Notwithstanding anything to the contrary contained herein or in any documents secured by this Deed of Trust or contained in any subordination agreement, the Beneficiary acknowledges and agrees that in the event of a foreclosure or deed-in-lieu of foreclosure (collectively, "Foreclosure") with respect to the Security encumbered by this Deed of Trust, the following rule contained in Section 42(h)(6)(E)(ii) of the Internal Revenue Code of 1986 (26 USC 42 (h)(6)(E)(ii)), as amended, shall apply:

For a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by a Regulatory Agreement with the California Tax Credit Allocation Committee, (i) none of the tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may any rent be increased except as otherwise permitted under Section 42 of the Code.

REGULATORY AGREEMENT AND
DECLARATION OF RESTRICTIVE COVENANTS
(Sunrise Crossing)

This Regulatory Agreement and Declaration of Restrictive Covenants (the "Agreement") is made and entered into as of _____, 2022, by and between the City of Rancho Cordova, a California municipal corporation (the "City"), and Sunrise Crossing Affordable, LP, a California limited partnership (the "Owner").

RECITALS

A. The City and Owner have entered into that certain Disposition, Development and Loan Agreement (the "DDLA"), dated as of _____, 2022, which is incorporated by this reference as if fully set forth herein.

B. Pursuant to the DDLA, City has conveyed to the Owner an approximately 5,600 square foot parcel of real property (the "City Parcel"), and has made a loan to Owner for the construction of an affordable housing development (the "Project") on a site located at 11295 Folsom Boulevard, Rancho Cordova, California, which is comprised of the City Parcel and an approximately 2.26 acre parcel which Owner has acquired (the "Developer Parcel") (collectively, the "Property"). The Property is more fully described in Exhibit A attached hereto and incorporated by reference.

C. The Project consists of eighty-two (82) apartment units, together with all associated landscaping, parking and associated improvements, including a clubhouse, fitness center, leasing office, swimming pool, full kitchen, and employment and educational training classrooms. Twelve (12) of the apartment units will be studio units, fifty (50) of the apartment units will be one bedroom units, and twenty (20) of the apartment units will be two bedroom units.

D. All of the apartment units in the Project, except for one manager's unit (the "Affordable Units"), will be restricted for occupancy by eligible 70% low, low, very low and

extremely low income households for a period of fifty-five (55) years from issuance of a final certificate of occupancy for the Project.

E. The DDLA requires the Owner to place specified restrictions upon the use and transfer of the Property in order to ensure continued Project affordability.

F. The Parties intend that the covenants set forth in this Agreement shall run with the land and be binding upon Owner and Owner's successors and assigns as further provided herein.

THEREFORE, City and Owner hereby agree as follows.

ARTICLE 1. DEFINITIONS

Section 1.1 Definitions. When used in this Agreement, the following terms shall have the respective meanings assigned to them in this Article 1.

(a) "60% Low Income Household" shall mean a household with a Household Income that does not exceed sixty percent (60%) of Area Median Income applicable to Sacramento County, adjusted for family size, as published and periodically updated by HUD.

(b) "60% Low Income Unit" shall mean the Units which pursuant to Section 2.1(c) below, are required to be occupied by 60% Low Income Households.

(c) "70% Low Income Household" shall mean a household with a Household Income which does not exceed seventy percent (70%) of the Area Median Income applicable to Sacramento County, adjusted for family size, as published and periodically updated by HUD.

(d) "70% Low Income Unit" shall mean each of the Units which pursuant to Section 2.1(d) below, are required to be occupied by 70% Low Income Households.

(e) "Agreement" shall mean this Regulatory Agreement and Declaration of Restrictive Covenants.

(f) "Affiliate" means any person or entity directly or indirectly, through one or more intermediaries, controlling, controlled by or under common control with Owner which, if Owner is a partnership or limited liability company, shall include each of the constituent members or partners, respectively thereof. The term "control" as used in the immediately preceding sentence, means, with respect to a person that is a corporation, the right to the exercise, directly or indirectly, of more than fifty percent (50%) of the voting rights attributable to the shares of the controlled corporation, and, with respect to a person that is not a corporation, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of the controlled person.

(g) "Area Median Income" shall mean the median gross yearly income adjusted for Assumed Household Size as specified herein, in Sacramento County, California, as determined by HUD. In the event that such income determinations are no longer published or are not updated for a period of at least eighteen (18) months, City shall provide the Owner with other income determinations which are reasonably similar with respect to methods of calculation to those previously published by HUD.

(h) "Assumed Household Size" means the household size "adjusted for family size appropriate to the unit" in accordance with the California Tax Credit Allocation Committee rules and regulations.

(i) "City" shall mean the City of Rancho Cordova, a California municipal corporation.

(j) "City Loan" shall mean all funds loaned to Owner pursuant to the DDLA.

(k) "Completion Date" means the date a final certificate of occupancy, or equivalent document is issued by the City to certify that the construction of the Project is complete and the Project may be legally occupied.

(l) "DDLA" shall mean the Disposition, Development and Loan Agreement entered into by and among the City and Owner and dated of _____, 2022.

(m) "Deed of Trust" shall mean the Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing of even date herewith by and among Owner, as Trustor, Old Republic Title Company, as trustee, and the City as beneficiary, that encumbers Owner's leasehold interest in the Property to secure repayment of the City Loan and Owner's performance of the Loan Documents.

(n) "Extremely Low Income Household" shall mean a household with a Household Income which does not exceed thirty percent (30%) of the Area Median Income applicable to Sacramento County, adjusted for family size, as published and periodically updated by HUD.

(o) "Extremely Low Income Unit" shall mean each of the Units which pursuant to Section 2.1(a) below, are required to be occupied by Extremely Low Income Households.

(p) "Fifteen Year Compliance Period" means the fifteen (15) year compliance period as described in Section 42(i)(1) of the Internal Revenue Code of 1986, as amended.

(q) "Household Income" shall mean the total anticipated annual income of all persons in a household, as calculated in accordance with the California Tax Credit Allocation Committee rules and regulations or pursuant to a successor State housing program that utilizes a reasonably similar method of calculation of adjusted income. In the event that no such program exists, City shall provide the Owner with a reasonably similar method of calculation of gross income as provided in 25 California Code of Regulations Section 6914.

(r) "HUD" means the United States Department of Housing and Urban Development.

(s) "Investor Limited Partner" means _____.

(t) "Loan Documents" shall mean this Agreement, the DDLA, the Note, and the Deed of Trust.

(u) "Note" shall mean the promissory note from the Owner to City evidencing all or any part of the City Loan.

(v) "Owner" shall mean Sunrise Crossing Affordable, LP, a California limited partnership, and its successors and assigns to the Project.

(w) "Partnership Agreement" means the Agreement of Limited Partnership, dated concurrently with this Agreement, that governs the operation and organization of Owner, as a California limited partnership.

(x) "Project" shall mean the Property and the eighty-two (82) units to be developed on the Property, and any additional improvements and all landscaping, roads and parking spaces existing thereon, as the same may from time to time exist.

(y) "Property" shall mean the real property described in Exhibit A attached hereto and incorporated herein.

(z) "Rent" shall mean the total of monthly payments by the tenants of a Unit for the following: use and occupancy of the Unit and land and associated facilities, including parking; any separately charged fees or service charges assessed by Owner which are required of all tenants, other than security deposits; the cost of an adequate level of service for utilities paid by the tenant, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuel, but not cable or telephone service; any other interest, taxes, fees or charges for use of the land or associated facilities and assessed by a public or private entity other than Owner, and paid by the Tenant. Utility allowances may be determined by use of the utility allowance published by the local public housing authority or the California Utility Allowance Calculator ("CUAC") model allowed by the California Tax Credit Allocation Committee regulations, if the Property qualifies.

(aa) "Tenant" shall mean a household occupying a Unit.

(bb) "Term" means the term of this Regulatory Agreement, which commences as of the date of this Regulatory Agreement and shall remain in effect until the expiration or termination of the term of the Ground Lease.

(cc) "Units" shall mean the eighty-two (82) rental units to be constructed by the Owner on the Property.

(dd) "Very Low Income Household" shall mean a household with a Household Income that does not exceed fifty percent (50%) of Area Median Income applicable to Sacramento County, adjusted for family size, as published and periodically updated by HUD.

(ee) "Very Low Income Units" shall mean the Units which, pursuant to Section 2.1(b) below, are required to be occupied by Very Low Income Households.

ARTICLE 2. AFFORDABILITY COVENANTS

Section 2.1 Occupancy Requirements.

(a) Extremely Low Income Units. Nine (9) of the Units shall be rented to and occupied by or, if vacant, available for occupancy by Extremely Low Income Households.

(b) Very Low Income Units. Nine (9) of the Units shall be rented to and occupied by or, if vacant, available for occupancy by Very Low Income Households.

(c) 60% Low Income Units. Forty-six (46) of the Units shall be rented to and occupied by or, if vacant, available for occupancy by 60% Low Income Households.

(d) 70% Low Income Units. Seventeen (17) of the Units shall be rented to and occupied by or, if vacant, available for occupancy by 70% Low Income Households..

(e) Manager's Unit. One (1) Unit shall be reserved for an on-site manager and shall not be subject to affordability or occupancy restrictions.

(f) Intermingling of Units. All Units shall be intermingled and of comparable quality. Tenants in all Units shall have equal access to and enjoyment of all common facilities of the Project.

(g) Disabled Persons Occupancy.

(1) Owner shall cause the Project to be operated at all times in compliance with all applicable federal, state, and local disabled persons accessibility requirements including, but not limited to the applicable provisions of: (i) the Unruh Act, (ii) the California Fair Employment and Housing Act, (iii) the United States Fair Housing Act, as amended, (iv) the Americans With Disabilities Act of 1990, and (vi) Chapters 11A and 11B of Title 24 of the California Code of Regulations, which relate to disabled persons access (collectively, the "Accessibility Requirements").

(2) Owner shall indemnify, protect, hold harmless and defend (with counsel reasonably satisfactory to the City) the City, and its city council, officers and employees, from all suits, actions, claims, causes of action, costs, demands, judgments and liens arising out of Owner's failure to comply with the Accessibility Requirements. This obligation to indemnify

survives termination of this Regulatory Agreement, repayment of the City Loan, cancellation of the Promissory Note, and the reconveyance of the Deed of Trust.

Section 2.2 Allowable Rent.

(a) Extremely Low Income Rent. Subject to the provisions of Section 2.3 below, the monthly Rent payable by Tenants of Extremely Low Income Units shall not exceed one-twelfth (1/12th) of thirty percent (30%) of thirty percent (30%) of the Area Median Income applicable to Sacramento County, adjusted for Assumed Household Size.

(b) Very Low Income Rent. Subject to the provisions of Section 2.3 below, the monthly Rent payable by Tenants of the Very Low Income Units shall not exceed one-twelfth (1/12th) of thirty percent (30%) of fifty percent (50%) of Area Median Income applicable to Sacramento County, adjusted for Assumed Household Size.

(c) 60% Low Income Rent. Subject to the provisions of Section 2.3 below, the monthly Rent payable by Tenants of the 60% Low Income Units shall not exceed one-twelfth (1/12th) of thirty percent (30%) of sixty percent (60%) of Area Median Income applicable to Sacramento County, adjusted for Assumed Household Size

(d) 70% Low Income Rent. Subject to the provisions of Section 2.3 below, the monthly Rent payable by Tenants of 70% Low Income Units shall not exceed one-twelfth (1/12th) of thirty percent (30%) of seventy percent (70%) of the Area Median Income applicable to Sacramento County, adjusted for Assumed Household Size.

Section 2.3 Notice of Rent Amounts. Owner will provide City with a schedule of maximum permissible Rents for the Units prior to the expected date for receipt of a temporary certificate of occupancy and annually thereafter.

Section 2.4 Increased Income of Occupying Households.

(a) Increased Income. In the event that, upon recertification of an occupant household's income, the income of a tenant increases above the qualifying limit for such household, Owner may increase the rent of such household to the extent permitted by applicable law, the Project Regulatory Documents (as defined below) and the regulations promulgated by the California Tax Credit Allocation Committee.

(b) Termination of Occupancy. Upon termination of occupancy of a Unit by a Tenant, such Unit shall be deemed to be continuously occupied by a household of the same income level (e.g., Extremely Low Income Household, Very Low Income Household, 60% Low Income Household, or 70% Low Income Household) as the initial income level of the vacating Tenant, until such Unit is reoccupied, at which time the income character of the Unit (e.g., Extremely Low Income Unit, Very Low Income Unit, 60% Low Income Unit, or 70% Low Income Unit) shall be redetermined

(c) Continued Compliance. In the event an occupant household's income increases, whether or not the rent is increased as set forth in Section (a) above, the Unit shall continue to be classified as an Extremely Low Income Unit, a Very Low Income Unit, a 60%

Low Income Unit or a 70% Low Income Unit, as applicable, until such time as the Unit is either vacated by the occupant or another Unit is rented at the applicable income limit.

Section 2.5 Lease Provisions. Owner shall include in leases for all Units provisions which authorize Owner to immediately terminate the tenancy of any household one or more of whose members has misrepresented any fact material to the household's qualification as a Very Low Income Household or 60% Low Income Unit. Each lease or rental agreement shall also provide that the household is subject to annual certification in accordance with Section 3.1 below, and that, if the household's income increases above the applicable limits for a Very Low Income Household or 60% Low Income Household, as applicable, such household's Rent may be subject to increase.

Section 2.6 Condominium Conversion. The Owner shall not convert the Project or any Units to condominium or cooperative ownership or sell condominium or cooperative conversion rights to the Property during the Term of this Agreement.

ARTICLE 3. INCOME CERTIFICATION AND REPORTING

Section 3.1 Income Certification. The Owner shall obtain, complete and maintain on file, immediately prior to initial occupancy and annually thereafter, income certifications from each Tenant renting any of the Units (excluding the manager's Unit). The Owner shall make a good faith effort to verify that the income provided by an applicant or occupying household in an income certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period; (2) obtain an income tax return for the most recent tax year; (3) conduct a credit agency or similar search; (4) obtain an income verification form from the applicant's current employer; (5) obtain an income verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies; or (6) if the applicant is unemployed and has no such tax return, obtain another form of independent verification. Copies of tenant income certifications shall be available to City upon request.

Section 3.2 Annual Report to City. Each year by July 1 Owner shall submit an annual report to City, in a form approved by City. The annual report shall include for each Unit covered by this Agreement, the Rent and the income and household size of the household occupying the Unit and shall have the income certifications for each Tenant, prepared pursuant to Section 3.1 above available upon request. The report shall also state the date the tenancy commenced for each rental Unit, the number of bedrooms in such Unit, and such other information as City may be required by law to obtain.

Section 3.3 Additional Information. Owner shall provide any additional information reasonably requested by City. City shall have the right to examine and make copies of all books, records or other documents of Owner which pertain to any Unit.

Section 3.4 Records.

(a) Owner shall keep and maintain at the principal place of business of the Owner set forth in Section 6.11 below, or elsewhere with the City's written consent, full, complete and appropriate books, records and accounts relating to the Project. Owner shall cause all books, records and accounts relating to the Project to be kept and maintained in accordance with generally accepted accounting principles consistently applied, and to be consistent with requirements of this Regulatory Agreement. Subject to applicable law and reasonable prior written notice from the City, Owner shall cause all books, records, and accounts to be open to and available for inspection and copying by the City, its auditors or other authorized representatives at reasonable intervals during normal business hours. Owner shall cause copies of all tax returns and other reports that Owner may be required to furnish to any government agency to be open for inspection by the City at all reasonable times at the place that the books, records and accounts of Owner are kept. Owner shall preserve such records for a period of not less than five (5) years after their creation. If any litigation, claim, negotiation, audit exception, monitoring, inspection or other action relating to the use of the Project is pending at the end of the record retention period stated herein, then Owner shall retain the records until such action and all related issues are resolved. Such records are to include but are not limited to:

- (1) Records documenting compliance with the fair housing, equal opportunity, and affirmative fair marketing requirements;
- (2) Financial records; and
- (3) Records demonstrating compliance with the marketing, tenant selection, affordability, and income requirements.

(b) The City shall notify Owner of any records it deems insufficient. Owner has fifteen (15) calendar days after the receipt of such a notice to correct any deficiency in the records specified by the City in such notice, or if a period longer than fifteen (15) days is reasonably necessary to correct the deficiency, then Owner must begin to correct the deficiency within fifteen (15) days and correct the deficiency as soon as reasonably possible.

ARTICLE 4. OPERATION OF THE DEVELOPMENT

Section 4.1 Residential Use. The Project shall be operated only for residential use. No part of the Project shall be operated as transient housing.

Section 4.2 Compliance with Loan Documents and Project Regulatory Agreements. Owner shall comply with all the terms and provisions of the Loan Documents and any other regulatory requirement imposed on the Project, including but not limited to regulatory agreements associated with the Low Income Housing Tax Credits provided by the California Tax Credit Allocation Committee (the "Project Regulatory Documents"). Owner shall promptly notify the City in writing of the existence of any default under any Project Regulatory Documents and provide the City with copies of any such notice of default.

Section 4.3 Property Tax Exemption. Owner shall not apply for a property tax exemption for the Property under any provision of law other than Revenue and Taxation Section 214(g) without City's prior written consent.

Section 4.4 Taxes and Assessments. Owner shall pay all real and personal property taxes, assessments, if any, and charges and all franchise, income, employment, old age benefit, withholding, sales, and other taxes assessed against it, or payable by it, at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property; provided, however, that Owner shall have the right to contest in good faith, any such taxes, assessments, or charges. In the event Owner exercises its right to contest any tax, assessment, or charge against it, Owner, on final determination of the proceeding or contest, shall immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

Section 4.5 Nondiscrimination. All of the Units shall be available for occupancy on a continuous basis to members of the general public who are income eligible. There shall be no discrimination against or segregation of any person or group of persons, on account of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or veteran or military status in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of any Unit nor shall Owner or any person claiming under or through the Owner, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of any Unit or in connection with the employment of persons for the operation and management of the Project. All deeds, leases or contracts made or entered into by Owner as to the Units or the Project or portion thereof, shall contain covenants concerning discrimination as prescribed by the DDLA.

Section 4.6 Section 8 Certificate Holders. The Owner shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor, or similar programs. The Owner shall not apply selection criteria to holders of Section 8 certificate or similar certificates or vouchers that is more burdensome than criteria applied to all other prospective tenants, nor shall the Owner apply or permit the application of management policies or lease provisions with respect to the Project which have the effect of precluding occupancy of units by such prospective tenants.

Section 4.7 Marketing Plan. No later than six (6) months prior to the date construction of the Project is projected to be complete, Owner shall submit to the City for approval its plan for marketing the Project to income-eligible households as required by this Regulatory Agreement (the "Marketing Plan"). The Marketing Plan shall be in compliance with all applicable fair housing, equal opportunity and affirmative fair marketing laws and requirements.

Upon receipt of the Marketing Plan, the City shall promptly review the Marketing Plan and shall approve or disapprove it within fifteen (15) days after receipt. If the Marketing Plan is not approved, the City shall give Owner specific reasons for such disapproval and Owner shall submit a revised Marketing Plan within fifteen (15) days of notification of the City's disapproval.

Owner shall follow this procedure for resubmission of a revised Marketing Plan until the Marketing Plan is approved by the City. If the Owner does not submit a revised Marketing Plan that is approved by the City at least three (3) months prior to the date construction of the Project is projected to be complete, Owner will be in default of this Regulatory Agreement.

Section 4.8 Environmental Requirements. Owner shall comply with the environmental requirements set forth in Article X of the DDLA and Article 6 of the Deed of Trust, which are incorporated herein.

ARTICLE 5. PROPERTY MANAGEMENT AND MAINTENANCE

Section 5.1 Management Responsibilities. The Owner is responsible for all management functions with respect to the Project, including without limitation the selection of tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. City shall have no responsibility over management of the Project. The Owner shall retain a professional property management company approved by City in its reasonable discretion to perform its management duties hereunder. A resident manager shall also be required.

Section 5.2 Management Agent. The Project shall at all times be managed by an experienced management agent with demonstrated ability to operate residential facilities like the Project in a manner that will provide decent, safe, and sanitary housing (as approved, the "Management Agent").

Section 5.3 Performance Review. City reserves the right to conduct an annual (or more frequently, if deemed reasonably necessary by City) review of the management practices and financial status of the Project. The purpose of each periodic review will be to enable City to determine if the Project is being operated and managed in accordance with the requirements and standards of this Agreement. The Owner shall cooperate with City in such reviews.

Section 5.4 Replacement of Management Agent. If, as a result of a periodic review, City determines in its reasonable judgement that the Project is not being operated and managed in accordance with any of the material requirements and standards of this Agreement, City shall deliver notice to Owner of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days of receipt by Owner of such written notice, City staff and Owner shall meet in good faith to consider methods for improving the financial and operating status of the Project. If after a reasonable period as determined by City (not to exceed sixty (60) days), City determines that the Owner is not operating and managing the Project in accordance with the material requirements and standards of this Agreement, City may require replacement of the Management Agent.

If, after the above procedure, City requires in writing the replacement of the Management Agent, Owner shall (subject to obtaining any necessary consents from the Investor Limited Partner, any applicable lenders of loans senior to the City Loan, the California Tax Credit

Allocation Committee, the California Debt Limit Allocation Committee and any other applicable government agency that has approval rights over the replacement of the Management Agent) promptly dismiss the then Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a Management Agent set forth in Section 5.2 above.

Any contract for the operation or management of the Project entered into by Owner shall provide that the contract can be terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section shall constitute default under this Agreement, and City may enforce this provision through legal proceedings as specified in Section 6.5.

Section 5.5 Management Policies. The Owner shall submit its written management plan with respect to the Project to City for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this Agreement.

Section 5.6 Property Maintenance. The Owner agrees, for the entire Term of this Agreement, to maintain or cause to be maintained all interior and exterior improvements, including landscaping, on the Property in good condition and repair (and, as to landscaping, in a healthy condition), reasonable wear and tear excepted, and in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials.

In the event that the Owner breaches any of the covenants contained in this section and such default continues for a period of seven (7) days after written notice from City with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from City with respect to landscaping and building improvements, then City, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, City shall be permitted (but is not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, which amount shall be promptly paid by the Owner to City upon demand.

Section 5.7 Social Services. Owner shall provide a variety of social services at the Project. Such social services are subject to the prior written approval of the City, in its reasonable discretion. Owner shall use its best efforts to create a comprehensive social service program that is targeted to the needs of the residents of the Project which may include, but is not limited to, the following services: after-school programs of an ongoing nature for school age children, financial planning skills, job coaching, and/or the availability of a bona fide services coordinator to the tenants. Owner shall ensure that all personnel providing or coordinating all social services shall be adequately trained and counseled, including with respect to the appropriate means and methods of communicating and interacting with residents. Any substantive change in the scope, amount, or type of social services to be provided at the Property

shall be subject to prior reasonable approval of City and approval shall not be unreasonably withheld.

ARTICLE 6.
MISCELLANEOUS

Section 6.1 Transfers.

(a) For purposes of this Agreement, "Transfer" means any sale, assignment, or transfer, whether voluntary or involuntary, of: (i) any rights and/or duties under the Loan Documents; and/or (ii) any interest in the Project, including (but not limited to) a fee simple interest, a joint tenancy interest, a life estate, a partnership interest, a leasehold interest, a security interest, or an interest evidenced by a land contract by which possession of the Project is transferred and Owner retains title. The term "Transfer" excludes the leasing of any single unit in the Project to an occupant in compliance with this Regulatory Agreement.

(b) Except as otherwise permitted in this Section 6.1 and Section 8.2 of the DDLA, no Transfer is permitted without the prior written consent of the City, which the City may withhold in its sole discretion. The City Loan shall automatically accelerate and be due in full upon any Transfer made without the prior written consent of the City. Notwithstanding anything to the contrary in this Agreement, any transfer permitted under Section 8.2 of the DDLA shall be permitted hereunder without the City's approval.

(c) The City hereby approves the admission of the Investor Limited Partner to Owner as limited partner. The City hereby approves future Transfers of the limited partner interest of Owner provided that: (i) such Transfers do not affect the timing and amount of the Investor Limited Partner capital contributions provided for in the Partnership Agreement (as such capital contributions may be adjusted pursuant to the terms of the Partnership Agreement); and (ii) in subsequent Transfers, the Investor Limited Partner or an Affiliate thereof, retains a membership or partnership interest and serves as a managing member or managing general partner of the successor limited partner.

(d) The City hereby approves a Transfer of the Property from Owner to St. Anton Communities, LLC, or an Affiliate of St. Anton Communities, LLC, and an assumption of the City Loan by such transferee at or prior to the end of the Fifteen Year Compliance Period, provided that: (i) such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement, (ii) the assignment and assumption agreement evidencing such Transfer requires the transferee to expressly assume the obligations of Owner under the Loan Documents, and (iii) the City is provided executed copies of all documents evidencing the Transfer.

(e) The City hereby approves the purchase of the Investor Limited Partner interest by St. Anton Communities, LLC, or an Affiliate of St. Anton Communities, LLC at or prior to the end of the Fifteen Year Compliance Period, provided that (i) such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement, and (ii) the City is provided executed copies of all documents evidencing the Transfer.

(f) In the event the general partner of Owner is removed by the limited partner of Owner for cause following default under the Partnership Agreement, the City hereby approves the Transfer of the general partner interest to (i) a 501(c)(3) tax exempt nonprofit corporation or other entity with a 501(c)(3) tax exempt nonprofit corporation member or partner, with significant experience in the ownership and operation of affordable housing projects similar to the Project, and with financial resources sufficient for the ownership of the Project, as selected by the Investor Limited Partner and approved by the City, and (ii) the Investor Limited Partner or an Affiliate thereof, but only for a period not to exceed ninety (90) days from the date of removal of the general partner, during which time such entity shall diligently seek a replacement general partner meeting the requirements of subsection (i) above.

(g) The City hereby approves the grant of the security interests in the Project for financing approved in the Final Financing Plan as such term is defined in the DDLA.

Section 6.2 Term. The provisions of this Agreement shall apply to the Property for the entire Term even if the entire City Loan is paid in full prior to the end of the Term. This Agreement shall bind any successor, heir or assign of Owner, whether a change in interest occurs voluntarily or involuntarily, by operation of law or otherwise, except as expressly released by City. City makes the City Loan on the condition, and in consideration of, this provision, and would not do so otherwise.

Section 6.3 Notice of Expiration of Term.

(a) At least six (6) months prior to the expiration of the Term, Owner shall provide by first-class mail, postage prepaid, a notice to all Tenants containing (a) the anticipated date of the expiration of the Term, (b) any anticipated increase in Rent upon the expiration of the Term, (c) a statement that a copy of such notice will be sent to City, and (d) a statement that a public hearing may be held by City on the issue and that the Tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. The Owner shall also file a copy of the above-described notice with City.

(b) In addition to the notice required above, Owner shall comply with the requirements set forth in California Government Code Sections 65863.10 and 65863.11. Such notice requirements include: (i) a twelve (12) month notice to existing tenants, prospective tenants and Affected Public Agencies (as defined in California Government Code Section 65863.10(a)) prior to the expiration of the Term, (ii) a six (6) month notice requirement to existing tenants, prospective tenants and Affected Public Agencies prior to the expiration of the Term; (iii) a notice of an offer to purchase the Project to "qualified entities" (as defined in California Government Code Section 65863.11(d)), if the Project is to be sold within five (5) years of the end of the Term; (iv) a notice of right of first refusal within the one hundred eighty (180) day period that qualified entities may purchase the Project.

Section 6.4 Covenants to Run with the Land. City and Owner hereby declare their express intent that the covenants and restrictions set forth in this Agreement shall run with the land, and shall bind all successors in title to the Property, provided, however, that on the expiration of the Term of this Agreement said covenants and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property

or any portion thereof shall be held conclusively to have been executed, delivered and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless City expressly releases such conveyed portion of the Property from the requirements of this Agreement.

Section 6.5 Enforcement by the City.

(a) If Owner fails to perform any obligation under this Agreement, and fails to cure the default within 30 days after City has notified the Owner in writing of the default or, if the default cannot be cured within 30 days, fails to commence to cure within 30 days and thereafter diligently pursue such cure, City shall have the right to enforce this Agreement by any or all of the following actions, or any other remedy provided by law:

(1) Calling the Loan. City may declare a default under the Note, accelerate the indebtedness evidenced by the Note, and proceed with foreclosure under the Deed of Trust.

(2) Action to Compel Performance or for Damage. City may bring an action at law or in equity to compel Owner's performance of its obligations under this Agreement, and/or for damages.

(3) Remedies Provided Under Loan Documents. City may exercise any other remedy available at law or provided under the Loan Documents.

(b) The City shall provide notice of a default to the Investor Limited Partner and any limited partner of Owner who has requested written notice from the City in the manner set forth in Section 6.1 of the Loan Agreement.

Section 6.6 Attorney's Fees and Costs. In any action brought to enforce this Agreement, the prevailing party shall be entitled to all costs and expenses of suit, including reasonable attorneys' fees. This section shall be interpreted in accordance with California Civil Code Section 1717 and judicial decisions interpreting that statute.

Section 6.7 Recording and Filing. City and Owner shall cause this Agreement, and all amendments and supplements to it, to be recorded against the Property in the Official Records of the County of Sacramento. This Agreement encumbers only the Owner's leasehold interest in the Property and does not encumber the City's fee title to the Property.

Section 6.8 Governing Law. This Agreement shall be governed by the laws of the State of California.

Section 6.9 Amendments. This Agreement may be amended only by a written instrument executed by all the parties hereto or their successors in title, and duly recorded in the real property records of the County of Sacramento, California.

Section 6.10 Notice. All notices given or certificates delivered under this Agreement shall be in writing and be deemed received on the delivery or refusal date shown on the delivery receipt, if: (i) personally delivered by a commercial service which furnishes signed receipts of

delivery or (ii) mailed by certified mail, return receipt requested, postage prepaid, addressed as shown on the signature page. Any of the parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or communications shall be sent.

Section 6.11 Severability. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions of this Agreement shall not in any way be affected or impaired thereby.

Section 6.12 Multiple Originals; Counterparts. This Regulatory Agreement may be executed in multiple originals, each of which is deemed to be an original, and may be signed in counterparts.

Section 6.13 Revival of Agreement after Foreclosure. In the event there is a foreclosure of the Property, this Regulatory Agreement will revive according to its original terms if, during the Term, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the Project or a leasehold interest in the Property.

IN WITNESS WHEREOF, the City and Owner have executed this Agreement by duly authorized representatives, all on the date first written above.

EXHIBIT A
Property Description

5051486.4

PROPOSED PROJECT – SUNRISE CROSSING APARTMENTS

General Project Description

“Sunrise Crossing” is an 82-unit proposed multifamily apartment community in the City of Rancho Cordova, CA. Sunrise Crossing’s units will be income- and rent-restricted to households with incomes between 30% and 80% of Area Median Income (AMI) for Sacramento County. This highly amentitized urban infill project will be indistinguishable from market-rate projects in the area and will provide a variety of amenities and services geared toward the enrichment and growth of the community and its residents.

Site:

The project site consists of one parcel (APN: 058-0270-041) covering ±2.26 acres of land on the northern side of Folsom Blvd (11295 Folsom Blvd., Rancho Cordova, CA, 95742). It currently is a blighted freight shipping yard with shipping containers and a sheet metal structure. The property is located between I-50 to the North, Folsom Boulevard to the South and East, and Sunrise Boulevard to the West. The adjacent properties consist of hotels, vehicle service shops, a business park, and other commercial buildings.

Site Control:

St. Anton Communities, LLC has site control through a valid and enforceable Purchase and Sale Agreement with the property owner.

Land Use and Zoning:

The project site is currently zoned as Light Industrial/Manufacturing (M-1) and has a Light Industrial General Plan designation. However, the entire project site is within a quarter mile of the Sunrise light rail station which qualifies the site for Transit Oriented Development (TOD) designation. The TOD Overlay Zoning District allows residential use up to 80 dwelling units per acre.

The Building:

The proposed project consists of three garden-style walk-up buildings, a community building, amenities, and other site improvements including surface parking. The building’s dynamic façade includes modern and unique design elements to stimulate activity and movement and is in harmony with the contemporary urban aesthetic of the surrounding uses.

Unit Mix:

Of the 82 proposed residential units, 12 are studio, 50 are one-bedroom, and 20 are two-bedroom units with floor plans ranging from approximately 425 square feet to 885 square feet.

Parking:

The project will offer undesignated surface parking at a ratio allowed by State Density Bonus Law. This ratio (inclusive of guest parking) is one space per studio and one-bedroom units and two spaces for units with 2 or more bedrooms. The project design will meet/exceed this ratio.

On-Site Amenities:

Sunrise Crossing has many community amenities, including a clubhouse, fitness center, leasing office, swimming pool, full kitchen, and employment and educational training classrooms. The project features a sundeck with active and passive features. In addition, the project ownership’s non-profit partner will provide on-site resident services such as wellness and educational programs throughout the year. See Attachment A for more information on the service provider and the variety of services.

Neighborhood Amenities

The project is located on Folsom Boulevard, one of the city's major commercial corridors, which facilitates convenient access to a variety of amenities including shopping, entertainment, and transit. The project is within walking distance from Sunrise light rail station which enables easy and fast access to downtown Sacramento to the west and downtown Folsom to the east.

Property Management

St. Anton Multifamily, Inc. (SAM), or an affiliate, will provide professional on-site management services. SAM is a full-service property management company specializing in market-rate and affordable housing management. Founded in 1999, SAM provides a wide range of property management services including initial and on-going leasing, marketing, compliance monitoring, coordination of resident services and property maintenance. St. Anton Multifamily, Inc. was ranked number one by the Sacramento Housing and Redevelopment Agency in their 2009 File Audit and Housing Quality Standards Inspection rankings. Please see Attachment B for the list of properties currently managed by SAM.

Amenities and Services***On-Site Amenities***

- Leasing office
- Fully equipped communal kitchen

SCHEDULE OF PERFORMANCE

<u>Task/Event</u>	<u>Time for Performance</u>
1. Developer and City open Escrow.	Completed.
2. Closing Date.	On or before July 1, 2022._
3. Developer commences construction of Project.	Within 90 days after the Closing Date.
4. Developer completes construction of Project.	Within 36 months after commencement of construction.
5. Developer commences leasing the Units	Not later than 30 days prior to completion of construction.
6. Developer completes leasing of all Units.	Not later than 9 months after completion of construction.

It is expressly understood and agreed by the Parties that the foregoing schedule of performance is subject to all of the terms and conditions set forth in the text of the Agreement including, without limitation, extension due to Force Majeure. Times of performance under the Agreement may be extended by request of any Party memorialized by a mutual written agreement between the Parties, which agreement may be granted or denied in the non-requesting Party's sole and absolute discretion (subject to events of Force Majeure set forth in this Agreement).

SOURCES AND USES OF FUNDS

Financing Plan

St. Anton plans to finance Sunrise Crossing Apartments with the following sources:

❖ ***Senior Tax-Exempt Bond Financing:***

The Sacramento Housing and Redevelopment Agency shall be the issuer for tax exempt bonds in the amount of \$13,180,000. The bonds will be privately placed with a bond purchaser (one of St. Anton's lending partners).

❖ ***City of Rancho Cordova Subordinate Loan:***

A subordinate loan will be issued by City of Rancho Cordova in the amount of \$2,624,000 (\$32,000/unit).

❖ ***Tax Credit Equity Investment (Federal 4% AND State):***

One of St. Anton's investing partners will be the equity investor in the project for the purpose of receiving Federal and State low-income housing tax credits and other tax benefits from the investment. St. Anton solicits a number of bids from various qualified investors and evaluates the proposals for best pricing and back-end conditions. The anticipated tax credit pricing is \$0.955 for Federal credits and 0.800 for State credits.

❖ ***Construction and Permanent Loans:***

A construction loan will be issued by one of St. Anton's lending partners in the amount of \$17,530,000 and dispersed monthly. \$13,180,000 of the loan will be through tax-exempt bonds and \$4,350,000 will be a taxable tail. The loan shall convert to a permanent loan within 24 months (with one 6-month extension option). The permanent loan will be in the amount of \$8,570,000.

❖ ***Pre-Conversion Net Operating Income:***

The project shall generate excess income in the amount of \$128,083 during the lease up period prior to conversion.

❖ ***Deferred Developer Fee:***

The Developer, St. Anton Communities, LLC, shall defer payment of the developer fee in the amount of \$488,150. The deferred portion of the developer fee shall be paid by project cash flow.

❖ ***Deferred Interest on Subordinate Loans:***

The applicant shall defer payment of the interest accrued on subordinate loans during construction in the amount of \$157,440. The deferred interest on subordinate loans shall be paid from residual cash flow per subordinate loan terms

❖ ***SMUD All-Electric Rebate***

St. Anton has successfully engaged with SMUD on multiple projects to receive Smart Homes rebates for making the residential projects all-electric. We intend to apply the same concept at Sunrise Crossing and anticipate receiving \$1,250/unit in Smart Homes rebates from SMUD.

Please see Attachment D for complete project financial model.

CERTIFICATE OF COMPLETION

This Certificate of Completion (this "**Certificate**") is made by the City of Rancho Cordova, a California municipal corporation ("**City**"), effective as of _____, 202__.

RECITALS

A. City and _____ ("**Owner**"), entered into that certain Disposition, Development and Loan Agreement (the "**DDLA**") dated as of _____, 2022 concerning the construction of an affordable multi-family senior rental residential project (the "**Project**") on certain real property located in the City of Rancho Cordova, California and more particularly described in Exhibit A attached hereto (the "**Property**"). A Memorandum of the DDLA was recorded in the Official Records of Sacramento County ("**Official Records**") as Instrument No. _____ on _____, 202__. Capitalized terms used herein without definition shall have the meaning ascribed to such terms in the DDLA.

B. Pursuant to Section 5.12 of the DDLA, the Agency is required to furnish the Owner or its successors with a Certificate of Completion upon completion of construction of the Project in accordance with the DDLA.

C. The City has determined that the construction of the Project has been satisfactorily completed in accordance with the DDLA.

NOW, THEREFORE, the City hereby certifies as follows:

1. Construction of the Project has been satisfactorily completed in conformance with the DDLA.
2. All use, maintenance and nondiscrimination covenants contained in the DDLA shall remain in effect and enforceable in accordance with the DDLA. This Certificate does not constitute evidence of Owner's compliance with those covenants in the DDLA that survive the issuance of this Certificate, including without limitation, compliance with the Regulatory

Agreement and Declaration of Restrictive Covenants entered into pursuant to the DDLA and recorded in the Official Records on _____, 2022 as Instrument No. _____.

3. This Certificate does not constitute evidence of compliance with or satisfaction of any obligation of Owner to any holder of a deed of trust securing money loaned to finance the Improvements or any part thereof (except City) and does not constitute a notice of completion under California Civil Code Section 3093.3.

4. Nothing contained in this instrument shall modify any provisions of the DDLA or any other document executed in connection therewith.

IN WITNESS WHEREOF, City has executed and issued this Certificate of Completion as of the date first written above.

LEGAL DESCRIPTION OF PROPERTY
(Attach legal description.)

5050806.2

COMPLETION GUARANTY

THIS COMPLETION GUARANTY (the “Guaranty”) is made as of _____, 2022 by ST. ANTON COMMUNITIES, a California limited liability company (“Guarantor”), in favor of the CITY OF RANCHO CORDOVA, a California municipal corporation (“City”).

RECITALS

A. Concurrently with the date of this Guaranty, City and Sunrise Crossing Affordable LP, a California limited partnership (“Developer”), entered into a Disposition, Development and Loan Agreement (the “DDLA”). Pursuant to the DDLA, City has conveyed to the Developer an approximately 5,600 square foot parcel of real property (the “City Parcel”), and has made a loan to Developer (the “City Loan”) for the construction of an affordable housing development (the “Project”) on a site located at 11295 Folsom Boulevard, Rancho Cordova, California, which is comprised of the City Parcel and an approximately 2.26 acre parcel which Developer has acquired (the “Developer Parcel”) (collectively, the “Property”).

B. As set forth in the DDLA, Developer is to construct the Project, consisting of eighty-two (82) apartment units, together with all associated landscaping, parking and associated improvements, including a clubhouse, fitness center, leasing office, swimming pool, full kitchen, and employment and educational training classrooms. Twelve (12) of the apartment units will be studio units, fifty (50) of the apartment units will be one bedroom units, and twenty (20) of the apartment units will be two bedroom units.

C. As a condition precedent to transferring the City Parcel to Developer, and making and disbursing the City Loan to Developer, Guarantor is required to execute and deliver this Guaranty guaranteeing the lien-free completion of the Project pursuant to, and in accordance with, the DDLA, and providing for the performance of other covenants contained herein.

NOW, THEREFORE, in consideration of the foregoing and the agreements set forth below, Guarantor hereby agrees as follows:

1. Guaranty. Subject to the terms and conditions set forth herein, Guarantor unconditionally and irrevocably guarantees the full and timely performance of Developer’s obligations under the DDLA, to construct and complete the Project in accordance with the DDLA. Without limiting the generality of the foregoing, Guarantor guarantees that: (a) construction of the Project shall commence and be completed substantially within any time limits set forth in the DDLA; (b) the Project shall be constructed and completed in accordance with the approved plans (the “Plans”) and the other provisions of the DDLA, without substantial deviation therefrom unless approved by City in writing; (c) the Project shall be constructed and completed free and clear of any mechanic’s liens, materialman’s liens, construction liens, and equitable liens; and (d) all costs of constructing the Project shall be paid when due. For purposes of this Guaranty, completion of the Project free and clear of liens shall be deemed to have occurred upon: (a) (i) City’s receipt of a written statement or certificate executed by the architect

designated or shown on the Plans certifying, without qualification or exception, that the Project is completed, and (ii) City's issuance of all required occupancy permit(s) for the Project, and (iii) the expiration of the statutory period(s) within which valid mechanic's liens, materialman's liens and/or construction liens may be recorded and/or served by reason of the construction of the Project, or, alternatively, City's receipt of valid, unconditional releases or waivers thereof from all persons entitled to record said liens or serve said stop notices; or (b) City's receipt of such other evidence of lien free completion as City deems satisfactory in its reasonable discretion.

2. Remedies. If Developer fails to timely perform any of its obligations under the DDLA with respect to the construction and completion of the Project, after expiration of any applicable notice and cure periods, City, prior to exercising any of its remedies hereunder, shall demand (by written notice) that Guarantor perform the same on Developer's behalf. If, within thirty (30) days after receiving such demand, Guarantor advises City in writing that Guarantor will commence and diligently proceed to cure all defaults of Developer under the DDLA, which by their nature are capable of being cured by Guarantor, then the DDLA shall remain in full force and effect, and City shall perform for the benefit of Guarantor any unperformed obligations of City under the DDLA. If (i) Guarantor notifies City that it has elected not to cure all defaults of Developer under the DDLA, or (ii) Guarantor fails to respond to City's written notice, or (iii) Guarantor advises City in writing that Guarantor will commence and diligently proceed to cure all defaults of Developer under the DDLA, but fails to timely perform as herein above provided, City shall have the following remedies in addition to other remedies expressly provided herein:

(a) From time to time and without first being required to exhaust any or all security held by City, if any, to require performance by Guarantor of any obligation to be performed on the part of Guarantor pursuant to the terms hereof, by action at law or in equity or both. Nothing herein shall be construed to prohibit City from pursuing any remedies under any other agreement, against any person other than Guarantor.

(b) The City, at City's option, shall have the right to construct the Project and cure all defaults of Developer under the DDLA, which City reasonably deems necessary, and expend such sums as City reasonably deems proper in order so to complete such obligation. The amount of any and all reasonable expenditures made by City shall be immediately due and payable by Guarantor to City, notwithstanding City's pursuit of any other rights or remedies.

3. City's Actions. Guarantor agrees that City may from time to time without notice to or consent of Guarantor upon such terms and conditions as City may deem advisable and without affecting this Guaranty: (a) approve modifications to the Plans; (b) release any maker, surety or other person liable for payment or performance of all or any part of obligations due under the DDLA; (c) make any agreement extending or otherwise altering the time for or the terms of performance of all or any part of the obligations due under the DDLA; (d) modify, waive, compromise, release, subordinate, resort to, exercise or refrain from exercising any right City may have hereunder, or under the DDLA; (e) accept additional security or guarantees of any kind; or (f) release, settle or compromise any claim of City against Developer, or against any other person, firm or corporation, including any guarantor.

4. Guarantor's Warranties. Guarantor hereby warrants and represents unto City that: (a) Guarantor has reviewed all of the terms and provisions of the DDLA; (b) any and all balance sheets, net worth statements and other financial statements and data that have heretofore been given to City with respect to Guarantor fairly and accurately represent the financial condition of Guarantor as of the date hereof, and, since the date thereof, there has been no material adverse change in the financial condition of Guarantor, (c) except as may be set out on any exhibit attached hereto or as may have been previously disclosed to City (i) there are no legal proceedings, material claims or demands pending against, or to the knowledge of Guarantor threatened against, Guarantor or any of Guarantor's assets, that if adversely determined would materially impair Guarantor's ability to fulfill its obligations under this Guaranty, (ii) Guarantor is not in breach or default of any obligation to pay money that would materially impair Guarantor's ability to fulfill its obligations under this Guaranty, and (iii) no event (including specifically Guarantor's execution and delivery of this Guaranty) has occurred which, with or without the lapse of time or action by a third party, constitutes or could constitute a material breach or material default under any document evidencing or securing any obligation to pay money or under any other contract or agreement to which Guarantor is a party and that would materially impair Guarantor's ability to fulfill its obligations under this Guaranty, (d) Guarantor has knowledge of Developer's financial condition and affairs, the progress of completion of the Project, and of all other circumstances which bear upon the risk assumed by Guarantor under this Guaranty (Guarantor hereby agreeing to continue to keep itself informed thereof while this Guaranty is in force and agreeing that neither City has and will have any obligation to investigate the financial condition or affairs of Developer for the benefit of Guarantor or to advise Guarantor of any fact respecting, or any change in, the financial condition or affairs of Developer or any other circumstance which may bear upon Guarantor's risk hereunder which come to the knowledge of City, or any of its directors, officers, employees or agents of any time, whether or not City knows, believes or has reason to know or to believe that any such fact or change is unknown to Guarantor or might or does materially increase the risk of Guarantor hereunder), and (e) this Guaranty does not constitute a breach of Guarantor's organizational documents or any other agreement or contract which Guarantor is a party to. Guarantor shall promptly deliver to City all financial statements and tax returns of Guarantor, if any, which Developer is required to provide by the DDLA or the Note, Deed of Trust, or Regulatory Agreement executed pursuant to the DDLA (collectively, the "Loan Documents"), to deliver to City, in time for Developer to deliver the same to City on or before the date provided for the delivery thereof.

5. Subordination. Guarantor agrees that all indebtedness, liability or liabilities now or at any time or times hereafter owing by Developer to Guarantor are hereby subordinated to the obligations under the DDLA. Guarantor agrees that the payment of any amount or amounts by Guarantor pursuant to this Guaranty shall not in any way entitle Guarantor whether at law, in equity or otherwise to any right to participate in any security held by City for the payment of the obligations under the DDLA, any right to direct the application or disposition of any such security or any right to direct the enforcement of any such security. Performance by Guarantor under this Guaranty shall not entitle Guarantor to be subrogated to any of the obligations under the DDLA or to any security therefor, unless and until the full amount of the obligations under the DDLA has been fully and finally paid.

6. Termination. This Guaranty shall terminate and be of no further force or effect upon the occurrence of either (i) upon issuance of a final certificate of occupancy for the Project, or (ii) termination of the DDLA by either City or Developer in accordance with its own terms.

7. Interest. Any sums required to be paid by Guarantor to City pursuant to the terms hereof that are not paid within thirty (30) days of the date due, shall bear interest at the prime rate announced by the Bank of America plus three percent (3%), from the date said sums shall have become due until the date said sums are paid.

8. Consideration. Guarantor acknowledges that the undertakings given hereunder are given in consideration of City's conveyance of the Property to Developer pursuant to the DDLA and City's performance under the DDLA, and that City would not convey the Property to Developer or make the City Loan to Developer were it not for Guarantor's execution and delivery of this Guaranty.

9. No Waiver, Extension or Modification. No failure on the part of City to pursue any remedy hereunder shall constitute a waiver on its part of the right to pursue said remedy on the basis of the same or a subsequent breach. No extension, modification, amendment or renewal of the DDLA shall serve to waive the provisions hereof or discharge Guarantor from any obligation herein contained, in whole or in part, except to the extent expressly approved by City by written instrument signed by City, specifying the nature and the extent of the intended waiver and discharge of Guarantor.

10. Covenant of Guarantor. Guarantor shall promptly advise City in writing of any material adverse change in the business or financial condition of Guarantor.

11. Guaranty Independent; Waiver of Exoneration.

(a) Guarantor agrees that the obligations hereunder are independent of and in addition to the undertakings of the Developer pursuant to the DDLA, any other guarantees given in connection with the DDLA, and other obligations of Guarantor to City.

(b) Guarantor agrees that the validity of this Guaranty shall continue and the obligations of Guarantor hereunder shall in no way be terminated, affected, diminished or impaired by reason of any bankruptcy, insolvency, reorganization, arrangement, assignment for the benefit of creditors, receivership or trusteeship affecting the Developer or its partners, parents, principals, or members whether or not notice is given to Guarantor, or by any other circumstances or condition that may grant or result in a discharge, limitation or reduction of liability of the Developer or its partners, parents, principals, members or of a surety or a guarantor.

(c) Guarantor waives all rights and remedies accorded by applicable law to guarantors and agrees not to assert or take advantage of any such rights or remedies including but not limited to any right to require City to, after expiration of applicable notice and cure periods to Developer, (1) proceed against the Developer, any partner or member of the Developer or any other person, (2) proceed against or exhaust any security held by City, or (3) pursue any remedy

in the power of City whatsoever. If Guarantor is liable pursuant to this Guaranty, Guarantor waives any defense arising by reason of any disability or other defense of the Developer or any partner or member of the Developer, or any of their parents, principals, or affiliated entities or by reason of the cessation from any cause whatsoever of the liability of the Developer or any member or partner of the Developer, or any of their parents, principals, or affiliated entities other than the full discharge and performance of all of Developer's obligations under the DDLA. Guarantor, except as expressly set forth herein, waives any defense it may acquire by reason of City's election of any remedy against it or the Developer, or both, even though Guarantors' right of subrogation may be impaired thereby or extinguished under the antideficiency statutes of the State of California. Without limiting the generality of the foregoing, Guarantor waives (a) any defense that may arise by reason of the lack of authority or of any other person or persons or the failure of City to file or enforce a claim against the estate (in administration, bankruptcy, or any other proceeding) of any other person or persons; (b) demand, protest and notice of any kind including but not limited to notice of any kind (except for the notice required hereof or under the DDLA), including but not limited to notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or nonaction on the part of Developer, City, any endorser or creditor of Developer or Guarantor or on the part of any other person whomsoever under this or any other instrument in connection with any obligation or evidence of indebtedness held by City as collateral or in connection with any obligations the performance of which are hereby guaranteed; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal;

(d) any duty on the part of City to disclose to Guarantor any facts City may now or hereafter know about Developer, regardless of whether City has reason to believe that any such facts materially increase the risk beyond that which Guarantor intended to assume or has reason to believe that such facts are unknown to Guarantor; (e) any defense arising because of City's election, in any proceeding instituted under the federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code; and (f) any defense based on any borrowing or grant of a security interest under Section 364 of the Federal Bankruptcy Code. Without limiting the generality of the foregoing or any other provision hereof, Guarantor hereby expressly waives any and all benefits which might otherwise be available to Guarantor under California Civil Code Sections 2809, 2810, 2819, 2839, 2845, 2849, 2850, 2899, and 3433 and California Code of Civil Procedure Sections 580(a), 580(b), 580(d), and 726.

(e) Until termination of this Guaranty (as set forth in Section 6), Guarantor shall have no right of subrogation, and waives any right to enforce any remedy that City now has or may hereafter have against the Developer or any member of Developer, or any other person, and waives the benefit of, and any right to participate in, any security now or hereafter held by City from the Developer.

12. Continued Existence; No Transfer or Assignment.

(a) Guarantor does hereby further agree that as long as this Guaranty is in effect, it will not dispose of all or substantially all of its assets without the express written approval of City, which shall not be unreasonably withheld.

(b) The obligations of Guarantor under this Guaranty may not be assigned or transferred without, in each case, the express written approval of City, which approval shall be within the sole and absolute discretion of City.

13. Notices. City shall provide Guarantor with all written notices delivered to Developer pursuant to the DDLA at the same time such notice is delivered to Developer. Guarantor shall not be liable under this Guaranty unless and until it has received such notice. The Guarantor shall have the right to perform any and all of Developer's obligations under the DDLA.

14. Miscellaneous.

(a) This Guaranty shall inure to the benefit of City and its successors and assigns and shall bind Guarantor and the successors and assigns of Guarantor.

(b) This Guaranty shall be governed by and shall be construed in accordance with the laws of the State of California.

(c) Time is of the essence hereof.

(d) If any term, provision, covenant or condition hereof or any application thereof should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, provisions, covenants and conditions hereof and all applications thereof not held invalid, void or unenforceable shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

(e) Guarantor assumes the responsibility for keeping informed of (1) the financial condition of Developer, (2) any change in the management or control of Developer, and (3) all other circumstances bearing upon the risk of nonperformance by Developer of its obligations under the DDLA.

(f) This Guaranty shall be construed and enforced in accordance with the laws of the State of California. Any action to enforce or interpret this Guaranty shall be filed and heard in the Superior Court of Sacramento County, California.

(g) Any notice or communication required hereunder between City or Guarantor must be in writing, and may be given either personally, by e-mail (with original forwarded by regular U.S. Mail), by registered or certified mail (return receipt requested), or by Federal Express or other similar courier promising overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the party to whom it is addressed. If given by email transmission, a notice or communication shall be deemed to have been given and received upon actual physical receipt of the entire document by the receiving party. Notices transmitted after 5:00 p.m. on a normal business day or on a Saturday, Sunday, or holiday shall be deemed to have been given and received on the next normal business day. If given by registered or certified mail, such notice or communication shall be deemed to have been given

and received on the first to occur of: (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered as shown on a receipt issued by the courier. Any party hereto may at any time, by giving ten (10) days written notice to the other party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such notices or communications shall be given to the parties at their addresses set forth below:

If to City, to: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Attention: City Manager

With a Copy to: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Attention: City Attorney

If to Guarantor: St. Anton Communities
1801 I Street, Suite 200
Sacramento, CA 95811
Attn: President

With Copies to:

(h) In any legal action or other proceeding brought by either party to enforce or interpret a provision of this Guaranty, the prevailing party is entitled to reasonable attorneys' fees and any other costs incurred in that proceeding in addition to any other relief to which it is entitled.

IN WITNESS WHEREOF, the undersigned has executed this Guaranty as of the day and year first above written.

GUARANTOR

ST. ANTON COMMUNITIES,
a California limited liability company

**CITY OF RANCHO CORDOVA, PLANNING DEPARTMENT
NOTICE OF DECISION**

Dated: April 13, 2022

Pursuant to Chapter 23.137 of the Rancho Cordova Municipal Code (RCMC) and the Multifamily Design Guidelines, dated July 14, 2021, the Community Development Director (or Designee) made a decision to **approve** the Multifamily Streamlined Design Review for Sunrise Crossings (MSDR-1221) a new 82-unit affordable housing apartment complex to be located at 11295 Folsom Blvd. (APN: 058-0270-041). The approval is subject to the conditions of approval attached to this Notice of Decision.

Applicant

St. Anton Communities, LLC
1801 I Street, Suite 200
Sacramento, CA 95811

CEQA

Ministerial Activities under CEQA

Pursuant to section 15268 Ministerial Project of the California Environmental Quality Act (CEQA) Guidelines, ministerial projects are exempt from the requirements of CEQA. The proposed project is subject to a ministerial design review process as outlined in Rancho Cordova Municipal Code (RCMC) Sections 23.137 and 23.707. The standards outlined in these sections, relate to aesthetic and design standards – architecture, setbacks, landscaping, lighting, signage, and similar features.

PROPOSED FINDINGS & EVIDENCE:

The Community Development Director made the following finding for an Affordable Multifamily Housing Project (RCMC section 23.137.020B.1.) prior to approving this request:

- A. **Finding:** The project conforms with the eligibility requirements and meets all of the objective design standards in the multifamily objective design standards in Chapter 23.707 of the RCMC.

Evidence: Chapter 23.707 includes numerous objective design standards for multifamily developments including but not limited to pedestrian access and open space, parking, lighting, architectural design, façade detailing, and refuse containers.

The project includes 82 affordable housing apartments, which include studios, one and two bedroom units. The minimum number of parking stalls required for the site is 118 and the project is providing 125. The project provides various on-site amenities for residents, including a pool, TOT lot, bike racks, a BBQ area and a community building. The community building includes laundry facilities, a business center, fitness area, a kitchen and lounge area and a mail room. Pedestrian pathways are included throughout the site to give residents easy access to the amenities and to walk out to Folsom Blvd. The site is heavily landscaped along the exterior boundaries, as well as internally. Fencing around the property will include a combination of solid masonry along boundary lines adjacent to the heavy industrial uses and wrought iron adjacent to the hotel and office building. This will reduce the unsightly presence of heavier industrial uses but provide some openness to the residents and not completely wall in the site. Refuse containers are in two areas of the site and will be screened by solid material and landscaping.

ATTACHMENT 3

<u>Conditions of Approval</u>		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
General Conditions				
1.	The approved entitlement is for a Multifamily Streamline Design Reivew for a 82-unit apartment community (APN: 058-0270-041). The project shall be constructed in compliance with the Project Plans and these conditions of approval (#MSDR-1221-0000.	On-Going	Planning	
2.	The Applicant shall hold harmless the City, its Council Members, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.	On-Going	Planning	
3.	Any future alteration to the buildings, change in use, intensification of the site, or modification to the parking and landscaped area must be reviewed by the City to ensure compliance with all local, state, and federal regulations. Minor modifications that are found to be in substantial conformance with the approved plans such as colors, plant materials, or minor lot line adjustments, may be approved administratively. Major modifications shall be approved by the applicable decision making body.	On-Going	Planning/ Building /Public Works	
4.	Applicant/Developer shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at billings@cityofranchocordova.org for the status of	On-Going	Finance

	your account with the City.			
5.	Applicant shall be responsible for all damage to City streets associated with construction of the project and shall repair any damage as soon as possible.	On-Going	Public Works	
6.	Noise sources associated with construction, repair, remodeling, demolition, paving and/or grading of any real property must adhere to the development standards outlined within the City's Noise Element and RCMC 6.68.	On-Going	Planning	
7.	Signage is not approved with this permit. All signage shall comply with the City of Rancho Cordova Zoning Code.	On-Going	Planning	
Prior to Approval of Improvement Plans				
8.	Provide a traffic analysis addressing the feasibility of turning movements entering and exiting the proposed development from/to Folsom Blvd. and impacts from its driveway proximity to Citrus Rd.	Prior to approval of improvement plans	Public Works	
9.	Provide an arborists report that identifies species, diameter, height and condition of all trees to be removed. Replacement or in-lieu payment shall be per RCMC Section 19.12	Prior to approval of improvement plans	Public Works	
10.	Drainage Study: Applicant shall prepare and submit a project specific drainage study that includes but is not limited to: a pre- and post-project drainage analysis of the project impacts, identification of offsite project impacts or required offsite improvements, and identification of proposed connections to the City's Storm Drainage System with adequate supporting calculations. The drainage study shall conform to the requirements of the Sacramento City/County Drainage Manual (Volume 2), County of Sacramento Improvement Standards (Section 9), and all other applicable City standards. The drainage study must be developed and stamped by a Professional Engineer, and determined by the City to be accurate, and	Prior to approval of improvement plans	Public Works

	adequate.			
11.	Provide a drainage analysis of downstream drainage infrastructure to determine adequate capacity. The proposed Hydraulic grade line (HGL) shall maintain a minimum of one-half foot (0.5') freeboard below the elevation of all inlet grates and a minimum one foot (1.0') freeboard below the elevation of all manhole rims conveying Nolte design flows.	Prior to approval of improvement plans	Public Works	
12.	All storm drain facilities within private lots shall be privately maintained and shall be clearly labeled as "private" in the improvement plans.	Prior to approval of improvement plans	Public Works	
13.	Stormwater Quality- Post Construction The improvement plans shall incorporate all applicable post construction stormwater quality measures; including source control, treatment control, low impact development, and full capture trash control measures into the site improvement plans in conformance with the most recent version of the <i>Stormwater Quality Design Manual for the Sacramento Region</i> . The applicant shall prepare and submit a Post-Construction Stormwater Quality Control Plan that includes details and sizing calculations of all the proposed post construction stormwater quality measures. In addition, a maintenance covenant is required for all proposed post construction stormwater quality measures, as detailed in Appendix B of the <i>Stormwater Quality Design Manual for the Sacramento Region</i> .	Prior to approval of improvement plans	Public Works	
14.	Stormwater Quality– During Construction: SWPPP – the applicant shall prepare a Storm Water Pollution Prevention Plan (SWPPP) to be executed through all phases of grading and project construction. The SWPPP shall incorporate Best Management Practices (BMPs) to ensure that potential water quality impacts during construction phases are minimized.	Prior to approval of improvement plans	Public Works

<u>Conditions of Approval</u>		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
	These measures shall be consistent with the City's Improvement Standards and Land Grading and Erosion Control Ordinance. During construction, the applicant shall implement BMPs in accordance with the SWPPP and the City's Improvement Standards. Advisory Condition: Construction General Permit The project applicant shall file a Notice of Intent (NOI) to obtain coverage under the <i>National Pollutant Discharge Elimination System (NPDES) General Permit For Storm Water Discharges Associated With Construction And Land Disturbance Activities</i> (Construction General Permit). Permits are issued by the State Water Resources Control Board.			
15.	The SWPPP for the site shall include a contingency plan for the implementation of a process to remove fine clay sediments prior to discharge to the City of Rancho Cordova's storm drain system and/or Waters of the State (e.g., creeks, rivers) to the satisfaction of the City of Rancho Cordova. A polymer treatment system or comparable process shall be incorporated in the erosion and sediment control plan as part of the improvement plans submittal. This system shall be implemented by qualified professionals with training and proven experience in this field.	Prior to approval of improvement plans	Public Works	
16.	Drainage System Design: The applicant shall submit and obtain City approval of plans and specifications for the construction of public drainage improvements and all grading. The proposed drainage system shall be designed to accommodate runoff from the ultimate development and shall meet the City of Rancho Cordova's Improvement Standards, Construction Specifications, and Floodplain Management Ordinances in effect at the time of improvement plans approval.	Prior to approval of improvement plans	Public Works

	The project is required to provide on-site detention of the 100-year flows because of constraints with the downstream system capacity and existing local flooding in the area.	improvement plans		
18.	All development within the City must comply with the City of Rancho Cordova's Floodplain Management Ordinance. All new structures shall be protected from the 100-year (1 percent) flood event. Certified pad elevations (certified by a registered Civil Engineer or licensed Land Surveyor) shall be set at least one and two tenths foot (1.2') above all sources of 100-year flooding (see Section 9-1 of improvement standards). The overland release path must be shown on the improvement plans and the hydraulic computation must be provided to estimate the flow depths along the overland release paths. The calculations must be in conformance with Section 9-15 of the Improvement Standards.	Prior to approval of improvement plans	Public Works	
19.	Provide a permanent concrete stamp, or other permanently applied message to the satisfaction of the City not including paint, which reads "No Dumping-Flows to Creek" or other approved message at each storm drain inlet.	Prior to approval of improvement plans	Public Works	
20.	Fees: Pay the Drainage Impact Fees to the satisfaction of the Public Works Department.	Prior to approval of improvement plans	Public Works	
21.	Offsite Improvements: Offsite improvements will be required to tie into the existing drainage system on Folsom Blvd. These include upsizing the existing drainage lateral to 10-inches.			
22.	Number, size, and location of driveways are subject to approval by the Public Works Department	Prior to approval of improvement plans	Public Works	

ITEM 9.9.

23.	Applicant shall photo-document the condition of adjacent streets, sidewalks and infrastructure to the satisfaction of the Public Works Department.	Prior to approval of improvement plans	Public Works	
24.	All landscape strips adjacent to public sidewalks that contain trees shall be designed to include continuous root barriers.	Prior to approval of improvement plans	Public Works	
25.	Any trees to be removed shall be replaced or mitigated per Rancho Cordova Municipal Code 19.12.120.	Prior to approval of improvement plans	Public Works	
26.	Show the design for a fire access roadway of not less than 20-feet of unobstructed width, 13-feet, 6-inches of vertical clearance, and turning radii of 25 feet inside and 50 feet outside dimension on the improvement plans. The access roadway shall extend to within 150 feet of all portions of the exterior walls of the first story of any proposed building. The use of turf-block or grass-crete or similar alternate road surfaces is not approved for installation in fire apparatus access roadways.	Prior to approval of improvement plans.	Sacramento Metro Fire District	
27.	Show the design for a minimum of 2 remote fire access roadways. Remote fire access roadways shall be spaced a distance apart that is no less than ½ the diagonal measurement of the overall project site.	Prior to approval of improvement plans.	Sacramento Metro Fire District	
28.	Show the design for aerial apparatus access. Aerial apparatus access shall conform to Sacramento Metro Fire Districts, Fire Prevention Standard #3.	Prior to approval of improvement plans.	Sacramento Metro Fire District	
29.	Show the design for an approved fire apparatus turnaround. The fire apparatus turnaround shall conform to Sacramento Metro Fire Districts, Fire Prevention Standard #3. The fire access turn-around shall be located within 50 feet of the end of the access roadway.	Prior to approval of improvement plans.	Sacramento Metro Fire District	
30.	Show on the plan how Fire Lanes will be marked. Fire Lane identification shall be provided along the	Prior to approval of improvement plans.	Sacramento Metro Fire District

	required fire access roadway. Fire Lane identification shall be in accordance with the Sacramento Metro Fire Districts Fire Prevention Standard #3 and the California Vehicle Code. Vehicle parking is prohibited on any street less than 28 feet in width. Vehicle parking is permitted on both sides of streets 36 feet or more in width. Roadway widths shall be measured between the gutter-line or edge of pavement on opposite sides of the road. Identification of fire apparatus access roadways may be required on private roads.			
31.	Provide a note on the plan that reads, "Fire apparatus access roads shall be designed and maintained to support the imposed live load of 80,000 pounds, with a maximum axle load of 31,000 pounds, and meet Public Works Standards for roadways. A report, prepared by a registered geotechnical engineer, verifying the ability of the road to bear the required minimum weight, shall be submitted with any plan indicating construction of roadway. Verification of constructed roadway shall be provided by a registered geotechnical engineer prior to final of the project."	Prior to approval of improvement plans.	Sacramento Metro Fire District	
32.	Show the location of the required fire hydrants for this project on the improvement plans. Approved fire hydrants capable of providing the required fire flow for the protection of any and all structures shall be located along the fire apparatus access roadway. The required fire hydrants shall be installed and operational prior to any construction or on-site storage of combustible materials. The minimum required fire flow for the protection of commercial developments is 1,500 gallons per minute (gpm) at a pressure of 20 pounds per square inch (psi) for a two-hour duration.	Prior to approval of improvement plans.	Sacramento Metro Fire District	
33.	The Applicant shall dedicate a 12.5-foot public utility easement for overhead and/or underground facilities	Prior to approval of improvement plans.	SMUD

	and appurtenances adjacent to all public street rights-of ways			
34.	The Applicant shall disclose existing or proposed 69 kV electrical facilities to future and/or potential owners on south side of Folsom Blvd.	Prior to approval of improvement plans.	SMUD	
35.	The Applicant shall dedicate and provide all-weather vehicular access for service vehicles that are up to 26,000 pounds. At a minimum: (a) the drivable surface shall be 20-feet wide; and (b) all SMUD underground equipment and appurtenances shall be within 15-feet from the drivable surface	Prior to approval of improvement plans.	SMUD	
36.	In the event the Applicant requires the relocation or removal of existing SMUD facilities on or adjacent to the subject property, the Applicant shall coordinate with SMUD. The Applicant shall be responsible for the cost of relocation or removal.	Prior to approval of improvement plans	SMUD	
37.	Any necessary future SMUD facilities located on the Applicant's property shall require a dedicated SMUD easement. This will be determined prior to SMUD performing work on the Applicant's property	Prior to approval of improvement plans	SMUD	
38.	The Applicant shall comply with SMUD siting requirements (e.g., panel size/location, clearances from SMUD equipment, transformer location, service conductors). Information regarding SMUD siting requirements can be found at: https://www.smud.org/en/Business-Solutions-and-Rebates/Design-and-Construction-Services	Prior to approval of improvement plans	SMUD	
39.	Each owner is responsible for installing collector sized sewer pipeline and appurtenances across the parcel frontage as a condition of approval. These improvements must be shown on the plans.	Prior to approval of improvement plans.	SASD	
40.	To obtain sewer service, construction of SASD sewer infrastructure will be required. Current SASD Standards and Specifications apply to any offsite or onsite public sewer construction or modification.	Prior to approval of improvement plans.	SASD	

ITEM 9.9.**Sunrise Crossing Conditions of Approval****ATTACHMENT 3**

<u>Conditions of Approval</u>		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
	These improvements must be shown on the plans. Field modifications to new or existing precast manhole bases are not allowed.			
41.	SASD requires each building on each lot with a sewage source to have a separate connection to SASD's sewer system. If there is more than one building in any single parcel and the parcel is not proposed for split, then each building on that parcel must have a separate connection to a private onsite sewer line or a separate connection to the SASD public sewer line. These improvements must be shown on the plans.	Prior to approval of improvement plans.	SASD	
42.	Lower Laterals must not directly connect to main lines more than 19 feet deep / directly to trunk lines (lines with flow greater than 1 MGD.	Prior to approval of improvement plans.	SASD	
43.	Permanent structures, walls, signs and footings will not be permitted within the existing SASD easement area unless express written permission is obtained from SASD.	Prior to approval of improvement plans.	SASD	
44.	Alignment of all main lines and structures must provide a minimum of 1 foot vertical clearance and 5 feet horizontal clearance from all other utilities and improvements. Sewer is to be located a minimum of 10 feet (measured horizontally) from any structure or footing. Show public sanitary sewer and water supply facilities in accordance with the Health and Safety Code.	Prior to approval of improvement plans.	SASD	
45.	The project has an approved Level 2 sewer study. For this project, SASD requires a Level 3 sewer study prior to the submittal of improvement plans for plan check to SASD. The sewer study shall demonstrate the quantity of discharge and any "flow through sewage" along with appropriate pipe sizes and related appurtenances from this subject and other upstream areas and shall be done in accordance with SASDs'	Prior to Submittal of Improvement Plans	SASD	

ITEM 9.9.

	most recent "Minimum Sewer Study Requirements". The study shall be done on a no "Shed-Shift" basis unless approved by SASD in advance and in compliance with SASD Design Standards.			
46.	If the proposed garbage enclosure(s) will contain a drain to the sewer, it must be covered.	Prior to Submittal of Improvement Plans	SASD	
Prior to Issuance of Building Permit				
47.	A Photometric Plan shall be submitted and approved as part of the building permit review process. The plan shall adhere to the outdoor lighting standards of Chapter 23.725 of the Rancho Cordova Municipal Code.	Prior to issuance of Building Permits	Planning	
48.	The following standards must be demonstrated on the site plan and/or landscape plan as it related to vehicle parking stalls: Vehicular Overhang. 1. Vehicular overhang is permitted, provided no vehicle shall overhang into a sidewalk which would reduce the unencumbered width of a sidewalk to less than four feet. 2. A vehicle is permitted to overhang into a landscaped area by two feet; provided, that the required landscaped area is extended by two feet.	Prior to issuance of Building Permits	Planning	
49.	The project shall adhere to all setback requirements outlined in the Rancho Cordova Municipal Code as it relates to developments within the M-1 Zoning designation.	Prior to issuance of Building Permits	Planning	
50.	Applicant shall complete improvement plans to the satisfaction of the Public Works Department. Improvement plans shall include, but shall not be limited to:	Prior to issuance of Building Permits	Public Works

Conditions of Approval		Timing/ Implementation	Enforcement/ Monitoring	Verification (date and Signature)
	Access Roadway Maintenance Agreement shall be recorded with the Public Records Office having jurisdiction. The roadway maintenance agreement shall include the following: a) Provisions for the necessary repair and maintenance of the roadway surface b) Removal of vegetation overgrowing the roadway and infringing on the roadway clear vertical height of thirteen feet six inches (13' 6") or width of twenty feet (20') c) Provisions for the maintenance, repair, and/or replacement of NO PARKING □ FIRE LANE signage or striping d) Provisions for the necessary repair and maintenance of vehicle and pedestrian access gates and opening systems			
53.	The applicant shall meet the following: Civil Site Plans and Architectural Plans shall be submitted and approved prior to Final Building Permit being issued. Fire Sprinkler and Fire Alarm plans shall be submitted prior to Final Building Permit being issued. Please note: The Sacramento Metro Fire District does not allow deferred submittals for Fire Sprinkler or Fire Alarm plans.	Prior to issuance of Building Permits	Sacramento Metro Fire District	
54.	Where a bridge or elevated surface is part of a fire apparatus access road, the bridge shall be constructed and maintained in accordance with AASHTO HB-17.	Prior to issuance of Building Permits	Sacramento Metro Fire District	
55.	Structural setbacks less than 14-feet shall require the Applicant to conduct a pre-engineering meeting with all utilities to ensure property clearances are maintained.	Prior to Issuance of Building Permit	SMUD	
56.	The Applicant shall not place any building foundations within 5-feet of any SMUD trench to maintain adequate trench integrity. The Applicant shall verify	Prior to Issuance of Building Permit	SMUD

	specific clearance requirements for other utilities (e.g., Gas, Telephone, etc.).			
57.	The owner must contact Permit Services Unit at PermitServices@sacsewer.com or by phone at (916) 876-6100 to determine if sewer impact fees are due. Fees are to be paid prior to the issuance of building permits	Prior to Issuance of Building Permit	SASD	
Prior to Final Inspection				
58.	Upon completion of the installation of the landscaping, the designer shall certify that the landscape complies with all city water conserving landscape requirements. Certification shall be accomplished by completion of a certificate of compliance on a form approved by the director of the city public works department. Failure to submit a complete and accurate certificate of compliance will delay final approval of the project and/or discontinue water service per RCMC 22.180.090.	Prior to final Building Inspection	Public Works	
59.	Record drawings of grading and improvement plans (1 full size and 1 half size hard copy), as well as a compact disc containing said plans in AutoCAD and pdf format, and a GIS shape file, or equivalent to the satisfaction of the City Engineer shall be submitted and approved by the Public Works Department.	Prior to final building inspection	Public Works	
60.	Approved numbers or addresses shall be placed on all new or existing buildings in such a position as to be easily read from the street or road fronting the property. The minimum size of the numbers shall not be less than six (6) inches and shall be mounted immediately adjacent to a light source and shall also contrast with their background.	Prior to Final Inspection/ Certificate of Occupancy	Sacramento Metro Fire District

Multi-Family Streamline Design Review

ITEM 9.9.

Sunrise Crossing Conditions of Approval

ATTACHMENT 3

Planning

1. Graffiti resistant paint shall be provided on all exterior surfaces, to allow for efficient cleaning of any graffiti on the structure.

PGE

1. This plan review process does not replace the application process for PG&E gas or electric service your project may require. For these requests, please continue to work with PG&E Service Planning: https://www.pge.com/en_US/business/services/building-and-renovation/overview/overview.page.
2. If the project being submitted is part of a larger project, please include the entire scope of your project, and not just a portion of it. PG&E's facilities are to be incorporated within any CEQA document. PG&E needs to verify that the CEQA document will identify any required future PG&E services.
3. An engineering deposit may be required to review plans for a project depending on the size, scope, and location of the project and as it relates to any rearrangement or new installation of PG&E facilities.
4. Any proposed uses within the PG&E fee strip and/or easement, may include a California Public Utility Commission (CPUC) Section 851 filing. This requires the CPUC to render approval for a conveyance of rights for specific uses on PG&E's fee strip or easement. PG&E will advise if the necessity to incorporate a CPUC Section 851 filing is required.

SMUD

1. SMUD reserves the right to use any portion of its easements on or adjacent to the subject property that it reasonably needs and shall not be responsible for any damages to the developed property within said easement that unreasonably interferes with those needs.

SASD

1. ONGOING: Any use of SASD sewer easements, which is not compatible or interferes with the construction, reconstruction, operation, maintenance, or repair of SASD sanitary sewer(s), must not be allowed. Each proposed use must be reviewed and approved in writing by
2. ONGOING: SASD prohibits gates that prevent access within sewer easements unless the District standards for accessibility through gates are met.

MEMORANDUM

ITEM 9.10.

DATE: May 16, 2022
TO: Honorable Mayor and Council Members
FROM: Albert Stricker, Public Works Director
Steve Harriman, Public Works Division Manager
SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-62 WITH ROUSH LANDSCAPE SERVICES IN AN AMOUNT NOT TO EXCEED \$644,120 FOR LANDSCAPE MAINTENANCE SERVICES IN NEWLY DEVELOPED AREAS**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the resolution will authorize the City Manager to execute Contract No. 2022-62 with Roush Landscape Services in an amount not to exceed \$644,120 for landscape maintenance services in newly developed areas of the City.

BACKGROUND

The city is responsible for landscape maintenance of city-owned parcels like street medians and parks in newly developed areas of the city. Well-maintained landscaping contributes to the beauty and positive image of Rancho Cordova neighborhoods. The work scope for this contract includes turf mowing and edging, tree and shrub pruning, irrigation system maintenance, fertilization, litter removal, and weed control. Staff anticipates the completion of additional landscaped areas during the contract term that will be maintained under this contract.

Staff released an RFP on April 8, 2022, for the term beginning July 1, 2022. Three proposals were received in response to the RFP. One proposal was deemed nonresponsive due to missing required documentation and irregularities in the cost proposal sheet. Staff recommends awarding the contract to Roush Landscape Services based on a combination of the lowest qualified price, extensive local experience, and a high degree of understanding of the City's desired level of service. Roush Landscape Services currently performs maintenance services under contract to the City and has an excellent performance record.

FISCAL IMPACT AND FUNDING SOURCE

The contract will be funded by special districts and has no impact to the City's general fund.

ATTACHMENT(S)

1. Resolution
2. Contract No 2022-62

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE
CONTRACT NO. 2022-62 WITH ROUSH LANDSCAPE SERVICES IN AN AMOUNT NOT TO
EXCEED \$644,120 FOR LANDSCAPE MAINTENANCE SERVICES IN
NEWLY DEVELOPED AREAS**

WHEREAS, the City solicited proposals for landscape maintenance services under the requirements of state law on April 8, 2022; and

WHEREAS, the City received three proposals on April 20, 2022; and

WHEREAS, one of the three proposals received was deemed nonresponsive due to missing required documentation and irregularities in the cost proposal sheet; and

WHEREAS, Roush Landscape Services submitted the top-ranked proposal based on a combination of the lowest qualified price, extensive local experience, and a high degree of understanding of the City's desired level of service; and

WHEREAS, the work scope includes maintenance of current and future City-owned parcels, including turf mowing and edging, tree and shrub pruning, irrigation system maintenance, fertilization, litter removal, and weed control; and

WHEREAS, adoption of this resolution will allow the City Manager to execute a three-year contract with Roush Landscape Services in an amount not to exceed \$644,120; and

WHEREAS, the services will exceed the maximum amount the City Manager is authorized to approve; and

WHEREAS, the contract will be funded by special districts and has no impact to the City's general fund.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract No. 2022-62 with Roush Landscape Services in an amount not to exceed \$644,120 in a form approved by the City Attorney for landscape maintenance services in newly developed areas.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May 2022 by the following vote:

ATTEST:

Stacy Leitner, CMC
City Clerk

Donald Terry, Mayor

GENERAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND ROUSH LANDSCAPE SERVICES
FOR CFD LANDSCAPE MAINTENANCE SERVICES

THIS AGREEMENT (hereinafter referred to as "Agreement") is made by and between the City of Rancho Cordova, a California municipal corporation (herein "City"), and Roush Landscape Services (herein "Contractor"), as of July 1, 2022.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A ("Services") at the time and place and in the manner as specified therein. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

Section 2. TERM. The term of this Agreement shall begin on the date first noted above and shall end on June 30, 2025, unless the term of this Agreement is otherwise terminated as provided for in Section 10. The time provided to Contractor to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 13.

Section 3. CONTRACT ADMINISTRATOR. This Agreement shall be administered by Operations & Maintenance Supervisor ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

Section 4. COMPENSATION OF CONTRACTOR. The Contractor shall be paid six hundred forty-four thousand one hundred twenty (\$644,120.00) for the performance of the Services pursuant to this Agreement. The Contractor shall submit invoices to the City Operations & Maintenance Supervisor on a monthly basis detailing the Services performed. In the event of a conflict between this Agreement and Contractor's Exhibit A regarding the amount of compensation, the Agreement shall prevail. Upon receipt and approval of the Contractor's invoices, the City shall remit payment to the Contractor for Services provided within thirty (30) days. Payment to Contractor shall be considered as full compensation for performing the Services.

City's failure to discover or object to any unsatisfactory work or billing prior to payment will not constitute a waiver of City's right to request Contractor to correct such work or billings or seek any other legal remedy.

Section 5. PERFORMANCE STANDARDS.

A. Contractor shall comply with all applicable laws now in force or which may hereafter be in force with regard to the provision of Services and this Agreement.

B. Contractor represents that it has the skills, expertise, licenses, and permits necessary to perform the Services. Contractor shall perform all such Services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged and in accordance with applicable industry standards. Permits and/or licenses shall be obtained and maintained by Contractor without additional compensation throughout the term of this Agreement.

Section 6. PREVAILING WAGES. Pursuant to the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holidays and overtime work, for each craft, classification or type of worker needed to execute the work contemplated under this Agreement shall be paid to all workers, laborers and mechanics employed in the execution of said work by Contractor, or by any subcontractor doing or contracting to do any part of said work. The appropriate determination of the Director of the California Department of Industrial Relations is filed with and available for inspection at 2729 Prospect Park Drive, Rancho Cordova, CA 95670, the office

of the Clerk of the City. Contractor shall post, at each job site, a copy of such prevailing rate of per diem wages as determined by the Director for the California Department of Industrial Relations.

Section 7. STATUS OF CONTRACTOR

- 7.1 INDEPENDENT CONTRACTOR. At all times during the term of this Agreement, Contractor shall be an independent contractor as defined in Labor Code Section 3353 and shall not be an employee of City. Nothing contained in this Agreement shall be construed to be inconsistent with the foregoing relationship or status. City shall have the right to control Contractor only insofar as the results of Contractor's services rendered pursuant to this Agreement and assignment of personnel; however, otherwise, City shall not have the right to control the means and methods by which Contractor accomplishes services rendered pursuant to this Agreement. Contractor shall have no power or authority by this Agreement to bind the City in any respect. All employees and agents hired or retained by Contractor are employees and agents of Contractor and not of the City. The City shall not be obligated in any way to pay any wage claims or other claims made against Contractor by any such employees or agents, or any other person resulting from performance of this Agreement.

Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits. Contractor shall not allow any employee, agent or subcontractor to become eligible for a claim for PERS benefits.

- 7.2 Contractor Not an Agent. Except as City may specify in writing, Contractor shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Contractor shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

Section 8. INSURANCE REQUIREMENTS. Prior to beginning any Service under this Agreement, Contractor, at its own cost and expense, shall procure insurance coverage at such levels of coverage, scope, limits, and/or forms as set forth in Exhibit B ("Insurance Requirements") hereto. Contractor shall provide proof satisfactory to City of such insurance and maintain the insurance throughout the term of this Agreement.

Section 9. INDEMNIFICATION AND CONTRACTOR'S RESPONSIBILITIES.

- 9.1 General Requirement. Contractor shall indemnify, defend with counsel selected by the City, and hold harmless City, its officers, agents, employees and representatives from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from Services performed pursuant to this Agreement caused in whole or in part by any negligent or willful act or omission of Contractor, its officers, agents, employees, or anyone directly or indirectly acting on behalf of Contractor. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply

to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

- 9.2 PERS Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing Services under this Agreement is determined by a court of competent jurisdiction of the California Public Employees Retirement System ("PERS") to be eligible for enrollment in PERS as an employee of City, Contractor shall indemnify, defend, and hold harmless City for the payment of any and all employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City, and any attorneys' fees and costs incurred by the City to enforce this Section.

Section 10. NONDISCRIMINATION AND EQUAL OPPORTUNITY. Contractor shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby. Contractor shall include the provisions of this section in any subcontract approved by the City.

Section 11. AMENDMENTS. No modification or amendment of this Agreement is effective unless made in writing and signed by both the City and Contractor.

Section 12. ASSIGNMENT AND SUBCONTRACTING. Contractor shall not assign or transfer any interest in this Agreement without the prior written consent of the City.

Section 13. TERMINATION. Either party may terminate this Agreement without cause, upon 90 days written notice to the other party. In the event of termination, Contractor shall be entitled to payment for Services then satisfactorily completed. Contractor shall not be entitled to any claim against City for any additional compensation or damages in the event of such termination.

Section 14. NOTICES. All notices that are regarding this Agreement shall be in writing and shall be deemed to have been given if delivered personally or enclosed in a properly addressed envelope and deposited in a United States Post Office for delivery by registered or certified mail addressed to the parties at the following addresses:

City:	City of Rancho Cordova O&M Supervisor 3303 Luyung Drive Rancho Cordova, CA 95742
Contractor:	Roush Landscape Services 9989 Stirling Park Drive Sacramento, CA 95827 Attn: Richard Roush Email: roushlandscape@sbcglobal.net

Section 15. GOVERNING LAW AND VENUE. The laws of the State of California shall govern this Agreement. Venue for any action regarding this Agreement shall be in the Superior Court of the County of Sacramento or in the United States District Court for the Eastern District of California.

Section 16. ATTORNEYS' FEES. If a Party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provisions of this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that Party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.

Section 17. SEVERABILITY. If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

Section 18. NO IMPLIED WAIVER OF BREACH. The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

Section 19. SURVIVAL. The obligations of this Agreement, which by their nature would continue beyond the term or expiration of the Agreement, including without limitation obligations regarding indemnification, shall survive the term or expiration of this Agreement.

Section 20. IRS Form W-9. Contractor shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have the authority to waive this requirement.

Section 21. ENTIRE AGREEMENT. This Agreement, including the scope of work attached hereto and incorporated herein as Exhibit A, and the insurance requirements attached hereto and incorporated herein as Exhibit B, represents the entire and integrated Agreement between City and Contractor and supersedes all prior negotiations, representations, and Agreements regarding the subject matter of this Agreement, either written or oral.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year set forth above, which date shall be considered the effective date of this Agreement.

EXHIBIT A
SCOPE OF WORK

SECTION 2
SCOPE OF SERVICES**2.1 WORK GUIDANCE**

All work to be done by any Proposer selected to perform the work outlined in this RFP shall be guided by the County of Sacramento, Municipal Services Agency Standard Construction Specifications, adopted January 2016, and this RFP, herein referred to as Special Provisions. Copies of the Standard Construction Specifications may be obtained from the Municipal Services Agency, Land Division, and Site Improvement Review, located in the County Administration Building, 827 Seventh Street, Room 105, Sacramento, California, 95814.

A complete, preliminary copy of the City's contract for Landscape Maintenance Services is attached to this RFP as Appendix A. The contract shall bind the selected proposer to perform work in accordance with this RFP.

2.2 DESCRIPTION OF WORK EXPECTATIONS

All Proposers accept and confirm by submission of a signed proposal in response to this RFP, that work to be performed by the selected Contractor is comprised of general horticultural maintenance, irrigation operation, and maintenance, and cleanup of landscape areas owned by the City of Rancho Cordova, as further designated in this RFP. Proposers understand that requirements may vary by location and season depending upon the type of landscaping.

City's expectations from selected Proposer include, but are not limited to:

Workmanship: All materials and workmanship shall be of a quality that is equal or superior to any similar work considered by Landscape industry contractors to be best practice. All work completed by the selected Contractor shall be subject to inspection prior to payment being authorized. All work shall be conducted in a manner that least interferes with the operation and public usage of the landscaped facilities and adjacent streets and sidewalks.

Safety: All services, supplies, and equipment must comply with the California Safety Division of Industrial Safety Orders and O.S.H.A. The Contractor shall plan and conduct the work in a manner that will safeguard all persons from injury and shall take all precautions required by applicable regulations of the State Department of Industrial Regulations. **The Contractor's employees shall wear O.S.H.A. approved safety vests at all times during contract work.**

Hazards and Vandalism: Any hazards or acts of vandalism shall be reported immediately to the Contract Manager and then followed up in writing. Hazards such as broken tree limbs, erosion, potholes in grounds, standing water, ropes tied to tree limbs, excavations, and unsecured material (such as wood, wire, metal, etc.) shall be remedied by the Contractor after approval is obtained from the Contract Manager. Hazards that create life-threatening situations or potential for bodily harm shall be remedied immediately by the Contractor.

Response: Selected Contractor will be required to be able to respond to any location with no more than a ninety (90) minute delay in response time. A communications system shall be in place which provides the City ability to contact the Contractor in an emergency twenty-four (24) hours a day, seven days a week. Failure to adequately respond can result in immediate termination of the remainder of the contract.

City Policy: Selected Contractor shall be aware of, and shall comply with, City ordinances governing landscape maintenance work and traffic control regulations during work, as applicable to individual locations being maintained.

Equipment Experience: Selected Contractor shall have experience in the use of professional irrigation systems. Experience shall include programming, troubleshooting field operation, and equipment. In the event the Contractor's staff is not experienced and City Property is damaged as a result of the Contractor's inability, the Contractor shall be responsible for repair or replacement. The City may require a demonstration of such experience during the selection process of this RFP, as outlined in **Section 5, Proposer Experience and Operations Plan**.

City may make periodic inspections of all facilities covered by this Agreement at periodic intervals. The purpose of these inspection tours shall be to evaluate the effectiveness, adequacy and acceptability of Contractor's performance in maintaining the landscaped areas in accordance with the provisions of this Agreement. City may, during the periodic inspection tours, identify and communicate to Contractor, areas of unsatisfactory work or of inadequate performance by Contractor. The result of each inspection shall be made available to Contractor in writing. Contractor shall correct such identified unsatisfactory work or inadequate performance within forty-eight (48) hours and shall submit in a written report to the City reflecting such corrective actions.

2.3 WORK LOCATION/SITE CHANGES

All locations for work to be contracted is identified in maps attached to this RFP as **Appendix C, Landscape Maintenance Area Maps**. Additionally, locations are identified in **Section 4, Cost Schedule**.

Appendix E, Landscape Maintenance Data Sheet describes, to the best of City knowledge, the landscape areas (in square feet) of turf and plantings, number of trees, and total work area, along with information on irrigation. Proposers should note that the City does not currently have complete information regarding the irrigation and square footage of all landscape areas as referenced in this RFP. It is Proposer's responsibility to ensure that necessary site visits are made in order to collect adequate information to submit a proposal that includes all maintenance as described in this RFP.

Proposers acknowledge that the City reserves the right to add, delete, or change locations under resulting contract for work, and may do so upon written notification to the Contractor. Any changes in contract scope of work that result in an increase or reduction in cost shall be adjusted based on negotiation between City and Contractor. The City expects cost negotiations to be guided by the **Monthly Maintenance Price Schedule** and/or **Unscheduled (Extra) Work Unit Price Schedule** as submitted in **Section 4, Cost Schedule**.

2.4 COMMENCEMENT OF WORK

Proposers acknowledge that the submittal of proposals does not constitute any acceptance of work by the City. Additionally, the receipt of award of contract to any Proposer shall not constitute any authority to enter upon sites for work and begin landscape maintenance services. Work shall commence only upon formal execution of a contract between the City and Contractor, and a written notice to proceed from Contract Manager to Contractor.

The City seeks to make the selection of a Contractor and award a contract for Landscape Maintenance Services by May 16, 2022. Proposers acknowledge that they are prepared to execute a contract and begin

prosecuting work on July 1, 2022. Any proposer unable to meet this timeframe shall not be considered for award.

In the event, the selected Contractor fails to adequately perform Landscape Maintenance Services to standards identified in this RFP, and as appended to the executed contract, the City reserves the right to remove individual sites from the contract and/or terminate the agreement. Additionally, the City reserves the right to enter into additional contracts for Landscape Maintenance Services should the selected Contractor not meet city standards.

2.5 TERM OF AGREEMENT

Any contract resulting from a submitted Proposal shall be a three-year contract starting July 1, 2022. If mutually agreeable to both parties, the resulting contract may be extended for two (2) years.

Failure of the Contractor to diligently execute the work as defined herein will be considered as grounds for termination of the contract.

Failure to provide an adequate workforce to execute the scope of the contract shall be considered as grounds for termination of the contract.

The contract may be terminated by the City upon sixty (60) calendar days prior to written notice addressed to the last known address of the Contractor. In the event of such termination, the Contractor shall be paid for all work successfully completed up to the effective date of such termination.

2.6 MONTHLY MAINTENANCE TASKS

Proposals shall include a bid for Monthly Maintenance Costs and a Total Maintenance cost for each location listed in **Section 4, Cost Schedule**. The Total Maintenance Cost shall assume a three-year term, extending from July 1, 2022 through June 30, 2025.

Each bid for Monthly Maintenance Costs shall include all equipment, labor, material, and associated costs to perform monthly maintenance tasks to the specifications described in **Section 4.4, Monthly Maintenance Items & Task Frequency**. Each area listed in **Section 4.2, Monthly Maintenance Price Schedule** corresponds to the landscape maintenance areas as identified in **Appendix C, Landscape Maintenance Area Maps**. Proposers are encouraged to inspect in person each landscape section identified in **Appendix C, Landscape Maintenance Area Maps**, in order to adequately prepare a cost proposal.

Proposers acknowledge total bid grand total includes any and all inspection and management of the described sites for compliance with the standards as described in **Section 4.4, Monthly Maintenance Items & Task Frequency**.

2.7 UNSCHEDULED (EXTRA) WORK ITEMS

Proposers shall submit bid prices for each unscheduled (extra) work items listed in **Section 4, Cost Schedule**, as itemized and further described in **Section 4.5, Unscheduled (Extra) Work Unit Price Schedule**. Said prices shall include all materials, labor, and equipment necessary to perform such unscheduled (extra) work items. The unit prices listed for unscheduled (extra) work items shall be in effect for the duration of any contract executed with the selected Contractor.

Proposers understand that not all possible unscheduled (extra) work items can be foreseen and provided line item, unit cost bid requests. As such, Proposers acknowledge that any work required outside of unscheduled (extra) work items in the Cost Schedule shall be negotiated between the City and Contractor in a written "not to exceed" estimate format.

The selected Contractor is expected to perform any and all unscheduled (extra) work upon request and/or approval from the City in a timely manner.

2.8 SUBCONTRACTORS

Proposers requiring the provision of additional services from subcontractors acknowledge that all proposed subcontractors shall adhere to the same standards of work as described in this RFP. Proposers further acknowledge that the selected Contractor shall be required to perform, with the Contractor's own organization and employees, not less than fifty percent (50%) of the value of all work conducted under the executed contract.

Any Proposer submitting bids for work that includes the use of subcontractors shall additionally submit a filled out **Section 5.4, Designation of Subcontractors**.

2.9 ADDITIONAL CONTRACT PROVISION

Further special provisions guiding the execution of a contract for Landscape Maintenance Services are fully described in **Appendix D, Additional Contract Provisions**. The additional provisions as described in Appendix D, include items such as Prevailing Wage, Payroll Records, Traffic Management, Regulations of Work, Payment, and other additional special provisions. Proposers' attention is directed to review of these Additional Contract Provisions, as they will be made part of the contract to be executed by the selected Contractor.

SECTION 3
PROPOSAL SUBMITTAL CHECKLIST

Each submitted proposal shall include a completed (and signed where required) copy of each of the following checklist items. Any submitted proposal that fails to include any of the following may be deemed inadequate by the City of Rancho Cordova and may be grounds for dismissal of submittal at the City's sole discretion.

In addition to each item below, please include this sheet.

- ☒ Cost Certification Form (Section 4.1)
- ☒ Monthly Maintenance Price Schedule (Section 4.2)
- ☒ Unscheduled (Extra) Work Unit Price Schedule (Section 4.5)
- ☒ Contractor's License Certification (Section 5.1)
- ☒ Department of Industrial Relations Contractors Registration Form (Section 5.2)
- ☒ Firm Experience and Qualifications (Section 5.4)
- ☒ Employee/Staff Experience & Qualifications (Section 5.5)
- ☒ Designation of Subcontractors (Section 5.6)
- ☒ Operations Plan (Section 5.7)
- ☒ Draft/Initial Schedule of Duties (Section 5.8 – proposers own form)
- ☐ Exceptions (Section 6.1)
- ☒ Guarantee Requirements (Section 6.2)
- ☒ Non-Collusion Affidavit (Section 6.3)
- ☒ Signature Certification Page (Section 6.4)

SECTION 4
COST SCHEDULE

Section 4 of this RFP includes the Cost Certification Form, Monthly Maintenance Price Schedule, Unscheduled (Extra) Work Unit Price Schedule, as well as detailed specifications guiding each item.

4.1 COST CERTIFICATION FORM *(Required submittal form)*

The undersigned Authorized Signature certifies as follows:

All work for which this proposal is submitted is for Landscape Maintenance Services in accordance with all special provisions (including the payment of not less than the minimum wage rates set forth therein) and contract annexed hereto, and also in accordance with all Federal, State & local regulations as detailed in this Request for Proposals.

The undersigned, as proposer, declares that the only persons or parties interested in this proposal as principals are those named herein; that this proposal is made without collusion with any other person, firm, or corporation; that the proposer has carefully examined the location of the proposed work, the attached proposed form of contract, and documents herein referenced; and that the proposer agrees if this proposal is accepted, that he/she will contract with the City of Rancho Cordova, in the form of the copy of the contract attached hereto, to provide all necessary machinery, tools, apparatus and other necessary means, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Public Works Director as therein set forth, and that the proposer will take in full payment, therefore, the following amount to wit:

--	----------------------------	--------------

Unscheduled (extra) Work for 36 mo. term:

[Includes labor and material. Material and parts will be reimbursed at cost plus 10%]

\$50,000.00****Future Landscape Areas for 36 mo. term:****\$75,000.00****Bid Grand Total: \$ 644,120.00**

*The areas in this section are dependent on project acceptance, which is estimated to occur within 24-months of the contract start date. The Contractor will join the City at the start and end of the 90-day plant establishment walk. Maintenance services will commence after 90 days. The contractor shall not invoice for a new area until the maintenance service has begun.

**The areas in this section are not yet constructed at the time of the release of this RFP. The timing will vary, and the City estimates some will be complete within the contract term. The Contractor will join the City at the start and end of the 90-day plant establishment walk. After the maintenance walk, the Contractor and the City will negotiate a monthly price for maintenance services. Maintenance services will commence after 90 days. The contractor shall not invoice for a new area until the maintenance service has begun.

The BID GRAND TOTAL shall include the total amounts for all locations listed in Section 4.2 and for the frequency of service as outlined in the Task Frequency Sheet for 36-months' worth of service provision. This amount shall be the total amount for the 36-months contract for service.

The Unscheduled (extra) Work amount (listed as \$50,000) is the anticipated total for Unscheduled (extra) Work for the 36-month term and will be included in the BID GRAND TOTAL. Invoices for unscheduled work shall include a copy of material and parts receipts if applicable. The City will reimburse for material and parts at cost plus 10% with proof of receipt. The City reserves the right to increase or decrease this dollar amount upon executing the Landscape Maintenance Service contract with the selected Contractor.

The Future Landscape Areas amount (listed as \$75,000) is the anticipated total for newly constructed areas accepted by the city and not explicitly identified in Section 4.2 table and will be included in the BID GRAND TOTAL. The City reserves the right to increase or decrease this dollar amount upon executing the Landscape Maintenance Service contract with the selected Contractor.

Unit Price equals Contract Price: Unit prices given shall be the monthly price used for the contract duration (36-months) and will not increase due to fuel, labor, or materials costs. At the end of the initial 36-month contract period, if the contract term is extended, the selected Contractor and the City will negotiate an increase in unit prices that is in good faith and mutually agreed upon.

The following **Sections 4.3 Monthly Maintenance Task Items, and 4.4 Task Frequency Sheet**, in conjunction together describe the location of each monthly maintenance task, the frequency with which the monthly maintenance task shall be undertaken, and the specification of work that each monthly maintenance task shall adhere to by the selected Contractor.

4.3 MONTHLY MAINTENANCE TASK ITEMS

Turf Maintenance:

- a) **Turf Mowing, Trimming, and Edging:** All turf shall be mowed to maintain a uniform height of no more than 2-1/2 inches. Turf shall be mowed **one time per week** between March 1 and October 31 of each calendar year. Between November 1 and February 28 of the following calendar year, turf shall be mowed **one time every other week**. Any changes in schedule due to weather conditions or equipment operation must be pre-approved by the Contract Manager. Mowing shall be done only by properly adjusted mowing equipment with sharp cutting edges. The contractor shall use walk-behind mowers for all mowing of turf unless otherwise specified or approved. Bruising or rough cutting the grass will not be permitted. Contractor shall remove all paper, rubbish or debris from each lawn area prior to mowing. All grass clippings shall be picked up and removed from site. Grass clippings and leaves shall be cleaned out of gutters and shall not at any time be blown on to streets or sidewalks.

All turf shall be mechanically **edged** along the entire perimeter. Turf shall be edged on the same schedule as mowing; weekly March 1-October 31, bi-weekly November 1-February 28.

Trimming around irrigation heads shall be done as necessary to provide proper water coverage and head operation. String edgers may be used as needed around poles, against soundwalls, and around controller enclosures, vaults, etc.

Tree wells in lawn areas shall have a minimum 18-inch radius from tree trunk, clear and void of turf and weeds. Chemical sprays or string edgers may be used, but care shall be taken not to damage tree trunks or exposed roots. Damage to trees from trimming activities may result in Contractor replacing the tree at Contractor's expense.

- b) **Turf Fertilization:** Contractor shall provide all materials, equipment, and labor to implement and maintain a turf fertilization program. Contractor shall apply fertilizer as necessary to maintain green and healthy turf at all times. Contractor shall determine the schedule, application rates and appropriate percentages of nitrogen, potash and phosphoric acid to maintain green and healthy turf at all times. Contractor shall also apply a pre-emergent in the Spring and Fall to prevent all weeds in the turf, including but not limited to, crabgrass and poa annua. No ammonium nitrate or like fertilizers shall be used at any time. All fertilizer products landing on any hardscape surface shall be removed

immediately. Contractor shall adjust irrigation schedules in accordance with manufacturer specification to achieve maximum benefits from application of fertilizers and weed control products.

An annual turf fertilization plan shall be included in the **Draft/Initial Schedule of Duties as required in Section 5.8**. Contractor shall maintain detailed records of the turf fertilization program for inspection by City staff upon request, including all dates, locations, products used and application rates.

- c) **Turf Aeration:** All turf areas shall be aerated **two times per year**, in April and September. A coring-type aerator shall be used, and all sprinkler heads must be flagged prior to aeration. Contractor shall provide all materials, equipment, and labor required for aeration. Turf aeration shall be included on the **Draft/Initial Schedule of Duties as required in Section 5.8**.
- d) **Turf Watering:** Turf shall be watered at such frequency as weather conditions require to replenish soil moisture below root zone. Normally, a total of 1-1/2" of water is needed weekly in hot weather. Water conservation is always to be of prime concern. Contractor is responsible for promptly notifying the Contract Manager of any needed irrigation adjustments and the need to correct any over or under-watering conditions.
- e) **Turf Weed Control:** The turf areas shall be kept free of weeds **at all times** during the entire term of the contract. Weeding may be done manually or by the use of selective weed killers as recommended by a Pest Control Advisor. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If a chemical application is used, it shall only be done following State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants and/or turf occur, the contractor shall replace those plants and/or turf at Contractor's expense.

Weeds that reach a height of 4 inches or more shall be manually removed or hand-pulled. Chemical spraying shall not be permitted for weeds exceeding 4" in height. All weed debris shall be removed from the area.

The City reserves the right to require the selected Contractor to consult with a Turf Consultant to prepare fertilization, pesticide, and weed control program, should the chosen Contractor not have staff with adequate turf expertise.

Trees, Shrubs, and Planting Area Maintenance:

- f) **Tree Pruning:** Pruning of city trees shall be performed as necessary to (1) raise the lower branches to maintain a 15' clearance above streets and roadways; (2) raise the lower branches to maintain a 7' clearance above sidewalks and walkways; (3) to remove suckers, water sprouts, and other undesirable growth; (4) remove all dead or damaged branches; (5) eliminate visibility obstructions at corners or intersections, and (6) to clear obstructions of traffic signals.

All pruning shall be done by certified professional personnel using the Western Chapter of the International Society of Arboriculture pruning standards, approved methods, and techniques. Excessive pruning, stubbing back, or topping will not be permitted. All pruning cuts shall be made beyond, and close to, the branch collar ring. Trees shall be cleanly cut with no tearing of the bark. Trees shall be allowed to take their natural shape whenever possible. The Contractor shall provide replacement trees, at Contractor's expense, if trees are "topped" or if the Western Chapter of the International Society of Arboriculture pruning standards are not met. The replacement tree(s) shall be replaced in size and kind of the damaged tree unless otherwise directed by the Contract Manager.

The selected Contractor should understand that the City will reserve the right to contract separately for costs associated with tree pruning.

Contractor may be called upon to respond for emergency removal of any down limb(s) and/or tree from the landscape areas during regular business hours.

g) Shrub Pruning: The following shrubs shall be pruned **one time per year** as directed by the Contract Manager to a height of 6" above the base of the plant of the finished grade:

- Deites
- Hemerocallis
- Pennisetum- Shall be pruned every February without direction.

Pruning of other shrubs shall be performed **three times per year** to shape, particularly to correct miss-shaping. Shrub pruning shall be included on the **Draft/Initial Schedule of Duties as required in Section 5.8.**

Pruning of shrubs shall be performed to (1) raise the lower branches of shrubs above vehicle obstruction height wherever they overhang medians and roadways; (2) where they encroach onto the walkways and paved areas; (3) remove suckers, water sprouts, and other undesirable growth on shrubs; (4) remove all dead or damaged branches; and branches that are rubbing on walls and fences; (5) eliminate any visibility obstructions at corners or intersections.

Shrubs shall be pruned to ensure proper growth and control. All pruning shall be done by qualified professional personnel using approved methods and techniques. Shrubs shall be cleanly cut with no tearing of the bark. Shrubs are to be allowed to take their natural shape whenever possible. Shearing or "boxing" will not be permitted unless specifically directed by the Contract Manager. The Contractor shall provide replacement shrubs, at Contractor's expense, if shrubs are damaged. Under no circumstances will stripping of the lower branches ("raising-up") of shrubs be permitted.

h) Tree Staking: The Contractor shall maintain existing stakes, ties, and protective devices, providing replacements **at all times** during the entire contract term, on all young trees until such time as they are no longer needed for support. The Contractor shall remove the stakes at this time, at no additional cost. Special care shall be taken to avoid any damage to tree trunks or branches by ties and stakes. Staked trees shall be inspected as needed to prevent such damage. The Contractor shall replace any plant material damaged due to negligence and/or lack of proper inspection at the Contractor's cost.

Trees shall be tied to stakes using only two broad ties of flexible material unless the Contractor obtains prior approval by the Contract Manager to use an optional method.

i) Planting Area Fertilization: Contractor shall provide all materials, equipment, and labor to implement and maintain a fertilizer program for planting areas. Contractor shall apply fertilizer as necessary to maintain all plants and shrubs in a healthy and vigorous condition. Contractor shall determine the schedule, application rates and appropriate percentages of nitrogen, potash, and phosphoric acid to maintain plants and shrubs in a healthy and vigorous condition. Contractor shall also apply a pre-emergent in the Spring and Fall to prevent all weeds in the planting areas, including but not limited to crabgrass and poa annua. No ammonium nitrate or like fertilizers shall be used at any time. All fertilizer products landing on any hardscape surface shall be removed immediately. Contractor shall

adjust irrigation schedules in accordance with manufacturer specifications to achieve maximum benefit from the application of fertilizers and weed control products.

An annual planting area fertilization plan shall be included in the **Draft/Initial Schedule of Duties as required in Section 5.8**. Contractor shall maintain detailed records of the planting area fertilization program for inspection by City staff upon request, including all dates, locations, products used and application rates.

- j) **Weed Control:** The landscaped areas shall be kept free of weeds **at all times** during the entire term of the contract. Weeding may be done manually or by the use of selective weed killers as recommended by a Pest Control Advisor. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If a chemical application is used it shall only be done in accordance with State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants occur, the Contractor shall replace those plants with no cost to the City.

Weeds in excess of 4" in height shall be manually removed. Chemical spraying shall not be permitted for weeds exceeding 4" in height. All weed debris shall be removed from the area.

Groundcover and Vine Maintenance

- k) **Groundcover and Vine Pruning:** Groundcovers and vines shall be pruned **one (1) time per year**, and shall be included on the **Draft/Initial Schedule of Duties as required in Section 5.8**.

Vines shall be pruned to within four (4) inches of the face and top of the soundwall, as directed by the Project Manager.

Hypericum shall be mown one (1) time in February, to a height of three (3) inches. The mower shall be sharp; tearing or shredding of stems will not be allowed. Contractor shall replace damaged material at their cost.

- l) **Groundcover and Vine Edging:** Groundcovers and vines shall be edged **two (2) times per month**, along sidewalks, mow strips, and edges between groundcover and other plant material types throughout the contract term. Proposers shall include a groundcover and vine edging schedule on the **Draft/Initial Schedule of Duties as required in Section 5.8**.

Vines shall be edged/pruned at the bottom of the soundwall to eliminate horizontal growth into planting areas, as directed by the Contract Manager. Extreme care shall be taken to protect vine bases and shrubs, the replacement for vines or shrubs damaged due to Contractor's activities shall be the Contractor's responsibility.

- m) **Groundcover and Vine Fertilization:** Contractor shall provide all materials, equipment, and labor to implement and maintain a groundcover and vine fertilization program. Contractor shall apply fertilizer as necessary to maintain green and healthy groundcover and vines at all times. Contractor shall determine the schedule, application rates, and appropriate percentages of nitrogen, potash and phosphoric acid to maintain green and healthy groundcover and vines at all times. No ammonium nitrate or like fertilizers shall be used at any time. All fertilizer products landing on any hardscape surface shall be removed immediately. Contractor shall adjust irrigation schedules in accordance with manufacturer specifications to achieve maximum benefit from the application of fertilizers and weed control products.

An annual groundcover and vine fertilization plan shall be included in the **Draft/Initial Schedule of Duties as required in Section 5.8**. Contractor shall maintain detailed records of the groundcover and vine fertilization program for inspection by City staff upon request, including all dates, locations, products used, and application rates.

- n) **Weed Control:** The landscaped areas shall be kept free of weeds **at all times** during the entire term of the contract. Weeding may be done manually or by the use of selective weed killers as recommended by a Pest Control Advisor. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If a chemical application is used, it shall only be done in accordance with State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants occur, the Contractor shall replace those plants with no cost to the City.

In Mitigation areas, enclosures shall be considered planting areas and shall be kept free of weeds at all times. Where enclosures do not exist, maintained wells are considered to be a 3' diameter circle from the center point of the plant.

Weeds that reach a height of 4" or more shall be manually removed, or hand-pulled. Chemical spraying shall not be permitted for weeds exceeding 4" in height. All weed debris shall be removed from the area.

- o) **Litter Removal in Landscaped area:** Landscaped areas shall be kept free of all litter, i.e., paper, rubbish, and debris, at a minimum of **one time per week** during the entire contract term. No debris shall be blown onto roadways or walkways. All litter removed shall be disposed of at the Contractor's expense.

In Mitigation areas, enclosures shall be considered planting areas and shall be kept free of litter at a minimum of one time per week. Where enclosures do not exist, maintained wells are considered to be a 3' diameter circle from the center point of the plant.

All mulch, bark, and decomposed granite shall be kept within the planter area and clean from walks and gutters.

Any hazardous material or unusual and/or unknown materials shall be reported to the City at 916-851-8710, or to the Hazardous Materials Specialist at 916-875-5857.

- p) **Litter Removal in Paved, Decomposed Granite & Rock Blanket areas:** Sidewalks, curbs, gutters, pavers, paved areas, decomposed granite (dg) and rock blanket areas adjacent or within site shall be kept free of all litter, i.e., paper, rubbish and debris, **one (1) time per week** during the entire contract term. No debris or cuttings shall be blown onto roadways or walkways. All litter removed shall be disposed of at the Contractor's expense.
- q) **Cuttings and Trimmings Removal:** All cuttings, trimmings, and leaf debris shall be removed from the sites **upon cutting or trimming** during the entire contract term. No debris or cuttings shall be blown onto roadways or walkways. All street gutters shall be kept free of leaves. All organic materials and debris collected during landscape maintenance activities, including grass clippings, leaves, and shrub and tree trimmings, shall not be sent to a landfill. All organic waste shall be diverted from landfill disposal through composting, incineration, land spreading, or any other method in compliance with State and local laws and regulations. Contractor shall provide proof of compliance with this

requirement upon request by the City. Cuttings and trimmings shall not be left on any grounds for a period of more than twenty-four (24) hours.

- r) **Weed Control in Paved, Decomposed Granite & Rock Blanket areas:** Sidewalks, curbs, gutters, pavers, paved areas, decomposed granite (dg), and rock blanket areas adjacent or within site shall be kept free of weeds **at all times** during the entire term of the contract. Weeding may be done manually or by the use of selective weed killers as recommended by a Pest Control Advisor. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If chemical application is used, it shall only be done in accordance with State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants occur, the contractor shall replace those plants at no cost to the City.

Weeds that reach a height of 4" or more shall be manually removed, or hand-pulled. Chemical spraying shall not be permitted for weeds exceeding 4" in height. All weed debris shall be removed from the area.

Total work (sq. ft.) to be accomplished is indicated in the Data Sheet on a per-site basis. In some cases, the area to be kept free of weeds is vacant land that may contain uneven ground and/or deleterious materials that require chemical applications at the appropriate times to minimize difficult mechanical removal. The Contractor shall be responsible for weed control or removal **at all times**.

- s) **Furniture Maintenance:** Site furniture shall be cleaned one (1) time per month during the entire contract term. In addition, furniture cleaning may be required up to two (2) times per month total when a special event occurs. The furniture shall be cleaned with brooms, soap, water and/or power washer. If the workmanship and completeness is unsatisfactory as determined by the Contract Manager, a second cleaning shall be required. Graffiti and other permanent marks, stains, etc. that require chemical removal shall be reported to the Contract Manager.

Site garbage cans shall be cleaned and all debris shall be removed during every site visit. Garbage cans shall be lined with a heavy-duty plastic garbage bag supplied by the contractor. The plastic garbage bag shall fit the size of the garbage can.

- t) **Site Amenities:** Artwork shall be cleaned with a power washer annually in August. Flat surfaces and vertical surfaces around the Artwork shall be cleaned one (1) time per month from May through October. The Artwork flat and vertical surfaces shall be cleaned with brooms, soap, water and/or power washer. Removal of material shall be subject to a second cleaning if the workmanship and completeness is unsatisfactory as determined by the Contract Manager. Graffiti and other permanent marks, stains, etc. that require chemical removal shall be reported to the Contract Manager.

Artwork shall consist of sculptures, metal fabrications, decorative plaques/place names identifiers, decorative fencing, concrete fabrications, other structures constructed as visual attractions. Flat surfaces and vertical surfaces shall include decorative concrete, colored concrete, stamped/inset concrete patterns inlays, pavers, glass blocks, rocks, and textured masonry walls. Additional cleaning may be directed by Contract Manager and paid on a time and material basis.

Lighting amenities shall be inspected one (1) time per month and their condition shall be reported to the Contract Manager.

- u) **Median(s) Weed Control:** The entire median(s) shall be kept free of weeds, nose to nose, curb to curb, including the planting areas **at all times** during the entire contract term. Weeding may be done manually or by the use of selective weed killers as recommended by a Pest Control Advisor. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If a chemical application is used it shall only be done in accordance with State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants occur, the Contractor shall replace those plants with no cost to the City.

Weeds that reach a height of 4" or more shall be manually removed, or hand-pulled. Chemical spraying shall not be permitted for weeds exceeding 4" in height. All weed debris shall be removed from the area.

- v) **Median(s) Litter Removal:** The entire median(s) shall be cleared of all litter, i.e., paper, rubbish, and debris, **one (1) time per week** during the entire contract term and kept clear of most litter at all times. Median(s) shall be swept and kept free of debris, rocks, grass, leaves, and signs. Any drainage inlets adjoining a landscaped median section shall be kept free of debris, rocks, grass, soils, and any deleterious materials that will impede water flow. No blowers shall be used to clean the median(s). All debris shall be disposed of at the Contractor's expense. All debris shall be removed from the area. No debris shall be blown onto roadways or walkways.

- w) **Weed Abatement:** Contractor shall mow or weed eat all weeds to a height of four inches (4") or less **one (1) time per year** in conjunction with fence line clearing. Weed abatement shall occur during the month of May or as directed. All slash or weed material shall be removed at the Contractor's expense. Tree wells shall be kept free of weeds at all times. The tree well shall be considered the drip line of the specific tree.

Weed abatement is required for projects that contain unimproved open space. The Data Sheet will indicate an estimated area to be mowed.

Fence lines shall be cleared of weeds one (1) time per year in conjunction with Weed Abatement. Weed removal may be done manually. Weed control may be done by the use of selective weed killers as recommended by a Pest Control Advisor, provided the weeds do not reach a height of 4" or higher. Extreme caution not to damage any other plants shall be observed when selective weed killers are used. If a chemical application is used, it shall only be done per State and Federal Pesticide/Hazardous Chemical regulations. Should damage to plants occur, the Contractor shall replace those plants at no cost to the City. All weed debris shall be disposed of at the Contractor's expense.

- x) **Fungus, Disease, Rodent and/or Insect Infestation Control:** It shall be the Contractor's responsibility to keep the area free of fungus, disease, rodents and/or insects **at all times**. Any pesticides used must be on the State Department of Agriculture's approved list. All pesticides used shall be recommended by a qualified Pest Control Advisor (PCA). The PCA may either be a sub-contractor consultant to the Contractor or be on the Contractor's staff. If on Contractor's staff, proof of qualifications shall be provided for as detailed in **Section 5.4, Employee/Staff Experience and Qualifications**.

The Contractor shall meet all government agency requirements for storage, use, disposal, and record-keeping at all times. The Contractor shall have all the current, valid permits and licenses legally required before any pesticides are used. The Contractor shall maintain an application on-site and Material Safety Data Sheets (MSDS) for all chemicals used at the sites. Storage site inspections, MSDS, permits, and licenses shall be available for review at any time by the City.

The Contract Manager shall be notified 48 hours prior to the expected date of application of any pesticides. Pesticides must be brought to the worksite in the original manufacturer's container and appropriately labeled with guaranteed analysis. All spraying shall be done with extreme care to avoid overspray and any hazard or damages to any person, pet or adjacent property area. The Contractor shall be responsible for restitution and/or repair of any hazard or damage.

In Mitigation areas, enclosures shall be considered planting areas. Mitigation/plant enclosures shall be maintained to protect plant material from rodent or animal damage, as per original installation specifications. Where enclosures do not exist, maintained wells are considered to be a 3' diameter circle from the center point of the plant.

- y) **Irrigation Management:** The selected Contractor will be solely responsible for the maintenance and proper operation of all irrigation systems. All sprinkler heads are to be adjusted as necessary for unimpeded coverage and to minimize overspray and water waste. Weekly inspections shall be performed of all irrigation systems, and the Contract Manager shall be notified within 24 hours of any and all irrigation problems. Repairs to correct irrigation problems shall be performed within 24 hours of notification/discover of irrigation problems. If repairs are not made within 24 hours, the Contract Manager may outsource the needed repairs and deduct the billable amount from the monthly billing for that landscaped section.

Irrigation Lateral Lines – 1" or less in size

The selected Contractor shall be responsible for all maintenance and repairs of all irrigation system lateral lines 1" or less in size. All costs for maintenance and repairs for lateral lines 1" or less in size shall be included in the **Monthly Maintenance Cost & Bid Grand Total** as required in **Section 4.2 Monthly Maintenance Price Schedule**. This consists of all costs for pop-up sprayer heads, bubblers, nozzles, lids, swing joints, fittings, and pipe. All replacement parts must be of same manufacturer or a similar type as approved by the Contract Manager. Responsibility for repairs shall include, but not be limited to, all required maintenance and repairs due to vandalism, accidents, and "acts of God."

Irrigation Lateral Lines – 1 ¼" or larger in size

The selected Contractor shall be responsible for all maintenance and repairs of all irrigation system lateral lines 1 ¼" or larger in size. All costs for repair shall be invoiced based on unit costs or labor and materials as provided in **Section 4.5 Unscheduled (Extra) Work Unit Price Scheduled**. This includes valves, rotor heads, fittings, pipes, and wiring. All replacement parts must be of the same manufacturer or a similar type as approved by the Contract Manager.

The selected Contractor shall adjust automatic controller programs at all times for seasonal water requirements. The Contractor shall keep all irrigation heads clean of flow impediments and adjusted properly at all times. The Contractor shall monitor the irrigation system and advise the Contract Manager of needed repairs. Damages to plant material due to the Contractor's lack of performance in accordance with these specifications shall be the responsibility of the Contractor.

The Contractor shall keep all the controller enclosures free of debris and pests (slugs, ants, spiders, etc.) at all times. Any resultant damage due to the Contractor not meeting this specification will be the responsibility of the Contractor.

Bidder shall verify irrigation system locations during the proposal process.

All controllers and enclosures shall be serviced weekly, which includes:

- All station test/system check
- Monitoring of systems to ensure station optimization
- Battery replacement if applicable
- Cabinet clean up

The Contractor shall have sole responsibility for managing the irrigation of these sites as described in these special provisions.

At any time, the City reserves the right to direct the Contractor to operate any field unit in a standalone mode. The Contractor shall assume responsibility to operate and manage the irrigation system upon notification as described in these specifications.

The Contractor shall replace the batteries as needed and be compensated in accordance with the unit price as indicated in the bid. If the Contractor uses a non-rechargeable battery and causes damage to any controller, the Contractor shall replace or repair the controller at the Contractor's expense. Any equipment that uses rechargeable batteries shall have a rechargeable battery.

- z) Irrigation Testing and Programming:** The Contractor shall test the Backflow Device annually as directed by the Contract Manager. The cost for testing all backflow devices will be the Contractor's responsibility. A certified Backflow Device Tester/Plumber shall be used and acceptable to the City authority. The Contractor shall wrap the Backflow Device annually and maintain the protective covering during periods of cold temperature to eliminate freezing damage. In the event, wrapping the device or maintenance of the wrappings is not accomplished, any resultant damage shall be the responsibility of the Contractor. No additional compensation shall be made for this task.

Watering shall be controlled to prevent runoff, ponding, and overwatering. Irrigation programming shall be the Contractor's responsibility and may be directed by the Contract Manager to maintain proper growth. Irrigation shall be applied at hours that will ensure traffic and access are not disturbed.

The Contractor shall ensure that irrigation system operations shall be performed according to City local water agency and district policies and ordinances. These policies may regulate day of the week, frequency, and/or time of day watering. It is the Contractor's responsibility to water within these policies.

Manual watering may be necessary to maintain a healthy landscape. Hoses, nozzles, and sprinklers for manual watering shall be provided by the Contractor. Manual watering which is necessary due to the Contractor's inability to repair the irrigation system, shall be at the Contractor's expense. Manual watering, which is necessary due to the Contractor's inability to repair the irrigation system due to situations outside of the Contractor's control, may be considered extra work, and compensation may be made on a time and material basis. The City reserves the right to make the determination of situations outside Contractor's control at the City's sole discretion.

If manual watering is required, truck application shall be done during hours that minimize the impact on traffic and are subject to local traffic code. The application is recommended to occur during the nighttime/early morning hours when roadways are less traveled and not during commute hours. No weekend watering shall be permitted. Four water purveyors service the City of Rancho Cordova. The Contractor shall be responsible for obtaining any necessary permits from the water purveyor(s) where

water will be drawn. All costs associated with permits and water usage will be the Contractor's responsibility.

The Contractor shall be responsible for field monitoring the water application and recommend irrigation program modifications to the Contract Manager. The Contractor shall be responsible for troubleshooting all field-related equipment problems, identifying field-related program problems, identifying program adjustments needed to meet responsible water application parameters, and all field-related repair work.

4.5 UNSCHEDULED (EXTRA) WORK UNIT PRICE SCHEDULE *(Required submittal form)*

#	Description	Unit	Unit \$
1	Lead person on-call labor as required for unscheduled work.	1 hr	90.00
2.	Crewmember labor as required for unscheduled extra work.	1 hr	75.00
3.	Cost per hour for unscheduled (extra) tree pruning for trees as described in Section 4.4e.	1 hr	90.00
4.	Cost per hour for landscape plan review assistance	1 hr	90.00

4.6 UNSCHEDULED (EXTRA) WORK UNIT DESCRIPTION

Item #1: Provide lead person hourly rate for Unscheduled Work. The Total hourly rate quoted shall include all wages, payroll taxes, fringe benefits, insurance, administrative overhead, profit, and cost of tools, equipment, fuel, repairs, and transportation of labor and equipment.

Unscheduled work may include landscape system improvements within the contract locations.

Item #2: Provide crew member hourly rate for Unscheduled Work. The Total hourly rate quoted shall include all wages, payroll taxes, fringe benefits, insurance, administrative overhead, profit, and cost of tools, equipment, fuel, repairs, and transportation of labor and equipment.

Unscheduled work may include landscape system improvements within the contract locations.

Item #3: Provide crew member hourly rate unscheduled (extra) tree pruning services for trees as described in **Section.4.4.e**. The Total hourly rate quoted shall include all wages, payroll taxes, fringe benefits, insurance, administrative overhead, profit, and cost of tools, equipment, fuel, repairs, and transportation of labor and equipment. Unscheduled work may include landscape system improvements within the contract locations.

Item #4: Provide hourly rate for landscape plan review assistance. The Total hourly rate quoted shall include all wages, payroll taxes, fringe benefits, insurance, administrative overhead, and profit.

SECTION 5**CONTRACTOR'S LICENSE, EXPERIENCE AND QUALIFICATIONS, AND OPERATIONS PLAN****5.1 CONTRACTOR'S LICENSE CERTIFICATION**

Any person or entity submitting a proposal on this project to engage in the business or act in the capacity of a contractor shall be licensed as a contractor in accordance with the provisions of Division 3, Chapter 9 of the California Business and Professions Code at the time of proposal submittal. A proposal submitted to the City by a contractor who is not licensed as set forth above shall be considered non-responsive and shall be rejected by the City.

The Proposer shall provide in writing to the City their contractor's license number, name on the license, classification, and expiration date of the license with their proposal.

The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the City that the records of the California Contractors' State License Board indicate that the contractor was properly licensed at the time the proposal was submitted and the license has remained valid and good standing after award of the contract. Any proposer or contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors' State License Board. Failure of the proposer to maintain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the proposer.

CERTIFICATION

In accordance with the California Business and Professions Code, I do hereby, under Penalty of Perjury, certify that the following contractor's license information is true and correct.

5.2 DEPARTMENT OF INDUSTRIAL RELATIONS CONTRACTORS REGISTRATION FORM

Any person or entity submitting a proposal on this project to engage in the business or act in the capacity of a contractor shall register as a contractor in accordance with the provisions of the Department of Industrial Relations (DIR). A bid submitted to the City by a contractor who is not registered as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this project, the City must verify that the contractor was properly registered when the contractor submitted his/her bid on this project. In order for the City to verify the registration status of a contractor, the contractor, at the time he/she submits his/her bid for the project, shall provide in writing to the City his/her contractor's registration number, name on the registration, and expiration date of the registration.

No bid submitted to the City shall be invalidated by the failure of the Proposer to be registered in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. Any Proposer or contractor not so registered shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the DIR. Failure of the Proposer to obtain proper and adequate registration for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the Proposer.

CERTIFICATION

In accordance with the DIR, we do hereby, under Penalty of Perjury, certify that the following contractor's registration information is true and correct.

5.3 PROPOSER EXPERIENCE AND OPERATIONS PLAN OVERVIEW

Each Contractor submitting a proposal shall clearly detail, on the forms provided in this Section 5, each of the following:

Firm Experience and Qualifications: Proposer shall detail their firms experience as necessary to demonstrate satisfactory compliance with the minimum qualification requirements as listed in **Section 1.4**. Additionally, firm experience and qualifications will be used by the City as a basis for evaluation when determining the most qualified Proposers, as further detailed in **Section 5.4**.

Employee/Personnel Experience and Qualifications: Proposer shall list the names and experience/qualifications of any employees who would be responsible for undertaking the Monthly Maintenance Task Items detailed in **Section 4**, should a contract be provided. Employee experience and qualifications will be used by the City as a basis for evaluation when determining the most qualified Proposers, as further detailed in **Section 5.5**.

Operations Plan Details: Proposer shall detail an inventory of equipment, location of any equipment and materials storage facilities, customer service processes and call center location (if applicable), and a draft/initial schedule of duties to demonstrate how Proposer intends to undertake Monthly Maintenance Task Items detailed in **Section 4**, in a routine manner. The Operations Plan Details submitted will be used by the City as a basis for evaluation when determining the most qualified Proposers, as further detailed in **Section 5.7**.

5.4 FIRM EXPERIENCE AND QUALIFICATIONS *(Required submittal form)*

The proposer has been engaged in the contracting business, under the present business name for 44 years. Experience in work of a nature similar to that covered in the proposal extends over a period of 34 years.

The proposer, as a Contractor, has never failed to satisfactorily complete a Contract awarded to it, except as follows:

Please provide written explanation on a separate sheet(s).

Please provide a listing of similar contracts related to the Landscape Maintenance Services that are currently active or have been satisfactorily completed in the last five (5) years. Please provide a contact name for each of the contracts listed.

Contract Year(s)	Type of Work Performed	Annual Contract Amount	Client/Agency Name	Contact Name /Title Phone Number

5.6 DESIGNATION OF SUBCONTRACTORS *(Required submittal form)*

In compliance with the provisions of Section 4100-4114 of the Public Contracts Code of the State of California, and any amendments thereof, each proposer shall set forth below the name and location of the place of business of each subcontractor who will perform work or labor or render service to the Contractor in or about the Services to be performed under these specifications in excess of one-half of one percent (0.5%) of the prime Contractor's total proposal or ten thousand dollars (\$10,000.00), whichever is greater. The prime Contractor shall list the portion of the work which will be done by such Subcontractor.

If the Contractor fails to specify a subcontractor for any portion of the work to be performed under the Contract, the Contractor shall be deemed to have agreed to perform such portion itself, and the Contractor shall not be permitted to subcontract that portion of the work except under the conditions allowed by applicable law. Subcontractors shall provide all required licensing documentation to City.

5.8 DRAFT/INITIAL SCHEDULE OF DUTIES (proposers own form)

The selected Contractor will be required to supply the City with a written routine schedule of duties that covers typical days each month on which **Monthly Maintenance Task Items** (detailed in **Section 4**) are expected to be completed. Proposers are asked to submit a draft/initial schedule of duties based upon their review of the Monthly Work Task Items, Task Frequency, and a physical site visit to each of the project areas.

The City understands that modifications to the draft/initial schedule of duties submitted by proposers may be required upon execution of a contract with the selected Contractor. The requirement to submit a draft/initial schedule of duties is intended to demonstrate proposers' understanding of work to be completed each month and further demonstrates the organizations' ability to manage such Monthly Maintenance Task Items in a routine and regular manner. The format for draft/initial schedule of duties is open to proposers; however, it is a required submittal document. Proposers not submitting a draft/initial schedule of duties may not be eligible for selection.

My proposal for the short term is to send a crew each week

Each week the crew will do all specified tasks

Including edging, trimming, trash pickup, blowing walks and hardscapes as well as weed control

They will also have the responsibility to monitor plants and beds for damage and visually check for irrigation problems .Using the landscape calendar as a guide do additional tasks as required.

Additional crew will be added during pruning.

As more sites come online more days will be added

AUGUST

Post emergent spray for crabgrass, Dallas grass, and nutsedge
Spray broadleaf if needed
Prune shrubs

SEPTEMBER

Fertilize turf

OCTOBER

Aerate turf
Seed areas where needed
Prune Shrubs

NOVEMBER

Fertilize with winter fertilizer turf and shrubs
Leaf removal

DECEMBER

Leaf removal

LANDSCAPE CALENDAR

JANUARY

Cut back certain shrubs to maintain size
Prune flowering trees as needed
Inject certain trees and shrubs with Merit to stop aphid infestation
Trim low branches in trees
Install fir bark upgrade if requested.

FEBRUARY

Apply pre-emergent to shrub beds
Apply fertilizer to shrubs (15/15/15)
Finish pruning low branches in trees
Prune shrubs if needed.

MARCH

Apply Dimension pre -emergent /fertilizer combo to turf
Do a complete irrigation check
Prune as needed
Spray broadleaf weeds as needed.

APRIL

Prune all areas

MAY

Fertilize turf - slow release
Prune shrubs
Spray broadleaf as needed

JUNE

Prune shrubs if needed

JULY

Aerate all turf
Prune shrubs

ROUSH LANDSCAPE SERVICES

Roush Landscape Services is a family owned and managed business. Along with my wife, Ellen and our two sons, Jeff and Jacob, I have been able to offer very personalized service. We do not feel our clients should have to ask for services that are included in their maintenance contract. We have built our business on word of mouth referrals and do not have a sales staff.

I have been in business since 1977. I hold a C27 contractors license. I also hold a pest control for hire applicators license. This allows me to train employees and do any type of agricultural spraying or application. My oldest son Jeff, came to work full time in 1993 after getting his degree in business. Jacob came on full time in 1996 after earning a degree in environmental biology. They both have a lifetime of working summers in our business and are excellent landscapers in their own right. They both help me with business management and quality control. Ellen manages the office.

Each maintenance crew has an English speaking onsite supervisor to oversee the crew. We train our people on the job and try to keep employees by paying higher wages than others in the trade. Each of our foremen has a phone which allows instant communication between foreman and supervisor. The management staff will have my personal cell number and can contact me directly with any problems or questions.

For the past 7 years we have been the landscape contractor for the city of Rancho Cordova. In our time working we have made many changes to the town. We re-landscaped the International Drive medians, Zinfandel medians, re-planted many areas on Folsom Blvd. and completely re-landscaped Coloma Rd. at Trinity River. We have added mulch to most areas and work to keep it replenished.

As you drive through the town you can see the quality of our maintenance with professional pruning to plant health, weed free beds and well maintained sprinkler systems. Keeping up with the trash is always important to us.

I live in Rancho Cordova and have for 50 years. I believe we have been a great asset to the community. My two sons help manage the business and between us we have over 70 years in the business.

It has always been my goal to provide service that not only maintains but improves my clients' properties. I would very much like to continue to be Rancho Cordova's contractor.

RICHARD ROUSH

6.3 NON-COLLUSION AFFIDAVIT *(Required with submittal)***NONCOLLUSION AFFIDAVIT**(Title 23 United States Code Section 112 and
Public Contract Code Section 7106)To the CITY of RANCHO CORDOVA
DEPARTMENT OF PUBLIC WORKS.

In conformance with Title 23 United States Code Section 112 and Public Contract Code 7106 the bidder declares that the bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation; that the bid is genuine and not collusive or sham; that the bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or that anyone shall refrain from bidding; that the bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder, or to secure any advantage against the public body awarding the contract of anyone interested in the proposed contract; that all statements contained in the bid are true; and, further, that the bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, or paid, and will not pay, any fee to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid.

Note: The above Noncollusion Affidavit is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Noncollusion Affidavit.

Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

Sheet 1 of 1

APPENDIX D
ADDITIONAL SPECIAL PROVISIONS

D.1) PAYROLL RECORDS

The Contractor's attention is directed to Section 6-1.03, "Payroll Records," of the Standard Construction Specification. Contractor shall comply with Labor Code Section 1776. Regulations implementing Section 1776 are located in Section 16000 and Sections 16401 through 16403 of Title 8, California Code of Regulations. The Contractor shall be responsible for compliance by the Contractor's Subcontractors.

D.2) PREVAILING WAGE

See Section 6 in Appendix A

D.3) PROTECTION OF ROADWAY FACILITIES

It shall be the responsibility of the Contractor to protect existing culverts, railings, signs, and all other roadway appurtenances, which are to remain and be incorporated into the maintenance work area. Facilities damaged due to the Contractor's operations shall be repaired or replaced, as directed by the Landscape Inspector at the Contractor's expense.

D.4) PROTECTION OF EXISTING FACILITIES AND PLANT MATERIAL

The Contractor shall take every precaution to protect all public and private property during the performance of this contract. Any damages caused by the Contractor's personnel or equipment will promptly be repaired to the condition existing before the damage. If, in the opinion of the Contract Manager, the repair is not possible, the damaged facilities or plant material will be replaced in kind and size. All costs for such repairs or replacements shall be the sole responsibility of the Contractor. Damages to City facilities or plant material due to the Contractor's lack of performance in accordance with these specifications are the Contractor's responsibility.

D.5) VANDALISM AND ACCIDENTAL DAMAGE

The City assumes responsibility for the cost of repairing or replacing appurtenances significantly damaged by persons other than the Contractor or its agents. Vandalism or accidental damage repair costs shall be based on unit costs submitted by Contractor in the proposal or on time and materials quotes for work not called out in the proposal. Contractor shall be responsible for reporting damage to City and repairing or replacing all appurtenances damaged by Contractor or Contractor's agents.

D.6) NPDES REGULATIONS

The Contractor shall comply with all applicable City regulations regarding NPDES (National Pollutant Discharge Elimination System) Permit Requirements and the City's Best Management Practices (BMP's). Contractor shall not discharge any pollutants into the storm drain system. Contractor will contain any materials or discharges that may potentially reach a City storm drain. Contractor will conduct annual training regarding Stormwater Regulations and the appropriate BMP's for all employees working at City facilities. Contractor shall provide to the City annually, by July 1, with certification of that required training on Stormwater Regulations and acknowledgment of adherence to these standards while performing work at the City.

During operations, the Contractor shall provide street sweeping as necessary to meet the requirements of the City of Rancho Cordova's National Pollutant Discharge Elimination System Program (NPDES) Permit.

D.7) EXISTING UTILITIES

Attention is directed to the Sacramento County Standard Construction Specifications and these Special Provisions.

The toll-free number for Underground Service Alert (U.S.A.) is 811. The Contractor is required to call this number two working days (48 hours) in advance of performing excavation work.

The Contractor shall take adequate measures to ensure that their operations do not harm any existing underground facilities not specifically mentioned or shown on the plans.

D.8) TRAFFIC MAINTENANCE

The Contractor's attention is directed to Section 6 and Section 12 of the Sacramento County Standard Construction Specifications and these Special Provisions.

The Contractor shall be responsible for maintaining local property access and access to existing public cross streets within the limits of this contract.

The Contractor shall be responsible for the safety of traffic within the project limits and on the approaches to the project.

The Contractor shall provide 24-hour advance notification to the occupants of the property to which the existing access will be closed for a period exceeding 2 hours. Notification may be verbal to the occupant of the property or by written notice placed on or near the building entrance or the property access point to be closed.

When doing work on a major street, the Contractor may, with the Contract Manager's approval, close the traffic lanes in accordance with the Sacramento County Standard Construction Specifications.

Lane closure shall not be allowed without the proper advance warning devices and signing and flag person control in conformance to the Sacramento County Standard Construction Specifications, and these Special Provisions. At the completion of each working day, all existing lanes of traffic shall be open to traffic. Provisions must be made for the uninterrupted passage of emergency vehicles through the project limits at all times, regardless of the controlled traffic conditions existing at that time.

The Contractor shall do all traffic maintenance work as specified herein without direct payment.

D.9) REGULATIONS AND CONDUCT OF WORK

The Contractor shall plan and conduct the work to comply with local, State, and Federal government agencies' applicable rules, regulations, codes, and ordinances to adequately safeguard persons and property from injury. The Contractor shall direct the performance of the work in compliance with reasonable safety regulations and work practices, and with applicable federal, state, and local laws, rules and regulations including but not limited to "Occupational Safety and Health Standards" promulgated by the U.S. Secretary of Labor, and Safety Orders of the California Division of Industrial Safety.

D.10) PERSONNEL

All work shall be performed by qualified and trained personnel with a minimum of one (1) year experience in grounds maintenance work. Experience must include use of gardening tools and operation of commonly used equipment. All workers/personnel shall be neat and orderly in appearance.

D.11) SUPERVISION

The Contractor shall provide a competent superintendent during all times that work is being performed with the authority to represent and act for the Contractor in any matter pertaining to this contract. The Contractor shall furnish the names of all such superintendents to the Contract Manager prior to the commencement of this contract and further advise of any changes.

D.12) DISMISSAL OF UNSATISFACTORY EMPLOYEES

Attention is directed to Section 7 of the Standard Construction Specifications.

The Contractor shall only furnish workers who are competent and skilled for work under this contract. If, in the opinion of the Contract Manager, an employee of the Contractor is incompetent or disorderly, refuses to perform in accordance with the contract specifications, threatens or uses abusive language while on City property, does not meet safety requirements or is otherwise unsatisfactory, that employee shall be removed from all work under this contract. Contractor shall remove an unsatisfactory employee from contract sites immediately following notification.

D.13) PAYMENT

Attention is directed to Section 8 of the Sacramento County Standard Construction Specifications. The following shall be substituted with regard to invoicing procedure.

At the end of each month the Contractor shall submit invoice(s) to the City for monthly maintenance and for unscheduled (extra) work approved by the City. Invoices for monthly maintenance and for unscheduled work shall be submitted on separate invoices.

The Contractor's monthly maintenance invoice shall include:

- Invoice Number
- Invoice Date
- Contract Number
- Location(s) of Service (listed w/ site-specific plan number)
- Service Provided (monthly service with month/year to month/year)

The Contractor's unscheduled (extra) work invoice shall include:

- Invoice Number
- Invoice Date
- Contract Number
- Location of Service (site-specific plan number)
- Service Provided (reference City of Rancho Cordova Work Order number)
- Date Service was Provided
- Receipt for any purchased material

Billing shall be submitted to the following address:

- City of Rancho Cordova
- PW Operations & Maintenance Division
- 3303 Luyung Drive
- Rancho Cordova, CA 95742
- ATTN: O&M Supervisor

D.14) WITHHOLDING OF PAYMENT

For work deemed by the Contract Manager as not meeting the requirements of the specifications, the City shall withhold monthly payments or percentages thereof for work not completed, or until work is completed as per contract specifications. The City shall withhold monthly payments or percentages thereof for work that is not completed on schedule.

To provide funds to cover the cost of any City of Rancho Cordova facilities or plant materials damaged by the Contractor, the City shall withhold monthly payments until the damages are repaired. In the event repairs are not made the City shall withhold monthly maintenance payments to fund the necessary repairs. The Contractor shall be responsible for damages to the City of Rancho Cordova facilities or plant materials due to the contractor's failure to perform the services in accordance with these specifications. Expenses to cover damages shall be solely the Contractor's, and repairs shall meet with approval of the Contract Manager.

D.15) FAILURE TO PERFORM

If the Contractor, or his representative, fails to perform in accordance with the terms and conditions of this contract, the Contract Manager will specify the reasons and locations as applicable on the "Landscape Maintenance Inspection Report" or by other written correspondence. Failure by the Contractor to correct any deficiencies within one (1) calendar week of notification may result in withholding of payment. Failure by the Contractor to correct any deficiencies within two (2) calendar weeks or more may result in a formal written warning (30-day notice) to the contractor specifying that such deficiencies must be corrected. Failure by the contractor to correct such deficiencies within the 30-day specified time period may result in termination of this contract.

In the event of termination, the City shall be liable only for payment of those services performed and accepted by the City prior to the date of termination. Any damages to property caused by the contractor's inability to meet specifications shall be recovered by withholding payments. The Contractor and his surety shall be liable and assessed for any and all costs for the re-procurement of the contract services and damages to City facilities or plant materials.

D.16) INSPECTION

The Contractor may receive a landscape maintenance inspection report from the Contract Manager. This form will indicate any deficiencies in the work performance of the Contractor. The Contract Manager may inform the Contractor by telephone of urgent deficiencies for immediate attention or repairs. Inspection by City staff will occur the following day the Contractor has serviced the areas.

Lack of Inspections by the City staff does not relieve the Contractor of his obligations to provide services as required by these specifications. Lack of receipt of landscape maintenance inspection reports does not relieve the Contractor of his obligations to provide services as required by these specifications. Schedules as required by these specifications shall be submitted and used as a guide for City Staff Inspection schedules. Inspection will be scheduled to occur the following day the Contractor has serviced the area(s).

D.17) WORK AUTHORIZATION

The Contractor will receive a work authorization number whenever work above and beyond that stipulated in the "Task Frequency Sheet" is necessary. No payment for extra materials or labor will be made unless previously stipulated by a "Landscape Maintenance Inspection Report" or a work authorization number has been provided. The "Landscape Maintenance Inspection Report" or the

document provided with the work authorization number will define the nature of the problem and the work to be completed by the Contractor.

Contractor shall furnish an itemized invoice with all unscheduled (extra) work performed during the month. The Contractor's invoice shall refer to the work authorization number (see Section: 'Payment').

D.18) WORK PLAN SUBMITTALS

The Contractor shall submit the following as required by these specifications for approval by City representative. The submittals shall be on a per-location basis. The submittals shall be delivered by the end of the first calendar month of the contract start date or, where applicable, one month prior to the scheduled task in accordance with these specifications. If the schedules are not provided, and the task/work is completed, the work will be considered incomplete, and payment withheld will apply.

- Weekly service schedules for all locations
- Suggestions for improving problem areas
- Turf mowing schedules as required per season
- Fertilization schedules for all landscaped areas at the frequency indicated in these specs
- Motorola equipment annual tune-up (if part of this contract)
- Turf Aeration
- Truck watering schedules as required per season (if part of this contract)

All schedule changes shall be submitted to the City representative for approval. These submittals shall not act or be considered 48-hour notification of any items as required in Section: "Monthly Maintenance Tasks."

D.19) SITE INSPECTION/PLAN REVIEW

Proposers must become familiar with the necessary scope of work before submitting bids. Bidders are responsible for familiarizing themselves with the areas. Failure to visit the site(s) will not constitute a basis for claims for extra or additional work caused by the bidder's lack of knowledge of the condition of the site(s) or the scope of the work. All quantities listed in the bid package are approximate and are to be verified by the bidder.

D.18) COMPLIANCE WITH STANDARD TERMS & CONDITIONS

The Contractor agrees to be bound by the City's standard "boilerplate" conditions, a sample attached to this RFP (Appendix A), and all other terms and conditions in this RFP.

D.19) INSURANCE

The insurance provisions in Appendix B must be complied by the selected Contractor awarded the contract. The selected Contractor shall provide proof of insurance to the Contract Manager with the signed agreement.

D.20) INDEMNITY

Refer to Section 9 of Appendix A.

D.21) STANDARD CONSTRUCTION SPECIFICATIONS

The County of Sacramento, Municipal Services Agency, Standard Construction Specifications, adopted January 2016, and these Special Provisions shall control all work to be done under this contract. A copy of

the Standard Construction Specifications may be obtained at the Cashier's window, County Administration Building, 872 Seventh Street, Room 105, Sacramento, CA 95814.

D.22) STATE SPECIFICATIONS AND STATE STANDARD PLANS

State Specifications and State Standard Plans, when referred to, shall be the 2018 issue.

Copies of the State Specifications and State Standard Plans may be obtained from the State of California, Department of Transportation, Publications Unit, 1900 Royal Oaks Drive, Sacramento, CA 95815; telephone (916) 263-0822.

D.23) PRECEDENCE

In the event of a conflict between the Sacramento County Standard Construction Specifications and the State Specifications/Standard Plans, the Standard Construction Specifications shall govern. These Special Provisions shall govern over both the Sacramento County Standard Construction Specifications and State Specifications/Standard Plans in the event of a conflict.

D.24) CODES AND LEGAL REQUIREMENTS

- (a) All reference to codes, specifications, and standards in the contract documents shall mean, and are intended to be, the latest editions, amendments, and/or revisions of such reference documents in effect, as of the date of this contract.
- (b) Authorities shall apply the minimum work requirements available to any work done for this project. Nothing described in these contract documents shall be construed to permit work not conforming to the most stringent of applicable codes and regulations.
- (c) When contract documents call for materials or construction of better quality or larger size than required by applicable codes, laws, rules or regulations, the contract documents shall take precedence.

D.25) TERMINATION

This Agreement may be terminated by the City upon sixty (60) calendar days prior written notice addressed to the last known address of the Contractor. In the event of such termination, the Contractor shall be paid for all work successfully completed up to the effective date of such termination.

APPENDIX E

EXHIBIT B
INSURANCE REQUIREMENTS

Before beginning any work under this Agreement, Contractor, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Contractor shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Contractor shall maintain all required insurance listed herein for the duration of this Agreement.

1. Workers' Compensation. Contractor shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Contractor. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Contractor may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Contractor, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance insurance may be waived by the City upon written verification that Contractor does not have any employees.

2. Commercial General and Automobile Liability Insurance.
 - 2.1 General requirements. Contractor, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000.00) and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this

Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

- 2.2 Minimum scope of coverage. Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.
- 2.3 Additional requirements. Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:
- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Contractor, including the insured's general supervision of Contractor; products and completed operations of Contractor; premises owned, occupied, or used by Contractor; and automobiles owned, leased, or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City or its officers, employees, agents, or volunteers.
 - b. The insurance shall cover on an occurrence or an accident basis and not on a claims-made basis.
 - c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees, and volunteers and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
 - d. Any failure of Contractor to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
 - e. An endorsement shall state that coverage shall not be canceled except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the City. Contractor shall notify City within fourteen (14) days of notification from Contractor's insurer if such coverage is suspended, voided or reduced in coverage or in limits.
3. All Policies Requirements.
- 3.1 Acceptability of insurers. All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A: VII.

- 3.2 Verification of coverage. Prior to beginning any work under this Agreement, Contractor shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The City reserves the right to require complete, certified copies of all required insurance policies at any time.
- 3.3 Subcontractors. Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
- 3.4 Deductibles and Self-Insured Retentions. Contractor shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.

During the period covered by this Agreement, only upon the prior express written authorization of the Contract Administrator, Contractor may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The Contract Administrator may condition approval of an increase in deductible or self-insured retention levels with a requirement that Contractor procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

- 3.5 Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Contractor, its employees, agents, and subcontractors.
- 3.6 Notice of Reduction in Coverage. In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to City at Contractor's earliest possible opportunity and in no case later than five (5) days after Contractor is notified of the change in coverage.

4. Remedies. In addition to any other remedies City may have if Contractor fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option, exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Contractor's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;

- Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment until Contractor demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

MEMORANDUM

ITEM 10.1.

DATE: May 16, 2022
TO: Honorable Mayor and Council Members
FROM: Michelle Mingay, Senior Finance Analyst
SUBJECT: **RESOLUTIONS AND AN ORDINANCE RELATED TO THE FORMATION OF THE CITY OF RANCHO CORDOVA ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

RECOMMENDATION

Adopt the Resolutions and waive first reading and introduce the Ordinance.

RESULT OF RECOMMENDED ACTION

Adoption of these items would complete the formation of City of Rancho Cordova Arista Del Sol Community Facilities District 2022-1 (the "CFD") and authorize a landowner vote which, if successfully passed, authorizes the levy of a special tax. The special tax levy associated with this CFD is for the purpose of financing the acquisition and construction of, and the payment of fees for, the public facilities in and for the Community Facilities District. There is no financial impact to existing residents.

BACKGROUND

At the meeting on January 3, 2022, the City initiated the process of forming the City of Rancho Cordova Arista Del Sol Community Facilities District 2022-1 for the Arista Del Sol development project; a project which is an approximately 209 mixed use acre parcel located west of Grantline Road and one mile south of Douglas Boulevard. The development anticipates 740 single family lots which will be developed in three phases. While the CFD will be formed over the full development project, the CFD will be phased in through the use of Improvement Areas. The first Improvement Area will include 365 market rate lots ranging in size from 40' x 105' and 55' x 105' in size.

Community Facilities Districts are commonly used throughout California to finance infrastructure and services in new development areas. The CFD is proposed to have a facilities special tax that will be levied on residential property within the development until all bonds issued by the district have been fully repaid. The facilities special tax within the first Improvement Area will range between \$1,752 and \$3,264 per single family unit, in the base year, and will increase at a rate of 2% per year for the life of the tax. The special tax will be authorized to support up to \$50,000,000 in bonds, the proceeds of which will be used to finance the acquisition and construction of, and the payment of fees for, public facilities in and for the Community Facilities District.

The Resolution of Intention adopted by the City Council on January 3, 2022 set February 22, 2022 at 5:30 pm, or as soon thereafter as the matter may be heard, for the hearing on the actual formation of the CFD and the levy of the special tax and the sale of bonds. During the February 22nd council meeting, the council approved the continuation of the public hearing to the March 21, 2022 council meeting and continued again to the May 16, 2022 meeting to allow for final map approvals.

The documents attached to this report will complete the formation and levy the special tax. The following descriptions correspond to the Item numbers in the "Attachments" listing below:

1. A Resolution of Formation of Community Facilities District. This officially forms the CFD, authorizes the special taxes to be collected and calls for the required property owner vote on the levy of taxes and the establishment of an appropriations limit for the CFD (under Article XIIIB of the Constitution). The Exhibit(s) to this resolution show the facilities and impact fees to be financed and the formula by which the special taxes will be levied in the CFD.

2. A Resolution Determining Necessity to Incur Bonded Indebtedness Within Community Facilities District. This makes the determination to issue bonds to be financed by the special taxes. The amount is a "not to exceed" and includes amounts to cover improvements to be financed in later series of bonds. This resolution also calls for the required landowner vote on the issuance of bonds.

3. A Resolution Calling Special Election. This sets the election for May 16, 2022 and provides the form of the special ballot to be used by the landowner-voter. Calling the election and actually having the election on the same night is allowed under CFD law due to the fact that all the landowners in the CFD have waived certain time requirements for proceeding to the election.

4. A Resolution Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien. This is for adoption by the Council after the vote is announced by the City Clerk. It confirms the outcome of the property owner election for the CFD. Attached to it is a copy of the official Canvass and Statement of Result of Election to be completed by the Clerk for the City's record in connection with the opening of ballots and announcement of results. This resolution also directs the filing of the Notice of Special Tax Lien against the lands in the CFD to allow collection of the special tax on each property.

5. An Ordinance Levying Special Taxes Within City of Rancho Cordova The Ranch Community Facilities District 2022-1. Under the law, the Council must levy the special taxes by ordinance. Under the ordinance, the levy is made once by the adoption of this ordinance, and, in each year hereafter, the process of determining the special taxes and processing the collection is done administratively by the Administrative Services Director (or a consultant) and no further Council action is needed.

6a. Order of Proceedings. This is a guide for the Mayor, City Council and City Clerk to use to facilitate the required public hearing and landowner vote process. The document outlines the agenda to be followed to conduct the public hearing and adoption of the items needed to complete the formation of the CFD, to hold the special election and to take the final actions for the special tax and bonds authorization.

6b. Certificate of City Clerk Regarding Waiver (of Certain Election Requirements) and

Consent. This is to be completed by the City Clerk for the City's record in connection with the ballot/election procedure and acknowledges receipt of waivers from the property owner(s).

6c. Notice of Special Tax Lien. This is the document to be completed by the Clerk and recorded with the County Recorder subsequent to the meeting. It establishes a lien in favor of the City to allow for the collection and enforcement of the special taxes.

6d. CFD Report. This is the required report that shows the facilities (public improvements) to be financed by the CFD. The City was directed to prepare this report by the first Resolution of Intention adopted for the CFD on January 3, 2022. It shows the estimated costs of the various facilities along with the costs to issue the bonds and to administer the CFD. A copy of this report should be filed with the City Clerk as part of the proceedings.

Taking the above actions will conclude the formation process for the CFD. The approval of bond documentation, which provides for the issuance of the anticipated CFD bonds, will be the subject of a future meeting.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City. Any special tax bonds to be issued on behalf of the CFD are secured solely by the special tax levies within the District and are not debt of the City's general fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA TO
FORM THE CITY OF RANCHO CORDOVA ARISTA DEL SOL COMMUNITY
FACILITIES DISTRICT NO. 2022-1, DESIGNATE AN IMPROVEMENT AREA AND
FUTURE ANNEXATION AREA THEREIN, AND TO AUTHROIZE THE LEVY OF
SPECIAL TAXES IN THE DISTRICT**

WHEREAS, the City Council (the “City Council”) of the City of Rancho Cordova (the “City”) on January 3, 2022, adopted a resolution of intention titled “A Resolution of Intention of the City Council of the City of Rancho Cordova to Form Arista Del Sol Community Facilities District No. 2022-1, Designate an Initial Improvement Area Therein and Establish a Future Annexation Area, and to Levy a Special Taxes Therein to Finance the Acquisition and Construction of Certain Public Facilities in and for Such Community Facilities District” (the “Resolution of Intention”) to (i) establish of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “CFD”) of the City, (ii) designate therein “Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (“Improvement Area No. 1”), and (iii) establish a “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (Future Annexation Area)” (the “Future Annexation Area”), all pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, the Resolution of Intention incorporates a map of the proposed boundaries of the CFD, Improvement Area No. 1, and the Future Annexation Area, states the facilities to be provided, the cost of providing such facilities and the rate and method of apportionment of the special tax to be levied within the CFD to pay principal of and interest on bonds proposed to be issued with respect to the Improvement Area No. 1, is on file with the City Clerk and the provisions thereof are incorporated herein by this reference as if fully set forth herein; and

WHEREAS, the facilities to be provided as stated in the Resolution of Intention are set forth in Exhibit A attached hereto and hereby made a part hereof; and

WHEREAS, the City Council noticed a public hearing to be held on February 22, 2022, and due to complexities related to the mapping of the proposed CFD, continued the hearing to the date hereof, and has now held the hearing regarding the determination to proceed with the formation of the CFD, Improvement Area No. 1, and the Future Annexation Area, the provision of certain public facilities by the CFD and the respective rate and method of apportionment of the special tax to be levied within Improvement Area No. 1, to pay the cost of the facilities, the principal and interest on the proposed bonded indebtedness in Improvement Area No. 1, and the administrative

costs of the City relative to the CFD, all pursuant to the Act and the Resolution of Intention; and

WHEREAS, at the hearing all interested persons desiring to be heard on all matters pertaining to the formation of the CFD, Improvement Area No. 1, and the Future Annexation Area, the facilities to be provided therein and the levy of said special tax were heard and a full and fair hearing was held; and

WHEREAS, at the hearing evidence was presented to the City Council on said matters before it, including a report caused to be prepared by the Administrative Services Director of the City (the "Report") as to the facilities to be provided in the CFD and the costs thereof and incidental expenses related thereto, a copy of which is on file with the City Clerk, and the City Council at the conclusion of said hearing is fully advised in the premises; and

WHEREAS, written protests with respect to the formation of the CFD and the designation therein of Improvement Area No. 1, the furnishing, the furnishing of specified types of facilities and the rate and method of apportionment of the special taxes have not been filed with the City Clerk by fifty percent or more of the registered voters residing within the territory of the CFD and Improvement Area No. 1 or property owners of one-half or more of the area of land within the CFD and Improvement Area No. 1 not exempt from the proposed special tax; and

WHEREAS, the special tax proposed to be levied in Improvement Area No. 1 to pay for the proposed facilities to be provided therein, and the rate and method of apportionment for Improvement Area No. 1 which is set forth in Exhibit B hereto, has not been eliminated by protest by fifty percent (50%) or more of the registered voters residing within the territory of Improvement Area No. 1 or the owners of one-half (1/2) or more of the area of land within Improvement Area No. 1 not exempt from the special tax; and

WHEREAS, the City Council desires to form the CFD and approve related matters, all as authorized by and in accordance with the Act.

NOW THEREFORE, it is hereby ordered as follows:

1. The foregoing recitals are true and correct.
2. The formation of the CFD and proposed special tax to be levied within the CFD and Improvement Area No. 1 therein has not been precluded by majority protest pursuant to section 53324 of the Act.
3. The community facilities district designated "City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1" of the City is hereby established pursuant to the Act.

The improvement area designated "Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1" is hereby established pursuant to the Act.

The future annexation area designated "City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (Future Annexation Area)" is hereby established pursuant to the Act.

4. The boundaries of the CFD, Improvement Area No. 1, and the Future Annexation Area, are shown on proposed boundary map on file with the City Clerk, which was approved by the Resolution of Intention and filed for record on January 28, 2022 in the Office of the County Recorder of the County of Sacramento as document number 2022-01280698 in Book 136 at Page 8 of the Maps of Assessment and Community Facilities Districts. The proposed boundary lines reflect the creation of a new parcel as shown on a proposed large lot subdivision of the parcel currently being undertaken by the owner, upon recording of the final subdivision map the initial CFD and the Future Annexation Area boundaries will be as shown. The initial boundary, as later implemented upon recording of the final subdivision map, are hereby approved, are incorporated herein by reference, and shall be the initial boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area, respectively.

Parcels within the Future Annexation Area shall be annexed to the CFD only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without any requirement for further public hearings or additional proceedings. The Council hereby determines that any property for which the owner or owners execute a Unanimous Approval shall be added to the CFD, either into an existing improvement area or a Future Improvement Area (defined herein), and the Secretary shall record an amendment to the notice of special tax lien for Improvement Area No. 1 pursuant to Section 3117.5 of the Streets & Highways Code, or a new notice of special tax lien pursuant to Section 3114.5.

5. The type of public facilities proposed to be financed by the CFD and Improvement Area No. 1 shall consist of those items listed as facilities in Exhibit A hereto and by this reference incorporated herein (the "Facilities"). The listing includes incidental expenses incurred and to be incurred in connection with the CFD and the issuance of bonds. The financing of the costs of Facilities may include, without limitation, the payment of principal of and interest on bonds, together with all direct, indirect periodic, and/or other related costs (including, without limitation, costs of administering the CFD, levying the Special Tax and administering the bonds, and establishing and replenishing reserve funds).

For Future Improvement Areas, the type of public facilities to be financed by such improvement area may consist of facilities different than the Facilities if the annexed territory is designated as a separate improvement area. Any facilities in

addition to or instead of the Facilities shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD from the Future Annexation Area, and shall be effective without the need for additional Council approval.

6. Special Tax.

a. Except to the extent that funds are otherwise available to the Improvement Areas to pay for the Facilities, to pay the principal and interest on bonds and other debt (as defined in the Act) of the City to finance the Facilities, to the repayment of funds advanced by the City for the CFD and including the repayment under any agreement (which shall not constitute a debt or liability of the City) of advances of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for the CFD, a special tax (the "Special Tax") sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property is intended to be levied annually and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Council.

b. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within Improvement Area No. 1, in sufficient detail to allow each landowner within Improvement Area No. 1 to estimate the maximum amount such owner will have to pay, is attached hereto as Exhibit B to this Resolution and hereby incorporated herein (the "Rate and Method"). The Special Tax for Improvement Area No. 1 (the "Improvement Area No. 1 Special Tax") shall not be levied in Improvement Area No. 1 after the 2062-63 fiscal year, except that an Improvement Area No. 1 Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the Improvement Area No. 1 Special Tax levied against any parcel in Improvement Area No. 1 used for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within Improvement Area No. 1 by more than 10 percent.

The proposed rate and method of apportionment of the Special Tax among the parcels of real property within a Future Improvement Area, in sufficient detail to allow each landowner within such Future Improvement Area to estimate the maximum amount such owner will have to pay, shall be set forth in the applicable Unanimous Approval. The Special Tax shall not be levied in a Future Improvement Area after the fiscal year identified in the rate and method for such Future Improvement Area, except that a special tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the special tax levied against any parcel in a Future Improvement Area for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within such Future Improvement Area by more than 10 percent.

For Future Improvement Areas, a different rate and method may be adopted than the Rate and Method adopted for Improvement Area No. 1 if the annexed territory is designated as a separate improvement area. No supplements to the Rate and Method for any of the Improvement Areas and no new rate and method will cause the maximum tax rate in the then-existing territory of the CFD (including Improvement Area No. 1) to increase. The designation as an improvement area of any territory annexing to the CFD, the maximum amount of bonded indebtedness and other debt for such improvement area, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD from the Future Annexation Area. The annexation and related matters described in the Unanimous Approval shall be implemented and completed without the need for Council approval as long as the following conditions are met:

(i) The rate and method of apportionment of special tax for the new improvement area is prepared by a special tax consultant retained by the City.

(ii) The rate and method of apportionment of special tax for the new improvement area complies with the City's local goals and policies concerning the use of the Act.

(iii) The rate and method of apportionment of special tax for the new improvement area does not establish a maximum special tax amount for the initial fiscal year in which the special tax may be levied for any category of special tax set forth in the Rate and Method for Improvement Area No. 1 that is greater than 120% of the maximum amount of the same or closest category of special tax for the same fiscal year calculated pursuant to the Rate and Method for Improvement Area No. 1.

(iv) The rate and method of apportionment of special tax for the new improvement area does not introduce a type of special tax that was not included in the Rate and Method for Improvement Area No. 1 (e.g., a special tax that is levied and must be paid in a single fiscal year).

(v) The rate and method of apportionment of special tax for the new improvement area includes a mechanism that protects against revenue loss as a result of land use changes to the extent of revenue needed to pay indebtedness of the CFD.

c. Territory in the Future Annexation Area will be annexed into the CFD and a special tax will be levied on such territory only with the Unanimous Approval of the owner or owners of each parcel or parcels at the time that parcel

or those parcels are annexed into the CFD. Except to the extent that funds are otherwise available to the CFD to pay for the Facilities and/or the principal and interest as it becomes due on bonds of the CFD issued to finance the Facilities, a Special Tax sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property in the Future Annexation Area, is intended to be levied annually within the Future Annexation Area, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Council.

d. As required by Section 53339.3(d) of the Act, the Council hereby determines that the Special Tax proposed to pay for one or more Facilities to be supplied within the Future Annexation Area will be equal to the Special Taxes levied to pay for the same Facilities in previously-existing areas of the CFD, except that (i) a higher Special Tax may be levied within the Future Annexation Area to pay for the same Facilities to compensate for the interest and principal previously paid from Special Taxes in the original area of the CFD, less any depreciation allocable to the financed Facilities and (ii) a higher Special Tax may be levied in the Future Annexation Area to pay for new or additional Facilities, with or without bond financing.

e. This Council hereby finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to *ad valorem* property taxes and schools financed by a community facilities district) are inapplicable to the proposed CFD and the Improvement Areas.

7. It is hereby found and determined that the Facilities are necessary to meet increased demands placed upon local agencies as the result of development occurring in the CFD, Improvement Area No. 1, and the Future Annexation Area.
8. The office of the Administrative Services Director of the City of Rancho Cordova, 2729 Prospect Park Drive, Rancho Cordova, California 95670 (916-851-8730) is designated as the office responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number, estimating future special tax levies and for establishing procedures to promptly respond to inquiries regarding estimates of future special tax levies. The City may contract with outside consultants to provide this service in lieu of the Administrative Services Director.
9. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in Improvement Area No. 1, and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the City ceases. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure each levy of

the special tax shall attach to all nonexempt real property annexed to the CFD from the Future Annexation Area, and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the City ceases.

10. In accordance with the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, shall be preliminarily established for the CFD in the amount of \$50,000,000, of which the annual appropriations limit for the territory within Improvement Area No. 1 is hereby preliminarily established at \$25,000,000, and the annual appropriations limit for the territory within the Future Annexation Area, once annexed to the CFD, is preliminarily established at \$25,000,000. The proposition establishing said annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of the Act.

The designation as an improvement area of any territory annexing to the CFD, the maximum amount of bonded indebtedness and other debt for such improvement area, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD.

11. Pursuant to the provisions of the Act, the proposition of the levy of the Improvement Area No. 1 Special Tax and the proposition of the establishment of the appropriations limit for Improvement Area No. 1 specified above shall be submitted to the qualified electors of Improvement Area No. 1 at an election. The time, place and conditions of the election shall be as specified by a separate resolution of the Council. The qualified electors for the election to be held in these proceedings shall be the landowners owning land within the CFD. The City Council will conduct the election by mailed ballot and hereby designates the City Clerk as the official to conduct the mailed-ballot election.
12. Section 53314.9 of the Act provides that, either before or after formation of the CFD, the City may accept work in-kind from any source, including, but not limited to, private persons or private entities, may provide, by resolution, for the use of that work in-kind for any authorized purpose and the Council may enter into an agreement (an "Acquisition Agreement"), by resolution, with the person or entity advancing the work in-kind, to reimburse the person or entity for the value, or cost, whichever is less, of the work in-kind, as determined by the Council, with or without interest, under the conditions specified in the Act. Any work in-kind must be performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority of, the City.

Section 53316.2 of the Act provides that a community facilities district may finance facilities to be owned or operated by a public agency other than the

agency that created the district, or services to be provided by a public agency other than the agency that created the district, or any combination, only pursuant to a joint community facilities agreement or a joint exercise of powers agreement adopted pursuant to this section. The Administrative Services Director of the City and each other authorized officer of the City is hereby authorized and directed to enter into joint community facilities agreements with the County and any other entity that will own or operate any of the Facilities, as may be necessary to comply with the provisions of Section 53316.2(a) and (b) of the Act. The Council hereby declares that such joint agreements will be beneficial to owners of property in the area of the CFD.

13. Any bonds issued in these proceedings shall be callable in accordance with the provisions of the Act and as more specifically to be set forth in any resolution providing for the form, execution and issuance of bonds.
14. This City Council now finds and determines that all proceedings up to and including the adoption of this Resolution were and are valid and in conformity with the requirements of the Act. This determination and finding is final and conclusive in accordance with Government Code Section 53325.1.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 16th day of May, 2022, by the following vote:

AYES:

NOES:

ABSTAIN:

Donald Terry, Mayor

ATTEST:

Stacy Leitner, CMC
City Clerk

**LIST OF AUTHORIZED FACILITIES
FOR THE COMMUNITY FACILITIES DISTRICT**

The Facilities and Services shown below are to be finance by the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the, "CFD").

Facilities

The Facilities which are proposed to be financed with the proceeds of the sales of bonds of the proposed CFD, or the payment of the fees to the appropriate jurisdiction with respect to such facilities proposed to be financed with the proceeds of the sale of bonds of the proposed CFD, are generally described as follows:

- P-1 Park Improvements
- R-1 Chrysanthy Blvd Improvements
- R-2 Americanos Blvd Improvements
- R-3 In-tract Improvements for development within the CFD

Impact, Development Agreement and Specific Plan Fees for Facilities

- I-1 Transportation Impact Fee
- I-2 Sunrise Douglas Community Plan Roadway Impact Fee
- I-3 City Supplemental Transportation Fee
- I-4 Park Renovation Fee
- I-5 Sunrise Douglas Park Fee
- I-6 Sacramento County Water Agency Zone 40 Water Fee

Other

- O-1 Any other facilities serving substantially the same purpose as the above described facilities.
- O-2 Any other facilities permitted under the Mello-Roos Community Facilities Act of 1982, including the facilities described in Section 53313.5 of the California Government Code, as amended from time to time, provided that such facilities satisfy at least one of the following criteria: 1) augment, improve or expand existing District facilities that are primarily for the benefit of the District, or 2) repair or rehabilitate existing District facilities.

The foregoing description of the type of Facilities eligible to be financed is general in nature and includes any appurtenant work and incidental expenses related to the Facilities. The final nature

ITEM 10.1.**ATTACHMENT 2
Exhibit A to the Resolution**

and location of the facilities will be determined upon the preparation of final plans and specifications for such facilities.

Incidentals

The bond related expenses authorized include the City, underwriters discount, financial advisor, appraisals, reserve fund balance, capitalized interest, bond counsel, disclosure counsel, special tax consultant, bond and official statement printing and all other incidental expenses.

CFD formation costs and administrative fees include those of the City, the CFD, the bond trustee or fiscal agent, legal counsel, the special tax consultant and other costs related to the CFD or the Bonds.

**IMPROVEMENT AREA NO. 1 OF THE
CITY OF RANCHO CORDOVA
ARISTA DEL SOL
COMMUNITY FACILITIES DISTRICT NO. 2022-1**

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A Special Tax applicable to each Assessor's Parcel in Improvement Area No. 1 of the City of Rancho Cordova Arista del Sol Community Facilities District No. 2022-1 shall be levied and collected according to the tax liability determined by the City Council through the application of the appropriate amount or rate for Taxable Property, as described below. All of the property in Improvement Area No. 1, unless exempted by law or by the provisions of Section G below, shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to Improvement Area No. 1 unless a separate Rate and Method of Apportionment is adopted for the annexation area.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

“Acre” or “Acreage” means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable Final Map or other parcel map recorded at the County Recorder's Office.

“Act” means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, (commencing with Section 53311), Part 1, Division 2 of Title 5 of the Government Code of the State of California.

“Administrative Expenses” means any or all of the following: the fees and expenses of any fiscal agent or trustee (including any fees or expenses of its counsel) employed in connection with any Bonds, and the expenses of the City in carrying out its duties with respect to Improvement Area No. 1, the CFD and the Bonds, including, but not limited to, the levy and collection of Special Taxes, the fees and expenses of its counsel, charges levied by the County in connection with the levy and collection of Special Taxes, costs related to property owner inquiries regarding the Special Tax, costs associated with appeals or requests for interpretation associated with the Special Tax and this RMA, amounts needed to pay rebate to the federal government with respect to Bonds, costs associated with complying with continuing disclosure requirements for the City and any major property owners or other obligated parties, costs associated with foreclosure and collection of delinquent Special Taxes, and all other costs and expenses of the City and County in any way related to the establishment or administration of Improvement Area No. 1 and the CFD.

“Administrator” shall mean the person or firm designated by the City to administer the Special Tax according to this RMA.

“Assessor's Parcel” or “Parcel” means a lot or parcel shown on an Assessor's Parcel Map with an assigned Assessor's Parcel number.

“Assessor’s Parcel Map” means an official map of the County Assessor designating Parcels by Assessor’s Parcel Number.

“Authorized Facilities” means the public facilities authorized to be financed, in whole or in part, by the CFD.

“Base Special Tax” means, for any Land Use Category, the applicable Special Tax initially identified in Table 1 in Section C, as may be adjusted pursuant to Sections D or H herein.

“Bonds” means bonds or other debt (as defined in the Act), whether in one or more series, secured by the Special Tax and issued or assumed by or for Improvement Area No. 1 to fund Authorized Facilities.

“Building Permit” means a permit that allows for vertical construction of a building or buildings, which shall not include a separate permit issued for construction of the foundation thereof.

“Capitalized Interest” means funds in any capitalized interest account available to pay debt service on Bonds.

“CFD” means the City of Rancho Cordova Arista del Sol Community Facilities District No. 2022-1.

“CFD Formation” means the date on which the Resolution of Formation to form the CFD and Improvement Area No. 1 was adopted by the City Council.

“City” means the City of Rancho Cordova.

“City Council” means the City Council of the City of Rancho Cordova.

“County” means the County of Sacramento.

“Developed Property” means, in any Fiscal Year, all Parcels of Taxable Property that are not Taxable Owners Association Property, Taxable Public Property, or Taxable Welfare Exemption Property for which a Building Permit for new construction was issued prior to June 1 of the preceding Fiscal Year.

“Development Class” means, individually, Developed Property, Final Map Property, Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property.

“Expected Land Uses” means the number of Residential Units and the Acreage of Other Property expected within Improvement Area No. 1 at CFD Formation, as identified in Attachments 1 and 2 of this RMA. Pursuant to Section D of this RMA, the Administrator shall update Attachment 2 each time there is a Land Use Change. Such update(s) shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

“Expected Maximum Special Tax Revenues” means the aggregate Special Tax that can be levied based on application of the Base Special Tax to the Expected Land Uses. The Expected Maximum Special Tax Revenues at CFD Formation are shown in Attachment 2 and may be revised pursuant to Sections D or H herein. Such update(s) will be maintained internally by the Administrator and will not require recordation of an amended RMA.

“Final Map” means a final map, or portion thereof, approved by the City or County pursuant to the Subdivision Map Act (California Government Code Section 66410 *et seq*) that creates SFD Lots. The term “Final Map” shall not include any large-lot subdivision map, Assessor’s Parcel Map, or subdivision map or portion thereof, that does not create SFD Lots, including Assessor’s Parcels that are designated as remainder parcels.

“Final Map Property” means, in any Fiscal Year, all SFD Lots created within Final Maps that had recorded prior to June 30 of the preceding Fiscal Year and which have not yet become Developed Property.

“First Bond Sale” means issuance of the first series of Bonds secured, in whole or in part, by Special Taxes levied and collected from Parcels in Improvement Area No. 1.

“Fiscal Year” means the period starting July 1 and ending on the following June 30.

“Improvement Area No. 1” means Improvement Area No. 1 of the CFD.

“Improvement Fund” means the account (regardless of its name) identified in the Indenture to hold funds that are available for expenditure to acquire or construct Authorized Facilities.

“Indenture” means the bond indenture, fiscal agent agreement, trust agreement, resolution or other instrument pursuant to which Bonds are issued, as modified, amended, and/or supplemented from time to time, and any instrument replacing or supplementing the same.

“Land Use Category” means the categories of land use identified in Table 1 in Section C below.

“Land Use Change” means a proposed or approved change to the Expected Land Uses after CFD Formation, including changes to the Lot Category designation for SFD Lots.

“Lot Category” means, individually, Lot Category A, Lot Category B, and Lot Category C.

“Lot Category A” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 40’x105’ was anticipated at CFD Formation, as identified in Attachment 1 hereto. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Lot Category B” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 45’x105’ was anticipated at CFD Formation, as identified in Attachment 1. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Lot Category C” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 55’x105’ was anticipated at CFD Formation, as identified in Attachment 1 hereto. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Maximum Special Tax” means the greatest amount of Special Tax that can be levied on a Parcel in any Fiscal Year, as determined in accordance with Sections C and D below.

“Other Property” means any Parcel of Developed Property in Improvement Area No. 1 that does not fit within the definition of Single Family Attached Property or Single Family Detached Property.

“Owners Association” means a homeowners association or property owners association that provides services to, and collects assessments, fees, dues, or charges from, property within Improvement Area No. 1.

“Owners Association Property” means any property within the boundaries of Improvement Area No. 1 that is owned in fee or by easement by an Owners Association, not including any such property that is located directly under a residential structure.

“Proportionately” means, for each Development Class, that the ratio of the actual Special Tax levied in any Fiscal Year to the Maximum Special Tax authorized to be levied in that Fiscal Year is equal for all parcels assigned to the Development Class.

“Public Property” means any property within the boundaries of Improvement Area No. 1 that is owned by the City, federal government, State of California or other public agency.

“Required Coverage” means the amount by which the Expected Maximum Special Tax Revenues must exceed the Bond debt service and priority Administrative Expenses (if any), as set forth in the Indenture, Certificate of Special Tax Consultant, or other formation or bond document that identifies the minimum required debt service coverage.

“Residential Unit” means an SFD Unit or an individual residential unit within a duplex, halfplex, triplex, fourplex, townhome, live/work or condominium structure. A second unit (granny flat) that shares a Parcel with an SFD Unit will not be considered a Residential Unit for purposes of levying the Special Tax.

“RMA” means this Rate and Method of Apportionment of Special Tax.

“SFA Unit” means an individual Residential Unit on a Parcel of Single Family Attached Property.

“SFD Lot” means an individual residential lot, identified and numbered on a recorded Final Map, on which a Building Permit has been or is permitted to be issued for construction of an SFD Unit without further subdivision of the lot and for which no further subdivision of the lot is anticipated pursuant to an approved Tentative Map.

“SFD Unit” means a residential unit that does not share a common wall with another residential unit.

“Single Family Attached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a Building Permit was issued for construction of a residential structure consisting of two or more Residential Units that share common walls, have separate Assessor’s Parcel numbers assigned to them (except for a duplex unit, which may share a Parcel with another duplex unit), and may be purchased by individual homebuyers (which shall still be the case even if the Residential Units are purchased and subsequently offered for rent by the owner), including such residential structures that meet the statutory definition of a condominium contained in Civil Code Section 4125.

“Single Family Detached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a Building Permit was issued for construction of an SFD Unit.

“Special Tax” means a special tax levied in any Fiscal Year to pay the Special Tax Requirement.

“Special Tax Requirement” means the amount necessary in any Fiscal Year to: (i) pay principal and interest on Bonds that are due in the calendar year that begins in such Fiscal Year; (ii) pay periodic costs on the Bonds, including but not limited to, credit enhancement, liquidity support and rebate payments on the Bonds; (iii) replenish reserve funds created for the Bonds under the Indenture to the extent such replenishment has not been included in the computation of the Special Tax Requirement in a previous Fiscal Year; (iv) cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year or, based on prior delinquencies, are expected to occur in the current Fiscal Year; (v) pay Administrative Expenses; and (vi) pay directly for Authorized Facilities, so long as such levy under this clause (vi) does not increase the Special Tax levied on Final Map Property or Undeveloped Property. The amounts referred to in clauses (i) and (ii) of the definition of Special Tax Requirement may be reduced in any Fiscal Year by: (a) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against such costs pursuant to the Indenture; (b) in the sole and absolute discretion of the City, proceeds received by the CFD from the collection of penalties associated with delinquent Special Taxes; and (c) any other revenues available to pay such costs, each as determined in the sole discretion of the City.

“Taxable Owners Association Property” means, in any Fiscal Year after the First Bond Sale, any Parcel of Owners Association Property that satisfies all three of the following conditions: (i) the Parcel had not been Owners Association Property on the date of the First Bond Sale, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D below), the Parcel was not anticipated to be Owners Association Property as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Special Tax because it is Owners Association Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Taxable Property” means all of the Parcels within the boundaries of Improvement Area No. 1 that are not exempt from the Special Tax pursuant to law or Section G below.

“Taxable Public Property” means in any Fiscal Year after the First Bond Sale, any Parcel of Public Property that satisfies all three of the following conditions: (i) the Parcel had not been Public Property on the date of the First Bond Sale, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D below), the Parcel was not anticipated to be Public Property as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Special Tax because it is Public Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Taxable Welfare Exemption Property” means in any Fiscal Year after the First Bond Sale, any Parcel of Welfare Exemption Property that satisfies all three of the following conditions: (i) the Parcel had not been Welfare Exemption Property on the date of issuance of the First Bond Sale; (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D herein), the Parcel was not anticipated to be Welfare Exemption Property based on the Expected Land Uses, as determined by the Administrator; and (iii) if the Parcel were to be exempt from the Special Tax because it has become Welfare Exemption Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Tentative Map” means a tentative map or substantial conformance exhibit for property in Improvement Area No. 1, including any adjustments or amendments thereto.

“Undeveloped Property” means, in any Fiscal Year, all Parcels of Taxable Property that are not Final Map Property, Developed Property, Taxable Owners Association Property, Taxable Public Property, or Taxable Welfare Exemption Property.

“Welfare Exemption Property” means, in any Fiscal Year, any Parcels in the CFD that have received a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code and for which such welfare exemption is still in place.

B. DATA FOR ADMINISTRATION OF THE SPECIAL TAX

Each Fiscal Year, the Administrator shall: (i) assign each Parcel of Taxable Property to the appropriate Development Class, (ii) for Developed Property, categorize each Parcel as Single Family Detached Property, Single Family Attached Property, or Other Property; (iii) for Single Family Detached Property, determine the Lot Category for each SFD Lot; (iv) for Single Family Attached Property, determine the number of SFA Units on each Parcel; (v) for Other Property, determine the Acreage of each Parcel; and (vi) determine the Special Tax Requirement for the Fiscal Year. In addition, the Administrator shall, on an ongoing basis, monitor the Tentative Map, Final Maps, and Building Permits to determine if there are any proposed Land Use Changes that would change the Expected Maximum Special Tax Revenues. If the Expected Maximum Special Tax Revenues will be revised pursuant to a proposed Land Use Change, the Administrator shall apply the steps set forth in Section D below.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in Improvement Area No. 1 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new

ITEM 10.1.

Exhibit B to the Resolution

Parcels created by the parcel map, and (iii) one or more of the newly-created Parcels is in a different Development Class and/or Land Use Category than other Parcels created by the subdivision, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that apply separately to the property within each Development Class and/or Land Use Category, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

C. MAXIMUM SPECIAL TAX

1. Developed Property and Final Map Property

The Maximum Special Tax for a Parcel of Developed Property or Final Map Property is the greater of (i) the Base Special Tax set forth in Table 1 below, or, (ii) the Maximum Special Tax determined pursuant to Section D.

Table 1
Base Special Tax
Developed Property and Final Map Property

Land Use	Base Special Tax Fiscal Year 2021-22 *
Single Family <u>Detached Property</u> Lot Category A Lot Category B Lot Category C	\$1,752 per Residential Unit or SFD Lot \$2,528 per Residential Unit or SFD Lot \$3,264 per Residential Unit or SFD Lot
Single Family Attached Property	\$1,752 per Residential Unit
Other Property	\$25,401 per Acre

*** On July 1, 2022, and on each July 1 thereafter, all figures shown in Table 1 above shall be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.**

2. Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property

The Maximum Special Tax for Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property is \$25,401 per Acre for Fiscal Year 2021-22, which amount shall increase on July 1, 2022 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.

D. CHANGES TO THE MAXIMUM SPECIAL TAX**1. *Land Use Changes***

The Expected Maximum Special Tax Revenues shown in Attachment 2 were originally calculated based on the Expected Land Uses at CFD Formation. Attachment 2 is subject to modification upon the occurrence of Land Use Changes, as described below. The Administrator shall review all Land Use Changes and compare the revised land uses to the Expected Land Uses to evaluate the impact on the Expected Maximum Special Tax Revenues.

Prior to the First Bond Sale, if a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Special Tax Revenues, no action will be needed pursuant to this Section D. Upon approval of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues.

After the First Bond Sale, if a Land Use Change is proposed or identified, Steps 1 through 3 must be applied:

- Step 1:** By reference to Attachment 2 (which shall be updated by the Administrator each time a Land Use Change has been processed according to this Section D or a prepayment has been made), the Administrator shall identify the Expected Maximum Special Tax Revenues prior to the Land Use Change.
- Step 2:** The Administrator shall calculate the Expected Maximum Special Tax Revenues that could be collected from Taxable Property in Improvement Area No. 1 after the Land Use Change based on application of the Base Special Taxes from Table 1.
- Step 3:** If the revenues calculated in Step 2 are (i) higher than those determined in Step 1 or (ii) less than those calculated in Step 1, but the reduction in Expected Maximum Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below Required Coverage, no further action is needed, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues.

If the revenues calculated in Step 2 are less than those calculated in Step 1, and the Administrator determines that the reduction in Expected Maximum Special Tax Revenues would reduce debt service coverage on outstanding Bonds below the Required Coverage, one of the following shall occur:

3.a. The landowner requesting the Land Use Change (the “Requesting Landowner”) may make a prepayment in an amount that will ensure that the reduced Expected Maximum Special Tax Revenues are sufficient to provide Required Coverage, as determined pursuant to Section H below. If the Requesting Landowner notifies the Administrator that he/she would like to remedy the reduction by making a prepayment, such prepayment must be made by the earlier of (i) 30 days from the date of delivery of the prepayment

estimate or (ii) the date of issuance of any Building Permits for any Parcel owned by the Requesting Landowner that was Final Map Property or Undeveloped Property at the time the Administrator prepared the prepayment estimate, **or**

3.b. If a prepayment is not received by the due date specified above, the Base Special Tax used to determine the Maximum Special Tax for each Parcel of Taxable Property in the area affected by the Land Use Change shall be increased proportionately until the Expected Maximum Special Tax Revenues are sufficient to maintain Required Coverage.

Pursuant to this Section D.3, the Administrator may from time to time update Attachment 2 to reflect revised Expected Maximum Special Tax Revenues. Such update shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

If multiple Land Use Changes are proposed simultaneously by a single landowner (which may include approval of multiple Final Maps at one time), and the landowner requests that the impact of two or more of the Land Use Changes be considered together, the Administrator shall consider the combined effect of the Land Use Changes to determine if there is a reduction in Expected Maximum Special Tax Revenues. If there is a reduction that would reduce debt service coverage below the Required Coverage, and no prepayment has been received, then the Base Special Tax used to determine the Maximum Special Tax for each Parcel of Taxable Property in the areas affected by the Land Use Changes shall be increased proportionately until the aggregate amount that can be levied within such areas is equal to the amount that could have been levied prior to the proposed Land Use Changes. If Land Use Changes are proposed simultaneously by multiple landowners, or if an individual landowner proposing multiple Land Use Changes does not request that such Land Use Changes be considered together, the Administrator shall consider the proposed Land Use Changes individually.

Notwithstanding the foregoing, once a certificate of occupancy has been issued for a Residential Unit on a Parcel, the Maximum Special Tax for the Parcel cannot be increased because of subsequent Land Use Changes that may occur within the area in which the Parcel is located.

The duties imposed on the Administrator pursuant to this Section D to review Land Use Changes, and to review Final Maps and make certain calculations, are intended only to facilitate the administration of the Special Tax and to better assure the sufficiency of tax capacity to pay debt service on Bonds. Such duties are not intended to give any developer, subdivider, or owner of property the right to receive notice of the potential impact of Land Use Changes on the Special Tax applicable to a Parcel; and each developer, subdivider, or owner of property whose property is the subject of a Land Use Change shall be responsible for understanding the impact thereof on the Special Tax applicable to such property.

2. Partial Prepayments

If an owner of a Parcel makes a prepayment pursuant to Section H below, the Administrator shall recalculate the Maximum Special Tax for the Parcel pursuant to Section H.2. In addition, the Administrator shall update Attachment 2 to reflect the prepayment and the revised Expected Maximum Special Tax Revenues for Improvement Area No. 1. After the prepayment has been

received, the application of Sections D and H of this RMA shall be based on the adjusted Expected Maximum Special Tax Revenues after the prepayment.

3. *Conversion of a Parcel of Public Property to Private Use*

If, in any Fiscal Year, a Parcel of Public Property is converted to private use, such Parcel shall be subject to the levy of the Special Tax. The Maximum Special Tax for each such Parcel shall be determined based on the applicable Base Special Tax for the Parcel, as determined by the Administrator. In addition, the Administrator shall update Attachment 2 to reflect the conversion and the revised Expected Maximum Special Tax Revenues for Improvement Area No. 1.

E. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement to be collected in that Fiscal Year. A Special Tax shall then be levied according to the following steps:

- Step 1:** The Special Tax shall be levied Proportionately on each Parcel of Developed Property up to 100% of the Maximum Special Tax for each Parcel of Developed Property until the amount levied is equal to the Special Tax Requirement prior to applying any Capitalized Interest that is available in the CFD accounts.
- Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Final Map Property up to 100% of the Maximum Special Tax for each Parcel of Final Map Property until the amount levied is equal to the Special Tax Requirement.
- Step 3:** If additional revenue is needed after Step 2, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for each Parcel of Undeveloped Property until the amount levied is equal to the Special Tax Requirement.
- Step 4:** If additional revenue is needed after Step 3, the Special Tax shall be levied Proportionately on each Parcel of Taxable Welfare Exemption Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Welfare Exemption Property for such Fiscal Year until the amount levied is equal to the Special Tax Requirement.
- Step 5:** If additional revenue is needed after Step 4, the Special Tax shall be levied Proportionately on each Parcel of Taxable Owners Association Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Owners Association Property until the amount levied is equal to the Special Tax Requirement.
- Step 6:** If additional revenue is needed after Step 5, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property, up to 100% of the

Maximum Special Tax for each Parcel of Taxable Public Property until the amount levied is equal to the Special Tax Requirement.

F. MANNER OF COLLECTION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section H below and provided further that the City may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid. However, in no event shall Special Taxes be levied after Fiscal Year 2062-63. Under no circumstances may the Special Tax on a Parcel of Developed Property in residential use be increased in any Fiscal Year as a consequence of delinquency or default in payment of the Special Tax levied on another Parcel or Parcels by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults.

G. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied in any Fiscal Year on the following:

- (1) Public Property, except Taxable Public Property.
- (2) Owners Association Property, except Taxable Owners Association Property.
- (3) Welfare Exemption Property, except Taxable Welfare Exemption Property.
- (4) Parcels that are owned by a public utility for an unmanned facility.
- (5) Parcels that are subject to an easement that precludes any other use on the Parcel.
- (6) Parcels that have fully prepaid the Special Tax obligation assigned to the Parcel pursuant to the formula set forth in Section H below.

H. PREPAYMENTS

The following definitions apply to this Section H:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from

the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued prior to the date of prepayment.

“Public Facilities Requirement” means either \$15.4 million in 2022 dollars, which shall increase on January 1, 2023, and on each January 1 thereafter by 2% of the amount in effect in the prior year or such other number as shall be determined by the City as sufficient to fund improvements that are authorized to be funded by Improvement Area No. 1. The Public Facilities Requirement shown above may be adjusted each time property annexes into Improvement Area No. 1 or there is an adjustment to the Expected Maximum Special Tax Revenues due to a Land Use Change.

“Remaining Facilities Costs” means the Public Facilities Requirement minus public facility costs funded by Previously Issued Bonds, developer equity and any other source of funding.

1. *Full Prepayment*

The Special Tax obligation applicable to a Parcel in Improvement Area No. 1 may be prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. The Prepayment Amount shall be calculated as follows: (capitalized terms as defined below):

	Bond Redemption Amount
plus	Remaining Facilities Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Identify the Maximum Special Tax for the Parcel prepaying the Special Tax in the Fiscal Year in which prepayment would be received by the City. If this Section H is being applied to calculate a prepayment pursuant to Section D above, compute the amount by which the proposed Land Use Change would reduce Expected Maximum Special Tax Revenues below the amount needed for Required Coverage, and use this amount for purposes of this Step 1.

- Step 2.** Divide the Maximum Special Tax computed pursuant to Step 1 for such Parcel by the total Expected Maximum Special Tax Revenues for all property in Improvement Area No. 1, as shown in Attachment 2.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the “**Bond Redemption Amount**”).
- Step 4.** Compute the current Remaining Facilities Costs (if any).
- Step 5.** Multiply the quotient computed pursuant to Step 2 by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (the “**Remaining Facilities Amount**”).
- Step 6.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the “**Redemption Premium**”).
- Step 7.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment will be received until the earliest redemption date for the Outstanding Bonds. However, if Bonds are callable at the first interest payment date after the prepayment has been received, Steps 7, 8 and 9 of this prepayment formula will not apply.
- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.
- Step 9:** Subtract the amount computed pursuant to Step 8 from the amount computed pursuant to Step 7 (the “**Defeasance Requirement**”).
- Step 10.** The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “**Administrative Fees and Expenses**”).
- Step 11.** If and to the extent so provided in the Indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “**Reserve Fund Credit**”).

- Step 12.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the “**Prepayment Amount**”).
- Step 13.** From the Prepayment Amount, the amounts computed pursuant to Steps 3, 6, and 9 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to Step 5 shall be deposited into the Improvement Fund. The amount computed pursuant to Step 10 shall be retained in the account or fund that is established to pay Administrative Expenses.

Once a full prepayment of a Parcel’s Special Tax obligation has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel to reflect the discharge of the Parcel’s obligation to pay the Special Tax. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected. The Administrator shall also update Attachment 2 to reflect the prepayment.

2. *Partial Prepayment*

A partial prepayment may be made in an amount equal to any percentage of full prepayment desired by the party making a partial prepayment, except that the full amount of Administrative Fees and Expenses determined in Step 10 shall be included in the partial prepayment. The Maximum Special Tax that can be levied on a Parcel after a partial prepayment is made shall be equal to the portion of the Maximum Special Tax that was not prepaid, subject to 2% annual increases each July 1. Once a partial prepayment has been received, an Amended Notice of Special Tax Lien shall be recorded against the Parcel to reflect the reduced Special Tax lien for the Parcel, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues. However, an Amended Notice of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.

3. *Maintaining Required Coverage*

Notwithstanding the foregoing, if at any point in time the Administrator determines that the Maximum Special Tax revenue that could be collected from Taxable Property that remains subject to the Special Tax after the proposed prepayment would be less than the Required Coverage on Bonds that will remain outstanding after defeasance or redemption of Bonds from proceeds of the estimated prepayment, the amount of the prepayment shall be increased until the amount of Bonds defeased or redeemed is sufficient to reduce remaining annual debt service to a point at which Required Coverage is maintained.

I. INTERPRETATION OF RMA

Interpretations may be made by Resolution of the City Council to interpret, clarify, and/or revise this RMA to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Tax,

method of apportionment, classification of properties, or any definition applicable to Improvement Area No. 1 of the CFD, as long as such correction does not materially affect the levy and collection of Special Taxes. The City, upon the request of an owner of land within Improvement Area No. 1 which is not Developed Property, may also amend this RMA in any manner acceptable to the City, by resolution or ordinance following a public hearing, upon the affirmative vote of such owner to such amendment and without the vote of owners of any other land within Improvement Area No. 1, provided such amendment only affects such owner's land. Under no circumstances may such revisions to the RMA decrease the Expected Maximum Special Tax Revenues to a level that will reduce debt service coverage below the Required Coverage.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE
OF CALIFORNIA, DEEMING IT
NECESSARY TO INCUR BONDED INDEBTEDNESS IN
CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

WHEREAS, the City Council (the “City Council”) of the City of Rancho Cordova (the “City”) on January 3, 2022, adopted a resolution of intention titled “A Resolution of Intention of the City Council of the City of Rancho Cordova to Form Arista Del Sol Community Facilities District No. 2022-1, Designate an Initial Improvement Area Therein and Establish a Future Annexation Area, and to Levy a Special Taxes Therein to Finance the Acquisition and Construction of Certain Public Facilities in and for Such Community Facilities District” (the “Resolution of Intention”) to (i) establish the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “CFD”) of the City, (ii) designate therein “Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (“Improvement Area No. 1”), and (iii) establish a “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (Future Annexation Area)” (the “Future Annexation Area”), all pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, the City Council has also adopted on January 3, 2022, a resolution titled “A Resolution of the City Council of the City of Rancho Cordova, State of California, Declaring its Intention to Incur a Bonded Indebtedness to Finance the Acquisition and Construction of Certain Public Facilities in and for City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (the “Resolution Determining Necessity”), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$50,000,000 upon the security of the special tax to be levied within the CFD pursuant to the Act; and stating its intention to incur bonded indebtedness within the boundaries of the CFD for the purpose of financing the costs of certain facilities specified in the Resolution of Intention; and

WHEREAS, also in the Resolution of Intention, this Council determined that it may be necessary to designate additional improvement areas in the CFD as a result of the annexation of territory from the Future Annexation Area (each, a “Future Improvement Area”) and to incur bonded indebtedness within the boundaries of the Future Improvement Area; and

WHEREAS, the City Council noticed a public hearing to be held on February 22, 2022, and due to complexities related to the mapping of the proposed CFD, continued the hearing to the date hereof, and pursuant to the Act and the Resolution of Intention,

has held the public hearing relative to the matters material to the questions set forth in the Resolution of Intention to Incur Indebtedness, as required by the Act; and

WHEREAS, subsequent to the public hearing, the City Council adopted on May 16, 2022, a resolution titled “A Resolution of the City Council of the City of Rancho Cordova, State of California, to Form a Community Facilities District and to Levy a Special Tax in City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (the “Resolution of Formation”); and

WHEREAS, the City Council has also held a noticed public hearing as required by the Act relative to the matters material to the questions set forth in the Resolution of Intention to Incur Indebtedness; and

WHEREAS, No written protests with respect to the matters material to the questions set forth in the Resolution Determining Necessity have been filed with the City Clerk;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The City Council deems it necessary to incur bonded indebtedness for the CFD in an amount not to exceed \$50,000,000 (the “Authorization”), initially allocated as follows: (i) for Improvement Area No. 1, the bonded indebtedness limit is \$25,000,000 and (ii) for the portion of the CFD that is not currently in Improvement Area No. 1, the bonded indebtedness limit is not to exceed \$25,000,000 (the “Future Improvement Area Indebtedness Limit”). Indebtedness subject to the Authorization shall only include indebtedness evidenced by bonds or notes and shall not include bonds described in Section 53364.2(e) of the Act.

Upon designation of a parcel or parcels annexed into the CFD from the Future Annexation Area as a Future Improvement Area, the Unanimous Consent shall include an authorization to incur bonded indebtedness for such Future Improvement Area in a maximum amount which does not exceed the Future Improvement Area Indebtedness Limit, net of the amount or amounts of the Future Improvement Area Indebtedness Limit previously established in connection with a prior annexation from the Future Annexation Area, which limit shall be set forth in a Unanimous Consent. Such allocation may be made without any requirement for further public hearings, Council action or other additional proceedings, and the City shall include the Unanimous Consent in the records for the CFD.

3. The whole of Improvement Area No. 1 shall pay for the bonded indebtedness and other debt issued by the City for Improvement Area No. 1 through the levy of the special tax. The tax shall be apportioned in accordance with the formula set

forth in Exhibit B to the Resolution of Formation. The whole of each Future Improvement Area shall pay for the bonded indebtedness and other debt issued by the City for such Future Improvement Area through the levy of the special tax. The tax shall be apportioned in accordance with the formula approved via unanimous approval of parcel(s) annexing into such Future Improvement Area from the Future Annexation Area.

4. Indebtedness in the maximum amount set forth in Section 2 of this Resolution are hereby authorized for Improvement Area No. 1, subject to voter approval. The bonds and other debt may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Council or its designee shall determine, at the time or times of sale of such bonds and other debt; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and other debt and the bonds and other debt or any series thereof shall have a maximum term of not to exceed 40 years.

Indebtedness in the maximum amount set forth in Section 2 of this Resolution are hereby authorized for the Future Improvement Areas, subject to voter approval evidenced by the applicable unanimous approval form(s). The bonds and other debt may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Council or its designee shall determine, at the time or times of sale of such bonds and other debt; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and other debt and the bonds and other debt or any series thereof shall have a maximum term of not to exceed 40 years.

5. The proposition of the City incurring the bonded indebtedness and other debt for Improvement Area No. 1 herein authorized shall be submitted to the respective qualified electors of Improvement Area No. 1, and shall be consolidated with elections on the proposition of levying special taxes within Improvement Area No. 1 and the establishment of an appropriations limit for Improvement Area No. 1 pursuant to Section 53353.5 of the Act. The time, place and further particulars and conditions of such election shall be as specified by separate resolution of this Council. In accordance with Section 53350 of the Act, approval of the limit for the incurrence of bonded indebtedness and other debt for any Future Improvement Area shall be submitted by the owner or owner(s) of parcels in such Future Improvement Area and specified in the applicable unanimous approval form(s), without any other proceedings or hearings required.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, CALLING SPECIAL ELECTION IN
CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

WHEREAS, the City Council (the “City Council”) of the City of Rancho Cordova (the “City”) on May 16, 2022, adopted a resolution titled “A Resolution of the City Council of the City of Rancho Cordova to Form the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, Designate an Improvement Area and Future Annexation Area Therein and Authorize the Levy of Special Taxes in the District”, to (i) form “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “CFD”), (ii) designate therein “Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (“Improvement Area No. 1”), (iii) establish “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (Future Annexation Area)” (the “Future Annexation Area”), (iv) authorize the levy of a special tax on property within Improvement Area No. 1 and (v) preliminarily establish an appropriations limit for Improvement Area No. 1, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, the City Council has also adopted on May 16, 2022 a resolution titled “A Resolution of the City Council of the City of Rancho Cordova Deeming it Necessary to Incur Bonded Indebtedness in City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (the “Resolution Determining Necessity”), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$50,000,000, initially allocated as follows: (i) \$25,000,000 for Improvement Area No. 1 upon the security of the special tax to be levied within Improvement Area No. 1 pursuant to the Act, and (ii) \$25,000,000 for the portion of the CFD that is not currently in Improvement Area No. 1 upon the security of the special tax to be levied within such area pursuant to the Act; and

WHEREAS, pursuant to the provisions of the Resolution of Formation and the Resolution Determining Necessity, the propositions of the levy of the special tax, the establishment of the appropriations limit and the incurring of the bonded indebtedness shall be submitted to the qualified electors of Improvement Area No. 1 as required by the provisions of the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, AS FOLLOWS:

1. Pursuant to Sections 53326, 53351 and 53325.7 of the Act, the issues of the levy of the special tax, the incurring of bonded indebtedness and the establishment of the appropriations limit shall be submitted to the qualified electors (as defined below) of Improvement Area No. 1 at an election called therefor as provided below.
2. The City Council hereby finds that fewer than 12 persons have been registered to vote within the territory of Improvement Area No. 1 for each of the 90 days preceding the close of the public hearings heretofore conducted and concluded by the City Council for the purposes of these proceedings. Accordingly, and pursuant to Section 53326 of the Act, the City Council finds that, for these proceedings, the qualified electors are the landowners within Improvement Area No. 1 and that the vote shall be by such landowners or their authorized representatives, each having one vote for each acre or portion thereof such landowner owns in Improvement Area No. 1 as of the close of the public hearings.
3. The City Council hereby calls a special election to consider the measures described in Section 1 above, which election shall be held on May 16, 2022, and the results thereof canvassed at the meeting of the City Council on May 16, 2022. The City Clerk is hereby designated as the official to conduct the election and to receive all ballots until 5:30 p.m. on the election date. It is hereby acknowledged that the City Clerk has on file the Resolution of Formation, a certified map of the boundaries of the CFD and Improvement Area No. 1, and a sufficient description to allow the City Clerk to determine the electors of the CFD. Pursuant to Section 53327 of the Act, the election shall be conducted by messenger or mail-delivered ballot pursuant to Section 4000 of the California Elections Code. The City Council hereby finds that paragraphs (a), (b), and (c) (1) of Section 4000 and Section 4108 are applicable to this special election, except that Sections 53326 and 53327 of the Act shall govern for purposes of determining the date of the election.
4. As authorized by Section 53353.5 of the Act, the three propositions described in Section 1 above shall be combined into a single ballot measure, the form of which is attached hereto as Exhibit A and by this reference incorporated herein and the form of ballot is hereby approved. The City Clerk is hereby authorized and directed to cause a ballot, in substantially the form of Exhibit A, to be delivered to each of the qualified electors of Improvement Area No. 1. Each ballot shall indicate the number of votes to be voted by the respective landowner to which the ballot pertains. Each ballot shall be accompanied by all supplies and written instructions necessary for the use and return of the ballot. The envelope to be used to return the ballot shall be enclosed with the ballot, have the return postage prepaid, and contain the following: (a) the name and address of the landowner, (b) a declaration, under penalty of perjury, stating that the voter is the owner of record or authorized representative of the landowner entitled to vote and is the person whose name appears on the envelope, (c) the printed name,

signature and address of the voter, (d) the date of signing and place of execution of the declaration pursuant to clause (b) above, and (e) a notice that the envelope contains an official ballot and is to be opened only by the election official.

5. The City Council hereby further finds that the provisions of Section 53326 of the Act requiring a minimum of 90 days following the adoption of the Resolution of Formation to elapse before the special election are for the protection of the qualified electors of Improvement Area No. 1. There is on file with the City Clerk a written waiver executed by all of the qualified electors of the CFD allowing for a shortening of the time for the special election to expedite the process of formation of the CFD and Improvement Area No. 1 and waiving any requirement for notice, analysis and arguments in connection with the election. Accordingly, the City Council finds and determines that the qualified electors have been fully apprised of and have agreed to the shortened time for the election and waiver of analysis and arguments, and have thereby been fully protected in these proceedings. The City Council also finds and determines that the City Clerk has concurred in the shortened time for the election. Analysis and arguments with respect to the ballot measures are hereby waived, as provided in Section 53327 of the Act
6. The City Council hereby finds that the proposed debt issuance constitutes a "local bond measure" within the meaning of Sections 53410, et seq. of the California Government Code. As a result, the bond measure shall include the propositions set forth above and the following: (a) the specific purpose of the bonds shall be as set forth in the propositions; (b) any proceeds received from the sale of any bonds shall be applied only to the purposes set forth in the propositions; (c) the proceeds of any bonds shall be deposited into special accounts to be created therefor as part of the issuance of the bonds; and (d) the City shall cause a report to be prepared annually under Section 53411 of the Government Code.

ITEM 10.1.

ATTACHMENT 5

7. Under Section 50075.1 of the Government Code, the following accountability provisions shall apply to the special taxes: (a) the provision and/or acquisition of the Facilities, the payment of debt service on the bonds and other debt and the incidental costs thereof, all as defined in the Resolution of Formation, shall constitute the specific single purpose; (b) the proceeds shall be applied only to the specific purposes identified in (a) above; (c) there shall be created special account(s) or funds(s) into which the proceeds shall be deposited; and (d) there shall be caused to be prepared an annual audit and report of the CFD.

EXHIBIT A - Form of Ballot

EXHIBIT A

**CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1
CITY OF RANCHO CORDOVA, SACRAMENTO COUNTY, CALIFORNIA**

**SPECIAL ELECTION BALLOT
(Mailed-Ballot Election)**

This ballot is for a special, landowner election for the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1. You must return this ballot in the enclosed postage paid envelope to the office of the City Clerk of the City **no later than the hour of 5:30 p.m. on May 16, 2022, either by mail or in person.** The City Clerk's office is located at 2729 Prospect Park Drive, Rancho Cordova, California 95670.

To vote, mark a cross (X) on the voting line after the word "YES" or after the word "NO." All marks otherwise made are forbidden. All distinguishing marks are forbidden and make the ballot void. If you wrongly mark, tear, or deface this ballot, return it to the City Clerk and obtain another.

The estimated amount of money to be raised annually by this measure is estimated to be \$938,498, based upon maximum special taxes of the CFD for fiscal year 2022-23, escalating each fiscal year thereafter, the rate and duration of the special tax is more specifically set forth in the rate and method of apportionment of special taxes for the CFD available from the City Clerk.

BALLOT MEASURE: Shall the measure pursuant to which (i) the City of Rancho Cordova will levy a special tax solely on lands within Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 ("Improvement Area No. 1") in accordance with the rate and method contained in the Resolution of Formation related to Improvement Area No. 1 adopted on May 16, 2022 ("Formation Resolution"), authorized to commence being levied in fiscal year 2022-23, to pay for the public facilities specified in the Formation Resolution and to pay the administrative costs of the City, (ii) the annual appropriations limit for Improvement Area No. 1 will be established in the amount of \$25,000,000, and (iii) the City will issue bonds and incur other debt ("bonds") for Improvement Area No. 1 up to the maximum aggregate principal amount of \$25,000,000, with interest at a rate or rates not to exceed the maximum interest rate permitted by law at the time of sale of each series of such bonds on behalf of Improvement Area No. 1, the proceeds of which bonds will be used to acquire and/or construct certain facilities and pay for the costs of issuing the bonds and related expenses, **be adopted?**

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO
CORDOVA, STATE OF CALIFORNIA, DECLARING ELECTION RESULTS OF
CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

WHEREAS, the City Council (the “City Council”) of the City of Rancho Cordova (the “City”) on May 16, 2022, adopted a resolution titled “A Resolution of the City Council of the City of Rancho Cordova to Form the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, Designate an Improvement Area and Future Annexation Area Therein and Authorize the Levy of Special Taxes in the District” (the “Resolution of Formation”), to (i) form “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “CFD”), (ii) designate therein “Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (“Improvement Area No. 1”), (iii) establish “City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (Future Annexation Area)” (the “Future Annexation Area”), (iv) authorize the levy of a special tax on property within Improvement Area No. 1 and (v) preliminarily establish an appropriations limit for Improvement Area No. 1, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, the City Council has also adopted on May 16, 2022 a resolution titled “A Resolution of the City Council of the City of Rancho Cordova Deeming it Necessary to Incur Bonded Indebtedness in City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (the “Resolution Determining Necessity”), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$50,000,000, initially allocated as follows: (i) \$25,000,000 for Improvement Area No. 1 upon the security of the special tax to be levied within Improvement Area No. 1 pursuant to the Act, and (ii) \$25,000,000 for the portion of the CFD that is not currently in Improvement Area No. 1 upon the security of the special tax to be levied within such area pursuant to the Act; and

WHEREAS, under the provisions of the Resolution of Formation and the Resolution Determining Necessity, and pursuant to a resolution entitled “A Resolution of the City of Rancho Cordova, State of California, Calling Special Election in City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1” (the “Election Resolution”) heretofore adopted by the City Council, the propositions of the levy of the special tax, the establishment of the appropriations limit and the incurring of the bonded indebtedness were submitted to the qualified electors of the CFD as required by the provisions of the Act; and

WHEREAS, pursuant to the terms of the Election Resolution, which are by this reference incorporated herein, the special election has been held and the City Clerk has on file a Canvass and Statement of Results of Election (the "Canvass"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, the City Council has reviewed the Canvass, finds it appropriate and wishes to complete its proceedings for the CFD;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, AS FOLLOWS:

1. The foregoing recitals are all true and correct.
2. The issues presented at the special election were the levy of a special tax within the CFD, the incurring of a bonded indebtedness in the maximum aggregate principal amount of \$50,000,000, initially allocated as follows: (i) \$25,000,000 for Improvement Area No. 1 upon the security of the special tax to be levied within Improvement Area No. 1 pursuant to the Act, and (ii) \$25,000,000 for the portion of the CFD that is not currently in Improvement Area No. 1, all pursuant to the Resolution of Formation and the Resolution Determining Necessity.
3. The Council hereby approves the Canvass and finds that it shall be a permanent part of the record of its proceedings for the CFD, Improvement Area No. 1 and Future Annexation Area. Pursuant to the Canvass, the issues presented at the special election were approved by the qualified electors of the Improvement Area No. 1 by more than two-thirds (2/3) of the votes cast at the special election.
4. Pursuant to the voter approval, the CFD and Improvement Area No. 1 are hereby declared to be fully formed with the authority to levy the special taxes, to incur the approved bonded indebtedness and to have the established appropriations limit, all as heretofore provided in these proceedings and in the Act. It is hereby found that all prior proceedings and actions taken by the City Council with respect to the CFD and Improvement Area No. 1 were valid and in conformity with the Act.

5. The City Council declares that the special tax is lawfully authorized, and that the subject property within the District is subject to the special tax, and directs the City Clerk to complete, execute and cause a Notice of Special Tax Lien with respect to the property to be recorded in the office of the County Recorder of the County of Sacramento in the form required by the Act, such recording to occur no later than 15 days following adoption by the City Council of this resolution. Parcels within the Future Annexation Area annexed to the District by Unanimous Approval (as described in the Resolution of Formation) shall be subject to the special tax as provided in the Unanimous Approval, and the City Council further directs the City Clerk to complete, execute and cause a Notice of Special Tax Lien with respect to the annexed property upon receipt of the Unanimous Approval, to be recorded in the office of the County Recorder of the County of Sacramento in the form required by the Act, and special taxes may thereafter be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this City Council.

**CERTIFICATE OF CITY CLERK
RE: ELECTION RESULTS**

**CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

I, the undersigned City Clerk of the City of Rancho Cordova (the "City") hereby certify:

I have personally received and assembled all ballots eligible to be cast in the special mailed-ballot, landowner election called by the City Council in its "A Resolution of the City Council of the City of Rancho Cordova, State of California, Calling Special Election in City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1" adopted _____, 2022, and in accordance with my instructions contained in that Resolution, I hereby declare the election closed.

I personally, in the presence of the City Council, and members of the public and City staff, counted the ballots and certify the result of that count to be as follows:

BALLOT MEASURE: **Shall the measure** pursuant to which (i) the City of Rancho Cordova will levy a special tax solely on lands within Improvement Area No. 1 of the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 ("Improvement Area No. 1") in accordance with the rate and method contained in the Resolution of Formation related to Improvement Area No. 1 adopted on May 16, 2022 ("Formation Resolution"), authorized to commence being levied in fiscal year 2022-23, to pay for the public facilities specified in the Formation Resolution and to pay the administrative costs of the City, (ii) the annual appropriations limit for Improvement Area No. 1 will be established in the amount of \$25,000,000, and (iii) the City will issue bonds and incur other debt ("bonds") for Improvement Area No. 1 up to the maximum aggregate principal amount of \$25,000,000, with interest at a rate or rates not to exceed the maximum interest rate permitted by law at the time of sale of each series of such bonds on behalf of Improvement Area No. 1, the proceeds of which bonds will be used to acquire and/or construct certain facilities and pay for the costs of issuing the bonds and related expenses, **be adopted?**

CITY COUNCIL OF THE CITY OF RANCHO CORDOVA**ORDINANCE NO. XX-2022****ORDINANCE OF THE CITY COUNCIL
OF THE CITY OF RANCHO CORDOVA LEVYING A SPECIAL TAX WITHIN
CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

The City of Rancho Cordova (the "City") ordains:

1. Pursuant to Government Code Sections 53328 and 53340, and in accordance with the Rate and Method of Apportionment of Special Tax (the "Special Tax Formula") as shown in Exhibit C to a resolution titled "A Resolution of the City Council of the City of Rancho Cordova to Form the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, Designate an Improvement Area and Future Annexation Area Therein and Authorize the Levy of Special Taxes in the District" ("Resolution of Formation") adopted by this City Council on May 16, 2022, a special tax is hereby levied on all taxable parcels within City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the "District") for the 2022-23 tax year and for all subsequent years of the authority to levy this special tax.

Parcels within the Future Annexation Area which are annexed to the District by Unanimous Approval (as described in the Resolution of Formation) shall be subject to the special tax as provided in the Unanimous Approval, and the City Council ordains that a special tax shall thereafter be levied on all taxable parcels within such property annexed to the District for the for tax year during which the property is annexed and for all subsequent years of the authority to levy the special tax within the annexed area.

2. The Administrative Services Director of the City is directed, with the aid of the appropriate officers and agents of the City, to implement the provisions of the Special Tax Formula and to prepare each year, without further action of this City Council, the special tax roll for the District and to provide as necessary information to the Sacramento County Auditor in the form, and in the proper time, necessary to effect the proper billing and collection of the special tax on the secured property tax roll of the County, which may include a billing of the special tax for fiscal year 2022-23 without regard to the timing of the issuance of bonds for the District and the circumstance that bonds are not issued as of the date of submission to the County for billing; alternatively, pursuant to the Resolution of Formation, the special tax for fiscal year 2022-23 and subsequent years may, at the option of the City, be billed directly to owners of property in the District by the Administrative Services Director of the City or other official of the City and need not be collected on the County secured property tax roll.

3. The appropriate officers and agents of the City and of the County of Sacramento are authorized to make adjustments to the special tax roll prior to the final

ITEM 10.1.

ATTACHMENT 7

posting of the special taxes to the County tax roll each year, as may be necessary to achieve a correct match of the special tax levy with the assessor's parcel numbers finally utilized by the County in sending out property tax bills.

4. The City agrees that the County of Sacramento may deduct its reasonable and agreed charges for collecting the special tax from the amounts collected, prior to remitting the balance of the special tax collections to the City.

5. If for any cause any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel by a court of competent jurisdiction, the balance of this ordinance, and the application of the special tax to the remaining parcels, shall not be affected.

6. The Mayor shall sign this Ordinance and the City Clerk shall cause the same to be published within fifteen (15) days after its passage at least once in a newspaper of general circulation published and circulated in the City.

7. This ordinance shall go into effect on the earliest day allowable by law.

ORDER OF PROCEEDINGS FOR HEARINGS AND ACTIONS

1. The Mayor makes opening remarks to the following effect:

“This is the time and place for the public hearings in this Council's proceedings for City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1. The hearings are to inquire into the formation of the District, the levy of special taxes in the District and the need to incur bonded indebtedness in the District.

“Before I formally open the hearings, are there any property owners or registered voters in the District who wish to file written protests? If so, they must be filed with the City Clerk now.

[Pause to see if there are any protests.]

2. The Mayor Opens the hearings

- a) Time for comments, questions and protests from audience.

3. The Mayor Closes the hearings.

- a) Time for City Council questions.

4. The City Council considers and takes the following action on the first three resolutions:

- a) ADOPTION OF: Resolution of Formation of Community Facilities District;
- b) ADOPTION OF: Resolution Determining the Necessity to Incur Bonded Indebtedness Within Community Facilities District; and
- c) ADOPTION OF: Resolution Calling Special Election

5. The Mayor call for the election results with remarks to the following effect:

“At this time, I ask the City Clerk to open the ballot(s) and announce the results of the election.”

[Pause for opening of ballot(s).]

6. The City Clerk opens the ballot(s) and announces the results of the election with remarks to the following effect:

“I have received 100% of the ballots and they have passed by more than 2/3rds of the vote.”

7. The City Clerk then completes one copy of the Certificate of City Clerk Re: Election Results

8. The Mayor then announces:

“The results of the election being unanimously in favor of the levy of the special taxes, the establishment of the appropriations limit and the incurring of bonded indebtedness, we may now proceed with the final actions for the District.”

9. The City Council considers and takes the following actions:

(a) *ADOPTION OF:* Resolution Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien

(b) *WAIVE FIRST READING AND INTRODUCE:* Ordinance of the City Council of the City of Rancho Cordova Levying Special Taxes within City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1

END OF ITEM

**CERTIFICATE OF CITY CLERK
RE: WAIVER (OF CERTAIN ELECTION REQUIREMENTS) AND CONSENT**

**CITY OF RANCHO CORDOVA

NOTICE OF SPECIAL TAX LIEN

IMPROVEMENT AREA NO. 1 OF THE
CITY OF RANCHO CORDOVA
ARISTA DEL SOL
COMMUNITY FACILITIES DISTRICT NO. 2022-1
COUNTY OF SACRAMENTO, STATE OF CALIFORNIA

Pursuant to the requirements of Section 3114.5 of the Streets and Highways Code and Section 53324 of the Government Code, the undersigned, City Clerk of the City of Rancho Cordova, hereby gives notice that a lien to secure payment of a special tax which the City Council of the City of Rancho Cordova, County of Sacramento, State of California is authorized to levy is hereby imposed. The special tax secured by this lien is authorized to be levied for the purpose of paying for the facilities described in **Exhibit A** attached hereto including paying principal and interest on bonds, the proceeds of which are being used to finance those facilities, and including incidental expenses incurred and to be incurred in connection with the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2021-1 and the issuance of bonds.

The special tax is authorized to be levied within City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, which has now been officially formed and the lien of the special tax is a continuing lien which shall secure each annual levy of the special tax and which shall continue in force and effect until the special tax obligation is prepaid, permanently satisfied, and canceled in accordance with law, or until the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with Section 53330.5 of the Government Code.

The rate, method of apportionment, and manner of collection of the authorized special tax is shown on **Exhibit B** attached hereto. Conditions under which the obligation to pay the special tax may be prepaid and permanently satisfied and the lien of the special tax canceled are as set forth in Section H of Exhibit B attached hereto.

Notice is further given that upon the recording of this notice in the office of the county recorder, the obligation to pay the special tax levy shall become a lien upon all nonexempt real property within City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, in accordance with Section 3115.5 of the Streets and Highways Code.

ITEM 10.1.

ATTACHMENT 10

The name of the owners and the assessor's tax parcel numbers of the real property included within this community facilities district and not exempt from the special tax is set forth on **Exhibit C** hereto. Due to recent transfers, the ownership of such property as of the date of recording this notice may be different than what appears on the latest secured assessment roll as of such date. In connection with the recent changes in ownership, the property has been remapped and new Assessor's Parcel numbers will be assigned in the future and were not available as of the date of recording this notice. The listing in Exhibit C reflects Assessor's parcel numbers which existed as of the date of recording of this notice.

Reference is made to the Boundary Map of the community facilities district recorded on January 28, 2022, in the office of the County Recorder of the County of Sacramento as document number 022201280698 on Page 8 in Book 136 of the Maps of Assessment and Community Facilities District, which map is now the final boundary map of the community facilities district.

For further information concerning the current and estimated future tax liability of owners or purchasers of real property subject to this special tax lien, interested persons should contact the Administrative Services Director, City of Rancho Cordova, 2729 Prospect Park Drive, Rancho Cordova, CA 95670.

**CITY OF RANCHO CORDOVA
ARISTA DEL SOL
COMMUNITY FACILITIES DISTRICT NO. 2022-1**

INTRODUCTION

The City Council (the “City Council”) of the City of Rancho Cordova (the “City”) did, pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982 (the “Law”), on January 3, 2022, adopt a resolution entitled, “A Resolution of Intention of the City Council of the City of Rancho Cordova to Form Arista Del Sol Community Facilities District No. 2022-1, Designate an Initial Improvement Area Therein and Establish A Future Annexation Area, and to Levy Special Taxes Therein to Finance the Acquisition and Construction Of Certain Public Facilities in and for Such Community Facilities District” (the “Resolution of Intention”). In the Resolution of Intention, the City Council expressly ordered the preparation of a written Community Facilities District Report (the “Report”) for the proposed City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “CFD”).

The Resolution of Intention ordering the Report did direct that the Report generally contain the following:

(a) A brief description of the facilities (the “Facilities”) by type which will be required to adequately meet the needs of the CFD.

(b) An estimate of the fair and reasonable cost of the Facilities including the cost of acquisition of lands, rights-of-way and easements, any physical facilities required in conjunction therewith and incidental expenses in connection therewith, including the costs of the proposed bond financing and all other related costs as provided in Section 53345.3 of the Act.

For particulars, reference is made to the Resolution of Intention for the CFD, as previously approved and adopted by the City Council.

NOW, THEREFORE, the following data is submitted pursuant to the direction of the City Council:

A. DESCRIPTION OF FACILITIES. A general description of the proposed Facilities and incidental expenses thereto is provided in Exhibit “A” attached hereto and hereby made a part hereof.

B. COST ESTIMATES. Cost estimates for the Facilities are set forth in Exhibit “B” attached hereto and hereby made a part hereof.

C. PROPOSED BOUNDARIES OF THE COMMUNITY FACILITIES DISTRICT. The proposed boundaries of the CFD are those properties and parcels on which special taxes may be levied to pay for the Facilities. The initial CFD boundaries include a portion of the Arista Del Sol project that is designated as Improvement Area No. 1. The remainder of the project is designated as Future Annexation Area and is expected to annex into the

CFD, either as part of Improvement Area No. 1 or as a separate improvement area. The proposed boundaries of the CFD and Improvement Area No. 1, as well as the Future Annexation Area, are identified in the map entitled “Proposed Boundaries of City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 County of Sacramento, State of California” (the “CFD Boundary Map”), which has been recorded as document number 202201280698 on Page 8 in Book 136 of Maps of Assessment and Community Facilities Districts in the office of the County Recorder for the County of Sacramento.

D. RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX. All of the property within the CFD boundaries, unless exempted by law or by the Rate and Method of Apportionment of Special Tax (the “RMA”), shall be taxed for the purpose of financing the Facilities. The City will annually determine the actual amount of the special tax levy based on the method and subject to the Maximum Special Tax rates contained in the RMA. The RMA is provided in Exhibit “C” attached hereto and hereby made a part hereof.

E. ISSUANCE OF BONDS. At the time of CFD formation, it was anticipated that Facilities would be funded from the proceeds of multiple tax-exempt bond issues, although the amount and timing of such issues will depend on the value of property within the CFD, the timing of absorption of land uses, and other factors. Based on land uses anticipated at buildout of the Arista Del Sol project, including within both the CFD boundaries and the future annexation area, it is estimated that approximately \$26 million in net construction proceeds will be generated for Facilities. Of that total, approximately \$13 million can be funded by land uses expected within Improvement Area No. 1. Each time properties annex into the CFD, the net proceeds will increase based on the added special tax capacity generated from the annexed properties.

EXHIBIT A

**CITY OF RANCHO CORDOVA
ARISTA DEL SOL
COMMUNITY FACILITIES DISTRICT NO. 2022-1**

DESCRIPTION OF FACILITIES TO BE FINANCED BY THE CFD

The Facilities shown below are to be financed by the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the, "CFD").

Facilities. The Facilities which are proposed to be financed with the proceeds of the sales of bonds of the proposed CFD, or the payment of the fees to the appropriate jurisdiction with respect to such facilities proposed to be financed with the proceeds of the sale of bonds of the proposed CFD, are generally described as follows:

- P-1 Park Improvements
- R-1 Chrysanthy Blvd Improvements
- R-2 Americanos Blvd Improvements
- R-3 In-tract Improvements for development within the CFD

Impact, Development Agreement and Specific Plan Fees for Facilities

- I-1 Transportation Impact Fee
- I-2 Sunrise Douglas Community Plan Roadway Impact Fee
- I-3 City Supplemental Transportation Fee
- I-4 Park Renovation Fee
- I-5 Sunrise Douglas Park Fee
- I-6 Sacramento County Water Agency Zone 40 Water Fee

Other

- O-1 Any other facilities serving substantially the same purpose as the above described facilities.
- O-2 Any other facilities permitted under the Mello-Roos Community Facilities Act of 1982, including the facilities described in Section 53313.5 of the California Government Code, as amended from time to time, provided that such facilities satisfy at least one of the following criteria: 1) augment, improve or expand existing District facilities that are primarily for the benefit of the District, or 2) repair or rehabilitate existing District facilities.

The foregoing description of the type of Facilities eligible to be financed is general in nature and includes any appurtenant work and incidental expenses related to the

Facilities. The final nature and location of the facilities will be determined upon the preparation of final plans and specifications for such facilities.

Incidentals. The bond related expenses authorized include the City, underwriters discount, financial advisor, appraisals, reserve fund balance, capitalized interest, bond counsel, disclosure counsel, special tax consultant, bond and official statement printing and all other incidental expenses.

CFD Formation Costs and administrative fees include those of the City, the CFD, the bond trustee or fiscal agent, the special tax consultant and other costs related to the CFD or the Bonds.

EXHIBIT B

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

**IMPROVEMENT AREA NO. 1 OF THE
CITY OF RANCHO CORDOVA
ARISTA DEL SOL
COMMUNITY FACILITIES DISTRICT NO. 2022-1**

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A Special Tax applicable to each Assessor's Parcel in Improvement Area No. 1 of the City of Rancho Cordova Arista del Sol Community Facilities District No. 2022-1 shall be levied and collected according to the tax liability determined by the City Council through the application of the appropriate amount or rate for Taxable Property, as described below. All of the property in Improvement Area No. 1, unless exempted by law or by the provisions of Section G below, shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to Improvement Area No. 1 unless a separate Rate and Method of Apportionment is adopted for the annexation area.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

“Acre” or “Acreage” means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable Final Map or other parcel map recorded at the County Recorder's Office.

“Act” means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, (commencing with Section 53311), Part 1, Division 2 of Title 5 of the Government Code of the State of California.

“Administrative Expenses” means any or all of the following: the fees and expenses of any fiscal agent or trustee (including any fees or expenses of its counsel) employed in connection with any Bonds, and the expenses of the City in carrying out its duties with respect to Improvement Area No. 1, the CFD and the Bonds, including, but not limited to, the levy and collection of Special Taxes, the fees and expenses of its counsel, charges levied by the County in connection with the levy and collection of Special Taxes, costs related to property owner inquiries regarding the Special Tax, costs associated with appeals or requests for interpretation associated with the Special Tax and this RMA, amounts needed to pay rebate to the federal government with respect to Bonds, costs associated with complying with continuing disclosure requirements for the City and any major property owners or other obligated parties, costs associated with foreclosure and collection of delinquent Special Taxes, and all other costs and expenses of the City and County in any way related to the establishment or administration of Improvement Area No. 1 and the CFD.

“Administrator” shall mean the person or firm designated by the City to administer the Special Tax according to this RMA.

“Assessor's Parcel” or “Parcel” means a lot or parcel shown on an Assessor's Parcel Map with an assigned Assessor's Parcel number.

“Assessor’s Parcel Map” means an official map of the County Assessor designating Parcels by Assessor’s Parcel Number.

“Authorized Facilities” means the public facilities authorized to be financed, in whole or in part, by the CFD.

“Base Special Tax” means, for any Land Use Category, the applicable Special Tax initially identified in Table 1 in Section C, as may be adjusted pursuant to Sections D or H herein.

“Bonds” means bonds or other debt (as defined in the Act), whether in one or more series, secured by the Special Tax and issued or assumed by or for Improvement Area No. 1 to fund Authorized Facilities.

“Building Permit” means a permit that allows for vertical construction of a building or buildings, which shall not include a separate permit issued for construction of the foundation thereof.

“Capitalized Interest” means funds in any capitalized interest account available to pay debt service on Bonds.

“CFD” means the City of Rancho Cordova Arista del Sol Community Facilities District No. 2022-1.

“CFD Formation” means the date on which the Resolution of Formation to form the CFD and Improvement Area No. 1 was adopted by the City Council.

“City” means the City of Rancho Cordova.

“City Council” means the City Council of the City of Rancho Cordova.

“County” means the County of Sacramento.

“Developed Property” means, in any Fiscal Year, all Parcels of Taxable Property that are not Taxable Owners Association Property, Taxable Public Property, or Taxable Welfare Exemption Property for which a Building Permit for new construction was issued prior to June 1 of the preceding Fiscal Year.

“Development Class” means, individually, Developed Property, Final Map Property, Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property.

“Expected Land Uses” means the number of Residential Units and the Acreage of Other Property expected within Improvement Area No. 1 at CFD Formation, as identified in Attachments 1 and 2 of this RMA. Pursuant to Section D of this RMA, the Administrator shall update Attachment 2 each time there is a Land Use Change. Such update(s) shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

“Expected Maximum Special Tax Revenues” means the aggregate Special Tax that can be levied based on application of the Base Special Tax to the Expected Land Uses. The Expected Maximum Special Tax Revenues at CFD Formation are shown in Attachment 2 and may be revised pursuant to Sections D or H herein. Such update(s) will be maintained internally by the Administrator and will not require recordation of an amended RMA.

“Final Map” means a final map, or portion thereof, approved by the City or County pursuant to the Subdivision Map Act (California Government Code Section 66410 *et seq*) that creates SFD Lots. The term “Final Map” shall not include any large-lot subdivision map, Assessor’s Parcel Map, or subdivision map or portion thereof, that does not create SFD Lots, including Assessor’s Parcels that are designated as remainder parcels.

“Final Map Property” means, in any Fiscal Year, all SFD Lots created within Final Maps that had recorded prior to June 30 of the preceding Fiscal Year and which have not yet become Developed Property.

“First Bond Sale” means issuance of the first series of Bonds secured, in whole or in part, by Special Taxes levied and collected from Parcels in Improvement Area No. 1.

“Fiscal Year” means the period starting July 1 and ending on the following June 30.

“Improvement Area No. 1” means Improvement Area No. 1 of the CFD.

“Improvement Fund” means the account (regardless of its name) identified in the Indenture to hold funds that are available for expenditure to acquire or construct Authorized Facilities.

“Indenture” means the bond indenture, fiscal agent agreement, trust agreement, resolution or other instrument pursuant to which Bonds are issued, as modified, amended, and/or supplemented from time to time, and any instrument replacing or supplementing the same.

“Land Use Category” means the categories of land use identified in Table 1 in Section C below.

“Land Use Change” means a proposed or approved change to the Expected Land Uses after CFD Formation, including changes to the Lot Category designation for SFD Lots.

“Lot Category” means, individually, Lot Category A, Lot Category B, and Lot Category C.

“Lot Category A” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 40’x105’ was anticipated at CFD Formation, as identified in Attachment 1 hereto. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Lot Category B” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 45’x105’ was anticipated at CFD Formation, as identified in Attachment 1. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Lot Category C” applies to SFD Lots within the portion of Improvement Area No. 1 in which an average lot size of 55’x105’ was anticipated at CFD Formation, as identified in Attachment 1 hereto. Changes to such designation shall be considered a Land Use Change, and the Administrator shall apply Section D herein each time such a Land Use Change occurs.

“Maximum Special Tax” means the greatest amount of Special Tax that can be levied on a Parcel in any Fiscal Year, as determined in accordance with Sections C and D below.

“Other Property” means any Parcel of Developed Property in Improvement Area No. 1 that does not fit within the definition of Single Family Attached Property or Single Family Detached Property.

“Owners Association” means a homeowners association or property owners association that provides services to, and collects assessments, fees, dues, or charges from, property within Improvement Area No. 1.

“Owners Association Property” means any property within the boundaries of Improvement Area No. 1 that is owned in fee or by easement by an Owners Association, not including any such property that is located directly under a residential structure.

“Proportionately” means, for each Development Class, that the ratio of the actual Special Tax levied in any Fiscal Year to the Maximum Special Tax authorized to be levied in that Fiscal Year is equal for all parcels assigned to the Development Class.

“Public Property” means any property within the boundaries of Improvement Area No. 1 that is owned by the City, federal government, State of California or other public agency.

“Required Coverage” means the amount by which the Expected Maximum Special Tax Revenues must exceed the Bond debt service and priority Administrative Expenses (if any), as set forth in the Indenture, Certificate of Special Tax Consultant, or other formation or bond document that identifies the minimum required debt service coverage.

“Residential Unit” means an SFD Unit or an individual residential unit within a duplex, halfplex, triplex, fourplex, townhome, live/work or condominium structure. A second unit (granny flat) that shares a Parcel with an SFD Unit will not be considered a Residential Unit for purposes of levying the Special Tax.

“RMA” means this Rate and Method of Apportionment of Special Tax.

“SFA Unit” means an individual Residential Unit on a Parcel of Single Family Attached Property.

“SFD Lot” means an individual residential lot, identified and numbered on a recorded Final Map, on which a Building Permit has been or is permitted to be issued for construction of an SFD Unit without further subdivision of the lot and for which no further subdivision of the lot is anticipated pursuant to an approved Tentative Map.

“SFD Unit” means a residential unit that does not share a common wall with another residential unit.

“Single Family Attached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a Building Permit was issued for construction of a residential structure consisting of two or more Residential Units that share common walls, have separate Assessor’s Parcel numbers assigned to them (except for a duplex unit, which may share a Parcel with another duplex unit), and may be purchased by individual homebuyers (which shall still be the case even if the Residential Units are purchased and subsequently offered for rent by the owner), including such residential structures that meet the statutory definition of a condominium contained in Civil Code Section 4125.

“Single Family Detached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a Building Permit was issued for construction of an SFD Unit.

“Special Tax” means a special tax levied in any Fiscal Year to pay the Special Tax Requirement.

“Special Tax Requirement” means the amount necessary in any Fiscal Year to: (i) pay principal and interest on Bonds that are due in the calendar year that begins in such Fiscal Year; (ii) pay periodic costs on the Bonds, including but not limited to, credit enhancement, liquidity support and rebate payments on the Bonds; (iii) replenish reserve funds created for the Bonds under the Indenture to the extent such replenishment has not been included in the computation of the Special Tax Requirement in a previous Fiscal Year; (iv) cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year or, based on prior delinquencies, are expected to occur in the current Fiscal Year; (v) pay Administrative Expenses; and (vi) pay directly for Authorized Facilities, so long as such levy under this clause (vi) does not increase the Special Tax levied on Final Map Property or Undeveloped Property. The amounts referred to in clauses (i) and (ii) of the definition of Special Tax Requirement may be reduced in any Fiscal Year by: (a) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against such costs pursuant to the Indenture; (b) in the sole and absolute discretion of the City, proceeds received by the CFD from the collection of penalties associated with delinquent Special Taxes; and (c) any other revenues available to pay such costs, each as determined in the sole discretion of the City.

“Taxable Owners Association Property” means, in any Fiscal Year after the First Bond Sale, any Parcel of Owners Association Property that satisfies all three of the following conditions: (i) the Parcel had not been Owners Association Property on the date of the First Bond Sale, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D below), the Parcel was not anticipated to be Owners Association Property as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Special Tax because it is Owners Association Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Taxable Property” means all of the Parcels within the boundaries of Improvement Area No. 1 that are not exempt from the Special Tax pursuant to law or Section G below.

“Taxable Public Property” means in any Fiscal Year after the First Bond Sale, any Parcel of Public Property that satisfies all three of the following conditions: (i) the Parcel had not been Public Property on the date of the First Bond Sale, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D below), the Parcel was not anticipated to be Public Property as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Special Tax because it is Public Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Taxable Welfare Exemption Property” means in any Fiscal Year after the First Bond Sale, any Parcel of Welfare Exemption Property that satisfies all three of the following conditions: (i) the Parcel had not been Welfare Exemption Property on the date of issuance of the First Bond Sale; (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D herein), the Parcel was not anticipated to be Welfare Exemption Property based on the Expected Land Uses, as determined by the Administrator; and (iii) if the Parcel were to be exempt from the Special Tax because it has become Welfare Exemption Property, the Expected Maximum Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

“Tentative Map” means a tentative map or substantial conformance exhibit for property in Improvement Area No. 1, including any adjustments or amendments thereto.

“Undeveloped Property” means, in any Fiscal Year, all Parcels of Taxable Property that are not Final Map Property, Developed Property, Taxable Owners Association Property, Taxable Public Property, or Taxable Welfare Exemption Property.

“Welfare Exemption Property” means, in any Fiscal Year, any Parcels in the CFD that have received a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code and for which such welfare exemption is still in place.

B. DATA FOR ADMINISTRATION OF THE SPECIAL TAX

Each Fiscal Year, the Administrator shall: (i) assign each Parcel of Taxable Property to the appropriate Development Class, (ii) for Developed Property, categorize each Parcel as Single Family Detached Property, Single Family Attached Property, or Other Property; (iii) for Single Family Detached Property, determine the Lot Category for each SFD Lot; (iv) for Single Family Attached Property, determine the number of SFA Units on each Parcel; (v) for Other Property, determine the Acreage of each Parcel; and (vi) determine the Special Tax Requirement for the Fiscal Year. In addition, the Administrator shall, on an ongoing basis, monitor the Tentative Map, Final Maps, and Building Permits to determine if there are any proposed Land Use Changes that would change the Expected Maximum Special Tax Revenues. If the Expected Maximum Special Tax Revenues will be revised pursuant to a proposed Land Use Change, the Administrator shall apply the steps set forth in Section D below.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in Improvement Area No. 1 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new

Parcels created by the parcel map, and (iii) one or more of the newly-created Parcels is in a different Development Class and/or Land Use Category than other Parcels created by the subdivision, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that apply separately to the property within each Development Class and/or Land Use Category, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

C. MAXIMUM SPECIAL TAX

1. Developed Property and Final Map Property

The Maximum Special Tax for a Parcel of Developed Property or Final Map Property is the greater of (i) the Base Special Tax set forth in Table 1 below, or, (ii) the Maximum Special Tax determined pursuant to Section D.

**Table 1
Base Special Tax
Developed Property and Final Map Property**

Land Use	Base Special Tax Fiscal Year 2021-22 *
Single Family <u>Detached Property</u> Lot Category A Lot Category B Lot Category C	\$1,752 per Residential Unit or SFD Lot \$2,528 per Residential Unit or SFD Lot \$3,264 per Residential Unit or SFD Lot
Single Family Attached Property	\$1,752 per Residential Unit
Other Property	\$25,401 per Acre

*** On July 1, 2022, and on each July 1 thereafter, all figures shown in Table 1 above shall be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.**

2. Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property

The Maximum Special Tax for Undeveloped Property, Taxable Owners Association Property, Taxable Public Property, and Taxable Welfare Exemption Property is \$25,401 per Acre for Fiscal Year 2021-22, which amount shall increase on July 1, 2022 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.

D. CHANGES TO THE MAXIMUM SPECIAL TAX**1. *Land Use Changes***

The Expected Maximum Special Tax Revenues shown in Attachment 2 were originally calculated based on the Expected Land Uses at CFD Formation. Attachment 2 is subject to modification upon the occurrence of Land Use Changes, as described below. The Administrator shall review all Land Use Changes and compare the revised land uses to the Expected Land Uses to evaluate the impact on the Expected Maximum Special Tax Revenues.

Prior to the First Bond Sale, if a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Special Tax Revenues, no action will be needed pursuant to this Section D. Upon approval of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues.

After the First Bond Sale, if a Land Use Change is proposed or identified, Steps 1 through 3 must be applied:

- Step 1:** By reference to Attachment 2 (which shall be updated by the Administrator each time a Land Use Change has been processed according to this Section D or a prepayment has been made), the Administrator shall identify the Expected Maximum Special Tax Revenues prior to the Land Use Change.
- Step 2:** The Administrator shall calculate the Expected Maximum Special Tax Revenues that could be collected from Taxable Property in Improvement Area No. 1 after the Land Use Change based on application of the Base Special Taxes from Table 1.
- Step 3:** If the revenues calculated in Step 2 are (i) higher than those determined in Step 1 or (ii) less than those calculated in Step 1, but the reduction in Expected Maximum Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below Required Coverage, no further action is needed, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues.

If the revenues calculated in Step 2 are less than those calculated in Step 1, and the Administrator determines that the reduction in Expected Maximum Special Tax Revenues would reduce debt service coverage on outstanding Bonds below the Required Coverage, one of the following shall occur:

3.a. The landowner requesting the Land Use Change (the “Requesting Landowner”) may make a prepayment in an amount that will ensure that the reduced Expected Maximum Special Tax Revenues are sufficient to provide Required Coverage, as determined pursuant to Section H below. If the Requesting Landowner notifies the Administrator that he/she would like to remedy the reduction by making a prepayment, such prepayment must be made by the earlier of (i) 30 days from the date of delivery of the prepayment

estimate or (ii) the date of issuance of any Building Permits for any Parcel owned by the Requesting Landowner that was Final Map Property or Undeveloped Property at the time the Administrator prepared the prepayment estimate, **or**

3.b. If a prepayment is not received by the due date specified above, the Base Special Tax used to determine the Maximum Special Tax for each Parcel of Taxable Property in the area affected by the Land Use Change shall be increased proportionately until the Expected Maximum Special Tax Revenues are sufficient to maintain Required Coverage.

Pursuant to this Section D.3, the Administrator may from time to time update Attachment 2 to reflect revised Expected Maximum Special Tax Revenues. Such update shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

If multiple Land Use Changes are proposed simultaneously by a single landowner (which may include approval of multiple Final Maps at one time), and the landowner requests that the impact of two or more of the Land Use Changes be considered together, the Administrator shall consider the combined effect of the Land Use Changes to determine if there is a reduction in Expected Maximum Special Tax Revenues. If there is a reduction that would reduce debt service coverage below the Required Coverage, and no prepayment has been received, then the Base Special Tax used to determine the Maximum Special Tax for each Parcel of Taxable Property in the areas affected by the Land Use Changes shall be increased proportionately until the aggregate amount that can be levied within such areas is equal to the amount that could have been levied prior to the proposed Land Use Changes. If Land Use Changes are proposed simultaneously by multiple landowners, or if an individual landowner proposing multiple Land Use Changes does not request that such Land Use Changes be considered together, the Administrator shall consider the proposed Land Use Changes individually.

Notwithstanding the foregoing, once a certificate of occupancy has been issued for a Residential Unit on a Parcel, the Maximum Special Tax for the Parcel cannot be increased because of subsequent Land Use Changes that may occur within the area in which the Parcel is located.

The duties imposed on the Administrator pursuant to this Section D to review Land Use Changes, and to review Final Maps and make certain calculations, are intended only to facilitate the administration of the Special Tax and to better assure the sufficiency of tax capacity to pay debt service on Bonds. Such duties are not intended to give any developer, subdivider, or owner of property the right to receive notice of the potential impact of Land Use Changes on the Special Tax applicable to a Parcel; and each developer, subdivider, or owner of property whose property is the subject of a Land Use Change shall be responsible for understanding the impact thereof on the Special Tax applicable to such property.

2. *Partial Prepayments*

If an owner of a Parcel makes a prepayment pursuant to Section H below, the Administrator shall recalculate the Maximum Special Tax for the Parcel pursuant to Section H.2. In addition, the Administrator shall update Attachment 2 to reflect the prepayment and the revised Expected Maximum Special Tax Revenues for Improvement Area No. 1. After the prepayment has been

received, the application of Sections D and H of this RMA shall be based on the adjusted Expected Maximum Special Tax Revenues after the prepayment.

3. *Conversion of a Parcel of Public Property to Private Use*

If, in any Fiscal Year, a Parcel of Public Property is converted to private use, such Parcel shall be subject to the levy of the Special Tax. The Maximum Special Tax for each such Parcel shall be determined based on the applicable Base Special Tax for the Parcel, as determined by the Administrator. In addition, the Administrator shall update Attachment 2 to reflect the conversion and the revised Expected Maximum Special Tax Revenues for Improvement Area No. 1.

E. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement to be collected in that Fiscal Year. A Special Tax shall then be levied according to the following steps:

- Step 1:** The Special Tax shall be levied Proportionately on each Parcel of Developed Property up to 100% of the Maximum Special Tax for each Parcel of Developed Property until the amount levied is equal to the Special Tax Requirement prior to applying any Capitalized Interest that is available in the CFD accounts.
- Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Final Map Property up to 100% of the Maximum Special Tax for each Parcel of Final Map Property until the amount levied is equal to the Special Tax Requirement.
- Step 3:** If additional revenue is needed after Step 2, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for each Parcel of Undeveloped Property until the amount levied is equal to the Special Tax Requirement.
- Step 4:** If additional revenue is needed after Step 3, the Special Tax shall be levied Proportionately on each Parcel of Taxable Welfare Exemption Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Welfare Exemption Property for such Fiscal Year until the amount levied is equal to the Special Tax Requirement.
- Step 5:** If additional revenue is needed after Step 4, the Special Tax shall be levied Proportionately on each Parcel of Taxable Owners Association Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Owners Association Property until the amount levied is equal to the Special Tax Requirement.
- Step 6:** If additional revenue is needed after Step 5, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property, up to 100% of the

Maximum Special Tax for each Parcel of Taxable Public Property until the amount levied is equal to the Special Tax Requirement.

F. MANNER OF COLLECTION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section H below and provided further that the City may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid. However, in no event shall Special Taxes be levied after Fiscal Year 2062-63. Under no circumstances may the Special Tax on a Parcel of Developed Property in residential use be increased in any Fiscal Year as a consequence of delinquency or default in payment of the Special Tax levied on another Parcel or Parcels by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults.

G. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied in any Fiscal Year on the following:

- (1) Public Property, except Taxable Public Property.
- (2) Owners Association Property, except Taxable Owners Association Property.
- (3) Welfare Exemption Property, except Taxable Welfare Exemption Property.
- (4) Parcels that are owned by a public utility for an unmanned facility.
- (5) Parcels that are subject to an easement that precludes any other use on the Parcel.
- (6) Parcels that have fully prepaid the Special Tax obligation assigned to the Parcel pursuant to the formula set forth in Section H below.

H. PREPAYMENTS

The following definitions apply to this Section H:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from

the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued prior to the date of prepayment.

“Public Facilities Requirement” means either \$15.4 million in 2022 dollars, which shall increase on January 1, 2023, and on each January 1 thereafter by 2% of the amount in effect in the prior year or such other number as shall be determined by the City as sufficient to fund improvements that are authorized to be funded by Improvement Area No. 1. The Public Facilities Requirement shown above may be adjusted each time property annexes into Improvement Area No. 1 or there is an adjustment to the Expected Maximum Special Tax Revenues due to a Land Use Change.

“Remaining Facilities Costs” means the Public Facilities Requirement minus public facility costs funded by Previously Issued Bonds, developer equity and any other source of funding.

1. *Full Prepayment*

The Special Tax obligation applicable to a Parcel in Improvement Area No. 1 may be prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. The Prepayment Amount shall be calculated as follows: (capitalized terms as defined below):

	Bond Redemption Amount
plus	Remaining Facilities Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Identify the Maximum Special Tax for the Parcel prepaying the Special Tax in the Fiscal Year in which prepayment would be received by the City. If this Section H is being applied to calculate a prepayment pursuant to Section D above, compute the amount by which the proposed Land Use Change would reduce Expected Maximum Special Tax Revenues below the amount needed for Required Coverage, and use this amount for purposes of this Step 1.

- Step 2.** Divide the Maximum Special Tax computed pursuant to Step 1 for such Parcel by the total Expected Maximum Special Tax Revenues for all property in Improvement Area No. 1, as shown in Attachment 2.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the “**Bond Redemption Amount**”).
- Step 4.** Compute the current Remaining Facilities Costs (if any).
- Step 5.** Multiply the quotient computed pursuant to Step 2 by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (the “**Remaining Facilities Amount**”).
- Step 6.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the “**Redemption Premium**”).
- Step 7.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment will be received until the earliest redemption date for the Outstanding Bonds. However, if Bonds are callable at the first interest payment date after the prepayment has been received, Steps 7, 8 and 9 of this prepayment formula will not apply.
- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.
- Step 9:** Subtract the amount computed pursuant to Step 8 from the amount computed pursuant to Step 7 (the “**Defeasance Requirement**”).
- Step 10.** The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “**Administrative Fees and Expenses**”).
- Step 11.** If and to the extent so provided in the Indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “**Reserve Fund Credit**”).

- Step 12.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the “**Prepayment Amount**”).
- Step 13.** From the Prepayment Amount, the amounts computed pursuant to Steps 3, 6, and 9 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to Step 5 shall be deposited into the Improvement Fund. The amount computed pursuant to Step 10 shall be retained in the account or fund that is established to pay Administrative Expenses.

Once a full prepayment of a Parcel’s Special Tax obligation has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel to reflect the discharge of the Parcel’s obligation to pay the Special Tax. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected. The Administrator shall also update Attachment 2 to reflect the prepayment.

2. *Partial Prepayment*

A partial prepayment may be made in an amount equal to any percentage of full prepayment desired by the party making a partial prepayment, except that the full amount of Administrative Fees and Expenses determined in Step 10 shall be included in the partial prepayment. The Maximum Special Tax that can be levied on a Parcel after a partial prepayment is made shall be equal to the portion of the Maximum Special Tax that was not prepaid, subject to 2% annual increases each July 1. Once a partial prepayment has been received, an Amended Notice of Special Tax Lien shall be recorded against the Parcel to reflect the reduced Special Tax lien for the Parcel, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues. However, an Amended Notice of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.

3. *Maintaining Required Coverage*

Notwithstanding the foregoing, if at any point in time the Administrator determines that the Maximum Special Tax revenue that could be collected from Taxable Property that remains subject to the Special Tax after the proposed prepayment would be less than the Required Coverage on Bonds that will remain outstanding after defeasance or redemption of Bonds from proceeds of the estimated prepayment, the amount of the prepayment shall be increased until the amount of Bonds defeased or redeemed is sufficient to reduce remaining annual debt service to a point at which Required Coverage is maintained.

I. INTERPRETATION OF RMA

Interpretations may be made by Resolution of the City Council to interpret, clarify, and/or revise this RMA to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Tax,

method of apportionment, classification of properties, or any definition applicable to Improvement Area No. 1 of the CFD, as long as such correction does not materially affect the levy and collection of Special Taxes. The City, upon the request of an owner of land within Improvement Area No. 1 which is not Developed Property, may also amend this RMA in any manner acceptable to the City, by resolution or ordinance following a public hearing, upon the affirmative vote of such owner to such amendment and without the vote of owners of any other land within Improvement Area No. 1, provided such amendment only affects such owner's land. Under no circumstances may such revisions to the RMA decrease the Expected Maximum Special Tax Revenues to a level that will reduce debt service coverage below the Required Coverage.

MEMORANDUM

ITEM 10.2.

DATE: May 16, 2022

TO: Honorable Mayor and Council Members

FROM: June Cowles, Senior Planner

SUBJECT: A RESOLUTION TO APPROVE THE RANCH VILLAGES 2 and 3 MAJOR DESIGN REVIEW PROJECT NO. PLND-0122-0025

PROPERTY OWNER: K. Hovnanian at Jaeger Ranch LLC 3721 Douglas Boulevard, Suite 150 Roseville, CA 95661	APPLICANT/DEVELOPER: K. Hovnanian at Jaeger Ranch LLC 3721 Douglas Boulevard, Suite 150 Roseville, CA 95661
PROJECT:	Applicant is requesting a Major Design Review for the Ranch Villages 2 and 3. The design review includes 5 floor plans with 3 architectural styles for each plan.
FILE:	PLND-0122-0025
LOCATION:	Located within The Ranch Special Planning Area. South of Douglas Road and east of Rancho Cordova Parkway
ZONING:	The Ranch Special Planning Area (Residential)
APN:	067-2410-003 and 007-0000
PLANNER:	June Cowles, Senior Planner

RECOMMENDATION:

Determine the project is Exempt per CEQA Guidelines Section 15182, Residential Projects Pursuant to a Specific Plan and Adopt the Resolution for the Ranch Villages 2 and 3 Major Design Review.

RESULT OF RECOMMENDED ACTION

Adoption of the above referenced resolution would approve the Major Design Review to include 5 floor plans located within The Ranch Special Planning Area Villages 2 and 3. Approval would allow the applicant to pursue necessary building permits for new construction.

BACKGROUND / PROJECT HISTORY

Approved in February 2020, The Ranch Special Planning Area (SPA) is a project that includes mixed use development on approximately 530 acres east of Rancho Cordova Parkway and south of Douglas Boulevard **Figure 1: The Ranch SPA Location.**

Figure 1: The Ranch SPA Location

Small Lot Subdivision Map

- The small lot subdivision plan includes a public/market rate (yellow) neighborhood and a private (purple) neighborhood location. **Figure 2: Market Rate Subdivision Location.**
- The Ranch Villages 2 and 3 are located within the public/market rate (yellow) area. **Figure 3: Villages 2 and 3 Location.**

Figure 2: Market Rate Subdivision Location

Figure 3: The Ranch Villages 2 and 3 Location

PROPOSED PROJECT:

The applicant, K Hovnanian Homes, is proposing a Major Design Review for Villages 2 and 3 for 5 plans and 3 architectural styles for each plan.

- Village 2 includes 49 single family lots (50 ft x 105 ft).
- Village 3 includes 65 single family lots (50 ft x 105 ft).
- The table below identifies the Plan/ home square footage/floor type, architectural style, and options. **Table 1: Lot Size, Home Square Footage, Architectural Style, and Characteristics/Options.**

Table 1: Lot Widths, Home Square Footage, Elevations, and Characteristics/Options.

Plan/Home Square footage and floor type	Architectural Style	Additional Options
<u>Plan 1</u> : 1,945 (1-story)	Craftsman, Farmhouse, Tuscan (3 each color schemes)	
<u>Plan 2</u> : 2,080 (1-story)	Craftsman, Farmhouse, Tuscan (3 each color schemes)	Multi/Generation
<u>Plan 3</u> : 2,095 (1-story)	Craftsman, Farmhouse, Tuscan (3 each color schemes)	
<u>Plan 4</u> : 2,349 (2-story)	Craftsman, Farmhouse, Tuscan (3 each color schemes)	
<u>Plan 5</u> : 2,752 (2-story)	Craftsman, Farmhouse, Tuscan (3 each color schemes)	3 car Tandem Garage

Proposed Project Plan Front Elevations:

The 5 Floor Plans are offered in 3 architectural styles. **Figure 4: Proposed Plan Streetscape and Front Elevations.**

ANALYSIS:

The applicant is requesting a Major Design Review for Ranch Villages 2 and 3. The proposed project includes 5 plans and 3 architectural styles for each plan.

GENERAL PLAN CONSISTENCY:

The project site is located within the Ranch Special Planning Area Medium Density Residential designation (4-10 du/ac). The proposed project of 5 single-family floor plans is consistent with the Special Planning Area designation.

ZONING ORDINANCE:

The zoning district within the Ranch Special Planning Area for Villages 2 and 3 is medium density residential. The building types in this density range would be a variety of dwellings and lot sizes. The proposed projects include a total of 5 single-family floor plans that are consistent with the Special Planning Area zoning and development standards such as setbacks and height.

MAJOR DESIGN REVIEW

The proposed project includes a total of 5 floor plans with three architectural styles for each plan and, each with three color schemes (See Project Plans Attachment 2). Color schemes include colors for body, fascia, trim/garage, and accent colors as well as picture samples of stone and roof materials. All floorplans include living space and/or courtyard and porches forward of the garage.

Landscape Design

The submitted typical landscape plan depicts a variation of drought tolerant trees, shrubs and a small area of drought tolerant grass and natural grasses. **Figure 5: Typical Landscape Plans.** The Model Water Efficient Landscape Ordinance (MWELO) states that new homes can only have lawns that do not exceed 25% of the total front, back and side yard square footage. This restriction is expected to reduce a home's expected water use by 20% or 12,000 gallons per year. The design packet includes street tree layout.

Figure 5: Typical Landscape Plans

A 3-foot wide concrete path will also be provided from the driveway to the garage man-door.

The Ranch Special Planning Area and City Design Guidelines

The Ranch Special Planning Area handbook includes illustrations and graphics of architectural styles that are intended to provide general direction for the homes in all residential areas of the Ranch. The proposed house plans offer clear architecture styles. The proposed project is consistent with The Ranch Special Planning Area handbook and City Design Guidelines as follows;

- The design is visually interesting and establishes streetscape variety with the proposed single-story and two-story product.
- The mass, scale, and form of the homes enhance the public realm with the front yard porches and living spaces.
- The several different rooflines included in each plan and elevation ensure variation.
- Building facades are designed to provide visual surveillance of the public streets, public spaces, sidewalks, and open space areas from inside the buildings.
- Two story rear and side elevation enhancements are along public right of way and open space with trails.
- One of the floor plans offer a Multi Generation option and another floor plan offers a 3 car tandem garage.
- Defined building entries that are in scale with the dwelling. Living spaces and/or porches are located forward of the garage.
- Use of distinctive architectural elements and materials to denote the entry. The proposed plans offer diversity of architecture, materials and color schemes.
- To ensure variety and interest throughout the villages, a condition of approval has been added to state that no two identical floor plans with the same building elevations within a master home plan series shall be located directly adjacent to each other.
- Pop-out trim is provided around the windows and doors on all elevations.

ENVIRONMENTAL

The proposed project has been analyzed as part of the Ranch Special Planning Area Environmental Impact Report (EIR) in compliance with the California Environmental Quality Act (CEQA). Since the proposed residential project is in conformity with what was reviewed as part of the Specific Plan EIR, the project is then exempt under CEQA Exemption 15182, Residential Projects Pursuant to a Specific Plan.

FISCAL IMPACT ANALYSIS

Approval of the Major Design Review for 5 house plans would allow for the construction of the master home plans within Ranch Special Planning Area Villages 2 and 3. This will benefit the City and the community by providing direct contributions to fund needed public infrastructure for this project and the broader community.

While the project will generate additional demands for municipal services, the project will be subject to existing and new funding mechanisms to pay fair share costs for ongoing operations, maintenance, and services that will offset City costs.

RECOMMENDED MOTION

Staff recommends that the City Council find the project as follows:

- To be in compliance with the California Environmental Quality Act (CEQA) as exempt pursuant to Section 15182, Residential Projects Pursuant to a Specific Plan;
- Adopt Resolution No. **-2022 approving the Major Design Review for the Ranch Villages 2 and 3 PLND-0122-0025, subject to the findings, Attachment 2 and Attachment 3.

CITY OF RANCHO CORDOVA

CITY COUNCIL RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL
APPROVING A MAJOR DESIGN REVIEW PERMIT
FOR THE RANCH VILLAGES 2 AND 3 PROJECT NO. PLND-0122-0025**

WHEREAS, K. Hovnanian at Jaeger Ranch LLC (hereinafter referred to as Applicant) filed an application with the City of Rancho Cordova for a Major Design Review approval for Villages 2 and 3 within The Ranch Special Planning Area for 5 new floor plans with three architectural styles each; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project; and

WHEREAS, the project site was previously analyzed as a part of The Ranch Special Planning Area Environmental Impact Report (EIR) adopted by the City of Rancho Cordova, thereby satisfying the requirements for the California Environmental Quality Act; and

WHEREAS, the proposed residential project is in conformity with what was reviewed as part of the Specific Plan EIR, and therefore is exempt under CEQA exemption 15182, Residential Projects Pursuant to a Specific Plan; and

WHEREAS, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
HEREBY RESOLVES AS FOLLOWS:**

1. Determine the CEQA exemption 15182 is an adequate exemption according to the Guidelines of the California Environmental Quality Act.
 - a) **Finding:** The project site has been analyzed and is exempt per California Environmental Quality Act exemption 15182 Residential Projects Pursuant to a Specific Plan.

Evidence: The proposed residential project has been analyzed as part of the Ranch Special Planning Area Environmental Impact Report. Since the proposed project is in conformity with what was reviewed as part of the Special Planning Area EIR, the project is then exempt under CEQA Exemption 15182, Residential Projects Pursuant to a Specific Plan.

2. Approve the Design Review, subject to the Major Design Review Package (Exhibit A) and the Conditions of Approval (Exhibit B) as modified; supported by the following Findings and Evidence, as required by Zoning Code Section 23.141.070:
 - a) **Finding:** The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and special planning area provisions, and is consistent with the applicable Rancho Cordova Design Guidelines.

Evidence: The project site is located within the Ranch Special Planning Area Medium Density Residential designation (4-10 du/ac). The proposed project of 5 single-family floor plans is consistent with the Special Planning Area designation. The project follows all the Ranch Special Planning Area development standards as well as the applicable Special Planning Area handbook architectural styles and the City of Rancho Cordova Design Guidelines including height regulations and architectural detail requirements.

- b) **Finding:** The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community.

Evidence: The applicant, K Hovnanian, is presenting a design package which includes five (5) different floor plans with three elevations per plan and three color schemes. Variations in architectural style, colors, and materials will create a vibrant and welcoming streetscape. Conditions of Approval have been developed to alternate between floor plans and architectural styles throughout the neighborhood to emphasize street variation.

- c) **Finding:** The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.

Evidence: The proposed architecture and landscaping are consistent with the Ranch Special Planning Area and the City Design Guidelines. The applicant has provided 5 different floor plans and 3 architectural elevations each for 114 single family lots. Floor plans ranging from 1,945 to 2,752 square feet in size. A clear design concept is shown for each elevation and each design provides consistent characteristics of each stated style. The applicant provided enhanced side elevations for homes facing public right-of-ways (corner lots). All elevations and architectural style palettes are included in the Design Review Package.

- d) **Finding:** The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.

Evidence: The subdivision map was approved prior to this Design Review action. Vehicular, bicycle, and pedestrian circulation were studied and accepted as part of that prior approval. This Design Review approval will not impede any of the approved transportation modes of circulation.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May, 2022 by the following vote:

LANDSCAPE PLANTING NOTES

- ALL SHRUB AREAS SHALL BE COMPLETELY COVERED WITH A 3" LAYER OF DECORATIVE WALK-ON BARK. PROVIDE SAMPLE TO OWNER'S REPRESENTATIVE FOR APPROVAL PRIOR TO INSTALLATION.
- FIELD ADJUST TREES AS NECESSARY TO MAINTAIN THE FOLLOWING MINIMUM CLEARANCES:
8 FEET CLEARANCE FROM SEWER OR WATER LINES.
5 FEET CLEARANCE FROM STORM DRAIN, JOINT TRENCH AND FIRE HYDRANTS
15 FEET FROM STREET LIGHTS
25 FEET FROM STOP SIGNS/STOP LIGHTS.
- SEE SOIL TESTING NOTES FOR SOIL AMENDMENT AND FERTILIZER RATES.
- TREES TO RECIEVE ROOTBARRIER IF PLANTED WITHIN 5' OF HARDSCAPE. SEE DETAIL ON SHEET LD.1 FOR MORE INFORMATION.
- CERTIFICATION OF COMPLETION TO BE COMPLETED BY THE CONTRACTOR FOR EACH HOUSE INSTALLED AND EXCEEDS 500 SQ.FT. OF LANDSCAPE AREA. THE CERTIFICATION OF COMPLETION TO CONTAIN THE FOLLOWING INFORMATION:
A. DATE, PROJECT NAME, PROJECT APPLICANT NAME, TELEPHONE AND MAILING ADDRESS, PROJECT ADDRESS AND LOCATION, AND PROPERTY OWNER NAME, TELEPHONE AND MAILING ADDRESS.
B. CERTIFICATION BY LICENSED LANDSCAPE CONTRACTOR WHO INSTALLED THE LANDSCAPING AND IRRIGATION. WHERE SIGNIFICATE CHANGES ARE MADE IN THE FIELD DURING CONSTRUCTION "AS-BUILT" OR RECORD DRAWINGS SHALL BE INCLUDED. A COPY OF THE IRRIGATION PLAN OR RECORD DRAWINGS SHALL BE PLACED WITH THE IRRIGATION CONTROLLER.
C. IRRIGATION SCHEDULING PARAMETERS USED TO SET THE CONTROLLER.
D. LANDSCAPE AND IRRIGATION MAINTENANCE SCHEDULE
E. IRRIGATION AUDIT REPORT.
F. SOILS ANALYSIS REPORT.
- THE OWNERS SHALL BE RESPONSIBLE FOR ANY LANDSCAPE MAINTENANCE NEEDED DURING OWNERSHIPS.
- IRRIGATION AUDIT SHALL BE CONDUCTED BY A THIRD PARTY IRRIGATION AUDITOR. LANDSCAPE AUDITS SHALL NOT BE CONDUCTED BY THE PERSON WHO DESIGNED THE LANDSCAPE OR INSTALLED THE LANDSCAPE. THE APPLICANT SHALL SUBMIT AN IRRIGATION AUDIT REPORT WITH THE CERTIFICATE OF COMPLETION TO THE LOCAL AGENCY THAT MAY INCLUDE, BUT IS NOT LIMITED TO: INSPECTION, SYSTEM TUNE-UP, SYSTEM TEST WITH DISTRIBUTION UNIFORMITY, REPORTING OVERSPRAY OR RUN OFF THAT CAUSES OVERLAND FLOW, AND PREPARATION OF AN IRRIGATION SCHEDULE, INCLUDING CONFIGURING IRRIGATION CONTROLLERS WITH APPLICATION RATE, SOIL TYPES, PLANT FACTORS, SLOPE, EXPOSURE AND OTHER FACTORS NECESSARY FOR ACCURATE PROGRAMMING.
- LANDSCAPE PLANTING WILL BE IRRIGATED WITH DRIP IRRIGATION. IRRIGATION WATER WILL BE DOMESTIC WATER.

SOIL TESTING NOTES

- COORDINATE SOIL TESTING IN AN EXPEDITIOUS AND TIMELY MANNER AS REQUIRED FOR ON-SITE MATERIALS. RESPONSIBILITY OF CONTRACTING WITH A SOIL LABORATORY SHALL BE BORNE BY CONTRACTOR. COST OF SAMPLING AND TESTING SHALL BE INCLUDED IN CONTRACT PRICE. ONE SAMPLE PER SEVEN LOTS, OR APPROXIMATELY 15% IS REQUIRED. CONTRACTOR TO COLLECT SAMPLES IN THE PRESENCE OF OWNER'S REPRESENTATIVE. SAMPLES LOCATIONS TO BE IDENTIFIED ON PLAN.
- EACH SAMPLE SHALL BE SUBMITTED TO A LABORATORY. THE LABORATORY MUST BE APPROVED BY THE OWNER. SUBMIT SAMPLE SIZES AS REQUIRED BY LABORATORY.
- AS A MINIMUM, SOIL SAMPLES SHALL BE ANALYZED FOR: SOIL TEXTURE, INFILTRATION RATE, PERCENT OF ORGANIC MATTER, TOTAL SOLUBLE SALTS, PH, AMMONIA, PHOSPHATE, POTASSIUM, CALCIUM, MAGNESIUM, BORON, AND SODIUM LEVELS. LABORATORY TO PROVIDE APPRAISAL OF CHEMICAL PROPERTIES, INCLUDING PARTICLE SIZE AND RECOMMENDATIONS FOR TYPES AND QUANTITIES OF AMENDMENTS AND FERTILIZERS. CONTRACTOR TO ADVISE TESTING LAB THAT THE FOLLOWING AMENDMENTS ARE TO BE INCLUDED IN RECOMMENDATIONS: GRO-POWER PLUS (MINIMUM RATE OF 150 LBS/1000 SQ.FT.) AND 90% BARK BASE PRODUCT, 1/4 INCH SIZE, TREATED WITH NITROGEN, 1/2-0-0. (MINIMUM RATE OF 4 CY PER 1000 SQ.FT.)
- SOIL TEST RESULTS FROM THE MODEL HOMES MAY BE USED FOR THE PRODUCTION HOMES.

I HAVE COMPLIED WITH THE CRITERIA OF THE ORDINANCE AND APPLIED THEM FOR EFFICIENT USE OF WATER IN THE LANDSCAPE DESIGN PLAN.

E. IRRIGATION AUDIT REPORT.
F. SOILS ANALYSIS REPORT.
- THE OWNERS SHALL BE RESPONSIBLE FOR ANY LANDSCAPE MAINTENANCE NEEDED DURING OWNERSHIPS.
- IRRIGATION AUDIT SHALL BE CONDUCTED BY A THIRD PARTY IRRIGATION AUDITOR. LANDSCAPE AUDITS SHALL NOT BE CONDUCTED BY THE PERSON WHO DESIGNED THE LANDSCAPE OR INSTALLED THE LANDSCAPE. THE APPLICANT SHALL SUBMIT AN IRRIGATION AUDIT REPORT WITH THE CERTIFICATE OF COMPLETION TO THE LOCAL AGENCY THAT MAY INCLUDE, BUT IS NOT LIMITED TO: INSPECTION, SYSTEM TUNE-UP, SYSTEM TEST WITH DISTRIBUTION UNIFORMITY, REPORTING OVERSPRAY OR RUN OFF THAT CAUSES OVERLAND FLOW, AND PREPARATION OF AN IRRIGATION SCHEDULE, INCLUDING CONFIGURING IRRIGATION CONTROLLERS WITH APPLICATION RATE, SOIL TYPES, PLANT FACTORS, SLOPE, EXPOSURE AND OTHER FACTORS NECESSARY FOR ACCURATE PROGRAMMING.
- LANDSCAPE PLANTING WILL BE IRRIGATED WITH DRIP IRRIGATION. IRRIGATION WATER WILL BE DOMESTIC WATER.

SOIL TESTING NOTES

- COORDINATE SOIL TESTING IN AN EXPEDITIOUS AND TIMELY MANNER AS REQUIRED FOR ON-SITE MATERIALS. RESPONSIBILITY OF CONTRACTING WITH A SOIL LABORATORY SHALL BE BORNE BY CONTRACTOR. COST OF SAMPLING AND TESTING SHALL BE INCLUDED IN CONTRACT PRICE. ONE SAMPLE PER SEVEN LOTS, OR APPROXIMATELY 15% IS REQUIRED. CONTRACTOR TO COLLECT SAMPLES IN THE PRESENCE OF OWNER'S REPRESENTATIVE. SAMPLES LOCATIONS TO BE IDENTIFIED ON PLAN.
- EACH SAMPLE SHALL BE SUBMITTED TO A LABORATORY. THE LABORATORY MUST BE APPROVED BY THE OWNER. SUBMIT SAMPLE SIZES AS REQUIRED BY LABORATORY.
- AS A MINIMUM, SOIL SAMPLES SHALL BE ANALYZED FOR: SOIL TEXTURE, INFILTRATION RATE, PERCENT OF ORGANIC MATTER, TOTAL SOLUBLE SALTS, PH, AMMONIA, PHOSPHATE, POTASSIUM, CALCIUM, MAGNESIUM, BORON, AND SODIUM LEVELS. LABORATORY TO PROVIDE APPRAISAL OF CHEMICAL PROPERTIES, INCLUDING PARTICLE SIZE AND RECOMMENDATIONS FOR TYPES AND QUANTITIES OF AMENDMENTS AND FERTILIZERS. CONTRACTOR TO ADVISE TESTING LAB THAT THE FOLLOWING AMENDMENTS ARE TO BE INCLUDED IN RECOMMENDATIONS: GRO-POWER PLUS (MINIMUM RATE OF 150 LBS/1000 SQ.FT.) AND 90% BARK BASE PRODUCT, 1/4 INCH SIZE, TREATED WITH NITROGEN, 1/2-0-0. (MINIMUM RATE OF 4 CY PER 1000 SQ.FT.)
- SOIL TEST RESULTS FROM THE MODEL HOMES MAY BE USED FOR THE PRODUCTION HOMES.

I HAVE COMPLIED WITH THE CRITERIA OF THE ORDINANCE AND APPLIED THEM FOR EFFICIENT USE OF WATER IN THE LANDSCAPE DESIGN PLAN.

<u>Conditions of Approval</u>		Category	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
1.	The approved entitlement is for a Major Design Review Permit for The Ranch Villages 2 and 3. The project shall be constructed consistent with the Design Booklet (<u>Exhibit A</u>) for five residential floor plans, and preliminary landscape plans. Project PLND-0122-0025.	Project Description	On-Going	Planning
2.	Applicant(s) agree to defend, indemnify and hold harmless with Counsel selected by the City of Rancho Cordova ("City") and its agents, officers, consultants, and employees ("City's Agents") from any and all claims, actions, suits, or proceedings against the City or the City's Agents to attack, set aside, void, or annul an approval by the City, or the City's Agents concerning the project (collectively "Claim"). The City shall promptly notify the Applicant of any Claim and the City shall cooperate fully in the defense. Nothing in this paragraph obligates the City to defend any Claim and the City is not required to pay or perform any settlement arising from any such Claim not defended by the City, unless the settlement is approved in writing by the City.	General	On-Going	Planning
3.	Any future alteration to the buildings, change in use, intensification of the site, or modification to the parking and landscaped area must be reviewed by the City to ensure compliance with all local, state, and federal regulations. Minor modifications that are found to be in substantial conformance with the approved plans such as colors, plant materials, or minor lot line adjustments, may be approved administratively. Major modifications shall be approved by the applicable decision making body.	General	On-Going	Planning
4.	Applicant/Developer shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at billings@cityofranhocordova.org for the status of your	General	On-Going	Planning

MEMORANDUM

ITEM 10.3.

DATE: May 16, 2022

TO: Honorable Mayor and Council Members

FROM: Chance Finley-Ross, Assistant Planner

SUBJECT: SUN CENTER OFFICE AND WAREHOUSE BUILDING MAJOR DESIGN REVIEW; PROJECT NO. PLND-1221-0023 – 11201 SUN CENTER DRIVE

PROPERTY OWNER:
SFC Leasing, L.P.
3430 Luyung Drive
Rancho Cordova, CA 95742

APPLICANT/DEVELOPER:
SFC Leasing, L.P.
3430 Luyung Drive
Rancho Cordova, CA 95742

PROJECT: The Applicant requests a Major Design Review for the development of a new building located at 11201 Sun Center Drive on a parcel that is 1.2 acres of vacant land. Proposed development includes the addition of a 13,500 square foot office and warehouse building, accompanied by new parking, landscaping, lighting, site amenities, and new gates and fencing.

FILE: PLND-1221-0023

LOCATION: 11201 Sun Center Drive

ZONING: Office Industrial Mixed-Use (OIMU)

APN: 072-0490-009-0000

PLANNER: Chance Finley-Ross, Assistant Planner

RECOMMENDATION

Determine the project is exempt under CEQA Exemption 15332, projects characterized as in-fill development; and adopt the Resolution approving the Major Design Review for a warehouse and associated office space building totaling 13,500 square feet that includes parking, lighting, and landscaping

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would approve the Major Design Review and would allow the applicant to submit for necessary improvement plans and building permits to begin construction.

PROJECT DESCRIPTION

A Major Design Review application was submitted on December 16, 2021, for a new single-story office and warehouse building. The proposed building will be approximately 13,500 square feet in size and will be accompanied by a fenced yard area, landscaping, a new trash enclosure, auto and bicycle parking, and new gates and fencing. At the time of this Major Design Review's processing, the space does not have a proposed tenant.

The proposed warehouse and office building is situated on 1.2 acres of vacant and undeveloped land in an area of the city that is predominantly developed. The property is located at the corner of Gold Tailings Court and Sun Center Drive and is zoned Office Industrial Mixed-Use (OIMU), which allows office and warehouse uses by right. The property directly to the north of the subject parcel is utilized as a screened outdoor storage yard, while other surrounding parcels are occupied by similar industrial, and office uses.

Figure 1: Site Location

Figure 2: Zoning Map

GENERAL PLAN CONSISTENCY

The project site is located within the Office Mixed Use (OMU) designation of the City's General Plan. The General Plan compares the OMU designation to zoning designations such as Office Professional Mixed Use (OPMU) and Office Industrial Mixed Use (OIMU) within the City's Municipal Code. The proposed shell industrial building would be consistent with structures and uses allowed within the OIMU and compatible with future buildings within the same General Plan designation.

ZONING ORDINANCE CONSISTENCY

The project site is zoned Office Industrial Mixed Use (OIMU) where an office and warehouse building is permitted by right.

- A single building with 12,300 square feet of warehouse space and 1,200 square feet of office space totaling 13,500 square feet.
- Screened yard space that includes a 6-foot-high solid metal fencing and gate material to match the existing fencing to the north of the property.
- New trash and recycling enclosure to be screened within proposed yard area.
- 16 vehicle parking spaces and bicycle parking stalls located near the main entrance.
- Landscaping along Sun Center Drive and Gold Tailings Court that incorporates trees and shrubs throughout the building's frontage.

Figure 3: Proposed Site Plan

Architecture:

The proposed building architecture was reviewed for quality of design, use of variety of materials and colors, as well as for compatibility with the surrounding buildings. To break up the façade, the building includes varying parapet heights, recessed frontages, foam coping accents, glass windows with metal horizontal canopies, and building attached lighting. The building will

be painted five colors, consisting of white, dark and light grays, and a gray-blue accent. For further façade diversification, an accent band has been added to wrap each elevation.

Figure 4: Proposed Elevations

The proposed landscaping includes shade trees, shrubs, and groundcover throughout the property. The proposed landscaping provides sufficient shading to meet minimum parking lot shade requirements while also providing a significant landscape buffer along Gold Tailings Court and Sun Center Drive.

Primary access to the site will be achieved through two driveways: one on Gold Tailings Court and the other on Sun Center Drive. On-site circulation will allow through-access for vehicles from each driveway. Parking spaces are distributed on the northwest, west, and east of the building, with a total of 16 spaces provided. The proposed use is stated as a warehouse use, which is permitted by right at this location. Any future tenants requesting a use that is not permitted by right at this location will be required to obtain the appropriate use permits from the Planning Department and will be subject to additional review at that time.

City Design Guidelines

The proposed project has been reviewed in accordance with City Design Guidelines. The project is consistent with the City Design Guidelines based on the criteria below.

- The project parking is distributed throughout the project site and is consistent with the City Design Guidelines which reduces appearance of asphalt and provides the building to have a strong relationship to the street.
- The building roll-up doors are oriented so that they do not directly face the primary street frontage.
- There are multiple parapet heights and horizontal canopies to provide relief and variation of the building's façade.
- Darker colors define the "accent" of the building through color bands, canopies, and columns, with lighter white and grays serving as the "base" color toward the upper portions of each elevation.
- The building's frontage includes large windows to accentuate an office appearance, while each window is accompanied by a horizontal metal canopy.
- The building has a defined roof line cornice that includes a foam coping accented with dark gray and varying parapet heights.
- Various materials, including concrete, glass, aluminum, and stucco have been included in the façade.
- Landscaping is consistent with the City Design Guidelines and City Zoning Ordinance which includes parking lot shading and streetscape buffers along Gold Tailings Court and Sun Center Drive.

FISCAL ANALYSIS OF PROJECT

Staff anticipates that the project will have a positive fiscal impact due to the short term and long-term positions for the construction of the shell building and the future uses of the site. The development of the building and the property from vacant land to a business will also provide an additional positive impact through the increase in property taxes on the site as well as within the surrounding area.

ENVIRONMENTAL REVIEW

The project applicant is requesting approval of a Major Design Review for the proposed project. Under CEQA, the City lacks the discretion under the Major Design Review approval process to consider environmental effects not related to the design of the Project, including, but not limited to human health impacts from toxic air contaminants, greenhouse gas emissions, and impacts of biological resources.

The Major Design Review associated with the Sun Center Office and Warehouse Building would be exempt from CEQA review under CEQA State Guidelines Section 15332. This exempts projects from CEQA that are characterized as in-fill development. The project is consistent with general plan and zoning designations and regulations. The project site is located in the city limits, would involve site improvements covering less than 2 acres, and is surrounded by existing office mixed uses. The site is vacant, contains no trees, and appears to have been previously disturbed by grading activities and contains no habitat for endangered, rare or threatened species. Implementation of the office and warehouse building, along with parking and landscaping features, will not result in any significant effects relating to traffic, noise, air

quality, or water quality. The development is considered an extension of existing office mixed uses on adjacent and nearby properties. Lastly, the site is currently, and would continue to be, served by all required utilities and public services.

So long as the project does not have any project-specific significant effects peculiar to the Major Design Review and not identified in the previous environmental documentation, the project is exempt and no environmental document pursuant to CEQA is required.

RECOMMENDED MOTIONS

Staff recommends that the City Council find the project as follows:

- To be in compliance with the California Environmental Quality Act (CEQA) as exempt pursuant to CEQA Guidelines Section 15332; and
- Adopt Resolution approving the Major Design Review for the Sun Center Office and Warehouse Building, PLND-1221-0023, Project Plans (Attachment 2) and Conditions of Approval (Attachment 3).

CITY OF RANCHO CORDOVA

CITY COUNCIL RESOLUTION NO. XXX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, APPROVING A MAJOR DESIGN REVIEW FOR THE SUN
CENTER OFFICE AND WAREHOUSE BUILDING PROJECT NO. PLND-1221-0023**

WHEREAS, SFC Leasing L.P., (hereinafter referred to as Applicant) filed a separate application for a Major Design Review approval for the Sun Center Office and Warehouse Building project; and

WHEREAS, the City Council is the appropriate authority to hear and take action on this project; and

WHEREAS, the project site is located at 11201 Sun Center Drive and includes a Major Design Review for a new 13,500 SF shell warehouse and accessory office building and site improvements; and

WHEREAS, the City Council of the City of Rancho Cordova has conducted a properly noticed public hearing pursuant to Government Code section 65090 and has duly considered all written and verbal testimony presented during the hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
HEREBY RESOLVES AS FOLLOWS:**

1. The CEQA exemption found in California Code of Regulation Title 14, Section 15332 (Projects Characterized as In-fill Development) is an adequate exemption according to the Guidelines of the California Environmental Quality Act.

- A. **Finding:** The project has been analyzed and is exempt per CEQA Exemption 15332, “projects characterized as in-fill development”.

Evidence: The project applicant is requesting approval of a Major Design Review for the proposed project. Under CEQA, the City lacks the discretion under the Major Design Review approval process to consider environmental effects not related to the design of the Project, including, but not limited to human health impacts from toxic air contaminants, greenhouse gas emissions, and impacts of biological resources.

The Major Design Review associated with the Sun Center Office and Warehouse Building would be exempt from CEQA review under CEQA State Guidelines Section 15332. This exempts projects from CEQA that are characterized as in-fill development. The project is consistent with general plan and zoning designations and regulations. The project site is located in the city limits, would involve site improvements covering less than 2 acres, and is surrounded by existing office mixed uses. The site is vacant, contains no trees, and appears to have been previously disturbed by grading activities and contains no habitat for endangered, rare or threatened species. Implementation of the office and warehouse building, along with parking and landscaping features, will not result in any significant effects relating to traffic, noise, air quality, or water quality. The development is considered an extension of existing office mixed uses on adjacent and nearby properties. Lastly, the site is currently, and would continue to be, served by all required utilities and public services.

So long as the project does not have any project-specific significant effects peculiar to the Major Design Review and not identified in the previous environmental documentation, the project is exempt and no environmental document pursuant to CEQA is required.

2. Approval of the Major Design Review, subject to the Design Review Package (Exhibit A) and the Conditions of Approval (Exhibit B) must provide sufficient evidence for the Findings required by Zoning Code Section 23.141.070. Findings and supportive evidence are shown below:

- A. **Finding:** The proposed project is consistent with the objectives of the General Plan, complies with applicable zoning regulations, Specific Plan provisions, and special planning area provisions, and is consistent with the applicable Rancho Cordova Design Guidelines.

Evidence: The proposed project is consistent with the purpose and intent of adopted policies and regulations, including the General Plan, Zoning Code, design guidelines, and the Municipal Code. The industrial warehouse with associated office use is permitted within the Office Industrial Mixed-Use zoning designation and consistent with the Office Mixed Use designation of the General Plan.

- B. **Finding:** The proposed architecture, site design, and landscape are suitable for the purposes of the building and the site and will enhance the character of the neighborhood and community.

Evidence: The proposed site design includes a single building consisting of 12,300 square feet of warehouse and 1,200 square feet of accessory office space, a fully screened yard area, parking, lighting, and landscaping. Parking is located to the northwest, west, and east of the proposed building. The building includes glass windows along the entire front elevation facing Sun Center Drive and partially along the east and west elevations, with metal horizontal canopies over all main window features. The building rooflines facing the public right-of-way are capped with an accented cornice and have varying roofline heights. The building architecture and materials, and landscaping are consistent with the surrounding area and City Design Guidelines. The proposed project would utilize a currently vacant parcel in a largely developed area of the city.

- C. **Finding:** The architecture, including the character, scale, and quality of the design, relationship with the site and other buildings, building materials, screening of exterior appurtenances, exterior lighting and signing, and similar elements establishes a clear design concept and is compatible with the character of existing or anticipated buildings on adjoining and nearby properties.

Evidence: The proposed site design includes one warehouse and accessory office building, accompanied by new parking areas, a screened yard area, building and parking lot lighting, and landscaping. The proposed project will enhance the character of the community as the project site is currently an undeveloped lot. The proposed project will complement the area and surrounding businesses. The building's architecture, use of color, and material are consistent with the City's Design Guidelines and similar developments within the city. The landscape plan includes ground cover, shrubs, and canopy trees that provide required parking lot shading while also adding visual interest and color in well-designed compositions.

ITEM 10.3.

ATTACHMENT 1

- D. **Finding:** The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation.

Evidence: The proposed project will not substantially affect current traffic flows or existing modes of transportation circulation. Primary access to the site will be achieved through two driveways: one on Gold Tailings Court and the other on Sun Center Drive. On-site circulation will allow for through-access from each driveway. Pedestrian sidewalks are provided from the public existing sidewalk into the site and bicycle parking is provided near the main entrance.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May 2022 by the following vote:

THIS PROJECT HAS AN APPROVED STATE GENERAL CONSTRUCTION PERMIT AND STORMWATER POLLUTION PREVENTION PLAN (SWPPP).

WDID # PENDING

CONTRACTOR IS RESPONSIBLE TO HIRE A STATE CERTIFIED QSP (QUALIFIED SWPPP PRACTITIONER) TO OVERSEE IMPLEMENTATION OF THE SWPPP PRIOR TO START OF CONSTRUCTION. ALL REQUIRED INSPECTIONS, TRAINING AND REQUIRED TESTING AND REPORTING SHALL BE OVERSEEN BY THE QSP.

THE FINAL APPROVED SWPPP SHALL BE KEPT ON THE CONSTRUCTION SITE DURING CONSTRUCTION AND MAINTAINED BY THE QSP.

CONTRACTOR SHALL SEND THE FINAL SWPPP WITH ALL INSPECTION, TESTING, AMENDMENTS, REPORTS AND OTHER DOCUMENTATION TO THE OWNER ONCE CONSTRUCTION HAS BEEN COMPLETED AND THE NOTICE OF TERMINATION SUBMITTED.

CONTRACTOR SHALL HAVE A PRE-CONSTRUCTION MEETING AND INCLUDE THE QSP AND CIVIL ENGINEER IN THE MEETING, EITHER ON-SITE OR VIA TELEPHONE CONFERENCE.

PROJECT GENERAL NOTES:

1. THE EXISTING BOUNDARY AND TOPOGRAPHIC INFORMATION SHOWN ON THESE PLANS IS FROM A TOPOGRAPHIC SURVEY PLAN PREPARED BY RFE ENGINEERING AND REFERENCED ON SHEET C1. CONTRACTOR SHALL VERIFY EXISTING CONDITIONS, ESPECIALLY POINTS OF CONNECTION TO EXISTING FACILITIES FOR ALL IMPROVEMENTS PRIOR TO CONSTRUCTION OF APPLICABLE FACILITIES. CONTRACTOR SHALL NOTIFY RFE ENGINEERING, INC. IMMEDIATELY OF ANY DISCREPANCIES OR CONFLICTS DISCOVERED.
2. THE CONTRACTOR AGREES THAT, IN ACCORDANCE WITH GENERALLY ACCEPTED CONSTRUCTION PRACTICES, THE CONTRACTOR WILL BE REQUIRED TO ASSUME SOLE AND COMPLETE RESPONSIBILITY FOR JOB SITE CONDITIONS DURING THE COURSE OF CONSTRUCTION OF THE PROJECT, INCLUDING SAFETY OF ALL PERSONS AND PROPERTY. THIS REQUIREMENT SHALL BE MADE TO APPLY CONTINUOUSLY AND NOT BE LIMITED TO NORMAL WORKING HOURS. THE CONTRACTOR FURTHER AGREES TO DEFEND, INDEMNIFY AND HOLD OWNER AND ENGINEER HARMLESS FROM ANY AND ALL LIABILITY, REAL OR ALLEGED, IN CONNECTION WITH THE PERFORMANCE OF WORK ON THIS PROJECT, EXEMPTING LIABILITY ARISING FROM THE SOLE NEGLIGENCE OF ENGINEER.
3. EXCAVATIONS SHALL BE ADEQUATELY SHORED, BRACED AND SHEETED SO THAT THE EARTH WILL NOT SLIDE OR SETTLE AND SO THAT ALL EXISTING IMPROVEMENTS OF ANY KIND WILL BE FULLY PROTECTED FROM DAMAGE. ANY DAMAGE RESULTING FROM A LACK OF ADEQUATE SHORING, BRACING AND SHEETING, SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR AND HE SHALL AFFECT NECESSARY REPAIRS OR RECONSTRUCTION AT HIS OWN EXPENSE. WHERE THE EXCAVATION FOR A CONDUIT TRENCH, AND/OR STRUCTURE IS FIVE FEET OR MORE IN DEPTH, THE CONTRACTOR SHALL PROVIDE ADEQUATE SHEETING, SHORING AND BRACING OR EQUIVALENT METHOD FOR THE PROTECTION OF LIFE OR LIMB, WHICH SHALL CONFORM TO THE APPLICABLE CONSTRUCTION SAFETY ORDERS OF THE DIVISION OF INDUSTRIAL SAFETY OF THE STATE OF CALIFORNIA. THE CONTRACTOR SHALL ALWAYS COMPLY WITH OSHA REQUIREMENTS.
4. OWNER WILL OBTAIN THE GENERAL BUILDING PERMIT. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO OBTAIN ANY ADDITIONAL PERMITS NECESSARY TO PERFORM THE WORK SHOWN ON THESE PLANS FROM THE APPROPRIATE AGENCIES.
5. THE CONTRACTOR SHALL TAKE EFFECTIVE ACTION TO PREVENT THE FORMATION OF AN AIRBORNE DUST NUISANCE AND SHALL BE RESPONSIBLE FOR ANY DAMAGE RESULTING FROM HIS FAILURE TO DO SO.
6. THE CONTRACTOR SHALL PROVIDE FOR INGRESS AND EGRESS FOR PRIVATE PROPERTY ADJACENT TO WORK THROUGHOUT THE PERIOD OF CONSTRUCTION. TRAFFIC MOVEMENT SHALL BE MAINTAINED AT ALL TIMES. IF TRAFFIC CONTROL PROCEDURES ARE DEEMED NECESSARY, THE CONTRACTOR SHALL INFORM TO THE "WATCH HANDBOOK" AND CANNOTS. TRAFFIC MANUAL. CITY/COUNTY ENGINEER'S APPROVAL IS REQUIRED PRIOR TO ANY DETOURING, DISRUPTION, OR INTERRUPTION OF THE NORMAL TRAFFIC FLOW.
7. THE CONTRACTOR SHALL BE SOLELY AND COMPLETELY RESPONSIBLE FOR FURNISHING, INSTALLING, AND MAINTAINING ALL WARNING SIGNS AND DEVICES NECESSARY TO SAFEGUARD THE GENERAL PUBLIC AND THE WORK, AND PROVIDE FOR THE PROPER AND SAFE ROUTING OF ALL VEHICULAR AND PEDESTRIAN TRAFFIC DURING THE PERFORMANCE OF THE WORK. THE REQUIREMENT SHALL APPLY CONTINUOUSLY AND NOT BE LIMITED TO THE NORMAL WORKING HOURS.
8. THE CONTRACTOR SHALL POST EMERGENCY TELEPHONE NUMBERS FOR POLICE, FIRE, AMBULANCE, AND THOSE AGENCIES RESPONSIBLE FOR MAINTENANCE OF UTILITIES IN THE VICINITY OF THE JOBSITE.
9. ANY EXTRA CONSTRUCTION STAKING NECESSITATED SOLELY BY THE CONTRACTOR'S NEGLIGENCE WILL BE CHARGED TO THE CONTRACTOR ON A TIME AND MATERIAL BASIS, AND PAID FOR BY THE CONTRACTOR.
10. STATIONING HEREON IS ALONG STREET CENTERLINE UNLESS OTHERWISE SHOWN OR INDICATED.
11. ALL RETURN RADII AND CURB DATA ARE TO BOTTOM FACE OF CURB.
12. ALL QUANTITIES AND PAY ITEMS ARE AND WILL BE BASED ON HORIZONTAL MEASUREMENTS.
13. LENGTHS OF SANITARY SEWERS AND STORM DRAINS ARE HORIZONTAL DISTANCES FROM CENTER TO CENTER OF STRUCTURES, ROUNDED OFF TO THE NEAREST FOOT.
14. EXISTING UNDERGROUND UTILITIES AND IMPROVEMENTS ARE SHOWN IN THEIR APPROXIMATE LOCATIONS BASED ON FACILITIES IDENTIFIED BY THE TOPOGRAPHIC SURVEY AND AVAILABLE INFORMATION AVAILABLE TO THE ENGINEER AT THE TIME OF DESIGN AND NO GUARANTEE IS MADE AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION SHOWN. THE CONTRACTOR SHALL NOTIFY UTILITY COMPANIES AT LEAST 2 WORKING DAYS IN ADVANCE OF CONSTRUCTION TO FIELD LOCATE UTILITIES. **CALL UNDERGROUND SERVICE ALERT (U.S.A.) AT 800-227-2600.** IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO DETERMINE THE EXISTENCE AND LOCATION OF THOSE UTILITIES SHOWN ON THESE PLANS AS INDICATED IN THE FIELD BY LOCATING SERVICES. ANY ADDITIONAL COSTS INCURRED AS A RESULT OF CONTRACTOR'S FAILURE TO VERIFY LOCATIONS OF EXISTING UTILITIES PRIOR TO BEGINNING OF CONSTRUCTION IN THEIR VICINITY SHALL BE BORNE BY THE CONTRACTOR AND ASSUMED INCLUDED AND MERGED IN THE CONTRACT UNIT PRICE.
15. ALL EXISTING UTILITIES AND IMPROVEMENTS THAT BECOME DAMAGED DURING CONSTRUCTION SHALL BE COMPLETELY RESTORED TO THE SATISFACTION OF THE APPLICABLE AGENCY ENGINEER, AT THE CONTRACTOR'S SOLE EXPENSE.
16. ANY RELOCATION OF PUBLIC UTILITIES SHALL BE CONDUCTED IN ACCORDANCE WITH ANY AND ALL REQUIREMENTS OF THE UTILITY COMPANY INCLUDING FEES, BONDS, PERMITS AND WORKING CONDITIONS, ETC. THIS WORK SHALL BE DONE AT NO EXPENSE TO THE UTILITY COMPANY. THE OWNER SHALL PAY THE COST OF ALL SUCH RELOCATION WORK INCLUDING FEES, BONDS, PERMITS, ETC.
17. IF ARCHAEOLOGICAL MATERIALS ARE UNCOVERED DURING GRADING, TRENCHING OR OTHER EXCAVATION, EARTHWORK WITHIN 100 FEET OF THESE MATERIALS SHALL BE STOPPED UNTIL A PROFESSIONAL ARCHAEOLOGIST WHO IS CERTIFIED BY THE SOCIETY OF CALIFORNIA ARCHAEOLOGY (SCA) AND/OR THE SOCIETY OF PROFESSIONAL ARCHAEOLOGY (SOPA) HAS HAD AN OPPORTUNITY TO EVALUATE THE SIGNIFICANCE OF THE FIND AND SUGGEST APPROPRIATE MITIGATION MEASURES, IF THEY ARE DEEMED NECESSARY.
18. RFE ENGINEERING, INC. DOES NOT SPECIFY NOR RECOMMEND THE USE OR INSTALLATION OF ANY MATERIAL OR EQUIPMENT WHICH IS MADE FROM, OR WHICH CONTAINS ASBESTOS FOR USE IN THE CONSTRUCTION OF THESE IMPROVEMENTS. ANY PARTY INSTALLING OR USING SUCH MATERIAL OR EQUIPMENT SHALL BE SOLELY RESPONSIBLE FOR ALL INJURIES, DAMAGE OR LIABILITIES, OF ANY KIND, CAUSED BY THE USE OF SUCH MATERIALS OR EQUIPMENT. THE PROVISIONS OF THIS NOTE SHALL APPLY UNLESS THEY ARE EXPRESSLY WAIVED IN WRITING BY OWNER AND RFE ENGINEERING, INC.
19. SHOULD IT APPEAR THAT THE WORK TO BE DONE OR ANY MATTER RELATIVE THERETO IS NOT SUFFICIENTLY DETAILED ON THESE PLANS, THE CONTRACTOR SHALL CONTACT RFE ENGINEERING, INC., AT (916) 772-7800 FOR SUCH FURTHER EXPLANATIONS AS MAY BE NECESSARY.
20. CONTRACTOR SHALL PROVIDE PROTECTIVE FENCING AROUND EXISTING TREES TO REMAIN. SEE OTHER NOTES ON THESE PLANS, PROJECT CONDITIONS OF APPROVAL, AND SPECIFIC JURISDICTIONAL REQUIREMENTS FOR SUCH FENCING.

PROJECT GENERAL NOTES (CONT.)

21. ALL CONSTRUCTION SHALL BE IN ACCORDANCE WITH THE GEOTECHNICAL REPORT REFERENCED ON SHEET C1.
22. THE CONTRACTOR SHALL COMPLY WITH ALL LOCAL REGULATIONS, LAWS AND ORDINANCES, INCLUDING ALLOWABLE CONSTRUCTION HOURS, CONSTRUCTION NOISE NEAR RESIDENCES, DUST CONTROL AND EROSION CONTROL.
23. THE CONTRACTOR SHALL BE RESPONSIBLE TO REVIEW ALL CONTRACT DOCUMENTS INCLUDING ALL PLANS AND SPECIFICATIONS PREPARED BY OTHER DISCIPLINES FOR THIS PROJECT PRIOR TO THE START OF CONSTRUCTION. SUCH REVIEW SHALL BE CONTINUOUS THROUGHOUT THE CONSTRUCTION PROCESS. ANYTIME THAT A CONFLICT BETWEEN SUCH PLANS AND SPECIFICATIONS IS IDENTIFIED, THE CONTRACTOR SHALL CONTACT RFE ENGINEERING, INC. AND OTHER APPLICABLE DISCIPLINES TO REQUEST A VERIFICATION OF THE DESIGN REQUIREMENTS AND A RESOLUTION TO SUCH CONFLICTS PRIOR TO CONSTRUCTION OF SUCH FACILITIES.
24. BEFORE EXECUTION OF ANY WORK, THE CONTRACTOR SHALL EXAMINE ACTUAL JOB CONDITIONS AND REPORT TO RFE ENGINEERING, INC. AND OWNER ANY ERROR, OMISSION, OR DISCREPANCY AFFECTING WORK. UPON COMMENCING CONSTRUCTION THE CONTRACTOR SHALL BE RESPONSIBLE FOR REPORTING ANY AND ALL CONFLICTS, ERRORS, OMISSIONS, ETC. TO RFE ENGINEERING, INC. IMMEDIATELY UPON DISCOVERY. IF SO DIRECTED BY THE ENGINEER OR CITY/COUNTY ENGINEER, THE CONTRACTOR SHALL STOP WORK UNTIL MITIGATION CAN BE MADE. ANY COST INCURRED RESULTING FROM THE CONTRACTOR'S FAILURE TO STOP WORK AS DIRECTED SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.
25. THE CONTRACTOR SHALL PROVIDE THE CIVIL ENGINEER "AS BUILT" DRAWINGS AT PROJECT COMPLETION. THE CONTRACTOR SHALL PROVIDE ONE COMPLETE ACCURATE SET OF RECORD CHANGES. THE CHANGES SHALL BE PLACED ON A CLEAN SET OF PROJECT DRAWINGS IN RED, AND GIVEN TO THE ENGINEER AT JOB COMPLETION.
26. THE ENGINEERS ESTIMATE OF QUANTITIES IS FOR DESIGN REFERENCE ONLY. THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR DETERMINING THE QUANTITIES FOR BID AND FIELD INSTALLATION. ALL CALCULATED EARTHWORK QUANTITIES FURNISHED FOR THIS PROJECT ARE APPROXIMATE. THE QUANTITIES HEREIN WERE CALCULATED TO FINISHED ROUGH GRADE AND EXISTING GROUND. THE ACTUAL MATERIALS MOVED ARE VARIABLE DEPENDENT UPON THE CONTRACTOR'S METHOD OF OPERATION. IT IS THE CONTRACTOR'S RESPONSIBILITY TO PROVIDE FOR ANY EXCESS OR SHORTAGE OF EARTH MATERIAL FOR THIS PROJECT AND NO ADDITIONAL PAYMENT WILL BE MADE.
27. THESE DRAWINGS ARE FOR THIS SPECIFIC PROJECT AND NO OTHER USE IS AUTHORIZED. RFE ENGINEERING, INC. DISCLAIMS ALL RESPONSIBILITY FOR CONSTRUCTION BEYOND WHAT IS SPECIFICALLY DESIGNED OR DETAILED HEREIN.
28. THE CONTRACTOR SHALL TAKE CARE TO PROTECT THE EXISTING SITE AND ADJACENT IMPROVEMENTS FROM DAMAGE. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY DAMAGE RESULTING FROM THE CONSTRUCTION AND SHALL REPAIR OR MAKE REPLACEMENT TO CURRENT CITY/COUNTY STANDARDS. ALL SUCH WORK SHALL BE AT THE CONTRACTOR'S OWN EXPENSE. THE CONTRACTOR SHALL PERFORM THESE REPAIRS AND REMOVE ALL TRASH AND CONSTRUCTION DEBRIS AS DIRECTED BY RFE ENGINEERING, INC. OR THE CITY/COUNTY ENGINEER.
29. THE AGENCY, CITY/COUNTY ENGINEER, OWNER OR RFE ENGINEERING, INC. MAY REQUIRE THE CONTRACTOR TO UNCOVER ANY IMPROVEMENTS THAT HAVE BEEN COMPLETED WITHOUT PROPER INSPECTION AND/OR APPROVAL. IF THE INSTALLATION IS FOUND NOT TO MEET APPLICABLE STANDARDS OR PREVIOUSLY APPROVED ALTERNATIVES SHOWN ON THE PLANS, THE CONTRACTOR MAY BE REQUIRED TO REMOVE AND REPLACE SUCH IMPROVEMENTS AT HIS OWN EXPENSE.
30. THE CONTRACTOR IS RESPONSIBLE FOR PRESERVATION AND PROTECTION OF EXISTING SURVEY AND PROPERTY CORNER MONUMENTS THAT EXIST AT THE TIME OF CONSTRUCTION IN THE AREA WHERE CONSTRUCTION ACTIVITIES OCCUR. MONUMENTS DISTURBED, OR LOST, DUE TO CONSTRUCTION ACTIVITIES WILL REQUIRE THAT THE CONTRACTOR HAVE THEM REPLACED, IN KIND, BY A LICENSED CALIFORNIA LAND SURVEYOR, WHO WILL BE REQUIRED TO FILE WITH THE COUNTY EITHER A CORNER RECORD OR A RECORD OF SURVEY, WHICHEVER WILL MEET THE REQUIREMENTS OF THE LAND SURVEYOR'S ACT, SECTION 8771(B).

GENERAL PAVING NOTES:

CONTRACTOR SHALL CONSTRUCT PROJECT PAVING PER THE FOLLOWING PAVING SPECIFICATIONS AND REQUIREMENTS OUTLINED IN THE PROJECT SPECIFIC GEOTECHNICAL REPORT WHICH IS RESTRICTIVE FOR ALL IMPROVEMENTS WITHIN PUBLIC RIGHTS-OF-WAY TO BE MAINTAINED BY THE APPLICABLE AGENCY, UNLESS OTHERWISE NOTED ON THESE PLANS. CONTRACTOR SHALL CONSTRUCT PAVING IMPROVEMENTS PER THE APPLICABLE AGENCY STANDARDS.

SUBGRADE AND BASE PREPARATION

1. A UNIFORM SUBGRADE AT THE CORRECT ELEVATION AND PROPER PREPARATION OF THE SUBGRADE IS ESSENTIAL FOR OPTIMUM LONG-TERM PERFORMANCE OF THE CONCRETE PAVING. SUBGRADE SHALL BE EXCAVATED OR FILLED WITH SUITABLE MATERIAL TO PRODUCE THE REQUIRED SUBGRADE ELEVATIONS. SAND CUSHIONS SHALL NOT BE USED AS A CONSTRUCTION EXPEDIENT IN LIEU OF PROPER SUBGRADE PREPARATION. WHEN SUBGRADE IS SHAPED, LARGE EMBEDDED OBJECTS SHALL BE REMOVED AND THE TOP 12-INCHES OF SOIL SHALL BE THOROUGHLY MOISTURE CONDITIONED TO THE OPTIMUM MOISTURE CONTENT AND UNIFORMLY COMPACTED TO 90% RELATIVE COMPACTION. THE UPPER 6-INCHES OF SOIL SHALL BE THOROUGHLY MOISTURE CONDITIONED TO THE OPTIMUM MOISTURE CONTENT AND UNIFORMLY COMPACTED TO 95% RELATIVE COMPACTION FOR ALL STRUCTURAL SECTIONS SPECIFIED ON THESE PLANS. ALL UNSUITABLE SOIL SHALL BE REMOVED AND REPLACED WITH AN ACCEPTABLE ENGINEERED FILL.
2. CLASS 2 AGGREGATE BASE SHALL BE UNIFORM IN DEPTH AND COMPACTED TO 95% RELATIVE COMPACTION.
3. ACCEPTABLE TOLERANCES FOR FINE GRADING OF THE SUBGRADE AND AGGREGATE BASE ARE NO MORE THAN 1/4-INCH ABOVE OR 1/4-INCH BELOW THE DESIGN GRADE.

CONCRETE PAVING

(REFERENCE ACI 330R-01)

4. PORTLAND CEMENT CONCRETE (PCC):
 - MINIMUM COMPRESSIVE STRENGTH:
 - TRAFFIC RATED CONCRETE = 4,000 PSI IN 28 DAYS
 - PEDESTRIAN RATED CONCRETE = 3,500 PSI IN 28 DAYS
 - SLUMP: 3" TO 4"
 - AIR ENTRAINMENT: SEE TABLE BELOW
 - AGGREGATE: MAXIMUM 3/4 - INCH CRUSHED (ROUGH-TEXTURED, ANGULAR-SHAPED)
 - ADMIXTURES CONTAINING CHLORIDES AND SULFIDES ARE NOT ACCEPTABLE.

GENERAL PAVING NOTES CONT.:

RECOMMENDED AVERAGE AIR-CONTENT FOR AIR ENTRAINMENT (REF ACI 330R-01 TABLE 3.1)

NORMAL MAXIMUM SIZE AGGREGATE	TYPICAL AIR CONTENTS OF NON-AIR-ENTRAINED CONCRETE	RECOMMENDED AVERAGE AIR CONTENT FOR AIR-ENTRAINED CONCRETE (%)		
(INCHES)	(%)	MILD EXPOSURE	MODERATE EXPOSURE	SEVERE EXPOSURE
3/4	2.0	3.5	5.0	6.0

5. REINFORCING STEEL, IF SPECIFIED ON THE PLANS, SHALL BE CHAIRED AND LOCATED MID-SLAB DEPTH. REINFORCEMENT AND SPACING SHALL BE AS SPECIFIED ON THE PAVING PLAN. DEFORMED REINFORCEMENT SHALL BE GRADE 60 STEEL.
6. HEAVY DUTY TRAFFIC RATED PCC SLABS SHALL BE CONSTRUCTED WITH THICKENED EDGES, AT LEAST 0.2 x SLAB THICKNESS OR 2-INCH MINIMUM, PLUS THE SPECIFIED SLAB THICKNESS AND TAPEDED 3-FEET WIDE MEASURED HORIZONTALLY FROM THE PERIMETER OF THE SLAB.
7. FORMS SHALL BE STRAIGHT, FREE FROM WARPING, AND STRONG ENOUGH TO RESIST THE LATERAL PRESSURE OF THE CONCRETE. A FORM RELEASE AGENT SHALL BE APPLIED TO EASE STRIPPING.
8. CONCRETE SHALL BE PLACED CONTINUOUSLY AS CLOSE AS POSSIBLE TO ITS FINAL POSITION AND BE CONSOLIDATED.
9. IMMEDIATELY FOLLOWING STRIKE-OFF, THE SURFACE SHALL BE LEVELED WITH A BULLFLOAT OR A SCRAPING STRAIGHTEDGE. THE SURFACE SHALL NOT BE FINISHED MORE THAN NECESSARY TO REMOVE IRREGULARITIES. ALL EDGES, TOOLED JOINTS, AND ISOLATION JOINTS SHALL BE ROUNDED TO THE SPECIFIED RADIUS WITH APPROPRIATE TOOLS. THE USE OF HAND OR POWER FLOATS AND TROWELS IS NOT NECESSARY AND IS NOT RECOMMENDED.
10. AS SOON AS THE FINISHED CONCRETE HAS SET SUFFICIENTLY TO MAINTAIN A TEXTURE AND NO BLEED WATER REMAINS ON THE SURFACE, THE SURFACE CAN BE DRAGGED WITH A SHORT LENGTH OF DAMP BURLAP OR OTHER MATERIAL SUCH AS SYNTHETIC TURF CARPETING. AS AN ALTERNATIVE, THE SURFACE CAN BE BROOMED TO DEVELOP A SKID-RESISTANCE SURFACE AND UNIFORM APPEARANCE. SEE ARCHITECTURAL PLANS FOR ADDITIONAL SPECIAL CONCRETE FINISH REQUIREMENTS AND JOINT PATTERN REQUIREMENTS. UNLESS OTHERWISE SPECIFIED ON THE ARCHITECT'S PLANS, ALL CONCRETE SHALL HAVE A LIGHT BROOM FINISH.

11. THE CONCRETE SHALL BE PROTECTED FROM DAMAGE DURING THE CURING PROCESS.

12. CURING:
 - COLD TEMPERATURES - CONCRETE SHALL BE PROTECTED FROM FREEZING FOR AT LEAST 5-DAYS AFTER PLACEMENT. FOR FORECAST TEMPERATURES AROUND 25 TO 32 DEGREES FAHRENHEIT THE CONCRETE SHALL BE COVERED WITH POLYETHYLENE SHEETING. FOR COLDER TEMPERATURES, TWO SHEETS OF POLYETHYLENE SEPARATED BY 12-INCHES OF STRAW OR A SIMILAR DEGREE OF INSULATION.
 - WARM TEMPERATURES - WET CURING OR LIQUID MEMBRANE-FORMING CURING COMPOUND SHALL BE INITIATED IMMEDIATELY AFTER FINISHING IN SUNNY, WINDY, AND WARM CONDITIONS.
 - CONTRACTOR SHALL HAVE ENOUGH PLASTIC SHEETING AVAILABLE ON THE PROJECT SITE TO COMPLETELY COVER ANY SURFACES THAT MAY BE DAMAGED IN THE EVENT OF RAIN. THERE SHALL ALSO BE ADEQUATE WEIGHTS AVAILABLE TO KEEP THE PLASTIC SHEETING FROM BLOWING AWAY. FOR CONCRETE ON A SLOPE, DIVERSION SHALL BE PROVIDED FOR POTENTIAL RUN-ON TO PROTECT FROM WATER ABOVE WASHING ACROSS THE SURFACE.

13. CONCRETE JOINTS:

ISOLATION / EXPANSION JOINTS:

CONSTRUCT WHERE PCC MEETS FIXED FOUNDATIONS SUCH AS COLUMNS, BUILDING, MACHINERY FOUNDATIONS, WALLS, MANHOLES, DRAIN INLETS, UTILITY BOXES, DRAINAGE STRUCTURES, EXISTING ISLANDS, LIGHT STANDARDS, EXISTING APPROACH PAVEMENTS, ETC. ALL STRUCTURAL TUBING, PIPING, ETC. THAT EXTENDS UP THROUGH THE PCC SLAB SHALL BE WRAPPED WITH TWO LAYERS OF BUILDING PAPER OR ISOLATION JOINT MATERIAL TO BREAK BOND WITH PCC SLAB.

EXPANSION JOINT MATERIAL = 1/2 - INCH FELT EXPANSION FIBER BOARD, OR APPROVED EQUIVALENT. FULL DEPTH OF PCC WIDTH = 3/4 - INCH RADIUS = 1/4 - INCH

EXPANSION JOINT TO BE GREENSTREAK PAVING CAP SEAL OR APPROVED SEALANT IF SPECIFIED ON THE PLAN.

CONTRACTION CONTROL JOINTS HAND TOOLED OR SAWCUT

JOINT IS A SAW CUT, TROWEL CUT, OR PLASTIC OR HARDBOARD PREFORMED STRIP TO BE A MINIMUM OF ONE QUARTER THE DEPTH OF THE SLAB THICKNESS AND NO LESS THAN 1-INCH. THIS JOINT PROVIDES A WEAK PLANE IN THE SLAB WHERE CRACKING CAN OCCUR. MAXIMUM SPACING FOR 3/4 - INCH MAXIMUM AGGREGATE IS 2 x SLAB THICKNESS (DEPTH) IN FEET (I.E. A 4-INCH SLAB WITH 3/4 MAXIMUM AGGREGATE SHALL HAVE A MAXIMUM SPACING OF 8-FEET). MAXIMUM SPACING FOR AGGREGATE GREATER THAN 3/4 - INCH SHALL BE 2.5 x SLAB THICKNESS IN FEET (I.E. A 4-INCH SLAB WITH AGGREGATE GREATER THAN 3/4 SHALL HAVE A MAXIMUM SPACING OF 10-FEET). IN NO CASE SHALL SPACING BE GREATER THAN 15 - FEET.

PLACE CONTRACTION CONTROL JOINTS IN CURBS AND IN CURB AND GUTTER AT INTERVALS NO MORE THAN 10- FEET WHEN NOT ABUTTING CONCRETE PAVING OR SIDEWALK. WHERE CURBS ARE ABUTTING CONCRETE PAVEMENT OR SIDEWALK, JOINTS IN CURBS SHALL ALIGN WITH JOINTS IN PAVEMENT OR SIDEWALK. THE DEPTH OF THE JOINT SHALL BE NO LESS THAN 1 1/2".

SLAB THICKNESS (INCHES)	JOINT DEPTH (INCHES)	JOINT TROWEL RADIUS (INCHES)	MAXIMUM JOINT SPACING (FEET) (EACH DIRECTION)
4	1	3/8	8
5	1 1/4	3/8	10
6	1 1/2	3/8	12
6 1/2	1 3/4	3/8	13
7	1 3/4	3/8	14
8	2	3/8	15

TOOLING OR EARLY-ENTRY DRY-CUT SAW JOINTS ARE DESIRED TO PLACE JOINTS BEFORE DEVELOPMENT OF TENSILE STRESSES THAT ARE GREAT ENOUGH TO INITIATE CRACKING, THUS INCREASING THE PROBABILITY OF CRACKS FORMING AT THE JOINT. CONTRACTION JOINT PATTERNS SHOULD DIVIDE PAVEMENTS INTO APPROXIMATELY SQUARES. THE LENGTH OF A PANEL SHOULD NOT BE MORE THAN 25% GREATER THAN ITS WIDTH.

GENERAL PAVING NOTES CONT.:

CONSTRUCTION JOINTS

CONSTRUCTION JOINTS ARE STOPPING PLACES IN THE PROCESS OF CONSTRUCTION

BUTT TYPE CONSTRUCTION JOINT WITH DOWEL SMOOTH STEEL DOWEL BAR COATED TO PREVENT BOND MINIMUM 1-FOOT LONG - 6-INCHES IN EACH SIDE OF JOINT EDGE EACH SIDE WITH 1/8-INCH RADIUS.

DOWELS SHALL BE PLACED A MINIMUM OF 12-INCHES AWAY FROM ANY JOINT INTERSECTION.

PREVENT BOND OF CONCRETE AT JOINT OR EXTEND REBAR 1' MINIMUM BEYOND INITIAL SECTION TO TIE IN SECONDARY SECTION.

ALL NEW PCC PAVING SHALL BE TIED INTO EXISTING WITH 1/2-INCH STEEL DOWEL @ 12-INCHES O.C. EPOXY INTO EXISTING. DOWELS SHALL NOT BE WITHIN 12-INCHES OF EDGE OF CONCRETE OR JOINT INTERSECTION. EDGE NEW PCC WITH 1/8-INCH RADIUS AT JOINT.

SCORE JOINTS - HAND TROWELED FOR AESTHETICS ONLY. SEE ARCHITECTURAL PLANS FOR PATTERN IF NOT SPECIFIED ON CIVIL PLANS - FIT ALL OTHER CONTRACTION AND CONSTRUCTION JOINTS INTO THIS PATTERN.

14. ALL ISOLATION / EXPANSION JOINTS SHALL BE CAPPED WITH GREENSTREAK G-SEAL PAVING CAP SEAL PROFILE #610 OR #628 AS APPROPRIATE FOR USE.
15. ALL CONTRACTION CONTROL AND CONSTRUCTION JOINTS SHALL BE SEALED WITH SIKAFLEX SELF-LEVELING SEALANT (COLOR TO MATCH CONCRETE) OR APPROVED EQUIVALENT. JOINT WALLS AND ALL SURFACES TO WHICH THE SEALING MATERIAL IS TO ADHERE SHALL BE SURFACE DRY FOR AT LEAST THREE HOURS PRIOR TO SEALING. THE SURFACE OF THE SEALING COMPOUND SHALL BE A MAXIMUM OF 1/8-INCH BELOW THE LEVEL OF THE PCC SLAB SURFACE.
16. CONTRACTOR SHALL TAKE PRECAUTIONS TO REDUCE RAPID LOSS OF MOISTURE FROM THE CONCRETE AND REDUCE PLASTIC SHRINKAGE CRACKING. PRIOR TO PLACEMENT, DURING PLACEMENT AND UP TO 5-DAYS AFTER PLACEMENT AND FINISHING OF THE CONCRETE.
17. SEE ARCHITECTURAL PLANS FOR ADDITIONAL SPECIAL CONCRETE FINISH REQUIREMENTS AND JOINT PATTERN REQUIREMENTS. UNLESS OTHERWISE SPECIFIED ON THE ARCHITECT'S PLANS, ALL CONCRETE SHALL HAVE A LIGHT BROOM FINISH.

ASPHALT PAVING

(REFERENCE CALTRANS STANDARD SPECIFICATIONS SECTION 39)

18. ALL ASPHALT SHALL MEET CALTRANS TYPE A HMA SPECIFICATIONS.

19. FOR ASPHALT PAVEMENT THICKNESSES PLACED IN ONE SINGLE LIFT, THE GRADATION REQUIREMENTS SHALL BE AS FOLLOWS:

TYPE A HMA PAVEMENT THICKNESS	GRADATION
0.10 FEET	3/8 INCH
GREATER THAN 0.10 TO LESS THAN 0.20 FEET	1/2 INCH
0.20 TO LESS THAN 0.25 FEET	3/4 INCH
0.25 FEET OR GREATER	3/4 INCH OR 1 INCH

23. FOR PAVEMENT THICKNESS IN EXCESS OF 0.30 FEET, PAVEMENT SHALL BE PLACED IN MULTIPLE LIFTS NOT LESS THAN 0.15 FEET. WHEN PLACING ASPHALT IN LIFTS, THE TABLE BELOW IS APPLICABLE:

TYPE A HMA LIFT THICKNESS	GRADATION
0.15 TO LESS THAN 0.20 FEET	1/2 INCH
0.20 FEET TO LESS THAN 0.25 FEET	3/4 INCH
0.25 FEET OR GREATER	3/4 INCH OR 1 INCH

24. APPLY A TACK COAT BEFORE PLACING A SUBSEQUENT LIFT.

STORM DRAINAGE NOTES:

1. ALL CONSTRUCTION AND MATERIALS FOR DRAINAGE SHALL BE IN ACCORDANCE WITH THE LATEST EDITION OF THE COUNTY OF SACRAMENTO IMPROVEMENT STANDARDS AND STANDARD CONSTRUCTION SPECIFICATIONS. WHERE DISCREPANCIES EXIST, APPROPRIATE NOTES SHALL BE ADDED TO THE PLANS, TAKING PRECEDENCE OVER THE STANDARD CONSTRUCTION SPECIFICATIONS.

2. THE MINIMUM COVER REQUIREMENTS DURING CONSTRUCTION FOR TEMPORARY CONSTRUCTION VEHICLE LOADING SHALL BE 4 FEET FOR METAL AND PLASTIC PIPE, AND 3 FEET FOR REINFORCED CONCRETE PIPE.

3. THE CONTRACTOR SHALL PLACE THE PROPER STRENGTH PIPE IF TRENCH CONDITIONS ENCOUNTERED DIFFER FROM THE DESIGN TRENCH.

4. DRAINAGE IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL CONFORM TO THE FOLLOWING:

DRAINAGE PIPE MATERIALS SHALL CONFORM TO SECTION 36 AND SECTION 50 (EXCLUDING 50-20, WHICH IS NOT ALLOWED) OF THE S STANDARD CONSTRUCTION SPECIFICATIONS.

DRAINAGE MANHOLES SHALL CONFORM TO SECTION 39 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.

5. TESTING OF DRAINAGE SYSTEMS

- A. DRAINAGE IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL CONFORM TO THE FOLLOWING:

- i. DRAINAGE PIPES, INCLUDING DRAIN INLET LATERALS, SHALL BE TESTED IN CONFORMANCE WITH SECTION 38-10 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.

- ii. STORM DRAIN MANHOLES SHALL BE TESTED IN CONFORMANCE WITH SECTION 39-4.02 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.

6. RESILIENT CONNECTORS, IN CONFORMANCE WITH SECTION 39-2.02 AND STD DWG 9-7A OF THE STANDARD CONSTRUCTION SPECIFICATIONS ARE REQUIRED BETWEEN PRE-CAST MANHOLE AND PIPE, AND BETWEEN PRE-CAST DROP INLET MANHOLE/DROP INLET CONNECTIONS.

7. EROSION CONTROL STRUCTURES SHALL BE CLASS B CONCRETE, NOT GROUTED COBBLE PER COUNTY STD DWG NO. 9-2.

8. ALL DRAINAGE INLETS IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL HAVE A PERMANENT STORM DRAIN MESSAGE "NO DUMPING - FLOWS TO CREEK" OR OTHER APPROVED MESSAGE CONSISTENT WITH SECTION 9-14G AND STD DWGS 11-10A AND 11-10B OF THE SACRAMENTO COUNTY IMPROVEMENT STANDARDS.

DUST MITIGATION NOTES:

1. ENCLOSE, COVER OR WATER ALL SOIL PILES TWICE DAILY.
2. WATER EXPOSED SOIL WITH ADEQUATE FREQUENCY TO KEEP SOIL MOIST AT ALL TIMES.
3. WATER ALL HAUL ROADS TWICE DAILY.
4. MAINTAIN AT LEAST TWO (2) FEET OF FREEBOARD ON TRUCKS WHEN HAULING LOADS.
5. MAINTAIN CONSTRUCTION EQUIPMENT (STATIONARY AND MOBILE) IN OPTIMUM RUNNING CONDITION.

SACRAMENTO AREA SEWER DISTRICT (SASD)

REVISED 04/16/2019

1. ALL CONSTRUCTION AND MATERIALS USED WITHIN THE PIPE ZONE MUST BE IN ACCORDANCE WITH THE MOST RECENT EDITION OF THE SASD STANDARDS AND SPECIFICATIONS (STANDARDS). THE LATEST EDITION WILL TAKE PRECEDENCE. THE CONTRACTOR MUST OBTAIN AND USE ALL APPLICABLE ADDENDUMS, INTERMEDIATE BACKFILL, FINAL BACKFILL, AND ALL ROAD SECTIONS MUST BE CONSTRUCTED IN ACCORDANCE WITH THE GOVERNING JURISDICTION STANDARD CONSTRUCTION SPECIFICATIONS.

2. THE CONTRACTOR MUST NOTIFY THE APPROPRIATE INSPECTION OFFICE AT LEAST FIVE (5) WORKING DAYS IN ADVANCE OF BEGINNING WORK:

- a. FOR COLLECTOR FACILITIES (GENERALLY SMALLER THAN 12-INCH DIAMETER)
 - FOR PROJECTS LOCATED WITHIN THE UNINCORPORATED COUNTY, CITY OF CITRUS HEIGHTS, CITY OF RANCHO CORDOVA, AND THE CITY OF ELK GROVE, CONTACT THE SACRAMENTO COUNTY CONSTRUCTION MANAGEMENT AND INSPECTION DIVISION AT 916-875-2700.
 - FOR PROJECTS LOCATED WITHIN THE CITY OF SACRAMENTO, CONTACT THE PUBLIC UTILITIES DEPARTMENT AT 916-808-6810.
- b. FOR PUMP STATIONS, FORCE MAINS, AND TRUNK FACILITIES
 - CONTACT THE SACRAMENTO COUNTY CONSTRUCTION MANAGEMENT AND INSPECTION DIVISION AT 916-875-2700.

3. PLANS MUST BE RESUBMITTED FOR APPROVAL IF CONSTRUCTION OF SEWER FACILITIES HAS NOT BEGUN WITHIN ONE YEAR AFTER THE FINAL APPROVAL DATE OF THE IMPROVEMENT PLANS.

4. ALL WORK MUST BE INSPECTED BY SASD INSPECTION STAFF BEFORE BACKFILLING THE PIPE ZONE.

5. DIMENSIONS SHOWN ON PLANS ARE TO THE CENTERLINE OF PIPE AND OR MANHOLES, UNLESS OTHERWISE NOTED.

6. ALL MANHOLES MUST BE AT LEAST 48-INCHES DIAMETER, UNLESS OTHERWISE SHOWN.

7. GRAVITY MAIN LINES MUST BE CONSTRUCTED OF MINIMUM EXTRA STRENGTH VCP WITH TYPE II OR TYPE III BEDDING AND BACKFILL, UNLESS OTHERWISE NOTED. VCP SECTIONS MUST BE 6-FOOT LONG INCLUDING CURVED SECTIONS.

8. GRAVITY LOWER LATERALS MUST BE CONSTRUCTED OF 6-FOOT LONG MINIMUM EXTRA STRENGTH VCP, ABS SCHEDULE 40, HDPE DR 17, PVC C900, OR PVC SDR 26, AND BEDDED AND CONSTRUCTED PER STANDARDS DRAWING P-01 AND LL-01A, RESPECTIVELY.

9. CONSTRUCTION OF A CLEANOUT TO GRADE FOR ALL LOWER LATERALS IS REQUIRED PER STANDARDS DRAWING LL-02.

10. ANY WATER ENTERING THE SEWER SYSTEM CONSTRUCTED UNDER THESE PLANS MUST NOT BE DISCHARGED TO THE EXISTING SYSTEM. PLUGS MUST BE INSTALLED IN EXISTING MANHOLES AS NECESSARY TO PERMIT PUMPING THE NEW SYSTEM CLEAR OF WATER AND DEBRIS BEFORE ACCEPTANCE. CARE MUST BE EXERCISED IN PLACING PLUGS TO AVOID INTERRUPTING SERVICE CONNECTIONS. MECHANICAL PLUGS OR BRICK AND MORTAR MUST BE USED. INFLATABLE DEVICES ARE NOT SATISFACTORY.

11. SASD REQUIRES TELEVISION INSPECTION OF ALL CONSTRUCTED MAIN LINES IN ACCORDANCE WITH SECTION 331 OF THE STANDARDS. THE SASD INSPECTOR MUST SIGN PLANS ON PROVIDED SIGNATURE BLOCK "OK TO SUBMIT FOR GRID NUMBERING" AFTER INSTALLATION OF ALL SEWER FACILITIES AND BEFORE OBTAINING GRID NUMBERS FOR TELEVISION INSPECTION.

12. FOR THE CURRENT LIST OF SASD APPROVED TV CONTRACTORS GO TO https://www.sacsewer.com/sites/main/files/fileattachments/sasd_approved_tv_contractors_2019_list.pdf OR CALL 916-876-PLAN (7526)

13. DEWATERING MUST BE PERFORMED AS NECESSARY TO PROVIDE A STABLE TRENCH BOTTOM FOR PLACEMENT OF SEWER FACILITIES. BEFORE THE CONTRACTOR PLACES MATERIALS IN THE TRENCH, THE BOTTOM OF THE TRENCH MUST BE CERTIFIED BY A GEOTECHNICAL ENGINEER VERIFYING THAT THE TRENCH MEETS THE REQUIREMENTS SPECIFIED IN THE GEOTECHNICAL REPORT. ADDITIONAL REQUIREMENTS FOR UNSTABLE CONDITIONS MUST BE AT THE WRITTEN DIRECTION OF THE PROJECT GEOTECHNICAL ENGINEER OF RECORD. GEOTEXTILE FABRIC IS REQUIRED AS DESCRIBED IN NOTE 2: STANDARDS DRAWING P-01.

14. ANY DEVIATIONS FROM THE APPROVED PLANS MUST BE SUBMITTED TO SASD FOR APPROVAL. ALL DEVIATIONS MUST BE APPROVED IN WRITING BY SASD AS A PLAN REVISION BEFORE CONSTRUCTION. THE REQUEST FOR DEVIATION FORM CAN BE FOUND AT

https://www.sacsewer.com/sites/main/files/file-attachments/form-request-for-deviation_0.pdf

SMFG GENERAL NOTE:
NOT APPROVED FOR PRIVATE UNDERGROUND FIRE SERVICE
A SEPARATE PLAN SUBMITTAL IS REQUIRED FROM THE INSTALLING CONTRACTOR

CITY OF RANCHO CORDOVA DRAINAGE NOTES

3. ALL CONSTRUCTION AND MATERIALS FOR DRAINAGE SHALL BE IN ACCORDANCE WITH THE LATEST EDITION OF THE COUNTY OF SACRAMENTO IMPROVEMENT STANDARDS AND STANDARD CONSTRUCTION SPECIFICATIONS. WHERE DISCREPANCIES EXIST, APPROPRIATE NOTES SHALL BE ADDED TO THE PLANS. TAKING PRECEDENCE OVER THE STANDARD CONSTRUCTION SPECIFICATIONS.
2. THE MINIMUM COVER REQUIREMENTS DURING CONSTRUCTION FOR TEMPORARY CONSTRUCTION VEHICLE LOADING SHALL BE 4 FEET FOR METAL AND PLASTIC PIPE, AND 3 FEET FOR REINFORCED CONCRETE PIPE.
3. THE CONTRACTOR SHALL PLACE THE PROPER STRENGTH PIPE IF TRENCH CONDITIONS ENCOUNTERED DIFFER FROM THE DESIGN TRENCH.
4. DRAINAGE IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL CONFORM TO THE FOLLOWING:
 - A. DRAINAGE PIPE MATERIAL PIPE SHALL CONFORM TO SECTION 36 AND SECTION 50 (EXCLUDING 50-20, WHICH IS NOT ALLOWED) OF THE STANDARD CONSTRUCTION SPECIFICATIONS.
 - B. DRAINAGE MANHOLES SHALL CONFORM TO SECTION 39 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.
5. TESTING OF DRAINAGE SYSTEMS
 - A. DRAINAGE IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL CONFORM TO THE FOLLOWING:
 - i. DRAINAGE PIPES, INCLUDING DRAIN INLET LATERALS, SHALL BE NESTED IN CONFORMANCE WITH SECTION 38-10 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.
 - ii. STORM DRAIN MANHOLES SHALL BE TESTED IN CONFORMANCE WITH SECTION 39-4.02 OF THE STANDARD CONSTRUCTION SPECIFICATIONS.
6. RESILIENT CONNECTORS, IN CONFORMANCE WITH SECTION 39-2.02 AND STD. DWG. 9-7-A OF THE STANDARD CONSTRUCTION SPECIFICATIONS, ARE REQUIRED BETWEEN PRE-CAST MANHOLE AND PIPE, AND BETWEEN PRE-CAST DROP INLET AND PIPE. WATER STOPS ARE REQUIRED FOR PIPE TO CAST-IN-PLACE MANHOLE/DROP INLET CONNECTIONS.
7. EROSION CONTROL STRUCTURES (STD. DWG. 9-27) SHALL BE CLASS B CONCRETE, NOT GROUTED COBBLE.
8. ALL DRAINAGE INLETS IN PUBLIC ROW AND DRAINAGE EASEMENTS SHALL HAVE A PERMANENT STORM DRAIN MESSAGE "NO DUMPING - FLOWS TO CREEK" OR OTHER APPROVED MESSAGE CONSISTENT WITH SECTION 9-14G AND STD. DWGS 11-10A AND 11-10B OF THE SACRAMENTO COUNTY IMPROVEMENT STANDARDS.

ORIGINAL SCALE IS IN INCHES

I HEREBY DECLARE THAT I AM THE ENGINEER OF WORK FOR THIS PROJECT, THAT I HAVE EXERCISED RESPONSIBLE CHARGE OVER THE DESIGN OF THIS PROJECT AS DEFINED IN SECTION 6703 OF THE BUSINESS AND PROFESSIONS CODE, AND THAT THE DESIGN IS CONSISTENT WITH CURRENT STANDARDS. I UNDERSTAND THAT THE CHECK OF PROJECT DRAWINGS AND SPECIFICATIONS BY THE CITY OF RANCHO CORDOVA IS CONFINED TO REVIEW AND COMMENTS ONLY AND DOES NOT RELIEVE ME AS ENGINEER OF WORK OF MY RESPONSIBILITIES FOR PROJECT DESIGN.

THESE PLANS HAVE BEEN REVIEWED BY THE UNDERSIGNED RELATIVE TO GEOTECHNICAL ASPECTS OF THE PLANS AND HAVE BEEN FOUND TO BE IN CONFORMANCE WITH INTENTIONS OF THE FINDINGS AND RECOMMENDATIONS CONTAINED IN THE GEOTECHNICAL REPORT BY YOUNGDAHL CONSULTING GROUP, INC., REPORT NUMBER E21426.000 DATED NOVEMBER 2021.

SMFG GENERAL NOTE:
NOT APPROVED FOR PRIVATE
UNDERGROUND FIRE SERVICE
 A SEPARATE PLAN SUBMITTAL IS REQUIRED
 FROM THE INSTALLING CONTRACTOR

GEOTECHNICAL ENGINEER	REG. NO.
EXP. DATE.	

THE UNDERGROUND UTILITIES SHOWN HAVE BEEN LOCATED FROM FIELD SURVEY INFORMATION AND EXISTING DRAWINGS. THE SURVEYOR MAKES NO GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEYOR FURTHER DOES NOT GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED ALTHOUGH HE DOES CERTIFY THAT THEY ARE LOCATED AS ACCURATELY AS POSSIBLE FROM INFORMATION AVAILABLE. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES.

PRIOR TO THE START OF ANY CIVIL WORK, IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO VERIFY THE HORIZONTAL AND VERTICAL LOCATIONS OF ALL EXISTING UTILITIES BY POTHOLES AT ALL POINTS OF POTENTIAL CONFLICT WITH PROPOSED UTILITIES OR PROPOSED POINTS OF CONNECTION WITH EXISTING UTILITIES. IF THE ACTUAL LOCATIONS OF THE EXISTING UTILITIES FOUND IN THE FIELD ARE DIFFERENT FROM WHAT IS SHOWN ON THE RECORD DRAWINGS, THE CONTRACTOR SHALL NOTIFY THE ENGINEERING DIVISION IMMEDIATELY AND PROVIDE THE ACTUAL LOCATION INFORMATION. RFE ENGINEERING WILL VERIFY IF THERE ARE ANY CONFLICTS WITH THE IMPROVEMENTS AND WILL PROVIDE MODIFICATIONS TO THE DESIGN TO MITIGATE THE CONFLICTS IF ANY CONFLICTS EXIST.

REFER TO TITLE SHEET C1 FOR NOTICE TO CONTRACTOR ABOUT VERIFYING UTILITY LOCATIONS PRIOR TO CONSTRUCTION, THE PROJECT FLOOD ZONE, BASIS OF BEARING, AND PROJECT DATUM.

(D1)	REMOVE AND REPLACE EXISTING CURB, GUTTER AND SIDEWALK FOR NEW DRIVEWAY - SEE GRADING PLAN FOR PROPOSED IMPROVEMENTS. 2 FOOT MINIMUM SAWCUT.
(D2)	REMOVE AND REPLACE EXISTING CURB, GUTTER AND SIDEWALK - SEE GRADING PLAN FOR PROPOSED IMPROVEMENTS. 2 FOOT MINIMUM SAWCUT.
(D3)	REMOVE AND REPLACE EXISTING CURB, GUTTER AND SIDEWALK FOR NEW ADA ACCESSIBLE RAMP - SEE GRADING PLAN FOR PROPOSED IMPROVEMENTS. 2 FOOT MINIMUM SAWCUT.
(D4)	REMOVE AND REPLACE PAVEMENT AND CURB & GUTTER TO CONSTRUCT PROPOSED STORM DRAIN LINE. TRENCH RESTORATION IN CITY RIGHT OF WAY TO BE PER CITY STANDARDS.
(D5)	REMOVE AND REPLACE PAVEMENT AND CURB & GUTTER TO CONSTRUCT PROPOSED SEWER LINE. TRENCH RESTORATION IN CITY RIGHT OF WAY TO BE PER CITY STANDARDS.

P1	PROTECT-IN-PLACE UTILITY STRUCTURE AND UNDERGROUND UTILITIES CONNECTING TO IT. RAISE TO FINISHED GRADE WITH PROPOSED IMPROVEMENTS AS NECESSARY. TRAFFIC RATED (H20) COVER TO REPLACE EXISTING COVER, AS NECESSARY NECESSARY.
P2	PROTECT-IN-PLACE EXISTING FENCE DURING CONSTRUCTION
P3	PROTECT-IN-PLACE WATER LINE DURING CONSTRUCTION.
P4	PROTECT EXISTING UTILITY STRUCTURES AND UNDERGROUND UTILITIES CONNECTING TO IT TO BE RELOCATED. SEE UTILITY PLAN FOR RELOCATION. CONTRACTOR TO COORDINATE WITH UTILITY COMPANY FOR RELOCATION.

1. SAWCUT AND REMOVE EXISTING ASPHALT PAVEMENT AND PORTLAND CEMENT CONCRETE SIDEWALKS AND CURB AND GUTTERS WITHIN THE LIMITS OF DEMOLITION. ENGINEER SHALL VERIFY LIMITS OF DEMOLITION. PROTECT EXISTING PAVEMENTS AND IMPROVEMENTS TO REMAIN.
2. THE DISPOSAL OF ALL DEBRIS IS THE RESPONSIBILITY OF THE CONTRACTOR AND IT SHALL BE DISPOSED OF OFF-SITE IN ACCORDANCE WITH ALL APPLICABLE CITY, COUNTY, STATE AND FEDERAL REGULATIONS. ANY PERMITS REQUIRED FOR SUCH DISPOSAL ARE THE RESPONSIBILITY OF THE CONTRACTOR.
3. SAWCUT ASPHALT 2' MIN FROM (E) CURB, (P) CURB OR AS OTHERWISE SHOWN ON PLANS.
4. ALL EXISTING STRIPING AND MARKINGS TO BE REMOVED SHALL BE REMOVED BY WET SANDBLASTING OR GRINDING. PAVEMENT LEGENDS AND ARROWS THAT ARE REMOVED SHALL BE REMOVED IN A BLOCK PATTERN. ALL STRIPING AND MARKING REMOVAL AREAS SHALL BE TREATED WITH AN APPROVED PAVEMENT SEALER.
5. REMOVE EXISTING VEGETATION, MULCH, IRRIGATION, AND OTHER AS REQUIRED IN AREA OF PROJECT IMPROVEMENTS. CAP AND RELOCATE IRRIGATION AS NEEDED. SEE LANDSCAPE PLANS.
6. EXISTING FACILITIES (e.g. IRRIGATION, ELECTRICAL) TO REMAIN SHALL BE PROTECTED DURING CONSTRUCTION. SEE APPLICABLE LANDSCAPE, ELECTRICAL AND ARCHITECTURAL PLANS.
7. REMOVE EXISTING PCC TO LIMITS SHOWN. SAWCUT AT EXISTING SCORE AND/OR EXPANSION JOINTS WHEN POSSIBLE.
8. ANY WORK IN THE CITY / COUNTY ROW SHALL REQUIRE A TRAFFIC CONTROL PLAN PRIOR TO THE ISSUANCE OF ANY PERMIT.
9. ANY PAVEMENT CUT AND REPAIR WITHIN THE CITY / COUNTY ROW SHALL BE REPAIRED PER CITY / COUNTY STANDARDS.
10. THE CONTRACTOR SHALL COMPLY WITH PROVISIONS OF THE SAFETY AND HEALTH REGULATION FOR CONSTRUCTION, PROMULGATED BY THE SECRETARY OF LABOR UNDER SECTION 107 OF THE CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 USC 327 ET SEQ.) AS SET FORTH IN TITLE 29, C.F.R., CAL/OSHA, AND THE REGULATIONS ISSUED THEREUNDER. COMPLIANCE SHALL BE THE CONTRACTOR'S SOLE RESPONSIBILITY.

CONSTRUCTION KEYNOTES:

1. CONSTRUCT ON-SITE CONCRETE BARRIER CURB.
2. CONSTRUCT TYPE 2 CURB AND GUTTER WITH 4 FOOT SIDEWALK PER SAC COUNTY DETAIL 4-30.
3. CONSTRUCT MONOLITHIC CONCRETE CURB AND SIDEWALK.
4. CONSTRUCT CONCRETE SIDEWALK.
5. CONSTRUCT NEW DRIVEWAY WITH CURB, GUTTER, AND SIDEWALK PER SACRAMENTO COUNTY DETAIL 4-A-35. ADA ACCESSIBLE RAMPS TO BE CONSTRUCTED ON EACH SIDE OF DRIVEWAY.
6. CONSTRUCT CAST-IN-PLACE TRUNCATED DOMES.
7. CONSTRUCT ADA ACCESSIBLE HANDRAILS ALONG RAMP.
8. CONSTRUCT TRASH ENCLOSURE FENCE WITH CONCRETE APRON - SEE ARCHITECTURAL DRAWINGS FOR DETAILS. CONCRETE SLAB TO HAVE THICKENED EDGES. DRAINAGE TO EXIT BACK OF TRASH ENCLOSURE TO CONCRETE CHANNEL INTO ADJACENT LANDSCAPE PLANTER. SEE FINISHED SURFACE ELEVATIONS THIS SHEET.
9. CONSTRUCT ADA ACCESSIBLE PARKING STALLS. SLOPES TO BE MAX 2.0% IN ANY DIRECTION.
10. CONSTRUCT ADA ACCESSIBLE CURB RAMP.
11. CONSTRUCT 20 FOOT MOTORIZED ROLL GATE AND KNOX LOCK (CLICK TO OPEN) PER ARCHITECTURAL PLANS.
12. CONSTRUCT FENCE PER ARCHITECTURAL PLANS.
13. CONSTRUCT BICYCLE PARKING PER ARCHITECTURAL PLANS.
14. CONSTRUCT BIORETENTION PLANTER PER DETAIL 5, SHEET C11.
15. CONSTRUCT 2 FOOT VALLEY GUTTER.
16. CONSTRUCT 1.5" THRESHOLD IN CONCRETE AT ROLL-UP DOOR - SEE ARCHITECTURAL PLANS FOR DETAILS.
17. CONSTRUCT NEW STREETLIGHT PER SACRAMENTO COUNTY STANDARDS - SEE ELECTRICAL PLANS FOR DETAILS.

DRAINAGE KEYNOTES:

- D1. CONSTRUCT 18" NYLOPLAST DRAIN BASIN (OR APPROVED EQUAL) PER MFR RECOMMENDATIONS. INVERT ELEVATIONS (I.E.) AS SHOWN PER PLAN. STRUCTURE AND GRATE FRAME SHALL WITHSTAND MIN H-20 LOADING IN VEHICULAR AREAS. DOME GRATE TO BE USED IN LANDSCAPE AREAS.
- D2. CONSTRUCT JENSEN PRECAST STORM DRAIN MANHOLE (OR APPROVED EQUIVALENT). INVERT ELEVATIONS (I.E.) SHOWN ON PLAN. PAVEMENT RESTORATION PER CITY STANDARDS.
- D3. CONSTRUCT 18" NYLOPLAST DRAIN BASIN WITH COVER, NO GRATE (OR APPROVED EQUAL) PER MFR RECOMMENDATIONS. INVERT ELEVATIONS (I.E.) AS SHOWN PER PLAN. STRUCTURE AND GRATE FRAME SHALL WITHSTAND MIN H-20 LOADING IN VEHICULAR AREAS.
- D4. DOWNSPOUT LOCATION - TO OUTFLOW ONTO CONCRETE
- D5. DOWNSPOUT LOCATION - CONNECT DOWNSPOUT TO SD SYSTEM AS SHOWN. PLACE CLEANOUT AND WYE AT CONNECTION POINT.

NOTE: ALL STORM DRAIN MATERIAL TO BE ADS N-12 HDPE PIPE OR APPROVED EQUIVALENT.

TREE NOTE:

1. EXISTING PINE TREES TO THE EAST OF THE PROJECT PROPERTY SHALL BE PROTECTED WITH ORANGE FENCING DURING CONSTRUCTION.

SMFG GENERAL NOTE:
NOT APPROVED FOR PRIVATE UNDERGROUND FIRE SERVICE
A SEPARATE PLAN SUBMITTAL IS REQUIRED FROM THE INSTALLING CONTRACTOR

4/22/2022

RFE PROJECT #21-201 - 11201 SUN CENTER DRIVE, RANCHO CORDOVA, CA 95742

DESCRIPTION

SANITARY SEWER CONSTRUCTION KEYNOTES:

- ## SCWA CONSTRUCTION KEYNOTES:

ALL WATERLINE FITTINGS SHALL BE RESTRAINED BY THRUST BLOCKS AND/OR APPROVED JOINT RESTRAINING DEVICES AS SHOWN ON THESE PLANS OR REFER TO THE LATEST EDITION OF THE COUNTY OF SACRAMENTO STANDARD CONSTRUCTION SPECIFICATIONS, DETAILS 8-3A AND THE SACRAMENTO COUNTY WATER AGENCY WATER NOTES 18 & 19.

- ## PRIVATE WATER CONSTRUCTION KEYNOTES:

- 1 INSTALL 1" PVC SCHEDULE 80 WATER, OR APPROVED EQUIVALENT.
- 2 TRENCH AND INSTALL 8" FIRE SERVICE LINE WITH PVC C900 DR 14 WATER MAIN WITH MEGA-LUGS AND THRU BLOCKING AT ALL BENDS, FITTINGS AND JUNCTIONS PER THE SCWA STANDARD SPECIFICATIONS AND STANDARD DRAWINGS 8-3A AND 8-17.
- 3 INSTALL 1" PVC SCHEDULE 80 WATER, OR APPROVED EQUIVALENT. CAP LINE FOR FUTURE IRRIGATION POINT OF CONNECTION. SEE LANDSCAPE PLANS FOR CONTINUATION.
- 4 POC FOR DOMESTIC WATER SERVICE - SEE PLUMBING PLANS FOR CONTINUATION AND COORDINATE LOCATION WITH PLUMBING PLANS AND BUILDING PLUMBING INSTALLER. COORDINATE ALL FITTINGS AND CONNECTIONS AS NEEDED TO MAKE CONNECTION. REFER TO BUILDING PLUMBING PLANS FOR BUILDING SHUT OFF VALVE.
- 5 POC AT FIRE RISER ROOM - SEE FIRE SPRINKLER PLANS BY OTHERS FOR CONTINUATION IN BUILDING. AT FIRE RISER ROOM, CONSTRUCT FLOOR PENETRATION.
- 6 FIRE RISER ROOM LOCATION (SEE ARCHITECTURAL PLANS)

WATER NOTES:
1.) WATER PIPE SIZES 4" - 12" SHALL BE C-900 PVC.
2.) WATER PIPE SIZES <4" SHALL BE SCHEDULE 80 PVC.
3.) SEE LANDSCAPING PLANS FOR IRRIGATION SLEEVES TO BE CONSTRUCTED

STRIPING KEYNOTES:

1. PLACE ACCESSIBLE SITE ENTRANCE SIGN PER DETAIL 6, THIS SHEET, AND POST PER DETAIL 7, THIS SHEET.
2. PLACE DIRECTIONAL PATH-OF-TRAVEL SIGN PER DETAIL 3 AND POST PER DETAIL 7, THIS SHEET. DIRECTION AS INDICATED ON PLAN.
3. PLACE ACCESSIBLE PARKING SIGN WITH "VAN" ACCESSIBLE SIGN ON WALL PER DETAIL 4, THIS SHEET.
4. PAINT 4" WIDE STRIPES IN PARKING STALLS WITH 2 COATS WHITE. SEE DETAIL 1, THIS SHEET.
5. PAINT FIRE LANE MARKING PER DETAIL 2, THIS SHEET.
6. PAINT ACCESSIBLE PARKING SYMBOL PER DETAIL 12, SHEET C12.
7. PAINT ACCESSIBLE PARKING STRIPING PER DETAIL 11, SHEET C12.
8. PAINT 12" TALL "CLEAN AIR / EV / VANPOOL" STENCIL WITH 2 COATS WHITE. UNDERGROUND CONDUIT TO BE INSTALLED TO PARKING STALL FOR FUTURE EV CHARGING STATION - SEE PLANS BY OTHERS FOR DETAILS.

NOTE:

1. SEE HORIZONTAL CONTROL PLAN FOR ADDITIONAL DIMENSIONS.
2. DIMENSIONS ARE TO FACE OF CURB UNLESS SPECIFIED OTHERWISE.
3. ALL PAINTED SURFACES SHALL RECEIVE 2 COATS MINIMUM ADDITIONAL COATS MAY BE REQUIRED FOR ACCEPTED COVERAGE.

EROSION & SEDIMENT CONTROL PLAN

Sheet
C9
10 of 13
4/22/2022

RFE PROJECT #21-201 - 11201 SUN CENTER DRIVE, RANCHO CORDOVA, CA 95742

1. THE CONTRACTOR SHALL ALLOW ALL JURISDICTIONAL GUIDELINES FOR GRADING AND THE EROSION AND SEDIMENT CONTROL MEASURES SHOWN OR STATED ON THESE PLANS.
2. CONTRACTOR MUST ENSURE THAT THE CONSTRUCTION SITE IS PREPARED PRIOR TO THE ONSET OF ANY STORM. CONTRACTOR SHALL HAVE ALL EROSION AND SEDIMENT CONTROL MEASURES IN PLACE FOR THE WINTER MONTHS PRIOR TO OCTOBER 1.
3. ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE MAINTAINED UNTIL DISTURBED AREAS ARE STABILIZED. CHANGES TO THIS EROSION AND SEDIMENT CONTROL PLAN SHALL BE MADE TO MEET FIELD CONDITIONS ONLY WITH THE APPROVAL OF OR AT THE DIRECTION OF A REPRESENTATIVE OF THE DEPARTMENT OF UTILITIES.
4. THIS PLAN MAY NOT COVER ALL THE SITUATIONS THAT ARISE DURING CONSTRUCTION DUE TO UNANTICIPATED FIELD CONDITIONS. VARIATIONS MAY BE MADE TO THE PLAN IN THE FIELD SUBJECT TO THE APPROVAL OF OR AT THE DIRECTION OF A REPRESENTATIVE OF THE DEPARTMENT OF UTILITIES.
5. ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE CHECKED BEFORE AND AFTER ALL STORMS TO ENSURE MEASURES ARE FUNCTIONING PROPERLY.
6. CONTRACTOR SHALL MAINTAIN A LOG AT THE SITE OF ALL INSPECTIONS OR MAINTENANCE OF BMPS, AS WELL AS, ANY CORRECTIVE CHANGES TO THE BMPS OR EROSION AND SEDIMENT CONTROL PLAN.
7. IN AREAS WHERE SOIL WILL BE EXPOSED LONGER THAN 14 DAYS, CONTRACTOR SHALL STABILIZE EXPOSED SOILS WITH HYDROSEEDING OR OTHER EQUIVALENT METHOD. CONTRACTOR SHALL ENSURE NO AREAS WILL BE LEFT EXPOSED OVER THE WINTER SEASON.
8. THE CONTRACTOR SHALL INSTALL THE STABILIZED CONSTRUCTION ENTRANCE PRIOR TO COMMENCEMENT OF GRADING. LOCATION OF THE ENTRANCE MAY BE ADJUSTED BY THE CONTRACTOR TO FACILITATE GRADING OPERATIONS. ALL CONSTRUCTION TRAFFIC ENTERING THE PAVED ROAD MUST CROSS THE STABILIZED CONSTRUCTION ENTRANCE. THE STABILIZED CONSTRUCTION ENTRANCE SHALL REMAIN IN PLACE UNTIL THE ROAD BASE ROCK COURSE IS COMPLETED.
9. ALL SEDIMENT DEPOSITED ON PAVED ROADWAYS SHALL BE SWEEP AT THE END OF EACH WORKING DAY OR AS NECESSARY.
10. CONTRACTOR SHALL PLACE GRAVEL BAG BARRIERS AROUND ALL NEW DRAINAGE STRUCTURE OPENINGS IMMEDIATELY AFTER THE STRUCTURE OPENING IS CONSTRUCTED. THESE GRAVEL BAG BARRIERS SHALL BE MAINTAINED AND REMAIN IN PLACE UNTIL CONSTRUCTION IS COMPLETED.
11. SOIL STOCKPILE SHALL BE SURROUNDED BY STRAW WATTLE. CONTRACTOR SHALL COVER STOCKPILE WHEN NOT IN USE.

12. CONTRACTOR SHALL IMPLEMENT HOUSEKEEPING PRACTICES AS FOLLOWS:
 - A. SOLID WASTE MANAGEMENT:

PROVIDE DESIGNATED WASTE COLLECTION AREAS AND CONTAINERS. ARRANGE FOR REGULAR REMOVAL AND DISPOSAL. CLEAR SITE OF TRASH INCLUDING ORGANIC DEBRIS, PACKAGING MATERIALS, SCRAP OR SURPLUS BUILDING MATERIALS AND DOMESTIC WASTE DAILY.
 - B. MATERIAL REMOVAL AND STORAGE:

PROVIDE A DESIGNATED MATERIAL STORAGE AREA WITH SECONDARY CONTAINMENT SUCH AS BERMING. STORE MATERIAL ON PALLETS AND PROVIDE COVERING FOR SOLUBLE MATERIALS. RELOCATE STORAGE AREA INTO BUILDING SHELL WHEN POSSIBLE. INSPECT AREA WEEKLY.
 - C. CONCRETE WASTE:

PROVIDE A DESIGNATED AREA FOR A TEMPORARY PIT TO BE USED FOR CONCRETE TRUCK WASH-OUT. DISPOSE OF HARDENED CONCRETE OFFSITE. AT NO TIME SHALL A CONCRETE TRUCK DUMP ITS WASTE AND CLEAN ITS TRUCK INTO THE CITY STORM DRAINS VIA CURB AND GUTTER. INSPECT DAILY TO CONTROL RUNOFF, AND WEEKLY FOR REMOVAL OF HARDENED CONCRETE.
 - D. PAINT AND PAINTING SUPPLIES:

PROVIDE INSTRUCTION TO EMPLOYEES AND SUBCONTRACTORS REGARDING REDUCTION OF POLLUTANTS INCLUDING MATERIAL STORAGE, USE, AND CLEAN UP. INSPECT SITE WEEKLY FOR EVIDENCE OF IMPROPER DISPOSAL.
 - E. VEHICLE FUELING, MAINTENANCE AND CLEANING:

PROVIDE A DESIGNATED FUELING AREA WITH SECONDARY CONTAINMENT SUCH AS BERMING. DO NOT ALLOW MOBILE FUELING OF EQUIPMENT. PROVIDE EQUIPMENT WITH DRIP PANS. RESTRICT ON-SITE MAINTENANCE AND CLEANING OF EQUIPMENT TO A MINIMUM. INSPECT AREA WEEKLY.
 - F. HAZARDOUS WASTE MANAGEMENT:

PREVENT THE DISCHARGE OF POLLUTANTS FROM HAZARDOUS WASTES TO THE DRAINAGE SYSTEM THROUGH PROPER MATERIAL USE, WASTE DISPOSAL AND TRAINING OF EMPLOYEES. HAZARDOUS WASTE PRODUCTS COMMONLY FOUND ON-SITE INCLUDE BUT ARE NOT LIMITED TO PAINTS AND SOLVENTS, PETROLEUM PRODUCTS, FERTILIZERS, HERBICIDES & PESTICIDES, SOIL STABILIZATION STABILIZATION PRODUCTS, ASPHALT PRODUCTS AND CONCRETE CURING PRODUCTS.
13. THE FOLLOWING SOIL WIND EROSION CONTROL (DUST CONTROL) METHODS ARE PROPOSED AS PART OF THESE IMPROVEMENT PLANS:
 - A. WATER THE SOIL OF THE SITE AND THE ADJACENT STREETS BEING USED IN CONNECTION WITH SOIL DISTURBANCE OPERATIONS ON THE SITE IN ACCORDANCE WITH CALTRANS STANDARDS.
 - B. COVER EXPOSED SOIL WITH GRAVEL OR ROCK LANDSCAPING.
 - C. COVER EXPOSED SOIL WITH ORGANIC MULCHES, SPRINKLER IRRIGATED.
 - D. IRRIGATE GRASSES.
 - E. MAINTAIN LANDSCAPE VEGETATION.
14. REFER TO THE PROJECT SWPPP FOR ADDITIONAL EROSION AND SEDIMENT CONTROL REQUIREMENTS AND RECOMMENDATIONS.

NOTES:
 1. ALL EROSION BMPs SHALL BE IN PLACE PRIOR TO STORM EVENTS AND IN ACCORDANCE WITH THE LATEST EDITION OF SECTION I OF THE IMPROVEMENT STANDARDS AND THE CALIFORNIA STORM WATER HANDBOOK.
 2. MAINTAIN BMPs AS NECESSARY.

9	NTS	EROSION AND SEDIMENT CONTROL NOTES	7	NTS	EROSION AND SEDIMENT CONTROL IMPLEMENTATION
---	-----	------------------------------------	---	-----	---

1. ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE CONSTRUCTED AND MAINTAINED IN ACCORDANCE WITH THE CURRENT EDITION OF THE COUNTY OF SACRAMENTO IMPROVEMENT STANDARDS (APRIL 1, 2018).
2. EROSION CONTROL BEST MANAGEMENT PRACTICES (BMPs) SHALL BE INSTALLED AND MAINTAINED DURING THE WET SEASON (OCTOBER 1 THROUGH APRIL 30). SEDIMENT CONTROL BMPs SHALL BE INSTALLED AND MAINTAINED YEAR ROUND.
3. ALL DRAINAGE INLETS IMMEDIATELY DOWNSTREAM OF THE WORK AREAS AND WITHIN THE WORK AREAS SHALL BE PROTECTED WITH SEDIMENT CONTROL BMPs. SEE SACRAMENTO COUNTY STANDARD DETAIL 11-14.
4. ALL STABILIZED CONSTRUCTION ACCESS LOCATIONS SHALL BE CONSTRUCTED PER STANDARD DRAWING 11-1 WHERE CONSTRUCTION TRAFFIC ENTERS OR LEAVES PAVED AREAS. THE STABILIZED ACCESS SHALL BE MAINTAINED ON A YEAR ROUND BASIS UNTIL THE COMPLETION OF CONSTRUCTION.
5. ALL AREAS DISTURBED DURING CONSTRUCTION BY GRADING, TRENCHING, OR OTHER ACTIVITIES, SHALL BE PROTECTED FROM EROSION DURING THE WET SEASON (OCTOBER 1 THROUGH APRIL 30). HYDROSEED, IF UTILIZED, MUST BE PLACED BY SEPTEMBER 15. HYDROSEED PLACED DURING THE WET SEASON SHALL USE A SECONDARY EROSION PROTECTION METHOD.
6. SENSITIVE AREAS AND AREAS WHERE EXISTING VEGETATION IS BEING PRESERVED SHALL BE PROTECTED WITH CONSTRUCTION FENCING. SEDIMENT CONTROL BMPs SHALL BE INSTALLED WHERE ACTIVE CONSTRUCTION AREAS DRAIN INTO SENSITIVE OR PRESERVED VEGETATION AREAS.
7. SEDIMENT CONTROL BMPs SHALL BE PLACED ALONG THE PROJECT PERIMETER WHERE DRAINAGE LEAVES THE PROJECT. SEDIMENT CONTROL BMPs SHALL BE MAINTAINED YEAR ROUND UNTIL THE CONSTRUCTION IS COMPLETED OR THE DRAINAGE PATTERN HAS BEEN CHANGED AND NO LONGER LEAVES THE SITE.
8. EROSION AND SEDIMENT CONTROL MEASURES FOR THE PROJECT SHALL BE IN SUBSTANTIAL COMPLIANCE AT ALL TIMES WITH THE STORMWATER POLLUTION PREVENTION PLAN (SWPPP) PREPARED FOR THE PROJECT IN ACCORDANCE WITH THE STATE OF CALIFORNIA GENERAL CONSTRUCTION PERMIT. THIS PERMIT REQUIRES THAT THE SWPPP BE KEPT UP TO DATE TO REFLECT THE CHANGING SITE CONDITIONS AND THE SWPPP IS TO BE AVAILABLE ON SITE AT ALL TIMES FOR REVIEW STATE AND LOCAL INSPECTORS.
9. EFFECTIVE EROSION CONTROL BMPs SHALL BE IN PLACE PRIOR TO ANY STORM EVENTS.
10. CONTRACTOR SHALL INSTALL AN EFFECTIVE COMBINATION OF EROSION AND SEDIMENTATION CONTROL BMPs.
11. PRIOR TO RAIN EVENT, OR IF AREA WILL NOT BE ACTIVELY WORKED ON WITHIN 14 DAYS, ALL DISTURBED OR EXPOSED SOILS SHALL BE PROTECTED, AT A MINIMUM, WITH STRAW MULCH AND TACKIFIER APPLICATION. APPLY TACKIFIER ON STRAW MULCH TO HOLD MULCH IN PLACE. THIS IS A MINIMUM GUIDE ONLY. CONTRACTOR IS RESPONSIBLE FOR DETERMINING AND INSTALLING THE APPROPRIATE LEVEL OF EROSION AND SEDIMENT CONTROL.

Michael J. Peters
DIRECTOR, DEPT. WATER RESOURCES

Z:\2021 Projects\21-201 11201 Sun Center Drive_Urato\WORKING CAD\C12-CONSTRUCTION DETAILS 2 OF 2-21-201.dwg Apr 22, 2022-02:10 pm

SUN CENTER DRIVE

Landscape Development Plans

11201 SUN CENTER DRIVE
RANCHO CORDOVA, CALIFORNIA

PLANTING NOTES

1. Installing Contractor shall verify quantities and areas to be planted prior to start of job. Notify Landscape Architect of any discrepancies prior to starting work.
2. All planting areas shall be completely free of trash, debris, rocks, and construction materials larger than 2", and shall be brought to finish grade before planting begins. Finish grade shall be 2" below surface of walks, curbs, and paved areas in planting areas where bark is to be installed. Grades shall be flush at catch basins. Surfaces shall be sloped with regard to drainage requirements so that water does not puddle or stand.
3. If additional soil is required, it shall be approved loam as similar to the existing soil as possible, free of debris and noxious weeds. Prior to placing additional soil, disc or scarify the sub-grade to a depth of at least 8" to permit bonding to the sub-grade. Spread and rototill a one inch layer of new soil, then proceed to place remaining soil and establish finish grade.
4. Landscape contractor must conduct a soils test to determine amendment quantities. For bid purposes, assume the following soil preparation for all planting areas: Apply nitrified wood product amendment at a minimum rate of 6 cubic yards per 1000 sq. ft. and commercial fertilizer (16-16-16 NPK or equal) at a rate of 30 lbs. per 1000 sq.ft. for shrub and ground cover areas, 20 lbs. per 1000 sq.ft. for lawn areas. Rototill to a depth of 6" to 10". Compact and settle all areas by application of heavy irrigation to a minimum depth of 12".
6. All plants shall be top quality nursery stock, free of disease and insect pests. Plants shall be normal size for container, vigorous, and true to name and variety. Plant holes shall be the same depth as the root ball, and three times the width for shrubs and four times the width for trees, see details.
7. Backfill for the plant holes shall be existing soil which has been previously amended. Apply Osmocote Controlled Release Formula fertilizer (18-6-12, 4 month formula) per manufacturer's recommendations.
8. When planted, crown of plant shall be 1-1/2" above finish grade. Prepare a water basin by forming a soil ring at least 3" high and as wide around the outer edge of the new plant hole. Water thoroughly to eliminate air pockets.
9. Upon completion of planting all containerized material, rake all shrub and ground cover areas to smooth grade, leaving watering basins intact. Prior to placement of bark mulch, all non-seeded landscape planter areas shall be treated with a pre-emergent herbicide (Ronstar or equal) per manufacturer's directions. Contractor to verify with manufacturer that pre-emergent will not adversely affect plant health.
10. Place a 3" layer of 'Walk-On' fir bark mulch, or approved equal, in all shrub and ground cover areas. Shredded redwood 'Gorilla Hair' is not acceptable.
11. Install weed control layer in all bark or rock areas.
12. Ground cover plants shall be planted in straight rows and evenly triangularly spaced at intervals noted in plant legend. Plant each rooted plant with its proportionate amount of rooting soil in a manner that will insure minimum disturbance of the root system.
13. For trees that require staking, use two 3" diameter treated lodgepole stakes set at minimum of 12" into undisturbed subgrade below the root ball. Place ties and stakes only to the level which will hold the tree upright; proper height is 6" above the point where the tree will snap to an upright position by itself if the top is pulled to one side as if wind loaded and then released. Ties shall be cinch-tie flexible vinyl (or equal) nailed to stake with galvanized nails, see details.
14. Contractor shall furnish all labor, material, equipment, and services required to maintain the landscape in an attractive condition as specified herein for a period of 60 days after final acceptance by Owner. Maintenance Period shall commence after all planting and related work has been completed in accordance with Plans and Notes. A prime requirement is that all lawn areas shall show an even, healthy stand of grass which shall have been mown at least twice. Any materials found to be dead, missing, or in poor condition during the Maintenance Period shall be replaced within 10 days of written notification by the Owner. Contractor shall not be held responsible for damage arising from acts of God, vandalism, theft, or negligence by Owner during the Maintenance Period.

IRRIGATION NOTES

1. Installing Contractor shall verify all dimensions and areas prior to start of job. Intent is for full coverage of planting. Notify Landscape Architect of any discrepancies prior to trenching.
2. Plan is diagrammatic and not intended to show exact locations of piping and valves. Install valves and piping in landscape areas wherever possible. Install valves near curbs and sidewalks whenever possible. Contractor is responsible for pipe sizing the irrigation system correctly.
3. All materials shall be new and in perfect condition. No deviations from the specifications will be allowed without prior written approval of Landscape Architect.
4. Mainline shall be SCH 40 PVC at a minimum depth of 18" below finish grade. Lateral lines shall be SCH 40 PVC at a minimum depth of 12" below grade. Use only the solvent supplied and recommended by the pipe manufacturer to make plastic pipe joints. Allow 15 minutes set-up curing time before moving or handling, and 24 hour curing time before water is placed in PVC pipe. Center load pipe with a small amount of backfill to prevent arching and whipping under pressure.
5. Where more than one pipe is installed in a trench, place pipe side by side at a minimum of 2" apart. Where soil conditions are rocky, place a 4" layer of fine material on bottom of trench prior to installation of pipe.
6. All valves shall be installed in Carson poly-plastic valve boxes with flush covers, or approved equal. Remote control valves shall be installed in Carson 1419 12" depth standard rectangular valve boxes; Drip zone remote control valves with filters and PRVs shall be installed in Carson 1220 12" depth jumbo rectangular valve boxes; Ball valves shall be installed in Carson 0011 10" diameter round valve boxes. Top of valve boxes shall be 1" above finish grade.
7. Securely mount controller as directed by manufacturer. Complete all electrical connections to controller. All control wire shall be #14 U.L. direct burial. Taped and bundled every 20'. Place at a minimum depth of 18", installing in common trenches with mainline whenever possible. Where wire crosses paving, encase wire in a SCH 40 PVC sleeve. For extra mainline, label, and leave in last valve box for future access.
8. At valves, both wires shall be brought into valve box and shall have an excess loop of 24" before being spliced into the solenoid pigtails using Pentite connectors.
9. After valves have been installed, test all mainlines for leaks at full line pressure for a period of 2 hours with couplings exposed and pipe sections center loaded. Before testing, fill line with water for at least 24 hours. Provisions shall be made for thoroughly bleeding the line of air and debris. Correct all defects and retest.
10. All excavations shall be backfilled with fine material to 4" above crown of pipe and tamped; then fill with earth and tamp. All trenches shall be left flush with adjoining grade and in a firm unyielding condition. Any subsequent settling shall be corrected by the Contractor.
11. Install systems without bubbler nozzles, and open flush valves. Flush and operate each valve system at full pressure until all debris is removed. Install bubbler nozzles and close flush valves.
12. Test to determine that all bubblers and driplines function according to manufacturer's data and give full coverage according to intent of drawing. Replace and adjust as necessary. Additional heads shall be provided by the Contractor to cover areas shown to be deficient by test.
13. Contractor shall set initial program for the controller. Contractor shall provide Owner with the instruction manual and demonstrate its operation to the Owner.
14. Contractor shall guarantee all parts and labor for one year with exception of damage caused by vandalism, theft, adverse natural conditions, or anything beyond the control of the Contractor.

GENERAL NOTES

1. Landscape areas not covered with live material shall be covered with a 3" 'Walk-On' fir bark mulch layer.
2. Adjust location of plant material to avoid interference with monument signage and addresses at mature height.
3. Provide a minimum three foot clearance of shrubs/groundcover and a minimum ten foot clearance of trees around all fire protection equipment and associated landscape apparatus.
4. All trees planted adjacent to fire lanes shall have their canopies maintained at 13'-6" or higher where they overhang into the required width of the fire lane.
5. Landscaping shall be placed and pruned as to retain the required clearance for ladder access to windows around the building and to not interfere at maturity with 13'-6" emergency vehicle access clearance.
6. Maintain a minimum distance of three feet between edge of mature shrub and trunk of tree(s).
7. Landscape contractor shall provide protection for all concrete surfaces when installing landscape materials. Staining of concrete from dirt, tire marks and damaged curbs will not be permitted. All damaged surfaces shall be cleaned or replaced.
8. Landscape contractor shall coordinate and install the sleeving and stubbing for irrigation crossing parking lots and paved areas.
9. Landscape contractor shall grade all landscape areas 2% min. to drain to the street. Landscape contractor is responsible to provide positive drainage away from all buildings. All planters and planter islands should be crowned to prevent standing water.
10. Root barriers, see Detail D on sheet L 3.2, are required in all locations where trees are placed closer than 10' from curbs, sidewalks, concrete or asphalt. Refer to detail for specification and installation.
11. Quantities found in the plant legend are for contractor convenience. In the event that the quantities in the legend differ from those found on the plans, the quantities found on the plans will take precedence.
12. Contractor to hand dig only under existing tree canopies along the north and east property lines, no mechanical excavation will be allowed, do not cut any roots 2" or larger in diameter, if it is necessary to prune roots 2" in diameter or larger, contractor shall hire the services of a licensed arborist to supervise and direct the work, follow all recommendations of the arborist.

CRITICAL ANALYSIS

Generated: 2022-01-26 15:43

P.O.C. NUMBER: 01
Water Source Information:

FLOW AVAILABLE
Water Meter Size: 1"
Flow Available: 18.2 GPM

PRESSURE AVAILABLE
Static Pressure at POC: 50.00 PSI
Elevation Change: 5.00 ft
Service Line Size: 1"
Length of Service Line: 20 ft
Pressure Available: 46.00 psi

DESIGN ANALYSIS
Maximum Station Flow: 17.43 GPM
Flow Available at POC: 18.2 GPM
Residual Flow Available: 0.77 GPM

Critical Station:
Design Pressure: 20 PSI
Friction Loss: 3.32 PSI
Fittings Loss: 0.33 PSI
Elevation Loss: 0 PSI
Loss through Valve: 3 PSI
Pressure Req. at Critical Station: 26.65 PSI
Loss for Fittings: 0.2 PSI
Loss for Main Line: 2.01 PSI
Loss for POC to Valve Elevation: 0 PSI
Loss for Backflow: 11.36 PSI
Loss for Master Valve: 3 PSI
Loss for Water Meter: 1.4 PSI
Critical Station Pressure at POC: 44.62 PSI
Pressure Available: 46 PSI
Residual Pressure Available: 1.38 PSI

Sleeving Schedule

ALL PIPE SLEEVES TO BE SCHEDULE 40 PVC. ALL PLASTIC LINES SHALL BE INSTALLED IN SLEEVES UNDER PAVED AREAS. SLEEVES SHALL EXTEND AT LEAST 12 INCHES BEYOND THE EDGES OF THE PAVEMENT. SIZE OF SLEEVES SHALL BE AS FOLLOWS:

PIPE OR WIRE SIZE	REQUIRED SLEEVE
3/4", 1" PIPE	1-2" PVC SLEEVE
1-1/4", 1-1/2", 2", 2-1/2" PIPE	1-4" PVC SLEEVE
3", 4" PIPE	1-6" PVC SLEEVE
6" PIPE	1-8" PVC SLEEVE
1-25 CONTROL WIRES	1-2" PVC SLEEVE
26-55 CONTROL WIRES	2-2" PVC SLEEVES

Main and Lateral Line Pipe Sizing Schedule

PIPE SIZE	SCH 40 (GPM)	CL 315 (GPM)	CL 200 (GPM)
3/4"	5-6	-	-
1 INCH	4-13	-	-
1-1/4"	14-23	-	-
1-1/2"	24-32	-	-
2 INCHES	33-53	-	-
2-1/2"	-	50-74	-
3 INCHES	-	75-109	-
4 INCHES	-	126-200	-
6 INCHES	-	-	200-425

- ALL PIPE 3/4" - 2" SHALL BE SCH 40. ALL MAINLINE PIPE SHALL BE MINIMUM 1" OR LARGER.
- ALL PIPE 2 1/2" - 4" SHALL BE CLASS 315.
- ALL PIPE 5" AND GREATER SHALL BE CLASS 200.

Water Efficient Landscape Worksheet Section B: Water Budget Calculation

Maximum Applied Water Allowance (MAWA)

Project ETo City: 51.9

MAWA = (ETo) (0.62) [(0.45 x LA) + (0.55 x SLA)]

Insert: Where: MAWA = Maximum Applied Water Allowance (gallons per year)
ETo = Reference Evapotranspiration (inches per year)
0.45= ET Adjustment Factor (ETAF)(AB 1881 Dec 1, 2015)
LA = Landscape Area includes Special Landscape Area (Sq.Ft.)
0.62 = Conversion Factor (to gallons per Sq.Ft.)
SLA = Special Landscape Area (Sq.Ft.)
0.55= The additional ET Adjustment Factor for SLA (1.0-0.45=0.55)

MAWA = 51.9 (0.62) [(0.45 x 11,651) + (0.55 x 0)]

Maximum Applied Water Allowance: 168,708 Gal. / Yr

Effective Precipitation (Eppt)

If considering Effective Precipitation, use 25% of Annual precipitation.

MAWA = (ETo - Eppt) (0.62) [(0.45 x LA) + (0.55 x SLA)]

Annual Prec: 0 (x 0.25)

Eppt:

MAWA 51.9 - 0 (0.62) [(0.45 x 11,651) + (0.55 x 0)]

Maximum Applied Water Allowance: 168,708 Gal. / Yr

LEGEND

- TREE STAKES: PRESSURE-TREATED LODGEPOLE PINE, 2" DIA. x 10' LENGTH.
- TREE TIES: 3" WIDE ARBOR TIE BY DEEPROOT, GREEN COLOR.
- STAKE BRACE: 1"x4" WOOD BRACE SCREWED IN PLACE. OFFSET STAKES TO KEEP AWAY FROM TRUNK.
- FINISH GRADE: KEEP ROOTBALL GROWN 1" ABOVE FINISH GRADE
- ROOTBALL
- SOIL RING: 4" HIGH RIM.
- AMENDED BACKFILL
- SCARIFY NATIVE SOIL TO A DEPTH 1/2 THE HEIGHT OF ROOTBALL AND COMPACT FIRMLY. DO NOT PLACE ORGANIC AMENDMENT BENEATH ROOTBALL.
- DRAINAGE CHIMNEY: 6" DIA. x 36" DEEP POSTHOLE BACKFILLED WITH DRAIN ROCK.

NOTES:

- WIDTH OF HOLE SHALL BE 3 TIMES THE WIDTH OF THE ROOTBALL.
- DEPTH OF THE HOLE SHALL BE HEIGHT OF THE ROOTBALL WITH 1" OF TOP OF ROOTBALL HIGHER THAN SURROUNDING FINISH GRADE.
- CUT TREE STAKES WITHIN 2" OF TIES.
- WATER BACKFILL HEAVILY TO REDUCE AIR POCKETS.
- REMOVE NURSERY STAKE PRIOR TO THE END OF THE MAINTENANCE PERIOD.
- INSTALL PLANT FERTILIZER TABS AROUND ROOTBALL; QUANTITY PER MANUFACTURER'S RECOMMENDATIONS.
- INSTALL 3" LAYER BARK MULCH OUTSIDE OF SOIL RING.
- WRAP TREE TRUNKS WITH GRINKLE PAPER TREE WRAP.

TREE PLANTING AND STAKING

PLT-TREE Galt

SCALE: N.T.S.

LEGEND

- ROOTBALL
- SOIL RING: 4" HIGH RIM.
- AMENDED BACKFILL.
- SCARIFY NATIVE SOIL TO A DEPTH 1/2 THE HEIGHT OF ROOTBALL AND COMPACT FIRMLY. DO NOT PLACE ORGANIC AMENDMENT BENEATH ROOTBALL.

NOTES:

- WIDTH OF HOLE SHALL BE 3 TIMES THE WIDTH OF THE ROOTBALL.
- DEPTH OF THE HOLE SHALL BE DEPTH OF THE ROOTBALL WITH 1/2" OF TOP OF ROOTBALL HIGHER THAN SURROUNDING FINISH GRADE.
- INSTALL 21-GRAM PLANT FERTILIZER TABS AROUND ROOTBALL; ONE TAB PER 1-GALLON PLANT, TWO TABS PER 5-GALLON PLANT.
- WATER BACKFILL HEAVILY TO REDUCE AIR POCKETS.
- INSTALL 3" LAYER BARK MULCH; KEEP 1" AWAY FROM PLANT TRUNK.

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
1.	The approved entitlement is for a Major Design Review Permit for the Sun Center Office and Warehouse Building as described in the City Council staff report dated May 16, 2022 and attached Project Plans (<u>Exhibit A</u>) with conditions herein (<u>Exhibit B</u>), for project number PLND-1221-0023.	Project Description	On-Going	Planning
2.	Applicant(s) agree to defend, indemnify and hold harmless with Counsel selected by the City of Rancho Cordova ("City") and its agents, officers, consultants, and employees ("City's Agents") from any and all claims, actions, suits, or proceedings against the City or the City's Agents to attack, set aside, void, or annul an approval by the City, or the City's Agents concerning the project (collectively "Claim"). The City shall promptly notify the Applicant of any Claim and the City shall cooperate fully in the defense. Nothing in this paragraph obligates the City to defend any Claim and the City is not required to pay or perform any settlement arising from any such Claim not defended by the City, unless the settlement is approved in writing by the City.	General	On-Going	Planning
3.	Any future alteration to the buildings, change in use, intensification of the site, or modification to the parking and landscaped area must be reviewed by the City to ensure compliance with all local, state, and federal regulations. Minor modifications that are found to be in substantial conformance with the approved plans such as colors, plant materials, or minor lot line adjustments, may be approved administratively. Major modifications shall be approved by the applicable decision-making body.	General	On-Going	Planning
4.	Applicant/Developer shall not carry a negative account balance with the City for the processing of the project. If a negative account balance occurs, it will be the developer's responsibility to pay the balance due, in order to avoid delays in the processing of future permits or recordation of maps. Please email the Finance Department at billings@cityofranhocordova.org for the status of your account with the City.	General	On-Going	Planning

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
5.	The Permit is valid for a period of three (3) years from the date of City Council approval unless an extension is granted by the Community Development Director or substantial construction of the permitted use or project has commenced and is diligently pursued to completion.	Expiration	On-Going	Planning
6.	Noise sources associated with construction, repair, remodeling, demolition, paving and/or grading of any real property must adhere to the development standards outlined within the City's Noise Element, RCMC 6.68 and RCMC 16.18.1407(F).	Noise	On-Going	Code Enforcement /Building
7.	In the event of the encounter of subsurface materials suspected to be of an archaeological or paleontological nature or if any human remains are found, all grading and/or excavation shall cease, the find shall be left untouched, and the City Planning Department shall be immediately notified. This requirement shall be noted on the Grading and Building Plans, prior to issuance of permits. A qualified professional archaeologist certified by the Register of Professional Archaeologists or paleontologist with a degree(s) in paleontology or geology, to evaluate and make recommendations as to disposition, mitigation and/or salvage. The recommendation shall be implemented before work may proceed.	Construction	On-Going	Planning/ Building
8.	A building permit is required for the proposed project. Please coordinate with the Building and Safety Division to obtain a building permit.	General	On-Going	Planning/ Building
9.	The removal and replanting of landscape not listed on the approved plan set must be consistent with RCMC 23.716.080 through 23.716.090 and reviewed by the Planning Department prior to the removal. All landscape care, maintenance, and tree pruning must adhere to RCMC 23.716.100 through 23.716.110.	Landscaping	On-Going	Planning
10.	Applicant shall be responsible for all damage to City streets associated with construction of the project and shall repair any damage as soon as possible.	Sidewalk Repair	On-Going	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
11.	This project is located outside of SCWA's service area. However, it appears that this project is located within the boundary of the Golden State Water Company service area. Please contact the service provider for any comments regarding this project	Water Service	On-Going	Sacramento County Water Agency
12.	SASD Design Standards and Specifications require minimum 6-inch lower laterals for commercial and industrial buildings.	Design Standards	On-Going	Sacramento Area Sewer District
13.	Construction of a grease trap or a sand oil separator may be required. The Applicant must verify with the applicable jurisdiction's building department.	Grease Trap / Sand Oil Separator	On-Going	Sacramento Area Sewer District
14.	If any proposed garbage enclosure will contain a drain to the sewer, it must be covered.	Trash Enclosure	On-Going	Sacramento Area Sewer District
15.	Any required construction and/or modification to the public sewer system must be to the satisfaction of SASD prior to the approval of improvement plans. SASD Design Standards and Specifications apply to any onsite and offsite public sewer construction.	Sewer System	On-Going	Sacramento Area Sewer District
16.	SMUD has existing underground 12kV facilities along Sun Center Dr that will need to remain. The Applicant shall be responsible for maintaining all CalOSHA and State of California Public Utilities Commission General Order No. 128 safety clearances during construction and upon building completion. If the required clearances cannot be maintained, the Applicant shall be responsible for the cost of relocation.	Existing Underground Utilities	On-Going	SMUD
17.	SMUD has existing underground 12kV facilities along the northwest corner of the parcel that will need to remain. The Applicant shall be responsible for maintaining all CalOSHA and State of California Public Utilities Commission General Order No. 128 safety clearances during construction and upon building completion. If the required clearances cannot be maintained, the Applicant shall be responsible for the cost of relocation.	Existing Underground Utilities	On-Going	SMUD

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
18.	SMUD reserves the right to use any portion of its easements on or adjacent to the subject property that it reasonably needs and shall not be responsible for any damages to the developed property within said easement that unreasonably interferes with those needs.	Easements	On-Going	SMUD
19.	In the event the Applicant requires the relocation or removal of existing SMUD facilities on or adjacent to the subject property, the Applicant shall coordinate with SMUD. The Applicant shall be responsible for the cost of relocation or removal.	Relocation or Removal	On-Going	SMUD
20.	Any necessary future SMUD facilities located on the Applicant's property shall require a dedicated SMUD easement. This will be determined prior to SMUD performing work on the Applicant's property.	Future Facility	On-Going	SMUD
21.	In the event the City requires an Irrevocable Offer of Dedication (IOD) for future roadway improvements, the Applicant shall dedicate a 12.5-foot public utility easement (PUE) for overhead and/or underground facilities and appurtenances adjacent to the City's IOD.	Irrevocable Offer of Dedication	On-Going	SMUD
Prior to Approval of Improvement Plans				
22.	Show the design for a fire access roadway of not less than 20-feet of unobstructed width, 13-feet, 6-inches of vertical clearance, and turning radii of 25 feet inside and 50 feet outside dimension on the improvement plans. The access roadway shall extend to within 150 feet of all portions of the exterior walls of the first story of any proposed building. <i>The use of turf-block or grass-crete or similar alternate road surfaces is not approved for installation in fire apparatus access roadways.</i>	Fire Access Roadway	Prior to Approval of Improvement Plans	Sacramento Metropolitan Fire Department
23.	Show the design for an approved fire apparatus turnaround. The fire apparatus turnaround shall conform to Sacramento Metro Fire Districts, Fire Prevention Standard #3. The fire access turn-around shall be located within 50 feet of the end of the access roadway.	Fire Access	Prior to Approval of Improvement Plans	Sacramento Metropolitan Fire Department
24.	Show on the plan how Fire Lanes will be marked. Fire Lane identification shall be provided along the required fire access	Fire Lanes	Prior to Approval of Improvement Plans	Sacramento Metropolitan Fire

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u> Department
	roadway. Fire Lane identification shall be in accordance with the Sacramento Metro Fire Districts Fire Prevention Standard #3 and the California Vehicle Code. Vehicle parking is prohibited on any street less than 28 feet in width. Vehicle parking is permitted on both sides of streets 36 feet or more in width. Roadway widths shall be measured between the gutter-line or edge of pavement on opposite sides of the road. Identification of fire apparatus access roadways may be required on private roads.			
25.	Provide a note on the plan that reads, "Fire apparatus access roads shall be designed and maintained to support the imposed live load of 80,000 pounds, with a maximum axle load of 31,000 pounds, and meet Public Works Standards for roadways. A report, prepared by a registered geotechnical engineer, verifying the ability of the road to bear the required minimum weight, shall be submitted with any plan indicating construction of roadway. Verification of constructed roadway shall be provided by a registered geotechnical engineer prior to final of the project."	Fire Apparatus Access	Prior to Approval of Improvement Plans	Sacramento Metropolitan Fire Department
26.	Show the location of the required fire hydrants for this project on the improvement plans. Approved fire hydrants capable of providing the required fire flow for the protection of any and all structures shall be located along the fire apparatus access roadway. The required fire hydrants shall be installed and operational prior to any construction or on-site storage of combustible materials. The minimum required fire flow for the protection of commercial developments is 1,500 gallons per minute (gpm) at a pressure of 20 pounds per square inch (psi) for a two-hour duration.	Fire Hydrants	Prior to Approval of Improvement Plans	Sacramento Metropolitan Fire Department
27.	All storm drain facilities within private lots shall be privately maintained and shall be clearly labeled as "private" in the improvement plans.	Storm Drainage	Prior to Approval of Improvement Plans	Public Works
28.	Drainage Study: Applicant shall prepare and submit a project specific drainage study that includes but is not limited to: a pre- and post-project drainage analysis of the project impacts,	Drainage Study	Prior to Approval of Improvement Plans	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
	identification of offsite project impacts or required offsite improvements, and identification of proposed connections to the City's Storm Drainage System with adequate supporting calculations. The drainage study shall conform to the requirements of the Sacramento City/County Drainage Manual (Volume 2), County of Sacramento Improvement Standards (Section 9), and all other applicable City standards. The drainage study must be developed and stamped by a Professional Engineer and determined by the City to be accurate and adequate.			
29.	Stormwater Quality- Post Construction The improvement plans shall incorporate all applicable post construction stormwater quality measures; including source control, waste management areas) and low impact development measures into the site improvement plans in conformance with the most recent version of the <i>Stormwater Quality Design Manual for the Sacramento Region</i> . The applicant shall prepare and submit a Post-Construction Stormwater Quality Control Plan that includes details and sizing calculations of all the proposed post construction stormwater quality measures. In addition, a maintenance covenant is required for all proposed post construction stormwater quality measures, as detailed in Appendix B of the <i>Stormwater Quality Design Manual for the Sacramento Region</i> .	Stormwater	Prior to Approval of Improvement Plans	Public Works
30.	Stormwater Quality- During Construction: SWPPP – the applicant shall prepare a Storm Water Pollution Prevention Plan (SWPPP) to be executed through all phases of grading and project construction. The SWPPP shall incorporate Best Management Practices (BMPs) to ensure that potential water quality impacts during construction phases are minimized. These measures shall be consistent with the City's Improvement Standards and Land Grading and Erosion Control Ordinance. During construction, the applicant shall implement BMPs in accordance with the SWPPP and the	Stormwater Quality	Prior to Approval of Improvement Plans	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
	City's Improvement Standards. Advisory Condition: Construction General Permit The project applicant shall file a Notice of Intent (NOI) to obtain coverage under the <i>National Pollutant Discharge Elimination System (NPDES) General Permit For Storm Water Discharges Associated With Construction And Land Disturbance Activities</i> (Construction General Permit). Permits are issued by the State Water Resources Control Board.			
31.	The SWPPP for the site shall include a contingency plan for the implementation of a process to remove fine clay sediments prior to discharge to the City of Rancho Cordova's storm drain system and/or Waters of the State (e.g., creeks, rivers) to the satisfaction of the City of Rancho Cordova. A polymer treatment system or comparable process shall be incorporated in the erosion and sediment control plan as part of the improvement plans submittal. This system shall be implemented by qualified professionals with training and proven experience in this field.	SWPPP	Prior to Approval of Improvement Plans	Public Works
32.	The applicant must determine if they are required to obtain coverage under the State's "NPDES General Permit for Stormwater Discharges Associated with Industrial Activity". Applicant shall submit the determination to the City for review. The submittal must include the applicable Standard Industrial Classification (SIC) code(s), which describe the business activities that will be occurring at the facility.	Stormwater	Prior to Approval of Improvement Plans	Public Works
33.	Drainage System Design: The applicant shall submit and obtain City approval of plans and specifications for the construction of public improvements and all grading. The drainage system shall be designed in accordance with the approved Drainage Study to accommodate runoff from the ultimate development and shall meet the City of Rancho Cordova's Improvement Standards, construction standards, and Floodplain Management	Drainage System	Prior to Approval of Improvement Plans	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
	Ordinances in effect at the time of improvement plans submittal.			
34.	All development within the City must comply with the City of Rancho Cordova's Floodplain Management Ordinance. All new structures shall be protected from the 100-year (1 percent) flood event. Certified pad elevations (certified by a registered Civil Engineer or licensed Land Surveyor) shall be set at least one and two tenths foot (1.2') above all sources of 100-year flooding (see Section 9-1 of improvement standards). The overland release path must be shown on the improvement plans and the hydraulic computation must be provided to estimate the flow depths along the overland release paths. The calculations must be in conformance with Section 9-15 of the Improvement Standards.	Floodplain Management	Prior to Approval of Improvement Plans	Public Works
35.	Provide a permanent concrete stamp, or other permanently applied message to the satisfaction of the City not including paint, which reads "No Dumping-Flows to Creek" or other approved message at each storm drain inlet.	Concrete Stamp	Prior to Approval of Improvement Plans	Public Works
36.	Fees: Pay the drainage impact fees to the satisfaction of the City of Rancho Cordova's Public Works Department.	Drainage	Prior to Approval of Improvement Plans	Public Works
37.	Number, size, and location of driveways are subject to approval by the Public Works Department.	Driveways	Prior to Approval of Improvement Plans	Public Works
38.	Enter into a frontage agreement and bond for construction of public improvements per the approved Public Works plans to the satisfaction of the Public Works Department.	Frontage Agreement	Prior to Approval of Improvement Plans	Public Works
39.	A final landscape plan shall be submitted in conjunction with improvement plan and or building permit submittal and approved by the planning and public works departments prior to issuance of permits and/or any installation of landscape materials RCMC 23.716.020. The final landscape planting and irrigation plan shall be prepared by a registered licensed landscape architect and include the following items per RCMC 22.180.060: • Planting plan to scale that indicate slope • Irrigation Plan	Landscape Plan	Prior to Approval of Improvement Plans	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3
Exhibit B to the Resolution**

<u>Conditions of Approval</u>		<u>Category</u>	<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>
	• Soils Test • Water Use Calculations • Irrigation Schedule • Permeability test for LID facilities' locations • Soil media specifications (LID features)			
40.	All landscape strips, medians, etc. that contain trees shall be designed to include continuous root barriers. Trees shall be appropriately sized for their proposed planters.	Tree Installation	Prior to Approval of Improvement Plans	Public Works
41.	To obtain sewer service, construction of SASD sewer infrastructure will be required. Current SASD Standards and Specifications apply to any offsite or onsite public sewer construction or modification. These improvements must be shown on the plans. Field modifications to new or existing precast manhole bases are not allowed. SASD requires each parcel to have a public cleanout placed in accordance with SASD Standards and Specifications.	SASD Infrastructure	Prior to Approval of Improvement Plans	Sacramento Area Sewer District
42.	SASD requires each building on each lot with a sewage source to have a separate connection to SASD's sewer system. If there is more than one building in any single parcel and the parcel is not proposed for split, then each building on that parcel must have a separate connection to a private onsite sewer line or a separate connection to the SASD public sewer line. These improvements must be shown on the plans.	SASD Connections	Prior to Approval of Improvement Plans	Sacramento Area Sewer District
43.	Alignment of all main lines and structures must provide a minimum of 1-foot vertical clearance and 5 feet horizontal clearance from all other utilities and improvements. Sewer is to be located a minimum of 10 feet (measured horizontally) from any structure or footing. Show public sanitary sewer and water supply facilities in accordance with the Health and Safety Code.	Sewer Clearances	Prior to Approval of Improvement Plans	Sacramento Area Sewer District
44.	If an existing lateral is used for sewer service, and SASD deems it is not in a maintainable state or not to specification, it must be repaired or replaced as SASD's digression.	Sewer Service	Prior to Approval of Improvement Plans	Sacramento Area Sewer District
45.	The Applicant shall dedicate a 12.5-foot public utility easement	Easement	Prior to Approval of	SMUD

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3

	for overhead and/or underground facilities and appurtenances adjacent to all public street rights-of-way.	Dedications	Improvement Plans	
46.	Structural setbacks less than 14-feet shall require the applicant to conduct a pre-engineering meeting with all utilities to ensure property clearances are maintained.	Structural Setbacks	Prior to Issuance of Building Permit	SMUD
47.	The Applicant shall not place any building foundations within 5-feet of any SMUD trench to maintain adequate trench integrity. The Applicant shall verify specific clearance requirements for other utilities (e.g., Gas, Telephone, etc.).	Utility Clearance	Prior to Issuance of Building Permit	SMUD
48.	The Applicant shall comply with SMUD siting requirements (e.g., panel size/location, clearances from SMUD equipment, transformer location, service conductors). Information regarding SMUD siting requirements can be found at: https://www.smud.org/en/Business-Solutions-and-Rebates/Design-and-Construction-Services .	Siting Requirements	Prior to Issuance of Building Permit	SMUD
49.	The Applicant shall dedicate and provide all-weather vehicular access for service vehicles that are up to 26,000 pounds. At a minimum: (a) the drivable surface shall be 20-feet wide; and (b) all SMUD underground equipment and appurtenances shall be within 15-feet from the drivable surface.	Vehicular Access	Prior to Issuance of Building Permit	SMUD
Prior to Issuance of Building Permit				
50.	The Rancho Cordova Police Department has reviewed the plan design for the Sun Center Office and Warehouse Building and has the following recommendations for the project: - Any glass doors should be secured with a deadbolt lock with minimum throw of 1 inch. The outside ring should be free moving. - The jamb on all aluminum frame swinging doors shall be so constructed or protected to withstand 1600 lbs. of pressure in both vertical distance of 3 inches and a horizontal distance of 1 inch each side of the strike, so as to prevent violation of the strike. - Overhead roll-up doors should be so secured on the inside that the lock cannot be defeated from the outside and should also be secured with a cylinder lock or padlock from	RCPD Recommendations	Prior to Issuance of Building Permit	Rancho Cordova Police Department

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3

	dependent upon the nature of the individual business.			
51.	The applicant shall meet the following: Civil Site Plans and Architectural Plans shall be submitted <u>and</u> approved prior to Final Building Permit being issued. Fire Sprinkler and Fire Alarm plans shall be <u>submitted</u> prior to Final Building Permit being issued. Please note: The Sacramento Metro Fire District <u>does not</u> allow deferred submittals for Fire Sprinkler or Fire Alarm plans.	Plan Submittals	Prior to Issuance of Building Permits	Sacramento Metropolitan Fire Department
52.	Where a bridge or elevated surface is part of a fire apparatus access road, the bridge shall be constructed and maintained in accordance with AASHTO HB-17.	Apparatus Access	Prior to Issuance of Building Permits	Sacramento Metropolitan Fire Department
53.	Applicant shall submit improvement plans to the satisfaction of the Public Works Department. Improvement plans shall include, but shall not be limited to, all streets, water, sewer, storm drain, lighting, signage and striping, and other associated facilities for all streets and other public areas depicted on the tentative map or tentative map phase. Design datum shall be NAD-83. Prior to acceptance of the improvements, record drawings of grading and improvement plans (1 full size and 1 half size hard copy), as well as a compact disc containing said plans in AutoCAD and pdf format, and a GIS Shape file shall be submitted and approved by the Public Works Department.	Improvement Plans	Prior to Issuance of Building Permits	Public Works
54.	Property Owner/Applicant shall participate in the provision of funding to provide transit-related services by voting to approve a special tax. The tax shall be the annual amount (with appropriate annual inflation adjustment) as established at the time of voting by the City Council. The election to provide for the tax shall be completed prior to the issuance of building permits. The property owner shall be responsible for paying all costs associated with holding the election. The tax shall be due at the time specified in the ordinance imposing the tax. In	Maintenance Services for Transit Services	Prior to Issuance of Building Permits	Public Works

	addition, the Owner of the property shall hold a deed assessment in the form of Conditions, Covenants & Restrictions against the property, or other form as shall be approved by the City, which assessment will take effect in the event the special tax described in this Condition of Approval is reduced or repealed. Contact: Elizabeth Sparkman at (916) 851-8714 as there may be a 1–2-month lead time to satisfy this condition.			
55.	Property Owner/Applicant shall participate in or provide a funding mechanism for maintenance services for the fair share of existing and all new public improvements associated with the project including, but not limited to, streets, bridges/culverts, traffic signals, traffic signs, striping and legends, ITS operations, streetlights and safety lights, and public frontage and median landscape improvements. This may be accomplished through annexation to the City's Communities Facilities District No. 2008-1 (Street Lighting and Road Maintenance). All costs associated with the annexation shall be borne by the Property Owner/Applicant through payment of the annexation costs of the CFD annexation in the amount of \$5,000 per annexation. Contact Elizabeth Sparkman at (916) 851-8714 with regard to the process to satisfy this condition of approval.	Maintenance Services for Fair Share of Public Improvements	Prior to Issuance of Building Permits	Public Works
56.	Applicant shall complete improvement plans to the satisfaction of the Public Works Department. Improvement plans shall include, but shall not be limited to: • All onsite civil improvements • Civil plan shall include an ADA access plan • All facilities, including but not limited to, sidewalk, driveways, etc. shall be upgraded to meet current ADA requirements and City Standards. Existing curb ramps located on both the northeast and northwest corners of Sun Center Drive and Gold Tailings Court shall be reconstructed to meet current ADA standards. Existing drainage inlet shall be adjusted as needed.	Improvement Plans	Prior to Issuance of Building Permits	Public Works

ITEM 10.3.**Sun Center Office and Warehouse Building****ATTACHMENT 3

ADVISORY COMMENTS:

- **FIRE:** Any Gates shall be installed in accordance with The County Emergency Access Gates and Barriers Standard. Plan submittal is required prior to installation.
- **PG&E:**
 - The project is within the same vicinity of PG&E's existing facilities that impact this property. PG&E operates gas distribution facilities within public utility easements along Sun Center Drive and Gold Tailings Court. The Company strongly suggests all vegetation be kept a minimum of 5-feet way from all distribution facilities for safety and access purposes.
 - Please contact the Building and Renovation Center (BRSC) for facility map requests by calling 1-877-743-7782 and PG&E's Service Planning department at www.pge.com/cco for any modification or relocation requests, or for any additional services you may require.
 - Before any digging or excavation occurs, please contact Underground Service Alert (USA) by dialing 811 a minimum of 2 working days prior to commencing any work. This free and independent service will ensure that all existing underground utilities are identified and marked on-site.
- **AIR QUALITY:**
 - Electric Vehicle Charging: Sac Metro Air District staff notes that the project includes EVSE and EVC. Consistent with the Sac Metro Air District Guide to Air Quality Assessment in Sacramento County, we recommend that this project exceed minimum CalGreen requirements by providing at least 1 Electric Vehicle charger onsite.
 - Bicycle and Pedestrian Facilities: Sac Metro Air District staff notes that the project includes one long-term bicycle locker and two short-term bike racks. All bicycle parking should be consistent with the Association of Pedestrian and

MEMORANDUM

ITEM 10.4.

DATE: May 16, 2022

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director

**SUBJECT: SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE ORDINANCE
AND FEE RESOLUTION**

RECOMMENDATION

1. Adopt the Resolution approving the Nexus Study and Fee Schedule;
2. Waive the first reading and introduce the Ordinance adding Chapter 16.82 "SunCreek Specific Plan Development Impact Fees" to the Rancho Cordova Municipal Code.

RESULT OF RECOMMENDED ACTION

The actions will result in implementation of the SunCreek Specific Plan Development Impact Fee Program.

BACKGROUND

On November 18, 2013, by Resolution No. 128-2013, the City Council approved General Plan Amendments to the Land Use Element and the Open Space Element for the SunCreek Specific Plan; made findings regarding the environmental review required the California Environmental Quality Act (CEQA) and approved the Public Facilities Finance Plan (the "Finance Plan") for the SunCreek Specific Plan.

The Finance Plan calls for the implementation of a SunCreek Specific Plan ("SCSP") Development Impact Fee Program to finance backbone infrastructure and public facilities including on-site roadways, off-site roadways, sewer improvements, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, wetland preserve buffers, and plan area formation costs.

The Property Owners in the SunCreek Specific Plan Landowners, **Figure 1: Land Ownership in the Plan Area**, have engaged Economic & Planning Systems, Inc., which has worked with staff and the property owners and prepared a report entitled "SunCreek Specific Plan Development Impact Fee Nexus Study" (the "SCSP Nexus Study") which ensures that a rational nexus exists between future development in the SCSP area and the use and need of the proposed facilities. A copy of the SCSP Nexus Study is included with this report, Attachment 2, and is on file with the City Clerk.

Figure 1: Land Ownership in the Plan Area

The SCSP Nexus Study develops and explains the details of a SunCreek Specific Plan Development Impact Fee Program (the “SCSP Fee Program”) proposed to fund the required on-site and off-site roadways, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, and wetland preserve buffers, not otherwise covered by existing City, County or Other Agency fee programs, to serve the development in the SunCreek Specific Plan, as well as defray the costs of fee program formation and routine administration of the SCSP Impact Fee Program and is by this reference incorporated herein.

The impact fees discussed in the SCSP Nexus Study will apply only to development within the SunCreek Specific Plan Area.

Development Impact Fee Nexus Requirements

Chapter 5 of the Government Code in Section 66001 (aka “AB01600”) requires that in imposing a development impact fee, the local agency shall determine how there is a reasonable relationship between the amount of the fee and the cost of the public facility attributable to the development on which the fee is imposed. This fee rationale is generally referred to as the “fee nexus” argument.

Approved in 2013, and as amended in June 2021, the SunCreek Specific Plan area is located west of Grant Line Road and East of Sunrise Boulevard and includes approximately 1,264 acres. **Figure 2: SunCreek Specific Plan Location.** The SunCreek Specific Plan provides a blueprint for a mixed-use development with a combination of residential use, employment-generating uses, retail and retail supporting services, and recreational uses. Uses include the following;

- 4,628 residential units at various densities on approximately 703 acres;
- Approximately 78 acres of commercial use;
- Elementary schools and a combined middle/high school on 111 acres;
- 75 acres of parks and neighborhood greens; and,

- Approximately 306 acres of wetland preserve, detention basins and buffers.

Figure 2: Suncreek Specific Plan Location
CITY OF RANCHO CORDOVA

List of Fees Included in SCSP Nexus Study

Development fees (“SCSP Fees”) are needed to mitigate the impacts of future development in the SCSP area for the following facilities and costs:

- On-Site Roadways
- Off-Site Roadways
- Potable Water
- Storm Drainage
- Wetland Mitigation for Backbone Infrastructure
- Park Corridors and Trails
- Wetland Preserve Buffer
- Plan Area Formation
- Administration

Facilities and Costs

The SCSP area will fund various types of infrastructure and public facilities that will serve future development in this area. The following table summarizes the SCSP Capital Improvement Program (“SCSP CIP”) and shows the portion of the costs that will be funded with the SCSP Fee. Infrastructure costs have been primarily developed by MacKay & Somp and details of these facilities and their itemized costs are shown in Appendices A

and C of the SCSP Nexus Study. The remainder of the costs will be funded through various funding sources including:

- City Transportation Development Impact Fee
- Sacramento County Development Impact Fee Program
- City Storm Drainage Impact Fee Program
- Sacramento County Water Agency Zone 40

SCSP Capital Improvement Plan		
Facilities	Total SCSP CIP	SCSP Fee Funded Costs
On-Site Roadways [1]	\$ 111,326,000	\$ 9,264,700
Off-Site Roadways	\$ 11,641,100	\$ 2,014,100
Potable Water	\$ 15,333,600	\$ 6,024,900
Storm Drainage	\$ 22,948,300	\$ 3,822,900
Wetland Mitigation for Backbone Infrastructure	\$ 7,219,900	\$ 7,219,900
Park Corridors and Trails	\$ 22,217,800	\$ 3,764,900
Wetland Preserve Buffer	\$ 1,747,400	\$ 1,747,400
Total Plan Area Improvements		\$ 33,858,800
Administration (3%)		\$1,015,764
Total Plan Area Costs		\$ 34,874,564
Plan Area Formation	\$ 1,929,331	\$ 1,929,331
Administration (3%)		\$ 57,880
Total		\$ 36,861,775
[1] Total On-Site Roadways costs are inclusive of frontage improvements which are privately constructed		

The infrastructure and costs listed in the table above are not a complete list of the facilities that will be funded by SCSP development but only those for which the City will establish new development impact fees for the SCSP area. The SCSP area will be required to pay fees or construct infrastructure for permanent water, sewer, fire, parks, community places, and school facilities; however, the fees and costs associated with some of these facilities are fully paid through other fee programs or are not within the City's jurisdiction and therefore are not part of the City's SCSP Fee Program.

Summary of SCSP Fees

A complete list of the individual fee components by land use type for the SCSP Fee Program is contained in [Attachment 3](#) and is referred to as the SCSP Fee Schedule. The table on the below summarizes the fee components in the SCSP Fee Program for a select residential and non-residential uses.

SUNCREEK SPECIFIC PLAN PROPOSED DEVELOPMENT IMPACT FEES				
	FEE PER DWELLING UNIT EQUIVALENT			
	Residential (per unit)		Village Center (per sf)	
	Low Density	High Density	Retail	Office
On-Site Roadway Fee	\$ 1,861	\$ 1,452	\$ 2.01	\$1.77
Off-Site Roadway Fee	\$ 405	\$ 316	\$ 0.44	\$0.38
Potable Water Fee	\$ 1,350	\$ 1,012	\$ 0.52	\$0.52
Storm Drainage Fee	\$ 825	\$ 329	\$0.92	\$0.92
Wetland Mitigation for Backbone Infrastructure Fee	\$ 2,093	\$ 477	\$1.04	\$1.04
Park Corridors and Trails Fee	\$ 954	\$ 498	\$0.00	\$0.00
Wetland Preserve Buffer Fee	\$ 507	\$ 116	\$0.25	\$0.25
Sub-Total Plan Area Fees	\$ 7,995	\$ 4,200	\$ 5.18	\$4.88
Administration Fee (3%)	\$ 240	\$ 126	\$0.16	\$0.15
Total Plan Area Fees	\$ 8,235	\$ 4,326	\$5.34	\$5.03
FEE PER NET ACRE				
Plan Area Formation	\$ 2,883	\$ 2,883	\$ 2,883	\$ 2,883
Administration (3%)	\$ 86	\$ 86	\$ 86	\$ 86
Total	\$ 2,969	\$ 2,969	\$ 2,969	\$ 2,969
All fees will be paid at building permit with the exception of the Plan Area Formation Fee will be paid at final map.				

These impact fees will be adjusted in future years to reflect revised facility standards, receipt of funding from alternative sources, revised facilities costs, or changes in demographics of the SCSP development land use plan. In addition to such adjustments, the fees will be inflated each year for inflation as provided in the SCSP Nexus Study.

Ordinance Establishing SCSP Impact Fees

To codify the implementation of the SCSP Fee Program definitions, procedures and establish the new fees and funds, an Ordinance, [Attachment 4](#), has been prepared that reflects the SCSP Fee Program as detailed in the Nexus Study. [Attachment 5](#) contains Chapter 16.82 “SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEES” to be added to the Rancho Cordova Municipal Code to establish development impact fees to finance the cost of public facilities within the SunCreek Specific Plan area.

Recommendations

After consideration of any public testimony presented about this matter, it is recommended that the City Council consider and approve the Resolution approving the SCSP Nexus Study and SCSP Fee Schedule.

It is also recommended that the City Council introduce and waive its full reading and continue the Ordinance to the next regular council meeting for adoption.

FISCAL IMPACT

There is no fiscal impact to the general fund. Funds collected pursuant to the SCSP Fee Program will be used to fund specific facility costs as specified in the SCSP Nexus Study.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, APPROVING THE SUNCREEK SPECIFIC PLAN DEVELOPMENT
IMPACT FEE PROGRAM NEXUS STUDY AND FEE SCHEDULE**

WHEREAS, on November 18, 2013, by Resolution No. 127-2013, the City Council certified as adequate and complete the Final Environmental Impact Report/Environmental Impact Statement for the SunCreek Specific Plan Project (State Clearinghouse No. 2006072067), and adopted environmental findings, a Statement of Overriding Considerations, and a Mitigation Monitoring and Reporting Program; and

WHEREAS, on November 18, 2013, by Resolution No. 128-2013, the City Council approved General Plan Amendments to the Land Use Element and the Open Space Element for the SunCreek Specific Plan; made findings regarding the environmental review required the California Environmental Quality Act (CEQA) and approved the Public Facilities Finance Plan (the "Finance Plan") for the SunCreek Specific Plan; and

WHEREAS, the Finance Plan calls for the implementation of a SunCreek Specific Plan ("SCSP") Development Impact Fee Program to finance backbone infrastructure and public facilities including on-site roadways, off-site roadways, sewer improvements, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, and wetland preserve buffers; and

WHEREAS, the Property Owners in the SunCreek Specific Plan have engaged Economic & Planning Systems, Inc., which has worked with staff and the property owners and prepared a report entitled "SunCreek Specific Plan Development Impact Fee Nexus Study" (the "SCSP Nexus Study"); and

WHEREAS, the SCSP Nexus Study develops and explains the details of a SunCreek Specific Plan Development Impact Fee Program (the "SCSP Impact Fee Program") proposed to fund the required on-site and off-site roadways, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, and wetland preserve buffers to serve the development in the SunCreek Specific Plan, as well as defray the costs of fee program formation and routine administration of the SCSP Impact Fee Program and is by this reference incorporated herein; and

WHEREAS, Government Code Sections 66000, et. Seq., requires that a local agency hold a noticed public hearing, at which oral or written presentations can be made, prior to the adoption of a resolution approving a new fee or increasing an existing fee; and

WHEREAS, public notice was provided as required by law and a public hearing was held on April 18, 2022, so that the City Council could consider all written and oral testimony prior to taking action on this matter;

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does hereby adopt the findings in Section 1 below, and take the actions innumrated under Section 2 below.

Section 1. Findings.

1. The foregoing recitals and the accompanying staff report dated April 18, 2022 are true and correct, and are hereby incorporated by reference.
2. The purpose of the SCSP Fee Program is to ensure that development within the SunCreek Specific Plan is capable of being provided, within a reasonable period of time, with adequate levels of backbone infrastructure and facilities, including on-site and off-site roadways, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, and wetland preserve buffers to serve the development in the SunCreek Specific Plan.
3. The SCSP on-site roadway, off-site roadway, potable water, storm drainage, wetland mitigation for backbone infrastructure, park corridors and trails, wetland preserve buffer, and plan area formation fees will be used to fund the roadway, water, storm drainage, wetland mitigation, park corridors and trails, and wetland preserve buffer facilities identified in the SunCreek Specific Plan, the Finance Plan and the Capital Improvement Program contained in the SCSP Nexus Study all of which are incorporated herein by reference. These facilities are necessary to meet the demand of, and to offset the environmental impacts associated with, new residential and commercial development in the SunCreek Specific Plan area.
4. There is a reasonable relationship between the use of the SCSP on-site roadway, off-site roadway, potable water, storm drainage, wetland mitigation for backbone infrastructure, park corridors and trails, wetland preserve buffer, and plan area formation fees and the type of development projects on which the fees are imposed because fee revenues collected from residential and non-residential land uses will be used to fund a fair-share portion of the cost to construct and/or acquire roadway, water, storm drainage, park corridors and trails, wetland buffer and pay wetland mitigation fees for backbone infrastructure.
5. There is a reasonable relationship between the need of the public facilities to be financed by the SCSP on-site roadway, off-site roadway, potable water, storm drainage, wetland mitigation for backbone infrastructure, park corridors and trails, wetland preserve buffer, and plan area formation fees and the type of development on which the fees are imposed because the residential and non-residential development in the SDCP area will generate new residents and employees who will need adequate roadway, water, storm drainage, park corridors and trails serving the SCSP area.

6. There is a reasonable relationship between the amount of the public facilities to be financed by the SCSP on-site roadway, off-site roadway, potable water, storm drainage, wetland mitigation for backbone infrastructure, park corridors and trails, wetland preserve buffer, and plan area formation fees attributable to the development on which the fees are imposed, because the cost of the facilities or portion of the facilities benefiting future development are allocated proportionately based on Dwelling Unit Equivalents that in turn, are calculated based on the benefit received by the various land use categories that will develop in the SCSP area. The fair-share cost allocation calculated for the roadway, water, storm drainage, park corridors and trails, wetland mitigation and wetlands buffer facilities for each land use is the proportional fee amount for each land use.
7. This project is statutorily exempt from the California Environmental Quality Act (CEQA) under Pub. Res. Code Section 21080(b)(8)(D) and CEQA Guidelines Section 15273(a)(4) because it involves the establishment of a public agency fee for the purpose of obtaining funds for capital projects necessary to maintain services that are already planned for the SunCreek Specific Plan, which is within the City's existing service area. The nature of the facilities planned as part of the Capital Improvement Plan were addressed by the SunCreek Environmental Impact Report certified by the City Council on November 18, 2013. Additional environmental review will be required for those projects subject to CEQA when site-specific plans are prepared.

Section 2. Action

The City of Rancho Cordova, by a majority vote of its City Council, does hereby approve and adopt the following:

1. The SunCreek Specific Plan Development Impact Fee Nexus Study (SCSP Nexus Study) dated March 2022, attached as Exhibit A.
2. The SunCreek Specific Plan Fee Program Capital Improvement Plan as contained in in Appendix A of the SCSP Nexus Study
3. The on-site roadway, off-site roadway, potable water, storm drainage, wetland mitigation for backbone infrastructure, park corridor and trails, wetland preserve buffer, plan formation, and administration fees as shown in the SCSP Nexus Study and attached as Exhibit B. These fees shall go into effect on August 6, 2022, as authorized by Gov. Code Section 66017(a) and are applicable to the SCSP Area attached as Exhibit C.

Section 3. Severability

All portions of this Resolution are severable. Should any individual component or any portion of this Resolution be found invalid and unenforceable by a court of competent jurisdiction, it is

ITEM 10.4.

ATTACHMENT 1

the City Council's intent and desire that the remaining portions of the Resolution continue in full force and effect.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May 2022 by the following vote:

AYES:

NOES:

THIS PAGE IS BLANK INTENTIONALLY

1. Introduction and Executive Summary

The SunCreek Specific Plan area (SCSP or Plan Area) is located on approximately 1,264 acres in the south area of the City of Rancho Cordova (City). The SunCreek Specific Plan document, which details the formation and development of the SCSP, was approved by the City in 2013 and last amended in 2020. The SCSP is planned to be a mixed-use development with the different parts of the Plan Area interconnected by an extensive pedestrian and bicycle trail system. The SCSP contains a major open space corridor that runs throughout the plan area and serves as the backbone for the trail system that links the different neighborhoods in the SCSP.

The SunCreek Public Facilities Financing Plan (Financing Plan) also was adopted by the City in 2013. The Financing Plan included the formation of a special financing district (SFD) to implement financing mechanisms to fund required backbone infrastructure and public facilities in the SCSP. The major financing mechanisms include the SCSP Development Impact Fee Program, a potential community facilities district (CFD) to provide land-secured financing through the issuance of bonds, private developer financing, and funding through established City and regional development impact fee programs.

The 2013 Financing Plan also included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The landowners, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. A Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program, is being implemented by Cordova Recreation and Park District (CRPD) and will be set forth in Master Park Development Agreements between CRPD and the individual landowners. Quimby In-Lieu fees paid by landowners that are under dedicating park land compared to their Quimby obligation will be used to compensate landowners that are over dedicating park land compared to their Quimby obligation. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.

Plan Area Fee Program Overview

The subject of this SCSP Fee Program Nexus Study (Nexus Study) is the SCSP Development Impact Fee Program (Fee Program). The purpose of the Nexus Study is to establish the Fee Program and the legally required nexus findings for the City to implement it and to set the initial development impact fees (fees). This Nexus Study also summarizes key components of the implementation and administration of the proposed Fee Program. As described herein, the Fee Program will be updated periodically to reflect changes in land uses, facilities requirements, improvement costs, and other fee program information over time.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

The Fee Program will be a City-implemented plan area-specific development impact fee program applicable only to SCSP land uses. It will be used as a mechanism to fund backbone infrastructure and public facilities needed to serve the projected new residents and employees that are not funded by other sources. The Fee Program will contain the following fee components:

- Roadway
- Potable Water
- Storm Drainage
- Wetland Mitigation for Backbone Infrastructure
- Park Corridors and Trails
- Wetland Preserve Buffer
- Plan Area Formation

Table 1-1 summarizes the proposed fees by residential and commercial land use for each of the fee components. Note that the two commercial land uses (Village Center and Regional Town Center) are each composed of a mix of office and retail development, so both retail and office fees are shown for these land uses. If commercial development occurs that cannot be categorized as retail or office, then the City Planning Director will determine the fees.

Note that all fee components except for the Plan Area Formation fee component will be charged and collected per residential dwelling unit or commercial building square foot. The Plan Area Formation fee component will be charged and collected per net acre for both residential and commercial land uses. The Plan Area Formation fee revenue will be used to reimburse landowners who have paid greater than their fair share obligation of Plan Area Formation costs based on the number of developable acres that they own. The estimated Plan Area Formation reimbursements by land owner are detailed in **Chapter 4**.

In addition to the above listed fee components, the Fee Program will include a fee administration component that will be used to fund administration of the Fee Program. For each land use, the administration component is calculated as 3 percent of the sum of all other fee components. The proposed fees are based on the best land use information, backbone infrastructure and public facilities costs estimates, funding source information, and administrative cost estimates available at this time. The cost estimates presented in this report are in constant 2022 dollars. The following chapters of this report detail the land uses, facilities requirements, cost estimates, and cost allocation methodology used to estimate the fees.

Plan Area Fee Program Changes from Financing Plan

Sanitary Sewer Costs

The Financing Plan envisioned the Fee Program would include sanitary sewer improvements. However, the majority of the planned SCSP backbone sanitary sewer

[1] Fees for commercial development that is not categorized as retail or office will be determined by the planning director.

[2] The Plan Area Formation fees will be paid at building permit for development for which a final small lot map is not required.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

improvements to be constructed by the SCSP landowners are included in the Sacramento Area Sewer District (SASD) Fee Program, and the SCSP developers will receive full SASD fee credits and reimbursements for construction of these improvements. The remainder of the SCSP backbone sewer infrastructure to be constructed by the SCSP landowners is for non-trunk sewer lines that will benefit one owner only, and it is assumed those sewer lines will be constructed and financed privately by the benefitting owner.

Cost Allocation

The Financing Plan provided that the backbone infrastructure costs in the Fee Program would be allocated to the residential, commercial, and school land uses in the SCSP. The SunCreek landowners, through the development agreements they entered into, or will be required to enter into, agreed to support the implementation of the funding mechanisms provided in the Financing Plan. One SunCreek landowner has expressed concern with the allocation of backbone infrastructure costs to the high school/middle school site, and the SunCreek landowners have not reached agreement on such allocation. Consequently, the Fee Program is being implemented with the infrastructure cost burden allocated fully to the residential and commercial land uses, and not to the school sites, in the SCSP. The majority of the SunCreek landowners continue to believe it is appropriate to allocate a portion of the infrastructure costs to the high school/middle school site and reserve the right to continue such discussions. In the event that the SunCreek landowners and the City reach agreement on the allocation of backbone infrastructure costs to the school sites in the future, the Fee Program will be amended at that time to incorporate the reimbursement of those backbone infrastructure costs from the school sites.

Plan Area Fee Program Implementation and Administration**Implementation**

The proposed Fee Program will be approved by the City through an ordinance establishing and authorizing collection of the fee and a resolution setting the amount of the fees. The Fee Program will be independent and separate from all other City, Sacramento County (County), other agency, or regional development impact fees that will be applicable to SCSP development.

The Fee Program, and all amendments and updates to the Fee Program, will be implemented consistent with the provisions of Assembly Bill (AB) 1600 legislation, as codified by the Mitigation Fee Act (California Government Code sections 66000 et. seq.).

This section of the Mitigation Fee Act sets forth the procedural requirements for establishing and collecting development impact fees. These procedures require that a reasonable relationship, or nexus, must exist between a governmental exaction and the type of development project on which the fee is imposed.

Administration

The City will administer the Fee Program. The Fee Program will include a three percent fee administration component to fund Fee Program administration. Administration of the Fee Program will include the following major tasks:

- Tracking all Fee Program payments and assignment of fee credits and reimbursements for improvements constructed privately by developers.
- Tracking the progress of construction contracts for Fee Program improvements.
- Reviewing proposed fee credit and reimbursement agreements for City Council consideration.
- Performing annual fee adjustments to account for the inflation of public facilities costs.
- Conducting periodic reviews of development projections, facilities requirements, improvement costs, funding sources, and cost allocation methodologies and making necessary adjustments to the Fee Program through subsequent fee program adjustments.
- Preparing the required annual and five-year reports on the status of the Fee Program.

The Fee Program implementation and administration are detailed in **Chapter 6** of this report. Using its authority to implement the Plan Area Fee Program, the City reserves the right to make interpretations, clarifications, or other modifications to the Plan Area Fee Program implementation and administration provisions summarized in this Nexus Study, subject to the provisions of the Development Agreements.

Nexus Study Definitions

The Nexus Study will use the following definitions to describe more precisely infrastructure improvements and facilities included in the Plan Area Fee Program:

- **Backbone Infrastructure:** This term includes most of the public service-based items that are underground or at ground level and may be both on-site or off-site (i.e., within or outside the SCSP boundaries). Backbone Infrastructure is sized to serve the SCSP as a whole and in some cases may be sized to serve broader development areas, including existing development (e.g., future freeway interchanges). The following categories of backbone infrastructure are included in the Fee Program:
 - Roadways
 - Potable Water
 - Storm Drainage
 - Wetland Mitigation for Backbone Infrastructure

ITEM 10.4.

Exhibit A to the Resolution

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

- **Public Facilities:** This group of items includes public amenities and facilities to “house” employees providing services to the area (e.g., law enforcement and fire). The following categories of public facilities are included in the Fee Program:

- Park Corridors and Trails
- Wetland Preserve Buffers

Note: The SCSP includes additional public facilities, such as schools, fire facilities, library facilities, and park facilities that are not included in the Fee Program.

- **Public Improvements (or Improvements):** This term is used generally in the Nexus Study to refer to Backbone Infrastructure and Public Facilities when a precise breakdown is not required.

Supporting Documents

The following documents produced by or for the City have been used to inform this analysis:

- SunCreek Plan Area Specific Plan.
- Development Agreements between the City and SCSP Property Owners.
- SunCreek Plan Area Specific Plan Public Facilities Financing Plan.
- Infrastructure cost estimates prepared by MacKay & Soms (included as **Appendix C** of this report).

Organization of Report

This Fee Program Nexus Study is organized into the following chapters:

- **Chapter 1** summarizes the proposed Fee Program.
- **Chapter 2** identifies the land uses that will be subject to the Fee Program.
- **Chapter 3** details the Fee Program improvements and costs.
- **Chapter 4** details the cost allocation and fee estimate methodology.
- **Chapter 5** summarizes the nexus findings for each Fee Program component.
- **Chapter 6** describes Fee Program implementation and administration.

In addition, the Nexus Study contains the following appendices:

- **Appendix A:** SCSP Fee Program Capital Improvement Program.
- **Appendix B:** Cost Allocation Backup Data.
- **Appendix C:** Preliminary Cost Estimate for SCSP Proposed Project Backbone Infrastructure (prepared by MacKay & Soms).
- **Appendix D:** Plan Area Formation Costs and Funding (prepared by SunCreek Owners’ Group).

2. SCSP Land Uses

Development impact fees are charged on new development to help fund infrastructure and public facilities that are needed to serve the new development. The fees imposed must be based on proportionality to the demand generated, or benefit received, by each land use category on which the fee is imposed. This chapter details the projected development by land use category in the SCSP through buildout.

The SCSP is located on approximately 1,264 acres in the Sunrise Douglas Community Plan (SDCP), adopted by the County in 1995. This area is now part of the City, which incorporated in July 2003 and has been identified for development in the City's General Plan. Although the SDCP is no longer in effect, the SCSP provides important uses, including a high school, middle school, community park, and additional commercial uses that complement the previously approved SunRidge Specific Plan and help complete the Sunrise Douglas community. **Map 2-1** shows the SCSP in its regional context. **Map 2-2** illustrates the planned land uses for the SCSP.

Land Uses

Table 2-1 details the projected residential, nonresidential (commercial), and public land uses at buildout of the SCSP. **Table 2-2** further details the residential dwelling units and nonresidential acres by land use category for each of the six SCSP land owners.

Note that the projected dwelling units and commercial building square feet at buildout incorporate land use contingencies under the assumption that less than 100 percent of the allowable development will occur. The projected single family residential dwelling units reflect an expected development rate of 98 percent of the maximum, while the projected multifamily dwelling units and commercial building square feet reflect an expected development rate of 95 percent of the maximum.

In total, the following development is projected at buildout:

- 601.8 residential acres and 4,522 residential units.
- 67.5 commercial acres and 698,000 building square feet of commercial development.
- 111.2 acres of public schools.
- 398.8 acres of parks, trails, detention basins, open space, and other public and quasi-public uses.
- 84.7 acres of major roadways.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Residential Development

The residential land use categories range from low density single-family dwelling units with a density of approximately 5 units per acre to high density multifamily dwelling units with a density of approximately 23 units per acre. The densities reflect the approximate densities achieved after applying the land use contingency factor discussed in the previous section. Low density units will be single-family detached housing. Medium density units include single-family houses, duplexes and half-plexes, court housing, garden apartments, townhouses, and condominiums. The most typical housing types will be small lot single-family detached, single-family attached, and small apartment complexes. The compact density residential units may include detached cottages or cluster housing but more typically will include common walls for all or a significant portion of the units in the Plan Area. High-density residential units include apartments and condominiums.

Nonresidential Development

The nonresidential land use categories in the SCSP include Village Center and Regional Town Center uses. The projected building square feet for each of these land use categories are calculated assuming a land use contingency of 95 percent of maximum development and a floor area ratio (FAR) of 0.25 applied to the total acreage. The Village Center category provides retail services, restaurants, entertainment venues, and office sites. The Regional Town Center category provides regional shopping, entertainment, employment, and other large regional destination uses.

3. Planned Public Improvements and Costs

This chapter identifies the SCSP backbone infrastructure and public facilities (Public Improvements) included in the Fee Program as informed by the Preliminary Cost Estimate for SCSP Proposed Project Backbone Infrastructure (Cost Estimate) prepared by MacKay & Soms. The Cost Estimate is included as **Appendix C** of this Nexus Study and contains cost and funding detail and infrastructure exhibits. In addition, this chapter identifies the anticipated SCSP Plan Formation requirements and costs that will also be included in the Fee Program and considered as a separate improvement category. The following types of Public Improvements are included in the Fee Program:

- Roadways (Onsite and Offsite)
- Water
- Storm Drainage
- Wetland Mitigation for Backbone Infrastructure
- Park Corridors and Trails
- Wetland Preserve Buffer
- Plan Area Fee Formation

Appendix A of this Nexus Study contains the Fee Program Capital Improvement Plan (CIP). It includes summary tables for each Public Improvement type that show the improvement costs, credits from other fee programs, and remaining net improvement costs to be included in the Fee Program.

The costs in **Appendix A** are shown in 2020 and 2022 dollars. The 2020 costs are obtained from the MacKay & Soms Cost Estimate in **Appendix C** and are escalated to 2022 dollars for use in the Fee Program. The escalation factor used to estimate the 2022 costs is calculated as the percentage change in the average of the Engineering-News Record's San Francisco and 20-City Construction Cost Indices (CCIs) from October 2019 to October 2021. **Table A-9** of **Appendix A** shows the calculation of the escalation factor.

Table 3-1 summarizes the fee-funded Public Improvement costs in 2022 dollars from **Appendix A**, as well as estimated SCSP Plan Area Formation costs through 2022 (detailed in **Appendix D**). The costs associated with each public improvement type and the Plan Area Formation costs are discussed in the remainder of this chapter. *Note that all referenced cost estimates apply to the escalated 2022 costs.*

Table 3-1

Total		\$36,861,775

cost sum

Source: MacKay & Soms (September 2021); EPS.

[1] Estimate from SunCreek Owners' Group. Reflects actual costs expended through 2021 and estimated cost for 2022.

Roadways

Backbone roadway facilities are identified as those facilities comprising 4 or more travel lanes, certain 2-lane collector roads, Con-Span drainage crossings, and certain pedestrian boulevard facilities, including enhanced median improvements. The proposed SCSP roadway improvements include both on-site and off-site backbone roadway improvements. The Cost Estimate identifies the SCSP improvements, costs, credits, and funding sources. The funding sources include the Plan Area Fee Program, the City Transportation Development Impact Fee (TDIF) Program, and private developer funding. Construction of roadway frontage improvements (e.g., outside traffic lane; curb; gutter; sidewalk; bike lane; required landscaping; joint utilities trench; street lighting; and associated water, sewer, and drainage utilities) will be privately funded by adjacent development, while the remaining improvements will be funded through the TDIF Program or the SCSP Fee Program.

On-Site Roadways

The total cost of all SCSP on-site roadway infrastructure is estimated at \$111.3 million at buildout. After accounting for funding from the City's TDIF Program and private developers, it is estimated that approximately \$9.3 million of improvements will be included in the SCSP Fee Program. Detailed in **Table A-1** and **Table A-2**, this amount includes the costs of 8 traffic signals not funded by the City's TDIF.

Off-Site Roadways

The total cost of the off-site roadway infrastructure is estimated at \$11.6 million at buildout, as detailed in **Table A-3**. An estimated \$9.3 million in identified improvements on Rancho Cordova Parkway, Kiefer Boulevard, and the intersection at Jackson Road and Grant Line Road will be funded by the City TDIF. The remaining \$2.0 million to be included in the SCSP Fee Program is the amount included in the reciprocal funding agreement with the County. The reciprocal funding agreement includes the cost of off-site improvements needed for the SCSP development that will be constructed by the County. The SCSP costs are determined based on the SCSP fair share obligation of the County road improvements from which the SCSP benefits. In particular, the reciprocal funding agreement includes the SCSP's fair share of the cost of Jackson Highway improvements that the County will construct.

Total Fee Program Funding

The on-site and off-site roadways costs identified as being funded through the Fee Program total approximately \$11.3 million.

ITEM 10.4.

Exhibit A to the Resolution

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Water

The Sacramento County Water Agency (SCWA) serves as the water purveyor for the SCSP. The SCSP is located in SCWA Zone 40. Development of the SCSP will create additional demand for potable water supply, transmission, and distribution. The planned backbone water infrastructure to be funded by the SCSP includes local and regional transmission mains. SCSP developers who construct improvements will receive SCWA Zone 40 fee credits and reimbursements for the portion of improvement costs included in the SCWA fee program.

The total cost of the backbone water infrastructure to be funded by the SCSP is estimated at \$15.3 million at buildout. After accounting for funding from the SCWA Zone 40 Fee Program, it is estimated that approximately \$6.0 million of improvements will be included in the SCSP Fee Program. Detailed in **Table A-4**, this amount includes the costs of local and regional transmission mains not funded by SCWA Zone 40.

Storm Drainage

Development of the SCSP will result in increased storm water runoff generated by the addition of impervious surface area in developed areas of the Project. The entire SCSP area is located in the Kite Creek, Morrison Creek, and upper Laguna Creek watersheds. The SCSP storm drainage system is proposed to limit the peak storm water flow after SCSP development to avoid exceeding predevelopment flows. Planned storm water management facilities in the SCSP will mitigate for increased storm runoff created by SCSP development. To provide adequate flood attenuation to predevelopment peak flow rates, this Project proposes multiple on-site, in-line hydromodification detention facilities and 100-year peak flow attenuation in the existing creeks located in the wetland preserve area.¹ Permanent wetland preserve and on-site storm water detention facilities will provide the majority of the SCSP storm water storage capacity that replicates the natural (predevelopment) condition. In some cases, detention facilities may be incorporated into joint use park/detention facilities.

The SCSP drainage costs identified in the Cost Estimate and in the **Appendix A** summary tables include costs of improvements needed to serve all onsite drainage needs. Only the portion needed to provide drainage for the backbone roadway system will be funded publicly through the SCSP, with the remaining drainage improvements funded privately by developers. Thus, for each improvement, a specific percentage of the total costs is applied to calculate the costs to be publicly funded by the SCSP. Detailed in **Table A-5**, a total of \$22.9 million in SCSP drainage improvements is identified with \$3.8 million to be funded through the SCSP Fee Program.

¹ The attenuation of the 100-year peak flow in the existing creek system was specifically analyzed in the SunCreek Master Drainage Study, prepared by Watermark Engineering, dated November 15, 2017.

*Note that **Appendix A** shows SCWA Zone 11A credits and reimbursements for the portion of storm drainage improvement costs included in the SCWA Zone 11A fee program at the time that the cost estimates were prepared. However, the City now has its own City Drainage Impact Fee Program that replaces the SCWA Zone 11A Fee Program. Credits under the City program may vary from the SCWA Zone 11A credits shown in **Appendix A**. The new City Drainage Impact Fee Program credits will be included in the next Nexus Study Update.*

Wetland Mitigation for Backbone Infrastructure

Installation of backbone infrastructure (e.g., roads, sewer, water, drainage) to serve the SCSP will result in disturbance of waters of the United States, including wetlands. In accordance with the requirements of the U.S. Fish and Wildlife, U.S. Environmental Protection Agency, and U.S. Army Corp of Engineers (collectively, Agencies), the wetland impacts generated by construction of backbone infrastructure will require mitigation through the payment of South Sacramento County Habitat Conservation Plan (HCP) Fees.

The HCP fees for the SCSP are based on the cost to acquire and maintain the habitat land needed to mitigate for the disturbance of wetlands caused by the construction of backbone infrastructure in the SCSP. Detailed in **Table A-6**, the costs are identified by the mitigation required for each segment of backbone infrastructure. The total cost is estimated at \$7.2 million at buildout, all of which will be funded through the Fee Program.

Park Corridors and Trails

The SCSP includes a comprehensive trail system designed to serve its residents. The trail system creates bicycle and pedestrian connections between residential, commercial, employment, transit, and recreational destinations. The trail system includes a series of more than three miles of primary and secondary trails within the SCSP and connects to the citywide trail network at the boundaries of the SCSP. It includes both at-grade and grade separated pedestrian and bike crossings of major roads.

The grade-separated crossings are included in the City's TDIF Program, and developers who construct these improvements will receive fee credits and reimbursements from the TDIF Program. Two of the five at-grade crossings are included in the roadway costs and, therefore, excluded from the trails costs.

Detailed in **Table A-7**, a total of \$22.2 million in SCSP park corridors and trails improvements is identified, with \$3.8 million to be funded through the SCSP Fee Program after accounting for funding of the grade separated crossings from the TDIF Program.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Wetland Preserve Buffer

The SCSP includes more than 205 acres of wetland preserve areas and roughly 45 acres of wetland buffer areas. The wetland preserve area will provide protection and conservation of federally threatened and endangered species, as well as avoiding and minimizing impacts to waters of the United States, including wetlands, in accordance with requirements of the Agencies.

Planned wetland buffer improvements include minimal buffer landscaping, consisting of hydroseeding and mulching, as well as construction of wetland preserve post and cable barriers.

Detailed in **Table A-8**, the improvements total approximately \$1.7 million, all of which will be funded through the Fee Program.

SCSP Plan Area Formation

In the time since approval of the SunCreek Specific Plan in 2013, the SunCreek Owners' Group has worked with the City to prepare various studies and reports, as well as specific plan amendments. Some of the work that has been required to facilitate development of the SCSP includes preparation of environmental studies, preparation of Level 2 water, sewer, and drainage technical studies, and providing engineering, planning, and financial services. The property owners have incurred the costs of this work associated with the Plan Area formation and will be reimbursed through the SCSP Fee Program. The costs incurred thus far and anticipated for the remainder of 2022 are detailed in **Appendix D** and total \$1.9 million, all of which will be funded through the Fee Program.

4. Public Improvements Cost Allocation and Fee Estimate

For each improvement type, the SCSP Fees are estimated by allocating SCSP Fee-Funded costs (detailed in the previous chapter) to the various land uses based on each land use's relative demand for and benefit received from the improvement type. In addition, the City will charge a 3 percent administration fee to administer the SCSP Fee Program.

Table 4-1 provides a cost allocation summary and fee estimate. The cost allocation and fees for all fee components except the Plan Area Formation component are expressed per residential unit or commercial building square foot, while the Plan Area Formation cost allocation and fees are expressed per net acre. Please note that the two commercial categories each are composed of retail and office uses and, thus, contain retail and office cost allocation components.

The specific steps in allocating the costs and estimating the fees for each fee component are outlined below:

1. Determine the SCSP Fee Program costs. These costs were detailed in the previous chapter and are summarized in **Table 4-1**.
2. Determine the Equivalent Dwelling Unit (EDU) factor for each land use that serves as a measure of demand placed on the improvement relative to the demand of a single-family dwelling unit.
3. For each land use, multiply the EDU factor by the number of units (dwelling units, 1,000 building square feet, or acres) to derive the total facility demand, measured by total EDUs.
4. Use the EDU estimates from step 3 to calculate the percentage distribution of total demand across land uses.
5. Allocate the improvement costs to the individual land uses based on each land use's percentage of total facility demand.
6. For all fee components except for the Plan Area Formation component, divide the allocated cost for each land use by the number of dwelling units or building square feet to determine the cost per unit or square foot.
7. For the Plan Area Formation fee component, divide the allocated cost for each land use by the number of net developable acres to determine the cost per acre.
8. For each land use, add an additional 3 percent fee program administration component to determine the total fee.

Cost Allocation by Component

As outlined above, EDU factors are used to allocate improvement costs to each land use based on the land use's demand placed on an improvement type relative to the demand from a single-family unit. For each improvement type, **Table 4-2** summarizes the basis for the EDU factors, the EDU factors by land use, and the total EDUs by land use—including all residential and commercial land uses.

The two commercial land uses, Village Center and Regional Town Center, both include retail and office components. It is anticipated that the majority of the commercial development will be retail development. For the purposes of establishing EDU factors and estimating the allocation of costs among the residential and commercial land uses, it is assumed that the Village Center and Regional Town Center development will be composed of 90 percent retail uses and 10 percent office uses.

The backup calculations needed to establish the Road EDU factors are detailed in **Appendix B**. The remainder of this chapter summarizes the EDU factors and details the cost allocation for each fee component.

Roadways

Appendix B details the calculation of the EDU factors for roadway improvements. The EDU factors are established using daily vehicle miles traveled to measure relative demand for roadway infrastructure by land use. The vehicle miles traveled are calculated as a combination of the estimated daily trips, average trip length, and percentage of trips considered to be newly originated trips. The EDU factors by land use are calculated as the vehicle miles traveled per unit (residential dwelling unit or commercial 1,000 building square feet) relative to the vehicle miles traveled for a low-density single-family unit.

Table 4-3 and **Table 4-4** detail the on-site and off-site roads cost allocations, respectively, using the roads costs established in the previous chapter, the residential and commercial EDU factors from **Table 4-2**, and the methodology outlined at the beginning of this chapter.

[1] See Table B-1 for calculation of EDU factors.

Water

The water EDU factors are established using peak hour water usage, as measured in gallons per minute (GPM), to estimate relative demand for water facilities by land use. The EDU factors by land use are calculated as the GPM per unit (residential dwelling unit or commercial acre) relative to the GPM for a low-density single-family unit. The residential and commercial EDU factors are equivalent to the factors used by the Sacramento County Water Agency in its fee program.

Table 4-5 details the water cost allocation using the water costs established in the previous chapter, the EDU factors from **Table 4-2**, and the methodology outlined at the beginning of this chapter.

Storm Drainage

The storm drainage EDU factors are established using runoff estimates, as measured by impervious surface factors, to estimate relative demand for storm drainage improvements by land use. The EDU factors by land use are calculated as the impervious surface percentage per acre relative to the impervious surface percentage for a low-density single-family acre. The impervious surface factors per acre were obtained from the City and County of Sacramento Drainage Manual.

Table 4-6 details the storm drainage cost allocation using the water costs established in the previous chapter, the EDU factors from **Table 4-2**, and the methodology outlined at the beginning of this chapter.

Wetland Mitigation for Backbone Infrastructure, Wetland Preserve Buffer, and Plan Area Formation

The EDU factors for wetland mitigation, wetland preserve buffers, and plan area formation are all established on the basis of acres. The need for the creation of wetlands and a wetland preserve buffer is generated by all development that directly or indirectly disturbs the existing wetlands. One acre of any type of residential or commercial development is estimated to have roughly the same impact on the wetlands and, thus, to derive the same benefit from the wetland improvements. Likewise, each acre of development is assumed to derive the same benefit from the plan area formation tasks that must occur before development can occur in the SCSP. To reflect the equal benefit derived from each acre of development, the EDU factors used to allocate the wetland mitigation, wetland preserve buffer, and plan formation costs to the land uses are all set to 1 EDU per acre.

Table 4-7 details the wetland mitigation for backbone infrastructure cost allocation, **Table 4-8** details the wetland preserve buffer cost allocation, and **Table 4-9** details the plan formation cost allocation. Each of these cost allocation tables uses the costs established in the previous chapter, the EDU factors of 1 EDU per acre from **Table 4-2**, and the methodology outlined at the beginning of this chapter.

[1] Residential and nonresidential EDU factors per dwelling unit and acre are from the Sacramento County Water Agency Fee Schedule; effective March 1, 2019. EDUs for commercial water use are estimated assuming 2" service; EDUs for single family residential water are estimated at 1" service. Compact density and high density residential have a density over ten units per acre and therefore have an EDU factor of 0.75 per unit.

Plan Area Formation Fee Reimbursements by Landowner

The Plan Area Formation fee component will be charged and collected per net acre for both residential and commercial land uses. Public and other land uses, including roads, schools, parks, detention basins, public/quasi-public parcels, wetland preserves and wetland buffers, are not included in the base for allocation of the Plan Area Formation costs.

Since the SunCreek property owners participated in the funding of Plan Area Formation costs to different degrees, the amounts paid by individual property owners will be more or less than their fair share obligation based on the number of developable acres on their property relative to the total number of developable acres in the SCSP. Additionally, the landowner applying for the final map may be a successor in interest to the property owner who paid the Plan Area Formation costs and is entitled to the reimbursement under this fee component.

The payment and reimbursement of Plan Area Formation costs will be handled as follows:

1. **Appendix D** details the Plan Area Formation costs incurred to date and estimated for the remainder of 2022, as well as the amounts paid by landowner to date and anticipated for the remainder of 2022.
2. **Table 4-10** details the estimated Plan Area Formation reimbursements or fees owed by landowner.
3. At final map, the landowner will receive fee credits up to the amount of Plan Area Formation costs that they have paid. They will be required to pay fees for any remaining fee obligation in excess of the costs they have paid, including fees for costs paid by a predecessor in interest on their property who is entitled to the reimbursement of those costs.
4. Plan Area Formation fee revenue collected will be used to reimburse other landowners, including a predecessor in interest on their property, if applicable, for costs the other landowners paid in excess of their fee obligation.

Park Corridors and Trails

The park corridors and trails EDU factors are established using population, as measured by persons per household, to estimate relative demand for parks by land use. The EDU factors by residential land use are calculated as the estimated persons per household relative to the persons per household for a low-density single-family unit. Park corridors and trails costs are not allocated to commercial development, as the trail system is primarily planned to serve the residents of the SCSP.

Table 4-11 details the parks corridors and trails cost allocation using the costs established in the previous chapter, the EDU factors from **Table 4-2**, and the methodology outlined at the beginning of this chapter.

Exhibit A to the Resolution

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

THIS PAGE IS BLANK INTENTIONALLY

5. AB 1600 Nexus Findings

Authority

This report has been prepared to establish the SCSP Fees in accordance with the procedural guidelines established in AB 1600, which are codified in California Government Section 66000 et. seq. These code sections set forth the procedural requirements for establishing and collecting development impact fees. The procedures require that a “reasonable relationship or nexus must exist between a governmental exaction and the purpose of the condition.”² Specifically, each local agency imposing a fee must:

- Identify the purpose of the fee.
- Identify how the fee is to be used.
- Determine how a reasonable relationship exists between the fee’s use and the type of development project on which the fee is imposed.
- Determine how a reasonable relationship exists between the need for the public facility and the type of development project on which the fee is imposed.
- Demonstrate a reasonable relationship between the amount of the fee and the cost of the public facility or portion of the public facility attributable to the development on which the fee is imposed.

Nexus Findings

For each SCSP Fee component, the fees to be collected by land use are calculated based on the proportionate share of the total public facility use that each land use represents. Using this approach results in legally justifiable development impact fees. This section details the nexus findings for each SCSP Fee component that is addressed in this report.

Roadways

Purpose of Fee

New development in the SCSP will result in an increase in the service population and, therefore, in the demand placed on the City’s transportation infrastructure. The purpose of the SCSP roadway fee is to provide funding to maintain adequate levels of service on public roads through the expansion of existing on-site and off-site roadway facilities and construction of new roadway facilities.

² *Public Needs & Private Dollars*; William Abbott, Marian E. Moe, and Marilee Hanson, page 109.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Use of Fee

The SCSP roadway fees will be used to construct and expand roadway facilities to accommodate future traffic volumes projected as a result of new development. Roadway improvements to be funded by the SCSP Fees include on-site traffic signal construction and modifications, as well as off-site improvements for which the SCSP has a reciprocal funding agreement with the County.

Relationship Between Use of Fee and Type of Development

The SCSP roadway fees will be used to construct roadway improvements needed to adequately serve an increased service population as the result of the new development. A reasonable relationship exists between the use of the Road Fees and the residential and commercial development on which the fees are imposed because the fees will be used to construct the roadway system to serve the new residents and employees generated by the new development.

Relationship Between Need for Facility and Type of Development

New residential and commercial development in the SCSP will generate new residents and employees that will result in new vehicular trips and the need for additional roadway capacity to maintain adequate levels of service. A reasonable relationship exists between the need for roadway improvements and the type of new residential and nonresidential development projects because the capacity of the roadway system must be expanded to accommodate the new development types that will place an increased demand on the roadway system.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP roadway fee is allocated among the projected new residential and nonresidential land uses in the SCSP at buildout based on the relative demand each land use is anticipated to place upon the improvements. Cost allocation factors based on vehicle miles travelled are used to measure the relative demand generated by each land use and to allocate the roadway costs across all benefitting land uses in the SCSP. A reasonable relationship exists between the amount of the SCSP Road Fees and the costs of the facilities attributable to the new residential and nonresidential development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

Water***Purpose of Fee***

New development in the SCSP will result in the need for new water infrastructure to serve the new service population. The purpose of the SCSP water fee is to provide funding to construct water improvements needed to adequately serve the new service population.

Use of Fee

The SCSP water fees will be used to construct water facilities needed to accommodate increased demand projected as a result of new development. Water system improvements funded through the SCSP Fee Program include construction of local and regional transmission mains.

Relationship Between Use of Fee and Type of Development

The SCSP water fees will be used to construct the water system infrastructure needed to adequately serve the new service population as the result of new development. A reasonable relationship exists between the use of the water fees and the residential and commercial development on which the fees are imposed because the fees will be used to construct the water system infrastructure needed to serve the new residents and employees generated by the new development.

Relationship Between Need for Facility and Type of Development

New residential and commercial development in the SCSP will generate new residents and employees that will result in the need for new water system capacity to provide adequate service to the SCSP's service population. A reasonable relationship exists between the need for water system improvements and the type of new residential and commercial development projects because the new water system improvements must be constructed to accommodate the new development types that will place an increased demand on the water system.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP water fee is allocated among the projected new residential and commercial land uses in the SCSP at buildout based on the relative demand each land use is anticipated to place upon the improvements. Cost allocation factors based on water usage, as measured in peak hour gallons per minute, are used to measure the relative demand generated by each land use and to allocate the water costs across all benefitting land uses in the SCSP. A reasonable relationship exists between the amount of the SCSP water fees and the costs of the facilities attributable to the new residential and commercial development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

Storm Drainage***Purpose of Fee***

New development in the SCSP will result in increased storm water runoff generated by the addition of impervious surface area created by the new development. New storm drainage infrastructure will be needed to provide protection against flooding to the new SCSP service population associated with the new development. The purpose of the SCSP storm drainage fee is to provide funding to construct specific storm drainage improvements needed to serve the new SCSP service population.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Use of Fee

The SCSP storm drainage fees will be used to construct and expand storm drainage infrastructure to accommodate increased demand for flood protection as a result of new development. Storm drainage system improvements funded through the SCSP Fee Program include infrastructure needed to provide drainage for the backbone roadway system planned in the SCSP.

Relationship Between Use of Fee and Type of Development

The SCSP storm drainage fees will be used to construct storm drainage infrastructure to adequately serve an increased service population as the result of new development. A reasonable relationship exists between the use of the storm drainage fees and the residential and commercial development on which the fees are imposed because the fees will be used to construct storm drainage system infrastructure needed to provide flood protection to the new residents and employees generated by the new development.

Relationship Between Need for Facility and Type of Development

New residential and commercial development in the SCSP will generate new residents and employees that will result in the need for additional storm drainage infrastructure to provide adequate flood protection to the SCSP's service population. A reasonable relationship exists between the need for storm drainage improvements and the type of new residential and commercial development projects because the storm drainage infrastructure must be constructed to accommodate the new development types that will place an increased demand on the storm drainage system.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP storm drainage fee is allocated among the projected new residential and commercial land uses in the SCSP at buildout based on the relative demand each land use is anticipated to place upon the improvements. Cost allocation factors based on the need for drainage improvements, as measured by impervious surface area generated by each land use type, are used to measure the relative demand generated by each land use and to allocate the storm drainage costs across all benefitting land uses in the SCSP. A reasonable relationship exists between the amount of the SCSP storm drainage fees and the costs of the facilities attributable to the new residential and commercial development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

Wetland Mitigation for Backbone Infrastructure***Purpose of Fee***

New backbone infrastructure must be constructed to serve new development in the SCSP, which will result in the disturbance of existing wetlands and the need to provide additional habitat to meet federal requirements for protecting and conserving threatened and endangered species. The purpose of the SCSP wetland mitigation fee is to provide

funding for payment of the South Sacramento HCP fees that will be imposed on the construction of SCSP backbone infrastructure to fund the acquisition and maintenance required wetlands.

Use of Fee

The SCSP wetlands mitigation fee will be used for the payment of South Sacramento HCP fees to mitigate for the disturbance of existing wetlands caused by the construction of backbone infrastructure needed to serve new development.

Relationship Between Use of Fee and Type of Development

The SCSP wetlands mitigation fee will be used to pay the required South Sacramento HCP fees to mitigate for the disturbance of existing wetlands as the result of the construction of new backbone infrastructure needed to serve new development. A reasonable relationship exists between the use of the wetlands mitigation fees and the residential and commercial development on which the fees are imposed because the fees will be used to mitigate for the disturbance of existing wetlands caused by the construction of backbone infrastructure serving the new development.

Relationship Between Need for Facility and Type of Development

New residential and commercial development in the SCSP will generate new residents and employees and the need for additional backbone infrastructure that will disturb existing wetlands and require the construction of new wetlands to meet federal requirements. A reasonable relationship exists between the need for wetland mitigation and the type of new residential and commercial development projects because new wetlands must be constructed to mitigate for the disturbed wetlands caused by the new development types.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP wetlands mitigation fee is allocated among the projected new residential and commercial land uses in the SCSP at buildout based on the relative need for wetlands mitigation generated by each land use. Cost allocation factors based on acreage are used to measure the relative demand generated by each land use and to allocate the wetlands mitigation costs across all benefitting land uses in the SCSP. Acres are used to allocate costs because it is assumed that each acre of residential and commercial development, regardless of the development type, will result in an approximately equal need for backbone infrastructure and the resulting wetlands disturbance that must be mitigated. A reasonable relationship exists between the amount of the SCSP wetland mitigation fees and the costs of the facilities attributable to the new residential and commercial development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Park Corridors and Trails***Purpose of Fee***

New development in the SCSP will result in new residents and in the need for a bicycle and pedestrian trail system in the SCSP that creates connectivity between residential, commercial, employment, transit, and recreation destinations. The purpose of the SCSP park corridors and trails fee is to provide funding to construct a trails system that serves the residents of the SCSP and connects to the Citywide trails network.

Use of Fee

The SCSP park corridors and trails fee will be used to fund the construction of a trails system to serve the residents of the SCSP.

Relationship Between Use of Fee and Type of Development

The SCSP park corridors and trails fees will be used to construct bicycle and pedestrian trails needed to serve the projected new residents of the SCSP. A reasonable relationship exists between the use of the parks and trails fees and the residential development on which the fees are imposed because the fees will be used to construct the trails system to serve the new residents generated by the new development.

Relationship Between Need for Facility and Type of Development

New residential development in the SCSP will generate new residents, resulting in the need for a bicycle and pedestrian trails system to provide connectivity within the SCSP and to the City trails system, as well as a desired level of service to the residents. A reasonable relationship exists between the need for the trails system and the type of new residential development projects because the trails system must be created to accommodate the new development types that will benefit from the trails.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP park corridors and trails fee is allocated among the projected new residential land uses in the SCSP at buildout based on the relative benefit from the trails system generated by each land use. Cost allocation factors based on the people who will use the trails system, as measured by persons per household, are used to measure the relative demand generated by each land use and to allocate the park corridors and trails costs across all benefitting residential land uses in the SCSP. A reasonable relationship exists between the amount of the SCSP park corridors and trails fees and the costs of the improvements attributable to the new residential development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each residential development type.

Wetland Preserve Buffer***Purpose of Fee***

More than 205 acres of wetland preserve areas and roughly 45 acres of wetland buffer areas, to provide protection for the wetland preserves, are planned in the SCSP. The purpose of the SCSP wetland preserve buffer fee is to provide funding for construction of the planned wetland buffer areas.

Use of Fee

The SCSP wetland preserve buffer fee will be used for construction of wetland preserve buffer improvements, including minimal buffer landscaping and post and cable barriers.

Relationship Between Use of Fee and Type of Development

The SCSP wetland preserve buffer fee will be used to construct the wetland buffers needed to provide protection for the wetland preserves, which are required to mitigate for the disturbance of existing wetlands as the result of new development. A reasonable relationship exists between the use of the wetland preserve buffer fees and the residential and commercial development on which the fees are imposed because the fees will be used to fund improvements needed to mitigate for the disturbance of existing wetlands caused by the new development.

Relationship Between Need for Facility and Type of Development

New residential and commercial development in the SCSP will generate new residents and employees and the need for the construction of wetlands buffers to provide protection for the wetland preserves required to mitigate for the disturbance of existing wetlands caused by new development. A reasonable relationship exists between the need for wetland buffers and the type of new residential and commercial development projects because new wetland buffers are required to mitigate for disturbed wetlands caused by the new development types.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of improvements funded by the SCSP wetland preserve buffer fee is allocated among the projected new residential and commercial land uses in the SCSP at buildout based on the relative need for the wetland buffers generated by each land use. Cost allocation factors based on acreage are used to measure the relative demand generated by each land use and to allocate the wetland buffers costs across all benefitting land uses in the SCSP. Acres are used to allocate costs because it is assumed that each acre of residential and commercial development, regardless of the development type, will result in an approximately equal disturbance of wetlands and need for wetland preserve buffers. A reasonable relationship exists between the amount of the SCSP wetland preserve buffer fees and the costs of the facilities attributable to the new residential and commercial development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

Plan Area Formation***Purpose of Fee***

In the time since approval of the SunCreek Specific Plan in 2013, the SunCreek Owners' Group has worked with the City to prepare various studies and reports, as well as specific plan amendments, which are necessary for development in the SCSP to occur. Property owners have incurred the costs of this work associated with the Plan Area formation and will be reimbursed through the SCSP Fee Program. The purpose of the SCSP plan area formation fee is to provide funding to reimburse the owners for the accrued and estimated remaining plan area formation costs.

Use of Fee

The SCSP plan formation fee will be used to fund the costs incurred by the property owners to perform the necessary work for development to occur in the SCSP.

Relationship Between Use of Fee and Type of Development

The SCSP plan area formation fee will be used to fund the plan area formation studies and other work needed before development can occur in the SCSP. A reasonable relationship exists between the use of the plan area formation fees and the residential and commercial development on which the fees are imposed because the fees will be used to fund the plan area formation costs incurred to facilitate development in the SCSP.

Relationship Between Need for Facility and Type of Development

Before new residential and commercial development in the SCSP can occur, required studies and other related work must be completed. A reasonable relationship exists between the need for the SCSP plan area formation work and the type of new residential and commercial development projects because the work must be completed before the new development types will be allowed to occur.

Relationship Between Amount of Fee and Cost of Facility or Portion of Facility Attributed to Development on Which Fee is Imposed

The total cost of the plan area work funded by the plan area formation fee is allocated among the projected new residential and commercial land uses in the SCSP at buildout based on the relative need for the funding of the plan area formation tasks generated by each land use. Cost allocation factors based on acreage are used to measure the relative demand generated by each land use and to allocate the plan area formation costs across all benefitting land uses in the SCSP. Acres are used to allocate costs because it is assumed that each acre of residential and commercial development, regardless of the development type, will result in approximately an equal requirement for the funding of the plan area formation tasks. A reasonable relationship exists between the amount of the SCSP plan area formation fees and the costs of the plan area formation tasks attributable to the new residential and commercial development on which the fees are imposed because the fees are derived using appropriate cost allocation factors as measures of the proportional demand generated by each development type.

6. Implementation and Administration

The SCSP fees presented in this Nexus Study are based on the best land use and cost estimates available at the time this report was prepared. The proposed Fee Program will be approved by the City through an ordinance establishing and authorizing collection of the fee and a resolution setting the amount of the fees. The proposed fees are shown in **Table 1-1** of this report. As detailed in prior chapters of this report, the fees include components for each different type of public improvement, as well as a 3 percent fee administration component for the City to administer the Fee Program. If development projections, improvement requirements and costs, or funding sources other than development impact fees change significantly, the fees should be adjusted accordingly.

The SCSP Fee Program applies to all residential and nonresidential commercial development in the SCSP. It will be independent and separate from all other City, Sacramento County (County), other agency, or regional development impact fees that will be applicable to SCSP development. The SCSP fees in effect shall be paid at the time that a building permit is issued. If a private developer constructs improvements included in the Fee Program, the developer will be eligible to receive fee credits or reimbursements.

The remainder of this chapter provides a summary of the key implementation and administrative elements for the SCSP Fee Program.

Fee Program Updates

Annual Inflation Update

The SCSP Fee Program includes annual adjustments to account for the inflation of public facilities design, construction, installation, and acquisition costs unless there is a Periodic Update (described below) in the same year. In January of each year, the SCSP fees will be adjusted by the percentage change in the average of the Engineering-News Record's San Francisco and 20-City Construction Cost Indices for the 12-month period ending in October of the previous year.

Periodic Update for Significant Adjustments

The City will perform periodic reviews of the SCSP Fee Program and update the fees to reflect the following types of changes:

- Changes in land use categories.
- Changes in development projections.
- Changes in backbone infrastructure and public facility requirements.
- New cost estimates.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

- New funding source data.
- Changes in cost allocation factors.
- Changes in the methodology for computing the SCSP fees.

Reviews and Accounting

Annual Review

This report and the technical information it contains should be maintained and reviewed periodically by the City as necessary to ensure the accuracy of the SCSP fee estimates and to enable the adequate programming of funding sources. To the extent that improvement requirements, costs, or development potential change over time, the SCSP Fee Program will need to be updated. As part of the process to document Fee Program changes, the City is required to review the Fee Program and report on its status annually. Specifically, AB 1600 (at Gov. C. §§ 66001(c), 66006(b)(1)) stipulates that each local agency that requires payment of a fee make specific information available to the public annually within 180 days of the last day of the fiscal year, including the follow items:

- A description of the type of fee in the account.
- The amount of the fee.
- The beginning and ending balance of the fund.
- The amount of fees collected and interest earned.
- Identification of the improvements constructed.
- The total cost of the improvements constructed.
- The fees expended to construct the improvement.
- The percent of total costs funded by the fee.

If sufficient fees have been collected to fund the construction of an improvement, the agency must specify the approximate date for construction of that improvement. Because of the dynamic nature of growth and infrastructure requirements, the City should monitor development activity, the need for infrastructure improvements, and the adequacy of the fee revenues and other available funding. Formal annual review of the SCSP Fee Program should occur, at which time necessary adjustments should be made to the Fee Program.

Five-Year Review

Fees will be collected from new development in the SCSP when a building permit is issued; however, use of these funds may need to wait until a sufficient fund balance can be accrued to fund improvements. According to Government Code Section 66006, the City is required to deposit, invest, account for, and expend the fees in a prescribed manner. The fifth fiscal year following the first deposit into the fee account or fund, and every 5 years thereafter, the City is required to make all of the following findings with respect to that portion of the account or fund remaining unexpended:

- Identify the purpose for which the fee is to be put.
- Demonstrate a reasonable relationship between the fee and the purpose for which it is charged.
- Identify all sources and amounts of funding anticipated to complete financing in incomplete improvements.
- Designate the approximate dates that the funding referred to above is expected to be deposited in the appropriate account or fund.

Once sufficient funds have been collected to complete the specified projects, the City must commence construction within 180 days. If it fails to do this, the City is required to refund the unexpended portion of the fee and any accrued interest to the then current owners.

Fee Program Credits and Reimbursements

Credit and Reimbursement Policies

Many of the major improvements, interchangeably referred to as facilities or improvements, included in the Fee Program CIP will be constructed privately by developers and dedicated to the City or other public agency. In order to create the necessary link between the collection of the SCSP fees from new development and the private construction of improvements, detailed credit and reimbursement procedures are incorporated into the SCSP Fee Program Ordinance. These credit and reimbursement procedures are necessary to assure that the improvements are constructed and funded in compliance with the scheduling priorities established by the SCSP CIP. In addition, agreements between the City and developer that further outline the specifics of the credit and reimbursement requirements are required by the SCSP Fee Program Ordinance.

Amount of Credit/Reimbursement

The amounts to be considered for credit or reimbursement of the improvements constructed by private development will be the actual cost of constructing the improvement, including costs such as engineering design, design surveys, construction surveys, construction inspection and materials testing, and contingency, up to the estimated cost contained in the Fee Program CIP, as detailed in **Appendix A**. In the event that the fee rates and improvement costs are adjusted by either the built-in annual adjustments or periodic program updates, the maximum amount allowed for credit or reimbursement shall be the cost set forth in the SCSP CIP in effect at the time of the project's acceptance. Amounts for contingencies will be examined on a case-by-case basis and will be allowed based on the determination of the Community Development Director, or his/her designee.

ITEM 10.4.**Exhibit A to the Resolution**

Report: SunCreek Specific Plan Development Impact Fee Nexus Study
March 2022

At the time of the execution of the credit/reimbursement agreement, the eligible amount and allowable credits would be based on the estimated cost contained in the Fee Program CIP in effect at the time of the agreement. Upon acceptance of the improvement, the City will verify the actual cost of the project. If the project cost is less than the amount contained in the agreement, the difference in terms of credit will be applied to lower any remaining credits or be paid back to the City when no more credits are available. If there is reimbursement due to the developer, this difference will be adjusted to the reimbursement amount. If the project cost is more than the amount contained in the agreement and the cost in the Fee Program CIP in effect at the time of the project acceptance is greater than amount contained in the agreement due to annual adjustments to the CIP or periodic updates to the Fee Program, the difference between the amount contained in the agreement and the lesser of the project cost or the eligible amount in effect at the time of the project acceptance, will be applied to increase any future available credits or be reimbursed by the City to the developer in accordance with the reimbursement policy.

Credit Requirements

To obtain credits, an application must be submitted to the City and a credit agreement must be entered into prior to issuance of any building permits for which a credit will be used. Credits shall be prorated over each unit in a residential subdivision and given after a security is posted for the complete performance of the construction project in a form that is acceptable to the City or after the facility is accepted by the City. Credits may be used against all fee components, with the exception of the off-site roads and administration fees. The credits will be applied to the total of all required SCSP fees excluding the off-site roads and administration fees, which must be paid in full at the time a building permit is issued.

Reimbursement Requirements

To obtain a reimbursement, a reimbursement agreement is needed between the City and the developer. Reimbursement Agreements shall not be paid unless the improvement is completed and accepted by the City or other public agency. Reimbursement agreements are an obligation of the SCSP Fee Program and are not an obligation of the City General Fund or any other fund of the City. Timing of reimbursements will be on a first-come-first-served basis based on the acceptance date of the improvement and the availability of funds in the applicable SCSP Fee Program Fund. Construction projects that the City is responsible for will take funding precedence over reimbursing developers.

APPENDICES:

- Appendix A: SCSP Fee Program Capital Improvement Plan
- Appendix B: Cost Allocation Backup Data
- Appendix C: Preliminary Cost Estimate for SCSP Proposed Project Backbone Infrastructure (prepared by MacKay & Somps)
- Appendix D: Plan Area Formation Costs and Funding (prepared by SunCreek Owners' Group)

[1] See Table A-2.

[2] Plan area costs are net of TDIF credits. Pursuant to the provisions of the Public Facilities Finance Plan adopted with the SunCreek Specific Plan (SCSP) and the Development Agreements applicable to all properties in the SCSP, a set-aside of the Transportation Development Impact Fee (TDIF) was established at \$9,000 in 2013 as a dedicated funding source to fund certain core backbone roadways. As of January 1, 2022, the set aside amount has inflated to \$11,076.32 per single family dwelling unit, which amount shall be collected at building permit and not available to be applied as credits at building permit. The creditable amount available to be applied at building permit in any given year shall be the difference between the current transportation impact fee and the current set-aside.

[1] The traffic signal locations are preliminary. Traffic signal locations will be verified by traffic analysis and warrants.

[2] Pursuant to the provisions of the Public Facilities Finance Plan adopted with the SunCreek Specific Plan (SCSP) and the Development Agreements applicable to all properties in the SCSP, a set-aside of the Transportation Development Impact Fee (TDIF) was established at \$9,000 in 2013 as a dedicated funding source to fund certain core backbone roadways. As of January 1, 2022, the set aside amount has inflated to \$11,076.32 per single family dwelling unit, which amount shall be collected at building permit and not available to be applied as credits at building permit. The creditable amount available to be applied at building permit in any given year shall be the difference between the current transportation impact fee and the current set-aside.

[3] Major SunCreek roadway improvements that are funded by the SunCreek Plan Area Fee. Includes construction cost and 35% for contingency and soft costs.

[4] Net costs consist of road frontage and con-span costs to be funded by private developers and costs for improvements included in the City TDIF Program that exceed the estimated TDIF Program cost. It is anticipated that the City TDIF Program will be updated to reflect updated costs and that the developers will receive full TDIF fee credits for TDIF Program improvements they construct.

[5] See Table A-9.

[6] SunCreek Plan Area Fee Program amounts are for enhanced medians. These amounts are not reflected as being in the SunCreek Plan Area Fee Program in the MacKay & Somps Cost Estimate in Appendix C. Enhanced median calculations (2020\$) shown below:

	Linear Feet	Cost per LF	Subtotal Cost	Contin./ Soft Costs 35%	Total
West Park Drive - RD503	2,030	\$176	\$357,280	\$125,048	\$482,328
Central Park Drive - RD504	2,660	\$176	\$468,160	\$163,856	\$632,016
Central Park Drive - RD601	1,380	\$176	\$242,880	\$85,008	\$327,888

[7] Shown in MacKay & Somps Cost Estimate in Appendix C as Drainage Costs. Moved to Road Costs for the purposes of establishing the fees. 2021 amounts are based on cost estimates provided to MacKay & Somps from Contech Engineered Solutions (9/1/2021) and are not adjusted by the CCI Adjustment factor.

Source: MacKay & Somps (September 2021); EPS.

drain

[1] The Storm Drainage system has been sized to serve both backbone roadway drainage and onsite drainage. In order to capture only the drainage system cost incurred by backbone roadway improvements, the cost of the drainage system has been prorated by a ratio of the total backbone road area relative to the total shed area served by the system. The remaining cost will be treated as an intract cost paid for the developer.

[2] The City of Rancho Cordova now has its own City Drainage Impact Fee Program that replaces the SCWA Zone 11A Fee Program. Credits under the City program may vary from the credits shown in this table. The new fee program credits will be included in the next update.

[3] See Table A-9.

[4] Shown in MacKay & Somps Cost Estimate in Appendix C as Drainage Costs. Moved to Road Costs for the purposes of establishing the fees. Plan Area fee costs adjusted in Road Costs table. See Table A-2.

MacKay & Somps estimates for Con-Spans from September 2021, so no inflation adjustment is made.

[5] Totals may not sum precisely because of rounding.

Proposed Project Backbone Infrastructure
(prepared by MacKay & Somps)

PRELIMINARY
COST ESTIMATE

SUNCREEK PLAN AREA SPECIFIC PLAN

Proposed Project
Backbone Infrastructure

Rancho Cordova, California

September 13, 2021

MACKEY & SOMPS
CIVIL ENGINEERS, INC.
SACRAMENTO, CALIFORNIA (916) 929-6092

Preliminary Cost Estimate
SunCreek Plan Area Specific Plan
Proposed Project Backbone InfrastructureNOTES

-
1. This estimate is prepared as a guide only and is subject to possible change. It has been prepared to a standard of accuracy which, to the best of our knowledge and judgment, is sufficient to satisfy our understanding of the purpose of this estimate. MacKay & Soms makes no warranty, either expressed or implied, as to the accuracy of this estimate.
 2. This estimate does not consider the following:
 - a. Cost associated with environmental (wetland) mitigations or biological surveys
 - b. Phased construction or out-of-regular-sequence construction
 - c. Costs associated with ground water or inclement weather conditions
 - d. Financial Charges
 - e. Bonds
 - f. Land costs, acquisition of right of way, easements, and/or rights of entry
 - g. Assessments from assessment, lighting & landscaping, Mello-Roos districts or the like
 3. Costs presented herein represent an opinion based on historical information. No provision has been made for inflation.
 4. The "cash flow" situation may be different than the fees, credits, and reimbursements itemized in this estimate.
 5. Interim improvements may be required depending on development timing of individual units.
 6. Cost for unsuitable material removal is not included in this estimate.
 7. Costs are preliminary and subject to change upon more detailed design and analysis.
 8. Cost for rock excavation is not included in this estimate.
 9. Cost for Rough Grade Excavation is based on an estimated excavation volume which is calculated by assuming an average excavation depth of 2-feet across the roadways segment clear and grub limits.
 10. Grade-separated crossings of major roadways are included in this estimate and it is presumed that they will be added to the City's CIP. Estimated cost to provide grade separated trail crossings are based on MacKay & Soms Technical Memorandum No. 9, dated Sept. 28, 2010 and revised with updated unit prices.
 11. Cost for construction and financing of the Americanos Blvd 24" water supply pipeline north of Chrysanthy Blvd, the Chrysanthy Blvd 24" water supply pipeline west of Phase 9, the Grant Line Rd water supply pipelines north and south of Phase 9, the Glory Ln water supply pipelines east of Grant Line Rd and the Cordova Hills water tank are not included in this estimate. It is assumed that these improvements will be constructed by Zone 40 or others and paid for by standard SCWA Zone 40 water connection fees.

**Preliminary Cost Estimate
SunCreek Plan Area Specific Plan
Proposed Project Backbone Infrastructure**

NOTES

12. This estimate reflects the sewer system proposed for the project as shown in the approved Level 2 Sewer Study prepared by Mackay & Soms dated April 6, 2016.
13. This estimate assumes that Grant Line Road improvements along the project boundary will be constructed by the City CIP Program and that only the Chrysanthy Blvd/Grant Line Road interim intersection improvements, a city CIP funded improvement, will be built by the SunCreek Specific Plan.
14. Backbone sewer infrastructure cost is assumed to be publicly bid therefore fully reimbursed by SASD.
15. This estimate reflects the water system proposed for the project as shown in the Technical Memorandum - Phase 1 SunCreek Specific Plan, Exhibit C dated March 8, 2016.
16. Credit unit prices for potable water are based on the Sacramento County Water Agency (SCWA) Schedule C - Credits for Transmission Mains dated January 23, 2018.

8. Signing & Striping (2-lanes)	5250	LF	\$1.43	\$7,519.31
9. Erosion Control / SWPP	1	LF	\$20.62	\$20.62
Total				\$398,305.93
Use				\$398,310

Notes:

- Based on schematic layout of Grant Line / Kiefer intersection to comply with City Condition of Approval.
- ROW acquisition cost is place holder estimate only - to be updated based on detailed ROW assessment.
- This estimate excludes the following:
 - Joint Trench costs
 - Frontage, Landscaping, and Soundwall
 - Impact/Mitigation Requirements
- Improvements incl. full lengths of req'd transitions and lane addition.

ITEM 10.4.**ATTACHMENT 2

Preliminary Cost Estimate
SunCreek Plan Area Specific Plan
Proposed Project Backbone Infrastructure

27146.000

Preliminary Cost Per Linear Foot
Grant Line / Jackson Road Intersection (Off-Site)
Street-Section O-UU

ITEM	QUANTITY	UNIT	UNIT PRICE	PER FT COST
1. Clear and Grub	47800	SF	\$0.11	\$5,476.92
2. Roadway Excavation	3840	CY	\$13.75	\$52,798.46
3. 6" Asphalt Concrete Paving	47800	SF	\$3.72	\$178,000.03
4. 14" Aggregate Base	47800	SF	\$2.01	\$95,846.17
5. Roadside Ditch	4100	LF	\$5.00	\$20,500.00
6. Traffic Signal Modification (pedestals)	1	EA	\$171,870	\$171,870.00
7. Signing & Striping (2-lanes)	11800	LF	\$1.43	\$16,900.55
8. Erosion Control / SWPP	1	LF	\$20.62	\$20.62
Total				\$541,412.76
Use				\$541,500

Notes:

1. ROW acquisition cost is place holder estimate only - to be updated based on detailed ROW assessment;
2. This estimate excludes the following:
 - a. Joint Trench costs
 - b. Frontage, Landscaping, and Soundwall
 - c. Impact/Mitigation Requirements
3. Improvements full lengths of req'd merges and lane additions, all legs (widen of exist.; no concurrent segment widening req'd).

STORM DRAINAGE SYSTEM COST ESTIMATE SUMMARY

1. Pipeline System	\$9,119,300	(\$3,277,600)	\$5,841,700
2. Detention, Water Quality and Hydro-Modification Basins	\$858,500	(\$271,300)	\$587,300
GRAND TOTAL STORM DRAINAGE SYSTEM COST	\$9,977,800	(\$3,548,900)	\$6,429,000

Note:

1. Con-Span structure is reimbursed through the 2035 City of Rancho Cordova Transportation CIP. Credit includes 15% contingency and 35% Engineering/Plan check/Inspection.
2. Storm Drainage system has been sized to serve both backbone roadway drainage and onsite drainage. In order to capture only the drainage system cost incurred by backbone roadway improvements, the cost of the drainage system has been prorated by a ratio of the total backbone road area relative to the total shed area served by the system. The remaining cost will be treated as an intract cost paid for by the developer.
3. Box culvert extension is reimbursed through the City of Ranch Cordova 2035 CIP credit includes 15% Contingency and 35% Engineering/Plan Check/Inspection

Notes:

- 1) Outfall Structure is assumed to be a 10' long by 5' wide by 10 high concrete box with 10" thick walls. Total concrete volume is approx. 11 cys
- 2) Detention Basin Credit - Reimbursement is calculated by subtracting the total basin improvement credit from the total basin land credit.
- 3) Credit/Reimbursements amounts were estimated using the above methodology due to absence of detailed design information that would allow a more traditional line by line comparison of estimated costs against the Zone 11A published reimbursement schedule. Such a comparison will be included in future updates of the financing plan as design specific information becomes available.
- 4) Zone 11A does not reimburse for basin land, landscaping, access roads and paving that is not needed for the mission of its maintenance crews, or costs in excess of the Agency's published unit price reimbursement schedule.
- 5) Land costs and reimbursements for detention basins are included in the land equalization program.
- 6) Hydroseed area assumed to be 50' x Length of basin perimeter
- 7) Landscape area assumed to be 15' x Length of basin perimeter

	Engineering/Plan Check/Inspection (15%)				\$230,100		(\$230,100)	\$0
	Total Cost ^{2,6}				\$2,070,900		(\$2,070,900)	\$0
	Total Park Corridors and Trails System Improvements				\$19,687,860		(\$16,351,700)	\$3,336,160
	Use				\$19,687,900		(\$16,351,700)	\$3,336,200

PARK CORRIDORS AND TRAILS COST ESTIMATE SUMMARY

1. Park Corridors and Trails System	<u>\$19,687,900</u>	<u>(\$16,351,700)</u>	<u>\$3,336,200</u>
GRAND TOTAL PARK CORRIDORS AND TRAILS COST	\$19,687,900	(\$16,351,700)	\$3,336,200

Notes:

- Improvement cost for pedestrian at grade crossing are captured in the Kiefer Blvd roadway improvement cost.
- Grade separated crossing is reimbursed through the city of Rancho Cordova Transportation CIP.
- Trail segment TR204 will serve as a sewer access road for backbone sewer across the Phase 2 preserve.
- Trail segment TR401 will serve as a sewer access road for trunk sewer across the Phase 4 wetland buffer. The 12' wide access road for trunk sewer will be reimbursed by SASD.
- Improvement cost for pedestrian at grade crossing are captured in the Americano's Blvd roadway improvement cost.
- The City of Rancho Cordova is in the process of updating their trail grade separated crossing estimates at the time of this writing. Cost estimates shall be updated to match the revised Rancho Cordova estimates once the estimates have been published. The CIP anticipates that the cost to construct the grade separated trail crossing shall be fully creditable towards the TDIF program.

1.0 Executive Summary

The SunCreek Specific Plan is a proposed 1,266+/- acre master planned community consisting of a mix of land uses within the Sunrise Douglas Community Plan. The project includes low to high-density single-family residential units, some multi-family residential units, a High/Middle School Site, elementary schools, a variety of parks and open space, commercial mixed use areas and a town center. Figure A is the proposed land use plan for the plan area and Figure B is a vicinity map for the SunCreek Specific Plan.

The purpose of the Infrastructure Phasing Plan is to set forth a conceptual phasing plan for the major backbone infrastructure needed to serve the plan area. Nine (9) discrete development phasing areas are envisioned, each of which can be developed independently of each other and in any order.

The concept of development phasing areas offers a way of describing the orderly and cost effective phasing of backbone infrastructure construction. The conceptual phasing areas are shown in Figure C.

The development of each of the phasing areas depicted in Figure C do not indicate development phasing or a prescriptive approach to phasing; rather they depict conceptual development phasing areas based on the logical placement of infrastructure, utilities, roads, and land uses that may or may not develop as depicted. Furthermore, shifts in market demand and available financing mechanisms may also play a role in the way the plan area develops over time and that may alter the boundaries of the phasing areas as well as their number.

The final infrastructure phasing will be determined at the time of tentative subdivision map approval. This infrastructure phasing plan should be updated prior to each tentative map approval. Subsequent tentative map submittals will include updated infrastructure phasing plans.

This Phasing Master Plan identifies potential phases and provides general guidance for future conditions of approval and the development of Tentative Map Phasing Plans during subsequent entitlement approvals. This Phasing Master Plan also identifies the backbone infrastructure generally required to develop each potential phase.

A set of Guiding Principles for Phasing are presented that reflect City policy. The Guiding Principles may identify cumulative requirements for off site infrastructure and/or certain public facilities.

Tentative Map Phasing Plans (TMPP) will be approved prior to large and/or small lot tentative map approval. The TMPP will lay out a phasing plan for the tentative map identifying in detail the infrastructure to be included with each phase. The TMPP will be guided by the Infrastructure Phasing Plan for the SunCreek Specific Plan including the Guiding Principles for Infrastructure Phasing, but may vary from them somewhat at the

discretion of the City, consistent with then current City policy and as set forth in subsequent entitlement approvals. Tentative Map Phasing Plan will be able to be amended with future entitlement approvals. It is expected that the backbone infrastructure will be substantially complete to the satisfaction of the City Engineer prior to the issuance of any building permits within the tentative map area. Modifications to the Guiding Principles for Infrastructure Phasing will be considered and approved by the City Engineer if detailed engineering and cost analysis demonstrate that a more effective method of infrastructure development can be provided.

Over time, in response to market demands, the boundaries of the phasing areas may change; however, regardless of the ultimate configuration of the phasing areas, the appropriate segments of the backbone infrastructure must be constructed concurrent with individual phasing areas.

The governing construction phasing principle is to provide the necessary backbone infrastructure to meet the service levels identified by the City of Rancho Cordova. The backbone infrastructure envisioned in this phasing plan include major roads, storm drainage improvements, sanitary sewer system, water system improvements and Zone 40 treated water supply improvements.

2.0 Backbone Infrastructure

2.1 Infrastructure Overview

Backbone infrastructure refers to the streets, bridges, water, wastewater and drainage facilities, dry utilities (electricity, gas, telephone and cable) and other public facilities that are needed to deliver public services to a community. The backbone infrastructure is sized and located to primarily service the needs of Plan Area residents.

All or portions of the backbone infrastructure may be constructed in advance of the construction of individual phasing areas. However, it is anticipated that infrastructure will be constructed in pace with development so long as the appropriate level of service is maintained.

While this phasing plan tentatively identifies which backbone infrastructure is needed to serve development of a particular phase area on a stand alone basis, exactly which backbone infrastructure will be needed to serve a particular phasing area will actually be determined at the time of tentative map approval through the adoption of the tentative map phasing plan and conditions of approval.

2.2 Description of Backbone Infrastructure

This section describes the major backbone infrastructure and utilities required to support development of the plan area. This information is presented at a conceptual level in order to provide an overview of the distribution, location, and extent of infrastructure.

The proposed infrastructure and utility improvements as shown in Exhibits F through N are considered conceptual only, as additional infrastructure may be required to fully develop the Plan Area, as well as individual properties. The exact sizing and location of proposed utilities will be determined during the Tentative Map process, but should closely follow backbone infrastructure exhibits contained herein.

A significant amount of on-site and off-site infrastructure improvements are necessary to ensure the conveyance of water, wastewater, and storm drainage for the Plan Area, as well as the necessary roads to serve the area.

The proposed backbone infrastructure improvements are described briefly described below:

2.2.1 Major Roads

The construction of twelve (12) major roadway improvements are planned within, adjacent and exterior to the plan area. While some of these arterials are located interior to the plan area, others are located along the

border of the plan area (partially within and partially outside of the plan area). Three of these roadway improvements are off site.

Generally, the construction of these arterials will be phased as follows:

1. Interior Arterials. Initially, only the outside lanes and frontage improvements of the interior segments of arterials will be constructed with an extra wide median and 5' inside shoulders taking the place of the interior lanes. When traffic warrants, the inside lanes and median curbs will be constructed.
2. Border Arterials
 - a. Existing Half Section. The median and the other half of the roadway improvements will be constructed, including frontage improvements.
 - b. New Half Section. The two through lanes and frontage improvements on the plan area side of the street shall be constructed. The median will be omitted in favor of the construction of a 5' wide shoulder and roadside ditch on the non-plan area side of the roadway.

2.2.2 Storm Drainage Improvements

The construction of nine (9) detention/water quality/hydromodification basins, and five (5) drainage crossings.

2.2.3 Sanitary Sewer System Improvements

The construction of two (2) independent sewer systems with a total of two sewer pump station and three force mains.

2.2.4 Water System Improvements

The construction of high pressure zone water transmission pipelines, low pressure zone water transmission pipelines, two (2) water tanks, pump station, pressure reducing station and a small number of connecting water pipelines to facilitate the independent development of each discrete phasing areas. These system improvements neither include the future transmission pipelines that will be constructed by SCWA at a later date.

2.2.5 Zone 40 Treated Water Supply Improvements

All future Zone 40 treated water transmission pipelines planned for the project area that will be constructed by SCWA in the future. Likewise, all future off-site treated water pipelines, the future treated water storage tanks, and the future booster pump station will be constructed by SCWA in the future.

2.2.6 Undergrounding of Existing Overhead Utilities

The undergrounding of existing overhead utilities (i.e., electricity and/or telephone) along the northerly side of Kiefer Boulevard east of Rancho Cordova Parkway.

2.2.7 Pedestrian and Bike Trails

The construction of the backbone trail system for bicyclist and pedestrians generally follows the same alignment as the major backbone roads or the wetland buffers. The trail system construction will coincide with the construction of each development phasing.

2.2.8 Wetland Buffers

The dedication and construction of backbone facilities within the wetland buffers will coincide with the construction of each development phasing.

The particular details of the backbone infrastructure (such as road lengths, pipe sizes alignments, basin sizes, and appurtenances) are contained in the individual infrastructure master plans for the SunCreek Specific Plan. The backbone infrastructure is described in detail in Exhibit A of the cost estimate.

3.0 Conceptual Phasing Plan

3.1 Phasing Areas

The concept of development phasing areas offers a way of describing the orderly and cost effective phasing of backbone infrastructure construction. The nine (9) conceptual phasing areas shown in Exhibit C are described in further detail below.

The phasing areas depicted in Exhibit C do not indicate development phasing or a prescriptive approach to phasing; rather they depict conceptual phasing areas based on the logical placement of infrastructure, utilities, roads, and land uses that may or may not develop as depicted. Furthermore, shifts in market demand and available financing mechanisms may also play a role in the way the plan area develops over time and that may alter the boundaries of the phasing areas as well as their number.

The nine (9) conceptual phasing or development areas are briefly described as follows:

3.1.1 Phase 1 (Shalako West)

Phase 1 is bounded by Sunrsie Blvd. on the west, Kiefer Blvd. on the north, the Kite Creek nature preserve on the east, and the southern boundary of the plan area on the south.

3.1.2 Phase 2 (Shalako East)

Phase 2 is bounded by the Kite Creek nature preserve on the west, Kiefer Blvd. on the north, the future Rancho Cordova Parkway on the east, and the southern boundary of the plan area on the south.

3.1.3 Phase 3 (Investek North)

Phase 3 is bounded on the west by Rancho Cordova Parkway, on the north by future Central Park Drive, and on the southeast by the Kite Creek nature preserve.

3.1.4 Phase 4 (Investek South)

Phase 4 is bounded on the west by the Kite Creek nature preserve, on the north by future Central Park Drive, on the east by future Americanos Boulevard, and on the south by Kiefer Boulevard.

3.1.5 Phase 5 (Callahan)

Phase 5 bounded by the northern plan area boundary, on the east by Phase 6, on the south by future Central Park Drive, and on the west by Rancho Cordova Parkway.

3.1.6 Phase 6 (Smith-Dunmore)

Phase 6 is bounded by the northern plan area boundary, on the east by Phase 8, on the south by future Central Park Drive, and on the west by Phase 5.

3.1.7 Phase 7 (Sierra Sunrise South)

Phase 7 is bounded on the north by the Kite Creek nature preserve, on the east by the eastern plan area boundary, on the south by Kiefer Boulevard and on the west by future Americano Boulevard.

3.1.8 Phase 8 (Sierra Sunrise North)

Phase 8 is bounded on the north by the northern plan area boundary and Phase 9, on the east by the eastern plan area boundary, on the south by Kite Creek nature preserve and on the west by Phase 6.

3.1.9 Phase 9 (Grant Line 220)

Phase 9 is bounded by the northern plan area boundary, on the east by Grant Line Road, on the south by the southern plan area boundary and Phase 8, and on the west by the western plan area boundary.

3.2 Phasing Concepts

As previously discussed, the conceptual phasing areas do not necessarily represent phasing; they do represent discrete phasing areas that can be developed in any order. The final development and infrastructure phasing will be determined at the time of tentative subdivisions map approval. Subsequent tentative map submittals will include updated infrastructure phasing plans.

While it may be desirable to construct major elements of the backbone infrastructure at one time to serve all of the plan area properties, it is more likely that backbone infrastructure will be constructed in two or more phases to more properly align infrastructure financing with a particular development (phase) area.

Accordingly, placement of backbone infrastructure may or may not develop as depicted herein. Additionally, alternative backbone infrastructure arrangements may be proposed over time as each of the individual phasing areas are actually developed.

Over time, in response to market demands, the boundaries of the phasing areas may change; however, regardless of the ultimate configuration of the phasing areas, the appropriate segments of the backbone infrastructure must be constructed concurrent with individual phasing areas. The governing construction phasing principle is to provide the necessary backbone infrastructure to meet the service levels identified by the City of Rancho Cordova.

3.3 Infrastructure Phasing

While somewhat conceptual in nature, Exhibit E lists the specific improvements that may be needed to serve the development of each of the phasing areas identified above. Exhibits F through N show the backbone infrastructure needed to serve each of the phasing areas.

This phasing plan tentatively identifies which backbone infrastructure is needed to serve development of a particular phase area on a stand alone basis. However, exactly which backbone infrastructure will be needed to serve a particular phasing area will actually be determined at the time of tentative map approval through the adoption of the tentative map phasing plan and conditions of approval.

3.4 Guiding Principles

These Guiding Principles define the “rules” regarding the funding and construction of infrastructure and the phasing of development in the SCSP. These rules clarify the approach for developing required infrastructure as each project or tentative subdivision map moves forward.

Development in the SCSP shall be consistent with, and the Conditions of Approval shall include the following policies:

3.4.1 Responsibility for Infrastructure Funding

Development within the SCSP shall pay the full costs of infrastructure needed to serve the Specific Plan area, except where other funding sources are appropriate and available. The Development Agreements or Conditions of Approval will detail the amounts over and above the developer’s fair share that will be reimbursed or credited after subsequent developers pay their fair share of the full costs of infrastructure. The Financing Plan, Development Agreement and Tentative Map Entitlements will address issues associated with timing of financing and construction, fee credits and reimbursement for developers who install public facilities.

3.4.2 Timing of Infrastructure Funding

The Financing Plan shall provide a strategy for funding backbone infrastructure and community facilities consistent with the timing set forth in the Infrastructure Phasing Master Plan and these Guiding Principles. Developers within the SCSP shall be required to construct, or pay for the construction of, public improvements as needed pursuant to the approved phasing plans.

3.4.3 General Timing- Offsite & Onsite Infrastructure

Both on-site (in the SCSP area) and off-site (outside the physical boundaries of the Specific Plan area) public facilities and infrastructure improvements shall be installed to meet projected development demands in accordance with the City's and/or other agency infrastructure requirements and policies, unless otherwise modified by subsequent entitlement approvals.

3.4.4 Linking Requirements to General Plan

Before building permit issuance in the SCSP, infrastructure required of a specific project shall be constructed to the satisfaction of the City Engineer, consistent with General Plan Circulation Element and Infrastructure Services and Finance Policies in effect at the time of small lot tentative map approval, unless otherwise modified by subsequent entitlement approvals.

3.4.5 Refinement of Onsite Infrastructure

The Financing Plan shall provide the minimum infrastructure required to meet the development demands of each phase of development. These infrastructure requirements will be refined as part of the review and processing of individual projects prior to the approval of small lot tentative maps or large lot tentative map, or prior to building permits for projects that do not require an associated small lot tentative map.

3.4.6 Tying Offsite Core to Internal Capital Projects

The City of Rancho Cordova Core Backbone Roadway Phasing Plan provides minimum SCSP offsite infrastructure required to meet development standards throughout the City. These offsite infrastructure improvements are required and will be timed with SCSP onsite capital improvement requirements, unless otherwise modified by subsequent entitlement approvals.

3.4.7 Offsite Core Infrastructure Timing

The Phasing Plan and Financing Plan will identify offsite infrastructure timing requirements.

3.4.8 Finance Mechanisms and Funding Availability

Finance mechanisms that ensure the availability of funding for delivery of required onsite and offsite infrastructure will be in place prior to the approval of final maps or prior to the issuance of building permits for projects that do not require an associated final map. The required infrastructure will be consistent with defined roadway improvements in each phase of development and consistent with City Core Backbone Plan requirements.

3.4.9 Forms of Dedication

All dedications shall be in a form approved by the City, including but not limited to grant deeds, easements, irrevocable offers of dedication, or other approved instruments. The type and form of the dedication shall be at the sole discretion of the City, or as otherwise provided for in the approval of small lot tentative maps, or prior to building permits for projects that do not require an associated small lot tentative map.

3.4.10 Right-of-Way and Easement Dedication

Developers shall be required to dedicate right-of-way, public utility easements, landscape easements and pedestrian easements for arterial roadway, collector and residential roads consistent with the requirements of the SCSP, with the final map prior to improvement plan approval or the issuance of building permits for individual development proposals.

3.4.11 Park Dedications

All accepted parklands, paseos and other open space shall be dedicated to the City or the Cordova Recreation and Park District. The timing for the delivery of parks, recreation facilities, paseos and open space shall be determined before the approval of the first tentative subdivision map in the corresponding phase of the Specific Plan.

3.4.12 Major Roadway Timing and Completeness

All required infrastructure for a development phase, including onsite and offsite roadways, shall be substantially complete to the satisfaction of the City Engineer prior to the issuance of building permits in that phase. Prior to occupancy all streets and improvements shown on the phasing plan shall be completed to the satisfaction of the City Engineer. The Development Agreement and Financing Plan will identify the general timing and requirements for arterial and collector roadway improvements. Details of specific roadway improvements required for each phase will be clarified and finalized to the satisfaction of the City Engineer prior to approval of each tentative map.

These improvements shall include the full section from curb to curb, streetlights, sidewalks, median landscaping, parkway landscaping and other roadside appurtenances. At the City's discretion, phasing of lanes on arterial roadway roadways may be implemented through provision of wider interim medians that will provide space for future lanes. In addition, at the City's discretion, certain roadside elements could be phased with construction of adjacent development.

3.4.13 Internal Streets Timing and Completeness

The City's goal is to ensure that the phasing of construction within each tentative subdivision map provides logical and reasonably complete infrastructure for residents who occupy homes prior to completion of the entire mapped subdivision. As such, the developer shall provide a phasing plan addressing sequencing and build-out of all internal streets depicted on the tentative map. A detailed agreement on requirements and timing for the tentative map-phasing plan will be finalized prior to the approval of small lot tentative maps or large lot tentative maps, or prior to building permits for projects that do not require an associated small lot tentative map.

3.4.14 Logical Completion of Roadway Segments

All roadways, pedestrian facilities, and bikeways shall be constructed in logical and complete segments, connecting from intersection to intersection, to provide safe and adequate access with each phase of development as conditioned with the approval of each small lot tentative map, or as set forth in subsequent entitlement approvals.

3.4.15 Two Points of Access

Each phase of a project or tentative subdivision map shall include a collector or local street system that provides at least two points of access to arterial roadways, to the satisfaction of the City Engineer.

3.4.16 Arterial Roadway Completeness

Wherever collector or local roadways intersect an arterial roadway, that arterial roadway shall be improved, in accordance with the "Logical Completion of Segments" and "Major Roadway Timing and Completeness" items above, from that point to the next completed arterial roadway segment. Such improvements may allow for future phasing of additional travel lanes at the discretion of the City if traffic volumes and City transportation priorities do not warrant full construction at the time of development.

3.4.17 Intersection Completion

When intersections are part of the required roadway improvements, they shall be constructed to their ultimate configuration unless otherwise approved by the City. If the City determines that phasing of an intersection is appropriate, the phased construction shall accommodate the ultimate intersection design. Where an intersection will be signalized, the new signal shall be installed during construction of the intersection unless otherwise approved by the City.

3.4.18 Ultimate Utility Installation

Underground sewer, water and drainage facilities shall be installed to the ultimate planned capacity as part of required road construction, unless otherwise set forth in subsequent entitlement approvals.

3.4.19 Interim Improvement Alternatives

The phasing of infrastructure improvements depicted in the Infrastructure Phasing Plan, particularly sewer and water infrastructure improvements, may not be the most cost efficient and/or effective manner in which to phase the improvements to service each phase of a project. The City Engineer may consider interim infrastructure improvements if the applicant is able to demonstrate the viability and cost effectiveness of phasing infrastructure improvements. This agreement will occur prior to approval of tentative subdivision maps.

3.4.20 Operations and Maintenance Financing

All properties shall be included in one or more financing districts (or will establish an alternative financing mechanism) to provide adequate funding as determined by the City for the annual operation and maintenance costs of streets, street lights, drainage ways, landscaping corridors, open space, parks, transit related services and other public facilities prior to the approval of final maps or prior to building permits for projects that do not require an associated final map.

3.4.21 Police CFD for Residential Projects

Residential properties will be included in a Community Facilities District that supports police service costs prior to approval of a small lot final subdivision map or for residential properties that do not require subdivision, prior to issuance of building permits.

3.4.22 Road Maintenance CFD

All properties shall be included in a Benefit Assessment District or Community Facilities District that provides additional ongoing street maintenance revenues prior to approval of final maps or prior to building permits for projects that do not require an associated final map.

4.0 Conclusion

This Infrastructure Phasing Plan sets forth a conceptual phasing plan for the major backbone infrastructure needed to serve the plan area. Nine (9) discrete phasing areas are envisioned, each of which can be developed independently of each other.

The final development and infrastructure phasing will be determined at the time of tentative subdivisions map approval. Subsequent tentative map submittals will include updated infrastructure phasing plans.

Over time, in response to market demands, the boundaries of the phasing areas may change; however, regardless of the ultimate configuration of the phasing areas, the appropriate segments of the backbone infrastructure must be constructed concurrent with individual phasing areas.

Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
A				PLAN AREA ROADWAY IMPROVEMENTS (ON-SITE)	
	1			Rancho Cordova Parkway	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
			RD201	Rancho Cordova Parkway: Kiefer Boulevard to Southern Project Limit	Western half street improvements only
			RD301	Rancho Cordova Parkway: Central Park Drive to Kiefer Boulevard	Eastern half street improvements only
			RD501	Rancho Cordova Parkway: Northern Project Limit to Central Park Drive	Eastern half street improvements only
	2			Kiefer Boulevard	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
			RD101	Kiefer Boulevard: Sunrise Blvd to west of Rancho Cordova Pkwy	Southern half street improvements only
			RD202	Kiefer Boulevard: west of Rancho Cordova to Rancho Cordova	Southern half street improvements only
			RD401	Kiefer Boulevard: Rancho Cordova Parkway to Americanos Boulevard	Northern half street improvements only
			RD701	Kiefer Boulevard: Americanos Boulevard to Eastern Project Limit	Northern half street improvements only
	3			Americanos Boulevard	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
			RD702	Americanos Boulevard: Kiefer Boulevard to Central Park Drive	Full street improvements
			RD703	Americanos Boulevard: Central Park Drive to north of Central Park Drive	Full street improvements
			RD704	Americanos Boulevard: Central Park Drive to High School Access Road	Full street improvements
			RD801	Americanos Boulevard: High School Access Rd to North Campus Rd	Full street improvements
			RD802	Americanos Boulevard: North Campus Rd to north of North Campus Rd	Full street improvements
			RD901	Americanos Boulevard: North of North Campus Road	Full street improvements
			RD902	Americanos Boulevard: north of North Campus Rd to Chrysanthy Blvd	Full street improvements
	4			Chrysanthy Boulevard	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
			RD903	Chrysanthy Boulevard: Western Project Limit to Grant Line Road	Southern half street improvements only

Exhibit D
Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.			Facility	General Description of Facility
5			Sunrise Boulevard	A 6-lane divided thoroughfare roadway including curb and gutter on the east side, a landscaped median, separated sidewalk and landscaping on the east side of the road and associated underground utilities (water, sewer, drainage and dry utilities).
		RD102	Sunrise Boulevard: Kiefer Boulevard to Southern Project Limit	Eastern half street improvements only
6			North Campus Road	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
		RD502	North Campus Road: Rancho Cordova Pkwy to east of West Park Drive	Full street improvements
		RD602	North Campus Road: east of West Park to west of Americanos	South half street improvements
		RD803	North Campus Road: west of Americanos Drive to Americanos Drive	Full street improvements
7			West Park Drive	A 4-lane divided thoroughfare roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both sides of the road, and associated underground utilities (water, sewer, drainage and dry utilities).
		RD503	West Park Drive: North Campus Road to Central Park Drive	Full street improvements
8			Central Park Drive	A 2-lane divided collector roadway including curb and gutter on both sides, a landscaped median, separated sidewalk and landscaping along both side of the road and associated underground utilities (water, sewer, drainage and dry utilities).
		RD504	Central Park Drive: Rancho Cordova Pkwy to east of West Park Drive	Full street improvements
		RD601	Central Park Drive: east of West Park Drive to Americanos Drive	Full street improvements
B			PLAN AREA ROADWAY IMPROVEMENTS (OFF-SITE)	
1			Rancho Cordova Parkway	
		RW100	Rancho Cordova Parkway: Chrysanthly Blvd to Douglas Blvd	Construct Rancho Cordova Pkwy as a 2-lane roadway connection that can be expanded to meet the City's 6-lane divided arterial design standard. Intersection improvements may be phased as approved by the City Engineer. The Chrysanthly Blvd intersection will be constructed so that is expandable to the City's standard 4x6 arterial intersection.
2			Kiefer Boulevard	
		RW101	Kiefer Boulevard: Eastern Project Limit to Grant Line Rd	Extend Kiefer Blvd from eastern boundary of project area to Grant Line Rd (including intersection improvements at the Grant Line Road) with 2-lanes and median based on the City's standard 4-lane arterial design standard. This extension will include a full width standard 4-lane arterial bridge over the Blodgett Reservoir tributary. The intersection improvement at the Grant Line Road/Kiefer Blvd intersection shall include a signal and may be phased based on the City's 4x4 arterial intersection standard at the approval of the City Engineer.
3			Jackson Road/Grant Line Road Intersection	
		RW102	Jackson Road/Grant Line Road Intersection	Construct northbound and southbound left turn pockets, a southbound right turn pocket and an eastbound through/right lane with a receiving lane on the east leg of the intersection, including modification of the exiting signal to serve the new configuration.

Exhibit D
Description of Backbone Infrastructure Facilities

ITEM NO.				Facility	General Description of Facility
C				STORM DRAINAGE SYSTEM IMPROVEMENTS	
	1			Pipeline Systems	
			SD101	Kiefer to DB No. 9 drainage	A 12", 18", 36" and 48" diameter pipeline and appurtenances draining the runoff from the western portion of Shalako development area into Detention Basin No. 9.
			SD103	Sunrise & Kiefer untreated drainage system & culverts	A 72" diameter pipeline and appurtenances along Kiefer Blvd conveying untreated storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve. Also includes a drainage culvert extension along Sunrise Blvd.
			SD104	Kiefer Box Culvert Extension ³	Drainage culvert extension across Kiefer Blvd.
			SD201	Kiefer Blvd to DB No. 8 drainage system & Con-Spans	A 12", 15", 18", 24" and 48" diameter pipeline and appurtenances draining the runoff from the eastern portion of Shalako development area into Detention Basin No. 8. Also includes Con-Span Crossings No. 1 & 2 over the southern portion of Kite Creek.
			SD301	Rancho Cordova Pkwy to DB No. 6 drainage system	A 15" and 18" diameter pipeline and appurtenances draining runoff from the northern portion of Investek development area into Detention Basin No. 6.
			SD302	Investek North drainage system	A 15" diameter pipeline and appurtenances draining runoff from the northern portion of Investek development area into Detention Basin No. 6.
			SD304	Rancho Cordova untreated drainage system	A 48" diameter pipeline and appurtenances along Kiefer Blvd conveying untreated storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
			SD305	Rancho Cordova drainage culvert ³	A drainage culvert extension along Rancho Cordova Parkway.
			SD402	Investek South drainage system	A 15", 18", 24" and 30" diameter pipeline and appurtenances draining the runoff from the southern portion of Investek development area into Detention Basin No. 7.
			SD403	Con-Span Drainage Crossing No. 3	A Con-Span Drainage Crossing No. 3 in Investek development area.
			SD502	West Park Dr to DB No. 5 drainage system	A 54" diameter pipeline and appurtenances draining runoff from West Park Dr to Detention Basin No. 5 in the Callahan development area.
			SD503	Rancho Cordova Pkwy untreated drainage system	A 48" diameter pipeline and appurtenances along Kiefer Blvd conveying untreated storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
			SD601	North Campus to DB No. 4 drainage system	A 12", 15", 18" and 24" diameter pipeline and appurtenances draining the runoff from North Campus Rd into Detention Basin No. 5.
			SD603	School Access Road untreated drainage system	A 30" diameter pipeline and appurtenances conveying untreated storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
			SD604	Con-Span Drainage Crossing No. 4	A Con-Span Drainage Crossing No. 4 along Central Park Dr.
			SD605	Con-Span Drainage Crossing No. 51	A Con-Span Drainage Crossing No. 5 along Americanos Dr.
			SD701	Americanos Blvd to DB No. 3 drainage system	A 15" diameter pipeline and appurtenances draining runoff from the southern portion of Sierra Sunrise development area along Americanos Dr.
			SD802	Americanos Blvd drainage system	A 60" diameter pipeline and appurtenances conveying storm Grantline 220.
			SD803	Americanos Blvd untreated drainage system	A 60" diameter pipeline and appurtenances draining the runoff from the western portion of Grant Line 220 development area into Detention Basin No. 2.
			SD901	Grant Line 220 untreated drainage system	A 60" diameter pipeline and appurtenances draining the runoff from the western portion of Grant Line 220 development area into Detention Basin No. 2.
			SD902	Grant Line 220 drainage system	A 15", 18", 42" and 60" diameter pipeline and appurtenances draining the runoff from the western portion of Grant Line 220 development area into Detention Basin No. 2.
			SD903	Grant Line 220 drainage system	A 12", 18", 24" and 30" diameter pipeline and appurtenances draining the runoff from the eastern portion of Grant Line 220 development area into Detention Basin No. 1.
	2			Detention, Water Quality and Hydro-Modification Basins	
			SD102	SunCreek Basin No. 9	A 23.6 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD202	SunCreek Basin No. 8	A 23.5 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.

Exhibit D
Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
			SD303	SunCreek Basin No. 6	A 11 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD401	SunCreek Basin No. 7	A 23.7 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD501	SunCreek Basin No. 5	A 19.7 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD602	SunCreek Basin No. 4	A 13.9 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD702	SunCreek Basin No. 3	A 31 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD801	SunCreek Basin No. 2	A 36 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
			SD904	SunCreek Basin No. 1	A 36 acre-foot detention basin that serves the adjacent major roadways and surrounding development areas.
D				SANITARY SEWER SYSTEM IMPROVEMENTS	
	1			Gravity Sanitary Sewer System	
			SS101	21" Sanitary Sewer System	A 21" diameter trunk sewer line and appurtenances to serve the Shalako development areas and to serve the remainder of the plan area northerly and easterly of the intersection of Kiefer Boulevard and Rancho Cordova Parkway.
			SS102	15" Sanitary Sewer System	A 15" diameter trunk sewer line and appurtenances to serve the eastern portion of the Shalako development area.
			SS103	12" Sanitary Sewer System	A 12" diameter trunk sewer line and appurtenances to serve the Shalako development areas as well as Investek development area and to serve the remainder of the plan area northerly and easterly of the intersection of Kiefer Boulevard and Rancho Cordova Parkway.
			SS201	15" Sanitary Sewer System: Kiefer Blvd	A 15" diameter trunk sewer line and appurtenances along Kiefer Boulevard to serve the eastern portion of Shalako and Investek development areas.
			SS301	15" Sanitary Sewer System	A 15" diameter trunk sewer line and appurtenances to serve the Investek development area.
			SS501	10" Sanitary Sewer System: Park	A 10" diameter trunk sewer line and appurtenances between the Park and PQP land uses to serve Callahan development areas.
			SS502	10" Sanitary Sewer System: West Park Dr	A 10" diameter trunk sewer line and appurtenances on West Park Drive to serve the Callahan development area.
			SS601	15" & 18" Sanitary Sewer System: School	A 15" & 18" diameter trunk sewer line and appurtenances between the Park and School to serve Smith-Dunmore, Sierra Sunrise and south portion of Investek development areas.

Exhibit D
Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
			SS602	15" Sanitary Sewer System: Americanos Blvd	A 15" diameter trunk sewer line and appurtenances along Americanos Boulevard to serve the southern portion of Sierra Sunrise development areas.
			SS603	15" Sanitary Sewer System: Americanos Blvd	A 15" diameter trunk sewer line and appurtenances along Americanos Boulevard to serve the southern portion of Sierra Sunrise development areas.
			SS701	12" Sanitary Sewer System	A 12" diameter trunk sewer line and appurtenances to serve the southern portion of Sierra Sunrise development area.
	2			Pump Station and Force Mains	
			SS104	8" Force Main: Sunrise Blvd to Kiefer Blvd	A 8" diameter force main and appurtenances from sewer pump station B along Sunrise Boulevard to Kiefer Boulevard to serve the Shalako development areas as well as Investek development areas.
			SS105	12" Force Main: Sunrise Blvd to Chrysanthy Pump Station	A 12" diameter force main and appurtenances from sewer pump station A along Sunrise Boulevard to Chrysanthy Pump Station to serve the Shalako development areas as well as Investek development areas.
			SS106	Pump Station B: Sunrise Blvd	A 3.1 MGD pump station to serve all development areas within Shed B of the SunCreek Specific Plan. Refer to Exhibit D of the Level 2 Sanitary Sewer Study for shed boundaries.
			SS107	Chrysanthy Pump Station Upgrades	Upgrades of the existing Chrysanthy Pump Station to provide additional pumping capacity as may be required to serve the Specific Plan area.
			SS503	12" Force Main: Central Park Dr	A 12" diameter force main and appurtenances along Central Park Drive to serve the Investek development areas as well as Callahan, Smith-Dunmore, Sierra Sunrise and Grant Line 220 development areas.
			SS505	12" Force Main: Rancho Cordova Pkwy	A 12" diameter force main and appurtenances along Rancho Cordova Parkway to serve the Investek development areas as well as Callahan, Smith-Dunmore, Sierra Sunrise and Grant Line 220 development areas.
			SS604	Pump Station A: Public/Quasi Public	A 2.8 MGD pump station to serve all development areas within Shed A of the SunCreek Specific Plan. Refer to Exhibit D of the Level 2 Sanitary Sewer Study for shed boundaries.
E				POTABLE WATER TRANSMISSION MAIN IMPROVEMENTS	
	1			Local Potable Water System Improvements	
		a		Low Pressure Potable Water	
			WM101	16" Water System: Sunrise Blvd	A 16" transmission pipeline and appurtenances.
			WM201	24" Water System: Rancho Cordova Pkwy	A 24" transmission pipeline and appurtenances.
			WM401	16" Water System: Kiefer Blvd	A 16" transmission pipeline and appurtenances.
			WM402	24" Water System: Central Park Dr	A 24" transmission pipeline and appurtenances.
			WM403	24" Water System: Central Park Dr	A 24" transmission pipeline and appurtenances.
			WM501	24" Water System: Central Park Dr	A 24" transmission pipeline and appurtenances.

Exhibit D
Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
			WM502	12" & 24" Water System: West Park Dr	A 12" transmission pipeline and appurtenances.
			WM503	18" Water System: North Campus Rd	A 18" transmission pipeline and appurtenances.
			WM504	18" Water System: North Campus Rd	A 18" transmission pipeline and appurtenances.
			WM505	24" Water System: Park	A 24" transmission pipeline and appurtenances.
			WM601	18" Water System: North Campus Rd	A 18" transmission pipeline and appurtenances.
			WM701	24" Water System: Kiefer Blvd	A 24" transmission pipeline and appurtenances.
			WM702	24" Water System: Americanos Blvd	A 24" transmission pipeline and appurtenances.
			WM703	24" Water System: Americanos Blvd	A 24" transmission pipeline and appurtenances.
			WM704	24" Water System: Americanos Blvd	A 24" transmission pipeline and appurtenances.
			WM801	24" Water System: Americanos Blvd	A 24" transmission pipeline and appurtenances.
			WM802	24" Water System: Americanos Blvd	A 24" transmission pipeline and appurtenances.
			WM803	18" Water System: North Campus Rd	A 18" transmission pipeline and appurtenances.
			WM901	24" Water System: Chrysanthy Blvd	A 24" transmission pipeline and appurtenances.

SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
F				PARK CORRIDORS AND TRAILS SYSTEM IMPROVEMENTS	
	1			Park Corridors and Trails System Improvements	
			TR101	10' Secondary Trail: Kiefer Boulevard	A 10' secondary trail along Kiefer Blvd to serve the western portion of the Shalako development area.
			TR102	10' Secondary Trail	A 10' secondary trail to serve the western portion of the Shalako development area.
			TR103	Pedestrian/Bike At-Grade Crossing #1	A pedestrian/bike at-grade signalized safety crossing at Kiefer Blvd and Sunrise Blvd.
			TR201	12' Primary & 10' Secondary Trail: Kiefer Boulevard	A 12' primary and 10' secondary trail along Kiefer Blvd to serve the eastern portion of the Shalako development area.
			TR202	12' Primary Trail	A 12' primary trail to serve the eastern portion of the Shalako development area.
			TR203	Pedestrian/Bike Grade Separated Crossing #2	A pedestrian/bike grade separated crossing at Kiefer Blvd
			TR204	Pedestrian/Bike Grade Separated Crossing #2	A pedestrian/bike grade separated crossing at Rancho Cordova Pkwy.
			TR205	10' Secondary Trail	A 10' secondary trail/Sewer Access Road to serve the eastern portion of the Shalako development area.
			TR301	10' Secondary Trail	A 10' secondary trail to serve the northern portion of the Investek development area.
			TR401	12' Primary Trail	A 12' primary trail/Sewer Access Road to serve the southern portion of the Investek development area.
			TR402	Pedestrian/Bike At-Grade Crossing #3	A pedestrian/bike at-grade signalized safety crossing in the Investek development area.
			TR501	10' Secondary Trail	A 10' secondary trail to serve the Callahan development area.
			TR502	10' Secondary Trail: West Park Drive	A 10' secondary trail along West Park Dr to serve the Callahan development area.
			TR503	10' Secondary Trail: Central Park Drive	A 10' secondary trail to serve the Callahan development area.
			TR504	Pedestrian/Bike At-Grade Crossing #4	A pedestrian/bike at-grade signalized safety crossing along Central Park Dr.
			TR601	10' Secondary Trail: Central Park Drive	A 10' secondary trail along Central Park Dr to serve Smith-Dunmore development area.
			TR602	12' Primary Trail: Central Park to Americanos	A 12' primary trail along Central Park Dr to Americanos Blvd to serve Smith-Dunmore development area.
			TR603	12' Primary Trail: Americanos Blvd.	A 12' primary trail along Americanos Blvd to serve Smith-Dunmore development area.
			TR604	10' Secondary Trail	A 10' secondary trail to serve the northern portion of Sierra Sunrise development area.
			TR605	Pedestrian/Bike At-Grade Crossing #5	A pedestrian/bike at-grade signalized safety crossing along Central Park Dr.
			TR606	Pedestrian/Bike At-Grade Crossing #6	A pedestrian/bike at-grade signalized safety crossing at Central Park Dr and Americanos Blvd.
			TR701	10' Secondary Trail	A 10' secondary trail to serve the southern portion of Sierra Sunrise development area.
			TR801	12' Primary Trail: Americanos Blvd.	A 12' primary trail along Americanos Blvd to serve the northern portion of Sierra Sunrise development area.
			TR802	12' Primary Trail	A 12' primary trail to serve the northern portion of Sierra Sunrise development area.
			TR803	12' Primary Trail: Americanos Blvd.	A 12' primary trail to serve the northern portion of Sierra Sunrise development area.

Exhibit D
Description of Backbone Infrastructure Facilities
SunCreek Specific Plan

ITEM NO.				Facility	General Description of Facility
			TR804	Pedestrian/Bike Grade Separated Crossing #7	A pedestrian/bike grade separated crossing at Americanos Blvd and the School Access Rd.
			TR805	Pedestrian/Bike Grade Separated Crossing #8	A pedestrian/bike grade separated crossing along Americanos Blvd.
			TR901	12' Primary Trail: Americanos Blvd.	A 12' primary trail along Americanos Blvd to serve the Grant Line 220 development area.
			TR902	12' Primary Trail	A 12' primary trail to serve the Grant Line 220 development area.
			TR903	Pedestrian/Bike Grade Separated Crossing #9	A pedestrian/bike grade separated crossing along Chrysanthu Blvd.
G				<u>WETLAND PRESERVE IMPROVEMENTS</u>	
	1			Wetland Preserve	
			WB101	Wetland Buffer: Shalako West	A 3-acre wetland buffer in the northwest corner of the western portion of Shalako development area to serve Phase 1.
			WB102	Wetland Buffer: Shalako West	A 3.8-acre wetland buffer west of Kite Creek in the western portion of Shalako development area to serve Phase 1.
			WB201	Wetland Buffer: Shalako East	A 6-acre wetland buffer east of Kite Creek in the eastern portion of Shalako development area to serve Phase 2.
			WB301	Wetland Buffer: Investek North	A 5.4-acre wetland buffer along Kite Creek in the northern portion of Investek development area to serve Phase 3.
			WB401	Wetland Buffer: Investek South	A 10.3-acre wetland buffer along Kite Creek in the southern portion of Investek development area to serve Phase 4.
			WB501	Wetland Buffer: Callahan	A 5.3-acre wetland buffer in the northwest corner of the Callahan development area to serve Phase 5.
			WB601	Wetland Buffer: Smith-Dunmore	A 4.9-acre wetland buffer south of Kite Creek in the southeast corner of the Smith-Dunmore development area to serve Phase 6.
			WB701	Wetland Buffer: Sierra Sunrise South	A 3-acre wetland buffer southeast of Kite Creek in the southern portion of Sierra Sunrise development area to serve Phase 7.
			WB702	Wetland Buffer: Sierra Sunrise South	A 0.3-acre wetland buffer in the northeast corner of the southern portion of Sierra Sunrise development area to serve Phase 7.
			WB801	Wetland Buffer: Sierra Sunrise North	A 6-acre wetland buffer northeast of Kite Creek in the northern portion of Sierra Sunrise development area to serve Phase 8.
			WB802	Wetland Buffer: Sierra Sunrise North	A 1.4-acre wetland buffer northeast of Kite Creek in the northern portion of Sierra Sunrise development area to serve Phase 8.
H				<u>WETLAND MITIGATION</u>	
	1			Wetland Mitigation	
			WM101	Wetland Mitigation for Segment 1-3	Segements 1-3 wetland impact areas
			WM201	Wetland Mitigation for Segment 5 & 6	Segements 5 & 6 wetland impact areas
			WM202	Wetland Mitigation for Segment 4	Segement 4 wetland impact area
			WM301	Wetland Mitigation for Segment 20	Segement 20 wetland impact area
			WM302	Wetland Mitigation for Segment 7A & 7B	Segement 7A & 7B wetland impact area
			WM401	Wetland Mitigation for Segment 9A	Segement 9A wetland impact area
			WM402	Wetland Mitigation for Segment 19	Segement 19 wetland impact area
			WM403	Wetland Mitigation for Segment 11B	Segement 11B wetland impact area

Exhibit F

NOTES:

1. Utilities alignments are shown outside of right-of-way for clarity. Utilities will be built within the right-of-way and easements.
2. Orange storm drain pipes are dedicated pipes with no connections, sized for the sole purpose of conveying undeveloped, untreated, undetained storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
3. The SunCreek Master Drainage Study did not analyze the size or location of the trunk storm drainage pipes. Therefore, sizing of the storm drainage trunk pipes was determined using professional judgement and experience without engineering analysis.
4. Cost of backbone storm drain system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Storm drainage system captured in the backbone roads include 18" storm drainage lines, storm drain manholes and drain inlets.
5. Cost of backbone sanitary sewer system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Sanitary sewer system captured in the backbone roads include 10" sanitary sewer lines and sewer manholes.
6. Cost of backbone water system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Water system captured in the backbone roads include 10" distribution water lines, valves and hydrants.
7. Offsite Roadway improvements include Rancho Cordova Parkway extension from Chrysanthy Blvd. to Douglas Blvd., Kiefer Blvd. extension to Grantline Road and intersection improvements, and Jackson Highway and Grantline Road intersection improvements. See Offsite Roadway Improvements Exhibit "C" in the Preliminary Cost Estimate.
8. Construction of the 12" FM will only be required once the 8" FM has reached capacity.

- NOTES:**
1. Utilities alignments are shown outside of right-of-way for clarity. Utilities will be built within the right-of-way and easements.
 2. Orange storm drain pipes are dedicated pipes with no connections, sized for the sole purpose of conveying undeveloped, untreated, undetained storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
 3. The SunCreek Master Drainage Study did not analyze the size or location of the trunk storm drainage pipes. Therefore, sizing of the storm drainage trunk pipes was determined using professional judgement and experience without engineering analysis.
 4. Cost of backbone storm drain system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Storm drainage system captured in the backbone roads include 18" storm drainage lines, storm drain manholes and drain inlets.
 5. Cost of backbone sanitary sewer system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Sanitary sewer system captured in the backbone roads include 10" sanitary sewer lines and sewer manholes.
 6. Cost of backbone water system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Water system captured in the backbone roads include 10" distribution water lines, valves and hydrants.
 7. Offsite Roadway improvements include Rancho Cordova Parkway extension from Chrysanthy Blvd. to Douglas Blvd., Kiefer Blvd. extension to Grantline Road and intersection improvements, and Jackson Highway and Grantline Road intersection improvements. See Offsite Roadway Improvements Exhibit "C" in the Preliminary Cost Estimate.
 8. Construction of the 12" FM will only be required once the 8" FM has reached capacity.

SunCreek Specific Plan

City of Rancho Cordova, California

July 2021

MACKAY & SOMPS
ENGINEERS PLANNERS SURVEYORS

1025 Creekside Ridge Drive, Suite 150, Roseville, CA 95678 (916) 773-1189 27146.000

NOTES:

1. Utilities alignments are shown outside of right-of-way for clarity. Utilities will be built within the right-of-way and easements.
2. Orange storm drain pipes are dedicated pipes with no connections, sized for the sole purpose of conveying undeveloped, untreated, undetained storm runoff from the open space areas through the SunCreek Specific Plan to the Open Space Preserve.
3. The SunCreek Master Drainage Study did not analyze the size or location of the trunk storm drainage pipes. Therefore, sizing of the storm drainage trunk pipes was determined using professional judgement and experience without engineering analysis.
4. Cost of backbone storm drain system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Storm drainage system captured in the backbone roads include 18" storm drainage lines, storm drain manholes and drain inlets.
5. Cost of backbone sanitary sewer system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Sanitary sewer system captured in the backbone roads include 10" sanitary sewer lines and sewer manholes.
6. Cost of backbone water system within backbone roads are captured in the Backbone Roadway Improvement section of the SunCreek PFFP. Water system captured in the backbone roads include 10" distribution water lines, valves and hydrants.
7. Offsite Roadway improvements include Rancho Cordova Parkway extension from Chrysanthy Blvd. to Douglas Blvd., Kiefer Blvd. extension to Grantline Road and intersection improvements, and Jackson Highway and Grantline Road intersection improvements. See Offsite Roadway Improvements Exhibit "C" in the Preliminary Cost Estimate.
8. Phase 9 may require a second water point of connection provided by future transmission main constructed by others.

PRELIMINARY
COST ESTIMATE

SUNCREEK PLAN AREA SPECIFIC PLAN

Proposed Project

Phase 1 - Backbone Infrastructure

Rancho Cordova, California

July 23, 2021

MACKEY & SOMPS
CIVIL ENGINEERS, INC.
SACRAMENTO, CALIFORNIA (916) 929-6092

Preliminary Cost Estimate
SunCreek Plan Area Specific Plan
Proposed Project Backbone InfrastructureNOTES

1. This estimate is prepared as a guide only and is subject to possible change. It has been prepared to a standard of accuracy which, to the best of our knowledge and judgment, is sufficient to satisfy our understanding of the purpose of this estimate. MacKay & Soms makes no warranty, either expressed or implied, as to the accuracy of this estimate.
2. This estimate does not consider the following:
 - a. Cost associated with environmental (wetland) mitigations or biological surveys
 - b. Phased construction or out-of-regular-sequence construction
 - c. Costs associated with ground water or inclement weather conditions
 - d. Financial Charges
 - e. Bonds
 - f. Land costs, acquisition of right of way, easements, and/or rights of entry
 - g. Assessments from assessment, lighting & landscaping, Mello-Roos districts or the like
3. Costs presented herein represent an opinion based on historical information. No provision has been made for inflation.
4. The "cash flow" situation may be different than the fees, credits, and reimbursements itemized in this estimate.
5. Interim improvements may be required depending on development timing of individual units.
6. Cost for unsuitable material removal is not included in this estimate.
7. Costs are preliminary and subject to change upon more detailed design and analysis.
8. Cost for rock excavation is not included in this estimate.
9. Cost for Rough Grade Excavation is based on an estimated excavation volume which is calculated by assuming an average excavation depth of 2-feet across the roadways segment clear and grub limits.
10. Grade-separated crossings of major roadways are included in this estimate and it is presumed that they will be added to the City's CIP. Estimated cost to provide grade separated trail crossings are based on MacKay & Soms Technical Memorandum No. 9, dated Sept. 28, 2010 and revised with updated unit prices.
11. Cost for construction and financing of the Americanos Blvd 24" water supply pipeline north of Chrysanthy Blvd, the Chrysanthy Blvd 24" water supply pipeline west of Phase 9, the Grant Line Rd water supply pipelines north and south of Phase 9, the Glory Ln water supply pipelines east of Grant Line Rd and the Cordova Hills water tank are not included in this estimate. It is assumed that these improvements will be constructed by Zone 40 or others and paid for by standard SCWA Zone 40 water connection fees.
12. This estimate reflects the sewer system proposed for the project as shown in the approved Level 2 Sewer Study prepared by Mackay & Soms dated April 6, 2016.
13. Sanitary sewer credit unit prices assumes the SunCreek project will be publicly bid and therefore fully reimbursed.
14. Credit unit prices for potable water are based on the Sacramento County Water Agency (SCWA) Schedule C - Credits for Transmission Mains dated January 23, 2018.

<u>STORM DRAINAGE SYSTEM COST ESTIMATE SUMMARY</u>								
1.	Pipeline System				\$1,771,200		(\$886,600)	\$884,600
2.	Detention, Water Quality and Hydro-Modification Basins				<u>\$37,500</u>		<u>(\$12,600)</u>	<u>\$25,000</u>
GRAND TOTAL STORM DRAINAGE SYSTEM COST					\$1,808,700		(\$899,200)	\$909,600

Note:

1. Storm Drainage system has been sized to serve both backbone roadway drainage and onsite drainage. In order to capture only the drainage system cost incurred by backbone roadway improvements, the cost of the drainage system has been prorated by a ratio of the total backbone road area relative to the total shed area served by the system. The remaining cost will be treated as an intract cost paid for by the developer.

NOTES:

(1) Beginning cash in 2014 represents the cash transferred from Lennar to Shalako when the responsibility for accounting and administrative management shifted. Since that was the cash on hand at that time, and we had just handled the non-participating owner catch up payments, the beginning balance has been allocated among the owners based on their relative gross acreage in the specific plan area, as that was the basis used at that time.

SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM

FIGURE 1

Document Name: SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
ADDING CHAPTER 16.82 “SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEES” TO THE
RANCHO CORDOVA MUNICIPAL CODE ESTABLISHING DEVELOPMENT IMPACT FEES TO
FINANCE THE COST OF PUBLIC FACILITIES WITHIN THE SUNCREEK SPECIFIC PLAN AREA**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA ORDAINS AS FOLLOWS:

SECTION 1. Purpose and Declarations.

WHEREAS, the General Plan of the City of Rancho Cordova requires that areas chosen for urban expansion shall be capable of being provided within a reasonable period of time with an adequate level of public facilities including, but not limited to, roadways, potable water, storm drainage, parks, park corridors, and trails facilities; and

WHEREAS, the General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas designated for urban expansion; and

WHEREAS, the General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of public facilities; and

WHEREAS, on November 18, 2013, the City Council certified as adequate and complete the Final Environmental Impact Report/Environmental Impact Statement (EIR/EIS) for the SunCreek Specific Plan Project by Resolution No. 127-2013;

WHEREAS, on November 18, 2013, the City Council approved the General Plan Amendment and approved the Public Facilities Financing Plan for the SunCreek Specific Plan Project by Resolution No. 128-2013;

WHEREAS, the Public Facilities Finance Plan describes the backbone infrastructure and public facilities necessary to serve the Project’s buildout, estimates the costs of the infrastructure, and identifies the proposed funding sources including a SunCreek Special Financing District Fee Program;

WHEREAS, the purpose of this Ordinance (this “Ordinance”) is to add Chapter 16.82 to the City of Rancho Cordova Municipal Code for the establishment of development impact fees to finance the cost of public facilities within the SunCreek Specific Plan area. The City Council enacts this Ordinance pursuant to the authority granted to cities by Article XI, Section 7 of the California Constitution.

SECTION 2. Findings. This Ordinance is adopted pursuant to the following findings:

- a. The City’s General Plan requires that urban expansion areas are provided, within a reasonable period of time, with an adequate level of public facilities.
- b. The General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas designated for urban expansion. The General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of facilities.

- c. The SunCreek Specific Plan Development Impact Fee Nexus Study has been prepared to identify the costs of facilities required to serve the SunCreek Specific Plan Project that are not covered by any other existing development impact fee program.
- d. City staff and the City Council have considered and analyzed the basis for establishment of the fees authorized by this Ordinance, and the need for and cost of the new public facilities and improvements necessitated by new development in the SunCreek Specific Plan area to be funded by those fees, as further set forth in the Nexus Study. The City Council finds that the Nexus Study adequately establishes the basis for establishment of the fees, and describes the need for and cost of the new public facilities and improvements necessitated by new development in the SunCreek Specific Plan area, to be funded by those fees, and accordingly approves of the Nexus Study.
- e. Pursuant to California Public Resources Code Section 21080 (b)(8) and Title 14, Chapter 3 of the California Code of Regulations Section 15273(a)(4), the establishment of these development impact fees is statutorily exempt from the California Environmental Quality Act, because the fees are for the purpose of obtaining funds for capital projects necessary to maintain service within existing service areas in the City.
- f. The purpose of the SunCreek Specific Plan Development Impact Fee Program and the development impact fees established by this Ordinance is to finance public facility improvements necessary to offset the impacts of new development in SunCreek Specific Plan area, to ensure that adequate funding is provided for improvements required to meet the demands of such new development, and to fund administration of the Fee Program.
- g. The use of the SunCreek Specific Plan Development Impact Fees is to fund the public facility improvements identified in the SunCreek Specific Plan Impact Fee Program and to fund administration of the Fee Program.
- h. There is a reasonable relationship between the use of the SunCreek Specific Plan Development Impact Fees and the type of development projects on which the fees will be imposed because the fees will be imposed on commercial and residential development projects in the SunCreek Specific Plan area that generate or contribute to the need for roadway, potable water, storm drainage, wetland mitigation, wetland buffer, park corridors, and trail improvements, and are not imposed on projects that do not contribute to such need, as further set forth in the Nexus Study.
- i. There is a reasonable relationship between the need for the identified public facility improvements and the type of development project on which the fee is imposed because the need for such improvements varies depending on the type of development project at issue, and the Transportation Impact Fee Program takes into account the type of development project at issue by only applying a fee to development that is likely to contribute to such need, and ensuring that such fee is proportional to the need, as further set forth in the Nexus Study.
- j. There is a reasonable relationship between the amount of the SunCreek Specific Plan Development Impact Fees and the cost of the identified public facility improvements or portion of the identified public facility improvements attributable to the development on which the fees are imposed. As discussed in the Nexus Study, the amount of the SunCreek Specific Plan Development Impact Fees is based on the type of development at issue, the number of building permits being generated by such development, and the anticipated impact of such development on the public facilities. The amount of the fees contemplates the relationship between such development's impact and the cost of roadway improvements that will be required to offset the impacts of such development.

ITEM 10.4.**ATTACHMENT 5**

- k. The purpose of this Ordinance is to permanently add Chapter 16.82 to the Rancho Cordova Municipal Code.

SECTION 3. Amendment of Code. Chapter 16.82 “SunCreek Specific Plan Development Impact Fees”, attached hereto as Exhibit A, is hereby added to the Rancho Cordova Municipal Code.

SECTION 4. CEQA. Approval of this Ordinance is exempt from further environmental review under the general rule in California Environmental Quality Act (“CEQA”) Guidelines section 15061(b)(3) that CEQA only applies to projects that have the potential for causing a significant effect on the environment. The proposed Ordinance is statutorily exempt from CEQA under Pub. Res. Code Section 21080(b)(8)(D) and CEQA Guidelines Section 15273(a)(4) because it involves the establishment of fees for the purpose of obtaining funds for capital projects necessary to maintain services within the SunCreek Specific Plan Area.

SECTION 5. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

SECTION 6. Effective Date. Within fifteen (15) days after adoption, a Summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect 30 days after its adoption and, pursuant to Government Code section 66017(a), the fees established hereby shall be effective 60 days after the adoption of this Ordinance.

ADOPTED, this 16th day of May 2022, by the following vote:

16.82.180	Credit for Construction of Public Facility Improvements
16.82.190	Reimbursement for Construction of Public Facility Improvements
16.82.195	Credit or Reimbursement for Construction of Park and Recreation Facilities
16.82.200	Annual Program Fee Adjustment
16.82.210	Alternative Method and Compliance With Other Laws

16.82.010 PURPOSE.

(a) The General Plan of the City of Rancho Cordova requires that areas chosen for urban expansion shall be capable of being provided within a reasonable period of time with an adequate level of public facilities including, but not limited to, roadways, potable water, storm drainage, park corridors, and trail facilities.

(b) The General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

designated for urban expansion. The General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of public facilities.

(c) The purpose of this chapter is to implement the General Plan requirements set forth in subdivisions (a) and (b) of this section and to use the authority in Article XI, Section 7 of the California Constitution by imposing development fees to fund the cost of certain public facilities, the need for which is directly or indirectly generated by the type and extent of development proposed in the City of Rancho Cordova, on which the fees will be imposed.

(d) It is the further purpose of this chapter to require that adequate provision is made for developer financed public facilities within the City of Rancho Cordova as a condition to any rezoning and prior to approval of certain permits within the City.

16.82.020 DEFINITIONS.

(a) "Area" means that geographic area established for public facilities financing purposes within the City of Rancho Cordova depicted in Figure 1 attached to this ordinance and incorporated herein by reference. A detailed map of the Area depicted on Figure 1 is on file with the City Planning Department, and such maps are incorporated by reference herein.

(b) "Building Permit" means the permit issued or required for Residential Development, Non-Residential Development, Commercial Development, or other development within the City, pursuant to and as further defined by the City of Rancho Cordova Building Code.

(c) "City" means the City of Rancho Cordova.

(d) "Costs" means amounts spent, or authorized to be spent, in connection with the planning, financing, acquisition and development of a public facility or infrastructure including, without limitation, the costs of land, construction and inspection, engineering, administration, and consulting fees.

(e) "Council" or "City Council" means the City Council of the City of Rancho Cordova.

(f) "Department" means the City of Rancho Cordova Community Development Department.

(g) "Development Impact Fee" means the fee levied by this chapter upon the approval of one or more Building Permits.

(h) "Development Unit" means a dwelling unit, for Residential Development, or square foot of building floor area, for Non-Residential Development.

(i) "Director" means the Director of the Rancho Cordova Community Development Department.

(j) "Facilities" means those public facilities designated in the SunCreek Specific Plan Development Impact Fee Program.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(k) "Fee Resolution" means the resolution and fee schedule adopted by the City Council, as may be amended from time to time, that approves the amount of the SunCreek Specific Plan Development Impact Fees.

(l) "Improvement Plan" means the site plan of property proposed for development showing all required improvements that must be approved by the Rancho Cordova Public Works Department.

(m) "Land Use Category" means detached dwelling units, attached dwelling units, mobile homes, commercial lodging units, commercial uses, office uses, or other uses as further defined in the Fee Resolution.

(n) "Non-Residential Development" means a subdivision map, parcel map, or permit for the original construction, grading or installation of buildings other than single-family detached homes, single-family attached homes, duplexes, townhomes, condominiums, apartments, manufactured homes, and mobile homes, or improvements thereto. Non-Residential Development includes Commercial Development. Typically, Non-Residential Development consists of buildings to be occupied by retail, service, or other commercial businesses or by offices as regulated by the City of Rancho Cordova Zoning Code, but may also include buildings for use by churches, daycare centers, private schools, and other institutional uses. Mixed-use buildings consisting of both dwelling units and commercial and/or office areas will have the respective building areas treated as either Residential Development or Non-Residential Development for purposes of this chapter.

(o) "Planning Director" means the Planning Director of the City of Rancho Cordova.

(p) "Program Fee per Development Unit" means the development impact fee per Development Unit for a particular category of facilities. Such Program Fees, identified in the Fee Resolution, were established using an allocation of public facility costs, as identified in SunCreek Specific Plan Capital Improvement Plan based on land use categories identified in the SunCreek Specific Plan Development Impact Fee Program Nexus Study.

(q) "Programmed Cost" means the estimated cost of constructing a facility based upon the unit costs for each construction item plus a fixed contingency costs for engineering, permits, and construction as set forth in the SunCreek Specific Plan Capital Improvement Plan and its public facilities project cost estimates, as periodically updated and adopted by resolution of the Council.

(r) "Residential Development" means a subdivision map, parcel map, or permit for the original construction, grading or installation of dwelling units for residential use including detached and attached housing for owner or rental occupancy. For purposes of this chapter, Residential Development includes construction of or improvements to buildings or portions of buildings consisting of dwelling units constructed on sites designated Low Density Residential, Medium Density Residential, Compact Density Residential, High Density Residential, High Density Residential, Village Center or Regional Town Center as defined in the SunCreek Specific Plan.. Non-residential development permitted by right or with a use permit, constructed on sites zoned for residential use are Non-Residential Development for purposes of this chapter.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(s) "SunCreek Capital Improvement Plan" means the projects identified and the cost estimates prepared, and as may be updated, for the public facilities identified in the SunCreek Specific Plan Development Impact Fee Nexus Study.

(t) "SunCreek Specific Plan Development Impact Fee Program" means the Fee Schedule, including any amendments thereto, adopted by resolution by the Council for financing of designated public facilities to serve the City of Rancho Cordova, including, but not limited to, a designation of those facilities to be constructed with the Development Impact Fees collected pursuant to this chapter, the priority list ("Priority List") for commencement of construction, the estimated cost of construction of the facilities and the total number of dwelling unit equivalents within the SunCreek Specific Plan Area of the City of Rancho Cordova as established.

16.82.030 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN ONSITE ROADWAY FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Onsite Roadway Fund. All amounts collected from onsite roadway fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for onsite roadways in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Onsite Roadway Fund shall be administered by the Director.

16.82.040 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN OFFSITE ROADWAY FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Offsite Roadway Fund. All amounts collected from offsite roadway fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for offsite roadways in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Offsite Roadway Fund shall be administered by the Director.

16.82.050 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN POTABLE WATER FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Potable Water Fund. All amounts collected from potable water fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for potable water facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Potable Water Fund shall be administered by the Director.

16.82.060 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN STORM DRAINAGE FUND.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Storm Drainage Fund. All amounts collected from storm drainage fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for storm drainage facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Storm Drainage Fund shall be administered by the Director.

16.82.070 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN BACKBONE WETLAND MITIGATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Backbone Wetland Mitigation Fund. All amounts collected from backbone wetland mitigation fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for backbone wetland mitigation costs in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Backbone Wetland Mitigation Fund shall be administered by the Director.

16.82.080 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN PARK CORRIDORS AND TRAILS FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Park Corridors and Trails Fund. All amounts collected from park corridors and trails fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for park corridors and trails facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Park Corridors and Trails Fund shall be administered by the Director.

16.82.090 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN WETLAND PRESERVE BUFFER FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Wetland Preserve Buffer Fund. All amounts collected from storm drainage fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for wetland preserve buffer facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Wetland Preserve Buffer Fund shall be administered by the Director.

16.82.100 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN AREA FORMATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Area Formation Fund. All amounts collected from plan area formation fees from

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for plan area formation and implementation in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

- (b) The Plan Area Formation Fund shall be administered by the Director.

16.82.110 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN ADMINISTRATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Administration Fund. All amounts collected from administration fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs associated with administering the SunCreek Specific Plan Development Impact Fee Program.

- (b) The Administration Fund shall be administered by the Director.

16.82.115 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN PARK DEVELOPMENT FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Park Development Fund. All amounts collected from park development fees from the SunCreek Specific Plan Area pursuant to this chapter or pursuant to a City Development Agreement shall be placed in said fund and shall be expended by the City of Rancho Cordova, its successor agency, or another entity designed by City, solely to pay the costs identified for plan area park development in the SunCreek Specific Plan Area.

- (b) The Administration Fund shall be administered by the Director.

16.82.120 IMPOSITION OF DEVELOPMENT IMPACT FEE.

No change in a land use zoning designation shall be approved within the SunCreek Specific Plan Area unless payment of the Development Impact Fees established by this chapter is required of the property owner as a condition of such approval. No building permit shall be approved for property within the SunCreek Specific Plan Area unless the Development Fees for that property are paid as required by this chapter. No small lot final map shall be approved unless the Plan Area Formation Fee has been paid as required by this chapter.

16.82.130 PAYMENT OF DEVELOPMENT IMPACT FEES.

The Development Impact Fees imposed pursuant to this chapter shall be paid by the property owner to the Department, in an amount calculated pursuant to Sections 16.82.150, 16.82.160, and 16.82.170. The fees shall be calculated upon the approval of subdivision maps and shall be paid upon issuance of building permits, with the exception of the Plan Area Formation Fee which shall be paid prior to final map. For projects that are subject to building permits, but not subdivision map approval, the fees shall be both calculated and paid upon issuance of the building permits.

16.82.140 ADOPTION OF THE CAPITAL IMPROVEMENT PLAN AND COMPLIANCE WITH THE PRIORITY LIST OF SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM.

(a) The Council shall by resolution adopt the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program. The Council shall review the capital improvement plan not less than annually and may amend it by resolution at its discretion.

(b) With the exception of facilities approved by the Director for construction by a property owner pursuant to Section 16.82.190, all facilities shall be funded in accordance with the priority list established for the SunCreek Specific Plan Development Impact Fee Program.

16.82.150 ESTABLISHMENT OF DEVELOPMENT IMPACT FEES

(a) A separate Development Impact Fee is hereby established for each of the following categories:

1. SunCreek Specific Plan Onsite Roadway Fee.
2. SunCreek Specific Plan Offsite Roadway Fee.
3. SunCreek Specific Plan Potable Water Fee.
4. SunCreek Specific Plan Storm Drainage Fee.
5. SunCreek Specific Plan Backbone Wetland Mitigation Fee.
6. SunCreek Specific Plan Park Corridors and Trails Fee.
7. SunCreek Specific Plan Wetland Preserve Buffer Fee.
8. SunCreek Specific Plan Area Formation Fee.
9. SunCreek Specific Plan Administration Fee.
10. SunCreek Specific Plan Park Development Fee.

(b) There is hereby created the SunCreek Specific Plan Fee Area of the City of Rancho Cordova, as shown in Figure 1, attached to this ordinance, and incorporated herein by reference.

(c) The SunCreek Specific Plan Fees as listed above in Section 16.82.150(a) shall apply to all property within the SunCreek Specific Plan Fee Area.

(d) Future Areas of the SunCreek Specific Plan Development Impact Fee Program may be created as additional public facilities financing plans are implemented for remaining undeveloped adjacent to the Specific Plan Area or other areas outside of the City of Rancho Cordova that may be annexed to the City in the future.

16.82.160 CALCULATION OF DEVELOPMENT IMPACT FEES.

(a) For Single Family Residential Development and Multi-Family Residential Development, the development fees per dwelling unit set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = P$$

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

Where:

F = the development fee for each category of public facilities to be paid for each dwelling unit by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval; and

P = Program Fee per Dwelling Unit for each category of public facilities for the type of development as shown in the SunCreek Specific Plan Development Impact Fee Program.

(b) For Non-Residential Development, the development fees per building permit set forth in Sections 16.82.120 and 16.28.130 shall be calculated pursuant to the following formula:

$$F = P \times S$$

Where:

F = the development fee for each category of public facilities to be paid for each building permit by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval; and

P = Program Fee per square foot of building floor area for each category of public facilities for the type of development as shown in the SunCreek Specific Plan Development Impact Fee Program.

S = the number of square feet of building floor area proposed for development.

(c) The administration fee per building permit as set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = T \times 3.0\%$$

Where:

F = the administration fee to be paid for each dwelling unit for Single Family Residential Development and Multi-Family Residential Development, or for each building permit for Non-Residential Development, by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval.

T = the sum of the Development Fees for all fee categories of public facilities to be paid for each dwelling unit for Single Family Residential Development and Multi-Family Residential Development, or for each building permit for Non-Residential Development, before any applicable credits pursuant to Sections 16.82.180 or 16.82.195 are applied, by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(d) The plan area formation fee per acre as set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = P \times A$$

Where:

F = the plan area formation fee to be paid for each final map by the owner of property for which a change in land use zone has been approved or the final map described in Section 16.82.120 are proposed for approval; and

P = Program Fee per net developable acre for Plan Area Formation for residential development and non-residential development as shown in the SunCreek Specific Plan Development Impact Fee Program

A = net developable acre excluding public and other land uses, including roads, schools, parks, detention basins, public/quasi-public parcels, wetland preserves and wetland buffers.

(e) The Development Fees shall be paid by the property owner in the amount as calculated pursuant to subdivision (a), (b), (c) and (d) of this section for the categories of facilities established by Section 16.82.150, which are applicable.

(f) For the purpose of calculating SunCreek Specific Plan Development Fees pursuant to subdivision (a), (b), (c), and (d) of this section for properties with an approved use permit which significantly changes the underlying use of the site or properties within a Special Planning Area, the Planning Director is hereby authorized to determine the EDU factors for each fee category which correspond most directly to the use and density.

(f) For the purpose of calculating SunCreek Specific Plan Development Fees pursuant to subdivision (a), (b), (c), and (d) of this section for building permits for land use categories not included in this ordinance, the Planning Director is hereby authorized to determine the EDU factors for each fee category which correspond most directly to the use and density.

16.82.170 ESTABLISHMENT OF EQUIVALENT DWELLING UNIT FACTORS FOR LAND USES WITHIN THE SUNCREEK SPECIFIC PLAN AREA.

(a) The equivalent dwelling unit factors for property within the SunCreek Specific Plan area are based on the SunCreek Specific Plan Development Impact Fee Program.

(b) The equivalent dwelling unit (EDU) factors utilized to calculate the Onsite and Offsite Roadway Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit

ITEM 10.4.**ATTACHMENT 6
Exhibit A to the Ordinance**

Compact Density Residential	0.78 per unit
High Density Residential	0.78 per unit
Village/Regional Town Center - Retail	1.08 per 1,000 sf
Village/Regional Town Center - Office	0.95 per 1,000 sf

(c) The equivalent dwelling unit (EDU) factors utilized to calculate the Potable Water Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit
Compact Density Residential	0.75 per unit
High Density Residential	0.75 per unit
Village/Regional Town Center - Retail	4.00 per acre
Village/Regional Town Center - Office	4.00 per acre

(d) The equivalent dwelling unit (EDU) factors utilized to calculate the Storm Drainage Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	0.40 per acre
Medium Density Residential	0.50 per acre
Compact Density Residential	0.70 per acre
High Density Residential	0.70 per acre
Village/Regional Town Center - Retail	0.90 per acre
Village/Regional Town Center - Office	0.90 per acre

(e) The equivalent dwelling unit (EDU) factors utilized to calculate the Wetland Mitigation, Wetland Preserve Buffer, and Plan Area Formation Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit
Compact Density Residential	1.00 per unit
High Density Residential	1.00 per unit
Village/Regional Town Center - Retail	1.00 per acre
Village/Regional Town Center - Office	1.00 per acre

(f) The equivalent dwelling unit (EDU) factors utilized to calculate the Park Corridors and Trails Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	2.95 per unit
Medium Density Residential	2.95 per unit
Compact Density Residential	2.03 per unit
High Density Residential	1.54 per unit

ITEM 10.4.

Village/Regional Town Center - Retail	0.00 per acre
Village/Regional Town Center - Office	0.00 per acre

16.82.180 CREDIT FOR CONSTRUCTION OF SPECIFIC PLAN PUBLIC FACILITIES.

(a) Upon application by the property owner or his authorized agent, the Director may authorize the construction of any specific plan public facilities, or portions thereof, in order of priority as designated on the Priority List in the SunCreek Specific Plan Development Impact Fee Program in lieu of all, or a portion of, the Development Impact Fees required by this chapter. If so authorized, the credit toward Specific Plan Development Impact Fees to be provided to the property owner for such in lieu construction shall be equal to eighty percent (80%) of the programmed cost of the facility, as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time when the in lieu construction is so authorized, including, but not limited to, unit prices, quantities and project descriptions. Prior to credit being given and/or issuance of any of the approvals set forth in Section 16.82.130 (e.g., approvals of building permits, subdivisions or zoning amendments), the construction of any facility authorized by this section must either be accepted by the Department, or the property owner must post security for the complete performance of the construction in a form acceptable to the Director and the City Attorney.

(b) Upon acceptance of the completed facility and after reconciliation of the final facility costs, the remaining twenty percent (20%) of the programmed cost as designated in the SunCreek Specific Plan Development Impact Fee Program may be issued as a credit balance to the property owner that may be utilized within the City of Rancho Cordova as determined by the Director.

(c) Where the amount of the credit is less than the amount of the SunCreek Specific Plan Development Fee otherwise applicable to the development in question, the property owner must pay to the City the difference in accordance with Section 16.82.130.

(d) Where the amount of the credit is greater than the amount of the SunCreek Specific Plan Development Fee, the property owner shall be paid the difference only from the applicable SunCreek Specific Plan Fund within a reasonable time after the project is accepted by the Department pursuant to Section 16.84.120 in order of priority on the Priority List in the SunCreek Specific Plan Development Impact Fee Program when funds are available.

(e) Where a facility is proposed for construction by the property owner, the Director at his or her discretion may either (1) provide the property owner with a credit pursuant to this section or (2) enter into a reimbursement agreement with the property owner pursuant to Section 16.82.190.

16.82.190 REIMBURSEMENT FOR CONSTRUCTION OF SUNCREEK SPECIFIC PLAN PROJECTS IN ADVANCE OF THE SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM PRIORITY LIST SCHEDULE.

(a) Upon application by the property owner or his authorized agent, the Director may enter into a reimbursement agreement authorizing the construction of any specific plan facilities, or portions thereof, designated in the SunCreek Specific Plan Development Impact Fee

Program. In addition to the requirements of subsection (d), the agreement shall set forth the amount to be reimbursed, the time and manner in which payments are to be made, and shall state that reimbursement by the City will only be made from the applicable SunCreek Specific Plan Fund when funds are available.

(b) The amount of reimbursement shall be the actual cost of the facility up to the programmed cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time the construction contract is awarded for that specific facility. The time of reimbursement shall be the end of the fiscal year in which the facility is scheduled for construction, based on the Priority List in the SunCreek Specific Plan Development Impact Fee Program, or as different timing is otherwise authorized by the Director.

(c) By entering into a reimbursement agreement, a property owner is not relieved of the obligation to pay the applicable SunCreek Specific Plan Development Fees in the manner and amount specified by this chapter.

(d) If the Director enters into an agreement authorized by subdivision (a) of this section, or credit agreement as authorized by Section 16.82.150(c) the agreement shall provide that: (1) The general fund of the City is not liable for payment of any obligations arising from the agreement; (2) the credit or taxing power of the City is not pledged for the payment of any obligations arising from the agreement; (3) the landowner shall not compel the exercise of the City taxing power or the forfeiture of any of its property to satisfy any obligations arising from the agreement; and (4) the obligation arising from the agreement is not a debt of the City, nor a legal or equitable pledge, charge, lien, or encumbrance, upon any of its property, or upon any of its income, receipts, or revenues, and is payable only from the applicable SunCreek Specific Plan Development Impact Fees deposited in the applicable Transportation Fund.

(e) Property owner or his authorized agent shall apply for reimbursement as set forth in subdivisions (a) (b) (c) and (d) of this Section no later than five (5) years after the specific plan public project is constructed and accepted. Property owner shall waive the right of reimbursement for construction costs payable under this Section when the reimbursement is not applied for within said five (5) year limitation.

16.82.195 CREDIT OR REIMBURSEMENT FOR CONSTRUCTION OF PARK AND RECREATION FACILITIES.

(a) Upon application by the property owner or his authorized agent, City of Rancho Cordova or any other entity as designated by the City as the park facilities provider, may authorize the construction of any park and recreation facilities, or portions thereof, as designated in the SunCreek Specific Plan Development Impact Fee Program in lieu of all, or a portion of, the park improvement Development Fee required by the City's Development Agreement and this chapter and may enter into a credit agreement pursuant to subsections (b), (c), and (d) of this section or may enter into a reimbursement agreement pursuant to subsections (e), (f), and (g) of this section. If so authorized, the credit to be provided to the property owner shall be equal to the estimated cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program, or other park nexus study, in effect at the time when the credit agreement is approved, including, but not limited to, unit prices, quantities and project descriptions. The construction of any facility authorized by this section must first be accepted by the City or other park facilities provider, as designated by the City or otherwise authorized by said park facilities provider, prior to credit being given and issuance of any of the approvals set forth in Section 16.82.130.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(b) Where the amount of the credit is less than the amount of the otherwise applicable park improvement Development Fee, the property owner must pay the difference as set forth in Section 16.82.130.

(c) Where the amount of the credit is greater than the amount of the Development Fee, the property owner shall be paid the difference only from the applicable SunCreek Specific Plan Park Improvement Fund within a reasonable time after the project is accepted by the park facilities provider.

(d) If the parks facilities provider and a property owner agree, the property owner may receive a credit against the park improvement Development Fee in an amount not to exceed the value of property conveyed to the provider as determined by the park facilities provider.

(e) Upon application by the property owner or his authorized agent, the park facilities provider may enter into a reimbursement agreement authorizing the construction of any park facilities, or portions thereof, designated in the SunCreek Specific Plan Development Impact Fee Program. The agreement shall set forth the amount to be reimbursed, the time and manner in which payments are to be made, and shall require reimbursement only from the applicable SunCreek Specific Plan Park Improvement Fund.

(f) The amount of reimbursement shall be the estimated cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time the construction contract is awarded for that specific facility.

(g) By entering into a reimbursement agreement, a property owner is not relieved of the obligation to pay the Development Fees in the manner and amount specified by this chapter.

16.82.200 ANNUAL PROGRAM FEE ADJUSTMENT.

Beginning January 1, 2023, and thereafter each year no later than January 15, the Program Fee per Development Unit for each type of development in each fee category shall be adjusted as follows:

(a) A "mean" index will be computed by averaging the index for 20 U.S. cities with the index for San Francisco by resort to the October issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.

(b) An adjustment factor shall be computed by dividing the "mean" index as calculated in subsection (a) of this section by the "mean" index for the previous October, however, if a new Program Fee has been adopted after January of the previous year, the adjustment factor shall use the "mean" index from the month that the fee was adopted.

(c) The new Program Fee per Development Unit shall be calculated by multiplying the adjustment factor, as calculated in subsection (b) of this section, by the Program Fee per Development Unit in place prior to the annual adjustment.

ITEM 10.4.

ATTACHMENT 6 Exhibit A to the Ordinance

(d) The estimated cost of the facilities used in SunCreek Specific Plan Capital Improvement Plan and for calculating credits and reimbursements pursuant to Sections 16.82.180, 16.82.190 and 16.82.195 shall be adjusted annually using the same adjustment factor pursuant to subsections (a), (b) and (c) of this section.

16.82.210 ALTERNATIVE METHOD AND COMPLIANCE WITH OTHER LAWS.

(a) This chapter is intended to establish a supplemental method for funding the cost of certain facilities the need for which is expected to be generated by the level and type of development proposed in the City of Rancho Cordova. The provisions of this chapter shall not be construed to limit the power of the Council to impose any other fees or exactions or to continue to impose existing ones, on development within the City of Rancho Cordova, but shall be in addition to any other fee, exactions or other requirements that the City is authorized to impose, or has previously imposed, as a condition of approving plans, rezonings or other entitlements within the City of Rancho Cordova pursuant to state and local laws. In particular, individual property owners shall remain obligated to fund, construct, and/or dedicate the improvements, public facilities and/or pay other exactions authorized or required by, but not limited to: (1) the City of Rancho Cordova Public Works Department Improvement Standards; (2) the Sacramento County Municipal Services Agency Improvement Standards; (3) the Quimby Act (Government Code Section 66477 et seq.) and implementing ordinances (Chapter 22.40 of this Code); (4) school impact fees (Government Code Sections 65970 et. seq.) and implementing ordinances; and (5) City of Rancho Cordova storm drainage impact fees (Chapter 16.95). Any credits or repayments pursuant to Sections 16.82.180, 16.82.190 and 16.82.195 shall not include credits or repayment for the funding, construction or dedications described in this section.

(b) The construction of facilities by a private owner pursuant to Section 16.82.180, 16.82.190, and 16.82.195 shall be performed and contracted for only as required by law, including but not limited to, compliance with the Department's Improvement Standards, and requirements for public works, if applicable to the particular facility."

MEMORANDUM

ITEM 10.5.

DATE: May 16, 2022

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director

SUBJECT: SUNCREEK SPECIFIC PLAN DEVELOPMENT AGREEMENT AND AFFORDABLE HOUSING PLAN AMENDMENTS

RECOMMENDATION

Waive the first reading and introduce the Ordinance and adopt the Resolutions.

RESULT OF RECOMMENDED ACTION

Adoption of the Ordinance will authorize execution of a First Amendment to the Development Agreement for five of the six properties in the SunCreek Specific Plan Area and reauthorize the execution of the Development Agreement for the Callahan Sun Creek, LLC. Adoption of the Resolutions will authorize the execution of a First Amendment to the Affordable Housing Plan for five of the six properties in the SunCreek Specific Plan Area and reauthorize the execution of the Affordable Housing Plan for the Callahan Sun Creek, LLC.

BACKGROUND

On November 18, 2013, by Resolution No. 128-2013, the City Council approved General Plan Amendments to the Land Use Element and the Open Space Element for the SunCreek Specific Plan; made findings regarding the environmental review required by the California Environmental Quality Act (CEQA) and approved the Public Facilities Finance Plan (the "Finance Plan") for the SunCreek Specific Plan. On November 18, 2013, by Resolution No. 129-2013, the City Council approved the Affordable Housing Plans (AHP) for the six (6) ownerships in the SunCreek Specific Plan.

On December 2, 2013, the City Council adopted Ordinance No. 42-2013 approving Development Agreements (DA) for the SunCreek Project for the same six (6) ownerships identified as Lennar Sierra Sunrise, LLC; Callahan Sun Creek, LLC, et al; Grantline & Chrysanthy 220 Investors, LLC; Robert A. Gilmartin, et al; Shalako Investors, a California Limited Partnership; and Chris N. Vrame, et al (collectively referred to as "Landowners"), see **Figure 1: Land Ownership in the Plan Area**. All of the Landowners have subsequently executed their respective Affordable Housing Plans and Development Agreements with the exception of Callahan Sun Creek, LLC.

The proposed First Amendments to the AHPs and the DAs will update the inflationary adjustment from March 1st to January 1st to be consistent with the timing of inflationary

adjustments for all other City fees; revise Section 7.3.2 of the DA to reflect updated language for implementation of a Land Equalization Fee concept described in the Finance Plan; and correct the effective date in Section 4.1 of select DAs, and other related minor edits. Since the AHP and the DA was never executed for the Callahan property, and since 2013 the ownership of that property has changed, the Resolution and Ordinance will also reauthorize the execution of the AHP with amendments and the DA with amendments for the Callahan property.

Figure 1: Land Ownership in the Plan Area

Development Agreement Amendments

Amendment to Section 4.1

Section 4.1 states the effective date of the Development Agreements which is the effective date of the City Ordinance adopting the DAs. Four of the five executed DAs incorrectly identify the effective date as January 1, 2013.

The First Amendment will correct this date to January 1, 2014 on specific DAs.

Amendment to Section 6.1

Section 6.1 of the Development Agreements quantify the park development and neighborhood green impact fee requirements and contain a provision that the impact fees will be adjusted beginning March 1, 2014 and annually thereafter on March 1st and no later than March 15th. Currently all other fees in the City adjust annually on January 1st and no later than January 15th.

The First Amendment will add references to separate exhibits to the Development Agreements that provide land dedication tables for park lands and neighborhood greens and change the timing of the annual inflation adjustment to January 1st to be consistent with other existing fee adjustments.

Amendment to Section 7.3.2

The Finance Plan included language about a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the

landowners in the Plan Area. The landowners, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program requirements, is being implemented by Cordova Recreation and Park District (CRPD) and will be set forth in individual Park Development Agreements (PDA) between CRPD and the developers.

The First Amendment incorporates this change by replacing the existing language that required the developers to adopt and implement the Land Equalization Program as described in the Finance Plan with updated language that references the Quimby In-Lieu Fee Program being implemented by CRPD as will be set forth in individual Park Development Agreements (PDA). The DA and the PDA, will both contain the same land equalization table that shows the park obligations for the SunCreek Specific Plan by property owner and the amount by which each property owner is over or under dedicating compared to its Quimby park obligation.

Changes of Ownership

An Assignment & Assumption Agreement was executed on August 17, 2021, between Grantline & Chrysanthy 220 Investors, LLC and Lennar Homes of California, Inc. that was recorded on August 17, 2021 as Document No. 202108171667. The First Amendment to the DA and the AHP relative to that property will be executed by the current ownership of Lennar Homes of California, LLC, a California limited liability company (as successor-in-interest by conversion to Lennar Homes of California, Inc. (hereafter referred to as Lennar Homes of California, LLC).

On July 29, 2015, Vrame, et. al, executed a grant deed conveying the Property to Smith/Dunmore Venture, LLC, a California Limited Liability Company. Therefore, the First Amendment to the DA and the AHP relative to that property will be executed by Smith/Dunmore Venture, LLC.

Execution of the Callahan DA.

In 2021, Quitclaim Deeds were recorded that terminate any and all interest of Callahan SunCreek, LLC by Kamilos Holdings, LLC to the remaining property owners. Since the Callahan DA was never executed, rather than execute and then amend it, an updated form of the DA will be authorized that contains the amendments as described above and in the name of the remaining ownership group which will now be referred to as the John J. Young et. al ownership.

The Ordinance, Attachment 1, authorizes the execution of the First Amendments to the Development Agreements for the five ownerships now identified as Lennar Sierra Sunrise, LLC; Lennar Homes of California, LLC; Robert A. Gilmartin, et al; Shalako Investors, a California Limited Partnership; and Smith/Dunmore Ventures, LLC; see Attachments 2-6, and re-approves the execution the John J. Young, et. al, Development Agreement, Attachment 7.

Affordable Housing Plan Amendments

Amendment to Section 3

Section 3 of the Affordable Housing Plans quantify the affordable housing in-lieu fee requirement and contain a provision that beginning March 1, 2014, the Affordable Housing Fee will adjust annually on March 1st and no later than March 15th. Currently all other fees in the City adjust annually on January 1st and no later than January 15th.

The First Amendment to the five executed Affordable Housing Plans will change the timing of the annual inflation adjustment to January 1st to be consistent with other existing fee adjustments.

Execution of the Callahan AHP

In 2021, Quitclaim Deeds were recorded that terminate any and all interest of Callahan Suncreek, LLC by Kamilos Holdings, LLC to the remaining property owners. Similarly, since the Callahan AHP was never executed, a new form of the AHP will be authorized that contains the fee timing amendments as described above and in the name of the remaining ownership group.

The Resolution, Attachment 8, authorizes the execution of the First Amendments to the Affordable Housing Plans for the five ownerships now identified as Lennar Sierra Sunrise, LLC; Lennar Homes of California, LLC; Robert A. Gilmartin, et al; Shalako Investors, a California Limited Partnership; and Smith/Dunmore Ventures, LLC; see Attachments 9-13. The Resolution, Attachment 14, re-approves the execution of the Affordable Housing Plan for the John J. Young, et. al, Attachment 15.

Recommendations

After consideration of any public testimony presented about this matter, it is recommended that the City Council adopt the Resolutions and introduce and waive its full reading and continue the Ordinance to the next regular council meeting for adoption.

FISCAL IMPACT

There is no fiscal impact to the general fund.

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING A FIRST AMENDMENT OF FIVE DEVELOPMENT AGREEMENTS AND
APPROVING A DEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF RANCHO
CORDOVA AND JOHN J. YOUNG TRUSTEE ET. AL FOR THE SUNCREEK PROJECT**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:**Section 1. Recitals**

A. In order to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the Legislature of the State of California adopted Section 65864, et seq., of the Government Code (the "Development Agreement Statute"), authorizing the City, and any person having a legal or equitable interest in the real property, to enter into a development agreement and establish certain development rights in the property, which is the subject of the development project application. Pursuant to Government Code section 65868, Development Agreements may be amended by mutual assent of the parties.

B. In 2013 the City of Rancho Cordova ("City") adopted the SunCreek Specific Plan Project ("Project" or "Specific Plan") and related approvals. The Specific Plan is a plan for a mixed-use development with a combination of employment-generating uses, retail and retail supporting services, recreational uses, and a broad range of residential uses and associated infrastructure and roads on an approximately 1,265-acre site in the City. The Project includes approximately 4,893 residential units at various densities on approximately 589 acres; approximately 80 acres of commercial use; approximately 12 acres of public/quasi-public uses; elementary schools and a combined middle/high school on approximately 111 acres; approximately 74 acres of parks and greens; approximately 387 acres of wetland preserve, stormwater detention basins and buffers; and major and minor roads with landscaping. In addition, the Project includes various on- and off-site infrastructure improvements; and

C The property within the Specific Plan area is owned by the following six (6) landowners: Lennar Sierra Sunrise, LLC; John J. Young Trustee, et al; Lennar Homes of California, LLC, a California limited liability company; Robert A. Gilmartin, et al; Shalako Investors, a California Limited Partnership; and Smith Dunmore Venture, LLC, a California limited liability company (collectively referred to as "Landowners"). All of these Landowners, with the exception of John J. Young Trustee, et. al, have executed the Development Agreements approved by Ordinance No. 42-2013.

D. The Specific Plan's purpose is to create a cluster of walkable residential villages and a major civic and recreation core comprised of a community park, schools, and major open space. The residential neighborhoods will create a distinctive district for the City and house a workforce to enhance the City's jobs/housing balance. For the five previously executed SunCreek Development Agreements ("Previously Executed Development Agreements") an amendment is proposed because the Specific Plan unevenly distributed the public facilities, including parks, schools, and public works and utility parcels with the result that certain owners had a larger portion of their land that would be dedicated to such uses and unavailable for development. The Financing Plan included a "Land Equalization Fee" to compensate the

developers within the Specific Plan with disproportionate responsibilities to dedicate land for these public services. The First Amendments simplify the land equalization by eliminating the public land uses other than Quimby parks. The City and Landowners desire to amend the Development Agreements to replace the Land Equalization Fee with a Quimby Park In-Lieu Fee Program that is being implemented by Cordova Park and Recreation District (CRPD).

E. In compliance with the requirements of the California Environmental Quality Act ("CEQA"), the City prepared an Environmental Impact Statement and an Environmental Impact Report for the Specific Plan ("EIR").

F. John J. Young Trustee, et. al ("Developer"), has agreed to enter into a development agreement for their portion of the Specific Plan area. The attached development agreement, attached hereto as Exhibit F ("John J. Young Trustee et. al, Development Agreement"), is Developer specific and covers the Developer's portion of the Specific Plan area.

G. On November 18, 2013, the City Council, pursuant to Resolution No. 127-2013, certified the EIR, adopted mitigation findings pursuant to CEQA guidelines Section 15091, adopted a statement of overriding considerations, and adopted a mitigation monitoring plan for the Specific Plan, which covered the attached previously executed Development Agreements and the John J. Young Trustee et. al, Development Agreement.

H. On December 2, 2013, the City Council approved the Development Agreements entered into by the City and Landowners, of which the five Previously Executed Development Agreements were recorded in the Official Records of Sacramento County. The Development Agreements with Lennar Homes of California, Lennar Sierra Sunrise, LLC, and Shalako Investors, a California limited partnership were recorded on January 21, 2014. The Development Agreement with Smith Dunmore Venture, LLC, a California limited liability company, was recorded on March 18, 2014. The Development Agreement with Robert A. Gilmartin, et al, was recorded on April 1, 2014.

I. The City and the five Landowners that previously executed Development Agreements, pursuant to Government Code section 65868 and Section 11.1 of the Previously Executed Development Agreements desire to amend the Previously Executed Development Agreements to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

J. The City and John J. Young, et. al, desire to reapprove and enter into the Development Agreement substantially similar to the one that was authorized by Ordinance No. 42-2013, and which contains the same Quimby Park In-Lieu Fee Program as the First Amendments to the Previously Executed Development Agreements.

L. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance **No. XX-2022** approving the First Amendments to the Development Agreements. reapproving of the Development Agreement with John J. Young, et. al, and rescinding the authorization to enter into the Development Agreement pursuant to Ordinance No. 42-2013. The City Council found the adoption of the First Amendments to the Previously Executed Development Agreements and the re-approval of the Development Agreement with John J. Young et. al, exempt from CEQA under Public Resources Code Section 21166 because the impacts of the Project have already been analyzed, and no substantial changes result from the First Amendments or the re-approval of the Development Agreement.

Section 2: Findings

On the basis of (a) the foregoing Recitals, which are incorporated herein, (b) the SunCreek Specific Plan, (c) the City of Rancho Cordova's General Plan, (d) the Environmental Impact Report for the SunCreek Specific Plan, and (e) on the basis of the specific conclusions set forth below, the City Council finds and determines that:

A. **Consistency with the General Plan.** The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are consistent with the objectives, policies, general land uses, and programs specified and contained in the City's General Plan. In accordance with Government Code section 65867.5(b), the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement vest the five Landowners' rights to proceed with development of the property in accordance with the Specific Plan. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not amend or revise the development standards in the Specific Plan. Therefore, the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement will be consistent with the General Plan if development under the Specific Plan is consistent with the City's General Plan.

As required by Government Code section 65867.5(b), the City Council finds that the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement, which vest development under the Specific Plan, are consistent with the City's General Plan. The findings and evidence to support this General Plan consistency determination are set forth in Appendix X of the Specific Plan, "Analysis of Project Consistency with City Policies," and as follows:

- i. The Specific Plan is consistent with the desired land use patterns (neighborhoods, villages, and districts) and corresponding development parameters in the General Plan Land Use Element. Specifically, the land use types, distribution, densities, and intensities of the Specific Plan are consistent with the SunCreek/Preserve Planning Area (Figure LU-28), corresponding text description, and assumed development potential (Table LU-5) outlined in the General Plan. The First Amendments to the Previous Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.
- ii. The Specific Plan includes a land use plan and use and development standards, as well as guidelines for subsequent Project design consistent with the goals of the General Plan Urban Design Element. Specifically, the location and design concepts for the village, local, and regional town centers within SunCreek are in keeping with the building block concepts outlined in the General Plan's Urban Design Element (Goal UD-1 and corresponding policies and actions). Additionally, design guidelines in Appendix A establish a unique project identity with context-sensitive design provisions envisioned in Goals UD-3 and UD-4. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

iii. The Specific Plan includes land use designations for two village centers and one regional town center. This plan implements General Plan Economic Development Element Goals ED-1 and ED-2 in terms of diversifying the local economy and providing new local and regional retail opportunities. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

iv. The SunCreek Land Use Plan (Figure 3-2) includes a wide range of residential land use designations, including single-family residential, medium density residential, and high density residential, as well as opportunities for high density housing in select mixed-use center locations. Residential land use designations (allowing between 2 and 40 units/acre) are distributed throughout the Project site, with high density housing located in close proximity to schools, parks, jobs, and employment. The mix and distribution of housing are consistent with the General Plan Housing Element Goals H-1 and H-4 in terms of balancing employment and housing and encouraging housing opportunities by the implementation of an Affordable Housing Plan for each property owner within the Project area. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

v. The SunCreek Circulation Plan (Figure 4-2) is consistent with the General Plan Circulation Plan (Figure C-1) and establishes a roadway system for local Project traffic and improved community circulation. It is also consistent with the regional transportation system with the addition of two major north-south roadways (Rancho Cordova Parkway and Americanos Boulevard), as well as improvements to the east-west connectivity. SunCreek Circulation Plan (Figure 4-2) is consistent with the General Plan Bikeway and Trails Plan (Figure C-2) as well as the City's current Bikeway Master Plan. Section I.4 of the SunCreek Specific Plan identifies planned street improvements for major roadways and trails and establishes standards and principles for subsequent review of local streets and trail connections in keeping with the General Plan Circulation Element Goals C-1 and C-2 for multi-modal facilities and connectivity. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

vi. The SunCreek Land Use Plan (Figure 3-2), as amended, designates approximately 74.8 acres for parks and open space, which excludes stormwater detention and private recreation areas. Project open space includes 310 acres of wetland preserve, drainage parkways/basins, landscape corridors, and greenbelts. The total Project open space (non-developable) amounts to approximately 30 percent of the Project area. Planned open space, parks, and trails for SunCreek are consistent with General Plan Open Space, Parks, and Trails Element Goals OSPT-1, OSPT-2, and OSPT-3 in establishing a premier system of public parks, establishing connected and diverse open space systems, and maximizing opportunities for pedestrians and cyclists.

vii. SunCreek Circulation and Infrastructure Plans of the Specific Plan identify necessary infrastructure, utilities, and services for the Project consistent with the

goals and policies outlined in the General Plan Infrastructure, Services, and Finance Element. SunCreek Specific Plan, Section I.9 (Implementation) identifies the requirements for the Financing Plan and includes guiding principles regarding infrastructure funding and phasing to ensure consistency with the General Plan. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

viii. The Environmental Impact Report/Environmental Impact Statement for the SunCreek Project identifies all known and protected resources within the Project area. Required protection and mitigation measures have been incorporated into the Specific Plan (Figure 3-2) and as described in Section I.6 (Natural Resources). The SunCreek Project is consistent with the General Plan Natural Resources Element Goals NR-1, NR-2, and NR-3 regarding protection and preservation of wildlife, plant habitats, wetlands, and creek corridors. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

ix. The Specific Plan includes drainage improvements consistent with General Plan Safety Element Goal S-2 (and corresponding policies and actions) to reduce the possibility of a flooding or drainage issue causing damage to urban land uses. Finally, the SunCreek Development Regulations (Volume II) incorporate best practices from the Crime Prevention Through Environmental Design standards to ensure consistency with Safety Element Goal 7 regarding design of neighborhoods and buildings to maximize safety/security and minimize crime. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

x. The SunCreek Land Use Plan (Figure 3-2) incorporates desired development patterns for a balanced mix of uses that incorporate housing, jobs, and services in close proximity connected by roadways and trails to reduce vehicular travel and maximize opportunities for walking and biking. The land use plan and corresponding circulation exhibits are consistent with the General Plan Air Quality Element Goals AQ-2 and AQ-3 regarding land use patterns and densities, as well as circulation systems to reduce vehicle trips and air quality impacts. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

xi. The SunCreek Land Use Plan (Figure 3-2) maintains residential setbacks and, in some cases, sound walls to mitigate noise impacts from heavily traveled roadways. This land plan and provisions in the SunCreek Development Regulations (Volume II) are consistent with the General Plan Noise Element Goal N-1 to ensure that new development is free of noise disturbances. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

xii. The First Amendments to the Previously Executed Development Agreements are consistent with the SunCreek Specific Plan in that the development standards under the SunCreek Specific Plan are incorporated into and vested by the Development Agreements. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not amend or alter the development standards under the Specific Plan.

B. Public Interest. The proposed First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement will not be detrimental to the public interest, health, safety, convenience, or welfare of the City. The Specific Plan, with the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are consistent with and are expected to result in no change in the currently existing jobs/housing ratio and include the designation of public uses, including public schools, parks and other public or quasi-public uses. The Amendments make no change to the Specific Plan's integration of sustainable development practices at each level of community planning and implementation, retail opportunities and a variety of residential densities resulting in a range of housing opportunities for a range of income levels. As a result of the Amendments and the re-approval of the John J. Young et. al, Development Agreement, the same public facilities described in the Specific Plan as originally adopted will still be built.

C. CEQA Compliance. In compliance with the requirements of CEQA, the City prepared an Environmental Impact Statement and an EIR for the SunCreek Specific Plan. On November 18, 2013, the City Council adopted Resolution No. 127-2013 certifying the EIR and adopting environmental findings, a statement of overriding consideration and a mitigation monitoring and reporting program for the SunCreek Specific Plan Project approvals. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are exempt from CEQA pursuant to Public Resources Code Section 21166 because an EIR has already been prepared for the Project and: (1) substantial changes are not proposed in the project which will require major revisions of the EIR; (2) substantial changes will not occur with respect to the circumstances under which the Project is being undertake which will require major revisions to the EIR; and (3) No new information, which was not known and could not have been known at the time the EIR was certified as complete, has become available.

Section 3: Approval of the First Amendment to the Previously Executed Development Agreements and Re-Approval of the John J. Young et. al Development Agreement.

The City Council hereby approves the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement, attached hereto as Exhibits A-F, in a form approved by the City Attorney, and authorizes the City Manager to execute the First Amendments to the Previously Executed Development Agreements and the John J. Young et. al, Development Agreement.

Section 4: Rescission of Ordinance 42-2013 With Regard to Development Agreement with John J. Young et. al.

The City Council hereby rescinds Ordinance 42-2013 to the extent that it authorizes the City to enter into the John J. Young, et. al, Development Agreement.

Section 5: Recordation.

Within ten (10) days after the First Amendments to the Previously Executed Development Agreements are executed by the City Manager, the City Clerk shall submit the First Amendments to the Previously Executed Development Agreements and the John J. Young et. al, Development Agreement to the County Recorder for recordation.

Section 6: Severability.

If any section, subsection, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, it shall not affect the remaining portions of this Ordinance that can be given effect without the invalid provision and, to this end, the provisions of this Ordinance are severable. This City Council hereby declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance enforced.

Section 7: Publication and Effective Date.

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its adoption.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 16th day of May 2022, by the following vote:

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND LENNAR SIERRA SUNRISE,
LLC
RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and LENNAR SIERRA SUNRISE, LLC, a California limited liability company ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Developer entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 242 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, , 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance ___ - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. ___ -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. Amendment of the Development Agreement The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown* ~~set forth more specifically~~ in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for *20-City Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous

~~October January~~. For example, the ~~March~~ January 2014 Neighborhood Green Fee shall be calculated by taking the ~~October January~~ 2013 “mean” index and dividing by the ~~October January~~ 2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~strikethrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner’s expense. Termination of this Agreement for any such residential or

nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.”

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~strike through~~ is delete, *italics* is addition):

“13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above.”

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled “SunCreek Neighborhood Green Compliance Table” attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled “SunCreek Quimby Park Land Equalization Table” attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. -2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. -2022 adopted by the City Council on the day of May, 2022, and has caused this First Amendment to be executed.

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.

The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9

Total Park Land Dedication Acres	60.3
---	------

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND GRANTLINE &
CHRYSANTHY 220 INVESTORS,
LLC

RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ____ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and LENNAR HOMES OF CALIFORNIA, LLC, a California Limited Liability Company ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Grantline & Chrysanthy 220 Investors, LLC ("Grantline") entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 220 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. On August 17, 2021, Grantline entered into an Assignment and Assumption Agreement ("Assignment") with Developer relative to the Development Agreement. By the Assignment, Developer assumed all of Grantline's right, title, interest, burdens and obligations under the Development Agreement with respect to and as related to the Property.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

F. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

G. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the

impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown* ~~set forth more specifically in Exhibit 6.1~~ (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the *January March* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index, and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required

hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~strikethrough~~ is delete, *italics* is addition):

"13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A. entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. -2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. -2022 adopted by the City Council on the day of May, 2022, and has caused this First Amendment to be executed.

City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Developer entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 240 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No. 16-2021 approving this First Amendment. City adopted City Council Ordinance __-2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. __-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown set forth more specifically* in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the ~~March~~ *January* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

3. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

4. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner’s expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.”

5. **Revised Section 13.** Section 13 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights of way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above.”

6. **Exhibit 6.1.A.** Exhibit 6.1.A entitled “SunCreek Neighborhood Green Compliance Table” attached hereto is added in its entirety and incorporated herein.

7. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled “SunCreek Quimby Park Land Equalization Table” attached hereto is added in its entirety and incorporated herein.

8. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

9. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

10. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

11. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

12. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the City Council on the _____ day of May, 2022, and has caused this First Amendment to be executed.

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9

Total Park Land Dedication Acres	60.3
---	------

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND SHALAKO INVESTORS, A
CALIFORNIA LIMITED
PARTNERSHIP

RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement (“First Amendment”) is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation (“City”), and Shalako Investors, a California Limited Partnership (“Developer”) pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the “Parties,” and singularly as “Party.”

RECITALS

A. City and Developer entered into a Development Agreement (the “Development Agreement”) which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1144. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Landowner entered into the Development Agreement relative to development within a 321 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits “A-1” and “A-2” of the Development Agreement (the “Property”).

C. This First Amendment affects the entire Property as more precisely defined in Exhibits “A-1” and “A-2” of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties’ obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No. ___-2022 approving this First Amendment. City adopted City Council Ordinance ___ - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. ___ -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is generally ~~shown set forth more specifically~~ *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on ~~January March~~ 1, 2014, and annually thereafter no later than ~~January March~~ 15th as follows:

- (a) A “mean” index will be computed by averaging the index for the ~~20 U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine Construction Cost Index of the year in which the calculation is being made~~ *20-City Construction Cost Index (CCI) and the San*

Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.

- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the *January March* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index, and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is amended in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the developers in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer agrees to support the adoption of the Quimby In-Lieu Fee Program and shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon

further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~strikethrough~~ is delete, *italics* is addition):

"13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions, and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition, or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights of way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the City Council on the ____ day of May, 2022, and has caused this First Amendment to be executed.

Total	888	2,285	343	1,052	4,568	11,678	100.00%	58.40	39.40	20.90	60.30	1.90	-

[1] Persons per household provided by David Wade and Associates. 58.39

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9
Total Park Land Dedication Acres	60.3

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND CHRIS N. VRAME, MURRAY
M. SMITH, JR., CAROL J. SMITH,
TRACY L. SMITH, M. CAMPBELL
SMITH, JAMES N. SMITH, AND
STEVEN G. DUNSMORE,
SUCCESSOR TRUSTEE OF THE
DUNMORE FAMILY TRUST
DATED FEBRUARY 24, 1977, AS
AMENDED

RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and SMITH/DUNMORE VENTURE, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Chris N. Vrame, Murray M. Smith, Jr., Carol J. Smith, Tracy L. Smith, M. Campbell Smith, James, N. Smith, and Steven G. Dunmore, successor trustee of the Dunmore Family Trust dated February 24, 1977, as amended (together "Vrame, et. al") entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Vrame, et. al, entered into the Development Agreement relative to development within an 80 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. On July 29, 2015, Vrame, et. al, executed a grant deed conveying the Property to Smith/Dunmore Venture, LLC, a California Limited Liability Company.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

F. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

G. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance __- 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. __-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~striketrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, 2013 ~~2014~~ which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~striketrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown* ~~set forth more specifically~~ in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee.

The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year. ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous ~~October~~ *January*. For example, the ~~March-January~~ 2014 Neighborhood Green Fee shall be calculated by taking the ~~October 2013~~ *January 2013* “mean” index and dividing by the ~~October~~ *January*-2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~strickethrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within

such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~striktthrough~~ is delete, *italics* is addition):

"13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the Land Equalization Fee Program *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the

Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. __-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. __-2022 adopted by the City Council on the _____ day of May, 2022, and has caused this First Amendment to be executed.

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9
Total Park Land Dedication Acres	60.3

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

RELATIVE TO THE SUNCREEK PROJECT**

**DEVELOPMENT AGREEMENT
RELATIVE TO SUNCREEK PROJECT**

This Development Agreement ("Agreement" or "Development Agreement") is entered into as of this _____ day of _____, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Revocable Living Trust, ALICE CALLAHAN, Trustee of the Alice M. Callahan Grandchildren's Irrevocable Trust, JOHN J. YOUNG, Trustee of the John J. Young Revocable Trust established June 20, 2012, REBECCA T. YOUNG, Trustee of the Young Family Trust, MARK CLEWETT and HEATHER S. CLEWETT, Trustees of the Mark and Heather Clewett Revocable Trust Established January 22, 2016, and KATHRYN BLANKENBURG, an individual (together "Developer" or "John J. Young Trustee et. al"), pursuant to the authority of Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties" and singularly as "Party."

RECITALS

A. Authorization. To strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, California Government Code section 65864, *et seq.* (the "Development Agreement Statute") and Rancho Cordova Municipal Code chapter 23.158, authorize City and any person having a legal or equitable interest in the real property to enter into a Development Agreement, establishing certain development rights in the Property which is the subject of the development project application.

B. Definitions. All capitalized terms as used herein are defined in Section 3 of this Agreement or otherwise herein.

C. Property. Developer owns in fee title that certain 160-acre portion of the SunCreek Specific Plan Area located in the City of Rancho Cordova, County of Sacramento, more particularly described in Exhibit A-1 and Exhibit A-2, attached hereto (the "Property").

D. Approval of SunCreek Specific Plan Area Development Agreements. Five other development agreements with nearly identical terms were approved in 2013 by and between the City of Rancho Cordova and the other Participating Developers described herein. Developer did not execute its approved Development Agreement and now wishes to, and for that reason, the City is now re-adopting and reauthorizing this Agreement. It is also the intent of City that, if any of the Participating Developers fails or refuses to sign its approved development agreement for its property (or withdraws from the process prior to approval by City), then when such Non-Participating Landowner seeks zoning, tentative subdivision maps and/or any other development approvals, City will seek to negotiate with such Non-Participating Landowner to enter into a development agreement with terms nearly identical to those in this Agreement.

E. Joint Planning of SunCreek Specific Plan. The Participating Landowners, City, and other public agencies have jointly planned for the development of the entire 1,265-acre SunCreek Specific Plan Area described in Exhibit B attached hereto. The SunCreek Specific Plan, this Development Agreement, and the other Entitlements are the result of this joint effort.

F. Public Hearing and Approval of this Agreement. On _____, 2022, the City Council of City of Rancho Cordova, serving as City's planning agency for purposes of

ITEM 10.5.

Exhibit F to the Ordinance

Development Agreement review pursuant to Government Code section 65867 and Rancho Cordova Municipal Code chapter 23.158, held a public hearing to consider this Development Agreement. Following the hearing, the City Council introduced City of Rancho Cordova Ordinance No. ____-2022 approving this Agreement. City approved Ordinance ____-2022 on _____, 2022.

G. Environmental Review. In compliance with the California Environmental Quality Act ("CEQA"), on November 18, 2013, by Resolution No. 127- 2013, City certified the SunCreek Specific Plan Project EIR ("EIR"). In addition to the EIR, the United States Army Corps of Engineers will be separately certifying, in compliance with the National Environmental Policy Act ("NEPA"), an Environmental Impact Statement ("EIS") related to this Project. There are no changes to the project or potentially significant impacts that were not previously analyzed.

H. Development Agreement Ordinance. City and Developer have taken all actions mandated by, and fulfilled all requirements set forth in, Rancho Cordova Municipal Code chapter 23.158, the Development Agreement Ordinance of the City of Rancho Cordova.

I. Consistency with General and Specific Plan. Having duly examined and considered this Development Agreement and having held properly noticed public hearings hereon, in City Ordinance No. ____-2022, City found that this Development Agreement satisfies Government Code section 65867.5, and this Agreement is consistent with the requirements of the General Plan and Specific Plan.

J. Negotiations. The Parties have, in good faith, negotiated terms set forth in this Development Agreement, which terms are intended to carry out the legislative purposes of the Development Agreement Statute and Municipal Code chapter 23.158, and which provide for the mutually desirable development of the Property.

AGREEMENT

1. Incorporation of Recitals. The Preamble, the Recitals, all defined terms set forth herein, and all exhibits attached hereto, are hereby incorporated into this Development Agreement as if set forth herein in full.

2. Relationship of City and Developer. This Development Agreement is a contract that has been negotiated and voluntarily entered into by City and Developer. Neither Party is an agent of the other Party. City and Developer renounce the existence of any form of joint venture or partnership between them. Nothing contained in this Agreement, or in any document executed in connection with this Agreement, may be construed as making City and Developer joint venturers or partners.

3. Definitions.

"Affordable Housing Plan" means the plan prepared for the Project in compliance with the City of Rancho Cordova General Plan Housing Element, and in particular with Policy H.1.5, and approved by City on _____, 2022, by Resolution No. ____-2022, and implemented pursuant to the Affordable Housing Plan Agreement between City and Developer. Pursuant to Resolution No. ____-2022, City approved an affordable housing agreement with each of the Participating Developers. The Affordable Housing Plan identifies the plans to provide adequate affordable housing in the Project.

ITEM 10.5.

Exhibit F to the Ordinance

"Backbone Infrastructure" means the infrastructure improvements generally described and listed as Backbone Infrastructure in Table 1-2 of the Finance Plan.

"CCR Enforcement" means enforcement by Developer and/or a Homeowners Association and/or City of covenants, conditions and restrictions that are recorded against the single family portions of the Property to protect, preserve and maintain the appearance, condition, function and operation of such single family development.

"City CCI Index" means the construction cost index applied by City in documents authorizing the subject fee, assessment or tax to adjust fees to account for changes to the costs of constructions published by the Engineering News Record, and as may be revised by the City for such Fee Programs.

"City CPI Index" means the following consumer price index applied by City in documents authorizing the subject fee, assessment or tax to adjust for changes in the costs of performing and/or providing municipal services as published by the United States Department of Labor Bureau of Labor Statistics.

"City Council" means the City Council of the City of Rancho Cordova.

"CRPD" means the Cordova Recreation and Park District.

"Developer's Property" or "Property" means that certain portion of the SunCreek Specific Plan Area located in the City of Rancho Cordova, County of Sacramento, more particularly described in Exhibit A-1 and Exhibit A-2, and attached hereto, which is subject to this Development Agreement.

"EDU" means the single-family residential equivalent dwelling unit, as applicable within the context of the applicable improvement, facility or service. All other land uses are assigned EDUs based on their relative impact compared to a single family unit with respect to the applicable improvement, facility or service.

"Entitlements" means (a) that certain General Plan Amendment approved by the City Council on November 18, 2013, by Resolution No. 128-2013; (b) certification of the SunCreek Specific Plan Project EIR (the "EIR"), by City by Resolution No. 127-2013; (c) the "SunCreek Specific Plan," approved by City on December 2, 2013 by Ordinance No. 41-2013; (d) this Development Agreement, approved by City on ___, 2022, by Ordinance No. __-2022 (the "Adopting Ordinance"); (e) the Affordable Housing Plan approved by City on May 16, 2022, by Resolution No. __-2022; and (i) zoning of the Property approved by City on November 18, 2013 by Ordinance No. 128-2013.

"Financing Plan" means the SunCreek Public Facilities Financing Plan, including all appendices thereto, dated November 2013, and approved by City on November 18, 2013 as part of Ordinance No. 128-2013.

"General Plan" means the City of Rancho Cordova General Plan, including all appendices thereto, approved by City on November 18, 2013, by Resolution No. 128-2013, and as most recently amended by Resolution No. 51- 2022.

"Homeowners Association" means an association of owners within the portions of the Property zoned for single family use that is formed and operated, in part, to provide CCR Enforcement.

ITEM 10.5.**Exhibit F to the Ordinance**

"Interim Neighborhood Green Fee" means the Interim Neighborhood Green Fee that the Developer agrees to pay under Section 6.1.

"Interim Park Impact Fee" means the Interim Park Impact Fee that the Developer agrees to pay under Section 6.1.

"Neighborhood Green" means open space to be dedicated pursuant to the Specific Plan to supplement the park amenities provided by the Parks dedications.

"Neighborhood Green Fee" means the Neighborhood Green Fee that the Developer agrees to pay under Section 6.1.

"New Park Development Fee" means the New Park Development Fee that the Developer agrees to pay under Section 6.1.

"Non-Participating Landowner" means any owner of land within the SunCreek Specific Plan Area who is included in the list of "Participating Landowners" but nevertheless fails to join in the execution of the development agreement for its property prior to or at the time of approval thereof by City.

"Parks" means the community and neighborhood parks to be dedicated pursuant to the Specific Plan.

"Participating Developers" means the landowners within the SunCreek Specific Plan Area who are participating in and contributing to the development of the SunCreek Specific Plan and who join in the execution of the Participating Developers' Development Agreements. The Participating Developers consist of the following: Gilmartin/Trevor, Lennar Sierra Sunrise, LLC, Shalako Investors, a California Limited Partnership, Smith Dunmore Venture, LLC, a California Limited Liability Company, Lennar Homes of California, LLC, a California Limited Liability Company., and now John J. Young Trustee et al.

"Participating Developers' Development Agreements" means the Development Agreements, with near identical terms to this Development Agreement, which were approved in 2013 by and between the City of Rancho Cordova and the Participating Developers in the SunCreek Specific Plan Area and now this Development Agreement with John J. Young Trustee et al.

"Project" means the planned development of the Property pursuant to the Entitlements.

"Public Facilities" means the public facilities generally described and listed as Public Facilities in Table 1-2 of the Finance Plan.

"Small Lot Subdivision Map" means a subdivision map processed and approved pursuant to the Subdivision Map Act that, upon recordation thereof, will create either individual lots or parcels upon which permits for the construction of single-family residential units are intended and may be issued, or for the construction and sale of individual condominium units within a parcel for multifamily residential use.

"Specific Plan" means the "SunCreek Specific Plan," including all appendices thereto, approved by City on December 2, 2013, by Ordinance No. 41-2013, and as most recently amended on June 21, 2021 by Ordinance No. 12-2021.

ITEM 10.5.

Exhibit F to the Ordinance

"Specific Plan Area" and "SunCreek Specific Plan Area" mean the entire 1,265- acre area which is the subject of the "SunCreek Specific Plan."

"Subsequent Entitlements" mean those additional permits, plans and approvals that may be approved following approval of the Entitlements, and which will allow for implementation of the Entitlements by subdivision, development and construction within the Specific Plan Area. Subsequent Entitlements may include, without limitation, small lot tentative subdivision maps, small lot final subdivision maps, parcel maps for non-residential areas, lot line adjustments, conditional use permits, and design review permits.

"SunCreek" means the SunCreek Specific Plan.

"SunCreek Project" means the planned development of the entire 1,265-acre SunCreek Specific Plan Area described in **Exhibit B** attached hereto, pursuant to the SunCreek Specific Plan, this Development Agreement, the other Entitlements and the Participating Developers' Development Agreements.

"TDIF" means City's Transportation Development Impact Fee, as adopted and as revised by City from time to time.

4. Effective Date, Term and Termination.

4.1 Effective Date. The effective date of this Development Agreement ("Effective Date") is _____, 2022 which is the effective date of City Ordinance No. ____-2022 adopting this Development Agreement.

4.2 Term. The term of this Development Agreement commences on the Effective Date and extends January 1, 2039, unless said term is terminated, modified or extended consistent with the terms of this Development Agreement. This Development Agreement automatically terminates on January 1, 2039, unless otherwise extended by the Parties and shall then be of no further force and effect. If and when this Development Agreement expires, Developer shall thereafter retain no vested rights under the Entitlements of this Development Agreement, and City shall have the right to modify or repeal the Entitlements and apply new laws, regulations and fees to the development of the Property.

4.3 Tolling and Extension During Legal Challenge or Moratoria. Developer may, at its discretion, extend the term of this Development Agreement for a maximum period of three years if:

4.3.1. a third-party lawsuit is filed challenging any of the Entitlements or challenging the EIS certified by the Army Corps of Engineers related to this Project;

4.3.2. the Developer is unable to proceed, or elects not to proceed, with the Project because of litigation described in Section 4.3.1 above; and

4.3.3. the Developer submits to City written notice that this Agreement is tolled.

During any such period that the Agreement and development of the Project are being tolled by Developer, Developer may, at its sole expense and risk, submit applications to

process Subsequent Entitlements, including tentative subdivision maps and improvement plans for the Property, provided City shall not be obligated to approve and may defer approval of any final subdivision maps, improvement plans or building permits for the Property during any such tolling period.

4.4 Length of Extension. The tolling period will begin when City receives written notice from the Developer. The tolling period may only extend the term of this Agreement until a final order of judgment is issued upholding the challenged Entitlements or the EIS, as applicable, the case is dismissed, or the three-year maximum tolling period is reached, whichever is shorter. The Developer may also elect to end the tolling period at any time and proceed with the Project, effective upon delivery of written notice to City.

5. Vested Rights. Developer shall have the vested right to proceed with development of the Property in accordance with the Entitlements, and to have Subsequent Entitlements considered for approval or denial, based upon the terms, standards and requirements set forth in the Entitlements, including without limitation the SunCreek Specific Plan. Except as provided in this Section 5.7 below, this Agreement does not vest Developer's rights to pay development impact fees, exactions, processing fees, inspection fees, plan check fees, or other permit processing fees or charges.

5.1 Permitted Uses, Density and Intensity, Maximum Height and Size of Structures, and Reservation or Dedication of Land Vested. The permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, provisions for reservation or dedication of land or payment of fees in lieu of dedication for public purposes, the location and maintenance of on-site and off-site improvements, the location of public utilities, and other terms and conditions of development shall be those set forth in the Entitlements. The SunCreek Specific Plan includes the land uses and approximate acreages for the Project as shown and described on page 1.3-14 of the Specific Plan.

5.2 Vested Against Moratorium, Quotas, Restrictions or Other Growth Limitations. Subject to applicable law relating to the vesting provisions of Development Agreements, City agrees that, except as otherwise provided in or limited by the provisions of this Agreement, this Development Agreement vests the Entitlements against subsequent City ordinances, resolutions, rules, regulations, initiatives, and official policies that directly or indirectly limit the rate, timing, or sequencing of development, or prevent or conflict with the permitted uses, or the density or intensity of uses, or the terms, provisions, standards or requirements for development, as set forth in the Entitlements. To the extent allowed by the laws pertaining to development agreements, however, Developer will be subject to any growth limitation ordinance, resolution, rule, regulation, or policy which is adopted on a uniformly applied, Citywide or area-wide basis, and directly concerns an imminent public health or safety issue, in which case City shall treat in a uniform, equitable and proportionate manner all properties, public and private, which are impacted by that public health or safety issue.

5.3 Vested Rights Exclude Design and Construction. All ordinances, resolutions, rules, regulations, initiatives, and official policies governing design, improvement and construction standards and specifications applicable to the Project, and to public improvements to be constructed by the Developer shall be those in force and effect at the time the applicable permit approval is granted, unless such ordinances, resolutions, rules, regulations, initiatives or official policies are inconsistent with the Entitlements or the specific terms of this Agreement, in which case the Entitlements and the terms of this Agreement shall prevail.

5.4 Vested Rights Exclude Changes in State or federal Law. Modification Because of Conflict with State or federal Laws. This Agreement shall not preclude the application to development of the Property of changes in City laws, regulations, plans or policies, the terms of which are specifically mandated and required by changes in State or federal law or regulation. In the event that State or federal laws or regulations enacted after the Effective Date of this Development Agreement prevent or preclude compliance with one or more provisions of this Agreement or any Entitlements, the Parties shall, within thirty (30) days, meet and confer in good faith in a reasonable attempt to modify this Agreement and such Entitlements to comply with such Federal or state law or regulation. Any such amendment or suspension of this Agreement or Entitlements shall be approved by the City Council in accordance with the Municipal Code and this Agreement.

5.5 Vested Rights Exclude Building and Fire Codes. The Project shall be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time the applicable building, grading, encroachment or other construction permit is granted for the Project. If no permits are required for infrastructure improvements, such improvements will be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time of approval by City of the improvement plans for such infrastructure. If a permit that has been granted expires, the Project shall be required to be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time the applicable replacement permit to the expired building, grading, encroachment or other construction permit is granted for the Project.

5.6 Vested Rights Exclude Processing Fees and Charges. Developer shall pay those processing, inspection, and plan check fees and charges required by City under ordinances, resolutions, rules, regulations, initiatives, and official policies which are in effect when such fees or charges are due under then-existing code or policy.

5.7 Vested Rights Limited for Development Impact Fees, Exactions and Dedications. Developer shall pay all development impact fees, connection or mitigation fees, and exactions required by City to support the construction of any public facilities and improvements or the provision of public services in relation to development of the Property (together "Exactions") authorized by City after the Effective Date, as long as said Exactions otherwise comply with applicable law, and are either (i) required on a Citywide basis, (ii) apply uniformly to all properties within City that are zoned with density and uses similar to those of the subject properties in the Entitlements, or (iii) apply on a fair share basis to all properties that are similarly situated within the portion of the City located south of Highway 50 and east of Sunrise Boulevard. Except as otherwise provided in this Agreement and/or contemplated by the Finance Plan, exactions required by City to be paid by Developer that do not meet one of the preceding criteria shall be the Exactions authorized on the Effective Date. Furthermore, notwithstanding anything to the contrary in this Section 5.7, in consideration of Developer's obligations under Section 8 hereof to comply with the Affordable Housing Plan applicable to the Property, development of the Property shall not be subject to any other impact fee, mitigation fee or exaction related to the provision of affordable housing or inclusionary housing, or other such fee or exaction related to the provision of affordable housing or inclusionary housing that may be subsequently adopted by City during the period that this Section 5.7 is vested by this Agreement.

5.8 Subsequent Entitlements. Subject to Section 13.1.1 hereof, City shall accept for processing, review and action any and all applications submitted by Developer for Subsequent Entitlements, necessary or convenient for the exercise of Developer's rights under the Entitlements for the use and development of the Property.

5.9 Term of Tentative Maps. Consistent with the authority provided in Government Code Section 66452.6(a)(1), the term of any tentative subdivision map approved for all or any portion of the Property shall be the later of the date this Agreement expires or the date the tentative map expires pursuant to City approval of the tentative map pursuant to the City of Rancho Cordova Municipal Code, including without limitation Section 22.20.060 ("Expiration of Tentative Map Approval"), as it may be modified from time to time by state law.

5.10 CCR Enforcement. City may impose a condition, as part of Subsequent Approvals for single family development, for the Developer to establish a mechanism acceptable to City to provide for CCR Enforcement within the single family portions of the Property by Developer and/or a Homeowners Association. If City elects to develop a City program for providing CCR Enforcement that includes the Specific Plan Area and to form a financing mechanism to fund the costs of such program, Developer shall retain the option, at its sole discretion, to elect to either include the Property for participation in City's CCR Enforcement Program or to provide such CCR Enforcement for the Property through a Homeowner Association, separate and apart from City's program. If Developer elects to provide its own CCR Enforcement through a Homeowners Association, so long as the Homeowner's Association provides adequate CCR Enforcement within the Property comparable to City's CCR Enforcement program, as confirmed by City in its reasonable discretion, City will exempt the Property from any special taxes or assessments otherwise levied by City to fund the costs of City's CCR Enforcement program.

6. Park and Neighborhood Green Obligations.

6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer's obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer's dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is generally shown in **Exhibit 6.1** (the "Dedicated Lands") and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A. City agrees and acknowledges that Developer's dedication of the Dedicated Lands, together with its commitment to pay the Quimby In-Lieu Program Fee, if any, described in Section 7.3.2 below, will satisfy the Developer's dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the "New Park Development Fee" and "Neighborhood Green Fee"); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the "Interim Park Impact Fee") in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green fee (the "Interim Neighborhood Green Fee") in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after

ITEM 10.5.

Exhibit F to the Ordinance

they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on January 1, 2014 and annually thereafter no later than January 15th as follows:

- (a) A "mean" index will be computed by averaging the index for 20- City Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year. .
- (b) An adjustment factor shall be computed by dividing the "mean" index as calculated in subsection (a) of this section by the "mean" index for the previous October. For example, the January 2014 Neighborhood Green Fee shall be calculated by taking the October 2013 "mean" index and dividing by the October 2012 "mean" index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).

6.2 Timing of Dedications of Parks. CRPD will design, own, operate and maintain the Parks and City will design, own, operate and maintain the Neighborhood Greens, as reflected in the conditions of approval for Tentative Maps for the Project. Prior to the recordation of any residential small lot final subdivision map in the Project which contains a portion of the Dedicated Lands, but not prior to construction of model homes, Landowner shall: (i) irrevocably offer for dedication to CRPD that portion of the Dedicated Land that is encompassed within such residential small lot final subdivision map and which is identified in the Specific Plan as a Park, (ii) irrevocably offer for dedication to City that portion of the Dedicated Land that is encompassed within such residential small lot final subdivision map and which is identified in the Specific Plan as a Neighborhood Green, and (iii) enter into park development agreements with CRPD, as applicable, for the improvement of the lands that CRPD will be dedicated within such residential small lot final subdivision map. If and to the extent a park development agreement provides for the design and construction of any improvements included within the New Park Development Fee or Neighborhood Green Fee (or Interim Fees related thereto), then the park development agreement shall include provisions for fee credits and/or reimbursements from the applicable Fee. The amount of any such Fee credits and reimbursements shall be based on the amount budgeted by the applicable Fee program for the cost of the creditable improvements, including soft costs and contingencies related thereto, and shall not be subject to adjustment based on the actual costs incurred by Developer to design and construct such creditable Park and/or Neighborhood Green improvements.

6.3 In-fill Park and Neighborhood Green Renovation and Acquisition Fee.

Developer agrees that it shall pay City the total sum of One Thousand Dollars (\$1,000) for each single family dwelling unit and Seven Hundred Fifty Dollars (\$750) for each multifamily dwelling unit (the "Park Renovation Fee"); provided that the Park Renovation Fee shall not be paid for any unit constructed on any parcel purchased by the City pursuant to the option in the Affordable Housing Plan. Beginning January 1, 2014, the fee shall be adjusted annually on each January 1 based upon City CPI Index. This fee shall be paid to City upon issuance of a building permit for each residential unit within the Property. It shall be used by City, at its sole discretion, to acquire, renovate, repair, improve or maintain Parks, Neighborhood Greens or other open space in that portion of City identified in **Exhibit 6.3**. This payment is made voluntarily by Developer. It is in addition to all other existing park fees, and construction and dedication obligations, including without limitation any fees paid pursuant to California Government Code Section 66477 (the "Quimby Act"), and the New Park Development Fee and Interim Park Impact Fee described in Section 6.1 above. Developer agrees that it shall not claim any credit against or right to reimbursement from any other existing park fees, and construction and dedication obligations, including Quimby Act fees, or the New Park Development Fee or Interim Park Impact Fee as a result of paying the Park Renovation Fee required under this Section 6.3. The City Council may, at any time, elect to terminate or reduce this obligation to pay the Park Renovation Fee, which termination shall not require an amendment of this Agreement. City may also elect to reduce or replace the Park Renovation Fee on a Citywide basis with a new park tax, special sales tax or other replacement funding mechanism, in which case the obligation to pay the Park Renovation Fee under this Section 6.3 shall be reduced or terminated, and be partially or fully replaced by such new Citywide funding mechanism, provided, however, that City may elect not to replace the Park Renovation Fee with the replacement funding mechanism if the Developer challenges or opposes the approval or implementation of the new Citywide funding mechanism.

7. Infrastructure and Maintenance Finance.

7.1 Infrastructure Finance. As further set forth in the Conditions of Approval and Finance Plan, prior to approval of a small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of building permits, City and Developer will cooperate to establish one or more Mello-Roos Community Facilities Districts, pursuant to and as authorized by Government Code Sections 53311 et seq., to fund necessary Backbone Infrastructure and Public Facilities.

7.2 Maintenance Finance. As further set forth in the Finance Plan, prior to approval of a small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of building permits, City and Developer will complete all actions needed to form, annex into, and/or implement the funding mechanism(s), including financing districts and special taxes, to pay to maintain existing and new public improvements associated with or needed to serve the Project as identified in the Finance Plan. Developer shall participate in, vote in favor of, and pay all costs incurred by City associated with such actions consistent with this Agreement and the Finance Plan. The amount of special taxes or assessments to be included in each new maintenance or services district referred to herein and identified for formation by the Finance Plan shall not exceed the amounts reasonably determined by City during the formation of such finance district to fund the operations, maintenance and/or services to be financed thereby.

As more particularly described in the Finance Plan, the funding mechanisms for such maintenance may include, but are not limited to the following:

7.2.1. Annexation into Street, Lighting and Landscape Maintenance

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the fair share of existing and all new public improvements associated with the project including, but not limited to, streets, bridges, culverts, traffic signals, traffic signs, striping and legends, intelligent transportation systems (ITS) operations, streetlights and safety lights, and landscape maintenance for public frontage and medians. This may be accomplished through annexation to the City's Community Facilities District No. 2014-2 (Street, Lighting and Landscape Maintenance), or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public improvements. If the Developer does not provide another financial mechanism, prior to the recordation of the final Small Lot Subdivision Map, the Developer will support the annexation of the Project into CFD 2014-2, and cover the Developer's fair share costs of the CFD annexation not to exceed Five Thousand Dollars (\$5,000) per annexation.

7.2.2. Park Maintenance.

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the Project's associated financial impacts to the operation, maintenance, and capital replacement of existing and proposed public parks that are maintained CRPD. This may be accomplished through annexation to the appropriate Communities Facilities District for park maintenance, or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public park improvements. If the Developer does not provide another financial mechanism, the Developer will support the annexation of the Project into the appropriate CFD for park maintenance and cover the Developer's fair share costs of the CFD annexation not to exceed Seven Thousand dollars (\$7,000) per annexation.

7.2.3. Community Places and Neighborhood Greens Maintenance.

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the Project's associated community places and Neighborhood Greens. This may be accomplished through annexation to the City's Communities District No. 2018-2 (Community Places and Neighborhood Greens), or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public community places and Neighborhood Green improvements. If the Developer does not provide another financial mechanism, the Developer will support the annexation of the Project into CFD 2018-2 (Community Places and Neighborhood Greens), and cover the Developer's fair share cost of the CFD annexation not to exceed Five Thousand Dollars (\$5,000) per annexation.

7.2.4. Support for a Special Tax for Transit-Related Services.

The Property will be subject to a special tax on the Property to pay for transit related-services for the Project. The base year FY 2013/2014 Transit Related Services Tax shall be \$95.61 per low density residential unit, \$76.50 per medium density residential unit, \$57.37 per high density residential unit, \$2,451.76 per acre for retail and service commercial, and \$2,107.52 per acre for commercial mixed use. This special tax was adjusted on July 1, 2014 and will be adjusted annually thereafter no later than July 15th, in accordance with the City CPI Index.

Annexation into Stormwater Utility Fee. The Developer will participate in or provide a funding mechanism for maintenance services for the Project's stormwater drainage and flood protection system. This will be accomplished through annexation to the City's Stormwater Utility Fee District. Prior to recordation of the final Small Lot Subdivision Map, Developer shall support the annexation and cover Developer's fair-share costs of the annexation, not to exceed Seven Thousand Dollars \$7,000 for the annexation. The base year FY 2020/2021 rate for the Stormwater

ITEM 10.5.

Exhibit F to the Ordinance

Utility Fee is \$134.93 per single family residential unit. The annual tax or fee will be adjusted annually per the method described in the CFD.

7.2.5. Annexation into CFD No. 2013-2 (Police Services). Prior to recordation of the first small lot final map or for residential properties that do not require subdivision, prior to issuance of building permits, the Developer shall support the annexation of the Project into CFD 2013-2 (Police Services) and cover Developer's fair-share costs of the CFD annexation, not to exceed \$7,000 for the Participating Developer's Properties. City agrees that the CFD will provide that on lands designated for all residential land use categories, the base year FY 2013/2014 Police Maximum Services Special Tax shall be Four Hundred Seventy Dollars and Twenty Eight Cents (\$470.28) annually per residential dwelling unit, including multi-family units. The special tax imposed by the CFD will be payable on a parcel within the Property only after a building permit has been issued by City for the construction of a building on that particular parcel, and there will be no undeveloped land tax imposed by the CFD. The CFD shall further provide that on each July 1 commencing July 1, 2014, the base year Police Special Tax shall be escalated by the increase, if any, in the City CPI Index. However, in no event shall the tax per parcel for any fiscal year be less than the amount established for the prior fiscal year. The CFD shall specify that the Police Special Tax shall commence being payable annually following the issuance of a building permit for each parcel subject to the Police Special Tax.

The Developer acknowledges that no small lot final subdivision maps, for residential properties that do not require subdivision, prior to issuance of building permits, shall be submitted to City for approval prior to annexation of the Property to the Police Services CFD; provided Developer may, at its own risk, process and obtain approvals of any tentative subdivision maps for the Property and submit applications for and process, but not obtain final approval of, any final subdivision maps and improvement plans related thereto.

Developer agrees that it will not vote to repeal or amend the Police Special Tax being imposed in the amounts set forth above, and that any such vote by Developer would constitute an event of default under this Agreement. In the event of such a default by

ITEM 10.5.

Exhibit F to the Ordinance

Developer, then in addition to all other remedies available to City, Developer shall be obligated to annually pay under this Agreement the difference between the amount of the Police Special Tax after the Developer's vote to repeal or amend the tax, and the amount of the proposed Police Special Tax set forth above.

7.2.6. Additional Mello-Roos Maintenance CFDs. In addition to the above maintenance and services districts, as more specifically described in the Finance Plan, except as may otherwise be deferred or waived by City, the following additional maintenance and services CFDs or similar financing mechanisms shall be formed prior to the recordation of the first small lot residential subdivision map or issuance of any building permit to fund the operations and maintenance of the public facilities:

(a) Park Maintenance CFD (to be formed by and/or in coordination with the CRPD, as decided by City in its sole discretion, to the extent permitted by law).

(b) Wetland Buffer Maintenance CFD or Assessment District. City will also consider in good faith for inclusion in this CFD the costs to maintain the wetland preserves within the Project as finally determined by the Army Corps of Engineers in its approval of the pending 404 permit for the development of the Project;

(c) Water and Drainage Studies CFD or Assessment District;

(d) Any other Citywide CFD or assessment districts City may seek to establish for maintenance of any facility or service consistent with the Financing Plan.

7.2.6 Amounts and Effect of Alternative HOA Maintenance. As provided above pursuant to sections 7.2.1, 7.2.3, and 7.2.5, the fees, special taxes or assessments to be finally established for these additional financing districts shall not exceed the amounts reasonably determined by City to fund the operations, maintenance and/or services to be financed thereby, subject to annual adjustments thereto based on the City CPI Index. The final amounts of the fees, special taxes or assessments for these additional districts shall be established during the formation of such finance districts as part of the implementation of the Finance Plan. Furthermore, if and to the extent a Homeowners Association that includes the Property elects to perform any of the maintenance obligations that would otherwise be performed by the districts described in sections 7.2.1, 7.2.3 or 7.2.5 above, subject to City's satisfaction, in its reasonable discretion, with the adequacy of the performance thereof by the Homeowners Association, the applicable maintenance financing districts shall include a mechanism whereby the amount of the special taxes or assessments to be levied thereby shall be credited by the savings to be realized by the districts from the performance of such maintenance obligations by the Homeowners Association and the relieving of the districts from having to perform such maintenance obligations.

7.3 Specific Plan Fees, Credits and Reimbursements.

7.3.1. Specific Plan Infrastructure Fee (Cost Sharing for Common Infrastructure Not Otherwise Financed by Existing Fees). As more particularly described in the Finance Plan, to equalize the burden to design and construct the Backbone Infrastructure

required for development of the Project not otherwise funded by an existing fee program, or anticipated to be underfunded thereby (such as where an existing fee program reimburses for less than the anticipated costs to design and construct an improvement), City adopted the SunCreek Special Finance District Fee (the "SFD Fee") by Resolution ___-20___ and described in the Finance Plan to finance the costs of these excluded or underfunded improvements and facilities and fairly spread the costs thereof to all developing properties within the Specific Plan. Developer agrees to support the adoption and implementation of the SFD Fee as described in the Finance Plan and to pay the SFD Fee as and when required by the development of the Property in accordance with the adopted SFD Fee.

7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.

7.3.3 Reimbursable Planning and Environmental Costs. The owner ("John J. Young Trust et. al") of the Specific Plan Property commonly referred to in the Specific Plan as the Grantline Property and outlined on Exhibit 7.3.3 attached hereto ("Grantline Property") has shared in a portion, but not all, of the development and planning costs for the Specific Plan. After the adoption of the Specific plan, the Grantline Property was conveyed by quitclaim deeds from Callahan Sun Creek, LLC to John J. Young Trust et. al on December 10, 2021 and recorded in the Sacramento County Recorder's Office as Document number 202112100939 and Document number 202112100940. Prior to acceptance of John J. Young Trust et. al's first tentative subdivision map application for the Grantline Property, City agrees to obtain from John J. Young Trust et. al, and John J. Young Trust et. al shall provide, reasonable documentation to City that John J. Young Trust et. al has satisfied its payment obligations to the Participating Developers under its Agreement with the other Participating Developers.

7.3.4. Credits and Reimbursement.

(i) Road Frontage Reimbursements. Developer shall be responsible for all roadway frontage improvements located on the Property, including the obligation to reimburse any other Participating Developer who installs frontage improvements located on the Property prior to Developer's development of the Property, in accordance with the provisions of Appendix D of the Finance Plan. The required roadway frontage improvements to be installed by Developer shall be identified by Developer and approved by City in connection with City's approval of the Developer's Tentative Map and Tentative Map Phasing Plan for the Property. In connection with the subdivision of the Property or each phase thereof, Developer shall enter into a subdivision improvement agreement that includes, but is not limited to, all roadway frontage improvements that Developer will construct, or will reimburse a Participating Developer for previously constructing, and are assigned and required by the Tentative Map

ITEM 10.5.**Exhibit F to the Ordinance**

Phasing Plan related thereto. As more particularly described in Appendix D to the Finance Plan, "Proposed Reimbursement of Required Off-Site Roadway Frontage Improvements," for any and all off-site roadway frontage improvements within the Specific Plan

ITEM 10.5.

Exhibit F to the Ordinance

required to be installed by Developer, City will enter into a reimbursement agreement with Developer to provide for reimbursement from the other benefitting developer(s)

(ii) Credits and Reimbursements from Existing Fee Programs. Developer shall be entitled to fee credits and/or fee reimbursements for the costs to be incurred by Developer to construct any public improvements or facilities that are funded by existing fee programs in accordance with the terms of such existing fee programs.

(iii) Credits and Reimbursements from SFD Fee Program. Developer shall be entitled to fee credits against and/or fee reimbursements from the SFD Fee for any costs to be incurred by Developer to design and/or construct any public improvements or facilities that are funded by the SFD Fee Program (and may also be liable for refunding any such credits or losing its reimbursement priority upon any failure to timely complete such design and construction), all in accordance with and as more particularly provided by the terms of the SFD Fee Program.

7.3.5 Monitoring and Enforcement of Specific Plan Fee Obligations.

As more particularly provided in the Finance Plan, to establish and monitor, among other things, the Property's obligations to participate in the financing and fee programs described in the Finance Plan, Developer shall, when submitting an application for a large lot or small lot tentative subdivision map for the Property (a "Tentative Map"), include the entire Property in the Tentative Map and include a phasing plan (the "Tentative Map Phasing Plan") to identify how development of the Tentative Map will be phased and required infrastructure will be provided through the processing and approval of final subdivision maps consistent therewith.

7.4 Transportation Set-Aside Fee. As more particularly described in the Finance Plan and Appendix C thereof, City and Developer agree that an initial amount of Nine Thousand Dollars (\$9,000) of City Transportation Development Impact Fee for each single-family residential unit in the Project (and a corresponding set aside for multifamily units, based on its EDU) will be set aside to establish a dedicated revenue source to help fund certain core backbone road improvements identified in Appendix C of the Finance Plan; as provided in Appendix C of the Finance Plan, the set-aside shall not apply to non-residential uses. The Finance Plan and Appendix C thereof detail the requirements and administration of this set-aside from the TDIF. Developer and City acknowledge and agree that the availability of credits or reimbursements for roadway improvements constructed by Developer within or off-site of the Specific Plan shall be subject to and administered in accordance with the TDIF set-aside provisions of the Finance Plan and Appendix C thereof. City further acknowledges that the administration and maintenance of this set-aside of the TDIF will automatically sunset and terminate when City has secured full funding for the Rancho Cordova Parkway/Highway 50 Interchange, or an alternative approved by City has been secured.

7.5 County Reciprocal Funding Agreement. City entered into a reciprocal funding agreement between City and the County of Sacramento to address impacts of developing the Specific Plan on Sacramento County roadways, as well as other cross-jurisdictional roadway impacts related to planned development in the City and County. The Developer agrees to comply with the terms of and pay its share of any fees under the Reciprocal Funding Agreement, provided that those fees are allocated among new development in the City on a fair share basis.

8. Affordable Housing. Developer shall comply with all terms, conditions and requirements under the Affordable Housing Plan applicable to the Property. Any failure by Developer to perform any term, condition or requirement of the Affordable Housing Plan applicable to the Property is a violation of this Agreement, subject to default under Section 13. City acknowledges that Developer's compliance with all the terms, conditions and requirements of the Affordable Housing Plan applicable to the Property shall fully satisfy Developer's obligations to provide affordable housing or inclusionary housing or other such fee or exaction related thereto associated with development of the Property. Pursuant to the Affordable Housing Plan, City shall have an option to acquire an additional parcel within the Property for potential affordable housing development in accordance with the terms and conditions of the Affordable Housing Plan applicable to the Property.

9. Dedication of Public Rights of Way and Other Public Lands. Within thirty (30) days of receipt of a written dedication request from City, including without limitation any such request by City to accommodate a requirement for another Participating Developer to build any Specific Plan Backbone Improvement(s) within any portion of the Property in connection with the development of the other Participating Developer's property, Developer shall grant irrevocable dedications of rights of way and easements to City, in a form acceptable to City, for those portions of the Property required to construct such Backbone Improvements. The cost of preparing the dedication documents, including the engineering and surveying costs related thereto, shall be paid by the Participating Developer initiating or necessitating the request for the dedication. In addition to granting such irrevocable offers of dedication, Developer shall also grant temporary construction easements for reasonable access onto the Property to construct such Backbone Improvements, which shall be assignable to any Participating Developer who intends to construct such Backbone Improvements. Developer shall obtain the consent of any and all beneficiaries under any deeds of trust or mortgages or other such holders of monetary claims or liens against the Property to subordinate their interests therein to such dedicated rights of way and easements.

10. Participation in the South Sacramento Habitat Conservation Plan. City and Developer recognize that mitigating impacts on protected natural resources through a coordinated regional approach may provide a variety of biological and economic benefits. The Project is located within the South Sacramento Habitat Conservation Plan ("SSHCP"). If the Developer chooses to seek permits which rely upon the SSHCP, Developer shall pay City a per acre fee based upon the methodology established by City to defray the costs of City to participate in the development of the SSHCP, to the extent such costs are not otherwise included in the SSHCP. For purposes of this section, "permits" refers to regulatory permits required to meet the requirements of the Federal Endangered Species Act, the California Endangered Species Act, and/or the Federal Clean Water Act.

11. Amendment or Cancellation.

11.1 Amendment by Mutual Consent. This Agreement may be amended in writing from time to time by mutual consent of the Parties hereto, and in accordance with the procedures of state law and the Municipal Code. Any amendment of the Entitlements that does not constitute a Minor Revision as defined in the Specific Plan shall require amendment of this Agreement. Any such amendment may be requested and made only as to a portion of the Property, in which case only the owner(s) of such portion of the Property subject thereto shall be required to apply for and sign such partial amendment of this Agreement.

ITEM 10.5.

Exhibit F to the Ordinance

11.2 Cancellation by Mutual Consent. Except as otherwise permitted herein, this Agreement may be canceled in whole or in part only by the mutual consent of the Parties or their successors in interest, in accordance with Municipal Code. Any fees paid pursuant to this Agreement and spent by City prior to the date of cancellation shall be retained by City.

11.3 Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot designated by the Specific Plan for residential use, upon completion of construction and issuance by City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot by Developer to a bona-fide good faith purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; and (ii) the lot is included within any financing districts or mechanisms required by Section 7 or other financing mechanism acceptable to City, to the extent required hereby. Termination of this Agreement for any such residential lot as provided for in this Section 11.3 shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

11.4 Termination upon Landowner Request. This Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the Specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City, have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, Quimby Park In-Lieu Fees, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 10.4 shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.

12 Annual Review

12.1 Annual Review. City reserves the right to annually monitor and review Developer's good faith compliance with the terms of this Agreement and the Entitlements.

12.2 Monitoring. City has discretion to monitor the continuing compliance of the terms of this Agreement and the Entitlements by updating decision-makers, conducting field

ITEM 10.5.

Exhibit F to the Ordinance

inspections, implementing and interpreting requirements, monitoring any litigation relating to the Property, and taking any other actions City may find appropriate.

12.3 Annual Review Date. City intends to conduct an annual review each year during the term of this Agreement in September of each year after the Effective Date.

12.4 Initiation of Review. City's Planning Director initiates the annual review by giving Developer written notice that City will conduct the annual review. The Planning Director's written notice will include an estimate of the total costs City expects to incur in connection with the review. Within thirty (30) days of City's notice, Developer must provide evidence to the Planning Director to demonstrate good faith compliance with this Development Agreement. The burden of proof, by substantial evidence of compliance, is upon the Developer. City's failure to timely initiate the annual review is not a waiver of the right to conduct a review at a later date or otherwise enforce the provisions of this Development Agreement. Developer is not in default under this Agreement by virtue of a failure by City to timely initiate review.

12.5 Staff Reports. City shall deposit in the mail to Developer a copy of all staff reports and related exhibits concerning contract performance at least twenty (20) days prior to any annual review. City shall also, to the extent practicable, make reasonable efforts to provide simultaneous notice to Developer by e-mail or other then-available means of electronic technology.

12.6 Costs. Costs reasonably and directly incurred by City in connection with the annual review and monitoring shall be paid by Developer in accordance with the City's schedule of fees and billing rates in effect at the time of review. The costs that Developer may be required to pay are not limited to the amount in the Planning Director's estimate.

12.7 Non-compliance with Agreement; Hearing. If the Planning Director determines, on the basis of substantial evidence, that Developer has not complied in good faith with the terms and conditions of this Development Agreement during the period under review, the City Council may initiate proceedings to modify or terminate the Agreement, at which time an administrative hearing shall be conducted in accordance with the procedures of state law. As part of that final determination, the City Council may impose conditions on the Project that it considers necessary and appropriate to protect the interests of City. Developer may, at the same hearing, raise any and all issues of non-compliance by City with the terms of this Development Agreement, and the City Council shall review and make findings concerning the compliance of all Parties to the Agreement.

12.8 Appeal of Determination. The decision of the City Council as to Developer's compliance shall be final. Any court action or proceeding to challenge, review, set aside, void, or annul any compliance determination by the Council must be commenced within thirty (30) days of the final decision of the City Council, or the Developer forfeits the right to seek judicial review.

13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other

Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the Quimby Park In-Lieu Fee Program if and when required pursuant to Section 7.3.2 above.

14. Default and Opportunity to Cure. Subject to any applicable extension of time agreed to by the Parties in writing, failure by any Party to perform any term or provision of this Agreement required to be performed by such Party, including without limitation any violation of Section 13, constitutes an event of default ("Event of Default"). For purposes of this Agreement, a Party claiming another Party is in default shall be referred to as the "Complaining Party," and the Party alleged to be in default shall be referred to as the "Party in Default." Except as provided in Section 12, a Complaining Party shall not exercise any of its remedies as the result of such Event of Default unless such Complaining Party first gives notice to the Party in Default as provided in Section 24, and the Party in Default fails to cure such Event of Default within the applicable cure period.

14.1 Procedure Regarding Defaults.

14.1.1. Notice of Default. If an Event of Default occurs, prior to exercising any remedies, the Complaining Party shall give the Party in Default written notice of such default. After City as the Complaining Party provides notice of an Event of Default by Developer, if such Event of Default is not cured within thirty (30) days after the Developer's receipt of such notice, City may thereafter cease to issue any permit or approve any entitlement for which an application has been filed for any portion of the Property then owned or controlled by the Party in Default until the Default is cured pursuant to the procedures in this Section 14.

14.1.2. Cure. The Party in Default must cure the default within thirty (30) days from the Notice of Default. The Complaining Party may pursue all available remedies if the Party in Default fails to cure the default within the 30-day time period. If the nature of the alleged default is such that it cannot reasonably be cured within thirty (30) days, the 30-day time period will be tolled if: (a) the cure is commenced at the earliest practicable date following receipt of the notice; (b) the cure is diligently prosecuted to completion at all times thereafter; (c) at the earliest practicable date (in no event later than thirty (30) days after the Party in Default's receipt of the notice), the Party in Default provides written notice to the Complaining Party that the cure cannot practicably be completed within such thirty- (30) day period; and (d) the cure is completed at the earliest practicable date. In no event shall Complaining Party be precluded from exercising remedies if a default is not cured within ninety (90) days after the first notice of default is given. If the Event of Default is discovered or determined in the course of the Annual Compliance Review, in addition to other remedies and potential cures, City shall have the statutory authority pursuant to Government Code section 65865.1 to decide to terminate or modify the Development Agreement following the opportunity to cure as provided in this Section 14.1.2.

14.1.3. Failure to Assert. Any failures or delays by a Complaining Party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by a Complaining Party in asserting

any of its rights and remedies shall not deprive the Complaining Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

14.1.4. Legal Proceedings. If the Party in Default fails to cure a default in accordance with the provisions of Section 14.1.2, the Complaining Party, at its option, may institute legal proceedings pursuant to this Development Agreement or terminate this Development Agreement. Upon the occurrence of an Event of Default, the Parties may pursue all other remedies at law or in equity, which are not otherwise provided for or prohibited by this Agreement or City's regulations governing development agreements, expressly including the remedy of specific performance of this Development Agreement. In no event, except as provided in Sections 18, 21 and 22 of this Agreement, will either Party be liable to the other Party for any monetary damage for claims arising out of this Agreement, and both Parties hereby expressly waive any such monetary damages. Notwithstanding the foregoing, City may immediately institute any legal proceedings relating to this Development Agreement without the notice and opportunity to cure required in the case of an emergency or immediate danger to public health, safety or welfare.

15. Estoppel Certificate. Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting that the other Party certify in writing that, to the knowledge of the certifying Party: (i) this Development Agreement is in full force and effect and a binding obligation of the Parties; (ii) this Development Agreement has not been amended or modified either orally or in writing, or if so amended, identifying the amendments; and, (iii) the requesting Party is not in default in the performance of its obligations under this Development Agreement, or if in default, describing therein the nature and amount of any such defaults. A Party receiving a request hereunder shall execute and return such estoppel certificate, or give a written detailed response explaining why it will not do so, within thirty (30) days following the receipt of each such request. Each Party acknowledges that such an estoppel certificate may be relied upon by third parties acting in good faith. A certificate provided by City establishing the status of this Development Agreement with respect to the Property or any portion thereof shall be in recordable form and may be recorded at the expense of the recording Party.

16. Severability. If any part of this Agreement is for any reason held to be unenforceable, the rest of the Agreement remains fully enforceable. If, however, a provision of this Agreement is determined to be invalid or unenforceable and the effect is to deprive a Party of an essential benefit of this Agreement, then the Party so deprived will have the option to terminate this entire Agreement upon written notice to the other Party.

17. Applicable Law. California law applies to this Agreement without regard for any choice-of-law rules that might direct the application of the laws of any other jurisdiction.

18. Attorneys' Fees and Costs in Legal Actions by Parties to the Agreement. Should any legal action be brought by either Party for breach of this Development Agreement or to enforce any provisions herein, the prevailing party in the action is entitled to reasonable attorneys' fees, court costs, and any other costs as may be fixed by the Court.

19. Agreement Runs with the Land. Except as otherwise provided for in this Development Agreement, all of the provisions, rights, terms, covenants, and obligations contained in this Agreement are binding upon the Parties and their respective heirs, successors and assignees, representatives, lessees, and all other persons acquiring the Property, or any portion thereof, or any interest therein, whether by operation of law or in any manner

ITEM 10.5.

Exhibit F to the Ordinance

whatsoever. All of the provisions of this Development Agreement are enforceable as equitable servitudes and constitute covenants running with the land pursuant to applicable laws, including but not limited to Section 1468 of the California Civil Code. Each covenant to do, or refrain from doing, some act on the Property, or with respect to any owned property: (i) is for the benefit of such properties and is a burden upon such properties; (ii) runs with such properties; and (iii) is binding upon each party and each successive owner during its ownership of such properties or any portion thereof, and shall be a benefit to and a burden upon each Party and its property hereunder and each other person succeeding to an interest in such properties.

20. Bankruptcy. The obligations of this Development Agreement are not dischargeable in bankruptcy.

21. Indemnification from Construction, Improvement, Operation and Maintenance Claims. Developer agrees to indemnify, defend with counsel selected by City, and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives, from any and all claims, costs (including legal fees and costs incurred by City or awarded to plaintiffs) and liability for any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by Developer, or any actions or inactions of Developer's contractors, subcontractors, agents, or employees in connection with the construction, improvement, operation, or maintenance of the Property or the Project. Developer has no indemnification obligation with respect to the negligence or willful misconduct of City, or its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives or with respect to the maintenance, use, or condition of any improvement after the time it has been dedicated to and accepted by City or another public entity (except as provided in an improvement agreement or maintenance bond). The provisions of this Section 20 shall survive the termination of this Agreement.

22. Cooperation and Indemnification of City in Event of Legal Challenge to This Agreement or Entitlements. In the event of any legal or equitable action or other proceeding instituted by any third party challenging the validity of any provisions of this Development Agreement or the Entitlements, or seeking to overturn or invalidate any approval granted pursuant to this Agreement:

22.1. The Parties agree to cooperate in defending against the action or proceeding;

22.2. The developer is solely responsible for its own costs and any costs incurred by City for such defense;

22.3. Developer will indemnify, defend with counsel selected by City and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives from any and all claims, costs (including legal fees and costs incurred by City or awarded to plaintiffs) and liability;

22.4. Neither Developer nor City shall settle any action or proceeding on grounds that include non-monetary relief or admissions of liability without written consent of the other Party. City agrees to not settle any action based upon monetary relief without the written consent of Developer, unless City is solely liable and agrees to pay such monetary relief.

ITEM 10.5.

Exhibit F to the Ordinance

22.5. The provisions of this Section 21 shall survive the termination of this Development Agreement.

23. Third Party Beneficiaries. This Development Agreement is made and entered into for the sole protection and benefit of Developer and City and their successors and assigns. No other person shall have any right of action based upon any provision in this Agreement.

24. Notices. All notices and other communications required or permitted under this Agreement, the enabling legislation, or the procedure adopted pursuant to Government Code section 65865, must be in writing and must be delivered in person or sent by certified mail, postage prepaid, or by facsimile or electronic mail.

Notice required to be given to City shall be addressed as follows:

CITY OF RANCHO CORDOVA
Community Development Director
Elizabeth Sparkman
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Fax:
E-mail:

Notice required to be given to Developer shall be addressed as follows:

DEVELOPER
John Young
Family Representative/Owner
6658 Winding Creek Drive
San Diego, CA 92119
(858) 357-7711
E-mail: jyoung70@gmail.com

Either Party may change the address stated herein by giving notice in writing to the other Party, and thereafter notices shall be addressed and transmitted to the new address.

25. Assignment and Release. From and after recordation of this Agreement against the Property, Developer shall have the full right to assign this Agreement as to the Property, or any portion thereof, in connection with any sale, transfer or conveyance thereof, provided that (i) Developer has paid City any and all fees or amounts due to City arising out of this Agreement, the processing of the Entitlements, or the development of the portion of the Property to be assigned, and (ii) upon the receipt by City Planning Director of the express written assignment by Developer and assumption by the assignee of such assignment in the form attached hereto as **Exhibit C**. Upon the payment of such fees or amounts due (which shall be acknowledged on the assignment by City Planning Director upon the request of Developer) and City's receipt of the express written assignment by Developer, the assumption by the assignee of such assignment in the form attached hereto as **Exhibit C**, and the conveyance of Developer's interest in the Property related thereto, Developer shall be released from further liability or obligation related to the portion of the Property so conveyed and the assignee will be considered the "Developer," with all rights and obligations related thereto, with respect to such conveyed property (the "Assigned Property").

26. Mortgagee Protection. The parties hereto agree that this Agreement shall not prevent or limit Developer, in any manner, at Developer's sole discretion, from encumbering the

ITEM 10.5.

Exhibit F to the Ordinance

Property or any portion thereof by any mortgage, deed of trust or other security device securing financing with respect to the Property. City acknowledges that lenders providing any such financing may require certain Agreement interpretations and modifications, and agrees upon request, from time to time, to meet with Developer and representatives of such lenders to negotiate in good faith any such request for interpretation or modification. City will not unreasonably withhold its consent to any such requested interpretation or modification, provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any lender or other such entity (a "Mortgagee") that obtains a mortgage or deed of trust against the Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, for which Mortgagee has submitted a request in writing to City in the manner specified herein for giving notices, may request to receive written notification from City of any Event of Default by Developer in the performance of Developer's obligations under this Agreement.

(c) If City receives a timely request from a Mortgagee requesting a copy of any notice of an Event of Default given to Developer under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of Event of Default to Developer. The Mortgagee shall have the right, but not the obligation, to cure the Event of Default during the remaining cure period allowed to Developer under this Agreement.

(d) Any Mortgagee who comes into possession of the Property, or any part thereof, by any means, whether pursuant to foreclosure of the mortgage, deed of trust, or deed in lieu of such foreclosure or otherwise, shall take the Property, or part thereof, subject to the terms of this Agreement; provided, however, notwithstanding anything to the contrary above, any Mortgagee, or successor or assign of such Mortgagee, who becomes an owner of the Property through foreclosure shall not be obligated to pay any fees or construct or complete the construction of any improvements, unless such owner desires to continue development of the Property consistent with this Agreement and the Entitlements, in which case the owner by foreclosure shall assume the obligations of Developer hereunder in a form acceptable to City.

(e) The foregoing limitation on Mortgagees and owners by foreclosure shall not restrict City's ability pursuant to Section 9 of this Agreement to specifically enforce against such Mortgagees or owners any dedication requirements under this Agreement or under any conditions of any other Entitlements.

27. Priority of Enactment. In the event of conflict between this Development Agreement and the Entitlements, this Development Agreement is controlling and the Parties will meet and confer in good faith to amend the Entitlements accordingly.

28. Form of Agreement; Recordation; Exhibits. City will record this Agreement and any subsequent amendment to this Agreement, with the County Recorder within ten (10) days of the Effective Date. City will also record any termination of any parts or provisions of this Agreement, except when this Development Agreement automatically terminates due to the

expiration of the Term of this Agreement. Any amendment or termination of this Development Agreement that affects less than all of the Property must describe the portion of the property that is the subject of the amendment or termination. This Agreement is executed in three duplicate originals, each of which is deemed to be an original. This Agreement consists of _____ (2_) pages and ____ (__) exhibits, which constitute the entire understanding and agreement of the Parties.

29. City Manager Authorization. The City of Rancho Cordova, a municipal corporation, has authorized this Development Agreement to be executed in duplicate by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the Council of the City on the ____ day of June, 2022, and has caused this Agreement to be executed.

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (hereinafter, the "Agreement") is entered into this _____ day of _____, 201_, by and between _____, a _____ (hereinafter "Assignor"), and _____, a _____ (hereinafter "Assignee").

RECITALS

On _____, 2013, the City of Rancho Cordova and entered into that certain agreement entitled "Development Agreement By and Between the City of Rancho Cordova and _____ Relative to the SunCreek Project (hereinafter the "Development Agreement")." Pursuant to the Development Agreement, Assignor agreed to develop certain property more particularly described in the Development Agreement (hereinafter, the "Subject Property"), subject to certain conditions and obligations as set forth in the Development Agreement. The Development Agreement was recorded against the Subject Property in the Official Records of Sacramento County on _____, 201_, as Instrument No. 201_- _____.

Assignor intends to convey a portion of the Subject Property to Assignee, commonly referred to as Parcel _____, and more particularly identified and

described in Exhibit A, attached hereto and incorporated herein by this reference (hereinafter the "Assigned Parcel").

Assignor desires to assign and Assignee desires to assume all right, title, interest, burdens and obligations under the Development Agreement with respect to and as related to the Assigned Parcel.

ASSIGNMENT AND ASSUMPTION

NOW, THEREFORE, Assignor and Assignee hereby agree as follows:

Assignor hereby assigns, effective as of Assignor's conveyance of the Assigned Parcel to Assignee, all of the rights, title, interest, burdens and obligations under the Development Agreement with respect to the Assigned Parcel. Assignor retains all the rights, title, interest, burdens and obligations under the Development Agreement with respect to all other property within the Subject Property owned by Assignor.

Assignee hereby assumes all of the rights, title, interest, burdens and obligations of Assignor under the Development Agreement with respect to the Assigned Parcel, and agrees to observe and fully perform all of the duties and obligations of Assignor under the Development Agreement with respect to the Assigned Parcel. The parties intend hereby that, upon the execution of this Agreement and conveyance of the Assigned Parcel to Assignee, and so long as Assignor has paid City any and all fees or amounts due to City arising out of the Development Agreement, the processing of the Entitlements, and the development of the Assigned Parcel, Assignee shall become substituted for and as the "Developer" under the Development Agreement with respect to the Assigned Parcel, and Assignor shall be released of and from any obligations or liabilities under the Development Agreement with respect to the Assigned Parcel.

All of the covenants, terms and conditions set forth herein shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns.

The Notice Address described in Section 20 of the Development Agreement with respect to the Assigned Parcel shall be:

Attn: _____

IN WITNESS HEREOF, the parties hereto have executed this Agreement as of the day and year first above written. This Agreement may be signed in identical counterparts.

CONFIRMATION OF PAYMENT OF OUTSTANDING FEES RELATED TO DEVELOPMENT OF ASSIGNED PARCEL

Upon request of _____, the Developer of the Assigned Parcel described herein, and based on the review of the City's files related to the development of the Assigned Parcel and the obligations allocable thereto, the undersigned, as the City Planning Director or designated representative thereof, hereby confirms that the Developer appears to have paid to the City any and all fees or amounts allocable to the Assigned Parcel and due to the City under or arising out of the Development Agreement, the processing of the Entitlements, and/or the development of the Assigned Parcel. This confirmation may be relied upon by Assignor to relieve Assignor of any continuing obligation as Developer with respect to the Assigned Parcel upon this Assignment becoming effective; provided, however, in the event of any mistake or error by the City in making this determination, the City shall not be prohibited or limited hereby from enforcing the obligation to pay any such fees or amounts allocable to the Assigned Parcel subsequently determined to be due with respect thereto.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE FIRST
AMENDMENTS TO AFFORDABLE HOUSING PLANS WITH FIVE LANDOWNERS OWNING
PROPERTY WITHIN
THE SUNCREEK SPECIFIC PLAN**

WHEREAS, Rancho Cordova Housing Element Policy H.1.5 states that “Developers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) shall prepare an Affordable Housing Plan for the project for City review and approval that identifies the project’s plan for providing affordable housing.” (City of Rancho Cordova Housing Element adopted 6/21/21); and

WHEREAS, all large-scale development in the City’s undeveloped areas, generally located south of Highway 50, is required to provide a range of housing opportunities responding to the housing needs associated with the proposed development. Developers must prepare an Affordable Housing Plan (“AHP”) which “shall be approved in conjunction with the earliest stage of project entitlement, typically with the City Council approval of the Specific Plan, Development Agreement, or other primary land use entitlement”; and

WHEREAS, the Housing Element also states that “[in order t]o ensure the production and preservation of housing affordable to the City’s workforce, no productive, reasonable program or incentive option will be excluded from consideration within project-specific Affordable Housing Plans...”; and

WHEREAS, AHPs contain two major components: Regional Housing Needs Allocation (RHNA) - or proof of capacity (i.e., appropriately zoned land); and Affordable Housing Performance (i.e., production or other strategies); and

WHEREAS, as a new large-scale development of undeveloped area, developers within the SunCreek Specific Plan are required to prepare Affordable Housing Plans for the Specific Plan area; and

WHEREAS, the SunCreek Specific Plan Project (“Specific Plan”) is a plan for a mixed-use development with a combination of employment-generating uses, retail, and retail supporting services, recreational uses, and a broad range of residential uses and associated infrastructure and roads on an approximately 1,265-acre site in the City. The Specific Plan, as currently amended, includes approximately 4,628 residential units at various densities on approximately 604 acres; approximately 78 acres of commercial use; approximately 8 acres of public/quasi-public uses; elementary schools and a combined middle/high school on approximately 111 acres; approximately 75 acres of parks and greens; approximately 389 acres of wetland preserve, stormwater detention basins and buffers; and major and minor roads with landscaping. In addition, the Project includes various on- and off-site infrastructure improvements; and

WHEREAS, the property within the SunCreek Specific Plan is owned by the following six (6) landowners: Lennar Sierra Sunrise, LLC; John J. Young, Trustee, *et al*; Lennar Homes of California, LLC, a California limited liability company; Robert A. Gilmartin, *et al*; Shalako

Investors, a California Limited Partnership; and Smith/Dunmore Venture, LLC, a California Limited Liability Company (collectively referred to as “Landowners”); and

WHEREAS, the Specific Plan’s purpose is to create a cluster of walkable residential villages and a major civic and recreation core comprised of a community park, schools and major open space. The residential neighborhoods will create a distinctive district for the City and house a work force to enhance the City’s jobs housing balance; and

WHEREAS, the SunCreek Specific Plan was adopted by the City Council on November 18, 2013 through Ordinance No. 41-2013, and was most recently amended on June 21, 2021 through No. Ordinance 12-2021; and

WHEREAS, Development Agreements for the projects within the Specific Plan were approved by Council on November 18, 2013 through the introduction of Ordinance No. 42-2013; and

WHEREAS, First Amendments to these Development Agreements have also been presented for Council’s consideration on May 16, 2022 through the introduction of Ordinance No. XX-2022; and

WHEREAS, all of the Landowners, except John J. Young, Trustee, et. al, have previously executed Affordable Housing Plan Agreements; and

WHEREAS, the five Landowners who have previously executed Affordable Housing Plan Agreements desire to amend those agreements to revise the methodology for calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee; and

WHEREAS, the attached First Amendments to the SunCreek Affordable Housing Plan Agreements identify very low, low-, moderate-, and above moderate-income housing, and provide both affordable housing in-lieu fees and land dedication in order to comply with Housing Element requirements; and

WHEREAS, the attached First Amendments to the Affordable Housing Plan Agreements will satisfy the following affordable housing requirements for the Specific Plan:

1. Designation of 44.2 acres of RD-40 zoned land described as “High Density Residential – RHNA”;
2. Dedication to the City of three (3) sites, totaling 6.7 acres of net buildable property for the construction of affordable housing projects;
3. Granting the City an option to purchase one additional 2.5-acre high density site within the SunCreek Specific Plan; and
4. Payment of an Affordable Housing In-Lieu Fee of \$1,460 per market rate unit.

WHEREAS, the attached First Amendments to the Affordable Housing Plan Agreements shall be binding on Landowners and on any and all of Landowners’ successors and assigns developing property within the SunCreek Specific Plan area. The First Amendments to the Affordable Housing Plan Agreements and the requirements therein shall run with the property

and remain in place until amended by mutual consent of the City and individual Landowners or terminated by the City in its sole discretion.

NOW THEREFORE, the City Council of the City of Rancho Cordova hereby resolves as follows:

Section 1. RECITALS

The foregoing recitals are true and correct and made a part of this Resolution.

Section 2. GENERAL PLAN CONSISTENCY

A. The attached First Amendments to the Affordable Housing Plan Agreements (**Exhibits A-E**) are consistent with Rancho Cordova Housing Element Policy H.1.5, which requires “Developers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) [to] prepare an Affordable Housing Plan for the project for City review and approval that identifies the project’s plan for providing affordable housing”; and

B. The SunCreek Specific Plan and the attached First Amendments to the Affordable Housing Plan Agreements (**Exhibits A-E**) are consistent the Housing Element Action H.1.2.1, which requires that residential development projects of 100 gross acres or more include a minimum of 5 percent of the total project residential developable acreage (net) for residential uses of 30 units per acre or higher, and 5 percent for residential uses of 10 units per acre or higher. The SunCreek Specific Plan, as amended, meets both requirements; the Specific Plan contains 603.8 total residential gross acres, of which 45.2 are designated for residential uses of 18.1 to 40 units per acre or higher and 27.5 designated for 12.1 to 18 units per acre. The attached Affordable Housing Plan Agreements require Landowners to designate certain portions of their property “High Density Residential,” which supports 30 dwelling units per acre or higher; and

C. The land designations required under the attached First Amendments to the Affordable Housing Plan Agreements (**Exhibits A-E**) are consistent with the SunCreek Specific Plan. These designations are also consistent with the General Plan as described in Appendix X of the SunCreek Specific Plan, “Analysis of Project Consistency with City Policies.”

Section 3. APPROVAL OF AFFORDABLE HOUSING PLAN AGREEMENTS

The City Council approves the attached First Amendments to the Affordable Housing Plan Agreements between the City and Landowners covering five of the Projects within the SunCreek Specific Plan (**Exhibits A-E**), in a form approved by the City Attorney, and authorizes the City Manager to execute the First Amendments to the Affordable Housing Plan Agreements. The attached First Amendments to the Affordable Housing Plan Agreements are as follows:

i. First Amendment to the Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and LENNAR SIERRA SUNRISE, LLC;

ii. First Amendment to the Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and Lennar Homes of California, LLC, a California limited liability company;

iii. First Amendment to the Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and ROBERT A. GILMARTIN, BARBARA A. GILMARTIN, ROBERT A. GILMARTIN and BARBARA A. GILMARTIN, as Trustees of The Heather C. Gilmartin 2003 Irrevocable Trust under agreement dated June 12, 2003, ROBERT A. GILMARTIN and BARBARA A. GILMARTIN, as Trustees of The Shannon K. Gilmartin 2003 Irrevocable Trust under agreement dated June 12, 2003, WILLIAM H. TREVOR and NATHALIE TREVOR, as Trustees of The James Henry Trevor 2003 Irrevocable Trust under agreement dated June 12, 2003, WILLIAM H. TREVOR and NATHALIE TREVOR, as Trustees of The Michael Gregory Trevor 2003 Irrevocable Trust under agreement dated June 12, 2003, WILLIAM H. TREVOR and NATHALIE TREVOR, as Trustees of The Amy Irene Trevor 2003 Irrevocable Trust under agreement dated June 12, 2003, and WILLIAM H. TREVOR and NATHALIE TREVOR, as Trustees of The William Randolph Trevor 2003 Irrevocable Trust under agreement dated June 12, 2003;

v. First Amendment to the Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and SHALAKO INVESTORS, a California limited partnership; and

vi. First Amendment to the Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and Smith/Dunmore Venture, LLC, a California Limited Liability Company.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 16th day of May 2022, by the following vote:

AYES:

City Clerk

**FIRST AMENDMENT OF
AFFORDABLE HOUSING PLAN
AGREEMENT FOR THE
SUNCREEK SPECIFIC PLAN BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND LENNAR SIERRA SUNRISE,
LLC**

This First Amendment of the Affordable Housing Plan Agreement (“First Amendment”) is entered into as of this 16th day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation (“City”), and LENNAR SIERRA SUNRISE, LLC, a California limited liability company (“Developer”) pursuant to Government Code section 65580 et. seq., relating to Housing Elements. City and Developer are hereinafter collectively referred to as the “Parties,” and singularly as “Party.”

RECITALS

A. City and Developer entered into an Affordable Housing Plan Agreement (the “AHP”) which was approved by the City Council on November 18, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1149. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the AHP.

B. City and Developer entered into the AHP relative to that certain 242.4-acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits “1-A” and “1-B” of the AHP (the “Property”).

C. This First Amendment affects the entire Property as more precisely defined in Exhibits “1-A” and “1-B” of the AHP. This First Amendment is authorized by section VII. C. of the AHP and pursuant to Government Code section 65588(b) and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the methodology for calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee.

E. On _____, 2022, the City Council held a public hearing and introduced City Council Resolution No. ____-2022 approving this First Amendment. City adopted City Council Resolution ____-2022 on [INSERT DATE]. On [INSERT DATE], by Resolution No. ____-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the AHP.** Section III. C. is amended as follows (strikethrough is delete, *italics* is addition):

“C. **SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):**

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on ~~March 1, 2014~~ *January 1, 2014*, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in ~~March~~ *January* based upon the ~~December~~ *October* to ~~December~~ *October* index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco ~~between December and December of each~~ *for the twelve-month period ending October of the prior year*. This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this ~~figure~~ *amount* by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan as specified in **Exhibit 3**, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from all available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be ~~used as grant funding of this effort to pay the gap~~.

The In-Lieu Fee and land dedication required ~~of~~ *in* the SunCreek Specific Plan reflect the current challenging market climate and fiscal uncertainty. The level of these requirements provides for a certain amount of “relief from current market conditions.”

3. **Consistency with Government Code section 65588(a).** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with Government Code section 65588(a) because it appropriately addresses the housing goals, objectives, and policies of the City to meet the community’s needs.

4. **Consistency with General Plan.** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

5. **Amendment Applicable to Property.** This First Amendment applies to the Property more particularly described in **Exhibit 1-A** and **Exhibit 1-B**.

6. **Amendment.** This First Amendment amends, but does not replace or supersede, the AHP except as specified herein. As amended hereby with respect to the Property, all other sections of the AHP remain in full force and effect.

7. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

8. **Effective Date and Term of the First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Resolution No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the City Council on _____ day of _____, 2022, and has caused this First Amendment to be executed.

**FIRST AMENDMENT OF
AFFORDABLE HOUSING PLAN
AGREEMENT FOR THE
SUNCREEK SPECIFIC PLAN BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND LENNAR HOMES OF
CALIFORNIA, LLC, A
CALIFORNIA LIMITED LIABILITY
COMPANY.**

This First Amendment of the Affordable Housing Plan Agreement ("First Amendment") is entered into as of this 16th day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and LENNAR HOMES OF CALIFORNIA, LLC., a California Limited Liability Company ("Developer") pursuant to Government Code section 65580 et. seq., relating to Housing Elements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Grantline & Chrysanthi 220 Investors, LLC ("Grantline") entered into an Affordable Housing Plan Agreement (the "AHP") which was approved by the City Council on November 18, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1147. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the AHP.

B. City and Grantline entered into the AHP relative to that certain 220.8-acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "1-A" and "1-B" of the AHP (the "Property").

C. On August 17, 2021, Grantline entered into an Assignment and Assumption Agreement ("Assignment") with Developer relative to the AHP. By the Assignment, Developer assumed all of Grantline's right, title, interest, burdens and obligations under the Development Agreement with respect to and as related to the Property, including the AHP.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "1-A" and "1-B" of the AHP. This First Amendment is authorized by section VII. C. of the AHP and pursuant to Government Code section 65588(b) and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the methodology for calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee.

F. On _____, 2022, the City Council held a public hearing and introduced City Council Resolution No. ____-2022 approving this First Amendment. City adopted City Council Resolution No. ____-2022 on [INSERT DATE]. On [INSERT DATE], by Resolution No. ____-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

ITEM 10.5.

Exhibit B to the Resolution

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the AHP.** Section III. C. is amended as follows (strikethrough is delete, *italics* is addition):

“C. **SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):**

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on ~~March 1, 2014~~ *January 1, 2014*, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in ~~March~~ *January* based upon the ~~December~~ *October* to ~~December~~ *October* index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco ~~between December and December of each for the twelve-month period ending October of the prior year.~~ This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this ~~figure~~ *amount* by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan as specified in **Exhibit 3**, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from all available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be used ~~as grant funding of this effort to pay the gap.~~

The In-Lieu Fee and land dedication required ~~of in~~ the SunCreek Specific Plan reflect the current challenging market climate and fiscal uncertainty. The level of these requirements provides for a certain amount of “relief from current market conditions.”

3. **Consistency with Government Code section 65588(a).** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with Government Code section 65588(a) because it appropriately addresses the housing goals, objectives, and policies of the City to meet the community’s needs.

4. **Consistency with General Plan.** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

5. **Amendment Applicable to Property.** This First Amendment applies to the Property more particularly described in **Exhibit 1-A** and **Exhibit 1-B**.

ITEM 10.5.

Exhibit B to the Resolution

6. **Amendment.** This First Amendment amends, but does not replace or supersede, the AHP except as specified herein. As amended hereby with respect to the Property, all other sections of the AHP remain in full force and effect.

7. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

8. **Effective Date and Term of the First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Resolution No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the City Council on _____ day of May, 2022, and has caused this First Amendment to be executed.

C. This First Amendment affects the entire Property as more precisely defined in Exhibits “1-A” and “1-B” of the AHP. This First Amendment is authorized by section VII. C. of the AHP and pursuant to Government Code section 65588(b) and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the methodology in calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee.

E. On _____, 2022, the City Council held a public hearing and introduced City Council Resolution ____-2022 approving this First Amendment. City adopted City Council Resolution ____-2022 on [INSERT DATE]. On [INSERT DATE], by Resolution No. ____-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the AHP.** Section III. C. is amended as follows (strikethrough is delete, *italics* is addition):

“C. SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on ~~March 1, 2014~~ *January 1, 2014*, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in ~~March~~ *January* based upon the ~~December~~ *October* to ~~December~~ *October* index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco ~~between December and December of each~~ *for the twelve-month period ending October of the prior year*. This In-Lieu Fee shall

ITEM 10.5.

Exhibit C to the Resolution

be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this ~~figure~~ amount by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan as specified in **Exhibit 3**, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from all available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be used ~~as grant funding of this effort to pay the gap.~~

The In-Lieu Fee and land dedication required ~~of~~ in the SunCreek Specific Plan reflect the current challenging market climate and fiscal uncertainty. The level of these requirements provides for a certain amount of “relief from current market conditions.”

3. **Consistency with Government Code section 65588(a).** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with Government Code section 65588(a) because it appropriately addresses the housing goals, objectives, and policies of the City to meet the community’s needs.

4. **Consistency with General Plan.** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

5. **Amendment Applicable to Property.** This First Amendment applies to the Property more particularly described in **Exhibit 1-A** and **Exhibit 1-B**.

6. **Amendment.** This First Amendment amends, but does not replace or supersede, the AHP except as specified herein. As amended hereby with respect to the Property, all other sections of the AHP remain in full force and effect.

7. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

8. **Effective Date and Term of the First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Resolution No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the City Council on _____ day of _____ 2022, and has caused this First Amendment to be executed.

**FIRST AMENDMENT OF
AFFORDABLE HOUSING PLAN
AGREEMENT FOR THE
SUNCREEK SPECIFIC PLAN BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND SHALAKO INVESTORS, A
CALIFORNIA LIMITED
PARTNERSHIP**

This First Amendment of the Affordable Housing Plan Agreement (“First Amendment”) is entered into as of this 16th day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation (“City”), and SHALAKO INVESTORS, a California limited partnership (“Developer”) pursuant to Government Code section 65580 et. seq., relating to Housing Elements. City and Developer are hereinafter collectively referred to as the “Parties,” and singularly as “Party.”

RECITALS

A. City and Developer entered into an Affordable Housing Plan Agreement (the “AHP”) which was approved by the City Council on November 18, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1145. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the AHP.

B. City and Developer entered into the AHP relative to that certain 321.4-acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits “1-A” and “1-B” of the AHP (the “Property”).

C. This First Amendment affects the entire Property as more precisely defined in Exhibits “1-A” and “1-B” of the AHP. This First Amendment is authorized by section VII. C. of the AHP and pursuant to Government Code section 65588(b) and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the methodology for calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee.

E. On _____, 2022, the City Council held a public hearing and introduced City Council Resolution ~~-2022~~ approving this First Amendment. City adopted City Council Resolution ~~- 2022~~ on [INSERT DATE]. On [INSERT DATE], ~~by Resolution No. -2022~~, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the AHP.** Section III. C. is amended as follows (strikethrough is delete, *italics* is addition):

“C. **SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):**

ITEM 10.5.

Exhibit D to the Resolution

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on ~~March 1, 2014~~ *January 1, 2014*, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in ~~March~~ *January* based upon the ~~December~~ *October* to ~~December~~ *October* index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco ~~between December and December of each~~ *for the twelve-month period ending October of the prior year*. This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this ~~figure-amount~~ by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan as specified in Exhibit 3, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from all available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be used ~~as grant funding of this effort to pay the gap~~.

The In-Lieu Fee and land dedication required of the SunCreek Specific Plan reflect the current challenging market climate and fiscal uncertainty. The level of these requirements provides for a certain amount of “relief from current market conditions.”

3. **Consistency with Government Code section 65588(a).** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with Government Code section 65588(a) because it appropriately addresses the housing goals, objectives, and policies of the City to meet the community’s needs.

4. **Consistency with General Plan.** The City Council has found and determined in Resolution No. ____ that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

5. **Amendment Applicable to Property.** This First Amendment applies to the Property more particularly described in Exhibit 1-A and Exhibit 1-B.

6. **Amendment.** This First Amendment amends, but does not replace or supersede, the AHP except as specified herein. As amended hereby with respect to the Property, all other sections of the AHP remain in full force and effect.

7. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

ITEM 10.5.

Exhibit D to the Resolution

8. **Effective Date and Term of the First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Resolution No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the City Council on _____ day of _____, 2022, and has caused this First Amendment to be executed.

**FIRST AMENDMENT OF
AFFORDABLE HOUSING PLAN
AGREEMENT FOR THE
SUNCREEK SPECIFIC PLAN BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND CHRIS N. VRAME, MURRAY
M. SMITH, JR., CAROL J. SMITH,
TRACY L. SMITH, M. CAMPBELL
SMITH, JAMES N. SMITH, and
STEVEN G. DUNMORE, successor
trustee of the Dunmore Family Trust
dated February 24, 1977, as Amended**

This First Amendment of the Affordable Housing Plan Agreement ("First Amendment") is entered into as of this 16th day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and SMITH/DUNMORE VENTURE, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY ("Developer") pursuant to Government Code section 65580 et. seq., relating to Housing Elements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Chris N. Vrame, Murray M. Smith, Jr., Carol J. Smith, Tracy L. Smith, M. Campbell Smith, James, N. Smith, and Steven G. Dunmore, successor trustee of the Dunmore Family Trust dated February 24, 1977, as amended (together "Vrame, et. al") entered into an Affordable Housing Plan Agreement (the "AHP"), which was approved by the City Council on November 18, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140318 Page 0486. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the AHP.

B. City and Vrame, et. al, entered into the AHP relative to that certain 80.1-acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "1-A" and "1-B" of the AHP (the "Property").

C. On July 29, 2015, Vrame, et. al, executed a grant deed conveying the Property to Smith/Dunmore Venture, LLC, a California Limited Liability Company.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "1-A" and "1-B" of the AHP. This First Amendment is authorized by section VII. C. of the AHP and pursuant to Government Code section 65588(b) and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the methodology for calculating the annual adjustment to the SunCreek Affordable Housing In-Lieu Fee.

F. On _____, 2022, the City Council held a public hearing and introduced City Council Resolution No. ____-2022 approving this First Amendment. City adopted City Council Resolution No. ____-2022 on [INSERT DATE]. On [INSERT DATE], by Resolution No. ____-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as

ITEM 10.5.

Exhibit E to the Resolution

the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. Amendment of the AHP. Section III. C. is amended as follows (strikethrough is delete, *italics* is addition):

“C. SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on ~~March 1, 2014~~ *January 1, 2014*, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in ~~March~~ *January* based upon the ~~December~~ *October* to ~~December~~ *October* index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco ~~between December and December of each~~ *for the twelve-month period ending October of the prior year*. This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this ~~figure~~ *amount* by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan, as specified in Exhibit 3, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap, and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from all available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be used ~~as grant funding of this effort to pay the gap~~.

The In-Lieu Fee and land dedication required ~~of~~ *in* the SunCreek Specific Plan reflect the current challenging market climate and fiscal uncertainty. The level of these requirements provides for a certain amount of “relief from current market conditions.”

Currently, Developer’s proposed project on the Property consists of the following land uses: 17.4 acres community park, 1.1 acres preserve buffer, 3.4 acres detention basin, 10.5 acres wetland preserve, 45.6 acres school, and 2.1 acres major roads. The Affordable Housing In-Lieu Fee under this Section is payable by Developer only as, if and when any land uses on the Property are changed to permit development of market rate residential units.”

ITEM 10.5.

Exhibit E to the Resolution

3. **Consistency with Government Code section 65588(a).** The City Council has found and determined in Resolution No. _____ that this First Amendment is consistent with Government Code section 65588(a) because it appropriately addresses the housing goals, objectives, and policies of the City to meet the community's needs.
4. **Consistency with General Plan.** The City Council has found and determined in Resolution No. _____ that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.
5. **Amendment Applicable to Property.** This First Amendment applies to the Property more particularly described in **Exhibit 1-A** and **Exhibit 1-B.**
6. **Amendment.** This First Amendment amends, but does not replace or supersede, the AHP except as specified herein. As amended hereby with respect to the Property, all other sections of the AHP remain in full force and effect.
7. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.
8. **Effective Date and Term of the First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Resolution No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the City Council on _____ day of May, 2022, and has caused this First Amendment to be executed.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE AN AFFORDABLE HOUSING PLAN BY AND BETWEEN THE CITY OF RANCHO CORDOVA AND ALICE M. CALLAHAN, TRUSTEE OF THE ALICE M. CALLAHAN REVOCABLE LIVING TRUST, ALICE M. CALLAHAN, TRUSTEE OF THE ALICE M. CALLAHAN GRANDCHILDREN'S IRREVOCABLE TRUST, JOHN J. YOUNG, TRUSTEE OF THE JOHN J. YOUNG REVOCABLE TRUST ESTABLISHED JUNE 20, 2021, REBECCA T. YOUNG, TRUSTEE OF THE YOUNG FAMILY TRUST, MARK CLEWETT AND HEATHER S. CLEWETT, TRUSTEES OF THE MARK AND HEATHER CLEWETT REVOCABLE TRUST ESTABLISHED JANUARY 22, 2016, AND KATHRYN BLANKENBURG ("JOHN J. YOUNG, TRUSTEE, ET. AL") WITHIN THE SUNCREEK SPECIFIC PLAN

WHEREAS, Rancho Cordova Housing Element Policy H.1.5 states that "Developers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) shall prepare an Affordable Housing Plan for the project for City review and approval that identifies the project's plan for providing affordable housing." (City of Rancho Cordova Housing Element adopted 6/21/21); and

WHEREAS, all large-scale development in the City's undeveloped areas, generally located south of Highway 50, is required to provide a range of housing opportunities responding to the housing needs associated with the proposed development. Developers must prepare an Affordable Housing Plan ("AHP") which "shall be approved in conjunction with the earliest stage of project entitlement, typically with the City Council approval of the Specific Plan, Development Agreement, or other primary land use entitlement"; and

WHEREAS, the Housing Element also states that "[in order t]o ensure the production and preservation of housing affordable to the City's workforce, no productive, reasonable program or incentive option will be excluded from consideration within project-specific Affordable Housing Plans..."; and

WHEREAS, the AHP will contain two major components: Regional Housing Needs Allocation (RHNA) - or proof of capacity (i.e., appropriately zoned land); and Affordable Housing Performance (i.e., production or other strategies); and

WHEREAS, as a new large-scale development of undeveloped area, developers within the SunCreek Specific Plan are required to prepare Affordable Housing Plans for the Specific Plan area; and

WHEREAS, the SunCreek Specific Plan Project ("Specific Plan") is a plan for a mixed-use development with a combination of employment-generating uses, retail, and retail supporting services, recreational uses, and a broad range of residential uses and associated infrastructure and roads on an approximately 1,265-acre site in the City. The Specific Plan, as currently amended, includes approximately 4,628 residential units at various densities on approximately 604 acres; approximately 78 acres of commercial use; approximately 8 acres of public/quasi-public uses; elementary schools and a combined middle/high school on approximately 111 acres; approximately 75 acres of parks and greens; approximately 389 acres of wetland preserve, stormwater detention basins and buffers; and major and minor roads with

landscaping. In addition, the Project includes various on- and off-site infrastructure improvements; and

WHEREAS, the property within the SunCreek Specific Plan is owned by the following six (6) landowners: Lennar Sierra Sunrise, LLC; John J. Young, Trustee, *et al*; Lennar Homes of California, LLC, a California limited liability company; Robert A. Gilmartin, *et al*; Shalako Investors, a California Limited Partnership; and Smith/Dunmore Venture, LLC, a California Limited Liability Company (collectively referred to as “Landowners”); and

WHEREAS, the Specific Plan’s purpose is to create a cluster of walkable residential villages and a major civic and recreation core comprised of a community park, schools and major open space. The residential neighborhoods will create a distinctive district for the City and house a work force to enhance the City’s jobs housing balance; and

WHEREAS, the SunCreek Specific Plan was adopted by the City Council on November 18, 2013 through Ordinance No. 41-2013, and was most recently amended on June 21, 2021 through No. Ordinance 12-2021; and

WHEREAS, the attached SunCreek Affordable Housing Plan identifies very low, low-, moderate-, and above moderate-income housing, and provides both affordable housing in-lieu fees and land dedication in order to comply with Housing Element requirements; and

WHEREAS, the attached Affordable Housing Plan Agreement will satisfy the following affordable housing requirements for the Specific Plan:

1. Designation of 44.2 acres of RD-40 zoned land described as “High Density Residential – RHNA”;
2. Dedication to the City of three (3) sites, totaling 6.7 acres of net buildable property for the construction of affordable housing projects;
3. Granting the City an option to purchase one additional 2.5-acre high density site within the SunCreek Specific Plan; and
4. Payment of an Affordable Housing In-Lieu Fee of \$1,460 per market rate unit.

WHEREAS, the attached Affordable Housing Plan Agreement shall be binding on John J. Young, Trustee, *et. al*, and on any and all of John J. Young, Trustee, *et. al*’s successors and assigns developing property within the SunCreek Specific Plan area. The Affordable Housing Plan Agreement and the requirements therein shall run with the property and remain in place until amended by mutual consent of the City and John J. Young, Trustee, *et. al*, or terminated by the City in its sole discretion.

NOW THEREFORE, the City Council of the City of Rancho Cordova hereby resolves as follows:

Section 1. RECITALS

The foregoing recitals are true and correct and made a part of this Resolution.

Section 2. GENERAL PLAN CONSISTENCY

A. The attached Affordable Housing Plan Agreement (Exhibit A) is consistent with Rancho Cordova Housing Element Policy H.1.5, which requires “Developers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) [to] prepare an Affordable Housing Plan for the project for City review and approval that identifies the project’s plan for providing affordable housing”; and

B. The SunCreek Specific Plan and the attached Affordable Housing Plan Agreement (Exhibit A) are consistent the Housing Element Action H.1.2.1, which requires that residential development projects of 100 gross acres or more include a minimum of 5 percent of the total project residential developable acreage (net) for residential uses of 30 units per acre or higher, and 5 percent for residential uses of 10 units per acre or higher. The SunCreek Specific Plan meets both requirements; the Specific Plan, as amended, contains 603.8 total residential gross acres, of which 45.2 are designated for residential uses of 18.1 to 40 units per acre or higher and 27.5 designated for 12.1 to 18 units per acre. The attached Affordable Housing Plan Agreement requires John J. Young, Trustee, et. al, to designate certain portions of their property “High Density Residential,” which supports 30 dwelling units per acre or higher; and

C. The land designations required under the attached Affordable Housing Plan Agreement (Exhibit A) are consistent with the SunCreek Specific Plan. These designations are also consistent with the General Plan as described in Appendix X of the SunCreek Specific Plan, “Analysis of Project Consistency with City Policies.”

Section 3. APPROVAL OF AFFORDABLE HOUSING PLAN AGREEMENTS

The City Council approves the attached Affordable Housing Plan Agreement between the City and John J. Young, et. al, covering their Project within the SunCreek Specific Plan (Exhibit A), in a form approved by the City Attorney, and authorizes the City Manager to execute the Affordable Housing Plan Agreement. The attached Affordable Housing Plan Agreement is as follows:

i. Affordable Housing Plan Agreement for the SunCreek Specific Plan by and between the CITY OF RANCHO CORDOVA and CALLAHAN SUN CREEK, LLC, a California limited liability company, ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Revocable Living Trust, ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Irrevocable Trust, ALICE M. CALLAHAN, Trustee of the Alice M. THIS AFFORDABLE HOUSING PLAN AGREEMENT ("AHP" or "Agreement"), and the requirements herein, are agreed upon by and between the CITY OF RANCHO CORDOVA ("City") and ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Revocable Living Trust, ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Grandchildren's Irrevocable Trust, JOHN J. YOUNG, Trustee of the John J. Young Revocable Trust established June 20, 2012, REBECCA T. YOUNG, Trustee of the Young Family Trust, MARK CLEWETT and HEATHER S. CLEWETT, Trustees of the Mark and Heather Clewett Revocable Trust Established January 22, 2016, and KATHRYN BLANKENBURG, an individual ("Developer" or "John J. Young, Trustee, et. al"), as of this day of _____, 2022. This AHP shall be binding on Developer and on any and all of Developer's successors and assigns developing the real property described in Exhibit 1-A and Exhibit 1-B attached hereto (the "Property"), within the SunCreek Specific Plan.

RECITALS

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

WHEREAS, pursuant to California Government Code section 65580, the Legislature has established the following priorities related to the provision of affordable housing: 1) the availability of housing is of vital statewide importance, and the early attainment of decent housing and a suitable living environment for every Californian, including farmworkers, is a priority of the highest order; 2) the early attainment of this goal requires the cooperative participation of government and the private sector in an effort to expand housing opportunities and accommodate the housing needs of Californians of all economic levels; 3) the provision of housing affordable to low- and moderate-income households requires the cooperation of all levels of government; 4) local and State governments have a responsibility to use the powers vested in them to facilitate the improvement and development of housing to make adequate provision for the housing needs of all economic segments of the community; and 5) the Legislature recognizes that in carrying out this responsibility, each local government also has the responsibility to consider economic, environmental, and fiscal factors and community goals set forth in the general plan and to cooperate with other local governments and the State in addressing regional housing needs; and

WHEREAS, Rancho Cordova Housing Element Policy H.1.5 states that “Developers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) shall prepare an Affordable Housing Plan (Plan) for the project for City review and approval that identifies the project’s plan for providing affordable housing.” (City of Rancho Cordova Housing Element adopted 6/21/21); and

WHEREAS, all large-scale development in the City’s undeveloped areas, generally located south of Highway 50, is required to provide a range of housing opportunities responding to the housing needs associated with the proposed development. Developers must prepare an Affordable Housing Plan (AHP) which “shall be approved in conjunction with the earliest stage of project entitlement, typically with the City Council approval of the Specific Plan, Development Agreement, or other primary land use entitlement”; and

WHEREAS, the Housing Element also states that “[in order t]o ensure the production and preservation of housing affordable to the City’s workforce, no productive, reasonable program or incentive option will be excluded from consideration within project-specific Affordable Housing Plans...”; and

WHEREAS, the AHP is comprised of two major components: Regional Housing Needs Allocation (RHNA) - or proof of capacity (i.e., appropriately zoned land); and Affordable Housing Performance (i.e., production or other strategies); and

WHEREAS, in preparing this AHP, the City and the landowners within the SunCreek Specific Plan considered options, strategies, resources and the economic climate; and

WHEREAS, the property within the SunCreek Specific Plan area is owned by the following six (6) landowners: Lennar Sierra Sunrise, LLC; Alice M. Callahan, *et al*; Lennar Homes of California, LLC, a California limited liability company; Robert A. Gilmartin, *et al*; Shalako Investors, a California Limited Partnership; and Smith/Dunmore Venture, LLC, a California Limited Liability Company (collectively referred to as “Landowners”). Each Landowner has agreed to meet the affordable housing obligations as required by the Housing Element. This AHP satisfies Developer’s obligations pursuant to Housing Element Policy H.1.5; and

WHEREAS, pursuant to the City’s Housing Element, the requirement to enter into this AHP is a condition of approval for projects within the SunCreek Specific Plan. Any violation of the requirements under this AHP shall be considered a violation of the conditions of approval and

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

shall permit the City to proceed with revocation or termination of any entitlement(s) for the Property.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereby agree to amend the Agreement as follows:

AGREEMENT

I. PROPERTY SUBJECT TO THIS AFFORDABLE HOUSING PLAN

Developer owns fee title to the Property, which comprises that certain 160.4-acre portion of the SunCreek Specific Plan area located in the City of Rancho Cordova, County of Sacramento, more particularly described in Exhibit-1 and Exhibit 1-B. This AHP shall apply to, and be recorded on, the Property.

II. REGIONAL HOUSING NEEDS ALLOCATION REQUIREMENT FOR THE SUNCREEK SPECIFIC PLAN

On March 19, 2020, the Sacramento Area Council of Governments' ("SACOG") Board of Directors adopted the 2021-29 Regional Housing Needs Plan ("RHNP"). This action was the final stage in the adoption of an eight-year plan for the Regional Housing Needs Allocation ("RHNA"). RHNA is a State requirement to determine the number of housing units that cities and counties must plan for in their housing element updates. Pursuant to California Government Code section 65583, localities are required to update their housing elements to plan to accommodate their entire RHNA share by income category. For the SunCreek Specific Plan area, lands designated to meet RHNA obligations may be developed as either market rate or affordable units, but the acreage must be developed at the minimum densities identified in this AHP.

Developer agrees to comply with the RHNA requirements for the Property as follows:

A. RHNA REQUIREMENTS FOR THE SUNCREEK SPECIFIC PLAN. The SunCreek Specific Plan as a whole will be required to designate 44.2 acres of RD-40 zoned land described as "High Density Residential – RHNA." Developer is required to designate 11.8 acres of "High Density Residential – RHNA" within the Property, as shown in Exhibit 2, as their share of SunCreek Specific Plan's 44.2 acres requirement. Developer shall commit to development of these lands at a minimum density of 26 dwellings per acre.

The 44.2 acres requirement for the SunCreek Specific Plan represents the fair-share allocation to the SunCreek Specific Plan area of the total RHNA amount designated to the City of Rancho Cordova from SACOG. The SunCreek Specific Plan area's projected share of the total City residential growth in the new development area through buildout served as the basis for the allocation to the SunCreek Specific Plan. The actual minimum (or floor) yield from a RD-40 acre used to determine the number of acres to be required reflects a density which the Developer and Landowners represent as a "buildable" density that can be expected for the plan area.

B. NO NET LOSS. California Government Code section 65584 requires all development on RHNA designated acres approved by the State through the Housing Element process to yield no less than the minimum acreage used to satisfy State RHNA requirements. In order to ensure the required RHNA performance, development on SunCreek RHNA acres must be at or above 26 units per acre as designated in the SunCreek Specific Plan, unless the City can

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

make the following findings in writing supported by substantial evidence: (1) the reduction is consistent with the adopted General Plan, including the Housing Element; and (2) the remaining sites identified in the Housing Element are adequate to accommodate the City's share of the regional housing need pursuant to Government Code section 65584.

C. REVIEW OF RHNA DESIGNATED ACREAGE will occur as conditions and/or allocations by SACOG change. The RHNA allocation for the SunCreek Specific Plan area is a projection through build-out. However, no such future adjustment shall result in an increase to the SunCreek RHNA obligation as described herein. In the future, the SACOG allocation of RHNA units to the City may differ from the amounts anticipated in determining RHNA requirements for the SunCreek Specific Plan area. There may be changes in market conditions and demand which result in amendments to policy and statute. In order to be more responsive to future conditions in the SunCreek Specific Plan area, the City and Developer may review the RHNA allocation as follows: (1) RHNA allocations and locations shall be reviewed with every eight-year Housing Element update cycle; and (2) Upon receipt by the City of a written request from the Developer for reconsideration of its RHNA allocation, the City will consider whether designated RHNA acres are still needed to accommodate the City's regional housing needs pursuant to Government Code section 65584. The City and Developer must agree on any modification of this AHP.

III. AFFORDABLE HOUSING PERFORMANCE REQUIREMENTS FOR DEVELOPER UNDER THIS AHP

In addition to meeting the RHNA obligations described above, Landowners are required to meet additional affordable housing performance requirements within the SunCreek Specific Plan area. This Section outlines Developer's specific requirements under this AHP.

Developer agrees to comply with the following affordable housing requirements for its Property:

A. RHNA REQUIREMENTS FOR DEVELOPER'S PROJECT: 11.8 ACRES

Developer is required to designate 11.8 acres of RD-40 designated land described as "High Density Residential – RHNA," within the Property as shown in **Exhibit 2**. Further, Developer acknowledges and accepts that development upon the 11.8 acre High Density Residential – RHNA site must be at a density of not less than 26 dwellings per acre unless the City, at its sole discretion, reduces this minimum density requirement.

B. SUNCREEK AFFORDABLE HOUSING LAND DEDICATION: (exclusively on-site):

Developer is not required to dedicate any of its Property to the City under this AHP. Landowners shall dedicate to City the three (3) sites shown in **Exhibit 2** for the construction of affordable housing projects. The requirement to dedicate the three (3) sites shall be agreed to by the Landowner(s) of the property to be dedicated under this Section at the time such Landowner(s) apply for any entitlement related to the sites with the City and through this AHP, provided that City acknowledges that Developer does not own any of such three (3) sites. Developer and Landowners have prepared a Finance Plan as part of the SunCreek Specific Plan to require Landowners not dedicating property to meet affordable housing obligations to pay a "Land Equalization Fee" in order to compensate dedicating Landowners for their share of the dedications.

In negotiating the land dedication, City was cognizant of its adopted Housing Policy that states: "The City may choose to approve Affordable Housing Plans that provide relief from current

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

housing market conditions.”

C. SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):

Developer shall pay an affordable housing in-lieu fee (“Affordable Housing In-Lieu Fee” or “In-Lieu Fee”) of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. Developer and Landowners have agreed to have non-dedicating Landowners, such as Developer, pay their fair share of the fair market value of the dedicated sites through a Land Equalization Fee as described in Section III(B) and in the SunCreek Specific Plan Finance Plan.

Beginning on January 1, 2014, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in January based upon the October to October index value increase found in the 20-City Building Cost Index (BCI) published in Engineering News-Record (ENR), averaged with the ENR’s index of the City of San Francisco for the twelve-month period ending October of the prior year. This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

In order to determine the requirements for the SunCreek Specific Plan, the City calculated the average cost associated with completing a housing project that would satisfy the housing allocation for the SunCreek Specific Plan. The City calculated this amount by analyzing comparable tax credit type developments. The funding needed after a tax credit award is referred to as the funding shortfall (“gap”). The value of the 6.7 acres of dedicated land, required from the SunCreek Specific Plan as specified in Exhibit 3, was then credited against the funding gap. The remaining gap amount was then calculated into an Affordable Housing In-Lieu Fee as described in this Section. Landowners are to fund a 50% share of the remaining funding gap and the City will fund the remaining 50% of the gap. The City will aggressively seek funds from available grant sources to satisfy the City’s 50% portion of the funding gap. It is anticipated that no General Fund monies will be used to pay the gap.

The In-Lieu Fee and land dedication required in the SunCreek Specific Plan reflect the challenging market climate and fiscal uncertainty of the immediate time. The level of these requirements provides for a certain amount of “relief from current market conditions.”

D. OPTION TO PURCHASE ADDITIONAL SITE:

Developer shall grant the City an option to purchase one (1) 2.5-acre high density site, zoned RD-40 within the SunCreek Specific Plan, as shown in Exhibit 2 of this AHP.

In order for the City to preserve the opportunity to expand affordable housing opportunities in the SunCreek Specific Plan area, the City shall have the option to purchase the additional site of 2.5 acres of undeveloped RD-40 property at market appraised value not to exceed \$250,000 per acre. The \$250,000 per acre cap shall be adjusted annually in January based upon the October to October index value increase found in the 20 City Building Cost Index, published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco between August and August of each year (non-inflated).

If not earlier exercised, this option shall expire one (1) year after the approval of the Housing Element update in 2021. Five (5) years from entering into an Affordable Housing Plan with Developer, which shall be subject to the option to purchase, Developer may request the City to

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

consider a modification of the term of the option to purchase.

If the City exercises its option on this additional parcel, the transfer of title to this parcel will occur as a result of a normal sale of property, with conditions of sale to be negotiated.

This option shall be entered into by the City and the Developer within 90 days of the City's approval of the SunCreek Specific Plan.

IV. AFFORDABLE HOUSING PERFORMANCE REQUIREMENTS FOR LANDOWNERS OF PROPERTY WITHIN THE SUNCREEK SPECIFIC PLAN AREA

The affordable housing requirements for the SunCreek Specific Plan area as a whole are attached hereto as **Exhibit 3** as a reference. **Exhibit 3** is for reference only and is not intended to place any additional requirements on Developer not required under the body of this AHP.

V. AFFORDABLE HOUSING NEEDS ADDRESSED BY THE SUNCREEK SPECIFIC PLAN

The affordable housing need that is addressed in this AHP includes three income categories: Lower-end Moderate Income; Low Income; and Very Low Income. A fourth category, Extremely Low Income, is currently being addressed directly by the City with its efforts to develop Mather Veterans' Village. Any discussion of affordable housing development strategies requires that there be a discussion of the housing type affordable to each income category. There are market conditions, the availability of specific resources and performance which guide consideration of a response to the needs of these three income groups. Two key conditions, which have directed the discussion of affordable housing performance within the SunCreek Specific Plan, are summarized as follows:

- *Extremely Low Income and Special Needs Considerations.* The City's response to Extremely Low Income need is considerable. The City's current efforts to develop up to 160 units and beds for disabled, homeless and near-homeless Veterans demonstrates the City's effective response to this need. This effort, together with the existing 300 person transitional living facility already located in the City; a recent successfully occupied large families rental project; and a current tax credit application for senior apartments, demonstrates the City's sufficient response to Extremely Low Income and Special Needs requirements. The City will not look for additional response from the SunCreek Specific Plan for these income categories.
- *Affordable For Sale Considerations.* The City of Rancho Cordova has a considerable stock of affordably priced, recently built, homes for sale. Although reduced in number, real estate owned properties (REOs) and short sales also offer affordable homeownership opportunities. The Landowners have also stated that there will be affordable new construction units as part of the expected inventory to be built within the SunCreek Specific Plan. The City will not look for additional affordable for sale commitments from the SunCreek Specific Plan.

Because of a combination of City initiatives and projected market response described above, the focus of this AHP for the SunCreek Specific Plan area is on responding to the housing needs of Low and Very Low Income households whose primary affordable housing option will be tax credit, rental type opportunities. The commitments to which the City and Landowners have agreed include the Landowners' dedication of three specific RD-40 sites, providing an option for the City to purchase a fourth site, commitment that development on HDR/RD-40 zoned land shall be

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

ITEM 10.5.

Exhibit A to the Resolution

constructed at a minimum density of 26 dwellings per acre, and the payment of In-Lieu Fees. These commitments take into consideration the market conditions described in this AHP and include an additional site if market conditions improve.

VI. SUMMARY OF PERFORMANCE EXPECTED FROM THE SUNCREEK SPECIFIC PLAN AREA

Exhibit 3 to this AHP outlines the anticipated minimum number of affordable units to be developed through the use of dedicated land and In-Lieu Fees provided by the Landowners of the SunCreek Specific Plan area.

VII. TERM, AMENDMENT AND TERMINATION

A. TERM. This AHP shall terminate once the Affordable Housing In-Lieu Fee has been paid by Developer for all market rate residential units within the Property and once all High Density Residential sites within the Property have been developed.

B. AMENDMENT BY MUTUAL CONSENT. This AHP may be amended in writing from time to time by mutual consent of the City and the Developer.

C. TERMINATION. This AHP may be canceled in whole or in part only by mutual consent of the City and the Developer or their successors in interest. Any fees paid pursuant to this AHP and spent by the City prior to the date of cancellation shall be retained by City.

VIII. BREACH

This AHP is a requirement of the City's Housing Element and therefore shall be considered a condition of approval for all Property entitlements. Any violation by Developer of the requirements under this AHP shall be considered a violation of the conditions of approval and shall permit the City to proceed with revocation or termination of any entitlement(s) for the Property.

IX. SEVERABILITY

If any part of this AHP is for any reason held to be unenforceable, the rest of the AHP remains fully enforceable. If, however, a provision of this AHP is determined to be invalid or unenforceable and the effect is to deprive either the City or the Developer an essential benefit of this AHP, then the party so deprived will have the option to terminate this entire Agreement upon written notice to the other party.

X. APPLICABLE LAW

California law applies to this AHP without regard for any choice-of-law rules that might direct the application of the laws of any other jurisdiction.

AHP FOR SUNCREEK SPECIFIC PLAN
DEVELOPER JOHN J.
YOUNG, TRUSTEE, ET.
AL

XI. ATTORNEYS' FEES AND COSTS IN LEGAL ACTIONS BY PARTIES TO THE AGREEMENT

Should any legal action be brought by either party for breach of this AHP or to enforce any provisions herein, the prevailing party in the action is entitled to reasonable attorneys' fees, court costs, and any other costs as may be fixed by the Court.

XII. AGREEMENT RUNS WITH THE LAND

Except as otherwise provided for in this AHP, all of the provisions, rights, terms, covenants, and obligations contained in this AHP are binding upon the parties and their respective heirs, successors and assignees, representatives, lessees, and all other persons acquiring the property this AHP applies to, or any portion thereof, or any interest therein, whether by operation of law or in any manner whatsoever. All of the provisions of this AHP are enforceable as equitable servitudes and constitute covenants running with the land pursuant to applicable laws, including, but not limited to, Section 1468 of the California Civil Code. Each covenant to do, or refrain from doing, some act on the property subject to this AHP, or with respect to any owned property: (1) is for the benefit of such properties and is a burden upon such properties; (2) runs with such properties; and (3) is binding upon each party and each successive owner during its ownership of such properties or any portion thereof, and shall be a benefit to and a burden upon each party and its property hereunder and each other person succeeding to an interest in such properties.

XIII. INDEMNIFICATION

Developer agrees to indemnify, defend with counsel selected by the City, and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives from any and all claims, costs (including legal fees and costs incurred by the City or awarded to plaintiffs) and liability for any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by Developer, or any actions or inactions of Developer's contractors, subcontractors, agents, or employees in connection with the construction, improvement, operation, or maintenance of the property or the Project. Developer has no indemnification obligation with respect to the negligence or willful misconduct of City, or its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives or with respect to the maintenance, use, or condition of any improvement after the time it has been dedicated to and accepted by City or another public entity (except as provided in an improvement agreement or maintenance bond). The provisions shall survive the termination of this Agreement.

XIV. COOPERATION AND INDEMNIFICATION OF CITY IN THE EVENT OF LEGAL CHALLENGE TO THIS AHP

In the event of any legal or equitable action or other proceeding instituted by any third party challenging the validity of any provisions of this AHP:

A. The City and Developer agree to cooperate in defending against the action or proceeding;

B. The Developer is solely responsible for its own costs and any costs incurred by the City for such defense;

ITEM 10.5.

Exhibit A to the Resolution

C. Developer will indemnify, defend with counsel selected by the City and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives from any and all claims, costs (including legal fees and costs incurred by the City or awarded to plaintiffs) and liability;

D. Neither Developer nor the City shall settle any action or proceeding on grounds that include non-monetary relief or admissions of liability without written consent of the other party. City agrees not to settle any action based upon monetary relief without the written consent of Developer, unless City is solely liable and agrees to pay such monetary relief.

E. The provisions of this Section shall survive the termination of this AHP.

XV. THIRD PARTY BENEFICIARIES

This AHP is made and entered into for the sole protection and benefit of Developer and City and their successors and assigns. No other person shall have any right of action based upon any provision in this AHP.

XVI. NOTICES

All notices and other communications required or permitted under this AHP must be in writing and must be delivered in person or sent by certified mail, postage prepaid, or sent by facsimile or electronic mail.

Notice required to be given to City shall be addressed as follows:

CITY OF RANCHO CORDOVA
Community Development Director
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Fax:

E-mail:

Notice required to be given to Developer shall be addressed as follows:

conveyance thereof, provided that (A) Developer has paid the City any and all fees or amounts due to the City arising out of this AHP, the processing of any entitlements for the project, or the development of the portion of the property to be assigned due and owing as of the date of such assignment, and (B) upon the receipt by the City Planning Director of the express written assignment by Developer and assumption by the assignee of such assignment in the form approved by the City. Upon the payment of such fees or amounts due (which shall be acknowledged on the assignment by the City Planning Director upon the request of Developer) and the City's receipt of the express written assignment by Developer, the assumption by the assignee of such assignment, and the conveyance of Developer's interest in the Property related thereto, Developer shall be released from further liability or obligation related to the portion of the property so conveyed and the assignee will be considered the "Developer," with all rights and obligations related thereto, with respect to such conveyed property.

XVIII. FORM OF AGREEMENT: RECORDATION: EXHIBITS

City will record this AHP and any subsequent amendment to this AHP, with the County Recorder within thirty (30) days of the effective date. City will also record any termination of any parts or provisions of this AHP. Any amendment or termination of this AHP that affects less than all of the Property must describe the portion of the property that is the subject of the amendment or termination. This AHP is executed in two (2) duplicate originals, each of which is deemed to be an original. This AHP consists of _____ pages and _____ exhibits, which constitute the entire understanding and agreement of the parties.

IN WITNESS WHEREOF, the City of Rancho Cordova, a municipal corporation, has authorized the execution of this AHP in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. ____-2022, adopted by the Council of the City on the 16th day of May 2022, and Developer has caused this AHP to be executed.

All that real property situated in the City of Rancho Cordova, County of Sacramento, State of California, described as follows:

The North 80.00 acres of the Northwest one-quarter of Section 21, Township 8 North, Range 7 East, Mount Diablo Meridian, in the County of Sacramento, State of California.

Excepting therefrom an undivided one-half interest in all oil, gas, and other hydrocarbons and minerals now or at any time hereafter situate, therein and thereunder located 100 feet or more below the surface of said property and the right to take away and dispose of same, but without entering said real property upon or above its surface, as reserved in Deed dated June 20, 1955, recorded July 6, 1955, in Book 2869 of Official Records, Page 494, executed by Natomas Company, a California Corporation, to Bargain Bill's Furniture Warehouses, Inc., a Corporation.

Also described as Parcel 1 on that certain Certificate of Compliance recorded January 28, 1993, in Book 930128, Page 638, Official Records.

Apn: 067-0100-023

Parcel 1:

The Northwest one-quarter of Section 21, Township 8 North, Range 7 East, Mount Diablo Meridian, in the County of Sacramento, State of California.

Excepting therefrom the North 80.00 acres of said Northwest one-quarter of Section 21.

Also excepting therefrom an undivided one-half interest in all oil, gas and other hydrocarbons and minerals now or at any time hereafter situate, therein and thereunder located 100 feet or more below surface of said property and the right to take away and dispose of the same, but without entering said real property upon or above its surface, as reserved in Deed dated June 20, 1955, recorded July 6, 1955, in Book 2669 of official Records, page 494, executed by Natomas Company, a California Corporation, to Bargain Bill's Furniture Warehouse, Inc., a Corporation, also known as Parcel 2 on that certain Certificate of Compliance recorded January 28, 1993, Book 930128, Page 638, Official Records.

Parcel 2:

Together with an easement for road and utility purposes over the North 30.00 feet of the Southwest one-quarter of said Section 21. this is a non exclusive easement.

Apn: 067-0100-024

ITEM 10.5.

EXHIBIT 1B

[illegible]

- RHNA & Dedicated Land
- All Acres Identified as ROR and identified in the exhibit are designated RHNA acres.
- Unless the developer/builders has received written authorization from the City, all RHNA acres shall be developed at densities no less than 26 DU/ gross acres for non-walkable units.
- These sites are to be dedicated per the Affordable Housing Plan (AHP). General locations and desired acreages are identified with hash marks on this exhibit.
- These sites may be optional. On or before December 31, 2020 the City has the option to purchase the 2.3 acre family site at the lower of approved value or \$10,000/DU at 26 DU/acre.

EXHIBIT 2

* RHNA & Dedicated Land

All Acres identified as HDR and identified in this exhibit are designated RHNA acres.

Unless the developer/builder has received written authorization from the City, all RHNA acres shall be developed at densities no less than 26 DU/gross acres for non-senior units.

** These sites are to be dedicated per the Affordable Housing Plan (AHP). General locations and desired acreages are identified with hash marks on this exhibit.

*** This site may be optional. On or before December 31, 2020 the City has the option to purchase this 2.5 acre family site at the lower of appraised value or \$10,000/DU at 26 DU/Acre.

EXHIBIT 3**AFFORDABLE HOUSING PERFORMANCE REQUIREMENTS FOR LANDOWNERS OF
PROPERTY WITHIN THE SUNCREEK SPECIFIC PLAN – FOR REFERENCE PURPOSES
ONLY****A. RHNA REQUIREMENTS FOR THE SUNCREEK SPECIFIC PLAN**

The SunCreek Specific Plan is required to designate 44.2 acres of RD-40 zoned land described as "High Density Residential – RHNA." The SunCreek Specific Plan shall designate the 44.2 acres of RD-40 as described in Exhibit 2 of this AHP and commit to development of these lands at a minimum density of 26 dwellings per acre.

**B. SUNCREEK AFFORDABLE HOUSING LAND DEDICATION: 6.7 acres
(exclusively on-site):**

1. ***Required Dedications.*** Landowners shall dedicate to the City the three (3) sites shown in Exhibit 2 for the construction of affordable housing projects. The requirement to dedicate the three (3) sites shall be agreed to by the Landowners of the property to be dedicated under this Section at the time such Landowners apply for any entitlement related to the sites with the City and through this AHP, provided that City acknowledges that Developer does not own any of such three (3) sites. Developer and Landowners have prepared a Finance Plan as part of the SunCreek Specific Plan to require Landowners not dedicating property to meet affordable housing obligations to pay a "Land Equalization Fee" in order to compensate dedicating Landowners for their share of the dedications. The following guidelines and obligations shall apply to the properties to be dedicated, and are more fully described on Exhibit 2:

One (1) site 1.7 acres net buildable
(It is anticipated that this site will be used for senior occupancy)

Two (2) sites 5.0 acres (two 2.5 acre sites) net buildable
(It is anticipated that these sites will be used for family occupancy)

- Parcels shall be rough graded with all utilities in contiguous streets.
- Parcels shall be dedicated to the City (which may be in the form of an irrevocable offer to dedicate by a time certain, acceptable to the City), or an entity designated by the City, with or prior to the recordation of a large lot map or, in the case where there is no large lot map, prior to the recordation of the first map representing the first entitlement issued to the Landowner dedicating the parcel in question.
- Parcels shall be free and clear of all exceptions to title, including financing and special assessments of any kind, unless placed on the parcels by the City or agreed to by the City.
- City commits to inviting adjoining developers to review all plans associated with the development of the affordable housing parcels.
- Landowners will be required to cooperate in the timely development of the subject affordable housing parcel, including, but not limited to, the sharing of information related to development, identification of development obstacles, etc.

2. Timing of Dedications. The three (3) sites being dedicated under this Section are within Center Districts of the SunCreek Specific Plan. Development within Center Districts requires special administrative procedures and more analysis than tradition zoning districts during the entitlement review process. Conveyance of the three (3) parcels under this Section (as described in Exhibit 2) shall be done in a three-step process intended to mirror, as closely as possible, the parks land dedication process under City Development Agreements.

Step 1: Integrated Plan and Tentative Map Approval

- Pursuant to the SunCreek Specific Plan, development in any Center District requires an integrated plan for the entire district that is consistent with the City's Municipal Code. Landowners required to dedicate sites under this Section shall be required to identify the sites in the integrated plan for the Center District.

At the time of approval for any land division or Tentative Map dividing the land within any Overlay District that contains a housing site to be dedicated to the City, and before any development occurs within such Overlay Districts, the land area and parcels described in Exhibit 2 shall be depicted and an Irrevocable Offer of Dedication for such properties shall be made to the City.

Step 2: Improvement Plans

- Developer shall prepare an Infrastructure Phasing Plan for the Affordable Housing site for review and approval by the City with the first Tentative Map within the Project. The Phasing Plan shall clearly identify all improvements to be completed prior to dedication of the land and the timing for dedication of the land to the City.

Step 3: Final Map Approval

- Title to the parcels being dedicated under this Section, free from all encumbrances not agreed to in writing by the City, shall be transferred to the City or its designee within 180 days from recordation of the first final map for a Project that contains a housing site to be dedicated to the City (or such later date as the City may approve). At that time, the Landowner shall transfer parcels improved as described in this Section.

In negotiating the land dedication, City was cognizant of its adopted Housing Policy that states: "The City may choose to approve Affordable Housing Plans that provide relief from current housing market conditions."

C. SUNCREEK AFFORDABLE HOUSING IN-LIEU FEE: \$1,460 (per market rate unit):

Landowners shall pay an affordable housing in-lieu fee ("Affordable Housing In-Lieu Fee" or "In-Lieu Fee") of \$1,460 per market rate unit. This amount incorporates a reduction of the In-Lieu Fee to reflect a credit for land dedication of \$315 per market rate unit, reducing the In-Lieu Fee from \$1,775 to \$1,460 per market rate unit. The credit for land dedicated under Section B above was calculated using a value of \$7,500 per affordable housing unit.

Beginning on March 1, 2014, the Affordable Housing In-Lieu Fee required under this AHP shall be adjusted annually in March based upon the December to December index value increase found in the 20 City Building Cost Index published in Engineering News Record (ENR), averaged with the ENR's index of the City of San Francisco between December and December of each year. This In-Lieu Fee shall be paid to the City no later than prior to issuance of the building permit for each market rate residential unit.

D. OPTION TO PURCHASE ADDITIONAL SITE:

In addition to the individual obligations established for each property ownership with separate Affordable Housing Plans, Callahan Sun Creek, LLC shall grant the City an option to purchase one additional 2.5-acre high density site, zoned RD-40 within the SunCreek Specific Plan, as shown in Exhibit 2 of this AHP.

In order for the City to preserve the opportunity to expand affordable housing opportunities in the SunCreek Specific Plan area, the City shall have the option to purchase the additional site of 2.5 acres of undeveloped RD-40 property at market appraised value; provided, however, that regardless of the appraisal, in no event shall the amount the City pays the developer exceed \$250,000 per acre. The \$250,000 per acre cap shall be adjusted annually in January based upon the October to October index value increase found in the 20 City Building Cost Index, published in Engineering News Record (ENR), averaged with the ENR's index of the City of San Francisco between August and August of each year (non-inflated).

If not earlier exercised, this option shall expire (1) year after the approval of the Housing Element update in 2021. Five years from entering into an Affordable Housing Plan with Callahan Sun Creek, LLC, which shall be subject to the option to purchase, Callahan Sun Creek, LLC may request the City to consider a modification of the term of the option to purchase.

If the City exercises its option on this additional parcel, the transfer of title to this parcel will occur as a result of a normal sale of property, with conditions of sale to be negotiated.

The requirement to provide the City with this purchase option shall be agreed to by Callahan Sun Creek, LLP as landowner of the property designated as the additional site in Exhibit 2 of this AHP. This option shall be entered into by the City and the Callahan Sun Creek, LLP within 90 days of the City's approval of the SunCreek Specific Plan.

SUMMARY OF PERFORMANCE EXPECTED FROM THE SUNCREEK SPECIFIC PLAN AREA

It is anticipated that the minimum number of affordable units to be developed through the use of dedicated land and In-Lieu Fees will include 75 senior rental units affordable to Low and Very Low Income households. It is also anticipated that a minimum of 130 rental units, affordable to Low and Very Low Income families, will also be developed. At build-out, the SunCreek Specific Plan is expected to contain the following minimum number of dwelling units affordable to the following household incomes:

- Very Low Income: credit for 94 units at Mather Veterans Village
- Low Income: 280 units (estimate)
- Moderate Income (low end) \$200,000 – 220,000): 70 units (estimate)
- Above Moderate Income (>\$220,000): 4409 units (estimate)

PLANNER:	Nicholas Sosa, Associate Planner

RECOMMENDATION

The proposed project has been continued to an uncertain date. The project will be re-noticed in accordance with Government Code Section 65090.

MEMORANDUM

ITEM 11.1.

DATE: May 16, 2022
TO: Honorable Mayor and Council Members
FROM: Arlene Granadosin-Jones, Senior Planner
SUBJECT: **FLAVORED TOBACCO ORDINANCE- FIRST READING**

RECOMMENDATION

Waive the first reading and introduce the Ordinance

RESULT OF RECOMMENDED ACTION

Adoption of the Ordinance would amend Title 4, Business Regulation, Chapter 4.07, Tobacco Retailer License prohibiting the sale of flavored tobacco city-wide. The ordinance would also repeal Title 6 Health and Sanitation, Chapter 6.86, Distribution of Tobacco Products to Minors. And revise Chapter 6.84.020, Regulation of Smoking, Definitions, and Title 23, Zoning Code, Chapter 23.919.100, Smokers' Lounge, Hookah Bar, E-Cigarette Lounge and Vapor Lounge/Bar to be consistent with State and federal law. The ordinance would come back for a second reading and adoption at the next regular City Council meeting.

BACKGROUND

Staff presented proposed amendments to the Municipal Code on April 18, 2022. After receiving comments and recommendations from community organizations on potential changes to the ordinance, City Council continued the first reading to the next regularly scheduled City Council meeting. City staff included additional amendments to specific chapters of the Municipal Code to address community concerns.

ANALYSIS

City and State laws currently regulate the sale and use of tobacco products in Ranch Cordova. The State of California prohibits the sale of tobacco products to anyone under the age of 21, requires that retailers check photo identification or purchasers, and requires that tobacco products be stored behind counters or in lockboxes. In addition to these State regulations, Title 4, Chapter 4.07 and Title 6, Chapter 6.86 of the Rancho Cordova Municipal Code regulates the sale of tobacco products.

City staff has reviewed the City's existing regulations and is proposing the following amendments to accomplish the goal of more strictly regulating flavored tobacco products in Rancho Cordova. The proposed amendments to Title 4, Chapter 4.07, have been organized into the following categories: definitions, exemptions, and fines and violations. In addition, Title

6, Chapter 6.86 of the Rancho Cordova Municipal Code will be deleted because provisions contained in this section are already included in Title 4, Chapter 4.07. Amendments are also proposed for Chapter 6.84.020 to update relevant definitions and Chapter 23.919.100 to ensure consistency with State and federal law regarding the minimum age for sale of tobacco products.

Definitions

The following definitions are added to Title 4, Chapter 4.07.030 of the Rancho Cordova Municipal Code. City staff has included revised definitions for “e-cigarette” or “electronic cigarette” or “electronic smoking device” and “tobacco product” to be consistent with updated definitions that consider newer tobacco product types in response to community input.

- *“Characterizing flavor” means a taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product or any byproduct produced by the tobacco product, including, but not limited to, tastes or aromas relating to menthol, mint, wintergreen, fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcohol beverage, herb, or spice.*
- *“E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.*
- *“Flavored tobacco product” means any tobacco product that imparts a characterizing flavor.*
- *“Tobacco product” means:*
 - 1) *Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;*
 - 2) *Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or*
 - 3) *Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.**“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.*
- *“Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended*

for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. "Smoking" includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

The following definitions are revised:

- *"Tobacco paraphernalia" means, any item designed or marketed for the consumption, use, or preparation of a tobacco product.*

Staff also determined that additional amendments are required to definitions contained in Chapter 6.84.020 of the Rancho Cordova Municipal Code to be consistent with proposed revised definitions for "e-cigarette or electronic cigarette or electronic smoking device", "tobacco product", and "smoking."

Exemption

Chapter 4.07.100 is revised to add the following exemption. This language has been expanded from the previously proposed version and moved to another section to indicate that the exemption only applies to any existing establishment that has been formally permitted to allow the on-site smoking of tobacco products and would only be allowed to sell shisha tobacco products for on-site consumption.

2. This Chapter shall not apply to any existing establishment that (i) has been formally permitted to allow the on-site smoking of tobacco products under Section 23.919.100 of the Rancho Cordova Municipal Code and that (ii) sells only shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) for onsite consumption. The hookah tobacco retailer has a valid license to sell tobacco products issued pursuant to Chapter 2 (commencing with Section 22971.7) of Division 8.6 of the Business and Professions Code. Retail sales of flavored tobacco products other than shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) by such smoking lounges are prohibited. No flavored shisha tobacco products purchased at such smoking lounges may be removed from the premises. As required in Section 23.919.100 of the Rancho Cordova Municipal Code, all consumption or use of flavored shisha tobacco products at such smoking lounges shall occur indoors. The hookah tobacco retailer shall operate in accordance with all relevant state and local laws relating to the sale of tobacco products.

Fines and Violations

As directed by City Council, Chapter 4.07.100 is revised adding language which prohibits the sale, offer for sale, or distribution of flavored tobacco products 90 days after the effective date of the adopted ordinance.

Section 4.07.110 is also revised to include a \$1,000 administrative fine for each violation of these regulations. This section has been further revised to indicate that the administrative fine would be charged to the tobacco retailer or licensee.

A. Any tobacco retailer or licensee violating the provisions of this Chapter shall be guilty of a misdemeanor, and in addition to any other remedy, shall be liable for an administrative fine of one thousand dollars (\$1,000) per violation. Each day a violation exists shall constitute a

new and separate violation.

ENVIRONMENTAL

Under Title 14 of the California Code of Regulations, Section 15061(b)(3), this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) in that it is not a project which has the potential to cause a significant effect on the environment.

FISCAL IMPACT AND FUNDING SOURCE

There is no Fiscal Impact.

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AMENDING TITLE 4 (BUSINESS REGULATIONS), CHAPTER 4.07 (TOBACCO RETAILER LICENSE) WHICH WOULD REPEAL AND REPLACE TITLE 6 (HEALTH AND SANITATION), CHAPTER 6.86 (DISTRIBUTION OF TOBACCO PRODUCTS TO MINORS), AND AMENDING CHAPTER 6.84.020 (REGULATION OF SMOKING, DEFINITIONS) AND TITLE 23 (ZONING CODE), CHAPTER 23.919.100 (SMOKERS' LOUNGE, HOOKAH BAR, E-CIGARETTE LOUNGE, AND VAPOR LOUNGE/BAR).

Section 1. Purpose and Declarations.

WHEREAS, Rancho Cordova Municipal Code (RCMC) Title 4, Chapter 4.07 regulates the sale of tobacco in the City of Rancho Cordova; and

WHEREAS, RCMC Title 6, Chapter 6.86 regulates the distribution of tobacco products to minors in the City of Rancho Cordova; and

WHEREAS, RCMC Title 6, Chapter 6.84 regulates smoking in public places and places of employment; and

WHEREAS, RCMC Title 23, Chapter 23.919.100 regulates smokers' lounges, hookah bars, e-cigarette lounges, and vapor lounges/bars; and

WHEREAS, recent studies have estimated 4.31 million middle and high school students in the U.S. used flavored tobacco within a given 30-day period, which included flavored e-cigarettes, menthol cigarettes, flavored cigars and hookah, and flavored pipe tobacco; and

WHEREAS, the City Council sees a benefit and a need to prohibit the sale, offer of sale, and distribution of flavored tobacco products as mentholated and flavored products have been shown to be "starter" products for youth who begin using tobacco and these products help establish tobacco habits that can lead to long-term-addiction; and

WHEREAS, this ordinance amends Title 4- Chapter 4.07, Title 6- Chapter 6.84.020, Title 6- Chapter 6.86, and Title 23- Chapter 23.919.100 to prohibit the sale, offer of sale, and distribution of flavored tobacco products; and

WHEREAS, on May 16, 2022 the City Council held a properly noticed public hearing for this Ordinance and considered all oral and written testimony.

Section 2: Findings. The City Council hereby finds:

A. CEQA Compliance. CEQA requires analysis of agency approvals of discretionary "projects." A "project," under CEQA, is defined as "the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment." (CEQA Guidelines, § 15378.) As reflected in State CEQA Guideline 15061 (b) (3), an activity is not subject to CEQA, "[where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment..." The proposed amendments are not a "project" within the meaning of CEQA because the amendments seek to add language to the Municipal Code related to the regulation

of flavored tobacco products. The amended language would prohibit the sale, offer of sale, and distribution of flavored tobacco products, including definitions, exemptions, and fines and violations. Thus, the proposed ordinance is not subject to the requirements of CEQA. However, in the event that adoption of the ordinance is considered a CEQA project, it would nonetheless qualify for categorical exemptions as set forth below.

CEQA Guidelines Section 15061(b)(3) states that a project is exempt from CEQA “where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” The approval of the code amendments set forth in the proposed ordinance does not approve any physical development and it would not result in a direct or indirect physical changes in the environment. The amended language would prohibit the sale, offer of sale, and distribution of flavored tobacco products, including definitions, exemptions, and fines and violations. For these reasons, the proposed amendments would not have the potential to result in individually or cumulatively significant effects on the environment and these Municipal Code amendments are exempt from review under CEQA and no further environmental review is necessary.

B. The proposed amendments comply with applicable state law and local ordinances.

California Business and Professions Code Section 22971.3 reserves to cities the ability to enact local tobacco control laws, except for laws related to the collection of state taxes. Section 22971.3 also authorizes cities to implement local tobacco licensing laws. Revisions to the Municipal Code implement and are consistent with both local and state regulations.

Section 3. Amendments to Title 4 Business Regulations, Title 6 Health and Sanitation, and Title 23 Zoning Code

The City Council hereby adopts the amendments to Title 4 Business Regulations, Chapter 4.07 Tobacco Retailer License, and Title 6 Health and Sanitation, Chapter 6.86 Distribution of Tobacco Products to Minors, and Title 6.84.020 Regulation of Smoking, Definitions, and Title 23 Zoning Code, Chapter 23.919.100 Smokers’ Lounge, Hookah Bar, E-Cigarette Lounge, and Vapor Lounge/Bar of the Rancho Cordova Municipal Code, as shown and incorporated in Exhibit A to this ordinance.

Section 4. Severability

If any provision of this Ordinance or the application thereof to any person or circumstance, is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid or unenforceable.

Section 5. Effective Date

Within fifteen (15) days after adoption, a Summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in

ITEM 11.1.

ATTACHMENT 1

accordance with Government Code Section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its inception.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May 2022 by the following vote:

AYES:

- 4.07.010 Legislative findings.

The city council of the city of Rancho Cordova finds and determines that:

A. The United States Surgeon General has declared nicotine, a key ingredient of cigarettes and tobacco products, as addictive as cocaine or heroin; yet no other addictive product or drug is as accessible to minors or as heavily advertised and promoted to minors as tobacco products. Once addicted, minors necessarily have great difficulty in complying with laws regulating access by minors to tobacco.

B. Since 1971, federal law has banned the advertising of tobacco products on radio and television, in part because of substantial evidence showing that the most persuasive advertising was being conducted on radio and television, and these broadcasts were particularly effective in reaching a large audience of young people.

C. Studies show an association between tobacco use and use of alcohol and illicit drugs. The National Institute on Drug Abuse found that teenagers who smoke are 14 times more likely to abuse alcohol, 100 times more likely to smoke marijuana and 32 times more likely to use cocaine than their nonsmoking peers.

D. Eighty-eight percent of adults who have ever smoked tried their first cigarette by the age of 18, and the average age at which smokers try their first cigarette is 14.5.

E. Although the tobacco industry insists the sole purpose of advertising is to convince current smokers to switch brands, it spends over \$5,000,000,000 a year in advertising and promotion costs to aggressively recruit new smokers. To replace smokers who quit or die prematurely (some 3,000 smokers a day) the tobacco industry must attract approximately 2,000,000 new smokers each year. Most new smokers are children and

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 2/18

adolescents. The tobacco industry sells \$1,260,000,000 in tobacco products (over 947,000,000 packs of cigarettes and 26,000,000 containers of smokeless tobacco) each year to children under 18. Thus, the tobacco industry earns \$1,500,000,000 annually from the illegal sale of tobacco to children.

F. Based upon the foregoing facts and findings, the city has a substantial interest in promoting compliance with state laws prohibiting sales of cigarettes and tobacco products to minors, in promoting compliance with federal, state and local laws intended to discourage the purchase of tobacco products by minors, and in protecting children from being lured into illegal activity through the misconduct or illegal acts of adults.

G. State law prohibits the sale or furnishing of cigarettes, tobacco products and smoking paraphernalia to persons under 21 years of age except active duty military personnel who are 18 years of age or older (Section 308 of the Penal Code).

H. State law requires that tobacco retailers check the identification of tobacco purchasers who reasonably appear to be under 21 years of age (Section 22956 of the California Business and Professions Code) and provides procedures for using persons under 21 years of age to conduct on-site compliance checks of tobacco retailers (Section 22952 of the California Business and Professions Code).

I. State law requires that tobacco retailers post a conspicuous notice at each point of sale stating that selling tobacco products to anyone under 21 years of age is illegal (Section 22952 of the California Business and Professions Code and Section 308 of the California Penal Code).

J. State law prohibits the sale or display of cigarettes through a self-service display and prohibits public access to cigarettes without the assistance of a clerk (Section 22962 of the California Business and Professions Code).

K. State law prohibits the sale of “bidis” (a type of hand-rolled filterless cigarette) except at those businesses that prohibit the presence of minors (Section 308.1 of the California Penal Code).

L. State law prohibits the manufacture, distribution, or sale of cigarettes in packages of less than 20 and prohibits the manufacture, distribution, or sale of “roll-your-own” tobacco in packages containing less than six-tenths of an ounce of tobacco (Section 308.3 of the California Penal Code).

M. State law prohibits public school students from smoking or using tobacco products while on campus, while attending school-sponsored activities, or while under the supervision or control of school district employees (Section 48901(a) of the California Education Code).

N. RCMC 4.61.040 prohibits the sale or distribution of tobacco products from vending machines.

O. From 2013 to 2015, an estimated 15% of ninth and eleventh grade students in California reported using electronic smoking devices.

P. Over 9% of high school students in California reported buying their own electronic cigarette from a store.

Q. In 2016, an estimated 82% of tobacco retailers in California sold flavored non-cigarette tobacco products, over 90% of tobacco retailers sold menthol cigarette, and 80% of tobacco retailers near schools sold flavored non-cigarette tobacco products.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 3/18

R. Mentholated and flavored products have been shown to be “starter” products for youth who begin using tobacco and these products help establish tobacco habits that can lead to long-term-addiction.

S. Flavored tobacco has significant public health implications for youth and people of color as a result of targeted industry marketing strategies and product manipulation.

T. Neither federal nor California state laws restrict the sale of menthol cigarettes or flavored non-cigarette tobacco products, electronic smoking devices, or the solutions used in these devices.

U. Despite these restrictions, minors continue to be exposed to and influenced by tobacco advertising, and to purchase or steal or otherwise obtain cigarettes and other tobacco products at alarming rates. Studies show that nearly one-quarter of all teenagers in this country are smokers.

V. California courts, in *Cohen vs. Board of Supervisors*, 40 Cal. 3d 277 (1985), and *Bravo Vending vs. City of Rancho Mirage*, 16 Cal. App. 4th 383 (1993), have affirmed the power of local jurisdictions to regulate business activity in order to discourage violations of law.

W. State law authorizes local tobacco retailer licensing laws to provide for the suspension or revocation of the local tobacco retailer license for any violation of a state tobacco control law (Section 22971.3 of the Business and Professions Code).

X. A requirement for a tobacco retailer license will not unduly burden legitimate business activities of retailers who sell or distribute cigarettes or other tobacco products to adults. It will, however, allow the city to regulate the operation of lawful businesses to discourage violations of federal, state, and local tobacco laws. [Ord. 3-2005 § 2].

4.07.020 Purpose.

A. The purpose of this chapter is to encourage responsible tobacco retailing and to discourage violations of tobacco-related laws, especially those that prohibit or discourage the sale or distribution of tobacco products to minors, but not to expand or reduce the degree to which the acts regulated by federal or state law are criminally proscribed or to alter the penalty provided for violations. [Ord. 3-2005 § 2].

4.07.030 Definitions.

As used in this chapter, the following words and phrases shall have the meanings given them in this section, unless the context clearly requires otherwise:

“Characterizing flavor” means a taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product or any byproduct produced by the tobacco product, including, but not limited to, tastes or aromas relating to menthol, mint, wintergreen, fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcohol beverage, herb, or spice.

“City” means the city of Rancho Cordova.

“City manager” means the city manager of the city of Rancho Cordova or his or her designee.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 4/18

“E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

“Flavored tobacco product” means any tobacco product that imparts a characterizing flavor.

“Itinerant tobacco retailing” means engaging in tobacco retailing at other than a fixed location.

“License” means a tobacco retailer license issued by the city pursuant to this chapter.

“Licensee” means any proprietor holding a license issued by the city pursuant to this chapter.

“Person” means any individual, firm, partnership, joint venture, limited liability company, association, social club, fraternal organization, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

“Proprietor” means a person with an ownership or managerial interest in a business. An ownership interest shall be deemed to exist when a person has a 10 percent or greater interest in the stock, assets, or income of a business other than the sole interest of security for debt. A managerial interest shall be deemed to exist when a person has, or can have, sole or shared control over the day-to-day operations of a business.

“Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

“Tobacco paraphernalia” means any item designed or marketed for the smoking consumption, use, or preparation of a tobacco product.

“Tobacco product” means:

- 1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;
- 2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or
- 3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 5/18

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

“Tobacco retailer” means any person who sells, offers for sale, exchanges, or offers to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange.

“Tobacco retailing” means selling, offering for sale, exchanging, or offering to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange. [Ord. 13-2014 §§ 4 – 6; Ord. 3-2005 § 2].

4.07.040 Requirement for tobacco retailer license.

A. It shall be unlawful for any person to act as a tobacco retailer without first obtaining a license for each location at which tobacco retailing is to occur. No license will be issued to authorize tobacco retailing at other than a fixed location. No license will be issued for itinerant tobacco retailing or tobacco retailing from vehicles.

B. Nothing in this chapter shall be construed to grant any person obtaining a license any status or right other than the right to act as a tobacco retailer at the location in the city identified on the face of the license, subject to compliance with all other applicable laws, regulations, and ordinances. Nothing in this chapter shall be construed to render inapplicable, supersede, or apply in lieu of any other provision of applicable law, including, without limitation, any condition or limitation on indoor smoking made applicable to business establishments by Section 6404.5 of the Labor Code. [Ord. 3-2005 § 2].

4.07.050 Application procedure.

All applications for a license shall be submitted to the city manager in the name of each proprietor proposing to conduct tobacco retailing and shall be signed by each proprietor or an authorized agent thereof. A proprietor proposing to conduct tobacco retailing at more than one location shall submit a separate application for each location. Every application shall be submitted on a form supplied by the city manager and shall contain the following information:

A. The name, address, and telephone number of each proprietor; and

B. The business name, address, and telephone number of the fixed location for which a license is sought; and

C. Whether or not any proprietor has previously been issued a license pursuant to this chapter that is, or was at any time, suspended or revoked and, if so, the dates of the suspension period or the date of revocation; and

D. Such other information as the city manager deems necessary for the administration or enforcement of this chapter. [Ord. 3-2005 § 2].

4.07.060 Issuance and renewal of license.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 6/18

A. Upon the receipt of an application for a license and the applicable license fee, the city manager shall issue a license unless:

1. The application is incomplete or inaccurate;
2. The application seeks authorization for tobacco retailing at an address that appears on a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings for violation of any of the provisions of this chapter; provided, however, this subsection shall not constitute a basis for denial of a license if either or both of the following apply:
 - a. The applicant provides the city with documentation demonstrating that the applicant has acquired or is acquiring the premises or business in an arm's length transaction. For the purposes of this subsection, an "arm's length transaction" is defined as a sale in good faith and for valuable consideration that reflects the fair market value in the open market between two informed and willing parties, neither under any compulsion to participate in the transaction. A sale between relatives, related companies or partners, or a sale for the primary purpose of avoiding the effect of the violations of this chapter that occurred at the location, is presumed not to be an "arm's length transaction";
 - b. It has been more than five years since the most recent license for that location was revoked;
3. The application seeks authorization for tobacco retailing that is unlawful pursuant to this code, or that is unlawful pursuant to any other local, state, or federal law;
4. The city manager has information that the applicant or his or her agents or employees has violated any local, state or federal tobacco control law at the location for which the license or renewal of the license is sought within the preceding 30-day period;
5. There are grounds for denial pursuant to Chapter 4.06 RCMC; or
6. No general business license has been granted for the enterprise pursuant to Chapter 4.06 RCMC.

B. A license shall be valid for one year and an application for renewal must be filed not later than 30 days prior to the expiration of the license, but no earlier than 60 days prior to the expiration of the license. Unless revoked on an earlier date, all licenses shall expire one year after the date of issuance. A license may be renewed for additional periods of one year by submitting an application to the tax and license collector and payment of the applicable license fee; provided, however, a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings shall not be renewed. The application and license fee shall be submitted at least 30 days, but not more than 60 days, prior to the expiration of the current valid license. The applicant shall follow all of the procedures and provide all of the information required by RCMC 4.07.050, and the tax and license collector shall process the application according to the provisions of this section. Provided that an application is made within the time period required by this subsection, a licensee may continue the sale of tobacco products pending a determination of the tax and license collector to renew or disapprove the license.

C. Where the city manager does not approve a license or renewal of a license, the procedures for denial, including appeals therefrom, of RCMC 4.07.120 shall apply. [Ord. 3-2005 § 2].

4.07.070 Display of license.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 7/18

Each license shall be prominently displayed in a publicly visible location at the licensed premises. [Ord. 3-2005 § 2].

4.07.080 License fee.

The fee for issuance or renewal of a license shall be established by the city manager and shall be in addition to the city's business operation tax and any other license or permit fee imposed by this code upon the applicant. The license fee shall be paid to the city at the time the license application is submitted. The amount of the fee shall be determined on the basis of the costs incurred in the enforcement of tobacco retailing laws together with the costs, including the costs of counsel, incurred in the administration of this chapter. [Ord. 6-2010 § 5; Ord. 3-2005 § 2].

4.07.090 License nontransferable.

A license is nontransferable. If a licensee changes business location, that licensee must obtain a new license prior to acting as a tobacco retailer at the new location. If a business licensed to conduct tobacco retailing is sold, the new owner must obtain a license for that location before acting as a tobacco retailer. [Ord. 3-2005 § 2].

4.07.100 License violation.

A. It shall be a violation of a license for a licensee or his or her agents or employees to violate any local, state, or federal tobacco-related law. [Ord. 3-2005 § 2].

B. It shall be a violation of a license for a licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any flavored tobacco product. There is a rebuttable presumption that a tobacco product is a flavored tobacco product, if a tobacco manufacturer or its agents or employees has made a public statement or claim that the tobacco product has or produces a characterizing flavor, including, but not limited to, text, color, or images on the product's labeling or packaging that are used to expressly or impliedly communicate that a tobacco product has a characterizing flavor.

1. After ninety (90) calendar days from the effective date of this Chapter, it shall be a violation of this Chapter for a tobacco licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any prohibited product.

2. This Chapter shall not apply to any existing establishment that (i) has been formally permitted to allow the on-site smoking of tobacco products under Section 23.919.100 of the Rancho Cordova Municipal Code and that (ii) sells only shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) for onsite consumption. The hookah tobacco retailer has a valid license to sell tobacco products issued pursuant to Chapter 2 (commencing with Section 22971.7) of Division 8.6 of the Business and Professions Code. Retail sales of flavored tobacco products other than shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) by such smoking lounges are prohibited. No flavored shisha tobacco products purchased at such smoking lounges may be removed from the premises. As required in Section 23.919.100 of the Rancho Cordova Municipal Code, all consumption or use of flavored shisha tobacco products at such smoking lounges shall occur indoors. The hookah tobacco retailer shall operate in accordance with all relevant state and local laws relating to the sale of tobacco products.

4.07.110 Administrative fine.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 8/18

A. Any tobacco retailer or licensee violating the provisions of this Chapter shall be guilty of a misdemeanor, and in addition to any other remedy, shall be liable for an administrative fine of one thousand dollars (\$1,000) per violation. Each day a violation exists shall constitute a new and separate violation.

B. Any violation of this Chapter may be remedied by a civil action brought by the City Attorney. The city may recover reasonable attorney's fees and costs of any civil action brought by the City Attorney to remedy any violation of this Chapter.

C. Additional Amounts. Administrative costs, interest, late payment charges, costs of compliance re inspections, and collection costs are in addition to the fine as set forth in Subsection (A).

D. A notice of violation and of intent to impose a fine shall be personally served on, or sent by certified mail to, the person or persons subject to the fine. The notice shall state the basis of the city's determinations and include an advisement of the right to request a hearing to contest the fine. Any request for a hearing must be in writing and must be received by the city within 10 calendar days of personal service of the notice on the person or persons subject to a fine or within 15 calendar days if the person or persons subject to a fine are served by mail.

E. If no request for a hearing is timely received, the city's determination on the violation and the imposition of a fine and any additional amounts pursuant to subsection (C) of this section shall be final and payment shall be made within 30 calendar days of written demand made in the manner specified above for a notice of violation. If the fine is not paid within that time, the fine may be collected, along with any additional amounts pursuant to subsection (C) of this section, in any manner provided by law. In the event that a judicial action is necessary to compel payment, the person or persons subject to the fine and any additional amount shall also be liable for the costs of the suit and attorneys' fees incurred by the city in collecting the fine.

F. If a hearing is requested pursuant to subsection (D) of this section, the city shall provide written notice, within 45 calendar days of its receipt of the hearing request, to the person or persons subject to a fine and any additional amount, of the date, time, and place of the hearing in the manner specified above for a notice of violation.

G. The hearing shall be conducted in accordance with the procedures set forth in RCMC 4.07.140 through 4.07.160.

H. If no timely notice of appeal to the superior court is filed, or the city is not timely served with a copy of a notice of appeal, the hearing officer's decision and findings shall be deemed confirmed and the fine and any additional amounts imposed pursuant to subsection (C) of this section shall be collected pursuant to subsection (E) of this section. [Ord. 6-2010 § 6; Ord. 3-2005 § 2].

4.07.120 Suspension or revocation of license.

A. In addition to any other remedy authorized by law, a license shall be suspended or revoked as provided in this section if the city manager finds that the licensee or his or her agents or employees has or have violated any of the provisions of this chapter; provided, however, violations by a licensee at one location may not be accumulated against other locations of that same licensee, nor may violations accumulated against a prior licensee at a licensed location be accumulated against a new licensee at the same licensed location.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 9/18

1. Upon a finding by the city manager of a first license violation within any five-year period, the license shall be suspended for 30 days.

2. Upon a finding by the city manager of a second license violation within any five-year period, the license shall be suspended for 90 days.

3. Upon a finding by the city manager of a third license violation within any five-year period, the license shall be suspended for one year.

4. Upon a finding by the city manager of a fourth license violation within any five-year period, the license shall be revoked.

B. Notwithstanding RCMC 4.07.110(A), a license shall be revoked if the city manager finds that either one or both of the following conditions exist:

1. One or more of the bases for denial of a license under RCMC 4.07.060(A) existed at the time application was made or at any time before the license was issued.

2. The information contained in the license application, including supplemental information, if any, is found to be false in any material respect.

C. In the event the city manager suspends or revokes a license, written notice of the suspension or revocation shall be served upon the licensee within five days of the suspension or revocation. The notice shall contain:

1. A brief statement of the specific grounds for such suspension or revocation;

2. A statement that the licensee may appeal the suspension or revocation by submitting an appeal, in writing, in accordance with the provisions of RCMC 4.07.130, to the city manager, within 10 calendar days of the date of service of the notice; and

3. A statement that the failure to appeal the notice of suspension or revocation will constitute a waiver of all right to an administrative appeal hearing, and the suspension or revocation will be final.

D. A licensee for whom a license suspension is in effect must remove all tobacco products and tobacco paraphernalia from public view at the address that appears on the suspended license. [Ord. 3-2005 § 2].

4.07.130 Denial, suspension and revocation – Appeals.

A. Any applicant or licensee aggrieved by the decision of the city manager in denying, suspending, or revoking a license may appeal the decision by submitting a written appeal to the city manager within 10 calendar days from the date of service of the notice of denial, suspension, or revocation. The written appeal shall contain:

1. A brief statement in ordinary and concise language of the specific action protested, together with any material facts claimed to support the contentions of the appellant;

2. A brief statement in ordinary and concise language of the relief sought, and the reasons why it is claimed the protested action should be reversed or otherwise set aside;

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 10/18

3. The signatures of all parties named as appellants and their official mailing addresses; and
 4. The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of the matters stated in the appeal.
- B. The appeal hearing shall be conducted in accordance with RCMC 4.07.140 through 4.07.160.
- C. Upon receipt of any appeal filed pursuant to this section, the city manager shall transmit said appeal to the secretary of the hearing examiner who shall calendar the matter for hearing within 45 days.
- D. Written notice of the time and place of the hearing shall be given at least 10 calendar days prior to the date of the hearing to each appellant by the secretary of the hearing examiner either by causing a copy of such notice to be delivered to the appellant personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at the address shown on the appeal.
- E. Failure of any person to file a timely appeal in accordance with the provisions of this section shall constitute an irrevocable waiver of the right to an administrative hearing and a final adjudication of the notice and order, or any portion thereof.
- F. Only those matters or issues specifically raised by the appellant in the appeal notice shall be considered in the hearing of the appeal.
- G. Any suspension or revocation of a license shall be stayed during the pendency of an appeal which is properly and timely filed pursuant to this section. [Ord. 3-2005 § 2].

4.07.140 Hearings – Generally.

- A. The city manager shall appoint a hearing examiner to hear appeals brought pursuant to this chapter.
- B. The city manager shall promulgate rules and procedures as necessary for the use of the hearing examiner.
- C. At the time set for hearing, the hearing examiner shall proceed to hear the testimony of the city manager, the appellant, and other competent persons, including members of the public, respecting those matters or issues specifically listed by the appellant in the notice of appeal.
- D. The proceedings at the hearing shall be electronically recorded. Either party may provide a certified shorthand reporter to maintain a record of the proceedings at the party's own expense.
- E. The hearing examiner may, upon request of the appellant or upon request of the city manager, grant continuances from time to time for good cause shown, or upon his or her own motion.
- F. In any proceedings under this chapter, the hearing examiner has the power to administer oaths and affirmations and to certify to official acts. [Ord. 3-2005 § 2].

4.07.150 Conduct of hearing.

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 11/18

A. Hearings need not be conducted according to the technical rules relating to evidence and witnesses. Section 11513, Subsections (a), (b) and (c), of the Government Code as presently written or hereinafter amended shall apply to hearings under this chapter.

B. Oral evidence shall be taken only upon oath or affirmation.

C. Irrelevant and unduly repetitious evidence shall be excluded.

D. Each party shall have these rights, among others:

1. To call and examine witnesses on any matter relevant to the issues of the hearing;
2. To introduce documentary and physical evidence;
3. To cross-examine opposing witnesses on any matter relevant to the issues of the hearing;
4. To impeach any witness regardless of which party first called the witness to testify;
5. To rebut the evidence presented against the party; and
6. To represent himself, herself, or itself or to be represented by anyone of his, her, or its choice who is lawfully permitted to do so.

E. In reaching a decision, official notice may be taken, either before or after submission of the case for decision, of any fact that may be judicially noticed by the courts of this state or that may appear in any of the official records of the city or any of its departments. [Ord. 3-2005 § 2].

4.07.160 Form and contents of decision – Finality of decision.

A. If it is shown, by a preponderance of the evidence, that one or more bases exist to deny, suspend, or revoke the license, the hearing examiner shall affirm the city manager's decision to deny, suspend, or revoke the license. The decision of the hearing examiner shall be in writing and shall contain findings of fact and a determination of the issues presented.

B. The decision shall inform the appellant that the decision is a final decision and that the time for judicial review is governed by Section 1094.6 of the California Code of Civil Procedure. Copies of the decision shall be delivered to the parties personally or sent by certified mail to the address shown on the appeal. The decision shall be final when signed by the hearing examiner and served as provided in this section. [Ord. 3-2005 § 2].

4.07.170 Enforcement.

A. The remedies provided by this chapter are cumulative and in addition to any other remedies available at law or in equity.

B. Any violation of this chapter may be remedied by a civil action brought by the city attorney, including, for example, administrative or judicial nuisance abatement proceedings, civil or criminal enforcement

ITEM 11.1.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 12/18

proceedings, and suits for injunctive relief. The city may recover reasonable attorneys' fees and costs of suit in any civil action brought by the city attorney to remedy any violation of this chapter.

C. Violations of this chapter are hereby declared to be public nuisances subject to abatement by the city. [Ord. 3-2005 § 2].

4.07.180 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase in this chapter or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, that decision shall not affect the validity or effectiveness of the remaining portions of this chapter or any part thereof. The city council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrase hereof be declared invalid or unenforceable. [Ord. 3-2005 § 2].

4.07.190 Effective date and publication.

Within 15 days from and after adoption, the ordinance codified in this chapter shall be published once in the Grapevine Independent, a newspaper of general circulation printed and published in Rancho Cordova City and circulated in the city of Rancho Cordova, in accordance with Section 36933 of the California Government Code. The ordinance codified in this chapter shall take effect and be enforced 30 days after its adoption. [Ord. 3-2005 § 2]

Chapter 6.84
REGULATION OF SMOKING

6.84.020 Definitions.

A. “Bar” means an area in which the serving of food is only incidental to the consumption of alcoholic beverages and where no persons under the age of 18 years are allowed to enter except to travel to the restroom facilities. The term “bar” shall not include an adjacent restaurant dining area when meals are being served.

B. “Business” means any sole proprietorship, partnership, joint venture, corporation or other business entity formed for profit-making purposes, including retail establishments where goods and services are sold, as well as professional corporations and other entities under which professional services are delivered.

C. “Child care facilities” means any family day care home regulated by Sections 1597.30 through 1597.621 of the California Health and Safety Code, and any day care center for children regulated by Section 1596.90 et seq. of the California Health and Safety Code. It does not include foster homes or residential child care facilities.

D. “Cigarette” means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco and such roll weighs over three pounds per thousand, as defined in Revenue and Taxation Code Section 30003, as it may be subsequently amended or superseded.

E. “Dining area” means any area, including streets and sidewalks, that is available to or commonly used by the general public or an employee and which is designated, established or regularly used for the consumption of food or drink.

F. “E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

G. “Employee” means any person who is employed by an employer for direct or indirect monetary wages or profit, including those employed full-time, part-time, temporary or contracted for from a third party; “employee” also means any person who performs services as a volunteer or intern for a business or nonprofit entity.

H. “Employer” means any person, business, corporation, entity, partnership, municipal corporation or agency, or nonprofit entity which employs the services of one or more persons, and includes the city.

I. “Enclosed” means closed in by a roof and three or more connected, floor-to-ceiling walls with appropriate openings for ingress and egress.

J. “Multifamily residential property,” for purposes of this chapter, means residential property containing two or more total units with one or more shared walls, floors or ceilings, including but not limited to rental

complexes, apartments, residential cooperatives, condominium complexes, senior citizen residences, assisted living complexes and skilled nursing facilities. “Multifamily residential property” does not include:

1. A hotel or motel that meets the requirements of Section [1940\(b\)\(2\)](#) of the Civil Code;
2. A mobile home park;
3. A campground;
4. A single-family residence;
5. A single-family home with a detached in-law or second unit when permitted pursuant to a city ordinance and/or applicable state law.

K. “Mall” means enclosed public walkway or hall area which serves to connect retail or professional establishments, whether publicly or privately owned.

L. “Nonprofit entity” means any corporation, unincorporated association or other entity created for charitable, philanthropic, educational, character-building, political, social or other similar purposes, the net proceeds from the operation of which are not for private financial gain. A public agency is not a nonprofit entity within the meaning of this chapter.

M. “Open space” means any lot or area of land or water essentially or partially unimproved and set aside, dedicated, designated or reserved for public use or enjoyment, or for the use and enjoyment of owners and occupants of land adjoining or neighboring such open space.

N. “Place of employment” means any enclosed area under the control of a public, nonprofit, or private employer which employees normally frequent during the course of employment, including but not limited to work areas, employee lounges and restrooms, conference rooms and classrooms, vehicles, taxis, employee cafeterias or eating places, and hallways. A private residence is not a place of employment for the purposes of this chapter, unless it is used as a child care or health care facility, or unless it is used for a permitted home occupation having one or more employees, or which is visited by the public twice a month or more.

O. “Private club” means any eating establishment, organization, club, boardinghouse or guesthouse which gives or offers food for sale to the public, guests, patrons or employees, as well as kitchens in which food is prepared on the premises for serving elsewhere, including catering functions, except that the term “restaurant” shall not include bars.

P. “Recreational area” means any area that is publicly owned or controlled and open to the general public for recreational purposes. The term “recreational area” includes but is not limited to parks, picnic areas, playgrounds, sports fields, open space, walking paths, gardens, hiking trails, bike paths, riding trails, swimming pools, skateboard parks, and ice-skating rinks, but does not include golf courses.

Q. “Service area” means any publicly or privately owned area, including streets and sidewalks, that is designated to be used or is regularly used by one or more persons to wait for or receive a service or make a transaction, whether or not such service or transaction involves the exchange of money. The term “service area” includes automated teller machine waiting areas, all bus stops, light rail stops, and other local public transit facilities.

R. “Smoke” means the gases, particles or vapors released into the air by combustion, electronic ignition or vaporization when the apparent or usual purpose of the combustion, electronic ignition or vaporization is human inhalation of the resulting combustion products, including but not limited to tobacco smoke, cigarette smoke, marijuana smoke, and gases, aerosol or vapor released by the ignition of e-cigarettes or electronic smoking devices. “Smoke” does not include the product of combustion of incense or similar products when used solely for olfactory purposes and not containing tobacco or nicotine.

S. “Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

T. “Sports arena” means any sports pavilion, gymnasium, health spa, boxing arena, swimming pool, roller rink, ice rink, bowling alley, pool hall, and other similar places where members of the general public assemble to engage in physical exercise, participate in athletic competition, or witness sports events.

U. “Tobacco product” means:

- 1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;
- 2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or
- 3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

V. “Unenclosed area” means any area that is not an enclosed area.

W. “Work area” or “workplace” means any area of a place of employment enclosed by floor-to-ceiling walls in which two or more employees are assigned to perform work for an employer. [Ord. 14-2020 § 2; Ord. 13-2014 § 3; Ord. 9-2014 §§ 2 – 4; Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0810 § 2, 1990; SCC 610 § 2, 1984. Formerly 6.84.010, 6.84.015, 6.84.024, 6.84.041, 6.84.045, 6.84.055]

23.919.100 Smokers' lounge, hookah bar, e cigarette lounge and vapor lounge/bar**A. Purpose and Findings.**

1. The council finds that the use of hookah pipes, electronic cigarettes, and other similar devices in smokers' lounges, hookah bars, and vapor bars/lounges and the activities associated with such businesses (including loud music, large numbers of customers congregating for long periods, etc.) have been associated with increases in odors, noise, vapors, second-hand smoke, parking impacts, loitering, and disturbances in the peace. The purpose of this section is to prevent the overconcentration of this land use and to mitigate the negative impacts associated with this land use.
2. The council also finds that smoking and vaping uses expose minors to dangerous secondhand smoke by-products and increase the potential for minors to associate smoking of electronic tobacco devices and hookah pipes with a normative or healthy lifestyle.
3. The council also finds that the tobacco smoke, including secondhand smoke, from hookah pipes and electronic cigarettes contributes to indoor air pollution and is a significant health hazard and carcinogen to smokers and nonsmokers alike, including employees of smokers' lounges and hookah bars.
4. The U.S. Food and Drug Administration conducted laboratory analysis of electronic cigarette samples and found them to contain carcinogens and toxic chemicals to which users and bystanders could potentially be exposed, suggesting that the same health and public nuisance concerns present with conventional cigarettes exist with electronic cigarettes.
5. The U.S. Centers for Disease Control and Prevention reports that smoking a hookah has many of the same health risks as cigarette smoking; that hookah use by youth is increasing; that the charcoal used to heat hookah tobacco can have negative health risks because it produces high levels of carbon monoxide, metals, and carcinogens; that hookah smokers may absorb more of the toxic substances also found in cigarette smoke than cigarette smokers do; that secondhand smoke from hookahs can be a health risk for nonsmokers; and that new forms of electronic hookah smoking are now on the market and very little information is available on the health risks of electronic tobacco products.
6. The city has banned indoor smoking in places accessible to the public under Chapter 6.84 RCMC (Regulation of Smoking). However, California Labor Code Section 6404.5(d)(4) allows for indoor smoking within retail or wholesale tobacco shops and private smokers' lounges and such businesses do currently exist within the city; and therefore the council finds that it is necessary to enact clear and defined regulations for this use.

B. Applicability.

1. The provisions of this section shall apply in addition to other regulations of this zoning code and municipal code. In the event of a conflict between other sections and this section, this section shall control.
2. The provisions of this section shall apply to new facilities established following the effective date of the ordinance codified in this title. All legal, code-compliant smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges currently located in the city shall become legal, nonconforming uses and as such must comply with the regulations set forth in Chapter 23.170 RCMC.

C. Location. Smokers' lounges, hookah bars, e-cigarette, and vapor bars/lounges shall only be permitted in general commercial (GC) and light industrial (M-1) zoning districts.

D. Operational and Development Standards. The following operational and development standards shall apply to all smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges in the city and shall be included as conditions imposed upon any license, permit, or other entitlement granted for such a business:

1. Distance Requirements. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 500 feet from other e-cigarette lounges, hookah bars, smokers' lounges, smoke shops, and tobacco shops. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 1,000 feet from the following:

a. Public or private K-12 schools and day cares.

b. Libraries.

c. Churches.

d. Community and recreation centers.

e. Liquor stores.

f. Sexually oriented businesses.

g. Tattoo parlors.

h. Pawnshops.

i. Bars and nightclubs.

j. Card rooms.

k. Check cashing businesses.

l. Parks.

m. Residential zones.

2. The business shall be owner-operated or otherwise exempt from the prohibition of smoking in the workplace pursuant to California Labor Code Section 6404.5.

3. The establishments shall operate in compliance with all federal, state, county, and local laws and regulations.

4. Minors Prohibited. No persons under 21 years of age shall be permitted within the establishment, including as employees, and business owners or operators shall require proof of identification to verify the age of customers, visitors, and employees. This means that all employees must be at least 21 years of age.

5. Parking Standards. Parking shall be provided under the standards established for bars and nightclubs in Table 23.719-1, as may be amended from time to time.

6. Hours of Operation. Operating hours shall be limited to 8:00 a.m. to 10:00 p.m.

7. Indoor Operation Only. All business-related activity, including smoking, shall be conducted entirely within a building. Outdoor seating, operating outdoor barbecues or braziers, and/or lighting coals outdoors shall not be permitted.

8. Entertainment and Admission Charges Prohibited. No live entertainment, including dancers, singers, disc jockeys, or comedians shall be permitted within the business. No admission charges, including a cover charge or minimum purchase requirement, shall be permitted.

9. Food and beverages, including alcoholic beverages and prepackaged food and beverages, shall not be sold, served, or consumed on the premises.

10. Visibility and Illumination. No window coverings or signage shall prevent visibility of the interior of the establishment from the outside during operating hours. The interior of the establishment shall have lighting adequate to make the conduct of patrons within the establishment readily discernible to people of normal visual capabilities.

11. Ventilation. Adequate ventilation must be provided in accordance with all standards imposed by the building official and fire department, and those establishments by state or federal laws. The requirements imposed by the building official or fire department may be more comprehensive than current building codes to prevent negative health and nuisance impacts on neighboring properties, including a requirement for a separate system to prevent smoke and vapors from migrating to adjoining suites or buildings. The ventilation shall, at a minimum, prevent smoke and vapors from migrating into adjacent buildings and/or suites and to outdoor public areas. A mechanical exhaust hood system shall be required if an establishment heats coals indoors.

12. Noise. Any amplified noise shall be subject to the regulations established in the municipal code, including those in Chapter 6.68 RCMC (Noise Control) and Chapter 23.737 RCMC (Noise, Odor, and Vibration Performance Standards), as may be amended from time to time.

13. Security. Uniformed security guard(s) shall be provided, as deemed necessary by the chief of police or his/her designee.

E. Penalties and Enforcement. Any violation of this section shall be enforced under Chapter 23.173 RCMC. [Ord. 4-2017 § 3 (Exh. B); Ord. 1-2016 § 2].

- 4.07.010 Legislative findings.

The city council of the city of Rancho Cordova finds and determines that:

A. The United States Surgeon General has declared nicotine, a key ingredient of cigarettes and tobacco products, as addictive as cocaine or heroin; yet no other addictive product or drug is as accessible to minors or as heavily advertised and promoted to minors as tobacco products. Once addicted, minors necessarily have great difficulty in complying with laws regulating access by minors to tobacco.

B. Since 1971, federal law has banned the advertising of tobacco products on radio and television, in part because of substantial evidence showing that the most persuasive advertising was being conducted on radio and television, and these broadcasts were particularly effective in reaching a large audience of young people.

C. Studies show an association between tobacco use and use of alcohol and illicit drugs. The National Institute on Drug Abuse found that teenagers who smoke are 14 times more likely to abuse alcohol, 100 times more likely to smoke marijuana and 32 times more likely to use cocaine than their nonsmoking peers.

D. Eighty-eight percent of adults who have ever smoked tried their first cigarette by the age of 18, and the average age at which smokers try their first cigarette is 14.5.

E. Although the tobacco industry insists the sole purpose of advertising is to convince current smokers to switch brands, it spends over \$5,000,000,000 a year in advertising and promotion costs to aggressively recruit new smokers. To replace smokers who quit or die prematurely (some 3,000 smokers a day) the tobacco industry must attract approximately 2,000,000 new smokers each year. Most new smokers are children and adolescents. The tobacco industry sells \$1,260,000,000 in tobacco products (over 947,000,000 packs of

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 2/22

cigarettes and 26,000,000 containers of smokeless tobacco) each year to children under 18. Thus, the tobacco industry earns \$1,500,000,000 annually from the illegal sale of tobacco to children.

F. Based upon the foregoing facts and findings, the city has a substantial interest in promoting compliance with state laws prohibiting sales of cigarettes and tobacco products to minors, in promoting compliance with federal, state and local laws intended to discourage the purchase of tobacco products by minors, and in protecting children from being lured into illegal activity through the misconduct or illegal acts of adults.

G. State law prohibits the sale or furnishing of cigarettes, tobacco products and smoking paraphernalia to minors, as well as the purchase, receipt, or possession of tobacco products by minors- persons under 21 years of age except active duty military personnel who are 18 years of age or older (Section 308 of the Penal Code).

H. State law requires that tobacco retailers check the identification of tobacco purchasers who reasonably appear to be under 21+8 years of age (Section 22956 of the California Business and Professions Code) and provides procedures for using persons under 21+8 years of age to conduct on-site compliance checks of tobacco retailers (Section 22952 of the California Business and Professions Code).

I. State law requires that tobacco retailers post a conspicuous notice at each point of sale stating that selling tobacco products to anyone under 21+8 years of age is illegal (Section 22952 of the California Business and Professions Code and Section 308 of the California Penal Code).

J. State law prohibits the sale or display of cigarettes through a self-service display and prohibits public access to cigarettes without the assistance of a clerk (Section 22962 of the California Business and Professions Code).

K. State law prohibits the sale of “bidis” (a type of hand-rolled filterless cigarette)~~s imported primarily from India and Southeast Asian countries~~-except at those businesses that prohibit the presence of minors (Section 308.1 of the California Penal Code).

L. State law prohibits the manufacture, distribution, or sale of cigarettes in packages of less than 20 and prohibits the manufacture, distribution, or sale of “roll-your-own” tobacco in packages containing less than six-tenths of an ounce of tobacco (Section 308.3 of the California Penal Code).

M. State law prohibits public school students from smoking or using tobacco products while on campus, while attending school-sponsored activities, or while under the supervision or control of school district employees (Section 48901(a) of the California Education Code).

N. RCMC 4.61.040 prohibits the sale or distribution of tobacco products from vending machines.

O. From 2013 to 2015, an estimated 15% of ninth and eleventh grade students in California reported using electronic smoking devices.

P. Over 9% of high school students in California reported buying their own electronic cigarette from a store.

Q. In 2016, an estimated 82% of tobacco retailers in California sold flavored non-cigarette tobacco products, over 90% of tobacco retailers sold menthol cigarette, and 80% of tobacco retailers near schools sold flavored non-cigarette tobacco products.

R. Mentholated and flavored products have been shown to be “starter” products for youth who begin using tobacco and these products help establish tobacco habits that can lead to long-term-addiction.

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 3/22

S. Flavored tobacco has significant public health implications for youth and people of color as a result of targeted industry marketing strategies and product manipulation.

T. Neither federal nor California state laws restrict the sale of menthol cigarettes or flavored non-cigarette tobacco products, electronic smoking devices, or the solutions used in these devices.

U. Despite these restrictions, minors continue to be exposed to and influenced by tobacco advertising, and to purchase or steal or otherwise obtain cigarettes and other tobacco products at alarming rates. Studies show that nearly one-quarter of all teenagers in this country are smokers.

VP. California courts, in *Cohen vs. Board of Supervisors*, 40 Cal. 3d 277 (1985), and *Bravo Vending vs. City of Rancho Mirage*, 16 Cal. App. 4th 383 (1993), have affirmed the power of local jurisdictions to regulate business activity in order to discourage violations of law.

WQ. State law authorizes local tobacco retailer licensing laws to provide for the suspension or revocation of the local tobacco retailer license for any violation of a state tobacco control law (Section 22971.3 of the Business and Professions Code).

XR. A requirement for a tobacco retailer license will not unduly burden legitimate business activities of retailers who sell or distribute cigarettes or other tobacco products to adults. It will, however, allow the city to regulate the operation of lawful businesses to discourage violations of federal, state, and local tobacco laws. [Ord. 3-2005 § 2].

4.07.020 Purpose.

A. The purpose of this chapter is to encourage responsible tobacco retailing and to discourage violations of tobacco-related laws, especially those that prohibit or discourage the sale or distribution of tobacco products to minors, but not to expand or reduce the degree to which the acts regulated by federal or state law are criminally proscribed or to alter the penalty provided for violations. [Ord. 3-2005 § 2].

~~B. This Chapter shall not apply to any existing establishment that (i) has been formally permitted to allow the on-site smoking of tobacco products under Section 23.919.100 of the Rancho Cordova Municipal Code and that (ii) sells only shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) for onsite consumption. Retail sales of flavored tobacco products other than shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) by such smoking lounges are prohibited. No flavored shisha tobacco products purchased at such smoking lounges may be removed from the premises. As required in Section 23.919.100 of the Rancho Cordova Municipal Code, all consumption or use of flavored shisha tobacco products at such smoking lounges shall occur indoors. This Chapter shall not apply to any existing establishment that has been formally permitted to operate a "smoking lounge" as defined in this Chapter. Section 23.919.100 of the Rancho Cordova Municipal Code establishes regulations for "smoking lounge."~~

4.07.030 Definitions.

As used in this chapter, the following words and phrases shall have the meanings given them in this section, unless the context clearly requires otherwise:

"Characterizing flavor" means a taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product or any byproduct produced by the tobacco product, including,

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 4/22

but not limited to, tastes or aromas relating to menthol, mint, wintergreen, fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcohol beverage, herb, or spice.

“City” means the city of Rancho Cordova.

“City manager” means the city manager of the city of Rancho Cordova or his or her designee.

~~“E-cigarette” or “electronic cigarette” or “electronic smoking device” means any electronic or battery-operated device, the use of which resembles smoking, that can be used to deliver an inhalable dose of nicotine or other substances by delivering a vaporized solution. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” includes any such electronic smoking device, whether manufactured, distributed, marketed or sold as an electronic cigarette, an electronic cigar, an electronic cigarillo, an electronic pipe, an electronic hookah, or any other product name or descriptor means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination any products authorized for sale specifically approved by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act. for use in the mitigation, treatment, or prevention of disease.~~

“Flavored tobacco product” means any tobacco product that imparts a characterizing flavor.

“Itinerant tobacco retailing” means engaging in tobacco retailing at other than a fixed location.

“License” means a tobacco retailer license issued by the city pursuant to this chapter.

“Licensee” means any proprietor holding a license issued by the city pursuant to this chapter.

“Person” means any individual, firm, partnership, joint venture, limited liability company, association, social club, fraternal organization, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

“Proprietor” means a person with an ownership or managerial interest in a business. An ownership interest shall be deemed to exist when a person has a 10 percent or greater interest in the stock, assets, or income of a business other than the sole interest of security for debt. A managerial interest shall be deemed to exist when a person has, or can have, sole or shared control over the day-to-day operations of a business.

~~“Smoking lounge” means any business establishment that is dedicated to the smoking of tobacco products, including, but not limited to, establishments known variously as cigar lounges, hookah lounges or tobacco clubs. For purposes of this Chapter, “smoking lounge” means private smokers’ lounge as defined in California Labor Code § 6404.5~~

“Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 5/22

“Tobacco paraphernalia” means ~~cigarette papers or wrappers, pipes, holders of smoking materials of all types, cigarette rolling machines, electronic cigarettes, e-cigarettes, electronic smoking devices, electronic cigarette cartridges, electronic smoking device cartridges and related products, and any other item~~ designed or ~~marketed~~used for the smoking consumption, use, or preparation ~~or ingestion~~ of a tobacco products.

~~“Tobacco product” shall means any tobacco cigarette, cigar, pipe tobacco, smokeless tobacco, snuff, chewing tobacco, e-cigarette or electronic smoking device as defined in RCMC 6.84.020(F), or any other form of tobacco or product containing at least 50 percent tobacco which may be utilized for smoking, chewing, inhalation or other manner of ingestion. “Tobacco product” shall not include any cessation product specifically approved by the United States Food and Drug Administration for use in treating nicotine or tobacco dependence, unless such product emits smoke as defined by RCMC 6.84.020(R).~~

“Tobacco product” means:

- 1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;
- 2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or
- 3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

“Tobacco retailer” means any person who sells, offers for sale, exchanges, or offers to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange.

“Tobacco retailing” means selling, offering for sale, exchanging, or offering to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange. [Ord. 13-2014 §§ 4 – 6; Ord. 3-2005 § 2].

4.07.040 Requirement for tobacco retailer license.

A. It shall be unlawful for any person to act as a tobacco retailer without first obtaining a license for each location at which tobacco retailing is to occur. No license will be issued to authorize tobacco retailing at other than a fixed location. No license will be issued for itinerant tobacco retailing or tobacco retailing from vehicles.

B. Nothing in this chapter shall be construed to grant any person obtaining a license any status or right other than the right to act as a tobacco retailer at the location in the city identified on the face of the license, subject to compliance with all other applicable laws, regulations, and ordinances. Nothing in this chapter shall be construed to render inapplicable, supersede, or apply in lieu of any other provision of applicable law, including, without limitation, any condition or limitation on indoor smoking made applicable to business establishments by Section 6404.5 of the Labor Code. [Ord. 3-2005 § 2].

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 6/22

4.07.050 Application procedure.

All applications for a license shall be submitted to the city manager in the name of each proprietor proposing to conduct tobacco retailing and shall be signed by each proprietor or an authorized agent thereof. A proprietor proposing to conduct tobacco retailing at more than one location shall submit a separate application for each location. Every application shall be submitted on a form supplied by the city manager and shall contain the following information:

- A. The name, address, and telephone number of each proprietor; and
- B. The business name, address, and telephone number of the fixed location for which a license is sought; and
- C. Whether or not any proprietor has previously been issued a license pursuant to this chapter that is, or was at any time, suspended or revoked and, if so, the dates of the suspension period or the date of revocation; and
- D. Such other information as the city manager deems necessary for the administration or enforcement of this chapter. [Ord. 3-2005 § 2].

4.07.060 Issuance and renewal of license.

A. Upon the receipt of an application for a license and the applicable license fee, the city manager shall issue a license unless:

- 1. The application is incomplete or inaccurate;
- 2. The application seeks authorization for tobacco retailing at an address that appears on a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings for violation of any of the provisions of this chapter; provided, however, this subsection shall not constitute a basis for denial of a license if either or both of the following apply:
 - a. The applicant provides the city with documentation demonstrating that the applicant has acquired or is acquiring the premises or business in an arm's length transaction. For the purposes of this subsection, an "arm's length transaction" is defined as a sale in good faith and for valuable consideration that reflects the fair market value in the open market between two informed and willing parties, neither under any compulsion to participate in the transaction. A sale between relatives, related companies or partners, or a sale for the primary purpose of avoiding the effect of the violations of this chapter that occurred at the location, is presumed not to be an "arm's length transaction";
 - b. It has been more than five years since the most recent license for that location was revoked;
- 3. The application seeks authorization for tobacco retailing that is unlawful pursuant to this code, or that is unlawful pursuant to any other local, state, or federal law;
- 4. The city manager has information that the applicant or his or her agents or employees has violated any local, state or federal tobacco control law at the location for which the license or renewal of the license is sought within the preceding 30-day period;
- 5. There are grounds for denial pursuant to Chapter 4.06 RCMC; or

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 7/22

6. No general business license has been granted for the enterprise pursuant to Chapter 4.06 RCMC.

B. A license shall be valid for one year and an application for renewal must be filed not later than 30 days prior to the expiration of the license, but no earlier than 60 days prior to the expiration of the license. Unless revoked on an earlier date, all licenses shall expire one year after the date of issuance. A license may be renewed for additional periods of one year by submitting an application to the tax and license collector and payment of the applicable license fee; provided, however, a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings shall not be renewed. The application and license fee shall be submitted at least 30 days, but not more than 60 days, prior to the expiration of the current valid license. The applicant shall follow all of the procedures and provide all of the information required by RCMC 4.07.050, and the tax and license collector shall process the application according to the provisions of this section. Provided that an application is made within the time period required by this subsection, a licensee may continue the sale of tobacco products pending a determination of the tax and license collector to renew or disapprove the license.

C. Where the city manager does not approve a license or renewal of a license, the procedures for denial, including appeals therefrom, of RCMC 4.07.120 shall apply. [Ord. 3-2005 § 2].

4.07.070 Display of license.

Each license shall be prominently displayed in a publicly visible location at the licensed premises. [Ord. 3-2005 § 2].

4.07.080 License fee.

The fee for issuance or renewal of a license shall be established by the city manager and shall be in addition to the city's business operation tax and any other license or permit fee imposed by this code upon the applicant. The license fee shall be paid to the city at the time the license application is submitted. The amount of the fee shall be determined on the basis of the costs incurred in the enforcement of tobacco retailing laws together with the costs, including the costs of counsel, incurred in the administration of this chapter. [Ord. 6-2010 § 5; Ord. 3-2005 § 2].

4.07.090 License nontransferable.

A license is nontransferable. If a licensee changes business location, that licensee must obtain a new license prior to acting as a tobacco retailer at the new location. If a business licensed to conduct tobacco retailing is sold, the new owner must obtain a license for that location before acting as a tobacco retailer. [Ord. 3-2005 § 2].

4.07.100 License violation.

A. It shall be a violation of a license for a licensee or his or her agents or employees to violate any local, state, or federal tobacco-related law. [Ord. 3-2005 § 2].

B. It shall be a violation of a license for a licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any flavored tobacco product. There is a rebuttable presumption that a tobacco product is a flavored tobacco product, if a tobacco manufacturer or its agents or employees has made a public statement or claim that the tobacco product has or produces a characterizing flavor, including, but not limited to, text, color, or images on the product's labeling or packaging that are used to expressly or impliedly communicate that a tobacco product has a characterizing flavor.

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 8/22

1. After ninety (90) calendar days from the effective date of this Chapter, it shall be a violation of this Chapter for a tobacco licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any prohibited product.

2. This Chapter shall not apply to any existing establishment that (i) has been formally permitted to allow the on-site smoking of tobacco products under Section 23.919.100 of the Rancho Cordova Municipal Code and that (ii) sells only shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) for onsite consumption. The hookah tobacco retailer has a valid license to sell tobacco products issued pursuant to Chapter 2 (commencing with Section 22971.7) of Division 8.6 of the Business and Professions Code. Retail sales of flavored tobacco products other than shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) by such smoking lounges are prohibited. No flavored shisha tobacco products purchased at such smoking lounges may be removed from the premises. As required in Section 23.919.100 of the Rancho Cordova Municipal Code, all consumption or use of flavored shisha tobacco products at such smoking lounges shall occur indoors. The hookah tobacco retailer shall operate in accordance with all relevant state and local laws relating to the sale of tobacco products.

4.07.110 Administrative fine.

A. Any tobacco retailer or licensee person violating the provisions of this Chapter shall be guilty of a misdemeanor, and in addition to any other remedy, shall be liable for an administrative fine of one thousand dollars (\$1,000) per violation. Each day a violation exists shall constitute a new and separate violation. If the city finds, based on substantial evidence, that any unlicensed person, including a person named on a revoked or suspended license, has engaged in tobacco retailing in violation of RCMC 4.07.040, such person shall be subject to an administrative citation and fine as provided for in RCMC 16.18.205(F).

B. Any violation of this Chapter may be remedied by a civil action brought by the City Attorney. The city may recover reasonable attorney's fees and costs of any civil action brought by the City Attorney to remedy any violation of this Chapter.

C. Additional Amounts. Administrative costs, interest, late payment charges, costs of compliance reinspections, and collection costs are in addition to the fine as set forth in Subsection (A) RCMC 16.18.205(F).

~~C. Each day that such a person engages in tobacco retailing shall constitute a separate violation.~~

D. A notice of violation and of intent to impose a fine shall be personally served on, or sent by certified mail to, the person or persons subject to the fine. The notice shall state the basis of the city's determinations and include an advisement of the right to request a hearing to contest the fine. Any request for a hearing must be in writing and must be received by the city within 10 calendar days of personal service of the notice on the person or persons subject to a fine or within 15 calendar days if the person or persons subject to a fine are served by mail.

E. If no request for a hearing is timely received, the city's determination on the violation and the imposition of a fine and any additional amounts pursuant to subsection (CB) of this section shall be final and payment shall be made within 30 calendar days of written demand made in the manner specified above for a notice of violation. If the fine is not paid within that time, the fine may be collected, along with any additional amounts pursuant to subsection (CB) of this section, in any manner provided by law. In the event that a judicial action is necessary to compel payment, the person or persons subject to the fine and any additional amount shall also be liable for the costs of the suit and attorneys' fees incurred by the city in collecting the fine.

ITEM 11.1.

Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 9/22

F. If a hearing is requested pursuant to subsection (D) of this section, the city shall provide written notice, within 45 calendar days of its receipt of the hearing request, to the person or persons subject to a fine and any additional amount, of the date, time, and place of the hearing in the manner specified above for a notice of violation.

G. The hearing shall be conducted in accordance with the procedures set forth in RCMC 4.07.140 through 4.07.160.

H. If no timely notice of appeal to the superior court is filed, or the city is not timely served with a copy of a notice of appeal, the hearing officer's decision and findings shall be deemed confirmed and the fine and any additional amounts imposed pursuant to subsection (CB) of this section shall be collected pursuant to subsection (E) of this section. [Ord. 6-2010 § 6; Ord. 3-2005 § 2].

4.07.120 Suspension or revocation of license.

A. In addition to any other remedy authorized by law, a license shall be suspended or revoked as provided in this section if the city manager finds that the licensee or his or her agents or employees has or have violated any of the provisions of this chapter; provided, however, violations by a licensee at one location may not be accumulated against other locations of that same licensee, nor may violations accumulated against a prior licensee at a licensed location be accumulated against a new licensee at the same licensed location.

1. Upon a finding by the city manager of a first license violation within any five-year period, the license shall be suspended for 30 days.

2. Upon a finding by the city manager of a second license violation within any five-year period, the license shall be suspended for 90 days.

3. Upon a finding by the city manager of a third license violation within any five-year period, the license shall be suspended for one year.

4. Upon a finding by the city manager of a fourth license violation within any five-year period, the license shall be revoked.

B. Notwithstanding RCMC 4.07.110(A), a license shall be revoked if the city manager finds that either one or both of the following conditions exist:

1. One or more of the bases for denial of a license under RCMC 4.07.060(A) existed at the time application was made or at any time before the license was issued.

2. The information contained in the license application, including supplemental information, if any, is found to be false in any material respect.

C. In the event the city manager suspends or revokes a license, written notice of the suspension or revocation shall be served upon the licensee within five days of the suspension or revocation. The notice shall contain:

1. A brief statement of the specific grounds for such suspension or revocation;

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 10/22

2. A statement that the licensee may appeal the suspension or revocation by submitting an appeal, in writing, in accordance with the provisions of RCMC 4.07.130, to the city manager, within 10 calendar days of the date of service of the notice; and

3. A statement that the failure to appeal the notice of suspension or revocation will constitute a waiver of all right to an administrative appeal hearing, and the suspension or revocation will be final.

D. A licensee for whom a license suspension is in effect must remove all tobacco products and tobacco paraphernalia from public view at the address that appears on the suspended license. [Ord. 3-2005 § 2].

4.07.130 Denial, suspension and revocation – Appeals.

A. Any applicant or licensee aggrieved by the decision of the city manager in denying, suspending, or revoking a license may appeal the decision by submitting a written appeal to the city manager within 10 calendar days from the date of service of the notice of denial, suspension, or revocation. The written appeal shall contain:

1. A brief statement in ordinary and concise language of the specific action protested, together with any material facts claimed to support the contentions of the appellant;

2. A brief statement in ordinary and concise language of the relief sought, and the reasons why it is claimed the protested action should be reversed or otherwise set aside;

3. The signatures of all parties named as appellants and their official mailing addresses; and

4. The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of the matters stated in the appeal.

B. The appeal hearing shall be conducted in accordance with RCMC 4.07.140 through 4.07.160.

C. Upon receipt of any appeal filed pursuant to this section, the city manager shall transmit said appeal to the secretary of the hearing examiner who shall calendar the matter for hearing within 45 days.

D. Written notice of the time and place of the hearing shall be given at least 10 calendar days prior to the date of the hearing to each appellant by the secretary of the hearing examiner either by causing a copy of such notice to be delivered to the appellant personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at the address shown on the appeal.

E. Failure of any person to file a timely appeal in accordance with the provisions of this section shall constitute an irrevocable waiver of the right to an administrative hearing and a final adjudication of the notice and order, or any portion thereof.

F. Only those matters or issues specifically raised by the appellant in the appeal notice shall be considered in the hearing of the appeal.

G. Any suspension or revocation of a license shall be stayed during the pendency of an appeal which is properly and timely filed pursuant to this section. [Ord. 3-2005 § 2].

4.07.140 Hearings – Generally.

ITEM 11.1.

ATTACHMENT 3

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 11/22

- A. The city manager shall appoint a hearing examiner to hear appeals brought pursuant to this chapter.
- B. The city manager shall promulgate rules and procedures as necessary for the use of the hearing examiner.
- C. At the time set for hearing, the hearing examiner shall proceed to hear the testimony of the city manager, the appellant, and other competent persons, including members of the public, respecting those matters or issues specifically listed by the appellant in the notice of appeal.
- D. The proceedings at the hearing shall be electronically recorded. Either party may provide a certified shorthand reporter to maintain a record of the proceedings at the party's own expense.
- E. The hearing examiner may, upon request of the appellant or upon request of the city manager, grant continuances from time to time for good cause shown, or upon his or her own motion.
- F. In any proceedings under this chapter, the hearing examiner has the power to administer oaths and affirmations and to certify to official acts. [Ord. 3-2005 § 2].

4.07.150 Conduct of hearing.

- A. Hearings need not be conducted according to the technical rules relating to evidence and witnesses. Section 11513, Subsections (a), (b) and (c), of the Government Code as presently written or hereinafter amended shall apply to hearings under this chapter.
- B. Oral evidence shall be taken only upon oath or affirmation.
- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. Each party shall have these rights, among others:
 - 1. To call and examine witnesses on any matter relevant to the issues of the hearing;
 - 2. To introduce documentary and physical evidence;
 - 3. To cross-examine opposing witnesses on any matter relevant to the issues of the hearing;
 - 4. To impeach any witness regardless of which party first called the witness to testify;
 - 5. To rebut the evidence presented against the party; and
 - 6. To represent himself, herself, or itself or to be represented by anyone of his, her, or its choice who is lawfully permitted to do so.
- E. In reaching a decision, official notice may be taken, either before or after submission of the case for decision, of any fact that may be judicially noticed by the courts of this state or that may appear in any of the official records of the city or any of its departments. [Ord. 3-2005 § 2].

4.07.160 Form and contents of decision – Finality of decision.

ITEM 11.1.

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

ATTACHMENT 3

Page 12/22

A. If it is shown, by a preponderance of the evidence, that one or more bases exist to deny, suspend, or revoke the license, the hearing examiner shall affirm the city manager's decision to deny, suspend, or revoke the license. The decision of the hearing examiner shall be in writing and shall contain findings of fact and a determination of the issues presented.

B. The decision shall inform the appellant that the decision is a final decision and that the time for judicial review is governed by Section 1094.6 of the California Code of Civil Procedure. Copies of the decision shall be delivered to the parties personally or sent by certified mail to the address shown on the appeal. The decision shall be final when signed by the hearing examiner and served as provided in this section. [Ord. 3-2005 § 2].

4.07.170 Enforcement.

A. The remedies provided by this chapter are cumulative and in addition to any other remedies available at law or in equity.

B. Any violation of this chapter may be remedied by a civil action brought by the city attorney, including, for example, administrative or judicial nuisance abatement proceedings, civil or criminal enforcement proceedings, and suits for injunctive relief. The city may recover reasonable attorneys' fees and costs of suit in any civil action brought by the city attorney to remedy any violation of this chapter.

C. Violations of this chapter are hereby declared to be public nuisances subject to abatement by the city. [Ord. 3-2005 § 2].

4.07.180 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase in this chapter or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, that decision shall not affect the validity or effectiveness of the remaining portions of this chapter or any part thereof. The city council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrase hereof be declared invalid or unenforceable. [Ord. 3-2005 § 2].

4.07.190 Effective date and publication.

Within 15 days from and after adoption, the ordinance codified in this chapter shall be published once in the Grapevine Independent, a newspaper of general circulation printed and published in Rancho Cordova City and circulated in the city of Rancho Cordova, in accordance with Section 36933 of the California Government Code. The ordinance codified in this chapter shall take effect and be enforced 30 days after its adoption. [Ord. 3-2005 § 2].

Chapter 6.86

~~DISTRIBUTION OF TOBACCO PRODUCTS TO MINORS~~

Sections:

- ~~6.86.010—Purposes.~~
- ~~6.86.020—Definition—Distribute.~~
- ~~6.86.030—Definition—Person.~~
- ~~6.86.040—Definition—Tobacco product.~~
- ~~6.86.050—Definition—Tobacco vending machine.~~
- ~~6.86.060—Definition—Tobacco vending machine owner.~~
- ~~6.86.070—Distribution of tobacco products to minors prohibited.~~
- ~~6.86.080—Distribution of tobacco products to minors prohibited—Premises managers.~~
- ~~6.86.090—Proof of age.~~
- ~~6.86.100—Defense—Evidence of majority.~~
- ~~6.86.110—Repealed.~~
- ~~6.86.120—Posting of signs required.~~

~~6.86.010 Purposes.~~

~~The protection of the public welfare requires that potential access by minors to all forms of tobacco products be strictly regulated.~~

~~Harvard University and the National Institute on Drug Abuse have reported that the nicotine in tobacco is a powerful, habit-forming drug that leads to compulsive use, and produces strong withdrawal symptoms. The U.S. Public Health Service has described nicotine addiction as the most widespread example of drug dependence in our country.~~

~~Studies have found that nicotine addiction typically begins in childhood. It has been estimated that thousands of American children smoke for the first time every day. Many youth, particularly male teenagers, use smokeless tobacco. Reported tests have shown that minors as young as 11 years of age have experienced little or no difficulty in purchasing tobacco products.~~

~~The purpose of this chapter is to reduce the likelihood of minors obtaining tobacco products in the city of Rancho Cordova by regulation of the potential sources thereof without unduly interfering with permitted transactions or prohibiting tobacco vending machines. This chapter enables affected persons to determine for themselves the methods they will employ to achieve compliance herewith. [Ord. 38-2007 § 1 (Exh. 1(A)); Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.020 Definition—Distribute.~~

~~“Distribute” shall mean to sell, give away, or in any way furnish as part of a commercial transaction, including by means of direct retail sale, vending machine sale, or promotional free distribution. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.030 Definition—Person.~~

~~“Person” shall mean an individual, a partnership, corporation, unincorporated association, joint venture or other entity. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.040 Definition—Tobacco product.~~

~~“Tobacco product” shall mean any tobacco cigarette, cigar, pipe tobacco, smokeless tobacco, snuff, chewing tobacco, electronic cigarette, e-cigarette or electronic smoking device, as defined in RCMC 6.84.024, or any other form of tobacco or product containing at least 50 percent tobacco which may be utilized for smoking, chewing, inhalation or other manner of ingestion. “Tobacco product” shall not include any cessation product specifically approved by the United States Food and Drug Administration for use in treating nicotine or tobacco dependence, unless such product emits smoke as defined by RCMC 6.84.041. [Ord. 9-2014 § 5; Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.050 Definition—Tobacco vending machine.~~

~~“Tobacco vending machine” shall mean any electronic or mechanical device the operation of which depends upon the insertion of money, in coin or paper bill, or other thing representative of value, which dispenses or vends a tobacco product. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.060 Definition—Tobacco vending machine owner.~~

~~“Tobacco vending machine owner” shall mean any person who has an ownership or leasehold interest in a tobacco vending machine and who installs or places, or causes to be installed or placed, such tobacco vending machine on any premises for the purpose of distributing a tobacco product therefrom. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.070 Distribution of tobacco products to minors prohibited.~~

~~Any person, including a tobacco vending machine owner, who distributes a tobacco product to a minor who is in fact under the age of 18 years, whether or not the fact of such minority was known to such person at the time of distribution, is guilty of an infraction. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.080 Distribution of tobacco products to minors prohibited—Premises managers.~~

~~Any person who authorizes the installation or placement of a tobacco vending machine upon premises which the person manages or otherwise controls and who permits or suffers, knowingly or unknowingly, any tobacco product to be distributed from such vending machine to a minor under the age of 18 years is guilty of an infraction. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.090 Proof of age.~~

~~For the purpose of preventing the violation of RCMC 6.86.070 or 6.86.080, any person may refuse to distribute a tobacco product to a person who is unable to produce adequate written evidence that he or she is over the age of 18 years. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.100 Defense—Evidence of majority.~~

~~Proof that the defendant, or his employee or agent, demanded, was shown, or acted in reliance upon bona fide evidence of majority and identity in any transaction prohibited by RCMC 6.86.070 or 6.86.080 shall be a defense to any criminal prosecution therefor, or to any civil proceeding based thereon. Bona fide evidence of majority and identity of a person shall be a document issued by a federal, state, county or municipal government, or subdivision or agency thereof, which contains the name, date of birth, description and picture of the person, including, without limitation, a motor vehicle operator's license, or an identification card issued to a member of the armed forces. [Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988]~~

~~6.86.110 Purchase of tobacco products by minors prohibited.~~

~~Repealed by Ord. 19-2020. [Ord. 38-2007 § 1 (Exh. 1(A)); Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988].~~

~~6.86.120 Posting of signs required.~~Share

~~A. Every person who distributes tobacco products within the city of Rancho Cordova shall post conspicuously and keep so posted in each place of business from which tobacco products are distributed a sign in letters at least one inch high which states as follows:~~

~~It is unlawful to distribute tobacco products to a minor under the age of 18 years.~~

~~It is unlawful for a minor under the age of 18 years to purchase tobacco products.~~

~~RCMC 6.86.070, 6.86.080~~

~~B. Every tobacco vending machine owner shall affix and keep affixed to the front of each tobacco vending machine within the city of Rancho Cordova a sign as described in subsection (A) of this section. [Ord. 38-2007 § 1 (Exh. 1(A)); Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0734 § 1, 1988]~~

Chapter 6.84 REGULATION OF SMOKING

6.84.020 Definitions.

A. “Bar” means an area in which the serving of food is only incidental to the consumption of alcoholic beverages and where no persons under the age of 18 years are allowed to enter except to travel to the restroom facilities. The term “bar” shall not include an adjacent restaurant dining area when meals are being served.

B. “Business” means any sole proprietorship, partnership, joint venture, corporation or other business entity formed for profit-making purposes, including retail establishments where goods and services are sold, as well as professional corporations and other entities under which professional services are delivered.

C. “Child care facilities” means any family day care home regulated by Sections 1597.30 through 1597.621 of the California Health and Safety Code, and any day care center for children regulated by Section 1596.90 et seq. of the California Health and Safety Code. It does not include foster homes or residential child care facilities.

D. “Cigarette” means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco and such roll weighs over three pounds per thousand, as defined in Revenue and Taxation Code Section 30003, as it may be subsequently amended or superseded.

E. “Dining area” means any area, including streets and sidewalks, that is available to or commonly used by the general public or an employee and which is designated, established or regularly used for the consumption of food or drink.

F. “E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette”, “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act. “E-cigarette” or “electronic cigarette” or “electronic smoking device” means any electronic or battery-operated device, the use of which resembles smoking, that can be used to deliver an inhalable dose of nicotine or other substances by delivering a vaporized solution. “E-cigarette”, “electronic cigarette,” or “electronic smoking device” includes any such electronic smoking device, whether manufactured, distributed, marketed or sold as an electronic cigarette, an electronic cigar, an electronic cigarillo, an electronic pipe, an electronic hookah, or any other product name or descriptor. “E-cigarette”, “electronic cigarette,” or “electronic smoking device” does not include any product specifically approved by the United States Food and Drug Administration for use in the mitigation, treatment, or prevention of disease.

G. “Employee” means any person who is employed by an employer for direct or indirect monetary wages or profit, including those employed full-time, part-time, temporary or contracted for from a third party; “employee” also means any person who performs services as a volunteer or intern for a business or nonprofit entity.

H. “Employer” means any person, business, corporation, entity, partnership, municipal corporation or agency, or nonprofit entity which employs the services of one or more persons, and includes the city.

I. “Enclosed” means closed in by a roof and three or more connected, floor-to-ceiling walls with appropriate openings for ingress and egress.

J. “Multifamily residential property,” for purposes of this chapter, means residential property containing two or more total units with one or more shared walls, floors or ceilings, including but not limited to rental complexes, apartments, residential cooperatives, condominium complexes, senior citizen residences, assisted living complexes and skilled nursing facilities. “Multifamily residential property” does not include:

1. A hotel or motel that meets the requirements of Section [1940\(b\)\(2\)](#) of the Civil Code;
2. A mobile home park;
3. A campground;
4. A single-family residence;
5. A single-family home with a detached in-law or second unit when permitted pursuant to a city ordinance and/or applicable state law.

K. “Mall” means enclosed public walkway or hall area which serves to connect retail or professional establishments, whether publicly or privately owned.

L. “Nonprofit entity” means any corporation, unincorporated association or other entity created for charitable, philanthropic, educational, character-building, political, social or other similar purposes, the net proceeds from the operation of which are not for private financial gain. A public agency is not a nonprofit entity within the meaning of this chapter.

M. “Open space” means any lot or area of land or water essentially or partially unimproved and set aside, dedicated, designated or reserved for public use or enjoyment, or for the use and enjoyment of owners and occupants of land adjoining or neighboring such open space.

N. “Place of employment” means any enclosed area under the control of a public, nonprofit, or private employer which employees normally frequent during the course of employment, including but not limited to work areas, employee lounges and restrooms, conference rooms and classrooms, vehicles, taxis, employee cafeterias or eating places, and hallways. A private residence is not a place of employment for the purposes of this chapter, unless it is used as a child care or health care facility, or unless it is used for a permitted home occupation having one or more employees, or which is visited by the public twice a month or more.

O. “Private club” means any eating establishment, organization, club, boardinghouse or guesthouse which gives or offers food for sale to the public, guests, patrons or employees, as well as kitchens in which food is prepared on the premises for serving elsewhere, including catering functions, except that the term “restaurant” shall not include bars.

P. “Recreational area” means any area that is publicly owned or controlled and open to the general public for recreational purposes. The term “recreational area” includes but is not limited to parks, picnic areas, playgrounds, sports fields, open space, walking paths, gardens, hiking trails, bike paths, riding trails, swimming pools, skateboard parks, and ice-skating rinks, but does not include golf courses.

Q. “Service area” means any publicly or privately owned area, including streets and sidewalks, that is designated to be used or is regularly used by one or more persons to wait for or receive a service or make a transaction, whether or not such service or transaction involves the exchange of money. The term “service area” includes automated teller machine waiting areas, all bus stops, light rail stops, and other local public transit facilities.

R. “Smoke” means the gases, particles or vapors released into the air by combustion, electronic ignition or vaporization when the apparent or usual purpose of the combustion, electronic ignition or vaporization is human inhalation of the resulting combustion products, including but not limited to tobacco smoke, cigarette smoke, marijuana smoke, and gases, aerosol or vapor released by the ignition of e-cigarettes or electronic smoking devices. “Smoke” does not include the product of combustion of incense or similar products when used solely for olfactory purposes and not containing tobacco or nicotine.

S. “Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking. “Smoking” means engaging in an act that generates smoke, as defined in subsection (R) of this section, including but not limited to the lighting or possession of a lighted pipe, cigar, cigarette, or hookah water pipe, an operating e-cigarette or electronic smoking device, as defined in subsection (F) of this section, or a lighted smoke inhalation device of any kind that generates smoke of any kind, from tobacco, marijuana, any liquid cartridge, or any other weed or plant. Smoking does not mean the operation of any device or product specifically approved by the United States Food and Drug Administration for the use in mitigation, treatment, or prevention of disease.

T. “Sports arena” means any sports pavilion, gymnasium, health spa, boxing arena, swimming pool, roller rink, ice rink, bowling alley, pool hall, and other similar places where members of the general public assemble to engage in physical exercise, participate in athletic competition, or witness sports events.

U. “Tobacco product” means:

1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;

2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or

3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act. “Tobacco product” shall mean any tobacco cigarette, cigar, pipe tobacco, smokeless tobacco, snuff, chewing tobacco, e-cigarette or electronic smoking device as defined in subsection (F) of this section, or any other form of tobacco or product containing at least 50 percent tobacco which may be utilized for smoking, chewing, inhalation or other manner of ingestion. “Tobacco product” shall not include any cessation product specifically approved by the United States Food and Drug Administration for use in treating nicotine or tobacco dependence, unless such product emits smoke as defined by subsection (R) of this section.

V. “Unenclosed area” means any area that is not an enclosed area.

W. “Work area” or “workplace” means any area of a place of employment enclosed by floor-to-ceiling walls in which two or more employees are assigned to perform work for an employer. [Ord. 14-2020 § 2; Ord. 13-2014 § 3; Ord. 9-2014 §§ 2 – 4; Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0810 § 2, 1990; SCC 610 § 2, 1984. Formerly 6.84.010, 6.84.015, 6.84.024, 6.84.041, 6.84.045, 6.84.055]

23.919.100 Smokers' lounge, hookah bar, e cigarette lounge and vapor lounge/bar**A. Purpose and Findings.**

1. The council finds that the use of hookah pipes, electronic cigarettes, and other similar devices in smokers' lounges, hookah bars, and vapor bars/lounges and the activities associated with such businesses (including loud music, large numbers of customers congregating for long periods, etc.) have been associated with increases in odors, noise, vapors, second-hand smoke, parking impacts, loitering, and disturbances in the peace. The purpose of this section is to prevent the overconcentration of this land use and to mitigate the negative impacts associated with this land use.
2. The council also finds that smoking and vaping uses expose minors to dangerous secondhand smoke by-products and increase the potential for minors to associate smoking of electronic tobacco devices and hookah pipes with a normative or healthy lifestyle.
3. The council also finds that the tobacco smoke, including secondhand smoke, from hookah pipes and electronic cigarettes contributes to indoor air pollution and is a significant health hazard and carcinogen to smokers and nonsmokers alike, including employees of smokers' lounges and hookah bars.
4. The U.S. Food and Drug Administration conducted laboratory analysis of electronic cigarette samples and found them to contain carcinogens and toxic chemicals to which users and bystanders could potentially be exposed, suggesting that the same health and public nuisance concerns present with conventional cigarettes exist with electronic cigarettes.
5. The U.S. Centers for Disease Control and Prevention reports that smoking a hookah has many of the same health risks as cigarette smoking; that hookah use by youth is increasing; that the charcoal used to heat hookah tobacco can have negative health risks because it produces high levels of carbon monoxide, metals, and carcinogens; that hookah smokers may absorb more of the toxic substances also found in cigarette smoke than cigarette smokers do; that secondhand smoke from hookahs can be a health risk for nonsmokers; and that new forms of electronic hookah smoking are now on the market and very little information is available on the health risks of electronic tobacco products.
6. The city has banned indoor smoking in places accessible to the public under Chapter 6.84 RCMC (Regulation of Smoking). However, California Labor Code Section 6404.5(d)(4) allows for indoor smoking within retail or wholesale tobacco shops and private smokers' lounges and such businesses do currently exist within the city; and therefore the council finds that it is necessary to enact clear and defined regulations for this use.

B. Applicability.

1. The provisions of this section shall apply in addition to other regulations of this zoning code and municipal code. In the event of a conflict between other sections and this section, this section shall control.
2. The provisions of this section shall apply to new facilities established following the effective date of the ordinance codified in this title. All legal, code-compliant smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges currently located in the city shall become legal, nonconforming uses and as such must comply with the regulations set forth in Chapter 23.170 RCMC.

C. Location. Smokers' lounges, hookah bars, e-cigarette, and vapor bars/lounges shall only be permitted in general commercial (GC) and light industrial (M-1) zoning districts.

D. Operational and Development Standards. The following operational and development standards shall apply to all smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges in the city and shall be included as conditions imposed upon any license, permit, or other entitlement granted for such a business:

1. Distance Requirements. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 500 feet from other e-cigarette lounges, hookah bars, smokers' lounges, smoke shops, and tobacco shops. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 1,000 feet from the following:

a. Public or private K-12 schools and day cares.

b. Libraries.

c. Churches.

d. Community and recreation centers.

e. Liquor stores.

f. Sexually oriented businesses.

g. Tattoo parlors.

h. Pawnshops.

i. Bars and nightclubs.

j. Card rooms.

k. Check cashing businesses.

l. Parks.

m. Residential zones.

2. The business shall be owner-operated or otherwise exempt from the prohibition of smoking in the workplace pursuant to California Labor Code Section 6404.5.

3. The establishments shall operate in compliance with all federal, state, county, and local laws and regulations.

4. Minors Prohibited. No persons under 21 years of age shall be permitted within the establishment, including as employees, and business owners or operators shall require proof of identification to verify the age of customers, visitors, and employees. This means that all employees must be at least 21 years of age.

5. Parking Standards. Parking shall be provided under the standards established for bars and nightclubs in Table 23.719-1, as may be amended from time to time.

6. Hours of Operation. Operating hours shall be limited to 8:00 a.m. to 10:00 p.m.

7. Indoor Operation Only. All business-related activity, including smoking, shall be conducted entirely within a building. Outdoor seating, operating outdoor barbecues or braziers, and/or lighting coals outdoors shall not be permitted.

8. Entertainment and Admission Charges Prohibited. No live entertainment, including dancers, singers, disc jockeys, or comedians shall be permitted within the business. No admission charges, including a cover charge or minimum purchase requirement, shall be permitted.

9. Food and beverages, including alcoholic beverages and prepackaged food and beverages, shall not be sold, served, or consumed on the premises.

10. Visibility and Illumination. No window coverings or signage shall prevent visibility of the interior of the establishment from the outside during operating hours. The interior of the establishment shall have lighting adequate to make the conduct of patrons within the establishment readily discernible to people of normal visual capabilities.

11. Ventilation. Adequate ventilation must be provided in accordance with all standards imposed by the building official and fire department, and those establishments by state or federal laws. The requirements imposed by the building official or fire department may be more comprehensive than current building codes to prevent negative health and nuisance impacts on neighboring properties, including a requirement for a separate system to prevent smoke and vapors from migrating to adjoining suites or buildings. The ventilation shall, at a minimum, prevent smoke and vapors from migrating into adjacent buildings and/or suites and to outdoor public areas. A mechanical exhaust hood system shall be required if an establishment heats coals indoors.

12. Noise. Any amplified noise shall be subject to the regulations established in the municipal code, including those in Chapter 6.68 RCMC (Noise Control) and Chapter 23.737 RCMC (Noise, Odor, and Vibration Performance Standards), as may be amended from time to time.

13. Security. Uniformed security guard(s) shall be provided, as deemed necessary by the chief of police or his/her designee.

E. Penalties and Enforcement. Any violation of this section shall be enforced under Chapter 23.173 RCMC. [Ord. 4-2017 § 3 (Exh. B); Ord. 1-2016 § 2].

MEMORANDUM

ITEM 12.1.

DATE: May 16, 2022

TO: Honorable Mayor and Council Members

FROM: Michelle Mingay, Senior Finance Analyst

SUBJECT: **A RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF THE CITY OF RANCHO CORDOVA COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA), APPROVING AND DIRECTING THE EXECUTION OF A SUPPLEMENTAL FISCAL AGENT AGREEMENT AND BOND PURCHASE AGREEMENT, APPROVING THE FORM OF THE PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING RELATED DOCUMENTS AND ACTIONS**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of this resolution will authorize the sale of the second series of Special Tax Bonds (the "Bonds") for and on behalf of Community Facilities District No. 2014-1 (Montelena) for the purpose of providing money for the acquisition and construction of improvements, and the payment of certain development impact fees related to the project, within the Community Facilities District.

BACKGROUND

Community Facilities District No. 2014-1 (Montelena) ("CFD 2014-1") or (the "District") was formed in 2014 to assist in the financing of the acquisition and construction of certain public facilities and payment of certain fees within the Montelena project. Through various City Council actions, the City Council has declared the necessity to incur bonded indebtedness in a maximum principal amount not to exceed \$28,250,000.

On July 27, 2021, the City issued its \$10,000,000 City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2021, which was the first series of bonds under the authorization.

Based on the current status of the property within the District, the appraisal estimates the value of the property within the District at approximately \$220 million. This has created an opportunity for the District to issue special tax bonds. Based on the expected par amount of \$9.78 million,

the property value compared to bonded debt lien would exceed the required 4:1 value to lien requirement, which is consistent with prior special tax bonds issued within the City.

The financing-related resolution approves the sale of the Bonds in an amount not to exceed \$12 million, approves the Supplemental Agreement No. 1 to Fiscal Agent Agreement, approves the Bond Purchase Agreement, approves the Preliminary Official Statement and authorizes related documents on behalf of the District. Descriptions of these documents are as follows:

Supplemental Agreement No. 1 to Fiscal Agent Agreement: Supplemental Agreement No. 1 to Fiscal Agent Agreement allows U.S. Bank to act on behalf of the City to provide for the issuance of the Bonds, the disbursement of proceeds of the Bonds, the disposition of the special taxes securing the Bonds, and the administration and payment of the Bonds.

Bond Purchase Agreement: The Bond Purchase Agreement is a legally binding document between the issuer (City on behalf of the District) and an underwriter (Piper Sandler & Co.) establishing the terms of the Bond sale. The underwriter will put the Bonds on the market at the price and yield established during the Bond pricing call and agreed to by the City, currently scheduled for the week of May 30th. Approximately two weeks later the City delivers the Bonds to the underwriter and the underwriter pays the City for them, and investors purchase the Bonds from the underwriter.

Preliminary Official Statement: The preliminary Official Statement is a document that serves as the offering prospectus for the Bonds used by the underwriter to market the Bonds and indicates the security (special taxes) and source of payment for the Bonds. It is the City's disclosure document relied on by Bond investors for making a purchase decision and discloses associated investment risks. A final version of Official Statement is produced once the pricing is determined.

Assuming the City Council approves this financing, staff will work with the Bond finance team to determine the final Bond sizing, and the preliminary Official Statement will be finalized and posted electronically for investors to review. Assuming the market remains stable, the City; NHA Advisors, LLC, the City's Municipal Advisor; and Piper Sandler & Co., the bond underwriter, will hold a pre-pricing call the week of May 30, 2022 to review bond market conditions and the preliminary interest rates, after which, the Bonds will be sold. An authorized officer will then execute, on behalf of the City, a Bond Purchase Agreement with Piper Sandler & Co., finalizing the bond interest rates and setting the delivery date.

FISCAL IMPACT AND FUNDING SOURCE

None. The Special Tax Bonds are secured solely by the Special Taxes levies within the District and are not a debt of the City's General Fund. Costs of issuance are payable solely from Bond proceeds.

In accordance with Government Code 5852.1, the following information consists of estimates of certain costs and charges for the Bonds that have been provided by NHA Advisors, LLC, the City's municipal advisor, which has been represented by such party to have been provided in good faith as of May 5, 2022: (1) estimated true interest cost of the Bonds: 5.03%; (2) estimated finance charge of the Bonds (sum of all fees and charges paid to third parties): \$504,915; (3) estimated amount of proceeds of the Bonds received by the City (net of finance charges, reserves and capitalized interest, if any): \$10,487,623; and (4) estimated total payment amount (sum total of all payments to pay debt service on the Bonds plus the finance

charge not paid with proceeds of the Bonds) calculated to the final maturity of the Bonds: \$20,254,088.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF THE CITY OF RANCHO CORDOVA COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA), APPROVING AND DIRECTING THE EXECUTION OF A SUPPLEMENTAL AGREEMENT TO FISCAL AGENT AGREEMENT AND BOND PURCHASE AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS

WHEREAS, the City Council has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the "Act"), to form the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) (the "CFD"), to authorize the levy of special taxes upon the land within the CFD, and to issue bonded indebtedness secured by said special taxes for the purpose of providing moneys for the construction and acquisition of improvements, and the payment of certain fees, authorized for the CFD; and

WHEREAS, on June 2, 2014, the City Council, as legislative body of the CFD, and the qualified electors of the CFD, authorized the issuance of bonded indebtedness for the CFD in the maximum principal amount of not to exceed \$28,250,000 (the "Authorization"); and

WHEREAS, on July 27, 2021, the City previously issued for and on behalf of the CFD, the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Series 2021 (the "2021 Bonds") in the initial principal amount of \$10,000,000, which 2021 Bonds constituted the first series of bonds issued pursuant to the Authorization; and

WHEREAS, the City now desires to issue a second series of the special tax bonds pursuant to the Authorization, as described in more detail herein (the "Bonds"); and

WHEREAS, there has been submitted to the City Council a Supplemental Agreement No. 1 to Fiscal Agent Agreement (the "Supplemental Agreement"), which will supplement and amend the Fiscal Agent Agreement, dated as of July 1, 2021 (as so supplemented, the "Fiscal Agent Agreement"), between the City and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent, providing for the issuance of the Bonds of the City for the CFD, and the City Council, with the aid of City staff, has reviewed the Supplemental Agreement and found it to be in proper order, and now desires to approve the Supplemental Agreement and the issuance of the Bonds; and

WHEREAS, the City proposes to sell the Bonds to Piper Sandler & Co., as underwriter (the "Underwriter"), pursuant to the terms of a Bond Purchase Agreement by and between the City and the Underwriter, and the Underwriter proposes to offer the Bonds to the investing public by means of a Preliminary Official Statement, and the City Council, with the aid of City staff, has reviewed the Bond Purchase Agreement and the Preliminary Official Statement and found them to be in proper order, and now desires to approve said documents; and

WHEREAS, the information required to be obtained and disclosed with respect to the Bonds by the City Council in accordance with Section 5852.1 of the California Government Code is set forth in the staff report accompanying this Resolution; and

WHEREAS, all conditions, things and acts required to exist and to have been performed precedent to and with respect to the issuance of the Bonds and the levy of the special taxes securing the Bonds, as contemplated by this resolution and the Fiscal Agent Agreement, have happened and exist as required by the laws of the State of California, including the Act, and the actions to be performed in due time for the issuance of the Bonds conform in form and manner to the applicable laws of the State of California, including the Act.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA:

SECTION 1. Findings. This Council finds and determines that (i) it is prudent in the management and development of land in the City and the CFD to issue the Bonds to provide money for the construction and acquisition of improvements, and the payment of certain fees, authorized for the CFD, and (ii) the Bonds and the CFD are substantially in compliance with the City's policies for community facilities district financing under the Act.

SECTION 2. Law Applicable. For the purposes of these proceedings in and for the CFD, the Act shall be the authority for the issuance of the Bonds.

SECTION 3. Bonds Authorized. Pursuant to the Act, this Resolution and the Fiscal Agent Agreement, the Bonds, in an aggregate principal amount not to exceed \$12,000,000, are hereby authorized to be issued. The Bonds shall be executed in the form set forth in, and otherwise as provided in, the Fiscal Agent Agreement, as supplemented by the Supplemental Agreement. The Bonds shall be dated and executed in the forms, be in the principal amounts, denominations, mature, be payable at the place and in the priorities and bear interest at the rates as set forth in and otherwise as provided in the Fiscal Agent Agreement.

The Bonds shall not be issued unless the value of the real property within the CFD subject to the special tax to pay debt service on the Bonds, based on assessed values and/or an appraisal by an independent appraiser hired by the City for the purpose of determining such value, is at least four times the aggregate principal amount of the 2021 Bonds and the Bonds proposed to be issued and secured by a special tax levied pursuant to the Act on property within the CFD.

SECTION 4. Supplemental Agreement. The Supplemental Agreement is hereby approved. The date, manner of payment, interest rate or rates, interest payment dates, denominations, form, registration privileges, manner of execution, place of payment, terms of redemption and other terms of the Bonds shall be as provided in the Fiscal Agent Agreement and Supplemental Agreement, as finally executed. The terms and provisions of the Supplemental Agreement, as finally executed, are incorporated herein by reference as if fully set forth herein.

The City Manager, Deputy City Manager, Administrative Services Director or such other person or persons as any of them may designate (each an "Authorized Officer") are hereby separately authorized and directed to execute and deliver the Fiscal Agent Agreement in substantially the form on file with the City Clerk, with such additions thereto or changes therein as are approved by the Authorized Officer upon consultation with City's bond counsel, and including but not limited to such additions or changes as are necessary or advisable to permit the timely issuance, sale and delivery of the Bonds; provided, however, that no additions or changes shall authorize the issuance of an aggregate principal amount of Bonds which would cause bonds issued for the CFD to be in excess of the Authorization. The approval of such additions or

changes shall be conclusively evidenced by the execution and delivery of the Supplemental Agreement by an Authorized Officer.

SECTION 5. Bond Preparation and Delivery; Sale of the Bonds. The Bonds, when executed, shall be delivered to the fiscal agent for authentication. The fiscal agent is hereby requested and directed to authenticate the Bonds by executing the fiscal agent's certificate of authentication and registration appearing thereon, and to deliver the Bonds, when duly executed and authenticated, to the Underwriter in accordance with written instructions executed on behalf of the City by the Mayor and/or an Authorized Officer, which instructions are hereby authorized, for and in the name and on behalf of the City, to be delivered.

SECTION 6. Covenant to Foreclose. The City hereby covenants, for the benefit of the owners of the Bonds, to commence and diligently pursue to completion any foreclosure action regarding delinquent installments of any amount levied as a special tax for the payment of debt service on the Bonds, said foreclosure action to be commenced and pursued as more completely set forth in the Fiscal Agent Agreement.

SECTION 7. Approval of Preliminary Official Statement. The City Council hereby approves the Preliminary Official Statement in substantially the form presented to the City Council at this meeting. The Authorized Officers are each hereby authorized and directed to execute a final Official Statement (the "Official Statement"), for and in the name and on behalf of the City, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with the City's bond counsel. The City Council hereby authorizes and directs the Underwriter to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and to deliver copies of the Official Statement to all actual purchasers of the Bonds. The City Council hereby authorizes the delivery of the Preliminary Official Statement and the Official Statement. The City Council hereby approves the Continuing Disclosure Certificate to be executed by a representative of the City, the form of which is attached as an exhibit to the Preliminary Official Statement.

The City Council hereby authorizes and directs an Authorized Officer, on behalf of the City, to deem "final," pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934, the Preliminary Official Statement prior to its distribution to prospective purchasers of the Bonds.

SECTION 8. Approval of Purchase Agreement. The City Council hereby approves the Bond Purchase Agreement; provided, however, that the aggregate principal amount of Bonds shall not exceed \$12,000,000 or result in an Underwriter's discount in excess of 1.275% of the par amount of the Bonds, or a true interest cost in excess of 6.0%. Subject to the foregoing parameters, an Authorized Officer is hereby authorized and directed to execute the Bond Purchase Agreement in substantially the form on file with the City Clerk, together with such changes and additions thereto deemed advisable by the Authorized Officer executing the same. The City Council hereby finds and determines that the sale of the Bonds at negotiated sale as contemplated by the Bond Purchase Agreement will result in a lower overall cost.

SECTION 9. Actions Authorized. All actions heretofore taken by the officers, employees and agents of the City with respect to the establishment of the CFD and the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and the Authorized Officers are hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds in

ITEM 12.1.

ATTACHMENT 1

accordance with this Resolution, and any certificate, agreement, and other document described in the documents herein approved. All actions to be taken by an Authorized Officer as specified herein, may be taken by the Authorized Officer or any designee, with the same force and effect as if taken by such Authorized Officer.

SECTION 10. Effectiveness. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 16th day of May, 2022, by the following vote:

SUPPLEMENTAL AGREEMENT NO. 1 TO FISCAL AGENT AGREEMENT

THIS SUPPLEMENTAL AGREEMENT NO. 1 TO FISCAL AGENT AGREEMENT (this "Supplemental Agreement No. 1"), is made and entered into and dated as of June 1, 2022, by and between the City of Rancho Cordova, California, a municipal corporation and public body, corporate and politic, organized and existing under and by virtue of the Constitution and laws of the State of California (the "City") for and on behalf of the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) (the "District"), and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent (the "Fiscal Agent") under a Fiscal Agent Agreement, dated as of July 1, 2021 (the "Original Fiscal Agent Agreement") by and between the Fiscal Agent and the City.

RECITALS:

WHEREAS, the City Council of the City has formed the District under the provisions of the Mello-Roos Community Facilities Act of 1982, as amended (constituting Section 53311 *et seq.* of the California Government Code) (the "Act"); and

WHEREAS, the City Council, as the legislative body of the District, is authorized under the Act to levy special taxes to pay for the costs of facilities within the District and to authorize the issuance of bonds secured by said special taxes under the Act; and

WHEREAS, the Council, as legislative body of the District, authorized the issuance of special tax bonds of the City for the District in the maximum aggregate principal amount of not to exceed \$28,250,000 (the "Authorization"); and

WHEREAS, pursuant to the provisions of the Act and the Original Fiscal Agent Agreement, on July 27, 2021, the City previously issued, for and on behalf of the District, \$10,000,000 initial principal amount of City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2021 (the "2021 Bonds") for the purpose of financing various public improvements authorized to be funded by the District, which 2021 Bonds constituted the first series of bonds issued pursuant to the Authorization; and

WHEREAS, Section 5.17 of the Original Fiscal Agent Agreement authorizes the issuance by Supplemental Agreement of Additional Bonds (as such terms are defined in the Original Fiscal Agent Agreement) secured under the Original Fiscal Agent Agreement on parity with the 2021 Bonds; and

WHEREAS, after due investigation and deliberation the City has determined that it is in the interests of the City and the District at this time for the City, for and on behalf of the District, to provide for the issuance of City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2022 in the initial aggregate principal amount of \$_____ (the "2022 Bonds"), to provide moneys needed to construct and acquire the facilities, and the payment of certain fees, necessary for development of property within the City; and

WHEREAS, this Supplemental Agreement No. 1 is a "Supplemental Agreement" as defined in Section 1.03 of the Original Fiscal Agent Agreement and the 2022 Bonds are "Additional Bonds" as defined in Section 1.03 of the Original Fiscal Agent Agreement and

secured under the Original Fiscal Agent Agreement, as amended and supplemented by this Supplemental Agreement No. 1, on parity with the 2021 Bonds;

WHEREAS, the City and the Fiscal Agent desire to enter into this Supplemental Agreement No. 1 pursuant to Sections 5.17 of the Original Fiscal Agent Agreement and to provide for the issuance of the 2022 Bonds;

WHEREAS, to provide for the issuance of the 2022 Bonds, it is necessary to supplement and amend the Original Fiscal Agent Agreement, as more particularly provided herein, as authorized by Sections 5.17 and 8.05 of the Original Fiscal Agent Agreement; and

WHEREAS, the City has determined that all acts and proceedings required by law necessary to make the 2022 Bonds, when executed by the City for the District, authenticated and delivered by the Fiscal Agent and duly issued, the valid, binding and legal special obligations of the City for the District, and to constitute the Original Fiscal Agent Agreement, as amended and supplemented by this Supplemental Agreement No. 1, a valid and binding agreement for the uses and purposes herein and therein set forth, in accordance with its terms, have been done or taken and the execution and delivery of this Supplemental Agreement No. 1 have been in all respects duly authorized.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

SECTION 1. Supplement to Original Fiscal Agent Agreement. In accordance with the provisions of Section 5.17 and 8.05 of the Original Fiscal Agent Agreement, the Original Fiscal Agent Agreement is hereby amended by adding a new article thereto, to be designated as Article X. Such Article X shall read in its entirety as follows:

ARTICLE X

2022 BONDS

Section 10.01. Definitions. The Original Fiscal Agent Agreement is amended to add the following definitions to Section 1.03.

“Agreement” or “Fiscal Agent Agreement” means the Original Fiscal Agent Agreement, as supplemented and amended by Supplemental Agreement No. 1.

“Article X” means this Article X which has been incorporated in and made a part of this Agreement pursuant to Supplemental Agreement No. 1, together with all amendments of and supplements to this Article X entered into pursuant to the provisions of Section 8.01.

“Continuing Disclosure Certificate” means (i) with respect to the 2021 Bonds, the Continuing Disclosure Certificate, dated as of closing date for the 2021 Bonds, by and between the City and Goodwin Consulting Group, as dissemination agent, and (ii) with respect to the 2022 Bonds, the Continuing Disclosure Certificate, dated as of closing date for the 2022 Bonds, by and among the City and Goodwin Consulting Group, as dissemination agent, in

ITEM 12.1.

ATTACHMENT 2

each case, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

“Closing Date” means, when referring to the 2022 Bonds and as used in this Supplemental Agreement No. 1, June _____, 2022.

“Interest Payment Dates” means (i) with respect to the 2021 Bonds, March 1 and September 1 of each year, commencing March 1, 2022, and (ii) with respect to the 2022 Bonds, March 1 and September 1 of each year, commencing September 1, 2022.

“Supplemental Agreement No. 1” means Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022, between the City, for and on behalf of the District, and the Fiscal Agent.

“2022 Bonds” means the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2022, authorized to be issued under Section 10.02.

“2022 Costs of Issuance” means items of expense payable or reimbursable directly or indirectly by the City and related to the authorization, sale and issuance of the 2022 Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing and binding documents, closing costs, filing and recording fees, initial fees, expenses and charges of the Fiscal Agent including its first annual administration fee, expenses incurred by the City in connection with the issuance of the 2022 Bonds, municipal advisor fees, (underwriter’s) discount or underwriting fee for the 2022 Bonds, legal fees and charges, including bond counsel, disclosure counsel, charges for execution, transportation and safekeeping of the 2022 Bonds and other costs, charges and fees in connection with the foregoing.

“2022 Costs of Issuance Fund” means the fund by that name established and held by the Fiscal Agent pursuant to Section 10.07.

“2022 Improvement Account” means the account by that name established in Section 10.08(A) of this Supplemental Agreement No. 1.

“2022 Reserve Account” means the account by that name established in Section 10.06(B) of this Supplemental Agreement No. 1.

“Term 2022 Bonds” means the 2022 Bonds maturing September 1, 20____ and September 1, 20____.

Section 10.02. Authorization of 2022 Bonds. 2022 Bonds in the aggregate principal amount of \$_____ are hereby authorized to be issued as Additional Bonds under and subject to the terms of the Fiscal Agent Agreement, the Act, and other applicable laws of the State of California. The 2022 Bonds shall be designated the “City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2022.”

Jurisdiction is hereby reserved to issue subsequent Additional Bonds; provided that the maximum aggregate principal amount of bonds which may be issued for the District shall not exceed the Authorization.

Section 10.03. Terms of 2022 Bonds.

(A) Form; Denominations. The 2022 Bonds shall be issued as fully registered Bonds without coupons in the denomination of \$5,000 or any integral multiple of \$5,000 in excess thereof.

(B) Date of the 2022 Bonds. The 2022 Bonds shall be dated the Closing Date for the 2022 Bonds.

(C) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the 2022 Bonds, but such numbers shall not constitute a part of the contract evidenced by the 2022 Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the 2022 Bonds. In addition, failure on the part of the City or the Fiscal Agent to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice.

(D) Maturities, Interest Rates. The 2022 Bonds shall be issued as serial bonds and term bonds, and shall mature and become payable as follows:

<u>Maturity (September 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>CUSIP[†]</u>
-----------------------------------	-----------------------------	--------------------------	--------------------------

[†] Term Bond

(E) Interest and Method of Payment. Interest on the 2022 Bonds shall be payable as provided in Section 2.02(E) of this Agreement, with the Closing Date as used therein being a Closing Date herein, and payments shall be made on the 2022 Bonds as provided in Section 2.02(F), with the first Interest Payment Date being September 1, 2022. **[Confirm]**

Section 10.04. Redemption of 2022 Bonds.(A) Redemption Dates.

(i) Optional Redemption. The 2022 Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, 20__ through August 31, 20__	103%
September 1, 20__ through August 31, 20__	102
September 1, 20__ through August 31, 20__	101
September 1, 20__ and any date thereafter	100

(ii) Mandatory Redemption From Prepayments. The 2022 Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

(iii) Mandatory Sinking Payment Redemption. The Term 2022 Bonds maturing September 1, 20__ and September 1, 20__ are subject to mandatory sinking payment redemption in part, by lot, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

September 1, 20__ Term Bonds

**Mandatory
Redemption Date
(September 1)**

**Sinking Fund
Payment**

September 1, 20__ Term Bonds

**Mandatory
Redemption Date
(September 1)**

**Sinking Fund
Payment**

The amounts in the foregoing tables shall be reduced pro rata, at the direction of the City in an Officer's Certificate, as a result of any prior partial optional or mandatory redemption of the Term 2022 Bonds pursuant to clause (A)(i) or clause (A)(ii) above. In the event of a redemption pursuant to clause (A)(i) or clause (A)(ii) above, the City shall provide the Fiscal Agent with a revised sinking fund schedule giving effect to the redemption so completed.

In lieu of redemption under this Section 10.04, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2022 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2022 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

(B) Notice to Fiscal Agent. The City shall give the Fiscal Agent an Officer's Certificate containing notice of its intention to redeem 2022 Bonds pursuant to clause (A)(i) or clause (A)(ii) not less than 45 days prior to the applicable redemption date.

(C) Redemption Procedure by Fiscal Agent; Rescission; Effect of Redemption. The redemption provisions set forth in Section 2.03(C) and Section 2.03(D) shall apply to the 2022 Bonds as if set forth herein.

Section 10.05. Form of 2022 Bonds; Authentication and Delivery.

(A) Form of 2022 Bonds. The 2022 Bonds, the form of Fiscal Agent's certificate of authentication, and the form of assignment to appear thereon, shall be substantially in the respective form set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by the Agreement and the Act.

(B) Execution of 2022 Bonds. The 2022 Bonds shall be executed on behalf of the City by the Mayor and the City Clerk of the City who are in office on the date of adoption of this

ITEM 12.1.

ATTACHMENT 2

Agreement or at any time thereafter, and the seal of the City may be impressed, imprinted or reproduced by facsimile signature thereon. If any officer whose signature appears on any 2022 Bond ceases to be such officer before delivery of the 2022 Bonds to the Owner, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the 2022 Bonds to the Owner. Any 2022 Bond may be signed and attested on behalf of the City by such persons as at the actual date of the execution of such 2022 Bond shall be the proper officers of the City although at the nominal date of such 2022 Bond any such person shall not have been such officer of the City.

Only such of the 2022 Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A attached hereto (Exhibit B to the Fiscal Agent Agreement), manually or electronically executed and dated by the Fiscal Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Agreement, and such certificate of the Fiscal Agent shall be conclusive evidence that such 2022 Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Agreement.

(C) Authentication and Delivery of 2022 Bonds; Transfer and Exchange. At any time after the execution of Supplemental Agreement No. 1 and delivery by the City of an Officer's Certificate that the requirements of Section 5.17 for the issuance of the 2022 Bonds as Additional Bonds have been met, the City may issue the 2022 Bonds for the District in the aggregate principal amount set forth in Section 10.02 and deliver the 2022 Bonds to the Original Purchaser. The Authorized Officers of the City are hereby authorized and directed to deliver any and all documents and instruments necessary to cause the issuance of the 2022 Bonds in accordance with the provisions of the Act and this Agreement, as supplemented by Supplemental Agreement No. 1, to authorize the payment of 2022 Costs of Issuance and costs of the Project by the Fiscal Agent from the proceeds of the 2022 Bonds and to do and cause to be done any and all acts and things necessary or convenient for delivery of the 2022 Bonds to the Original Purchaser.

(D) Additional Provisions of 2022 Bonds. The provisions of Sections 2.06 through 2.13 of the Original Fiscal Agent Agreement shall apply to the 2022 Bonds in a like manner as applied to the 2021 Bonds.

Section 10.06. Application of Proceeds of Sale of 2022 Bonds.

(A) Proceeds of 2022 Bonds. The proceeds of the purchase of the 2022 Bonds by the Original Purchaser in the amount of \$_____ (which represents the aggregate principal amount of the 2022 Bonds (\$_____.00), plus [net] original issue premium of \$_____, and less an Underwriter's discount of \$_____), shall be paid to the Fiscal Agent, who shall forthwith set aside, pay over and deposit such proceeds on the Closing Date as follows:

- (i) Deposit in the 2022 Improvement Account of the Improvement Fund \$_____;
- (ii) Deposit in the 2022 Reserve Account of the Reserve Fund \$_____;
and
- (iii) Deposit in the 2022 Costs of Issuance Fund \$_____.

(B) 2022 Reserve Account. The City elects not to proceed with a parity reserve fund for all Series of Bonds issued for the District; amounts in the 2021 Reserve Account of the Reserve Fund established for the 2021 Bonds shall not be available to any other Series of Bonds. The 2022 Bonds and each future Series of Additional Bonds shall be secured by a separate stand-alone reserve account within the Reserve Fund, as a separate reserve from each other Series, as provided in this Supplemental Agreement No. 1 and in each other applicable Supplemental Agreement (if any).

In accordance with Section 4.03(A), the Fiscal Agent shall establish a separate account within the Reserve Fund, known as the "2022 Reserve Account," into which the amounts set forth in Section 10.06(A)(ii) shall be deposited. The 2021 Reserve Account and the 2022 Reserve Account shall be held by the Fiscal Agent within the Reserve Fund, and administered as set forth in the Agreement. The Reserve Requirement for the 2022 Bonds shall be satisfied in cash on the Closing Date for the 2022 Bonds and shall not increase at any time.

The 2022 Bonds shall be secured by a pledge of amounts in the 2022 Reserve Account, which pledge shall constitute a first lien on the 2022 Reserve Account for payment of the 2022 Bonds.

(C) Additional Funds and Accounts. The Fiscal Agent may, in its discretion, establish a temporary fund or account in its books and records to facilitate transfers required under this Section 10.06.

Section 10.07. 2022 Costs of Issuance Fund. There is hereby established a separate fund to be known as the "2022 Costs of Issuance Fund," which shall be held by the Fiscal Agent in trust. Amounts in the Costs of Issuance Fund shall be disbursed from time to time to pay 2022 Costs of Issuance, as set forth in an Officer's Certificate containing respective amounts to be paid to the designated payees, signed by the Administrative Services Director or a designee thereof and delivered to the Fiscal Agent. The Fiscal Agent shall pay all 2022 Costs of Issuance upon receipt of an invoice from any such payee which requests payment in an amount which is less than or equal to the amount set forth with respect to such payee in such Officer's Certificate, or upon receipt of an Officer's Certificate requesting payment of a 2022 Costs of Issuance not listed on the initial Officer's Certificate delivered to the Fiscal Agent on the Closing Date. The Fiscal Agent shall maintain the 2022 Costs of Issuance Fund for a period of 45 days from the Closing Date and then shall transfer any moneys remaining therein, including any investment earnings thereon, to the 2022 Improvement Account. Thereafter, every invoice received by the Fiscal Agent shall be paid from amounts on deposit in the 2022 Improvement Account and the Fiscal Agent shall close the 2022 Costs of Issuance Fund. Moneys in the 2022 Costs of Issuance Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment shall be retained by the Fiscal Agent in the 2022 Costs of Issuance Fund to be used for the purposes of such fund.

Section 10.08. Establishment and Procedure for Disbursement of 2022 Improvement Account.

(A) Establishment; Disbursements. There is hereby established a separate account within the Improvement Fund established under the Original Fiscal Agent Agreement, to be known as the "2022 Improvement Account," which shall be held by the Fiscal Agent. Disbursements from the 2022 Improvement Account shall be made by the Fiscal Agent according to Officer's Certificates submitted by the City, as described in Section 3.04.

(B) Investment. Moneys in the Improvement Fund and the accounts established thereunder shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits from the investment of amounts in the Improvement Fund shall be retained by the Fiscal Agent in the Improvement Fund to be used for the purposes of the Improvement Fund.

(C) Closing of Fund. Upon the filing of an Officer's Certificate stating that the portion of the Project to be financed from the Improvement Fund and the accounts established thereunder has been completed and that all costs of such portion of the Project have been paid or are not required to be paid from the Improvement Fund, the Fiscal Agent shall transfer the amount, if any, remaining in the Improvement Fund to the Bond Fund for application to the payment of principal of and interest on the Bonds in accordance with Section 4.02 and the Improvement Fund shall be closed.

Section 10.09. Security for 2022 Bonds. The 2022 Bonds shall be Additional Bonds which shall be secured in the manner and to the extent set forth in Articles IV and V, and in this Article X.

Section 10.10. Effect of this Article X. Except as in this Article X expressly provided or except to the extent inconsistent with any provision of this Article X, the 2022 Bonds shall be deemed to be "Bonds" under and within the meaning of Section 1.03, and every term and condition contained in the foregoing provisions of this Agreement shall apply to the 2022 Bonds with full force and effect, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Article X.

SECTION 2. Form of 2022 Bonds. The Original Fiscal Agent Agreement is hereby further amended by incorporating therein an Exhibit B setting forth the form of the 2022 Bonds, which shall read in its entirety as set forth in Exhibit A attached hereto and hereby made a part hereof.

SECTION 3. Additional Amendments to Original Fiscal Agent Agreement. The Original Fiscal Agent Agreement is hereby further amended as follows:

(A) References in the Original Fiscal Agent Agreement to the 2021 Bonds which, if the context requires reference to the 2021 Bonds and any Additional Bonds in order to maintain the parity relationship of the 2021 Bonds and any Additional Bonds and the security therefor, shall be deemed to refer to "Bonds" as defined in the Original Fiscal Agent Agreement rather than "2021 Bonds."

(B) Section 5.17(a) of the Original Fiscal Agent Agreement is amended to read in its entirety as follows: "Following the issuance of the 2022 Bonds, Additional Bonds may only be issued to refund Outstanding Bonds and if the annual debt service on the refunding Bonds is less than the annual debt service on the Bonds being refunded for each year such refunding Bonds are scheduled to be Outstanding. Nothing in this Section or in this Agreement contained shall prevent or be construed to prevent the Supplemental Agreement providing for the (i) issuance of Additional Bonds from pledging or otherwise providing, in addition to the security given or intended to be given by this Agreement, additional security for the benefit of such Additional Bonds or any portion thereof, or (ii) issuance of bonds, notes or other obligations secured by Special Taxes on a basis subordinate to the pledge securing the Bonds."

(C) Section 8.01 of the Original Fiscal Agent Agreement is amended to add the following subsection: “(E) To provide for the issuance of Additional Bonds as permitted by Section 5.17.”

SECTION 4. Partial Invalidity. If any section, paragraph, sentence, clause or phrase of this Supplemental Agreement No. 1 shall for any reason be held illegal, invalid or unenforceable, such holding shall not affect the validity of the remaining portions of this Supplemental Agreement No. 1. The City hereby declares that it would have entered into this Supplemental Agreement No. 1 and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the 2022 Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Supplemental Agreement No. 1 may be held illegal, invalid or unenforceable.

SECTION 5. Execution in Counterparts. This Supplemental Agreement No. 1 may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 6. Governing Law. This Supplemental Agreement No. 1 shall be construed and governed in accordance with the laws of the State of California applicable to contracts made and performed in such State.

IN WITNESS WHEREOF, the City and the Fiscal Agent have caused this Supplemental Agreement No. 1 to Fiscal Agent Agreement to be executed as of June 1, 2022.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: *** _____ DOLLARS***

The City of Rancho Cordova (the "City") for and on behalf of the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) (the "District"), for value received, hereby promises to pay solely from the Special Tax (as hereinafter defined) to be collected in the District or amounts in certain funds and accounts held under the Agreement (as hereinafter defined), to the Registered Owner named above, or registered assigns (the "Owner"), on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such principal amount from the Bond Date shown above, or from the most recent Interest Payment Date (as hereinafter defined) to which interest has been paid or duly provided for, semiannually on March 1 and September 1, commencing September 1, 2022 (the "Interest Payment Dates"), at the Interest Rate set forth above, until the principal amount hereof is paid or made available for payment. The principal of this Bond is payable to the Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at a designated corporate trust office of U.S. Bank Trust Company, National Association in San Francisco, California (the "Fiscal Agent"). Interest on this Bond shall be paid by check of the Fiscal Agent mailed by first class mail on each Interest Payment Date to the Owner hereof as of the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs (the "Record Date") at such Owner's address as it appears on the registration books maintained by the Fiscal Agent, or by wire transfer made on such Interest Payment Date upon written instructions delivered to the Fiscal Agent by the applicable Record Date of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds.

This Bond is one of a duly authorized issue of bonds approved by resolution of the City Council of the City on _____, 2022 (the "Resolution"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311, *et seq.*, of the California

ITEM 12.1.

ATTACHMENT 2

Government Code (the "Mello-Roos Act") for the purpose of providing moneys for the construction and acquisition of improvements within the District, and is one of the bonds designated "City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2022" (the "Bonds"). The issuance of the Bonds and the terms and conditions thereof are provided for by a Fiscal Agent Agreement, dated as of July 1, 2021, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement dated as of June 1, 2022 (together, the "Agreement"), by and between the City and the Fiscal Agent and this reference incorporates the Agreement herein, and by acceptance hereof the Owner of this Bond assents to said terms and conditions. The Agreement is authorized under, this Bond is issued under and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Mello-Roos Act, the Agreement and the Resolution, the principal of and interest on this Bond are payable, on parity with previously issued bonds of the District, solely from annual special tax authorized under the Mello-Roos Act to be collected within the District (the "Special Tax") and certain funds held under the Agreement.

Interest on this Bond shall be payable from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) such date of authentication is after a Record Date but on or prior to an Interest Payment Date, in which event interest will be payable from such Interest Payment Date, or (iii) such date of authentication is prior to the first Record Date, in which event interest will be payable from the Bond Date shown above; provided however, that if at the time of authentication of this Bond, interest is in default hereon, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment hereon.

Any tax for the payment hereof shall be limited to the Special Tax, except to the extent that provision for payment has been made by the City as may be permitted by law. The Bonds do not constitute obligations of the City for which the City is obligated to levy or pledge, or has levied or pledged, general or special taxation other than described herein above.

The Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, 20__ through August 31, 20__	103%
September 1, 20__ through August 31, 20__	102
September 1, 20__ through August 31, 20__	101
September 1, 20__ and any date thereafter	100

The Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

The Bonds maturing September 1, 20__ and September 1, 20__ (the "Term Bonds") are subject to mandatory sinking payment redemption in part, by lot, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

September 1, 20__ Term Bonds

Mandatory Redemption Date (September 1)	Sinking Fund Payment
--	---------------------------------

September 1, 20__ Term Bonds

Mandatory Redemption Date (September 1)	Sinking Fund Payment
--	---------------------------------

The amounts in the foregoing tables shall be reduced pro rata, at the direction of the City in an Officer's Certificate, as a result of any prior partial optional or mandatory redemption of the Term Bonds.

Notice of redemption with respect to the Bonds to be redeemed shall be given to the Owners thereof, in the manner, to the extent and subject to the provisions of the Agreement.

This Bond shall be registered in the name of the Owner hereof, as to both principal and interest. Each registration and transfer of registration of this Bond shall be entered by the Fiscal Agent in books kept by it for this purpose and authenticated by its manual signature upon the certificate of authentication endorsed hereon.

No transfer or exchange hereof shall be valid for any purpose unless made by the registered owner, by execution of the form of assignment endorsed hereon, and authenticated as herein provided, and the principal hereof, interest hereon and any redemption premium shall be payable only to the registered owner or to such Owner's order. The Fiscal Agent shall require the Owner requesting transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfer or exchange hereof shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent

ITEM 12.1.

ATTACHMENT 2

for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

The Agreement and the rights and obligations of the City thereunder may be modified or amended as set forth therein. The principal of the Bonds is not subject to acceleration upon a default under the Agreement or any other document.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been dated and manually signed by the Fiscal Agent.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the City, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Fiscal Agent for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

BOND PURCHASE AGREEMENT

_____, 2022

City of Rancho Cordova
 Community Facilities District No. 2014-1 (Montelena)
 2729 Prospect Park Drive
 Rancho Cordova, California 95670

Ladies and Gentlemen:

The undersigned, Piper Sandler & Co., as underwriter (the “Underwriter”), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (this “Purchase Agreement”) with the City of Rancho Cordova (the “City”) for its Community Facilities District No. 2014-1 (Montelena) (the “Community Facilities District”), which upon acceptance will be binding upon the Underwriter and the City. The agreement of the Underwriter to purchase the Bonds (as hereinafter defined) is contingent upon the City satisfying all of the obligations imposed upon it under this Purchase Agreement. This offer is made subject to the City’s acceptance by the execution of this Purchase Agreement and its delivery to the Underwriter at or before 11:59 p.m., California time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms used herein, which are not otherwise defined, shall have the meaning provided for such terms in the Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the “Fiscal Agent Agreement”) by and between the City and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent (the “Fiscal Agent”).

1. Purchase, Sale and Delivery of the Bonds.

A. Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein: the Underwriter hereby agrees to purchase from the City and the City hereby agrees to sell to the Underwriter all (but not less than all) of the \$_____ aggregate principal amount of the City of Rancho Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2022 (the “Bonds”), dated the Closing Date (as hereinafter defined), bearing interest at the rates and maturing on the dates and in the principal amounts set forth in Appendix A hereto. The purchase price for the Bonds shall be \$_____ (being 100% of the aggregate principal amount thereof, plus an original issue premium of \$_____, less an Underwriter’s discount of \$_____).

The Underwriter agrees to make a bona fide initial public offering of all of the Bonds in compliance with federal and state securities laws, at a price not in excess of the initial offering prices (or yields) set forth in Appendix A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the offering of the Bonds, without any requirement of

prior notice, provided that the Underwriter shall not change the interest rates set forth in Appendix A. The Bonds may be offered and sold to certain dealers at prices lower than such initial offering prices.

The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from the Special Taxes and certain other amounts as provided in the Fiscal Agent Agreement, the Preliminary Official Statement (as hereinafter defined), and the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the “Community Facilities District Act”). The issuance of the Bonds has been duly authorized by the City pursuant to a resolution (the “Resolution”), adopted by its City Council (the “City Council”) on behalf of the Community Facilities District, on _____, 2022. The proceeds of the Bonds shall be used to: (i) reimburse MDRE Development LLC (the “Property Owner”) for completed infrastructure and/or finance the payment of fees used to construct infrastructure; (ii) make a deposit into the debt service reserve fund for the Bonds; and (iii) pay the costs of issuance of the Bonds. The Bonds represent the second series of special tax bonds issued for the District, and will be secured on a parity basis with the \$10,000,000 initial principal amount of City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2021 (the “2021 Bonds”).

B. The City hereby acknowledges that the Underwriter is entering into this Purchase Agreement in reliance on the representations, warranties and agreements made by the City on behalf of itself and on behalf of the Community Facilities District herein, and the City shall take all action necessary to enforce its rights hereunder for the benefit of the Underwriter and shall immediately notify the Underwriter if it becomes aware that any representation, warranty or agreement made by the City, on behalf of itself or on behalf of the Community Facilities District, herein is incorrect in any material respect.

C. The City acknowledges and agrees that: (i) the primary role of the Underwriter, as an underwriter, is to purchase securities for resale to investors in an arm’s-length commercial transaction between the City and the Underwriter and that the Underwriter has financial and other interests that differ from those of the City and the Community Facilities District; (ii) the Underwriter is not acting as a municipal advisor, financial advisor or fiduciary to the City, the Community Facilities District, or any other person or entity and has not assumed any advisory or fiduciary responsibility to the City or the Community Facilities District with respect to the transaction contemplated hereby and the discussions, undertakings and proceedings leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or the Community Facilities District on other matters); (iii) the only obligations the Underwriter has to the City or the Community Facilities District with respect to the transaction contemplated hereby expressly are set forth in this Purchase Agreement, except as otherwise provided by applicable rules and regulations of the Securities and Exchange Commission or the rules of the Municipal Securities Rulemaking Board (the “MSRB”); and (iv) the City has consulted its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate in connection with the transaction contemplated herein. The City acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter disclosure under Rule G-17 of the MSRB and acknowledges that it has engaged NHA Advisors, LLC, as its municipal advisor (as defined in Securities and Exchange Commission Rule 15Ba1) and will rely solely on NHA Advisors, LLC for financial advice with respect to the Bonds.

D. Pursuant to the authorization of the City, the Underwriter has distributed copies of the Preliminary Official Statement dated _____, 2022, relating to the Bonds, which, together with the cover page, inside cover page and appendices thereto is herein called the “Preliminary Official Statement.” By its acceptance of this Purchase Agreement, the City hereby consents to and ratifies the

use and distribution by the Underwriter of the Preliminary Official Statement, and the City agrees to execute a final official statement relating to the Bonds (the “Official Statement”) which will consist of the Preliminary Official Statement with such changes as may be made thereto, with the approval of Jones Hall, a Professional Corporation, Bond Counsel and Disclosure Counsel (herein called “Bond Counsel”), and the Underwriter, and to provide copies thereof to the Underwriter as set forth in Section 2(S) hereof. The City hereby authorizes and requires the Underwriter to use and promptly distribute, in connection with the offer and sale of the Bonds, the Preliminary Official Statement, the Official Statement and any supplement or amendment thereto. The City further authorizes the Underwriter to use and distribute, in connection with the offer and sale of the Bonds, the Fiscal Agent Agreement, this Purchase Agreement and all information contained herein, and all other documents, certificates and statements furnished by or on behalf of the City or the Community Facilities District to the Underwriter in connection with the transactions contemplated by this Purchase Agreement. The Preliminary Official Statement and/or the Official Statement may be delivered and printed in a “designated electronic format” as defined in the MSRB’s Rule G-32 and as may be agreed to by the City and the Underwriter. The City confirms that it does not object to distribution of the Preliminary Official Statement or the Official Statement in electronic form. A copy of the most recent Preliminary Official Statement sent to a potential purchaser shall be sent by first class mail or electronically (or other equally prompt means) not later than the first business day following the day upon which each such request is received.

E. To assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the “Rule”), the City will undertake pursuant to the City Continuing Disclosure Certificate, in the form attached to the Official Statement under Appendix F (the “City Continuing Disclosure Certificate”), to provide annual reports and notices of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

F. Except as the Underwriter and the City may otherwise agree, the City will deliver to the Underwriter, at the offices of Bond Counsel in San Francisco, California, or at such other location as may be mutually agreed upon by the Underwriter and the City, the documents hereinafter mentioned; and the City will deliver to the Underwriter through The Depository Trust Company’s (“DTC”) FAST delivery system, the Bonds, in definitive form (all Bonds bearing CUSIP® numbers printed thereon), duly executed by the City and authenticated by the Fiscal Agent in the manner provided for in the Fiscal Agent Agreement and the Community Facilities District Act at 8:00 a.m. California time, on _____, 2022 (the “Closing Date”), and the Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in paragraph (A) of this Section by wire transfer, payable in federal or other immediately available funds (such delivery and payment being herein referred to as the “Closing”). The Bonds shall be in fully registered book-entry form (which may be typewritten) and shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds, and the specimen Bonds will be made available for checking by the Underwriter not less than 5 days prior to the Closing.

G. Except as the City and the Underwriter may otherwise agree, the City will deliver to the Underwriter, at the offices of Bond Counsel in San Francisco, California, or at such other location as may be mutually agreed upon by the Underwriter and the City, the documents hereinafter mentioned on the Closing Date.

2. Representations, Warranties and Covenants of the Community Facilities District. The City represents, warrants and covenants to the Underwriter, on behalf of itself and the Communities Facilities District, as the case may be, that:

A. The City is a municipal corporation duly organized and validly existing pursuant to the Constitution and laws of the State of California (the “State”), and has duly authorized the formation of the Community Facilities District pursuant to resolutions duly adopted by the City Council (the “Community Facilities District Formation Resolution” and, together with the Resolution, the “Community Facilities District Resolutions”) and the Community Facilities District Act. The City Council, as the legislative body of the Community Facilities District, has duly adopted the Community Facilities District Formation Resolution, has duly adopted a Resolution and Ordinance levying the Special Taxes (for all purposes herein, as such are defined in the Fiscal Agent Agreement) within the Community Facilities District (the “Ordinance”), and has caused to be recorded in the real property records of Sacramento County, a notice of special tax lien (the “Notice of Special Tax Lien”) (the Community Facilities District Formation Resolution, the Ordinance, and the Notice of Special Tax Lien being collectively referred to herein as the “Formation Documents”), and the City Council has duly adopted the Resolution. Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended. The Community Facilities District is duly organized and validly existing as a community facilities district under the laws of the State. The City has, and at the Closing Date will have, as the case may be, full legal right, power and authority: (i) to execute, deliver and perform its obligations under this Purchase Agreement and the Fiscal Agent Agreement and to carry out all transactions contemplated by each of such agreements; (ii) to enter into the City Continuing Disclosure Certificate; and (iii) to carry out, give effect to and consummate the transactions contemplated by the Formation Documents, the Fiscal Agent Agreement, this Purchase Agreement and the Official Statement.

This Purchase Agreement, the Fiscal Agent Agreement, and the City Continuing Disclosure Certificate are collectively referred to herein as the “City Documents.”

B. By all necessary official action of the City, the City has duly authorized and approved the execution and delivery by the City of, and the performance by City of, the obligations on its part contained in, the City Documents and has approved the use and distribution by the Underwriter of the Preliminary Official Statement and the execution, use and distribution by the Underwriter of the Official Statement, and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the City Documents will constitute the legally valid and binding obligations of the City, on its own behalf and on behalf of the Communities Facilities District, enforceable upon the City and the Community Facilities District in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally. To the best of the City’s knowledge, the City has complied, and will at the Closing Date be in compliance in all respects, with the terms of the City Documents that are applicable to the City, and the Community Facilities District has complied, and will at the Closing Date be in compliance in all respects, with the terms of the City Documents that are applicable to the Community Facilities District.

C. The information in the Preliminary Official Statement (other than statements pertaining to the book-entry system and under the headings “THE DISTRICT – Development in the District,” as to which no view is expressed) as of its date was and as of the date hereof is, and in the Official Statement (other than statements pertaining to the book-entry system and under the headings “THE DISTRICT – Development in the District,” as to which no view is expressed) as of its date is, true and correct in all material respects and does not contain any untrue statement of a material fact or

omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or material omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. The City will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term “End of the Underwriting Period” means the later of such time as: (i) the Bonds are delivered to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the City at or prior to the Closing Date and shall specify a date (other than the Closing Date) to be deemed the “End of the Underwriting Period.” If in the opinion of the Underwriter any such event or proceedings requires the preparation and distribution of a supplement or amendment to the Official Statement, the City shall prepare and furnish to the Underwriter, at the City’s expense, such number of copies of the supplement or amendment to the Official Statement, in (i) a “designated electronic format” consistent with the requirements of the MSRB’s Rule G-32 and (ii) a printed format form in substance mutually agreed upon by the City and the Underwriter as the Underwriter may reasonably request. If such amendment or supplement to the Official Statement shall be made subsequent to the Closing Date, the City also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

E. As of the time of acceptance hereof and as of the Closing Date, the City and the Community Facilities District, as applicable, have each complied, and will at the Closing Date be in compliance in all material respects, with the Formation Documents and the City Documents, and any immaterial noncompliance by the City or the Community Facilities District, if any, will not impair the ability of the City or the Community Facilities District, as applicable, to carry out, give effect to or consummate the transactions contemplated by the foregoing. From and after the date of issuance of its Bonds, the City will continue to comply with the covenants of the City contained in the City Documents and it shall cause the Community Facilities District to continue to comply with the covenants of the Community Facilities District contained in the City Documents.

F. Except as described in the Preliminary Official Statement, neither the City nor the Community Facilities District is, and as of the Closing Date, neither will be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, as the case may be, is a party or is otherwise subject or bound; and, to the City’s knowledge, no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have an adverse effect on the

City's ability or the Community Facilities District's ability to perform their respective obligations under the City Documents; and as of such times, except as disclosed in the Official Statement, the authorization, execution and delivery of the City Documents and compliance with the provisions of each thereof, or the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the City or the Community Facilities District of their respective obligations under the City Documents or the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement. The City has received all licenses, permits or other regulatory approvals required, if any, for the pledge, collection and/or application by the Community Facilities District of the Special Taxes (as defined in the Fiscal Agent Agreement) and other moneys pledged to the payment of the principal of and interest on the Bonds under the Fiscal Agent Agreement.

G. Except as may be required under the "blue sky" or other securities laws of any jurisdiction, all approvals, consents, authorizations, elections and orders of, or filings or registrations with, any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the City or the Community Facilities District of their respective obligations under the City Documents, and the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement, have been or will be obtained at the Closing Date and are or will be in full force and effect at the Closing Date.

H. At the time of acceptance hereof there is and as of the Closing there will be no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending (notice of which has been served on the City or the Community Facilities District) or to the best knowledge of the City or the Community Facilities District threatened, in which any such Action: (i) in any way questions the powers of the City Council or the existence of the Community Facilities District or the titles of the officers of the City and/or the Community Facilities District to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of the Bonds or the payment or collection of Special Taxes or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City or the Community Facilities District contemplated thereby; (iii) contests the exclusion of interest on the Bonds from federal or State income taxation or contests the powers of the City or the Community Facilities District which may result in any material adverse change relating to the financial condition of the City or the Community Facilities District; (iv) except as disclosed in the Official Statement, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial position or condition of the City or the Community Facilities District or would result in any material adverse change in the ability of the City to pledge or apply the Special Taxes (as defined in the Fiscal Agent Agreement) or to pay debt service on the Bonds; or (v) contests the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and as of the time of acceptance hereof

there is and, as of the Closing Date, there will be no known basis for any Action of the nature described in clauses (i) through (v) of this sentence.

I. The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter and at the expense of the Underwriter as the Underwriter may reasonably request in order: (i) to qualify the Bonds for offer and sale under the “blue sky” or other securities laws and regulations of such states and other jurisdictions of the United States of America as the Underwriter may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided; however, that the City will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.

J. The City Documents conform as to form and tenor to the descriptions thereof contained in the Preliminary Official Statement. The City represents that the Bonds, when issued, executed and delivered in accordance with the Fiscal Agent Agreement and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City, entitled to the benefits of the Fiscal Agent Agreement. The City and the Community Facilities District will each comply with the covenant in the Fiscal Agent Agreement to cause the Special Taxes to be levied and collected at the same time and in the same manner as ordinary *ad valorem* property taxes. The Fiscal Agent Agreement creates a valid pledge of, first lien upon and security interest in, the Special Taxes, and in the moneys in the Special Tax Fund established pursuant to the Fiscal Agent Agreement, on the terms and conditions set forth in the Fiscal Agent Agreement. The Fiscal Agent Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to the Fiscal Agent Agreement, subject in all cases to the provisions of the Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

K. Except as disclosed in the Preliminary Official Statement, there are, to the best of the City’s knowledge, no entities with outstanding assessment liens against any of the properties within the Community Facilities District which are senior to or on a parity with the Special Taxes.

L. The issuance and sale of the Bonds is not subject to any transfer or other documentary stamp taxes of the State or any political subdivision thereof.

M. The City shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exclusion from gross income for federal income tax purposes, or the exemption from State of California personal income tax, of the interest on the Bonds. The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the City is a bond issuer whose arbitrage certifications may not be relied upon.

N. Any certificate signed on behalf of the Community Facilities District by any officer or employee of the City authorized to do so and delivered to the Underwriter in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Community Facilities District to the Underwriter as to the statements made therein.

O. The City will apply the proceeds of the Bonds in accordance with the Fiscal Agent Agreement and as described in the Official Statement.

P. At or prior to the Closing, the City will have duly authorized, executed and delivered the City Continuing Disclosure Certificate in substantially the form under Appendix F to the Official Statement. Based on a review of previous undertakings, the Preliminary Official Statement

and the Official Statement describe the instances in which the City has failed to comply with any previous undertakings with regard to the Rule to provide annual reports or notices of material events in the last five years.

Q. Between the date of this Purchase Agreement and the date of Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money not previously disclosed to the Underwriter and the City shall not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the Special Taxes or other assets, properties, funds or interests that will be pledged as security for the Bonds pursuant to the City Documents.

R. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the City will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Fiscal Agent Agreement.

S. The Preliminary Official Statement was deemed final by a duly authorized officer of the City prior to its delivery to the Underwriter, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of the Rule. The City hereby covenants and agrees that, within seven (7) business days from the date hereof, or upon reasonable written notice from the Underwriter within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriter, the City shall cause a final electronic and/or printed form of the Official Statement as set forth in Section 1 above to be delivered to the Underwriter in sufficient quantity to comply with paragraph (b)(4) of the Rule and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

T. The City hereby approves the preparation and distribution of the Official Statement, consisting of the Preliminary Official Statement with such changes as are noted thereon and as may be made thereto, with the approval of Bond Counsel and the Underwriter from time to time prior to the Closing Date.

U. The City hereby ratifies any prior use of and authorizes the future use by the Underwriter, in connection with the offering and sale of the Bonds, of the Preliminary Official Statement, the Official Statement, this Purchase Agreement and all information contained herein, and all other documents, certificates and written statements furnished by the City to the Underwriter in connection with the transactions contemplated by this Purchase Agreement.

The execution and delivery of this Purchase Agreement by the City shall constitute a representation by the City to the Underwriter that the representations and warranties contained in this Section 2 with respect to the City and the Community Facilities District are true as of the date hereof.

3. Conditions to the Obligations of the Underwriter. The obligation of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations and warranties on the part of the City, on its own behalf and on behalf of the Community Facilities District, contained herein, to the accuracy in all material respects of the statements of the officers and other officials of the city and the Community Facilities District made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the City and the Community Facilities District of their obligations to be performed hereunder at or prior to the Closing Date and, to the following additional conditions:

A. At the Closing Date, the Community Facilities District Resolutions, the Formation Documents, and the City Documents shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the issuance of the Bonds, and with the transactions contemplated thereby, and by this Purchase Agreement, all such actions as, in the opinion of Bond Counsel, shall be necessary and appropriate.

B. At the Closing Date, except as was described in the Preliminary Official Statement, neither the City nor the Community Facilities District shall be, in any respect material to the Bonds, the City Documents or the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, respectively, is a party or is otherwise subject or bound, and the performance by the City or the Community Facilities District, respectively, of its obligations under the Bonds, the City Documents, the Community Facilities District Resolutions, this Purchase Agreement and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State, the United States of America or of any department, division, agency or instrumentality of either thereof or under any applicable court or administrative decree or order or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, respectively, is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the City or the Community Facilities District, respectively, of its obligations under the City Documents, the Bonds or the Community Facilities District Resolutions.

C. The information contained in the Official Statement is, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant hereto, true and correct in all material respects and does not, as of the Closing Date or as of the date of any supplement or amendment thereto, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

D. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Purchase Agreement by written notice to the City if, between the date of this Purchase Agreement and the Closing Date, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each a "Termination Event"):

1. Between the date hereof and the Closing Date, the market price or marketability, at the initial offering prices set forth on the cover page of the Official Statement, of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice to the City terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

a. Legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or the legislature of the State or recommended to the Congress by the President of the United States of America or a member of the President's Cabinet, the Department of the Treasury, the Internal Revenue Service or any member of Congress or favorably reported for passage to either House of Congress by any committee of such House to which such

legislation had been referred for consideration, or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department of the United States of America, the Internal Revenue Service or other federal or State authority with appropriate jurisdiction, with the purpose or effect, directly or indirectly, of imposing federal or State income taxation upon such interest as would be received by any owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

b. Legislation introduced in or enacted (or resolution passed) by the Congress, or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States of America or a member of the President's Cabinet, or an order, decree, injunction or decision issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, the Resolution or the City Documents, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Fiscal Agent Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds, as contemplated hereby or by the Official Statement or otherwise is or would be in violation of the federal securities laws as amended and then in effect;

c. A general suspension of trading in securities on the New York Stock Exchange or other major exchange shall be in force, or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on any such exchange, whether by virtue of determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

d. There shall have occurred (1) an outbreak or escalation of hostilities or the declaration by the United States of a national emergency or war or (2) any other calamity or crisis in the financial markets of the United States or elsewhere or the escalation of such calamity or crisis;

e. Except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the City or the Community Facilities District shall have occurred;

2. The introduction, proposal or enactment of any amendment to the federal or California Constitution or any action by any federal or State court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the City or the Community Facilities District, their property, income, securities (or interest thereon), the validity or enforceability of Special Taxes;

3. Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue or incorrect in any material respect any statement or information contained in the Preliminary Official Statement or in the Official Statement or has the effect that the Preliminary Official Statement or the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

4. A general banking moratorium shall have been declared by federal, State of New York or State of California officials authorized to do so or a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

5. Any new restriction on transactions in securities materially affecting the market for securities (including the imposition of any limitation in interest rates) or the extension of credit by, or a charge to the net capital requirements of, underwriters shall have been established by the New York Stock Exchange, the Comptroller of the Currency, the Securities and Exchange Commission or any other federal or State agency or the Congress of the United States of America, or by Executive Order;

6. A decision by a court of the United States of America shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds as contemplated by this Purchase Agreement or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act of 1933, the Securities Exchange Act of 1934 and the Trust Indenture Act of 1939;

7. Any proceeding shall have been commenced or be threatened in writing by the Securities and Exchange Commission against the City or the Community Facilities District.

8. The commencement of an Action described in Section 2(H).

Upon the occurrence of a Termination Event and the termination of this Purchase Agreement by the Underwriter, all obligations of the City, the Community Facilities District, and the Underwriter under this Agreement shall terminate, without further liability, except that the City and the Underwriter shall pay their respective expenses as set forth in Section 6 below.

E. At or prior to the Closing Date, the Underwriter shall have received a counterpart original or certified copy of the following documents, in each case satisfactory in form and substance to the Underwriter:

1. Official Statement. The Official Statement and each supplement or amendment, if any thereto, executed by an authorized officer of the City;

2. Fiscal Agent Agreement. The Fiscal Agent Agreement, duly executed and delivered by the City and the Fiscal Agent;

3. Resolutions. Certifications by the City Clerk with respect to each resolution and ordinance of the City Council, for the City or as the legislative body of the Community Facilities District, relating to the City Documents, the transactions contemplated thereby, formation of the Community Facilities District and issuance of the Bonds;

4. City Continuing Disclosure Certificate. The City Continuing Disclosure Certificate executed and delivered by the City;

5. Bond Counsel Opinion. An unqualified approving opinion for the Bonds, dated the Closing Date and addressed to the City, of Bond Counsel, to the effect that the Bonds are the valid, legal and binding obligations of the City and that the interest thereon is excluded from

gross income for federal income tax purposes and exempt from personal income taxes of the State, in substantially the form included as Appendix E to the Official Statement, together with a letter of Bond Counsel, dated the Closing Date and addressed to the Underwriter, to the effect that such opinion addressed to the City may be relied upon by the Underwriter to the same extent as if such opinion was addressed to it;

6. Supplemental Opinion. A supplemental opinion or opinions, dated the Closing Date and addressed to the Underwriter, of Bond Counsel, to the effect that:

(i) this Purchase Agreement has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other parties thereto, constitutes the legal, valid and binding agreement of the City and is enforceable in accordance with its terms, except to the extent that enforceability may be limited by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases and by limitations on legal remedies against public agencies in the State;

(ii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended;

(iii) the information contained in the Official Statement on the cover and under the captions "THE 2022 BONDS" (other than by reference Appendix G – DTC and the Book-Entry Only System), "SECURITY FOR THE 2022 BONDS," "LEGAL MATTERS" and in Appendices C and E to the Official Statement (excluding any financial, statistical and economic data, forecasts, numbers, charts, graphs, estimates, projections, and assumptions and any information regarding The Depository Trust Company and the book-entry system as to which Bond Counsel need express no opinion or view, and further, excluding any material that may be treated as included under such captions by cross-reference), are accurate insofar as such statements purport to summarize certain provisions of the Bonds, the Fiscal Agent Agreement, Bond Counsel's final approving opinion and the Community Facilities District Act; and

(iv) the Community Facilities District has been duly formed, and the Special Taxes have been duly and validly levied in accordance with the provisions of the Community Facilities District Act and, except to the extent prohibited by moratorium, bankruptcy, reorganization, fraudulent conveyance or transfer, insolvency or other similar laws affecting creditors' rights generally, a lien to secure payment of the Special Taxes has been imposed on taxable property in the Community Facilities District;

7. Special Counsel Opinion. An opinion, dated the Closing Date and addressed to the Underwriter, of Jones Hall, a Professional Corporation, acting as special counsel to the City and the Community Facilities District, substantially in the form of Appendix B hereto;

8. Closing Certificate of the City. A certificate, dated the Closing Date, and signed by an authorized officer of the City substantially in the form of Appendix C hereto, together with such additional certifications as Bond Counsel may require;

9. Bank Incumbency Certificate. Certified copies of the general resolution of the Fiscal Agent authorizing the execution and delivery of certain documents by certain

officers of the Fiscal Agent, which resolution authorizes the execution of the Fiscal Agent Agreement and the authentication of the Bonds;

10. Fiscal Agent's Certificate. A certificate of the Fiscal Agent, dated the Closing Date, in form and substance acceptable to the Underwriter and its counsel, substantially in the form of Appendix D hereto;

11. Fiscal Agent's Counsel Opinion. An opinion of counsel to the Fiscal Agent, dated the Closing Date, addressed to the Underwriter and the City, substantially in the form of Appendix E hereto;

12. Disclosure Counsel Opinion. An opinion, dated the Closing Date and addressed to the Underwriter and to the City, of Jones Hall, a Professional Corporation, as disclosure counsel ("Disclosure Counsel"), in form and substance acceptable to the Underwriter;

13. Opinion of Underwriter's Counsel. An opinion of counsel to the Underwriter, dated the date of the Closing, addressed to the Underwriter, in form and substance acceptable to the Underwriter;

14. Special Tax Consultant Certificate. A certificate, dated the Closing Date from Goodwin Consulting Group substantially in the form attached as Appendix F hereto;

15. Certificate Regarding Continuing Disclosure Compliance. A Continuing Disclosure Compliance Certificate, dated the Closing Date, duly executed and delivered by Goodwin Consulting Group, Inc. in form and substance acceptable to the Underwriter and Disclosure Counsel;

16. Transcript. A transcript of all proceedings relating to the authorization, issuance, sale and delivery of the Bonds, including certified copies of the Fiscal Agent Agreement and all resolutions of the City and the Community Facilities District relating thereto;

17. Nonarbitrage Certificate. A certificate of the City, dated the Closing Date, in a form acceptable to Bond Counsel and the Underwriter, that the Bonds are not arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

18. Specimen Bonds. Copies of the Specimen Bonds;

19. Issue Price Certificate. An issue price certificate of the Underwriter in the form attached as Appendix J hereto;

20. Certificate of Underwriter. A certificate from the Underwriter to the City, in form satisfactory to the City and signed by an authorized officer of the Underwriter, accepting delivery of the Bonds to the Underwriter and receipt of all documents required by the Underwriter, and the satisfaction or waiver of all conditions and terms of this Purchase Agreement by the City, and confirming to the City that as of the Closing Date, all of the representations of the Underwriter contained in this Purchase Agreement are true, complete and correct in all material respects;

21. Form 8038-G. An Information Return for Tax-Exempt Bond Issues (Internal Revenue Service Form 8038-G), in a form satisfactory to Bond Counsel for filing, executed by a duly authorized officer of the City, together with evidence that such Form 8038-G has been mailed;

22. CDIAC Statements. Copies of filings with the California Debt and Investment Advisory Commission relating to the issuance of the Bonds;

23. Letter of Representations. A copy of the Blanket Letter of Representations to DTC relating to the Bonds signed by the City;

24. Certificate Regarding Preliminary Official Statement. Prior to and in connection with printing and distribution of the Preliminary Official Statement, (i) an executed certificate of the City and (ii) an executed certificate of the Property Owner in the form under Appendix G hereto.

25. Property Owner Continuing Disclosure Certificate. Executed copies of the Property Owner Continuing Disclosure Certificate from the Property Owner in the form set forth under Appendix F of the Official Statement.

26. Property Owner Closing Certificate. An executed bring-down certificate from the Property Owner, dated as of the Closing Date, in form and substance as set forth in Appendix H hereto.

27. Property Owner Counsel Opinion. The opinion of counsel to the Property Owner, dated the Closing Date and addressed to the City and the Underwriter, in form and substance as set forth in Appendix K hereto.

28. Appraiser Closing Certificate. A certificate in form and substance as set forth in Appendix I hereto of Integra Realty Resources, the appraiser of the property within the Community Facilities District, dated as of the Closing Date.

29. Merchant Builder's Certificates. A certificate from each of Premier Homes, Richmond American Homes of Maryland, Inc., and Pulte Home Company, LLC (each, a "Merchant Builder"), dated the date of the Preliminary Official Statement, in a form acceptable to Bond Counsel and the Underwriter, that the information in the Preliminary Official Statement under the caption "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" describing (i) the applicable Merchant Builder, (ii) the property being developed by the applicable Merchant Builder within the Community Facilities District (the "**Property**"), (iii) the applicable Merchant Builder's development plan and financing plan for its Property and (iv) the status of development of its Property does not contain any untrue statement of a material fact and does not omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and a certificate of each Merchant Builder dated the Closing Date, in a form acceptable to Bond Counsel and the Underwriter, that the information in the Official Statement under the caption "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" describing (i) the applicable Merchant Builder, (ii) the Property being developed by the applicable Merchant Builder within the Community Facilities District, (iii) the applicable Merchant Builder's development plan and financing plan for its Property and (iv) the status of development of its Property did not, as of the date of the Official Statement, and as of the Closing Date, does not contain any untrue statement of a material fact, and did not, as of the date of the Official Statement, and as of the Closing Date, does not omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

30. Parity Bonds Certificate. A certificate in form and substance required pursuant to the Fiscal Agent Agreement regarding the issuance of the Bonds as Additional Bonds on a parity with the 2021 Bonds.

31. Additional Documents. Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the material representations and warranties of the City, on its own behalf and on behalf of the Community Facilities District, contained herein, and of the statements and information contained in the Official Statement and the due performance or satisfaction by the City at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the City and the Community Facilities District in connection with the transactions contemplated hereby and by the Fiscal Agent Agreement and the Official Statement.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate and neither the City nor the Underwriter shall be under any further obligation hereunder, except that the respective obligations of the Underwriter and the City set forth in Section 6 hereof shall continue in full force and effect.

4. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the City that, as of the date hereof and as of the date of the Closing:

A. The Underwriter is duly authorized to execute and deliver this Purchase Agreement and to take any action under the Purchase Agreement required to be taken by it.

B. The Underwriter is in compliance with MSRB Rule G-37 with respect to the City and the Community Facilities District, and is not prohibited thereby from acting as underwriter with respect to securities of the City and the Community Facilities District. The Underwriter is in compliance with MSRB Rule G-17 with respect to the City and the Community Facilities District.

C. The Underwriter has, and has had, no financial advisory relationship with the City or the Community Facilities District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship, within the meaning of California Government Code Section 53590, or otherwise.

D. The Underwriter has not paid or agreed to pay, nor will it pay or agree to pay, any entity, company, firm or person (including, but not limited to, the City's financial consultants, or any officer, agent or employee thereof), other than a bona fide officer, agent or employee working for the Underwriter, any compensation, fee, gift or other consideration contingent upon or resulting from the award of or entering into this Purchase Agreement.

E. The Underwriter has reasonably determined that the City's undertaking in the City Continuing Disclosure Certificate to provide continuing disclosure with respect to the Bonds is sufficient to effect compliance with the Rule.

5. Establishment of Issue Price.

A. The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix J, with such modifications as may be appropriate or necessary, in the

reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

B. Except as otherwise set forth in Appendix A attached hereto, the City will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

C. The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Appendix A attached hereto, except as otherwise set forth therein. Appendix A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the Underwriter represents that (i) the 10% test has been satisfied (assuming orders are confirmed by the close of the business day immediately following the date of this Purchase Agreement) and (ii) the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- a. the close of the fifth (5th) business day after the sale date; or
- b. the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the City promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

D. The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date

may be at reasonable periodic intervals or otherwise upon request of the Underwriter and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

E. The City acknowledges that, in making the representation set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing the issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

F. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- a. “public” means any person other than an underwriter or a related party;
- b. “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party

to a third-party distribution agreement participating in the initial sale of the Bonds to the public);

c. a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

d. “sale date” means the date of execution of this Purchase Agreement by all parties.

6. Expenses.

A. Whether or not the Underwriter accepts delivery of and pays for the Bonds as set forth herein, it shall be under no obligation to pay, and the City shall pay out of the proceeds of the Bonds or any other legally available funds of the City, all expenses incidental to the performance of the City’s obligations hereunder, including but not limited to the cost of printing and delivering the Bonds to the Underwriter; the costs of printing and shipping the Preliminary Official Statement and the Official Statement; the fees and disbursements of the City, the Community Facilities District, the Fiscal Agent, Bond Counsel, Disclosure Counsel, accountants and any other experts or consultants retained by the City or the Community Facilities District in connection with the issuance and sale of the Bonds; and any other expenses not specifically enumerated in paragraph (B) of this Section incurred in connection with the issuance and sale of the Bonds.

B. Whether or not the Bonds are delivered to the Underwriter as set forth herein, the City shall be under no obligation to pay, and the Underwriter shall be responsible for and pay, CUSIP® and CDIAC fees and expenses to qualify the Bonds for sale under any “blue sky” laws; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds not specifically enumerated in paragraph (A) of this Section, including the fees and disbursements of its counsel.

7. Undertakings of the City. The City agrees: (a) to inform the Underwriter, from time to time, upon the reasonable request of the Underwriter, of the amount then on deposit in the Reserve Fund and all accounts thereunder; and (b) to make available to the Underwriter, upon reasonable request of the Underwriter, at the expense of the City, sufficient copies of its audited financial statements, if any, and any resolutions of its legislative body with respect to the Community Facilities District Resolutions, the Bonds, the Fiscal Agent Agreement, the Official Statement, any amendments or supplements thereto, and other documents relating to the Bonds and pertaining to the City or the Community Facilities District adopted or executed, as the case may be, after the Closing Date, to the extent that such documents are publicly available.

8. Notices. Any notice of other communication to be given to the City under this Purchase Agreement may be given by delivering the same in writing to the City of Rancho Cordova, 2729 Prospect Park Drive, Rancho Cordova, California 95670, Attention: Finance Director; any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by

delivering the same in writing to Piper Sandler & Co., 2321 Rosecrans Ave., Suite 3200, El Segundo, California 90245 Attention: Public Finance. All such notices, requests or other communications may be made by telephone, personal or courier delivery, registered or certified mail, facsimile transmission or electronic communication, provided that delivery by facsimile transmission or electronic communication must be confirmed by the sender. The City and the Underwriter may, by notice given as aforesaid, specify a different address for any such notices, requests or other communications.

9. Parties In Interest. This Purchase Agreement is made solely for the benefit of the City and the Underwriter (including any successors or assignees of the Underwriter) and no other person shall acquire or have any right hereunder or by virtue hereof. The City and the Underwriter may not assign this Agreement. The term “successor” shall not include any holder of any Bonds merely by virtue of such holding.

10. Survival of Representations and Warranties. The representations and warranties of the City under this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing and regardless of any investigations made by or on behalf of the Underwriter (or statements as to the results of such investigations) concerning such representations and statements of the City or the Community Facilities District and regardless of delivery of and payment for the Bonds.

11. Severability. If any provision of this Purchase Agreement is, or is held or deemed to be, invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, because it conflicts with any provisions of any constitution, statute, rule of public policy or for any other reason, such circumstances shall not make the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or make any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatsoever.

12. Electronic Signature. Each of the parties hereto agrees that the transaction consisting of this Purchase Agreement may be conducted by electronic means. Each party agrees and acknowledges that it is such party’s intent, that if such party signs this Purchase Agreement using an electronic signature, it is signing, adopting and accepting this Purchase Agreement and that signing this Purchase Agreement using an electronic signature is the legal equivalent of having placed the undersigned officer’s handwritten signature on this Purchase Agreement on paper. Each party acknowledges that it is being provided with an electronic or paper copy of this Purchase Agreement in a usable format.

13. Execution in Counterparts. This Purchase Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

14. Effective. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

15. No Prior Agreements. This Purchase Agreement supersedes and replaces all prior negotiations, agreements and understanding between the parties hereto in relation to the sale of the Bonds by the City.

16. Governing Law. This Purchase Agreement shall be governed by the laws of the State.

17. Effective Date. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

Very truly yours,
PIPER SANDLER & CO.

El Segundo, California

City of Rancho Cordova
Community Facilities District No. 2014-1 (Montelena)
2729 Prospect Park Drive
Rancho Cordova, California 95670

Re: City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2022

Ladies and Gentlemen:

We have acted as counsel for the City of Rancho Cordova (the “City”) and Community Facilities District No. 2014-1 (Montelena) (the “Community Facilities District”), in connection with the purchase and sale of the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2022 (the “Bonds”). As such Counsel, we have reviewed the Bond Purchase Agreement, dated [BPA Date] (the “Purchase Agreement”), by and between Piper Sandler & Co. (the “Underwriter”) and the City, the Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the “Fiscal Agent Agreement”) by and between the City and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent (the “Fiscal Agent”), the City Continuing Disclosure Certificate, dated [Closing Date], executed by the City (the “City Continuing Disclosure Certificate”), the Preliminary Official Statement, dated [POS Date], relating to the Bonds (the “Preliminary Official Statement”), the Official Statement, dated [OS Date], relating to the Bonds (the “Official Statement”), Resolution No. _____ adopted by the City Council of the City on _____, 2022 (“Bond Resolution”), and such other documents, certificates, records and papers as we have deemed necessary to render the below opinions.

The Bonds, Fiscal Agent Agreement, Purchase Agreement, and the City Continuing Disclosure Certificate, are collectively referred to herein as the “Bond Documents.” Capitalized terms used herein and not otherwise defined shall have the meanings assigned to them in the Purchase Agreement.

With your permission we have assumed, without undertaking to verify the same by independent investigation, the following: (a) the authenticity of original documents and the genuineness of all signatures (other than those of the City and the Community Facilities District); (b) the conformity to the originals of all documents submitted to us as copies; (c) the truth, accuracy, and completeness of the information, representations, and warranties contained in these documents, certificates, records and papers we have reviewed; and (d) compliance with all covenants and agreements contained in such documents.

ITEM 12.1.

ATTACHMENT 3

Based on the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The City is a municipal corporation duly organized and validly existing pursuant to the Constitution and laws of the State of California;

2. The Community Facilities District is duly organized and validly existing as a community facilities district under the Constitution and laws of the State;

3. The Bond Resolution was duly adopted at a meeting of the City Council, which meeting was duly called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout;

4. The preparation and distribution of the Preliminary Official Statement and the Official Statement have been duly approved by the City Council, acting for itself or as the Legislative Body of the Community Facilities District;

5. The execution and delivery by the City of the Bond Documents, and the Bonds and the performance of its obligations thereunder have been duly authorized by all requisite action of the City Council, acting for itself or as the Legislative Body of the Community Facilities District, and the Bonds and the Bond Documents have been duly executed and delivered by the Community Facilities District, and constitute legal, valid and binding obligations of the Community Facilities District enforceable against the Community Facilities District, in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general and to the application of equitable principles if equitable remedies are sought;

6. To the best of our knowledge, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending or to the best of such counsel's knowledge, threatened in any way affecting the existence of the City or the Community Facilities District or the titles of the officers of each to their respective offices, or seeking to restrain or to enjoin the execution and delivery of the Bond Documents, or the issuance, sale or delivery of the Bonds or the application of the proceeds thereof or the collection or application of the Special Taxes, or the exclusion from gross income for State personal income taxes of interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Documents or any action of the City or the Community Facilities District contemplated by any of said documents or in any way contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or the powers of the City or its authority with respect to the Purchase Agreement or any other applicable agreement, or any action on the part of the City or the Community Facilities District contemplated by any of said documents;

7. To the best of our knowledge, the City and the Community Facilities District are not in breach of or in default under any court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District is a party or is otherwise subject or bound, including the Bond Documents, a consequence of which could be to materially and adversely affect the ability of the City or the Community Facilities District to perform their obligations under the Bonds, the Bond Documents or which, with the passage of time or the giving of notice or both, would constitute an event of default thereunder; and;

8. To the best of our knowledge, the adoption of the Bond Resolution and the execution and delivery of the Bonds and the Bond Documents, did not and will not conflict with or constitute a breach of or default under any applicable court or administrative decree or order, or under any loan agreement, note, ordinance, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, as the case may be, is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of City or the Community Facilities District to perform their obligations under the Bonds or any Bond Documents.

The opinions set forth above are subject to the following additional qualifications:

General principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law; and limitations imposed by bankruptcy, insolvency, fraudulent conveyance, receivership, conservatorship, reorganization, arrangement, liquidation, moratorium or other similar laws affecting the enforcement of creditors' rights in general heretofore or hereafter enacted, as such laws may be applied in the event of bankruptcy, insolvency, reorganization, arrangement, receivership, conservatorship, liquidation, readjustment of debt or other similar proceedings of, or moratorium or similar occurrence affecting municipal corporations in the State.

We express no opinion as to matters governing by laws other than the laws of the State and the federal laws of the United States of America, or the enforceability of any choice of law provision in the documents described herein.

This opinion is solely for your benefit in connection with the transactions covered by the first paragraph of this letter and may not be relied upon or used by, circulated, quoted or referred to, nor may copies hereof be delivered to, any other person or for any other purpose without our prior written approval; provided, however, copies of this opinion may be included in the closing transcripts for the transactions connected with the issuance of the Bonds. We disclaim any obligation to update this opinion letter for events occurring or coming to our attention after the date hereof.

Respectfully submitted,

JONES HALL, A PROFESSIONAL CORPORATION

SERIES 2022**

CLOSING CERTIFICATE OF THE CITY

I, the undersigned, hereby certify that I am the _____ of the City of Rancho Cordova (the “City”), the City Council (the “City Council”) of which is the Legislative Body for Community Facilities District No. 2014-1 (Montelena) (the “Community Facilities District”), a community facilities district duly organized and existing under the laws of the State of California (the “State”) and I am authorized to execute this Certificate on behalf of the City in connection with the issuance of the above-captioned bonds (the “Bonds”). All capitalized terms herein not otherwise defined shall have the meanings given such terms in the Bond Purchase Agreement, dated [BPA Date] (the “Bond Purchase Agreement”), by and between the City and Piper Sandler & Co.

I further certify on behalf of the City that:

(i) The representations, warranties and covenants of the City contained in the Bond Purchase Agreement, made on behalf of the City and the Community Facilities District, are true and correct in all material respects on and as of the date hereof as if made on the date hereof;

(ii) The Community Facilities District Resolutions, Formation Documents and the City Documents are in full force and effect and have not been amended, modified or supplemented;

(iii) Except as described in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity, or by any court or regulatory agency, public board or body pending, with respect to which the City or the Community Facilities District has been served with process, or to the best knowledge of the City or the Community Facilities District, threatened wherein an unfavorable decision, ruling or finding would: (a) affect the creation, organization, existence or powers of the City or the Community Facilities District, or the titles of their officers to their respective offices, (b) enjoin or restrain the issuance, sale and delivery of the Bonds, the levy or collection of the Special Taxes or any other moneys or property pledged or to be pledged under the Fiscal Agent Agreement, or the pledge thereof, (c) in any way question or affect any of the rights, powers, duties or obligations of the City or the Community Facilities District with respect to the Special Taxes or moneys and assets pledged or to be pledged to pay the principal of, premium, if any, or interest on the Bonds, (d) in any way question or affect any authority for the issuance of the Bonds, or the validity or enforceability of the Bonds or the proceedings relating to the issuance of the Bonds, or (e) in any way question or affect the Bond Purchase Agreement or the transactions contemplated thereby, the Official Statement or the City Documents;

(iv) The information in the Preliminary Official Statement (other than statements pertaining to the book-entry system and under the headings “THE DISTRICT – Development in the District,” as to which no view is expressed) as of its date was and as of the date hereof is, and in the Official Statement (other than statements pertaining to the book-entry system and under the headings “THE DISTRICT – Development in the District,” as to which no view is expressed) as of its date was and as of the date hereof is, true and correct in all material respects and does not contain any untrue statement

ITEM 12.1.

ATTACHMENT 3

of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(v) The City has complied with all agreements and covenants, and satisfied all conditions, on its part to be complied with or satisfied under the Bond Purchase Agreement and under the Community Facilities District Resolutions, the Formation Documents, the City Documents and the Official Statement at or prior to the date hereof;

(vi) No event has occurred since the date of the Official Statement which either makes untrue or incorrect in any material respect as of the date hereof any statement or information contained in the Preliminary Official Statement or the Official Statement (other than statements pertaining to the book-entry system and under the headings “THE DISTRICT – Development in the District,” as to which no view is expressed) or is not reflected in the Official Statement but should be reflected therein in order to make the statements and information therein not misleading in any material respect;

(vii) The use of and distribution by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the offer and sale of the Bonds is hereby ratified; and

(viii) The City and the Community Facilities District are each in compliance with all covenants set forth in the Fiscal Agent Agreement.

IN WITNESS WHEREOF, the undersigned has executed this certificate as of the date set forth below.

APPENDIX D

U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION CERTIFICATE

The undersigned is an authorized officer of U.S. Bank Trust Company, National Association (the “Bank”), and as such, is familiar with the facts herein certified and is authorized and qualified to state and certify the following:

(i) The Bank is duly organized and existing as a national banking association under the laws of the United States of America, having the full power and authority to accept and perform its duties under the Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the “Fiscal Agent Agreement”) by and between the City and the Bank, as fiscal agent. Capitalized terms used herein and not otherwise defined have the meanings given to such terms in the Bond Purchase Agreement, dated [BPA Date], by and between the City and Piper Sandler & Co.;

(ii) Pursuant to the Fiscal Agent Agreement, the Bank will apply the proceeds from the Bonds to the purposes specified in the Fiscal Agent Agreement;

(iii) The Bank is duly authorized to accept the obligations created by the Fiscal Agent Agreement and to authenticate the Bonds pursuant to the terms of the Fiscal Agent Agreement;

(iv) The Fiscal Agent Agreement has been duly authorized, executed and delivered by the Bank and, assuming due authorization, execution and delivery thereof by the other parties thereto, constitutes a valid and binding agreement of the Bank enforceable against the Bank in accordance with its terms;

(v) The Bonds have been validly authenticated and delivered by the Bank pursuant to the Fiscal Agent Agreement;

(vi) No consent, approval, authorization or other action by any governmental or regulatory authority having jurisdiction over the Bank that has not been obtained is or will be required for the authentication of the Bonds or the consummation by the Bank of the other transactions contemplated to be performed by the Bank in connection with the authentication of the Bonds and the acceptance and performance of the obligations created by the Fiscal Agent Agreement;

(vii) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body that has been served on the Bank or, to the best of its knowledge, threatened in any way affecting the existence of the Bank, or seeking to restrain or to enjoin the execution and delivery of the Fiscal Agent Agreement or the authentication of the Bonds, by the Bank, or in any way contesting or affecting the validity or enforceability, as against the Bank, of the Fiscal Agent Agreement or any action of the Bank contemplated by any of said documents, or in which an adverse outcome would materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement;

(viii) The Bank is not in breach of or in default under any applicable law or administrative rule or regulation of the State of California (the “State”) or the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable

ITEM 12.1.

ATTACHMENT 3

court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Bank is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement (*provided, however*, that the Bank does not certify as to compliance with State or federal securities laws); and

(ix) The authentication of the Bonds, and the execution and delivery of the Fiscal Agent Agreement by the Bank, and compliance with the provisions of each, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State or the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, ordinance, resolution, Fiscal Agent Agreement, contract, agreement or other instrument to which the Bank is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement.

FISCAL AGENT'S COUNSEL OPINION

[Closing Date]

City of Rancho Cordova
Community Facilities District No. 2014-1 (Montelena)
Rancho Cordova, California

Piper Sandler & Co.
El Segundo, California

**Re: City of Rancho Cordova Community Facilities District No. 2014-1
(Montelena) Special Tax Bonds, Series 2022**

Ladies and Gentlemen:

We have acted as counsel for U.S. Bank Trust Company, National Association, a national banking association (the "Bank") in connection with the execution by the Bank of the Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the "Fiscal Agent Agreement") by and between the City and the Bank, as fiscal agent. We are generally familiar with the Articles of Association and the Bylaws of the Bank and are also familiar with the corporate proceedings of the Bank with regard to its authorization, execution and delivery of the Fiscal Agent Agreement. Capitalized terms used herein shall have the respective meanings ascribed to them in the Fiscal Agent Agreement, except as otherwise defined herein.

We have examined such documents and have reviewed such questions of law as we have considered necessary and appropriate for the purposes of this opinion. In such review, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, and the conformity with originals of all documents submitted to us as copies. Where questions of fact material to our opinions expressed below were not established independently, we have relied upon statements of officers of the Bank as contained in their certificates.

Based upon the foregoing, we are of the opinion that:

1. The Bank is a national banking association duly organized, validly existing and in good standing under the laws of the United States of America.
2. The Bank has all requisite corporate power, authority and legal right to execute and deliver the Fiscal Agent Agreement and to perform its duties and obligations under the Fiscal Agent Agreement, and has taken all necessary corporate action to authorize the execution and delivery thereof and the performance of its obligations thereunder, including the authentication and delivery of the Bonds in its capacity as Fiscal Agent under the Fiscal Agent Agreement.

3. The Bank has duly authorized, executed and delivered the Fiscal Agent Agreement. Assuming the due authorization, execution and delivery thereof by the other parties thereto, the Fiscal Agent Agreement is a legal, valid and binding agreement of the Bank, enforceable in accordance with its terms against the Bank.

4. To our knowledge, no authorization, approval, consent, or order of any governmental agency or regulatory authority having jurisdiction over the Bank that has not been obtained by the Bank is required for the authorization, execution and delivery by the Bank of the Fiscal Agent Agreement or the authentication and delivery of the Bonds by the Bank under the Fiscal Agent Agreement.

The opinions set forth above are subject to the following qualifications and exceptions:

(a) the opinions are subject to the effect of any applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general application affecting creditors' rights; and

(b) the opinions are subject to the effect of general principles of equity, including (without limitation) concepts of materiality, reasonableness, good faith and fair dealing, and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law).

Our opinions expressed above are limited to the laws of the State of California and the federal laws of the United States of America.

The foregoing opinions are being furnished to you solely for your benefit and may not be relied upon by, nor may copies be delivered to, any other person without our prior written consent.

Very truly yours,

APPENDIX F

**CITY OF RANCHO CORDOVA
COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA)
SPECIAL TAX BONDS
SERIES 2022**

CERTIFICATE OF SPECIAL TAX CONSULTANT

The undersigned hereby states and certifies:

1. That he is an authorized officer of Goodwin Consulting Group, Inc. (the “Special Tax Consultant”) and as such is familiar with the facts herein certified and is authorized and qualified to certify the same.

2. That the Special Tax Consultant has prepared the Rate and Method of Apportionment of Special Tax (the “Rate and Method”) as set forth in Appendix A to the Official Statement dated [OS Date], for the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) (the “Community Facilities District”) Special Tax Bonds, Series 2022 (the “Bonds”). Capitalized terms not otherwise defined herein shall be defined as provided in the Rate and Method or the Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the “Fiscal Agent Agreement”) by and between the City and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent (the “Fiscal Agent”).

3. That the Special Taxes, if levied in accordance with the Rate and Method and collected will annually yield sufficient revenue to make timely payments of the annual debt service on the Bonds, and annual Administrative Expenses related to the levy and collection of the Special Taxes and the expenses of the Fiscal Agent for the Bonds (no representation is made as to the actual amounts that will be collected in future years).

4. That the Annual Special Tax, if collected in the maximum amounts permitted pursuant to the Rate and Method on the Closing Date (net of estimated Administrative Expenses equal to a maximum of \$____ for Fiscal Year [2021-22] [2022-23]), would generate at least 110% of the Annual Debt Service payable with respect to the Bonds and the 2021 Bonds payable from such Special Taxes, assuming the debt service schedule shown in the Official Statement is true and correct.

5. That all information supplied by the Special Tax Consultant for use in the Official Statement is true and correct, as of the date of the Official Statement and as of the date hereof.

6. That, as of the dates of the Preliminary Official Statement and the Official Statement and as of the date hereof, the information contained in those portions of the Official Statement entitled “SECURITY FOR THE 2022 BONDS – Special Taxes and – Special Tax Formula,” “THE DISTRICT,” “CONTINUING DISCLOSURE,” “APPENDIX A,” including the tables sourced to the Special Tax Consultant, and the other data provided by the Special Tax Consultant and included in the Official Statement, do not, to our knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

ITEM 12.1.

ATTACHMENT 3

7. The Community Facilities District, the City, the Underwriter, Piper Sandler & Co., and all the professionals involved in the financing are entitled to rely on this Certificate.

APPENDIX G

**CITY OF RANCHO CORDOVA
COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA)
SPECIAL TAX BONDS
SERIES 2022**

CERTIFICATE OF PROPERTY OWNER

[POS Date]

The undersigned party certifies and represents that it is duly authorized on behalf of MDRE Development LLC, a California limited liability company (the “Property Owner”), to execute and deliver this certificate (this “Certificate”) in connection with the issuance, sale and delivery by City of Rancho Cordova of the Bonds captioned above (the “Bonds”).

Capitalized terms used but not defined in this Certificate have the same meaning as is set forth in the Bond Purchase Agreement with respect to the Bonds between Piper Sandler & Co., as underwriter (the “Underwriter”), and the City.

As used in this Certificate, the phrase “Actual Knowledge of the Undersigned” means the actual knowledge (as opposed to constructive) that the undersigned currently has as of the date of this Certificate or has obtained through (i) interviews with such current officers and responsible employees of the Property Owner as the undersigned has reasonably determined are likely, in the ordinary course of his or her respective duties, to have knowledge of the matters set forth in this Certificate, and (ii) review of documents reasonably available to the undersigned and which the undersigned reasonably deemed necessary for the undersigned to obtain knowledge of the matters set forth in this Certificate. The undersigned has not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of the Property Owner’s current business and operations. The undersigned has not contacted individuals who are no longer employed by the Property Owner.

As used in this Certificate, the term “Relevant Entity” of the Property Owner means any Person presently directly or indirectly through one or more intermediaries controlling, controlled by or under common control with the Property Owner, and about whom information could be material to potential investors in their investment decision regarding the Bonds (including without limitation information relevant to Property Owner’s proposed development of the Property (defined herein), or to the Property Owner’s ability to pay the Special Taxes prior to delinquency). As used in this Certificate, the term “Person” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof. For purposes hereof, the term “control” (including the terms “controlling,” “controlled by” or “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

As used in this Certificate, the term “Property” means the real property currently owned by the Property Owner within the City of Rancho Cordova Community Facilities District No. 2014-1

(Montelena) (the “Community Facilities District”), as further described in the Preliminary Official Statement.

The undersigned certifies that he or she is familiar with the facts set forth in this Certificate, and further hereby certifies to the Actual Knowledge of the Undersigned as follows, as an authorized offer or representative of Property Owner:

(1) The Property Owner has been duly organized and validly exists in good standing under the laws of the State of California and has or will have prior to the Closing, as required, all requisite right, power and authority:

(i) to execute and deliver this Certificate,

(ii) to execute and deliver the Property Owner Continuing Disclosure Certificate at Closing,

(iii) to acquire, own, develop and sell the Property, as described in the Preliminary Official Statement,

(iv) to carry on its business as described in the Preliminary Official Statement, and

(v) to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(2) The Property Owner agrees to execute at Closing the Property Owner Continuing Disclosure Certificate substantially in the form attached to the Preliminary Official Statement under Appendix F, with such additional changes as may be agreed upon by the Underwriter, Bond Counsel and the Property Owner.

(3) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, Property Owner is not aware of any material failures by it or any entity under managerial control of Property Owner to comply in all material respects with previous continuing disclosure undertakings in a written certificate or agreement executed by it or its Relevant Entities to provide periodic continuing disclosure reports or notices of material events respecting securities offerings in California within the past five (5) years.

(4) To the Actual Knowledge of the Undersigned, execution and delivery of the Property Owner Continuing Disclosure Certificate, and the performance by the Property Owner of its obligations under the Property Owner Continuing Disclosure Certificate, will not conflict with or constitute a breach of or default under any loans, lines of credit, agreements, or other contractual or financial obligations of the Property Owner, or any applicable law, regulation, judgment or decree.

(5) To the Actual Knowledge of the Undersigned, neither the Property Owner nor any of its Relevant Entities is currently in material default on any loans, lines of credit, credit agreements, or other material contractual or financial obligations, or in breach of any applicable law, regulation, judgment or decree, and no event has occurred and is continuing that would constitute such a default or breach, the result of which could reasonably be expected to materially and adversely affect the ability of the Property Owner:

(i) to acquire, own, develop and sell the Property, as described in the Preliminary Official Statement,

(ii) to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency,

(iii) to carry on its business as described in the Preliminary Official Statement,
or

(iv) to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(6) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, the Property Owner has not assumed any obligations under any loans, lines of credit, credit agreements, or other material contractual or financial obligations, or any applicable judgment or decree, which could reasonably be expected to materially and adversely affect the ability of the Property Owner:

(i) to acquire, own, develop and sell the Property, as described in the Preliminary Official Statement,

(ii) to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency,

(iii) to carry on its business as described in the Preliminary Official Statement,
or

(iv) to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(7) Except as described in the Preliminary Official Statement, the Property Owner does not have any loans outstanding and unpaid and no lines of credit that are secured by the Property.

(8) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, neither the Property Owner nor any of its Relevant Entities is currently in default in, or, in the last five (5) years, has ever defaulted to any material extent in, the payment of special taxes or assessments in connection with the Community Facilities District or any other community facilities districts or assessment districts in California that was not cured prior to the institution of any enforcement action with a court of law.

(9) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, there is no litigation, inquiry, investigation or administrative proceeding of any nature pending against the Property Owner (with service of process to the Property Owner having been accomplished), or to the Actual Knowledge of the Undersigned, overtly threatened in writing against the Property Owner, or to the Actual Knowledge of the Undersigned, pending (with service of process to such Relevant Entity having been accomplished) or overtly threatened in writing against any Relevant Entity of the Property Owner, in each case which, if successful, could reasonably be expected to:

(i) materially and adversely affect the ability of the Property Owner to acquire, own, develop and sell the Property, as described in the Preliminary Official Statement,

(ii) materially and adversely affect the ability of the Property Owner to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency,

(iii) materially and adversely affect the ability of the Property Owner to carry on its business as described in the Preliminary Official Statement,

(iv) materially adversely affect the ability of the Property Owner to perform its obligations under the Property Owner Continuing Disclosure Certificate,

(v) challenge, question the validity or enforceability of, or restrain or enjoin the performance of, the Special Taxes, the Bonds, the Resolution, the Fiscal Agent Agreement, the Property Owner Continuing Disclosure Certificate or the Bond Purchase Agreement, or

(vi) restrain or enjoin collection of Special Taxes or other sums to be pledged to pay the principal of and interest on the Bonds.

(10) Except as disclosed in the Preliminary Official Statement or in this Certificate:

(i) the Property Owner and, to the Actual Knowledge of the Undersigned, its Relevant Entities, are solvent;

(ii) except as set forth in this paragraph, neither the Property Owner nor, to the Actual Knowledge of the Undersigned, any of its Relevant Entities, has filed for bankruptcy or been declared bankrupt in the last 10 years; and

(iii) to the Actual Knowledge of the Undersigned, there are no proceedings pending (with service of process to the Property Owner having been accomplished) or overtly threatened in writing in which the Property Owner or any of its Relevant Entities may be adjudicated as bankrupt, become the debtor in a bankruptcy proceeding, be discharged from any or all of its respective debts or obligations, be granted an extension of time to pay its respective debts or obligations, or be granted a reorganization or readjustment of its respective debts or obligations.

(11) As of the date hereof, the information in the sections of the Preliminary Official Statement entitled “THE DISTRICT – Development in the District,” “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT,” and “CONTINUING DISCLOSURE,” concerning the Property Owner and its Relevant Entities, the Property, the Property Owner’s development and financing plans, and the Property Owner’s contractual arrangements (but excluding any information cited as coming from a source other than the Property Owner) is true and correct in all material respects, and contains no untrue statement of a material fact and does not omit any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(12) Except as disclosed in the Preliminary Official Statement, the Property Owner has not submitted an application for, nor received actual notice of,

(i) the formation or authorization of any other assessment district or community facilities district that would include any portion of the Property, or

(ii) the authorization or issuance of any debt secured by an assessment or another special tax to be levied on any portion of the Property, other than the Special Tax.

(13) Except as set forth in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, there are no claims, disputes, lawsuits, actions or contingent liabilities of or against the Property Owner or its Relevant Entities, or among, by or between the Property Owner and any contractors working on the development of the Property, which could reasonably be expected to materially and adversely affect:

(i) the ability of the Property Owner to acquire, own, develop and sell the Property, as described in the Preliminary Official Statement,

(ii) the ability of the Property Owner to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency,

(iii) the ability of the Property Owner to carry on its business as described in the Preliminary Official Statement, or

(iv) the ability of the Property Owner to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(14) To the Actual Knowledge of the Undersigned, all information submitted by, or on behalf of, the Property Owner to (i) the Appraiser, as such information is set forth in the Appraisal, was, at the time of submission, and, except as modified by later information submitted by such Property Owner, is, as of the date of this Certificate, true and correct in all material respects, and (ii) the City, the Community Facilities District, Bond Counsel, Disclosure Counsel, or the Underwriter in connection with the issuance of the Bonds was, at the time of submission and, except as modified by later information submitted by such Property Owner, is as of the date of this Certificate, true and correct in all material respects.

(15) The Property Owner covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Property Owner will not bring any action, suit, proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body, that in any way:

(i) seeks to challenge or overturn the formation of the Community Facilities District,

(ii) seeks to challenge the adoption of the ordinance levying Special Taxes within the Community Facilities District,

(iii) seeks to invalidate the Community Facilities District or any of the Bonds or any refunding obligations, or

(iv) seeks to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the notices of special tax lien relating thereto.

The foregoing covenant shall not prevent the Property Owner in any way from bringing any other action, suit, proceeding, inquiry or investigation at law or in equity relating to the following:

(a) a claim that the Special Tax has not been levied in accordance with the Rate and Method,

(b) the application or use of the Special Taxes levied and collected, or

(c) the enforcement of the obligations of the City or the Community Facilities District under the Fiscal Agent Agreement or any agreements between the Property Owner and the City or the Community Facilities District or under which the Property Owner is a beneficiary.

(16) The Property Owner has received a copy of the Rate and Method containing the prepayment formula. The Property Owner acknowledges that any prepayment of the Special Taxes may only be made in accordance with the Rate and Method.

(17) The Property Owner shall comply with the provision of the Mello-Roos Community Facilities Act of 1982, as amended, relating to the Notice of Special Tax described in California Government Code Section 53341.5 in connection with the sale of the Property.

(18) Based upon its current development plans, including, without limitation, its current budget and subject to economic conditions and risks generally inherent in the development of real property, the Property Owner anticipates that it will have sufficient funds to (i) carry on its business as described in the Preliminary Official Statement, (ii) acquire, own, develop and sell the Property as described in the Preliminary Official Statement, and (iii) pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency.

However, no assurance can be given that sources of financing available to the Property Owner will be sufficient to complete the property development and home construction as currently anticipated and as described in the Preliminary Official Statement. While the Property Owner has made such internal financing available in the past, there can be no assurance whatsoever of its willingness or ability to do so in the future. Neither the Property Owner nor any of its Relevant Entities has any legal obligation of any kind to make any such funds available or to obtain loans. Other than pointing out the willingness of the Property Owner to provide internal financing in the past, the Property Owner has not represented in any way that it will do so in the future. If and to the extent that internal financing and home sales revenues are inadequate to pay the costs to complete the Property Owner's planned development in the Community Facilities District and other financing by the Property Owner is not put into place, there could be a shortfall in the funds required to complete the proposed development by the Property Owner and portions of the Property may not be developed.

(19) The Property Owner consents to the issuance of the Bonds. The Property Owner acknowledges and agrees that the proceeds of such Bonds will be used for the acquisition and construction of the improvements described in the Preliminary Official Statement. The Property Owner acknowledges that the costs to acquire and construct such improvements are estimates, and that any increase in costs in excess of the estimated costs relating to improvements will reduce the improvements which may be financed by the City, and neither the City, nor the Community Facilities District has any obligation to provide moneys to pay for any such costs.

(20) During the period between the date of this Certificate and the Closing Date, if the Property Owner has actual knowledge of any event relating to or affecting such Property Owner, its Relevant Entities, or the acquisition, ownership, development or sale of the Property which could cause the information under the captions of the Preliminary Official Statement indicated in Section 11 of this Certificate (and subject to the limitations and exclusions contained in Section 11 of this Certificate) to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, such Property Owner shall notify the City and the Underwriter and if, in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, such Property Owner shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance satisfactory to counsel to the City and to the Underwriter.

(21) For a period of 90 days after the Closing Date, if the Property Owner has actual knowledge of any event relating to or affecting the Property Owner, its Relevant Entities, or the acquisition, ownership development or sale of the Property which could cause the information under the captions of the Final Official Statement indicated in Section 11 of this Certificate (and subject to the limitations and exclusions contained in Section 11 of this Certificate) to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Property Owner shall notify the City and the Underwriter and if, in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Final Official Statement, the Property Owner shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Final Official Statement in form and substance satisfactory to counsel to the City and to the Underwriter.

(22) As a condition to the issuance of the Bonds, the Property Owner agrees to deliver a bring-down certificate, dated the Closing Date, in substantially the form attached as Appendix H to the Bond Purchase Agreement, to affirm and restate the Property Owner's certifications, representations and covenants made in this Certificate. If any event related to or affecting the Property Owner, its Relevant Entities or the acquisition, ownership, development or sale of the Property occurs, as a result of which it is necessary to modify the bring-down certificate, the Property Owner agrees to deliver a new bring-down certificate revised to reflect such event.

(23) The Property Owner acknowledges and agrees that:

(i) in connection with the purchase and sale of the Bonds under the Bond Purchase Agreement, and with the discussions, undertakings and procedures leading up to the consummation of the purchase and sale of the Bonds under the Bond Purchase Agreement, the Underwriter is and has been acting solely as principal and is not acting as the agent or fiduciary of the Property Owner,

(iii) the Underwriter has not assumed a fiduciary responsibility in favor of the Property Owner with respect to (a) the offering of the Bonds contemplated hereby or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the Property Owner on other matters), or (b) any other obligation to the Property Owner with respect to the offering contemplated by the Bond Purchase Agreement, and

(iii) the Property Owner has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering contemplated by the Bond Purchase Agreement.

ITEM 12.1.**ATTACHMENT 3**

On behalf of the Property Owner, I have reviewed the contents of this Certificate and the Property Owner has consulted with counsel regarding the meaning of its contents. The Property Owner acknowledges and understands that a variety of state and federal laws, including but not limited to the Securities Act of 1933, as amended, and Rule 10b-5 promulgated under the Securities Exchange Act of 1934, as amended, may apply to the Property Owner, and that under some circumstances certification as to the matters set forth in this Certificate, without additional disclosures or other action, may not fully discharge all duties and obligations of the Property Owner under such laws.

BRING-DOWN CERTIFICATE OF PROPERTY OWNER

The undersigned party certifies and represents he, she or it is duly authorized on behalf of MDRE Development LLC, a California limited liability company (the “Property Owner”) to execute and deliver this certificate (this “Bring-Down Certificate”) in connection with the issuance, sale and delivery by City of Rancho Cordova of the Bonds captioned above (the “Bonds”).

This Bring-Down Certificate is delivered pursuant to the Bond Purchase Agreement with respect to the Bonds dated [BPA Date], between Piper Sandler & Co., as underwriter, and the City (the “Purchase Agreement”).

In connection with the distribution of the Preliminary Official Statement relating to the Bonds, the Property Owner executed a Certificate of Property Owner dated [POS Date] (the “Certificate”).

Capitalized terms used but not defined in this Bring-Down Certificate have the same meanings as set forth in the Purchase Agreement and the Certificate.

The undersigned, on behalf of the Property Owner, further certifies as follows:

(1) The undersigned is familiar with the facts certified in the Certificate and this Bring-Down Certificate, and is authorized and qualified to certify the same as an authorized officer or representative of the Property Owner.

(2) The undersigned has received the final Official Statement relating to the Bonds (the “Final Official Statement”).

(3) Each statement made in the Certificate is affirmed and restated as if made on the date hereof; provided that each statement made in the Certificate referring to the Preliminary Official Statement is affirmed as it relates to the Final Official Statement.

(4) To the Actual Knowledge of the Undersigned (as defined in the Certificate), no event has occurred since the date of the Preliminary Official Statement that has, in any material way, adversely affected the statements and information described in Paragraph 11 of the Certificate (and subject to the limitations and exclusions contained in Paragraph 11 of the Certificate) relating to the Property Owner and its Relevant Entities, the Property, the Property Owner’s development and financing plans, and the Property Owner’s contractual arrangements (but excluding any information cited as coming from a source other than the Property Owner), which should be disclosed in the Final Official Statement for the purposes for which it is to be used in order to make such statements and information contained in the Final Official Statement not misleading in any material respect.

(5) The Property Owner has duly executed and delivered the Property Owner Continuing Disclosure Certificate, and the Property Owner Continuing Disclosure Certificate constitutes the legal,

ITEM 12.1.**ATTACHMENT 3**

valid and binding obligation of the Property Owner, enforceable against the Property Owner in accordance with its terms, except as such enforcement is limited by bankruptcy, insolvency, reorganization, arrangement, moratorium, fraudulent conveyance, and other similar laws relating to or affecting the rights of creditors and certain equitable, legal, or statutory principles affecting the enforcement of contractual rights generally, regardless of whether such enforcement is considered in a proceeding in equity or at law.

CERTIFICATE OF APPRAISER

Integra Realty Resources (the “Appraiser”), Rocklin, California prepared an appraisal of the properties within the City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) (the “Community Facilities District”) dated _____, 2022 (the “Appraisal”). The Appraisal is described and summarized in the Preliminary Official Statement dated [POS Date] (the “Preliminary Official Statement”) and the Official Statement dated [OS Date] (the “Official Statement”), including as Appendix B thereto, relating to the bonds captioned above.

The Appraiser hereby certifies that, to the best of his knowledge and belief, all information with respect to the Appraisal in the Preliminary Official Statement and in the Official Statement was true and correct as of the date of the Appraisal and that the Appraiser is aware that acts and events may have occurred since the date of the Appraisal which could result in both positive and negative effects on market value; however, an updated Appraisal has not been completed as of this date.

The Appraiser hereby consents to the use of the Appraisal in connection with the distribution and use of the Preliminary Official Statement and Official Statement.

SERIES 2022

FORM OF ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Piper Sandler & Co. (“Piper”) hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “Bonds”).

1. ***Sale of the Bonds.***

(a) Piper offered each Maturity of the Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, dated [BPA Date], between the Issuer and Piper, Piper agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

2. ***Defined Terms.***

(a) *Holding Period* means, for each Maturity of the Bonds, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which Piper has sold at least 10% of such Maturity of the Bonds to the Public at prices that are no higher than the Initial Offering Price for such Maturity.

(b) *Issuer* means the City of Rancho Cordova.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(e) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [BPA Date].

(f) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Piper's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Certificate as to Arbitrage and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

**Re: City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena)
Special Tax Bonds, Series 2022**

Ladies and Gentlemen:

We have acted as counsel to MDRE Development LLC (the "Property Owner") in connection with the issuance and sale by City of Rancho Cordova (the "City") and Community Facilities District No. 2014-1 (Montelena) (the "District") of \$____ City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds, Series 2022 (the "Bonds"). This opinion is rendered pursuant to the Bond Purchase Agreement dated [BPA Date] (the "Bond Purchase Agreement"), entered into in connection therewith. Capitalized terms used herein without definition shall have the meanings set forth in the Bond Purchase Agreement.

In rendering the opinions set forth herein, we have reviewed and examined such documents as we have determined to be appropriate, including the following documents:

- A. The Bond Purchase Agreement;
- B. The Preliminary Official Statement dated [POS Date] and the Official Statement dated [OS Date] (collectively, the "Official Statement") for the offer and sale of the Bonds;
- C. The Property Owner Continuing Disclosure Certificate, dated [Closing Date] (the "Property Owner Continuing Disclosure Certificate") by the Property Owner; and

D. The Bring-Down Certificate of Property Owner provided by Property Owner to the City and Underwriter pursuant to Section 3 of the Bond Purchase Agreement (the “Property Owner Closing Certificate”).

With respect to factual matters underlying our opinions herein, we have made no independent investigation or inquiry and have relied solely upon the Property Owner Closing Certificate. We advise you that the phrase “to our knowledge,” as used herein, means that no facts have come to our attention, based upon an inquiry of attorneys in this firm who devote substantive legal attention to Property Owner, or as a result of our examination of the Property Owner Closing Certificate, that indicate to us anything contrary to the statement to which the phrase relates. Except as expressly set forth above, the phrase does not mean that we have conducted any investigation or inquiry or performed any other examination, or review. We have no reason to believe that any factual matters or assumptions relied upon by us are not true, correct and complete.

Our opinions herein are limited to the internal laws of the State of California and the federal laws of the United States of America. We express no opinion whatsoever with respect to the laws of any other jurisdiction and assume no responsibility for the applicability of such laws. In rendering our opinions herein, we have assumed the following, with your approval:

(i) The genuineness and authenticity of all signatures on original documents submitted to us (other than any signatures on behalf of Property Owner); the authenticity and completeness of all documents submitted to us as originals; the conformity to originals of all documents submitted to us as copies; where any signature, other than any signature on behalf of Property Owner purports to have been made in a corporate, governmental, fiduciary or other capacity, the person who affixed such signature had the full power and authority to do so;

(ii) The due authorization, execution and delivery of the applicable agreements by the parties thereto, other than the Property Owner, and the legality, validity, binding effect and enforceability against such parties of their respective obligations under such agreements;

(iii) The truth, accuracy and completeness of all factual representations and warranties of all parties under the documents described in paragraphs A through D, above;

(iv) The constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of California has specifically addressed but not resolved, or has established, its unconstitutionality or invalidity; and

(v) All official public records relied upon by us are accurate and complete.

Based upon the foregoing and in reliance thereon, and based on our examination of such questions of law as we have deemed appropriate under the circumstances, and subject to any further assumptions, comments, exceptions, qualifications and limitations set forth below, as of the date hereof, it is our opinion that:

1. The Property Owner is a California limited liability company validly existing and in good standing as a limited liability company under the laws of the State of California.

2. The Property Owner Continuing Disclosure Certificate has been duly authorized, executed and delivered by Property Owner, and constitutes legal, valid and binding obligations of the Property Owner, enforceable against the Property Owner in accordance with its terms.

3. To our knowledge, the execution and delivery by Property Owner of the Property Owner Continuing Disclosure Certificate and the performance of its obligations thereunder do not and will not result in a violation or any provision of, or in default under any agreement or other instrument to which Developer is a party.

4. To our knowledge, Property Owner is not in violation of any provision of or in default under, its organizational documents or any agreement or other instrument, violation or default under which would materially and adversely affect the business, properties, assets, liabilities or conditions (financial or other) of the Property Owner with respect to Property Owner's ability to develop real property owned by Property Owner within the District.

5. To our knowledge, except as set forth in the Official Statement, there are no actions, suits or proceedings pending or threatened against Property Owner which, if determined adversely, would have a material adverse effect (a) on the ability of Property Owner to perform its obligations under the Property Owner Continuing Disclosure Certificate or (b) on the development, construction, use, occupancy or operation of the Development or a material portion thereof.

6. Without having undertaken to independently determine the accuracy, completeness or fairness of the discussion contained in the Official Statement under the captions "THE DISTRICT," "THE FACILITIES," "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT," "CONTINUING DISCLOSURE," and "BOND OWNERS RISKS" (except that no opinion or belief is expressed as to any information relating to The Depository Trust Company, or any information relating to CUSIP numbers, or with respect to any financial, statistical or engineering information, data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, assessed valuations or appraised values, or to any information which is attributable to a source other than Property Owner, contained in the Official Statement), no facts came to our attention during the course of our representation of Property Owner that would lead us to believe that the information under said captions of the Official Statement as of its date and as of the date hereof relating to the Property Owner and the Property Owner's organizations, activities, properties and financial condition, and its proposed development of the property, contains any untrue statement of a material fact or omits any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In addition, all of our opinions expressed hereinabove are specifically subject to and limited by the following:

(a) We express no opinion as to matters governed by any laws other than the substantive laws of California which are in effect as of the date hereof, and we assume no obligation to modify or supplement this opinion with respect to changes in such laws after the date hereof.

(b) As counsel to the Property Owner in this matter, we have not rendered financial advice to the Property Owner and do not represent, by this opinion or otherwise, that we have reviewed or made any assessment about, nor do we offer any opinion about, the financial condition of the Property Owner, past, present or future; nor have we reviewed the financial

feasibility of this transaction or those matters which the proceeds of the Bonds will fund or any of its components and, accordingly, we offer no opinion whatsoever regarding such financial feasibility.

(c) The effect of laws or court decisions relating to bankruptcy, insolvency, fraudulent conveyance, equitable subordination, reorganization, arrangement, moratorium or other laws or court decisions relating to or affecting creditors' rights generally.

(d) Limitations imposed by California or federal law or equitable principles upon the availability of the remedy of specific performance of any of the remedies, covenants or other provisions of any document or agreement and upon the availability of injunctive relief or other equitable remedies.

In addition, we express no opinion as to the title of the property within the District or any entitlements, permits, approvals or other assets relating to the Property Owner's development of its property as proposed in the Official Statement.

We express no opinion as to any matter other than as expressly set forth above, and, in conjunction therewith, specifically express no opinion concerning the application of or compliance with any federal securities law, including, but not limited to, the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, any state securities or "Blue Sky" law, or any federal, state or local tax law, as respecting the Bonds.

This letter is intended solely for your use in accordance with the Bond Purchase Agreement and may not be reproduced or filed publicly or relied upon for any other purpose by you or for any purpose whatsoever by any other party without the express written consent of the undersigned except that this Opinion may be copied and distributed as part of a closing book of the bond transaction documents, provided that such distribution shall not expand in any way the permitted uses of this letter.

We assume no responsibility for the effect of any fact or circumstance occurring subsequent to the date of this letter, including without limitation, legislative or other changes in the law. Further, we assume no responsibility to advise you of any facts or circumstances of which we become aware after the date hereof, regardless of whether or not they may affect our opinions herein. This opinion is given as of the date hereof and we assume no obligation to update our opinions herein after the date hereof.

Very truly yours,

ITEM 12.1.

ATTACHMENT 4

Jones Hall Draft of May 5, 2022

PRELIMINARY OFFICIAL STATEMENT DATED _____, 2022

NEW ISSUE-FULL - BOOK ENTRY

NOT RATED

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the 2022 Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS" herein.

\$ _____
*
CITY OF RANCHO CORDOVA
COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA)
SPECIAL TAX BONDS
SERIES 2022

Dated: Date of Delivery

Due: September 1, as shown on inside cover

Authority for Issuance. The above-captioned bonds (the "2022 Bonds"), are being issued by the City of Rancho Cordova (the "City") by and through its Community Facilities District No. 2014-1 (Montelena) (the "District"). The 2022 Bonds are special tax obligations of the City, authorized pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being California Government Code Section 53311, et seq. (the "Mello-Roos Act"), and are issued pursuant to a Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (together, the "Fiscal Agent Agreement") by and between the City and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as fiscal agent (the "Fiscal Agent"). See "THE 2022 BONDS – Authority for Issuance." The 2022 Bonds represent the second series of special tax bonds issued for the District, and will be secured on a parity basis with the \$10,000,000 initial principal amount of City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2021 (the "2021 Bonds").

Security and Sources of Payment. The 2022 Bonds are secured by and payable from a pledge of Special Tax Revenues (as defined herein) levied on property within the District according to a rate and method of apportionment of special tax, including from the proceeds of any foreclosure actions brought following a delinquency in the payment of the Special Taxes (as defined herein), and from amounts held in certain funds under the Fiscal Agent Agreement, all as more fully described herein. The taxable real property within the District consists of mostly undeveloped land planned primarily for single family residential development. **Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within the District. In the event of delinquency, proceedings may be conducted only against the parcel of real property securing the delinquent Special Tax. There is no assurance the owners will be able to pay the Special Tax or that they will pay such Special Tax even though financially able to do so.** To provide funds for payment of the 2022 Bonds and the interest thereon as a result of any delinquent installments, the City will establish a reserve account for the 2022 Bonds, as described herein. See "SECURITY FOR THE 2022 BONDS."

The District. Property in the District subject to the Special Tax is comprised of land in the City entitled for development of 806 single-family homes, as well as public and quasi-public uses, parks and open space not subject to the Special Tax. At the time of formation of the District, all of the property in the District was owned by Montelena Douglas, LLC, Chrysanthry Road Investment, LLC and Douglas Cordova Commercial, LLC (collectively, the "Affiliated Land-Owners"), all of which are entities comprised of a management team that is responsible for the day-to-day management of the entitlement and development operations, and a group of capital investors that provide equity for the operations and development of the project. Over-time these entities have sold, and will continue to sell, land in the District to MDRE Development LLC, a California limited liability company (the "Master Developer") or affiliates, for the installation of backbone and in-tract infrastructure and further sale (or fee-building arrangement) with merchant homebuilders. As described herein, final maps have recorded in all 10 planned villages in the District, and homebuilding and sales are underway. As of March 31, 2022, 139 homes had sold and closed to individual homeowners. See "THE DISTRICT" and "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT."

Use of Proceeds. The 2022 Bonds are being issued to (i) reimburse the Master Developer for completed infrastructure and/or finance the payment of fees used to construct infrastructure; (ii) make a deposit into the debt service reserve fund for the 2022 Bonds; and (iii) pay the costs of issuance of the 2022 Bonds. See "FINANCING PLAN."

Bond Terms. Interest on the 2022 Bonds is payable semiannually on March 1 and September 1 of each year, commencing September 1, 2022. The 2022 Bonds will be issued in the denomination of \$5,000 or integral multiples of \$5,000 in excess thereof. The 2022 Bonds, when delivered, will be initially registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository for the 2022 Bonds. See "THE 2022 BONDS – Description of the 2022 Bonds" and "APPENDIX G – DTC and the Book-Entry Only System."

Redemption. The 2022 Bonds are subject to optional redemption, mandatory sinking fund redemption, and special mandatory redemption from prepaid Special Taxes. See "THE 2022 BONDS – Redemption."

THE 2022 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE CITY, PAYABLE SOLELY FROM THE SPECIAL TAX REVENUES AND CERTAIN OTHER FUNDS AND AMOUNTS HELD BY THE FISCAL AGENT UNDER THE FISCAL AGENT AGREEMENT. THE INFORMATION SET FORTH IN THIS OFFICIAL STATEMENT, INCLUDING INFORMATION UNDER THE HEADING "BOND OWNERS' RISKS," SHOULD BE READ IN ITS ENTIRETY.

MATURITY SCHEDULE (see inside cover)

This cover page contains certain information for quick reference only. It is not a summary of essential information about the 2022 Bonds. Potential investors should read this entire Official Statement to obtain information essential for making an informed investment decision. Investment in the 2022 Bonds involves risks that may not be appropriate for some investors. See "BOND OWNERS' RISKS" for a discussion of special risk factors that should be considered in evaluating the investment quality of the 2022 Bonds.

The 2022 Bonds are offered when, as and if issued by the City and accepted by the Underwriter, subject to approval as to their legality by Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, and subject to certain other conditions. Jones Hall, A Professional Law Corporation, also serves as disclosure counsel to the City. Certain matters will be passed upon for the City by Meyers Nave, A Professional Law Corporation, Sacramento, California, as City Attorney. Certain legal matters will be passed upon for the Underwriter by its counsel, Kutak Rock LLP, Irvine, California. It is anticipated that the 2022 Bonds, in book-entry form, will be available for delivery through the facilities of DTC on or about _____, 2022.

**CITY OF RANCHO CORDOVA
COMMUNITY FACILITIES DISTRICT NO. 2014-1 (MONTELENA)
SPECIAL TAX BONDS
SERIES 2022**

This Official Statement, including the cover page and all appendices hereto, is provided to furnish certain information in connection with the issuance by the City of Rancho Cordova (the “City”), for and on behalf of its Community Facilities District No. 2014-1 (Montelena) (the “District”), of the above-captioned bonds (the “**2022 Bonds**”).

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Definitions of certain terms used herein and not defined herein shall have the meaning set forth in the Fiscal Agent Agreement. See APPENDIX C.

INTRODUCTION

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and attached appendices, and the documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the 2022 Bonds to potential investors is made only by means of the entire Official Statement.

Overview. The District was established and authorized to incur bonded indebtedness in an aggregate principal amount not to exceed \$28,250,000 at a special election in the District held on June 2, 2014, pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311, *et seq.*, of the Government Code of the State of California) (the “**Mello-Roos Act**”). The 2022 Bonds represent the second series of special tax bonds authorized and issued by the City for the District, and will be secured on a parity basis with the \$10,000,000 initial principal amount of City of Rancho Cordova Community Facilities District No. 2014-1 (Montelena) Special Tax Bonds Series 2021 (the “**2021 Bonds**”). The 2021 Bonds, 2022 Bonds and any additional parity bonds that may be issued in the future for refunding purposes (“**Additional Bonds**”) are collectively referred to herein as the “**Bonds**.”

The 2022 Bonds. The 2022 Bonds are issued pursuant to the provisions of the Mello-Roos Act, a Fiscal Agent Agreement, dated as of July 1, 2021, as supplemented and amended by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of June 1, 2022 (the “**Fiscal Agent Agreement**”) between the City and U.S. Bank Trust Company, National

* Preliminary; subject to change.

Association (as successor to U.S. Bank National Association), as fiscal agent (the “**Fiscal Agent**”), and a resolution adopted by the City Council of the City on _____, 2022, which authorized the issuance of the 2022 Bonds (the “**Resolution**”). See “THE 2022 BONDS – Authority for Issuance.”

Registration of Ownership of the 2022 Bonds. The 2022 Bonds are issued only as fully registered bonds in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”), without coupons, in the denomination of \$5,000 or any integral multiple thereof and shall be dated as of and bear interest from the date of delivery thereof at the rate or rates set forth on the cover page hereof. Interest on the 2022 Bonds is payable on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2022. Ultimate purchasers of 2022 Bonds will not receive physical certificates representing their interest in the 2022 Bonds. So long as the 2022 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners shall mean Cede & Co., and shall not mean the ultimate purchasers of the 2022 Bonds. Payments of the principal, premium, if any, and interest on the 2022 Bonds will be made directly to DTC, or its nominee, Cede & Co. so long as DTC or Cede & Co. is the registered owner of the 2022 Bonds. Disbursements of such payments to DTC’s Participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC’s Participants and Indirect Participants, as more fully described herein. See “APPENDIX G - DTC and the Book-Entry Only System.”

Use of Proceeds. Proceeds of the 2022 Bonds will primarily be used to reimburse the Master Developer for completed infrastructure and/or finance the payment of fees used to construct infrastructure (collectively, the “**Facilities**,” as described herein). The Facilities consist generally of road and related improvements, including drainage, water, sanitary sewer, joint trench utilities, concrete curbs, gutters and sidewalks, maintenance holes, street lighting, landscaping, masonry walls, traffic signals, park improvements (and/or fees to finance such improvements) and other miscellaneous infrastructure improvements necessary for development of property within the District. Proceeds of the 2022 Bonds will also be used to make a deposit to the 2022 Reserve Account of the Reserve Fund (defined herein), and pay the cost of issuance of the 2022 Bonds.

Security and Sources of Payment of the 2022 Bonds. The 2022 Bonds are secured by, and payable from, “**Special Tax Revenues**,” which are defined as the proceeds of the Special Taxes annually received by the City, less an amount equal to the Administrative Expense Priority, including all scheduled payments and delinquent payments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes. “**Special Taxes**” means the special tax levied on taxable real property within the boundaries of the District under the Rate and Method of Apportionment of Special Tax for the District (the “**Special Tax Formula**”), and “**Administrative Expense Priority**” means (i) for Fiscal Year 2021-22, \$53,601, and (ii) for each subsequent year, an amount equal to the preceding fiscal year’s Administrative Expense Priority plus an additional 2% of such amount.

The 2022 Bonds are also payable from amounts held in certain funds and accounts pursuant to the City, including the 2022 Reserve Account of the Reserve Fund, all as more fully described herein. The Special Tax applicable to each taxable parcel in the District will be levied and collected according to the tax liability determined by the application of the Special Tax Formula, which is set forth in APPENDIX A hereto. The Special Taxes represent fixed liens on the parcels of land subject to a Special Tax of the District and failure to pay the Special Taxes

could result in proceedings to foreclose title to the delinquent property. The Special Taxes do not constitute the personal indebtedness of the owners of taxed parcels and no proceedings to collect directly from an owner is permitted. See "SECURITY FOR THE 2022 BONDS – Special Tax Formula" and "APPENDIX A – Rate and Method of Apportionment of Special Tax."

Pursuant to the Mello-Roos Act, the Resolution of Formation (as defined herein), and the Fiscal Agent Agreement, so long as any Bonds are outstanding, the City will annually levy the Special Tax against all taxable land within the District in accordance with the proceedings for the authorization and issuance of the Bonds and to make provision for the collection of the Special Tax in amounts which will be sufficient to pay interest on, principal of and redemption premium (if any) on the Bonds as such becomes due and payable and to replenish the Reserve Fund (as defined herein) as necessary. See "SECURITY FOR THE 2022 BONDS – Special Taxes" herein.

Reserve Fund. In connection with the issuance of the 2021 Bonds, the Fiscal Agent established a "**Reserve Fund**," and within the Reserve Fund, the "**2021 Reserve Account**," which was funded in an amount equal to the Reserve Requirement (described herein) with respect to the 2021 Bonds. Similarly, upon issuance of the 2022 Bonds, a "**2022 Reserve Account**" will be funded in an amount equal to the Reserve Requirement for the 2022 Bonds. Amounts in each reserve account established for a Series of Bonds are available only for the applicable Series of Bonds; accordingly, only amounts in the 2022 Reserve Account of the Reserve Fund secure the 2022 Bonds. See "SECURITY FOR THE 2022 BONDS – Reserve Fund." If there are additional delinquencies after depletion of funds in the 2022 Reserve Account of the Reserve Fund, the City is not obligated to pay the 2022 Bonds, or supplement the 2022 Reserve Account of the Reserve Fund.

Additional Bonds for Refunding Purposes Only. The maximum authorized indebtedness for the District is \$28,250,000. However, the City has covenanted in the Fiscal Agent Agreement that, following issuance of the 2022 Bonds, Additional Bonds may only be issued to refund Outstanding Bonds and if the annual debt service on the refunding Bonds is less than the annual debt service on the Bonds being refunded for each year such refunding Bonds are scheduled to be Outstanding. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Additional Bonds for Refunding Purposes Only."

Property Subject to the Special Tax. Property in the District subject to the Special Tax is comprised of land in the City entitled for development of 806 single-family homes, as well as public and quasi-public uses, parks and open space not subject to the Special Tax. At the time of formation of the District, all of the property in the District was owned by the Affiliated Land-Owners. Over-time these entities have sold, and will continue to sell, land in the District to the MDRE Development LLC, a California limited liability company (the "**Master Developer**") or its affiliates, for the installation of backbone and in-tract infrastructure and further sale (or fee-builder arrangement) to merchant homebuilders.

Final maps have recorded in all 10 planned villages in the District. In addition, homebuilding and sales are underway, and as of March 31, 2022, 133 homes have sold and closed to individual homeowners.

Villages 5, 7, 8, 9, and 10. The Master Developer has sold all the land in Villages 9 and 10 (169 lots) to Premier Chrysanthy, LLC, a California limited liability company ("**Premier Chrysanthy, LLC**"), which is 51% owned by Premier Homes, a privately-held merchant builder active in the Sacramento area ("**Premier Homes**"), and 49% owned by Chrysanthy Road Investments, LLC, which is an affiliate of the Master Developer. Premier

Homes is actively building production homes in Villages 9 and 10, with 139 homes having closed escrow to individual homeowners as of March 31, 2022. Chrysanthy Road Investments, LLC, an affiliate of the Master Developer also sold the land in Village 8 (81 lots) to Summit Chrysanthy Development, LLC. Summit Chrysanthy Development, LLC has entered into a Fee Builder Agreement with Premier Homes with respect to the lots planned for Village 8. Like the Master Developer, Summit Chrysanthy Development, LLC, is owned 51% by Summit Innovations Development Corp. The remaining 49% is owned by Chrysanthy Road Investments, LLC. The four models in Villages 9 and 10 will be used as the models for Village 8. The Master Developer has entered into a Fee Builder Agreement with respect to the lots planned for Village 5 (59 Lots) and Village 7 (152 Lots).

Villages 1, 2, 3, 4 and 6. The Master Developer has sold all the land in Village 3 (125 lots) to Richmond American Homes of Maryland, Inc., a Maryland corporation ("**Richmond American**"), and all the land in Villages 1, 2, 4, and 6 (220 lots) to Pulte Home Company, LLC, a Michigan limited liability company ("**Pulte**" or "**Pulte Homes**"). Premier Homes, Richmond American, and Pulte are sometimes collectively referred to herein as the "**Merchant Builders**."

Commercial Parcel. There is also a commercial parcel of approximately 15.47 acres owned by Douglas Cordova Commercial, LLC, an Affiliated Land-Owner, that is currently zoned Community Services and General Commercial. The Master Developer has had discussions with the City for a mixed-use "town center" project that would consist of a combination of apartments, townhomes and commercial uses, including a clubhouse connected to the lease-up of the project. A rezone of the property would be needed to change these uses, as well as Specific Plan amendments and a CEQA review.

See "THE DISTRICT" and "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" for more information.

Value of Property in the District. Property in the District is security for the Special Tax. The City ordered preparation of an appraisal report (the "**Appraisal**"), of the estimated value of the taxable land within the District as of a March 31, 2022 date of value, prepared by Integra Realty Resources, Sacramento, California (the "**Appraiser**"). The Appraiser indicated a not-less-than value estimate of \$220,088,667 as of the date of value, and subject to the conditions and qualifications set forth therein. The Appraisal is set forth in its entirety as APPENDIX B hereto. The description herein of the Appraisal is intended for limited purposes only; the Appraisal should be read in its entirety. In considering the estimates of value evidenced by the Appraisal, it should be noted that the Appraisal is based upon a number of standard and special assumptions that affected the estimates as to value, in addition to the assumption of completion of the Facilities expected to be funded with the proceeds of the 2022 Bonds. See "VALUE OF PROPERTY WITHIN THE DISTRICT."

The principal amount of the direct and overlapping debt in the District is \$20,054,169*, which consists of the Bonds (\$18,660,000*) and \$1,394,169 of overlapping general obligation and CFD bond debt. Consequently, the estimated value of property in the District subject to the Special Tax lien (\$220,088,667), is approximately 11.0* times the principal amount of the direct and overlapping debt in the District. This is an average, and individual parcels may have value-to-lien ratios that are substantially different. See "VALUE OF PROPERTY WITHIN THE DISTRICT – Value to Special Tax Burden Ratios."

* Preliminary; subject to change.

Risks of Investment; COVID-19 Pandemic. Investment in the 2022 Bonds involves risks that may not be appropriate for some investors. See “BOND OWNERS’ RISKS” for a discussion of special factors that should be considered, in addition to the other matters set forth herein, in considering the investment quality of the 2022 Bonds, including the potential impact of the ongoing COVID-19 pandemic.

Limited Obligation of the City. The general fund of the City is not liable and the full faith and credit of the City is not pledged for the payment of the interest on, or principal of or redemption premiums, if any, on the Bonds. The Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the City or any of its income or receipts, except the Special Tax Revenues and amounts in certain funds established under the Fiscal Agent Agreement as described herein. The Bonds are special limited obligations of the City, and neither the City Council, the City nor any officer or employee thereof shall be liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds other than from the Special Tax Revenues and amounts in certain funds established under the Fiscal Agent Agreement as described herein.

Summary of Information. Brief descriptions of certain provisions of the Fiscal Agent Agreement and certain other documents are included herein. The descriptions and summaries of documents herein do not purport to be comprehensive or definitive, and reference is made to each such document for the complete details of all its respective terms and conditions, copies of which are available for inspection at the office of the City. All statements herein with respect to certain rights and remedies are qualified by reference to laws and principles of equity relating to or affecting creditors’ rights generally. Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings ascribed to such terms in the Fiscal Agent Agreement. See “APPENDIX C – Summary of Certain Provisions of the Fiscal Agent Agreement.” The information and expressions of opinion herein speak only as of the date of this Official Statement and are subject to change without notice. Neither delivery of this Official Statement, any sale made hereunder, nor any future use of this Official Statement shall, under any circumstances, create any implication that there has been no change in the affairs of the City or the District since the date hereof.

FINANCING PLAN

The 2022 Bonds are being issued to (i) reimburse the Master Developer for completed infrastructure and/or finance the payment of fees used to construct infrastructure (referred to herein as the Facilities); (ii) make a deposit into the 2022 Reserve Account of the Reserve Fund equal to the Reserve Requirement with the 2022 Bonds; and (iii) pay the costs of issuance of the 2022 Bonds.

A summary of the estimated sources and uses of funds associated with the sale of the 2022 Bonds follows:

Estimated Sources of Funds:

Principal Amount of the 2022 Bonds	\$
Plus/less: [Net] Original Issue Premium/Discount	
Total	\$

Estimated Uses of Funds:

Deposit to 2022 Improvement Account of Improvement Fund	\$
Deposit to 2022 Reserve Account of Reserve Fund ⁽¹⁾	
Costs of Issuance ⁽²⁾	
Total	\$

(1) Equal to the Reserve Requirement with respect to the 2022 Bonds.

(2) Used to pay costs of issuance of the 2022 Bonds, including initial fees, expenses and charges of the Fiscal Agent, costs of printing the preliminary and final Official Statements, administrative fees of the City, Underwriter's discount, fees of Bond Counsel and Disclosure Counsel, and other costs of issuance.

THE 2022 BONDS**Authority for Issuance**

The 2022 Bonds are issued pursuant to the Fiscal Agent Agreement, the Resolution adopted by the City Council on [May 16], 2022, and the Mello-Roos Act.

The District was established and authorized to incur bonded indebtedness in an aggregate principal amount not to exceed \$28,250,000 at a special election in the District held on June 2, 2014 pursuant to the Mello-Roos Act. Under the provisions of the Mello-Roos Act, since there were fewer than 12 registered voters residing within the District at any point during the 90-day period preceding the adoption of the City's resolution forming the District on June 2, 2014 (the "**Resolution of Formation**"), the sole qualified elector was the developer/landowner who was entitled to cast one vote for each acre or portion of an acre of land owned within the District. The landowner voted to incur the indebtedness and to approve the annual levy of Special Taxes to be collected within the District, for the purpose of paying for the Facilities, including repaying any indebtedness of the District, replenishing reserve funds and paying the administrative expenses of the District.

The maximum authorized indebtedness for the District is \$28,250,000. However, the City has covenanted in the Fiscal Agent Agreement that, following issuance of the 2022 Bonds, Additional Bonds may only be issued to refund Outstanding Bonds and if the annual debt service on the refunding Bonds is less than the annual debt service on the Bonds being refunded for each year such refunding Bonds are scheduled to be Outstanding. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Additional Bonds for Refunding Purposes Only."

Description of the 2022 Bonds

The 2022 Bonds are being issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company ("**DTC**"), and will be available to ultimate purchasers in the denomination of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC. Ultimate purchasers of 2022 Bonds will not receive physical certificates representing their interest in the 2022 Bonds. So long as the 2022 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners shall mean Cede & Co., and shall not mean the ultimate purchasers of the 2022 Bonds. Payments of the principal, premium, if any, and interest on the 2022 Bonds will be made directly to DTC, or its nominee, Cede & Co., by U.S. Bank National Association, as the fiscal agent, registrar and transfer agent (the "**Fiscal Agent**") for the 2022 Bonds, so long as DTC or Cede & Co. is the registered owner of the 2022 Bonds. Disbursements of such payments to DTC's Participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC's Participants and Indirect Participants, as more fully described herein. See "APPENDIX G – DTC and the Book-Entry Only System."

The 2022 Bonds will be dated as of and bear interest from the date of delivery thereof at the rates and mature in the amounts and years, as set forth on the cover page hereof. The principal of the 2022 Bonds and premiums due upon the redemption thereof, if any, will be payable in lawful money of the United States of America at the principal corporate trust office of the Fiscal Agent in Seattle, Washington, or such other place as designated by the Fiscal Agent, upon presentation and surrender of the 2022 Bonds.

Interest on the 2022 Bonds, computed on the basis of a 360-day year consisting of twelve 30-day months, will be paid in lawful money of the United States of America semiannually on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2022. Interest on the 2022 Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on each Interest Payment Date by first class mail to the registered Owner thereof at such registered Owner’s address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the 15th day of the calendar month preceding the Interest Payment Date (the “**Record Date**”), or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date, of any Owner of \$1,000,000 or more in aggregate principal amount of 2022 Bonds; provided that so long as any 2022 Bonds are in book-entry form, payments with respect to such 2022 Bonds shall be made by wire transfer, or such other method acceptable by the Fiscal Agent, to DTC. See “APPENDIX G – DTC and the Book-Entry Only System.”

Each 2022 Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from the dated date; provided, however, that if at the time of authentication of a 2022 Bond, interest is in default thereon, such 2022 Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon. So long as the 2022 Bonds are registered in the name of Cede & Co., as nominee of DTC, payments of the principal, premium, if any, and interest on the 2022 Bonds will be made directly to DTC, or its nominee, Cede & Co. Disbursements of such payments to DTC’s Participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC’s Participants and Indirect Participants, as more fully described herein. See “APPENDIX G - DTC and the Book-Entry Only System.”

Redemption*

Optional Redemption. The 2022 Bonds are subject to optional redemption from any source of available funds (other than prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, 20__ through August 31, 20__	103%
September 1, 20__ through August 31, 20__	102
September 1, 20__ through August 31, 20__	101
September 1, 20__ and any date thereafter	100

Mandatory Redemption from Prepayments. The 2022 Bonds are subject to mandatory redemption from prepayments of the Special Tax by property owners, in whole or in part among maturities as shall be specified by the City and by lot within a maturity, on any Interest Payment

* Preliminary; subject to change.

ITEM 12.1.

ATTACHMENT 4

Jones Hall Draft of May 5, 2022

Date at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

See "BOND OWNERS' RISKS – Potential Early Redemption of Bonds from Prepayments" for a discussion of the potential for the 2022 Bonds to be priced with original issue premium and then be redeemed from Special Tax prepayments prior to maturity.

Mandatory Sinking Fund Redemption. The 2022 Bonds maturing September 1, 20__ and September 1, 20__ (the "Term Bonds") are subject to mandatory sinking payment redemption in part, by lot, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

September 1, 20__ Term Bonds

Mandatory Redemption Date (September 1)	Sinking Fund Payment
---	-------------------------

September 1, 20__ Term Bonds

Mandatory Redemption Date (September 1)	Sinking Fund Payment
---	-------------------------

The amounts in the foregoing table shall be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the 2022 Bonds.

In lieu of redemption, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2022 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2022 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

Redemption Procedure by Fiscal Agent. The Fiscal Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any 2022 Bonds designated for

redemption, at their addresses appearing on the 2022 Bond registration books in the Principal Office of the Fiscal Agent; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of such 2022 Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding 2022 Bonds are to be called for redemption, shall designate the CUSIP numbers and bond numbers of the 2022 Bonds to be redeemed by giving the individual CUSIP number and number of each 2022 Bond to be redeemed or shall state that all 2022 Bonds between two stated numbers, both inclusive, are to be redeemed or that all of the 2022 Bonds of one or more maturities have been called for redemption, shall state as to any 2022 Bond called in part the principal amount thereof to be redeemed, and shall require that such 2022 Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and shall state that further interest on such 2022 Bonds will not accrue from and after the redemption date.

The City has the right to rescind any notice of the optional redemption of 2022 Bonds. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2022 Bonds then called for redemption, and such cancellation shall not constitute an event of default.

Upon the payment of the redemption price of 2022 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the 2022 Bonds being redeemed with the proceeds of such check or other transfer.

Whenever provision is made in the Fiscal Agent Agreement for the redemption of less than all of the 2022 Bonds of any maturity, the Fiscal Agent shall select the 2022 Bonds to be redeemed, from all 2022 Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion shall deem appropriate. Upon surrender of 2022 Bonds redeemed in part only, the City shall execute, and the Fiscal Agent shall authenticate and deliver to the registered Owner, at the expense of the City, a new 2022 Bond or 2022 Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the 2022 Bond or 2022 Bonds.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2022 Bonds so called for redemption shall have been deposited in the Bond Fund, such 2022 Bonds so called shall cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice.

Transfer or Exchange of 2022 Bonds

So long as the 2022 Bonds are registered in the name of Cede & Co., as nominee of DTC, transfers and exchanges of 2022 Bonds shall be made in accordance with DTC procedures. See APPENDIX G. Any 2022 Bond may, in accordance with its terms, be transferred or exchanged by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such 2022 Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form approved by the Fiscal Agent. Whenever any 2022 Bond or 2022

Bonds shall be surrendered for transfer or exchange, the City shall execute and the Fiscal Agent shall authenticate and deliver a new 2022 Bond or 2022 Bonds, for a like aggregate principal amount of 2022 Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer or exchange shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfers or exchanges of 2022 Bonds shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of 2022 Bonds for redemption or (ii) with respect to a 2022 Bond after such 2022 Bond has been selected for redemption.

SECURITY FOR THE 2022 BONDS

The 2022 Bonds are secured, on a parity basis with the 2021 Bonds, by and payable from a first pledge of the proceeds of the **"Special Tax Revenues,"** defined in the Fiscal Agent Agreement as the proceeds of the Special Tax (as defined in the Special Tax Formula) received by the City, less an amount equal to the Administrative Expense Priority, including all scheduled payments and delinquent payments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes. **"Administrative Expense Priority"** means (i) for Fiscal Year 2021-22, \$53,601, and (ii) for each subsequent year, an amount equal to the preceding fiscal year's Administrative Expense Priority plus an additional 2% of such amount.

All of the Special Tax Revenues and all moneys deposited in the Bond Fund and, until disbursed as provided in the Fiscal Agent Agreement, the Improvement Fund and the Special Tax Fund are pledged to secure the repayment of the Bonds. In addition, the 2022 Bonds are secured by a pledge of all amounts in the 2022 Reserve Account of the Reserve Fund, and each series of Additional Bonds may be secured by a reserve account within the Reserve Fund or a separate reserve fund, as provided in the applicable Supplemental Agreement for such Series. Such pledge shall constitute a first lien on the Special Tax Revenues and said amounts.

The Special Tax Revenues and all moneys deposited into said funds are pledged to the payment of the principal of, and interest and any premium on, the 2022 Bonds as provided in the Fiscal Agent Agreement and in the Mello-Roos Act until all of the 2022 Bonds have been paid and retired or until moneys or Federal Securities (as defined in the Fiscal Agent Agreement) have been set aside irrevocably for that purpose. The City may issue Additional Bonds secured on a parity with the 2022 Bonds, as described herein; see **"Additional Bonds for Refunding Purposes Only"** below.

Amounts in the 2022 Costs of Issuance Fund established under the Fiscal Agent Agreement are not pledged to the repayment of the 2022 Bonds. The Facilities are not in any way pledged to pay the debt service on the 2022 Bonds. Any proceeds of condemnation, destruction or other disposition of any Facilities are not pledged to pay the debt service on the 2022 Bonds and are free and clear of any lien or obligation imposed under the Fiscal Agent Agreement.

Special Taxes

A Special Tax applicable to each taxable parcel in the District will be levied and collected according to the tax liability determined by the City through the application of the Special Tax Formula prepared by Goodwin Consulting Group, Inc., Sacramento, California (the “**Special Tax Consultant**”) and set forth in APPENDIX A hereto, for all taxable properties in the District. Interest and principal on the 2022 Bonds is payable from the annual Special Taxes to be levied and collected on such property within the District, from amounts held in certain funds and accounts established under the Fiscal Agent Agreement and from the proceeds, if any, from the sale of such property for delinquency of such Special Taxes.

The Special Taxes are exempt from the property tax limitation of Article XIII A of the California Constitution, pursuant to Section 4 thereof as a “special tax” authorized by a two-thirds vote of the qualified electors. The levy of the Special Taxes was authorized by the City pursuant to the Mello-Roos Act in a maximum amount determined according to the Special Tax Formula approved by the City. See “Special Tax Formula” below and “APPENDIX A - Rate and Method of Apportionment of Special Tax.”

The amount of Special Taxes that the District may levy in any year, from which principal and interest on the 2022 Bonds is to be paid, is limited by the maximum rates approved by the qualified electors within the District which are set forth as the “**Maximum Special Tax**” in the Special Tax Formula. Under the Special Tax Formula, Special Taxes will be levied annually in an amount not in excess of the Maximum Special Tax for the purpose of making payments on the 2022 Bonds. The Special Taxes and any interest earned on the Special Taxes shall constitute a trust fund for the principal of and interest on the 2022 Bonds pursuant to the Fiscal Agent Agreement and, so long as the amount levied for principal of and interest on these obligations remains unpaid, the Special Taxes and investment earnings thereon shall not be used for any other purpose, except as permitted by the Fiscal Agent Agreement, and shall be held in trust for the benefit of the owners thereof and shall be applied pursuant to the Fiscal Agent Agreement. The Special Tax Formula apportions the Special Tax Requirement (as defined in the Special Tax Formula and described below) among the taxable parcels of real property within the District according to the rate and method set forth in the Special Tax Formula. See “Special Tax Formula” below. See also “APPENDIX A – Rate and Method of Apportionment of Special Tax.”

The City may levy the Special Tax at the Maximum Special Tax rate authorized by the qualified electors within the District as set forth in the Special Tax Formula if conditions so require and the City has covenanted to annually levy the Special Taxes in an amount at least sufficient to pay the Special Tax Requirement (as defined below). Because each Special Tax levy for payment of the 2022 Bonds is limited to the Maximum Special Tax rates authorized as set forth in the Special Tax Formula, no assurance can be given that, in the event of Special Tax delinquencies, the amount of the Special Tax Requirement will in fact be collected in any given year. See “BOND OWNERS’ RISKS – Levy and Collection of the Special Tax” herein. The Special Taxes are collected for the City by the County in the same manner and at the same time as *ad valorem* property taxes.

In addition to the Maximum Special Tax rate limitation in the Special Tax Formula, Section 53321(d) of the Mello-Roos Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community

facilities district by more than 10% above the amount that would have been levied in such fiscal year had there never been any such delinquencies or defaults.

Special Tax Formula

The Special Tax authorized under the Mello-Roos Act applicable to land within the District will be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate as described in the Special Tax Formula (defined terms set forth below in this section have the meanings set forth in the Special Tax Formula) set forth in "APPENDIX A – Rate and Method of Apportionment of Special Tax." Capitalized terms used but not defined in this subsection are defined in APPENDIX A.

Facilities Special Tax, Services Special Tax and the Trigger Event. The Special Tax Formula contemplates the levying of a "Facilities Special Tax" and a "Services Special Tax." ***Only the Facilities Special Tax will be levied while Bonds are outstanding, and all references in this Official Statement to the Special Tax securing the Bonds means the "Facilities Special Tax" as defined and used in the Special Tax Formula.*** In the fiscal years following the "Trigger Event," which is defined as the date on which the City makes a finding that all Bonds secured by the Facilities Special Taxes have been fully repaid, all Administrative Expenses have been paid or reimbursed to the City and the Long-Term Maintenance Reserve (described below) has been fully funded, the Facilities Special Tax will no longer be levied and the Services Special Tax will commence to be levied to pay for the Authorized Services described in the Special Tax Formula and the formation proceedings for the District.

Facilities Special Tax Requirement. Each year while Bonds are outstanding, the City will determine the Facilities Special Tax Requirement of the District for the upcoming fiscal year. The "**Facilities Special Tax Requirement**" is defined in the Special Tax Formula as the amount necessary in any fiscal year (i) to pay principal and interest on Bonds which are due in the calendar year which begins in such fiscal year, (ii) to create and/or replenish reserve funds to the extent such replenishment was not included in the computation of the Facilities Special Tax Requirement in a previous fiscal year, (iii) to cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior fiscal year or, based on prior delinquencies, are expected to occur in the current fiscal year, (iv) to pay Administrative Expenses, (v) to pay directly for Authorized Facilities, and (vi) to fund all or a portion of the Long-Term Maintenance Reserve. The Facilities Special Tax Requirement may be reduced in any fiscal year by (a) interest earnings on, or surplus balances in, funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against debt service pursuant to the Indenture, Bond resolution, or other legal document that set forth these terms, (b) proceeds from the collection of penalties associated with delinquent Facilities Special Taxes, and (c) any other revenues available to pay debt service on the Bonds as determined by the Administrator.

Long-Term Maintenance Reserve. The Special Tax Formula contemplates the establishment of a Long-Term Maintenance Reserve, which means, in Fiscal Year 2014-15, an amount equal to \$4,300,000 (escalating annually thereafter) that will be used to pay for street overlays, repair and replacement of curbs, gutters, sidelines and street lights, and any other long-term facility repair and replacement that the City determines is authorized and needed to serve properties in the District. The City anticipates levying the Special Taxes at the maximum rates to fully fund the Long-Term Maintenance Reserve and has covenanted in the Fiscal Agent Agreement to use the Facilities Special Taxes to pay debt service on the Bonds before contributing such amounts toward the Long-Term Maintenance Reserve.

Parcels Subject to the Facilities Special Tax. The City will prepare a list of the parcels subject to the Facilities Special Tax using the records of the City and the County Assessor. The City has the authorization to tax all parcels within the District except tax-exempt parcels as described in the Special Tax Formula. Taxable parcels that are acquired by a public agency after the District is formed will remain subject to the Facilities Special Tax unless a “trade” resulting in no loss of Special Tax revenue can be made, as described in the Special Tax Formula.

Assignment of Maximum Facilities Special Tax. The Special Tax Formula describes in detail the precise method for assigning the Maximum Facilities Special Tax to parcels within the District, which generally provides that each year the City will use the definitions contained in the Special Tax Formula to classify each parcel as tax-exempt or taxable. The Maximum Facilities Special Tax for Fiscal Year 2021-22 and following fiscal years is set forth in the following table. For additional details, see APPENDIX A.

**City of Rancho Cordova
Community Facilities District No. 2014-1 (Montelena)
Maximum Facilities Special Tax Rates
Fiscal Year 2021-22**

Special Tax Category	Developed Land Use	FY 2021-22 Maximum Facilities Special Tax ⁽¹⁾⁽²⁾	
Developed Property	Single Family Detached	\$1,420.92	per Unit
	Single Family Attached	1,420.92	per Unit
	Multi-Family	10,010.80	per Acre
	Taxable Non-Residential	10,010.80	per Acre
Taxable Public Property	N/A	10,010.80	per Acre
Final Map Property	N/A	1,420.92	per SFD Lot
Undeveloped Property	N/A	10,010.80	per Acre

(1) On July 1, 2022 and each July 1 thereafter, the Maximum Facilities Special Taxes shall be increased by two percent of the amount in effect in the previous fiscal year.

(2) Represents the Maximum Special Tax rates based on currently-expected land uses in the CFD. Subject to change pursuant to Section D of the RMA.

Sources: Goodwin Consulting Group, Inc.

In addition to the Maximum Facilities Special Tax rate limitation in the Special Tax Formula, Section 53321(d) of the Mello-Roos Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such fiscal year had there never been any such delinquencies or defaults.

Levy of Facilities Special Tax. The Facilities Special Tax will be levied each year from parcels within the District in an amount at least sufficient to pay debt service on outstanding Bonds and administrative expenses of the District. The Facilities Special Tax is expected to be collected at the same time and in the same manner as *ad valorem* property taxes. The City reserves the right to collect the taxes in another manner if required to meet annual obligations of the District.

Once the Facilities Special Tax Requirement has been determined for a particular Fiscal Year, the Facilities Special Tax will be levied on all Parcels of Taxable Property as follows:

ITEM 12.1.

ATTACHMENT 4

Jones Hall Draft of May 5, 2022

Step 1: In all Fiscal Years through and including Fiscal Year 2029-30, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property and Final Map Property. Any Facilities Special Tax proceeds collected that are not needed to pay debt service on the Bonds, replenish reserves or pay Administrative Expenses shall be used to pay directly for Authorized Facilities.

After Fiscal Year 2029-30, the Facilities Special Tax shall be levied Proportionately on each Parcel of Developed Property, other than Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel until the amount levied on Developed Property is equal to the Facilities Special Tax Requirement.

Step 2: After Fiscal Year 2029-30, if additional revenue is needed after Step 1 to pay the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Final Map Property up to 100% of the Maximum Facilities Special Tax.

Step 3: In any Fiscal Year, if additional revenue is needed after Step 1 (through Fiscal Year 2029-30) and Step 2 (after Fiscal Year 2029-30) to pay the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Facilities Special Tax.

Step 4: In any Fiscal Year, if additional revenue is needed after Step 3, the Facilities Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property, up to 100% of the Maximum Facilities Special Tax.

Projected Fiscal Year 2022-23 Special Tax Levy. The following table shows the projected Fiscal Year 2022-23 special tax levy by Village.

**City of Rancho Cordova
Community Facilities District No. 2014-1 (Montelena)
Projected Fiscal Year 2022-23 Special Tax Levy By Village⁽¹⁾**

Village	Projected FY 2022-23 Maximum Facilities Special Tax	Projected FY 2022-23 Facilities Special Tax Levy
Village 1 and 2	\$184,066	\$184,066
Village 3	181,168	181,168
Village 4	79,714	79,714
Village 5	85,511	85,511
Village 6	55,075	55,075
Village 7	220,300	220,300
Village 8	117,397	117,397
Village 9 and 10	244,938	244,938
Total	\$1,168,168	\$1,168,168

(1) Based on final maps recorded by March 30, 2022. Per the Special Tax Formula, the City will levy the Maximum Facilities Special Tax on all Developed Property and Final Map Property in Fiscal Year 2022-23. Assumes no further development. Per the Special Tax Formula, the City will levy the Maximum Facilities Special Tax on Developed Property and Final Map Property in Fiscal Year 2022-23.

(2) Pursuant to the RMA, the City will levy at least the Maximum Facilities Special Tax on Developed Property and Final Map Property in fiscal year 2022-23.

Sources: Goodwin Consulting Group, Inc.

Termination of the Facilities Special Tax. The Facilities Special Tax will be levied until all Bonds have been repaid and all authorized facilities have been funded; however, the Facilities Special Tax cannot be levied under any circumstance after Fiscal Year 2065-66.

Prepayment of the Facilities Special Tax. The Facilities Special Tax obligation assigned to a particular parcel within the District can be prepaid, which will release the parcel making the prepayment from the Mello-Roos special tax lien. Section H of the Special Tax Formula sets forth a detailed formula by which the prepayment for a parcel can be calculated. Proceeds of such prepayment will be used to redeem a portion of the Bonds. See “THE 2022 BONDS – Redemption.”

Special Tax Fund

When received, the Special Tax Revenues are required under the Fiscal Agent Agreement to be deposited into a Special Tax Fund to be held by the City in trust for the benefit of the City and the Owners of the Bonds. Within the Special Tax Fund, the City will establish and maintain two accounts, (i) the Debt Service Account, to the credit of which the City will deposit, immediately upon receipt, all Special Tax Revenues, and (ii) the Surplus Account, to the credit of which the City will deposit surplus Special Tax Revenue as described below. Moneys in the Special Tax Fund will be disbursed as provided below and, pending any disbursement, will be subject to a lien in favor of the Owners of the Bonds. Notwithstanding the foregoing, the City may semi-annually transfer from the Special Tax Fund so held an amount equal to one-half of the Administrative Expense Priority as necessary for the payment of Administrative Expenses up to the Administrative Expense Priority.

All Special Tax Revenue will be deposited in the Debt Service Account upon receipt. No later than 10 Business Days prior to each Interest Payment Date, the City will withdraw from the Debt Service Account of the Special Tax Fund and transfer (i) to the Fiscal Agent for deposit in the Reserve Fund, an amount which when added to the amount then on deposit therein, is equal to the Reserve Requirement, and (ii) to the Fiscal Agent for deposit in the Bond Fund an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, including any mandatory sinking fund payments, premium, if any, and interest due on the Bonds on the next Interest Payment Date. At such time as deposits to the Debt Service Account equal the principal, including any mandatory sinking fund payments, premium if any, and interest becoming due on the Bonds for the current Bond Year and the amount needed to restore the balance of the Reserve Fund to the Reserve Requirement, the amount in the Debt Service Account in excess of such amount may, at the discretion of the City, be transferred to the Surplus Account, which will occur on or after September 15th of each year.

Moneys in the Surplus Account may, at the City’s discretion, be transferred to the Improvement Fund to pay for costs of the Facilities, to pay the principal of, premium, if any, and interest on the Bonds or to replenish the Reserve Fund to the amount of the Reserve Requirement, but are not pledged to payment of the Bonds. See “–Assignment of Maximum Facilities Special Tax,” above.

Deposit and Use of Proceeds of 2022 Bonds

The 2022 Bonds are additionally secured by certain amounts generated from proceeds of the 2022 Bonds, together with interest earnings thereon pledged under the Fiscal Agent Agreement. The proceeds of the initial purchase of the 2022 Bonds shall be paid to the Fiscal

Agent, who shall deposit such proceeds in the 2022 Costs of Issuance Fund, the 2022 Improvement Account of the Improvement Fund, and the 2022 Reserve Account of the Reserve Fund established under the Fiscal Agent Agreement. See APPENDIX C for information on use of the moneys, including investment earnings thereon, in the various funds established under the Fiscal Agent Agreement. See also “– Reserve Fund” and “– Improvement Fund” below.

Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure

The Special Tax will be collected in the same manner and the same time as *ad valorem* property taxes, except at the City’s option, the Special Taxes may be billed directly to property owners. In the event of a delinquency in the payment of any installment of Special Taxes, the City is authorized by the Mello-Roos Act to order institution of an action in superior court to foreclose the lien therefore.

The City has covenanted in the Fiscal Agent Agreement with and for the benefit of the Owners of the 2022 Bonds that it will annually on or before September 1 of each year review the public records of the County relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior fiscal year, and if the City determines on the basis of such review that the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in such fiscal year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Mello-Roos Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in the District for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; *provided*, that if the City determines on the basis of such review that

(a) the amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in the District in such fiscal year, but that property owned by any single property owner in the District is delinquent by more than \$5,000 with respect to the Special Tax due and payable by such property owner in such fiscal year, or

(b) that property owned by any single property owner in the District is delinquent cumulatively by more than \$2,750 with respect to the current and past Special Tax due (irrespective of the total delinquencies in the District) then the City will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided in the Fiscal Agent Agreement against each such property owner.

Under the Mello-Roos Act, foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. In such action, the real property subject to the special taxes may be sold at a judicial foreclosure sale for a minimum price which will be sufficient to pay or reimburse the delinquent Special Taxes.

The owners of the 2022 Bonds benefit from the 2022 Reserve Account of the Reserve Fund established pursuant to the Fiscal Agent Agreement; however, if delinquencies in the payment of the Special Taxes are significant enough to completely deplete the Reserve Fund, there could be a default or a delay in payments of principal and interest to the owners of the 2022 Bonds pending prosecution of foreclosure proceedings and receipt by the City of the proceeds of foreclosure sales. Additionally, it is possible that no bids are received at a foreclosure sale. Provided that it is not levying the Special Tax at the Maximum Special Tax rates set forth in the

Special Tax Formula, the City may adjust the Special Taxes levied on all property within the District subject to the Special Tax to provide an amount required to pay debt service on the 2022 Bonds, and to replenish the Reserve Fund, provided however such adjustment may not exceed the Maximum Special Tax or include an increase as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such fiscal year had there never been any such delinquencies or defaults.

Under current law, a judgment debtor (property owner) has at least 140 days from the date of service of the notice of levy in which to redeem the property to be sold. If a judgment debtor fails to redeem and the property is sold, his or her only remedy is an action to set aside the sale, which must be brought within 90 days of the date of sale. If, as a result of such an action a foreclosure sale is set aside, the judgment is revived, and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made (California Code of Civil Procedure Section 701.680).

Foreclosure by court action is subject to normal litigation delays, the nature and extent of which are largely dependent upon the nature of the defense, if any, put forth by the debtor and the condition of the calendar of the superior court of the county. Such foreclosure actions can be stayed by the superior court on generally accepted equitable grounds or as the result of the debtor's filing for relief under the Federal bankruptcy laws. The Mello-Roos Act provides that, upon foreclosure, the Special Tax lien will have the same lien priority as is provided for *ad valorem* taxes and special assessments. See "VALUE OF PROPERTY WITH THE DISTRICT - Priority of Lien."

Teeter Plan. In 1949, the California Legislature enacted an alternative method for the distribution of property taxes to local agencies. This method, known as the "**Teeter Plan**," is found in Sections 4701-4717 of the California Revenue and Taxation Code. Upon adoption and implementation of this method by a county board of supervisors, local agencies for which the county collects property taxes and certain other public agencies and taxing areas located in the county receive annually the full amount of their shares of property taxes and other impositions collected on the secured roll, including delinquent property taxes which have yet to be collected. While the county bears the risk of loss on unpaid delinquent taxes, it retains the penalties associated with delinquent taxes when they are paid. In turn, the Teeter Plan provides participating local agencies with stable cash flow and the elimination of collection risk.

The Board of Supervisors of Sacramento County has adopted the Teeter Plan, and the County elects to apply its Teeter Plan to the collection of the Special Taxes annually. As such, the Teeter Plan has been applicable since the initial year of a Special Tax levy, but no assurance can be given that it will continue in any or all of the years that the 2022 Bonds are outstanding. To the extent that the County's Teeter Plan continues in existence and is carried out as adopted, and to the extent the County does not discontinue the Teeter Plan with respect to the City or the District, the County's Teeter Plan may help protect owners of the 2022 Bonds from the risk of delinquencies in the payment of Special Taxes. *However, there can be no assurance that the County will not modify or eliminate its Teeter Plan, or choose to remove the District from its Teeter Plan permanently in any year while the 2022 Bonds are outstanding.*

Once adopted, a county's Teeter Plan will remain in effect in perpetuity unless the board of supervisors orders its discontinuance or unless, prior to the commencement of a fiscal year, a petition for discontinuance is received and joined in by resolutions of the governing bodies of not

less than two-thirds of the participating districts in the county. An electing county may, however, decide to discontinue the Teeter Plan with respect to any levying agency in the county if the board of supervisors, by action taken not later than July 15 of a fiscal year, elects to discontinue the procedure with respect to such levying agency and the rate of secured tax delinquencies in that agency in any year exceeds 3% of the total of all taxes and assessments levied on the secured roll by that agency.

Reserve Fund

Under the Fiscal Agent Agreement, in connection with the issuance of the 2021 Bonds, the Fiscal Agent established the Reserve Fund and the 2021 Reserve Account therein, which is available for payment of the 2021 Bonds in the event of delinquencies in the payment of the Special Taxes to the extent of such delinquencies. Similarly, in connection with the issuance of the 2022 Bonds, the Fiscal Agent will establish the 2022 Reserve Account within the Reserve Fund, which is available for payment of the 2022 Bonds in the event of delinquencies.

The City is required to maintain on deposit in the 2022 Reserve Account of the Reserve Fund an amount that is equal to the Reserve Requirement with respect to the 2022 Bonds. The **"Reserve Requirement"** means, with respect to any Series of Bonds (unless otherwise specified in a Supplemental Agreement, including to create a single parity reserve fund for multiple Series of Bonds), the least of (i) 125% of the average Annual Debt Service with respect to the applicable Series of Bonds; (ii) Maximum Annual Debt Service with respect to the applicable Series of Bonds; and (iii) 10% of the original principal amount of the applicable Series of Bonds (or, if the applicable Series of Bonds has more than a de minimis amount of original issue discount or premium, 10% of the issue price of such Series of Bonds); provided, that—

(a) if a parity reserve fund for multiple Series of Bonds is established, references to the applicable Series of Bonds shall mean all Bonds covered by such parity reserve fund;

(b) in no event shall the City be obligated to deposit an amount in any reserve fund in excess of the amount permitted by the applicable provisions of the Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, if the amount of any such deposit is so limited, the Reserve Requirement shall be only the amount of such deposit as permitted by the Code;

(c) the City may meet all or a portion of the Reserve Requirement with respect to any series of Bonds by depositing a Qualified Reserve Fund Credit Instrument in accordance with the Fiscal Agent Agreement; and

(d) the Reserve Requirement shall be set at the time of issuance of Bonds and shall not increase thereafter but may decrease as a result of prepayment of the Special Tax or partial redemption of the Bonds.

Amounts deposited in the Reserve Fund will be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Bond Fund in the event of any deficiency at any time in the Bond Fund of the amount then required for payment of the principal of, and interest on, the applicable Series of Bonds. Whenever a transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Fiscal Agent will provide written notice

ITEM 12.1.

ATTACHMENT 4

Jones Hall Draft of May 5, 2022

thereof to the City. If there are additional delinquencies after depletion of funds in the Reserve Fund, the City is not obligated to pay the Bonds or supplement the Reserve Fund.

Whenever, on the Business Day prior to any Interest Payment Date, the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent will transfer an amount equal to the excess from the Reserve Fund to the Bond Fund or the Improvement Fund as provided below, except that investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the Federal government to comply with rebate requirements.

Moneys in the Reserve Fund will be invested and deposited in accordance with the Fiscal Agent Agreement. Interest earnings and profits resulting from the investment of moneys in the Reserve Fund and other moneys in the Reserve Fund will remain therein until the balance exceeds the Reserve Requirement; any amounts in excess of the Reserve Requirement will be transferred to the Improvement Fund, if the Facilities have not been completed, or if the Facilities have been completed, to the Bond Fund to be used for the payment of the principal of and interest on the Bonds in accordance with the Fiscal Agent Agreement.

The City has the right at any time to cause the Fiscal Agent to release funds from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company (a **"Qualified Reserve Fund Credit Instrument"**), provided certain conditions are met, including that the long-term credit rating of such bank or insurance company is rated at least "AA" (without regard to qualifier) by S&P or Moody's.

Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and making any other transfer required under the Fiscal Agent Agreement, the Fiscal Agent will transfer the amount in the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date, to the payment and redemption of all of the Outstanding Bonds. If the amount so transferred from the Reserve Fund to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds, the balance in the Reserve Fund will be transferred to the City, after payment of any amounts due the Fiscal Agent, to be used for any lawful purpose of the City.

Improvement Fund

Under the Fiscal Agent Agreement, the Fiscal Agent established an **"Improvement Fund,"** which is held and used by the Fiscal Agent to pay the costs of the Facilities. Disbursements from the Improvement Fund will be made by the Fiscal Agent in accordance with written requests of the City.

Before any payment from the Improvement Fund shall be made, the City shall file or cause to be filed with the Fiscal Agent a written request of the City for disbursement of moneys from such fund. Such withdrawals shall be implemented by the City pursuant to the terms and requirements of the Acquisition Agreement (described below). The Fiscal Agent need not make any such payment if it has received notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the moneys to be so paid, that has not been released or will not be released simultaneously with such payment. The Fiscal Agent shall not incur any liability for any disbursement from the Improvement Fund made in reliance upon any

requisition. When the City determines that all of the costs of the Facilities to be financed with proceeds of the Bonds have been paid, the City shall provide written notification of such determination to the Fiscal Agent and direct the Fiscal Agent to transfer any remaining balance in any Improvement Fund into the Bond Fund. See “THE FACILITIES – Acquisition by the City.”

Additional Bonds for Refunding Purposes Only

Refunding Bonds. Following the issuance of the 2022 Bonds, Additional Bonds may only be issued to refund Outstanding Bonds and if the annual debt service on the refunding Bonds is less than the annual debt service on the Bonds being refunded for each year such refunding Bonds are scheduled to be Outstanding.

Additional Security; Subordinate Bonds. Nothing in the Agreement shall prevent or be construed to prevent the Supplemental Agreement providing for the issuance of Additional Bonds from pledging, or otherwise providing, additional security for the benefit of such Additional Bonds or any portion thereof, or the issuance of bonds secured by Special Taxes on a basis subordinate to the pledge securing the Bonds.

DEBT SERVICE SCHEDULES

Debt Service Schedule. The annual debt service on the 2022 Bonds based on the interest rates and maturity schedule set forth on the cover of this Official Statement, together with the annual debt service on the 2021 Bonds, is set forth below (assuming no early redemptions).

Projected Debt Service Coverage. The projected debt service coverage for Fiscal Year 2022-23 is set forth below. The debt service coverage shown is a projection for Fiscal Year 2022-23 based on the current status of development and only the 2022 Bonds outstanding. To the extent that development status changes and/or Additional Bonds are issued, the debt service coverage may be different than what is shown. Per the Special Tax Formula, the City will levy the Maximum Facilities Special Tax on all Developed Property and Final Map Property through Fiscal Year 2029-30, with any Facilities Special Taxes not needed for debt service on Bonds, replenish reserves, or pay Administrative Expenses shall be used to acquire Facilities on a pay-as-you-go basis.

**City of Rancho Cordova

Special Tax Bonds Series 2022 and Series 2021
Projected Fiscal Year 2022-23 Debt Service Coverage⁽¹⁾⁽²⁾**

Projected Maximum Facilities Special Tax Developed and Final Map Property⁽³⁾	Priority Administration⁽⁴⁾	Series 2021 Bonds Debt Service	Series 2022 Debt Service	Coverage From Developed and Final Map Property
\$1,168,168	(\$54,673)	\$527,100	\$482,006	110.34%

* Preliminary; subject to change.

(1) Pursuant to Section 53321(d) of the Government Code, the special tax levied against any assessor's parcel for which an occupancy permit for private residential use has been issued shall not be increased as a consequence of delinquency or default by the owner of any other assessor's parcel within the District by more than 10% above the amount that would have been levied in the fiscal year had there never been any such delinquencies or defaults.

(2) Based on currently expected land uses in the CFD. Subject to change pursuant to Section D of the RMA. To the extent that development status changes and/or Additional Bonds are issued, the debt service coverage may be different than what is shown.

(3) Includes projected Maximum Facilities Special Tax revenues based on the status of development as of March 30, 2022, and assumes no future development.

(4) As defined in the Fiscal Agent Agreement. Equals \$53,601 in FY 2021-22, escalating by 2% per year thereafter.

THE DISTRICT

Formation and Background

On April 21, 2014, the City Council adopted a Resolution of Intention to form the District under the Mello-Roos Act, to levy a special tax and to incur bonded indebtedness for the purpose of financing the Facilities and making contributions to certain public facilities. After conducting a noticed public hearing, on June 2, 2014, the City Council adopted the Resolution of Formation, which established the District, set forth the Special Tax Formula within the District and set forth the necessity to incur bonded indebtedness in a total amount not to exceed \$28,250,000. On the same day, an election was held within the District in which the eligible landowner voters in the District approved the proposed bonded indebtedness and the levy of the Special Tax.

Description and Location

General. The District is referred to by the City as the “Montelena” project, and is located within the Sunridge Specific Plan area, south of Douglas Road, west of Rancho Cordova Parkway and bisected by Chrysanthy Boulevard. Property within the District is comprised of approximately 251.7 gross acres (138.4 net acres) designated for the development of 806 single-family residential homes. The District is approximately 15 miles east of the Sacramento Central Business District, south of U.S. Highway 50, one of two main east-west routes in Sacramento. On- and off-ramps for U.S. Highway 50 are accessible via Sunrise Boulevard, about seven miles northwest of the District. To the east, it provides access to El Dorado County, various foothills communities, the Sierra Nevada Mountains and Lake Tahoe. To the west, Highway 50 is the principal route to Sacramento’s Central Business District and other major freeways.

The property in the District is situated within the Sunridge Specific Plan area, which provides a mix of uses organized around the neighborhood unit. The plan area is primarily residential but is supplemented with commercial and office uses; housing types consist mostly of single-family residential units. The District is southeast of existing residential development, with the nearest new developments located along the north side of Douglas Road in the North Douglas subdivision, marketed as Somerset Ranch, and the south side of Douglas Road in the Cypress by Woodside Homes subdivision. Other subdivisions in the Sunridge Specific Plan area include Grantline 208, Sunridge Park, Montelena, Anatolia I, Anatolia II, and Anatolia III, with various homebuilders active.

The greater Rancho Cordova area is a mature suburban area, which encompasses all types of land uses, including single-family and multifamily residential, retail, office and industrial, and has experienced continued growth since the mid 1980’s. This area currently is a substantial suburban office market within the Sacramento region, as well as a major employment center, most of which is located along U.S. Highway 50 which traverses the City. For certain demographic information relating to the City and the County, see “APPENDIX D – Sacramento County and City of Rancho Cordova Demographic Information.”

Maps. The following pages show the boundary map of the District, and the development plan for villages in the District.
