U.S.DOT).

Apprentices and trainees working under apprenticeship and skill training programs which have been certified by the Secretary of Transportation as promoting EEO in connection with Federal-aid highway construction programs are not subject to the requirements of paragraph 4 of this Section IV. The straight time hourly wage rates for apprentices and trainees under such programs will be established by the particular programs. The ratio of apprentices and trainees to journeymen shall not be greater than permitted by the terms of the particular program.

- 5. Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.
- 6. Subcontracts.** The contractor or subcontractor shall insert Form FHWA-1273 in any subcontracts and also require the subcontractors to include Form FHWA-1273 in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.
- 7. Contract termination: debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.
- 8. Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.
- 9. Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.
- 10. Certification of eligibility.**

- a. By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).
- b. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).
- c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

V. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

The following clauses apply to any Federal-aid construction contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

- 1. Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

- 2. Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (1.) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1.) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1.) of this section.

- 3. Withholding for unpaid wages and liquidated damages.** The FHWA or the contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2.) of this section.

- 4. Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1.) through (4.) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1.) through (4.) of this section.

VI. SUBLETTING OR ASSIGNING THE CONTRACT

This provision is applicable to all Federal-aid construction contracts on the National Highway System.

1. The contractor shall perform with its own organization contract work amounting to not less than 30 percent (or a greater percentage if specified elsewhere in the contract) of the total original contract price, excluding any specialty items designated by the contracting agency. Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the total original contract price before computing the amount of work required to be performed by the contractor's own organization (23 CFR 635.116).

a. The term "perform work with its own organization" refers to workers employed or leased by the prime contractor, and equipment owned or rented by the prime contractor, with or without operators. Such term does not include employees or equipment of a subcontractor or lower tier subcontractor, agents of the prime contractor, or any other assignees. The term may include payments for the costs of hiring leased employees from an employee leasing firm meeting all relevant Federal and State regulatory requirements. Leased employees may only be included in this term if the prime contractor meets all of the following conditions:

- (1) the prime contractor maintains control over the supervision of the day-to-day activities of the leased employees;
- (2) the prime contractor remains responsible for the quality of the work of the leased employees;
- (3) the prime contractor retains all power to accept or exclude individual employees from work on the project; and
- (4) the prime contractor remains ultimately responsible for the payment of predetermined minimum wages, the submission of payrolls, statements of compliance and all other Federal regulatory requirements.

b. "Specialty Items" shall be construed to be limited to work that requires highly specialized knowledge, abilities, or equipment not ordinarily available in the type of contracting organizations qualified and expected to bid or propose on the contract as a whole and in general are to be limited to minor components of the overall contract.

2. The contract amount upon which the requirements set forth in paragraph (1) of Section VI is computed includes the cost of material and manufactured products which are to be purchased or produced by the contractor under the contract provisions.

3. The contractor shall furnish (a) a competent superintendent or supervisor who is employed by the firm, has full authority to direct performance of the work in accordance with the contract requirements, and is in charge of all construction operations (regardless of who performs the work) and (b) such other of its own organizational resources (supervision, management, and engineering services) as the contracting officer determines is necessary to assure the performance of the contract.
4. No portion of the contract shall be sublet, assigned or otherwise disposed of except with the written consent of the contracting officer, or authorized representative, and such consent when given shall not be construed to relieve the contractor of any responsibility for the fulfillment of the contract. Written consent will be given only after the contracting agency has assured that each subcontract is

evidenced in writing and that it contains all pertinent provisions and requirements of the prime contract.

5. The 30% self-performance requirement of paragraph (1) is not applicable to design-build contracts; however, contracting agencies may establish their own self-performance requirements.

VII. SAFETY: ACCIDENT PREVENTION

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

1. In the performance of this contract the contractor shall comply with all applicable Federal, State, and local laws governing safety, health, and sanitation (23 CFR 635). The contractor shall provide all safeguards, safety devices and protective equipment and take any other needed actions as it determines, or as the contracting officer may determine, to be reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract.

2. It is a condition of this contract, and shall be made a condition of each subcontract, which the contractor enters into pursuant to this contract, that the contractor and any subcontractor shall not permit any employee, in performance of the contract, to work in surroundings or under conditions which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under construction safety and health standards (29 CFR 1926) promulgated by the Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

3. Pursuant to 29 CFR 1926.3, it is a condition of this contract that the Secretary of Labor or authorized representative thereof, shall have right of entry to any site of contract performance to inspect or investigate the matter of compliance with the construction safety and health standards and to carry out the duties of the Secretary under Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

VIII. FALSE STATEMENTS CONCERNING HIGHWAY PROJECTS

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

In order to assure high quality and durable construction in conformity with approved plans and specifications and a high degree of reliability on statements and representations made by engineers, contractors, suppliers, and workers on Federal-aid highway projects, it is essential that all persons concerned with the project perform their functions as carefully, thoroughly, and honestly as possible. Willful falsification, distortion, or misrepresentation with respect to any facts related to the project is a violation of Federal law. To prevent any misunderstanding regarding the seriousness of these and similar acts, Form FHWA-1022 shall be posted on each Federal-aid highway project (23 CFR 635) in one or more places where it is readily available to all persons concerned with the project:

18 U.S.C. 1020 reads as follows:

"Whoever, being an officer, agent, or employee of the United States, or of any State or Territory, or whoever, whether a person, association, firm, or corporation, knowingly makes any false statement, false representation, or false report as to the character, quality, quantity, or cost of the material used or to be used, or the quantity or quality of the work performed or to be performed, or the cost thereof in connection with the submission of plans, maps, specifications, contracts, or costs of construction on any highway or related project submitted for approval to the Secretary of Transportation; or

Whoever knowingly makes any false statement, false representation, false report or false claim with respect to the character, quality, quantity, or cost of any work performed or to be performed, or materials furnished or to be furnished, in connection with the construction of any highway or related project approved by the Secretary of Transportation; or

Whoever knowingly makes any false statement or false representation as to material fact in any statement, certificate, or report submitted pursuant to provisions of the Federal-aid Roads Act approved July 1, 1916, (39 Stat. 355), as amended and supplemented;

Shall be fined under this title or imprisoned not more than 5 years or both."

IX. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

By submission of this bid/proposal or the execution of this contract, or subcontract, as appropriate, the bidder, proposer, Federal-aid construction contractor, or subcontractor, as appropriate, will be deemed to have stipulated as follows:

1. That any person who is or will be utilized in the performance of this contract is not prohibited from receiving an award due to a violation of Section 508 of the Clean Water Act or Section 306 of the Clean Air Act.
2. That the contractor agrees to include or cause to be included the requirements of paragraph (1) of this Section X in every subcontract, and further agrees to take such action as the contracting agency may direct as a means of enforcing such requirements.

X. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

This provision is applicable to all Federal-aid construction contracts, design-build contracts, subcontracts, lower-tier subcontracts, purchase orders, lease agreements, consultant contracts or any other covered transaction requiring FHWA approval or that is estimated to cost \$25,000 or more – as defined in 2 CFR Parts 180 and 1200.

1. Instructions for Certification – First Tier Participants:

- a. By signing and submitting this proposal, the prospective first tier participant is providing the certification set out below.
- b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this

covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default.

d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

e. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

f. The prospective first tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. The prospective first tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," provided by the department or contracting agency, entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

i. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the prospective participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph (f) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

* * * * *

2. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – First Tier Participants:

a. The prospective first tier participant certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

(2) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(2) of this certification; and

(4) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

b. Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

2. Instructions for Certification - Lower Tier Participants:

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FHWA approval or estimated to cost \$25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which

this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction may pursue available remedies, including suspension and/or debarment.

**Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion--Lower Tier
Participants:**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**XI. CERTIFICATION REGARDING USE OF CONTRACT
FUNDS FOR LOBBYING**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts which exceed \$100,000 (49 CFR 20).

1. The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

3. The prospective participant also agrees by submitting its bid or proposal that the participant shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such recipients shall certify and disclose accordingly.

**ATTACHMENT A - EMPLOYMENT AND MATERIALS PREFERENCE FOR APPALACHIAN DEVELOPMENT HIGHWAY
SYSTEM OR APPALACHIAN LOCAL ACCESS ROAD CONTRACTS**

This provision is applicable to all Federal-aid projects funded under the Appalachian Regional Development Act of 1965.

1. During the performance of this contract, the contractor undertaking to do work which is, or reasonably may be, done as on-site work, shall give preference to qualified persons who regularly reside in the labor area as designated by the DOL wherein the contract work is situated, or the subregion, or the Appalachian counties of the State wherein the contract work is situated, except:

a. To the extent that qualified persons regularly residing in the area are not available.

b. For the reasonable needs of the contractor to employ supervisory or specially experienced personnel necessary to assure an efficient execution of the contract work.

c. For the obligation of the contractor to offer employment to present or former employees as the result of a lawful collective bargaining contract, provided that the number of nonresident persons employed under this subparagraph (1c) shall not exceed

20 percent of the total number of employees employed by the contractor on the contract work, except as provided in subparagraph (4) below.

2. The contractor shall place a job order with the State Employment Service indicating (a) the classifications of the laborers, mechanics and other employees required to perform the contract work, (b) the number of employees required in each classification, (c) the date on which the participant estimates such employees will be required, and (d) any other pertinent information required by the State Employment Service to complete the job order form. The job order may be placed with the State Employment Service in writing or by telephone. If during the course of the contract work, the information submitted by the contractor in the original job order is substantially modified, the participant shall promptly notify the State Employment Service.

3. The contractor shall give full consideration to all qualified job applicants referred to him by the State Employment Service. The contractor is not required to grant employment to any job applicants who, in his opinion, are not qualified to perform the classification of work required.

4. If, within one week following the placing of a job order by the contractor with the State Employment Service, the State Employment Service is unable to refer any qualified job applicants to the contractor, or less than the number requested, the State Employment Service will forward a certificate to the contractor indicating the unavailability of applicants. Such certificate shall be made a part of the contractor's permanent project records. Upon receipt of this certificate, the contractor may employ persons who do not normally reside in the labor area to fill positions covered by the certificate, notwithstanding the provisions of subparagraph (1c) above.

5. The provisions of 23 CFR 633.207(e) allow the contracting agency to provide a contractual preference for the use of mineral resource materials native to the Appalachian region.

6. The contractor shall include the provisions of Sections 1 through 4 of this Attachment A in every subcontract for work which is, or reasonably may be, done as on-sitework.

Compliance with Cargo Preference Act of 1954, 46 CFR Part 381

"Use of United States-flag vessels: The contractor agrees-

"(1) To utilize privately owned United States-flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this contract, to the extent such vessels are available at fair and reasonable rates for United States-flag commercial vessels.

"(2) To furnish within 20 days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, 'on-board' commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph (b) (1) of this section to both the Contracting Officer (through the prime contractor in the case of subcontractor bills-of-lading) and to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590.

"(3) To insert the substance of the provisions of this clause in all subcontracts issued pursuant to this contract."

Section 12. REQUIRED CONTRACT PROVISIONS – TITLE VI ASSURANCES IN CONTRACTS

Appendix E

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

Pertinent Non-Discrimination Authorities:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended,

(prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

IN WITNESS WHEREOF, the City Council and Contractor have caused this Agreement to be executed as of the day and year first above written.

MEMORANDUM

ITEM 19.3.

DATE: May 17, 2021
TO: Honorable Mayor and Council Members
FROM: Albert Stricker, Public Works Director
Dalia Fadl, Senior Civil Engineer
SUBJECT: **STAFF PRESENTATION OF THE CITY'S STORMWATER PROGRAM**

RECOMMENDATION

Receive staff presentation and provide Council input.

RESULT OF RECOMMENDED ACTION

Provide information to the City Council and public.

BACKGROUND

The purpose of this presentation is to provide an overview of the City's Stormwater Program and an update of the most recent program accomplishments. These accomplishments include the City's recently completed Stormwater Capital Improvement Program Masterplan as well as the Drainage Impact Fee Program (after detaching from the County). The Drainage Impact Fee Program is a multi-million dollar program that helps advance development and allow more local control over administering the program funds.

FISCAL IMPACT AND FUNDING SOURCE

There is no Fiscal Impact.

- ❖ Maintenance and Operations
- ❖ Stormwater Masterplan
- ❖ High Priority Projects
- ❖ Sources of Funding

ITEM 19.3. ATTACHMENT 1

Sources of Stormwater Runoff: homes, commercial, industrial, streets

Urban runoff ends up in the City's creeks and the American River

Stormwater Quality

Comply with the City's Municipal Stormwater Permit:

- *New Development
- *Construction
- *Municipal Operations
- *Commercial/Industrial
- *Illicit Discharge
- *Public Outreach
- *Monitoring

Submit Annual Work Plans and Annual Progress Reports

Track and interpret new Statewide and Regional policies to determine impacts to the City as applicable

Participate in regional efforts:

- *Sacramento Stormwater Quality Partnership
- *CASQA
- *Delta Regional Monitoring Program
- *American River Bacteria Study

Maintenance and Operations

- ❖ Since 2014, the City has been managing the maintenance and operations of the City's stormwater assets, which include:
 - **6** pump stations
 - **6** regional detention basins
 - **254** miles of drainage pipes
 - **7740** drainage inlets
 - **4370** manholes
 - **41** miles of creeks and channels
 - **2** Levees
- ❖ Coordinate routine maintenance activities and storm response activities.
- ❖ Prioritize and respond to customer service requests.
- ❖ Coordinate with regulatory agencies, such as the Dept of Fish & Wildlife, for all required permitting
- ❖ *Meet City Goals- safely convey runoff, protect the environment, promote economic development.*

Stormwater Masterplan

ATTACHMENT 1

- ❖ The Stormwater Capital Improvement Program Masterplan project is a 3-year, \$900K project, completed on March 31st.
- ❖ Project Goals:
 - Assess condition of existing stormwater facilities.
 - Identify system deficiencies or unmet community needs.
 - Identify opportunities to enhance stormwater quality.
 - Develop a capital improvement plan with a prioritized list of flood control and repair projects.
- ❖ Identified \$60M in deferred maintenance & repair needs.

ITEM 19.4.

DATE: May 17, 2021
TO: Honorable Mayor and Council Members
FROM: Maria Kniestedt, Communications and Public Affairs Director
SUBJECT: **COMMUNICATIONS UPDATE & STRATEGIC PLAN**

RECOMMENDATION

Provide communications update and answer Council questions.

RESULT OF RECOMMENDED ACTION

Provide an understanding of 2020 communications successes/insights, as well as FY 2021/22 strategic communications recommendations.

BACKGROUND

Annually, the city's communications team presents an update to the City Council. During these updates, staff provide Council with:

- Data and insights from the previous calendar year
- Strategic and tactical recommendations for the coming calendar year

Staff is transitioning from planning strategic communications using a calendar to aligning with the city's fiscal year.

The goal of the 2021 update is to provide Council with a review of:

- 2020 communications activities
- Data from a variety of metrics
- Successes and insights
- High-level overview of FY 2021/22 strategic communications recommendations

FISCAL IMPACT AND FUNDING SOURCE

There is no Fiscal Impact.

VSP Ventures Acquires Golden Vision Optometry and Irvine Optometry

On March 11, [InvisionMag.com](#) shared a press release from Rancho Cordova's VSP Venture announcing the company acquired Golden Vision Optometry and Irvine Optometry. Both newly acquired businesses will continue under their existing names, and all doctors and staff will remain in their roles. President of VSP Ventures Tiffanie Burkhalter said that Drs. Lena Chang and Ruth Tang, who respectively led the two businesses, "each expressed a desire for a partnership with a supportive network that prioritizes choice in product offerings and brings resources that will help them differentiate and grow, and we're honored they chose VSP Ventures."

On the same day, [Vision Monday](#) shared the announcement.
