Instructions to Make Public Comment

Submitting Public Comment via Email

Members of the public who wish to provide public comment via email will need to submit comments to CityClerk@cityofranhocordova.org **no later than 3:00 p.m. on Monday June 6, 2022. All comments submitted later than 3:00 p.m. will be sent to the City Council for their review and may not be read during the meeting.**

Listening to a Zoom Meeting by Zoom Video Conference

To make a public comment using the Zoom platform, please use the “raise hand” feature at the bottom center of the screen. Please make sure to enable audio controls once access has been given by the City Clerk’s office to speak. Please wait to be called upon by the City Clerk.

Listening to a Zoom Meeting by Phone Only

You can join a Zoom meeting via teleconferencing/audio conferencing using a cell phone or traditional landline phone. To request to make a public comment by phone press *9 to raise your hand. Please wait to be called upon by the City Clerk.

All public comments will be limited to three-minutes.

If you have questions related to the City Council Meeting or the use of Zoom, please contact the City Clerk's Office at (916) 851-8720 Monday, June 6, 2022, before 3:00 p.m.

AGENDA

1. REGULAR MEETING - CALL TO ORDER/ROLL CALL

ACTION: Motion to approve item 12.1 by Budge second by Pulipati;
Motion passed with a 5:0 vote.

- 12.2. **Subject:** A Resolution Authorizing the Issuance of Special Refunding Tax Bonds for and on Behalf of the City of Rancho Cordova Sunridge Anatolia Community Facilities District No. 2003-1.

Recommendation: Adopt the Resolution.

Because this item resulted in a tax reduction for properties in Sunridge Anatolia CFD No. 2003 – 01 Anatolia and Council members, Gatewood and Pulipati, and Mayor Terry own property that is the subject of this item and will receive the tax reduction. The effect of this action is legally distinguishable from its effect on the public generally because the decision will affect less than 25% of the residential property in the City. As a result, these three officials have a conflict of interest on this item. However, under Regulation 2 Cal Code Regs 18705 if, as here, there is no alternative manner of decision-making, and the public official must act for a decision to be made, the City may establish a quorum by “random selection.”

The names of the three officials were written on identical strips of paper and placed in a bag.

The City Clerk drew the name Garrett Gatewood from the bag.

Council Member Pulipati and Mayor Donald Terry recused themselves due to a conflict of interest related to the proximity of their residence to the location of the item listed above.

Vice Mayor Budge opened the public comment period. Seeing no speakers. Vice Mayor Budge closed the public comment period.

ACTION: Motion to approve item 12.2 by Sander second by Gatewood;
Motion passed with a 3:0 vote.

MEMORANDUM

ITEM 9.2.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Kristine Courdy, Senior Civil Engineer

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO AWARD CONTRACT NO. 2022-61 WITH KITTELSON & ASSOCIATES, INC. IN AN AMOUNT NOT TO EXCEED \$172,572 TO PROVIDE PROFESSIONAL SERVICES TO PREPARE THE CITYWIDE ROUNDABOUT FEASIBILITY STUDY & PRIORITY IMPLEMENTATION PLAN**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to award Contract No. 2022-61 with Kittelson & Associates, Inc. in an amount not to exceed \$172,572 to provide professional services to prepare the Citywide Roundabout Feasibility Study & Priority Implementation Plan to Increase Safety and Promote Livability.

BACKGROUND

The City of Rancho Cordova applied for and successfully received a Fiscal Year 2021-22 California Department of Transportation (Caltrans) Sustainable Transportation Planning Grant in the amount of \$154,928 for the Citywide Roundabout Feasibility Study & Implementation Plan (Plan). The Plan will explore options to include roundabouts to better serve the needs of the community and evaluate the feasibility of switching signals and stop sign controlled intersections to roundabouts. The Plan will create a prioritized roundabout implementation plan with conceptual designs of specific locations and create guidelines to evaluate roundabout locations in the future.

On August 2, 2021 the City Council approved Resolution 121-2021 authorizing the Public Works Director to execute all agreements associated with the Fiscal Year 2021-22 Caltrans Sustainable Transportation Planning Grant Program. In December 2021, Caltrans issued the Notice to Proceed to the City to issue a Request for Qualification to retain a Consultant to prepare the Plan.

A Request for Qualification (RFQ) was advertised on the City's Website and CIPList.com on

March 9, 2022. The City received Statement of Qualifications (SOQ) from four consulting firms on April 7, 2022. The SOQ's were evaluated based on an established set of criteria and staff recommends awarding the professional services agreement to the most qualified firm, Kittelson & Associates and authoring the City Manager to execute the agreement.

The project is expected to begin in Summer 2022 and be completed by the grant deadline of February 2024.

FISCAL IMPACT AND FUNDING SOURCE

Funding for the Citywide Roundabout Feasibility Study & Implementation Plan consists of \$154,928 from the Caltrans Sustainable Transportation Planning Grant Program and the required City match is funded from Gas Tax for the delivery of this Project. This project has no impact on the General Fund.

This project is included in the City's current approved Capital Improvement Plan and is in the current budget.

2. Contract No. 2022-61

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-61 IN THE AMOUNT OF \$172,572 WITH KITTELSON & ASSOCIATES, INC. TO PROVIDE PROFESSIONAL SERVICES TO PREPARE THE CITYWIDE ROUNDABOUT FEASIBILITY STUDY & IMPLEMENTATION PLAN TO INCREASE SAFETY AND PROMOTE LIVABILITY

WHEREAS, the City of Rancho Cordova was awarded a Fiscal Year 2021-22 California Department of Transportation (Caltrans) Sustainable Transportation Planning Grant for the Citywide Roundabout Feasibility Study & Implementation Plan (Plan); and

WHEREAS, a Request for Qualifications for a Consultant to provide Professional Services to prepare the Plan was advertised on the City's Website and CIPList.com on March 9, 2022 and a total of four Statements of Qualifications (SOQ) were received from consultants; and

WHEREAS, SOQ's were evaluated based on an established set of criteria and staff recommends awarding the design services contract to the hinges and most qualified firm, Kittelson & Associates, Inc.; and

WHEREAS, the City of Rancho Cordova desires to enter into Contract No. 2022-61 with Kittelson & Associates, Inc. in the amount of \$172,572 for professional services to prepare the Citywide Roundabout Feasibility Study and Implementation Plan; and

WHEREAS, funding for this Project consists of \$154,928 from the Caltrans Sustainable Transportation Planning Grant Program and Gas Tax.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract No. 2022-61 with Kittelson & Associates, Inc. in the amount of \$172,572 for professional services to prepare the Citywide Roundabout Feasibility Study and Implementation Plan and in a form approved by the City Attorney.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by the following vote:

**PROFESSIONAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND
KITTELSON & ASSOCIATES, INC.**

THIS AGREEMENT for professional services is made by and between the City of Rancho Cordova, a California municipal corporation ("City"), and Kittleson & Associates Inc. ("Professional") as of June 6, 2022.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Professional shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

- 1.1 Term of Services.** The term of this Agreement shall begin on the date first noted above and shall end on June 30, 2024, the date of completion specified in Exhibit A. Professional shall complete the work described in Exhibit A prior to that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. The time provided to Professional to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 8.
- 1.2 Standard of Performance.** Professional shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Professional is engaged in the geographical area in which Professional practices its profession. Professional shall prepare all work products required by this Agreement in a substantial, first-class manner and shall conform to the standards of quality normally observed by a person practicing in Professional's profession.
- 1.3 Assignment of Personnel.** Professional shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Professional shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.
- 1.4 Time.** Professional shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided in Section 1.2 above and to satisfy Professional's obligations hereunder.

Section 2. COMPENSATION. City hereby agrees to pay Professional a sum not to exceed one hundred seventy two thousand, five hundred and seventy two dollars and zero cents (\$172,572.00), notwithstanding any contrary indications that may be contained in Professional's proposal, for services to be performed and reimbursable costs incurred under this Agreement. In the event of a conflict between this Agreement and Professional's Compensation Schedule, attached as Exhibit B, regarding the amount of compensation, the Agreement shall prevail. City shall pay Professional for services rendered pursuant to this Agreement at the time and in the manner set forth herein. The payments specified below shall be the only payments from City to Professional for services rendered pursuant to this Agreement. Professional shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City, Professional shall not bill City for duplicate services performed by more than one person.

Professional and City acknowledge and agree that compensation paid by City to Professional under this Agreement is based upon Professional's estimated costs of providing the services required hereunder,

ITEM 9.2.

including salaries and benefits of employees and subcontractors of Professional. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Professional and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

2.1 Invoices. Professional shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs incurred prior to the invoice date. Invoices shall contain the following information:

- Serial identifications of progress bills; i.e., Progress Bill No. 1 for the first invoice, etc.;
- The beginning and ending dates of the billing period;
- A Task Summary containing the original contract amount, the amount of prior billings, the total due this period, the balance available under the Agreement, and the percentage of completion;
- At City's option, for each work item in each task, a copy of the applicable time entries or time sheets shall be submitted showing the name of the person doing the work, the hours spent by each person, a brief description of the work, and each reimbursable expense;
- The total number of hours of work performed under the Agreement by Professional and each employee, agent, and subcontractor of Professional performing services hereunder, as well as a separate notice when the total number of hours of work by Professional and any individual employee, agent, or subcontractor of Professional reaches or exceeds 800 hours, which shall include an estimate of the time necessary to complete the work described in Exhibit A;
- The Professional's signature.

2.2 Monthly Payment. City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have thirty (30) days from the receipt of an invoice that complies with all of the requirements above to pay Professional.

2.3 Final Payment. City shall make the final payment within sixty (60) days after completion of the services and submittal to City of a final invoice, if all services required have been satisfactorily performed.

2.4 Total Payment. City shall pay for the services to be rendered by Professional pursuant to this Agreement. City shall not pay any additional sum for any expense or cost whatsoever incurred by Professional in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Professional submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.

2.5 Hourly Fees. Fees for work performed by Professional on an hourly basis shall not exceed the amounts shown on the fee schedule set forth in Exhibit B.

ITEM 9.2.

- 2.6 Reimbursable Expenses.** Reimbursable expenses, if any, are set forth in Exhibit B, and shall not exceed the amount specified in the Exhibit B fee schedule. Expenses not listed in Exhibit B are not chargeable to City. Reimbursable expenses are included in the total amount of compensation provided under this Agreement that shall not be exceeded.
- 2.7 Payment of Taxes.** Professional is solely responsible for the payment of employment taxes incurred under this Agreement and any similar federal or state taxes.
- 2.8 Payment upon Termination.** In the event that the City or Professional terminates this Agreement pursuant to Section 8, the City shall compensate the Professional for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Professional shall maintain adequate logs and timesheets in order to verify costs incurred to that date.
- 2.9 Authorization to Perform Services.** The Professional is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Professional shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Professional only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein.

City shall furnish physical facilities such as desks, filing cabinets, and conference space, as may be reasonably necessary for Professional's use while consulting with City employees and reviewing records and the information in possession of the City. The location, quantity, and time of furnishing those facilities shall be in the sole discretion of City. In no event shall City be obligated to furnish any facility that may involve incurring any direct expense, including but not limited to computer, long-distance telephone or other communication charges, vehicles, and reproduction facilities.

Section 4. INSURANCE REQUIREMENTS. Before beginning any work under this Agreement, Professional, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Professional shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Professional's bid. Professional shall not allow any subcontractor to commence work on any subcontract until Professional has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Professional shall maintain all required insurance listed herein for the duration of this Agreement.

- 4.1 Workers' Compensation.** Professional shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Professional. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Professional may rely on a self-insurance program to meet those requirements, but only if the

program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Professional, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Professional shall notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance may be waived by the City upon written verification that Professional does not have any employees.

4.2 Commercial General and Automobile Liability Insurance.

4.2.1 General requirements. Professional, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000.00) and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

4.2.2 Minimum scope of coverage. Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.

4.2.3 Additional requirements. Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Professional, including the insured's general supervision of Professional; products and completed operations of Professional; premises owned, occupied, or used by Professional; and

automobiles owned, leased, or used by the Professional. The coverage shall contain no special limitations on the scope of protection afforded to City or its officers, employees, agents, or volunteers.

- b. The insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
- c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
- d. Any failure of Professional to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
- e. An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Professional shall notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

4.3 Professional Liability Insurance. Professional, at its own cost and expense, shall maintain for the period covered by this Agreement professional liability insurance for licensed professionals performing work pursuant to this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000) covering the licensed professionals' errors and omissions.

4.3.1 Any deductible or self-insured retention shall not exceed \$150,000 per claim.

4.3.2 An endorsement shall state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

4.3.3 The following provisions shall apply if the professional liability coverages are written on a claims-made form:

- a. The retroactive date of the policy must be shown and must be before the date of the Agreement.
- b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the Agreement or the work, so long as commercially available at reasonable rates.
- c. If coverage is canceled or not renewed and it is not replaced with another claims-made policy form with a retroactive date that precedes the date of this Agreement, Professional must provide extended reporting coverage for a minimum of five (5) years after completion of the Agreement or the work. The City shall have the right to exercise, at the Professional's sole cost and

expense, any extended reporting provisions of the policy, if the Professional cancels or does not renew the coverage.

- d. A copy of the claim reporting requirements must be submitted to the City prior to the commencement of any work under this Agreement.

4.4 **All Policies Requirements.**

4.4.1 **Acceptability of insurers.** All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.

4.4.2 **Verification of coverage.** Prior to beginning any work under this Agreement, Professional shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.

4.4.3 **Subcontractors.** Professional shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

4.4.4 **Deductibles and Self-Insured Retentions.** Professional shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.

During the period covered by this Agreement, only upon the prior express written authorization of Contract Administrator, Professional may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The Contract Administrator may condition approval of an increase in deductible or self-insured retention levels with a requirement that Professional procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

4.4.5 **Waiver of Subrogation.** Professional hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Professional, its employees, agents, and subcontractors.

4.4.6 **Notice of Reduction in Coverage.** In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Professional shall provide written notice to City at Professional's earliest possible opportunity and in no case later than five (5) days after Professional is notified of the change in coverage.

ITEM 9.2.

4.5 Remedies. In addition to any other remedies City may have if Professional fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Professional's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Professional to stop work under this Agreement or withhold any payment that becomes due to Professional hereunder, or both stop work and withhold any payment, until Professional demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

Section 5. INDEMNIFICATION AND PROFESSIONAL'S RESPONSIBILITIES.

5.1 General Requirement. Professional shall indemnify, defend with counsel selected by the City, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Professional or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Professional shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Professional or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Professional to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Professional from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Professional acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

5.2 PERS Indemnification. In the event that Professional or any employee, agent, or subcontractor of Professional providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System ("PERS") to be eligible for enrollment in PERS as an employee of City, Professional shall indemnify, defend, and hold harmless City for the payment of any and all employee and/or employer contributions for PERS benefits on behalf of Professional or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City, and any attorneys' fees and costs incurred by the City to enforce this Section.

ITEM 9.2.

- 5.3 Design Professionals.** To the extent that the services under this Agreement include design professional services subject to California Civil Code Section 2782.8, as may be amended from time to time, Professional's duty to indemnify under Sections 5.1 and 5.2 shall only be to the maximum extent permitted by California Civil Code Section 2782.8.

Section 6. STATUS OF PROFESSIONAL.

- 6.1 Independent Contractor.** At all times during the term of this Agreement, Professional shall be an independent contractor as defined in Labor Code Section 3353, and shall not be an employee of City. Nothing contained in this Agreement shall be construed to be inconsistent with the foregoing relationship or status. City shall have the right to control Professional only insofar as the results of Professional's services rendered pursuant to this Agreement and assignment of personnel pursuant to Subparagraph 1.3; however, otherwise City shall not have the right to control the means and methods by which Professional accomplishes services rendered pursuant to this Agreement. Professional shall have no power or authority by this Agreement to bind the City in any respect. All employees and agents hired or retained by Professional are employees and agents of Professional and not of the City. The City shall not be obligated in any way to pay any wage claims or other claims made against Professional by any such employees or agents, or any other person resulting from performance of this Agreement.

Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Professional and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits. Professional shall not allow any employee, agent or subcontractor to become eligible for a claim for PERS benefits.

- 6.2 Professional Not an Agent.** Except as City may specify in writing, Professional shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Professional shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

Section 7. LEGAL REQUIREMENTS.

- 7.1 Governing Law.** The laws of the State of California shall govern this Agreement.
- 7.2 Compliance with Applicable Laws.** Professional and any subcontractors shall comply with all laws and regulations applicable to the performance of the work hereunder, including but not limited to, the California Building Code, the Americans with Disabilities Act, and any copyright, patent or trademark law. Professional's failure to comply with any law(s) or regulation(s) applicable to the performance of the work hereunder shall constitute a breach of contract.
- 7.3 Other Governmental Regulations.** To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Professional and any subcontractors shall

ITEM 9.2.

comply with all applicable rules and regulations to which City is bound by the terms of such fiscal assistance program.

7.4 **Licenses and Permits.** Professional represents and warrants to City that Professional and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions. Professional represents and warrants to City that Professional and its employees, agents, any subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required to practice their respective professions. In addition to the foregoing, Professional and any subcontractors shall obtain and maintain valid Business Licenses from City during the term of this Agreement.

7.5 **Nondiscrimination and Equal Opportunity.** Professional shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Professional under this Agreement. Professional shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Professional thereby.

Professional shall include the provisions of this Subsection in any subcontract approved by the Contract Administrator or this Agreement.

Section 8. **TERMINATION AND MODIFICATION.**

8.1 **Termination.** City may cancel this Agreement at any time and without cause upon written notification to Professional.

Professional may cancel this Agreement upon thirty (30) days' written notice to City and shall include in such notice the reasons for cancellation.

In the event of termination, Professional shall be entitled to compensation for services performed to the effective date of termination; City, however, may condition payment of such compensation upon Professional delivering to City any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Professional or prepared by or for Professional or the City in connection with this Agreement.

8.2 **Extension.** City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Subsection 1.1. Any such extension shall require a written amendment to this Agreement, as provided for herein. Professional understands and agrees that, if City grants such an extension, City shall have no obligation to provide Professional with compensation beyond the maximum amount provided for in this Agreement. Similarly, unless authorized by the Contract Administrator, City shall have no obligation to reimburse Professional for any otherwise reimbursable expenses incurred during the extension period.

ITEM 9.2.

- 8.3 Amendments.** The Parties may amend this Agreement only by a writing signed by all the Parties.
- 8.4 Assignment and Subcontracting.** City and Professional recognize and agree that this Agreement contemplates personal performance by Professional and is based upon a determination of Professional's unique personal competence, experience, and specialized personal knowledge. Moreover, a substantial inducement to City for entering into this Agreement was and is the professional reputation and competence of Professional. Professional may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. Professional shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.
- 8.5 Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Professional shall survive the termination of this Agreement.
- 8.6 Options upon Breach by Professional.** If Professional materially breaches any of the terms of this Agreement, City's remedies shall include, but not be limited to, the following:
- 8.6.1** Immediately terminate the Agreement;
 - 8.6.2** Retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Professional pursuant to this Agreement;
 - 8.6.3** Retain a different Professional to complete the work described in Exhibit A not finished by Professional; or
 - 8.6.4** Charge Professional the difference between the cost to complete the work described in Exhibit A that is unfinished at the time of breach and the amount that City would have paid Professional pursuant to Section 2 if Professional had completed the work.

Section 9. KEEPING AND STATUS OF RECORDS.

- 9.1 Records Created as Part of Professional's Performance.** All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Professional prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the City. Professional hereby agrees to deliver those documents to the City upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily suitable for any future or other use. City and Professional agree that, until final approval by City, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both parties.
- 9.2 Professional's Books and Records.** Professional shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City

ITEM 9.2.

under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Professional pursuant to this Agreement.

- 9.3 Inspection and Audit of Records.** Any records or documents that Section 9.2 of this Agreement requires Professional to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds TEN THOUSAND DOLLARS (\$10,000.00), the Agreement shall be subject to the examination and audit of the State Auditor, at the request of City or as part of any audit of the City, for a period of three (3) years after final payment under the Agreement.

Section 10 MISCELLANEOUS PROVISIONS.

- 10.1 Attorneys' Fees.** If a Party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that Party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.
- 10.2 Venue.** In the event that either Party brings any action against the other under this Agreement, the Parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Sacramento or in the United States District Court for the Eastern District of California.
- 10.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
- 10.4 No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 10.5 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the Parties.
- 10.6 Use of Recycled Products.** Professional shall prepare and submit all reports, written studies and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.
- 10.7 Conflict of Interest.** Professional may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Professional in a "conflict of interest," as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Professional shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 *et seq.*

Professional hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of the City. If Professional was an employee, agent, appointee, or official of the City in the previous twelve months, Professional warrants that it did not participate in any manner in the forming of this Agreement. Professional understands that, if this Agreement is made in violation of Government Code § 1090 *et seq.*, the entire Agreement is void and Professional will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Professional will be required to reimburse the City for any sums paid to the Professional. Professional understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code § 1090 and, if applicable, will be disqualified from holding public office in the State of California.

- 10.8 Solicitation.** Professional agrees not to solicit business at any meeting, focus group, or interview related to this Agreement, either orally or through any written materials.
- 10.9 Contract Administration.** This Agreement shall be administered by Kristine Courdy ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.
- 10.10 Notices.** Any written notice to Professional shall be sent to:
Mike Alston
2510 J Street, Suite 200
Sacramento, CA 95816
Email Address (for Insurance Update Requests)
malston@kittelton.com
Phone: 510-433-8076

Any written notice to City shall be sent to:
Kristine Courdy
Public Works Department
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Email: kcourdy@cityofranhocordova.org
Phone: 916-851-8842

ITEM 9.2.

- 10.11 Professional Seal.** Where applicable in the determination of the Contract Administrator or when required by law, the first page of a technical report, first page of design specifications, and each page of construction drawings shall be stamped/sealed and signed by the licensed professional responsible for the report/design preparation. The stamp/seal shall be in a block entitled "Seal and Signature of Registered Professional with report/design responsibility," as in the following example.

- 10.12 Integration.** This Agreement, including the scope of work attached hereto and incorporated herein as Exhibit A, and the compensation schedule attached hereto and incorporated herein as Exhibit B, represents the entire and integrated agreement between City and Professional and supersedes all prior negotiations, representations, or agreements, either written or oral.
- 10.13 IRS Form W-9.** Professional shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have authority to waive this requirement.

Section 11 **FUNDING PROVISIONS.**

11.1 Prohibition of Expending City, State, or Federal Funds for Lobbying.

11.1.1 Professional certifies to the best of his or her knowledge and belief that:

- (a)** No state, federal or local agency appropriated funds have been paid, or will be paid by-or-on behalf of Professional to any person for influencing or attempting to influence an officer or employee of any state or federal agency; a Member of the State Legislature or United States Congress; an officer or employee of the Legislature or Congress; or any employee of a Member of the Legislature or Congress, in connection with the awarding of any state or federal contract; the making of any state or federal grant; the making of any state or federal loan; the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any state or federal contract, grant, loan, or cooperative agreement.
- (b)** If any funds other than federal appropriated funds have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency; a Member of Congress; an officer or employee of Congress, or an employee of a Member of Congress; in connection with this federal contract, grant, loan, or cooperative agreement; Professional shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

ITEM 9.2.

11.1.2 This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

11.1.3 Professional also agrees by signing this document that he or she shall require that the language of this certification be included in all lower-tier subcontracts, which exceed \$100,000 and that all such sub recipients shall certify and disclose accordingly.

11.2 **Statement of Compliance**

11.2.1 Professional's signature affixed herein, and dated, shall constitute a certification under penalty of perjury under the laws of the State of California that Professional has, unless exempt, complied with, the nondiscrimination program requirements of Government Code Section 12990 and Title 2, California Administrative Code, Section 8103.

11.2.2 During the performance of this Agreement, Professional and its subconsultants shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Professional and subconsultants shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Professional and subconsultants shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Professional and its subconsultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

11.2.3 If any federal funding is used for this project:

- (a)** The Professional shall comply with regulations relative to Title VI (nondiscrimination in federally-assisted programs of the Department of Transportation – Title 49 Code of Federal Regulations, Part 21 - Effectuation of Title VI of the 1964 Civil Rights Act). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the state of California shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their

assignees and successors in interest.

- (b) The Professional, with regard to the work performed by it during the Agreement shall act in accordance with Title VI. Specifically, the Professional shall not discriminate on the basis of race, color, national origin, religion, sex, age, or disability in the selection and retention of Subconsultants, including procurement of materials and leases of equipment. The Professional shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the U.S. DOT's Regulations, including employment practices when the Agreement covers a program whose goal is employment.

11.3 Rebates, Kickbacks or other Unlawful Consideration. Professional warrants that this Agreement was not obtained or secured through rebates, kickbacks or other unlawful consideration, either promised or paid to any City employee. For breach or violation of this warranty, City shall have the right in its discretion; to terminate the Agreement without liability; to pay only for the value of the work actually performed; or to deduct from the contract price; or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

11.4 Debarment and Suspension Certification.

11.4.1 Professional's signature affixed herein, shall constitute a certification under penalty of perjury under the laws of the State of California, that Professional has complied with Title 2 CFR, Part 180, "OMB Guidelines to Agencies on Government wide Debarment and Suspension (nonprocurement)", which certifies that he/she or any person associated therewith in the capacity of owner, partner, director, officer, or manager, is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency; has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years; does not have a proposed debarment pending; and has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years. Any exceptions to this certification must be disclosed to City.

11.4.2 Exceptions will not necessarily result in denial of recommendation for award, but will be considered in determining Professional responsibility. Disclosures must indicate to whom exceptions apply, initiating agency, and dates of action.

11.4.3 Exceptions to the Federal Government Excluded Parties List System maintained by the General Services Administration are to be determined by the Federal Highway Administration.

- 11.5 Evaluation of Professional.** Professional's performance will be evaluated by City. A copy of the evaluation will be sent to Professional for comments. The evaluation together with the comments shall be retained as part of the contract record.
- 11.6 National Labor Relations Board Certification.** In accordance with Public Contract Code Section 10296, Professional hereby states under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against Professional within the immediately preceding two-year period, because of Professional's failure to comply with an order of a federal court that orders Professional to comply with an order of the National Labor Relations Board.
- 11.7 Equipment Purchase.**
- 11.7.1** Prior authorization in writing, by Contract Administrator shall be required before Professional enters into any unbudgeted purchase order, or subcontract exceeding \$5,000 for supplies, equipment, or Professional's services. Professional shall provide an evaluation of the necessity or desirability of incurring such costs.
- 11.7.2** For purchase of any item, service or consulting work not covered in Professional's Cost Proposal and exceeding \$5,000 prior authorization by Contract Administrator; three competitive quotations must be submitted with the request, or the absence of bidding must be adequately justified.
- 11.7.3** Any equipment purchased as a result of this contract is subject to the following: "Professional shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of \$5,000 or more. If the purchased equipment needs replacement and is sold or traded in, City shall receive a proper refund or credit at the conclusion of the Agreement, or if the Agreement is terminated, Professional may either keep the equipment and credit City in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established City procedures; and credit City in an amount equal to the sales price. If Professional elects to keep the equipment, fair market value shall be determined at Professional's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by City and Professional, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by City." 2 CFR, Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than \$5,000 is credited to the project.
- 11.8 Disputes.**
- 11.8.1** Any dispute, other than audit, concerning a question of fact arising under this contract that is not disposed of by agreement shall be decided by a committee consisting of City's Contract Administrator, Mr. Edgar Medina, P.E., who may consider written or verbal information submitted by Professional.

ITEM 9.2.

11.8.2 Not later than 30 days after completion of all work under the contract, Professional may request review by City Council of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

11.8.3 Neither the pendency of a dispute, nor its consideration by the committee will excuse Professional from full and timely performance in accordance with the terms of this contract.

11.9 Cost Principles.

11.9.1 Professional agrees that the Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31.000 et seq., shall be used to determine the cost allowability of individual items.

11.9.2 Professional also agrees to comply with federal procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

11.9.3 Any costs for which payment has been made to Professional that are determined by subsequent audit to be unallowable under 2 CFR, Part 200 and 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31.000 et seq., are subject to repayment by Professional to LOCAL AGENCY.

11.9.4 All subcontracts in excess of \$25,000 shall contain the above provisions.

11.10 Disadvantaged Business Enterprise Participation. - RESERVED

11.11 Covenant Against Contingent Fees. The Professional warrants that he/she has not employed or retained any company or person, other than a bona fide employee working for the Professional; to solicit or secure this Agreement; and that he/she has not paid or agreed to pay any company or person other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award, or formation of this Agreement. For breach or violation of this warranty, the City shall have the right to annul this Agreement without liability, or at its discretion; to deduct from the contract price or consideration, or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

11.12 Funding Requirements.

11.12.1 It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.

11.12.2 This Agreement is valid and enforceable only, if sufficient funds are made available to City for the purpose of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or City Council that may affect the provisions, terms, or funding of this contract in any manner.

11.12.3 It is mutually agreed that if sufficient funds are not appropriated, this Agreement may be amended to reflect any reduction in funds.

11.12.4 City has the option to void the contract under the 30-day termination clause pursuant to Article VI, or by mutual agreement to amend the contract to reflect any reduction of funds.

11.13 Claims Filed by City's Construction Contractor.

11.13.1 If claims are filed by City's construction contractor relating to work performed by Professional's personnel, and additional information or assistance from Professional's personnel is required in order to evaluate or defend against such claims; Professional agrees to make its personnel available for consultation with City's construction contract administration and legal staff and for testimony, if necessary, at depositions and at trial or arbitration proceedings.

11.13.2 Professional's personnel that City considers essential to assist in defending against construction contractor claims will be made available on reasonable notice from City. Consultation or testimony will be reimbursed at the same rates, including travel costs that are being paid for Professional's personnel services under this Agreement.

11.13.3 Services of Professional's personnel in connection with City's construction contractor claims will be performed pursuant to a written Agreement amendment, if necessary, extending the termination date of this Agreement in order to resolve the construction claims.

ITEM 9.2.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first set forth above, which date shall be considered by the Parties to be the effective date of this Agreement.

Re: Citywide Roundabout Feasibility Study & Priority Implementation Plan

Dear Ms. Courdy,

Kittelson & Associates, Inc. (Kittelson) is pleased to submit its Statement of Qualifications (SOQ) for the Citywide Roundabout Feasibility Study & Priority Implementation Plan (Plan) for the City of Rancho Cordova (City).

As nationally recognized roundabout specialists, Kittelson staff have been involved in the feasibility, peer review, and/or design of over 1,000 potential or constructed roundabouts throughout North America. Kittelson has also led research studies on roundabouts, geometric design, and transportation analysis, giving us a deep understanding of current guidelines and practices. Kittelson is joined on this project by AIM Consulting, a public outreach firm with strong engagement experience in the Sacramento area.

Thank you for the opportunity to offer our qualifications for this transformative project. Our project manager is Mike Alston, RSP, EIT, and our project principal is Wade Scarbrough, PE. Wade is an authorized representative of Kittelson who has the authority to bind Kittelson to a contract with the City of Rancho Cordova to perform the services as described in the RFQ's Scope of Work.

Should you have any questions about the information contained in this SOQ, please contact Mike Alston by email at malston@kittelson.com or by phone at (510) 433-8076. We look forward to hearing from you.

Sincerely,
KITTELSON & ASSOCIATES, INC.

Mike Alston, RSP, EIT
Senior Engineering Associate/Project Manager

2510 J Street, Suite 200
Sacramento, CA 95816

Wade Scarbrough, PE
Principal Engineer and Project Principal;
Authorized Signatory

3. Executive Summary

Kittelson is prepared to help the City of Rancho Cordova develop a Citywide Roundabout Feasibility Study and Implementation Plan. Our extensive experience with nationwide roundabout planning and design, along with our history of work locally in Rancho Cordova, position us to help the City identify appropriate sites and develop design concepts that will achieve the desired safety and operational benefits while enhancing the character of the surrounding neighborhoods. As documented throughout our proposal, the Kittelson team is uniquely qualified to conduct the services outlined in the request for proposals and in the Scope of Work included in this proposal.

As nationally recognized roundabout specialists, Kittelson staff have been involved in the feasibility, peer review, and/or design of over 1,000 potential or constructed roundabouts throughout North America. Kittelson has also led research studies on roundabouts, geometric design, and transportation analysis, giving us a deep understanding of current guidelines and practices. Kittelson has been a trusted adviser to Caltrans since 1999, providing peer review and supporting the development and adoption of *Traffic Operations Policy Directive (TOPD) 13-02 – Intersection Control Evaluation (ICE)*, and development of the next generation of ICE. Our team offers a complete range of conceptual geometric design and project development services. The firm's functional design skills blend transportation planning, traffic engineering, and roadway design to bridge the gap between conceptual planning and final design. We will prepare solutions that consider geometric, operational, and performance issues, multimodal access, and regional and corridor system needs.

In addition to focusing on the design, our engineers are encouraged to engage with the stakeholders. This early and comprehensive communication allows us to continuously incorporate new information. To maximize the efficiency during design, our team will work with the City to identify key residents, stakeholder groups, community-based organizations and other community leaders who represent the community. Each stakeholder will be brought into the planning and design process early to identify issues, and we will maintain ongoing communication throughout project development.

Our team will develop initial concept designs at a sketch level using either hand techniques or CAD to determine optimal layout, alignment, and key features. At the sketch level, the design concepts will include striping layouts (for multilane roundabouts), pedestrian and bicycle facilities, right-of-way needs, local access considerations, and environmental impacts. This process enables us to quickly and efficiently develop a range of design alternatives and to evaluate those alternatives with respect to environmental impacts and construction costs. Once the preferred concept is selected, we will then refine these in CAD to develop the horizontal layout that can be carried forward.

Our team will work diligently with City staff to determine cost-effective solutions that satisfy key project objectives without compromising essential traffic operations and safety principles. Our overall approach can be summarized under the idea of performance-based design, whereby the project development process enables designers to make informed decisions about the performance tradeoffs of design decisions. We've found this approach consistently encourages effective problem solving, collaborative decision-making, and an overall greater return on infrastructure investments.

4. Firm's Organization Chart

Kittelson

Kittelson & Associates, Inc. (Kittelson) is a **transportation planning, engineering, and research** firm that has served public agencies and private organizations for 37 years. Kittelson was founded in 1985 in Portland, Oregon, and was incorporated in 1988 as an Oregon Subchapter S Corporation. Kittelson has a staff of 289 in 25 offices throughout the United States, including four in California (Oakland, Orange,

ITEM 9.2.

Sacramento, and San Diego). The firm has grown steadily over the course of its history; since 2017, the firm has added approximately 60 staff, and is continuing to hire and expand our geographic presence and the resources and expertise we offer our clients.

Kittelson’s organizational structure consists of seven executive leaders (including three corporate officers), 30 shareholders, a seven-member board of directors, and a comprehensive distributed leadership team consisting of 27 regional leads, seven partner staff leads (representing marketing, information technology, communications, project accounting, graphics/publications, administration, and risk management), and four leadership group directors (research/innovation, staff development, project management, and people operations).

AIM Consulting

AIM Consulting (AIM), located at 2523 J Street, Suite 202, Sacramento, CA 95816 (contact: Gladys Cornell, Principal, 916-442-1186, gcornell@aimconsultingco.com), will be a subconsultant to Kittelson providing **public outreach and stakeholder engagement**. AIM was established in 2005 with one overriding goal in mind: to be an active participant in community building and encourage others to do the same through civic engagement. AIM has been in business for 18 years, and has a total of 10 employees (12 employees in 2017).

5. Proposed Staff

Table 1 lists qualifications of our key staff. Brief bios follow, and resumes are included in **Appendix B**.

Table 1: Kittelson key staff qualifications.

Key Staff/Role	Years Exp.	Education/Certifications	Selected Relevant Experience
Mike Alston, RSP, EIT Project Manager; Task Lead, Tasks 4 (Draft and Final Plan) and 5 (Board Review/Approval)	5 (5 with firm)	- Master of City Planning (MCP), UC Berkeley - MS Civil Engineering, UC Berkeley - BS Civil Engineering, North Carolina State University - Certified Road Safety Professional (Level 1) - Engineer in Training (California)	- Iowa DOT Roundabout Peer Review - NCHRP Project 03-130: Guide for Roundabouts - Alameda Citywide Roundabout Analysis - Clark County ICE Guidelines - Dublin Local Road Safety Plan - Dublin Bicycle/Pedestrian Master Plan Update - Fresno COG Multi-jurisdictional LRSP - City of Stockton LRSP/SSAR
Wade Scarbrough, PE Project Principal	26 (26 with firm)	- BS Civil Engineering, University of Idaho - Licensed Professional Civil Engineer: California	- Iowa DOT Roundabout Peer Review - Elk Grove, Sheldon Road/Bradshaw Road Roundabout Design - Sacramento Gateway West Roundabout Concept Design - Deschutes County (OR) Powell Butte Hwy./Neff Rd./Alfalfa Market Rd. Roundabout - Clackamas County (OR) Stafford Rd./SW Borland Rd. Multi-lane Roundabout

Key Staff/Role	Years Exp.	Education/Certifications	Selected Relevant Experience
Hermanus Steyn, PE Quality Control Manager	29 (21 with firm)	- BEng Civil Engineering, University of Stellenbosch - Licensed Professional Civil Engineer: California	- Smart Growth America: Interstate 15 Technology Corridor through Lehi, Utah Preliminary Design Charrette (Lehi, UT) - I-5/NW La Center Rd. Interchange (La Center, WA) - FHWA Accelerating Roundabout Implementation in the United States - Santa Barbara, Cliff Dr./Las Positas Roundabout Design
Matt Braughton, RSP Task Lead: Task 1 (Existing Conditions)	9 (9 with firm)	- Master of City Planning (MCP), UC Berkeley - BA Geography and Political Science, University of California, Los Angeles - Certified Road Safety Professional (Level 1)	- Sacramento Pedestrian Crossing Guidelines Update - Sacramento SSAR - Caltrans D3 Complete Streets Plan - Elk Grove Intersection Control Evaluations - SACOG Model Performance Metrics - KCAG Regional Corridor Needs Study

Key Staff Bios

Mike Alston, RSP, EIT **Project Manager; Task Lead, Tasks 4 and 5**

Mike Alston is a senior planning and engineering associate at Kittelson focused on transportation planning, traffic engineering, and pedestrian and bicycle safety. Mike has been involved in roundabout reviews at the state and local levels. He has reviewed plans and designs for Iowa DOT and currently is leading Kittelson's work to assess roundabout locations, conceptual designs, and implementations citywide in Alameda, California. Mike is also contributing original research related to truck operations and design at roundabouts for *NCHRP 03-130: Guide for Roundabouts, Third Edition*. In addition to his roundabout experience, Mike has contributed to and/or led

more than 20 transportation safety planning projects, for which his roles have included crash data analysis, GIS mapping and analysis, intersection operations analysis, and project management.

Wade Scarbrough, PE
Project Principal

Wade Scarbrough is a Kittelson principal engineer who has prepared feasibility studies, preliminary design plans, final geometric layouts, and/or final traffic design plans for roundabout concepts at more than 100 intersections worldwide, including many that have been constructed. He co-authored the Federal Highway Administration (FHWA) *Roundabouts: An Informational Guide, 1st Edition*, and the *Technical Summaries on Roundabouts and Mini-Roundabouts*. In addition, Wade has been involved in the development and design graphics for many state, regional, and local roundabout guides, as well as the 2009 Manual on Uniform Traffic Control Design. He regularly prepares final plans, specifications, and cost estimates (PS&E) for other intersection forms and transportation facilities, including traffic signals, unsignalized intersections, pedestrian crossings, street lighting, and ITS applications. As a nationally recognized roundabout expert, Wade routinely conducts peer reviews of roundabout designs and operational analyses for design firms and public agencies throughout the US. This work includes comprehensive roundabout design checks, such as fastest path, design vehicle, multilane natural path (path overlap), sight distance, vertical alignment, design details, signing and pavement markings, and illumination layout and details.

Hermanus Steyn, PE
Quality Control Manager

Hermanus Steyn is a Kittelson transportation engineer with experience in taking transportation concepts he has researched into the planning, design, and construction phases. He has managed hundreds of projects and knows that the context of the project and working with the community are essential to a successful project. Hermanus understands the interaction between design, operations, and safety for all users and capably synchronizes all facets of a project to achieve regulatory compliance and facilitate construction.

Matt Braughton, RSP
Task Lead: Task 1

Matt Braughton is a Kittelson associate planner who enjoys collaborating with communities to develop plans and projects to support safe and sustainable communities. Matt has managed a number of multimodal transportation and safety analysis projects across California and the country. He has expertise in developing conceptual designs to improve the safety and comfort of all road users, and communicating recommendations effectively to the community to build project consensus. Matt has also managed and supported active transportation improvements projects and bicycle/pedestrian plans and guidance throughout the United States. Matt has extensive experience in spatial data analysis and collection and possesses advanced knowledge of GIS.

Caleb Cox
Task Lead: Task 2

Caleb Cox is a Kittelson engineer who works with multidisciplinary teams on projects ranging from traffic operations and alternatives analysis to final roadway and intersection design. He is proficient in the geometric design of road, intersections, and roundabouts and is dedicated to ensuring these facilities are designed to meet the user's best interests related to safety and functionality. He has served as lead designer on numerous projects ranging from alternatives analysis, concept design, signal design, signing & striping design, street lighting design, and roadway design.

Gladys Cornell
Public Outreach Principal-in-Charge

Gladys Cornell is principal and project manager of AIM Consulting. She is a facilitation and community engagement specialist with more than 30 years of experience providing public engagement, media relations, and strategic communications services with an emphasis on transportation infrastructure and master plan projects. Gladys has served successfully as the public outreach project manager for multiple complex community plan and transportation projects that require an understanding of technical, fiscal and community issues and the ability to create a space for constructive dialogue.

Katie Demaio
Task Lead: Task 3 (Public Outreach)

Katie Demaio is a community engagement manager who brings to AIM Consulting over ten years of management experience, including community awareness and engagement. Katie assists clients with creating content for ongoing messaging, collateral materials, social media content, and interactive online engagement tools for public information and community engagement. Katie also manages and facilitates stakeholder interviews and focus groups, community meetings, traveling workshops, and special events.

6. Project Organization Chart

Team Organization

Kittelson will be the primary consultant, providing project management and all transportation analysis. AIM Consulting will lead the public outreach component. Our team organization is presented in **Figure 1**. Our team is led by **Mike Alston, RSP, EIT**, a strong project manager and planner who has experience in leading the delivery of roundabout feasibility studies. Mike will be supported by **Wade Scarbrough, PE** (project principal) and **Hermanus Steyn, PE** (quality control manager), both of whom will actively assist with quality control and assurance.

Figure 1: Kittelson team organization.

Key

K = Kittelson & Associates, Inc.
A = AIM Consulting

EIT = Engineer in Training
PE = Licensed Professional Civil Engineer
RSP = Certified Road Safety Professional

7. Experience of Firm

Kittelson

As described in our Executive Summary, Kittelson offers a complete range of roundabout and intersection/interchange analysis, feasibility, conceptual design and project development services. Specifically, Kittelson staff have extensive experience in developing and evaluating scaled design alternatives for roundabouts and other intersection forms on local, collector, arterial, and highway facilities. The firm prepares solutions that consider geometric, operations, and performance issues, multimodal access, and regional and corridor system needs. Kittelson has conducted intersection control evaluations and/or developed roundabout concept designs for projects that include:

- / Alameda Citywide Roundabout Analysis
- / Iowa DOT Statewide Roundabout Reviews
- / Santa Barbara Roundabout Support
- / Clark County (WA) ICE Guidelines
- / NCHRP Project 03-130: Guide for Roundabouts
- / Elk Grove Intersection Improvements and Roundabout Services, Elk Grove, CA: Sheldon/Waterman Roundabout Concept and Final Design; Sheldon/Bradshaw Concept Design
- / I-5/La Novia Roundabout Review, San Juan Capistrano, CA
- / Lance Gulch/Glen Road/SR 299 Roundabout, Weaverville, CA
- / Cliff Drive/Las Positas Roundabout, Santa Barbara, CA
- / Rancho California Road Roundabout Corridor Study, Temecula, CA
- / I-880 Interchange Improvements (Whipple Road/Industrial Parkway Southwest and Industrial Parkway), Hayward, CA
- / I-80/Ashby Avenue (Route 13) Interchange Improvement Project, Berkeley/Emeryville, CA
- / Hot Springs Road/Cabrillo Boulevard Roundabout Conceptual Design, Santa Barbara, CA
- / City of Ceres Roundabout Feasibility Study, Ceres, CA

AIM

AIM offers strategic communications and public outreach consulting services and specializes in projects that make a positive difference within the community—multi-modal transportation, transit, water, and land use planning. With more than 30 years of experience, AIM's team of professionals develops public outreach programs that bring diverse community members together and creates a space for constructive dialogue that respects all individuals and leverages the positive work of the engaged community.

- / **Placer County Sacramento Gateway Plan (2019-2022).** Public outreach objectives developed by AIM included informing key stakeholders and the community at large about the effort and obtaining input about existing conditions, current travel behavior, suggestions on how to alter current travel habits and provide congestion relief, trade-offs and priorities of potential improvements, and thoughts about the proposed plan. Special emphasis was placed on outreach to underrepresented populations throughout the corridor and vicinity.
- / **City of Sacramento, Richards Boulevard I-5 Interchange Project (2018-Current).** The community engagement included several key stakeholder focus group meetings held to inform on the existing conditions analysis within the project area, identify future development plans, evaluate current and future travel patterns and to weigh in on the evaluation criteria for the design alternatives. A virtual community open house hosted on the City's project webpage consisted of an informational video highlighting four design alternatives and a community input form to share design concept alternatives and to receive questions and feedback.

References

Iowa DOT Statewide Roundabout Reviews

REFERENCE: Chris Poole, PE, State Traffic Engineer, Iowa Department of Transportation, 515-239-1513, chris.poole@iowadot.us

START/END DATES: August 2021-Ongoing

KEY STAFF INVOLVED: Hermanus Steyn, Wade Scarbrough, Mike Alston, Caleb Cox

Kittelson has led this project conducting roundabout peer reviews for the Iowa DOT. Roundabout review includes any phase of a project from initial selection and layout to re-design of a roundabout. Our review tasks have included feasibility studies, capacity and operational analyses, and reviews of design, lighting, signing, markings, etc. Reviews scale from typically minor reviews conducted within one to two weeks or larger efforts, which are iterative and longer (several months or more) depending on what stage of development the project is in and the depth of review required. Kittelson has been able to successfully complete this work, which requires speed of completion, because of the depth of firm resources. We have a large team managed centrally and with shared quality control resources.

City of Alameda Citywide Safety Project

REFERENCE: Gail Payne, Senior Transportation Coordinator, City of Alameda, 510-747-6892, gpayne@alamedaca.gov

START/END DATES: November 2020-Ongoing

KEY STAFF INVOLVED: Hermanus Steyn, Mike Alston, Caleb Cox

Kittelson is working with the City of Alameda on a comprehensive effort related to the potential location, design, and implementation of roundabouts throughout the city. The team's tasks have included a citywide high-injury network screening analysis using criteria sensitive to social and geographic equity to confirm locations identified by City staff as potential locations for roundabouts; a feasibility assessment of likely locations for roundabout construction; recommendations for General Plan policies related to roundabouts; and designs and best practice resources for neighborhood traffic circles. Kittelson is also conducting alternatives evaluation at two sites and developing preliminary engineering concepts for another two intersections. Kittelson is assisting the City with review and public engagement related to an intersection evaluation for a roundabout concept at the Island Drive/Mecartney Road intersection versus the existing all-way stop or a proposed traffic signal.

City of Santa Barbara Roundabout Support

REFERENCE: Derrick Bailey, Principal Transportation Engineer, City of Santa Barbara, 805-564-5544, dbailey@santabarbaraca.gov

START/END DATES: June 2019-April 2021

KEY STAFF INVOLVED: Mike Alston, Caleb Cox

Kittelson provided the City of Santa Barbara with roundabout support for several projects at different levels of development across the City. First, Kittelson provided initial concept-level sketches and alternatives to support project development efforts related to future development. Second, Kittelson supported the City with an active transportation planning grant by assessing feasibility of a mini-roundabout versus signalized intersection along the Cliff Drive corridor, which serves as an important bicycle connection to and from the City. Lastly, Kittelson developed mini and compact roundabout prototypes for some common street widths. These concepts were developed at a sketch level, then rendered as 3D visualizations to support the City in developing a standardized process to deliver mini-roundabouts at intersections with similar roadway approach widths. Kittelson developed screening and application guidelines for the City to apply in mini-roundabout application.

ITEM 9.2.

Clark County ICE Guidelines

REFERENCE: Ejaz Khan, Senior Traffic Engineer, City of Vancouver (WA), 360-487-8198,
Ejaz.Khan@cityofvancouver.us

START/END DATES: May 2020-August 2021

KEY STAFF INVOLVED: Hermanus Steyn, Mike Alston

Kittelson supported Clark County, Washington, in developing Intersection Control Evaluation (ICE) Guidelines to support the County's immediate and anticipated needs for integrating intersection evaluation strategies into its planning process. ICE provides the County with an objective and reproducible method to evaluate project decisions by providing recommendations for a wide array of project contexts. The County wanted to develop guidelines that could fairly and objectively evaluate roundabouts alongside other intersection form and control types. Kittelson has developed ICE guidelines that include typical assumptions for design values and for multimodal mobility and accessibility performance evaluations. The guidelines include considerations for project type, land use context, project development phase, and other context sensitivities so that projects are evaluated in the appropriate context. The City is currently reviewing the draft guidelines now, which should be finalized midyear.

Stockton SSAR/LRSP

REFERENCE: Dodgie Vidad, City Traffic Engineer, City of Stockton, 209-937-8237,
dodgie.vidad@stocktonca.gov

START/END DATES: March 2020-December 2021

KEY STAFF INVOLVED: Matt Braughton, Mike Alston

Kittelson developed an LRSP and SSAR for Stockton. The team collected and analyzed crash data across the city to identify common crash patterns and trends. These crash patterns and trends were used to develop safety project concepts for all road users at the highest priority locations across the city. The analysis also informed opportunities for education and enforcement strategies to complement engineering improvements, to result in policies and goals to guide the LRSP. The highest priority locations with high benefit-cost ratios will be moved forward into grant applications to seek funding through HSIP Cycle 11.

8. Plan Design and Deliverables

Approach

We bring the City a team that is prepared to develop roundabout feasibility and implementation plan that is informed, research-backed, actionable, community-supported.

- / **Research-backed:** Because we have written the national guidebooks that set practice for roundabout planning, design, and operation, we know how to nimbly apply design and analysis techniques to deliver the City sound concepts and analysis that reflects national best practices. We are currently developing the 3rd edition of the national *Roundabout Guide* and will bring current state of practice to this project. Many retrofit locations in the City will require design tradeoffs that we are prepared to help work through.
- / **Informed:** We will draw on our experience network screenings and designing roundabouts at every phase of project development to help the city develop a screening methodology that captures community goals but is not complicated or cumbersome to develop. The City will be able to refer and sort results after the project and continue to identify opportunities.
- / **Actionable:** The City's plan will have concepts ready for final design, identified funding sources to advance the concepts, and a roundabout guidelines document that indicates how to replicate the process going forward. Given our experience developing guidelines and writing guidebooks, we will provide the City with the right level of detail in documentation to support adoption.

ITEM 9.2.

- / **Community-supported:** We have prepared a logical and thorough public engagement strategy that targets community with multiple modes for input and provides for creativity to build excitement for roundabouts. We will also provide the City with suggestions and strategies to combat skepticism about roundabouts as a “new” treatment.

We will work openly and transparently with the City to refine a shared vision of success: to deliver successful roundabout projects with a social equity prioritization but also with an eye on promoting roundabouts newly developed areas as Rancho Cordova continues to grow. Doing so will support General Plan goals and improve community health.

Scope of Work

Task 01 Project Administration

This task does not include consultant involvement.

Task 02 Consultant Procurement

PURPOSE: Kick off the project and define success for the project team and hold monthly progress calls to track progress and keep the project team apprised of upcoming coordination needs.

Task 02.1 Project Kick-off Meeting

We will hold a project kickoff meeting. At the kick-off meeting, we will present and discuss our proposed Critical Path Method (CPM) schedule with City staff. Throughout the course of the project, we will maintain the CPM schedule, to be updated in real time and shared with the project team. We are versed in Microsoft Project, Smartsheet, and other project management software.

We will dedicate time in the project kick-off meeting to identifying stakeholders to be involved with the project, including when and how best to engage each group of stakeholders to best leverage their input, maximize project success, and minimize risk to the project. Potential stakeholders are listed in Task 3.

Kittelsohn will provide a kick-off meeting agenda in advance and will circulate meeting notes afterwards. The kickoff meeting is assumed to be held virtually but can be accommodated as an in-person meeting. The meeting is assumed to be 1.5 hours.

Consultant Coordination

We propose to conduct one-hour monthly project status meetings to make sure the project team is in coordination on project status, upcoming deliverables, and any coordination required on upcoming events (i.e., public engagement activities). This effort will be performed under each Task.

Task 02 Deliverables:

- / Kick-off Meeting Minutes

Task 1: Existing Conditions

PURPOSE: Assemble and prepare the data and planning information needed to successfully proceed with roundabout feasibility analysis. Incorporate the best available transportation, land use, and demographic data to provide the City a screening that identifies priority intersections for roundabouts in legacy neighborhoods (retrofits) and proposed for future development (new construction).

Task 1.1 Assemble Data

Kittelson will compile and summarize data to identify potential roundabout locations in Task 2. Kittelson will coordinate with the City to obtain data available from plans like the Circulation Element of the General Plan, the Pedestrian Master Plan, and the Bicycle Master Plan. The data collected will be used to define a scoring methodology for a citywide roundabout network screening. Kittelson will coordinate with the City to define the highest priorities for implementation and will weigh the data factors appropriately.

In collaboration with the City and project team, we will identify a screening criteria and scoring method to weight the input values. We anticipate the screening to generate scores that can classify the locations into priority tiers. Examples of information that could be included as screening criteria include:

Table 2: Roundabout Feasibility Scoring Inputs

Data	Purpose
City-Provided Data	
Roadway functional classifications and lane numbers¹	Allows intersections to be classified by intersecting roadway functional class and, may help classify potential roundabouts as single- or multilane.
Existing and proposed bikeways and trails²	Indicates how people biking are to be served at the intersection (shared or separated dedicated lane on approach/exit)
Truck Routes³	Indicates anticipated design vehicles (and necessary roundabout size) at screened intersections
Traffic volumes^{1,3}	Allows for assessment of single- or multilane feasibility at screening level
Travel forecast projections	Tests the resilience of roundabout sizing decisions
City signature transit routes and future transit stations¹	Provides for prioritization of transit routes in the screening methodology
Planning areas¹	Allows the City to express geographic equity or spatial priorities related to subareas of the City
Existing and planned land uses¹	Indicates existing and expected access need, traffic characteristics, and growth potential at potential site locations
Sensitive areas, including wetlands or other parcel boundaries	Indicates potential fatal flaws of right of way impacts
Other Publicly Available Data	
SWITRS¹ Crash Data	Used to develop crash severity scores and prioritize high injury crash history sites
American Community Survey 5-Year Data (2016-2020)	Allows for social equity prioritization (explanation provided after table)
CalEnviroScreen 4.0	Provides a screening tool to identify communities burdened by pollution.
Healthy Places Index	Provides is a screening tool that provides local factors predictive of life expectancy.
Major Points of Interest	This could include city hall, major employment centers, schools, parks, or shopping centers. Kittelson will work with the City to determine which POIs could contribute to priority in a network screening.

1: Assumed to be available based on review of the City's General Plan

2: Assumed to be available based on review of the City's Bicycle Master Plan

3: Available from the City's Spatial Data website: (<https://data-ranchocordova.opendata.arcgis.com/>)

Opportunity for Social Equity Prioritization

This project has the opportunity to put social equity front and center in the spatial prioritization of potential roundabout locations. The City can use data to be intentional in the prioritization of legacy and

¹ Statewide Integrated Traffic Records System, <https://iswitr.chp.ca.gov/>

disadvantaged communities for improvement. In addition to CalEnviroScreen 4.0 and the Healthy Places Index—both of which provide data at the Census tract level—Kittelton can supplement with data from the American Community Survey to incorporate a number of demographic and socioeconomic factors at the more granular block group level to identify populations with overlapping determinants of economic disadvantage. Kittelson has developed indices for prioritization in past projects and commonly uses the following indicators:

1. Communities of Color (All races other than white, non-Hispanic)
2. Low Income Population (Less than 200% of Federal Poverty line)
3. Limited English Proficiency Population (limited English-speaking households)
4. Zero-vehicle Households
5. Seniors Over Age 75
6. Youth Under Age 10
7. Persons with a Disability
8. Single-Parent Families
9. Overburdened Renters (Paying at least 40% of monthly income in rent)

Figure 2 presents the results of a preliminary composite transportation disadvantage index based on these nine input factors for Rancho Cordova. The index uses 2020 ACS data to identify the top 20 percentile (most disadvantaged) block groups in the City and its planning area. We can easily adapt this index based on project team and public input to ensure that the planning process prioritizes projects in areas of historically disadvantaged communities.

Figure 2: Transportation Disadvantage Scores, Rancho Cordova

Source: American Community Survey, City of Rancho Cordova

Task 1.2 Existing Conditions and Screening Memorandum

With the data assembled, Kittelson will prepare a draft Existing Conditions Report to document the data to be used and the network screening methodology to be conducted in Task 2. The report will use a series of maps to illustrate the data to be applied in the Task 2 screening and will describe the purpose and intent of the screening methodology. Kittelson will respond to one set of consolidated comments to finalize the report and to verify data and methodology before proceeding to Task 2.

Opportunity to Improve Engagement:

We recommend conducting the first community workshop prior to finalizing the Existing Conditions Report, in approximately August 2022. The focus of this engagement would be twofold: (1) to help bring the public and stakeholders into the planning process early to build community buy-in, and (2) to help the project team hear and incorporate community priorities for evaluation factors and scoring for the screening in Task 2. This community workshop is detailed in Task 3.

Task 1 Deliverables:

- / Consolidated GIS database of data inputs for roundabout screening
- / Existing Conditions Memorandum, draft and final

Task 2: Analysis

PURPOSE: This task will include the network screening to develop an initial list of locations, analysis to refine the list and assess feasibility, and prepare and present conceptual alternatives for the top prioritized locations.

Task 2.1 Develop list of Potential Locations

In this subtask Kittelson will conduct a network screening of the City's roadway network to identify a list of potential roundabout locations. The methodology, to be developed as part of Task 1, will include a screening score for every intersection in the City. Therefore, the City will be able to retain the screening results as a prioritization matrix for future reference. **Figure 3** shows example citywide screening results from the Alameda Citywide Roundabout project. The City has retained the results in spreadsheet format so that they may reference and update the screening results moving forward as priorities evolve.

Figure 3: Example Citywide Screening Results

Roundabout Screening Results			Citywide Screening				City of Alameda				
Intersection Name	HIN Corridor	HIN Intersection	Vulnerability Index	Bus Route	Bicycle Network	Total Score	Identified By City Staff	Already Advanced	Additionally Selected Sites	To Be Assessed for Feasibility	Notes
Locations To Be Screened											
Atlantic & Constitution	1	1	1	1	1	5				x	
Main & Atlantic	1	1	1	1	1	5				x	
Main & Willie Stargell	1	1	1	1	1	5				x	
Grand & Tilden	1	1	0	1	1	4	x			x	
Central & Versailles	1	1	1	0	1	4			x	x	
Encinal & Fennside	1	0	0	1	1	3			x	x	
Encinal & Park Avenue	1	0	0	1	1	3			x	x	
Island & Meadway	0	0	0	0	1	0	x			x	
Otis & Grand	1	1	0	1	1	4	x			x	
Otis & Park	1	0	1	1	1	4			x	x	

If desired, Kittelson can run multiple iterations of the analysis to develop separate priority lists for existing retrofit opportunities and for future development opportunities. For example, it may be desirable to the City to develop a grouping of potential sites, suggested as follows:

- / **New construction:** As defined in the 7th Edition of the AASHTO *Policy on Geometric Design of Highway and Streets* ("Green Book"), new construction projects typically have the most design flexibility and the fewest constraints.
- / **Single-lane reconstruction projects:** Single-lane roundabouts are more likely than multilane roundabouts to fit within existing right of way, are simpler to design and build, and provide great opportunities for successful "first" roundabouts.
- / **Multilane reconstruction projects:** Multilane reconstruction projects will be among the most complicated for the City to plan, design, and build. While they still have the opportunity to provide

tremendous benefit to the City, they may be a lower priority for implementation than the other two categories.

Single-lane versus multilane opportunities can be flagged based on existing roadway functional class, existing lane numbers, or available average daily traffic (ADT) values. Available HCM-compatible methods include testing locations based on ADT with a known or assumed left-turn percentage or based on peak hour traffic with a known or assumed major-minor traffic split. Kittelson authored both of the guidebooks that present these screening methods and has experience implementing and adapting these methods to local context. This Subsequent analysis (in Task 2.2) would refine the assumptions of lane numbers necessary for locations on or near a screening threshold.

Given the initial list, Kittelson will test appropriate roundabout footprints at up to 50 of the identified locations to assess initial feasibility. The expected roundabout inscribed circle diameters (ICDs) can be estimated based on information presented in NCHRP Report 672 based on single- or multilane needs and whether the intersection is on a truck route. This effort can be applied at a very high level to provide a good scan of feasibility. **Figure 4** shows how an initial footprint can assess feasibility and provide a sense of feasibility before developing a sketch-level concept. If the City has a CAD or GIS file indicating the location of curb lines, available right of way, and/or parcel boundaries, Kittelson would use that file as a base for footprint assessment. In the absence of that data, we could use Google Earth imagery and develop a *.kmz file that the City could convert to other data formats for future reference.

Figure 4: Roundabout Footprint Estimate Leading to Viable Concept.

Task 2.2 Perform Analysis and Evaluate Locations

From the footprint evaluations conducted in Task 2.1, Kittelson will work with the City to identify up to five locations to develop concept alternatives. For each location, Kittelson will collect weekday a.m. and p.m. peak hour turning movement counts and assess operations using HCM 6th edition methodologies. For each location, Kittelson will develop up to three sketch-level roundabout design concepts based on principles outlined in NCHRP Report 672 *Roundabouts: An Informational Guide, 2nd Edition*. Features of this activity would include:

- / Developing a base condition locating a roundabout at the center of the existing intersections and identifying recommended treatments on each approach.
- / Considering a second and third condition, if developed, that would be based on Kittelson's experience in integrating roundabouts and optimizing the roundabout size, location, approach configuration, and incorporation of bicycle and pedestrian facilities to adapt to the site conditions.

In our experience, three concept alternatives provide enough range of possibilities to assess feasibility and articulate design tradeoffs. For up to two locations, Kittelson would develop the two most promising alternatives into isometric view renderings (four total alternatives) (see **Figure 5** for an example). These

would support engagement and public understanding of design tradeoffs at the community workshop. These deliverables will form the basis of Community Workshop #2, described in Task 3.

Figure 5: Example Roundabout Rendering: Concept B: San Andreas Street/W Anapamu Street

Task 2.3 Develop Priority List of Roundabout Locations and Conceptual Design

Based on the work conducted in Tasks 2.1 and 2.2, Kittelson will prepare a Draft Roundabout Analysis Report with the priority roundabout locations. The draft report will include the screening methodology used, the assumptions and documentation for the initial set of footprint feasibility and operational assessments, the HCM operational analysis conducted, and the concept alternatives developed. This report will be written to easily adapt to Community Workshop #3 and to document the process followed for eventual inclusion in the draft and final feasibility study and implementation plan (Task 4).

Task 2.4 Identify Potential Funding Sources

Kittelson will document potential funding sources in a draft memorandum along with a description of how the funding may be applied, criteria for applying and obtaining funding, and any project stipulations associated with each source. We will address one set of consolidated comments and compile into a comment matrix for eventual update and inclusion into the Draft Plan in Task 4.

Task 2 Deliverables

- / List of roundabout locations with prioritization scores
- / Aerial Footprint assessment of up to 50 locations
- / Conceptual Design Concepts for Each Roundabout Location (up to 5 locations, 2 concepts per location)
- / Isometric 3D renderings of concept alternatives (up to four total – two alternatives each at two locations)
- / Technical Analysis Report for Community Workshop #3
- / Draft Funding Source Report for Prioritized Roundabout Implementation Plan

Task 3 Public Outreach

PURPOSE: Solicit feedback and develop the plan using three primary channels: website, online survey, multiple workshops. AIM Consulting will lead this task with coordination from Kittelson for seamless transition between technical work and community engagement.

Task 3.1 Outreach Management

AIM will provide strategic advice and counsel, review project materials and reports, and monitor team communications. In addition, AIM will attend a project kick-off meeting in person and up to 6 regular monthly virtually as necessary for the project. AIM will provide options for in-person and virtual depending on the COVID-19 restrictions in place during the project.

Task 3.2 Stakeholder Identification/Database/Communication

AIM will work with the City and project team to identify key residents, stakeholder groups, community-based organizations and other community leaders who represent the community. In addition, AIM will create and maintain a stakeholder database organized by interest and preferred methods of communication by group. This database will allow us to conveniently plan and disseminate information to targeted audiences. AIM will also serve as a key communication link for stakeholders throughout the planning process. Stakeholders include but are not limited to:

- Rancho Cordova Residents
- Businesses in the City
- Chamber of Commerce
- Regional MPO SACOG
- County of Sacramento
- Caltrans
- City Employers/Employees
- Emergency Responders (City Police, Sac Metro Fire, Ambulance)
- Health Departments
- School Districts
- Trucking Industry
- Cordova Council
- County Public Health
- SABA/BARC advocacy groups
- Walk Sacramento
- Sacramento Regional Transit

Task 3.3 Project Webpage

An early stage of the public engagement process AIM will develop content for a project webpage on the City's Public Works CIP Project page. This will allow for a centralized location to house important project documentation, upcoming meetings, and survey link. AIM will prepare accurate and timely updates to inform users of important project information and outreach events throughout the project. Users will be able to access project information, such as fact sheets, FAQs, and notifications of upcoming project-related events and outreach opportunities including the survey. Users will be able to provide their contact information to receive electronic project updates. The website will also feature all communication collateral for the project.

Task 3.4 Communication Collateral

Brochures, Fact Sheets, Fliers can be issued to educate the community about the project, advertise all activities and meetings, advertise the questionnaire and provide notification of upcoming engagement events. AIM will develop all materials utilizing a template consistent with the project brand, which can be easily updated, printed and/or distributed through electronic means, and placed on the project webpage.

Community Meetings/Stakeholder Engagement (3)

AIM will coordinate and facilitate three (3) community meetings/stakeholder engagement throughout the project's duration. These meetings can be held either in person or virtually on Zoom depending on the COVID-19 restrictions.

- / **Community Workshop #1:** Public Workshop and possible walking tour (depending on COVID gathering restrictions) to include both newly developed area residents and disadvantaged communities in the legacy neighborhoods. This workshop will introduce the project to the public and the stakeholders in the database, define parameters, inform the community of project opportunities, priority location evaluation criteria and constraints, and solicit opinions from the community on prioritization criteria to shape and develop a potential list of roundabout locations.
- / **Community Workshop #2:** Workshop #2 will be an interactive workshop that will use clicker technology, modeling tools, maps, and the 3D visualizations developed in Task 2.2 to present the

draft roundabout locations and design concept alternatives. The community will give feedback to help decide on preferred conceptual alternatives.

- / **Community Workshop #3:** The project team will present the selected conceptual design Concepts for the prioritized roundabout locations and the relevant information from the Task 2.3 Report. This workshop will be an opportunity to further solicit feedback for public comments to shape priority roundabout locations. Based on the final workshop input and survey results, the project team will draft the initial Roundabout Feasibility Study and Implementation Plan (see Task 4: Draft/Final Plan).

If meetings are in person, AIM will secure the meeting locations and provide all meeting supplies. In coordination with the City and project lead team, AIM will develop informational materials about the project and interactive displays for the community meetings. If held virtually AIM will reserve the Zoom room and facilitate all technical aspects of the meeting. AIM will record all comments and questions from the meetings and provide the project team with a summary within two weeks of each meeting. The summary will include comments and concerns received and provide recommendations on how to incorporate those comments into the project. Attendees will be asked to sign in and provide their contact information and will be added to the notification distribution list.

Opportunity for Innovation

Because the City has no constructed roundabouts, there may be some initial skepticism of roundabouts within the community and particularly in some stakeholder groups (e.g. Fire Department or representatives of the trucking industry). One way to promote education and gather feedback about roundabouts is through the use of a field testing. By laying out an actual roundabout design and coordinating to test trucks (including unique oversized vehicles), a “Roundabout Rodeo” can provide a fun community activity and build community buy-in for developed designs. Kittelson has successfully organized such field tests before; the image below shows one such demonstration, and a video is available on YouTube (<https://www.youtube.com/watch?v=wTPXtpNDJLQ>). If desired, this opportunity could be held at a suitable location as Workshop #3 and paired with additional desired engagement collateral.

Notification Plan

AIM will develop and implement a comprehensive notification plan to ensure each community meeting is well advertised by partnering with key stakeholders including local businesses and community-based organizations. In addition, AIM will coordinate with the City and their existing communication channels to communicate project information and ensure that the community is informed throughout the project’s duration. AIM will design and develop notification materials which may include but are not limited to flyers, posters, social media content and webpage updates. Materials can be developed in both English and Spanish.

Community Survey (In between Workshop 1 & 2)

After initial feedback is received and the potential list of roundabout locations are drafted, an online survey will be developed to solicit community feedback on proposed roundabout locations and design features (such as landscaping and community art)

The survey shall be accessible in both digital and hard copy formats in both Spanish and English. Hard copies will be distributed in community centers, local and regional faith-based institutions, and other organizations to identified maximize participation and reach demographic groups less likely to participate in public outreach activities. At the conclusion of community survey, AIM will develop a comprehensive summary which will include all input obtained.

This scope assumes the City will handle any fees related to securing the meeting venues for in-person events, which includes obtaining insurance certificates.

Task Deliverables:

- / Stakeholder database
- / Project webpage
- / Three community workshops and associated communication collateral
- / Community Survey

Task 4: Draft and Final Plan

PURPOSE: Compile draft Roundabout Feasibility Study and Priority Implementation Plan, documenting the data collection, technical analysis, and community engagement carried out to develop the plan.

Task 4.1: Draft Plan and Roundabout Guidelines

Kittelson will assemble the draft roundabout feasibility study and priority implementation plan. The plan will include:

- / Data collected and analyzed to develop priority location list
- / Analysis conducted, including detailed analysis and concepts as exhibits or appendix items
- / Public and stakeholder input and engagement received in plan development

Kittelson will work with the City to document recommended guidelines for future roundabout evaluation in the City. The guidelines will be developed based on the process conducted in Tasks 1, 2, and 3 in this project. The roundabout guidelines will include recommendations for consideration of roundabouts in comparison to alternatives, and it may outline City-specific design criteria (such as performance targets or design vehicle characteristics) as directed by the City. The document will refer to national reference manuals (e.g., NCHRP Report 672) for design guidance.

Task 4.2: Draft Plan Review Meeting

Kittelson will work with the City to coordinate a joint session among different stakeholder groups including the general public to review the draft plan and conceptual design alternatives. Following a designated review period, Kittelson will compile a tracking matrix detailing comments received and a plan to address comments.

Task 4.3: Final Plan and Roundabout Guidelines

Kittelson will address the City's comments on the Draft Plan to produce the Final Plan document.

Task 4 Deliverables:

- / Draft Roundabout Feasibility Study & Implementation Plan
- / Meeting Minutes and Comments from Stakeholders
- / Comment and Revision Matrix
- / Final Roundabout Feasibility Study & Implementation Plan
- / Final Roundabout Guidelines

Task 5: Board Review/Approval

PURPOSE: Present the final Roundabout Feasibility Study and Implementation Plan and Conceptual Design Concepts.

With the plan finalized, Kittelson will assist City staff with presenting the plan and guidelines to Rancho Cordova City Council for final approval. Kittelson will present the proposed roundabout locations and the

final plan to the Council and will complete one final revision to the plan based on comments received. This task assumes the City Council meeting will be held in-person and that comments received from Council will be straightforward in nature (i.e., not require substantial revisiting of previously completed work). This task also assumes one Kittelson staff will be present at the City Council meeting, which will be held in person and will be up to 4 hours long.

Task 5 Deliverables:

- / City Council agenda package
- / PowerPoint presentation
- / Attendance at City Council meeting (assumed to be held in person)
- / Meeting Minutes
- / Revised final Roundabout Feasibility Study and Implementation Plan

Schedule

Figure 6 shows Kittelson's proposed schedule for accomplishing tasks within the desired timeline.

Figure 6: Kittelson project schedule.

9. Required Statements

The Kittelson team (constituting Kittelson & Associates, Inc., as prime consultant, and AIM Consulting, Inc., as subconsultant) confirms its ability to fulfill the indemnification and insurance requirements contained in Section 5 of the Sample Contract (Attachment C of the RFQ).

10. Cost Proposal

Kittelson's cost proposal has been submitted in a separate sealed envelope.

MEMORANDUM

ITEM 9.3.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Dalia Fadl, Principal Engineer

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT AMENDMENT NO. 58-2019-1 WITH COASTLINE WATER RESOURCES, INC. TO EXTEND THE CONTRACT TERM FROM JUNE 30, 2022, TO JUNE 30, 2023, WHICH RESULTS IN AN INCREASE TO THE CONTRACT AMOUNT FROM \$1,285,710 TO AN AMOUNT NOT TO EXCEED \$1,835,000 FOR CITYWIDE STORM DRAIN MAINTENANCE SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute Contract Amendment No. 58-2019-1 to extend the contract term from June 30, 2022, to June 30, 2023, which results in an increase to the contract amount from \$1,285,710 to an amount not to exceed \$1,835,000, for the provision of storm drain maintenance services by Coastline Water Resources, Inc. to promote livability in the City.

BACKGROUND

The City of Rancho Cordova's storm drain system includes more than 250 miles of underground pipes, six pump stations, six regional flood control basins, and more than 70 acres of creek channels or tributaries to the American River. Water flows to the river through the channels without additional treatment or filtration, so effective maintenance of the system is essential for preventing trash, debris, or pollutants from eventually reaching the American River.

The work conducted under this contract includes furnishing all labor, materials, tools, and equipment to perform services comprised of routine cleaning of structures and pipes, closed-circuit television inspection, miscellaneous repairs, and emergency response within City-maintained stormwater facilities, including but not limited to pipes, inlets, culverts, bridges, and manholes as well as other items as designated by the City engineer.

On October 7, 2019, City Council approved Contract No. 2019-58 for an amount not to exceed

\$1,285,710 with Coastline Water Resources, Inc. for storm drain maintenance services over a three-year contract term. Coastline Water Resources, Inc. has provided an excellent performance record and an effective understanding of the City's desired level of service. The City is seeking to execute a contract amendment with Coastline Water Resources, Inc. to extend the contract term from June 30, 2022, to June 30, 2023, which results in an increase to the contract amount from \$1,285,710 to an amount not to exceed \$1,835,000. The time extension and cost increase are necessary to provide ongoing storm drain maintenance services.

FISCAL IMPACT AND FUNDING SOURCE

Funding for the contract will be from the City's Stormwater Utility Fund. There is no impact to the City's general fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT AMENDMENT NO. 58-2019-1 WITH COASTLINE WATER RESOURCES, INC. TO EXTEND THE CONTRACT TERM FROM JUNE 30, 2022, TO JUNE 30, 2023, WHICH RESULTS IN AN INCREASE TO THE CONTRACT AMOUNT FROM \$1,285,710 TO AN AMOUNT NOT TO EXCEED \$1,835,000 FOR CITYWIDE STORM DRAIN MAINTENANCE SERVICES

WHEREAS, the City entered into Contract No. 58-2019 with Coastline Water Resources, Inc. on October 7, 2019 in the amount of \$1,285,710 to provide citywide storm drain maintenance services; and

WHEREAS, the scope of work includes all labor, materials, tools, and equipment to perform services comprised of routine cleaning of structures and pipes, closed-circuit television inspection, miscellaneous repairs, and emergency response within city-maintained stormwater facilities; and

WHEREAS, Coastline Water Resources, Inc. has provided an excellent performance record and an effective understanding of the city's desired level of service; and

WHEREAS, the City wishes to extend the contract term from June 30, 2022 to June 30, 2023; and

WHEREAS, the City wishes to increase the maximum compensation amount from \$1,285,710 to an amount not to exceed \$1,835,000; and

WHEREAS, the amount exceeds the maximum amount that the City Manager has authorization to approve; and

WHEREAS, the contract will be funded through the City's Stormwater Utility Fund; and

WHEREAS, there are sufficient funds budgeted to cover the cost of the contract amendment.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract Amendment No. 58-2019-1 with Coastline Water Resources, Inc. in a form approved by the City Attorney to extend the contract term from June 30, 2022 to June 30, 2023, which results in an increase to the contract amount from \$1,285,710 to an amount not to exceed \$1,835,000 for storm drain maintenance services.

**FIRST AMENDMENT TO THE GENERAL SERVICES AGREEMENT
BETWEEN THE CITY OF RANCHO CORDOVA AND COASTLINE WATER RESOURCES, INC.
FOR STORM DRAIN MAINTENANCE SERVICES**

This First Amendment to the General Services Agreement ("Amendment") is made by and between the City of Rancho Cordova ("City") and **Coastline Water Resources, Inc.** ("Contractor") as of **June 6, 2022**. City and Contractor are hereinafter collectively referred to as the "Parties."

RECITALS

WHEREAS, the Parties entered into a General Services Agreement ("GSA") No. 58-2019 dated October 7, 2019 to provide storm drainage system maintenance services; and

WHEREAS, the scope of work includes routine cleaning of structures and pipe, closed-circuit television inspection, miscellaneous repairs, and emergency response within the City-maintained storm drainage system; and

WHEREAS, Coastline Water Resources, Inc. has provided an excellent performance record and an effective understanding of the city's desired level of services; and

WHEREAS, the City wishes to extend the contract term from June 30, 2022 to June 30, 2023; and

WHEREAS, the City wishes to increase the maximum compensation amount from \$1,285,710 to an amount not to exceed \$1,835,000; and

WHEREAS, the Parties agree that changes to the term and services provided for in the GSA are necessary in order for the City to continue receiving services by Contractor.

NOW, THEREFORE, the Parties hereto agree as follows:

AGREEMENT

1. The Parties agree to modify the end date of the GSA from **June 30, 2022** to **June 30, 2023**. The first sentence of Section 2 of the GSA, "Term," is amended to read as follows:

"The term of this Agreement shall begin on the date first noted above and shall end on **June 30, 2023** unless the term of the Agreement is otherwise terminated at provided for in Section 10."

2. Section 4 of the GSA, "Compensation of Contractor," provides for the City to pay Contractor **One Million Two Hundred Eighty-Five Thousand Seven Hundred Ten Dollars (\$1,285,710)**. The Parties agree to amend Section 2 of the GSA in order to increase the compensation amount to pay Contractor for additional services. The first sentence of Section 4 of the GSA is amended to read as follows:

"The Contractor shall be paid **One Million, Eight Hundred Thirty-Five Thousand Dollars (\$1,835,000)** for performance of the Services pursuant to this Agreement."

3. All other terms and conditions in the GSA shall remain in full force and effect to the extent they are not in conflict with this Amendment.
4. The signatures of the Parties to this Amendment may be executed and acknowledged on separate pages or in counterparts which, when attached to this Amendment, shall constitute one complete Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment on the day and year first above written.

MEMORANDUM

ITEM 9.4.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Steve Harriman, Public Works Division Manager

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT AMENDMENT NO. 74-2016-4 WITH THE SACRAMENTO REGIONAL TRANSIT DISTRICT TO INCREASE THE CONTRACT AMOUNT FROM \$563,120 TO AN AMOUNT NOT TO EXCEED \$756,160 FOR CONTINUED LIGHT RAIL STATION CLEANING AND MAINTENANCE SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute Contract Amendment No. 74-2016-4 with the Sacramento Regional Transit District (RT) for continued light rail station maintenance services. The current contract term between the City and RT expires on June 30, 2025. This amendment increases the contract amount from \$563,120 to an amount not to exceed \$756,160 to fund the remaining two years of the contract term.

BACKGROUND

Since April 2015, RT has contracted with the City for the cleaning and general maintenance of the four light rail stations and the RT soundwall in Rancho Cordova. The work scope includes litter and graffiti removal, emptying trash cans, and landscape maintenance. City maintenance crews visit each of the four stations daily, Monday through Friday, to maintain the cleanliness and appearance of the stations. City landscape crews also visit each of the four stations weekly, including additional time at the Mather/Mills and Sunrise stations to maintain the landscaped areas within the parking lots. The City's prompt response to graffiti and other maintenance issues ensures the stations and soundwall remain an asset to the community and provide a positive impression to the thousands of riders who travel through Rancho Cordova daily.

The term of the current contract extends through June 30, 2025. The amendment only increases the contract amount, allowing the City to continue providing light rail station cleaning and maintenance services through June 30, 2025.

FISCAL IMPACT AND FUNDING SOURCE

The proposed amendment has no fiscal impact on the General Fund. RT pays quarterly in advance to the City for services rendered.

TO INCREASE THE CONTRACT AMOUNT FROM \$563,120 TO AN AMOUNT NOT TO
EXCEED \$756,160 FOR CONTINUED LIGHT RAIL STATION CLEANING AND
MAINTENANCE SERVICES**

WHEREAS, the Sacramento Regional Transit District ("RT") has contracted with the City of Rancho Cordova since April, 2015 for cleaning and general maintenance services of the four light rail stations and the RT sound wall in Rancho Cordova; and

WHEREAS, Amendment No. 1, executed on December 19, 2017, extended the contract to June 30, 2020, and increased the contract amount from \$161,040 to \$370,080; and

WHEREAS, Amendment No. 2, executed on June 30, 2020, extended the contract to June 30, 2025, and increased the contract amount from \$370,080 to \$466,600; and

WHEREAS, Amendment No. 3, executed on June 23, 2021, increased the contract amount from \$466,600 to \$563,120; and

WHEREAS, the collaboration between the City and RT has proven effective in improving the cleanliness and appearance of the four light rail stations and the RT sound wall in Rancho Cordova; and

WHEREAS, the term of the current contract extends through June 30, 2025, and the amendment increases the contract amount from \$563,120 to an amount not to exceed \$756,160 to allow the City to continue to provide light rail station cleaning and maintenance services through June 30, 2025; and

WHEREAS, the services will exceed the maximum amount the City Manager is authorized to approve; and

WHEREAS, the amendment has no impact on the general fund.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract Amendment No. 74-2016-4 with the Sacramento Regional Transit District to increase the contract amount from \$563,120 to a not to exceed amount of \$756,160 in a form approved by the City Attorney.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Dalia Fadl, Principal Engineer

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT AMENDMENT NO. 59-2019-1 FOR PROFESSIONAL SERVICES WITH H2O URBAN SOLUTIONS, INC. TO EXTEND THE CONTRACT TERM FROM JUNE 30, 2022, TO DECEMBER 31, 2022, WHICH WILL RESULT IN AN INCREASE TO THE CONTRACT AMOUNT FROM \$366,780 TO AN AMOUNT NOT TO EXCEED \$417,000 FOR CITYWIDE STORM DRAIN PUMP STATION OPERATIONS & MAINTENANCE**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would Authorize the City Manager to Execute Contract Amendment No. 59-2019-1 to Extend the Contract term from June 30, 2022, to December 31, 2022, which Results in an Increase to the Contract Amount from \$366,780 to an Amount not to Exceed \$417,000, for the Provision of Storm Drain Pump Station Operations and Maintenance Services by H2O Urban Solutions, Inc. to Promote Livability in the City.

BACKGROUND

The City of Rancho Cordova's storm drain system includes more than 250 miles of underground pipes, six pump stations, six regional flood control basins, and more than 70 acres of creek channels or tributaries to the American River. The City's six pump stations serve a critical flood control function for several drainage watersheds throughout the City. The work conducted under this contract includes performing routine inspections, operations, maintenance, and record keeping for the City's six storm drain pump stations and SCADA system, on-call emergency response, regulatory compliance, repair and upgrade coordination, as well as other items as designated by the City engineer.

On June 17, 2019, City Council approved Contract No. 59-2019 in an amount not to exceed \$366,780 with H2O Urban Solutions, Inc. for storm drain pump station operations and maintenance services over a three-year contract term. Extension of the contract term is necessary for continuity of citywide pump station operations and maintenance during the City's

selection process through a new Request For Proposals. The City is seeking to execute a contract amendment with H2O Urban Solutions, Inc. to extend the contract term from June 30, 2022, to December 31, 2022, which results in an increase to the contract amount from \$366,780 to an amount not to exceed \$417,000. The time extension and cost increase are necessary to provide ongoing citywide storm drain pump station operations and maintenance services.

FISCAL IMPACT AND FUNDING SOURCE

Funding for the contract would be from the City's Stormwater Utility Fund. There is no impact to the City's general fund.

Donald Terry, Mayor

**FIRST AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT
BETWEEN THE CITY OF RANCHO CORDOVA AND H2O URBAN SOLUTIONS, INC.
FOR CITYWIDE STORM DRAIN PUMP STATION OPERATIONS AND
MAINTENANCE SERVICES**

This First Amendment to the Agreement for Professional Services ("Amendment") is made by and between the City of Rancho Cordova ("City") and H2O Urban Solutions Inc., a California Corporation ("Professional") as of June 6, 2022. City and Professional are hereinafter collectively referred to as the "Parties."

RECITALS

WHEREAS, the Parties entered into a Professional Services Agreement ("PSA") dated June 17, 2019, for the purpose of providing citywide storm drain pump station operations and maintenance services; and

WHEREAS, this First Amendment will allow the Parties to extend the end date of the PSA from June 30, 2022 to December 31, 2022 to provide continuity of storm drain pump station operations and maintenance services during the City's selection process through a new Request For Proposals; and

WHEREAS, the Parties agree that changes to the term and services provided for in the PSA are necessary in order for the City to continue receiving services by the Professional.

NOW, THEREFORE, the Parties hereto agree as follows:

AGREEMENT

1. The Parties agree to modify the end date of the PSA from June 30, 2022, to December 31, 2022. The first sentence of Section 1.1 of the PSA, "Term of Service," is amended to read as follows:

"The term of this Agreement shall begin on the date first noted above and shall end on December 31, 2022. Professional shall complete the work described in Exhibit A prior to that date, unless the term of the Agreement is otherwise terminated or extended, as provided in Section 8."

2. Section 2 of the PSA, "Compensation," provides for the City to pay Professional a sum not to exceed \$366,780. The Parties agree to amend Section 2 of the PSA in order to increase the compensation amount to pay Professional for additional services. The first sentence of Section 2 of the PSA is amended to read as follows:

"City hereby agrees to pay Professional a sum not to exceed Four Hundred Seventeen Thousand Dollars (\$417,000), notwithstanding any contrary indication that may be

- contained in Professional's proposal, for services to be performed and reimbursable costs incurred under this Agreement."
3. All other terms and conditions in the PSA shall remain in full force and effect to the extent they are not in conflict with this Amendment.
 4. The signatures of the Parties to this Amendment may be executed and acknowledged on separate pages or in counterparts which, when attached to this Amendment, shall constitute one complete Amendment.
 5. **Contract Administration.** This Agreement shall be administered by Dalia Fadl ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

Notices. Any written notice to Professional shall be sent to:

MEMORANDUM

ITEM 9.6.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Steve Harriman, Public Works Division Manager

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-51 WITH THE SACRAMENTO TREE FOUNDATION IN AN AMOUNT NOT TO EXCEED \$450,000 FROM JULY 1, 2022 THROUGH JUNE 30, 2025 FOR COMMUNITY ENGAGEMENT AND TREE PLANTING SERVICES TO ENHANCE AND IMPROVE THE CITY'S URBAN FOREST**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute contract no. 2022-51 with the Sacramento Tree Foundation in an amount not to exceed \$450,000 for community engagement services. The term of the new contract is July 1, 2022 through June 30, 2025.

BACKGROUND

The Sacramento Tree Foundation has been under contract to the City since 2017 to assist with the City's Urban Forest Program. The services provided by the Tree Foundation include: 1) outreach and engagement with residents, neighborhood associations, businesses, schools, parks, and churches to provide education on the City's partnership with the Tree Foundation; 2) assistance with grant administration, the urban forest advisory committee, the stump removal program, development of public education materials, and technical assistance on various urban forest issues; 3) coordinating community planting events by recruiting and training volunteers, assisting with the selection of tree species and planting locations, and providing team leaders, tools and vehicles; and 4) hosting tables at community events to promote the urban forest program and offering classes on tree pruning and maintenance.

The City Council approved the Urban Forest Master Plan on March 21, 2022, which included a recommendation to transition the City Arborist and Tree Foundation staff members to full-time positions. The proposed contract therefore includes a full-time Tree Foundation staff position to provide additional resources for the planning and implementation of urban forest projects in Rancho Cordova.

FISCAL IMPACT AND FUNDING SOURCE

This contract is funded by the Public Works operating budget and in-lieu tree mitigation fees and has no impact on the General Fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-51 WITH THE SACRAMENTO TREE FOUNDATION IN AN AMOUNT NOT TO EXCEED \$450,000 FOR COMMUNITY ENGAGEMENT SERVICES FROM JULY 1, 2022 THROUGH JUNE 30, 2025

WHEREAS, the City and the Sacramento Tree Foundation entered into a Professional Services Agreement in 2017 for community engagement services for the City's urban forest program; and

WHEREAS, the City and the Tree Foundation have developed a strong partnership to enhance and improve the City's urban forest; and

WHEREAS, the City's urban forest master plan was adopted by the City Council on March 21, 2022 and recommends full-time positions for the City Arborist and Tree Foundation staff to provide additional resources for the planning and implementation of urban forest projects; and

WHEREAS, this contract will allow the Tree Foundation to continue to assist the City with community engagement services for the City's Urban Forest Program; and

WHEREAS, those services will exceed the maximum amount the City Manager is authorized to approve.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract No. 2022-51 with the Sacramento Tree Foundation in an amount not to exceed \$450,000 for community engagement services from July 1, 2022 through June 30, 2025.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by the following vote:

**PROFESSIONAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND THE SACRAMENTO TREE FOUNDATION
FOR COMMUNITY ENGAGEMENT SERVICES**

THIS AGREEMENT for consulting services is made by and between the City of Rancho Cordova, a California municipal corporation ("City"), and Sacramento Tree Foundation ("Professional") as of June 6, 2022.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Professional shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

Section 2. TERM. The term of this Agreement shall begin on the date first noted above and shall end on June 30, 2025. Professional shall complete the work described in Exhibit A prior to that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 10. The time provided to Professional to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 11.

Section 3. STANDARD OF PERFORMANCE.

- 3.1 Standard of Performance.** Professional shall perform all services and prepare all work products required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Professional is engaged in the geographical area in which Professional practices its profession.
- 3.2 Assignment of Personnel.** Professional shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Professional shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.

Section 4. COMPENSATION. City hereby agrees to pay Professional a sum not to exceed \$450,000 (Four hundred fifty thousand dollars) notwithstanding any contrary indications that may be contained in Professional's proposal, for services to be performed and reimbursable costs incurred under this Agreement. In the event of a conflict between this Agreement and Professional's proposal, attached as Exhibit B, regarding the amount of compensation, the Agreement shall prevail.

Professional and City acknowledge and agree that compensation paid by City to Professional under this Agreement is based upon Professional's costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Professional. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Professional and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

- 4.1 Invoices.** Professional shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs

incurred prior to the invoice date, which describe the work performed by Professional. City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have thirty (30) days from the receipt of an invoice that complies with all of the requirements above to pay Professional.

- 4.4 Reimbursable Expenses.** Reimbursable expenses, if any, are set forth in Exhibit B, and shall not exceed (\$0.00). Expenses not listed in Exhibit B are not chargeable to City. Reimbursable expenses are included in the total amount of compensation provided under this Agreement that shall not be exceeded.
- 4.5 Payment upon Termination.** In the event that the City or Professional terminates this Agreement pursuant to Section 10, the City shall compensate the Professional for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Professional shall maintain adequate logs and timesheets in order to verify costs incurred to that date.
- 4.6 Authorization to Perform Services.** The Professional is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

Section 5. FACILITIES AND EQUIPMENT. Except as set forth herein, Professional shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Professional only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein. Professional shall have an assigned workstation, with computer and telephone equipment, in Rancho Cordova City Hall or at the Public Works Corporation Yard.

Section 6. INSURANCE REQUIREMENTS. Professional shall comply with the insurance requirements contained in Exhibit C and shall procure, at its own cost and expense all insurance coverages listed in Exhibit C before beginning any work under this Agreement.

Section 7. INDEMNIFICATION.

- 7.1 General Requirement.** Professional shall indemnify, defend with counsel selected by the City, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Professional or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Professional shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Professional or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Professional to

indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Professional from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Professional acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

7.2 PERS Indemnification. In the event that Professional or any employee, agent, or subcontractor of Professional providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System ("PERS") to be eligible for enrollment in PERS as an employee of City, Professional shall indemnify, defend, and hold harmless City for the payment of any and all employee and/or employer contributions for PERS benefits on behalf of Professional or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City, and any attorneys' fees and costs incurred by the City to enforce this Section.

7.3 Design Professional. Notwithstanding Section 8.1 and 8.2, to the extent that the services under this Agreement include design professional services subject to California Civil Code Section 2782.8, as may be amended from time to time, Professional's duty to indemnify shall only be to the maximum extent permitted by California Civil Code Section 2782.8.

Section 8. STATUS OF PROFESSIONAL.

8.1 Independent Contractor. At all times during the term of this Agreement, Professional shall be an independent contractor as defined in Labor Code Section 3353, and shall not be an employee of the City. Nothing contained in this Agreement shall be construed to be inconsistent with the foregoing relationship or status. City shall have the right to control Professional only insofar as the results of Professional's services rendered pursuant to this Agreement; however, otherwise City shall not have the right to control the means and methods by which Professional accomplishes services rendered pursuant to this Agreement. Professional shall have no power or authority by this Agreement to bind the City in any respect. All employees and agents hired or retained by Professional are employees and agents of Professional and not of the City. The City shall not be obligated in any way to pay any wage claims or other claims made against Professional by any such employees or agents, or any other person resulting from performance of this Agreement.

Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Professional and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits. Professional shall not allow any employee, agent or subcontractor to become eligible for a claim for PERS benefits.

- 8.2 **Professional Not an Agent.** Except as City may specify in writing, Professional shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Professional shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

Section 9. LEGAL REQUIREMENTS.

- 9.1 **Governing Law.** The laws of the State of California shall govern this Agreement.
- 9.2 **Compliance with Applicable Laws.** Professional and any subcontractors shall comply with all laws and regulations applicable to the performance of the work hereunder. Professional's failure to comply with any law(s) or regulation(s) applicable to the performance of the work hereunder shall constitute a breach of contract.
- 9.3 **Other Governmental Regulations.** To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Professional and any subcontractors shall comply with all applicable rules and regulations to which City is bound by the terms of such fiscal assistance program.
- 9.4 **Licenses and Permits.** Professional represents and warrants to City that Professional and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions. Professional represents and warrants to City that Professional and its employees, agents, any subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required to practice their respective professions. In addition to the foregoing, Professional and any subcontractors shall obtain and maintain a valid Business License from City during the term of this Agreement.
- 9.5 **Nondiscrimination and Equal Opportunity.** Professional shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Professional under this Agreement. Professional shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Professional thereby. Professional shall include the provisions of this Subsection in any subcontract approved by the Contract Administrator or this Agreement.

Section 10. TERMINATION AND MODIFICATION.

- 10.1 **Termination.** City may cancel this Agreement at any time and without cause upon written notification to Professional. Professional may cancel this Agreement upon 60 days' written

notice to City and shall include in such notice the reasons for cancellation. In the event of termination, Professional shall be entitled to compensation for services performed to the effective date of termination; City, however, may condition payment of such compensation upon Professional delivering to City any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Professional or prepared by or for Professional or the City in connection with this Agreement.

- 10.2. Extension.** City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Section 2. Any such extension shall require a written amendment to this Agreement, as provided for herein. Professional understands and agrees that, if City grants such an extension, City shall have no obligation to provide Professional with compensation beyond the maximum amount provided for in this Agreement. Similarly, unless authorized by the Contract Administrator, City shall have no obligation to reimburse Professional for any otherwise reimbursable expenses incurred during the extension period.
- 10.3. Amendments.** The Parties may amend this Agreement only by a writing signed by all the Parties.
- 10.4. Assignment and Subcontracting.** City and Professional recognize and agree that this Agreement contemplates personal performance by Professional and is based upon a determination of Professional's unique personal competence, experience, and specialized personal knowledge. Professional may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. Professional shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.
- 10.5. Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Professional shall survive the termination of this Agreement.
- 10.6. Options upon Breach by Professional.** If Professional materially breaches any of the terms of this Agreement, City's remedies shall include, but not be limited to, the following:
- 10.6.1** Immediately terminate the Agreement;
 - 10.6.2** Retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Professional pursuant to this Agreement;
 - 10.6.3** Retain a different Professional to complete the work described in Exhibit A not finished by Professional; or
 - 10.6.4** Charge Professional the difference between the cost to complete the work described in Exhibit A that is unfinished at the time of breach and the amount that City would have paid Professional pursuant to Section 4 if Professional had completed the work.

Section 11. KEEPING AND STATUS OF RECORDS.

- 11.1 Records Created as Part of Professional's Performance.** All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Professional prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the City. Professional hereby agrees to deliver those documents to the City upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily suitable for any future or other use. City and Professional agree that, until final approval by City, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both parties.
- 11.2 Professional's Books and Records.** Professional shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Professional pursuant to this Agreement.
- 11.3 Inspection and Audit of Records.** Any records or documents that Section 11.2 of this Agreement requires Professional to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City.

Section 12 MISCELLANEOUS PROVISIONS.

- 12.1 Attorneys' Fees.** If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.
- 12.2 Venue.** In the event that either party brings any action against the other under this Agreement, the Parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Sacramento or in the United States District Court for the Eastern District of California.
- 12.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

ITEM 9.6.

ATTACHMENT 2 Contract No.: 2022-51

- 12.4 No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 12.5 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the Parties.
- 12.6 Conflict of Interest.** Professional may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Professional in a "conflict of interest," as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Professional shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 *et seq.*

Professional hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of the City. If Professional was an employee, agent, appointee, or official of the City in the previous twelve months, Professional warrants that it did not participate in any manner in the forming of this Agreement. Professional understands that, if this Agreement is made in violation of Government Code §1090 *et seq.*, the entire Agreement is void and Professional will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Professional will be required to reimburse the City for any sums paid to the Professional. Professional understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code §1090 and, if applicable, will be disqualified from holding public office in the State of California.

- 12.7 Solicitation.** Professional agrees not to solicit business at any meeting, focus group, or interview related to this Agreement, either orally or through any written materials.
- 12.8 Contract Administration.** This Agreement shall be administered by Steve Harriman, Operations and Maintenance Division Manager ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.
- 12.9 Notices.** Any written notice to Professional shall be sent to:

Jessica Sanders, Executive Director
Sacramento Tree Foundation
191 Lathrop Way, Suite D
Sacramento, CA 95815
(916) 924-8733
Jessica@sactree.com

sharriman@cityofranhocordova.org

- 12.10 Professional Seal.** Where applicable in the determination of the contract administrator or when required by law, the first page of a technical report, first page of design specifications, and each page of construction drawings shall be stamped/sealed and signed by the licensed professional responsible for the report/design preparation.
- 12.11 Integration.** This Agreement, including the scope of work attached hereto and incorporated herein as Exhibit A, the compensation schedule attached hereto and incorporated herein as Exhibit B, and the insurance requirements attached hereto and incorporated herein as Exhibit C represents the entire and integrated agreement between City and Professional and supersedes all prior negotiations, representations, or agreements, either written or oral.
- 12.12 IRS Form W-9.** Professional shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have authority to waive this requirement.

EXHIBIT A**SCOPE OF SERVICES****COMMUNITY ENGAGEMENT SERVICES**

The project objective is to protect and enhance the City's tree canopy through a comprehensive Urban Forest Program. The Professional will assist with visioning, building relationships with community stakeholders, and managing tree planting projects to meet the City's objectives.

The Professional will assist with the following tasks at the Direction of the Contract Administrator:

- a) Plant at least 365 trees per year in the city through a combination of residential shade trees, community planting events, and tree distributions to partner agencies.
- b) Conduct strategic planning in the first contract year to identify priority projects for the contract term that align with the goals and recommendations of the Urban Forester Master Plan (UFMP). Strategic planning will occur in the first contract year and will include the identification of 2 native oak reforestation project sites and sites that can accommodate at least 50 shade trees. The Professional and City will review the strategic plan together for approval and sequencing.
- c) Hold seven community-led volunteer events per year, including a combination of tree planting events, tree care events, educational opportunities and workshops, outreach tabling, and other activities as approved.
- d) Perform follow-up care and outreach to previous tree recipients and project sites. This includes monitoring for survival, providing replacement trees, delivering watering supplies, applying or delivering mulch, removing stakes and re-staking, and providing educational resources to tree recipients.
- e) Create and administer an Urban Forest Council (aka "Tree Champions" program) focused on giving input and direction to the City Tree Program regarding priorities from the UFMP, new development tree standards, retrofitting existing development for trees, and parking lot shade requirements and code enforcement. During the first two years of the contract term, build and cultivate partnerships with community stakeholders to facilitate creation of the Urban Forest Council and develop council structure. Community stakeholders may include school districts, park districts, chamber of commerce, large landholders, commercial property owners, multi-family residential properties, places of faith, community groups and residents, local non-profit organizations, and other important stakeholders as identified. By the third contract year, begin hosting twice yearly council meetings.
- f) Manage the City's residential and commercial stump removal and tree replacement program, including outreach to property owners with stumps and coordination with the City's contractor and the tree Foundation on scheduling stump removals and siting, delivering and plating replacement trees.

EXHIBIT B

COMPENSATION SCHEDULE

Position Title	Fiscal Year 22/23 Hourly Billing Rates	Fiscal Year 23/24 Hourly Billing Rates	Fiscal Year 24/25 Hourly Billing Rates
Outreach Specialist	\$66.00	\$67.98	\$70.02
Program Manager	\$85.00	\$87.55	\$90.18

- *Hourly billing rates include vehicle mileage.*

EXHIBIT C

Insurance Requirements

Before beginning any work under this Agreement, Professional, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Professional shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Professional's bid. Professional shall not allow any subcontractor to commence work on any subcontract until Professional has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Professional shall maintain all required insurance listed herein for the duration of this Agreement.

1. **Workers' Compensation.** Professional shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Professional. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Professional may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Professional, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Professional shall notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance. insurance may be waived by the City upon written verification that Professional does not have any employees.

2. **Commercial General and Automobile Liability Insurance.**

- 2.1 **General requirements.** Professional, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00) and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION

DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

2.2 Minimum scope of coverage. Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.

2.3 Additional requirements. Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Professional, including the insured's general supervision of Professional; products and completed operations of Professional; premises owned, occupied, or used by Professional; and automobiles owned, leased, or used by the Professional. The coverage shall contain no special limitations on the scope of protection afforded to City or its officers, employees, agents, or volunteers.
- b. The insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
- c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
- d. Any failure of Professional to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.

- e. An endorsement shall state that coverage shall not be canceled except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City. Professional shall notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

3. **Professional Liability Insurance.** Professional, at its own cost and expense, shall maintain for the period covered by this Agreement professional liability insurance for licensed professionals performing work pursuant to this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000) covering the licensed professionals' errors and omissions.

3.1 Any deductible or self-insured retention shall not exceed \$150,000 per claim.

3.2 An endorsement shall state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

3.3 The following provisions shall apply if the professional liability coverages are written on a claims-made form:

- a. The retroactive date of the policy must be shown and must be before the date of the Agreement.
- b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the Agreement or the work, so long as commercially available at reasonable rates.
- c. If coverage is canceled or not renewed and it is not replaced with another claims-made policy form with a retroactive date that precedes the date of this Agreement, Professional must provide extended reporting coverage for a minimum of five (5) years after completion of the Agreement or the work. The City shall have the right to exercise, at the Professional's sole cost and expense, any extended reporting provisions of the policy, if the Professional cancels or does not renew the coverage.
- d. A copy of the claim reporting requirements must be submitted to the City prior to the commencement of any work under this Agreement.

4. **All Policies Requirements.**

4.1 **Acceptability of insurers.** All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.

- 4.2 **Verification of coverage.** Prior to beginning any work under this Agreement, Professional shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 4.3 **Subcontractors.** Professional shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
- 4.4 **Deductibles and Self-Insured Retentions.** Professional shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.

During the period covered by this Agreement, only upon the prior express written authorization of Contract Administrator, Professional may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The Contract Administrator may condition approval of an increase in deductible or self-insured retention levels with a requirement that Professional procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

- 4.5 **Waiver of Subrogation.** Professional hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Professional, its employees, agents, and subcontractors.
- 4.6 **Notice of Reduction in Coverage.** In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Professional shall provide written notice to City at Professional's earliest possible opportunity and in no case later than five (5) days after Professional is notified of the change in coverage.
5. **Remedies.** In addition to any other remedies City may have if Professional fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Professional's breach:
- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;

ITEM 9.6.

ATTACHMENT 2
Contract No.: 2022-51

- Order Professional to stop work under this Agreement or withhold any payment that becomes due to Professional hereunder, or both stop work and withhold any payment, until Professional demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement

MEMORANDUM

ITEM 9.7.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Albert Stricker, Public Works Director
SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-69 WITH SIERRA ASPHALT, INC. IN AN AMOUNT NOT TO EXCEED \$157,700 FOR ON-CALL PAVEMENT MAINTENANCE SERVICES**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute Contract No. 2022-69 with Sierra Asphalt, Inc. in an amount not to exceed \$157,700 for On-Call Pavement Maintenance Services.

BACKGROUND

City staff advertised for a new on-call pavement maintenance contract to perform ongoing street repairs. The work scope for this contract covers routine maintenance activities such as filling potholes, base failure repairs, and other roadway repairs. On-call contracts facilitate fast response times that keep City streets safe.

Bids for the project were solicited on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges on April 14, 2022. Bids for the project were publicly opened on May 11, 2022. A total of four (4) bids were received. The lowest responsible bid was in the amount of \$157,700 from Sierra Asphalt, Inc. The bid summary sheet is provided as Attachment 2.

Staff recommends awarding the construction contract to Sierra Asphalt, Inc. and authorizing the City Manager to execute this agreement.

FISCAL IMPACT AND FUNDING SOURCE

The contract will be funded by special districts and Measure A maintenance funds and has no impact to the general fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-69 WITH SIERRA ASPHALT, INC. IN AN AMOUNT NOT TO EXCEED \$157,700 FOR ON-CALL PAVEMENT MAINTENANCE SERVICES

WHEREAS, the City solicited bids for On-Call Pavement Maintenance Services under the requirements of state law and publicly opened bids on May 11, 2022; and

WHEREAS, the lowest responsible bidder was Sierra Asphalt, Inc; and

WHEREAS, the work scope for this contract covers routine maintenance activities such as filling potholes, base failure repairs, and other roadway repairs. On-call contracts facilitate fast response times that keep City streets safe; and

WHEREAS, adoption of this Resolution will award construction contract No. 2022-69 to Sierra Asphalt, Inc. in an amount not to exceed \$157,700 for on-call pavement maintenance services; and

WHEREAS, the contract is funded by special districts and Measure A maintenance funds and has no impact to the general fund; and

WHEREAS, the services will exceed the maximum amount the City Manager is authorized to approve.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute Contract No. 2022-69 with Sierra Asphalt, Inc. in an amount not to exceed \$157,700 in a form approved by the City Attorney for on-call pavement maintenance services.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June, 2022 by the following vote:

**CONSTRUCTION SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND SIERRA ASPHALT, INC.
FOR ON-CALL PAVEMENT MAINTENANCE SERVICES**

THIS AGREEMENT made and entered into between the City of Rancho Cordova ("City") and Sierra Asphalt, Inc. ("Contractor") as of July 1, 2022.

WITNESSETH:

WHEREAS, the City Council for the City heretofore caused plans and specifications for On-Call Pavement Maintenance Services ("Project") to be prepared, and therefore did approve and adopt said plans and specifications; and

WHEREAS, the City Council for the City did cause to be published for the time and in the manner required by law, a notice inviting sealed bids for the performance of said work; and

WHEREAS, the notice was published on April 14, 2022, on the City of Rancho Cordova website and on CIPList.com ("Notice"); and

WHEREAS, the Contractor, in response to such Notice, submitted to the City Council for the City within the time specified in said Notice, and in the manner provided for therein, a sealed bid for the performance of the Project specified in said plans and specifications, which said bid and proposal, and other bids and proposals submitted in response to said Notice, the City Council opened and canvassed in the manner provided by law; and

WHEREAS, the Contractor was the lowest responsible bidder for the performance of said Project, and said City Council for the City as a result of the canvass of said bids, did determine and declare Contractor to be the lowest responsible bidder for said Project and award to a contract therefore.

NOW THEREFORE, in consideration of the promises herein, it is mutually agreed between the parties hereto as follows:

Section 1. CONTRACT DOCUMENTS. The following documents are by this reference incorporated in and made a part of this Agreement: The County of Sacramento, Standard Construction Specifications dated January 2016; the Special Provisions; the contract drawings, all addenda; the Notice to Contractors; the Proposal; all required bonds; and all supplemental Agreements covering alterations, amendments, or extensions to the contract. The documents which describe the work to be performed are sometimes collectively referred to herein as the "Plans and Specifications".

Section 2. SCOPE OF WORK. The Contractor will furnish all labor, materials, services, transportation, appliances, and mechanical workmanship required for Contract No. 2022-69 as provided for and set forth in said Plans and Specifications, which are hereby incorporated and made a part of this Agreement. All of the work done under this Agreement shall be under the supervision of and be performed to the satisfaction of the Public Works Director of the City of Rancho Cordova who shall have the right to reject any and all materials and supplies furnished by the Contractor which do not comply with the Plans and Specifications, together with the right to require the Contractor to replace any and all

work furnished by the Contractor which shall not either in workmanship or material be in strict accordance with the Plans and Specifications.

Section 3. COMPLETION. Agreement shall be effective from the time at which the contract is fully executed through June 30 2025, as described in **Section 2.4** of the attached.

Section 4. PAYMENT. Attached hereto as Exhibit A and by reference incorporated, is the bid and proposal of Contractor. Said bid and proposal will contain, as required by the terms of said specifications, the full and complete schedule of the different items with the lump sums or unit prices as so specified. The City agrees in consideration of the work to be performed for the Project herein and subject to the terms and conditions thereof, to pay Contractor all sums of money which may become due to Contractor in accordance with the terms of the aforesaid bid and proposal, and this Agreement. Said sum shall be paid in accordance with Section 8 of the Standard Specifications. Actual payment will be based upon the quantities as measured in the field. No payment made under this Agreement shall be construed to be an acceptance of defective work or improper materials. The total contract amount is set at a not to exceed amount of \$157,700 for the term of this Agreement.

Section 5. PREVAILING WAGES. To the extent required by law, Contractor and all of the Contractor's subcontractors shall comply with California Health and Safety Code Section 33422.1, and shall comply with California Labor Code Section 1770 et seq. and all regulations adopted pursuant thereto (referred to herein as, "**Prevailing Wage Laws**"), and be responsible for carrying out the requirements of such provisions. Pursuant to the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holidays and overtime work, for each craft, classification or type of worker needed to execute the Project contemplated under this Agreement shall be paid to all workers, laborers and mechanics employed in the execution of said Project by Contractor, or by any subcontractor doing or contracting to do any part of said Project. The appropriate determination of the Director of the California Department of Industrial Relations is filed with, and available for inspection at 2729 Prospect Park Drive, Rancho Cordova, CA 95670, the office of the Clerk of the City. Contractor shall post, at each job site, a copy of such prevailing rate of per diem wages as determined by the Director for the California Department of Industrial Relations. The Contractor shall, and hereby agrees to, unconditionally indemnify, reimburse, defend, protect and hold harmless the City and its elective and appointive boards, commissions, officers, agents, attorneys, consultants and employees, and all of their respective successors and assigns, from and against any and all claims, demands, suits and actions at law or in equity, and losses, liabilities, expenses, penalties, fines, orders, judgments, injunctive or other relief, and costs and damages of every kind, nature and description (including but not limited to attorneys' fees and court costs; with counsel reasonably acceptable to the City), and administrative, enforcement or judicial proceedings, whether known or unknown, and which directly or indirectly, in whole or in part, are caused by, arise from, or relate to, or are alleged to be caused by, arise from, or relate to, the payment or requirement of payment of prevailing wages or the requirement of competitive bidding in the construction of the Project, the failure to comply with any state or federal labor laws, regulations or standards in connection with this Agreement, including but not limited to California Labor Code Section 1770 et seq. and the Prevailing Wage Laws, or any act or omission of the City or the Contractor related to this Agreement with respect to the payment or requirement of payment of prevailing wages or the requirement of competitive bidding, whether or not any insurance policies shall have been determined to be applicable to any such claims, demands, suits, actions, losses, liabilities, expenses, penalties, fines, orders, judgments, injunctive or other relief, costs, damages, or administrative, enforcement or judicial proceedings. It is

further agreed that the City does not, and shall not, waive any rights against the Contractor which they may have by reason of this indemnity and hold harmless agreement because of the acceptance by the City, or the deposit with the City by the Contractor, of any of the insurance policies described in this Agreement.

Section 6. INSURANCE. The Contractor shall carry and maintain for the duration of the term of this Agreement, such public liability, property damage and contractual liability, auto, worker's compensation, and builders' risk insurance as described in Appendix B of the attached.

Section 7. WORKERS' COMPENSATION CERTIFICATION. By execution of this Agreement, the Contractor certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

Section 8. PERFORMANCE AND PAYMENT BONDS. The Contractor shall, before beginning said work for the Project, file two (2) bonds with the City, each made payable to the City. These bonds shall be issued by a surety company authorized to do business in the State of California and shall be maintained during the entire life of the Agreement at the expense of the Contractor. One bond shall be in the amount of one hundred percent (100%) of the Agreement and shall guarantee the faithful performance of the Agreement. The second bond shall be the payment bond required by California Civil Code Section 3247 et seq., and shall be in the amount of one hundred percent (100%) of the Agreement. Any alterations made in the specifications which are a part of this Agreement or in any provision of this Agreement shall not operate to release any surety from liability on any bond required hereunder and the consent to make such alterations is hereby given, and any surety on said bonds hereby waives the provisions of California Civil Code Sections 2819 and 2845.

Section 9. INDEMNIFICATION.

9.1 Contractor's Performance. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless City, its governing Board, officers, directors, agents, employees and volunteers from and against any and all claims, demands, actions, losses, liabilities, damages, and all costs incidental thereto, including cost of defense, settlement, arbitration, and reasonable attorneys' fees arising out of, pertaining to, or resulting from the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law, regardless of whether caused in part by a party indemnified hereunder.

9.2 PERS Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing Services under this Agreement is determined by a court of competent jurisdiction of the California Public Employees Retirement System ("PERS") to be eligible for enrollment in PERS as an employee of City, Contractor shall indemnify, defend, and hold harmless City for the payment of any and all employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City, and any attorneys' fees and costs incurred by the City to enforce this Section.

- 9.3 No Limitation of Liability for Indemnification.** The indemnities set forth in this Section shall not be limited by the insurance requirements set forth in the Contract.

Section 10. Nondiscrimination and Equal Opportunity. Contractor shall not discriminate on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee or applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including, but not limited to the satisfaction of any positive obligations required of Contractor thereby. Contractor shall include the provisions of this section in any subcontract approved by the City.

Section 11. MISCELLANEOUS PROVISIONS.

- 11.1** This Agreement shall bind and inure to the heirs, devisees, assignees, and successors in interest of Contractor and to the successors in interest of Contractor in the same manner as if such parties had been expressly named herein. All times stated herein or in the contract documents are of the essence hereof. As used in this instrument the singular includes the plural, and the masculine includes the feminine and the neuter. This Agreement may create a possessory interest subject to property taxation, and Contractor may be subject to the payment of property taxes levied on such interest.

11.2 Contract Administration.

This Agreement shall be administered by the Operations & Maintenance Division Manager ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

- 11.3 Notices.** Any written notice to consultant shall be sent to:

Tim Carver
Sierra Asphalt, Inc.
3755 Omec Circle # 2
Rancho Cordova, CA 95742

Any written notice to City shall be sent to:

Victor Ramos
City of Rancho Cordova
Operations & Maintenance Division
3303 Luyung Drive
Rancho Cordova, CA 95742

- 11.4 IRS Form W-9.** Contractor shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have authority to waive this requirement.

IN WITNESS WHEREOF, the City Council and Contractor have caused this Agreement to be executed as of the day and year first above written.

SECTION 2
SCOPE OF SERVICES

2.1 WORK GUIDANCE

All work to be done by any Bidder selected to perform the work outlined in this RFB shall be guided by the:

- County of Sacramento, Municipal Services, Standard Construction Specifications
<https://saccountyspecs.saccounty.gov/Pages/default.aspx>
- Standard Specifications, State of California, California State Transportation Agency, Department of Transportation
http://ppmoe.dot.ca.gov/hq/esc/oe/construction_contract_standards/std_specs/2018 StdSpecs/2018 StdSpecs.pdf

and this RFB, herein referred to as Special Provisions.

A complete, preliminary copy of the City's contract for On-Call Pavement Maintenance Services is attached to this RFB as Appendix A. The contract shall bind selected bidder to perform work in accordance with this RFB.

2.2 DESCRIPTION OF WORK STANDARDS

All Bidders accept and confirm by submission of a signed bid in response to this RFB, that work to be performed by the selected Contractor is comprised of general street maintenance including pavement base repair, grind and replace pavement, AC overlays, leveling courses, crack seals, pothole and spot patching, and temporary installation of trench plates within areas owned by the City, as further designated in this RFB.

City requires the selected Bidder to meet the following minimum standards:

Workmanship: All materials and workmanship shall be of a quality that is equal or superior to any similar work considered by pavement maintenance contractors to be best practice. All work completed by selected Contractor shall be subject to inspection prior to payment being authorized. All work shall be conducted in a manner that least interferes with operation and public usage of the streets and sidewalks.

Safety: All services, supplies and equipment must comply with the California Safety Division of Industrial Safety Orders and O.S.H.A. The Contractor shall plan and conduct the work in a manner that will safeguard all persons from injury and shall take all precautions required by applicable regulations of the State Department of Industrial Regulations. **The Contractor's employees shall wear O.S.H.A. approved safety vests at all times during contract work, noncompliance may result in work stoppage by the Contract Manager.**

ITEM 9.7.

Hazards and Vandalism: Any hazards or acts of vandalism shall be reported immediately to the Contract Manager and then followed up in writing. Hazards shall be remedied by the Contractor after approval is obtained from the Contract Manager. Hazards which create life-threatening situations or potential for bodily harm shall be remedied immediately by the Contractor.

Equipment: Selected Contractor must furnish all tools, and equipment needed to provide a high level of workmanship, to ensure continuous and safe operation, and complete work in accordance with the current standard specifications. The City may require demonstration of equipment during selection process of this RFB, as outlined in **Section 5, Bidder Experience and Operations Plan.**

2.3 COMMENCEMENT OF WORK

Bidders acknowledge that submittal of bids does not constitute any acceptance of work by the City. Additionally, the receipt of award of contract to any Bidder shall not constitute any authority to enter upon sites for work. Work shall commence only upon formal execution of a contract and work orders from the City.

The City seeks to make selection of a Contractor and execute a contract for On-Call Pavement Maintenance Services by July 1, 2022. Bidders acknowledge that they are prepared to execute a contract and begin prosecuting work within this time. Any Bidder unable to meet this timeframe shall not be considered for award.

2.4 TERM OF AGREEMENT

Any Contract resulting from a submitted Bid shall be a three (3) year contract starting July 1, 2022. If mutually agreeable to both parties, any resultant Contract may be extended for an additional one (1) year term. However, in no case shall the contract be extended more than two (2) additional years.

Failure of the Contractor to diligently prosecute the work as defined herein will be considered as grounds for the termination of the contract.

Failure to provide an adequate working force shall be considered as grounds for the termination of the contract.

This Agreement may be terminated by the City upon sixty (60) calendar days prior written notice addressed to the last known address of the Contractor. In the event of such termination, the Contractor shall be paid for all work, which has been completed up to the effective date of such termination.

2.5 SUBCONTRACTORS

Bidders requiring the provision of additional services from subcontractors acknowledge that all proposed subcontractors shall adhere to the same standards of work as described in this RFB. Bidders further acknowledge that the selected Contractor shall be required to perform, with the Contractor's own organization and employees, not less than fifty percent (50%) of the value of all work conducted under executed contract.

ITEM 9.7.

Any Bidder submitting bids for work that includes the use of subcontractors shall additionally submit a filled out **Section 5.5, Designation of Subcontractors**.

2.6 ADDITIONAL CONTRACT PROVISION

Further Special Provisions guiding the execution of a contract for On-Call Pavement Maintenance Services are fully described in **Appendix C, Additional Contract Provisions**. The additional provisions as described in Appendix C include items such as Prevailing Wage, Payroll Records, Traffic Management, Regulations of Work, Payment, and other additional special provisions. Bidders' attention is directed to review of these Additional Contract Provisions as they will be made part of the contract to be executed by the selected Contractor.

SECTION 3
BID SUBMITTAL CHECKLIST

Each submitted bid shall include a completed (and signed where required) copy of each of the following checklist items. Any submitted bid that fails to include any of the following may be deemed inadequate by the City and may be grounds for dismissal of submittal at the City's sole discretion.

In addition to each item below, please include this sheet.

- ☒ Cost Certification Form (Section 4.1)
- ☒ Bid Sheets (Section 4.2)
- ☒ Contractor's License Certification Form (Section 5.1)
- ☒ Department of Industrial Relations Contractor Registration Form (Section 5.2)
- ☒ Contractor Experience and Qualifications (Section 5.3)
- ☒ Employee/Staff Experience & Qualifications (Section 5.4)
- ☒ Designation of Subcontractors (Section 5.5)
- ☒ Operations Plan (Section 5.6)
- ☒ Exceptions to Agreement (Section 6.1)
- ☒ Guarantee Requirements (Section 6.2)
- ☒ Non-Collusion Affidavit (Section 6.3)
- ☒ Signature Certification Page (Section 6.4)

SECTION 4
BID SCHEDULE**4.1 COST CERTIFICATION FORM** *(Required submittal form)*

The undersigned Authorized Signature certifies as follows:

All work for which this bid is submitted is for On-Call Pavement Maintenance Services in accordance with all special provisions (including the payment of not less than the minimum wage rates set forth therein) and contract annexed hereto, and also in accordance with all Federal, State & local regulations as detailed in this Request for Bids.

The undersigned, as Bidder, declares that the only persons or parties interested in this bid as principals are those named herein; that this bid is made without collusion with any other person, firm, or corporation; that the Bidder has carefully examined the location of the proposed work, the attached proposed form of contract, and documents herein referenced; and that the Bidder agrees if this bid is accepted, that he/she will contract with the City, in the form of the copy of the contract attached hereto, to provide all necessary machinery, tools, apparatus and other necessary means, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Public Works Director as therein set forth, and that the Bidder will take in full payment therefore the following amount to wit:

BID GRAND TOTAL \$ \$157,700.00
(List total Bid Grand Total from Bid Sheets – bottom line)

4.2 BID SHEETS

Qualified bids submitted in response to this RFB will be evaluated based upon Bid Grand Total Amount, which is sum of the following three (3) categories:

1. Hourly labor rates (Section 4.2.1)
2. Hourly vehicle and equipment rates (Section 4.2.2)
3. Material Cost (Section 4.2.3)

Please note that the bid sheets include projected labor and equipment hours, as well as projected expense for materials, based upon historical billings for similar services. These projections are solely for the purpose of establishing low bid and provide no guaranty of future work or compensation to the Contractor under an on-call agreement awarded through this bid process. The selected contractor will invoice the City on a time and materials basis for On-Call Pavement Maintenance Services performed at the direction of the Contract Manager in accordance with the billing rates provided in Tables 4.2.1, 4.2.2 and 4.2.3.

Mobilization shall be included in the prices paid for the various Contract items of work, and no separate payment will be made.

4.2.1 HOURLY LABOR RATES

The City will reimburse the Contractor for labor hours in the following four job categories. The number of hours shown in Columns A and C in Table 4.2.1 represent projected hours by job classification based upon historical level of effort and billings for similar services. Actual billings may vary.

Superintendent: Responsible for supervision of all field and laboratory repair work. Acts as primary liaison with City staff, provides technical data and assistance, and assists Contract Manager with pavement maintenance. Superintendent guides and assists Laborers and Operators in the performance of their duties with regards to all services performed under this Contract.

Laborer: Primary duties include assistance with maintenance tasks and other non-technical duties as assigned by the Superintendent.

Equipment Operator: Primary duties include operating heavy machinery as needed to complete the maintenance tasks and other duties as assigned by the Superintendent.

Truck Driver: Primary duties include operating machinery as needed to complete the maintenance tasks and other duties as assigned by the Superintendent.

Please provide hourly billing rates in Table 4.2.1 in Column B (Regular Business Hours, Monday thru Friday, 8:00 A.M. to 5:00 P.M.) and Column D (Non-Business Hours, nights and weekends), and Total Labor Cost in Column E.

Bid Summary

☐ (A) Cost Item	(B) Total Bid
Total Labor Cost <i>Cell (5)(E) from Table 4.2.1</i>	\$91,150.00
Total Vehicle and Equipment Cost <i>Cell (11)(C) from Table 4.2.2</i>	\$48,050.00
Total Materials Expense <i>Cell (4)(C) from Table 4.2.3</i>	\$18,500.00
Bid Grand Total	\$157,700.00

Mobilization shall be included in the prices paid for the various contract items of work, and no separate payment will be made.

Section 5**CONTRACTOR'S LICENSE, EXPERIENCE AND QUALIFICATIONS, AND OPERATIONS PLAN****5.1 CONTRACTOR'S LICENSE CERTIFICATION**

Any person or entity submitting a bid on this Project to engage in the business or act in the capacity of a contractor shall be licensed as a contractor in accordance with the provisions of Division 3, Chapter 9 of the California Business and Professions Code. A bid submitted to the City by a contractor who is not licensed as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this Project, the City must verify that the Contractor was properly licensed when the Contractor submitted his/her bid on this Project. In order for the City to verify the license status of a contractor, the Contractor, at the time he/she submits his/her bid for the Project, shall provide in writing to the City his/her Contractor's license number, name on the license, classification, and expiration date of the license.

No bids submitted to the City shall be invalidated by the failure of the bidder to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the Contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the City that the records of the Contractors' State License Board indicate that the Contractor was properly licensed at the time the contract was awarded. Any bidder or Contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors' State License Board. Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.

CERTIFICATION

In accordance with the California Business and Professions Code, I do hereby, under Penalty of Perjury, certify that the following contractor's license information is true and correct.

Contractor's License No. 457414Expiration Date: 05-31-2024**Contractor's Classification:**Sierra Asphalt, Inc.

5.2 DEPARTMENT OF INDUSTRIAL RELATIONS CONTRACTORS REGISTRATION FORM

Any person or entity submitting a proposal on this Project to engage in the business or act in the capacity of a contractor shall register as a contractor in accordance with the provisions of the Department of Industrial Relations (DIR). A bid submitted to the City by a contractor who is not registered as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this Project, the City must verify that the Contractor was properly registered when the Contractor submitted his/her bid on this Project. In order for the City to verify the registration status of a contractor, the Contractor, at the time he/she submits his/her bid for the Project, shall provide in writing to the City his/her Contractor's registration number, name on the registration, and expiration date of the registration.

No bid submitted to the City shall be invalidated by the failure of the Bidder to be registered in accordance with the laws of this state. However, at the time the contract is awarded, the Contractor shall be properly licensed in accordance with the laws of this state. Any Bidder or Contractor not so registered shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the DIR. Failure of the Bidder to obtain proper and adequate registration for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the Bidder.

CERTIFICATION

In accordance with the DIR, we do hereby, under Penalty of Perjury, certify that the following contractor's registration information is true and correct.

Use additional sheets of paper as necessary for additional references or employees.

5.5 DESIGNATION OF SUBCONTRACTORS *(Required submittal form)*

In compliance with the provisions of Section 4100-4114 of the Public Contracts Code of the State of California, and any amendments thereof, each Bidder shall set forth below the name and location of the place of business of each subcontractor who will perform work or labor or render service to the Contractor in or about the Services to be performed under these specifications in excess of one-half of one percent (0.5%) of the prime Contractor's total bid or ten thousand dollars (\$10,000.00), whichever is greater. The prime Contractor shall list the portion of the work which will be done by such Subcontractor.

If the Contractor fails to specify a subcontractor for any portion of the work to be performed under the Contract, the Contractor shall be deemed to have agreed to perform such portion itself, and the Contractor shall not be permitted to subcontract that portion of the work except under the conditions allowed by applicable law. Subcontractors shall provide all required licensing documentation.

SECTION 6**EXCEPTIONS, GUARANTEES AND CERTIFICATIONS****6.1 EXCEPTIONS TO AGREEMENT** *(Required submittal forms)*

Bidders are to prepare all Bid Schedule forms (Section 4) based on the program specifications set forth in the RFB documents without considering any exceptions that may be set forth on this form. In the event the Bidder takes exception to the RFB specifications they may set forth those exceptions in the following manner:

- The exceptions are to be presented on a separate paper titled, "Form Exceptions to Agreement".
- Each exception must be presented separately by stating: the specific exception, the page and line numbers of the exception, the suggested changes to the program related to the exception, the suggested changes in the Agreement language related to the exception, the manner in which the proposed change would benefit the City, the customers or both, and the specific dollar change in each of the various service rates, as proposed by the Bidder in this RFB, that would take place if the exception was accepted by the City.
- The exceptions must be followed with the following language without exception.
- **"Except as set forth above, Bidder is in complete agreement with the proposed terms, conditions and business arrangements described in the RFB including the attached Agreement. The Bidder assumes the risk of all conditions foreseen or unforeseen and agrees to provide the services set forth in the Agreement under whatever circumstances may develop other than as herein provided."**
- The form must be signed by an individual authorized to commit the Bidder's firm to the Agreement in the manner set forth below.

Date: April 25, 2022

Tim Carver

Name: Tim CarverTitle: Vice PresidentSignature: 

Please note that if exceptions are taken, all required information as set forth above must be submitted. Exceptions taken without providing the required information will not be considered.

6.2 GUARANTEE REQUIREMENTS *(Required with submittal)*

The City will require all bids to be accompanied by a Bid Guarantee in the form of cash, a certified check, a cashier's check, or a Bidder's Bond. The Bid Guarantee shall be executed by an admitted surety insurer in favor of the City of Rancho Cordova, the amount of which shall not be less than ten percent (10%) of the Bid Grand Total as indicated in **Section 4, Bid Schedule**.

Performance and Payment Bonds will be required for the execution of a contract with the selected Contractor.

On-Call Pavement Maintenance Services

Project Number, if any: n/a

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

**MERCHANTS
BONDING COMPANY™
POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa (herein collectively called the "Companies") do hereby make, constitute and appoint, individually, Bill Rapp; Brad Espinosa; Breanna Boatright; Claudine Gordon; Deanna Quintero; Elizabeth Collodi; Jason March; Jennifer Lakmann; John Hopkins; K Corey Ward; Kathleen Le; Kristie Phillips; Marissa Robinson; Mary Collins; Matthew Foster; Michael K Feeney; Mindy Whitehouse; Pamela Sey; Paula Senna; Phillip Watkins; Renee Ramsey; Samantha Watkins; Sara Walliser; Steven Williams; Tony Clark

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 22nd day of March, 2022.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Companies on this 19th day of April, 2022.

William Warner Jr.
Secretary

APPENDIX B
INSURANCE REQUIREMENTS

Without limiting Contractor's indemnification, Contractor shall procure and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the agreement by the Contractor, his agents, representatives or employees. City shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of the City's Risk Manager the insurance provisions in these requirements do not provide adequate protection for City and for members of the public, City may require Contractor to obtain insurance sufficient in coverage, form and amount to provide adequate protection. City's requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

VERIFICATION OF COVERAGE

Contractor shall furnish the City with certificates evidencing coverage required below. **Copies of required endorsements must be attached to provided certificates.** The City's Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk manager, the interests of the City and the general public are adequately protected. All certificates or evidences of self-insurance are to be received and approved by the City before performance commences. The City reserves the right to require that the Contractor provide complete, certified copies of any policy of insurance offered in compliance with these specifications. As an alternative to insurance certificates, the Contractor's insurer may voluntarily provide complete, certified copies of all required insurance policies, including endorsements, effecting the coverage required by these specifications.

MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

1. GENERAL LIABILITY: Insurance Services Office's Commercial General Liability occurrence coverage form CG 0001. Including, but not limited to Premises/Operations, Products/Completed Operations, and Personal & Advertising Injury, without exclusions or limitations unless approved by City Risk Manager.
2. AUTOMOBILE LIABILITY: Insurance Services Office's Commercial Automobile Liability coverage form CA 0001, auto coverage symbol "1" (any auto). If there are no owned or leased vehicles, symbols 8 and 9 for non-owned and hired autos shall apply.
3. WORKER'S COMPENSATION: Statutory requirements of the State of California and Employer's Liability Insurance.
4. PROFESSIONAL LIABILITY or Errors and Omissions Liability insurance appropriate to the Contractor's profession.

ITEM 9.7.

5. UMBRELLA or Excess Liability policies are acceptable where the need for higher liability limits is noted in the Minimum Limits of Insurance and shall provide liability coverages that at least follow form over the underlying insurance requirements where necessary for Commercial General Liability, Automobile Liability, Employer's Liability, and any other liability coverage designated under the Minimum Scope of Insurance.

MINIMUM LIMITS OF INSURANCE

Contractor shall maintain limits no less than:

1. General Liability shall be on an Occurrence basis (as opposed to Claims Made basis). Minimum limits and structure shall be:

General Aggregate:	\$2,000,000
Products Comp/Op Aggregate:	\$2,000,000
Personal & Adv. Injury:	\$1,000,000
Each Occurrence:	\$1,000,000
Fire Damage:	\$ 100,000

Building Trades Contractors and Contractors engaged in other projects of construction shall have their general liability Aggregate Limit of Insurance endorsed to apply separately to each job site or project, as provided for by Insurance Services Office form CG-2503 Amendment-Aggregate Limits of Insurance (Per Project).

2. Automobile Liability: \$1,000,000 Combined Single Limit per accident for bodily injury and property damage.
3. Worker's Compensation: Statutory.
4. Employer's Liability: \$1,000,000 per accident for bodily injury or disease.
5. Professional Liability or Errors and Omissions Liability: \$1,000,000 per occurrence.

DEDUCTIBLES AND SELF-INSURED RETENTION

Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respect the City, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

CLAIMS MADE ON PROFESSIONAL LIABILITY INSURANCE

If professional liability coverage is written on a Claims Made form:

1. The "Retro Date" must be shown, and must be on or before the date of the Agreement or the beginning of the Agreement performance by Contractor.

ITEM 9.7.

2. Insurance must be maintained and evidence of insurance must be provided for at least one (1) year after completion of the Agreement.
3. If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a "Retro Date" prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of one (1) year after completion of the Agreement.

OTHER INSURANCE PROVISIONS

The insurance policies required in this Agreement are to contain, or be endorsed to contain, as applicable, the following provisions:

1. ADDITIONAL INSURED STATUS: The City, its officers, directors, officials, employees, and volunteers are to be endorsed as additional insured as respects: liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor; premises owned, occupied, or used by the Contractor; or automobiles owned, leased hired or borrowed by the Contractor. The coverage shall contain no endorsed limitations on the scope of protection afforded to the City, its officers, directors, officials, employees, or volunteers. Applicable to General Liability, use ISO form CG 2010 11-85 only, and Auto Liability Policies.
2. PRIMARY INSURANCE: For any claims related to this agreement, the Contractor's insurance coverage shall be endorsed to be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, directors, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. Applicable to General Liability and Auto Liability policies.
3. FAILURE TO COMPLY: Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, directors, officials, employees, agents or volunteers. Applies to policies in which the City is named as an additional insured.
4. SEVERABILITY OF INTEREST: The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Applicable to General Liability and Auto Liability policies.
5. MAINTENANCE OF INSURANCE COVERAGE: The Contractor shall maintain all insurance coverages in place at all times and provide the City with evidence of each policy's renewal ten (10) days in advance of its anniversary date. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, reduced in coverage, or reduced in limits, except after thirty (30) days' written notice for cancellation or sixty (60) days' written notice for non-renewal has been given to the City. For non-

ITEM 9.7.

payment of premium 10 days' prior written notice of cancellation, certified mail, return receipt requested is required. Applicable to all policies.

6. WORKER'S COMPENSATION WAIVER OF SUBROGATION: The worker's compensation policy required hereunder shall be endorsed to state that the worker's compensation carrier waives its right of subrogation against the City, its officers, directors, officials, employees, agents or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by the Contractor.
7. PROPERTY WAIVER OF SUBROGATION: Course of construction policies shall contain the following provisions:
 1. The City shall be named as loss payee.
 2. The insurer shall waive all rights of subrogation against the City.
8. CIVIL CODE PROVISION: Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.
9. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than **A-VII**. The City Risk Manager may waive or alter this requirement, or accept self-insurance in lieu of any required policy of insurance if, in the opinion of the Risk Manager, the interests of the City and the general public are adequately protected.
10. SUBCONTRACTORS: CONTRACTOR shall require all subcontractors to maintain adequate insurance. Subcontractors shall name the CONTRACTOR as additional insured on their General Liability policies. CONTRACTOR shall maintain copies of certificates of insurance and additional insured endorsements as provided by its subcontractors. All subcontractors shall be subject to all terms and conditions stated herein.

APPENDIX C
ADDITIONAL SPECIAL PROVISIONS

C.1) PAYROLL RECORDS

Attention is directed to Section 1776 of the Labor Code of the State of California. Regulations complementing said Section 1776 are located in Section 16000 and Sections 16400 through 16403 of Title 8, California Administrative Code. The Contractor is required to comply with the provisions of Section 1776 of said Labor Code. The Contractor shall also be responsible for compliance by their subcontractors.

C.2) PREVAILING WAGE

See Section 5 in Appendix A.

C.3) PRESERVATION OF PROPERTY

Attention is directed to Section 13-1.01, "Preservation of Property" of the Standard Construction Specifications and these Special Provisions.

The Contractor shall take every precaution to protect all public and private property during the performance of this contract. Any damages caused by the Contractor's personnel or equipment will promptly be repaired to the condition existing before the damage. If, in the opinion of the Contract Manager, repair is not possible, the damaged facilities will be replaced in kind and size. All costs for such repairs or replacements shall be the sole responsibility of the Contractor. Damages to City facilities due to the Contractor's lack of performance in accordance with these specifications are the Contractor's responsibility.

C.4) TRAFFIC MAINTENANCE

The Contractor's attention is directed to Section 7-1.04, "Public Safety," and Section 12, "Temporary Traffic Control," of the State Standard Specifications, the Uniform Manual of Traffic Control Devices (the latest edition of the California Supplement), and these Special Provisions.

Typically, a minimum of one (1) traffic lane (not less than 3.66 m (12 feet wide), per direction, shall be allowed for closure during construction activity, or as defined within the approved traffic control plan. All other traffic lanes shall be open for public vehicular traffic at all times during non-construction activity. No work that interferes with public traffic shall be performed between 3:30 p.m. and 8:30 a.m. except work required under Section 7-1.03, "Public Convenience," and Section 7-1.04, "Public Safety" or by special approval of the Contract Manager.

Prior to performing any work, under this contract the Contractor shall prepare and submit a Traffic Control Plan (TCP) to the Contract Manager for review. Note: To avoid delays, the Contractor is encouraged to submit in advance, several standard TCP's covering the most common maintenance situations anticipated, prior to the start of the contract period. ALL night work (if any) requires a MANDATORY Traffic Control Plan (TCP), for each occurrence.

If traffic controls are required for any operation under this contract to ensure the safety of workers and the public, a TCP must be submitted to the Contract Manager four (4) working days in advance of performing said operation. Contractor must receive written approval from the Contract Manager,

ITEM 9.7.

or their designee, prior to implementing any traffic controls and notify Police, and Fire at least twenty-four (24) hours in advance of implementing the traffic controls. Review and approval of a TCP by the Contract Manager, or their designee, is based upon general conformance with Federal, State and local regulations and standards and does not relieve Contractor of responsibility for the safety of its workers and the public.

If any component in the Contractor's traffic control system is displaced, damaged, or ceases to operate correctly, from any cause, during the life of the work, the Contractor shall immediately repair said component to its original condition or replace said component and shall restore the component to its original location, **noncompliance may result in work stoppage by the Contract Manager.**

The Contract Manager, or their designee, shall review and approve all TCPs on the basis of general conformance with applicable regulations and standards. Such review and approval of a TCP does not relieve Contractor of responsibility for public and worker safety.

Full compensation for conforming to the requirements of this Section shall be considered as included in the prices paid for the various Contract items of work, and no separate payment will be made, therefore.

C.5) REGULATIONS AND CONDUCT OF WORK

The Contractor shall plan and conduct the work to comply with local, State, and Federal government agencies' applicable rules, regulations, codes, and ordinances to adequately safeguard persons and property from injury. The Contractor shall direct the performance of the work in compliance with reasonable safety regulations and work practices, and with applicable federal, state, and local laws, rules and regulations including but not limited to "Occupational Safety and Health Standards" promulgated by the U.S. Secretary of Labor, and Safety Orders of the California Division of Industrial Safety.

C.6) PERSONNEL

All work shall be performed by qualified and trained personnel with a minimum of two (2) years of experience in pavement maintenance. Experience must include use of typical tools and operation of commonly used equipment. All workers shall be neat and orderly in appearance.

C.7) SUPERVISION

The Contractor shall provide a competent superintendent during all times that work is being performed with the authority to represent and act for the Contractor in any matter pertaining to this contract. The Contractor shall furnish the names of all such superintendents to the Contract Manager prior to the commencement of this contract and further advise of any changes.

C.8) DISMISSAL OF UNSATISFACTORY EMPLOYEES

The Contractor shall only furnish workers who are competent and skilled for work under this contract. If, in the opinion of the Contract Manager, an employee of the Contractor is incompetent or disorderly, refuses to perform in accordance with the contract specifications, threatens or uses abusive language while on City property, does not meet safety requirements or is otherwise

ITEM 9.7.

unsatisfactory, that employee shall be removed from all work under this contract. Contractor shall remove an unsatisfactory employee from contract sites immediately following notification.

C.9) PAYMENT

Attention is directed to Section 8, "Measurement and Payment", of the Standard Construction Specifications. The following shall be substituted with regard to invoicing procedure.

At the end of each month the Contractor shall submit invoice(s) to the City for routine and emergency maintenance work approved by the City.

The Contractor's routine maintenance invoice shall include;

Invoice Number

Invoice Date

City's Contract Number

Period Service Provided (Date from – Date to)

A breakdown of each work order completed with a description of the work performed, the quantity of the work performed, unit cost, and total cost for the work performed.

Billing shall be submitted to the following address:

City of Rancho Cordova
Public Works Department
3303 Luyung Drive
Rancho Cordova, CA 95742
ATTN: Victor Ramos

C.10) WITHHOLDING OF PAYMENT

For work deemed by the Contract Manager, or their designee, as not meeting the requirements of the specifications, the City shall withhold payments or percentages thereof for work not completed, or until work is completed as per contract specifications. The City shall withhold payments or percentages thereof for work that is not completed on schedule.

C.11) FAILURE TO PERFORM

If the Contractor, or his representative, fails to perform in accordance with the terms and conditions of this contract, the Contract Manager, or their designee, will specify the reasons and locations as applicable by written correspondence. Failure by the Contractor to correct any deficiencies within one (1) calendar week of notification may result in withholding of payment. Failure by the Contractor to correct any deficiencies within two (2) calendar weeks or more may result in formal written warning (30-day notice) to the contractor specifying that such deficiencies must be corrected. Failure by the contractor to correct such deficiencies within the 30-day specified time period may result in termination of this contract.

In the event of termination, the City shall be liable only for payment of those services performed and accepted by the City prior to the date of termination. Any damages to property caused by the contractor's inability to meet specification shall be recovered by withholding payments. The

ITEM 9.7.

Contractor and his surety shall be liable and assessed for any and all costs for the re-procurement of the contract services and damages to City facilities.

C.12) INSPECTION

The Contractor might receive an inspection report from the Contract Manager. This form will indicate any deficiencies in the work performance of the Contractor. The Contract Manager, may inform the Contractor by telephone of urgent deficiencies for immediate attention or repairs. Inspection by City staff will occur the following day the Contractor has serviced the areas.

Lack of Inspections by the City staff does not relieve the Contractor of his obligations to provide services as required by these specifications. Lack of receipt of inspection reports does not relieve the Contractor of his obligations to provide services as required by these specifications.

C.13) COMPLIANCE WITH STANDARD TERMS & CONDITIONS

The Contractor agrees to be bound by the standard contract conditions, a sample of which is attached to this RFB (Appendix A), and all other terms and conditions in this RFB.

C.14) INSURANCE

The Contractor, upon being notified of being awarded the contract, shall have their Certificate of Insurance delivered to City of Rancho Cordova Public Works Department, 3303 Luyung Drive, Rancho Cordova, CA 95742, Attn: Victor Ramos. The Contractor's insurance shall comply with all insurance requirements, as shown in Appendix B. No goods or services shall be rendered by the contractor until a valid Certificate of Insurance is on file with the City.

C.15) INDEMNITY

The Contractor indemnifies the City as stated in Section 9 of Appendix A.

C.16) CODES AND LEGAL REQUIREMENTS

- (a) All reference to codes, specifications, and standards in the contract documents shall mean, and are intended to be, the latest editions, amendments, and/or revisions of such reference documents in effect, as of the date of this contract.
- (b) Authorities shall apply the minimum work requirements available to any work done for this project. Nothing described in these contract documents shall be construed to permit work not conforming to the most stringent of applicable codes and regulations.
- (c) When contract documents call for materials or construction of better quality or larger size than required by applicable codes, laws, rules or regulations, the contract documents shall take precedence.

C.17) TERMINATION

Any contract resulting from this RFB may be canceled by either party upon sixty (60) calendar days advance notice in writing.

ITEM 9.7.

C.18) SOUND CONTROL REQUIREMENTS

Sound control shall conform to the provisions in Section 12-1.09B, "Noise" of the Standard Construction Specifications.

The noise level from the Contractor's operations, between the hours of 8:00 p.m. and 7:00 a.m., shall not exceed 86 dbA at a distance of 15 m (50 feet). Said noise level requirement shall apply to all equipment on the work or related to the work, including but not limited to trucks, transit mixers or transient equipment that may or may not be owned by the Contractor. The use of loud sound signals shall be avoided in favor of light warnings except those required by safety laws for the protection of personnel.

Full compensation for conforming to the requirements of this section shall be considered as included in the Contract prices paid for the various Contract items of work involved and no additional compensation will be allowed, therefore.

C.19) COOPERATION

Attention is directed to Section 5-5, "Cooperation with Other Entities," of the Standard Construction Specifications.

The Contractor shall notify United Service Alert (USA) prior to commencing any excavation: **Underground Service Alert (USA) – 811.**

C.20) PUBLIC CONVENIENCE

Public convenience shall conform to the provisions in Section 7-1.03, "Public Convenience," of the State Standard Specifications. The Contractor shall limit his operations to weekdays between the hours of 7:00 a.m. to 6:00 p.m. unless otherwise approved by the Contract Administrator.

No work will commence before 8:30 a.m. on the City main arterial and collector street without prior written approval by the Contract Manager.

Temporary closure of driveways may be allowed subject to the advance written approval of the affected property owners and the Contract Manager. Prior to closure of a driveway, the Contractor shall coordinate and notify the property owner at least twice of such closure. The Contractor shall deliver closure notices to residents and operators of commercial properties seventy-two (72) hours prior to each closure, (twenty-four (24) hour notice for emergency repairs).

It is the Contractor's responsibility to provide and accommodate all residents, operators of commercial properties, and property owners' specific needs for driveway and pedestrian access at all times.

Full compensation for conforming to the provisions of this Section shall be considered as included in the prices paid for the various contract items of work and no additional compensation will be allowed, therefore.

ITEM 9.7.

C.21) OBSTRUCTIONS

Attention is directed to the presence of overhead and underground utilities in the construction sites. The Contractor shall exercise due caution in performing his work so as not to damage the utilities. The work specified shall be so conducted by the Contractor as to permit the utility companies to maintain their services without interruption. Utilities which are to remain in place shall be worked around and protected from damage or interruption of service. The Contractor shall coordinate his work with the utility companies where utilities are to be relocated or set to grade.

The toll-free number for Underground Service Alert (**U.S.A.**) is **811**. The Contractor shall take adequate measures to ensure that their operations do not harm any existing underground facilities not specifically mentioned or shown on the plans.

Construction area signs shall be furnished, installed, maintained, and removed when no longer required by the Contractor in accordance with the provisions in Section 12, "Safety, Public Convenience, and Traffic Control", of the Standard Construction Specifications.

Full compensation for conforming to the provisions of this Section shall be considered as included in the prices paid for the various contract items of work and no additional compensation will be allowed, therefore.

C.22) WATER POLLUTION CONTROL

Water pollution control work shall conform to the requirements in Section 13, "Water Pollution Control," of the State Standard Specifications, and these Specifications.

As part of the water pollution control work, a Water Pollution Control Program, hereafter referred to as the "WPCP," is required for this contract. The WPCP shall be prepared in accordance with the State's Storm Water Quality Handbooks, SWPPP and WPCP Preparation Manual, current addition.

Implementation, inspection, maintenance, and modification of the WPCP shall be in accordance with the States's Storm Water Quality Handbooks, Construction Site Best Management Practice Field Manual and Trouble Shooting Guide, current addition.

Copies of the above State handbooks may be obtained from the Department of Transportation, Material Operations Branch, Publication Distribution Unit, 1900 Royal Oaks Drive, Sacramento, California 95815, Telephone: (916) 445-3520.

The Contractor shall become fully informed of and comply with the applicable provisions of the Handbook and Federal, State and local regulations that govern the Contractor's operations and storm water discharges from both the project site and areas of disturbance outside the project limits during construction.

Unless arrangements for disturbance of areas outside the project limits are made by the City and made part of the contract, it is expressly agreed that the City assumes no responsibility to the Contractor or property owner whatsoever with respect to any arrangements made between the Contractor and property owner to allow disturbance of areas outside the project limits.

ITEM 9.7.

The Contractor shall be responsible for the costs and for any liability imposed by law as a result of the Contractor's failure to comply with the requirements set forth in this section "Water Pollution Control" including, but not limited to, compliance with the applicable provisions of the Handbook and Federal, State, and local regulations. For the purposes of this paragraph, costs and liabilities include but are not limited to fines, penalties and damages whether assessed against the City or the Contractor, including those levied under the Federal Clean Water Act and the State Porter Cologne Water Quality Act.

Full compensation for conforming to the requirements of this section shall be considered as included in the prices paid for the various contract items of work involved and no additional compensation will be allowed, therefore.

C.23) QUANTITIES

The quantities shown in the Bid Sheets are given to provide Bidders with an indication of potential work and the order of magnitude and scope of work. The actual amount of work done under this contract may differ from the quantities shown. The City does not expressly or by implication agree that the actual amount of work will correspond therewith but reserves the right to increase or decrease the amount of any class or portion of the work or to omit portions of the work as directed by the Contract Manager.

C.24) MOBILIZATION

Mobilization shall be in accordance with Section 8-1.03, "Payment for Mobilization", of the Standard Construction Specifications. Full compensation for conforming to the requirements of this Section shall be considered as included in the prices paid for the various contract items of work and no separate payment will be made, therefore.

C.25) WORK ORDERS

Requests for maintenance are made via a Work Order (WO). WOs are originated by City staff during normal City business hours in response to observed or reported maintenance deficiencies. While initial contact with the Contractor may be directly by phone, this will always be followed up with a written WO. Delivery of the written WO's shall be via e-mail and will be made directly to Contractor or designated Supervisor. Requests for service after working hours, on weekends, and on holidays will be forwarded from the City's Emergency On-Call representative to the contractor by phone. A written WO will be generated on the next regular business day and sent via email.

C.26) EMERGENCY WORK

Definition: Emergency Work includes unforeseen/unscheduled maintenance related tasks that must be performed on short notice due to potential impacts on public safety and convenience. This item is considered to be a safety concern. When notified by the City to respond to an emergency situation, the Contractor shall be at the site in **two (2) hour or less from the time of notification**. The Contractor shall maintain a local telephone number where he can be reached twenty-four (24) hours per day, seven days a week, including Holidays.

ITEM 9.7.

Tasks: Generally, Emergency Work procedures shall include, but is not limited to, the following steps:

- Receipt and confirmation of the requested task;
- Initial response to maintenance site and evaluation of problem & site conditions;
- Implementation of appropriate traffic controls;
- Perform the requested task;
- Field check for proper operation and restore site to a safe condition;

Response: Emergency response may be initiated by the City or the Contractor (if emergency condition observed in the field and upon notification provided to the City). The Contractor shall provide emergency response 24 hours per day, seven days per week, including holidays. The response time sequence is as follows:

- The Contractor must have a supervisor available at all times.
- The Contractor shall make the site safe immediately or as soon as possible.
- The Contractor shall immediately advise the City of any emergency situation by phone and follow up with a written report (email) by end of next business day.
- Corrective action shall be taken immediately.

Contractor shall have the capability to provide all necessary materials, equipment, and labor in time frames referenced above.

C.27) DUST CONTROL

The Contractor's attention is directed to Section 17, "Dust Control," of the Standard Construction Specifications. The Contractor shall be responsible for dust control. The Contractor shall diligently control dust resulting from his operations and from public traffic passing through the work area by the application of water and/or dust palliative. Dust palliative shall conform to Section 17-2, "Dust Palliative," of the Standard Construction Specifications.

The Contractor shall provide dust control at all times including Saturdays, Sundays, and holidays. Whenever the Contractor shall appear negligent in controlling dust, the Contract Manager may direct attention to the existence of a dust hazard and instruct the Contractor to immediately alleviate the dust hazard.

Full compensation for conforming to the requirements of this section shall be considered as included in the prices paid for the various contract items of work involved and no additional compensation will be allowed, therefore.

ITEM 9.7.

C.28) CLASS 2 AGGREGATE BASE (AB)

Aggregate base shall be Class 2 and shall conform to Section 22-2, "Aggregate Base", of the Standard Construction Specifications, Section 26, "Aggregate Bases", of the Standard Specifications.

Aggregate base shall be produced from commercial quality aggregate consisting of broken stone, crushed gravel, clean, rough-surfaced gravel and sand, or a combination thereof. The grading of the material shall be three-fourth inch (3/4") maximum. Spreading and compacting shall be performed by methods that will produce a uniform base when firmly and properly compacted free from pockets of coarse or fine material.

The Contractor shall insure the subbase is compacted to the requirements set forth in Section 25, "Aggregate Subbases", of the Standard Specifications before placing aggregate base.

The aggregate base and aggregate subbase shall be placed in layers not to exceed 5" thick and shall have a relative compaction of 95% Class 2 aggregate. Aggregate base that is used to provide temporary access to work areas, driveways, and all other work that is necessary shall be paid for by the Contractor.

Full compensation for conforming to the requirements of this section shall be considered as included in the prices paid for the various contract items of work involved and no additional compensation will be allowed, therefore.

C.29) ASPHALT CONCRETE (AC), TYPE A

The work in this section shall include all labor, materials, and equipment required to complete all asphalt paving work, including, but not necessarily limited to, asphalt pavements and bases, asphalt overlays, and asphalt as specified herein or otherwise necessary so that other materials or work may be installed and/or performed and that the whole work is completed in accordance with the contract documents.

Tack coat of Type SS-1 asphaltic emulsion shall conform to Section 39, "Asphalt Concrete", and 94, "Asphaltic Emulsions", of the Standard Specifications and shall be included in the unit bid price for asphalt concrete. All asphalt concrete on this project shall be as follows and as specified in Section 39 "Asphalt Concrete", of the Standard Specifications and these Specifications.

All asphalt shall be viscosity grade AR-8000 and shall conform to the requirements of Section 92, "Asphalt Binders", of the Standard Specifications. Supplying, mixing, proportioning and storing Asphalt Concrete, Type A shall conform to the requirements as specified in Section 39, "Asphalt Concrete" of the Standard Specifications.

Mix Design Tolerances – Certificate of compliance shall be required from the supplier of the asphalt concrete and delivered to the Contract Manager, or their designee, not less than ten (10) working days prior to any scheduled asphalt concrete work.

TEST	INDIVIDUAL TEST RESULTS	TEST NO. CALIFORNIA METHOD
Loss in L.A. Rattler (after 500 rev.)	45% Max.	211
Kc and Kf	1.8 Max.	303
Sand Equivalent	45 Min.	217
Stabilometer Value		
¾"	35 Min.	304
	30 Min.	304
3/8"		
Moisture Vapor Susceptibility	25 Min.	307
Swell	0.030" Max.	305
Lab Compacted Density		304
Maximum Specific Gravity		ASTM D-2041
Air Voids Content (%)	3 Min. – 4.5 Max.	

Preparation for AC Type A shall conform to these Specifications. The tack coat shall be applied at the approximate rate of 0.05 to 0.15 gallon per square yard. The exact rate will be determined by the Contract Manager. The area to which a tack coat has been applied shall be closed to public traffic. Care shall be taken to avoid tracking binder material onto existing pavement surfaces beyond the limits of construction.

Hauling of asphalt concrete to the job site shall be in accordance with Section 23-5, "Hauling Equipment", of the Standard Construction Specifications and these Specifications. Placement of asphalt concrete shall be in accordance with Section 23-8, "AC Placement Method", of the Standard Construction Specifications and these Specifications. Should the methods and equipment furnished by the Contractor fail to produce a layer of asphalt concrete conforming to the requirements, including straightedge tolerance, of Section 39, "Asphalt Concrete", of the Standard Specifications, the paving operations shall be discontinued and the Contractor shall modify his equipment or furnish substitute equipment. Placing of the asphaltic concrete adjacent to the lips of gutters shall be such that a rise above said lips of 1/4 inch shall remain after compaction.

ITEM 9.7.

Acceptance testing shall be in accordance with Section 23-9, "AC Placement Acceptance Testing" of the Standard Construction Specification. The Contractor shall remove and replace asphalt concrete that is tested for in-place relative compaction of less than 93%. Finished asphalt concrete pavement which does not conform to the specified compaction requirements will be paid for using the following pay factors:

IN PLACE RELATIVE COMPACTION	PAY FACTORS
93% or greater	100%
92.9% – 92%	95%
91.9% - 90%	90%
89.9% or less	Remove and replace as directed by the Contract Manager, or their designee.

The completed surface shall be thoroughly compacted, smooth, and true to grade and cross section, free from ruts, humps, depressions or irregularities. When a straight edge 10 feet long is laid on the finished surface and parallel with the center line of the highway, the surface shall not vary more than 0.01 feet from the lower edge of the straight edge. When tested transversely to traffic, the surface shall incline continuously in the direction of the drainage so that no depressions, which will not drain, remain in the surface after rolling. Any ridges, indentations or other objectionable marks left in the surface of the asphalt concrete by equipment shall be eliminated by rolling or other means. The use of any equipment that leaves ridges, indentations or other objectionable marks in the asphalt concrete shall be discontinued and other acceptable equipment shall be furnished by the contractor. A drop-off of more than 0.15-feet will not be allowed at any time between adjacent lanes open to public traffic. Kraft paper, or other approved bond breaker, may be placed under the conform tapers to facilitate the removal of the taper when paving operations resume. Half-width surfacing operations shall be conducted in such manner that, at the end of each day's work, the distance between the ends of adjacent surfaced lanes shall not be greater than can be completed in the following day of normal surfacing operations. Shoulders adjacent to a lane being paved shall be surfaced prior to opening the lane to traffic. Finishing roadway shall conform to Section 22, "Finishing Roadway" of the Standard Specifications. The entire roadway and right-of-way shall be left in a neat and presentable condition to the satisfaction of the Contract Manager, or their designee.

Quantities of material wasted or disposed of in a manner not called for under the contract, or rejected loads of material, including material rejected after it has been placed by reason of the failure of the Contractor to conform to the provisions of the contract, or materials placed outside the lines indicated from the transporting vehicle, or material remaining on hand after completion of the work, will not be paid for and such quantities will be deducted from the final total quantities.

ITEM 9.7.

No compensation will be allowed for hauling rejected material. Asphalt Concrete, Type A is specified as included in other items of work listed in the RFB and no additional compensation shall be allowed, therefore.

C.30) BASE REPAIR

Base Repair provides for the full removal and replacement of minor areas of failed pavement. The estimated quantities involved in this section are for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

Tack coat of asphalt emulsion shall conform to Sections 37, "Bituminous Seals", 39, "Asphalt Concrete", and 94, "Asphaltic Emulsions" of the Standard Specifications. Aggregate Base –Class II and Asphalt Concrete, $\frac{3}{4}$ " Type A shall comply with these Special Provisions.

Base Repair shall consist of saw cutting, excavation and removal of existing failed roadway pavement and basement material and proper disposal of all unsuitable materials. The structural section for Base Repair shall be the following unless directed otherwise by the Contract Manager.

- Residential Base Repair shall be 3" AC over 6" AB
- Collector Base Repair shall be 4" AC over 14" AB
- Arterial Base Repair shall be 5.5" AC over 20.5" AB

The areas of Base Repair shall have a minimum width of six (6) feet, a minimum length of ten (10) feet, although most areas may be significantly larger in both dimensions. The area of removal of failed pavement and basement materials shall be as determined by the Contract Manager in the field. Any pavement removal required near the lip of gutter, the existing edge of pavement, or another area of pavement removal shall be extended such that no existing pavement shall remain with a width of less than twenty-four (24) inches.

A tack coat of asphalt emulsion shall be applied to all concrete and asphalt concrete edges in preparation for installing deep lift asphalt concrete. Each layer of asphalt concrete shall not exceed 0.40 foot in compacted thickness. No layer shall be placed over a layer which exceeds 0.25 foot in compacted thickness until the temperature at mid-depth, of the layer which exceeds 0.25 foot in compacted thickness, is no more than 160°F. The maximum thickness of the surface layer of deep lift asphalt concrete, that layer directly below leveling course or overlay, shall be 0.25 foot. Areas of Base Repair shall be brought up to the existing surface grade.

Payment for Base Repair shall be made per square foot of area repaired, as measured in the field. Payment shall be at the contract unit price bid per square foot and shall include all traffic control, saw cutting, excavation, removal and disposal of un-suitable material, furnishing and placement of Class II Aggregate Base, tack coat and $\frac{3}{4}$ " Type A Asphalt Concrete and labor and materials involved and no additional payment allowed, therefore.

ITEM 9.7.

C.31) GRIND AND REPLACE AC REPAIR

Grind and replace AC Repair provides for the full removal and replacement of minor areas of failed asphalt concrete to a depth of 2", 3", 4" or 6" as determined by the Contract Manager. The estimated quantities involved in this section are for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

Tack coat of asphalt emulsion shall conform to Sections 37, "Bituminous Seals", 39, "Asphalt Concrete", and 94, "Asphaltic Emulsions" of the Standard Specifications. Aggregate Base –Class II and Asphalt Concrete, ¾" Type A shall comply with these Special Provisions.

Grind and Replace AC Repair shall consist of saw cutting, excavation and removal of existing failed roadway pavement and basement material and proper disposal of all unsuitable materials. The areas of Grind and Replace AC Repair shall have a minimum width of six (6) feet, a minimum length of ten (10) feet, although most areas may be significantly larger in both dimensions. The area of removal of failed pavement and basement materials shall be as determined by the Contract Manager in the field. Any pavement removal required near the lip of gutter, the existing edge of pavement, or another area of pavement removal shall be extended such that no existing pavement shall remain with a width of less than twenty-four (24) inches. Replacement shall be made by means of deep lift asphalt concrete of the specified depth.

A tack coat of asphalt emulsion shall be applied to all concrete and asphalt concrete edges in preparation for installing deep lift asphalt concrete. Each layer of asphalt concrete shall not exceed 0.40 foot in compacted thickness. No layer shall be placed over a layer which exceeds 0.25 foot in compacted thickness until the temperature at mid-depth, of the layer which exceeds 0.25 foot in compacted thickness, is no more than 160°F. The maximum thickness of the surface layer of deep lift asphalt concrete, that layer directly below leveling course or overlay, shall be 0.25 foot. Areas of Grind and Replace AC Repair shall be brought up to the existing surface grade.

Payment for Grind and Replace AC Repair shall be made per square foot of area repaired, as measured in the field. Payment shall be at the contract unit price bid per square foot and shall include all traffic control, saw cutting, excavation, removal and disposal of un-suitable material, furnishing and placement of tack coat and ¾" Type A Asphalt Concrete and labor and materials involved and no additional payment allowed, therefore.

C.32) AC OVERLAY (2")

AC shall conform to the provisions of Section 23, "Asphalt Concrete" of the Standard Construction Specifications. The work in this section shall include all labor, materials, tools, equipment and incidentals, as specified herein or otherwise necessary to complete the whole work in accordance to these Specifications. The estimated quantity for AC is for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

ITEM 9.7.

AC shall conform to the requirements for Acceptance Testing and Test Sections as specified in Section 23-9, "AC Placment Acceptance Testing" of the Standard Construction Specifications. Asphalt Concrete shall comply with these Special Provisions.

The Contractor shall be responsible for removing all vegetation from the edge of pavement, sweeping and washing the pavement, if required, in advance of the overlay operation. It is recommended that a power water wash be used in deceleration zones for the complete removal of dust that may cause overlay slippage.

All manholes, utility vaults, valve boxes and survey monument covers encountered in the area to be overlaid with asphalt concrete shall be carefully referenced out prior to the overlay by the Contractor. All exposed survey monuments shall be referenced out prior to the overlay, covered by an appropriate method approved by the Contract Manager, and uncovered after the overlay without disturbing or damaging the survey monument.

The planing of asphalt concrete pavement shall be performed by cold planing. The cold planing machine shall have a cutter head at least five (5) feet wide and shall be operated so as not to produce fumes or smoke. The road surfacing to remain in place shall not be damaged in any way. The planed road surface shall not be damaged or spalled.

Pavement planning shall be to within one (1) foot on all sides of manhole rims, drain inlets, vaults, valve boxes, and any other roadway appurtenances located in the planing area, unless the objects fall within three (3) feet of the lip of gutter. Following planning operations, no drop-off will be allowed at any time adjacent to driveways or around the edges of manhole rims, drain inlets, vaults, valve boxes, and any other roadway appurtenances. Where transverse joints are planned in the pavement at conform lines, no drop-off shall remain between the existing pavement and the planed area when the pavement is opened to public traffic.

If permanent asphalt concrete has not been placed to the level of existing pavement before the pavement is to be opened to public traffic, a temporary asphalt concrete taper shall be constructed. Asphalt concrete for temporary tapers shall be placed to the level of the existing pavement and tapered in five (5) feet to the level of the planed area. Asphalt concrete for tapers shall be commercial quality and may be spread and compacted by any method that will produce a smooth riding surface. Asphalt concrete tapers shall be completely removed, including removing all loose material from the underlying surface, before placing the permanent surfacing. Full compensation for furnishing asphalt concrete for temporary tapers and for constructing, maintaining, removing, and disposing of the tapers shall be considered as included in the contract price paid per square foot for pavement planing (wedge grinding) and no additional compensation will be allowed therefore.

All planed material, not used to replace unsuitable material removed from this project, shall be transported and properly disposed of offsite. Transport and off-loading of material shall be considered incidental and included in the unit price paid for this item.

ITEM 9.7.

Planed pavement shall not remain exposed to traffic for more than five (5) calendar days before paving. It shall be the responsibility of the Contractor to schedule planing and paving operations to meet this requirement.

The contract unit price paid per square foot for AC Overlay (2") shall include full compensation for furnishing all labor, materials, tool, equipment, and incidentals, and for doing all work involved in placing AC complete in place, including all traffic control, pre-level preparation, wedge grinding and furnishing and spreading sand cover if directed by the Contract Manager, furnishing and placement of ½" Type A AC and labor and materials involved as specified in the Standard Specifications and these Special Provisions, and as directed by the Contract Manager and no additional compensations shall be allowed, therefore.

Quantities of material wasted or disposed of in a manner not called for under the contract, or rejected loads of material, including material rejected after it has been placed by reason of the failure of the Contractor to conform to the provisions of the contract, or materials placed outside the lines indicated from the transporting vehicle, or material remaining on hand after completion of the work, will not be paid for and such quantities will be deducted from the final total quantities. No compensation will be allowed for hauling rejected material.

C.33) LEVELING COURSE

This work includes placing of AC overlay balance, filling low areas and covering heavy alligator cracking over designated areas. The estimated quantities involved in this section are for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

Tack coat of asphalt emulsion shall conform to Sections 37, "Bituminous Seals", 39, "Asphalt Concrete", and 94, "Asphaltic Emulsions" of the Standard Specifications. Aggregate Base –Class II and Asphalt Concrete, ¾" Type A shall comply with these Special Provisions.

Overlay balance, mechanical, shall mean filling low areas or covering alligator cracks with AC to match existing pavement contours. A maximum of one (1) inch depth leveling course will be laid with tapering to conform to existing roadways. Depth and amount of area to receive leveling course may change as directed by the Contract Manager.

Pavement delineation removal shall be coordinated with temporary delineation so that lane lines are provided at all times on traveled ways open to public traffic. Temporary reflective pavement markers shall be placed at intervals of not more than 25 feet. Temporary reflective raised pavement markers shall be the same color as the existing lane line or centerline.

Leveling Course will be measured by the ton of AC actually placed. Weight certificates shall be furnished by the Contractor to the Contract Manager at the job site upon delivery of the material. The contract unit price per ton for Leveling Course shall include full compensation for furnishing all labor, materials, tools, equipment and incidentals and for doing all the work involved in applying the tack coat and constructing leveling course complete in place as specified in these specification.

ITEM 9.7.

Quantities of material wasted or disposed of in a manner not called for under the contract, or rejected loads of material, including material rejected after it has been placed by reason of the failure of the Contractor to conform to the provisions of the contract, or materials placed outside the lines indicated from the transporting vehicle, or material remaining on hand after completion of the work, will not be paid for and such quantities will be deducted from the final total quantities. No compensation will be allowed for hauling rejected material.

C.34) CRACK SEALING

Crack Sealing provides for the application of an asphalt-based or other approved crack seal product to the cracks in AC pavements to minimize water infiltration through the road surface. The estimated quantities involved in this section are for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

The contractor shall submit, to the Contract Manager, product performance specifications for the crack filling material proposed to be used. No application shall be performed until the material has been approved by the Contract Manager.

The Contractor shall implement the appropriate traffic control. Crack preparation, material application and curing shall be in accordance with the manufacturer's recommendations and to the satisfaction of the Contract Manager.

Payment for Crack Sealing shall be made per lineal foot of application, as measured in the field. Payment shall be at the contract unit price bid per lineal foot and shall include traffic control, surface preparation, application curing time and all labor and materials involved and no additional payment allowed, therefore.

C.35) POTHOLE PATCHING

Pothole Patching provides for the application of an asphalt-based patching compound to fill potholes and provide a smooth running surface. The estimated quantities involved in this section are for bidding purposes only. The quantity may be extended, reduced or deleted at the discretion of the Contract Manager, with no change in unit price.

The contractor shall submit, to the Contract Manager, product performance specifications for the pothole patching materials proposed to be used. No application shall be performed until the material has been approved by the Contract Manager.

The Contractor shall implement the appropriate traffic control. Pothole preparation, material application and curing shall be in accordance with the manufacturer's recommendations and to the satisfaction of the Contract Manager.

Payment for Pothole Patching shall be made per square foot of application, as measured in the field. Payment shall be at the contract unit price bid per square foot and shall include traffic control, surface preparation, application curing time and all labor and materials involved and no additional payment allowed, therefore.

MEMORANDUM

ITEM 9.8.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Albert Stricker, Public Works Director
Kristine Courdy, Senior Civil Engineer

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONSTRUCTION CONTRACT NO. 2022-63 IN AN AMOUNT NOT TO EXCEED \$330,541.00 WITH B&M BUILDERS, INC. TO CONSTRUCT THE HSIP CYCLE 10 PEDESTRIAN CROSSING ENHANCEMENT PROJECT**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute Construction Contract No. 2022-63 in an amount not to exceed \$330,541.00 with B&M Builders, Inc. to construct the HSIP Cycle 10 Pedestrian Crossing Enhancement Project to increase safety and promote livability.

BACKGROUND

The City received a State Highway Safety Improvement Project (HSIP) Cycle 10 grant in the amount of \$242,400 for the Pedestrian Crossing Enhancement Project. This Project includes upgrading one crosswalk on Peter A McCuen Blvd adjacent to the Veterans Affairs (VA) Northern California Medical Center and four intersections along Zinfandel Drive and Cordova Lane adjacent to Cordova Lane Center School (see attachment two for project area map). The Project includes the following enhancements to pedestrian and bicyclist safety: curb extensions, accessible curb ramps, high visibility crosswalks, green bike lane striping, and advance placement markings and signage.

This Project is necessary and also aligns with the City's goals to promote the positive image of Rancho Cordova; ensure a safe, inviting and livable community; and ensure the availability of the best public services in the region while practicing sound financial management.

Bids for this work were solicited on the City's Website, CIPList.com and the Sacramento, Placer and El Dorado County Builders Exchanges on April 7, 2022. Bids for the project were publicly opened on Thursday, May 5, 2022. A total of three bids were received and the lowest responsible & responsive base bid was \$330,541.00 from B&M Builders, Inc. The contract

award is based on the lowest base bid.

The project is expected to be under construction starting Summer 2022 and completed by Fall 2022.

FISCAL IMPACT AND FUNDING SOURCE

Funding for this project will consist of \$242,400 from the Caltrans HSIP Cycle 10 grant and the remaining of the project funding from the Transportation Development Act. There is no impact to the City's General Fund.

This project is included in the City's current approved FY 2022-23 Capital Improvement Plan.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT NO. 2022-63 IN THE AMOUNT NOT TO EXCEED \$330,541.00 WITH B&M BUILDERS, INC., TO CONSTRUCT THE HSIP CYCLE 10 PEDESTRIAN CROSSING ENHANCEMENT PROJECT TO INCREASE SAFETY AND PROMOTE LIVABILITY

WHEREAS, the City solicited bids for the HSIP Cycle 10 Pedestrian Crossing Enhancement Project under the requirements of state and local law and publicly opened the bids on May 5, 2022; and

WHEREAS, the lowest responsible bidder was B&M Builders, Inc.; and

WHEREAS, adoption of this resolution will award construction Contract No. 2022-63 to B&M Builders, Inc. in an amount not to exceed \$330,541.00 for the HSIP Cycle 10 Pedestrian Crossing Enhancement Project; and

WHEREAS, funding for this project will consist of \$242,400 from the Caltrans HSIP Cycle 10 grant and the remaining of the Project funding from the Transportation Development Act. There is no impact to the City's General Fund; and

WHEREAS, this project was reviewed under the requirements of the California Environmental Quality Act (CEQA), and it has been determined to be exempt from further review pursuant to CEQA Regulation 15301 regarding repairs, maintenance, or minor alterations to "existing facilities" so long as the project only involves negligible or no expansion of use beyond current facilities.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does authorize the City Manager to execute construction Contract No. 2022-63 in an amount not to exceed \$330,541 with B&M Builders, Inc. and in a form approved by the City Attorney.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by following vote:

AYES:

NOES:

CITY OF RANCHO CORDOVA FORMS

CONTRACTORS LICENSE FORM

Project No. CP22-2225

Project: PEDESTRIAN CROSSING ENHANCEMENTS PROJECT

Any person or entity submitting a bid on this project to engage in the business or act in the capacity of a contractor shall be licensed as a contractor in accordance with the provisions of Division 3, Chapter 9 of the California Business and Professions Code. A bid submitted to the City by a contractor who is not licensed as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this project, the City must verify that the contractor was properly licensed when the contractor submitted his/her bid on this project. In order for the City to verify the license status of a contractor, the contractor, at the time he/she submits his/her bid for the project, shall provide in writing to the City his/her contractor's license number, name on the license, classification, and expiration date of the license.

No bid submitted to the City shall be invalidated by the failure of the bidder to be licensed in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. The first payment for work or material under any contract shall not be made unless and until the Registrar of Contractors verifies to the City that the records of the Contractors' State License Board indicate that the contractor was properly licensed at the time the contract was awarded. Any bidder or contractor not so licensed shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the Contractors' State License Board. Failure of the bidder to obtain proper and adequate licensing for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.

CERTIFICATION

In accordance with the Business and Professions Code, we do hereby, under Penalty of Perjury, certify that the following contractor's license information is true and correct.

Contractor's License No. 861848 Expiration Date: 7/31/2022

Contractor's Classification: A, B, C8, C10, C12, C20, C27, C31, C54

**CITY OF RANCHO CORDOVA FORMS
DEPARTMENT OF INDUSTRIAL RELATIONS
CONTRACTORS REGISTRATION FORM**

Project No. CP22-2225

Project: PEDESTRIAN CROSSING ENHANCEMENTS PROJECT

Any person or entity submitting a bid on this project to engage in the business or act in the capacity of a contractor shall register as a contractor in accordance with the provisions of the Department of Industrial Relations (DIR). A bid submitted to the City by a contractor who is not registered as set forth above shall be considered non-responsive and shall be rejected by the City.

Before awarding the contract for this project, the City must verify that the contractor was properly registered when the contractor submitted his/her bid on this project. In order for the City to verify the registration status of a contractor, the contractor, at the time he/she submits his/her bid for the project, shall provide in writing to the City his/her contractor's registration number, name on the registration, and expiration date of the registration.

No bid submitted to the City shall be invalidated by the failure of the bidder to be registered in accordance with the laws of this state. However, at the time the contract is awarded, the contractor shall be properly licensed in accordance with the laws of this state. Any bidder or contractor not so registered shall be subject to all legal penalties imposed by law, including, but not limited to, any appropriate disciplinary action by the DIR. Failure of the bidder to obtain proper and adequate registration for an award of a contract shall constitute a failure to execute the contract and shall result in the forfeiture of the security of the bidder.

CERTIFICATION

In accordance with the DIR, we do hereby, under Penalty of Perjury, certify that the following contractor's registration information is true and correct.

Contractor's Registration No. 1000003277

BID SCHEDULE

The following quantities are approximate only and are given for the purpose of comparing proposals. The City does not expressly or by implication agree that the actual amount of work will correspond with quantities given herein, but reserves the right to increase or decrease the amount of any class or portion of the work as may be deemed necessary or advisable by the Director of Public Works. Payment will be based upon the actual quantities installed or constructed, unless otherwise specified. In the event that the product of a unit price and an estimated quantity does not equal the extended amount stated, the unit price will govern and the correct product of the unit price and the estimated quantity shall be deemed to be the amount bid. **Award will be based on cost for Base Bid only.**

EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION

The bidder B & M Builders, Inc., proposed subcontractor ALL, hereby certifies that he has ☒ , has not ☐ , participated in a previous contract or subcontract subject to the equal opportunity clauses, as required by Executive Orders 10925, 11114, or 11246, and that, where required, he has filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government contracting or administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

Note: The above certification is required by the Equal Employment Opportunity Regulations of the Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contracts and subcontracts unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

PUBLIC CONTRACT CODE**PUBLIC CONTRACT CODE SECTION 10285.1 STATEMENT**

In conformance with Public Contract Code Section 10285.1 (Chapter 376, Stats. 1985), the bidder hereby declares under penalty of perjury under the laws of the State of California that the bidder has _____, has not X been convicted within the preceding three years of any offenses referred to in that section, including any charge of fraud, bribery, collusion, conspiracy, or any other act in violation of any state or Federal antitrust law in connection with the bidding upon, award of, or performance of, any public works contract, as defined in Public Contract Code Section 1101, with any public entity, as defined in Public Contract Code Section 1100, including the Regents of the University of California or the Trustees of the California State University. The term "bidder" is understood to include any partner, member, officer, director, responsible managing officer, or responsible managing employee thereof, as referred to in Section 10285.1.

Note: The bidder must place a check mark after "has" or "has not" in one of the blank spaces provided. The above Statement is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Statement. Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

PUBLIC CONTRACT CODE SECTION 10162 QUESTIONNAIRE

In conformance with Public Contract Code Section 10162, the Bidder shall complete, under penalty of perjury, the following questionnaire:

Has the bidder, any officer of the bidder, or any employee of the bidder who has a proprietary interest in the bidder, ever been disqualified, removed, or otherwise prevented from bidding on, or completing a federal, state, or local government project because of a violation of law or a safety regulation?

Yes _____ No X

If the answer is yes, explain the circumstances in the following space.

PUBLIC CONTRACT CODE 10232 STATEMENT

In conformance with Public Contract Code Section 10232, the Contractor, hereby states under penalty of perjury, that no more than one final unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two year period because of the Contractor's failure to comply with an order of a federal court which orders the Contractor to comply with an order of the National Labor Relations Board.

Note: The above Statement and Questionnaire are part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Statement and Questionnaire.

Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

Initial 

DESIGNATION OF SUBCONTRACTORS

In compliance with the provisions of Section 4100-4114 of the Public Contracts Code of the State of California, and any amendments thereof, each Bidder shall set forth below the name and location of the place of business of each Subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work or improvement to be performed under these specifications in excess of one-half of one percent (0.5%) of the prime Contractor's total bid or ten thousand dollars (\$10,000.00) whichever is greater. The prime Contractor shall list the portion of the work which will be done by such Subcontractor.

If the Contractor fails to specify a Subcontractor for any portion of the work to be performed under the Contract, the Contractor shall be deemed to have agreed to perform such portion itself, and the Contractor shall not be permitted to subcontract that portion of the work except under the conditions allowed by applicable law.

BIDDER'S BOND**

We, B & M Builders, Inc. as Principal, and

Travelers Casualty and Surety Company of America

as Surety are bound unto the City of Rancho Cordova, State of California, hereafter referred to as "Obligee", in the penal sum of ten percent (10%) of the total amount of the bid of the Principal submitted to the Obligee for the work described below, for the payment of which sum we bind ourselves, jointly and severally,

THE CONDITION OF THIS OBLIGATION IS SUCH, THAT:

WHEREAS, the Principal is submitted to the Obligee, for _____

HSIP Cycle 10 Pedestrian Crossing Enhancement Project

(Copy here the exact description of work, including location as it appears on the proposal)

for which bids are to be opened at Rancho Cordova, CA on May 5, 2022
(Insert place where bids will be opened) (Insert date of bid opening)

NOW, THEREFORE, if the Principal is awarded the contract and, within the time and manner required under the specifications, after the prescribed forms are presented to him for signature, enters into a written contract, in the prescribed form, in conformance with the bid, and files two bonds with the Obligee, one to guarantee faithful performance of the contract and the other to guarantee payment for labor and materials as provided by law, then this obligation shall be null and void; otherwise, it shall remain in full force.

In the event suit is brought upon this bond by the Obligee and judgment is recovered, the Surety shall pay all costs incurred by the Obligee in such suit, including a reasonable attorney's fee to be fixed by the court.

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **27th** day of **April**, **2022**

CITY OF RANCHO CORDOVA - DEPARTMENT OF PUBLIC WORKS**SAMPLE PAYMENT BOND**

(Section 3247, Civil Code)

WHEREAS, The City of Rancho Cordova, acting by and through the Department of Public Works, hereafter referred to as "Obligee", has awarded to Contractor _____, hereafter designated as the "Principal", a contract for the work described as follows:

AND WHEREAS, said Principal is required to furnish a bond in connection with said contract, to secure the payment of claims of laborers, mechanics, material men and other persons as provided by law.

NOW, THEREFORE, we the undersigned Principal and Surety are bound unto the Obligee in the sum of _____ dollars (\$ _____), for which payment, we bind ourselves, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH,

That if said Principal or its subcontractors shall fail to pay any of the persons named in Civil Code Section 3181, or amounts due under the Unemployment Insurance Code with respect to work or labor performed by such claimant, or any amounts required to be deducted, withheld, and paid over to the Franchise Tax Board for the wages of employees of the Principal and his subcontractors pursuant to Section 18806 of the Revenue and Taxation Code, with respect to such work and labor, that the surety herein will pay for the same in an amount not exceeding the sum specified in this bond, otherwise the above obligation shall be void. In case suit is brought upon this bond, the surety will pay a reasonable attorney's fee to fix by the court. This bond shall inure to the benefit of any of the persons named in Civil Code Section 3181 as to give a right of action to such persons or their assigns in any suit brought upon this bond.

CITY RANCHO CORDOVA - DEPARTMENT OF PUBLIC WORKS**NONCOLLUSION AFFIDAVIT**

(Title 23 United States Code Section 112 and
Public Contract Code Section 7106)

To the CITY of RANCHO CORDOVA
DEPARTMENT OF PUBLIC WORKS.

In conformance with Title 23 United States Code Section 112 and Public Contract Code 7106 the bidder declares that the bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation; that the bid is genuine and not collusive or sham; that the bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or that anyone shall refrain from bidding; that the bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder, or to secure any advantage against the public body awarding the contract of anyone interested in the proposed contract; that all statements contained in the bid are true; and, further, that the bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, or paid, and will not pay, any fee to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid.

Note: The above Noncollusion Affidavit is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Noncollusion Affidavit.

Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

Initial 

DEBARMENT AND SUSPENSION CERTIFICATION

TITLE 49, CODE OF FEDERAL REGULATIONS, PART 29

The bidder, under penalty of perjury, certifies that, except as noted below, he/she or any other person associated therewith in the capacity of owner, partner, director, officer, manager:

- is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any Federal agency;
- has not been suspended, debarred, voluntarily excluded or determined ineligible by any Federal agency within the past 3 years;
- does not have a proposed debarment pending; and
- has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past 3 years.

If there are any exceptions to this certification, insert the exceptions in the following space.

Exceptions will not necessarily result in denial of award, but will be considered in determining bidder responsibility. For any exception noted above, indicate below to whom it applies, initiating agency, and dates of action.

Notes: Providing false information may result in criminal prosecution or administrative sanctions. The above certification is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Certification.

**CONSTRUCTION SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND B&M BUILDERS, INC.
FOR HSIP CYCLE 10 PEDESTRIAN CROSSING ENHANCEMENT PROJECT**

THIS AGREEMENT made and entered into between the City of Rancho Cordova ("City") and B&M Builders, Inc. ("Contractor") as of June 6, 2022.

W I T N E S S E T H:

WHEREAS, the City Council for the City heretofore caused plans and specifications for HSIP Cycle 10 Pedestrian Crossing Enhancement Project ("Project") to be prepared, and therefore did approve and adopt said plans and specifications; and

WHEREAS, the City Council for the City did cause to be published for the time and in the manner required by law, a notice inviting sealed bids for the performance of said work; and

WHEREAS, the notice was published on February 25, 2022 on CIPList.com and the City of Rancho Cordova's website (Notice"); and

WHEREAS, the Contractor, in response to such Notice, submitted to the City Council for the City within the time specified in said Notice, and in the manner provided for therein, a sealed bid for the performance of the Project specified in said plans and specifications, which said bid and proposal, and other bids and proposals submitted in response to said Notice, the City Council opened and canvassed in the manner provided by law; and

WHEREAS, the Contractor was the lowest responsible bidder for the performance of said Project, and said City Council for the City as a result of the canvass of said bids, did determine and declare Contractor to be the lowest responsible bidder for said Project and award to a contract therefore.

NOW, THEREFORE, in consideration of the promises herein, it is mutually agreed between the parties hereto as follows:

Section 1. CONTRACT DOCUMENTS. The following documents are by this reference incorporated in and made a part of this Agreement: The County of Sacramento, Standard Construction Specifications dated January 2016; the Special Provisions; the contract drawings, all addenda; the Notice to Contractors; the Proposal; all required bonds; and all supplemental Agreements covering alterations, amendments, or extensions to the contract. The documents which describe the work to be performed are sometimes collectively referred to herein as the Plans and Specifications.

Section 2. TERM. The term of this Agreement shall begin on the date first noted above and shall end on December 31, 2023.

Section 3. SCOPE OF WORK. The Contractor will furnish all labor, materials, services, transportation, appliances, and mechanical workmanship required for Contract No. 2022-63 as provided for and set forth in said Plans and Specifications, or in either of them, which said Plans and Specifications are hereby referred and by such reference incorporated herein and made a part of this Agreement. All of the said work done under this Agreement shall be under the supervision of and performed to the satisfaction of the Public Works Director of the City of

5107677.2

Rancho Cordova who shall have the right to reject any and all materials and supplies furnished by the Contractor which do not comply with the Plans and Specifications, together with the right to require the Contractor to replace any and all work furnished by the Contractor which shall not either in workmanship or material be in strict accordance with the Plans and Specifications.

Section 4. COMPLETION. Said work shall be completed and ready for acceptance in accordance with Contract Documents. The Contractor shall provide a warranty in accordance with the Contract Documents.

Section 5. PAYMENT. Attached hereto as Exhibit "A" and by reference made a part hereof, is the bid and proposal of Contractor. Said bid and proposal will contain, as required by the terms of said specifications, the full and complete schedule of the different items with the lump sums or unit prices as so specified. The City agrees in consideration of the work to be performed for the Project herein and subject to the terms and conditions thereof, to pay Contractor all sums of money which may become due to Contractor in accordance with the terms of the aforesaid bid and proposal, and this Agreement, to wit: Three Hundred Thirty Thousand Five Hundred and Forty-One Dollars (\$330,541.00). Said sum shall be paid in accordance with Section 8 of the Standard Specifications. With respect to that portion of the above sum as is based upon the estimated quantities specified for the general scope of the work to be performed herein, actual payment will be based upon the quantities as measured upon completion. No payment made under this Agreement shall be construed to be an acceptance of defective work or improper materials.

Section 6. PREVAILING WAGES. Pursuant to the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holidays and overtime work, for each craft, classification or type of worker needed to execute the Project contemplated under this Agreement shall be paid to all workers, laborers and mechanics employed in the execution of said Project by Contractor, or by any subcontractor doing or contracting to do any part of said Project. The appropriate determination of the Director of the California Department of Industrial Relations is filed with, and available for inspection at 2729 Prospect Park Drive, Rancho Cordova, CA 95670, the office of the Clerk of the City. Contractor shall post, at each job site, a copy of such prevailing rate of per diem wages as determined by the Director for the California Department of Industrial Relations. The Contractor shall, and hereby agrees to, unconditionally indemnify, reimburse, defend, protect and hold harmless the City and its elective and appointive boards, commissions, officers, agents, attorneys, consultants and employees, and all of their respective successors and assigns, from and against any and all claims, demands, suits and actions at law or in equity, and losses, liabilities, expenses, penalties, fines, orders, judgments, injunctive or other relief, and costs and damages of every kind, nature and description (including but not limited to attorneys' fees and court costs; with counsel reasonably acceptable to the City), and administrative, enforcement or judicial proceedings, whether known or unknown, and which directly or indirectly, in whole or in part, are caused by, arise from, or relate to, or are alleged to be caused by, arise from, or relate to, the payment or requirement of payment of prevailing wages or the requirement of competitive bidding in the construction of the Project, the failure to comply with any state or federal labor laws, regulations or standards in connection with this Agreement, including but not limited to California Labor Code Section 1770 et seq. and the Prevailing Wage Laws, or any act or omission of the City or the Contractor related to this Agreement with respect to the payment or requirement of payment of prevailing wages or the requirement of competitive bidding, whether or not any insurance policies shall have been determined to be applicable to any such claims, demands, suits, actions, losses, liabilities,

expenses, penalties, fines, orders, judgments, injunctive or other relief, costs, damages, or administrative, enforcement or judicial proceedings. It is further agreed that the City does not, and shall not, waive any rights against the Contractor which they may have by reason of this indemnity and hold harmless agreement because of the acceptance by the City, or the deposit with the City by the Contractor, of any of the insurance policies described in this Agreement.

Section 7. INSURANCE. The Contractor shall carry and maintain for the term of this Agreement, such public liability, property damage and contractual liability, auto, worker's compensation and builders' risk insurance as required by the specifications.

Section 8. WORKERS' COMPENSATION CERTIFICATION. By execution of this Agreement, the Contractor certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

Section 9. PERFORMANCE AND PAYMENT BONDS. The Contractor shall, before beginning said work for the Project, file two (2) bonds with the City, each made payable to the City. These bonds shall be issued by a surety company authorized to do business in the State of California, and shall be maintained during the entire life of the Agreement at the expense of the Contractor. One bond shall be in the amount of one hundred percent (100%) of the Agreement and shall guarantee the faithful performance of the Agreement. The second bond shall be the payment bond required by California Civil Code Section 3247 et seq., and shall be in the amount of one hundred percent (100%) of the Agreement. Any alterations made in the specifications which are a part of this Agreement or in any provision of this Agreement shall not operate to release any surety from liability on any bond required hereunder and the consent to make such alterations is hereby given, and any surety on said bonds hereby waives the provisions of California Civil Code Sections 2819 and 2845.

Section 10. INDEMNIFICATION.

10.1 Contractor's Performance. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless City, its governing Board, officers, directors, agents, employees and volunteers from and against any and all claims, demands, actions, losses, liabilities, damages, and all costs incidental thereto, including cost of defense, settlement, arbitration, and reasonable attorneys' fees arising out of, pertaining to, or resulting from the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law, regardless of whether caused in part by a party indemnified hereunder.

10.2 No Limitation of Liability for Indemnification. The indemnities set forth in this Section shall not be limited by the insurance requirements set forth in the Contract.

Section 11. NON-DISCRIMINATION AND EQUAL OPPORTUNITY. Contractor shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or

participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby. Contractor shall include the provisions of this section in any subcontract approved by the City.

Section 12. Amendments. No modification or amendment of this Agreement is effective unless made in writing and signed by both the City and Contractor.

Section 13. ASSIGNMENT AND SUBCONTRACTING. Contractor shall not assign or transfer any interest in this Agreement without the prior written consent of the City.

Section 14. MISCELLANEOUS PROVISIONS.

14.1 Successors. This Agreement shall bind and inure to the heirs, devisees, assignees, and successors in interest of Contractor and to the successors in interest of Contractor in the same manner as if such parties had been expressly named herein. All times stated herein or in the contract documents are of the essence hereof. As used in this instrument the singular includes the plural, and the masculine Includes the feminine and the neuter. This Agreement may create a possessory interest subject to property taxation, and Contractor may be subject to the payment of property taxes levied on such interest.

14.2 Contract Administration. This Agreement shall be administered by Kristine Courdy ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

14.3 Notices. Any written notice to consultant shall be sent to:

Patrick Mullen
B&M Builders, Inc.
11330 Sunrise Park Drive, Suite C
Rancho Cordova, CA 95742
Email Address: estimating@bm-builders.com

Any written notice to City shall be sent to:

Kristine Courdy
City of Rancho Cordova
Department of Public Works
2729 Prospect Park Drive
Rancho Cordova, CA 95670

14.4 IRS Form W-9. Contractor shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have authority to waive this requirement.

- 14.5 Governing Law and Venue.** The laws of the State of California shall govern this Agreement. Venue for any action regarding this Agreement shall be in the Superior Court of the County of Sacramento or in the United States District Court for the Eastern District of California.
- 14.6 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
- 14.7 No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 14.8 Survival.** The obligations of this Agreement, which by their nature would continue beyond the term or expiration of this Agreement, including without limitation obligations regarding indemnification shall survive the term or expiration of this Agreement.
- 14.9 Entire Agreement.** This Agreement, including the Contract Documents as described more fully in Section 1 of this Agreement, represents the entire and integrated Agreement between City and Contractor and supersedes all prior negotiations, representations, and Agreements regarding the subject matter of this Agreement, either written or oral.

IN WITNESS WHEREOF, the City Council and Contractor have caused this Agreement to be executed as of the day and year first above written.

BID SCHEDULE

The following quantities are approximate only and are given for the purpose of comparing proposals. The City does not expressly or by implication agree that the actual amount of work will correspond with quantities given herein, but reserves the right to increase or decrease the amount of any class or portion of the work as may be deemed necessary or advisable by the Director of Public Works. Payment will be based upon the actual quantities installed or constructed, unless otherwise specified. In the event that the product of a unit price and an estimated quantity does not equal the extended amount stated, the unit price will govern and the correct product of the unit price and the estimated quantity shall be deemed to be the amount bid. **Award will be based on cost for Base Bid only.**

MEMORANDUM

ITEM 9.9.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Megan Siren, Senior Management Analyst
Edgar Medina, Principal Engineer

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONSTRUCTION CONTRACT AMENDMENT NO. 2021-256-4 WITH Z SQUARED INC. TO INCREASE THE CONTRACT AMOUNT FROM \$4,511,000 TO AN AMOUNT NOT TO EXCEED \$5,345,695 FOR THE CONSTRUCTION OF THE RANCHO CORDOVA YOUTH CENTER PROJECT**

RECOMMENDATION

Adopt the Resolution

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the City Manager to execute Contract No. 2021-256-4 with Z Squared, Inc. increasing the contract amount from \$4,890,409 to an amount not to exceed \$5,345,695 for construction of the Rancho Cordova Youth Center.

BACKGROUND

The Center of Praise Ministries, Inc. and the founding and Senior Pastor Bishop Parnell Lovelace, Jr. graciously offered to partner with the City of Rancho Cordova to establish a Rancho Cordova Youth Center at their property located at 10455 Investment Circle. With the City Council authorizing the lease agreement with Center of Praise Ministries, Inc. in January 2020, the location for the Rancho Cordova Youth Center was solidified at 10455 Investment Circle after many efforts over many years to bring a Youth Center to the community.

The Rancho Cordova Youth Center project includes interior modifications, including new mechanical units, electrical modifications, new windows, kitchen modifications, bathroom modifications, Americans with Disabilities Act (ADA) modifications, security, parking lot overlay, exterior fencing, covered area for seating, multi-sport turf field and an outdoor basketball court.

The City Council awarded the construction contract on July 19, 2021 to Z Squared Construction, Inc. in the amount of \$4,511,000 with construction beginning in August 2021.

Per Rancho Cordova Municipal Code, Section 3.60.110 C, the City Manager has given the authority to approve change orders up to 10% of the original contract value. Three change

orders were previously approved under the City Manager's signature authority for work, including modifications related to extra debris/tree removal, replacement of the mechanical screen walls, additional concrete work, new backflow prevention devices, fence modifications, electrical breakers, stucco sliding and trim and other repairs as needed as related to utilities. The total value of change orders numbers 1 through 3 was \$379,409 increasing the contract value to a current total of \$4,890,409.00.

Contract Change Order No. 4 covers audio visual equipment, upgrades to existing switchboard, power distribution equipment, parking lot overlay modifications, added fence and gates with fence alignment changes that were in addition to the base scope of work. Contract Changer Order No. 4 is valued at \$455,286.00 which exceeds the City Manager's signature authority, thus requiring Council approval. City Staff has been coordinating, reviewing and finalizing the additional scope and costs with the Contractor. Staff deem the scope necessary to complete the project and the costs to be within industry standards.

FISCAL IMPACT AND FUNDING SOURCE

The total project budget for the capital improvements is \$6.995 million, consisting of \$1 million from Capital Facility Projects Fund, \$4.495 million from Community Enhancement Fund, \$1 million from Community Investment Fund and \$500,000 from Park Renovation Fund.

This project is included in the City's current approved Capital Improvement Plan and in the FY 21/23 budget.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT CHANGE ORDER NO. 4 IN THE AMOUNT OF \$455,286 WITH Z SQUARED CONSTRUCTION, INC. AND TO INCREASE THE CONTRACT AMOUNT FROM \$4,890,409 TO AN AMOUNT NOT TO EXCEED \$5,345,286 FOR THE CONSTRUCTION OF THE RANCHO CORDOVA YOUTH CENTER

WHEREAS, on July 19, 2021 the City awarded the Rancho Cordova Youth Center Project to the lowest responsive bidder, Z Squared Construction, Inc. in the amount of \$4,511,000 (Contract 2021-256); and

WHEREAS, previously approved Contract Change Orders No. 1, 2 and 3 in the total amount of \$379,409 increased the construction contract to \$4,890,409; and

WHEREAS, it will be necessary to modify the plans and specifications with Contract Change Order No. 4 in the total amount of \$455,286 and increase the construction contract to \$5,345,695; and

WHEREAS, the work covers the purchase of audio visual equipment, upgrades to existing switchboard, power distribution equipment, parking lot overlay modifications, added fence and gates with fence alignment changes; and

WHEREAS, Change Order No. 4 exceeds the amount the City Manager is authorized to approve; and

WHEREAS, this project was reviewed under the requirements of the California Environmental Quality Act as part of the City's Capital Improvement Plan via Council approval of Resolution 117-2021 on July 19, 2021 and is exempt from further review.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does hereby approve Contract Change Order No. 4 in the amount of \$455,286 with Z Squared Construction, Inc. and to increase the contract amount from \$4,890,409 to an amount not to exceed \$5,345,286 for the construction of the Rancho Cordova Youth Center.

MEMORANDUM

ITEM 9.10.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Adam Lindgren, City Attorney
SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AND ON BEHALF OF COMMISSIONS AND COMMITTEES CREATED BY THE CITY COUNCIL PURSUANT TO GOVERNMENT CODE SECTION 54952(B) CONFIRMING THE STATE OF EMERGENCY UNDER GOVERNMENT CODE SECTION 8625, RECOGNIZING CONTINUED MEASURES TO PROMOTE SOCIAL DISTANCING, AND RE-AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE CITY FOR THE PERIOD FROM JUNE 10, 2022 TO JULY 6, 2022**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the attached Resolution would allow the City Council and the City's other legislative bodies to continue to meet via teleconference ("virtually") in a manner substantially similar to the manner in which they have met during the COVID-19 pandemic, if a proclaimed State of Emergency remains in effect and other requirements are satisfied.

BACKGROUND

All meetings of the City Council and the City's other legislative bodies are open and public, as required by the Ralph M. Brown Act, Government Code section 54950 et seq., so that any member of the public may attend, participate, and watch the City's legislative bodies conduct their business. On March 17, 2020, in response to the COVID-19 pandemic, Governor Newsom issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow local legislative bodies to conduct virtual meetings to slow the spread of COVID-19. As a result of Executive Order N-29-20, City Staff set up virtual meetings for the City Council and other City legislative bodies. On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which, effective September 30, 2021, ended the provisions of Executive Order N-29-20 that allowed local legislative bodies to conduct meetings telephonically or by other means.

On September 16, 2021, Governor Newsom signed Assembly Bill 361 ("AB 361"), which allows local legislative bodies to continue to conduct meetings via teleconferencing under specified

conditions. AB 361 took effect upon the expiration of Executive Order N-29-20 on October 1, 2021. On September 20, 2021, the City Council held a meeting in compliance with AB 361's requirements for remote meetings.

In order for AB 361 to remain effective for meetings of the City's legislative bodies, the City Council is required to make specified findings every 30 days. AB 361 allows a legislative body to continue holding meetings utilizing teleconferencing without complying with the standard teleconferencing requirements if a State of Emergency is proclaimed under Government Code section 8625, the City has reconsidered the emergency conditions, and if the local Public Health Officer continues to recommend social distancing measures to protect the public's health and safety during local government meetings. These conditions are present.

Governor Newsom's March 4, 2020 Proclamation of Emergency related to the COVID-19 pandemic is still in effect. The potential spread of COVID-19 continues to threaten public health and safety during indoor public gatherings, including indoor gatherings of the Rancho Cordova City Council and other Rancho Cordova legislative bodies. In addition, the Sacramento County Public Health Officer continues to recommend teleconferencing or social distancing to protect the public's health and safety during local government meetings.

SUMMARY

The attached Resolution makes the required findings that the current conditions exist to allow teleconference meetings pursuant to AB 361 for the City Council and on behalf of all of the legislative bodies commissions and committees created by the City Council pursuant to Government Code section 54952(b). This will allow members of the public to safely observe and participate in local government meetings during the pandemic.

If a meeting is held via teleconference under AB 361, the following requirements apply:

1. Notices and agenda requirements remain the same under the Brown Act;
2. No physical location is required for public attendance or public comment. However, the public must be able to access and participate in the meeting through a call-in or an internet-based service, and instructions for how to participate must appear in the posted notices or agenda;
3. Teleconference meetings must protect the statutory and constitutional rights of the parties and the public;
4. If there is any disruption of the call-in or internet-based service, the agency must suspend the meeting until the problem is fixed;
5. Legislative bodies may allow public comments to be submitted prior to a meeting but must also allow the public to participate in real time through call-in or internet-based service;
6. If an internet-based service requires registration through a third-party, individuals can be required to register with the third-party to participate in the meeting; and
7. When providing a public comment period, whether after each item or during a general comment period, a legislative body must allow reasonable time for members of the public to

comment and must also include reasonable time for members to register with a third-party host if applicable.

FISCAL IMPACT AND FUNDING SOURCE

The cost of continued remote access to Council meetings and the meetings of other City committees.

ATTACHMENT(S)

1. Resolution - AB 361 Rancho Cordova

CITY OF RANCHO CORDOVA

CITY COUNCIL RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AND ON BEHALF OF COMMISSIONS AND COMMITTEES CREATED BY THE CITY COUNCIL PURSUANT TO GOVERNMENT CODE SECTION 54952(b) CONFIRMING THE STATE OF EMERGENCY UNDER GOVERNMENT CODE SECTION 8625, RECOGNIZING CONTINUED MEASURES TO PROMOTE SOCIAL DISTANCING, AND RE-AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE CITY FOR THE PERIOD FROM JUNE 10, 2022 TO JULY 6, 2022

WHEREAS, the City is committed to preserving and promoting public access and participation in meetings of the legislative bodies; and

WHEREAS, all meetings of the City are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950 – 54963), so that any member of the public may attend, participate, and watch the City conduct their business; and

WHEREAS, the Brown Act, Government Code section 54953(e), makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or, the legislative body meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, on September 20, 2021 the City held a meeting during a state of emergency under Government Code section 8625 and during a period of recommended social distancing by state and local officials while complying with Government Code section 54953(e)(2); and

WHEREAS, the City is required to make certain findings every thirty (30) days to continue teleconferencing under Government Code section 54953(e)(3), including reconsideration of the state of emergency declared by the Governor pursuant to Government Code section 8625, and State or local officials continue to impose or recommend measures to promote social distancing; and

WHEREAS, the City continues to experience emergency conditions due to COVID-19, specifically, the highly transmissible SARS-CoV-2 B.1.617.2 ("Delta") continues to threaten public health and safety during indoor public gatherings; and

WHEREAS, the City Council has considered the circumstances of the Governor's state of emergency proclamation pursuant to Government Code section 8625, which remains active; and

WHEREAS, on July 30, 2021, the Sacramento County Health Officer issued an order requiring all individuals, regardless of vaccination status, to wear a mask while indoors in public spaces; and

WHEREAS, the Centers for Disease Control and Prevention ("CDC") continues to recommend physical distancing of at least six feet (6') from others outside of the household; and

WHEREAS, the Sacramento County Health Officer's order incorporates the CDC's guidance for vaccinated and unvaccinated people; and

WHEREAS, the City Council, acting as a legislative body pursuant to Government Code section 54952(a) and for the benefit of the commissions, committees, and other bodies that were created by the City Council pursuant to Government Code section 54952(b) (collectively referred to as the "Legislative Bodies"), does hereby find that the Legislative Bodies shall continue to conduct their meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, and that the Legislative Bodies shall continue to comply with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953 as a consequence of the ongoing state of emergency and the continued social distancing measures required by local officials.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. Affirmation that Local Emergency Persists. The City Council hereby considers the conditions of the state of emergency pursuant to Government Code section 8625 and proclaims that a local emergency persists throughout the City, affirms the Sacramento Health Order's required and recommended measures to promote social distancing, and finds that the conditions continue to exist pursuant to Government Code section 54953(e)(3) to allow the Legislative Bodies to use teleconferencing to hold public meetings in accordance with Government Code section 54953(e)(2) to ensure members of the public have continued access to safely observe and participate in local government meetings.

Section 3. Remote Teleconference Meetings. City Staff are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, continuing to conduct open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.

Section 4. Effective Date of Resolution. This Resolution shall take effect immediately upon its adoption and shall be effective until the earlier of (i) July 6, 2022 or such time the City Council adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative bodies of City may continue to teleconference without compliance with paragraph (3) of subdivision (b) of section 54953.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova, this 6th day of June 2022, by the following vote:

MEMORANDUM

ITEM 9.11.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Michelle Mingay, Senior Finance Analyst
SUBJECT: **A RESOLUTION DETERMINING THE SPECIAL TAX LEVY AND AUTHORIZING THE LEVY OF SPECIAL TAXES FOR POLICE PROTECTION SERVICES WITHIN THE RANCHO CORDOVA SPECIAL POLICE TAX AREA FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

The Resolution is part of the annual process to levy and collect special taxes in the Rancho Cordova Special Police Tax Area (the "District"). The action would authorize and direct the Administrative Services Director to determine, or cause to be determined, the District's Fiscal Year 2022-23 Maximum Special Tax Rates, to establish the Special Taxes to be levied against developed parcels within the District and to cause such charges to be applied to the annual Property Tax Roll.

BACKGROUND

In 2003, the City recognized the need for increased police protection services in new developments, and the difficulty of funding the increased level of services with existing municipal revenues. On July 1, 2003, the City Council adopted Resolution No. 30-2003, providing for a special tax to be imposed on newly developed parcels within the District for the purpose of funding police protection services and such related costs, as provided by Government Code Section 53978.

In order to implement this funding mechanism, the City negotiated provisions of development agreements by which property owners agreed to support the levy of a police services special tax on the properties within their developments. The City also included this provision as a condition of approval for developments without development agreements.

The annual levy of special taxes was approved and authorized by a vote of 2/3 of each Zone's property owners and through various Ordinances. Each Zone's Ordinance established a base year special tax rate and an annual special tax rate escalation formula. Each year, the Special Tax Rate for the developed parcels within the District shall increase by the annual percentage increase in the April Consumer Price Index (San Francisco-Oakland-San Jose, CA) as reported

by the Bureau of Labor Statistics. The Ordinances also direct the City Council to determine the amount of the annual special tax levy.

The District is currently comprised of twenty-four (24) Special Police Tax Zones. The special tax, which is to be levied annually following the issuance of a building permit, shall be billed as a separate line item on the respective parcel's property tax bill. The District's FY 2022-23 Special Tax Levy is projected to be \$1,477,433. The District's FY 2021-22 Special Tax Levy was \$1,407,098.

In order to proceed with this year's levy, it is recommended that the City Council approve the attached Resolution which approves the District's Escalation Factors to be used to calculate the District's Fiscal Year 2022-23 Maximum Special Tax Rates, authorizes and directs the Administrative Services Director to use the tables within Attachment 2 to determine, or cause to be determined, the District's Fiscal Year 2022-23 Maximum Special Tax Rates, to establish the Special Taxes to be levied to the District parcels for the fiscal year and to cause such charges to be applied to the County Property Tax Roll in order to provide funding for police protection services and such related costs.

FISCAL IMPACT AND FUNDING SOURCE

The Special Tax Levy is projected to provide \$1,477,433 in revenues which shall be used solely for the purposes of obtaining, operating and maintaining police protection equipment and apparatus, paying salaries and benefits of police protection personnel and for such other police protection service expenses, excepting the charges imposed by the County to place the special taxes onto the County tax roll in pursuant to Government Code Section 53978.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, DETERMINING THE SPECIAL TAX RATES AND AUTHORIZING THE LEVY OF SPECIAL TAXES FOR POLICE PROTECTION SERVICES WITHIN THE RANCHO CORDOVA SPECIAL TAX AREA FOR FISCAL YEAR 2022-2023

WHEREAS, on July 1, 2003, the City Council adopted Resolution 30-2003, establishing all of the City of Rancho Cordova as the Rancho Cordova Special Police Tax Area (hereinafter referred to as the "Special Police Tax Area" or "District"); and

WHEREAS, the City Council has previously adopted Resolutions and Ordinances creating several Zones within the Special Police Tax Area and establishing proposed Special Taxes for each Zone pursuant to Government Code Section 53978; and

WHEREAS, the City Council has previously directed the City Clerk to conduct elections through a mailed ballot proposition, pursuant to Elections Code Section 4000, for each Zone and has received favorable votes from the qualified electors approving and authorizing the levy of special taxes onto the parcels within each Zone pursuant to Government Code Section 53978; and

WHEREAS, the City Council desires to authorize the Administrative Services Director to determine the special taxes and to apply the special taxes against the taxable parcels of land lying within the Zones of the Special Police Tax Area for the fiscal year commencing July 1, 2022 and ending June 30, 2023 in order to generate funding for police protection services and such related costs as provided by Government Code Section 53978; and

WHEREAS, City Council and its legal counsel have reviewed Proposition 218 and found that these Special Taxes comply with applicable provisions of Article XIII C and Article XIII D of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these Special Taxes onto the County roll and tax bills for the City of Rancho Cordova.

NOW, THEREFORE, BE IT HEREBY RESOLVED, DETERMINED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA FOR THE DISTRICT, AS FOLLOWS:

Section 1 The City Council hereby approves the District's Base Maximum Special Tax Rates together with the fiscal year 2022-23 Escalation Factors, both of which are attached hereto as Exhibit A, that shall be used to determine the District's fiscal year 2022-23 Special Tax Rates. Furthermore, each taxable parcel shall be taxed at 100% of the Maximum Special Tax Rate.

Section 2 The City Council hereby authorizes and directs the Administrative Services Director to use the attached Exhibit A to determine, or cause to be determined, the fiscal year 2022-23 Special Tax Rate for each District parcel, to establish the Special Taxes to be levied to the District parcels for the fiscal year 2022-23 and to cause such charges to be applied to the County Tax Roll.

Section 3 The Special Tax rates shall not exceed the Maximum Special Tax Rates authorized and approved by the qualified electors.

Section 4 The Special Tax rates shall not exceed the Maximum Special Tax Rates established through the Ordinances adopted by the City Council.

Section 5 The revenues from such special taxes shall be used for the services for which it was imposed, and for no other purpose, excepting the amount of collection costs imposed by the County to place the special taxes onto the County tax roll pursuant to Government Code Section 53978.

Section 6 The County Auditor of the County of Sacramento shall enter on the County Tax Roll opposite each eligible parcel of land the amount of such levy amounts submitted by Francisco & Associates, Inc, the Administrative Services Director's designate. Such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to Government Code Section 53978.

Section 7 After collection by the County, the net amount of the levy shall be paid to the City Treasurer. The City Treasurer shall deposit all money representing special taxes collected by the County for the District to the credit of an account for the Rancho Cordova Special Police Tax.

Section 8 The adoption of this Resolution authorizes the District levy for the fiscal year commencing July 1, 2022, and ending June 30, 2023.

Section 9 Francisco & Associates, Inc. is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Francisco & Associates, Inc. within two weeks of adoption via either e-mail to BrianB@franciscoandassociates.com or US Mail to: 5927 Balfour Court, Suite 109, Carlsbad, CA. 92008 - Attn: Brian Brown.

Section 10 The above recitals are all true and correct. The City Clerk shall certify the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the above City Council action.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by the following vote:

Exhibit A**City of Rancho Cordova
Rancho Cordova Special Police Tax Area
Fiscal Year 2022/23 Special Tax Rates****BASE YEAR MAXIMUM SPECIAL TAX RATES**

The following table lists the Rancho Cordova Special Police Tax Area's (the "Area") Base Maximum Special Tax Rates for each Zone. Upon the issuance of a building permit, each Area parcel shall be levied at its respective Base Maximum Special Tax Rate in the following fiscal year. Each year thereafter, the Maximum Special Tax Rate of each taxable parcel shall be increased using the annual percentage change in the area's April Consumer Price Index.

Zone	Base Tax Rate Per Residential Unit / Residential Parcel	Base Tax Rate Per Non-Residential Acre / Non-Residential Parcel
1	\$250.00 / unit	Not Applicable
2	\$250.00 / unit	\$653.40 / acre
2A	\$450.00 / unit	\$1,000.00 / acre
3	\$250.00 / unit	Not Applicable
4	\$250.00 / parcel	\$250.00 / parcel
5	\$250.00 / unit	\$653.40 / acre
6	\$250.00 / unit	\$653.40 / acre
7	\$250.00 / unit	Not Applicable
8	\$250.00 / unit	\$653.40 / acre
15	\$250.00 / unit	\$653.40 / acre ¹
16	\$250.00 / unit	\$653.40 / acre
17	\$250.00 / unit	\$653.40 / acre
18	\$250.00 / unit	\$653.40 / acre
19	\$250.00 / unit	\$653.40 / acre
20	\$250.00 / unit	\$653.40 / acre
21	\$250.00 / unit	\$653.40 / acre
22	\$250.00 / unit	\$653.40 / acre
23	\$250.00 / unit	\$653.40 / acre
24	\$250.00 / unit	\$653.40 / acre
25	\$250.00 / unit	\$653.40 / acre
26	\$251.00 / unit	\$653.40 / acre
29	\$450.00 / unit	\$1,000.00 / acre
38	\$450.00 / unit	\$1,000.00 / acre
39	\$250.00 / unit	Not Applicable

¹ Industrial Parcels in Zone 15 are levied \$1,000 per parcel and all other Non-Residential properties are to be levied the base rate of \$653.40 per acre.

ITEM 9.11.

Exhibit A to the Resolution

Parcels within Zones 9, 10, 11, 12, 13, 14, 27, 28, 30, 31, 32, 33, 34, 35, 36 and 37 are no longer levied through the Special Police Tax Area as these services are being funded through other revenue sources.

FISCAL YEAR 2022/23 ESCALATION FACTORS

The Maximum Special Tax Rate of each taxable parcel shall be increased using the annual change in the San Francisco-Oakland-San Jose, CA Consumer Price Index (the "CPI"). The annual increase in the CPI from the previous year is 4.99614%.

The following table lists the Fiscal Year 2022/23 Escalation Factors to be applied to the above Base Year Maximum Special Tax Rates to determine the Fiscal Year 2022/23 Maximum Special Tax Rates. The Escalation Factors are calculated each year using the annual changes in the April CPI. The date of a parcel's building permit establishes the base CPI. The base CPI and the most recent April CPI are used to determine the Escalation Factor to be applied to each taxable parcel. For example, the escalation factor for a parcel receiving a building permit on July 1, 2004, would be 1.604336 (324.878 divided by 202.50).

To determine the Maximum Special Tax Rates, each taxable parcel's Base Year Maximum Special Tax Rate shall be multiplied by the applicable Escalation Factor. For example, a residential parcel in Zone 1 would have a base tax rate of \$250 per unit; had this parcel received a building permit on July 1, 2004, its escalation factor would be 1.604336. Therefore, its Maximum Special Tax Rate would be \$250.00 x 1.604336 or \$401.08 per unit.

Date of Building Permit	Month and Year of CPI Factor	CPI Factor⁽¹⁾	Escalation Factor to be Applied to Base Rate⁽²⁾
July 1, 2004 - June 30, 2005	April 2005	202.500	1.604336
July 1, 2005 - June 30, 2006	April 2006	208.900	1.555184
July 1, 2006 - June 30, 2007	April 2007	215.842	1.505166
July 1, 2007 - June 30, 2008	April 2008	222.074	1.462927
July 1, 2008 - June 30, 2009	April 2009	223.854	1.451294
July 1, 2009 - June 30, 2010	April 2010	227.697	1.426800
July 1, 2010 - June 30, 2011	April 2011	234.121	1.387650

² Escalation factors have been rounded for presentation purposes.

SPECIAL TAX RATES

Each taxable parcel shall be taxed at 100% of the Maximum Special Tax Rate.

MEMORANDUM

ITEM 9.12.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Michelle Mingay, Senior Finance Analyst
SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DECLARING ITS INTENTION TO TRANSFER DELINQUENT REFUSE SERVICE CHARGES TO THE PROPERTY TAX ROLLS AND TO SET A PUBLIC HEARING FOR THE SAME**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would begin the process to allow delinquent refuse service charges to be collected on the property tax roll and sets a Public Hearing for July 18, 2022 at 5:30 pm in the City Council Chambers.

BACKGROUND

The Collection Services Contract ("Contract"), between the City of Rancho Cordova and Republic Services, formerly Allied Waste Services, ("Republic"), for residential garbage collection and recycling, allows Republic to take any action legally available to collect past due amounts. Pursuant to Government Code sections 38790.1 and 25831, one such action is for the City to assist Republic by placing the delinquent accounts on the property tax roll.

The City's Municipal Code allows for the property tax rolls to be utilized for collecting delinquent charges, but in order for the City to assist Republic, the City Council must approve two separate Resolutions prior to recording a tax levy for delinquent residential solid waste accounts. The first resolution, which is the subject of tonight's meeting, establishes the intent of the City Council to transfer delinquent residential solid waste accounts to the tax rolls, as well as sets a Public Hearing for July 18, 2022 at 5:30 p.m. to take comments and objections from the public regarding the transfer of delinquent residential solid waste accounts to the tax roll. At the conclusion of the Public Hearing, the Council will be asked to adopt the second resolution titled "A Resolution of the City Council of the City of Rancho Cordova Authorizing Delinquent Residential Solid Waste Service Charges to be collected on the Property Tax Roll."

As of May 17, 2022, there are a total of 935 delinquent accounts eligible to be transferred to the tax roll, with a total balance due \$384,427.36. This amount includes a ten percent (10%) penalty which will be added to the tax roll to cover the cost for the City to administer the

program.

In order to proceed with the levy of assessments, it is requested that Council adopt A Resolution of Intention of the City Council of the City of Rancho Cordova to Transfer Delinquent Refuse Service Charges to the Tax Roll. Approval of this resolution also sets July 18, 2022 at 5:30 p.m. as the date and time for a public hearing on the issue. Notice of the public hearing will be given by publication at least 10 days prior.

FISCAL IMPACT AND FUNDING SOURCE

The City will receive a 10% administrative fee, based on the final balance transferred to the property tax roll, to cover the cost of administering the program.

2. Rancho Cordova Residential Delinquent Listing

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, TO TRANSFER DELINQUENT REFUSE SERVICE CHARGES TO THE 2022-2023 PROPERTY TAX ROLL

WHEREAS, in 2017 the City of Rancho Cordova executed the Collection Services Contract with Allied Waste Services of North America, LLC, a subsidiary of Republic Services ("Republic") for the provision of residential solid waste collection and recycling services; and

WHEREAS, the Collection Services Contract requires Republic to bill residential solid waste accounts for garbage and recycling services; and

WHEREAS, pursuant to Government Code sections 38790.1 and 25831, the City may assist Republic Services in collection of past due accounts; and

WHEREAS, the property tax collection process has been used for many years, by both the City of Rancho Cordova and the County of Sacramento, to collect delinquent utility charges.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA that it is the opinion of the Council that the public interest and convenience require, and that it is the intention of this Council to order delinquent refuse charges and late penalties collected on the tax roll at the time and in the manner as the general tax levy for County purposes; and

BE IT FURTHER RESOLVED that this Council hereby gives notice that it sets July 18, 2022 at the hour of 5:30 PM in the Council Chambers located at 2729 Prospect Park Drive in the City of Rancho Cordova, California as the time and place for any and all persons having objections to the proposed collection of delinquent refuse charges and late penalty on the tax roll to appear before the Council and show cause as to why the proposed action herein described should not be carried out in accordance with this Resolution; and

BE IT FURTHER RESOLVED that this Council hereby gives notice that any owner of property liable to be assessed for a delinquent refuse charge may, at any time not later than the hour set for hearing objections to the proposed collection of such delinquent charges on the tax roll, make and file with the City Clerk a written protest against the proposed action herein described and/or against the amount of such charges; and

BE IT FURTHER RESOLVED that the City Clerk shall cause a summary of this Resolution to be published in the Grapevine Independent, a newspaper published and circulated in the City of Rancho Cordova, which said newspaper is hereby designated for that purpose.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by following vote:

MEMORANDUM

ITEM 9.13.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Elizabeth Sparkman, Community Development Director
Dalia Fadl, Principal Engineer
SUBJECT: **A RESOLUTION DECLARING THE RESULTS OF A MAIL BALLOT ELECTION RELATING TO THE IMPOSITION OF THE ANNUAL STORMWATER UTILITY FEE FOR THE GRANTLINE 220 PROJECT IN THE CITY OF RANCHO CORDOVA**

RECOMMENDATION

Adopt the Resolution declaring the results of the mail ballot election relating to the imposition of the Annual Stormwater Utility Fee for the Grantline 220 project.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would declare the results of the ballot tabulation in connection with the imposition of the annual Stormwater Utility Fee on the Grantline 220 project. Since majority approval exists, the City Council may impose the annual Stormwater Utility Fee on the Grantline 220 project pursuant to the Fee Ordinance.

BACKGROUND

The City Council previously adopted a Resolution on March 21, 2022 declaring its intention to impose the annual Stormwater Utility Fee ("Fee") pursuant to Ordinance No. 7-2014 on the Grantline 220 project. A protest hearing was conducted on April 4, 2022, at which time no written protest was received from the property owners representing a majority of the parcels subject to the Fee. Council then adopted a Resolution authorizing the mailing of property owner ballots for the purpose of submitting the Fee to a vote of the owners, subject to the Fee.

The Clerk has tabulated the ballots returned by the property owners for the Grantline 220 project. The majority vote of the owners of the parcels approved imposing the annual Fee on the Grantline 220 project pursuant to the Ordinance. The Council action tonight is to adopt the Resolution declaring the results of the mail ballot election.

FISCAL IMPACT AND FUNDING SOURCE

There is no impact to the City's General Fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, DECLARING THE RESULTS OF A MAIL BALLOT ELECTION RELATING TO THE IMPOSITION OF THE ANNUAL STORMWATER UTILITY FEE FOR THE GRANTLINE 220 PROJECT IN THE CITY OF RANCHO CORDOVA

WHEREAS, on March 21, 2022, the City Council adopted a Resolution declaring its intention to impose the Annual Stormwater Utility Fee ("Fee") for the Grantline 220 project; and

WHEREAS, Article XIII D of the California Constitution (Proposition 218) requires the City to follow certain procedural and substantive requirements relating to the imposition of property-related fees and charges (as defined in Proposition 218); and

WHEREAS, the City has determined that the Fee is a property related fee, subject to the provisions of Proposition 218; and

WHEREAS, before imposing the Fee, the City Council is required to hold a noticed public hearing on a written report (the "Written Report") containing a description of each parcel of real property within the City to which the Fee is applicable and the amount of the Fee for each such parcel for Fiscal Year 2021-2022 and to consider protests to the Fee and, if a majority protest is not received at the public hearing, the Council must submit the question of the imposition of the Fee to a vote of the owners of the property subject to the proposed Fee for approval before the proposed Fee may be levied; and

WHEREAS, in accordance with Proposition 218 the City Council held a duly noticed public hearing on the matter of the Written Report and the proposed Fee on April 4, 2022 and took testimony, both written and oral; and

WHEREAS, having determined a written protest was not received from property owners representing a majority of the parcels subject to the Fee, the City Council adopted a Resolution authorizing the mailing of the property owner ballots (the "Ballot Measure") for the purpose of submitting the Fee to a vote of the owners of parcels subject to the Fee, and subject to approval by a majority vote of the owners of parcel subject to the Fee; and

WHEREAS, pursuant to the terms of Ordinance No. 7-2014 and the unanimous consent of the property owner, the Property Owner Balloting was conducted and completed, and the City Clerk has on file a Certificate of the City Clerk as to the Results of the Canvass of the Ballot Return in Connection with the Proposed Stormwater Utility Fee (the "Certificate"), a copy of which is attached hereto as Exhibit B and by this reference incorporated herein.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA:

1. The above recitals are true and correct.
2. The Certificate is hereby accepted into the records of the City.
3. The Ballot Measure is authorized as set forth in Exhibit A attached hereto and by this reference incorporated herein.

ITEM 9.13.

4. The results of the Ballot Measure are as set forth in the Certificate on file with the City Clerk and attached to this Resolution as Exhibit B ("Certificate").
5. The City Clerk is authorized to declare the results of the mail ballot election relating to the imposition of the Stormwater Utility fee on the Grantline 220 project.
6. Pursuant to said Certificate, the Ballot Measure submitted was approved by a majority vote of the owner of parcels subject to the Fee, the Fee is hereby imposed pursuant to Ordinance No. 7-2014 on the Grantline 220 project.

Rancho Cordova Stormwater Utility Fee – Official Property Owner Ballot

The person completing and submitting this Property Owner Ballot must be the owner of the property identified above or the representative of the owner of such property who is legally authorized to complete and submit this ballot for and on behalf of the owner. The enclosed "Summary of Property Owner Ballot Procedures" has been provided to assist you in filling out the ballot. If there are two or more property owners, only one needs to sign and return the ballot. One ballot will be counted per property.

Assessor's Parcel Numbers: **067-0040-010-0000**

Property Address: South of Douglas Road, east of Grantline Road.

Designation: Vacant Land

Total Parcel(s) Area (acres): 220.15

Assessor's Parcel Numbers: **067-0040-010-0000**Owner Name: **Lennar Homes of California, LLC**

Proposed Maximum FY 2021-2022 Annual Fee Amount: \$137.62 per DMU

In order to provide the City of Rancho Cordova with a dedicated funding source to repair, reconstruct and maintain the storm drain system and to protect water quality, shall the City impose an annual Stormwater Utility Fee as shown in the Rate Analysis Report, dated 8/7/2014?

**YES** I support the proposed annual Stormwater Utility Fee**NO** I oppose the proposed annual Stormwater Utility Fee

I hereby declare, under penalty of perjury under the laws of the State of California, that I am the owner, or the authorized representative of the owner, of the parcel identified above. Your ballot will not be counted if you do not sign below.

Date

Printed Name

Signature

If approved by a majority of the returned ballots, the proposed maximum annual Storm Drain User Fee rate for FY 2021-2022 will be \$137.62 per Drainage Measurement Unit (DMU). The maximum rate per DMU will increase annually by the amount of the increase of the CPI. However, each year the City Council will hold a public hearing and determine the actual rate per DMU that will be charged. At the annual public hearing, the City Council will set the actual rate for the next year, which would be equal to or less than the annual maximum rate. The Council may decide to reduce the rate or set the rate to \$0 per DMU in any fiscal year.

Please mark your ballot in ink and return the entire page.

Upon completion, fold the ballot, place it in the addressed, return envelope and seal the envelope. Pursuant to the enclosed instructions, mail the ballot to the address shown on the return envelope, or deliver to the City Clerk at City Hall located at 1:30 Tuesday May 10, 2022.

MEMORANDUM

ITEM 9.14.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Albert Stricker, Public Works Director
Dalia Fadl, Principal Engineer
SUBJECT: **A RESOLUTION TO APPROVE THE APPOINTMENT OF CITY AND GOLDEN STATE WATER COMPANY REPRESENTATIVES TO THE GOVERNING BOARD OF THE SACRAMENTO CENTRAL GROUNDWATER AUTHORITY**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would appoint City and Golden State Water Company Representatives to the Sacramento Central Groundwater Authority (SCGA) Board of Directors.

BACKGROUND

On August 7, 2006, the City Council authorized the creation of the Sacramento Central Groundwater Authority (SCGA) through execution of a Joint Powers Agreement (JPA) with the Cities of Elk Grove, Folsom, Sacramento, and the County of Sacramento. The purpose of the SCGA is to:

- Maintain the long-term sustainable yield of the Central Groundwater Basin.
- Manage the use of groundwater in the Central Groundwater Basin.
- Coordinate efforts among those entities represented on the governing board of the SCGA to devise and implement strategies to safeguard groundwater quality.
- Work collaboratively with other entities to promote coordination of water policies and activities throughout the region.

The JPA was first amended in 2017 to allow the Florin Resources Conservation District/Elk Grove Water Service, the Omoichumne-Hartnell Water District, and the Rancho Murieta Community Services District to appoint a designated employee to the SCGA Governing Board. The JPA was amended for the second time in 2021 to incorporate the adjustment of SCGA's boundaries, change in governing board membership based on the boundary adjustments, modify its governing board membership eligibility criteria, and update technical definitions.

As outlined in the JPA, City of Rancho Cordova staff and Golden State Water representatives are appointed by the Rancho Cordova City Council to the SCGA Board. Staff recommends that Council appoint the following members and alternates to the SCGA Board:

Organization	Nominees and Alternates
City of Rancho Cordova	Albert Stricker, Public Works Director Dalia Fadl, Principal Engineer (alt)
Golden State Water Company	Paul Schubert, General Manager Sean Twilla, Water Supply Superintendent (alt)

FISCAL IMPACT AND FUNDING SOURCE

The appointment of representatives to the Governing Board of the SCGA will have no fiscal impact to the City's General Fund.

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, APPROVING THE APPOINTMENT OF CITY AND GOLDEN STATE WATER COMPANY REPRESENTATIVES TO THE GOVERNING BOARD OF THE SACRAMENTO CENTRAL GROUNDWATER AUTHORITY

WHEREAS, on August 7, 2006, City Council authorized the creation of the Sacramento Central Groundwater Authority (SCGA) through execution of a Joint Powers Agreement (JPA) with the Cities of Elk Grove, Folsom, Sacramento and the County of Sacramento; and

WHEREAS, one of the primary purposes of the JPA is to maintain the sustainable yield of the Central Groundwater Basin; and

WHEREAS, the Cities and County make appointments to the Governing Board of the SCGA as set forth in the JPA; and

WHEREAS, members of the Governing Board serve four-year terms and are subject to reappointment; and

WHEREAS, the Golden State Water Company representative shall be appointed by the Rancho Cordova City Council as set forth in the JPA.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA does appoint the following individuals to serve on the Sacramento Central Groundwater Authority Board of Directors.

Organization	Nominees and Alternates
City of Rancho Cordova	Albert Stricker, Public Works Director Dalia Fadl, Principal Engineer (alt)

MEMORANDUM

ITEM 9.15.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Stacy Leitner, City Clerk
SUBJECT: **A RESOLUTION CALLING THE NOVEMBER 8, 2022 GENERAL MUNICIPAL ELECTION FOR TWO CITY COUNCIL SEATS**

RECOMMENDATION

Adopt the Resolution calling the November 8, 2022 General Municipal Election and requesting that the Sacramento County Board of Supervisors consolidate the General Municipal Election with the statewide election.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would allow for the consolidation of the general municipal election with the statewide election to be held on November 8, 2022 and to obtain election services from the Sacramento County Voter Registration and Elections Department. The Resolution also adopts the Candidate Statement policy described in the County of Sacramento's Candidates Guide. Exhibit A (Attachment 2) and Exhibit B (Attachment 3) provide the current City map and information on file with the Sacramento Registrar of Voters (ROV). At the general municipal election, two members of the City Council will be elected for full, four-year terms. The Council Member seats currently filled by Linda Budge and Garrett Gatewood expire in December 2022.

BACKGROUND

The City's general municipal election will be held on November 8, 2022. In accordance with Elections Code §10403, the City will file the attached Resolution with the County of Sacramento requesting consolidation of the election and setting forth the offices to be voted upon at the election. The City will also request election services from the County Voter Registration and Elections Department.

The filing period for nomination documents and candidate's statement will be July 18, 2022 through August 12, 2022. If nomination documents for an incumbent are not filed by 5:00 PM on August 12, 2022 any qualified person other than the incumbent shall have until 5:00 PM on August 17, 2022 to file nomination documents for the Council seat.

FISCAL IMPACT AND FUNDING SOURCE

It is estimated that the costs associated with the Election Services will be \$54,000.

ATTACHMENT(S)

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, CALLING THE NOVEMBER 8, 2022 GENERAL MUNICIPAL
ELECTION**

WHEREAS, an election will be held within the City of Rancho Cordova on November 8, 2022 for the purpose of electing two members of the City Council for full, four-year terms; and

WHEREAS, a Statewide General Election will be held within the County of Sacramento on the same day; and

WHEREAS, Elections Code §10403 requires jurisdictions to file with the Board of Supervisors, and a copy with the Registrar of Voters, a Resolution requesting consolidation with a Statewide Election.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA THAT:

1. The City Council of the City of Rancho Cordova requests the Board of Supervisors of Sacramento County to consolidate the regularly scheduled General Municipal Election with the Presidential General Election to be held on November 8, 2022.
2. The Candidate is to pay for the publication of the candidate's statement, pursuant to Elections Code §13307. The limitation on the number of words that a candidate may use in his/her candidate's statement is 200 words; and the City of Rancho Cordova chooses to adopt the policy for Candidate's Statement preparation as described in the County of Sacramento's Candidates Guide under the heading of "Candidate's Statement."
3. The City map and City information on file with the Registrar of Voters and attached as Exhibits A and B are current depictions of the City.
4. The City of Rancho Cordova agrees to reimburse the Registrar of Voters for actual costs accrued for each election, such costs to be calculated by the proration method set forth in the County's current Election Cost to Allocate Procedures on the basis of the amount of services provided to the City of Rancho Cordova.

All those portions of T. 8N., R. 6E., and R. 7E., M.D.B. & M., and all those portions of T. 9N., R. 6E., and R. 7E., M.D.B. & M. and a portion of Rancho Rio De Los Americanos situate in the County of Sacramento, State of California more particularly described as follows:

Beginning at the northwest corner of that certain Parcel Map entitled 'BEING A PORTION OF TRACT 3 AS SHOWN ON "PARTITION OF MAP OF LANDS OF ESTATE OF GEO N. KEY DECEASED" 2 B.M. 28' filed in the office of the Recorder of said County and State in Book 132 of Parcel Maps at Page 20; thence from said Point of beginning along the westerly line of said Parcel Map South 00°57'21" East 3,869.85 feet to the southwest corner of said Parcel Map; thence along the South line of said Parcel Map North 89°05'40" East 466.94 feet; thence South 00°24'30" East 1,520.00 feet to an angle point on the westerly line of Parcel 4 as shown on that certain Parcel Map entitled "PORTION OF RECORD OF SURVEY RECORDED IN 12 R.S. 27" filed in the office of the Recorder of said County and State in Book 29 of Parcel Maps at Page 28; thence along the westerly and northerly boundary line of said Parcel Map the following three (3) courses: 1) North 89°36'00" East 451.50 feet; 2) North 18°48'30" East 1,609.61 feet; and 3) North 89°36'00" East 1,277.31 feet to the northeast corner of said Parcel Map and being the northeast corner of that certain 'AEROJET-GENERAL CORP. 319.5 ACRES' parcel as shown on that certain Record of Survey entitled 'PROPERTY OF AEROJET GENERAL CORPORATION' filed in the office of the Recorder of said County and State in Book 12 of Surveys, Page 27; thence along the northerly and easterly line of said Record of Survey the following two (2) courses: 1) North 89°36'00" East 2,353.15 feet; and 2) South 29°08'30" West 638.25 feet to a point on the East line of Section 3, T. 8N., R. 7E., M.D.M.; thence along said East line of Section 3 South 00° 17'30" East 4,458.00 feet to the southeast corner of said Section 3; thence along the East line of Section 10, T. 8N., R. 7E., M.D.M., as shown on that certain Record of Survey entitled "BEING A PORTION OF THE S.E. SECTION 10, T. 8N., R. 7E., M.D.M." filed in the office of the Recorder of said County and State in Book 37 of Surveys at Page 27, South 00°16'38" East 5,258.48 feet to the southeast corner of said Section 10; thence along the East line of Section 15, T. 8N., R. 7E., M.D.M., South 00°08'45" East 5,258.48 feet to the southeast corner of said Section 15 as shown on that certain Record of Survey entitled 'PORTIONS OF SECTIONS 15 & 22, T. 8N., R. 7E., M.D.B. & M.' filed in the office of the Recorder, County of Sacramento, State of California in Book 19 of Surveys at Page 11; thence along the easterly and southeasterly line of said Record of Survey the following two (2) courses: 1) South 00°08'45" East 2,010.34 feet; and 2) South 41°01'00" West 3,744.15 feet; thence along the centerline of Grant Line Road, a County Road as shown on said Record of Survey, South 41°01'00" West 2,725.12 feet to the intersection of said centerline with the centerline of Middle Jackson Road (a.k.a. Kiefer Road) as shown on said Record of Survey; thence continuing along said centerline of Grant Line Road, South 41°01'00" West 9,272 feet, more or less, to the intersection of said centerline of Grant Line Road with the intersection of the centerline of Jackson Highway, a State Highway; thence along the centerline of said Jackson Highway North 77°03'31" West 5,644 feet more or less to a point on the West line of Section 32 T. 8N., R. 7E., M.D.M.; thence along the West line of Sections 32 and 29 as shown on that certain Parcel Map entitled "SOUTH ½ OF SECTION 29, T. 8N., R. 7E., M.D.M." filed in the office of the Recorder of said County and State Book 146 of Parcel Maps, Page 15, North 01°01'38" West 7,195.30 feet to the northwest corner of said Section 29; thence along the West line of Section 20, T. 8N., R. 7E., M.D.M. as shown on that certain Record of Survey entitled 'SECTION 20, PORTION OF SECTION 17 & PORTION OF FRACTIONAL SECTION 8, T. 8N., R. 7E., M.D.M. filed in the office of the Recorder of said County and State in Book 40 of Surveys, at Page 44, North 00°37'15" West 5,292.24

feet to the northwest corner of said Section 20; thence along the West line of Section 17, T. 8N. R. 7E., M.D.M. the following two (2) courses: 1) North 00°33'05" West 2,631.92 feet; and 2) North 00°56'25" West 2,329.17 feet to the southeast corner of that certain Parcel of land described in that certain Grant Deed recorded in the office of the Recorder, County of Sacramento, State of California in Book 921118 Official Records, Page 343; thence along the South line of said Parcel the following two (2) courses: 1) South 89°03'34" West 100.00 feet; and 2) North 89°52'31" West 84.15 feet; thence westerly to an angle point on the westerly line of the Tract 3 of U.S.B.R. Folsom South Canal; thence along said Westerly line the following five (5) courses: 1) North 46°35'00" West 1,713.00 feet; 2) along the arc of a curve to the left having a radius of 780.00 feet, said arc being subtended by a chord bearing North 62°29'00" West 427.56 feet; 3) North 78°24'00" West 603.00 feet; 4) along the arc of a curve to the right having a radius of 520.00 feet, said arc being subtended by a chord bearing North 39°02'31" 639.53 feet; and 5) North 00°19'00" East 96.50 feet; thence along the southerly boundary of Rancho Rio De Los Americanos North 89°43'00" West 117.1 feet; thence North 07°19'00" West 565.99 feet to the most southerly corner of Tract 1 of U.S.B.R. Folsom South Canal (Book 700126 Official Records, Page 240); thence along the westerly line of said Tract 1 North 30°09'00" West 2,923.4 feet to the southeast corner of Parcel 7 as said Parcel is shown and so designated on that certain Parcel Map of the "COOK CAPITAL CENTER (BEING THAT RECORD OF SURVEY 39 R.S. 8 AND PARCEL 'A', 33 P.M. 49" filed in the office of the Recorder, County of Sacramento, State of California in Book 84 of Parcel Maps, Page 16; thence along the southerly boundary of said Parcel 7 the following eight (8) courses: 1) South 87°53'21" West 2,817.68 feet; 2) North 36°52'03" West 620.82 feet; 3) South 53°16'20" West 877.55 feet; 4) South 88°06'18" West 1,353.50 feet; 5) South 85°31'31" West 1,645.19 feet; 6) North 37°11'05" West 133.50; 7) South 46°22'21" West 173.82 feet; and 8) South 85°29'23" West 77.98 feet; thence South 10°08'21" East 92.24 feet to a point on the centerline of Mather Boulevard, a County Road; thence along said centerline the following five (5) courses: 1) South 71°55'56" West 57.40 feet; 2) along the arc of a curve to the right having a radius of 400.00 feet, said arc being subtended by a chord bearing North 85°55'53" West 301.45 feet; 3) North 63°47'44" West 219.68 feet; 4) along the arc of a curve to the left having a radius of 300.00 feet said arc being subtended by a chord bearing North 79°01'23" West 157.59 feet; and 5) South 85°44'59" West 617.02 feet to the intersection of said centerline of Mather Boulevard, a County Road, with the centerline of Feymoyer Street, a County Road, as shown on that certain Record of Survey entitled, PORTION OF TRACT WM. E. BRYAN 2,129.33 AC. OF RANCHO RIO DE LOS AMERICANOS, 1 B.M. 2, A PORTION OF THE GEORGE HANLON NO. 1 TRACT, 17 B.M. 28, AND A PORTION OF SECTION 19, T. 8N., R. 7E., M.D.M." filed in said Recorder's office in Book 58 of Surveys, Page 15; thence along said centerline of Feymoyer Street as shown on said Survey, South 04°31'31" East 489.28 feet; thence along the centerline of Macready Avenue, a County Road, as shown on said Survey, South 85°29'57" West 1,112.31 feet; thence along the centerline of Bullard Street, as shown on said Survey North 04°23'13" West 226.87 feet to a point on the centerline of Norden Avenue, a County Road, as shown on said Survey; thence along said centerline, the following four (4) courses: 1) South 85°30'33" West 339.45 feet; 2) South 85°30'46" West 338.12 feet; 3) South 85°30'02" West 275.97 and 4) 85°30'17" West 678.14 feet to a point on the centerline of Debellevue Street, a County Road, as shown on said Survey; thence along said Centerline of Debellevue Street, North 04°27'21" West 276.09 feet to a point on the centerline of Mather Boulevard, a County Road, as shown on said Survey; thence westerly along said centerline of Mather Boulevard the following four (4) courses: 1) along the arc of a curve to the right having a radius of 2,000.00 feet, said arc being subtended by a chord bearing North 87°57'17" West 455.50 feet; 2) along the arc of a curve to the left having a radius of 2,000.00 feet, said arc being subtended by a chord bearing North 87°56'51" West 455.92 feet; 3) South 85°29'42" West 308.85 feet; and 4) along the arc of a curve to the left having a radius of 1,500.00 feet, said arc being subtended by a chord bearing South 81°59'06" West 183.89 feet to the intersection with the centerline of Lemay Street,

a County Road; thence along said centerline the following two (2) courses: 1) North 04°27'17" West 197.25 feet; and 2) along the arc of a curve to the right having a radius of 280.00 feet, said arc being subtended by a chord bearing North 27°27'46" East 296.29 feet to a point on the centerline of Peter A. McCuen Boulevard, a County Road; thence southwesterly along the southwesterly prolongation of said centerline of Peter A. McCuen Boulevard to the intersection with the centerline of Old Placerville Road a County Road, as shown on that certain Parcel Map of "MATHER BUSINESS PARK" filed in the office of the Recorder, County of Sacramento, State of California in Book 70 of Parcel Maps, Page 28; thence southwesterly along said centerline of Old Placerville Road the following three (3) courses: 1) South 56°25'09" West 1,931.42 feet; 2) along the arc of a curve to the left having a radius of 2,000.00 feet, said arc being subtended by a chord bearing South 52°01'29" West 313.50 and 3) South 47°31'46" West 795.58 feet to the intersection of said Centerline of Old Placerville Road with the intersection of Routier Road a County Road thence continuing along said centerline of Old Placerville Road the following two (2) courses: 1) South 47°31'46" West 73.39 feet; and 2) along the arc of a curve to the right having a radius of 2000.00 feet, said arc being subtended by a chord bearing South 57°38'23" West 702.17 feet; thence continuing along said centerline of Old Placerville Road, South 67°45'00" West 463.80 feet to the intersection of said centerline with the centerline of Astral Drive, a County Road; thence continuing along said centerline of Old Placerville Road along the southerly line of that certain Plat of Cordova Palms filed in the office of the Recorder of said County and State in Book 105 of Maps, Map No. 10, South 67°45'00" West 1438.50 feet to the southwest corner of said Map; thence continuing along said centerline of Old Placerville Road, South 67°45'00" West 573.32 feet; thence continuing along said centerline of Old Placerville Road South 84°23'55" West 2,517.22 feet to the intersection with the centerline of Bradshaw Road, a County Road; thence along said centerline the following three (3) courses: 1) North 00°35'01" West 496.34 feet; 2) along the arc of a curve to the right having a radius of 2,000.00 feet, said arc being subtended by a chord bearing North 02°26'11" East 210.73 feet; and 3) along the arc of a curve to the left having a radius of 2,000.00 feet said arc being subtended by a chord bearing North 03°33'09" East 132.87 feet; thence continuing northerly along said centerline of Bradshaw Road to the intersection of said centerline with the centerline of Folsom Boulevard, a County Road; thence northeasterly along Road; thence northeasterly along said centerline of Folsom Boulevard to a point which bears South 32°35'40" East 40.00 feet from the southeast corner Parcel One as said Parcel is shown on that certain Parcel Map entitled "PORTION OF ROUTIER 82-46/100A AND OF BOYD 157-85/100A -RANCHO RIO DE LOS AMERICANOS" filed in the office of the Recorder, County of Sacramento, State of California in Book 16 of Parcel Maps, Page 5; thence North 32°35'40" West 40.00 feet to the southeast corner of said Parcel One; thence along the easterly line of said Parcel One the following eight (8) courses: 1) North 22°20'25" West 83.35 feet; 2) North 00°28'00" 68.00 feet; 3) along the arc of a curve to the right having a radius of 103.00 feet, said arc being subtended by a chord bearing North 20°47'29" East 71.56 feet to a point of reverse curvature; 4) along the arc of a curve to the left having a radius of 60.67 feet, said arc being subtended by a chord bearing North 20°47'39" East 42.15 feet; 5) North 00°28'00" East 397.98 feet; 6) South 89°09'30" West 140.00 feet; 7) North 60°51'46" West 47.00 feet; and 8) North 22°47'47" West 62.00 feet to a point on the North line of said Parcel One; thence North 39°22'08" West 115.63 feet to a point on the westerly line of Parcel Two as shown on said Parcel Map filed in the office of the Recorder, County of Sacramento, State of California in Book 16 of Parcel Maps at Page 5; thence along the westerly of said Parcel Two the following seven (7) courses: 1) North 50°00'00" East 164.75 feet; 2) North 42°30'00" East 252.00 feet; 3) North 05°45'00" East 482.00 feet; 4) North 19°27'00" West 217.00 feet; 5) North 22°27'00" East 267.00 feet; 6) North 12°58'00" East 413.00 feet; and 7) North 13°06'00" East 542.80 feet to the most northerly corner of Parcel 2 as said Parcel is shown on said Parcel Map; thence South 54°52'42" West to a point on the centerline of the American River; thence upstream along meanders of said centerline of the American

River to the southwest corner of Parcel 1 as said Parcel is shown on that certain Record of Survey entitled "SOUTHSIDE AMERICAN RIVER PARKWAY" filed in the office of the Recorder, County of Sacramento, State of California in Book 23 of Surveys at Page 1; thence along the westerly line of said Record of Survey the following thirty six (36) courses: 1) North 15°20'53" West 55.47 feet; 2) North 08°20'43" West 523.00 feet; 3) North 19°59'43" West 231.00 feet; 4) North 36°18'53" West 228.00 feet; 5) North 44°59'43" West 574.42 feet; 6) North 58°35'43" West 378.33 feet; 7) North 31°49'38" West 511.38 feet; 8) North 07°48'23" East 438.06 feet; 9) North 13°14'14" East 504.40 feet; 10) North 28°57'44" East 653.71 feet; 11) North 29°49'24" East 371.41 feet; 12) North 36°41'24" East 349.33 feet; 13) North 46°51'26" East 421.59 feet; 14) North 56°59'29" East 200.16 feet; 15) North 34°23'49" East 318.21 feet; 16) North 50°49'45" East 612.38 feet; 17) North 58°40'07" East 801.94 feet; 18) South 73°21'43" East 503.63 feet; 19) South 63°17'47" East 926.57 feet; 20) North 64°55'57" East 721.52 feet; 21) North 36°16'50" East 842.10 feet; 22) North 43°04'11" East 399.70 feet; 23) North 49°01'50" East 520.00 feet; 24) North 79°57'00" East 324.92 feet; 25) North 88°18'32" East 301.08 feet; 26) North 61°10'02" East 107.97 feet; 27) North 52°42'20" East 840.78 feet; 28) North 30°31'50" East 750.00 feet; 29) North 38°17'26" East 386.86 feet; 30) North 23°22'48" East 1,118.87 feet; 31) North 22°30'52" East 417.85 feet; 32) North 37°57'16" West 697.53 feet; 33) North 32°02'39" West 627.63 feet; 34) North 00°51'06" East 493.12 feet; 35) North 16°18'50" East 652.30 feet; and 36) North 22°29'51" East 826.77 feet; thence North 22°29'51" East 664.04 feet; thence North 47°24'51" East 965.25 feet; thence North 54°17'51" East 407.22 feet; thence South 44°30'00" East 155.40 feet to an angle point on the westerly line of Parcel No.6 as said Parcel is shown on said Record of Survey (Book 23 of Surveys, Page 1); thence along the westerly line of said Record of Survey the following nineteen (19) courses: 1) North 54°46' East 965.70 feet; 2) North 47°26'32" East 597.34 feet; 3) North 57°57'31" East 348.09 feet; 4) North 85°16'51" East 1,044.28 feet; 5) South 63°19'09" East 609.40 feet; 6) South 31°46'37" East 282.33 feet; 7) South 05°18'09" West 335.44 feet; 8) South 37°11'36" West 531.01 feet; 9) South 19°51'18" West 612.41 feet; 10) South 06°16'21" East 832.92 feet; 11) South 33°11'44" East 642.92 feet; 12) South 52°24'52" East 624.66 feet; 13) South 81°35'00" East 395.30 feet; 14) North 59°10'45" East 456.44 feet; 15) North 36°55'58" East 1,017.09 feet; 16) North 34°29'30" East 500.00 feet; 17) North 36°07'42" East 275.96 feet; 18) North 45°17'47" East 1,502.62 and 19) North 43°27'38" East 2,970.33 feet; to the most northerly corner of Parcel No.8 as said Parcel is shown on said Record of Survey; thence along the easterly line of Parcel No.8 and Parcel No. 9 of said Record of Survey, South 25°03'40" East 1,053.67 feet; thence North 64°56'20" East 50.00 feet to a point on the centerline of Sunrise Boulevard, a County Road as shown on that certain Plat of 'GOLD RIVER UNIT NO. 16 A' filed in the office of Recorder, County of Sacramento, State of California in Book 186 of Maps, Map No.6; thence southeasterly along said centerline to the beginning of an arc of a curve to the right having a radius of 1,999.01 feet as shown on said Map, said arc being subtended by a chord bearing South 04°00'00" East 1,206.50 feet; thence continuing along said centerline South 13°33'51" East 1,787.86 feet to the intersection with the centerline of Coloma Road, a County Road; thence along said centerline of Coloma Road as shown on that certain Record of Survey entitled 'A PORTION OF SUBDIVISIONS "THOMAS COX 615 43/100 A. AND HENRY S. MELLER, 176A.", RANCHO RIO DE LOS AMERICANOS ,BEING ALSO A PORTION OF PARCEL 'L', BOOK 22 ROS PAGE 16' filed in the office of the Recorder said County and State in Book 39 of Surveys at Page 32, North 79°45'44" East 446.87 feet to the centerline of Citrus Road, a County Road; thence along said centerline of Citrus Road South 11°49'10" West 2,733 feet more or less to a point on the centerline of California State Highway 50; thence along said centerline South 63°00'00" West 1,960 feet more or less to a point on the centerline of Sunrise Boulevard, a County Road' thence southeasterly along said centerline of Sunrise Boulevard to the intersection of said centerline with the centerline of Trade Center Drive, a County Road as shown on that certain Parcel Map entitled "PARCEL 7 OF 47 P.M. 28, AND A PORTION OF LOTS 3 & 4 BLOCK 3 OF NATOMAS CONSOLIDATED OF CALIFORNIA SUBDIVISIONS NO.2, 14 B.M. 20"

filed in the office of the Recorder of said County and State in Book 138 of Parcel Maps, Page 15; thence continuing along said centerline of Sunrise Boulevard the following two (2) courses: 1) South 32°08'30" East 168.54 feet; and 2) along the arc of a curve to the right having a radius of 3,000.00 feet, said arc being subtended by a chord bearing South 19°58'18" East 1257.12 feet; thence continuing along said centerline of Sunrise Boulevard as shown on that certain Parcel Map entitled "LOT 5 AND PORTION OF LOT 4 OF BLOCK 3, LOTS 1 AND 3 AND PORTION LOTS 2, 4 AND 5 OF BLOCK 7, NATOMAS CONSOLIDATED OF CALIFORNIA SUBDIVISION NO.2 RECORDED IN 14 B.M. 20 AND A PORTION OF PROJ. SEC. 36, T. 9N., R. 6E., M.D.M." filed in the office of the Recorder of said County and State in Book 50 of Parcel Maps at Page 26 the following two (2) courses: 1) along the arc of a curve to the right having a radius of 3,000.00 feet said arc being subtended by a chord bearing South 04°38'59" East 342.75 feet; and 2) South 01°22'30" East 3285.21 feet to the intersection of said centerline with the centerline of White Rock Road, a County Road; thence continuing along said centerline of Sunrise Boulevard as shown on that certain Parcel Map of "SUNRISE PARK" filed in the office of the Recorder of said County and State in Book 80 of Parcel Maps at Page 6 South 01°56'36" East 1,174.76 feet to the intersection of Sanders Drive, A County Road as shown on said Parcel Map; thence along said centerline the following five (5) courses: 1) North 88°03'24" East 135.00 feet; 2) along the arc of a curve to the right, said arc being subtended by a chord bearing South 86°46'47" East 180.00 feet to a point of reverse curvature; 3) thence along the arc of a curve to the left having a radius of 1,500.00 feet, said arc being subtended by a chord bearing South 85°26'29" East 200.14 feet; 4) South 89°16'00" East 341.41 feet; and 5) along the arc of a curve to the right having a radius of 1,500.00 feet said arc being subtended by a chord bearing South 86°33'57" East 141.37 feet; thence along the centerline of Gold Valley Drive, a County Road as shown on said Parcel Map the following four (4) courses: 1) along the arc of a curve to the left having a radius of 1,500.00 feet, said arc being subtended by a chord bearing North 00°30'59" West 347.51 feet; 2) North 07°10'06" West 723.51 feet; 3) along the arc of a curve to the right having a radius of 520.00 feet, said arc being subtended by a chord bearing North 03°15'05" West 71.04 feet; and 4) North 00°39'55" East 61.18 feet to a point on the centerline of White Rock Road, a County Road; thence along said centerline as shown on said Parcel Map the following three (3) courses: 1) South 89°20'05" East 113.80 feet; 2) North 76°21'25" East 639.51 feet; and 3) North 80°14'25" East 782.13 feet to the intersection of said centerline with the southerly prolongation of the west line of Parcel 4 as said Parcel is shown on that certain Parcel Map entitled "PORTIONS OF PROJECTED SECTIONS 15, 16, 21, 22 & 31, T. 9N., R. 7E., M.D.M. IN RANCHO RIO DE LOS AMERICANOS" filed in the office of the Recorder of said County and State in Book 87 of Parcel Maps, Page 8; thence North 07°04'40" West 447.80 feet to the northwest corner of said Parcel 4 and being an angle point on the entitled "BEING PROJECTED SECTIONS 22, 23, 28, 29 AND PORTIONS OF PROJECTED SECTIONS 11, 12, 13, 14, 15, 16, 19, 20, 21, 24, 25, 26, 27, 30, 31, 32, 33 AND 34, T. 9N., R. 7E., M.D.M. IN RANCHO RIO DE LOS AMERICANOS TOGETHER WITH PORTIONS OF SECTIONS 13, 24, AND 25 T. 9N., R. 7E., M.D.M." filed in the office the Recorder of said County and State in Book 62 of Surveys, Page 4; thence along the westerly and northerly line of said Area 1 the following seventeen (17) courses: 1) North 07°04'23" West 171.94 feet; 2) North 07°05'02" West 627.11 feet; 3) North 07°03'44" West 1,002.93 feet; 4) North 07°01'54" West 1,032.09 feet; 5) along the arc of a curve concave easterly and having a radius of 5,040.00 feet; thence northeasterly along said curve through a central angle of 17°50'00" an arc distance of 1,568.70 feet; 6) North 10°45'17" East 800.30 feet; 7) along the arc of a concave southeasterly and having a radius of 840.00 feet; thence northeasterly along said curve through a central angle of 12°28'00" an arc distance of 182.77 feet; 8) North 23°13'17" East 508.60 feet 9) along the arc of a curve concave southerly and having a radius of 140.00 feet; thence northeasterly along said curve through a central angle of 64°47'05" an arc distance of 158.30 feet 10) North 88°00'17" East 194.60 feet; 11) North 85°08'17" East 200.20 feet; 12) North 88°00'11" East 149.30 feet; 13) along the arc of a curve concave northerly and having a radius of

450.00 feet; thence northeasterly along said curve through a central angle of 63°44'00", an arc distance of 500.56 feet; 14) North 24°16'17" East 1,147.90 feet; 15) along the arc of a curve concave southeasterly and having a radius of 2,850.00 feet; thence northeasterly along said curve through a central angle of 18°50'00" an arc distance of 907.79 feet; 16) North 42°31'17" East 665.80 feet; and 17) along the arc of a curve concave southeasterly and having a radius of 3,050.00 feet; thence northeasterly along said curve through central angle of 16°42'00", an arc length of 888.00 feet; thence along the westerly and northerly line of Area 'B' as shown on said Record of Survey (Book 62 of Surveys, Page 4) the following five (5) courses: 1) North 30°46'43" West 25.00 feet; 2) along the arc of a curve concave southerly and having a radius of 3,075.00 feet; thence easterly along said curve through a central angle of 14°30'00" an arc distance of 778.20 feet; 3) North 73°43'17" East 669.20 feet; 4) along the arc of a curve concave northwesterly and having a radius of 3,125.00 feet; thence north easterly along said curve through a central angle of 16°53'00" an arc length of 920.84 feet; and 5) North 56°50'17" East 1,001.80 feet; thence along the westerly line of Area 'T' shown on said Record of Survey (Book 62 of Surveys at Page 10) South 26°00'47" East 1,126.40 feet; thence South 09°18'18" East 2,138.66 feet to an angle point on said Westerly line of Area 'T'; thence along said Westerly line of Area 'T' the following eleven (11) courses: 1) South 02°16'21" East 503.45 feet; 2) South 88°02'55" West 698.14 feet; 3) South 01°52'09" West 2,198.89 feet; 4) South 88°06'18" West 532.84 feet; 5) South 02°06'55" East 534.84 feet; 6) North 88°00'50" East 482.80 feet; 7) South 00°01'15" East 989.85 feet; 8) South 73°05'34" West 602.37 feet; 9) North 87°49'41" West 1,094.06 feet; 10) South 62°25'28" West 1,487.32 feet; and 11) South 06°07'27" East 2020.65 feet; thence along the south line of Area 'A' as shown on said Parcel Map South 78°34'13" West 808.76 feet to the most westerly corner of that certain Parcel Map entitled 'A PORTION OF "RECORD OF SURVEY" PORTION OF RANCHO RIO DE LOS AMERICANOS' filed in the office of the Recorder, County of Sacramento State of California in Book 57 of Parcel Map, Page 13; thence along the centerline of White Rock Road a County Road as shown on said Parcel Map the following seven (7) courses: 1) along the arc of a curve to the right having a radius of 1,500.00 feet said arc being subtended by a chord bearing North 86°31'37" East 313.85 feet; 2) South 87°28'04" East 389.84 feet; 3) along the arc of a curve to the left having a radius of 3,000.00 feet, said arc being subtended by a chord bearing North 88°22'18" East 435.31 feet; 4) North 84°12'40" East 1,297.46 feet; 5) along the arc of a curve to the right having a radius of 5,000.00 feet, said arc being subtended by a chord bearing North 86°31'35" East 404.01 feet; 6) North 88°50'31" East 2,409.35 feet; and 7) along the arc of a curve to the left having a radius of 3,000.00 feet said arc being subtended by a chord bearing North 88°15'36" East 60.91 feet; thence South 00°57'22" East 40.54 feet to an angle point on the north line of Parcel 15 as said Parcel is shown on that certain Parcel Map entitled "A PORTION OF RECORD OF SURVEYS 12 R.S. 30 AND 18 R.S. 4 AND ALSO BEING A PORTION OF RANCHO RIO DE LOS AMERICANOS" filed in the office of the Recorder of said County and State in Book 47 of Parcel Maps, Page 13; thence along said North line North 87°02'11" East 6897.60 feet to the point of beginning.

TOGETHER WITH Areas 2, 3, 4, 5, 7, 'G' and 'F' as said Areas are shown on that certain Record of Survey entitled 'BEING PROJECTED SECTIONS 22, 23, 28, 29 AND PORTIONS OF PROJECTED SECTIONS 11, 12, 13, 14, 15, 16, 19, 20, 21, 24, 25, 26, 27, 30, 31, 32, 33, AND 34, T. 9N., R. 7E., M.D.M. IN RANCHO RIO DE LOS AMERICANOS TOGETHER WITH PORTIONS OF SECTIONS 13, 24, AND 25 T. 9N., R. 7E., M.D.M.' filed in the office of the Recorder of said County and State in Book 62 of Surveys, Page 4.

TOGETHER WITH all that certain real property situated in the County of Sacramento, State of California, described as follows:

All that portion of Sections 25 and 36, Township 9 North, Range 6 East, together with all that portion of

Sections 16, 19, 20, 21, 30 and 31, Township 9 North, Range 7 East, Mount Diablo Meridian, described as follows:

Beginning at a point in the City of Rancho Cordova City Limit Line as described within Resolution No. LAFC 1243, being the Resolution of the Sacramento Local Agency Formation Commission making determinations for the approval of the incorporation of Rancho Cordova, California (12-97) with a proposed effective date of July 1, 2003, said point also being the intersection of the centerline of Citrus Road with the intersection of the centerline of California State Highway 50 as described within said Resolution No. LAFC 1243; thence along said centerline of said California State Highway 50 South 63°00'00" West 1960 feet, more or less, to a point on the centerline of Sunrise Boulevard, a county road; thence Southeasterly along said centerline of Sunrise Boulevard to the intersection of said centerline with the centerline of Trade Center Drive, a county road as shown on that certain Parcel Map entitled "Parcel 7 of 47 P.M. 28 and a Portion of Lots 3 & 4 of Block 3 of Natomas Consolidated of California Subdivision No. 2, 14 B.M. 20" filed in the office of the Recorder of said County and State in Book 138 of Parcel Maps, Page 15; thence continuing along said centerline of Sunrise Boulevard the following two (2) courses: (1) South 32°08'30" East 168.54 feet and (2) along the arc of a curve to the right, having a radius of 3000.00 feet, said arc being subtended by a chord bearing South 19°58'18" East 1257.12 feet; thence continuing along said centerline of Sunrise Boulevard as shown on that certain Parcel Map entitled "Lot 5 and Portion of Lot 4 of Block 3, Lots 1 and 3 and Portion of Lots 2, 4 and 5 of Block 7, Natomas Consolidated of California Subdivision No. 2 Recorded in 14 B.M. 20 and a Portion of Proj. Sec. 36, T. 9 N., R. 6 E., M.D.M." filed in the office of the Recorder of said County and State in Book 50 of Parcel Maps, Page 26, the following two (2) courses: (1) along the arc of a curve to the right, having a radius of 3000.00 feet, said arc being subtended by a chord bearing South 04°38'59" East 342.75 feet and (2) South 01°22'30" East 3285.21 feet to the intersection of said centerline with the centerline of White Rock Road, a county road; thence continuing along said centerline of Sunrise Boulevard as shown on that certain Parcel Map of "Sunrise Park" filed in the office of the Recorder of said County and State in Book 80 of Parcel Maps, Page 6, South 01°56'36" East 1174.76 feet to the intersection of Sanders Drive, a county road as shown on said Parcel Map; thence along said centerline the following five (5) courses: (1) North 88°03'24" East 135.00 feet; (2) along the arc of a curve to the right, said arc being subtended by a chord bearing South 86°46'47" East 180.00 feet to a point of reverse curvature; (3) along the arc of a curve to the left, having a radius of 1500.00 feet, said arc being subtended by a chord bearing South 85°26'29" East 200.14 feet; (4) South 89°16'00" East 341.41 feet and (5) along the arc of a curve to the right, having a radius of 1500.00 feet, said arc being subtended by a chord bearing South 86°33'57" East 141.37 feet; thence along the centerline of Gold Valley Drive, a county road as shown on said Parcel Map, the following four (4) courses: (1) along the arc of a curve to the left, having a radius of 1500.00 feet, said arc being subtended by a chord bearing North 00°30'59" West 347.51 feet; (2) North 07°10'06" West 723.51 feet; (3) along the arc of a curve to the right, having a radius of 520.00 feet, said arc being subtended by a chord bearing North 03°15'05" West 71.04 feet and (4) North 00°39'55" East 61.18 feet to a point on the centerline of White Rock Road, a county road; thence along said centerline as shown on said Parcel Map the following three (3) courses: (1) South 89°20'05" East 113.80 feet; (2) North 76°21'25" East 639.51 feet and (3) North 80°14'25" East 782.13 feet to the intersection of said

centerline with the Southerly prolongation of the West line of Parcel 4 as said parcel is shown on that certain Parcel Map entitled "Portions of Projected Sections 15, 16, 21, 22 & 31, T. 9 N., R. 7 E., M.D.M in Rancho Rio De Los Americanos" filed in the office of the Recorder of said County and State in Book 87 of Parcel Maps, Page 8; thence North 07°04'40" West 447.80 feet to the Northwest corner of said Parcel 4 and being an angle point on the Westerly line of Area 1 as shown on that certain Record of Survey entitled "Being Projected Sections 22, 23, 28 and 29 and Portions of Projected Sections 11, 12, 13, 14, 15, 16, 19, 20, 21, 24, 25, 26, 27, 30, 31, 32, 33 and 34, T. 9 N., R. 7 E., M.D.M. in Rancho Rio De Los Americanos Together with Portions of Sections 13, 24 and 25, T. 9 N., R. 7 E., M.D.M." filed in the office of the Recorder of said County and State in Book 62 of Surveys, Page 4; thence along the Westerly and Northerly lines of said Area 1 the following seventeen (17) courses: (1) North 07°04'23" West 171.94 feet; North 07°05'02" West 627.11 feet; (3) North 07°03'44" West 1002.93 feet; (4) North 07°01'54" West 1032.09 feet; (5) along the arc of a curve, concave Easterly and having a radius of 5040.00 feet; thence Northeasterly along said curve, through a central angle of 17°50'00" an arc distance of 1568.70 feet; (6) North 10°45'17" East 800.30 feet; (7) along the arc of a curve, concave Southeasterly and having a radius of 840.00 feet; thence Northeasterly along said curve, through a central angle of 12°28'00" an arc distance of 182.77 feet; (8) North 23°13'17" East 508.60 feet; (9) along the arc of a curve, concave Southerly and having a radius of 140.00 feet; thence Northeasterly along said curve, through a central angle of 64°47'05" an arc distance of 158.30 feet; (10) North 88°00'17" East 194.60 feet; (11) North 85°08'17" East 200.20 feet; (12) North 88°00'17" East 149.30 feet; (13) along the arc of a curve, concave Northerly and having a radius of 450.00 feet; thence Northeasterly along said curve, through a central angle of 63°44'00" an arc distance of 500.56 feet; (14) North 24°16'17" East 1147.90 feet; (15) along the arc of a curve, concave Southeasterly and having a radius of 2850.00 feet; thence Northeasterly along curve, through a central angle of 18°15'00" an arc distance of 907.79 feet; (16) North 42°31'17" East 665.80 feet and (17) along the arc of a curve, concave Southeasterly and having a radius of 3050.00 feet; thence Northeasterly along said curve, through a central angle of 16°42'00" an arc length of 888.99 feet; thence along the Westerly and Northerly lines of Area B as shown on said Record of Survey (Book 62 of Surveys, Page 4) the following five (5) courses: (1) North 30°46'43" West 25.00 feet; (2) along the arc of a curve, concave Southerly and having a radius of 3075.00 feet; thence Easterly along said curve, through a central angle of 14°30'00" an arc distance of 778.20 feet; (3) North 73°43'17" East 669.20 feet; (4) along the arc of a curve, concave Northwesterly and having a radius of 3125.00 feet; thence Northeasterly along said curve, through a central angle of 16°53'00" an arc length of 920.84 feet and (5) North 56°50'17" East 1001.80 feet; thence leaving said City of Rancho Cordova City Limit Line, along the Northwesterly line of Area T as shown on said Record of Survey the following two (2) courses: (1) North 56°50'17" East 344.61 feet and (2) along the arc of a curve to the right, concave Southeasterly, having a radius of 875.00 feet, through a central angle of 02°53'43", having a length of 44.22 feet to a point in the City of Rancho Cordova City Limit Line as described within said Resolution No. LAFC 1243; thence along said City of Rancho Cordova City Limit Line and along the Northerly line of Areas 2, 3 and 5 as shown on said Record of Survey the following twelve (12) courses: (1) along the arc of a curve to the right, concave Southeasterly, having a radius of 875.00 feet, through a central angle of 26°12'16", having a length of 400.18 feet; (2) North 89°43'17" East 151.40 feet; (3) along the arc of a curve to the left, concave Northwesterly, having a radius of 400.00 feet, through a central angle of 55°18'05", having a length of

386.08 feet; (4) North 78°06'49" East 558.24 feet; (5) North 63°53'02" East 436.66 feet; (6) South 46°47'31" East 209.13 feet; (7) North 65°44'49" East 1039.28 feet; (8) North 46°39'35" East 420.22 feet; (9) South 23°11'03" East 151.23 feet; (10) North 63°41'59" East 1364.87 feet; (11) South 26°47'26" East 481.61 feet and (12) North 61°24'52" East 1189.11 feet to the Northeast corner of said Area 5; thence leaving the City Limit Line of the City of Rancho Cordova as described within said Resolution No. LAFC 1243, along the Easterly line of Area E as shown on said Record of Survey North 30°19'16" West 1247.14 feet to the Northeast corner of said Area E; thence along the Northerly line of Area H as shown on said Record of Survey to a point in the prolongation of the centerline of the Hazel Avenue overcrossing; thence along said centerline to the intersection of the centerline of said California State Highway 50; thence Southwesterly along said centerline to the point of beginning.

MEMORANDUM

ITEM 9.16.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Michelle Mingay, Senior Finance Analyst
SUBJECT: **SECOND READING AND ADOPTION OF AN ORDINANCE OF THE CITY OF RANCHO CORDOVA LEVYING A SPECIAL TAX WITHIN THE CITY OF RANCHO CORDOVA ARISTA DEL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

RECOMMENDATION

Waive the second reading and adopt the Ordinance.

RESULT OF RECOMMENDED ACTION

Waive the second reading and adopt the Ordinance.

BACKGROUND

At the meeting on January 3, 2022, the City initiated the process of forming the City of Rancho Cordova Arista Del Sol Community Facilities District 2022-1 for the Arista Del Sol development project; an approximately 209 mixed use acre parcel located west of Grantline Road and one mile south of Douglas Boulevard. The development anticipates 740 single family lots which will be developed in three phases. While the CFD will be formed over the full development project, the CFD will be phased in through the use of Improvement Areas. The first Improvement Area will include 365 market rate lots ranging in size from 40' x 105' and 55' x 105' in size.

Community Facilities Districts are commonly used throughout California to finance infrastructure and services in new development areas. The CFD is proposed to have a facilities special tax that will be levied on residential property within the development until all bonds issued by the district have been fully repaid. The facilities special tax within the first Improvement Area will range between \$1,752 - \$3,264 per single family unit, in the base year, and will increase at a rate of 2% per year for the life of the tax. The special tax will be authorized to support up to \$50,000,000 in bonds, the proceeds of which will be used to finance the acquisition and construction of, and the payment of fees for, public facilities in and for the Community Facilities District.

The Resolution of Intention adopted by the City Council on January 3, 2022 set February 22, 2022 at 5:30 pm, or as soon thereafter as the matter may be heard, for the hearing on the actual formation of the CFD and the levy of the special tax and the sale of bonds. This public hearing was continued to May 16, 2022 where the City Council waived the first reading and

passed to a second reading the Ordinance levying a Special Tax within the CFD.

Taking the above actions will conclude the formation process for the CFD. The approval of bond documentation, which provides for the issuance of the anticipated CFD bonds, will be the subject of a future meeting.

FISCAL IMPACT AND FUNDING SOURCE

This action would establish a special tax rate for the Arista Del Sol development project and does not have a fiscal impact to existing residents.

ATTACHMENT(S)

1. Ordinance

CITY OF RANCHO CORDOVA**ORDINANCE NO. XX-2022****ORDINANCE OF THE CITY COUNCIL
OF THE CITY OF RANCHO CORDOVA LEVYING A SPECIAL TAX WITHIN
CITY OF RANCHO CORDOVA
ARISTA DEL SOL COMMUNITY FACILITIES DISTRICT NO. 2022-1**

The City of Rancho Cordova (the “City”) ordains:

1. Pursuant to Government Code Sections 53328 and 53340, and in accordance with the Rate and Method of Apportionment of Special Tax (the “Special Tax Formula”) as shown in Exhibit C to a resolution titled “A Resolution of the City Council of the City of Rancho Cordova to Form the City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1, Designate an Improvement Area and Future Annexation Area Therein and Authorize the Levy of Special Taxes in the District” (“Resolution of Formation”) adopted by this City Council on May 16, 2022, a special tax is hereby levied on all taxable parcels within City of Rancho Cordova Arista Del Sol Community Facilities District No. 2022-1 (the “District”) for the 2022-23 tax year and for all subsequent years of the authority to levy this special tax.

Parcels within the Future Annexation Area which are annexed to the District by Unanimous Approval (as described in the Resolution of Formation) shall be subject to the special tax as provided in the Unanimous Approval, and the City Council ordains that a special tax shall thereafter be levied on all taxable parcels within such property annexed to the District for the for tax year during which the property is annexed and for all subsequent years of the authority to levy the special tax within the annexed area.

2. The Administrative Services Director of the City is directed, with the aid of the appropriate officers and agents of the City, to implement the provisions of the Special Tax Formula and to prepare each year, without further action of this City Council, the special tax roll for the District and to provide as necessary information to the Sacramento County Auditor in the form, and in the proper time, necessary to effect the proper billing and collection of the special tax on the secured property tax roll of the County, which may include a billing of the special tax for fiscal year 2022-23 without regard to the timing of the issuance of bonds for the District and the circumstance that bonds are not issued as of the date of submission to the County for billing; alternatively, pursuant to the Resolution of Formation, the special tax for fiscal year 2022-23 and subsequent years may, at the option of the City, be billed directly to owners of property in the District by the Administrative Services Director of the City or other official of the City and need not be collected on the County secured property tax roll.

3. The appropriate officers and agents of the City and of the County of Sacramento are authorized to make adjustments to the special tax roll prior to the final

posting of the special taxes to the County tax roll each year, as may be necessary to achieve a correct match of the special tax levy with the assessor's parcel numbers finally utilized by the County in sending out property tax bills.

4. The City agrees that the County of Sacramento may deduct its reasonable and agreed charges for collecting the special tax from the amounts collected, prior to remitting the balance of the special tax collections to the City.

5. If for any cause any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel by a court of competent jurisdiction, the balance of this ordinance, and the application of the special tax to the remaining parcels, shall not be affected.

6. The Mayor shall sign this Ordinance and the City Clerk shall cause the same to be published within fifteen (15) days after its passage at least once in a newspaper of general circulation published and circulated in the City.

7. This ordinance shall go into effect on the earliest day allowable by law.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 6th day of June 2022, by the following vote:

AYES:

NOES:

ABSTAIN:

ABSENT:

Donald Terry, Mayor

ATTEST:

Stacy Leitner, CMC
City Clerk

IMPACT FEES**

RECOMMENDATION

Waive the second reading and adopt the Ordinance.

RESULT OF RECOMMENDED ACTION

Adoption of the Ordinance would add Chapter 16.82 "SunCreek Specific Plan Development Impact Fees" to the Rancho Cordova Municipal Code.

BACKGROUND

On May 16, 2022, the City Council adopted a Resolution approving the SunCreek Specific Plan Nexus Study (the "SCSP Nexus Study"). that details the SunCreek Specific Plan Development Impact Fee Program (the "SCSP Fee Program") to fund the required on-site and off-site roadways, water improvements, drainage improvements, wetland mitigation for backbone infrastructure, park corridors and trails, and wetland preserve buffers to serve the SunCreek Specific Plan Area not otherwise covered by existing City, County or other Agency fee programs , as well as defray the costs of fee program formation and routine administration.

The Ordinance codifies the implementation of the SCSP Fee Program definitions, procedures and establishes the new fees and funds. The Ordinance adds Chapter 16.82 "SunCreek Specific Plan Development Impact Fees" to the Rancho Cordova Municipal Code to establish the development impact fees to finance the costs of public facilities within and/or to serve the SunCreek Specific Plan Area.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the general fund. Funds collected pursuant to the SCSP Fee Program will be deposited into special revenue funds and used to fund specific facility costs as specified in the SCSP Nexus Study.

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
ADDING CHAPTER 16.82 “SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEES”
TO THE RANCHO CORDOVA MUNICIPAL CODE ESTABLISHING DEVELOPMENT IMPACT
FEES TO FINANCE THE COST OF PUBLIC FACILITIES WITHIN THE SUNCREEK
SPECIFIC PLAN AREA**

**THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA ORDAINS AS
FOLLOWS:**

SECTION 1. Purpose and Declarations.

WHEREAS, the General Plan of the City of Rancho Cordova requires that areas chosen for urban expansion shall be capable of being provided within a reasonable period of time with an adequate level of public facilities including, but not limited to, roadways, potable water, storm drainage, parks, park corridors, and trails facilities; and

WHEREAS, the General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas designated for urban expansion; and

WHEREAS, the General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of public facilities; and

WHEREAS, on November 18, 2013, the City Council certified as adequate and complete the Final Environmental Impact Report/Environmental Impact Statement (EIR/EIS) for the SunCreek Specific Plan Project by Resolution No. 127-2013;

WHEREAS, on November 18, 2013, the City Council approved the General Plan Amendment and approved the Public Facilities Financing Plan for the SunCreek Specific Plan Project by Resolution No. 128-2013;

WHEREAS, the Public Facilities Finance Plan describes the backbone infrastructure and public facilities necessary to serve the Project’s buildout, estimates the costs of the infrastructure, and identifies the proposed funding sources including a SunCreek Special Financing District Fee Program;

WHEREAS, the purpose of this Ordinance (this “Ordinance”) is to add Chapter 16.82 to the City of Rancho Cordova Municipal Code for the establishment of development impact fees to finance the cost of public facilities within the SunCreek Specific Plan area. The City Council enacts this Ordinance pursuant to the authority granted to cities by Article XI, Section 7 of the California Constitution.

SECTION 2. Findings. This Ordinance is adopted pursuant to the following findings:

- a. The City's General Plan requires that urban expansion areas are provided, within a reasonable period of time, with an adequate level of public facilities.
- b. The General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas designated for urban expansion. The General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of facilities.
- c. The SunCreek Specific Plan Development Impact Fee Nexus Study has been prepared to identify the costs of facilities required to serve the SunCreek Specific Plan Project that are not covered by any other existing development impact fee program.
- d. City staff and the City Council have considered and analyzed the basis for establishment of the fees authorized by this Ordinance, and the need for and cost of the new public facilities and improvements necessitated by new development in the SunCreek Specific Plan area to be funded by those fees, as further set forth in the Nexus Study. The City Council finds that the Nexus Study adequately establishes the basis for establishment of the fees, and describes the need for and cost of the new public facilities and improvements necessitated by new development in the SunCreek Specific Plan area, to be funded by those fees, and accordingly approves of the Nexus Study.
- e. Pursuant to California Public Resources Code Section 21080 (b)(8) and Title 14, Chapter 3 of the California Code of Regulations Section 15273(a)(4), the establishment of these development impact fees is statutorily exempt from the California Environmental Quality Act, because the fees are for the purpose of obtaining funds for capital projects necessary to maintain service within existing service areas in the City.
- f. The purpose of the SunCreek Specific Plan Development Impact Fee Program and the development impact fees established by this Ordinance is to finance public facility improvements necessary to offset the impacts of new development in SunCreek Specific Plan area, to ensure that adequate funding is provided for improvements required to meet the demands of such new development, and to fund administration of the Fee Program.
- g. The use of the SunCreek Specific Plan Development Impact Fees is to fund the public facility improvements identified in the SunCreek Specific Plan Impact Fee Program and to fund administration of the Fee Program.
- h. There is a reasonable relationship between the use of the SunCreek Specific Plan Development Impact Fees and the type of development projects on which the fees will be imposed because the fees will be imposed on commercial and residential development projects in the SunCreek Specific Plan area that generate or contribute to the need for roadway, potable water, storm drainage, wetland mitigation, wetland buffer, park corridors, and trail improvements, and are not imposed on projects that do not contribute to such need, as further set forth in the Nexus Study.
- i. There is a reasonable relationship between the need for the identified public facility improvements and the type of development project on which the fee is imposed because the need for such improvements varies depending on the type of development project at issue, and the Transportation Impact Fee Program takes into account the type of

development project at issue by only applying a fee to development that is likely to contribute to such need, and ensuring that such fee is proportional to the need, as further set forth in the Nexus Study.

- j. There is a reasonable relationship between the amount of the SunCreek Specific Plan Development Impact Fees and the cost of the identified public facility improvements or portion of the identified public facility improvements attributable to the development on which the fees are imposed. As discussed in the Nexus Study, the amount of the SunCreek Specific Plan Development Impact Fees is based on the type of development at issue, the number of building permits being generated by such development, and the anticipated impact of such development on the public facilities. The amount of the fees contemplates the relationship between such development's impact and the cost of roadway improvements that will be required to offset the impacts of such development.
- k. The purpose of this Ordinance is to permanently add Chapter 16.82 to the Rancho Cordova Municipal Code.

SECTION 3. Amendment of Code. Chapter 16.82 "SunCreek Specific Plan Development Impact Fees", attached hereto as Exhibit A, is hereby added to the Rancho Cordova Municipal Code.

SECTION 4. CEQA. Approval of this Ordinance is exempt from further environmental review under the general rule in California Environmental Quality Act ("CEQA") Guidelines section 15061(b)(3) that CEQA only applies to projects that have the potential for causing a significant effect on the environment. The proposed Ordinance is statutorily exempt from CEQA under Pub. Res. Code Section 21080(b)(8)(D) and CEQA Guidelines Section 15273(a)(4) because it involves the establishment of fees for the purpose of obtaining funds for capital projects necessary to maintain services within the SunCreek Specific Plan Area.

SECTION 5. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

SECTION 6. Effective Date. Within fifteen (15) days after adoption, a Summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect 30 days after its adoption and, pursuant to Government Code section 66017(a), the fees established hereby shall be effective 60 days after the adoption of this Ordinance.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 6th day of June 2022, by the following vote:

16.82.180	Credit for Construction of Public Facility Improvements
16.82.190	Reimbursement for Construction of Public Facility Improvements
16.82.195	Credit or Reimbursement for Construction of Park and Recreation Facilities
16.82.200	Annual Program Fee Adjustment
16.82.210	Alternative Method and Compliance With Other Laws

16.82.010 PURPOSE.

(a) The General Plan of the City of Rancho Cordova requires that areas chosen for urban expansion shall be capable of being provided within a reasonable period of time with an adequate level of public facilities including, but not limited to, roadways, potable water, storm drainage, park corridors, and trail facilities.

(b) The General Plan further requires the preparation of a plan that identifies a mechanism for financing those facilities necessary to serve urban development in areas

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

designated for urban expansion. The General Plan also contains additional policies for supporting funding and use of developer dedications, development fees, and other means to pay for an acceptable level of public facilities.

(c) The purpose of this chapter is to implement the General Plan requirements set forth in subdivisions (a) and (b) of this section and to use the authority in Article XI, Section 7 of the California Constitution by imposing development fees to fund the cost of certain public facilities, the need for which is directly or indirectly generated by the type and extent of development proposed in the City of Rancho Cordova, on which the fees will be imposed.

(d) It is the further purpose of this chapter to require that adequate provision is made for developer financed public facilities within the City of Rancho Cordova as a condition to any rezoning and prior to approval of certain permits within the City.

16.82.020 DEFINITIONS.

(a) "Area" means that geographic area established for public facilities financing purposes within the City of Rancho Cordova depicted in Figure 1 attached to this ordinance and incorporated herein by reference. A detailed map of the Area depicted on Figure 1 is on file with the City Planning Department, and such maps are incorporated by reference herein.

(b) "Building Permit" means the permit issued or required for Residential Development, Non-Residential Development, Commercial Development, or other development within the City, pursuant to and as further defined by the City of Rancho Cordova Building Code.

(c) "City" means the City of Rancho Cordova.

(d) "Costs" means amounts spent, or authorized to be spent, in connection with the planning, financing, acquisition and development of a public facility or infrastructure including, without limitation, the costs of land, construction and inspection, engineering, administration, and consulting fees.

(e) "Council" or "City Council" means the City Council of the City of Rancho Cordova.

(f) "Department" means the City of Rancho Cordova Community Development Department.

(g) "Development Impact Fee" means the fee levied by this chapter upon the approval of one or more Building Permits.

(h) "Development Unit" means a dwelling unit, for Residential Development, or square foot of building floor area, for Non-Residential Development.

(i) "Director" means the Director of the Rancho Cordova Community Development Department.

(j) "Facilities" means those public facilities designated in the SunCreek Specific Plan Development Impact Fee Program.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(k) "Fee Resolution" means the resolution and fee schedule adopted by the City Council, as may be amended from time to time, that approves the amount of the SunCreek Specific Plan Development Impact Fees.

(l) "Improvement Plan" means the site plan of property proposed for development showing all required improvements that must be approved by the Rancho Cordova Public Works Department.

(m) "Land Use Category" means detached dwelling units, attached dwelling units, mobile homes, commercial lodging units, commercial uses, office uses, or other uses as further defined in the Fee Resolution.

(n) "Non-Residential Development" means a subdivision map, parcel map, or permit for the original construction, grading or installation of buildings other than single-family detached homes, single-family attached homes, duplexes, townhomes, condominiums, apartments, manufactured homes, and mobile homes, or improvements thereto. Non-Residential Development includes Commercial Development. Typically, Non-Residential Development consists of buildings to be occupied by retail, service, or other commercial businesses or by offices as regulated by the City of Rancho Cordova Zoning Code, but may also include buildings for use by churches, daycare centers, private schools, and other institutional uses. Mixed-use buildings consisting of both dwelling units and commercial and/or office areas will have the respective building areas treated as either Residential Development or Non-Residential Development for purposes of this chapter.

(o) "Planning Director" means the Planning Director of the City of Rancho Cordova.

(p) "Program Fee per Development Unit" means the development impact fee per Development Unit for a particular category of facilities. Such Program Fees, identified in the Fee Resolution, were established using an allocation of public facility costs, as identified in SunCreek Specific Plan Capital Improvement Plan based on land use categories identified in the SunCreek Specific Plan Development Impact Fee Program Nexus Study.

(q) "Programmed Cost" means the estimated cost of constructing a facility based upon the unit costs for each construction item plus a fixed contingency costs for engineering, permits, and construction as set forth in the SunCreek Specific Plan Capital Improvement Plan and its public facilities project cost estimates, as periodically updated and adopted by resolution of the Council.

(r) "Residential Development" means a subdivision map, parcel map, or permit for the original construction, grading or installation of dwelling units for residential use including detached and attached housing for owner or rental occupancy. For purposes of this chapter, Residential Development includes construction of or improvements to buildings or portions of buildings consisting of dwelling units constructed on sites designated Low Density Residential, Medium Density Residential, Compact Density Residential, High Density Residential, High Density Residential, Village Center or Regional Town Center as defined in the SunCreek Specific Plan.. Non-residential development permitted by right or with a use permit, constructed on sites zoned for residential use are Non-Residential Development for purposes of this chapter.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(s) "SunCreek Capital Improvement Plan" means the projects identified and the cost estimates prepared, and as may be updated, for the public facilities identified in the SunCreek Specific Plan Development Impact Fee Nexus Study.

(t) "SunCreek Specific Plan Development Impact Fee Program" means the Fee Schedule, including any amendments thereto, adopted by resolution by the Council for financing of designated public facilities to serve the City of Rancho Cordova, including, but not limited to, a designation of those facilities to be constructed with the Development Impact Fees collected pursuant to this chapter, the priority list ("Priority List") for commencement of construction, the estimated cost of construction of the facilities and the total number of dwelling unit equivalents within the SunCreek Specific Plan Area of the City of Rancho Cordova as established.

16.82.030 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN ONSITE ROADWAY FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Onsite Roadway Fund. All amounts collected from onsite roadway fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for onsite roadways in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Onsite Roadway Fund shall be administered by the Director.

16.82.040 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN OFFSITE ROADWAY FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Offsite Roadway Fund. All amounts collected from offsite roadway fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for offsite roadways in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Offsite Roadway Fund shall be administered by the Director.

16.82.050 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN POTABLE WATER FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Potable Water Fund. All amounts collected from potable water fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for potable water facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Potable Water Fund shall be administered by the Director.

16.82.060 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN STORM DRAINAGE FUND.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Storm Drainage Fund. All amounts collected from storm drainage fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for storm drainage facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Storm Drainage Fund shall be administered by the Director.

16.82.070 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN BACKBONE WETLAND MITIGATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Backbone Wetland Mitigation Fund. All amounts collected from backbone wetland mitigation fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for backbone wetland mitigation costs in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Backbone Wetland Mitigation Fund shall be administered by the Director.

16.82.080 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN PARK CORRIDORS AND TRAILS FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Park Corridors and Trails Fund. All amounts collected from park corridors and trails fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for park corridors and trails facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Park Corridors and Trails Fund shall be administered by the Director.

16.82.090 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN WETLAND PRESERVE BUFFER FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Wetland Preserve Buffer Fund. All amounts collected from storm drainage fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for wetland preserve buffer facilities in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

(b) The Wetland Preserve Buffer Fund shall be administered by the Director.

16.82.100 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN AREA FORMATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Area Formation Fund. All amounts collected from plan area formation fees from

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs identified for plan area formation and implementation in the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program.

- (b) The Plan Area Formation Fund shall be administered by the Director.

16.82.110 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN ADMINISTRATION FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Administration Fund. All amounts collected from administration fees from the SunCreek Specific Plan Area pursuant to this chapter shall be placed in said fund and shall be expended by the City of Rancho Cordova or its successor agency solely to pay the costs associated with administering the SunCreek Specific Plan Development Impact Fee Program.

- (b) The Administration Fund shall be administered by the Director.

16.82.115 ESTABLISHMENT AND ADMINISTRATION OF THE SUNCREEK SPECIFIC PLAN PARK DEVELOPMENT FUND.

(a) There is hereby created a special interest-bearing account entitled the SunCreek Specific Plan Park Development Fund. All amounts collected from park development fees from the SunCreek Specific Plan Area pursuant to this chapter or pursuant to a City Development Agreement shall be placed in said fund and shall be expended by the City of Rancho Cordova, its successor agency, or another entity designed by City, solely to pay the costs identified for plan area park development in the SunCreek Specific Plan Area.

- (b) The Administration Fund shall be administered by the Director.

16.82.120 IMPOSITION OF DEVELOPMENT IMPACT FEE.

No change in a land use zoning designation shall be approved within the SunCreek Specific Plan Area unless payment of the Development Impact Fees established by this chapter is required of the property owner as a condition of such approval. No building permit shall be approved for property within the SunCreek Specific Plan Area unless the Development Fees for that property are paid as required by this chapter. No small lot final map shall be approved unless the Plan Area Formation Fee has been paid as required by this chapter.

16.82.130 PAYMENT OF DEVELOPMENT IMPACT FEES.

The Development Impact Fees imposed pursuant to this chapter shall be paid by the property owner to the Department, in an amount calculated pursuant to Sections 16.82.150, 16.82.160, and 16.82.170. The fees shall be calculated upon the approval of subdivision maps and shall be paid upon issuance of building permits, with the exception of the Plan Area Formation Fee which shall be paid prior to final map. For projects that are subject to building permits, but not subdivision map approval, the fees shall be both calculated and paid upon issuance of the building permits.

16.82.140 ADOPTION OF THE CAPITAL IMPROVEMENT PLAN AND COMPLIANCE WITH THE PRIORITY LIST OF SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM.

(a) The Council shall by resolution adopt the capital improvement plan of the SunCreek Specific Plan Development Impact Fee Program. The Council shall review the capital improvement plan not less than annually and may amend it by resolution at its discretion.

(b) With the exception of facilities approved by the Director for construction by a property owner pursuant to Section 16.82.190, all facilities shall be funded in accordance with the priority list established for the SunCreek Specific Plan Development Impact Fee Program.

16.82.150 ESTABLISHMENT OF DEVELOPMENT IMPACT FEES

(a) A separate Development Impact Fee is hereby established for each of the following categories:

1. SunCreek Specific Plan Onsite Roadway Fee.
2. SunCreek Specific Plan Offsite Roadway Fee.
3. SunCreek Specific Plan Potable Water Fee.
4. SunCreek Specific Plan Storm Drainage Fee.
5. SunCreek Specific Plan Backbone Wetland Mitigation Fee.
6. SunCreek Specific Plan Park Corridors and Trails Fee.
7. SunCreek Specific Plan Wetland Preserve Buffer Fee.
8. SunCreek Specific Plan Area Formation Fee.
9. SunCreek Specific Plan Administration Fee.
10. SunCreek Specific Plan Park Development Fee.

(b) There is hereby created the SunCreek Specific Plan Fee Area of the City of Rancho Cordova, as shown in Figure 1, attached to this ordinance, and incorporated herein by reference.

(c) The SunCreek Specific Plan Fees as listed above in Section 16.82.150(a) shall apply to all property within the SunCreek Specific Plan Fee Area.

(d) Future Areas of the SunCreek Specific Plan Development Impact Fee Program may be created as additional public facilities financing plans are implemented for remaining undeveloped adjacent to the Specific Plan Area or other areas outside of the City of Rancho Cordova that may be annexed to the City in the future.

16.82.160 CALCULATION OF DEVELOPMENT IMPACT FEES.

(a) For Single Family Residential Development and Multi-Family Residential Development, the development fees per dwelling unit set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = P$$

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

Where:

F = the development fee for each category of public facilities to be paid for each dwelling unit by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval; and

P = Program Fee per Dwelling Unit for each category of public facilities for the type of development as shown in the SunCreek Specific Plan Development Impact Fee Program.

(b) For Non-Residential Development, the development fees per building permit set forth in Sections 16.82.120 and 16.28.130 shall be calculated pursuant to the following formula:

$$F = P \times S$$

Where:

F = the development fee for each category of public facilities to be paid for each building permit by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval; and

P = Program Fee per square foot of building floor area for each category of public facilities for the type of development as shown in the SunCreek Specific Plan Development Impact Fee Program.

S = the number of square feet of building floor area proposed for development.

(c) The administration fee per building permit as set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = T \times 3.0\%$$

Where:

F = the administration fee to be paid for each dwelling unit for Single Family Residential Development and Multi-Family Residential Development, or for each building permit for Non-Residential Development, by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval.

T = the sum of the Development Fees for all fee categories of public facilities to be paid for each dwelling unit for Single Family Residential Development and Multi-Family Residential Development, or for each building permit for Non-Residential Development, before any applicable credits pursuant to Sections 16.82.180 or 16.82.195 are applied, by the owner of property for which a change in land use zone has been approved or the permits described in Section 16.82.120 are proposed for approval.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(d) The plan area formation fee per acre as set forth in Sections 16.82.120 and 16.82.130 shall be calculated pursuant to the following formula:

$$F = P \times A$$

Where:

F = the plan area formation fee to be paid for each final map by the owner of property for which a change in land use zone has been approved or the final map described in Section 16.82.120 are proposed for approval; and

P = Program Fee per net developable acre for Plan Area Formation for residential development and non-residential development as shown in the SunCreek Specific Plan Development Impact Fee Program

A = net developable acre excluding public and other land uses, including roads, schools, parks, detention basins, public/quasi-public parcels, wetland preserves and wetland buffers.

(e) The Development Fees shall be paid by the property owner in the amount as calculated pursuant to subdivision (a), (b), (c) and (d) of this section for the categories of facilities established by Section 16.82.150, which are applicable.

(f) For the purpose of calculating SunCreek Specific Plan Development Fees pursuant to subdivision (a), (b), (c), and (d) of this section for properties with an approved use permit which significantly changes the underlying use of the site or properties within a Special Planning Area, the Planning Director is hereby authorized to determine the EDU factors for each fee category which correspond most directly to the use and density.

(f) For the purpose of calculating SunCreek Specific Plan Development Fees pursuant to subdivision (a), (b), (c), and (d) of this section for building permits for land use categories not included in this ordinance, the Planning Director is hereby authorized to determine the EDU factors for each fee category which correspond most directly to the use and density.

16.82.170 ESTABLISHMENT OF EQUIVALENT DWELLING UNIT FACTORS FOR LAND USES WITHIN THE SUNCREEK SPECIFIC PLAN AREA.

(a) The equivalent dwelling unit factors for property within the SunCreek Specific Plan area are based on the SunCreek Specific Plan Development Impact Fee Program.

(b) The equivalent dwelling unit (EDU) factors utilized to calculate the Onsite and Offsite Roadway Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit

ITEM 9.17.**ATTACHMENT 2
Exhibit A to the Ordinance**

Compact Density Residential	0.78 per unit
High Density Residential	0.78 per unit
Village/Regional Town Center - Retail	1.08 per 1,000 sf
Village/Regional Town Center - Office	0.95 per 1,000 sf

(c) The equivalent dwelling unit (EDU) factors utilized to calculate the Potable Water Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit
Compact Density Residential	0.75 per unit
High Density Residential	0.75 per unit
Village/Regional Town Center - Retail	4.00 per acre
Village/Regional Town Center - Office	4.00 per acre

(d) The equivalent dwelling unit (EDU) factors utilized to calculate the Storm Drainage Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	0.40 per acre
Medium Density Residential	0.50 per acre
Compact Density Residential	0.70 per acre
High Density Residential	0.70 per acre
Village/Regional Town Center - Retail	0.90 per acre
Village/Regional Town Center - Office	0.90 per acre

(e) The equivalent dwelling unit (EDU) factors utilized to calculate the Wetland Mitigation, Wetland Preserve Buffer, and Plan Area Formation Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	1.00 per unit
Medium Density Residential	1.00 per unit
Compact Density Residential	1.00 per unit
High Density Residential	1.00 per unit
Village/Regional Town Center - Retail	1.00 per acre
Village/Regional Town Center - Office	1.00 per acre

(f) The equivalent dwelling unit (EDU) factors utilized to calculate the Park Corridors and Trails Development Fees shall be as follows:

Land Use Categories	EDU Factor
Low Density Residential	2.95 per unit
Medium Density Residential	2.95 per unit
Compact Density Residential	2.03 per unit
High Density Residential	1.54 per unit

16.82.180 CREDIT FOR CONSTRUCTION OF SPECIFIC PLAN PUBLIC FACILITIES.

(a) Upon application by the property owner or his authorized agent, the Director may authorize the construction of any specific plan public facilities, or portions thereof, in order of priority as designated on the Priority List in the SunCreek Specific Plan Development Impact Fee Program in lieu of all, or a portion of, the Development Impact Fees required by this chapter. If so authorized, the credit toward Specific Plan Development Impact Fees to be provided to the property owner for such in lieu construction shall be equal to eighty percent (80%) of the programmed cost of the facility, as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time when the in lieu construction is so authorized, including, but not limited to, unit prices, quantities and project descriptions. Prior to credit being given and/or issuance of any of the approvals set forth in Section 16.82.130 (e.g., approvals of building permits, subdivisions or zoning amendments), the construction of any facility authorized by this section must either be accepted by the Department, or the property owner must post security for the complete performance of the construction in a form acceptable to the Director and the City Attorney.

(b) Upon acceptance of the completed facility and after reconciliation of the final facility costs, the remaining twenty percent (20%) of the programmed cost as designated in the SunCreek Specific Plan Development Impact Fee Program may be issued as a credit balance to the property owner that may be utilized within the City of Rancho Cordova as determined by the Director.

(c) Where the amount of the credit is less than the amount of the SunCreek Specific Plan Development Fee otherwise applicable to the development in question, the property owner must pay to the City the difference in accordance with Section 16.82.130.

(d) Where the amount of the credit is greater than the amount of the SunCreek Specific Plan Development Fee, the property owner shall be paid the difference only from the applicable SunCreek Specific Plan Fund within a reasonable time after the project is accepted by the Department pursuant to Section 16.84.120 in order of priority on the Priority List in the SunCreek Specific Plan Development Impact Fee Program when funds are available.

(e) Where a facility is proposed for construction by the property owner, the Director at his or her discretion may either (1) provide the property owner with a credit pursuant to this section or (2) enter into a reimbursement agreement with the property owner pursuant to Section 16.82.190.

16.82.190 REIMBURSEMENT FOR CONSTRUCTION OF SUNCREEK SPECIFIC PLAN PROJECTS IN ADVANCE OF THE SUNCREEK SPECIFIC PLAN DEVELOPMENT IMPACT FEE PROGRAM PRIORITY LIST SCHEDULE.

(a) Upon application by the property owner or his authorized agent, the Director may enter into a reimbursement agreement authorizing the construction of any specific plan facilities, or portions thereof, designated in the SunCreek Specific Plan Development Impact Fee

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

Program. In addition to the requirements of subsection (d), the agreement shall set forth the amount to be reimbursed, the time and manner in which payments are to be made, and shall state that reimbursement by the City will only be made from the applicable SunCreek Specific Plan Fund when funds are available.

(b) The amount of reimbursement shall be the actual cost of the facility up to the programmed cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time the construction contract is awarded for that specific facility. The time of reimbursement shall be the end of the fiscal year in which the facility is scheduled for construction, based on the Priority List in the SunCreek Specific Plan Development Impact Fee Program, or as different timing is otherwise authorized by the Director.

(c) By entering into a reimbursement agreement, a property owner is not relieved of the obligation to pay the applicable SunCreek Specific Plan Development Fees in the manner and amount specified by this chapter.

(d) If the Director enters into an agreement authorized by subdivision (a) of this section, or credit agreement as authorized by Section 16.82.150(c) the agreement shall provide that: (1) The general fund of the City is not liable for payment of any obligations arising from the agreement; (2) the credit or taxing power of the City is not pledged for the payment of any obligations arising from the agreement; (3) the landowner shall not compel the exercise of the City taxing power or the forfeiture of any of its property to satisfy any obligations arising from the agreement; and (4) the obligation arising from the agreement is not a debt of the City, nor a legal or equitable pledge, charge, lien, or encumbrance, upon any of its property, or upon any of its income, receipts, or revenues, and is payable only from the applicable SunCreek Specific Plan Development Impact Fees deposited in the applicable Transportation Fund.

(e) Property owner or his authorized agent shall apply for reimbursement as set forth in subdivisions (a) (b) (c) and (d) of this Section no later than five (5) years after the specific plan public project is constructed and accepted. Property owner shall waive the right of reimbursement for construction costs payable under this Section when the reimbursement is not applied for within said five (5) year limitation.

16.82.195 CREDIT OR REIMBURSEMENT FOR CONSTRUCTION OF PARK AND RECREATION FACILITIES.

(a) Upon application by the property owner or his authorized agent, City of Rancho Cordova or any other entity as designated by the City as the park facilities provider, may authorize the construction of any park and recreation facilities, or portions thereof, as designated in the SunCreek Specific Plan Development Impact Fee Program in lieu of all, or a portion of, the park improvement Development Fee required by the City's Development Agreement and this chapter and may enter into a credit agreement pursuant to subsections (b), (c), and (d) of this section or may enter into a reimbursement agreement pursuant to subsections (e), (f), and (g) of this section. If so authorized, the credit to be provided to the property owner shall be equal to the estimated cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program, or other park nexus study, in effect at the time when the credit agreement is approved, including, but not limited to, unit prices, quantities and project descriptions. The construction of any facility authorized by this section must first be accepted by the City or other park facilities provider, as designated by the City or otherwise authorized by said park facilities provider, prior to credit being given and issuance of any of the approvals set forth in Section 16.82.130.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(b) Where the amount of the credit is less than the amount of the otherwise applicable park improvement Development Fee, the property owner must pay the difference as set forth in Section 16.82.130.

(c) Where the amount of the credit is greater than the amount of the Development Fee, the property owner shall be paid the difference only from the applicable SunCreek Specific Plan Park Improvement Fund within a reasonable time after the project is accepted by the park facilities provider.

(d) If the parks facilities provider and a property owner agree, the property owner may receive a credit against the park improvement Development Fee in an amount not to exceed the value of property conveyed to the provider as determined by the park facilities provider.

(e) Upon application by the property owner or his authorized agent, the park facilities provider may enter into a reimbursement agreement authorizing the construction of any park facilities, or portions thereof, designated in the SunCreek Specific Plan Development Impact Fee Program. The agreement shall set forth the amount to be reimbursed, the time and manner in which payments are to be made, and shall require reimbursement only from the applicable SunCreek Specific Plan Park Improvement Fund.

(f) The amount of reimbursement shall be the estimated cost of the facility as set forth in the SunCreek Specific Plan Development Impact Fee Program in effect at the time the construction contract is awarded for that specific facility.

(g) By entering into a reimbursement agreement, a property owner is not relieved of the obligation to pay the Development Fees in the manner and amount specified by this chapter.

16.82.200 ANNUAL PROGRAM FEE ADJUSTMENT.

Beginning January 1, 2023, and thereafter each year no later than January 15, the Program Fee per Development Unit for each type of development in each fee category shall be adjusted as follows:

(a) A "mean" index will be computed by averaging the index for 20 U.S. cities with the index for San Francisco by resort to the October issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.

(b) An adjustment factor shall be computed by dividing the "mean" index as calculated in subsection (a) of this section by the "mean" index for the previous October, however, if a new Program Fee has been adopted after January of the previous year, the adjustment factor shall use the "mean" index from the month that the fee was adopted.

(c) The new Program Fee per Development Unit shall be calculated by multiplying the adjustment factor, as calculated in subsection (b) of this section, by the Program Fee per Development Unit in place prior to the annual adjustment.

ITEM 9.17.

ATTACHMENT 2 Exhibit A to the Ordinance

(d) The estimated cost of the facilities used in SunCreek Specific Plan Capital Improvement Plan and for calculating credits and reimbursements pursuant to Sections 16.82.180, 16.82.190 and 16.82.195 shall be adjusted annually using the same adjustment factor pursuant to subsections (a), (b) and (c) of this section.

16.82.210 ALTERNATIVE METHOD AND COMPLIANCE WITH OTHER LAWS.

(a) This chapter is intended to establish a supplemental method for funding the cost of certain facilities the need for which is expected to be generated by the level and type of development proposed in the City of Rancho Cordova. The provisions of this chapter shall not be construed to limit the power of the Council to impose any other fees or exactions or to continue to impose existing ones, on development within the City of Rancho Cordova, but shall be in addition to any other fee, exactions or other requirements that the City is authorized to impose, or has previously imposed, as a condition of approving plans, rezonings or other entitlements within the City of Rancho Cordova pursuant to state and local laws. In particular, individual property owners shall remain obligated to fund, construct, and/or dedicate the improvements, public facilities and/or pay other exactions authorized or required by, but not limited to: (1) the City of Rancho Cordova Public Works Department Improvement Standards; (2) the Sacramento County Municipal Services Agency Improvement Standards; (3) the Quimby Act (Government Code Section 66477 et seq.) and implementing ordinances (Chapter 22.40 of this Code); (4) school impact fees (Government Code Sections 65970 et. seq.) and implementing ordinances; and (5) City of Rancho Cordova storm drainage impact fees (Chapter 16.95). Any credits or repayments pursuant to Sections 16.82.180, 16.82.190 and 16.82.195 shall not include credits or repayment for the funding, construction or dedications described in this section.

(b) The construction of facilities by a private owner pursuant to Section 16.82.180, 16.82.190, and 16.82.195 shall be performed and contracted for only as required by law, including but not limited to, compliance with the Department's Improvement Standards, and requirements for public works, if applicable to the particular facility."

MEMORANDUM

ITEM 9.18.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Arlene Granadosin-Jones, Senior Planner

SUBJECT: **SECOND READING AND ADOPTION OF AN ORDINANCE AMENDING TITLE 4 BUSINESS REGULATION, CHAPTER 4.07 TOBACCO RETAILER LICENSE WHICH WOULD REPEAL AND REPLACE TITLE 6 HEALTH AND SANITATION, CHAPTER 6.86 DISTRIBUTION OF TOBACCO PRODUCTS TO MINORS, AND AMENDING CHAPTER 6.84.020 REGULATION OF SMOKING, DEFINITIONS AND TITLE 23 ZONING CODE, CHAPTER 23.919.100 SMOKERS LOUNGE, HOOKAH BAR, E-CIGARETTE LOUNGE AND VAPOR LOUNGE/BAR OF THE RANCHO CORDOVA MUNICIPAL CODE REGARDING THE PROHIBITION OF THE SALE OF FLAVORED TOBACCO PRODUCTS**

RECOMMENDATION

Waive second reading and adopt the Ordinance.

RESULT OF RECOMMENDED ACTION

Adoption of the Ordinance would amend Title 4, Business Regulation, Chapter 4.07, Tobacco Retailer License prohibiting the sale of flavored tobacco city-wide. The ordinance would also repeal Title 6 Health and Sanitation, Chapter 6.86, Distribution of Tobacco Products to Minors. And revise Chapter 6.84.020, Regulation of Smoking, Definitions, and Title 23, Zoning Code, Chapter 23.919.100, Smokers' Lounge, Hookah Bar, E-Cigarette Lounge and Vapor Lounge/Bar to be consistent with State and federal law.

BACKGROUND

On May 16, 2022, the City Council waived the first reading and passed to a second reading of the Ordinance.

FISCAL IMPACT AND FUNDING SOURCE

There is no Fiscal Impact.

ATTACHMENT(S)

1. Ordinance
2. Exhibit A to the Ordinance

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AMENDING TITLE 4 (BUSINESS REGULATIONS), CHAPTER 4.07 (TOBACCO RETAILER LICENSE) WHICH WOULD REPEAL AND REPLACE TITLE 6 (HEALTH AND SANITATION), CHAPTER 6.86 (DISTRIBUTION OF TOBACCO PRODUCTS TO MINORS), AND AMENDING CHAPTER 6.84.020 (REGULATION OF SMOKING, DEFINITIONS) AND TITLE 23 (ZONING CODE), CHAPTER 23.919.100 (SMOKERS' LOUNGE, HOOKAH BAR, E-CIGARETTE LOUNGE, AND VAPOR LOUNGE/BAR)

Section 1. Purpose and Declarations.

WHEREAS, Rancho Cordova Municipal Code (RCMC) Title 4, Chapter 4.07 regulates the sale of tobacco in the City of Rancho Cordova; and

WHEREAS, RCMC Title 6, Chapter 6.86 regulates the distribution of tobacco products to minors in the City of Rancho Cordova; and

WHEREAS, RCMC Title 6, Chapter 6.84 regulates smoking in public places and places of employment; and

WHEREAS, RCMC Title 23, Chapter 23.919.100 regulates smokers' lounges, hookah bars, e-cigarette lounges, and vapor lounges/bars; and

WHEREAS, recent studies have estimated 4.31 million middle and high school students in the U.S. used flavored tobacco within a given 30-day period, which included flavored e-cigarettes, menthol cigarettes, flavored cigars and hookah, and flavored pipe tobacco; and

WHEREAS, the City Council sees a benefit and a need to prohibit the sale, offer of sale, and distribution of flavored tobacco products as mentholated and flavored products have been shown to be "starter" products for youth who begin using tobacco and these products help establish tobacco habits that can lead to long-term-addiction; and

WHEREAS, this ordinance amends Title 4- Chapter 4.07, Title 6- Chapter 6.84.020, Title 6- Chapter 6.86, and Title 23- Chapter 23.919.100 to prohibit the sale, offer of sale, and distribution of flavored tobacco products; and

WHEREAS, on May 16, 2022 the City Council held a properly noticed public hearing for this Ordinance and considered all oral and written testimony.

Section 2: Findings. The City Council hereby finds:

A. CEQA Compliance. CEQA requires analysis of agency approvals of discretionary "projects." A "project," under CEQA, is defined as "the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment." (CEQA Guidelines, § 15378.) As reflected in State CEQA Guideline 15061 (b) (3), an activity is not subject to CEQA, "[where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment..." The proposed amendments are not a "project" within the meaning of CEQA because the amendments seek to add language to the Municipal Code related to the regulation

of flavored tobacco products. The amended language would prohibit the sale, offer of sale, and distribution of flavored tobacco products, including definitions, exemptions, and fines and violations. Thus, the proposed ordinance is not subject to the requirements of CEQA. However, in the event that adoption of the ordinance is considered a CEQA project, it would nonetheless qualify for categorical exemptions as set forth below.

CEQA Guidelines Section 15061(b)(3) states that a project is exempt from CEQA “where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” The approval of the code amendments set forth in the proposed ordinance does not approve any physical development and it would not result in a direct or indirect physical changes in the environment. The amended language would prohibit the sale, offer of sale, and distribution of flavored tobacco products, including definitions, exemptions, and fines and violations. For these reasons, the proposed amendments would not have the potential to result in individually or cumulatively significant effects on the environment and these Municipal Code amendments are exempt from review under CEQA and no further environmental review is necessary.

B. The proposed amendments comply with applicable state law and local ordinances.

California Business and Professions Code Section 22971.3 reserves to cities the ability to enact local tobacco control laws, except for laws related to the collection of state taxes. Section 22971.3 also authorizes cities to implement local tobacco licensing laws. Revisions to the Municipal Code implement and are consistent with both local and state regulations.

Section 3. Amendments to Title 4 Business Regulations, Title 6 Health and Sanitation, and Title 23 Zoning Code

The City Council hereby adopts the amendments to Title 4 Business Regulations, Chapter 4.07 Tobacco Retailer License, and Title 6 Health and Sanitation, Chapter 6.86 Distribution of Tobacco Products to Minors, and Title 6.84.020 Regulation of Smoking, Definitions, and Title 23 Zoning Code, Chapter 23.919.100 Smokers’ Lounge, Hookah Bar, E-Cigarette Lounge, and Vapor Lounge/Bar of the Rancho Cordova Municipal Code, as shown and incorporated in Exhibit A to this ordinance.

Section 4. Severability

If any provision of this Ordinance or the application thereof to any person or circumstance, is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid or unenforceable.

Section 5. Effective Date

Within fifteen (15) days after adoption, a Summary of this Ordinance shall be published once in the Grapevine Independent, or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in

ITEM 9.18.

ATTACHMENT 1

accordance with Government Code Section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its inception.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by the following vote:

- 4.07.010 Legislative findings.

The city council of the city of Rancho Cordova finds and determines that:

A. The United States Surgeon General has declared nicotine, a key ingredient of cigarettes and tobacco products, as addictive as cocaine or heroin; yet no other addictive product or drug is as accessible to minors or as heavily advertised and promoted to minors as tobacco products. Once addicted, minors necessarily have great difficulty in complying with laws regulating access by minors to tobacco.

B. Since 1971, federal law has banned the advertising of tobacco products on radio and television, in part because of substantial evidence showing that the most persuasive advertising was being conducted on radio and television, and these broadcasts were particularly effective in reaching a large audience of young people.

C. Studies show an association between tobacco use and use of alcohol and illicit drugs. The National Institute on Drug Abuse found that teenagers who smoke are 14 times more likely to abuse alcohol, 100 times more likely to smoke marijuana and 32 times more likely to use cocaine than their nonsmoking peers.

D. Eighty-eight percent of adults who have ever smoked tried their first cigarette by the age of 18, and the average age at which smokers try their first cigarette is 14.5.

E. Although the tobacco industry insists the sole purpose of advertising is to convince current smokers to switch brands, it spends over \$5,000,000,000 a year in advertising and promotion costs to aggressively recruit new smokers. To replace smokers who quit or die prematurely (some 3,000 smokers a day) the tobacco

industry must attract approximately 2,000,000 new smokers each year. Most new smokers are children and adolescents. The tobacco industry sells \$1,260,000,000 in tobacco products (over 947,000,000 packs of cigarettes and 26,000,000 containers of smokeless tobacco) each year to children under 18. Thus, the tobacco industry earns \$1,500,000,000 annually from the illegal sale of tobacco to children.

F. Based upon the foregoing facts and findings, the city has a substantial interest in promoting compliance with state laws prohibiting sales of cigarettes and tobacco products to minors, in promoting compliance with federal, state and local laws intended to discourage the purchase of tobacco products by minors, and in protecting children from being lured into illegal activity through the misconduct or illegal acts of adults.

G. State law prohibits the sale or furnishing of cigarettes, tobacco products and smoking paraphernalia to persons under 21 years of age except active duty military personnel who are 18 years of age or older (Section 308 of the Penal Code).

H. State law requires that tobacco retailers check the identification of tobacco purchasers who reasonably appear to be under 21 years of age (Section 22956 of the California Business and Professions Code) and provides procedures for using persons under 21 years of age to conduct on-site compliance checks of tobacco retailers (Section 22952 of the California Business and Professions Code).

I. State law requires that tobacco retailers post a conspicuous notice at each point of sale stating that selling tobacco products to anyone under 21 years of age is illegal (Section 22952 of the California Business and Professions Code and Section 308 of the California Penal Code).

J. State law prohibits the sale or display of cigarettes through a self-service display and prohibits public access to cigarettes without the assistance of a clerk (Section 22962 of the California Business and Professions Code).

K. State law prohibits the sale of “bidis” (a type of hand-rolled filterless cigarette) except at those businesses that prohibit the presence of minors (Section 308.1 of the California Penal Code).

L. State law prohibits the manufacture, distribution, or sale of cigarettes in packages of less than 20 and prohibits the manufacture, distribution, or sale of “roll-your-own” tobacco in packages containing less than six-tenths of an ounce of tobacco (Section 308.3 of the California Penal Code).

M. State law prohibits public school students from smoking or using tobacco products while on campus, while attending school-sponsored activities, or while under the supervision or control of school district employees (Section 48901(a) of the California Education Code).

N. RCMC 4.61.040 prohibits the sale or distribution of tobacco products from vending machines.

O. From 2013 to 2015, an estimated 15% of ninth and eleventh grade students in California reported using electronic smoking devices.

P. Over 9% of high school students in California reported buying their own electronic cigarette from a store.

Q. In 2016, an estimated 82% of tobacco retailers in California sold flavored non-cigarette tobacco products, over 90% of tobacco retailers sold menthol cigarette, and 80% of tobacco retailers near schools sold flavored non-cigarette tobacco products.

R. Mentholated and flavored products have been shown to be “starter” products for youth who begin using tobacco and these products help establish tobacco habits that can lead to long-term-addiction.

S. Flavored tobacco has significant public health implications for youth and people of color as a result of targeted industry marketing strategies and product manipulation.

T. Neither federal nor California state laws restrict the sale of menthol cigarettes or flavored non-cigarette tobacco products, electronic smoking devices, or the solutions used in these devices.

U. Despite these restrictions, minors continue to be exposed to and influenced by tobacco advertising, and to purchase or steal or otherwise obtain cigarettes and other tobacco products at alarming rates. Studies show that nearly one-quarter of all teenagers in this country are smokers.

V. California courts, in *Cohen vs. Board of Supervisors*, 40 Cal. 3d 277 (1985), and *Bravo Vending vs. City of Rancho Mirage*, 16 Cal. App. 4th 383 (1993), have affirmed the power of local jurisdictions to regulate business activity in order to discourage violations of law.

W. State law authorizes local tobacco retailer licensing laws to provide for the suspension or revocation of the local tobacco retailer license for any violation of a state tobacco control law (Section 22971.3 of the Business and Professions Code).

X. A requirement for a tobacco retailer license will not unduly burden legitimate business activities of retailers who sell or distribute cigarettes or other tobacco products to adults. It will, however, allow the city to regulate the operation of lawful businesses to discourage violations of federal, state, and local tobacco laws. [Ord. 3-2005 § 2].

4.07.020 Purpose.

A. The purpose of this chapter is to encourage responsible tobacco retailing and to discourage violations of tobacco-related laws, especially those that prohibit or discourage the sale or distribution of tobacco products to minors, but not to expand or reduce the degree to which the acts regulated by federal or state law are criminally proscribed or to alter the penalty provided for violations. [Ord. 3-2005 § 2].

4.07.030 Definitions.

As used in this chapter, the following words and phrases shall have the meanings given them in this section, unless the context clearly requires otherwise:

“Characterizing flavor” means a taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product or any byproduct produced by the tobacco product, including, but not limited to, tastes or aromas relating to menthol, mint, wintergreen, fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcohol beverage, herb, or spice.

“City” means the city of Rancho Cordova.

“City manager” means the city manager of the city of Rancho Cordova or his or her designee.

“E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette,” “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

“Flavored tobacco product” means any tobacco product that imparts a characterizing flavor.

“Itinerant tobacco retailing” means engaging in tobacco retailing at other than a fixed location.

“License” means a tobacco retailer license issued by the city pursuant to this chapter.

“Licensee” means any proprietor holding a license issued by the city pursuant to this chapter.

“Person” means any individual, firm, partnership, joint venture, limited liability company, association, social club, fraternal organization, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

“Proprietor” means a person with an ownership or managerial interest in a business. An ownership interest shall be deemed to exist when a person has a 10 percent or greater interest in the stock, assets, or income of a business other than the sole interest of security for debt. A managerial interest shall be deemed to exist when a person has, or can have, sole or shared control over the day-to-day operations of a business.

“Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

“Tobacco paraphernalia” means any item designed or marketed for the smoking consumption, use, or preparation of a tobacco product.

“Tobacco product” means:

- 1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;
- 2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or
- 3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

“Tobacco retailer” means any person who sells, offers for sale, exchanges, or offers to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange.

“Tobacco retailing” means selling, offering for sale, exchanging, or offering to exchange for any form of consideration tobacco, tobacco products, or tobacco paraphernalia without regard to the quantity sold, offered for sale, exchanged, or offered for exchange. [Ord. 13-2014 §§ 4 – 6; Ord. 3-2005 § 2].

4.07.040 Requirement for tobacco retailer license.

A. It shall be unlawful for any person to act as a tobacco retailer without first obtaining a license for each location at which tobacco retailing is to occur. No license will be issued to authorize tobacco retailing at other than a fixed location. No license will be issued for itinerant tobacco retailing or tobacco retailing from vehicles.

B. Nothing in this chapter shall be construed to grant any person obtaining a license any status or right other than the right to act as a tobacco retailer at the location in the city identified on the face of the license, subject to compliance with all other applicable laws, regulations, and ordinances. Nothing in this chapter shall be construed to render inapplicable, supersede, or apply in lieu of any other provision of applicable law, including, without limitation, any condition or limitation on indoor smoking made applicable to business establishments by Section 6404.5 of the Labor Code. [Ord. 3-2005 § 2].

4.07.050 Application procedure.

All applications for a license shall be submitted to the city manager in the name of each proprietor proposing to conduct tobacco retailing and shall be signed by each proprietor or an authorized agent thereof. A proprietor proposing to conduct tobacco retailing at more than one location shall submit a separate application for each location. Every application shall be submitted on a form supplied by the city manager and shall contain the following information:

- A. The name, address, and telephone number of each proprietor; and
- B. The business name, address, and telephone number of the fixed location for which a license is sought; and
- C. Whether or not any proprietor has previously been issued a license pursuant to this chapter that is, or was at any time, suspended or revoked and, if so, the dates of the suspension period or the date of revocation; and
- D. Such other information as the city manager deems necessary for the administration or enforcement of this chapter. [Ord. 3-2005 § 2].

4.07.060 Issuance and renewal of license.

A. Upon the receipt of an application for a license and the applicable license fee, the city manager shall issue a license unless:

1. The application is incomplete or inaccurate;
2. The application seeks authorization for tobacco retailing at an address that appears on a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings for violation of any of the provisions of this chapter; provided, however, this subsection shall not constitute a basis for denial of a license if either or both of the following apply:
 - a. The applicant provides the city with documentation demonstrating that the applicant has acquired or is acquiring the premises or business in an arm's length transaction. For the purposes of this subsection, an "arm's length transaction" is defined as a sale in good faith and for valuable consideration that reflects the fair market value in the open market between two informed and willing parties, neither under any compulsion to participate in the transaction. A sale between relatives, related companies or partners, or a sale for the primary purpose of avoiding the effect of the violations of this chapter that occurred at the location, is presumed not to be an "arm's length transaction";
 - b. It has been more than five years since the most recent license for that location was revoked;
3. The application seeks authorization for tobacco retailing that is unlawful pursuant to this code, or that is unlawful pursuant to any other local, state, or federal law;
4. The city manager has information that the applicant or his or her agents or employees has violated any local, state or federal tobacco control law at the location for which the license or renewal of the license is sought within the preceding 30-day period;
5. There are grounds for denial pursuant to Chapter 4.06 RCMC; or
6. No general business license has been granted for the enterprise pursuant to Chapter 4.06 RCMC.

B. A license shall be valid for one year and an application for renewal must be filed not later than 30 days prior to the expiration of the license, but no earlier than 60 days prior to the expiration of the license. Unless revoked on an earlier date, all licenses shall expire one year after the date of issuance. A license may be renewed for additional periods of one year by submitting an application to the tax and license collector and payment of the applicable license fee; provided, however, a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings shall not be renewed. The application and license fee shall be submitted at least 30 days, but not more than 60 days, prior to the expiration of the current valid license. The applicant shall follow all of the procedures and provide all of the information required by RCMC 4.07.050, and the tax and license collector shall process the application according to the provisions of this section. Provided that an application is made within the time period required by this subsection, a licensee may continue the sale of tobacco products pending a determination of the tax and license collector to renew or disapprove the license.

C. Where the city manager does not approve a license or renewal of a license, the procedures for denial, including appeals therefrom, of RCMC 4.07.120 shall apply. [Ord. 3-2005 § 2].

4.07.070 Display of license.

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 7/18

Each license shall be prominently displayed in a publicly visible location at the licensed premises. [Ord. 3-2005 § 2].

4.07.080 License fee.

The fee for issuance or renewal of a license shall be established by the city manager and shall be in addition to the city's business operation tax and any other license or permit fee imposed by this code upon the applicant. The license fee shall be paid to the city at the time the license application is submitted. The amount of the fee shall be determined on the basis of the costs incurred in the enforcement of tobacco retailing laws together with the costs, including the costs of counsel, incurred in the administration of this chapter. [Ord. 6-2010 § 5; Ord. 3-2005 § 2].

4.07.090 License nontransferable.

A license is nontransferable. If a licensee changes business location, that licensee must obtain a new license prior to acting as a tobacco retailer at the new location. If a business licensed to conduct tobacco retailing is sold, the new owner must obtain a license for that location before acting as a tobacco retailer. [Ord. 3-2005 § 2].

4.07.100 License violation.

A. It shall be a violation of a license for a licensee or his or her agents or employees to violate any local, state, or federal tobacco-related law. [Ord. 3-2005 § 2].

B. It shall be a violation of a license for a licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any flavored tobacco product. There is a rebuttable presumption that a tobacco product is a flavored tobacco product, if a tobacco manufacturer or its agents or employees has made a public statement or claim that the tobacco product has or produces a characterizing flavor, including, but not limited to, text, color, or images on the product's labeling or packaging that are used to expressly or impliedly communicate that a tobacco product has a characterizing flavor.

1. After ninety (90) calendar days from the effective date of this Chapter, it shall be a violation of this Chapter for a tobacco licensee, or a licensee's agents or employees to sell, offer for sale, or distribute any prohibited product.

2. This Chapter shall not apply to any existing establishment that (i) has been formally permitted to allow the on-site smoking of tobacco products under Section 23.919.100 of the Rancho Cordova Municipal Code and that (ii) sells only shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) for onsite consumption. The hookah tobacco retailer has a valid license to sell tobacco products issued pursuant to Chapter 2 (commencing with Section 22971.7) of Division 8.6 of the Business and Professions Code. Retail sales of flavored tobacco products other than shisha tobacco products (as defined in California Health and Safety Code Section 104559.5) by such smoking lounges are prohibited. No flavored shisha tobacco products purchased at such smoking lounges may be removed from the premises. As required in Section 23.919.100 of the Rancho Cordova Municipal Code, all consumption or use of flavored shisha tobacco products at such smoking lounges shall occur indoors. The hookah tobacco retailer shall operate in accordance with all relevant state and local laws relating to the sale of tobacco products.

4.07.110 Administrative fine.

A. Any tobacco retailer or licensee violating the provisions of this Chapter shall be guilty of a misdemeanor, and in addition to any other remedy, shall be liable for an administrative fine of one thousand dollars (\$1,000) per violation. Each day a violation exists shall constitute a new and separate violation.

B. Any violation of this Chapter may be remedied by a civil action brought by the City Attorney. The city may recover reasonable attorney's fees and costs of any civil action brought by the City Attorney to remedy any violation of this Chapter.

C. Additional Amounts. Administrative costs, interest, late payment charges, costs of compliance reinspections, and collection costs are in addition to the fine as set forth in Subsection (A).

D. A notice of violation and of intent to impose a fine shall be personally served on, or sent by certified mail to, the person or persons subject to the fine. The notice shall state the basis of the city's determinations and include an advisement of the right to request a hearing to contest the fine. Any request for a hearing must be in writing and must be received by the city within 10 calendar days of personal service of the notice on the person or persons subject to a fine or within 15 calendar days if the person or persons subject to a fine are served by mail.

E. If no request for a hearing is timely received, the city's determination on the violation and the imposition of a fine and any additional amounts pursuant to subsection (C) of this section shall be final and payment shall be made within 30 calendar days of written demand made in the manner specified above for a notice of violation. If the fine is not paid within that time, the fine may be collected, along with any additional amounts pursuant to subsection (C) of this section, in any manner provided by law. In the event that a judicial action is necessary to compel payment, the person or persons subject to the fine and any additional amount shall also be liable for the costs of the suit and attorneys' fees incurred by the city in collecting the fine.

F. If a hearing is requested pursuant to subsection (D) of this section, the city shall provide written notice, within 45 calendar days of its receipt of the hearing request, to the person or persons subject to a fine and any additional amount, of the date, time, and place of the hearing in the manner specified above for a notice of violation.

G. The hearing shall be conducted in accordance with the procedures set forth in RCMC 4.07.140 through 4.07.160.

H. If no timely notice of appeal to the superior court is filed, or the city is not timely served with a copy of a notice of appeal, the hearing officer's decision and findings shall be deemed confirmed and the fine and any additional amounts imposed pursuant to subsection (C) of this section shall be collected pursuant to subsection (E) of this section. [Ord. 6-2010 § 6; Ord. 3-2005 § 2].

4.07.120 Suspension or revocation of license.

A. In addition to any other remedy authorized by law, a license shall be suspended or revoked as provided in this section if the city manager finds that the licensee or his or her agents or employees has or have violated any of the provisions of this chapter; provided, however, violations by a licensee at one location may not be

accumulated against other locations of that same licensee, nor may violations accumulated against a prior licensee at a licensed location be accumulated against a new licensee at the same licensed location.

1. Upon a finding by the city manager of a first license violation within any five-year period, the license shall be suspended for 30 days.

2. Upon a finding by the city manager of a second license violation within any five-year period, the license shall be suspended for 90 days.

3. Upon a finding by the city manager of a third license violation within any five-year period, the license shall be suspended for one year.

4. Upon a finding by the city manager of a fourth license violation within any five-year period, the license shall be revoked.

B. Notwithstanding RCMC 4.07.110(A), a license shall be revoked if the city manager finds that either one or both of the following conditions exist:

1. One or more of the bases for denial of a license under RCMC 4.07.060(A) existed at the time application was made or at any time before the license was issued.

2. The information contained in the license application, including supplemental information, if any, is found to be false in any material respect.

C. In the event the city manager suspends or revokes a license, written notice of the suspension or revocation shall be served upon the licensee within five days of the suspension or revocation. The notice shall contain:

1. A brief statement of the specific grounds for such suspension or revocation;

2. A statement that the licensee may appeal the suspension or revocation by submitting an appeal, in writing, in accordance with the provisions of RCMC 4.07.130, to the city manager, within 10 calendar days of the date of service of the notice; and

3. A statement that the failure to appeal the notice of suspension or revocation will constitute a waiver of all right to an administrative appeal hearing, and the suspension or revocation will be final.

D. A licensee for whom a license suspension is in effect must remove all tobacco products and tobacco paraphernalia from public view at the address that appears on the suspended license. [Ord. 3-2005 § 2].

4.07.130 Denial, suspension and revocation – Appeals.

A. Any applicant or licensee aggrieved by the decision of the city manager in denying, suspending, or revoking a license may appeal the decision by submitting a written appeal to the city manager within 10 calendar days from the date of service of the notice of denial, suspension, or revocation. The written appeal shall contain:

1. A brief statement in ordinary and concise language of the specific action protested, together with any material facts claimed to support the contentions of the appellant;
 2. A brief statement in ordinary and concise language of the relief sought, and the reasons why it is claimed the protested action should be reversed or otherwise set aside;
 3. The signatures of all parties named as appellants and their official mailing addresses; and
 4. The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of the matters stated in the appeal.
- B. The appeal hearing shall be conducted in accordance with RCMC 4.07.140 through 4.07.160.
- C. Upon receipt of any appeal filed pursuant to this section, the city manager shall transmit said appeal to the secretary of the hearing examiner who shall calendar the matter for hearing within 45 days.
- D. Written notice of the time and place of the hearing shall be given at least 10 calendar days prior to the date of the hearing to each appellant by the secretary of the hearing examiner either by causing a copy of such notice to be delivered to the appellant personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at the address shown on the appeal.
- E. Failure of any person to file a timely appeal in accordance with the provisions of this section shall constitute an irrevocable waiver of the right to an administrative hearing and a final adjudication of the notice and order, or any portion thereof.
- F. Only those matters or issues specifically raised by the appellant in the appeal notice shall be considered in the hearing of the appeal.
- G. Any suspension or revocation of a license shall be stayed during the pendency of an appeal which is properly and timely filed pursuant to this section. [Ord. 3-2005 § 2].

4.07.140 Hearings – Generally.

- A. The city manager shall appoint a hearing examiner to hear appeals brought pursuant to this chapter.
- B. The city manager shall promulgate rules and procedures as necessary for the use of the hearing examiner.
- C. At the time set for hearing, the hearing examiner shall proceed to hear the testimony of the city manager, the appellant, and other competent persons, including members of the public, respecting those matters or issues specifically listed by the appellant in the notice of appeal.
- D. The proceedings at the hearing shall be electronically recorded. Either party may provide a certified shorthand reporter to maintain a record of the proceedings at the party's own expense.
- E. The hearing examiner may, upon request of the appellant or upon request of the city manager, grant continuances from time to time for good cause shown, or upon his or her own motion.

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 11/18

F. In any proceedings under this chapter, the hearing examiner has the power to administer oaths and affirmations and to certify to official acts. [Ord. 3-2005 § 2].

4.07.150 Conduct of hearing.

A. Hearings need not be conducted according to the technical rules relating to evidence and witnesses. Section 11513, Subsections (a), (b) and (c), of the Government Code as presently written or hereinafter amended shall apply to hearings under this chapter.

B. Oral evidence shall be taken only upon oath or affirmation.

C. Irrelevant and unduly repetitious evidence shall be excluded.

D. Each party shall have these rights, among others:

1. To call and examine witnesses on any matter relevant to the issues of the hearing;
2. To introduce documentary and physical evidence;
3. To cross-examine opposing witnesses on any matter relevant to the issues of the hearing;
4. To impeach any witness regardless of which party first called the witness to testify;
5. To rebut the evidence presented against the party; and
6. To represent himself, herself, or itself or to be represented by anyone of his, her, or its choice who is lawfully permitted to do so.

E. In reaching a decision, official notice may be taken, either before or after submission of the case for decision, of any fact that may be judicially noticed by the courts of this state or that may appear in any of the official records of the city or any of its departments. [Ord. 3-2005 § 2].

4.07.160 Form and contents of decision – Finality of decision.

A. If it is shown, by a preponderance of the evidence, that one or more bases exist to deny, suspend, or revoke the license, the hearing examiner shall affirm the city manager's decision to deny, suspend, or revoke the license. The decision of the hearing examiner shall be in writing and shall contain findings of fact and a determination of the issues presented.

B. The decision shall inform the appellant that the decision is a final decision and that the time for judicial review is governed by Section 1094.6 of the California Code of Civil Procedure. Copies of the decision shall be delivered to the parties personally or sent by certified mail to the address shown on the appeal. The decision shall be final when signed by the hearing examiner and served as provided in this section. [Ord. 3-2005 § 2].

4.07.170 Enforcement.

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 4.07 Tobacco Retailer License

Page 12/18

A. The remedies provided by this chapter are cumulative and in addition to any other remedies available at law or in equity.

B. Any violation of this chapter may be remedied by a civil action brought by the city attorney, including, for example, administrative or judicial nuisance abatement proceedings, civil or criminal enforcement proceedings, and suits for injunctive relief. The city may recover reasonable attorneys' fees and costs of suit in any civil action brought by the city attorney to remedy any violation of this chapter.

C. Violations of this chapter are hereby declared to be public nuisances subject to abatement by the city. [Ord. 3-2005 § 2].

4.07.180 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase in this chapter or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, that decision shall not affect the validity or effectiveness of the remaining portions of this chapter or any part thereof. The city council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrase hereof be declared invalid or unenforceable. [Ord. 3-2005 § 2].

4.07.190 Effective date and publication.

Within 15 days from and after adoption, the ordinance codified in this chapter shall be published once in the Grapevine Independent, a newspaper of general circulation printed and published in Rancho Cordova City and circulated in the city of Rancho Cordova, in accordance with Section 36933 of the California Government Code. The ordinance codified in this chapter shall take effect and be enforced 30 days after its adoption. [Ord. 3-2005 § 2]

**Chapter 6.84
REGULATION OF SMOKING****6.84.020 Definitions.**

A. “Bar” means an area in which the serving of food is only incidental to the consumption of alcoholic beverages and where no persons under the age of 18 years are allowed to enter except to travel to the restroom facilities. The term “bar” shall not include an adjacent restaurant dining area when meals are being served.

B. “Business” means any sole proprietorship, partnership, joint venture, corporation or other business entity formed for profit-making purposes, including retail establishments where goods and services are sold, as well as professional corporations and other entities under which professional services are delivered.

C. “Child care facilities” means any family day care home regulated by Sections 1597.30 through 1597.621 of the California Health and Safety Code, and any day care center for children regulated by Section 1596.90 et seq. of the California Health and Safety Code. It does not include foster homes or residential child care facilities.

D. “Cigarette” means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco and such roll weighs over three pounds per thousand, as defined in Revenue and Taxation Code Section 30003, as it may be subsequently amended or superseded.

E. “Dining area” means any area, including streets and sidewalks, that is available to or commonly used by the general public or an employee and which is designated, established or regularly used for the consumption of food or drink.

F. “E-cigarette” or “electronic cigarette” or “electronic smoking device” means any device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, vape pen, or e-hookah. “E-cigarette”, “electronic cigarette”, or “electronic smoking device” includes any component, part, or accessory of the device, and also includes any substance that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine. “E-cigarette”, “electronic cigarette,” or “electronic smoking device” does not include drugs, devices, or combination products authorized for sale by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

G. “Employee” means any person who is employed by an employer for direct or indirect monetary wages or profit, including those employed full-time, part-time, temporary or contracted for from a third party; “employee” also means any person who performs services as a volunteer or intern for a business or nonprofit entity.

H. “Employer” means any person, business, corporation, entity, partnership, municipal corporation or agency, or nonprofit entity which employs the services of one or more persons, and includes the city.

I. “Enclosed” means closed in by a roof and three or more connected, floor-to-ceiling walls with appropriate openings for ingress and egress.

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 6.84.020 Regulation of Smoking

Page 14/18

J. “Multifamily residential property,” for purposes of this chapter, means residential property containing two or more total units with one or more shared walls, floors or ceilings, including but not limited to rental complexes, apartments, residential cooperatives, condominium complexes, senior citizen residences, assisted living complexes and skilled nursing facilities. “Multifamily residential property” does not include:

1. A hotel or motel that meets the requirements of Section [1940\(b\)\(2\)](#) of the Civil Code;
2. A mobile home park;
3. A campground;
4. A single-family residence;
5. A single-family home with a detached in-law or second unit when permitted pursuant to a city ordinance and/or applicable state law.

K. “Mall” means enclosed public walkway or hall area which serves to connect retail or professional establishments, whether publicly or privately owned.

L. “Nonprofit entity” means any corporation, unincorporated association or other entity created for charitable, philanthropic, educational, character-building, political, social or other similar purposes, the net proceeds from the operation of which are not for private financial gain. A public agency is not a nonprofit entity within the meaning of this chapter.

M. “Open space” means any lot or area of land or water essentially or partially unimproved and set aside, dedicated, designated or reserved for public use or enjoyment, or for the use and enjoyment of owners and occupants of land adjoining or neighboring such open space.

N. “Place of employment” means any enclosed area under the control of a public, nonprofit, or private employer which employees normally frequent during the course of employment, including but not limited to work areas, employee lounges and restrooms, conference rooms and classrooms, vehicles, taxis, employee cafeterias or eating places, and hallways. A private residence is not a place of employment for the purposes of this chapter, unless it is used as a child care or health care facility, or unless it is used for a permitted home occupation having one or more employees, or which is visited by the public twice a month or more.

O. “Private club” means any eating establishment, organization, club, boardinghouse or guesthouse which gives or offers food for sale to the public, guests, patrons or employees, as well as kitchens in which food is prepared on the premises for serving elsewhere, including catering functions, except that the term “restaurant” shall not include bars.

P. “Recreational area” means any area that is publicly owned or controlled and open to the general public for recreational purposes. The term “recreational area” includes but is not limited to parks, picnic areas, playgrounds, sports fields, open space, walking paths, gardens, hiking trails, bike paths, riding trails, swimming pools, skateboard parks, and ice-skating rinks, but does not include golf courses.

Q. “Service area” means any publicly or privately owned area, including streets and sidewalks, that is designated to be used or is regularly used by one or more persons to wait for or receive a service or make a transaction, whether or not such service or transaction involves the exchange of money. The term “service

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code
Chapter 6.84.020 Regulation of Smoking

Page 15/18

area” includes automated teller machine waiting areas, all bus stops, light rail stops, and other local public transit facilities.

R. “Smoke” means the gases, particles or vapors released into the air by combustion, electronic ignition or vaporization when the apparent or usual purpose of the combustion, electronic ignition or vaporization is human inhalation of the resulting combustion products, including but not limited to tobacco smoke, cigarette smoke, marijuana smoke, and gases, aerosol or vapor released by the ignition of e-cigarettes or electronic smoking devices. “Smoke” does not include the product of combustion of incense or similar products when used solely for olfactory purposes and not containing tobacco or nicotine.

S. “Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

T. “Sports arena” means any sports pavilion, gymnasium, health spa, boxing arena, swimming pool, roller rink, ice rink, bowling alley, pool hall, and other similar places where members of the general public assemble to engage in physical exercise, participate in athletic competition, or witness sports events.

U. “Tobacco product” means:

- 1) Any product containing, made of, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;
- 2) Any electronic smoking device and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or
- 3) Any component, part, or accessory of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, mouthpieces, and pipes.

“Tobacco product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

V. “Unenclosed area” means any area that is not an enclosed area.

W. “Work area” or “workplace” means any area of a place of employment enclosed by floor-to-ceiling walls in which two or more employees are assigned to perform work for an employer. [Ord. 14-2020 § 2; Ord. 13-2014 § 3; Ord. 9-2014 §§ 2 – 4; Ord. 21-2003 §§ 2, 4; Ord. 20-2003 §§ 2, 4; SCC 0810 § 2, 1990; SCC 610 § 2, 1984. Formerly 6.84.010, 6.84.015, 6.84.024, 6.84.041, 6.84.045, 6.84.055]

23.919.100 Smokers' lounge, hookah bar, e cigarette lounge and vapor lounge/bar**A. Purpose and Findings.**

1. The council finds that the use of hookah pipes, electronic cigarettes, and other similar devices in smokers' lounges, hookah bars, and vapor bars/lounges and the activities associated with such businesses (including loud music, large numbers of customers congregating for long periods, etc.) have been associated with increases in odors, noise, vapors, second-hand smoke, parking impacts, loitering, and disturbances in the peace. The purpose of this section is to prevent the overconcentration of this land use and to mitigate the negative impacts associated with this land use.
2. The council also finds that smoking and vaping uses expose minors to dangerous secondhand smoke by-products and increase the potential for minors to associate smoking of electronic tobacco devices and hookah pipes with a normative or healthy lifestyle.
3. The council also finds that the tobacco smoke, including secondhand smoke, from hookah pipes and electronic cigarettes contributes to indoor air pollution and is a significant health hazard and carcinogen to smokers and nonsmokers alike, including employees of smokers' lounges and hookah bars.
4. The U.S. Food and Drug Administration conducted laboratory analysis of electronic cigarette samples and found them to contain carcinogens and toxic chemicals to which users and bystanders could potentially be exposed, suggesting that the same health and public nuisance concerns present with conventional cigarettes exist with electronic cigarettes.
5. The U.S. Centers for Disease Control and Prevention reports that smoking a hookah has many of the same health risks as cigarette smoking; that hookah use by youth is increasing; that the charcoal used to heat hookah tobacco can have negative health risks because it produces high levels of carbon monoxide, metals, and carcinogens; that hookah smokers may absorb more of the toxic substances also found in cigarette smoke than cigarette smokers do; that secondhand smoke from hookahs can be a health risk for nonsmokers; and that new forms of electronic hookah smoking are now on the market and very little information is available on the health risks of electronic tobacco products.
6. The city has banned indoor smoking in places accessible to the public under Chapter 6.84 RCMC (Regulation of Smoking). However, California Labor Code Section 6404.5(d)(4) allows for indoor smoking within retail or wholesale tobacco shops and private smokers' lounges and such businesses do currently exist within the city; and therefore the council finds that it is necessary to enact clear and defined regulations for this use.

B. Applicability.

1. The provisions of this section shall apply in addition to other regulations of this zoning code and municipal code. In the event of a conflict between other sections and this section, this section shall control.
2. The provisions of this section shall apply to new facilities established following the effective date of the ordinance codified in this title. All legal, code-compliant smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges currently located in the city shall become legal, nonconforming uses and as such must comply with the regulations set forth in Chapter 23.170 RCMC.

ITEM 9.18.

ATTACHMENT 2 Exhibit A to the Ordinance

Rancho Cordova Municipal Code

Chapter 23.919.100 Smokers' lounge, hookah bar, e-cigarette lounge and vapor lounge/bar

Page 17/18

C. Location. Smokers' lounges, hookah bars, e-cigarette, and vapor bars/lounges shall only be permitted in general commercial (GC) and light industrial (M-1) zoning districts.

D. Operational and Development Standards. The following operational and development standards shall apply to all smokers' lounges, hookah bars, vapor bars, and e-cigarette lounges in the city and shall be included as conditions imposed upon any license, permit, or other entitlement granted for such a business:

1. Distance Requirements. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 500 feet from other e-cigarette lounges, hookah bars, smokers' lounges, smoke shops, and tobacco shops. All e-cigarette lounges, hookah bars, vapor bars, and smokers' lounges shall be located at least 1,000 feet from the following:

a. Public or private K-12 schools and day cares.

b. Libraries.

c. Churches.

d. Community and recreation centers.

e. Liquor stores.

f. Sexually oriented businesses.

g. Tattoo parlors.

h. Pawnshops.

i. Bars and nightclubs.

j. Card rooms.

k. Check cashing businesses.

l. Parks.

m. Residential zones.

2. The business shall be owner-operated or otherwise exempt from the prohibition of smoking in the workplace pursuant to California Labor Code Section 6404.5.

3. The establishments shall operate in compliance with all federal, state, county, and local laws and regulations.

4. Minors Prohibited. No persons under 21 years of age shall be permitted within the establishment, including as employees, and business owners or operators shall require proof of identification to verify

ITEM 9.18.

Rancho Cordova Municipal Code

Chapter 23.919.100 Smokers' lounge, hookah bar, e-cigarette lounge and vapor lounge/bar

Page 18/18

the age of customers, visitors, and employees. This means that all employees must be at least 21 years of age.

5. Parking Standards. Parking shall be provided under the standards established for bars and nightclubs in Table 23.719-1, as may be amended from time to time.

6. Hours of Operation. Operating hours shall be limited to 8:00 a.m. to 10:00 p.m.

7. Indoor Operation Only. All business-related activity, including smoking, shall be conducted entirely within a building. Outdoor seating, operating outdoor barbecues or braziers, and/or lighting coals outdoors shall not be permitted.

8. Entertainment and Admission Charges Prohibited. No live entertainment, including dancers, singers, disc jockeys, or comedians shall be permitted within the business. No admission charges, including a cover charge or minimum purchase requirement, shall be permitted.

9. Food and beverages, including alcoholic beverages and prepackaged food and beverages, shall not be sold, served, or consumed on the premises.

10. Visibility and Illumination. No window coverings or signage shall prevent visibility of the interior of the establishment from the outside during operating hours. The interior of the establishment shall have lighting adequate to make the conduct of patrons within the establishment readily discernible to people of normal visual capabilities.

11. Ventilation. Adequate ventilation must be provided in accordance with all standards imposed by the building official and fire department, and those establishments by state or federal laws. The requirements imposed by the building official or fire department may be more comprehensive than current building codes to prevent negative health and nuisance impacts on neighboring properties, including a requirement for a separate system to prevent smoke and vapors from migrating to adjoining suites or buildings. The ventilation shall, at a minimum, prevent smoke and vapors from migrating into adjacent buildings and/or suites and to outdoor public areas. A mechanical exhaust hood system shall be required if an establishment heats coals indoors.

12. Noise. Any amplified noise shall be subject to the regulations established in the municipal code, including those in Chapter 6.68 RCMC (Noise Control) and Chapter 23.737 RCMC (Noise, Odor, and Vibration Performance Standards), as may be amended from time to time.

13. Security. Uniformed security guard(s) shall be provided, as deemed necessary by the chief of police or his/her designee.

E. Penalties and Enforcement. Any violation of this section shall be enforced under Chapter 23.173 RCMC. [Ord. 4-2017 § 3 (Exh. B); Ord. 1-2016 § 2].

MEMORANDUM

ITEM 9.19.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Elizabeth Sparkman, Community Development Director
SUBJECT: **SECOND READING OF ORDINANCE FOR SUNCREEK
DEVELOPMENT AGREEMENT AMENDMENTS AND REAPPROVAL**

RECOMMENDATION

Waive the second reading and adopt the Ordinance.

RESULT OF RECOMMENDED ACTION

Adoption of the Ordinance would authorize the execution of a First Amendment to the Development Agreement for five of the six properties in the SunCreek Specific Plan Area and reauthorize the execution of the Development Agreement for the Callahan Sun Creek, LLC by the John J. Young, et. al. ownership.

BACKGROUND

On May 16, 2022, the City Council waived the first reading and introduced the Ordinance authorizing the execution of a First Amendment to the Development Agreement for five of the six properties in the SunCreek Specific Plan area and reauthorize the execution of a Development Agreement for the John J. Young, et. al property formerly referred to as the Callahan property.

The purpose of the Amendment to the Development Agreements is to correct the effective date on four of the DAs, to change the timing of the annual inflationary adjustment from March 1st to January 1st, and to include language to reference a Quimby In-Lieu Fee Program being implemented by the Cordova Recreation and Park District to replace a previously described Land Equalization Fee Program.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the general fund.

CITY OF RANCHO CORDOVA

ORDINANCE NO. XX-2022

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING A FIRST AMENDMENT OF FIVE DEVELOPMENT AGREEMENTS AND
APPROVING A DEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF RANCHO
CORDOVA AND JOHN J. YOUNG TRUSTEE ET. AL FOR THE SUNCREEK PROJECT**

THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES ORDAIN AS FOLLOWS:**Section 1. Recitals**

A. In order to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the Legislature of the State of California adopted Section 65864, et seq., of the Government Code (the "Development Agreement Statute"), authorizing the City, and any person having a legal or equitable interest in the real property, to enter into a development agreement and establish certain development rights in the property, which is the subject of the development project application. Pursuant to Government Code section 65868, Development Agreements may be amended by mutual assent of the parties.

B. In 2013 the City of Rancho Cordova ("City") adopted the SunCreek Specific Plan Project ("Project" or "Specific Plan") and related approvals. The Specific Plan is a plan for a mixed-use development with a combination of employment-generating uses, retail and retail supporting services, recreational uses, and a broad range of residential uses and associated infrastructure and roads on an approximately 1,265-acre site in the City. The Project includes approximately 4,893 residential units at various densities on approximately 589 acres; approximately 80 acres of commercial use; approximately 12 acres of public/quasi-public uses; elementary schools and a combined middle/high school on approximately 111 acres; approximately 74 acres of parks and greens; approximately 387 acres of wetland preserve, stormwater detention basins and buffers; and major and minor roads with landscaping. In addition, the Project includes various on- and off-site infrastructure improvements; and

C The property within the Specific Plan area is owned by the following six (6) landowners: Lennar Sierra Sunrise, LLC; John J. Young Trustee, et al; Lennar Homes of California, LLC, a California limited liability company; Robert A. Gilmartin, et al; Shalako Investors, a California Limited Partnership; and Smith Dunmore Venture, LLC, a California limited liability company (collectively referred to as "Landowners"). All of these Landowners, with the exception of John J. Young Trustee, et. al, have executed the Development Agreements approved by Ordinance No. 42-2013.

D. The Specific Plan's purpose is to create a cluster of walkable residential villages and a major civic and recreation core comprised of a community park, schools, and major open space. The residential neighborhoods will create a distinctive district for the City and house a workforce to enhance the City's jobs/housing balance. For the five previously executed SunCreek Development Agreements ("Previously Executed Development Agreements") an amendment is proposed because the Specific Plan unevenly distributed the public facilities, including parks, schools, and public works and utility parcels with the result that certain owners had a larger portion of their land that would be dedicated to such uses and unavailable for development. The Financing Plan included a "Land Equalization Fee" to compensate the

developers within the Specific Plan with disproportionate responsibilities to dedicate land for these public services. The First Amendments simplify the land equalization by eliminating the public land uses other than Quimby parks. The City and Landowners desire to amend the Development Agreements to replace the Land Equalization Fee with a Quimby Park In-Lieu Fee Program that is being implemented by Cordova Park and Recreation District (CRPD).

E. In compliance with the requirements of the California Environmental Quality Act ("CEQA"), the City prepared an Environmental Impact Statement and an Environmental Impact Report for the Specific Plan ("EIR").

F. John J. Young Trustee, et. al ("Developer"), has agreed to enter into a development agreement for their portion of the Specific Plan area. The attached development agreement, attached hereto as Exhibit F ("John J. Young Trustee et. al, Development Agreement"), is Developer specific and covers the Developer's portion of the Specific Plan area.

G. On November 18, 2013, the City Council, pursuant to Resolution No. 127-2013, certified the EIR, adopted mitigation findings pursuant to CEQA guidelines Section 15091, adopted a statement of overriding considerations, and adopted a mitigation monitoring plan for the Specific Plan, which covered the attached previously executed Development Agreements and the John J. Young Trustee et. al, Development Agreement.

H. On December 2, 2013, the City Council approved the Development Agreements entered into by the City and Landowners, of which the five Previously Executed Development Agreements were recorded in the Official Records of Sacramento County. The Development Agreements with Lennar Homes of California, Lennar Sierra Sunrise, LLC, and Shalako Investors, a California limited partnership were recorded on January 21, 2014. The Development Agreement with Smith Dunmore Venture, LLC, a California limited liability company, was recorded on March 18, 2014. The Development Agreement with Robert A. Gilmartin, et al, was recorded on April 1, 2014.

I. The City and the five Landowners that previously executed Development Agreements, pursuant to Government Code section 65868 and Section 11.1 of the Previously Executed Development Agreements desire to amend the Previously Executed Development Agreements to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

J. The City and John J. Young, et. al, desire to reapprove and enter into the Development Agreement substantially similar to the one that was authorized by Ordinance No. 42-2013, and which contains the same Quimby Park In-Lieu Fee Program as the First Amendments to the Previously Executed Development Agreements.

L. On May 16, 2022, the City Council held a public hearing and introduced City Council an Ordinance approving the First Amendments to the Development Agreements. reapproving of the Development Agreement with John J. Young, et. al, and rescinding the authorization to enter into the Development Agreement pursuant to Ordinance No. 42-2013. The City Council found the adoption of the First Amendments to the Previously Executed Development Agreements and the re-approval of the Development Agreement with John J. Young et. al, exempt from CEQA under Public Resources Code Section 21166 because the impacts of the Project have already been analyzed, and no substantial changes result from the First Amendments or the re-approval of the Development Agreement.

Section 2: Findings

On the basis of (a) the foregoing Recitals, which are incorporated herein, (b) the SunCreek Specific Plan, (c) the City of Rancho Cordova's General Plan, (d) the Environmental Impact Report for the SunCreek Specific Plan, and (e) on the basis of the specific conclusions set forth below, the City Council finds and determines that:

A. Consistency with the General Plan. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are consistent with the objectives, policies, general land uses, and programs specified and contained in the City's General Plan. In accordance with Government Code section 65867.5(b), the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement vest the five Landowners' rights to proceed with development of the property in accordance with the Specific Plan. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not amend or revise the development standards in the Specific Plan. Therefore, the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement will be consistent with the General Plan if development under the Specific Plan is consistent with the City's General Plan.

As required by Government Code section 65867.5(b), the City Council finds that the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement, which vest development under the Specific Plan, are consistent with the City's General Plan. The findings and evidence to support this General Plan consistency determination are set forth in Appendix X of the Specific Plan, "Analysis of Project Consistency with City Policies," and as follows:

- i. The Specific Plan is consistent with the desired land use patterns (neighborhoods, villages, and districts) and corresponding development parameters in the General Plan Land Use Element. Specifically, the land use types, distribution, densities, and intensities of the Specific Plan are consistent with the SunCreek/Preserve Planning Area (Figure LU-28), corresponding text description, and assumed development potential (Table LU-5) outlined in the General Plan. The First Amendments to the Previous Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.
- ii. The Specific Plan includes a land use plan and use and development standards, as well as guidelines for subsequent Project design consistent with the goals of the General Plan Urban Design Element. Specifically, the location and design concepts for the village, local, and regional town centers within SunCreek are in keeping with the building block concepts outlined in the General Plan's Urban Design Element (Goal UD-1 and corresponding policies and actions). Additionally, design guidelines in Appendix A establish a unique project identity with context-sensitive design provisions envisioned in Goals UD-3 and UD-4. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

iii. The Specific Plan includes land use designations for two village centers and one regional town center. This plan implements General Plan Economic Development Element Goals ED-1 and ED-2 in terms of diversifying the local economy and providing new local and regional retail opportunities. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

iv. The SunCreek Land Use Plan (Figure 3-2) includes a wide range of residential land use designations, including single-family residential, medium density residential, and high density residential, as well as opportunities for high density housing in select mixed-use center locations. Residential land use designations (allowing between 2 and 40 units/acre) are distributed throughout the Project site, with high density housing located in close proximity to schools, parks, jobs, and employment. The mix and distribution of housing are consistent with the General Plan Housing Element Goals H-1 and H-4 in terms of balancing employment and housing and encouraging housing opportunities by the implementation of an Affordable Housing Plan for each property owner within the Project area. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

v. The SunCreek Circulation Plan (Figure 4-2) is consistent with the General Plan Circulation Plan (Figure C-1) and establishes a roadway system for local Project traffic and improved community circulation. It is also consistent with the regional transportation system with the addition of two major north-south roadways (Rancho Cordova Parkway and Americanos Boulevard), as well as improvements to the east-west connectivity. SunCreek Circulation Plan (Figure 4-2) is consistent with the General Plan Bikeway and Trails Plan (Figure C-2) as well as the City's current Bikeway Master Plan. Section I.4 of the SunCreek Specific Plan identifies planned street improvements for major roadways and trails and establishes standards and principles for subsequent review of local streets and trail connections in keeping with the General Plan Circulation Element Goals C-1 and C-2 for multi-modal facilities and connectivity. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

vi. The SunCreek Land Use Plan (Figure 3-2), as amended, designates approximately 74.8 acres for parks and open space, which excludes stormwater detention and private recreation areas. Project open space includes 310 acres of wetland preserve, drainage parkways/basins, landscape corridors, and greenbelts. The total Project open space (non-developable) amounts to approximately 30 percent of the Project area. Planned open space, parks, and trails for SunCreek are consistent with General Plan Open Space, Parks, and Trails Element Goals OSPT-1, OSPT-2, and OSPT-3 in establishing a premier system of public parks, establishing connected and diverse open space systems, and maximizing opportunities for pedestrians and cyclists.

vii. SunCreek Circulation and Infrastructure Plans of the Specific Plan identify necessary infrastructure, utilities, and services for the Project consistent with the

goals and policies outlined in the General Plan Infrastructure, Services, and Finance Element. SunCreek Specific Plan, Section I.9 (Implementation) identifies the requirements for the Financing Plan and includes guiding principles regarding infrastructure funding and phasing to ensure consistency with the General Plan. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

viii. The Environmental Impact Report/Environmental Impact Statement for the SunCreek Project identifies all known and protected resources within the Project area. Required protection and mitigation measures have been incorporated into the Specific Plan (Figure 3-2) and as described in Section I.6 (Natural Resources). The SunCreek Project is consistent with the General Plan Natural Resources Element Goals NR-1, NR-2, and NR-3 regarding protection and preservation of wildlife, plant habitats, wetlands, and creek corridors. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

ix. The Specific Plan includes drainage improvements consistent with General Plan Safety Element Goal S-2 (and corresponding policies and actions) to reduce the possibility of a flooding or drainage issue causing damage to urban land uses. Finally, the SunCreek Development Regulations (Volume II) incorporate best practices from the Crime Prevention Through Environmental Design standards to ensure consistency with Safety Element Goal 7 regarding design of neighborhoods and buildings to maximize safety/security and minimize crime. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

x. The SunCreek Land Use Plan (Figure 3-2) incorporates desired development patterns for a balanced mix of uses that incorporate housing, jobs, and services in close proximity connected by roadways and trails to reduce vehicular travel and maximize opportunities for walking and biking. The land use plan and corresponding circulation exhibits are consistent with the General Plan Air Quality Element Goals AQ-2 and AQ-3 regarding land use patterns and densities, as well as circulation systems to reduce vehicle trips and air quality impacts. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

xi. The SunCreek Land Use Plan (Figure 3-2) maintains residential setbacks and, in some cases, sound walls to mitigate noise impacts from heavily traveled roadways. This land plan and provisions in the SunCreek Development Regulations (Volume II) are consistent with the General Plan Noise Element Goal N-1 to ensure that new development is free of noise disturbances. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not alter this consistency analysis.

xii. The First Amendments to the Previously Executed Development Agreements are consistent with the SunCreek Specific Plan in that the development standards under the SunCreek Specific Plan are incorporated into and vested by the Development Agreements. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement do not amend or alter the development standards under the Specific Plan.

B. Public Interest. The proposed First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement will not be detrimental to the public interest, health, safety, convenience, or welfare of the City. The Specific Plan, with the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are consistent with and are expected to result in no change in the currently existing jobs/housing ratio and include the designation of public uses, including public schools, parks and other public or quasi-public uses. The Amendments make no change to the Specific Plan's integration of sustainable development practices at each level of community planning and implementation, retail opportunities and a variety of residential densities resulting in a range of housing opportunities for a range of income levels. As a result of the Amendments and the re-approval of the John J. Young et. al, Development Agreement, the same public facilities described in the Specific Plan as originally adopted will still be built.

C. CEQA Compliance. In compliance with the requirements of CEQA, the City prepared an Environmental Impact Statement and an EIR for the SunCreek Specific Plan. On November 18, 2013, the City Council adopted Resolution No. 127-2013 certifying the EIR and adopting environmental findings, a statement of overriding consideration and a mitigation monitoring and reporting program for the SunCreek Specific Plan Project approvals. The First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement are exempt from CEQA pursuant to Public Resources Code Section 21166 because an EIR has already been prepared for the Project and: (1) substantial changes are not proposed in the project which will require major revisions of the EIR; (2) substantial changes will not occur with respect to the circumstances under which the Project is being undertake which will require major revisions to the EIR; and (3) No new information, which was not known and could not have been known at the time the EIR was certified as complete, has become available.

Section 3: Approval of the First Amendment to the Previously Executed Development Agreements and Re-Approval of the John J. Young et. al Development Agreement.

The City Council hereby approves the First Amendments to the Previously Executed Development Agreements and the re-approval of the John J. Young et. al, Development Agreement, attached hereto as Exhibits A-F, in a form approved by the City Attorney, and authorizes the City Manager to execute the First Amendments to the Previously Executed Development Agreements and the John J. Young et. al, Development Agreement.

Section 4: Rescission of Ordinance 42-2013 With Regard to Development Agreement with John J. Young et. al.

The City Council hereby rescinds Ordinance 42-2013 to the extent that it authorizes the City to enter into the John J. Young, et. al, Development Agreement.

Section 5: Recordation.

Within ten (10) days after the First Amendments to the Previously Executed Development Agreements are executed by the City Manager, the City Clerk shall submit the First Amendments to the Previously Executed Development Agreements and the John J. Young et. al, Development Agreement to the County Recorder for recordation.

Section 6: Severability.

If any section, subsection, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, it shall not affect the remaining portions of this Ordinance that can be given effect without the invalid provision and, to this end, the provisions of this Ordinance are severable. This City Council hereby declares that it would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance enforced.

Section 7: Publication and Effective Date.

Within fifteen (15) days after adoption, a summary of this Ordinance shall be published once in the Grapevine Independent or the Sacramento Bee, a newspaper of general circulation printed and published in Sacramento County and circulated in the City of Rancho Cordova, in accordance with Government Code section 36933. This Ordinance shall take effect and be enforced thirty (30) days after its adoption.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 6th day of June 2022, by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

Donald Terry, Mayor

ATTEST:

Stacy Leitner, CMC
City Clerk

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND LENNAR SIERRA SUNRISE,
LLC
RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and LENNAR SIERRA SUNRISE, LLC, a California limited liability company ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Developer entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 242 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, , 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance ___ - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. ___ -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown* ~~set forth more specifically~~ in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous

~~October January~~. For example, the ~~March~~ January 2014 Neighborhood Green Fee shall be calculated by taking the ~~October January~~ 2013 “mean” index and dividing by the ~~October January~~ 2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner’s expense. Termination of this Agreement for any such residential or

nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.”

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~strike through~~ is delete, *italics* is addition):

“13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above.”

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled “SunCreek Neighborhood Green Compliance Table” attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled “SunCreek Quimby Park Land Equalization Table” attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. -2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. -2022 adopted by the City Council on the day of May, 2022, and has caused this First Amendment to be executed.

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9
Total Park Land Dedication Acres	60.3

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND GRANTLINE &
CHRYSANTHY 220 INVESTORS,
LLC
RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ____ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and LENNAR HOMES OF CALIFORNIA, LLC, a California Limited Liability Company ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Grantline & Chrysanthy 220 Investors, LLC ("Grantline") entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 220 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. On August 17, 2021, Grantline entered into an Assignment and Assumption Agreement ("Assignment") with Developer relative to the Development Agreement. By the Assignment, Developer assumed all of Grantline's right, title, interest, burdens and obligations under the Development Agreement with respect to and as related to the Property.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

F. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

G. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the

impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown* ~~set forth more specifically in Exhibit 6.1~~ (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the *January March* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index, and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required

hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

"13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A. entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. -2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. -2022 adopted by the City Council on the day of May, 2022, and has caused this First Amendment to be executed.

City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Developer entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Developer entered into the Development Agreement relative to development within a 240 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No. 16-2021 approving this First Amendment. City adopted City Council Ordinance __-2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. __-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strike through~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown set forth more specifically* in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the ~~March~~ *January* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

3. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

4. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner’s expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.”

5. **Revised Section 13.** Section 13 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights of way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above.”

6. **Exhibit 6.1.A.** Exhibit 6.1.A entitled “SunCreek Neighborhood Green Compliance Table” attached hereto is added in its entirety and incorporated herein.

7. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled “SunCreek Quimby Park Land Equalization Table” attached hereto is added in its entirety and incorporated herein.

8. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

9. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

10. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

11. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

12. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the City Council on the _____ day of May, 2022, and has caused this First Amendment to be executed.

Total	888	2,285	343	1,052	4,568	11,678	100.00%	58.40	39.40	20.90	60.30	1.90	-

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9

Total Park Land Dedication Acres 60.3

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND SHALAKO INVESTORS, A
CALIFORNIA LIMITED
PARTNERSHIP

RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement (“First Amendment”) is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation (“City”), and Shalako Investors, a California Limited Partnership (“Developer”) pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the “Parties,” and singularly as “Party.”

RECITALS

A. City and Developer entered into a Development Agreement (the “Development Agreement”) which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1144. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Landowner entered into the Development Agreement relative to development within a 321 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits “A-1” and “A-2” of the Development Agreement (the “Property”).

C. This First Amendment affects the entire Property as more precisely defined in Exhibits “A-1” and “A-2” of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

D. City and Developer intend for this First Amendment to revise the Parties’ obligations with respect to the implementation and payment of the Land Equalization Fee.

E. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

F. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No. ___-2022 approving this First Amendment. City adopted City Council Ordinance ___ - 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. ___ -2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:

2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, ~~2013~~ *2014* which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.

3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~strikethrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is generally ~~shown set forth more specifically~~ *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on ~~January March~~ 1, 2014, and annually thereafter no later than ~~January March~~ 15th as follows:

- (a) A “mean” index will be computed by averaging the index for the ~~20 U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine~~ *20-City Construction Cost Index (CCI) and the San*

Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.

- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the *January March* 2014 Neighborhood Green Fee shall be calculated by taking the *October January* 2013 “mean” index and dividing by the *October January* 2012 “mean” index, and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is amended in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the developers in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer agrees to support the adoption of the Quimby In-Lieu Fee Program and shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon

further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~strike through~~ is delete, *italics* is addition):

"13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions, and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition, or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights of way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the ~~Land Equalization Fee Program~~ *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. ____-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the City Council on the ____ day of May, 2022, and has caused this First Amendment to be executed.

58.39

[1] Persons per household provided by David Wade and Associates.

[2] Total Quimby park acreage determined at 5 acres per 1,000 of estimated population by property in the SunCreek Specific Plan.
The 60.3 acres of Quimby parks provided in the SCSP are composed of these components:

Community Park	39.4
Neighborhood Parks	20.9
Total Park Land Dedication Acres	60.3

[3] The total dwelling units reflect the 4,646 dwelling units shown in the SunCreek Specific Plan, as amended, less the proposed reduction of 78 dwelling units in the tentative map application submitted by Gilmartin/Trevor (Investek). This table also reflects the planned reduction in the size of the South Community Park on the Gilmartin/Trevor property to 10.0 acres.

[4] Land Equalization Responsibility reflects the owner's continued responsibility for park acreage based on the protection provided in the development agreements, finance plan and the original Land Equalization Program requirements against voluntary land use changes of an owner affecting the land equalization credits or reimbursements of other owners. Land Equalization Responsibility was allocated based on the pro-rata reduction of dwelling units by the three property owners who reduced the units in their projects.

**FIRST AMENDMENT OF
DEVELOPMENT AGREEMENT BY
AND BETWEEN
THE CITY OF RANCHO CORDOVA
AND CHRIS N. VRAME, MURRAY
M. SMITH, JR., CAROL J. SMITH,
TRACY L. SMITH, M. CAMPBELL
SMITH, JAMES N. SMITH, AND
STEVEN G. DUNSMORE,
SUCCESSOR TRUSTEE OF THE
DUNMORE FAMILY TRUST
DATED FEBRUARY 24, 1977, AS
AMENDED

RELATIVE TO THE SUNCREEK
PROJECT**

This First Amendment of the Development Agreement ("First Amendment") is entered into as of this ___ day of May, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and SMITH/DUNMORE VENTURE, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY ("Developer") pursuant to Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties," and singularly as "Party."

RECITALS

A. City and Chris N. Vrame, Murray M. Smith, Jr., Carol J. Smith, Tracy L. Smith, M. Campbell Smith, James, N. Smith, and Steven G. Dunmore, successor trustee of the Dunmore Family Trust dated February 24, 1977, as amended (together "Vrame, et. al") entered into a Development Agreement (the "Development Agreement") which was approved by the City Council on December 2, 2013, and recorded on January 21, 2014, in the Official Records of Sacramento County as Book 20140121 Page 1146. Except as otherwise defined, all capitalized terms used shall have the meanings ascribed thereto in the Development Agreement.

B. City and Vrame, et. al, entered into the Development Agreement relative to development within an 80 acre portion of the SunCreek Specific Plan Area as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement (the "Property").

C. On July 29, 2015, Vrame, et. al, executed a grant deed conveying the Property to Smith/Dunmore Venture, LLC, a California Limited Liability Company.

D. This First Amendment affects the entire Property as more precisely defined in Exhibits "A-1" and "A-2" of the Development Agreement. This First Amendment is authorized by Section 11.1 of the Development Agreement and shall run with the Property.

E. City and Developer intend for this First Amendment to revise the Parties' obligations with respect to the implementation and payment of the Land Equalization Fee.

F. City and Developer intend for this First Amendment to simplify the land equalization by eliminating the public land uses other than Quimby parks and implementing a Quimby Park In-Lieu Fee Program by Cordova Recreation and Park District.

G. On May 16, 2022, the City Council held a public hearing and introduced City Council Ordinance No.16-2021 approving this First Amendment. City adopted City Council Ordinance __- 2022 on [INSERT DATE]. On [INSERT DATE], by Ordinance No. __-2022, the City Council found the adoption of this First Amendment exempt from CEQA under Public Resources Code Section 21166 as the impacts of the Project have already been analyzed, and no substantial changes result from this First Amendment.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. **Amendment of the Development Agreement.** The following sections and exhibits of the Development Agreement are hereby amended as follows:
2. **Revised Section 4.1.** Section 4.1 is amended as follows (~~striketrough~~ is delete, *italics* is addition):

“4.1 Effective Date. The effective date of this Development Agreement (“Effective Date”) is January 1, 2013 2014 which is the effective date of City Ordinance No. 42-2013, adopting this Development Agreement.
3. **Revised Section 6.1.** Section 6.1 is amended as follows (~~striketrough~~ is delete, *italics* is addition):

“6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer’s obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer’s dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is *generally shown set forth more specifically* in Exhibit 6.1 (the “Dedicated Lands”) *and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A.* City agrees and acknowledges that Developer’s dedication of the Dedicated Lands, together with its commitment to pay the ~~Land Equalization Fee~~ *Quimby In-Lieu Program Fee*, if any, described in Section 7.3.2 below, will satisfy the Developer’s dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the “New Park Development Fee” and “Neighborhood Green Fee”); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the “Interim Park Impact Fee”) in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green Fee (the “Interim Neighborhood Green Fee”) in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee.

The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on *January 1, 2014* ~~March 1, 2014~~ and annually thereafter no later than *January 15th* ~~March 15th~~ as follows:

- (a) A “mean” index will be computed by averaging the index for 20-City *Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year.* ~~U.S. cities with the index for San Francisco by resort to the January issue of the Engineering News-Record magazine Construction Cost Index of the year in which the calculation is being made.~~
- (b) An adjustment factor shall be computed by dividing the “mean” index as calculated in subsection (a) of this section by the “mean” index for the previous *October January*. For example, the ~~March-January~~ 2014 Neighborhood Green Fee shall be calculated by taking the *October 2013* ~~January 2013~~ “mean” index and dividing by the *October January*-2012 “mean” index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).”

4. **Revised Section 7.3.2.** Section 7.3.2 is hereby amended and revised in its entirety to read as follows:

“7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.”

5. **Revised Section 11.4.** Section 11.4 is hereby revised as follows (~~striketrough~~ is delete, *italics* is addition):

“11.4. “Termination upon Landowner Request. Landowner and City agree to complete improvements as this Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within

such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, ~~Land Equalization Fees~~ *Quimby In-Lieu Fee Program Fees*, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 11.4 shall not in any way be construed to terminate or modify any assessment district of Mello-Roos Community Facilities District lien affecting such parcel at the time of termination."

6. **Revised Section 13.** Section 13 is hereby revised as follows (~~striethrough~~ is delete, *italics* is addition):

"13. **Violation of Entitlements.** In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights or way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the Land Equalization Fee Program *Quimby In-Lieu Fee Program* if and when required pursuant to Section 7.3.2 above."

7. **Exhibit 6.1.A.** Exhibit 6.1.A entitled "SunCreek Neighborhood Green Compliance Table" attached hereto is added in its entirety and incorporated herein.

8. **Exhibit 7.3.2.** Exhibit 7.3.2 entitled "SunCreek Quimby Park Land Equalization Table" attached hereto is added in its entirety and incorporated herein.

9. **Consistency with General Plan.** The City Council has found and determined that this First Amendment is consistent with the General Plan and the SunCreek Specific Plan.

10. **Amendment Applicable to Property.** This First Amendment applies to development of the Property and does not affect or apply in any manner with respect to the development of any other property within the SunCreek Specific Plan Area.

11. **Amendment.** This First Amendment amends, but does not replace or supersede, the Development Agreement except as specified herein. As amended hereby with respect to the Property, the

Development Agreement remains in full force and effect.

12. **Incorporation of Recitals.** The Preamble, Recitals, and all exhibits attached hereto are incorporated into this First Amendment as if set forth herein in full.

13. **Effective Date and Term of First Amendment.** The Effective Date of this First Amendment is _____ which is the effective date of City Ordinance No. __-2022, adopting this First Amendment.

City Manager Authorization. City, a municipal corporation, has authorized this First Amendment to be executed in two (2) duplicate originals, each of which is deemed to be an original, by its City Manager and attested to by its City Clerk under the authority of Ordinance No. __-2022 adopted by the City Council on the _____ day of May, 2022, and has caused this First Amendment to be executed.

RELATIVE TO THE SUNCREEK PROJECT**

**DEVELOPMENT AGREEMENT
RELATIVE TO SUNCREEK PROJECT**

This Development Agreement ("Agreement" or "Development Agreement") is entered into as of this _____ day of _____, 2022, by and between the CITY OF RANCHO CORDOVA, a municipal corporation ("City"), and ALICE M. CALLAHAN, Trustee of the Alice M. Callahan Revocable Living Trust, ALICE CALLAHAN, Trustee of the Alice M. Callahan Grandchildren's Irrevocable Trust, JOHN J. YOUNG, Trustee of the John J. Young Revocable Trust established June 20, 2012, REBECCA T. YOUNG, Trustee of the Young Family Trust, MARK CLEWETT and HEATHER S. CLEWETT, Trustees of the Mark and Heather Clewett Revocable Trust Established January 22, 2016, and KATHRYN BLANKENBURG, an individual (together "Developer" or "John J. Young Trustee et. al"), pursuant to the authority of Government Code section 65864 et. seq., relating to Development Agreements. City and Developer are hereinafter collectively referred to as the "Parties" and singularly as "Party."

RECITALS

A. Authorization. To strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, California Government Code section 65864, *et seq.* (the "Development Agreement Statute") and Rancho Cordova Municipal Code chapter 23.158, authorize City and any person having a legal or equitable interest in the real property to enter into a Development Agreement, establishing certain development rights in the Property which is the subject of the development project application.

B. Definitions. All capitalized terms as used herein are defined in Section 3 of this Agreement or otherwise herein.

C. Property. Developer owns in fee title that certain 160-acre portion of the SunCreek Specific Plan Area located in the City of Rancho Cordova, County of Sacramento, more particularly described in Exhibit A-1 and Exhibit A-2, attached hereto (the "Property").

D. Approval of SunCreek Specific Plan Area Development Agreements. Five other development agreements with nearly identical terms were approved in 2013 by and between the City of Rancho Cordova and the other Participating Developers described herein. Developer did not execute its approved Development Agreement and now wishes to, and for that reason, the City is now re-adopting and reauthorizing this Agreement. It is also the intent of City that, if any of the Participating Developers fails or refuses to sign its approved development agreement for its property (or withdraws from the process prior to approval by City), then when such Non-Participating Landowner seeks zoning, tentative subdivision maps and/or any other development approvals, City will seek to negotiate with such Non-Participating Landowner to enter into a development agreement with terms nearly identical to those in this Agreement.

E. Joint Planning of SunCreek Specific Plan. The Participating Landowners, City, and other public agencies have jointly planned for the development of the entire 1,265-acre SunCreek Specific Plan Area described in Exhibit B attached hereto. The SunCreek Specific Plan, this Development Agreement, and the other Entitlements are the result of this joint effort.

F. Public Hearing and Approval of this Agreement. On _____, 2022, the City Council of City of Rancho Cordova, serving as City's planning agency for purposes of

Development Agreement review pursuant to Government Code section 65867 and Rancho Cordova Municipal Code chapter 23.158, held a public hearing to consider this Development Agreement. Following the hearing, the City Council introduced City of Rancho Cordova Ordinance No. __-2022 approving this Agreement. City approved Ordinance __-2022 on ____, 2022.

G. Environmental Review. In compliance with the California Environmental Quality Act ("CEQA"), on November 18, 2013, by Resolution No. 127- 2013, City certified the SunCreek Specific Plan Project EIR ("EIR"). In addition to the EIR, the United States Army Corps of Engineers will be separately certifying, in compliance with the National Environmental Policy Act ("NEPA"), an Environmental Impact Statement ("EIS") related to this Project. There are no changes to the project or potentially significant impacts that were not previously analyzed.

H. Development Agreement Ordinance. City and Developer have taken all actions mandated by, and fulfilled all requirements set forth in, Rancho Cordova Municipal Code chapter 23.158, the Development Agreement Ordinance of the City of Rancho Cordova.

I. Consistency with General and Specific Plan. Having duly examined and considered this Development Agreement and having held properly noticed public hearings hereon, in City Ordinance No. __-2022, City found that this Development Agreement satisfies Government Code section 65867.5, and this Agreement is consistent with the requirements of the General Plan and Specific Plan.

J. Negotiations. The Parties have, in good faith, negotiated terms set forth in this Development Agreement, which terms are intended to carry out the legislative purposes of the Development Agreement Statute and Municipal Code chapter 23.158, and which provide for the mutually desirable development of the Property.

AGREEMENT

1. Incorporation of Recitals. The Preamble, the Recitals, all defined terms set forth herein, and all exhibits attached hereto, are hereby incorporated into this Development Agreement as if set forth herein in full.

2. Relationship of City and Developer. This Development Agreement is a contract that has been negotiated and voluntarily entered into by City and Developer. Neither Party is an agent of the other Party. City and Developer renounce the existence of any form of joint venture or partnership between them. Nothing contained in this Agreement, or in any document executed in connection with this Agreement, may be construed as making City and Developer joint venturers or partners.

3. Definitions.

"Affordable Housing Plan" means the plan prepared for the Project in compliance with the City of Rancho Cordova General Plan Housing Element, and in particular with Policy H.1.5, and approved by City on ____, 2022, by Resolution No. __-2022, and implemented pursuant to the Affordable Housing Plan Agreement between City and Developer. Pursuant to Resolution No. __-2022, City approved an affordable housing agreement with each of the Participating Developers. The Affordable Housing Plan identifies the plans to provide adequate affordable housing in the Project.

ITEM 9.19.

Exhibit F to the Ordinance

“Backbone Infrastructure” means the infrastructure improvements generally described and listed as Backbone Infrastructure in Table 1-2 of the Finance Plan.

“CCR Enforcement” means enforcement by Developer and/or a Homeowners Association and/or City of covenants, conditions and restrictions that are recorded against the single family portions of the Property to protect, preserve and maintain the appearance, condition, function and operation of such single family development.

“City CCI Index” means the construction cost index applied by City in documents authorizing the subject fee, assessment or tax to adjust fees to account for changes to the costs of constructions published by the Engineering News Record, and as may be revised by the City for such Fee Programs.

“City CPI Index” means the following consumer price index applied by City in documents authorizing the subject fee, assessment or tax to adjust for changes in the costs of performing and/or providing municipal services as published by the United States Department of Labor Bureau of Labor Statistics.

“City Council” means the City Council of the City of Rancho Cordova.

“CRPD” means the Cordova Recreation and Park District.

“Developer’s Property” or “Property” means that certain portion of the SunCreek Specific Plan Area located in the City of Rancho Cordova, County of Sacramento, more particularly described in Exhibit A-1 and Exhibit A-2, and attached hereto, which is subject to this Development Agreement.

“EDU” means the single-family residential equivalent dwelling unit, as applicable within the context of the applicable improvement, facility or service. All other land uses are assigned EDUs based on their relative impact compared to a single family unit with respect to the applicable improvement, facility or service.

“Entitlements” means (a) that certain General Plan Amendment approved by the City Council on November 18, 2013, by Resolution No. 128-2013; (b) certification of the SunCreek Specific Plan Project EIR (the “EIR”), by City by Resolution No. 127-2013; (c) the “SunCreek Specific Plan,” approved by City on December 2, 2013 by Ordinance No. 41-2013; (d) this Development Agreement, approved by City on ___, 2022, by Ordinance No. __-2022 (the “Adopting Ordinance”); (e) the Affordable Housing Plan approved by City on May 16, 2022, by Resolution No. __-2022; and (i) zoning of the Property approved by City on November 18, 2013 by Ordinance No. 128-2013.

“Financing Plan” means the SunCreek Public Facilities Financing Plan, including all appendices thereto, dated November 2013, and approved by City on November 18, 2013 as part of Ordinance No. 128-2013.

“General Plan” means the City of Rancho Cordova General Plan, including all appendices thereto, approved by City on November 18, 2013, by Resolution No. 128-2013, and as most recently amended by Resolution No. 51- 2022.

“Homeowners Association” means an association of owners within the portions of the Property zoned for single family use that is formed and operated, in part, to provide CCR Enforcement.

ITEM 9.19.

Exhibit F to the Ordinance

"Interim Neighborhood Green Fee" means the Interim Neighborhood Green Fee that the Developer agrees to pay under Section 6.1.

"Interim Park Impact Fee" means the Interim Park Impact Fee that the Developer agrees to pay under Section 6.1.

"Neighborhood Green" means open space to be dedicated pursuant to the Specific Plan to supplement the park amenities provided by the Parks dedications.

"Neighborhood Green Fee" means the Neighborhood Green Fee that the Developer agrees to pay under Section 6.1.

"New Park Development Fee" means the New Park Development Fee that the Developer agrees to pay under Section 6.1.

"Non-Participating Landowner" means any owner of land within the SunCreek Specific Plan Area who is included in the list of "Participating Landowners" but nevertheless fails to join in the execution of the development agreement for its property prior to or at the time of approval thereof by City.

"Parks" means the community and neighborhood parks to be dedicated pursuant to the Specific Plan.

"Participating Developers" means the landowners within the SunCreek Specific Plan Area who are participating in and contributing to the development of the SunCreek Specific Plan and who join in the execution of the Participating Developers' Development Agreements. The Participating Developers consist of the following: Gilmartin/Trevor, Lennar Sierra Sunrise, LLC, Shalako Investors, a California Limited Partnership, Smith Dunmore Venture, LLC, a California Limited Liability Company, Lennar Homes of California, LLC, a California Limited Liability Company., and now John J. Young Trustee et al.

"Participating Developers' Development Agreements" means the Development Agreements, with near identical terms to this Development Agreement, which were approved in 2013 by and between the City of Rancho Cordova and the Participating Developers in the SunCreek Specific Plan Area and now this Development Agreement with John J. Young Trustee et al.

"Project" means the planned development of the Property pursuant to the Entitlements.

"Public Facilities" means the public facilities generally described and listed as Public Facilities in Table 1-2 of the Finance Plan.

"Small Lot Subdivision Map" means a subdivision map processed and approved pursuant to the Subdivision Map Act that, upon recordation thereof, will create either individual lots or parcels upon which permits for the construction of single-family residential units are intended and may be issued, or for the construction and sale of individual condominium units within a parcel for multifamily residential use.

"Specific Plan" means the "SunCreek Specific Plan," including all appendices thereto, approved by City on December 2, 2013, by Ordinance No. 41-2013, and as most recently amended on June 21, 2021 by Ordinance No. 12-2021.

ITEM 9.19.

Exhibit F to the Ordinance

"Specific Plan Area" and "SunCreek Specific Plan Area" mean the entire 1,265- acre area which is the subject of the "SunCreek Specific Plan."

"Subsequent Entitlements" mean those additional permits, plans and approvals that may be approved following approval of the Entitlements, and which will allow for implementation of the Entitlements by subdivision, development and construction within the Specific Plan Area. Subsequent Entitlements may include, without limitation, small lot tentative subdivision maps, small lot final subdivision maps, parcel maps for non-residential areas, lot line adjustments, conditional use permits, and design review permits.

"SunCreek" means the SunCreek Specific Plan.

"SunCreek Project" means the planned development of the entire 1,265-acre SunCreek Specific Plan Area described in **Exhibit B** attached hereto, pursuant to the SunCreek Specific Plan, this Development Agreement, the other Entitlements and the Participating Developers' Development Agreements.

"TDIF" means City's Transportation Development Impact Fee, as adopted and as revised by City from time to time.

4. Effective Date, Term and Termination.

4.1 Effective Date. The effective date of this Development Agreement ("Effective Date") is _____, 2022 which is the effective date of City Ordinance No. ____-2022 adopting this Development Agreement.

4.2 Term. The term of this Development Agreement commences on the Effective Date and extends January 1, 2039, unless said term is terminated, modified or extended consistent with the terms of this Development Agreement. This Development Agreement automatically terminates on January 1, 2039, unless otherwise extended by the Parties and shall then be of no further force and effect. If and when this Development Agreement expires, Developer shall thereafter retain no vested rights under the Entitlements of this Development Agreement, and City shall have the right to modify or repeal the Entitlements and apply new laws, regulations and fees to the development of the Property.

4.3 Tolling and Extension During Legal Challenge or Moratoria. Developer may, at its discretion, extend the term of this Development Agreement for a maximum period of three years if:

4.3.1. a third-party lawsuit is filed challenging any of the Entitlements or challenging the EIS certified by the Army Corps of Engineers related to this Project;

4.3.2. the Developer is unable to proceed, or elects not to proceed, with the Project because of litigation described in Section 4.3.1 above; and

4.3.3. the Developer submits to City written notice that this Agreement is tolled.

During any such period that the Agreement and development of the Project are being tolled by Developer, Developer may, at its sole expense and risk, submit applications to

process Subsequent Entitlements, including tentative subdivision maps and improvement plans for the Property, provided City shall not be obligated to approve and may defer approval of any final subdivision maps, improvement plans or building permits for the Property during any such tolling period.

4.4 Length of Extension. The tolling period will begin when City receives written notice from the Developer. The tolling period may only extend the term of this Agreement until a final order of judgment is issued upholding the challenged Entitlements or the EIS, as applicable, the case is dismissed, or the three-year maximum tolling period is reached, whichever is shorter. The Developer may also elect to end the tolling period at any time and proceed with the Project, effective upon delivery of written notice to City.

5. Vested Rights. Developer shall have the vested right to proceed with development of the Property in accordance with the Entitlements, and to have Subsequent Entitlements considered for approval or denial, based upon the terms, standards and requirements set forth in the Entitlements, including without limitation the SunCreek Specific Plan. Except as provided in this Section 5.7 below, this Agreement does not vest Developer's rights to pay development impact fees, exactions, processing fees, inspection fees, plan check fees, or other permit processing fees or charges.

5.1 Permitted Uses, Density and Intensity, Maximum Height and Size of Structures, and Reservation or Dedication of Land Vested. The permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, provisions for reservation or dedication of land or payment of fees in lieu of dedication for public purposes, the location and maintenance of on-site and off-site improvements, the location of public utilities, and other terms and conditions of development shall be those set forth in the Entitlements. The SunCreek Specific Plan includes the land uses and approximate acreages for the Project as shown and described on page 1.3-14 of the Specific Plan.

5.2 Vested Against Moratorium, Quotas, Restrictions or Other Growth Limitations. Subject to applicable law relating to the vesting provisions of Development Agreements, City agrees that, except as otherwise provided in or limited by the provisions of this Agreement, this Development Agreement vests the Entitlements against subsequent City ordinances, resolutions, rules, regulations, initiatives, and official policies that directly or indirectly limit the rate, timing, or sequencing of development, or prevent or conflict with the permitted uses, or the density or intensity of uses, or the terms, provisions, standards or requirements for development, as set forth in the Entitlements. To the extent allowed by the laws pertaining to development agreements, however, Developer will be subject to any growth limitation ordinance, resolution, rule, regulation, or policy which is adopted on a uniformly applied, Citywide or area-wide basis, and directly concerns an imminent public health or safety issue, in which case City shall treat in a uniform, equitable and proportionate manner all properties, public and private, which are impacted by that public health or safety issue.

5.3 Vested Rights Exclude Design and Construction. All ordinances, resolutions, rules, regulations, initiatives, and official policies governing design, improvement and construction standards and specifications applicable to the Project, and to public improvements to be constructed by the Developer shall be those in force and effect at the time the applicable permit approval is granted, unless such ordinances, resolutions, rules, regulations, initiatives or official policies are inconsistent with the Entitlements or the specific terms of this Agreement, in which case the Entitlements and the terms of this Agreement shall prevail.

5.4 Vested Rights Exclude Changes in State or federal Law. Modification Because of Conflict with State or federal Laws. This Agreement shall not preclude the application to development of the Property of changes in City laws, regulations, plans or policies, the terms of which are specifically mandated and required by changes in State or federal law or regulation. In the event that State or federal laws or regulations enacted after the Effective Date of this Development Agreement prevent or preclude compliance with one or more provisions of this Agreement or any Entitlements, the Parties shall, within thirty (30) days, meet and confer in good faith in a reasonable attempt to modify this Agreement and such Entitlements to comply with such Federal or state law or regulation. Any such amendment or suspension of this Agreement or Entitlements shall be approved by the City Council in accordance with the Municipal Code and this Agreement.

5.5 Vested Rights Exclude Building and Fire Codes. The Project shall be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time the applicable building, grading, encroachment or other construction permit is granted for the Project. If no permits are required for infrastructure improvements, such improvements will be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time of approval by City of the improvement plans for such infrastructure. If a permit that has been granted expires, the Project shall be required to be constructed in accordance with the provisions of the Uniform Building, Mechanical, Plumbing, Electrical and Fire Codes, City standard construction specifications, and Title 24 of the California Code of Regulations, related to Building Standards, in effect at the time the applicable replacement permit to the expired building, grading, encroachment or other construction permit is granted for the Project.

5.6 Vested Rights Exclude Processing Fees and Charges. Developer shall pay those processing, inspection, and plan check fees and charges required by City under ordinances, resolutions, rules, regulations, initiatives, and official policies which are in effect when such fees or charges are due under then-existing code or policy.

5.7 Vested Rights Limited for Development Impact Fees, Exactions and Dedications. Developer shall pay all development impact fees, connection or mitigation fees, and exactions required by City to support the construction of any public facilities and improvements or the provision of public services in relation to development of the Property (together "Exactions") authorized by City after the Effective Date, as long as said Exactions otherwise comply with applicable law, and are either (i) required on a Citywide basis, (ii) apply uniformly to all properties within City that are zoned with density and uses similar to those of the subject properties in the Entitlements, or (iii) apply on a fair share basis to all properties that are similarly situated within the portion of the City located south of Highway 50 and east of Sunrise Boulevard. Except as otherwise provided in this Agreement and/or contemplated by the Finance Plan, exactions required by City to be paid by Developer that do not meet one of the preceding criteria shall be the Exactions authorized on the Effective Date. Furthermore, notwithstanding anything to the contrary in this Section 5.7, in consideration of Developer's obligations under Section 8 hereof to comply with the Affordable Housing Plan applicable to the Property, development of the Property shall not be subject to any other impact fee, mitigation fee or exaction related to the provision of affordable housing or inclusionary housing, or other such fee or exaction related to the provision of affordable housing or inclusionary housing that may be subsequently adopted by City during the period that this Section 5.7 is vested by this Agreement.

5.8 Subsequent Entitlements. Subject to Section 13.1.1 hereof, City shall accept for processing, review and action any and all applications submitted by Developer for Subsequent Entitlements, necessary or convenient for the exercise of Developer's rights under the Entitlements for the use and development of the Property.

5.9 Term of Tentative Maps. Consistent with the authority provided in Government Code Section 66452.6(a)(1), the term of any tentative subdivision map approved for all or any portion of the Property shall be the later of the date this Agreement expires or the date the tentative map expires pursuant to City approval of the tentative map pursuant to the City of Rancho Cordova Municipal Code, including without limitation Section 22.20.060 ("Expiration of Tentative Map Approval"), as it may be modified from time to time by state law.

5.10 CCR Enforcement. City may impose a condition, as part of Subsequent Approvals for single family development, for the Developer to establish a mechanism acceptable to City to provide for CCR Enforcement within the single family portions of the Property by Developer and/or a Homeowners Association. If City elects to develop a City program for providing CCR Enforcement that includes the Specific Plan Area and to form a financing mechanism to fund the costs of such program, Developer shall retain the option, at its sole discretion, to elect to either include the Property for participation in City's CCR Enforcement Program or to provide such CCR Enforcement for the Property through a Homeowner Association, separate and apart from City's program. If Developer elects to provide its own CCR Enforcement through a Homeowners Association, so long as the Homeowner's Association provides adequate CCR Enforcement within the Property comparable to City's CCR Enforcement program, as confirmed by City in its reasonable discretion, City will exempt the Property from any special taxes or assessments otherwise levied by City to fund the costs of City's CCR Enforcement program.

6. Park and Neighborhood Green Obligations.

6.1 New Park and Neighborhood Green Dedication and Fee Obligation. Developer's obligation to dedicate land for new parks and neighborhood greens shall be satisfied by Developer's dedication of its share of the Park land and Neighborhood Greens provided by the Specific Plan, which share is generally shown in **Exhibit 6.1** (the "Dedicated Lands") and more specifically quantified in the park land equalization table in Exhibit 7.3.2 and the Neighborhood Green land table at Exhibit 6.1.A. City agrees and acknowledges that Developer's dedication of the Dedicated Lands, together with its commitment to pay the Quimby In-Lieu Program Fee, if any, described in Section 7.3.2 below, will satisfy the Developer's dedication requirements of Resolution No. 28-2005.

Prior to approval of the first small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of the first building permit therefor within the Project, the City, acting as the land use authority, and in consultation with CRPD, will use good faith efforts to adopt a Citywide New Park Development Fee and a Citywide Neighborhood Green Fee that will apply to all residential development within the Project (respectively, the "New Park Development Fee" and "Neighborhood Green Fee"); in the event that City does not adopt the New Park Development Fee or the Neighborhood Green Fee by such time, the Developer will pay a new park development impact fee (the "Interim Park Impact Fee") in the amount of Eight Thousand Four Hundred and Twenty Dollars (\$8,420) per Single Family EDU and a Neighborhood Green fee (the "Interim Neighborhood Green Fee") in the amount of One Thousand Two Hundred and Four Dollars (\$1,204) per Single Family EDU when each building permit for residential development is issued within the Project. Thereafter, the Developer shall pay the New Park Development Fee and the Neighborhood Green Fee after

ITEM 9.19.

Exhibit F to the Ordinance

they are adopted for all remaining residential building permits within the Project, regardless of whether such fees are higher or lower than the applicable Interim Park Impact Fee or Interim Neighborhood Green Fee. The New Park Development Fee will generally be used to develop the Parks, and shall not be used to develop the Neighborhood Greens.

The Interim Park Impact Fee and the Interim Neighborhood Green Fee will be adjusted on January 1, 2014 and annually thereafter no later than January 15th as follows:

- (a) A "mean" index will be computed by averaging the index for 20- City Construction Cost Index (CCI) and the San Francisco CCI as reported in the Engineering News-Record (ENR) for the twelve-month period ending October of the prior year. .
- (b) An adjustment factor shall be computed by dividing the "mean" index as calculated in subsection (a) of this section by the "mean" index for the previous October. For example, the January 2014 Neighborhood Green Fee shall be calculated by taking the October 2013 "mean" index and dividing by the October 2012 "mean" index and multiplying that result by \$1,204 (the 2013 Neighborhood Green Fee per residential unit).

6.2 Timing of Dedications of Parks. CRPD will design, own, operate and maintain the Parks and City will design, own, operate and maintain the Neighborhood Greens, as reflected in the conditions of approval for Tentative Maps for the Project. Prior to the recordation of any residential small lot final subdivision map in the Project which contains a portion of the Dedicated Lands, but not prior to construction of model homes, Landowner shall: (i) irrevocably offer for dedication to CRPD that portion of the Dedicated Land that is encompassed within such residential small lot final subdivision map and which is identified in the Specific Plan as a Park, (ii) irrevocably offer for dedication to City that portion of the Dedicated Land that is encompassed within such residential small lot final subdivision map and which is identified in the Specific Plan as a Neighborhood Green, and (iii) enter into park development agreements with CRPD, as applicable, for the improvement of the lands that CRPD will be dedicated within such residential small lot final subdivision map. If and to the extent a park development agreement provides for the design and construction of any improvements included within the New Park Development Fee or Neighborhood Green Fee (or Interim Fees related thereto), then the park development agreement shall include provisions for fee credits and/or reimbursements from the applicable Fee. The amount of any such Fee credits and reimbursements shall be based on the amount budgeted by the applicable Fee program for the cost of the creditable improvements, including soft costs and contingencies related thereto, and shall not be subject to adjustment based on the actual costs incurred by Developer to design and construct such creditable Park and/or Neighborhood Green improvements.

6.3 In-fill Park and Neighborhood Green Renovation and Acquisition Fee.

Developer agrees that it shall pay City the total sum of One Thousand Dollars (\$1,000) for each single family dwelling unit and Seven Hundred Fifty Dollars (\$750) for each multifamily dwelling unit (the "Park Renovation Fee"); provided that the Park Renovation Fee shall not be paid for any unit constructed on any parcel purchased by the City pursuant to the option in the Affordable Housing Plan. Beginning January 1, 2014, the fee shall be adjusted annually on each January 1 based upon City CPI Index. This fee shall be paid to City upon issuance of a building permit for each residential unit within the Property. It shall be used by City, at its sole discretion, to acquire, renovate, repair, improve or maintain Parks, Neighborhood Greens or other open space in that portion of City identified in **Exhibit 6.3**. This payment is made voluntarily by Developer. It is in addition to all other existing park fees, and construction and dedication obligations, including without limitation any fees paid pursuant to California Government Code Section 66477 (the "Quimby Act"), and the New Park Development Fee and Interim Park Impact Fee described in Section 6.1 above. Developer agrees that it shall not claim any credit against or right to reimbursement from any other existing park fees, and construction and dedication obligations, including Quimby Act fees, or the New Park Development Fee or Interim Park Impact Fee as a result of paying the Park Renovation Fee required under this Section 6.3. The City Council may, at any time, elect to terminate or reduce this obligation to pay the Park Renovation Fee, which termination shall not require an amendment of this Agreement. City may also elect to reduce or replace the Park Renovation Fee on a Citywide basis with a new park tax, special sales tax or other replacement funding mechanism, in which case the obligation to pay the Park Renovation Fee under this Section 6.3 shall be reduced or terminated, and be partially or fully replaced by such new Citywide funding mechanism, provided, however, that City may elect not to replace the Park Renovation Fee with the replacement funding mechanism if the Developer challenges or opposes the approval or implementation of the new Citywide funding mechanism.

7. Infrastructure and Maintenance Finance.

7.1 Infrastructure Finance. As further set forth in the Conditions of Approval and Finance Plan, prior to approval of a small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of building permits, City and Developer will cooperate to establish one or more Mello-Roos Community Facilities Districts, pursuant to and as authorized by Government Code Sections 53311 et seq., to fund necessary Backbone Infrastructure and Public Facilities.

7.2 Maintenance Finance. As further set forth in the Finance Plan, prior to approval of a small lot final subdivision map, or for residential properties that do not require subdivision, prior to issuance of building permits, City and Developer will complete all actions needed to form, annex into, and/or implement the funding mechanism(s), including financing districts and special taxes, to pay to maintain existing and new public improvements associated with or needed to serve the Project as identified in the Finance Plan. Developer shall participate in, vote in favor of, and pay all costs incurred by City associated with such actions consistent with this Agreement and the Finance Plan. The amount of special taxes or assessments to be included in each new maintenance or services district referred to herein and identified for formation by the Finance Plan shall not exceed the amounts reasonably determined by City during the formation of such finance district to fund the operations, maintenance and/or services to be financed thereby.

As more particularly described in the Finance Plan, the funding mechanisms for such maintenance may include, but are not limited to the following:

7.2.1. Annexation into Street, Lighting and Landscape Maintenance

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the fair share of existing and all new public improvements associated with the project including, but not limited to, streets, bridges, culverts, traffic signals, traffic signs, striping and legends, intelligent transportation systems (ITS) operations, streetlights and safety lights, and landscape maintenance for public frontage and medians. This may be accomplished through annexation to the City's Community Facilities District No. 2014-2 (Street, Lighting and Landscape Maintenance), or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public improvements. If the Developer does not provide another financial mechanism, prior to the recordation of the final Small Lot Subdivision Map, the Developer will support the annexation of the Project into CFD 2014-2, and cover the Developer's fair share costs of the CFD annexation not to exceed Five Thousand Dollars (\$5,000) per annexation.

7.2.2. Park Maintenance.

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the Project's associated financial impacts to the operation, maintenance, and capital replacement of existing and proposed public parks that are maintained CRPD. This may be accomplished through annexation to the appropriate Communities Facilities District for park maintenance, or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public park improvements. If the Developer does not provide another financial mechanism, the Developer will support the annexation of the Project into the appropriate CFD for park maintenance and cover the Developer's fair share costs of the CFD annexation not to exceed Seven Thousand dollars (\$7,000) per annexation.

7.2.3. Community Places and Neighborhood Greens Maintenance.

Developer and City agree that the Developer will participate in or provide a funding mechanism for maintenance services for the Project's associated community places and Neighborhood Greens. This may be accomplished through annexation to the City's Communities District No. 2018-2 (Community Places and Neighborhood Greens), or other financial mechanism as may be proposed and provided by the Developer for the same purpose of providing a financial mechanism to fund the operation and maintenance of the Project's public community places and Neighborhood Green improvements. If the Developer does not provide another financial mechanism, the Developer will support the annexation of the Project into CFD 2018-2 (Community Places and Neighborhood Greens), and cover the Developer's fair share cost of the CFD annexation not to exceed Five Thousand Dollars (\$5,000) per annexation.

7.2.4. Support for a Special Tax for Transit-Related Services.

The Property will be subject to a special tax on the Property to pay for transit related-services for the Project. The base year FY 2013/2014 Transit Related Services Tax shall be \$95.61 per low density residential unit, \$76.50 per medium density residential unit, \$57.37 per high density residential unit, \$2,451.76 per acre for retail and service commercial, and \$2,107.52 per acre for commercial mixed use. This special tax was adjusted on July 1, 2014 and will be adjusted annually thereafter no later than July 15th, in accordance with the City CPI Index.

Annexation into Stormwater Utility Fee. The Developer will participate in or provide a funding mechanism for maintenance services for the Project's stormwater drainage and flood protection system. This will be accomplished through annexation to the City's Stormwater Utility Fee District. Prior to recordation of the final Small Lot Subdivision Map, Developer shall support the annexation and cover Developer's fair-share costs of the annexation, not to exceed Seven Thousand Dollars \$7,000 for the annexation. The base year FY 2020/2021 rate for the Stormwater

ITEM 9.19.

Exhibit F to the Ordinance

Utility Fee is \$134.93 per single family residential unit. The annual tax or fee will be adjusted annually per the method described in the CFD.

7.2.5. Annexation into CFD No. 2013-2 (Police Services). Prior to recordation of the first small lot final map or for residential properties that do not require subdivision, prior to issuance of building permits, the Developer shall support the annexation of the Project into CFD 2013-2 (Police Services) and cover Developer's fair-share costs of the CFD annexation, not to exceed \$7,000 for the Participating Developer's Properties. City agrees that the CFD will provide that on lands designated for all residential land use categories, the base year FY 2013/2014 Police Maximum Services Special Tax shall be Four Hundred Seventy Dollars and Twenty Eight Cents (\$470.28) annually per residential dwelling unit, including multi-family units. The special tax imposed by the CFD will be payable on a parcel within the Property only after a building permit has been issued by City for the construction of a building on that particular parcel, and there will be no undeveloped land tax imposed by the CFD. The CFD shall further provide that on each July 1 commencing July 1, 2014, the base year Police Special Tax shall be escalated by the increase, if any, in the City CPI Index. However, in no event shall the tax per parcel for any fiscal year be less than the amount established for the prior fiscal year. The CFD shall specify that the Police Special Tax shall commence being payable annually following the issuance of a building permit for each parcel subject to the Police Special Tax.

The Developer acknowledges that no small lot final subdivision maps, for residential properties that do not require subdivision, prior to issuance of building permits, shall be submitted to City for approval prior to annexation of the Property to the Police Services CFD; provided Developer may, at its own risk, process and obtain approvals of any tentative subdivision maps for the Property and submit applications for and process, but not obtain final approval of, any final subdivision maps and improvement plans related thereto.

Developer agrees that it will not vote to repeal or amend the Police Special Tax being imposed in the amounts set forth above, and that any such vote by Developer would constitute an event of default under this Agreement. In the event of such a default by

Developer, then in addition to all other remedies available to City, Developer shall be obligated to annually pay under this Agreement the difference between the amount of the Police Special Tax after the Developer's vote to repeal or amend the tax, and the amount of the proposed Police Special Tax set forth above.

7.2.6. Additional Mello-Roos Maintenance CFDs. In addition to the above maintenance and services districts, as more specifically described in the Finance Plan, except as may otherwise be deferred or waived by City, the following additional maintenance and services CFDs or similar financing mechanisms shall be formed prior to the recordation of the first small lot residential subdivision map or issuance of any building permit to fund the operations and maintenance of the public facilities:

(a) Park Maintenance CFD (to be formed by and/or in coordination with the CRPD, as decided by City in its sole discretion, to the extent permitted by law).

(b) Wetland Buffer Maintenance CFD or Assessment District. City will also consider in good faith for inclusion in this CFD the costs to maintain the wetland preserves within the Project as finally determined by the Army Corps of Engineers in its approval of the pending 404 permit for the development of the Project;

(c) Water and Drainage Studies CFD or Assessment District;

(d) Any other Citywide CFD or assessment districts City may seek to establish for maintenance of any facility or service consistent with the Financing Plan.

7.2.6 Amounts and Effect of Alternative HOA Maintenance. As provided above pursuant to sections 7.2.1, 7.2.3, and 7.2.5, the fees, special taxes or assessments to be finally established for these additional financing districts shall not exceed the amounts reasonably determined by City to fund the operations, maintenance and/or services to be financed thereby, subject to annual adjustments thereto based on the City CPI Index. The final amounts of the fees, special taxes or assessments for these additional districts shall be established during the formation of such finance districts as part of the implementation of the Finance Plan. Furthermore, if and to the extent a Homeowners Association that includes the Property elects to perform any of the maintenance obligations that would otherwise be performed by the districts described in sections 7.2.1, 7.2.3 or 7.2.5 above, subject to City's satisfaction, in its reasonable discretion, with the adequacy of the performance thereof by the Homeowners Association, the applicable maintenance financing districts shall include a mechanism whereby the amount of the special taxes or assessments to be levied thereby shall be credited by the savings to be realized by the districts from the performance of such maintenance obligations by the Homeowners Association and the relieving of the districts from having to perform such maintenance obligations.

7.3 Specific Plan Fees, Credits and Reimbursements.

7.3.1. Specific Plan Infrastructure Fee (Cost Sharing for Common Infrastructure Not Otherwise Financed by Existing Fees). As more particularly described in the Finance Plan, to equalize the burden to design and construct the Backbone Infrastructure

required for development of the Project not otherwise funded by an existing fee program, or anticipated to be underfunded thereby (such as where an existing fee program reimburses for less than the anticipated costs to design and construct an improvement), City adopted the SunCreek Special Finance District Fee (the "SFD Fee") by Resolution ___-20___ and described in the Finance Plan to finance the costs of these excluded or underfunded improvements and facilities and fairly spread the costs thereof to all developing properties within the Specific Plan. Developer agrees to support the adoption and implementation of the SFD Fee as described in the Finance Plan and to pay the SFD Fee as and when required by the development of the Property in accordance with the adopted SFD Fee.

7.3.2. Quimby Park In-Lieu Fee. The 2013 Financing Plan included a proposed Land Equalization Fee Program to equalize the costs of various public land uses that were disproportionately distributed among the landowners in the Plan Area. The developers, however, have since decided to simplify the land equalization by eliminating the public land uses other than Quimby parks. As a result, a Quimby Park In-Lieu Fee Program, which incorporates certain provisions from the SunCreek Land Equalization Fee Program Requirements, is being implemented by Cordova Recreation and Park District (CRPD). The Quimby In-Lieu Fee Program shall include the land equalization table attached as Exhibit 7.3.2 that shows the Quimby park obligation for the SunCreek Specific Plan in total and by property and the amount by which each property is over or under dedicating compared to its Quimby park obligation. The Quimby In-Lieu Fee Program shall be set forth in individual Park Development Agreements between CRPD and the developers. Developer shall enter into the Park Development Agreement with CRPD prior to recording any Final Map and shall provide copies to the City of the fully executed and recorded Park Development Agreement prior to approval of Large Lot Maps, Tentative Subdivision Maps and Final Small Lot Subdivision Maps. The Quimby In-Lieu Fee Program implements the SunCreek Land Equalization Fee Program outlined in the Financing Plan.

7.3.3 Reimbursable Planning and Environmental Costs. The owner ("John J. Young Trust et. al") of the Specific Plan Property commonly referred to in the Specific Plan as the Grantline Property and outlined on Exhibit 7.3.3 attached hereto ("Grantline Property") has shared in a portion, but not all, of the development and planning costs for the Specific Plan. After the adoption of the Specific plan, the Grantline Property was conveyed by quitclaim deeds from Callahan Sun Creek, LLC to John J. Young Trust et. al on December 10, 2021 and recorded in the Sacramento County Recorder's Office as Document number 202112100939 and Document number 202112100940. Prior to acceptance of John J. Young Trust et. al's first tentative subdivision map application for the Grantline Property, City agrees to obtain from John J. Young Trust et. al, and John J. Young Trust et. al shall provide, reasonable documentation to City that John J. Young Trust et. al has satisfied its payment obligations to the Participating Developers under its Agreement with the other Participating Developers.

7.3.4. Credits and Reimbursement.

(i) Road Frontage Reimbursements. Developer shall be responsible for all roadway frontage improvements located on the Property, including the obligation to reimburse any other Participating Developer who installs frontage improvements located on the Property prior to Developer's development of the Property, in accordance with the provisions of Appendix D of the Finance Plan. The required roadway frontage improvements to be installed by Developer shall be identified by Developer and approved by City in connection with City's approval of the Developer's Tentative Map and Tentative Map Phasing Plan for the Property. In connection with the subdivision of the Property or each phase thereof, Developer shall enter into a subdivision improvement agreement that includes, but is not limited to, all roadway frontage improvements that Developer will construct, or will reimburse a Participating Developer for previously constructing, and are assigned and required by the Tentative Map

ITEM 9.19.**Exhibit F to the Ordinance**

Phasing Plan related thereto. As more particularly described in Appendix D to the Finance Plan, "Proposed Reimbursement of Required Off-Site Roadway Frontage Improvements," for any and all off-site roadway frontage improvements within the Specific Plan

required to be installed by Developer, City will enter into a reimbursement agreement with Developer to provide for reimbursement from the other benefitting developer(s)

(ii) Credits and Reimbursements from Existing Fee Programs. Developer shall be entitled to fee credits and/or fee reimbursements for the costs to be incurred by Developer to construct any public improvements or facilities that are funded by existing fee programs in accordance with the terms of such existing fee programs.

(iii) Credits and Reimbursements from SFD Fee Program. Developer shall be entitled to fee credits against and/or fee reimbursements from the SFD Fee for any costs to be incurred by Developer to design and/or construct any public improvements or facilities that are funded by the SFD Fee Program (and may also be liable for refunding any such credits or losing its reimbursement priority upon any failure to timely complete such design and construction), all in accordance with and as more particularly provided by the terms of the SFD Fee Program.

7.3.5 Monitoring and Enforcement of Specific Plan Fee Obligations.

As more particularly provided in the Finance Plan, to establish and monitor, among other things, the Property's obligations to participate in the financing and fee programs described in the Finance Plan, Developer shall, when submitting an application for a large lot or small lot tentative subdivision map for the Property (a "Tentative Map"), include the entire Property in the Tentative Map and include a phasing plan (the "Tentative Map Phasing Plan") to identify how development of the Tentative Map will be phased and required infrastructure will be provided through the processing and approval of final subdivision maps consistent therewith.

7.4 Transportation Set-Aside Fee. As more particularly described in the Finance Plan and Appendix C thereof, City and Developer agree that an initial amount of Nine Thousand Dollars (\$9,000) of City Transportation Development Impact Fee for each single-family residential unit in the Project (and a corresponding set aside for multifamily units, based on its EDU) will be set aside to establish a dedicated revenue source to help fund certain core backbone road improvements identified in Appendix C of the Finance Plan; as provided in Appendix C of the Finance Plan, the set-aside shall not apply to non-residential uses. The Finance Plan and Appendix C thereof detail the requirements and administration of this set-aside from the TDIF. Developer and City acknowledge and agree that the availability of credits or reimbursements for roadway improvements constructed by Developer within or off-site of the Specific Plan shall be subject to and administered in accordance with the TDIF set-aside provisions of the Finance Plan and Appendix C thereof. City further acknowledges that the administration and maintenance of this set-aside of the TDIF will automatically sunset and terminate when City has secured full funding for the Rancho Cordova Parkway/Highway 50 Interchange, or an alternative approved by City has been secured.

7.5 County Reciprocal Funding Agreement. City entered into a reciprocal funding agreement between City and the County of Sacramento to address impacts of developing the Specific Plan on Sacramento County roadways, as well as other cross-jurisdictional roadway impacts related to planned development in the City and County. The Developer agrees to comply with the terms of and pay its share of any fees under the Reciprocal Funding Agreement, provided that those fees are allocated among new development in the City on a fair share basis.

8. Affordable Housing. Developer shall comply with all terms, conditions and requirements under the Affordable Housing Plan applicable to the Property. Any failure by Developer to perform any term, condition or requirement of the Affordable Housing Plan applicable to the Property is a violation of this Agreement, subject to default under Section 13. City acknowledges that Developer's compliance with all the terms, conditions and requirements of the Affordable Housing Plan applicable to the Property shall fully satisfy Developer's obligations to provide affordable housing or inclusionary housing or other such fee or exaction related thereto associated with development of the Property. Pursuant to the Affordable Housing Plan, City shall have an option to acquire an additional parcel within the Property for potential affordable housing development in accordance with the terms and conditions of the Affordable Housing Plan applicable to the Property.

9. Dedication of Public Rights of Way and Other Public Lands. Within thirty (30) days of receipt of a written dedication request from City, including without limitation any such request by City to accommodate a requirement for another Participating Developer to build any Specific Plan Backbone Improvement(s) within any portion of the Property in connection with the development of the other Participating Developer's property, Developer shall grant irrevocable dedications of rights of way and easements to City, in a form acceptable to City, for those portions of the Property required to construct such Backbone Improvements. The cost of preparing the dedication documents, including the engineering and surveying costs related thereto, shall be paid by the Participating Developer initiating or necessitating the request for the dedication. In addition to granting such irrevocable offers of dedication, Developer shall also grant temporary construction easements for reasonable access onto the Property to construct such Backbone Improvements, which shall be assignable to any Participating Developer who intends to construct such Backbone Improvements. Developer shall obtain the consent of any and all beneficiaries under any deeds of trust or mortgages or other such holders of monetary claims or liens against the Property to subordinate their interests therein to such dedicated rights of way and easements.

10. Participation in the South Sacramento Habitat Conservation Plan. City and Developer recognize that mitigating impacts on protected natural resources through a coordinated regional approach may provide a variety of biological and economic benefits. The Project is located within the South Sacramento Habitat Conservation Plan ("SSHCP"). If the Developer chooses to seek permits which rely upon the SSHCP, Developer shall pay City a per acre fee based upon the methodology established by City to defray the costs of City to participate in the development of the SSHCP, to the extent such costs are not otherwise included in the SSHCP. For purposes of this section, "permits" refers to regulatory permits required to meet the requirements of the Federal Endangered Species Act, the California Endangered Species Act, and/or the Federal Clean Water Act.

11. Amendment or Cancellation.

11.1 Amendment by Mutual Consent. This Agreement may be amended in writing from time to time by mutual consent of the Parties hereto, and in accordance with the procedures of state law and the Municipal Code. Any amendment of the Entitlements that does not constitute a Minor Revision as defined in the Specific Plan shall require amendment of this Agreement. Any such amendment may be requested and made only as to a portion of the Property, in which case only the owner(s) of such portion of the Property subject thereto shall be required to apply for and sign such partial amendment of this Agreement.

11.2 Cancellation by Mutual Consent. Except as otherwise permitted herein, this Agreement may be canceled in whole or in part only by the mutual consent of the Parties or their successors in interest, in accordance with Municipal Code. Any fees paid pursuant to this Agreement and spent by City prior to the date of cancellation shall be retained by City.

11.3 Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot designated by the Specific Plan for residential use, upon completion of construction and issuance by City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot by Developer to a bona-fide good faith purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; and (ii) the lot is included within any financing districts or mechanisms required by Section 7 or other financing mechanism acceptable to City, to the extent required hereby. Termination of this Agreement for any such residential lot as provided for in this Section 11.3 shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

11.4 Termination upon Landowner Request. This Agreement may also be terminated, at the election of the then property owner, with respect to any legally subdivided parcel designated by the Specific Plan for residential or nonresidential use (other than parcels designated for public use), when recording a final subdivision map for such parcel, or receiving a certificate of occupancy or final inspection, whichever is applicable, for a multifamily or nonresidential building within such parcel, by giving written notice to City of its election to terminate the Agreement for such parcel, provided that: (i) all improvements which are required to serve the parcel, as determined by City, have been accepted by City; (ii) the parcel is included within any financing districts or mechanisms required by Section 7, or other financing mechanisms acceptable to City, to the extent required hereby; (iii) all other financial obligations to City under this Agreement that are outstanding or may become outstanding upon subsequent development of the Property, or portion thereof subject to such termination, have been satisfied, including without limitation satisfaction of all obligations under Sections 6 and 7.3 hereinabove to pay any Park Fees (including Interim Park Fees and Park Renovation Fees) SFD Fees, Quimby Park In-Lieu Fees, planning reimbursements, and/or roadway frontage reimbursements that are then outstanding or may become payable upon further development of the Property or portion thereof subject to such termination; and (iv) the Developer of such portion of the Property is not in Default of this Agreement and no notice of Default has then been issued by City with respect to such portion of the Property. City shall cause any written notice of termination approved pursuant to this Section to be recorded with the Sacramento County Recorder against the applicable parcel at Landowner's expense. Termination of this Agreement for any such residential or nonresidential parcel as provided for in this Section 10.4 shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such parcel at the time of termination.

12 Annual Review

12.1 Annual Review. City reserves the right to annually monitor and review Developer's good faith compliance with the terms of this Agreement and the Entitlements.

12.2 Monitoring. City has discretion to monitor the continuing compliance of the terms of this Agreement and the Entitlements by updating decision-makers, conducting field

inspections, implementing and interpreting requirements, monitoring any litigation relating to the Property, and taking any other actions City may find appropriate.

12.3 Annual Review Date. City intends to conduct an annual review each year during the term of this Agreement in September of each year after the Effective Date.

12.4 Initiation of Review. City's Planning Director initiates the annual review by giving Developer written notice that City will conduct the annual review. The Planning Director's written notice will include an estimate of the total costs City expects to incur in connection with the review. Within thirty (30) days of City's notice, Developer must provide evidence to the Planning Director to demonstrate good faith compliance with this Development Agreement. The burden of proof, by substantial evidence of compliance, is upon the Developer. City's failure to timely initiate the annual review is not a waiver of the right to conduct a review at a later date or otherwise enforce the provisions of this Development Agreement. Developer is not in default under this Agreement by virtue of a failure by City to timely initiate review.

12.5 Staff Reports. City shall deposit in the mail to Developer a copy of all staff reports and related exhibits concerning contract performance at least twenty (20) days prior to any annual review. City shall also, to the extent practicable, make reasonable efforts to provide simultaneous notice to Developer by e-mail or other then-available means of electronic technology.

12.6 Costs. Costs reasonably and directly incurred by City in connection with the annual review and monitoring shall be paid by Developer in accordance with the City's schedule of fees and billing rates in effect at the time of review. The costs that Developer may be required to pay are not limited to the amount in the Planning Director's estimate.

12.7 Non-compliance with Agreement; Hearing. If the Planning Director determines, on the basis of substantial evidence, that Developer has not complied in good faith with the terms and conditions of this Development Agreement during the period under review, the City Council may initiate proceedings to modify or terminate the Agreement, at which time an administrative hearing shall be conducted in accordance with the procedures of state law. As part of that final determination, the City Council may impose conditions on the Project that it considers necessary and appropriate to protect the interests of City. Developer may, at the same hearing, raise any and all issues of non-compliance by City with the terms of this Development Agreement, and the City Council shall review and make findings concerning the compliance of all Parties to the Agreement.

12.8 Appeal of Determination. The decision of the City Council as to Developer's compliance shall be final. Any court action or proceeding to challenge, review, set aside, void, or annul any compliance determination by the Council must be commenced within thirty (30) days of the final decision of the City Council, or the Developer forfeits the right to seek judicial review.

13. Violation of Entitlements. In addition to complying with all terms of this Agreement, Developer agrees to perform all terms, conditions and requirements of all other

Entitlements. Any failure by Developer to perform any material term, condition or requirement of any of the other Entitlements or Subsequent Entitlements is a violation of this Agreement, subject to default under Section 14. City acknowledges that the timing and implementation of any development of the Property shall be at the discretion of Developer, and that unless and until the Developer elects to develop any portion of the Property, the only obligations of the Developer hereunder shall be to dedicate public rights of way and lands and grant temporary construction easements as, if and when required pursuant to Section 9 above, and to advance its share of the cost to implement the Quimby Park In-Lieu Fee Program if and when required pursuant to Section 7.3.2 above.

14. Default and Opportunity to Cure. Subject to any applicable extension of time agreed to by the Parties in writing, failure by any Party to perform any term or provision of this Agreement required to be performed by such Party, including without limitation any violation of Section 13, constitutes an event of default ("Event of Default"). For purposes of this Agreement, a Party claiming another Party is in default shall be referred to as the "Complaining Party," and the Party alleged to be in default shall be referred to as the "Party in Default." Except as provided in Section 12, a Complaining Party shall not exercise any of its remedies as the result of such Event of Default unless such Complaining Party first gives notice to the Party in Default as provided in Section 24, and the Party in Default fails to cure such Event of Default within the applicable cure period.

14.1 Procedure Regarding Defaults.

14.1.1. Notice of Default. If an Event of Default occurs, prior to exercising any remedies, the Complaining Party shall give the Party in Default written notice of such default. After City as the Complaining Party provides notice of an Event of Default by Developer, if such Event of Default is not cured within thirty (30) days after the Developer's receipt of such notice, City may thereafter cease to issue any permit or approve any entitlement for which an application has been filed for any portion of the Property then owned or controlled by the Party in Default until the Default is cured pursuant to the procedures in this Section 14.

14.1.2. Cure. The Party in Default must cure the default within thirty (30) days from the Notice of Default. The Complaining Party may pursue all available remedies if the Party in Default fails to cure the default within the 30-day time period. If the nature of the alleged default is such that it cannot reasonably be cured within thirty (30) days, the 30-day time period will be tolled if: (a) the cure is commenced at the earliest practicable date following receipt of the notice; (b) the cure is diligently prosecuted to completion at all times thereafter; (c) at the earliest practicable date (in no event later than thirty (30) days after the Party in Default's receipt of the notice), the Party in Default provides written notice to the Complaining Party that the cure cannot practicably be completed within such thirty- (30) day period; and (d) the cure is completed at the earliest practicable date. In no event shall Complaining Party be precluded from exercising remedies if a default is not cured within ninety (90) days after the first notice of default is given. If the Event of Default is discovered or determined in the course of the Annual Compliance Review, in addition to other remedies and potential cures, City shall have the statutory authority pursuant to Government Code section 65865.1 to decide to terminate or modify the Development Agreement following the opportunity to cure as provided in this Section 14.1.2.

14.1.3. Failure to Assert. Any failures or delays by a Complaining Party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by a Complaining Party in asserting

any of its rights and remedies shall not deprive the Complaining Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

14.1.4. Legal Proceedings. If the Party in Default fails to cure a default in accordance with the provisions of Section 14.1.2, the Complaining Party, at its option, may institute legal proceedings pursuant to this Development Agreement or terminate this Development Agreement. Upon the occurrence of an Event of Default, the Parties may pursue all other remedies at law or in equity, which are not otherwise provided for or prohibited by this Agreement or City's regulations governing development agreements, expressly including the remedy of specific performance of this Development Agreement. In no event, except as provided in Sections 18, 21 and 22 of this Agreement, will either Party be liable to the other Party for any monetary damage for claims arising out of this Agreement, and both Parties hereby expressly waive any such monetary damages. Notwithstanding the foregoing, City may immediately institute any legal proceedings relating to this Development Agreement without the notice and opportunity to cure required in the case of an emergency or immediate danger to public health, safety or welfare.

15. Estoppel Certificate. Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting that the other Party certify in writing that, to the knowledge of the certifying Party: (i) this Development Agreement is in full force and effect and a binding obligation of the Parties; (ii) this Development Agreement has not been amended or modified either orally or in writing, or if so amended, identifying the amendments; and, (iii) the requesting Party is not in default in the performance of its obligations under this Development Agreement, or if in default, describing therein the nature and amount of any such defaults. A Party receiving a request hereunder shall execute and return such estoppel certificate, or give a written detailed response explaining why it will not do so, within thirty (30) days following the receipt of each such request. Each Party acknowledges that such an estoppel certificate may be relied upon by third parties acting in good faith. A certificate provided by City establishing the status of this Development Agreement with respect to the Property or any portion thereof shall be in recordable form and may be recorded at the expense of the recording Party.

16. Severability. If any part of this Agreement is for any reason held to be unenforceable, the rest of the Agreement remains fully enforceable. If, however, a provision of this Agreement is determined to be invalid or unenforceable and the effect is to deprive a Party of an essential benefit of this Agreement, then the Party so deprived will have the option to terminate this entire Agreement upon written notice to the other Party.

17. Applicable Law. California law applies to this Agreement without regard for any choice-of-law rules that might direct the application of the laws of any other jurisdiction.

18. Attorneys' Fees and Costs in Legal Actions by Parties to the Agreement. Should any legal action be brought by either Party for breach of this Development Agreement or to enforce any provisions herein, the prevailing party in the action is entitled to reasonable attorneys' fees, court costs, and any other costs as may be fixed by the Court.

19. Agreement Runs with the Land. Except as otherwise provided for in this Development Agreement, all of the provisions, rights, terms, covenants, and obligations contained in this Agreement are binding upon the Parties and their respective heirs, successors and assignees, representatives, lessees, and all other persons acquiring the Property, or any portion thereof, or any interest therein, whether by operation of law or in any manner

whatsoever. All of the provisions of this Development Agreement are enforceable as equitable servitudes and constitute covenants running with the land pursuant to applicable laws, including but not limited to Section 1468 of the California Civil Code. Each covenant to do, or refrain from doing, some act on the Property, or with respect to any owned property: (i) is for the benefit of such properties and is a burden upon such properties; (ii) runs with such properties; and (iii) is binding upon each party and each successive owner during its ownership of such properties or any portion thereof, and shall be a benefit to and a burden upon each Party and its property hereunder and each other person succeeding to an interest in such properties.

20. Bankruptcy. The obligations of this Development Agreement are not dischargeable in bankruptcy.

21. Indemnification from Construction, Improvement, Operation and Maintenance Claims. Developer agrees to indemnify, defend with counsel selected by City, and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives, from any and all claims, costs (including legal fees and costs incurred by City or awarded to plaintiffs) and liability for any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by Developer, or any actions or inactions of Developer's contractors, subcontractors, agents, or employees in connection with the construction, improvement, operation, or maintenance of the Property or the Project. Developer has no indemnification obligation with respect to the negligence or willful misconduct of City, or its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives or with respect to the maintenance, use, or condition of any improvement after the time it has been dedicated to and accepted by City or another public entity (except as provided in an improvement agreement or maintenance bond). The provisions of this Section 20 shall survive the termination of this Agreement.

22. Cooperation and Indemnification of City in Event of Legal Challenge to This Agreement or Entitlements. In the event of any legal or equitable action or other proceeding instituted by any third party challenging the validity of any provisions of this Development Agreement or the Entitlements, or seeking to overturn or invalidate any approval granted pursuant to this Agreement:

22.1. The Parties agree to cooperate in defending against the action or proceeding;

22.2. The developer is solely responsible for its own costs and any costs incurred by City for such defense;

22.3. Developer will indemnify, defend with counsel selected by City and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives from any and all claims, costs (including legal fees and costs incurred by City or awarded to plaintiffs) and liability;

22.4. Neither Developer nor City shall settle any action or proceeding on grounds that include non-monetary relief or admissions of liability without written consent of the other Party. City agrees to not settle any action based upon monetary relief without the written consent of Developer, unless City is solely liable and agrees to pay such monetary relief.

ITEM 9.19.

Exhibit F to the Ordinance

22.5. The provisions of this Section 21 shall survive the termination of this Development Agreement.

23. Third Party Beneficiaries. This Development Agreement is made and entered into for the sole protection and benefit of Developer and City and their successors and assigns. No other person shall have any right of action based upon any provision in this Agreement.

24. Notices. All notices and other communications required or permitted under this Agreement, the enabling legislation, or the procedure adopted pursuant to Government Code section 65865, must be in writing and must be delivered in person or sent by certified mail, postage prepaid, or by facsimile or electronic mail.

Notice required to be given to City shall be addressed as follows:

CITY OF RANCHO CORDOVA
Community Development Director
Elizabeth Sparkman
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Fax:
E-mail:

Notice required to be given to Developer shall be addressed as follows:

DEVELOPER
John Young
Family Representative/Owner
6658 Winding Creek Drive
San Diego, CA 92119
(858) 357-7711
E-mail: jyoung70@gmail.com

Either Party may change the address stated herein by giving notice in writing to the other Party, and thereafter notices shall be addressed and transmitted to the new address.

25. Assignment and Release. From and after recordation of this Agreement against the Property, Developer shall have the full right to assign this Agreement as to the Property, or any portion thereof, in connection with any sale, transfer or conveyance thereof, provided that (i) Developer has paid City any and all fees or amounts due to City arising out of this Agreement, the processing of the Entitlements, or the development of the portion of the Property to be assigned, and (ii) upon the receipt by City Planning Director of the express written assignment by Developer and assumption by the assignee of such assignment in the form attached hereto as **Exhibit C**. Upon the payment of such fees or amounts due (which shall be acknowledged on the assignment by City Planning Director upon the request of Developer) and City's receipt of the express written assignment by Developer, the assumption by the assignee of such assignment in the form attached hereto as **Exhibit C**, and the conveyance of Developer's interest in the Property related thereto, Developer shall be released from further liability or obligation related to the portion of the Property so conveyed and the assignee will be considered the "Developer," with all rights and obligations related thereto, with respect to such conveyed property (the "Assigned Property").

26. Mortgagee Protection. The parties hereto agree that this Agreement shall not prevent or limit Developer, in any manner, at Developer's sole discretion, from encumbering the

Property or any portion thereof by any mortgage, deed of trust or other security device securing financing with respect to the Property. City acknowledges that lenders providing any such financing may require certain Agreement interpretations and modifications, and agrees upon request, from time to time, to meet with Developer and representatives of such lenders to negotiate in good faith any such request for interpretation or modification. City will not unreasonably withhold its consent to any such requested interpretation or modification, provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any lender or other such entity (a "Mortgagee") that obtains a mortgage or deed of trust against the Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, for which Mortgagee has submitted a request in writing to City in the manner specified herein for giving notices, may request to receive written notification from City of any Event of Default by Developer in the performance of Developer's obligations under this Agreement.

(c) If City receives a timely request from a Mortgagee requesting a copy of any notice of an Event of Default given to Developer under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of Event of Default to Developer. The Mortgagee shall have the right, but not the obligation, to cure the Event of Default during the remaining cure period allowed to Developer under this Agreement.

(d) Any Mortgagee who comes into possession of the Property, or any part thereof, by any means, whether pursuant to foreclosure of the mortgage, deed of trust, or deed in lieu of such foreclosure or otherwise, shall take the Property, or part thereof, subject to the terms of this Agreement; provided, however, notwithstanding anything to the contrary above, any Mortgagee, or successor or assign of such Mortgagee, who becomes an owner of the Property through foreclosure shall not be obligated to pay any fees or construct or complete the construction of any improvements, unless such owner desires to continue development of the Property consistent with this Agreement and the Entitlements, in which case the owner by foreclosure shall assume the obligations of Developer hereunder in a form acceptable to City.

(e) The foregoing limitation on Mortgagees and owners by foreclosure shall not restrict City's ability pursuant to Section 9 of this Agreement to specifically enforce against such Mortgagees or owners any dedication requirements under this Agreement or under any conditions of any other Entitlements.

27. Priority of Enactment. In the event of conflict between this Development Agreement and the Entitlements, this Development Agreement is controlling and the Parties will meet and confer in good faith to amend the Entitlements accordingly.

28. Form of Agreement; Recordation; Exhibits. City will record this Agreement and any subsequent amendment to this Agreement, with the County Recorder within ten (10) days of the Effective Date. City will also record any termination of any parts or provisions of this Agreement, except when this Development Agreement automatically terminates due to the

expiration of the Term of this Agreement. Any amendment or termination of this Development Agreement that affects less than all of the Property must describe the portion of the property that is the subject of the amendment or termination. This Agreement is executed in three duplicate originals, each of which is deemed to be an original. This Agreement consists of _____ (2_) pages and ____ () exhibits, which constitute the entire understanding and agreement of the Parties.

29. City Manager Authorization. The City of Rancho Cordova, a municipal corporation, has authorized this Development Agreement to be executed in duplicate by its City Manager and attested to by its City Clerk under the authority of Ordinance No. ____-2022 adopted by the Council of the City on the ____ day of June, 2022, and has caused this Agreement to be executed.

EXHIBIT A-1

All that real property situated in the City of Rancho Cordova, County of Sacramento, State of California, described as follows:

The North 80.00 acres of the Northwest one-quarter of Section 21, Township 8 North, Range 7 East, Mount Diablo Meridian, in the County of Sacramento, State of California.

City of Rancho Cordova

(SPACE ABOVE THIS LINE RESERVED FOR RECORDER'S USE)

ASSIGNMENT AND ASSUMPTION AGREEMENT
RELATIVE TO SUNCREEK PROJECT
(Parcel(s) ___ of the _____ Property)

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (hereinafter, the "Agreement") is entered into this _____ day of _____, 201_, by and between _____, a _____ (hereinafter "Assignor"), and _____, a _____ (hereinafter "Assignee").

RECITALS

On _____, 2013, the City of Rancho Cordova and entered into that certain agreement entitled "Development Agreement By and Between the City of Rancho Cordova and _____ Relative to the SunCreek Project (hereinafter the "Development Agreement")." Pursuant to the Development Agreement, Assignor agreed to develop certain property more particularly described in the Development Agreement (hereinafter, the "Subject Property"), subject to certain conditions and obligations as set forth in the Development Agreement. The Development Agreement was recorded against the Subject Property in the Official Records of Sacramento County on _____, 201_, as Instrument No. 201_- _____.

Assignor intends to convey a portion of the Subject Property to Assignee, commonly referred to as Parcel _____, and more particularly identified and

described in Exhibit A, attached hereto and incorporated herein by this reference (hereinafter the "Assigned Parcel").

Assignor desires to assign and Assignee desires to assume all right, title, interest, burdens and obligations under the Development Agreement with respect to and as related to the Assigned Parcel.

ASSIGNMENT AND ASSUMPTION

NOW, THEREFORE, Assignor and Assignee hereby agree as follows:

Assignor hereby assigns, effective as of Assignor's conveyance of the Assigned Parcel to Assignee, all of the rights, title, interest, burdens and obligations under the Development Agreement with respect to the Assigned Parcel. Assignor retains all the rights, title, interest, burdens and obligations under the Development Agreement with respect to all other property within the Subject Property owned by Assignor.

Assignee hereby assumes all of the rights, title, interest, burdens and obligations of Assignor under the Development Agreement with respect to the Assigned Parcel, and agrees to observe and fully perform all of the duties and obligations of Assignor under the Development Agreement with respect to the Assigned Parcel. The parties intend hereby that, upon the execution of this Agreement and conveyance of the Assigned Parcel to Assignee, and so long as Assignor has paid City any and all fees or amounts due to City arising out of the Development Agreement, the processing of the Entitlements, and the development of the Assigned Parcel, Assignee shall become substituted for and as the "Developer" under the Development Agreement with respect to the Assigned Parcel, and Assignor shall be released of and from any obligations or liabilities under the Development Agreement with respect to the Assigned Parcel.

All of the covenants, terms and conditions set forth herein shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns.

The Notice Address described in Section 20 of the Development Agreement with respect to the Assigned Parcel shall be:

Attn: _____

IN WITNESS HEREOF, the parties hereto have executed this Agreement as of the day and year first above written. This Agreement may be signed in identical counterparts.

CONFIRMATION OF PAYMENT OF OUTSTANDING FEES RELATED TO DEVELOPMENT OF ASSIGNED PARCEL

Upon request of _____, the Developer of the Assigned Parcel described herein, and based on the review of the City's files related to the development of the Assigned Parcel and the obligations allocable thereto, the undersigned, as the City Planning Director or designated representative thereof, hereby confirms that the Developer appears to have paid to the City any and all fees or amounts allocable to the Assigned Parcel and due to the City under or arising out of the Development Agreement, the processing of the Entitlements, and/or the development of the Assigned Parcel. This confirmation may be relied upon by Assignor to relieve Assignor of any continuing obligation as Developer with respect to the Assigned Parcel upon this Assignment becoming effective; provided, however, in the event of any mistake or error by the City in making this determination, the City shall not be prohibited or limited hereby from enforcing the obligation to pay any such fees or amounts allocable to the Assigned Parcel subsequently determined to be due with respect thereto.

MEMORANDUM

ITEM 9.20.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Kim Juran-Karageorgiou,
Administrative Services Director

SUBJECT: TREASURER'S REPORT – MARCH 31, 2022

RECOMMENDATION

This report is informational only. It is recommended that the City Council receive and file the March 31, 2022 Treasurer's Report.

RESULT OF RECOMMENDED ACTION

The Treasurer's Report is required to be submitted to the City Council at least quarterly in accordance with California Government Code Section 53600 et. seq. The purpose of the Treasurer's Report is to update the City Council and the public on the status of the City's cash balances and investments and highlight material changes from one period to another. The scope of this report covers the first quarter of the 2022 calendar year ending March 31, 2022 and is in compliance with the State's reporting requirements.

BACKGROUND

Attached is the quarterly Treasurer's Report for the period ending March 31, 2022. Treasurer's Reports are provided to the City Council on a quarterly basis.

At December 31, 2021, the value of the City's total portfolio was \$240.5 million. Since that time, the balances increased by \$15.5 million with an ending balance of \$256.0 million as of March 31, 2022. The funds are held as follows:

Investment Distribution	Book Value	Market Value
Cash at Banking Institutions	89,920,683	89,920,683
Local Agency Investment Fund (LAIF)	6,199,623	6,199,623
CAMP Pool	58,768,419	58,768,419
CAMP Managed Account	61,376,771	59,244,367
Insight Investment	42,567,790	41,865,867
Total	258,833,285	255,998,960

Economic conditions in the first quarter of 2022 were impacted by a continuing surge in COVID cases fueled by the Omicron variant coupled with geopolitical tensions resulting from the conflict in Ukraine. These factors applied further pressure to an economy dealing with persistently high inflation coupled with rising interest rates. With the anticipated continuation of rate hikes by the Fed throughout 2022 and beyond, the investment strategy continues to focus on short term investment options. When interest rates rise, it is a given that the market value of the City's portfolio will decline as some longer term investments decline in market value until they mature and are reinvested at current interest rates. It is important to understand that these market value declines are experienced on paper only as the City holds all of its investments to maturity.

At March 31, 2022, the City's cash balance was allocated by fund type/purpose as follows:

- General Fund: \$47.4 million
- Community Enhancement Fund: \$15.0 million
- Measure R Fund: \$6.3 million
- Sunrise Development Impact Fees (restricted for specific improvements needed as a result of development in the area): \$50.6 million
- Transportation Funds: \$72.0 million

- Storm Drain Fund: \$18.1 million
- Capital Projects/Grant/Special Revenue Funds: \$42.2 million
- Agency Funds: \$7.2 million

The overall portfolio is well diversified with \$103.9 million invested in marketable securities, \$65.0 million is invested in short-term investments that are considered liquid (LAIF, CAMP, and money markets), and another \$89.9 million is on deposit with our banks, which includes \$11.5 million on deposit with three local banks as part of the City's participation in a local banking initiative and COVID-19 Lift Program. Staff, in conjunction with our financial advisors, periodically reviews the mix of liquid and long-term investments and adjusts the portfolio according to the market conditions and our short-term cash needs.

Staff thoroughly reviews investment statements and makes appropriate inquiries of its investment advisors to confirm the existence and viability of the City's assets. The City invests conservatively in investment policy options in accordance with California State Government Code. The long-term assets are in securities that can be held to maturity, thus are less vulnerable to the fluctuations of the market. All securities are in compliance with the City's investment policy. There are sufficient funds to meet the City's expenditure requirements for the next six months.

The distribution of investments are displayed in the following charts:

MEMORANDUM

ITEM 10.1.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Elizabeth Sparkman, Community Development Director
SUBJECT: **A RESOLUTION APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR LANDSCAPING AND LIGHTING DISTRICT NO. 2005-1 FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the continuance of the annual levy and collection of assessments in the District. There are no new impacts to existing or new residents. No assessments shall increase as a result of this action.

BACKGROUND

On May 16, 2022, the City Council approved Resolutions ordering the preparation of the Engineer's Annual Levy Report and set the public hearing to be held prior to approving and ordering the levy of assessments for Fiscal Year 2022-2023. The assessments fund the ongoing landscape maintenance services in the District. There are no new impacts to existing or new residents. No assessments shall increase as a result of this action.

State law requires the City Council to direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessments. On May 16, 2022, the City initiated the proceedings for the annual levy and collection of assessments by adopting a Resolution ordering the preparation of the Engineer's Report and a Resolution preliminarily approving the Engineer's Report, declaring its intention to levy and collect annual assessments for Fiscal Year 2022-2023, and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report includes a diagram of the assessment area, a description of the maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by LLD 2005-1 include ongoing maintenance, operation and servicing of landscaping and streetscape improvements within the right-of-ways and other public areas within the District at the locations described in the Engineer's Report.

The proposed Fiscal Year 2022-2023 assessment rates do not exceed the rates previously levied by the County since 1994 and are equal to the rates levied by the City in Fiscal Year 2021-2022. The boundaries of each Zone shown in the district diagram in Part IV of the Engineer's Report and the details for each Zone are described in Section II, Part A of the Engineer's Report.

The Fiscal Year 2022-2023 total assessment is estimated at \$89,037. The District has an established Operating Reserve which provides funding for the operations and maintenance of the District, as well as providing financing for emergency expenditures. A second reserve fund finances special projects such as a central irrigation system, revegetation projects, and other rehabilitation projects or replacements of District improvements.

In July 2006, the County transferred funds previously collected in the County's Zone 4 and 5 to the City, which was deposited to the LLD 2005-1. The City had previously deemed that these transferred funds are to be used exclusively by the District and shall be considered as undesignated reserves within the Zones of the District. Funds from the undesignated reserve can be used to fund costs of any zone(s) that are unable to be funded by the annual assessments.

In order to proceed with the levy of assessments, it is appropriate for the Council to conduct the public hearing and adopt a Resolution which approves the Engineer's Report and authorizes the levy and collection of assessments for Fiscal Year 2022-2023.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City's General Fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, APPROVING PROCEEDINGS FOR THE ANNUAL LEVY
AND COLLECTION OF ASSESSMENTS FOR LANDSCAPING AND LIGHTING
DISTRICT 2005-1 FOR FISCAL YEAR 2022-2023**

WHEREAS, the City Council has, by previous Resolutions, ordered the preparation of the Engineer's Report for Fiscal Year 2022-2023 for Landscaping and Lighting District 2005-1, (pursuant to the provisions of the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500 (hereafter referred to as the "Act"); and

WHEREAS, the Engineer's Annual Report, Exhibit A, has been presented to City Council as required by Chapter 3, Section 22623 of said Act, and as previously directed by Resolution; and

WHEREAS, this City Council has carefully examined and reviewed the Report as presented, and is satisfied with each and all of the items and documents as set forth therein, and is satisfied that the levy has been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said Report; and

WHEREAS, the City and its legal counsel have reviewed Proposition 218 and found that these assessments comply with applicable provisions of Article XIII D of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these assessments onto the County roll and tax bills for the City of Rancho Cordova.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF
THE CITY OF RANCHO CORDOVA AS FOLLOWS:**

1. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of assessments, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
2. Based upon its review (and amendments, as applicable) of the Report, a copy of which has been presented to the City Council, is hereby approved (as amended), and is ordered

to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection, the City Council hereby finds and determines that:

- a. The land within the District will be benefited by the operation, maintenance and servicing of improvements, located within the boundaries of the District, and
- b. District includes all of the lands so benefited, and
- c. The net amount to be assessed upon the lands within the District in accordance with the assessment for the Fiscal Year commencing July 1, 2022, and ending June 30, 2023, is apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated special benefits to be received by each parcel from the improvements and services.

3. The maintenance, operation and servicing of the improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders the proposed improvements to be made, which improvements are briefly described as follows: the maintenance and operation of and the furnishing of services and materials for turf, ground cover, shrubs and plants, trees, irrigation and drainage systems, street lighting improvements, equipment, utilities, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments, and associated appurtenant facilities located within the landscape easements or public right-of-ways.

4. The County Auditor of the County of Sacramento shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy so apportioned by the formula and method outlined in the Report, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to Chapter 4, Article 2, Section 22646 of the Act. After collection by the County, the net amount of the levy shall be paid to the City Treasurer.

5. The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the City of Rancho Cordova Landscaping and Lighting District 2005-1 and such money shall be expended only for the maintenance, operation and servicing of the improvements together with all other costs of the District as described in Section 3.

6. The adoption of this Resolution constitutes the District levy for the Fiscal Year commencing July 1, 2022, and ending June 30, 2023.

7. The City Clerk, or their designate, is hereby authorized and directed to file the levy with the County Auditor upon adoption of this Resolution, pursuant to Chapter 4, Article 1, Section 22641 of the Act.

8. Francisco and Associates, Inc. is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Francisco and Associates, Inc. within two weeks of adoption via either e-mail joef@franciscandassociates.com or US Mail to: Francisco and Associates, Inc., 231 Market Place, Suite 543, San Ramon, CA 94583 Attn: Joseph Francisco.

ITEM 10.1.

**ENGINEER'S REPORT
CITY OF RANCHO CORDOVA
LANDSCAPE AND LIGHTING ASSESSMENT DISTRICT NO. 2005-1
FISCAL YEAR 2022-23**

The undersigned, acting on behalf of Francisco & Associates respectfully submits the enclosed Engineer's Report as directed by the Rancho Cordova City Council pursuant to the provisions of Article XIID, Section 4 of the California Constitution, provisions of the Landscaping and Lighting Act of 1972 and Section 22500 et al of the California Streets and Highways Code. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

Dated: April 20, 2022

By: 

Eduardo R. Espinoza, P.E.
R.C.E No. 83709

SECTION I**INTRODUCTION**

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the "California Constitution"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance of the special assessment district designated as:

Landscaping and Lighting District No. 2005-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance and operation of landscaping and lighting improvements within the District.

In Fiscal Year 2005-06, as part of the District formation to continue the assessments previously levied by the County as part of the Sacramento Landscape Maintenance District ("SLMD") Zone 4 and Zone 5 for properties within the boundary of the City, the City conducted a Property Owner Protest Ballot proceeding for the District assessments pursuant to the provisions of the *California Constitution, Article XIID Section 4*. In conjunction with this ballot proceeding, the City Council also conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and levy of maximum assessments. Upon conclusion of the public hearing, property owner protest ballots received were opened and tabulated to determine whether a majority protest existed (ballots were weighted based upon the assessment amounts), and by resolution the City Council confirmed the results of the ballot tabulation. Tabulation of the ballots indicated that a majority protest did not exist for the continuation and transfer of assessments as presented and described in the Fiscal Year 2005-06 Engineer's Report. The City Council approved the report, ordered the formation of the District, and approved the levy and collection of Fiscal Year 2005-06 assessments. The Fiscal Year 2005-06 assessments were then submitted to the Sacramento County Auditor/Controller for inclusion on the property tax roll for each parcel.

The improvements and assessments described in this Report are based on the improvements and assessments previously established by the County for SLMD Zone 4 and Zone 5, and represent an estimate of the direct expenditures, incidental expenses, and fund balances associated with the maintenance and servicing of those improvements. The structure of the District (organization), the improvements, the method of apportionment, and assessments described herein have been established to continue the maintenance of the existing improvements and assessments previously established by the County as outlined in the District's Fiscal Year 2005-06 Engineer's Report.

ITEM 10.1.**Exhibit A to the Resolution**

For Fiscal Year 2022-23, this Report has been prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed cost estimate and assessments for this fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments. Should the proposed annual assessments for the District or portion thereof, exceed the maximum assessments described herein (as approved by the property owners), the new or increased assessment must be confirmed through another property owner protest ballot proceeding before the new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

The word “parcel,” for the purposes of this Report, refers to an individual property assigned its own Assessor’s Parcel Number (APN) by the County Assessor’s Office. The County Auditor/Controller uses Assessor’s Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

SECTION II
ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF
LANDSCAPING AND LIGHTING ACT OF 1972 SECTION 22500 THROUGH 22679
OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

CITY OF RANCHO CORDOVA

LANDSCAPE AND LIGHTING ASSESSMENT DISTRICT NO. 2005-1
FISCAL YEAR 2022-23

Pursuant to the 1972 Act, and in accordance with the Resolution of Intention, being Resolution No. _____ adopted by the City Council of the City of Rancho Cordova on May 16, 2022, I, Eduardo R. Espinoza, the duly appointed Engineer of Work, Assessment Engineer for the City of Rancho Cordova Landscape and Lighting Assessment District No. 2005-1 (the "District") submit the following Report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District was formed with four (4) benefit zones encompassing all lots and parcels of land within the boundaries of the City. The territory within the District had previously been assessed through Zone 4 and Zone 5 of the SLMD in Fiscal Year 2004-05. The District was first assessed in Fiscal Year 2005-06. Plans and specifications for the improvements are on file at the City of Rancho Cordova, and are incorporated herein by reference.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's landscaping and lighting improvements and facilities. The estimate included herein, is also on file at the City of Rancho Cordova.

Part C – ASSESSMENT DISTRICT DIAGRAM

This part incorporates a diagram of the District showing the exterior boundaries of the District, the boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT OF ASSESSMENTS

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment of assessments used to calculate each property's proportional special benefit and annual assessment.

Part E – ASSESSMENT ROLL

This part contains a listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment of assessments. The Assessment Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

Part A
PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of the lots and parcels of land that in Fiscal Year 2004-05 were both within the City and within a portion of Zone 4 and all of Zone 5 of the Sacramento Landscape Maintenance District ("SLMD"). Said territory encompasses an area of land totaling approximately five hundred twelve acres (512 acres) that is centrally located within the City, generally south of Highway 50 and north of the City limits.

Zone 1: That portion of the previous SLMD Zone 4, which at the time of the formation of the District included a total of ninety-seven (97) assessable parcels within the residential subdivision known as Ellenwood Court located south of Ellenwood Avenue. Upon formation of the District, this area was designated as Zone 1 to reflect the special benefit these parcels receive from the District improvements associated with the development located on the south side of Ellenwood Avenue.

Zones 2, 3 and 4: The parcels within previous SLMD Zone 5, which at the time of the formation of the District included a total of six hundred eighty-six (686) assessable parcels generally located south of the American River, east of Mather Field Road, and near Zinfandel Drive and International Drive. Upon formation of the District, this area was designated as Zones 2, 3, 4, and 4A and are further described as follows:

Zone 2 included the one hundred fifty-four (154) assessable parcels within the residential subdivision known as California Jazz Units 1 & 2, generally located east of Data Drive, north of Reserve Drive, south of Capital Center Drive and west of International Drive.

Zone 3 included the eight (8) assessable parcels located on either side of Zinfandel Drive from Data Drive to the southern boundary of the District (approximately 700 feet south of International Drive).

Zone 4 included the remaining parcels that were previously included in SLMD Zone 5 that were not designated as either Zone 2 or Zone 3 of the District. This Zone includes parcels along Data Drive, International Drive, Capital Center Drive, White Rock Road, Quality Drive, Disk Drive, Prospect Park Drive and Kilgore Road.

Zone 4A is the portion of Zone 4 that also lies within the City's Community Facilities District No. 2005-2 ("CFD 2005-2"). Tax Zone 1 of CFD 2005-2 was established to fund, to the extent that funds from CFD 2005-2 are available, maintenance of landscape improvements of the residential subdivision development known as Capital Village. These landscape improvements were

installed along the subdivision's rights-of-way and within the median(s) adjacent to the development. The funds from Tax Zone 1 of CFD 2005-2, to the extent available, shall offset all or a portion of the costs within Zone 4A.

Description of Improvements and Services

The purpose of this District is to ensure the ongoing maintenance, operation and servicing of local landscaping and street lighting improvements within the District (improvements that had been previously funded through annual assessments from the SLMD). The improvements may consist of all or a portion of the public landscaped areas, street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting and landscape improvements, including, but not limited to parkways, medians and other designated easements, rights-of-way or public areas within the District. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

Improvements and Services Permitted Pursuant to the 1972 Act

As generally defined by the 1972 Act, the improvements and associated assessments for this District may include now or in the future one or more of the following:

- 1) The installation or planting of landscaping;
- 2) The installation or construction of statuary, fountains, and other ornamental structures and facilities;
- 3) The installation or construction of public lighting facilities including, but not limited to street lights and traffic signals;
- 4) The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof;
- 5) The installation of park or recreational improvements, including, but not limited to, all the following:
 - a) Land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks, and drainage.
 - b) Lights, playground equipment, play courts, and public restrooms.
- 6) The acquisition of land for park, recreational, or open-space purposes or any existing improvement otherwise authorized pursuant to this section.
- 7) The maintenance or servicing, of any of the foregoing including the furnishing

of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:

- a) Repair, removal, or replacement of all or any part of any improvements;
- b) Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
- c) Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury;
- d) The removal of trimmings, rubbish, debris, and other solid waste;
- e) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti;
- f) Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
- g) Water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.

8) Incidental expenses associated with the improvements including, but not limited to:

- a) The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- b) The costs of printing, advertising, and the publishing, posting and mailing of notices;
- c) Compensation payable to the County for collection of assessments;
- d) Compensation of any engineer or attorney employed to render services;
- e) Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- f) Costs associated with any elections held for the approval of a new or increased assessment.

Landscape Improvements

The landscape improvements for the District may include, but are not limited to turf, ground cover, shrubs and plants, trees, irrigation and drainage systems, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments, and associated appurtenant facilities located within the landscape easements or public rights-of-way. Zone specific landscape improvements are described generally as follows:

Zone 1: Streetscape (parkway) landscaping along the South side of Ellenwood Avenue east of Routier Road that is within the public rights-of-way or easements dedicated to the City for maintenance. The costs and special benefits of these improvements are shared equally by only the assessable properties within Zone 1 of the District.

Zone 2: Streetscape (parkway) landscaping surrounding and adjacent to the California Jazz subdivision on the north side of Reserve Drive from Data Drive to International Drive; the east side of Data Drive from Reserve Drive north to the end of the subdivision; the west side of Capital Center Drive from International Drive north to the end of the subdivision; and the north side of International Drive from Reserve Drive to Capital Center Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 2 of the District.

Zone 3: Streetscape (parkway) landscaping on both sides of Zinfandel Drive between International Drive and Data Drive. The costs and special benefits of these improvements are proportionately shared by only the properties within Zone 3 of the District.

Zones 2, 3, 4 and 4A: All median landscape improvements within the District located on International Drive from approximately 570 feet westerly of Data Drive to Kilgore Road and on Zinfandel Drive from Data Drive to International Drive. The costs and special benefits of these improvements are proportionately shared by all the properties within Zone 2, 3, 4 and 4A of the District.

Specifically, the landscape improvement areas for this District generally consist of the following:

- Approximately 9,600 square feet of streetscape (parkway) landscaping and 34 trees within the public rights-of-way located on the south side of Ellenwood Avenue.
- Approximately 11,000 square feet of turf, 28,455 square feet of streetscape (parkway) landscaping including 110 trees, located on the north side of Reserve Drive from Data Drive to International Drive; east side of Data Drive, from Reserve Drive north to end of California Jazz tract Unit No. 1; west side of Capital Center Drive, from International Drive north to the end of California Jazz Tract Unit No. 2; and north side of International Drive, from Reserve Drive to Capital Center Drive.

ITEM 10.1.

Exhibit A to the Resolution

- Approximately 19,400 square feet of turf, 11,500 square feet of streetscape (parkway) landscaping including 57 trees, located on the west side of Zinfandel Drive, south of International Drive.
- Approximately 152,340 square feet of turf, 55,600 square feet of streetscape and median landscaping including 392 trees along International Drive; and medians on International Drive, west of Data Drive to Kiloge Road.

Specifically, not included as District improvements, are those improvements located on private property, improvements and facilities that may be provided or maintained by an agency other than the City; improvements and facilities that may be provided by another assessment or tax levied by the City or County and any improvement provided and maintained by a Homeowner's Association or similar entity.

Detailed descriptions of the location and extent of the specific improvements to be maintained by the District are on file with the City and by reference are made part of this Report. The net annual cost to provide and maintain the improvements determined to be of special benefit shall be allocated to each property in proportion to the special benefits received.

Public Lighting Improvements

Lighting facilities that may be located within the landscaped areas including safety lights, security lights or ornamental lights installed as part of the landscape improvements are included as part of the landscape maintenance costs.

The lighting improvements may include but shall not be limited to the cost of providing electrical energy and servicing of lighting fixtures, poles, meters, conduits, electrical cable and associated appurtenant facilities associated with the street lighting, safety lighting and/or traffic signals within the District including public lighting facilities on designated arterial and collector streets as well as lighting facilities within residential subdivisions or public areas such as parks. The cost of such improvements shall be allocated based on the proportional special benefits properties receive from these improvements.

**Part B
ESTIMATE OF COSTS**

The maximum assessment per parcel or acre shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within each specified zone of the District.

Each zone within the District maintains two separate reserves, one is utilized for working capital purposes (the "Operating Reserve") and the other for longer-term projects (the "Special Projects Reserve"). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve for each zone is limited by Streets and Highways Code 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the agency expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the Streets and Highways Code 22569.

The Special Projects Reserve can be used to finance the Central Irrigation System (CIS) project and re-vegetation projects, as well as other rehabilitation projects, repairs or replacements of District improvements.

The Cost Estimate for the District prepared by the City for Fiscal Year 2022-23 follows on the next page.

(1) Contribution from CFD No. 2005-2; Only affects Zone 4A.

(2) The annual levy may differ slightly from the maximum revenue shown due to rounding, because of rounding limitations imposed by the County of Sacramento.

(3) Negative fund balances represent funds that will need to be contributed or loaned from an appropriate funding source outside of the assessment district.

A description of the terms used in the preceding Cost Estimate table are listed on the following page.

Direct Costs (Maintenance and Operation)

Contract Maintenance - Landscaping – Includes all regularly scheduled contract labor, materials, supplies and equipment required to properly maintain and ensure the satisfactory condition or maintenance of all landscaping improvements, irrigation and related drainage systems, as well as maintenance of appurtenant facilities (the “improvements”).

Utilities (Water/Electricity) – Landscaping - The furnishing of water and electricity required for the operation and maintenance of the landscaping related improvements.

Utilities (Electricity) – Lighting - The furnishing of electricity required for the operation of the lighting improvements.

Periodic Repair/Rehabilitation – Landscaping – Expected costs for repair, replacement, installation or planned upgrades of District landscaping improvements.

Periodic Repair/Rehabilitation – Lighting – Expected costs for repair, replacement, installation or planned upgrades of District lighting improvements. If zero, this line item may not be shown in the cost estimate.

Special Project Expenditures – Expected costs for installation, replacement or planned upgrades of District landscaping or lighting improvements for the current year that were previously funded or accumulated in the Special Projects Reserve. The Special Projects Reserve is used to accumulate funds for costs associated with the future rehabilitation, repair or replacement of these District improvements that cannot be conveniently raised from a single year’s assessment. If zero, this line item may not be shown in the cost estimate.

Administration Costs

District Administration – Estimated costs incurred by the City in preparation of the annual cost estimate and the preparation, review, posting and/or publishing of documents and notices required for City Council action to approve the annual assessments. These costs also include contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts and the preparation of the Engineer’s Report.

Contract Administration – Estimated costs to coordinate and oversee the maintenance contracts and overall repair, maintenance and replacements of the District Improvements.

County Collection Fees – The fee charged to the District by the County for placing assessments on property tax bills.

Other Administration Expenses – Administration expenses not included above, including the cost to publish public notices required for City Council action relating to the District. If zero, this line item may not be shown in the cost estimate.

Total Direct and Administration Costs – The total expected costs of the District.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Replenishment/(Use) of Operating Reserve – A “Replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “Use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Operating Reserve is provided in the following pages of this section.

Contribution to/(use of) Special Projects Reserve — A “Contribution” increases the levy in order to generate funding for the Special Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation of projects or replacement in future years. On the other hand, a “Use of” the Special Projects Reserve provides current year funding of rehabilitation projects or replacement from available funds within the Special Projects Reserve. If the expenditure of a current year special project is funded entirely by a collection from the current fiscal year levy and/or a transfer from the Undesignated Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Special Projects Reserve is provided in the following pages of this section.

Revenues from Other Sources – These amounts represent contributions from CFD No. 2005-2; which only affects Zone 4A. This relationship is more fully described in the previous sections of this report.

Balance to Levy - This is the total amount to be levied and collected through assessments for the current fiscal year for each Zone. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

District Statistics and Assessment Rates

Number of Assessable Parcels - The total number of parcels within each zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-way or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements, due possibly to development restrictions.

Assessable Acreage - The total assessable acreage within each zone that are expected to be assessed on an acreage basis for the current fiscal year.

Maximum Rate per Parcel - The maximum assessment rate that can be assessed to each non-exempt parcel within the respective zone for the current fiscal year.

Maximum Rate per Acre - The maximum assessment rate per acre that can be assessed to each non-exempt parcel within the respective zone for the current fiscal year.

Estimated Maximum Assessment Revenue – The total amount that can be assessed to all parcels within each zone for the current fiscal year based upon the expected number of assessable units and acres using the maximum assessment rates.

Operating Reserve Fund Balances

Beginning Reserve Fund Balance 7-1-2022 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations for each zone. These beginning balances shall be used to fund each zone's expenditures from July 1, 2022 to December 31, 2022, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Add: Collect from FY 2022-23 Levy – This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Less: Use for FY 2022-23 Expenses – The amount of the Operating Reserve to be used to fund Fiscal Year 2022-23 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Fund Balance to an amount no greater than the expected District costs for the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Special Projects Reserve - The amount of Operating Reserve monies to be transferred to or from the Special Projects Reserve. Periodically, funds held in a Special Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Projects Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2023 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) for each zone as of June 30, 2023.

ITEM 10.1.

Exhibit A to the Resolution

The size of each zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, each zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. Any deficit fund balances will be contributed or loaned to the District from a source outside of the District. All Special Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Special Projects Reserve Fund Balance

Beginning Special Projects Reserve Fund Balance 7-1-2022 (est.) — The projected balance of funds in the Special Projects Reserve as of July 1, 2022. Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Add: Collect from FY 2022-23 Levy — This amount is added to the levy to accumulate funding of future year rehabilitation projects, replacements, repairs, restorations, or upgrades of District improvements. If zero, this line item may not be shown in the cost estimate.

Less: Use for FY 2022-23 Special Projects — The amount of Special Project Reserve monies expected to be expended for special projects to fund the costs of installation, replacement, or planned upgrades of District improvements for the current year. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve — The amount of Special Projects Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Special Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Special Project Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Special Projects Reserve Fund Balance 6-30-2023 (est.) - The projected balance of funds in the Special Projects Reserve as of June 30, 2023. These funds shall be used to provide for future year rehabilitation projects, replacements, restorations or upgrades of District improvements which cannot be conveniently raised from a single year's assessment. Should the District have no Special Project Reserve or related activity, the Special Project Reserve information may not be presented in the report.

Special Projects Reserve – Capital Improvement Plan

Streets and Highways Code Section 22660 allows the District to generate and

accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. Therefore, a multi-year Capital Improvement Plan is shown below for the rehabilitation, restoration, repair and/or replacement of District improvements and other allowable costs for each zone projecting an ending Special Project Reserve balance:

Zone 3:

- Upgrades to irrigation system; replacement and/or enhancement of landscape improvements: \$5,000 in Fiscal Year 2022-23 and \$25,000 in each of Fiscal Years 2023-2024 and 2024-25.
- Upgrades related to drought resistant landscaping: \$10,000 in each of Fiscal Year 2022-23 and \$15,500 in Fiscal Years 2023-24 and 2024-25.
- Projected costs to reorganize district, including costs of re-engineering and balloting: \$25,330 in Fiscal Year 2023-24 for Zone 3's share of costs.

Part C**ASSESSMENT DISTRICT DIAGRAM**

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as "Assessment Diagram of Landscaping and Lighting District No. 2005-1." The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this Report was prepared and are incorporated herein and made part of this Report.

A reduced copy of the Assessment Diagram is attached on the following page.

City of Rancho Cordova
Landscaping and Lighting District No. 2005-1
Assessment District Diagram

Part D**METHOD OF APPORTIONMENT OF ASSESSMENTS**

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”;

Article XIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

The method of apportionment described in this Report for allocation of special benefit assessments utilizes commonly accepted engineering practices and have been established pursuant to the 1972 Act and the provisions of the California Constitution. The formulas used for calculating assessments reflects the composition of parcels within the

District and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

Benefit Analysis

Each of the proposed improvements and the associated costs and assessments have been carefully reviewed, identified, and allocated based on special benefit pursuant to the provisions of the California Constitution and 1972 Act.

The improvements provided by the District and for which properties will be assessed have been identified as necessary, required and/or desired for the development of properties within the District and as such, the ongoing operation, servicing and maintenance of these improvements would be the financial obligation of the parcels within the District. Therefore, the improvements and the annual costs of ensuring the maintenance and operation of the improvements are a distinct and special benefit to the properties within the District. Any improvement or portion thereof that is considered to be of general benefit shall be funded by other revenue sources and not included as part of the special benefit assessments allocated to properties within the District.

Special Benefit

The method of apportionment (method of assessment) established herein is based on the premise that each assessed parcel within the District receives special benefits from specific improvements and the desirability and security of those properties is enhanced by the presence of well- maintained improvements in close proximity to those properties. The special benefits associated with landscape improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.
- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the District resulting from well-maintained improvements associated with the properties.
- Enhanced quality of life through well-maintained green space and landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

ITEM 10.1.

Exhibit A to the Resolution

The special benefits of street lighting and other public lighting facilities are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on roads, streets and public areas.
- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal act and damage to improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.

All of the preceding factors contribute to a specific enhancement and desirability of each of the assessed parcels within the District and thereby provide special benefits to the properties. Furthermore, it has been determined that the lack of funding to properly service and maintain the District improvements could have a negative impact on the properties within the District.

General Benefit

In reviewing each of the District improvements, the proximity of those improvements to both properties within the District and those outside the District as well as the reasons for installing and constructing such improvements, it is evident that the improvements are solely for the benefit of properties within the District and the ongoing maintenance and operation of the improvements will directly affect the properties within the District. Although the improvements include public areas, easements, rights-of-way and other amenities available or visible to the public at large, the construction and installation of these improvements were only a direct benefit to the properties within the District and were not required nor necessarily desired by any properties or developments outside the District boundary and any public access or use of the improvements by others is incidental. Therefore, it has been determined that the improvements and the ongoing maintenance, servicing and operation of those improvements provide no measurable general benefit to properties outside the District or to the public at large, but clearly provide distinct and special benefits to properties within the District.

Assessment Methodology

The method of apportionment for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the District. The special benefit received by each lot or parcel is equated to the overall land use of parcels within the District based on the parcel's actual land use or proposed development.

All costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with

the California Constitution, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

At the time that the District was being formed and to identify and determine the special benefit to be received by each parcel and their proportionate share of the improvement costs, it was necessary to consider the entire scope of improvements to be maintained by the District, as well as individual property development within the District. Upon review of the improvements to be maintained, it was determined that four (4) distinct areas benefit differently from the improvements within the District and therefore the landscape maintenance and assessments were established as four (4) benefit zones for the allocation of the assessments and proportional special benefit, as described below. Although a portion of Zone 4 was designated as Zone 4A in Fiscal Year 2007-08, as discussed below, Zones 4 and 4A remain as one benefit zone and are assessed at the same maximum rate.

Zones and Assessments:

Zone 1 is comprised of ninety-six (96) assessable residential properties, each of which were assessed on a per parcel basis at the pre-existing rate of \$42.50 per parcel.

Zone 2 is comprised of one hundred fifty-four (154) assessable residential properties within the developments known as California Jazz Unit No.1 and Unit No. 2. Each of the one hundred fifty-four (154) assessable parcels were assessed as residential properties on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements and parkway landscape improvements associated with these parcels.

Zone 3 is comprised of eighteen (18) assessable properties, each of which were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscaping and \$1,382.76 per acre for the landscaping along the parkways of Zinfandel Drive, totaling \$1,413.24 per acre.

Zone 4 is comprised of fifty-two (52) assessable properties, each of which were assessed on an acreage basis at the pre-existing rate of \$30.48 per acre for the median landscape improvements within the District.

Zone 4A is comprised of a portion of Zone 4. Properties within Zone 4A were re-designated as Zone 4A commencing with the Fiscal Year 2007-08 to account for the Zone 4A parcels lying within a portion of CFD 2005-2, while the remaining Zone 4 parcels are outside of the CFD 2005-2 boundaries. Since the CFD 2005-2 Zone 1, special taxes are to be levied upon Zone 4A parcels, these special taxes are contributed in part to the District for the benefit of Zone 4A. Zone 1 of the CFD provides funding for landscape improvements within and adjacent to the development, including the median landscaping

identified herein. Although the CFD may fund median landscaping, the special taxes levied within Capital Village may not provide sufficient funds to maintain both the landscape improvements within the Capital Village development and the median landscape improvements within the District that specially benefit the parcels within Zone 4A.

Therefore, Zone 4A is comprised of seven hundred eighty-three (783) assessable properties, each of which were assessed \$30.48 per gross acre until such time that the CFD generates sufficient revenue to fund the median landscape improvements. Any funds generated by the CFD that will be used to finance the median landscape improvements that benefit Zone 4A shall be transferred by the CFD to the District as a contribution to Zone 4A.

Exempt Parcels — Properties within the District that are not assessed for special benefit include but are not limited to:

- Lots or parcels identified as public streets and other roadways (typically not assigned an APN by the County);
- Dedicated public easements including open space areas, utility rights-of-way, greenbelts, parkways, parks or other publicly owned properties that are part of the District improvements or may provide other benefits to private properties within the District;
- Private properties that cannot be developed independently from an adjacent property, such as common areas, sliver parcels or bifurcated lots or properties with very restrictive development use;

These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment, but shall be reviewed annually by the assessment engineer to confirm the parcels current development status. Government owned properties or public properties are not necessarily exempt properties and shall be subject to special benefit assessment unless it qualifies for an exempt classification.

Special Cases — In many districts where multiple land uses, and zones exist, the typical property classification and assessment methodology does not accurately identify the special benefits received from the improvements for each and every parcel. For example, in some cases, only a small percentage of the parcel's total acreage can actually be developed. In this case, an appropriate calculation would be based on the net acreage that can be utilized rather than the gross acreage of the parcel. These special circumstances will be reviewed annually by the assessment engineer.

**Part E
ASSESSMENT ROLL**

Parcel identification for each lot or parcel within the District is based on the Assessment Diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

Non-assessable lots or parcels may include, but are not limited to public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas, rights-of-way, common areas; landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed or has little or no value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this Report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein.

MEMORANDUM

ITEM 10.2.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Elizabeth Sparkman, Community Development Director
SUBJECT: **A RESOLUTION APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING DISTRICT NO. 2012-1 FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would authorize the continuance of the annual levy and collection of assessments in the District. There are no new impacts to existing or new residents. No assessment rates shall increase as a result of this action.

BACKGROUND

State law requires that the City Council direct an Engineer's Report to be prepared each year and to hold a public hearing on the Report and the levy of the annual assessments. On May 16, 2022, the City initiated the proceedings for the annual levy and collection of assessments through adoption of a Resolution ordering the preparation of the Engineer's Report and a Resolution preliminarily approving the Engineer's Report, declaring its intention to levy and collect annual assessments for Fiscal Year 2022-2023, and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report includes a diagram of the assessment area, a description of the improvements and maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by the District include ongoing maintenance, operation and servicing of street lights and safety lights within the right-of-ways and other public areas within the District as described in the Engineer's Report.

The Fiscal Year 2022-2023 total assessment is estimated at \$364,454.54. These assessment rates are the same rates applied to the district under CSA-1 and have not increased since the passage of Proposition 218 in 1996. The District has established an Operating Reserve which provides funding for the operations and maintenance of the District Improvements, as well as providing financing for emergency expenditures. A Capital Projects Reserve has been

established to fund replacements and upgrades of the District Improvements.

In September 2014, the City of Rancho Cordova completed the retrofit of all existing street lights located within the District with new LED street lights. The project was funded from a 1% interest loan from the California Energy Commission (CEC). This project significantly reduced electricity usage and maintenance costs. The electrical and maintenance savings will be used to pay back the loan from the energy commission. The District has historically been underfunded and has been supplemented by Measure A Maintenance funds. Once the CEC loan is paid off in Fiscal Year 2028, the District is projected to generate sufficient revenues to build a reserve to cover the costs of the replacement of the LED street light heads when they need to be replaced in 20 years.

In order to proceed with the levy of assessments, it is appropriate for the Council to conduct the public hearing and adopt the Resolution which approves the Engineer's Report and authorizes the levy and collection of assessments for Fiscal Year 2022-2023.

FISCAL IMPACT AND FUNDING SOURCE

There is no fiscal impact to the City's General Fund.

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND
COLLECTION OF ASSESSMENTS FOR THE RANCHO CORDOVA LIGHTING
DISTRICT NO. 2012-1 FOR FISCAL YEAR 2022-2023**

WHEREAS, the City Council has, by previous Resolution, ordered the preparation of the Engineer's Report for Fiscal Year 2022-2023 (hereafter referred to as the "Report" or "Engineer's Report") for said district known and designated as: The Rancho Cordova Lighting District 2012-1 (hereafter referred to as the "District"), pursuant to the provisions of the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500 (hereafter referred to as the "Act"); and

WHEREAS, there has been presented to this City Council the Engineer's Annual Report, Attachment 2, as required by Chapter 3, Section 22623 of said Act, and as previously directed by Resolution; and

WHEREAS, this City Council has carefully examined and reviewed the Report as presented, and is satisfied with each and all of the items and documents as set forth therein, and is satisfied that the levy has been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said Report; and

WHEREAS, this City and its legal counsel have reviewed Proposition 218 and found that these assessments comply with applicable provisions of Article XIII D of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these assessments onto the County roll and tax bills for the City of Rancho Cordova.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF
THE CITY OF RANCHO CORDOVA AS FOLLOWS:**

1. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of assessments, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
2. Based upon its review (and amendments, as applicable) of the Report, a copy of which has been presented to the City Council, is hereby approved (as amended), and is ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection, the City Council hereby finds and determines that:

- a. The land within the District will be benefited by the operation, maintenance and servicing of improvements, located within the boundaries of the District, and
- b. District includes all of the lands so benefited, and
- c. The net amount to be assessed upon the lands within the District in accordance with the assessment for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023, is apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated special benefits to be received by each parcel from the improvements and services.

3. The maintenance, operation and servicing of the lighting improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders the proposed improvements to be made, which improvements are briefly described as follows: the maintenance, operation and servicing of highway safety lights and local street lights located within the public right-of-ways that were previously serviced through CSA-1, Zone 2. Of the District improvements, highway safety lights are those lights located at intersections, on major streets, and along the rear of properties that abut major streets; and street lights are all lights not designated as highway safety lights, primarily consisting of local street lighting.

4. The County Auditor of the County of Sacramento shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy so apportioned by the formula and method outlined in the Report, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to Chapter 4, Article 2, Section 22646 of the Act. After collection by the County, the net amount of the levy shall be paid to the City Treasurer.

5. The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the City of Rancho Cordova Lighting District 2012-1 and such money shall be expended only for the maintenance, operation and servicing of the improvements together with all other costs of the District as described in Section 3.

6. The adoption of this Resolution constitutes the District levy for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023.

7. The City Clerk, or their designee, is hereby authorized and directed to file the levy with the County Auditor upon adoption of this Resolution, pursuant to Chapter 4, Article 1, Section 22641 of the Act.

8. Francisco & Associates, Inc. is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Francisco & Associates, Inc within two weeks of adoption via either e-mail to joef@franciscoandassociates.com or US Mail to: Francisco & Associates, Inc., 231 Market Place, Suite 543, San Ramon, CA 94583 Attn: Joe Francisco.

ITEM 10.2.

ATTACHMENT 1

9. That the above recitals are true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final approval of the Report.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova this 6th day June 2022, by the following vote:

**ENGINEER'S REPORT
CITY OF RANCHO CORDOVA
LIGHTING DISTRICT NO. 2012-1
FISCAL YEAR 2022-23**

The undersigned, acting on behalf of Francisco & Associates, Inc. respectfully submits the enclosed Engineer's Report as directed by the Rancho Cordova City Council pursuant to the provisions of Article XIID, Section 4 of the California Constitution, provisions of the Landscaping and Lighting Act of 1972 and Section 22500 et al of the California Streets and Highways Code. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

Dated: April 20, 2022

By: 

Eduardo R. Espinoza, P.E.
R.C.E. No. 83709

SECTION I

INTRODUCTION

Pursuant to the provisions of the Landscape and Lighting Act of 1972, being Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the "1972 Act"), the City Council of the City of Rancho Cordova, County of Sacramento, State of California (hereafter referred to as "City"), has by resolution initiated proceedings in connection with the ongoing maintenance and operation of a special benefit assessment district designated as:

Rancho Cordova Lighting District No. 2012-1

(hereafter referred to as "District"), for the purpose of continuing and providing for the ongoing maintenance, servicing, and operation of public lighting improvements (safety lights and street lights) within the City that had been administered by the County of Sacramento as Zone 2 of County Service Area 1 (CSA 1) until the Fiscal Year 2012-13 levy.

Prior to the formation of the District, the detachment of those portions of CSA 1 lying within the City limits was approved, resulting in the transfer of the responsibility of the servicing of CSA 1 improvements and related administration to the City. Commencing with the Fiscal Year 2012-13 levy, the City Council formed the District in order to provide ongoing funding for the costs and expenses required to service and maintain the safety light and street light improvements for the benefiting lots and parcels of land within the boundaries of the District. County Service Area 1 was created in 1986 by the Sacramento County Board of Supervisors by reorganizing five existing street light maintenance districts. CSA 1 was established to provide street light services to those unincorporated portions of Sacramento County. Since the establishment of CSA 1, the cities of Citrus Heights, Elk Grove and Rancho Cordova have been incorporated and in July 2005, the Board of Supervisors approved the creation of zones within CSA 1. The creation of these zones allowed the incorporated cities and the County to supplement CSA 1 revenues specific to those areas. This action also facilitated the eventual Local Agency Formation Commission (LAFCO) approved detachment of Elk Grove (August 2005), Citrus Heights (June 2006), and Rancho Cordova (June 2012) from CSA 1.

This Engineer's Report (hereafter referred to as "Report") has been prepared in connection with the levy and collection of annual assessments related thereto for Fiscal Year 2022-23, as required pursuant to Chapter 1, Article 4 of the 1972 Act. This Report describes the District, the improvements, and the assessments to be levied on properties within the District in connection with the special benefits the properties receive from the maintenance and servicing of the District improvements. The formation of this District and the annual assessments will provide a continued funding source for the City to fund, in part, the ongoing maintenance, servicing and operation, of the safety lights and street lights that provide special benefits to the properties within the District.

ITEM 10.2.**Exhibit A to the Resolution**

The improvements and assessments described in the Fiscal Year 2012-13 Engineer's Report (hereafter referred to as the "Formation Report") were based on the improvements and assessments previously established by the County of Sacramento for CSA 1 Zone 2. Such assessment revenues will be used to fund, in part, the annual direct expenditures and incidental expenses associated with the maintenance and servicing of the District's improvements. The formation of the District, the structure of the District (organization), the improvements, the method of apportionment, and assessments described in the Formation Report have been established to continue the maintenance of the existing improvements and assessments previously established by the County of Sacramento for CSA 1 and as such are not considered to be new or increased assessments under the provisions of the California Constitution Article XIID.

As part of the District formation to continue the assessments previously levied by the County of Sacramento as part of CSA 1, in addition to the proceedings conducted by LAFCO for the detachment of the City of Rancho Cordova from CSA 1, the Rancho Cordova City Council conducted a noticed public hearing pursuant to the provisions of the 1972 Act to consider public testimonies, comments and written protests regarding the formation of the District and levy of assessments. At the close of the public hearing, the City Council adopted a Resolution approving the Formation Report and confirming and levying the assessments for Fiscal Year 2012-13.

Each subsequent fiscal year, an Engineer's Report shall be prepared and presented to the City Council describing the District, any changes to the District or improvements, and the proposed cost estimate and assessments for that fiscal year, and the City Council shall hold a noticed public hearing regarding these matters prior to approving and ordering the proposed levy of assessments for that fiscal year. If in any year, the proposed annual assessments for the District exceed the assessments described herein, such an assessment would be considered a new or increased assessment and must be confirmed through property owner protest ballot proceeding before that new or increased assessment may be imposed. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number (APN) by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for special benefit assessments.

SECTION II**ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF
LANDSCAPING AND LIGHTING ACT OF 1972 SECTION 22500 THROUGH 22679 OF
THE CALIFORNIA STREETS AND HIGHWAYS CODE****CITY OF RANCHO CORDOVA****LIGHTING DISTRICT NO. 2012-1
FISCAL YEAR 2022-23**

Pursuant to the 1972 Act, and in accordance with the Resolution of Intention, being Resolution No. _____ adopted by the City Council of the City of Rancho Cordova on May 16, 2022, I, Eduardo R. Espinoza, the duly appointed Engineer of Work, Assessment Engineer for the City of Rancho Cordova Lighting District No. 2012-1 (the "District") submit the following Report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District has two (2) designated benefit zones that collectively encompass all lots and parcels of land within the boundaries of the District. The two benefit zones are designated as "Safety Light Only" Zone, which includes those lots and parcels of land within the District that are associated and benefit from only safety light improvements; and the "Safety Light and Street Light" Zone, which includes those lots and parcels of land within the District that are associated and benefit from both safety light improvements and local street light improvements.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's lighting improvements and facilities. The estimate included herein, is also on file at the City of Rancho Cordova.

Part C – ASSESSMENT DISTRICT DIAGRAM

This part incorporates a diagram of the District showing the exterior boundaries of the District, the boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT OF ASSESSMENTS

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment of assessments used to calculate each property's proportional special benefit and annual assessment.

Part E –ASSESSMENT ROLL

This part contains a listing of the proposed assessment amount for each parcel within the District. The proposed assessment amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment of assessments. The Assessment Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

Part A
PLANS AND SPECIFICATIONS

Description of the District

The territory within the District consists of all lots and parcels of land within the boundaries of the City of Rancho Cordova that in Fiscal Year 2011-12, were considered to lie within CSA 1 Zone 2. Within these boundaries, parcels are identified and grouped into one of two designated benefit zones based on the special benefits properties receive from the District improvements, namely "Safety Lights Only" or "Safety Lights and Street Lights". The two zones within the District and the benefits associated with the properties therein are described in more detail in Part D (Method of Apportionment of Assessments) of this Report. In addition, the Assessment District Diagram in Part C of the report provides a visual representation of the District showing the exterior boundaries of the District.

Description of Improvements and Services

The purpose of this District is to ensure the ongoing maintenance, operation, and servicing of street lighting improvements within the District (improvements that had been previously funded through annual assessments from the CSA 1). The improvements may consist of all or a portion of the public street lighting and appurtenant facilities within and adjacent to the District. These improvements may include, but are not limited to the materials, equipment, utilities, labor, appurtenant facilities and expenses necessary for the ongoing maintenance and operation of public street lighting improvements. The improvements to be maintained and funded entirely or partially through the District assessments are generally described as:

Improvements and Services Authorized by the 1972 Act

As generally defined by the 1972 Act, the improvements and associated assessments for this District may include now or in the future one or more of the following:

- The installation or construction of public lighting facilities including, but not limited to streetlights, safety lights and traffic signals;
- The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof;
- The maintenance or servicing, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including but not limited to:
 - Repair, removal, or replacement of all or any part of any improvements;
 - Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;

ITEM 10.2.

Exhibit A to the Resolution

- Incidental expenses associated with the improvements including, but not limited to:
 - The costs of the report preparation, including plans, specifications, cost estimates, diagrams, and assessment;
 - The costs of printing and advertising, and publishing, posting, and mailing of notices;
 - Compensation payable to the County for collection of assessments;
 - Compensation of any engineer or attorney employed to render services;
 - Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
 - Costs associated with any elections held for the approval of new or increased assessments.

Public Lighting Improvements

The District's annual assessments will finance in part the maintenance, operation and servicing of the District's lighting improvements (safety lights and street lights) which generally includes the furnishing of labor, materials, equipment and electricity for the ordinary and usual maintenance, operation, and servicing of street lights within the public rights-of-way and easements dedicated to the City, incidental expenses including administrative costs as well as the performance of periodic repairs, replacement and expanded maintenance resulting from damage or vandalism. These services and activities more specifically may include, but are not limited to:

- Payment of the electrical bill for the safety lights and streetlights.
- Maintenance, repair and replacement of light poles and fixtures, including changing light bulbs, painting, photoelectric cell repair or replacement, and repairing damage caused by automobile accidents, vandalism, time, and weather, including principal and interest related to funding of the replacement of the improvements.
- Electrical conduit and pull box repair and replacement due to damage by construction and weather.
- Monitoring of the Underground Service Alert (USA) network, identification of proposed excavation in the vicinity of lighting electrical conduits and marking the location of those underground conduits in the field to prevent damage by excavation.
- Services and maintenance repair and replacement including painting, replacing worn out electrical components and repairing damage due to accidents, vandalism, and weather.
- Remedial projects for major repairs or upgrading of facilities. Construction for such projects is usually performed by contract, however City maintenance workers may execute small projects.

ITEM 10.2.

Exhibit A to the Resolution

- Streetlight inventory database, pole numbering and mapping to establish the number of streetlights that must be maintained, as well as the condition and location of these streetlights as part of an effective maintenance program.
- Acquisition of land, easements and rights-of-way necessary to maintain the street and safety lighting system.
- Responding to citizens and Council member inquiries and complaints regarding street lighting. Resolving complaints may require an engineering study and possible project.

For the purpose of determining benefit and the proportional assessment of special benefit, the light fixtures to be maintained by the District are defined as either “Street Lights” or “Safety Lights”. Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. All other lights are designated as Street Lights. The following table provides a summary of the safety light and street light inventory within the City upon formation of the District. Detailed maps identifying the location and extent of the District’s Safety Lights and Street Lights at that time are on file in the Public Works Department of the City.

Type of Light	Number of Lights
Safety Lights	428
Street Lights	4,240
Total District Lights	4,668
Decorative Lights ⁽¹⁾	92
Total City Lights	4,760

(1) The 92 decorative lights shown above were contained within a single residential development and these lights are funded by a separate revenue source levied on those parcels. Therefore, these lights are not included as part of the District’s improvements, budget or assessments. Parcels within this residential development are included in the “Safety Light Only” zone.

Part B**ESTIMATE OF COSTS**

The maximum assessment revenue shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within each specified zone of the District.

The District maintains two separate reserves, one is utilized for working capital purposes (the "Operating Reserve") and the other for longer-term projects (the "Capital Projects Reserve"). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve is limited by Streets and Highways Code Section 22569, which states that an Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof, as to the application of the Streets and Highways Code Section 22569. In addition, the Capital Projects Reserve can be used to finance rehabilitation projects, repairs, or replacement of District improvements.

The cost estimate for the District prepared by the City for Fiscal Year 2022-23 follows on the next page.

City of Rancho Cordova Lighting District No. 2012-1 Fiscal Year 2022-23 Cost Estimate Summary			
	Safety Lights	Street Lights	Total Cost Estimate
DIRECT COSTS			
Electrical Costs	\$ 35,205	\$ 199,995	\$ 235,200
Maintenance Costs	\$ 7,725	\$ 43,775	\$ 51,500
Repairs/Replacements & Capital Expenditures	\$ 3,000	\$ 17,200	\$ 20,200
USA Markings	\$ 2,250	\$ 12,765	\$ 15,015
RCLD Loan Principal	\$ 18,737	\$ 106,763	\$ 125,500

Transfer from/(to) Operating Reserve	\$ -	\$ -	\$ -
Ending Capital Project Reserve Fund Balance 6-30-2023 (est.)	\$ -	\$ -	\$ -

(1) The General Benefit Contribution was calculated at 25% of the annual Electrical and Maintenance costs associated with Safety Lighting.

(2) The annual levy may differ slightly from the maximum revenue shown due to rounding because of rounding limitations imposed by the County of Sacramento.

(3) Negative fund balances represent funds that will need to be contributed or loaned from an appropriate funding source outside the assessment district.

A description of the terms used in the preceding Cost Estimate table are listed on the following page:

Direct Costs (Maintenance and Operation)

Direct Costs includes the regular annual costs of maintaining and servicing lighting improvements. This may include, but is not limited to, the costs for labor, utilities, equipment and supplies that are required to properly maintain the items that provide a direct benefit to the properties within the District. Specific Direct Costs may include, but are not limited to:

Electrical Costs — Includes the cost of providing electricity to the lights. Additionally, some lights may be maintained by the Sacramento Municipal Utility District (“SMUD”) and the cost for maintenance of these lights is included as part of the utility bill for those lights.

Maintenance Costs — Includes the contract labor associated with the maintenance of the lights and the cost of the preparing and maintaining the light inventory.

Repairs/Replacements & Capital Expenditures — Includes but is not limited to activities needed to support the improvements that are not included or considered to be costs associated with the regular annual maintenance, servicing, and operation of the District improvements. Additionally, this item may include repairs that are only required periodically, repairs and replacements resulting from damage or vandalism, capital improvement expenditures to rehabilitate or upgrade the improvements, and collection of funding (installments) for future capital improvement projects. The amount collected each fiscal year is based on an estimate of current and future needs but may be limited by available funding (assessment revenues and City contributions).

USA Markings – includes costs associated with marking the location of underground utilities related to the above.

RCLD Loan Principal - Amounts of principal due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing streetlights located within the District with new LED streetlights which will reduce energy costs.

RCLD Loan Interest - Amounts of interest due to repay a low interest California Energy Commission (CEC) loan to fund the retrofitting of existing streetlights located within the District with new LED streetlights which will reduce energy costs.

Special Projects - Includes costs for minor special project(s) related to annual maintenance and or operation of the improvements not described in the above categories.

Special Capital Projects - Includes costs expected to be incurred in any specific fiscal year for special capital projects shown in the District's Capital Improvement Plan. Costs in this category do not increase the annual levy as the Capital Improvement Reserve is used to fund these costs. For this reason, these costs may not be shown in the annual cost estimate.

Administration Costs

Annual Administration Costs include incidental District costs not included above that are required on an annual basis. Specific Administration Costs may include, but are not limited to:

District Administration - Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the assessments and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the assessments, preparation of the annual report, and placing the assessment on the property tax bills.

Contract Administration - Estimated costs to coordinate and oversee the applicable maintenance and operation contracts and overall repair, maintenance, operation, and replacements of the District Improvements.

County Collection Fees - Includes the cost that the County charges to place the assessments onto the Sacramento County Secured Tax Roll.

Miscellaneous Administration Expenses - Includes other minor administrative costs such as telephone, copying, noticing, mailing, office supplies and fees related to District Administration.

Total Direct and Administration Costs - This is the total of the Direct and Administration Costs which are the direct and incidental costs for the regular annual maintenance, servicing, and operation of the District improvements.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Miscellaneous Cost and Collections/(Credits) Applied to the Levy represent the expected contributions and funding from sources other than the current year assessments to support the annual costs included for the maintenance, servicing, and operation of the District improvements.

Replenishment/(Use) of Operating Reserve - A "Replenishment" increases the levy in order to replenish the Operating Reserve. On the other hand, a "Use" of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Operating Reserve is provided in the following pages of this section.

Contribution/(Use) of Capital Projects Reserve - A "Contribution" increases the levy in order to generate funding for the Capital Projects Reserve. This reserve allows for the accumulation of funds for the possible rehabilitation of projects or replacement in future years. On the other hand, a "Use of" the Capital Projects Reserve provides current year funding of rehabilitation projects or replacement from available funds within the Capital Projects Reserve. If the expenditure of a current year capital project is funded entirely by a collection from the current fiscal year levy and/or a transfer from the Operating Reserve, this line item may show as zero, which is the net of the two amounts. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Capital Projects Reserve is provided in the following pages of this section.

ITEM 10.2.

General Benefit Contribution – This amount represents funding from the City or other, utilizing revenue sources other than assessment revenues to pay the proportional costs for the regular annual maintenance, servicing and operation of the District improvements that have been determined to be of General Benefit and which cannot be assessed to property owners. This funding may be from the City's General Fund or any other funding sources available.

Other Revenue Contributions - Additional funds designated for use by the District that are not District assessments. Often referred to as a City Contribution, these funds may be from any source available to the City to support the District and reduce the amount to be collected by the District assessments. If the Total Direct and Administration Costs minus any Reserve Fund Transfer and General Benefit Contribution results in an amount greater than the amount that can be collected through the assessments, the City either must reduce expenses or contribute funds to balance the cost estimate.

Balance to Levy - This is the total amount to be levied and collected through assessments for the current fiscal year for each zone. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

District Statistics and Assessment Rates

Parcels Levied - The total number of parcels within each zone that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public right-of-way or easements, common areas, and/or parcels within the boundaries of the District that currently do not benefit from the improvements.

Front Footage - The total assessable front footage for non-residential property that are expected to be assessed on a front footage basis for the current fiscal year.

Residential Parcels – The total number of assessable residential parcels subject to the street lighting assessment.

Per Parcel Rate – Safety Lights - The maximum assessment rate that can be assessed to each assessable parcel within the respective zone for the current fiscal year.

Per Parcel Rate – Streetlights (Residential) - The maximum assessment rate that can be assessed to each assessable residential parcel for streetlights for the current fiscal year.

Per Front Foot Rate – Streetlights (Non-Residential) - The maximum assessment rate that can be assessed to each front foot of non-residential property for streetlights for the current fiscal year.

Estimated Maximum Assessment Revenue – The total amount that can be assessed to all parcels within each zone for the current fiscal year based upon the expected number of assessable parcels and front footage using the maximum assessment rates.

Operating Reserve Fund Balance

Beginning Reserve Fund Balance 7-1-2022 (est.) - The anticipated beginning balance of cash and receivables, net of any unpaid prior year obligations. These beginning balances shall be used to fund expenditures from July 1, 2022 to December 31, 2022, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. The Capital Projects Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Replenishment/(Use) of Operating Reserve – Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve is intended to fund expenditures from the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If positive, this amount is added to the levy in order to replenish the Operating Reserve. On the other hand, if negative, this portion of the Operating Reserve is used to fund Fiscal Year 2022-23 expenses and therefore reduces the levy amount. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Capital Project Reserve — The amount of Operating Reserve monies to be transferred to or from the Capital Projects Reserve. Periodically, funds held in a Capital Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Project Reserve are subject to transfer to the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2023 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2023. The size of the Operating Reserve is limited by Streets and Highways Code Section 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance and service from the first day of the fiscal year (July 1) to the date that the agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, the District may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Project Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Capital Project Reserve Fund Balance

Beginning Capital Project Reserve Fund Balance 7-1-2022 (est.) — The projected balance of funds in the Capital Project Reserve as of July 1, 2022. Streets and Highways Code Section 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

Use for FY 2022-23 Capital Projects – The amount expected to be incurred for Capital Projects in Fiscal Year 2022-23 and funded from the Capital Projects Reserve rather than

ITEM 10.2.

Exhibit A to the Resolution

the Fiscal Year 2022-23 levy. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve — The amount of Capital Project Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Project Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Project Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2023 (est.) - The projected balance of funds in the Capital Projects Reserve as of June 30, 2023. These funds shall be used to fund the costs of installation, replacement, repair or upgrading of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Capital Projects Reserve or related activity for the current fiscal year, the Capital Projects Reserve information will not be presented in the report.

Capital Projects Reserve - Capital Improvement Plan

Streets and Highways Code Section 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment. The projected fiscal year ending Capital Project Reserve Fund balance will fund the multi-year Capital Improvement Plan, as shown below, in order to fund the installation, replacement, repair or upgrading of District improvements and other allowable costs:

The District expects expenditures for updating, verifying and/or replacing streetlight/pole numbers and the painting of existing street light service pedestals: \$10,000 in Fiscal Year 2022-23; the painting, updating and/or replacing of street light pedestals: \$15,000 in Fiscal Year 2022-23, and 2023-24; and retrofit street lights from High-Pressure Sodium to LED: \$30,000 in Fiscal Year 2024-25.

Periodically, funds held in a Capital Projects Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Capital Projects Reserve are subject to transfer into the Operating Reserve, at the discretion of the Public Works Department, in order to provide for the maintenance and operation of the improvements.

Part C**ASSESSMENT DISTRICT DIAGRAM**

The parcels to be assessed consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as "Assessment Diagram of Rancho Cordova Lighting District No. 2012-1." The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this report was prepared and are incorporated herein and made part of this report.

A reduced copy of the Assessment Diagram is attached on the following page.

City of Rancho Cordova
Landscaping and Lighting District No. 2012-1
Assessment District Diagram

Part D**METHOD OF APPORTIONMENT OF ASSESSMENTS**

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include but are not limited to the construction, maintenance, operation, and servicing of public street lighting improvements and appurtenant facilities.

The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIID addresses several key criteria for the levy of assessments, notably:

Article XIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”.

Article XIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

The method of apportionment established herein is based on the premise that each assessed property receives special benefits from the maintenance, servicing and operation of either safety lights located throughout the District or both safety lights and local street lights, and these improvements will be funded in part by such assessments, and the assessment obligation for each parcel reflects that parcel's proportional special

benefits as compared to other properties that receive such special benefits as outlined in the preceding definitions established in the 1972 Act and the California Constitution.

Benefit Analysis

To identify and determine the proportional special benefit to each parcel within the District, as well as any general benefit associated with the improvements, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The District's improvements and the associated costs described in this report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District, and is consistent with the method of apportionment previously established for the assessments as part of CSA 1.

While the California Constitution requires that *"The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement..."*; it is reasonable to conclude that the reasons for installing local street lights are often similar, but somewhat different than the reasons for installing safety lights. Therefore, the overall benefits associated with streetlights and safety lights are different, which also suggests that the apportionment of the cost to provide those improvements would be different.

In reviewing the location and extent of the City's Street Light improvements to be funded by District assessments and the relationship these improvements have to properties within the District, it was determined that these lights are entirely local lighting improvements that were installed specifically in connection with the development of nearby properties or were necessary as a precursor to property development and would otherwise not have been necessary or required without the development of the properties near those improvements. As such, these Street Light improvements have a direct and particular relationship to, and provide special benefit to, the properties located in close proximity to those lighting improvements and serve as extension of those properties and developments into the public areas (streets) that serve those properties. These lights clearly provide special benefits that affect these properties in a way that is particular and distinct from its effect on other parcels, and that of real property in general and the public at large do not share. This is most evident in the fact that the District's Street Light improvements are concentrated within the City's various residential developments and developed non-residential areas and the absence of such lights within many portions of the undeveloped areas of the District. The fact that these lights are a direct result of property development and many areas of the City forgo the need of local street lighting, the maintenance and operation costs associated with the Street Light improvements are considered to be solely a special benefit to those properties and developments in close proximity to those lights and have no measurable general benefit to the public at large or to the District as a whole. However, it is also recognized that these lights are not exclusive or typically isolated to a particular parcel but are rather shared and directly affect entire neighborhoods or groups of parcels. In this District, it has been

ITEM 10.2.

Exhibit A to the Resolution

determined that each parcel that is assessed for Street Lights is at least within approximately two-hundred feet (200 feet) of a streetlight although that light may be located across the street from the parcel.

As previously noted, Safety Lights are lights located at intersections on major streets and along the rear of properties that abut major streets. Although the location and extent of these lights are most certainly driven by development of properties in the area (concentrated largely in developed areas of the City), unlike the Street Light improvements which are directly correlated to specific developments and parcels, the District's Safety Lights are not entirely the result of specific property development, but more the result of overall development throughout the City and in addition to directly benefiting the properties in the District, these Safety Lights provide nighttime traffic illumination to enhance traffic circulation and safety.

Therefore, while the need for such lights is most often facilitated by development in the area and certainly a special benefit to properties within the District because safety lights promote nighttime traffic illumination and circulation for the general public as well as for properties in the District, these lights obviously provide some measure of benefit to the community as a whole and to the public at large (general benefit). In order to separate general benefits from special benefits, an evaluation of the overall extent and location of the Safety Light in the City, revealed that less than half (approximately 47%) of the Safety Lights within the District are located on major streets that are considered through-traffic corridors, namely Bradshaw Road, Folsom Boulevard and Sunrise Boulevard. The remaining Safety Lights within the City were located on streets and intersections considered internal City traffic routes that provide direct access to the parcels in the District. Therefore, it would be reasonable to conclude that like the local Street Light improvements, the Safety Light improvements located on these internal City traffic routes (approximately 53% of the Safety Lights at the time of formation of the District) are entirely for the special benefit of the properties they serve, while the Safety Lights on the through-traffic corridors provide comparable (proportionately equal) special benefit to properties in the District and general benefit to real property in general and the public at large. Therefore, collectively, it has been determined that no more than 25% of the total direct costs (maintenance and operation costs) of providing Safety Lights would be considered general benefit.

Zones of Benefit

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Article XIIID Section 4a reads in part:

“...The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement or the maintenance and operation expenses of a public improvement or for the cost

of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

In an effort to ensure an appropriate allocation of the estimated annual cost to provide the District improvements based on proportional special benefits, this District has established benefit zones (“Zones”) as authorized pursuant to Chapter 1 Article 4, Section 22574 of the 1972 Act:

“The diagram and assessment may classify various areas within an assessment district into different zones where, by reason of variations in the nature, location, and extent of the improvements, the various areas will receive differing degrees of benefit from the improvements. A zone shall consist of all territory which will receive substantially the same degree of benefit from the improvements.”

Therefore, in order to separate general benefits from special benefits and to ensure each parcel is assessed for only the special benefits received from the improvements, two benefit zones have been established and every parcel in the City is grouped into one of these two Zones:

- “Safety Lights Only” Zone: Includes all parcels that receive special benefits from the maintenance of Safety Lights only, which includes lights located at intersections on major streets and along the rear of properties that abut major streets.
- “Streetlights and Safety Lights” Zone: Includes all remaining parcels within the City that specially benefit from maintenance of Street Lighting (local lights) as well as Safety Lights.

The District cost estimate incorporated herein under Part B of this report, provides a summary of the total estimated cost of providing the street light improvements and the allocation of those costs that are considered general benefit. Details regarding the location and extent of the street lighting improvements within the District and the Zones therein upon formation of the District are on file in the Public Works Department of the City. A diagram showing the exterior boundaries of the District and the location of the two zones therein at the time of formation is attached and incorporated herein under Part C of this report.

Assessment Methodology

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the improvement costs, it is necessary to consider not only the improvements and services to be provided, but the relationship each parcel has to those improvements as compared to other parcels in the District.

Safety Lights and Street Lights, like most public improvements, provides varying degrees of benefit (whether they be general or special) based largely on the extent of such

ITEM 10.2.

Exhibit A to the Resolution

improvements, the location of the improvements in relationship to the properties, the specific use of each property, and the reason or need for such improvements as it relates to individual properties. In this District, these issues were each considered in determining the proportional special benefit to each parcel by the use of benefit zones, the separation of general benefit and special benefit, and County land use designations.

Safety Lights

Safety Lights are located throughout the District and properties throughout the City are considered to benefit proportionally from Safety Lights and are therefore levied a flat rate calculated by the following formula.

$$\text{Net Safety Light Cost} / \text{Total Assessable Parcels} = \text{Levy per Parcel}$$

Streetlights

Only properties that benefit from Street Lights are charged for Street Lights. Parcels are classified based on land use into two categories: Residential and Non-Residential. Residential parcels that have streetlights are levied equally. Non-Residential are levied on a front footage basis. Formulas for both Non-Residential and Residential parcels are illustrated below.

Residential Parcels

$$\text{Net Residential Street Light Cost} / \text{Residential Parcels} = \text{Levy per Residential Parcel}$$

Non-Residential Parcels

$$\text{Net Non-Residential Street Light Cost} / \text{Non-Residential Front Footage} = \text{Levy per Non-Residential Front Foot}$$

$$\text{Levy per Non-Residential Front Foot} \times \text{Non-Residential Parcel Front Footage} = \text{Levy per Parcel}$$

In addition, each Fiscal Year, the City provides annexation documents showing the list of parcels that were annexed into the City of Rancho Cordova Community Facilities District No. 2014-1 (the "CFD No. 2014-1"). CFD No. 2014-1 provides services for Street Lighting in the City. Parcels that are annexed into CFD No. 2014-1 are not subject to the Street Light Assessment portion for the City of Rancho Cordova Lighting District No. 2012-1 and are only assessed for safety lights.

Exempt

Exempted from the assessment would be the areas of public streets and other roadways (typically not assigned an APN by the County), dedicated public easements, open space areas and rights-of- ways including public greenbelts and parkways. Also exempted from assessment would be utility rights-of-ways, common areas (such as in condominium complexes), landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed. These types of parcels do not benefit from the improvements.

The land use classification for each parcel has been determined and based on the Sacramento County Assessor's most recent secured roll.

Rates

The following Tables show the assessment rates proposed to be levied in Fiscal Year 2022-23 and an estimate of the revenue to be assessed. It is important to note that these rates are the same rates applied to the District parcels under CSA 1 and that these rates have not increased since the passage of Proposition 218 in 1996.

Proposed Fiscal Year 2022-23 Assessment Rates	
<u>Improvement Type</u>	<u>Proposed Rates</u>
Safety Lights	\$2.56 per parcel
Street Lights	\$15.32 per parcel
Street Lights (Non-Residential) *	\$0.2519 per front foot

* Non-Residential parcels include commercial and multi-family properties.

Estimated Fiscal Year 2022-23 Assessment Revenues				
Benefit Classifications	Applied Rates	Parcels	Applied Front Footage	Total Estimated Revenue
Safety Light Only	\$2.56 per Parcel	9,051	N/A	\$ 23,170.56
Street and Safety Light (Residential)	\$2.56 + \$15.32 per Parcel	10,516	N/A	\$ 188,026.08
Street and Safety Light (Non-Residential)	\$2.56 per Parcel + 0.2519 per front foot	3,163	576,269	\$ 153,257.90
Totals		22,730	576,269	\$ 364,454.54

(1) The annual levy may differ slightly due to rounding because of rounding limitations imposed by the County of Sacramento.

**Part E
ASSESSMENT ROLL**

Parcel identification for each lot or parcel within the District is based on the Assessment Diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts is provided herein.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

The following is a list of the parcels and proposed assessment amounts for each of the parcels within the District as determined by the assessment rates and method of apportionment described herein.

MEMORANDUM

ITEM 10.3.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director

SUBJECT: **RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF ASSESSMENTS FOR RANCHO CORDOVA ROAD MAINTENANCE ASSESSMENT DISTRICT FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Adopt the Resolution Initiating Proceedings for the Annual Levy and Collection of Assessments, Declaring its Intention to Levy the Annual Assessments and Preliminarily Approving the Engineer's Report for the Rancho Cordova Road Maintenance Assessment District for Fiscal Year 2022-2023; and adopt the Resolution Amending and/or Approving the Annual Engineer's Report and Ordering the Levy and Collection of Assessments within the Rancho Cordova Road Maintenance Assessment District for Fiscal Year 2022-2023.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolutions will authorize the continuance of the annual levy and collection of assessments in the District. The assessments provide funding for streetlight and road maintenance and only apply to specific newly developed areas that are part of the District as identified in the Engineer's Report.

BACKGROUND

The Rancho Cordova Road Maintenance Assessment District (hereinafter "the District") was formed in June 2006 by the City Council. The purpose was to create a financial mechanism to provide street and street lighting operations and maintenance services for public improvements created as a result of new development.

State law requires the City to hold a public hearing prior to the approval of the proposed assessment rates and the levy of the annual assessment. An Engineer's Report showing the proposed assessment rates has been prepared, placed on file with the City Clerk.

Through adoption of the Resolution, Attachment 1, the City is initiating the proceedings for the annual levy and collection of assessments and caused the preparation of the Engineer's Report and preliminarily approves the Engineer's Report, declaring its intention to levy the annual assessments for Fiscal Year 2022-2023. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report, Attachment 3 prepared by Harris & Associates includes diagrams of the assessment areas, a description and cost estimates of the operations and maintenance services to be provided, a description of the property to be benefited, and the amount of the assessment to each individual property. The services performed within and funded by the District include the operation, servicing and maintenance of the District's streets and street lighting improvements at the locations described in the Engineer's Report. The proposed assessments for Fiscal Year 2022-2023 are detailed in the Preliminary Assessment Role, Attachment 4 and summarized per Zone in Table 1 below:

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND
COLLECTION OF ASSESSMENTS, DECLARING ITS INTENTION TO LEVY THE
ANNUAL ASSESSMENTS AND PRELIMINARILY APPROVING THE ENGINEER'S
REPORT FOR THE RANCHO CORDOVA ROAD MAINTENANCE ASSESSMENT
DISTRICT FOR FISCAL YEAR 2022-2023**

WHEREAS, the City Council by previous action and resolutions formed the Rancho Cordova Road Maintenance Assessment District (hereafter referred to as the "District") pursuant to the Benefit Assessment Act of 1982, Chapter 6.4, Division 2, Title 5 of the Government Code of the State of California commencing with Section 54703 (hereafter referred to as the "Act"); for the purposes of levying annual assessments upon benefiting properties within the District for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

WHEREAS, in May of 2006, an Engineer's Report (hereafter referred to as the "Formation Report") was prepared, filed and subsequently approved by the City Council in connection with the District and the levy of said assessments, pursuant to Section 54716 of said Act; and

WHEREAS, on June 19, 2006, the City Council conducted property owner protest proceedings relating to the improvements and services described in the Formation Report and the levy and collection of annual assessments and an annual assessment rate inflator formula related thereto in accordance with the provisions of the California Constitution Article XIIID; and

WHEREAS, the City Council has retained Harris & Associates as the Engineer of Work for the purpose of assisting with the annual levy of the District, and to prepare and file an Engineer's Report (hereafter referred to as the "Engineer's Report" or the "Report") with the City Clerk; and

WHEREAS, the Engineer of Work has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, the Engineer's Report, which describes the assessments against the parcels of land within the District for the fiscal year commencing July 1, 2022 and ending June 30, 2023 to pay for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

WHEREAS, this City Council has carefully examined and reviewed the Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

WHEREAS, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, June 6, 2022, at 5:30 p.m., or as soon thereafter as feasible. In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social

distancing recommendations for the containment of COVID-19. A notice of the public hearing was published for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. The above recitals are all true and correct.
2. The Report as presented, consists of the following:
 - a. A Description of Improvements.
 - b. A Description of the District.
 - c. The proposed Annual Budget for the fiscal year (Costs and Expenses).
 - d. The Method of Apportionment that details the method of calculating each parcel's proportional special benefits and annual assessment.
 - e. The District boundaries.
 - f. The Preliminary Assessment Roll containing the Levy for each Assessor Parcel Number within the District proposed for Fiscal Year 2022-2023.
3. The proposed assessments as outlined in the Report have been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed within the District, and are in compliance with the Act and the provisions of California Constitution Article XIID.
4. The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.
5. The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.
6. The City Council hereby declares its intention to seek the annual levy of the District assessments for Fiscal Year 2022-2023, pursuant to the Act, over and including the land within the District boundaries to pay the costs of the maintenance, operation and servicing of streets, street lights, facilities related thereto and other improvements, as more fully described in the Report.
7. The boundaries of the District are described in the Report and include the parcels within the District at the time of the Resolution of Intention as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.
8. The proposed assessments for Fiscal Year 2022-2023 do not exceed the maximum assessment approved through the property owner protest proceedings during the formation of the District.

ITEM 10.3.

ATTACHMENT 1

9. The City Clerk has given proper notice of the time and place of the public hearing regarding these matters.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, AMENDING AND/OR APPROVING THE ANNUAL
ENGINEER'S REPORT AND ORDERING THE LEVY AND COLLECTION OF
ASSESSMENTS WITHIN THE RANCHO CORDOVA ROAD MAINTENANCE
ASSESSMENT DISTRICT FOR FISCAL YEAR 2022-2023**

WHEREAS, the City Council has, by previous Resolution, declared its intention to levy assessments within the Rancho Cordova Road Maintenance Assessment District (hereafter referred to as the "District"); and

WHEREAS, the Engineer selected by the City Council has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, an Engineer's Report (hereafter referred to as the "Engineer's Report" or the "Report"), on file with the City Clerk, that describes the assessments against the parcels of land within the District for the fiscal year commencing July 1, 2022 and ending June 30, 2023 to pay for the maintenance, operation and servicing of streets, street lights and facilities related thereto; and

WHEREAS, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein, and finds that the levy of assessments has been spread in accordance with the special benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said the Report; and

WHEREAS, the City Council and its legal counsel have reviewed Proposition 218 and found that these assessments comply with applicable provisions of Article XIII D of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these assessments onto the County roll and tax bills for the City of Rancho Cordova; and

WHEREAS, the City Council desires to levy and collect assessments against parcels of land within the District for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023, to pay the costs and expenses of operating, maintaining and servicing the improvements and appurtenant facilities located within the District; and

WHEREAS, it is the City's intention to conduct a public hearing concerning the levy of assessments for the District; and

WHEREAS, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, June 6, 2022, at 5:30 p.m., or as soon thereafter as feasible. In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social distancing recommendations for the containment of COVID-19. A notice of the public hearing was published for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of assessments, the Engineer's Report prepared in connection therewith, and considered any oral and written statements, protests and communications made or filed by interested persons regarding these matters.
2. The City Council finds the proposed assessments for Fiscal Year 2022-2023 are consistent with the assessment methodology and rates approved through the balloting proceedings.
3. That the Engineer's Report is hereby approved (as amended) and is ordered to be filed in the office of the City Clerk as a permanent record and to remain open to public inspection, the City Council hereby finds and determines that:
 - a) The land and eligible parcels within the boundaries of the District will receive a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large from the operation, maintenance and servicing of the improvements and appurtenant facilities identified in the Engineer's Report (hereinafter referred to as "Special Benefit"); and
 - b) The District includes the lands and parcels receiving such Special Benefit; and
 - c) The net amount to be assessed upon the lands within the District is in accordance and apportioned by a formula and method which fairly distributes the net amount among eligible parcels in proportion to the special benefit to be received by each parcel from the improvements and services for the fiscal year commencing July 1, 2022 and ending June 30, 2023.
4. The Engineer's Report and assessment as presented to the City Council and on file in the office of the City Clerk comply with the applicable provisions of the California State Constitution Article XIID and are hereby confirmed as filed.
5. The maintenance, operation and servicing of the improvements shall be performed pursuant to the provisions of the *Benefit Assessment Act of 1982, Title 5, Division 2, Part 1, Chapter 6.4 of the Government Code of the State of California Commencing with section 54703* (hereafter referred to as the "Act"). The City Council hereby orders the proposed

improvements to be made, which improvements are briefly described as the ongoing maintenance, operation of street improvements and appurtenant facilities, street lighting and appurtenance facilities related thereto located within the District boundaries, the City of Rancho Cordova, and the jurisdiction of the City Council. A more detailed description of the improvements is contained within the Engineer's Report.

6. The County Auditor of Sacramento County shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to the provisions provided in the Act. After collection by the County, the net amount of the levy shall be paid to the Treasurer of the City of Rancho Cordova.

7. The adoption of this Resolution constitutes the District levy for the fiscal year commencing July 1, 2022 and ending June 30, 2023.

8. The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the District and such money shall be expended only for the maintenance, operation and servicing of the improvements as described above in recital 5.

9. Harris & Associates is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Harris & Associates within two weeks of adoption via either e-mail to alison.bouley@weareharris.com or US Mail to: Harris & Associates, 22 Executive Park, Suite 200, Irvine, CA 92614 Attn: Alison Bouley.

10. That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of, any modification to and final confirmation of the Report.

ENGINEER'S CERTIFICATION

Statement of Assessment Engineer

AGENCY: THE CITY OF RANCHO CORDOVA

PROJECT: ROAD MAINTENANCE ASSESSMENT DISTRICT

TO: THE CITY COUNCIL OF THE
CITY OF RANCHO CORDOVA
STATE OF CALIFORNIA

ENGINEER'S REPORT FOR FISCAL YEAR 2022-23

The preparation of this Annual Engineer's Report ("Report") is in conformance with the obligation of the City Council for the Road Maintenance Assessment District of the City of Rancho Cordova to provide road maintenance services upon each lot or parcel of land in the district in proportion to the estimated benefit to be received by each such lot or parcel of land for Fiscal Year 2022-23.

Pursuant to the provisions of the Benefit Assessment Act of 1982 ("Act"), Article 4, Chapter 6.4 of the State of California Government Code, and in accordance with the City of Rancho Cordova's Resolution being adopted by the City Council for:

ROAD MAINTENANCE ASSESSMENT DISTRICT

(Hereinafter referred to as the "District"),

I, Alison Bouley, authorized representative of the District, the duly appointed Assessment Engineer submit the following Report which consists of the following five (5) parts and Appendices:

PART I

Overview: Provides the background and reason for the District.

PART II

Plans and Specifications: Plans and specifications for the existing and ultimate improvements are as set forth on the lists thereof, attached hereto, and are on file in the Office of the City Engineer and are incorporated herein by reference.

PART III

Cost Estimate: The estimated cost to be funded by the District for the operation, servicing and maintenance of the improvements for Fiscal Year 2022-23, including incidental costs and expenses in connection therewith.

PART IV

Method of Apportionment: The method of apportionment of assessments indicates the proposed assessment of the net amount of the costs and expenses of the maintenance and/or servicing of the existing and ultimate improvements to be assessed upon the lots and parcels of land within the Assessment District in proportion to the estimated special benefits to be received by such lots and parcels.

PART V

Cost of Living Adjustments: Each year, the Road Maintenance Assessment District increases cost estimations based on the annual change in the Construction Cost Index (CCI) as presented by Engineering News Record (ENR) Magazine. Part IV shows the adjusted Maximum Assessment Rates.

Appendices

Appendix A – Boundary Maps
Appendix B – Assessment Roll

In conclusion, it is my opinion that the costs and expenses of the District have been assessed to the lots and parcels within the boundaries of the District in proportion to the estimated benefits to be received by each lot or parcel from the services provided.

**Harris & Associates**

Alison Bouley, P.E., Assessment Engineer
R.C.E. No. C61383
Engineer of Work
County of Sacramento
State of California

PART I – OVERVIEW

The Benefit Assessment Act of 1982 (hereinafter referred to as the "1982 Act") permits the establishment of assessment districts by cities for the purpose of levying assessments to provide certain public improvements that provide a special benefit to parcels. This includes the maintenance and operation of streets and street lighting services.

Annual assessments through the District will fund the operation, servicing and maintenance of the District's streets and street lighting improvements, as described herein, for Fiscal Year 2022-23, including incidental costs and expenses in connection therewith.

This Engineer's Report provides the formula to be used to apportion the costs of providing these services and the methodology used to levy the assessments to the parcels within the District to fund the costs.

Formation Overview

The City Council, pursuant to the 1982 Act, and in accordance with Article XIID of the California Constitution ("Article XIID"); and the Proposition 218 Omnibus Implementation Act, commencing with Section 53750 of the California Government Code (the "Implementation Act"), did on May 31, 2006, adopt Resolution 64-2006 initiating proceedings for the formation of the District.

On June 19, 2006, pursuant to the 1982 Act and Article XIID, the City Council conducted a noticed public hearing to consider public testimonies, comments and written protests regarding the formation of the District and the levy of assessments. At the public hearing, property owner protest ballots received were tabulated and a majority protest did not exist for the proposed maximum assessments and the annual inflationary adjustment factor presented and described herein. The City Council adopted Resolution 93-2006, which approved the Engineer's Report, ordered the formation of the District, and approved the levy and collection of assessments.

PART II – PLANS AND SPECIFICATIONS

DESCRIPTION OF DISTRICT BOUNDARIES

The District consists of three noncontiguous zones: Zone 1, Zone 4, and Zone 5. Reference is made to the boundary maps shown in Part E of the Engineer's Report.

Zone 1

The location of Zone 1 and the "Capital Village" development is generally described as:

- Disk Drive and Data Drive as the northern boundary;
- Six hundred feet south on International Drive as the southern boundary;
- Zinfandel Drive as the westerly boundary; and
- Prospect Drive as the easterly boundary

Zone 4

The location of Zone 4 and the "Sundance" development, which consist of approximately 11.44 gross acres, is generally located in the southwest corner of Douglas Road and Sunrise Boulevard.

Zone 5

The location of Zone 5 and the "Anthology at Anatolia" development is generally described as:

- Douglas Road as the northern boundary
- Herodian Drive as the southern boundary
- The extension of Anatolia Drive as the approximate westerly boundary

The property owners of the proposed Zones 2 and 3 of the District withdrew their properties prior to the formation of the District.

DESCRIPTION OF DISTRICT FACILITIES

The District facilities, which have been constructed within each zone, and those which may be subsequently constructed to be serviced and maintained by the District are generally described below.

Street and Appurtenant Facilities

Improvements include but are not limited to: sidewalks, curb and gutter, curb ramps, pavement, marking and striping, street furniture, traffic signs, hardscape, street monumentation, traffic signals, traffic signal interconnect and appurtenant facilities as required in public rights-of-way and dedicated easements within the boundaries of said District.

Maintenance means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the street improvements or appurtenant facilities including the replacement thereof, together with cleaning, sandblasting, and painting of the improvements to remove or cover graffiti.

Operating and servicing includes the furnishing of electric energy for the operation of traffic signals and controllers, together with the administration of all aspects of the maintenance within the District.

Lighting and Appurtenant Facilities

Improvements include but are not limited to: poles and fixtures, bulbs, conductors, equipment including guys, anchors, posts and pedestals, metering devices, controllers and appurtenant facilities as required to provide lighting in public rights-of-way and dedicated easements within the boundaries of said District.

The public lighting system shall be maintained to provide adequate illumination. Electricity for streetlights shall be furnished and it shall be adequate for the intended purpose. Rates for power shall be those authorized by the California Public Utilities Commission.

Maintenance means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the public lighting improvements or appurtenant facilities including replacement thereof, together with the cleaning, sandblasting, and painting of light poles and other improvements to remove or cover graffiti.

Operating and servicing means the furnishing of electric energy for the public lighting improvements or appurtenant facilities, the operation of controllers and the administration of all aspects of the maintenance and the District.

The plans and specifications for the improvements, showing the general nature, location and the extent of the improvements, are on file in the office of the City Engineer and are by reference herein made a part of this report.

PART III – COST ESTIMATE

The City's budget for the operation, maintenance and servicing of streets and street lighting details the estimated costs for Fiscal Year 2022-23 as available at the time of preparation of this report, and includes reserves, engineering fees, legal fees, printing, mailing, postage, publishing, and all other related costs identified with the district proceedings.

Funds raised by the assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments or maintenance may be deferred to reduce the overall annual cost, which in turn would reduce the assessment, as the City Council deems appropriate annually.

The budget has been developed using the unit costs shown below for Fiscal Year 2022-23. Any balance or deficit remaining on July 1 must be carried over to the next Fiscal Year once the Capital Reserve is fully funded. The budget also includes a Capital Reserve Requirement in order to cover any unexpected expenditures within the district for its facilities and improvements within the normal useful life.

Unit Costs for Maintenance

Street Maintenance	Base Year Unit Costs	Current Year Unit Costs
Streets (Local / Arterial)		
Slurry Seal - per square foot	\$ 0.60	\$ 0.45
Overlay - per square foot	\$ 3.00	\$ 2.25
Alley/Aisle		
Slab Replacement - per square foot	\$ 9.00	\$ 15.00
Other Improvements		
Curb & Gutter Replacement - per linear foot	\$ 10.00	\$ 70.00
Sidewalk Replacement - per square foot	\$ 21.00	\$ 18.00
Annual Traffic Signal Maint - each	\$ 4,500.00	\$ 5,600.00

Unit Costs for Street Lighting

Street Light Maintenance	Base Year Unit Costs	Current Year Unit Costs
Single Fixture Annual Maint - each	\$ 150.00	\$ 75.00
Double Fixture Annual Maint - each	\$ 225.00	\$ 112.50
Single Fixture Capital Replacement - each	\$ 2,500.00	\$ 3,375.00
Double Fixture Capital Replacement - each	\$ 3,000.00	\$ 4,050.00

The following assumptions were used in developing the estimated costs:

The pavement unit cost above also includes the cost of re-marking and re-striping the roadway after pavement maintenance is complete.

Current year unit costs are based on recent bids received. Some of the original unit costs were for new construction only and the current year unit costs reflect the full replacement effort.

ZONE 1 – CAPITAL VILLAGE

Street Maintenance Fiscal Year 2022-23 Estimated Cost

Description	Quantity (SF)*	Maintenance Cost	Capital Cost	Total Amount
Annualized Maintenance and General Benefit Calculation				
<u>Annualized Street Maintenance Costs</u>				
Aisles and Alleys	264,047	\$0	\$101,292	\$101,292

Capital Reserve Requirement		\$11,973
Administration Expenses		1,592
Projected (Surplus) / Deficit July 1		(\$10,537)
Capital Expenditures		-
Interest		(2,904)
Annual Update of Pavement Management System		200
Sub-Total Administrative and Reserve Costs		\$3,228
Total Estimated Street Costs		\$35,092
Actual Assessment		\$35,092
Maximum Allowable Assessment		\$74,831

* Quantities were estimated using the typical street sections and the lengths of the streets for the development as shown on the tentative subdivision map.

Note: Amounts may be off slightly for rounding to whole dollars.

ZONE 5 – ANTHOLOGY AT ANATOLIA

Street Light Maintenance
Fiscal Year 2022-23 Estimated Cost

Description	Quantity	Amount
Annualized Maintenance and General Benefit Calculation		
Annualized Maintenance - Single Fixture Street Lights	16.42	\$1,231
Annualized Capital Replacement - Single Fixture Street Lights (75 Years)	16.42	\$739
City Contribution for General Benefit		(240)
Sub-Total Street Maintenance Costs		\$1,730
Administrative and Capital Expenditures		
Capital Reserve Requirement		\$1,079
Administration Expenses		132
Projected (Surplus) / Deficit July 1		(655)
Interest		(\$241)
Capital Expenditures		-
Sub-Total Administrative and Reserve Costs		\$556
Total Estimated Lighting Costs		\$2,286
Actual Assessment		\$2,286
Maximum Allowable Assessment		\$6,210

Note: Amounts may be off slightly for rounding to whole dollars.

PART IV - METHOD OF APPORTIONMENT

INTRODUCTION

The Benefit Assessment Act of 1982 (hereinafter referred to as the "1982 Act") permits the establishment of assessment districts by cities for the purpose of providing certain public improvements which include the maintenance and operation costs of streets and street lighting services.

"Streets" as defined herein is based on the definitions provided by the Office of the Controller for the State of California in the Guidelines Relating to Gas Tax Expenditures published by the Division of Local Government Fiscal Affairs. The state's gas tax program is administered in city agencies, but audited by the Office of the State Controller. The proceeds of the gas tax are statutorily limited to expenditures for streets and roads. Because the funds are restricted to street and road costs, the State Controller has developed "Street Purpose Definitions and Guidelines" based on the Manual of Uniform Highway Accounting and Financial Management Procedures developed by the American Association of State Highway Officials. "Streets", as it relates to this District, is defined as the operation or maintenance of facilities within the right-of-way used for street or road purposes.

The 1982 Act requires that maintenance assessments be levied according to benefit. Section 54711 provides that the "amount of the assessment imposed on any parcel of property shall be related to the benefit to the parcel which will be derived from the provision of the service". Additionally, Section 54715(c) of the 1982 Act permits the designation of zones of benefit within any individual assessment district "on a parcel, class of improvement to property, or use of property basis, or a combination thereof". Thus, the 1982 Act requires the levy of a true "assessment" rather than a "special tax."

In addition, Proposition 218, which added Article XIID to the California Constitution, requires that a parcel's assessment may not exceed the reasonable cost for the proportional special benefit conferred on that parcel. Article XIID provides that only special benefits are assessable and the City must separate the general benefits from the special benefits. It also requires that publicly owned properties which benefit from the improvements be assessed.

This report establishes the formula to be used to distribute the costs of providing the services described in this report to the benefiting parcels within the City.

BENEFIT ANALYSIS

Proper maintenance and operation of the street improvements and street lights, together with other public improvements, provide special benefit to adjacent properties by providing access, security, safety, and community character and vitality.

A. Street Maintenance

1. **Special Benefit** - The operation, maintenance and servicing of improvements within the street right-of-way along local streets in close proximity to certain lots or parcels provides a special benefit to such lots or parcels by providing: 1) improved ingress and egress from such lots, 2) improved aesthetics, 3) improved local access for emergency vehicles, and 4) improved drainage.
2. **General Benefit** - The City recognizes that a portion of the maintenance, operation and servicing of those Street Improvements that are a part of the City's arterial roadways provide a general benefit to the public at large.

The arterial section of the street is seen as the two center lanes and the median of a 4-lane roadway, the portion used predominantly for through traffic. This amounts to approximately 50% of the right-of-way to be maintained. Therefore, 50% of the street maintenance for arterial roadways is considered to be of general benefit.

3. **Special Benefit Area** - All parcels within the District receive a special benefit from the proposed street maintenance and improvements.

B. Street Lighting

1. **Special Benefit** - The operation, maintenance and servicing of lighting along local streets in close proximity to certain lots or parcels provides a special benefit to such lots or parcels by providing illumination resulting in: 1) improved security of such lots or parcels, 2) improved ingress and egress from such lots or parcels by illuminating access after sunset, and 3) improved nighttime visibility for the local access of emergency vehicles. All parcels within the District receive special benefit from the street maintenance and improvements.
2. **General Benefit** - The City recognizes that a portion of the maintenance, operation and servicing of those Street Lighting Improvements that are a part of the City's arterial lighting improvements provide a general benefit to the public at large, which equates to the higher level of lighting required on arterial roads.

The general benefits associated with arterial lighting are attributable to the higher level of lighting required for an arterial roadway. That higher level of lighting provides a measure of safety for the

additional width of the street. There are also general benefits associated with higher wattage lights at intersections for safety lighting.

The arterial section of the street is seen as the two center lanes and the median of a 4-lane roadway, the portion used predominantly for through traffic. This amounts to approximately 50% of the right-of-way to be lit by the street lighting system. Therefore, 50% of the street lighting maintenance for arterial roadways is considered to be of general benefit.

3. Special Benefit Area

a. Zone 1 – Capital Village

Lighting Area 1 encompasses all parcels in the residential area of the development as well as the commercial property on the south side of International Drive and will be assessed for street lighting maintenance costs associated with the residential area.

Lighting Area 2 encompasses the commercial property on the north side of International Drive and will be assessed for the street lighting maintenance for those streetlights directly adjacent to the property.

b. Zones 4 and 5

There are no special benefit areas designated within Zone 4 and 5.

C. Special Benefit Methodology

To establish the benefit to the individual parcels within the District, a Benefit Unit system is proposed. Each parcel of land is assigned Benefit Units in proportion to the estimated benefit the parcel receives relative to the other parcels within the District from the improvements. Street Benefit Units (SBU) or Light Benefit Units (LBU) are established by considering both a dwelling unit equivalency of a property and the benefits provided, as discussed above.

Basic Formula:

$$(\text{Equivalent Dwelling Units}) \times (\text{SBU or LBU Benefit Factor}) = \text{Benefit Units}$$

In order to allocate benefit fairly between the parcels, an Equivalent Dwelling Unit (EDU) methodology is proposed which equates different types of land uses, thereby allowing a uniform method of assessment.

The number of EDU's to be assigned to each parcel shall be calculated as follows:

The single-family parcel has been selected as the basic unit for calculation of the assessments and is defined as 1.00 Equivalent Dwelling Unit (EDU). Parcels with other land uses receive varying levels of benefit based on parcel usage and size. Equivalency factors have been developed to indicate the amount of benefit received relative to the single-family parcel. All land uses are converted to EDU's in the manner described below.

Benefit Factors are assigned to properties when the special benefit received differs between similar land use types.

1. Zone 1 – Capital Village EDU Methodology

Single Family Residential (SFR) - The high-density SFR (SFR-H) parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). High-density SFR parcels have been chosen as this basic unit and are those parcels zoned as single family residential and are shown on the map on page 29 of this Report. These units parcels are assessed 1.0 EDU.

Medium-density SFR (**SFR-M**) parcels are those parcels zoned as single family residential and are shown on page 29 this Report. The average size of these buildings is 25% larger than the high-density buildings, therefore these medium-density SFR parcels are assessed 1.25 EDU's.

Low-density SFR (**SFR-L**) parcels are those parcels zoned as single family residential and are shown on page 29 of this Report. The average size of these buildings is 40% larger than the high-density buildings, therefore these low-density SFR parcels are assessed 1.40 EDU's.

Commercial (COM) - Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area (2,472 sq ft) within the development, which equates to 17.6 EDUs per acre.

Vacant/Parks (VAC/PARK) - Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value. Additionally, the utilization of vacant property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (2,472 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 4.5 EDU's per acre or any portion thereof.

Exempt (EXE) - Exempt from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also exempted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

2. Zone 1 – Capital Village Benefit Factors

Street Benefit Factor (SBF)

- **Local Streets** - All parcels are considered to have a local street benefit. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor of 1.0.
- **Alleys/Aisles** - All parcels that have access via an alley or aisle receive an additional benefit for the maintenance of these alleys and aisles. The maintenance costs for alleys/aisles make up approximately 25% of the total street maintenance costs within the Street Area. Therefore, parcels in this category will be assigned a benefit factor of 1.345. See the following table for the calculation of this factor.

ZONE 1 - CAPITAL VILLAGE**Street Area - SBF for Alley/Aisle Benefit****(based on original Engineer's Report dated June 19, 2006)**

Alley/Aisle Maintenance Cost	\$53,399		
All Local Street Maintenance	<u>\$323,821</u>		
	\$377,220		
Alley/Aisle EDUs	737.400		
All Local Street EDUs	<u>807.168</u>		
	1544.568		
Alley/Aisle Cost per EDU	\$53,399 / 737.4	=	\$72.42
Local Street Costs to all EDUs	\$323,821 / 1,544.6	=	<u>\$209.65</u>
			\$282.07
Alley/Aisle Cost Factor	\$282.07 / \$209.65	=	1.345
SBF - Alley/Aisle = 1.345			

Street Benefit Assessment Formula:

EDU x SBF = Street Benefit Units (SBU)

Lighting Benefit Factor (LBF)

- **Local Lighting** - A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor of 1.00.
- **Alley/Aisle Lighting** - Parcels that have standard street lighting on alleys or aisles that also have Local Lighting receive an additional benefit for the lighting in these alleys and aisles. The maintenance costs for alley/aisle lighting make up more than 50% of the total lighting costs within Lighting Area 1. (There are no alleys or aisles in Lighting Area 2, therefore those costs are not included in these calculations.) Therefore, parcels in this category will be assigned a benefit factor of 1.587. See the table below for the calculation of this factor.

ZONE 1 - CAPITAL VILLAGE**Lighting Area 1 - LBF for Alley/Aisle Benefit ⁽¹⁾****(based on original Engineer's Report dated June 19, 2006)**

Alley/Aisle Maintenance Cost	\$18,333		
All Other Lights	\$43,235		
	<u>\$61,569</u>		
Alley/Aisle EDUs	733.7		
All other EDUs	281.5		
	<u>1,015.2</u>		
Alley/Aisle Cost per EDU	\$18,333 / 733.65	=	\$24.99
Other Costs to all EDUs	\$43,235 / 1015.16	=	<u>\$42.59</u>
			\$67.58
Alley/Aisle Cost Factor	\$67.58 / \$42.59	=	1.587

$$\text{LBF - Alley/Aisle} = \boxed{1.587}$$

(1) According to page 18 of the original Engineer's Report dated June 19, 2006, there are no alleys or aisles in Lighting Area 2.

Lighting Benefit Assessment Formula:
 $\text{EDU} \times \text{LBF} = \text{Lighting Benefit Units (LBU)}$

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone.

Street Benefit Summary					Light Benefit Summary				
<u>No Alley/Aisle Benefit</u>					<u>No Alley/Aisle Benefit</u>				
Land Use	Parcels	Acres	EDU	SBU	Land Use	Parcels	Acres	EDU	LBU
COM	15	32.078	564.571	564.571	COM	15	32.078	564.571	564.571

Sub-Totals	246	54.514	805.506	805.506	Sub-Totals	249	54.514	809.256	809.256
<u>Alley/Aisle Benefit</u>					<u>Alley/Aisle Benefit</u>				
Land Use	Parcels	Acres	EDU	SBU	Land Use	Parcels	Acres	EDU	LBU
SFR-H	216		216.000	290.520	SFR-H	216		216.000	342.792
SFR-L	151		211.400	284.333	SFR-L	151		211.400	335.522
SFR-M*	248		310.000	416.888	SFR-M*	245		306.250	486.080
Sub-Totals	615		737.400	991.741	Sub-Totals	612		733.650	1,164.394
District Totals	861	54.514	1,542.906	1,797.247	District Totals	861	54.514	1,542.906	1,973.650

* The SFR-M alley/aisle parcel count differs between the street benefit and the lighting benefit. This is due to Lots 508, 509, and 510 receiving the alley/aisle benefit for street maintenance but not the alley/aisle benefit from the lighting maintenance. These lots and their adjacent alleys have no street lighting.

3. Zone 1 – Capital Village Assessment Rate Calculation

The Fiscal Year 2022-23 actual and maximum assessment rates* are calculated as follows:

	2022/23 Estimated Cost	Benefit Units	2022/23 Applied Assessment Rate	2022/23 Maximum Assessment Rate*
Street Assessment:	\$334,852.90 /	1,797.247 SBU =	\$186.31 per SBU	\$342.27
Lighting Area 1 Assessment	\$38,871.14 /	1,444.455 LBU =	\$26.91 per LBU	\$69.50
Lighting Area 2 Assessment	\$3,741.67 /	529.195 LBU =	\$7.07 per LBU	\$21.97

* The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI), as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part V

of this Report for details regarding the increase to the Fiscal Year 2022-23 maximum assessment rates.

The table below provides sample calculations for various types of parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

**Fiscal Year 2022-23 Assessment - Sample Calculations
Zone 1 – Capital Village**

Land Use	Zone Area	Acres	Benefit Factor	EDU	SBU	LBU	Street Asmt	Lighting Asmt	Total Asmt
No Alley/Aisle Benefit									
COM	2	1.5	17.60 /Acre	26.400	26.400	26.400	\$4,918.70	\$186.65	\$5,105.35
SFR-H	1		1.00 /Parcel	1.000	1.000	1.000	\$186.31	\$26.91	\$213.22
SFR-M*	1		1.25 /Parcel	1.250	1.250	1.250	\$232.89	\$33.64	\$266.53
SFR-L	1		1.40 /Parcel	1.400	1.400	1.400	\$260.84	\$37.67	\$298.51
VAC/PARK	1	1.5	4.50 /Acre	6.750	6.750	6.750	\$1,257.62	\$181.64	\$1,439.26
Land Use	Zone Area	Acres	Benefit Factor	EDU	SBU	LBU	Street Asmt	Lighting Asmt	Total Asmt
Alley/Aisle Benefit									
					EDU X 1.345	EDU X 1.587			
SFR-H	1		1.00 /Parcel	1.000	1.345	1.587	\$250.59	\$42.71	\$293.30
SFR-M*	1		1.25 /Parcel	1.250	1.681	1.984	\$313.24	\$53.38	\$366.62
SFR-L	1		1.40 /Parcel	1.400	1.883	2.222	\$350.83	\$59.79	\$410.62

* The SFR-M alley/aisle parcel count differs between the street benefit and the lighting benefit. This is due to Lots 508, 509, and 510 receiving the alley/aisle benefit for street maintenance but not the alley/aisle benefit from the lighting maintenance. These lots and their adjacent alleys have no street lighting.

4. Zone 4 – Sundance EDU Methodology

Single Family Residential (SFR) - The SFR parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). These units parcels are assessed 1.0 EDU.

Commercial (COM) - Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area within the development, which equates to 11.70 EDUs per acre.

Vacant/Parks (VAC/PARK) - Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value. Additionally, the utilization of vacant

property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (3,725 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 2.925 EDU's per acre or any portion thereof.

Exempt (EXE) - Exempt from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also exempted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

5. Zone 4 – Sundance Benefit Factors

Street Benefit Factor (SBF)

- **Local Streets** - All parcels are considered to have a local street benefit. Within the Sundance development area the local streets are private and will be maintained by the owners. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (SBF) of 1.0.

Street Benefit Assessment Formula:

$$\text{EDU} \times \text{SBF} = \text{Street Benefit Units (SBU)}$$

Lighting Benefit Factor (LBF)

- **Local Lighting** - A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (LBF) of 1.00.

Lighting Benefit Assessment Formula:

$$\text{EDU} \times \text{LBF} = \text{Lighting Benefit Units (LBU)}$$

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone for Fiscal Year 2022-23.

Street Benefit Summary				Light Benefit Summary			
Land use	Parcels	EDU	SBU	Land use	Parcels	EDU	LBU
VACANT	1	34.574	34.574	VACANT	1	34.574	34.574
Totals	1	34.574	34.574	Totals	1	34.574	34.574

6. Zone 4 – Sundance Assessment Rate Calculation

The Fiscal Year 2022-23 actual and maximum assessment rates are calculated as follows:

	FY 2022/23 Estimated Cost	Benefit Units		FY 2022/23 Applied Assessment Rate	FY 2022/23 Maximum Assessment Rate ⁽¹⁾⁽²⁾
Street Assessment	\$ 2,838.04 /	34.574 SBU	=	\$ 82.09 per SBU	\$ 82.09
Lighting Assessment	\$ 191.52 /	34.574 LBU	=	\$ 5.54 per LBU	\$ 6.37

- 1) The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI), as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part V of this Report for details regarding the increase to the Fiscal Year 2022-23 maximum assessment rates.
- 2) The terms of a development agreement, dated May 15, 2006, between the City and the Developer limit Zone 4's (Sundance) combined annual assessment rate to \$300 per single family residential parcel or single family residential parcel equivalent, which amount shall be adjusted annually by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI).

The table below provides sample calculations for parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

Fiscal Year 2022-23 Assessment - Sample Calculations Zone 4 - Sundance

Land Use	Acres	Benefit Factor	Benefit Units	Street Asmt	Lighting Asmt	Total Asmt
SFR		1.00 /Parcel	1.000	\$82.09	\$6.37	\$88.46
COM	1.5	11.70 /Acre	17.550	\$1,440.61	\$111.72	\$1,552.33
VAC/PARK	1.5	2.925 /Acre	4.388	\$360.15	\$27.93	\$388.08

7. Zone 5 – Anthology At Anatolia EDU Methodology

Single Family Residential (SFR) - The SFR parcel been selected as the basic unit for calculation of the benefit assessments. This basic unit is set equal to one Equivalent Dwelling Unit (EDU). These units parcels are assessed 1.0 EDU.

Commercial (COM) - Parcels that are designated for non-residential uses, including churches, offices, and industrial uses, are assigned EDUs based on the average single family residential lot area within the development, which equates to 9.0 EDUs per acre.

Vacant/Parks (VAC/PARK) - Parcels that are designated for parks or parcels that are developable but do not have a finalized development map are assessed based upon the acreage of the parcel. These properties receive special benefits based on their land, as this is the basis of their value. Based upon the opinions of professional appraisers, the land value portion of a property typically ranges from 20 to 30 percent of the property's total value. Additionally, the utilization of vacant property is significantly less than improved property and vacant property has a traffic generation rate of 0. In converting vacant properties to EDU's, the factor used is the District's average single family residential lot area (4,835 sq ft) and the number of lots that could be subdivided into an acre of land. All properties that are designated as Vacant or Park are therefore assigned 2.25 EDU's per acre or any portion thereof.

Exempt (EXE) - Exempt from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. Also exempted from assessment would be utility rights-of-way, common areas (such as in condominium complexes), landlocked parcels and small parcels vacated by the City as these parcels have little or no value and therefore do not benefit from the improvements. Also exempt from assessment are public detention/drainage basins, water and sewer pump stations, and electric utility transfer stations.

8. Zone 5 – Anthology At Anatolia EDU Methodology**Street Benefit Factor (SBF)**

- **Local Streets** - All parcels are considered to have a local street benefit. Parcels along arterial roadways are considered to receive local street benefits the same as on local streets, as the costs of the arterial section maintenance have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (SBF) of 1.00.

Street Benefit Assessment Formula:

$$\text{EDU} \times \text{SBF} = \text{Street Benefit Units (SBU)}$$

Lighting Benefit Factor (SBF)

- **Local Lighting** - A parcel is considered to have a local lighting benefit if there is lighting at standard intervals along the street adjacent to it. Parcels along arterial roadways with standard lighting are considered to receive local lighting benefits the same as on local streets, as the costs of the higher wattages of lights have been reduced by the general benefit contribution. All parcels in this category will be assigned a benefit factor (LBF) of 1.00.

Lighting Benefit Assessment Formula:

$$\text{EDU} \times \text{LBF} = \text{Lighting Benefit Units (LBU)}$$

The following table provides a summary of the land uses, EDUs and Benefit Units for the various parcels within the Zone.

Street Benefit Summary			
Landuse	Parcels	EDU	SBU
EXE	3	0	0
SFR	118	118	118
Totals	121	118	118

Light Benefit Summary			
Landuse	Parcels	EDU	LBU
EXE	3	0	0
SFR	118	118	118
Totals	121	118	118

9. Zone 5 – Anthology At Anatolia Assessment Rate Calculation

The Fiscal Year 2022-23 actual and maximum assessment rates* are calculated as follows:

	2022/23 Estimated Cost	Benefit Units	2022/23 Applied Assessment Rate	2022/23 Maximum Assessment Rate*
Street Assessment	\$ 35,092.18 /	118.000 SBU	= \$ 297.39 per SBU	\$634.16
Lighting Assessment	\$ 2,285.65 /	118.000 LBU	= \$ 19.36 per LBU	\$52.62

* The maximum annual maintenance assessment rates will be increased each year by the annual change in the McGraw-Hill Engineering News Record Construction Cost Index, as determined by the City Council. The actual assessments levied in any fiscal year will be as approved by the City Council and may not exceed the maximum assessment rate without receiving property owner approval for the increase. See Part V of this Report for details regarding the increase to the Fiscal Year 2022-23 maximum assessment rates.

The table below provides sample calculations for parcels within the Zone. Each individual parcel's assessment is the sum of the assessments based on the benefits received for street and lighting maintenance.

**Fiscal Year 2022-23 Assessment - Sample Calculations
Zone 5 – Anthology at Anatolia**

Land Use	Acres	Benefit Factor	Benefit Units	Street Asmt	Lighting Asmt	Total Asmt
SFR		1.00 /Parcel	1.000	\$297.39	\$19.36	\$316.75
COM	1.5	9.00 /Acre	13.500	\$4,014.77	\$261.36	\$4,276.13
VAC/PARK	1.5	2.250 /Acre	3.375	\$1,003.69	\$65.34	\$1,069.03

PART V – COST OF LIVING ADJUSTMENTS

The property owner balloting that established the District's maximum assessment rates included an annual inflator formula. The purpose of establishing the inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add additional costs to the District. The law implementing Constitution Article XIID clarifies that an increase in a maximum rate, implemented through a voter-approved inflator formula, is not considered an increase that is subject to additional property owner consideration.

Each year, the District's maximum assessment rates may be increased by the annual percentage change in the McGraw-Hill Engineering News Record Construction Cost Index (ENR CCI) as determined by the City Council. The District's estimated maintenance costs shall also be increased annually by the same percentage increase to the maximum assessment rates.

The annual increase is calculated using the percentage difference in the ENR CCI between December and December of the previous year. The base year maximum rates and estimated costs were set at the formation of the District, these maximum rates and estimated costs shall continue to be adjusted annually. The percentage increase in the ENR CCI from December 2020 to December 2021 was 7.36%.

The ENR CCI factors and percentage increases to the District's maximum assessment rates are shown below.

Fiscal Year	CCI	Increase
2006/07	7647	N/A
2007/08	7888	3.15%
2008/09	8089	2.55%
2009/10	8551	5.71%
2010/11	8641	1.053%
2011/12	8952	3.60%
2012/13	9172	2.46%
2013/14	9412	2.62%
2014/15	9668	2.72%
2015/16	9936	2.77%
2016/17	10135	2.00%
2017/18	10530	3.90%
2018/19	10870	3.23%
2019/20	11186	2.90%
2020/21	11381	1.75%
2021/22	11626	2.15%
2022/23	12482	7.36%

ENR Magazine issued a revision to the December 2015 Cost index (changing from 10135 to 10152). The change was captured in the FY 2017/18.

		FY21-22 Maximum Rate	FY22-23 Maximum Rate	Maximum Rate Variance
<u>Zone 1</u>				
Street Assessment:	per SBU	\$318.80	\$342.27	\$23.47
Lighting Area 1 Assessment	per LBU	\$64.74	\$69.50	\$4.76
Lighting Area 2 Assessment	per LBU	\$20.46	\$21.97	\$1.51
<u>Zone 4</u>				
Street Assessment:	per SBU	\$76.46	\$82.09	\$5.63
Lighting Assessment:	per LBU	\$5.93	\$6.37	\$0.44
<u>Zone 5</u>				
Street Assessment:	per SBU	\$590.68	\$634.16	\$43.48
Lighting Assessment:	per LBU	\$49.02	\$52.62	\$3.60

APPENDIX A – BOUNDARY MAPS

The boundary maps, as shown on the following pages, provide the exterior boundaries of the each Zone within the District, and are incorporated herein by reference.

The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of Sacramento for the fiscal year to which this report applies. The Assessor's maps and records are incorporated by reference herein and made part of this report.

BOUNDARY MAP – ZONE 1 CAPITAL VILLAGE

BOUNDARY MAP – ZONE 4 SUNDANCE

BOUNDARY MAP – ZONE 5 ANTHOLOGY AT ANATOLIA

APPENDIX B – ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District shall be the parcel as shown on the Sacramento County secured property tax roll for the year in which this Report is prepared and reflective of the Assessor's parcel maps.

The total proposed assessment for Fiscal Year 2022-23 and the amount of the total proposed assessment apportioned to each lot or parcel within the District, as shown on the latest assessment roll at the Sacramento County Assessor's Office, are contained in the Assessment Roll on file in the Office of the City Clerk of the City of Rancho Cordova, which is incorporated herein by reference.

At the conclusion of the public hearing for the District and the proposed assessments, approval of the Report (as submitted or as modified) confirms the method of apportionment and the assessments to be levied against each eligible parcel and thereby constitutes the approval levy and collection of assessments for Fiscal Year 2022-23. The listing of parcels and the amount of assessments to be levied shall be submitted to the County Auditor/Controller and included on the Fiscal Year 2022-23 County tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the charge amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

MEMORANDUM

ITEM 10.4.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director

SUBJECT: **RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 1 FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Adopt the Resolution Initiating Proceedings for the Annual Levy and Collection of Charges, Preliminarily Approving the Engineer's Report and Declaring its Intention to Levy the Annual Service Charges for Fiscal Year 2022-2023 for the Rancho Cordova Transit Related Services Benefit District, Zone No. 1; and the Resolution Amending and/or Confirming the Engineer's Report and establishing the Fiscal Year 2022-2023 Service Charge for the Rancho Cordova Transit Related Services Benefit District, Zone No. 1.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 1 to provide for a broad range of transportation services within the District as identified in the engineer's report.

BACKGROUND

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of transportation services intended to benefit property within the District.

In May 2003, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 1 of County Services Area (CSA) No. 10, to collect annual charges for extended transportation-related services within Benefit Zone No. 1 for the Villages of Zinfandel.

Following the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the CSA No. 10 formally detaching the district from the County and transferring service responsibility and funding of the CSA to the City.

The City re-designated the name of County Services Area No. 10 Benefit Zone No. 1 to "Transit Related Services Benefit District, Zone No. 1" (hereafter referred to as the "Transit Benefit Zone

No. 1” or the “District”). Services include transit shuttle services, transportation planning, educational programs at Navigator Elementary School, a Guaranteed Ride Home Program, vanpools, and infrastructure support.

Transit shuttle services commenced on June 15, 2009 with the implementation of a 3-year demonstration route called the “Rancho CordoVan” which was primarily funded through a grant from the federal Congestion Mitigation and Air Quality (“CMAQ”) program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012. The City continued to operate the shuttle serving Zone 1 by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in Stone Creek and Capital Village and in September 2012 was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT’s Gold Line was changed to the Zinfandel Station in the Zinfandel Plaza parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five-minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. The City added a CordoVan vehicle to the service fleet in October 2015. This resulted in the route serving Zone 1 being improved through a concept called “interlining” which takes advantage of switching vehicles among the three. The result added one loop at the end of the morning period and at the end of the evening period. In April 2016, two of the morning routes were adjusted earlier by 25 minutes to better accommodate work arrival times in the business park and the riders heading to Light Rail.

In addition, The City has initiated an effort to augment transit access by partnering with the transportation network company, Lyft. The demonstration project provides a subsidy for rides that are destined to a transit stop in Rancho Cordova. This demonstration project initiated in April of 2019 was funded by the Sacramento Council of Governments, and was extended through December 2021 due to the decrease in ridership during the stay-at-home/remote schedules of potential riders during the COVID-19 Pandemic. Beginning August 29, 2021, the existing CordoVan Route 177 increased service to provide midday service through June 30, 2022. That midday service is anticipated to continue in FY 2022-23.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer’s Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Attachment 3.

Through adoption of the Resolution, Attachment 1, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminarily approves such written report and declares its intention to levy the annual charges for Fiscal Year 2022-2023. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer’s Report prepared by Francisco & Associates includes a description of the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget based on the City cost estimates, a description of the property to be benefited, and the amount of the charge to each individual property. The proposed Fiscal Year 2022-2023 charge for each land use category is shown in Table 1.

Table 1 - Transit Zone No. 1

Land Use Category	Parcels Levied	Residential Units/Acres	Equivalent Dwelling Units	Proposed Rate Per Unit/Acre	Per Unit/Acre	Fiscal Year 2022/2023 Charge*
Low Density Cluster Residential	359	359 units	359.00	\$81.20	per unit	\$29,151
Low Density Residential	1,298	1,298 units	1298.00	\$81.20	per unit	\$105,398
Business Park	4	12.183 acres	268.51	\$1,789.65	per acre	\$21,803
Light Industrial	2	13.53 acres	124.47	\$747.04	per acre	\$10,107
Total	1,663					\$166,459

*Numbers have been rounded for presentation purposes, so totals may not foot due to rounding.

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt the Resolution, Attachment 1, which initiates the proceedings for the District, preliminarily approves the Engineer's Report, and declares its intention to levy and collect service charges for Fiscal Year 2022-2023 and adopt the Resolution, Attachment 2, which amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2022-2023.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund.

ATTACHMENTS

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES, PRELIMINARILY APPROVING THE ENGINEER'S REPORT AND DECLARING ITS INTENTION TO LEVY THE ANNUAL CHARGES FOR FISCAL YEAR 2022-2023 FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 1

WHEREAS, on May 21, 2003, the Board of Supervisors of the County of Sacramento, (the "Board"), pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2003-0549, ordered the formation of Benefit Zone No. 1 of County Service Area No. 10 ("CSA 10 Benefit Zone 1") during concurrent proceedings to form County Service Area No. 10; on July 16, 2003, the Board adopted Resolution No. 2003-0854, approving the Written Report ("the Formation Report"), ordering the collection of annual charges, commencing with Fiscal Year 2003-2004; and, on July 20, 2004, the Board adopted Ordinance No. 1522 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 1; and

WHEREAS, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in all of the territory within CSA 10 Benefit Zone No. 1 to be located within the new City limits; and

WHEREAS, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of a portion of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 1 was transferred to the City; and

WHEREAS, on August 4, 2008, the City redesignated the name of CSA 10 Benefit Zone 1 to the "Transit Related Services Benefit District, Zone No. 1" (hereafter referred to as the "Transit Benefit Zone No. 1" or the "District"); and

WHEREAS, pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a Written Report (hereinafter referred to as the "Engineer's Report" or "Report") containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

WHEREAS, the City Council has retained Francisco & Associates, Inc. as the Engineer of Work, for the purpose of assisting with the annual levy of the District, and to prepare and file the Engineer's Report with the City Clerk; and

WHEREAS, the Engineer of Work has prepared and filed with the City Clerk said Report in connection with the District and the levy of charges for Fiscal Year 2022-2023 for the period July 1, 2022 to June 30, 2023, pursuant to Government Code Section 25210.77a; and

WHEREAS, the Report provides a description of each parcel of real property receiving a service and the amount of the Fiscal Year 2022-2023 charge for each parcel, and the Services provided, pursuant to Government Code section 25210.77a; and

WHEREAS, the City Council has carefully examined and reviewed the Engineer's Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

WHEREAS, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, June 6, 2022. at 5:30 p.m., or as soon thereafter as feasible. In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social distancing recommendations for the containment of COVID-19. A notice of the public hearing was published for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. The above recitals are true and correct.
2. The Report as presented consists of the following:
 - a. A description of the District.
 - b. A description of the District boundaries.
 - c. The Services to be provided by the District.
 - d. The proposed Annual Budget for the fiscal year (Costs and Expenses).
 - e. The Method of Apportionment of the District that details the method of calculating each parcel's annual charge.
 - f. The Formula for Inflating the Annual Maximum Charge of the District parcels.
 - g. A description of each parcel of real property receiving a Service.
 - h. A Preliminary Charge Roll containing the proposed charge for each Assessor Parcel Number within the District for Fiscal Year 2022-2023.
3. The proposed charges as outlined in the Report are in compliance with County Service Area Law and the provisions of California Constitution Article XIID.
4. The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.
5. The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.

6. The City Council hereby declares its intention to seek the annual levy of the District charges pursuant to County Service Area Law, over and including the land within the District boundaries for Fiscal Year 2022-2023.

7. The boundaries of the District are described in the Report and include the parcels within the District as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.

8. The proposed charges for Fiscal Year 2022-2023 do not exceed the maximum charge approved through the property owner protest proceedings upon formation of the District.

9. The City Clerk has given proper notice, pursuant to County Service Area Law and Government Code Section 6066, of the public hearing regarding these matters.

CITY OF RANCHO CORDOVA**RESOLUTION NO. XX-2022****A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AMENDING AND/OR CONFIRMING THE ENGINEER'S REPORT AND ESTABLISHING THE FISCAL YEAR 2022-2023 SERVICE CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 1**

WHEREAS, on May 21, 2003, the Board of Supervisors of the County of Sacramento, (the "Board"), pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2003-0549, ordered the formation of Benefit Zone No. 1 of County Service Area No. 10 ("CSA 10 Benefit Zone 1") during concurrent proceedings to form County Service Area No. 10; on July 16, 2003, the Board adopted Resolution No. 2003-0854 ordering the collection of annual charges, commencing with Fiscal Year 2003-2004; and, on July 20, 2004, the Board adopted Ordinance No. 1522 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 1; and

WHEREAS, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in all of the territory within CSA 10 Benefit Zone No. 1 to be located within the new City limits; and

WHEREAS, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of a portion of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 1 was transferred to the City; and

WHEREAS, on August 4, 2008, the City Council redesignated the name of CSA 10 Benefit Zone 1 as the "Transit Related Services Benefit District, Zone No. 1" (hereafter referred to as the "Transit Benefit Zone No. 1"); and

WHEREAS, pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a written report containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

WHEREAS, Franciso and Associates, Inc., has prepared a written report for Fiscal Year 2022-2023 (the "Engineer's Report" or the "Report"), styled as an engineer's report, in connection with the District's levy of charges for the period July 1, 2022 to June 30, 2023. The Report has been filed with the City Clerk and is attached as Attachment 3; and

WHEREAS, by previous resolution, the Report has been preliminarily approved by the City Council; and

WHEREAS, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein; and

WHEREAS, the public hearing on this matter is set for 5:30 p.m. (or as soon thereafter as the matter may be heard) on Monday, June 6, 2022 at City Hall, 2729 Prospect Park Drive,

ITEM 10.4.

ATTACHMENT 2

Rancho Cordova, California (In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social distancing recommendations for the containment of COVID-19), as the time, date and place for the public hearing on the Engineer's Report and the proposed charges therein; and

WHEREAS, the notice of the time, date and place for the public hearing has been published for two successive weeks in a newspaper of general circulation pursuant to Government Code section 6066; and

WHEREAS, this City and its legal counsel have reviewed Proposition 218 and found that these charges comply with applicable provisions of Article XIID of the California State Constitution; and,

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these charges onto the County roll and tax bills for the City of Rancho Cordova; and

WHEREAS, the City Council has considered the propriety of the Engineer's Report, and has further considered the comments and evidence presented by all interested persons at the public hearing and has determined to act upon the matter.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. Confirming the Engineer's Report

- a. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of the Charges, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
- b. The public hearing was duly convened by the City Council at the time, date and place indicated in the notice and all protests received by the City Clerk were presented to the City Council and City Council heard and considered all objections and protests against the Engineer's Report.
- c. The exterior boundaries of Transit Related Services Benefit District, Zone No. 1 are confirmed as those described in the Engineer's Report.
- d. The submitted Engineer's Report as presented, or amended, is hereby confirmed.

2. Fixing Fiscal Year 2022-2023 Service Charges

- a. Service Charges for the miscellaneous extended transportation-related services shall be apportioned to benefiting parcels only, and in proportion to the benefit received. Parcels defined as exempt in the Ordinance are not included in the calculation or collection of the Service Charges. The revenues obtained from the Service Charges

ITEM 10.4.

ATTACHMENT 2

shall be dedicated to financing the miscellaneous extended transportation-related services for Transit Benefit Zone No. 1.

- b. The City Council finds and determines that the properties to be charged in Transit Benefit Zone No. 1 will be benefited by the services and activities to be funded by the Service Charges levied thereon.
- c. The City Council hereby fixes the Fiscal Year 2022-2023 Service Charges to only parcels of property within Transit Benefit Zone No. 1 as determined by the City Public Works Director or his/her designee (the "Administrator") to be "developed" as defined in the Ordinance, the Service Charges shall be applied at the maximum charge per unit or acre, as applicable, according to Table 2 of the Engineer's Report for each parcel's corresponding land use type.
- d. The Auditor of the County is hereby directed to enter on the Sacramento County Tax Roll opposite each lot or parcel of land, the Service Charge shown in the Engineer's Report subject to minor modifications as approved by the Administrator.

3. Francisco & Associates, Inc. is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Francisco & Associates, Inc. within two weeks of adoption via either e-mail to joef@franciscoandassociates.com or US Mail to: Francisco & Associates, Inc, 231 Market Place, Suite 543, San Ramon, CA 94583 Attn: Joe Francisco.

4. That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final confirmation of the Report as approved or amended.

**ENGINEER'S REPORT
CITY OF RANCHO CORDOVA
TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 1
FISCAL YEAR 2022-23**

The undersigned, acting on behalf of Francisco & Associates respectfully submits the enclosed Engineer's Report pursuant to the provisions of Article XIID, Section 4 of the California Constitution, and provisions of the County Service Area law of California Government Code (§25210 et seq.). The undersigned certifies that he is a Professional Engineer, registered in the State of California.

Dated: April 20, 2022

By: 

Eduardo R. Espinoza, P.E.
R.C.E No. 83709

ITEM 10.4.

SECTION I INTRODUCTION

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the "County"), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as "County Service Area Law"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIID (hereafter referred to as the "Constitution") formed a County Service Area designated as: County Service Area No. 10 (hereafter referred to as "the CSA" or "CSA 10"), to provide miscellaneous extended transportation services for trip reduction in the following areas: *Villages of Zinfandel, Sunridge Specific Plan, and Mather Field*. On May 21, 2003, the County formed a benefit zone within a portion of the CSA to be known as: *Benefit Zone No. 1*, to impose an annual charge, commencing Fiscal Year 2003-04, upon all the parcels of land within the subdivision known as: *The Villages of Zinfandel*.

An Engineer's Report dated February 27, 2003, (hereafter referred to as the "CSA Formation Report") was prepared in connection with the formation proceedings of the CSA and the concurrent proceedings to form and levy annual charges in Benefit Zone No. 1. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 1, including its structure (organization), proposed services, initial rates, escalation formula, and method of apportionment, as well as the projections of development activity and costs associated with the extended services, all of which have been presented in the CSA Formation Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District's Fiscal Year 2008-09 Engineer's Report, which was approved through City Council Resolution 81-2008.)

Upon the Incorporation of the City of Rancho Cordova on July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within Benefit Zone Nos. 1 and 2, were then located within the new City limits. Pursuant to County Service Area Law and after meeting all requirements to detach these portions of the CSA from County control and transfer control to the City of Rancho Cordova (hereafter referred to as the "City"), LAFCO issued a Certificate of Completion to the City for the Detachment from County Service Area No. 10, subject to the conditions within LAFCO Resolution 1342. The detaching territory was comprised of the areas known as Benefit Zone No. 1, Benefit Zone No. 2 and a portion of Mather Field.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of those portions of CSA No. 10 lying within the City limits was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code section 56886(m) and 56886(t).

In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 1, the City approved the District's Fiscal Year 2008-09 Engineer's Report to continue the annual levy of charges previously

ITEM 10.4.

authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 1 as the:

Transit Related Services Benefit District, Zone No. 1

(hereafter referred to as the “Transit Zone No. 1” or the “District”). It is the City’s intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2022-23 in order to provide certain miscellaneous extended transportation services within the District.

Purpose of Transit Zone No. 1

The purpose of Transit Zone No. 1 is to enable the extension of a broad range of miscellaneous transportation services to developing areas within the District boundaries. These extended services are funded by a charge validated pursuant to the California Constitution Article XIID, Section 4. The formation of the former CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development required by the Zinfandel Special Planning Area and related planning documents.

Annual charges through Transit Zone No. 1 for residential and nonresidential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

Adoption Proceedings of CSA No. 10, Benefit Zone No. 1

Pursuant to California Constitution Article XIID, Section 4, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 1. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Zone 1 Formation Report, imposed the maximum allowable charge in Benefit Zone No. 1 for Fiscal Year 2003-04, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 1

According to Government Code section 56886, “Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory.”

ITEM 10.4.

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for detached zones within CSA 10, utilizing the procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this report, any references to County Service Area Law and the City's authorized capacity to apply the same, the term "City" shall be used in the place of "County".

The word "parcel," for the purposes of this report, refers to an individual property assigned its own number by the Sacramento County Assessor's Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this report.

Compliance with Current Legislation

On November 5, 1996, California voters approved Proposition 218. This Constitutional amendment is one of a series of initiatives altering the revenue-raising discretion of California local agencies. The provisions of the Proposition are set forth in the California Constitution Articles XIII C and XIII D.

As relevant to the District, California Constitution Article XIII D, Sections 1 through 5, provide for additional substantive and procedural requirements, as outlined below.

In Proposition 218, "Assessments" are defined as:

"... any levy or charge upon real property by an agency for a special benefit conferred upon the real property. 'Assessment' includes, but is not limited to, 'special assessment,' 'benefit assessment,' 'maintenance assessment' and 'special assessment tax.'" Article XIII D Section 2b.

Although the District's annual service charges are generally collected on the property tax rolls, the District's service charges are not "taxes." Service charges are distinct from the regular one percent (1%) property tax and property tax debt overrides in that the rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 requires that beginning July 1, 1997, all new and existing assessments (with some exceptions) conform to new substantive and procedural requirements. However, certain assessments are exempted from the conformity requirement until they are increased. Generally, these exemptions include:

- Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.
- Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.
- Assessments previously approved by a majority of voters.

ITEM 10.4.

- Assessments approved by the persons owning all the property at the time the assessment was initially imposed.

Transit Zone No. 1 was formed after the passage of Proposition 218. As such, Transit Zone No. 1 was formed in accordance with the substantive and procedural requirements and the property owners were balloted for the annual service charges and this successful balloting included an annual Consumer Price Index inflator.

ITEM 10.4.**SECTION II
CITY OF RANCHO CORDOVA****TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE No. 1
FISCAL YEAR 2022-23
ENGINEER'S REPORT**

Pursuant to the County Service Area Law, I, Eduardo R. Espinoza, the duly appointed Engineer of Work, for the City of Rancho Cordova Transit Related Services Benefit District, Zone No. 1 (the "District") submit the following Report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District includes those lots and parcels of land within the District that are associated and benefit from the transit related services and associated improvements.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's transit related services and associated improvements. The estimate included herein, is also on file at the City of Rancho Cordova.

Part C – TRANSIT ZONE No. 1 BOUNDARIES

This part incorporates a diagram of the District showing the exterior boundaries of the District, and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment used to calculate each property's proportional special benefit and annual charge.

Part E –CHARGE ROLL

This part contains a listing of the proposed levy amount for each parcel within the District. The proposed amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment. The Charge Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

ITEM 10.4.

Part A
PLANS AND SPECIFICATIONS

This part of the report describes the properties included in the boundaries of the District and the proposed extended services to be provided by Transit Zone No. 1 to properties within the boundaries of the District.

Transit Zone No. 1 Boundaries

The boundaries of Transit Zone No. 1 and the former CSA 10 Benefit Zone No. 1 are congruent. Transit Zone No. 1 is an irregular shape that covers the Villages of Zinfandel. The Villages of Zinfandel is generally located:

- ♦ South of International Boulevard;
- ♦ North of Mather Boulevard;
- ♦ East of Femoyer Street; and
- ♦ West of the Folsom South Canal.

Reference is made to the diagram shown in Part C of the report.

General Description of Services

Transit Zone No. 1 provides the funding mechanism (annual charges) for transit shuttles and other supplemental transportation services as described in the CSA Formation Report. Transit Zone No. 1 will provide transportation services to both residential and non-residential development within the Zinfandel Special Planning Area. The formation of CSA 10 Benefit Zone No. 1 fulfilled certain conditions of development included in County Ordinance No SCZ 2000-018 for the Zinfandel Special Planning Area and related planning documents, as well as the related Transportation System Management Plan and AQ-15 Plan, for funding shuttle services and provisions of supplemental transportation services.

The charges for residential and non-residential development will fund these specified transportation services as determined appropriate on an annual basis by the City Council. The City Council, in its sole discretion, may discontinue the portion of the service charge used for shuttle service once the City Council determines that Sacramento Regional Transit has provided appropriate service. Alternately, the City Council may maintain such service charge and increase other supplemental transportation services. Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;

ITEM 10.4.

- ♦ Transit Subsidies – financial assistance to encourage residents and employees to use transit or other alternative transportation measures;
- ♦ Transportation Planning for Employers and/or Resident Groups – plans which guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs;
- ♦ Education Programs – various programs such as education of transit options, home office set up, and alternative commute opportunities;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternatives and ride share informational boards/kiosks, and transit facilities;
- ♦ Transportation Coordinator, Training and Support – instruction in mobility (transportation alternatives) for residential groups and work site coordinators;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for purchasing new bicycles or alternative fuel vehicles.

ITEM 10.4.**Part B
ESTIMATE OF COSTS**

The maximum rate per Equivalent Dwelling Unit (“EDU”) shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within Transit Zone No. 1.

The District maintains two separate reserves, one is utilized for working capital purposes (the “Operating Reserve”) and the other for longer-term projects (the “Capital Outlay/Contingency Reserve”). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof. In addition, Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes, and Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone. The Capital Outlay/Contingency Reserve is used to fund capital outlay and any contingency purposes that may be necessary to properly provide services to properties within District.

The cost estimate for the District prepared by the City for Fiscal Year 2022-23 follows on the next page, along with details about additional funding requirements and a brief description of each line item included in the cost estimate.

ITEM 10.4.

City of Rancho Cordova	
Transit Related Services Benefit District, Zone No. 1	
Fiscal Year 2022-23 Cost Estimate Summary	
	Cost Estimate
DIRECT COSTS	
Shuttle Services Operations & Planning	\$ 125,000
Transportation Planning and Coordination	\$ 6,000
Outreach and Educational Programs	\$ 4,000
Guaranteed Ride Home	\$ 1,000
Infrastructure Support	\$ 8,000
Transit Subsidies, Incentives and Staff Costs	\$ 15,000
Total Direct Costs	\$ 159,000

Beginning Operating Reserve Fund Balance 7-1-2022 (est.)	\$ 364,717
add: Collect from FY 2022-23 Levy	\$ -
less: Use for FY 2022-23 Expenses	\$ (17,541)
Transfer from/(to) Capital Outlay/Contingency Reserve	\$ -
Ending Operating Reserve Fund Balance 6-30-2023 (est.)	\$ 347,176
Capital Outlay/Contingency Reserve Fund Balance	
Beginning Capital Outlay/Contingency Reserve Fund Balance 7-1-2022 (est.)	\$ 142,091
add: Collect from FY 2022-23 Levy	\$ -
less: Use for FY 2022-23 Projects	\$ -
Transfer from/(to) Operating Reserve	\$ -
Ending Capital Outlay/Contingency Reserve Fund Balance 6-30-2023 (est.)	\$ 142,091

(1) The annual levy may differ slightly from the maximum revenue shown due to rounding because of rounding limitations imposed by the County of Sacramento.

ITEM 10.4.**Additional Funding Requirements**

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the “Rancho CordoVan”) on June 15, 2009. A primary benefit of and for the demonstration shuttle service is mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit’s light rail system. The Rancho CordoVan demonstration shuttle was limited to the area between the Cordova Town Center Light Rail station and the businesses and residents just south of Highway 50, along Zinfandel Boulevard.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality (“CMAQ”) program with supplemental funding from Transit Zone 1. The CMAQ funding and demonstration period ended on June 30, 2012.

The City has continued to operate the shuttle serving the District by modifying the previous CordoVan route to focus service to the benefit areas, increase the contribution from the special benefit areas, and expanding service to include Zone 2. The Rancho CordoVan service was rerouted in Stone Creek and Capital Village in September 2012 and was expanded to the Anatolia neighborhood. As part of the service upgrade, the pickup point along RT’s Gold Line was changed to the Zinfandel Station in the Zinfandel parking field. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback, a five-minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. The City added a CordoVan vehicle to the service fleet in October 2015. This resulted in the route serving Zone 1 being improved through a concept called “interlining”, which takes advantage of switching vehicles. The result added one loop at the end of the morning period and at the end of the evening period. In April 2016, two of the morning routes were adjusted earlier by 25 minutes to better accommodate work arrival times in the business park and the riders heading to light rail.

In addition, the City initiated an effort to augment transit access by partnering with the transportation network company, Lyft. The demonstration project provided a subsidy for rides that are destined to transit stops in Rancho Cordova. The demonstration project initiated in April of 2019 was funded by the Sacramento Council of Governments and was extended through December 2021 due to the decrease in ridership during the stay-at-home/remote schedules of potential riders during the COVID-19 Pandemic. Beginning August 29th, 2021, the existing CordoVan Route 177 increased service to provide midday service through June 30th, 2022. That midday service is anticipated to continue in FY 2022-23.

The Fiscal Year 2022-23 cost estimate for Transit Zone No. 1 includes:

- ♦ Shuttle Services Operations & Planning – \$125,000 towards the operations and

ITEM 10.4.

maintenance of the CordoVan shuttle service.

- ♦ Transportation Planning and Coordination – \$6,000 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ridesharing, van pool, and shuttle programs.
- ♦ Outreach and Educational Programs – \$4,000 is allocated to continue safe routes to school education at Navigator Elementary School on alternative mode transportation and encourage students and parents to walk or bicycle to school.
- ♦ Guaranteed Ride Home – \$1,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.
- ♦ Infrastructure Support – transit facilities (bus stop signs, shelters, etc.). An allocation of at least \$8,000 is needed for new infrastructure and on-going maintenance of bus stops, shelters, and signs.
- ♦ Transit Subsidies and Incentives – \$15,000 of financial assistance in the form of subsidies is provided to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

Descriptions of Cost Estimate Items

A description of the terms associated with the services funded through Transit Zone No. 1 in the preceding Cost Estimate table are listed below:

Direct Costs (Services and Operating Costs)

Shuttle Services Operations & Planning - Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options.

Transportation Planning and Coordination - Includes the cost of transportation plans for employers and/or resident groups, which can guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs, as well as instruction in mobility (transportation alternatives) for residential groups and work site coordinators. If zero, this line item may not be shown in the cost estimate.

Outreach and Educational Programs - Includes the cost of various programs, such as education of elementary students at Navigator Elementary School on the alternative modes of transportation available and encourages students and parents to walk or bicycle to school. If zero, this line item may not be shown in the cost estimate.

Guaranteed Ride Home - Includes the cost to provide free taxi rides and rental cars for ride sharers in case of an emergency.

Infrastructure Support - Includes the cost of facilities, such as additional bike racks and lockers, transportation alternatives and ride share informational boards and kiosks, and transit facilities.

ITEM 10.4.

Transit Subsidies, Incentives, and Staff Costs - includes the cost for financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

Administration Costs

District Administration - Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the service charges and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the service charges, preparation of the annual report, and placing the service charges on the property tax bills.

Transit Shuttle Administration - Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service cost estimate and coordination of the annual approval of the charges.

County Collection Fees - Includes the cost that the County charges to place the service charges onto the Sacramento County Secured Tax Roll.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Replenishment/(Use) of Operating Reserve - A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate.

Contribution for/ (Use of) Capital Outlay/Contingency Reserve - A “contribution” increases the levy in order to generate funding for capital outlay contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay / Contingency Reserve. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Capital Outlay / Contingency Reserve is provided under “Reserve Balance Information” below.

Balance to Levy - This is the total amount to be levied and collected through charges for the current fiscal year. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

Zone 1 Statistics and Rates

Parcels to be Levied - The total number of parcels that are expected to be charged for the current fiscal year.

ITEM 10.4.

Developed Equivalent Dwelling Units (EDU's) – The total number of developed EDU's that are expected to be charged for the current fiscal year.

Maximum Rate per EDU – The maximum rate to be charged to each EDU for the current fiscal year.

Estimated Maximum Revenue – The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

Operating Reserve Fund Balance

Beginning Operating Reserve Fund Balance 7-1-2022 (est.) - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2022 to December 31, 2022, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

Collect from FY 2022-23 Levy - This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Use for FY 2022-23 Expenses - The amount of the Operating Reserve to be used to fund Fiscal Year 2022-23 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Capital Outlay/Contingency Reserve - The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs or conditions within the Transit Zone. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2023 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2022. This balance should be sufficiently funded to provide for the first six- months of budgeted expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay / Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

ITEM 10.4.

Capital Outlay/Contingency Reserve Fund Balance

Beginning Capital Outlay / Contingency Reserve Fund Balance 7-1-2022 (est.) - The projected balance of funds in the Capital Outlay/Contingency Reserve as of July 1, 2022. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone.

Collect from FY 2022-23 Levy - This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the cost estimate.

Use for FY 2022-23 Capital Outlay/Contingency Purposes - The amount of Capital Outlay/Contingency Reserve monies expected to be transferred out of the Capital Outlay/Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve - The amount of Capital Outlay/Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay/Contingency Reserve may be needed to respond to changing operational needs or conditions within the Transit Zone. If zero, this line item may not be shown in the cost estimate.

Ending Capital Outlay/Contingency Reserve Fund Balance 6-30-2023 (est.) - The projected balance of funds in the Capital Outlay/Contingency Reserve as of June 30, 2023. These funds shall be used for future year Capital Outlay/Contingency purposes.

ITEM 10.4.**Part C****TRANSIT ZONE No. 1 BOUNDARIES**

The parcels to be charged consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as "Boundary Map of Transit Related Services Benefit District, Zone No. 1." The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this report was prepared and are incorporated herein and made part of this report.

A reduced copy of the boundary map is attached on the following page.

ITEM 10.4.

Transit Related Services Benefit District, Zone No. 1
Assessment District Diagram

ITEM 10.4.

Part D
METHOD OF APPORTIONMENT

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part A. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and annual escalation formula for the charge to be levied in Transit Zone No. 1.

Benefit Analysis

The methodology established through CSA 10 Benefit Zone No. 1 and authorized for Transit Zone No. 1 is summarized below.

The Transit Zone No. 1 charges are levied to fund property-related services. These charges comply with County Service Area Law and Article XIID Section 4 of the California Constitution, as the charges are to fund property-related services.

The initial rates of CSA 10 Benefit Zone No. 1 were based on the estimated costs to fund supplemental transportation services in Fiscal Year 2003-04 for the Villages of Zinfandel Special Planning Area at build out. The costs of the District are apportioned by a formula or method which fairly distributes the net amount to be charged among the parcels in proportion to the special benefits received by each such parcel from the services provided by the District and a parcel's charge may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. Article XIID requires that only special benefits be charged, and that the City shall separate the general benefit from special benefit. A special benefit is a particular and distinct benefit over and above general benefits conferred on the public at large, including real property within the district. The general enhancement of property value does not constitute a special benefit. Each parcel within the District receives special benefits from the services provided due to the distinct nature and proximity of these services.

Specific Benefit

The method of apportionment is based on the premise that each charged parcel receives special benefit from the District services funded by the annual service charges as these

ITEM 10.4.

services are to be provided to individuals using, visiting or occupying the parcels within the District.

The annual service charges outlined in this report are based on the estimated costs to provide necessary services, improvements, operation and administration required to ensure the satisfactory condition of each improvement and quality of the services provided.

The special benefits associated with the District services, include but are not limited to:

- ♦ Transit Shuttle – shuttle for District residents and/or employees of District businesses;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers, in case of an emergency, for those residing and/or employed within the District;
- ♦ Transit Subsidies – financial assistance to encourage residents and employees working within the District to use transit or other alternative transportation measures;
- ♦ Transportation Planning for employers and/or resident groups working or residing within the District;
- ♦ Education Programs – various programs such as education of transit options, home office set up, and alternative commute opportunities for employers and/or resident groups working or residing within the District;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternatives and ride share informational boards/kiosks, and transit facilities within the District;
- ♦ Transportation Coordinator, Training and Support – instruction in mobility (transportation alternatives) for residential groups and employers located in the District;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for District residents and/or employees of businesses within the District to purchase new bicycles or alternative fuel vehicles;
- ♦ A reduction of close-proximity car and diesel truck emissions, at ground level, onto District properties.

The preceding special benefits contribute to a special enhancement and desirability of each of the charged parcels within the District.

General Benefit

In addition to the special benefits received by the parcels within the District, there are incidental general benefits conferred by the District services and improvements. These incidental general benefits conferred by the District improvements include:

- ♦ A general reduction in vehicle traffic in portions of the City.
- ♦ A possible general reduction in the traffic accidents in portions of the City.

ITEM 10.4.**Apportionment Methodology**

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the service related costs, it is necessary to consider not only the services to be provided, but the relationship each parcel has to those services as compared to other parcels in the District. The benefit formula used to determine the obligation is therefore based upon both the services that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific services.

Equivalent Dwelling Unit Factors

The unit of demand used for the charge is an equivalent dwelling unit (“EDU”). One EDU is the amount of demand for services associated with one (1) low-density residential unit in a single year. The demand for all other land use types reflects a comparison of the demand for service relative to one EDU for a low-density residential unit.

Demand is assumed to be generated by developed residential and non-residential land uses. No demand is associated with undeveloped land and no charge is levied on this land use. Table 1 provides the number of EDUs assigned to each land use type for calculating the maximum charge.

Table 1: Transit Zone No. 1 - EDU's by Land Use	
Land Use	EDU Factor¹
Developed Acreage	
Residential (per dwelling unit)	
Low Density	1
Medium Density	0.8
High Density	0.6
Nonresidential (per acre)	
Low Density	25.64
Medium Density	22.04
High Density	9.2
Undeveloped Acreage	
All Land Uses	-

¹EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 1, in FY 2003-04.

These EDU Factors were determined based upon average daily vehicle trips (“ADT”) per land use type. ADT was used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge. Demand for services was measured by using average vehicle trip generation rates that vary by type of land use.

Each parcel's charge was calculated by multiplying the cost per EDU by the amount of EDU's assigned to each property according their land use type. This methodology fairly

ITEM 10.4.

distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. In this manner, each parcel's charge does not exceed the reasonable cost of services to that parcel.

Land Use Definitions

Definition of the land use definitions are as follows:

- Developed Parcels -** All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or prior to June 30 of the fiscal year preceding the year in which the charge is levied.
- Undeveloped Parcels -** All parcels that are not Developed Parcels or Exempt Parcels.
- Low Density -** This category includes densities of up to five (5.0) dwelling units per residential acre. Permitted uses in the LD Area as shown in Section 512-215 of the Zoning Code include those uses allowed in the RD-5, RD-4, and RD-3 Land Use Zones.
- Low Density Cluster -** This category includes densities of more than five (5.1 and greater) dwelling units per acre and up to 15.0 units per acre. Permitted uses in the Low-Density Cluster area are as shown in Section 512-215, which includes those uses allowed in the RD-7, RD-10, and RD-15 Land Use Zones.
- Medium Density -** This category includes densities of more than 15.0 (15.1 and greater) and no more than 20.0 dwelling units per acre. Permitted uses in the Medium Density area are as shown in Section 512-215 of the Zoning Code and include those uses allowed in the RD-15 and RD-20 Land Use Zones.
- High Density -** The category includes densities of more than 20.0 (20.1 and greater) units per net residential acre. The uses permitted in a high-density area are as shown and include those uses allowed in the RD-25, RD-30, and RD-40 Land Use Zones.
- Retail Commercial -** Permitted uses within the retail commercial areas are as shown in Section 512-215 of the Zoning Code, and are those uses permitted in the Shopping Center, Business and Professional Office Zone, and Residential (RD-10, RD-15, and RD-20) or any other retail category.

ITEM 10.4.

This land use designation further includes all other uses that would generate a high number of average daily trips.

Business Park -

Permitted uses within the Business Park areas as shown in Section 512-215 of the Zoning Code and are those permitted in Business and Professional Office (BP), as listed in Zoning Code Section 225, and Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other business park-related land use category.

This land use designation further includes all other uses that would generate a medium number of average daily trips.

Light Industrial -

Permitted uses within the Light Industrial areas as shown in Section 512-215 of the Zoning Code and are those uses permitted in the Light Industrial (M-1) Land Use Zone and the Industrial – Office Park (MP) Zone, as listed in Zoning Code Section 230 or any other industrial-related land use category.

This land use designation further includes all other uses that would generate a low number of average daily trips.

Exempt -

Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 1 are provided to these parcels.

Formula for Inflating the Annual Maximum Charge

The formula for inflating the annual maximum charge established through CSA 10 Benefit Zone No. 1, and to be used for Transit Zone No. 1, is summarized as follows.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 1 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Transit Zone No. 1. The law implementing Article XIIID (Senate Bill 919) of the Constitution, clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index (All Urban Consumers) published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before the adjustment of the charge to the January in the year preceding

ITEM 10.4.

adjustment of the charge; beginning in the second fiscal year (Fiscal Year 2004-05), and each fiscal year thereafter, the maximum allowable charge will be recalculated, and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, has imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way, the maximum allowable charge is adjusted annually and is calculated independent of the Transit Zone's annual cost estimate.

The U.S. Department of Labor's Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area. The CPI factors are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 1 shall now use the CPI data for the month of February.

The percentage increase from the February 2021 CPI to the February 2022 CPI was 5.19339%.

Table 2 provides the Fiscal Year 2022-23 maximum charge per EDU together with the maximum charge by land use.

Table 2: Transit Zone No. 1 - Maximum Charge by Land Use			
Land Use	EDU Factor¹	Charge Per EDU²	Maximum Annual Charge Per Unit/Acre
Developed Acreage			
Residential (per dwelling unit)			
Low Density	1	\$81.20	\$81.20
Medium Density	0.8	\$81.20	\$64.96
High Density	0.6	\$81.20	\$48.72
Nonresidential (per acre)			
Retail Commercial	25.64	\$81.20	\$2,081.97
Business Park	22.04	\$81.20	\$1,789.65
Light Industrial	9.2	\$81.20	\$747.04
Undeveloped Acreage			
All Land Uses	0	\$81.20	\$0.00

¹EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 1, in FY 2003-04

²The FY 2022-23 maximum charge per EDU is calculated by increasing the FY 2021-22 maximum charge per EDU of \$77.19 by 5.19339%, the percentage increase in the CPI from February 2021 to February 2022. Rates and percentages in the Report have been rounded for presentation purposes.

ITEM 10.4.**Part E
CHARGE ROLL**

Parcel identification for each lot or parcel within the District is based on the diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be charged within this District along with the amounts is provided herein.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and rate described in this report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and rate rather than a proportionate share of the original amount.

The following is a list of the parcels and proposed amounts for each of the parcels within the District as determined by the rates and method of apportionment described herein:

MEMORANDUM

ITEM 10.5.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: Elizabeth Sparkman, Community Development Director

SUBJECT: **RESOLUTIONS APPROVING PROCEEDINGS FOR THE ANNUAL LEVY AND COLLECTION OF CHARGES FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE NO. 2 FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

The Resolution Initiating Proceedings for the Annual Levy and Collection of Charges, Preliminarily Approving the Engineer's Report, and Declaring its Intention to Levy the Annual Charges for Fiscal Year 2022-2023 for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2; and the Resolution Amending and/or Confirming the Engineer's Report and establishing the Fiscal Year 2022-2023 Service Charges for the Rancho Cordova Transit Related Services Benefit District, Zone No. 2.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolutions will authorize the continuance of the annual levy and collection of service charges in the Transit Related Services Benefit District, Zone No. 2 to provide for a broad range of transportation services within the District as identified in the engineer's report.

BACKGROUND

The purpose of the District is to provide an ongoing financial mechanism to fund a broad range of transportation services intended to benefit the property within the District.

In January 2004, the Board of Supervisors of the County of Sacramento formed Benefit Zone No. 2 of County Services Area (CSA) No. 10, to collect annual charges for extended transportation-related services within Benefit Zone No. 2 for the Sunridge Specific Plan Area.

Following the City's incorporation, procedures to detach the district from the County were initiated. On February 15, 2008, LAFCO issued a Certificate of Completion to the City for the detachment from the County Service Area No. 10 formally detaching the district from the County and transferring service responsibility and funding of the CSA to the City.

The City re-designated the name of County Services Area No. 10 Benefit Zone No. 2 to "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2" or the "District"). Services include transit shuttle services, transportation planning,

educational programs at Sunrise and Robert J. McGarvey Elementary schools, a guaranteed ride home program, vanpools, and infrastructure support.

The construction of the International Drive extension to Sunrise Boulevard and the completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively service the area with shuttle service. The CordoVan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five-minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. The City added a CordoVan vehicle to the service fleet in October of 2015. The new vehicle connects to the Anatolia Clubhouse and proceeds on to Sunridge Park. The CordoVan that is serving the Anatolia Clubhouse was extended to serve Kavala Ranch. The resulting service to the Anatolia Clubhouse has improved services by reducing headways (intervals between busses) from 45 to 30 minutes. In April 2016, the morning routes were adjusted earlier by 25 minutes to better accommodate work times in the business park and the riders heading to Light Rail. In 2018, the Sunridge CordoVan was adjusted to avoid small local residential streets. With the extension of Chrysanthy Boulevard and Rancho Cordova Parkway, the CordoVan Route 176 was extended to provide service to the Sunridge Park, North Douglas, and Douglas 98 subdivision areas with 3 new stops added. The new service began in August 2021. Unused funds from the FY 2022-2023 levy will be retained in reserves for future additional service to the area. In addition, the City initiated an effort to augment transit access by partnering with the transportation network company, Lyft. The demonstration project provides a subsidy for rides that are destined to transit stop in Rancho Cordova. The demonstration project initiated in April of 2019 is funded by the Sacramento Council of Governments, and was extended through December 2021 due to the decrease in ridership during the stay-at-home/remote schedules of potential riders during the COVID-19 Pandemic.

State law requires that the City Council hold a public hearing prior to approval and levy of the proposed charges. An Engineer's Report showing the proposed rates has been prepared, placed on file with the City Clerk, a copy of which is attached as Attachment 3.

Through adoption of the Resolution, Attachment 1, the City is initiating proceedings for the annual levy and collection of charges for certain miscellaneous extended services and preliminarily approves such written report, and declares its intention to levy the annual charges for Fiscal Year 2022-2023. The City Clerk has given notice and set today as the time and place to conduct a public hearing on the matter.

The Engineer's Report prepared by Francisco & Associates includes a description of the District boundaries, a description and cost estimates of the services to be provided, the method and apportionment of charges, a District budget based on the City's cost estimates, a description of the property to be benefited, and the amount of the charge to each individual property. The proposed Fiscal Year 2022-2023 charges for each land use category are shown in Table 1.

Table 1 - Transit Zone No. 2

Land Use Category	Parcels Levied	Residential Units / Acres	Equivalent Dwelling Units	Proposed Rate Per Unit/Acre	Per Unit / Acre	Fiscal Year 2022/2023 Charges*
Low Density Residential	3,764	3,764 units	3,764	\$112.26	per unit	\$422,547
Medium Density Residential	2,367	2,367 units	1,893.60	\$89.81	per unit	\$212,557
Mixed Commercial	1	4.34 acres	95.65	\$2,474.21	per acre	\$10,738
Retail	9	14.81 acres	379.65	\$2,878.35	per acre	\$42,620
Total	6,141					\$688,462

*Numbers have been rounded for presentation purposes, so totals may not foot due to rounding.

In order to proceed with the levy of charges, it is appropriate for the Council to conduct the public hearing and adopt the Resolution, Attachment 1, which initiates the proceedings for the District, preliminary approves the Engineer's Report, and declares its intention to levy and collect service charges for Fiscal Year 2022-2023. The Resolution, Attachment 2, amends and/or confirms the Engineer's Report and authorizes the levy and collection of service charges for Fiscal Year 2022-2023.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, INITIATING PROCEEDINGS FOR THE ANNUAL LEVY AND
COLLECTION OF CHARGES, PRELIMINARILY APPROVING THE ENGINEER'S REPORT,
AND DECLARING ITS INTENTION TO LEVY THE ANNUAL CHARGES FOR FISCAL YEAR
2022-2023 FOR THE RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT
DISTRICT, ZONE NO. 2**

WHEREAS, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in the area known as the Sunridge Specific Plan to be located within the City boundaries; and

WHEREAS, on January 11, 2005, the Board of Supervisors of the County of Sacramento (the "Board"), in coordination with the City, pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2005-0061, ordered the formation of Benefit Zone No. 2 of County Service Area No. 10 ("CSA 10 Benefit Zone 2"); on March 15, 2005, the Board adopted Resolution No. 2005-0298, approving the Written Report (the "Formation Report"), ordering the collection of annual charges, commencing with Fiscal Year 2005-2006; and, on June 20, 2006, the Board adopted Ordinance No. 1539 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 2; and

WHEREAS, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of portions of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 2 was transferred to the City; and

WHEREAS, on August 4, 2008, the City redesignated the name of CSA 10 Benefit Zone 2 to the "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2" or the "District"); and

WHEREAS, Government Code section 25210.77a and the Ordinance require that the governing jurisdiction cause to be prepared annually, a Written Report (hereinafter referred to as the "Engineer's Report" or "Report") containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

WHEREAS, the City Council has retained Francisco and Associates, Inc., as the Engineer of Work, for the purpose of assisting with the annual levy of the District, and to prepare and file the Engineer's Report with the City Clerk; and

WHEREAS, the Engineer of Work has prepared and filed with the City Clerk said Report in connection with the District and the levy of Charges for Fiscal Year 2022-2023 for the period July 1, 2022 to June 30, 2023, pursuant to Government Code Section 25210.77a; and

WHEREAS, the Report provides a description of each parcel of real property receiving a service and the amount of the Fiscal Year 2022-2023 charge for each parcel, and the Services provided, pursuant to Government Code section 25210.77a; and

WHEREAS, the City Council has carefully examined and reviewed the Engineer's Report as presented and, the City Council may approve the Report, as filed, or it may modify the Report and approve it as modified; and

WHEREAS, the City Clerk has given proper notice that a public hearing on these matters is to be held by the City Council on Monday, June 6, 2022 at 5:30 pm, or as soon thereafter as feasible. In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social distancing recommendations for the containment of COVID-19. A notice of the public hearing was published for two successive weeks, in a newspaper of general circulation, before the date of the hearing, and by posting such notice on the official bulletin board customarily used by the City Clerk for the posting of notices.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. The above recitals are true and correct.
2. The Report as presented consists of the following:
 - a. A description of the District.
 - b. A description of the District boundaries.
 - c. The Services to be provided by the District.
 - d. The proposed Annual Budget for the fiscal year (Costs and Expenses).
 - e. The Method of Apportionment of the District that details the method of calculating each parcel's annual charge.
 - f. The Formula for Inflating the Annual Maximum Charge of the District parcels.
 - g. A description of each parcel of real property receiving a Service.
 - h. A Preliminary Charge Roll containing the proposed charge for each Assessor Parcel Number within the District for Fiscal Year 2022-2023.
3. The proposed charges as outlined in the Report are in compliance with County Service Area Law and the provisions of California Constitution Article XIID.
4. The Report is hereby approved on a preliminary basis, as presented or modified, and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.
5. The City Clerk is hereby directed to enter on the minutes of the City Council any and all modifications to the Report determined and approved by the City Council, and all such changes and/or modifications by reference are incorporated into the Report.

ITEM 10.5.

ATTACHMENT 1

6. The City Council hereby declares its intention to seek the annual levy of the District charges pursuant to County Service Area Law, over and including the land within the District boundaries for Fiscal Year 2022-2023.

7. The boundaries of the District are described in the Report and include the parcels within the District as identified on the Sacramento County Assessor's Secured Roll and the Assessor's Parcel Maps.

8. The proposed charges for Fiscal Year 2022-2023 do not exceed the maximum charge approved through the property owner protest proceedings upon formation of the District.

9. The City Clerk has given proper notice, pursuant to County Service Area Law and Government Code Section 6066, of the public hearing regarding these matters.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA,
STATE OF CALIFORNIA, AMENDING AND/OR CONFIRMING THE ENGINEER'S REPORT
AND ESTABLISHING THE FISCAL YEAR 2022-2023 SERVICE CHARGES FOR THE
RANCHO CORDOVA TRANSIT RELATED SERVICES BENEFIT DISTRICT,
ZONE NO. 2**

WHEREAS, on July 1, 2003, the City of Rancho Cordova (the "City") was incorporated, resulting in the area known as the Sunridge Specific Plan to be located within the City boundaries; and

WHEREAS, on January 11, 2005, the Board of Supervisors of the County of Sacramento (the "Board"), in coordination with the City, pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the Government Code ("County Service Area Law"), through Resolution No. 2005-0061, ordered the formation of Benefit Zone No. 2 of County Service Area No. 10 ("CSA 10 Benefit Zone 2"); on March 15, 2005, the Board adopted Resolution No. 2005-0298 ordering the collection of annual charges, commencing with Fiscal Year 2005-2006; and, on June 20, 2006, the Board adopted Ordinance No. 1539 (the "Ordinance") providing a procedure for collection of service charges for extended transportation-related services (the "Services") within CSA 10 Benefit Zone 2; and

WHEREAS, on February 15, 2008, pursuant to Government Code Sections 56886(m) and 56886(t), upon the recordation of the Certificate of Completion issued by the Sacramento Local Agency Formation Commission ("LAFCO") for the detachment of portions of CSA 10 to the City, subject to the conditions within LAFCO Resolution 1342, the County's authority to continue the annual charges of CSA 10 Benefit Zone 2 was transferred to the City; and

WHEREAS, on August 4, 2008, the City Council redesignated the name of CSA 10 Benefit Zone 2 as the "Transit Related Services Benefit District, Zone No. 2" (hereafter referred to as the "Transit Benefit Zone No. 2"); and

WHEREAS, Pursuant to Government Code Section 25210.77a and the Ordinance, the governing jurisdiction shall cause to be prepared annually, a written report containing a description of each parcel of real property receiving a service and the amount of the charge for each parcel, and the Services provided; and

WHEREAS, Franciso and Associates, Inc., has prepared a written report for Fiscal Year 2022-2023 (the "Engineer's Report" or the "Report"), styled as an engineer's report, in connection with the District's levy of charges for the period July 1, 2022 to June 30, 2023. The Report has been filed with the City Clerk and is attached as Attachment 3; and

WHEREAS, by previous resolution, the Report has been preliminarily approved by the City Council; and

WHEREAS, the City Council has carefully examined and reviewed the Engineer's Report as presented (or amended), and is satisfied with the items and documents as set forth therein; and

WHEREAS, the public hearing on this matter is set for 5:30 p.m. (or as soon thereafter as the matter may be heard) on Monday, June 6, 2022 at City Hall, 2729 Prospect Park Drive, Rancho Cordova, California (In response to Governor's Executive Order N-29-20 and the Resolution Declaring the Existence of a Local Emergency Relating to the COVID-19 Pandemic adopted by the City of Rancho Cordova, the City Council meetings are currently Teleconference Meetings to align with local and federal guidelines and social distancing recommendations for the containment of COVID-19), as the time, date and place for the public hearing on the Engineer's Report and the proposed charges therein; and

WHEREAS, the notice of the time, date and place for the public hearing has been published for two successive weeks in a newspaper of general circulation pursuant to Government Code Section 6066; and

WHEREAS, the City and its legal counsel have reviewed Proposition 218 and found that these charges comply with applicable provisions of Article XIID of the California State Constitution; and

WHEREAS, upon reasonable written notice by Sacramento County of any claim or challenge, the City of Rancho Cordova agrees to defend with counsel of its choice, indemnify and hold harmless Sacramento County, its Board of Supervisors, officers, officials, agents and employees (collectively "the County"), against the payment of any liabilities, losses, costs and expenses, including attorney fees and court costs, not due to the County's own active negligence or willful misconduct, which the County may incur in the exercise and performance of its powers and duties in placing these charges onto the County roll and tax bills for the City of Rancho Cordova; and

WHEREAS, the City Council has considered the propriety of the Engineer's Report, and has further considered the comments and evidence presented by all interested persons at the public hearing and has determined to act upon the matter.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA AS FOLLOWS:

1. Confirming the Engineer's Report

- a. Following notice duly given, the City Council has held a full and fair public hearing regarding the District, the levy and collection of the charges, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.
- b. The public hearing was duly convened by the City Council at the time, date and place indicated in the notice and all protests received by the City Clerk were presented to the City Council and City Council heard and considered all objections and protests against the Written Report.
- c. The exterior boundaries of Transit Related Services Benefit District, Zone No. 2 are confirmed as those described in the Engineer's Report.
- d. The submitted Engineer's Report as presented, or amended, is hereby confirmed.

2. Fixing Fiscal Year 2022-2023 Service Charges

- a. Service Charges for the miscellaneous extended transportation-related services shall be apportioned to benefiting parcels only, and in proportion to the benefit received.

ITEM 10.5.

ATTACHMENT 2

Parcels defined as exempt in the Ordinance are not included in the calculation or collection of the Service Charges. The revenues obtained from the Service Charges shall be dedicated to financing the miscellaneous extended transportation-related services for Transit Benefit Zone No. 2.

- b. The City Council finds and determines that the properties to be charged in Transit Benefit Zone No. 2 will be benefited by the services and activities to be funded by the Service Charges levied thereon.
- c. The City Council hereby fixes the fiscal year 2022-2023 Service Charges to only parcels of property within Transit Benefit Zone No. 2 as determined by the City Public Works Director or his/her designee (the "Administrator") to be "developed" as defined in the Ordinance, the Service Charges shall be applied at the charge per unit or acre, as applicable, according to Table 2 of the Engineer's Report for each parcel's corresponding land use type.
- d. The Auditor of the County is hereby directed to enter on the Sacramento County Tax Roll opposite each lot or parcel of land, the Service Charge shown in the Engineer's Report subject to minor modifications as approved by the Administrator.

3. Francisco & Associates, Inc., is hereby designated to file the levy with the County Auditor/Controller on behalf of the City. The City Clerk is directed to deliver a certified copy of this adopted Resolution to Francisco & Associates, Inc. within two weeks of adoption via either e-mail to joef@franciscoandassociates.com or US Mail to: Francisco & Associates, Inc., 231 Market Place, Suite 543, San Ramon, CA 94583 Attn: Joe Francisco

4. That the above recitals are all true and correct. The City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final confirmation of the Report as approved or amended.

SECTION I

INTRODUCTION

In May of 2003, the Board of Supervisors of the County of Sacramento, State of California (hereafter referred to as the "County"), pursuant to the provisions of the County Service Area law of California Government Code (§25210 et seq.) (hereafter referred to as "County Service Area Law"), and in compliance with the substantive and procedural requirements of the California State Constitution Article XIII D (hereafter referred to as the "Constitution") formed a County Service Area designated as: County Service Area No. 10 (hereafter referred to as "the CSA" or "CSA 10") to provide miscellaneous extended transportation services for trip reduction in the following areas: *Villages of Zinfandel*, *Sunridge Specific Plan*, and *Mather Field*. On January 11, 2005, the County, in coordination with the City of Rancho Cordova (hereafter referred to as the "City"), formed a benefit zone within a portion of the CSA to be known as: *Benefit Zone No. 2*, to impose an annual charge, commencing Fiscal Year 2005-06, upon all the parcels of land within the subdivision known as the: *Sunridge Specific Plan*.

An Engineer's Report dated November 18, 2004 and noted as "Final (Revised)", together with the one-page memorandum, dated January 10, 2005, regarding an amendment thereto (hereafter referred to as the "CSA Zone 2 Formation Report") was prepared in connection with the proceedings to form and levy annual charges in Benefit Zone No. 2. Reference is hereby made to the CSA Formation Report concerning the formation of CSA 10 Benefit Zone No. 2, including its structure (organization), proposed services, initial rates, inflator formula, and method of apportionment and charges, as well as the projections of development activity and cost associated with the extended services, all of which have been presented in the CSA Formation Report, and approved by the County of Sacramento. (For reference purposes, the CSA Formation Report was incorporated into the District's Fiscal Year 2008-09 Engineer's Report, which was approved through City Council Resolution 82-2008.)

Upon the Incorporation of the City of Rancho Cordova on July 1, 2003, a portion of the territory within CSA No. 10, including all parcels within the Sunridge Specific Plan, was then located within the new City limits. Pursuant to County Service Area Law and after all requirements to detach the portion of CSA 10 from County control and transfer to the City, LAFCO issued a Certificate of Completion to the City for the Detachment from County Service Area No. 10, subject to the conditions within LAFCO Resolution 1342. The detaching territory was comprised of the areas known as Benefit Zone No. 1, Benefit Zone No. 2, and a portion of Mather Field.

Upon the recordation of the Certificate of Completion on February 15, 2008, the detachment of these portions of CSA No. 10 within the City's boundary was approved, resulting in the transfer of service responsibility and funding of the CSA to the City, pursuant to Government Code Sections 56886(m) and 56886(t).

In connection with the above-described detachment proceedings and the resulting transfer and reorganization of CSA 10 Benefit Zone No. 2, the City approved the District's Fiscal Year 2008-09 Engineer's Report to continue the annual levy of charges previously authorized for CSA No. 10 and to re-designate the name of CSA 10 Benefit Zone No. 2 as the:

Transit Related Services Benefit District, Zone No. 2

(hereafter referred to as the "Transit Zone No. 2" or the "District"). It is the City's intention to hold a public hearing and consider an annual resolution to levy annual charges for Fiscal Year 2022-23 in order to provide certain miscellaneous extended transportation services within the District.

Purpose of Transit Zone No. 2

The purpose of Benefit Zone No. 2 is to extend certain transportation-related services to developing areas, as described below. These extended services are funded by a charge validated pursuant to the Constitution Article XIID, Section 4. The formation of Benefit Zone No. 2 fulfills certain conditions of development for the Sunridge Specific Plan and related planning documents.

Annual charges through Transit Zone No. 2 for residential and non-residential development will fund transit shuttle services and/or other supplemental transportation services as determined appropriate by the City Council.

Adoption Proceedings of CSA No. 10, Benefit Zone No. 2

Pursuant to California Constitution Article XIID, Section 4, the County conducted a mailed ballot election for the territory known as CSA 10 Benefit Zone No. 2. Each ballot, which was weighted by the amount of the charge for each parcel, was mailed to each owner of record.

The results of the returned ballots determined that a majority protest of the charge and inflator formula did not exist. The County then approved the CSA Zone 2 Formation Report, imposed the maximum allowable charge in Benefit Zone No. 2 for Fiscal Year 2005-06, authorized annual increases in the charge for all subsequent fiscal years up to the amount allowed by the inflator formula and ordered the charge to be placed onto the property tax roll.

Authority for the City to Continue the Charges of CSA 10 Benefit Zone No. 2

According to Government Code section 56886, "Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions: (m) the designation of a city, county, or district, as the successor to any local agency that is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance or other contracts and obligations of the extinguished local agency; and (t) the extension or continuation of any previously authorized charge, fee, assessment, or tax by the local

agency or a successor local agency in the affected territory.”

Pursuant to the foregoing, the City is duly authorized to continue to levy the charges previously authorized for the detached zones within CSA 10, utilizing the procedures prescribed for Counties under County Service Area Law to fix and collect charges for particular extended services. For the remainder of this report, any references to County Service Area Law and the City’s authorized capacity to apply the same, the term “City” shall be used in the place of “County”.

The word “parcel,” for the purposes of this report, refers to an individual property assigned its own number by the Sacramento County Assessor’s Office. The Sacramento County Auditor/Controller uses these numbers to identify properties to be charged on the tax roll for district charges, including the charges described in this report.

Compliance with Current Legislation

On November 5, 1996, California voters approved Proposition 218. This Constitutional amendment was the latest in a series of initiatives altering the revenue-raising discretion of California local agencies. The provisions of the Proposition are set forth in the California Constitution Articles XIIC and XIID.

As relevant to the District, California Constitution Article XIII D, Sections 1 through 5, provide for additional substantive and procedural requirements, as outlined below.

In Proposition 218, “Assessments” are defined as:

“... any levy or charge upon real property by an agency for a special benefit conferred upon the real property. ‘Assessment’ includes, but is not limited to, ‘special assessment,’ ‘benefit assessment,’ ‘maintenance assessment’ and ‘special assessment tax.’” Article XIII D Section 2b.

Although the District’s annual service charges are generally collected on the property tax rolls, the District’s service charges are not “taxes.” Service charges are distinct from the regular one percent (1%) property tax and property tax debt overrides in that the rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 requires that beginning July 1, 1997, all new and existing assessments (with some exceptions) conform to new substantive and procedural requirements. However, certain assessments are exempted from the conformity requirement until they are increased. Generally, these exemptions include:

- Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.
- Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.
- Assessments previously approved by a majority of voters.

- Assessments approved by the persons owning all the property at the time the assessment was initially imposed.

Transit Zone No. 2 was formed after the passage of Proposition 218. As such, Transit Zone No. 2 was formed in accordance with the substantive and procedural requirements and the property owners were balloted for the annual service charges and this successful balloting included an annual Consumer Price Index inflator.

SECTION II
CITY OF RANCHO CORDOVA

TRANSIT RELATED SERVICES BENEFIT DISTRICT, ZONE No. 2

FISCAL YEAR 2022-23

ENGINEER'S REPORT

Pursuant to the County Service Area Law, I, Eduardo R. Espinoza, the duly appointed Engineer of Work, for the City of Rancho Cordova Transit Related Services Benefit District, Zone No. 2 (the "District") submit the following report, consisting of Section I (Introduction), and this Section II, which consists of five (5) parts as follows:

Part A – PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. The District includes those lots and parcels of land within the District that are associated and benefit from the transit related services and associated improvements.

Part B – ESTIMATE OF COST

This part contains an estimate of the annual costs to operate, maintain, and service the District's transit related services and associated improvements. The estimate included herein, is also on file at the City of Rancho Cordova

Part C – TRANSIT ZONE NO. 2 BOUNDARIES

This part incorporates a diagram of the District showing the exterior boundaries of the District, and the lines and dimensions of each lot or parcel of land within the District. Reference is hereby made to the County Assessor's maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. This diagram has been prepared by the Engineer of Work and is on file at the City of Rancho Cordova.

Part D – METHOD OF APPORTIONMENT

This part includes a discussion of benefits the improvements and services provide to properties within the District and the method of apportionment used to calculate each property's proportional special benefit and annual charge.

Part E – CHARGE ROLL

This part contains a listing of the proposed levy amount for each parcel within the District. The proposed amount for each parcel is based on the parcel's proportional special benefit as outlined in the method of apportionment. The Charge Roll is filed in the Office of the City Clerk of the City of Rancho Cordova and is incorporated in this report.

Part A
PLANS AND SPECIFICATIONS

This part of the report describes the properties included in the boundaries of the District and the proposed extended services to be provided by Transit Zone No. 2 to properties within the boundaries of the District.

Transit Zone No. 2 Boundaries

The boundaries of Transit Zone No. 2 and the former CSA 10 Benefit Zone No. 2 are congruent. Benefit Zone No. 2 is an irregular shape that covers the Sunridge Specific Plan. The Sunridge Specific Plan is generally located:

- ♦ South of Douglas Boulevard (plus a small triangular section adjoining to the north);
- ♦ North of Kiefer Boulevard;
- ♦ East of Sunrise Boulevard; and
- ♦ West of Grant Line Road.

Reference is made to the diagrams shown in Part C of the report.

General Description of Services

Transit Zone No. 2 provides the funding mechanism (annual charges) for transit shuttles and other supplemental transportation services as described in the CSA Zone 2 Formation Report. Transit Zone No. 2 will provide transportation services to both residential and non-residential development within the Sunridge Specific Plan. The formation of CSA 10 Benefit Zone No. 2 fulfilled certain conditions of development included in County Ordinance No. SCZ 2002-0014 for the Sunridge Specific Plan and related planning documents as well as the related Transportation System Management Plan and AQ-15 Plan, for funding shuttle services and provisions of supplemental transportation services.

In particular, Benefit Zone No. 2 is designed to support implementation of the following zoning condition:

The Sunridge Specific Plan shall have a targeted goal of a 30% reduction in daily vehicle trips. In support of that goal, the Sunridge Specific Plan shall participate in a County Service Area (CSA), or an equivalent funding mechanism to the satisfaction of the Board of Supervisors, or successor city, for the purpose of funding a variety of transportation demand management strategies, including but not limited to a transit shuttle service, which will contribute to Sunridge's targeted 30% reduction in daily vehicle trips. The charges for residential and non-residential development will fund these transportation services as determined appropriate by the City Council.

Supplemental transportation services may include, but are not limited to, the following:

- ♦ Transit Shuttle – shuttle for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations and/or other public transit options;
- ♦ Guaranteed Ride Home – free taxi rides and rental cars for ride sharers in case of an emergency;
- ♦ Transit Subsidies – financial assistance to encourage residents and employees to use transit or other alternative transportation measures;
- ♦ Transportation Planning for Employers and/or Resident Groups – plans which guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs;
- ♦ Education Programs – various programs such as education of transit options, home office set up, and alternative commute opportunities;
- ♦ Infrastructure Support – additional bike racks and lockers, transportation alternatives and ride share informational boards/kiosks, and transit facilities;
- ♦ Transportation Coordinator, Training and Support – instruction in mobility (transportation alternatives) for residential groups and work site coordinators;
- ♦ Bicycle and Alternative Fuel Vehicle Incentives – incentives for purchasing new bicycles or alternative fuel vehicles.

Part B**ESTIMATE OF COSTS**

The maximum rate per Equivalent Dwelling Unit (“EDU”) shown herein is based on the cost of providing for the District improvements and does not include any other assessments or charges imposed on the properties. The cost estimate within this report identifies the cost to maintain the improvements within Transit Zone No. 2.

The District maintains two separate reserves, one is utilized for working capital purposes (the “Operating Reserve”) and the other for longer-term projects (the “Capital Outlay/Contingency Reserve”). The Operating Reserve provides cash for the ongoing operations and maintenance of the District, as well as providing funding for unanticipated expenditures. The size of the Operating Reserve shall not exceed the estimated costs of maintenance and services from the first day of the fiscal year (July 1) to the date that the City expects to receive the first apportionment of collections from the County. The City has determined that all cost estimates as presented in this report shall be considered as costs to maintain and service the District, or incidental expenses thereof. In addition, Government Code Section 25210.6 allows the City to levy and collect charges to fund capital outlays in the current year or to levy and collect charges to accumulate funds for capital outlay purposes, and Government Code Section 25210.7 allows the City to levy and collect charges for any appropriation for contingencies to be used for expenses for maintenance and operation of any services within the Transit Zone. The Capital Outlay/Contingency Reserve is used to fund capital outlay and any contingency purposes that may be necessary to properly provide services to properties within District.

The cost estimate for the District prepared by the City for Fiscal Year 2022-23 follows on the next page, along with details about additional funding requirements and a brief description of each line item included in the cost estimate.

City of Rancho Cordova	
Transit Related Services Benefit District, Zone 2	
Fiscal Year 2022-23 Cost Estimate Summary	
	Cost Estimate
DIRECT COSTS	
Shuttle Services Operations	\$ 546,000
Transportation Planning and Coordination	\$ 15,000
Outreach and Educational Programs	\$ 33,500

(1) The annual levy equals the amount shown for the Balance to Levy. This amount may differ from the revenue shown in the charge roll due to rounding because of rounding limitations imposed by the County of Sacramento.

(2) The rate to be levied per EDU in FY 2022-23.

Additional Funding Requirements

The City of Rancho Cordova and Sacramento Regional Transit conducted a joint planning effort in 2008 to identify the operational characteristics of a pilot neighborhood shuttle service. The planning effort resulted in the implementation of a demonstration route (called the “Rancho CordoVan”) on June 15, 2009. A primary benefit of the demonstration shuttle service was mitigating the difficult pedestrian access over the Zinfandel/Highway 50 Interchange and providing better connectivity with Regional Transit’s light rail system. The Rancho CordoVan demonstration shuttle was limited to the area between the Cordova Town Center Light Rail station and the businesses and residents just south of Highway 50, along Zinfandel Boulevard.

The primary funding source for the planning effort and the pilot shuttle service was a grant from the federal Congestion Mitigation and Air Quality (“CMAQ”) program with supplemental funding from each benefit zone proportional to directly related services in that zone. No funds from CSA 10 Benefit Zone 2 were used to operate this service. The Grant funding and the demonstration period ended on June 30, 2012.

The construction of the International Drive extension to Sunrise Boulevard and the completion of the extension of Zinfandel Drive to Douglas Road provided the opportunity to effectively serve the Sunridge area with shuttle service. The CordoVan shuttle commenced new routing in September 2012 with a service between the Anatolia Club House and the Zinfandel Light Rail Station. The City and RT improved the Zinfandel Plaza/RT Connection CordoVan stop with a sheltered bench and solar LED light. Based on customer feedback a five- minute adjustment was implemented to the schedule in April 2013 to better synchronize with the train. New route changes commenced in September 2015 to extend service to Kavala Ranch. In addition, a third vehicle was added to connect the Anatolia Clubhouse shuttle stop and proceed onto Sunridge Park. This new vehicle provides service along Olson Drive, Folsom Boulevard, Kilgore Road, International Drive and Sunrise Boulevard. In April 2016, the morning routes were adjusted earlier by 25 minutes to better accommodate work times in the business park and the riders heading to the light rail. Then in 2018, the Sunridge Cordovan route was adjusted to avoid small local residential streets. Instead of following Iron Gate Way and Cades Cove Drive from Anatolia Drive to Douglas Road, the route now turns left onto Herodian Drive to Sunrise Boulevard and right onto Douglas Road. There were no changes in bus stops as a result of this route modification. With the extension of Chrysanthy Boulevard and Rancho Cordova Parkway, the CordoVan Route 176 was extended to provide service to the Sunridge Park, North Douglas and Douglas 98 subdivision areas with 3 new stops added. The new service began August 2021. Any unused funds from the annual levies will be retained in reserves for future additional services to the area.

In addition, the City initiated an effort to augment transit access by partnering with the transportation network company, Lyft. The demonstration project provided a subsidy for rides that are destined to transit stops in Rancho Cordova. The demonstration project initiated in April of 2019 was funded by the Sacramento Council of Governments and was

extended through December 2021 due to the decrease in ridership during the stay-at-home/remote schedules of potential riders during the COVID-19 Pandemic.

The Fiscal Year 2022-23 expenditures for Transit Zone No. 2 include:

- ♦ Shuttle Services Operations - \$546,000 towards the operations and maintenance of the CordoVan shuttle service.
- ♦ Transportation Planning and Coordination – \$15,000 is allocated for the 50 Corridor TMA to provide outreach and coordination services to continue ride sharing, van pool and shuttle programs.
- ♦ Outreach and Educational Programs – \$33,500 is allocated to continue safe routes to school education at Sunrise Elementary School and Robert J. McGarvey in the Anatolia community on alternative mode transportation and encourage students and parents to walk or bicycle to school.
- ♦ Guaranteed Ride Home – \$10,000 is allocated for free taxi rides and rental cars for ride sharers or shuttle riders in the case of an emergency.
- ♦ Infrastructure Support – transit facilities (bus stop signs, shelters, etc.). An allocation of \$20,000 is needed for new infrastructure and on-going maintenance of bus stops, shelters, and signs.
- ♦ Transit Subsidies and Incentives – \$20,000 of financial assistance in the form of subsidies is provided to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

Descriptions of Cost Estimate Items

A description of the terms associated with the services funded through Transit Zone No. 2 in the preceding cost estimate table are listed below:

Direct Costs (Services and Operating Costs)

Shuttle Services Operations & Planning - Includes costs to provide transit shuttle services for residents and/or employees between residential areas, employment centers, shopping and service centers and light rail stations, as well as other public transit options.

Transportation Planning and Coordination - Includes the cost of transportation plans for employers and/or resident groups, which can guide employers and resident groups on the implementation of trip reduction programs, such as ride share matching or other similar programs, as well as instruction in mobility (transportation alternatives) for residential groups and work site coordinators. If zero, this line item may not be shown in the cost estimate.

Outreach and Educational Programs - Includes the cost of various programs, such as education of elementary students at Sunrise Elementary and Robert J. McGarvey Schools on the alternative modes of transportation available and encourages students and parents to walk or bicycle to school. If zero, this line item may not be shown in the cost estimate.

Guaranteed Ride Home - Includes the cost to provide free taxi rides and rental cars for ride sharers in case of an emergency.

Infrastructure Support - Includes the cost of facilities, such as additional bike racks and lockers, transportation alternatives and ride share informational boards and kiosks, and transit facilities.

Transit Subsidies, Incentives, and Staff Costs - includes the cost for financial assistance in the form of subsidies to encourage residents and employees to use transit or other alternative transportation measures, including ride sharing, vanpool, and transit shuttle services.

Administration Costs

District Administration - Includes the estimated cost to coordinate District services including responding to property owner inquiries relating to the service charges and services and contracting with professionals to provide administration, legal, and engineering services to the District that are required on an annual basis. This also includes the costs for the City to account for the funds, the calculation of the service charges, preparation of the annual report, and placing the service charges on the property tax bills.

Transit Shuttle Administration - Includes all or a portion of the administrative costs associated with overseeing the operation of the Transit Shuttle, developing an annual service cost estimate and coordination of the annual approval of the charges.

County Collection Fees - Includes the cost that the County charges to place the service charges onto the Sacramento County Secured Tax Roll.

Miscellaneous Costs and Collections/(Credits) Applied to Levy

Replenishment/(Use) of Operating Reserve - A “replenishment” increases the levy in order to replenish the Operating Reserve. On the other hand, a “use” of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the cost estimate.

Contribution for/ (Use of) Capital Outlay/Contingency Reserve - A “contribution” increases the levy in order to generate funding for capital outlay contingency purposes. On the other hand, a “use of” of this reserve provides current year funding for capital outlays or contingency purposes from available funds within the Capital Outlay/Contingency Reserve. If zero, this line item may not be shown in the cost estimate. Further information regarding the function of the Capital Outlay/ Contingency

Reserve is provided under “Reserve Balance Information” below.

Balance to Levy - This is the total amount to be levied and collected through charges for the current fiscal year. The Balance to Levy represents the sum of the Total District Direct and Administration Costs together with any applicable adjustments associated with Miscellaneous Costs and Collections/(Credits) as described above.

Zone 2 Statistics and Rates

Parcels to be Levied – The total number of parcels that are expected to be charged for the current fiscal year.

Developed Equivalent Dwelling Units (EDU's) – The total number of developed EDU's that are expected to be charged for the current fiscal year.

Maximum Rate per EDU – The maximum rate to be charged to each EDU for the current fiscal year.

Estimated Maximum Revenue – The total amount that can be charged against all parcels within the Transit Zone for the current fiscal year based upon the expected number of EDU's to be charged.

Operating Reserve Fund Balance

Beginning Operating Reserve Fund Balance 7-1-2022 (est.) - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations. These beginning balances are expected to be used to fund expenditures from July 1, 2022 to December 31, 2022, as the Operating Reserve is used to compensate for the approximate six-month delay between the start of the Transit Zone's fiscal year and the receipt of the collections from the County. All Capital Outlay/Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately.

Collect from FY 2022-23 Levy - This amount is added to the levy in order to replenish the Operating Reserve. Due to the six-month delay from the Transit Zone's receipt of charge collections, the Operating Reserve balance should be sufficiently funded to provide for expenditures from the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Use for FY 2022-23 Expenses - The amount of the Operating Reserve to be used to fund Fiscal Year 2022-23 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected Transit Zone costs for the period of July 1, 2022 (the beginning of the fiscal year) through December 31, 2022. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Capital Outlay/Contingency Reserve - The amount of Operating Reserve monies to be transferred to or from the Capital Outlay/Contingency Reserve. Periodically, funds held in a Capital Outlay / Contingency Reserve may be needed to respond to changing operational needs or conditions within the Transit Zone. If zero, this line item may not be shown in the cost estimate.

Ending Operating Reserve Fund Balance 6-30-2023 (est.) - This amount represents the anticipated Operating Reserve balance/(deficit) as of June 30, 2023. This balance should be sufficiently funded to provide for the first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Capital Outlay/Contingency Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the report.

Capital Outlay/Contingency Reserve Fund Balance

Beginning Capital Outlay / Contingency Reserve Fund Balance 7-1-2022 (est.) - The projected balance of funds in the Capital Outlay/Contingency Reserve as of July 1, 2022. Community Service Area Law allows the levy and accumulation of funds in excess of the Transit Zone's operating reserve to fund capital outlays within the current year or to accumulate funds for these purposes. In addition, these funds may be used for any appropriation for contingencies to fund the services or other expenses of the Transit Zone.

Collect from FY 2022-23 Levy - This amount is added to the levy to accumulate funding for future year Capital Outlay / Contingency purposes. If zero, this line item may not be shown in the cost estimate.

Use for FY 2022-23 Capital Outlay/Contingency Purposes - The amount of Capital Outlay/Contingency Reserve monies expected to be transferred out of the Capital Outlay/Contingency Reserve to be used in the current year. If zero, this line item may not be shown in the cost estimate.

Transfer from/(to) the Operating Reserve - The amount of Capital Outlay/Contingency Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Capital Outlay/Contingency Reserve may be needed to respond to changing operational needs or conditions within the Transit Zone. If zero, this line item may not be shown in the cost estimate.

Ending Capital Outlay/Contingency Reserve Fund Balance 6-30-2023 (est.) - The projected balance of funds in the Capital Outlay/Contingency Reserve as of June 30, 2023. These funds shall be used for future year Capital Outlay/Contingency purposes.

Part C**TRANSIT ZONE NO. 2 BOUNDARIES**

The parcels to be charged consist of all lots, parcels and subdivisions of land located within the boundaries of the map designated as "Boundary Map of Transit Related Services Benefit District, Zone No. 2." The lines and dimensions of each parcel within the District are those lines and dimensions shown on the maps of the Sacramento County Assessor for the year in which this report was prepared and are incorporated herein and made part of this report.

A reduced copy of the boundary map is attached on the following page.

City of Rancho Cordova Transit Related Services Benefit District, Zone No. 2 Assessment District Diagram

Part D
METHOD OF APPORTIONMENT

County Service Area Law (Government Code Section 25210 et seq), together with Local Agency Formation law (Government Code Sections 56886(m) and 56886(t)), permit a county, or a successor city, in the case of a detached CSA, to levy or collect a tax or charge in any CSA, or zone within a CSA, to fund any one or more of the services mentioned in Part A. A county or successor city may also levy and collect taxes or charges for capital outlay purposes within the respective CSA or detached CSA, for the accumulation of a reserve fund for capital outlay purposes, and for any appropriation for contingencies to be used for expenses for maintenance and operation of any services.

The method of apportionment utilized commonly accepted engineering practices that have been established pursuant to the County Service Area Law and the Constitution.

The remainder of this part describes the methodology, estimated annual revenue, and annual escalation formula for the charge to be levied in Transit Zone No. 2.

Apportionment Methodology

The methodology established through CSA 10 Benefit Zone No. 2 and authorized for Transit Zone No. 2 is summarized below.

The Transit Zone No. 2 charges are levied to fund property-related services. These charges comply with County Service Area Law and Article XIID Section 4 of the California Constitution, as the charges are to fund property-related services.

The initial rates of CSA 10 Benefit Zone No. 2 were based on the estimated costs to fund supplemental transportation services in Fiscal Year 2005-06 for the Sunridge Specific Plan at build out.

In order to calculate and identify the proportional special benefit received by each parcel and their proportionate share of the service related costs, it is necessary to consider not only the services to be provided, but the relationship each parcel has to those services as compared to other parcels in the District. The benefit formula used to determine the obligation is therefore based upon both the services that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific services.

Equivalent Dwelling Unit Factors

The unit of demand used for the charge is an equivalent dwelling unit ("EDU"). One EDU is the amount of demand for services associated with one (1) low-density residential unit in a single year. The demand for all other land use types reflects a comparison of the demand for service relative to one EDU for a low-density residential unit.

The level of service identified for Benefit Zone No. 2 was based on the level of service identified in user surveys conducted by the North Natomas Transportation Management Authority ("NNTMA"). Demand for services was measured using vehicle trip generation rates adjusted for trip length and trip purpose (diverted and pass-by trips versus primary trips) by type of land use.

Demand is assumed to be generated by developed residential and non-residential land uses. No demand is associated with undeveloped land and no charge is levied on this land use. Table 1 provides the number of EDU's assigned to each land use type for calculating the maximum charge.

Table 1: Transit Zone No. 2 - EDU's by Land Use	
Land Use	EDU Factor¹
Developed Acreage	
Residential (per dwelling unit)	
Low Density	1.00
Medium Density	0.80
High Density	0.60
Nonresidential (per acre)	
Retail and Service Commercial	25.64
Commercial Mixed Use	22.04
Undeveloped Acreage	
All Land Uses	-

¹EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 2, FY 2005-06.

The EDU factor for each land use is based upon average daily vehicle trips (ADT) per land use type. ADT is used to determine the charge by land use type because vehicle trips are a reasonable measure of demand for the supplemental transportation services immediately available to property owners paying the charge.

Each parcel's charge is calculated by multiplying the cost per EDU by the amount of EDU's assigned to each property according to their land use type. This methodology fairly distributes the total cost for services among all parcels based on each parcel's proportional demand for the services immediately available to that parcel. Each parcel's charge does not exceed the reasonable cost of services to that parcel.

Land Use Definitions

Definition of the land use definitions are as follows:

Developed Parcels - All single-family detached residential parcels for which a final map has been recorded, and all other parcels for which a building permit has been issued, on or prior to June 30 of the fiscal year preceding the year in which the charge is levied.

Undeveloped Parcels - All parcels that are not Developed Parcels or Exempt Parcels.

Low Density Residential - This category includes densities of up to five (5.0) dwelling units per acre. Uses consistent with the Low Density Residential category include those allowed by in the RD-5 land use zone and other residential zones of lesser maximum density as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.

Medium Density Residential - This category includes densities of more than five (5.1 or greater) dwelling units per acre and up to fifteen (15.0) dwelling units per acre. Uses consistent with the Medium Density Residential category include those allowed by in the RD-7, RD-10, and RD-15 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.

High Density Residential - This category includes densities of more than fifteen (15.1 or greater) dwelling units per acre. Uses consistent with the High Density Residential category include those allowed by in the RD-20, RD-25, RD-30, and RD-40 land use zones as specified in Title II Chapter 15 of the Rancho Cordova Zoning Code. For purposes of levying the charge in Benefit Zone 2, non-residential uses allowed in these residential zones by conditional use permit are considered to be either Retail Commercial, Commercial Mixed Use, or Exempt as determined by the Planning Director of Rancho Cordova.

Retail & Service Commercial - This category as designated in the Sunridge Specific Plan includes those non-residential land uses

allowed by a use permit in the SC Shopping Center land use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses that would generate a high number (500 or more) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the SC Shopping Center land use zone by development plan review or by conditional use permit are considered to be Low Density, Medium Density, or High Density Residential according to their density as determined by the Planning Director of Rancho Cordova and these definitions.

Commercial Mixed Use - This category as designated in the Sunridge Specific Plan includes those non-residential land uses allowed by a use permit in the LC Limited Commercial land use zone as specified in Title II Chapter 25 of the Rancho Cordova Zoning Code. This land use category further includes all other non-residential uses that would generate a low to medium number (less than 500) of average daily trips. For purposes of levying the charge in Benefit Zone 2, residential uses allowed in the LC Limited Commercial land use zone by development plan review or by conditional use permit are considered to be either Low Density, Medium Density, or High Density Residential according to their actual density in dwelling units per acre as determined by the Planning Director of Rancho Cordova and these definitions.

Exempt - Public parcels including parks, schools, utility parcels, and designated open space parcels are exempt from the service charge because no services funded by Transit Zone No. 2 are provided to these parcels.

Formula for Inflating the Annual Maximum Charge

The formula for inflating the maximum annual charge established through CSA 10 Benefit Zone No. 2, and to be used for Transit Zone No. 2, is summarized as follows.

The property owner balloting that established the maximum charges to CSA 10 Benefit Zone No. 2 included an annual inflator formula. The purpose of establishing an inflator formula was to provide for a reasonable inflationary adjustment to the annual maximum charges without requiring periodic noticing and balloting procedures that would add administrative costs to Benefit Zone No. 2. The law implementing Article XIIID (Senate

Bill 919) of the California Constitution clarifies that an increase in a maximum charge to implement a voter-approved inflator formula is not an increase subject to additional property owner consideration.

This inflator formula allows for annual increases to the maximum allowable charges by the increase in the Consumer Price Index (All Urban Consumers) published for the Sacramento Region by the U.S. Department of Labor (CPI), or six percent (6%), whichever is less. The CPI increase to be used in the inflator formula will be the change in the CPI index from the January two years before adjustment of the charge to the January in the year preceding adjustment of the charge; beginning in the second fiscal year (Fiscal Year 2006-07), and each fiscal year thereafter, the maximum allowable charge will be recalculated, and a new maximum charge established.

The City may choose to impose less than the maximum allowable charge in any year if service costs warrant the reduction. If the City, or previously the County, has imposed an amount less than the maximum charge, the City may also choose to increase the charge in any year to fully fund services up to the level of the maximum allowable charge for that fiscal year. In this way, the maximum allowable charge is adjusted annually and is calculated independent of the TransitZone's annual cost estimate.

The U.S. Department of Labor's Bureau of Labor Statistics no longer provides CPI factors for January for the San Francisco-Oakland-San Jose area. The CPI factors are now published bi-monthly on even months only (February, April, June, etc.). Since the February CPI factors include, in part, the data that would have been used to determine the January CPI factors, the City has determined that Transit Zone No. 2 shall now use the CPI data for the month of February.

The percentage increase from the February 2021 CPI to the February 2022 CPI was 5.19339%.

Table 2 provides the Fiscal Year 2022-23 maximum charge per EDU together with the maximum charge by land use.

Table 2: Transit Zone No. 2 - Maximum Charge by Land Use			
Land Use	EDU Factor ¹	Charge Per EDU ²	Maximum Annual Charge Per Unit/Acre
Developed Acreage			
Residential (per dwelling unit)			
Low Density	1.00	\$126.16	\$126.16
Medium Density	0.8	\$126.16	\$100.93
High Density	0.6	\$126.16	\$75.70
Nonresidential (per acre)			
Retail Commercial	25.64	\$126.16	\$3,234.74
Business Park	22.04	\$126.16	\$2,780.57
Undeveloped Acreage			
All Land Uses	0	\$126.16	\$0.00

¹EDU Factors as approved for Sacramento County CSA 10, Benefit Zone No. 1, FY 2005-06.

²The FY 2022-23 maximum charge per EDU is calculated by increasing the FY 2021-22 maximum charge per EDU of \$119.93 by 5.19339%, the percentage increase in the CPI from February 2021 to February 2022. Rates and percentages in the Report have been rounded for presentation purposes. However, in FY 2022-23, the District is levying \$112.26 per EDU, which is less than the maximum rate allowable.

Part E**CHARGE ROLL**

Parcel identification for each lot or parcel within the District is based on the diagram presented herein and is based on available parcel maps and property data from the County Assessor's Office at the time the Engineer's Report was prepared. A listing of the proposed lots and parcels to be charged within this District along with the amounts is provided herein.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and rate described in this report as approved by the City Council. Therefore, if a single parcel is subdivided to multiple parcels, the amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and rate rather than a proportionate share of the original amount.

The following is a list of the parcels and proposed amounts for each of the parcels within the District as determined by the rates and method of apportionment described herein:

MEMORANDUM

ITEM 10.6.

DATE: June 6, 2022

TO: Honorable Mayor and Council Members

FROM: June Cowles, Senior Planner

SUBJECT: **A RESOLUTION APPROVING THE GRANITE CONSTRUCTION COMPANY RENEWAL OF SURFACE MINING AND RECLAMATION PLAN PERMIT PROJECT NO. RC06-224**

PROPERTY OWNER:
Aerojet General Corp.
620 Coolidge Drive, Suite 100
Folsom, CA 95630

APPLICANT:
Granite Construction Company
P.O. Box 15287
Sacramento, CA 95851

PROJECT: Granite Construction Company Renewal of Surface Mining and Reclamation Plan Permit
FILE: RC 06-224
LOCATION: North and South of White Rock Road, east of Sunrise Boulevard
APN: 072-0370-105, 072-0370-104, and 072-0370-103
PLANNER: June Cowles, Senior Planner

RECOMMENDATION

Adopt the Resolution approving the Renewal of the Surface Mining and Reclamation Plan Permit for the Granite Construction Mining Operation, Project No. RC 06-224.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would permit the surface mining to continue for an extension of 5 years with optional 5-year renewal thereafter (subject to City review and approval).

BACKGROUND

The surface mining activity is to remove the aggregate resources that were deposited by the past gold mining activities that are found on much of the land, north and south of White Rock Road within the Rio Del Oro Specific Plan Area. **Figure 1: Granite Mining Site Location.** The areas included within the project are owned by Aerojet. Below are the approval dates and mining permits:

- 2007: Approval for Surface Mining and Reclamation Plan Permit for Granite Construction Company. The permit allowed mining for ten years and included a Mitigated Negative Declaration, conditions of approval and Mitigation Monitoring Report Plan (MMRP).
- 2016: Approval for a 5 year renewal with optional 5 year renewal thereafter of a Surface Mining and Reclamation Plan Permit Project No. RC 06-224.
- 2016: Approval of an Interim Management Plan for White Rock / Rio Del Oro, CA Mine ID No. 91-34-0048. An Interim Management Plan is due to a decrease in market demand for the materials produced at the site.
- April 2022: Approval of an Interim Management Plan for White Rock / Rio Del Oro, CA Mine ID No. 91-34-0048.

Figure 1- Granite Mining Site Location

PROJECT DESCRIPTION:

The applicant, Granite Construction Company, is requesting the following;

- A 5 year renewal, with optional 5 year renewal thereafter (subject to City review and approval) of a Surface Mining and Reclamation Plan Permit Project No. RC 06-224. As stated above, a renewal 5 year was approved in 2016 and is set to expire in July 2022.

The applicant does not request modifications to the approved mining and reclamation plan permit, payment agreement, or any conditions of approval.

The original mining permit stated that between 5 to 11 million cubic yards were expected to be mined over the duration of the project on approximately 600 acres. **Figure 2: Granite Mining Area.** Due to the economic downturn in 2008 and interim mining activity the mining of the site has been at a minimal level.

Figure 2- Granite Mining Area

ANALYSIS

GENERAL PLAN CONSISTENCY:

The General Plan anticipates the mining operation would produce lands capable of development and develop according to the Rio Del Oro Specific Plan. Low density residential and support commercial are anticipated for the area, along with parks, schools and wetland preserves. Therefore, the surface mining activity is consistent with the General Plan Goals and Policies for future development for the site.

RIO DEL ORO SPECIFIC PLAN:

The owner of the project site, Aerojet, plans to eventually develop the project site for industrial, commercial, and residential land uses. This development will be undertaken by GenCorp, Realty Investments (GenCorp). Such development was assumed in the General Plan and the General Plan EIR (GP-EIR). Prior to this development, mine tailings found on much of the land are available for removal, processing, and use in various roadway and development projects in the region. Mine tailings consist largely of large cobbles and other aggregate material suitable for processing and use in paving and manufacture of construction materials.

Aerojet will continue to allow Granite Construction to remove the aggregate material and process it for use in local and regional construction projects. In addition to removing the aggregate material in preparation for development, Granite Construction plans to restore the topography of the site to roughly the same condition which existed prior to the dredge mining activity. The mining of aggregate resources and reclamation are independent actions from the future development of the land by GenCorp. The Rio Del Oro Specific Plan EIR acknowledges the surface mining operation, however the major environmental impacts to the environment will occur with the development of residential, commercial and other land uses. Mitigated measures of prohibiting mining activity within a distance of future development are included to address concerns of incompatible uses and activity.

Mining Permit Renewal:

Granite Construction has only extracted between 2007 and present day a portion of the developable sand and gravel reserves from the Rio Del Oro site. The mining permit will expire in July 2022, and Granite seeks to renew this permit for five (5) years, with an optional five (5) year renewal thereafter, subject to City approval.

Reclamation Plan:

The extension of the mining permit does not require an amendment to the approved Reclamation Plan. SMARA only requires approval by the Lead Agency (the City) if the Lead Agency determines that there is a “substantial deviation” from the approved plan. Public Resources Code section 2777; see also California Code of Regulations section 3502(d), (g).

The following factors apply to evaluate whether there is a “substantial deviation”:

- A substantial increase in surface area or maximum depth of mining
- A substantial extension of termination date as set out in the approved reclamation plan
- Change that would substantially affect the approved end use
- Consistency with previously adopted environmental determinations
- Other changes that the Lead Agency deems substantial

Based upon the following factors, staff concludes that there is no “substantial deviation” requiring an amendment to the Reclamation Plan:

- Granite proposes no increase in annual or total production levels, methods of mining, hours of operation, area subject to mining, truck traffic, transportation patterns, or mining depths.

- Granite's proposed extension of time is only for five years with an optional five year renewal thereafter, subject to City approval, and in light of the fact that there is no change in operations, this time extension is not considered to be "substantial" because there is no change or expansion to a surface mining operation that substantially affects the end use or scope of reclamation.
- In this case, Granite's proposed extension of time will not affect the end use (undeveloped open space) or scope of reclamation.

The City Code requirements related to reclamation plans are consistent with this approach. Section 20.04.030 of the City Code incorporates by reference SMARA and its implementing regulations, cited above. Section 20.04.060(F)(1) of the Rancho Cordova Municipal Code only requires a reclamation plan to contain an "...estimated time schedule for the beginning and completion of reclamation activities." It is common that mining operations extend well-beyond the original estimated time schedule presented in a reclamation plan.

At the completion of the mining operation, the reclamation plan has a re-vegetation management component to plant the mined area to control erosion and replant removed trees to mitigate the aesthetic impacts of the mining operation. The plan requires hydro seeding the slopes and depressions with various annual grasses and forage species characteristic of the area. Noxious weeds will be managed annually throughout the reclamation areas. All the re-vegetation activities will be monitored by the City through the Conditions of Approval and Mitigation Monitoring and Reporting Program (MMRP).

Financial Agreements:

As stated earlier the applicant is not proposing any revisions to the Financial Agreements. The approval of the 5 year extension surface mining would also extend the Financial Agreements. Below is a description of the financial assurance/agreements:

As part of the mining permit package, a Financial Assurance is required by the City's ordinance (20.04.100 D).

"The amount of the financial assurance shall be based upon the estimated costs of reclamation for the years or phases stipulated in the approved Reclamation Plan, including any maintenance of reclaimed areas as may be required, subject to adjustment for the actual amount required to reclaim lands disturbed by surface mining activities necessary to implement the approved Reclamation Plan, the unit costs for each of these activities, the number of units of each of these activities, and the actual administrative costs".

The Financial Assurance is a negotiable instrument (cash, irrevocable letter of credit, trust fund, security bond or other method acceptable by the City) that guarantees the applicant will perform under the provisions of the plan. Should the applicant not perform to the terms of the agreement, the City will have the monetary means to correct or restore the land to the intended reclamation plan. In addition, the estimated costs include a 15% Lead Agency Administrative cost of the total direct and indirect costs for processing the call for funds.

Agreements:

In 2016 City and the applicant executed agreements as follows:

- The first agreement is a Roadway Impact and Truck Management Program Agreement that incorporates certain provisions of the 2008 Roadway Impact Agreement and meets

the requirements of the TMP and TMP Operational Agreement. This agreement requires the payment of three cents (\$0.03) per ton for roadway impacts from the project, incorporates certain provisions of the 2008 Roadway Impact Agreement that remain in full force and effect, acknowledges the completion of certain other obligations of the 2008 Roadway Impact Agreement, and requires compliance with the TMP and TMP Operational Agreement through the payment of a twelve cents (\$0.12) per ton fee and the monitoring and enforcement of truck trips.

- The second agreement is a Payment Agreement. This agreement requires the payment of one percent (1%) of gross sales of mined materials which are recovered from the project site and removed and sold from a point of sale outside of the City.

ENVIRONMENTAL ANALYSIS:

A Final Mitigated Negative Declaration (FMND) was prepared and adopted for the 2007 Surface Mining and Reclamation Plan Permit. No new environmental analysis would be required pursuant to CEQA Guidelines Section 15162. The FMND mitigated measures are included within the Renewal Surface and Mining Permit RC06-224 Mitigation Monitoring Report Plan (Attachment 2 and Attachment 3).

CONCLUSION:

The Renew of the Surface Mining and Reclamation Plan Permit will control the mining operation activities to ensure the protection of the environment. In addition, mitigation measures have been formulated that include proper buffering for compatibility purposes which will allow the continuation of the mining operation even though future developments of a more sensitive nature will be in close proximity.

FISCAL IMPACT

If the renewal of the Surface Mining and Reclamation Plan Permit is approved, The City of Rancho Cordova will continue to receive a portion of the retail sales of aggregate materials as negotiated between the applicant and the City. The exact amount of revenues is not known, at this time and would be based upon the volume of materials sold during the term of operations.

RECOMMENDED MOTION

Staff recommends that the City Council adopt the Resolution to approve the Renewal of the Surface Mining and Reclamation Plan Permit for Granite Construction Company Project No. RC06-224, subject to the Conditions of Approval and Mitigation Monitoring Report Plan.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
APPROVING A RENEWAL OF THE SURFACE MINING AND RECLAMATION PLAN PERMIT
FOR THE GRANITE CONSTRUCTION MINING OPERATION, PROJECT NO. RC-06-224**

WHEREAS, Granite Construction (hereinafter referred to as Applicant) operates a surface mining and reclamation operation in the City under an existing Surface Mining and Reclamation Plan Permit ("Existing Permit"); and

WHEREAS, The Existing Permit was for a term of 10 years (expire date 2017); In 2016 the permit was extended for a period of 5 years with optional 5 year renewal, subject to City review and approval (expire date July 2022); and

WHEREAS, the Applicant filed an application with the City of Rancho Cordova (hereinafter referred to as City) to approve a renewal of the Existing Permit (hereinafter, the "Permit Renewal" or the "Project") for a period of 5 years (to July 2027) with optional 5 year renewal thereafter (subject to City review and approval) according to the attached exhibits, and

WHEREAS, under the Permit Renewal, (a) there would be no increase proposed in annual or total production levels, methods of mining, hours of operation, area subject to mining, truck traffic, transportation patterns or mining depths authorized under the Existing Permit; (b) the extension of time is for limited duration; and (c) the proposed extension of time will not affect the end use (undeveloped open space) or scope of reclamation under the Existing Permit. In addition, the Roadway Impact and Truck Management Agreement and Payment Agreement will also be extended with the Surface Mining and Reclamation Plan permit; and

WHEREAS, the City Council is the appropriate authority to hear and take action on the Permit Renewal; and

WHEREAS, the City Council has considered the requirements of California Public Resources Code Section 2777, California Code of Regulations Section 2502(d), and Rancho Cordova Municipal Code, Title 20, Chapter 20.04; and

WHEREAS, the City Council considered the Applicant's request at a duly published public hearing on June 6, 2022 and received a staff report and public testimony at the public hearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA
HEREBY RESOLVES AS FOLLOWS:**

1. Approve the Permit Renewal with accompanying diagrams (Exhibit A) Reclamation Plan and Mitigation Monitoring Report Plan, (Exhibit B) Conditions of Approval/MMRP, (Exhibit C) Roadway Impact and Truck Management Program Agreement, and (Exhibit D) Payment Agreement for Granite Construction RC-06-224 as attached, and based on the following findings:

- A. California Environmental Quality Act

Finding: No new environmental analysis is required for the Permit Renewal pursuant to California Environmental Quality Act (CEQA), Public Resources section 21166 and CEQA Guidelines Section 15162.

Evidence: A Final Mitigated Negative Declaration (FMND) was prepared and adopted for the Existing Permit. The FMND mitigated measures are included within the Mitigation Monitoring Report Plan for the Permit Renewal (Exhibit A). There are no changes proposed to the application for renewal of the permit, and there are no changes proposed for annual or total production levels, methods of mining, hours of operation, area subject to mining, truck traffic, transportation patterns, or mining depths authorized under the Existing Permit. On the basis of this evidence, the Final Mitigated Negative Declaration, the Conditions of Approval and Mitigation Measures, comments received, and the whole record, there is no substantial evidence that the Project will have a new or substantially more severe significant adverse impact on the environment.

B. Surface Mining and Reclamation Act

Finding: The following findings shall be made to approve surface mining operation, per Section 20.04.090 of the Municipal Code.

- 1) The Reclamation Plan complies with Surface Mining and Reclamation Act ("SMARA"), Public Resources Code §2772 and §2773, and any other applicable provisions.

Evidence: The plan was approved in 2007 and therefore is consistent with the City's Mining Ordinance, as certified by the State Mining and Geology Board.

- 2) The Reclamation Plan complies with applicable requirements of State regulations (CCR§§3500-3505, and §§3700-3713).

Evidence: The Reclamation Plan was specifically composed to meet the City's Surface Mining Ordinance certified by the State Mining and Geology Board on July 23, 2004. The standards and performance measures have been adhered to, and Conditions of Approval/Mitigation Monitoring Reporting Program have been developed to ensure compliance with the Surface Mining Ordinance.

- 3) The Reclamation Plan will restore the mined lands to a usable condition that is readily adaptable for alternative land uses that are consistent with this Chapter and either (i) the City's General Plan and any applicable resource plan or element or (ii) probable future uses anticipated by the City to be adopted in future amendments to the City's General Plan, which uses are identified in findings made on approval of the Reclamation Plan.

Evidence: The Reclamation Plan would restore the mined land in accordance with the standards in Ordinance 22-2004 and implemented by the Re-vegetation Management Plan adopted as part of the Mining Permit. The Management Plan provides for reseeding and re-vegetation of annual grasses and tree replanting characteristic to the surrounding area. Maintenance will be provided according to the specifications in the Management Plan on an on-going basis, until the mining operation is closed.

The General Plan of the City of Rancho Cordova anticipates the mining operation would produce lands capable of development and develop according to the proposed Rio Del Oro Specific Plan. Low density residential and support commercial are anticipated for the area, along with parks, schools and wetland preserves.

- 4) The approved Reclamation Plan was adopted pursuant SMARA based upon environmental review under CEQA and the City environmental review guidelines, and which concluded that any significant adverse impacts from reclamation of the surface mining operations would be mitigated to the extent feasible.

Evidence: A Final Mitigated Negative Declaration for the Existing Permit, including the Reclamation Plan, was approved according to the Guidelines of the California Environmental Quality Act. The applicant provides quarterly inspection reports to the City and State Mining and Geology Board.

- 5) The Reclamation Plan requires that land and/or resources to be reclaimed will be restored to a condition that is compatible with, and blends in with, the surrounding natural environment, topography, and other resources, or that suitable off-site development will compensate for related disturbance to resource values.

Evidence: The Reclamation Plan requires that reclaimed land will be left in a condition to support future urban development. The original condition of the site was severely impacted by gold dredging in the early part of this century. The dredged tailings will be flattened and left in a condition that would allow subsequent site grading to accommodate future development.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022.

~RIO DEL ORO MINING PROJECT~

MINING OPERATION & RECLAMATION PLAN

1.0 INTRODUCTION

Granite Construction Company ("Granite") is seeking entitlements for its *Rio Del Oro* Mining Project (the "Project"), which is situated within a parcel currently owned by Aerojet-General Corporation ("GenCorp"). This document, together with the referenced exhibits and appendices, constitutes the formal Reclamation Plan for the site. Approval of the Project is sought from the lead agency, the City of Rancho Cordova (the "City").

This Reclamation Plan was prepared in accordance with:

- The Surface Mining and Reclamation Act (SMARA) of 1975, as amended (Public Resources Code § 2772 et seq.);
- The State Mining and Geology Board regulations for surface mining and reclamation practice (California Code of Regulations (CCR) Title 14 Chapter 8, Article 14, Chapter 8, Article 1, § 3500 et seq.; and
- The City of Rancho Cordova City Code Chapter 20.04 (Surface Mining & Reclamation).

Reclamation, as defined by SMARA, is the combined process of land treatments that minimize adverse environmental effects on surface mining, so that mined lands are reclaimed to a beneficial end use that is readily adaptable to alternative end uses. This Reclamation Plan describes a process that will minimize environmental impacts during and resulting from mining, implementing reclamation activities as soon as possible, and return the mined lands to a condition suitable for grazing.

1.1 NAMES AND ADDRESSES OF OWNER, OPERATOR AND AGENT

Property Owner

Name: Aerojet - General Corp
Contact: Dave Hatch
Address: 620 Coolidge Drive, Ste. 100
City, Zip: Folsom, CA 95630-3181
Phone: 916-351-8584

ITEM 10.6.

Exhibit A to the Resolution

EXHIBIT 1A

Operator / Applicant

Name: Granite Construction Company
Contact: Grant J. Williams
Address: P.O. Box 15287
City, Zip: Sacramento, CA 95851
Phone: 916-855-4400

Operator's Agent

Name: Diepenbrock - Harrison
Contact: Mark Harrison
Address: 400 Capitol Mall, Ste. 1800
City, Zip: Sacramento, CA 95814
Phone: 916-492-5000

1.2 LOCATION

The 1,300 acre proposed Project site is situated within a 2,526 acre parcel owned by GenCorp. Approximately 600 acres of the mining area is planned to be disturbed as part of this application. The actual disturbed acreage may be more or less depending on market conditions and on-site aggregate availability. The site is fully located within the City of Rancho Cordova ("City") at 12300 White Rock Road, approximately 4,800 feet east of Sunrise Boulevard, and 5,100 feet north of Douglas Road. The Project site is bordered by Teichert's Grantline mining site to the west, vacant land owned by Aerojet to the south; Teichert Grantline's mining processing plant and Tsakopoulos-Bachman's industrial property to the east; and GenCorp's mining/industrial property to the north. The nearest designated residential area is located approximately 3,100 feet east of the proposed Project site. Exhibit A is a site location and vicinity map, depicting the location of the proposed mining operation.

1.2.1 Assessor's Parcel Number

The Project is located on a portion of Assessor's Parcel Number 072-0370-070-0000.

1.2.2 Township, Range, Section, Quadrangle

The Project site is located on the Buffalo Creek USGS 7.5 minute quadrangle map in Townships 8 North and 9 North, Range 7 East and Sections 3, 4, 5, 32, 33, and 34 MDBM. Please see Exhibit B, depicting the Project site and its vicinity.

1.2.3 Latitude, Longitude

The Project site is located at approximate Latitude 38.58 North and Longitude 121.22 West.

1.2.4 Claim Descriptions

The Project will get a California Mine ID number after approval of the Project by the City and State. An Aerojet SPA Implementation Permit will serve as the "Mining Permit" or "Site Approval."

2.0 DESCRIPTION OF ENVIRONMENTAL SETTING

Reclamation procedures must be designed within the constraints of the Project and the surrounding environment. The following sections describe the environmental elements that are pertinent to the design of an effective Reclamation Plan. Section 3.0 will describe the mining Project in relationship to the reclamation of the site.

2.1 SITE ACCESS

Access to the site is available most directly from White Rock Road. However, trucks may occasionally enter and leave the site onto Douglas Road.

2.2 TOPOGRAPHIC MAP

Exhibit B depicts the site's location on the 7.5-minute Buffalo Creek quadrangle map.

2.3 GEOLOGY, GENERAL

The site is located in the eastern portion of Sacramento County, an area covered with a significant number of cobble tailings as a result of early gold dredging activities conducted principally by the Natomas Company from about 1900 to 1960. Many of these tailings are visible above ground in large linear piles, although the dredgers had the capability to dig to depths of up to approximately 100 feet, and thus much of the tailings are underground as well.

2.3.1 Site-Specific Geology

Geology of the site consists of American River gravels that have been mined for gold and aggregate value during the late 1800's through the 1960's. Past dredging operations significantly disturbed the natural geologic state of the site, leaving linear mounds of cobble tailing throughout the property. These tailing

piles vary from 5 to 75 feet in height with typical base widths in the range of 100 to 300 feet and consist of approximately 60-70% rounded cobbles of varying geologic composition (metamorphic, volcanic) and 30-40% fine sediment and clay. Between the piles the geology consists of fine grained soils and clays known locally as "slickens."

The proposed mining operation will remove these mounds and the end result will be a site with ground configuration similar to the natural configuration of the site prior to gold dredging operations. A 1941 USGS topographic map shows that the natural terrain drained toward the southwest with elevations of approximately 200 feet along the eastern boundary of the site to elevations of approximately 150 feet within the southwestern area of the site. Thus, the natural terrain consisted of relatively flat grounds with slopes of approximately 1-2%.

2.3.2 Material Being Mined

The applicant proposes to mine dredge tailings, consisting of cobbles (up to approximately 12-inches in diameter) intermixed with sand and gravel. All material mined at the *Rio Del Oro* site will be screened and crushed into various products by a portable plant. Excess fine aggregate material may be used to reclaim the excavation areas to their proposed reclaimed elevations.

2.3.3 Geologic Cross-Section

Refer to Exhibit H for the Mining Plan which depicts a typical mining cross-section.

2.3.4 Slope Stability

Mining and reclamation slopes will be based on a slope evaluation performed by Wallace Kuhl and Associates, Inc. The slope evaluation has been included as part of the application package. The composition of the slope material will vary across the Project site. Slopes with an overall height of less than twenty (20) feet will be excavated to a maximum 1:1 (horizontal:vertical) inclination. To protect private property and existing improvement from possible damage caused by slope movement, slopes excavated to a 1:1 inclination will have a set back maintained equal to the height of the slope (from the top of the slope to the property line or improvement).

For worker and equipment safety, slopes greater than 20 feet in height will be excavated at no steeper than 1½:1 (horizontal: vertical) inclination to avoid potential rock falls.

Final reclamation slopes will be constructed at a maximum 2:1 inclination (horizontal:vertical). Any fills placed to achieve the reclaimed slopes will be compacted in accordance with prudent geotechnical engineering practice (i.e. 90% compaction relative to the ASTM D1557 maximum dry unit weight).

2.3.5 Seismicity

The site is not located within an area of active seismicity.

2.4 HYDROLOGY, GENERAL

2.4.1 Site Specific Hydrology

There are no major streams or creeks traversing the subject site. As mentioned above, past mining disturbed the natural state of the site and left linear mounds of cobble tailings throughout the property. Due to the creation of these mounds, the site's natural drainage patterns have been heavily modified. Because the site contains coarse dredge tailings, water infiltration is high, surface runoff is minimal and confined to the closed valleys between tailing mounds.

2.4.2 Groundwater Contamination

The subject site is located within the area known as the Inactive Rancho Cordova Test Site (IRCTS), which was historically used for aerospace and industrial activities by its previous owners, the Aerojet Corporation and the Douglas Aircraft Company (DAC), which became the McDonnell Douglas Corporation (MDC); and their tenants. Although the Department of Toxic Substances Control (DTSC) has issued an Imminent and Substantial Endangerment Determination and Consent Order for threat site in 1994, DTSC has expressly recognized that large portions of the proposed *Rio Del Oro* Project area were never used for aerospace or industrial activities due to quantity-distance requirements for energetic materials (rocket fuel). As such, the vast majority of the targeted aggregate was not impacted by these past activities and is not contaminated. This area is not included in the DTSC cleanup order.

Relevant agencies have agreed that aerospace and other industrial activities were not conducted on-site. However, some aerospace/ industrial activities did impact limited portions of the *Rio Del Oro* Project site, and these activities contaminated the soil, as discussed below. Also, DTSC and the Regional Water Quality Control Board (RWQCB) have detected contaminated groundwater beneath the IRCITS property and to the west near Mather Field and south of Douglas Road. The 1994 Order requires Aerojet and McDonnell Douglas to investigate the sources and extent of contaminated groundwater pollution

emanating from the eastern part of the IRCTS site, and to develop interim remedial measures to contain and prevent any groundwater contamination from migrating off-site.

It is important to note, however, that any contamination in the groundwater has no relationship to and will not impact the proposed mining operation activities or vice versa. During 2005, the average depth to groundwater was 114 feet below existing grade (beg), based on measurements from the uppermost well completion at 39 locations within the project site during April and October 2005. The depths to groundwater varied from 66 to 144 feet beg (median: 121 feet beg) across the site with shallowest groundwater in the northeastern corner and deepest groundwater along the western boundary. The seasonal depth fluctuations were less than 3.5 feet beg at 37 locations (average: 1.6 feet beg). The monitor well locations are being flagged appropriately and protected from damage by the mining operation. Aggregate around a well will be removed by a backhoe or by similarly small equipment. The protective casing around the well will be reset and the new top-of-casing (TOC) elevation determined by a licensed surveyor.

Mining and processing will only use water for dust suppression. Water will be supplied from one of two sources: 1) the County water line located north of White Rock Road; or 2) Boeing's EX-25 Facility (GET A water).

2.5 SOIL RESOURCES

2.5.1 Map and Units

Most of the surrounding area is mapped by the Natural Resources Conservation Service (NRCS) as Xerothents, dredge tailings, 2-50% slopes. The Xerothents unit contains three hydric inclusions: river wash and Xerofluents, associated with floodplain channels, and slickens associated with depressions.

Additionally, the mining operation will not be conducted on prime agricultural lands.

2.5.2 Soil Contamination

Soil contamination is not expected to be present in the coarse dredge tailings proposed for mining. Impacted (contaminated) areas will either be excluded from the mining operation, treated, or removed from the site. Eight environmental constraint areas have been identified, based on investigations by GenCorp and/or MDC, because of historical aerospace or industrial activities

that left residual chemicals of concern (COCs) in the soils. These impacted soils have not been found in this area.

Constraint Area A: GET F Sprayfield:

GET F Sprayfield is located in the northwestern corner of the project site and was operated by GenCorp from late 1984 through late 1990. The sprayfield was used as a discharge area for treated groundwater from the GET F South facility. Although the volatile organic chemicals (VOCs) were removed from the groundwater via air-stripping towers, perchlorate in the water was not affected by the treatment process. Previous sampling has detected perchlorate in the soil at concentrations below the residential remediation goal (7.8 milligrams per kilogram). GenCorp is currently investigating the extent of the perchlorate in the soil.

The RDO Mining Application does not currently contemplate mining of Constraint Area A. GenCorp will evaluate the feasibility of various remedial options after completion of the field investigation. Perchlorate is quite soluble in water and easily digested by indigenous bacteria under anoxic conditions.

Constraint Area B: Propellant Burn Area:

Propellant Burn Area (PBA) is located near the northwestern corner of the project site and was operated by GenCorp and DAC during the late 1950s and early 1960s to destroy waste rocket propellants and chemicals. The area is primarily defined by VOCs and perchlorate at depths beyond the proposed mining project. The central flat- or low-lying areas were impacted by perchlorate and/or dioxins/furans. GenCorp removed over 8,600 tons of dioxin-impacted soils during 2005 and is expected to complete the work during 2006. GenCorp is evaluating remedial options for perchlorate in soils, including bioremediation, flushing, capping and other options.

The Rio Del Oro Mining Application does not currently contemplate mining of Constraint Area B.

Constraint Area C: Sigma Hog-out:

Sigma Hog-out area is located near the center of the project site and was created by DAC during the early 1960s at the Sigma Complex, a solid rocket motor test facility. The "hog-out" operation used high pressure water jets to remove solid fuel from rocket motors; and the perchlorate-laden water was discharged to ponds within a nearby dredge valley. The water infiltrated into the ground and migrated northward along the valley. MDC is evaluating

remedial options for perchlorate in soils, including bioremediation, flushing, and other options.

The coarse tailings can be included in the mining operation because perchlorate and other COCs did not impact the aggregate materials proposed for mining. GenCorp will be contacted prior to any mining within the Sigma Hog-out area to confirm the tailings that can be mined.

Constraint Area D: White Rock Dump #1:

White Rock Dump #1 (WRD1) is located near the center of the project site and was created during the 1950s on behalf of Sacramento County. Municipal trash was burned at WRD1 and the residual material pushed aside into two piles. The residual material is comprised of ash, clinker, rusty cans, bottles, ceramics, and other noncombustible debris. Lead and dioxins/furans are present in the ashy material. Sacramento County and Aerojet are working with DTSC and RWQCB to cover the dump with native soil to prevent future contact with the material.

Aggregate mining shall not occur within WRD1.

Constraint Area E: DM14 Area:

The DM14 area is located near the east-central side of the project site and was used by DAC during the late 1950s to assemble the "Genie" missile (Douglas Missile 14). Freon is present in deep soils and is associated with a sump that was connected to a water-curtain spray paint booth. MDC has shown that the Freon concentrations do not impact human health or the groundwater; and remedial action is not necessary.

The RDO Mining Application does not currently contemplate mining of Constraint Area E.

Constraint Area F: Rice Hull Ash Area:

Rice Hull Ash (RHA) area is located along the eastern boundary of the project site and was created during the 1950s and early 1960s by the Beagle Products Company. Rice hulls were transported to a dredge pit (RHA area), deposited in large piles, burned to produce RHA, and then packaged as an oil and grease absorbent. The RHA operation was apparently idle during the late 1960s through 1983, when Greasweep Western leased the RHA area from MDC to produce the Greasweep-brand absorbent. GenCorp became the lessor in 1984 until 2005 when Greasweep Western ceased operations.

The coarse tailings around the perimeter of the RHA area can be included in the mining operation but additional dust control water will be necessary due to the fine-grained nature of the RHA.

Constraint Area G: Alpha Complex:

Alpha Complex is located along the southeastern boundary of the project site and was used by DAC to test liquid rocket engines during the late 1950s and 1960s. VOCs were used to clean the engines and these solvents were discharged to the ground. MDC is currently operating a soil vapor extraction (SVE) system to remove VOCs from the deep soils.

The RDO Mining Application does not currently contemplate mining of Constraint Area G.

Constraint Area H: By-Dry Feed Products:

By-Dry Feed Products area is located along White Rock Road near the center of the project site. The area was developed along an access road to WRD1 and construction began in 1953. The area includes several old buildings and foundations of former structures which were reportedly used to make composts, feeds, fertilizers, and bone meal.

Clark Cattle Company currently uses the area as a base of operation for livestock grazing on the IRCTS. The buildings are used for an office, a repair shop, for storage of equipment, hay/straw and supplies, for the care of young cows and horses, and/or for other agricultural uses.

GenCorp completed an investigation of the By-Dry area during 2005 and found a deposit of ashy material along the western side of the area. The material was found to contain lead and dioxins/furans above regulatory guidelines for residential uses. GenCorp is planning to remove the ashy material to a Class II landfill during 2006 after DTSC approves a Removal Action Workplan.

The RDO Mining Application does not currently contemplate mining of Constraint Area H.

2.6 VEGETATION

A wetland delineation of *Rio Del Oro*, including the Project area, was first conducted by Gibson and Skordal in 1999 and subsequently verified by the US Army Corps of Engineers ("Corps") in January 2000. Due to the pending expiration of the original verification, the Project area was re-delineated in June 2004 by ECORP Consulting, Inc.

("ECORP"). A rare plant survey was conducted on the Rio Del Oro Site in May 2003 (updated 2006). ECORP recently prepared a detailed Biological Assessment and Oak Tree Survey for the Project area, which is included in the application package.

2.6.1 Description of Affected Areas

The *Rio Del Oro* Project site consists of cottonwood riparian woodland, oak woodland, and annual grassland habitat. Linear rock tailing rows, some reaching 75 feet in height, are scattered over the majority of the site. Historically, the site was used for gold mining operations. The mining activities consisted of dredging ancient alluvial deposits. The areas that were mined are marked today by alternating piles of tailings and lower areas where the finer sediment settled out.

Cottonwood riparian habitat occurs within depressions between rows of man-made rock tailings. These characteristic dredge tailings areas are characterized by riparian and shrub-like vegetation, including Fremont cottonwood (*Populus fremontii*), willow (*Salix sp.*), elderberry (*Sambucus mexicana*), and coyote brush (*Baccharis sp.*).

Separate from the tailings, a very small amount of annual grassland exists on the *Rio Del Oro* Project site. Within the annual grassland are ephemeral features including vernal pools and seasonal wetlands. The annual grassland community is comprised predominantly of non-native naturalized Mediterranean grasses. These include ripgut brome (*Bromus diandrus*), soft brome (*Bromus hordeaceus*), wild oats (*Avena fatua*), ryegrass (*Lolium multiflorum*), Mediterranean barley (*Hordeum marinum*), and medusahead grass (*Taeniatherum caput-medusae*), other non-native herbaceous species include hairy hawk-bit (*Leontodon taraxacoides*), filaree (*Erodium botrys*), pineapple weed (*Chamomilla suaveolens*), and yellow star thistle (*Centaurea solstitialis*).

A list of plant species observed on the site (May 2003) is included in the Biological Resources Assessment.

2.6.2 Special Status Plant Species

ECORP biologists conducted surveys in May 2003 during the optimum blooming period for each of the potentially occurring special-status species. No special-status plants were observed within the *Rio Del Oro* Project area; however, populations of Greene's legumere (*Legenere limosa*, federal species of concern and CNPS 1B) were documented in the vernal pool complex in the southern portion of Rio Del Oro.

An oak tree inventory survey performed on September 29, 2004 by Sierra Nevada Arborists revealed 47 oak trees on site, all of which occur in dredged hollow areas, as opposed to tailings. A copy of the survey is included in the application package. At our request, ECORP reviewed and summarized the tree inventory report prepared by Sierra Nevada Arborists (2003) for the Rio Del Oro property, specifically as it relates to the *Rio Del Oro Mining Project* (see attached letter from ECORP dated April 11, 2006). The *Rio Del Oro Mining Project* site represents a subset of the Rio Del Oro Property.

ECORP identified thirty-five (35) native oak trees measuring at least six (6) inches in diameter at breast height (DBH) on the Rio Del Oro Mining Project site. Interior live oak (*Quercus wislizenii*) was the only native oak species present on site. To minimize the impacts to these native oaks, Granite proposes to implement the following measures in accordance with the County Tree Ordinance and General Plan policies:

1. *Obtain an oak tree removal permit from the County prior to Project implementation; and*
2. *Replace native oak trees with a DBH of 6 inches or greater that cannot be avoided by the Project at a ratio satisfactory to the County, or pay an in lieu fee to the County's Tree Preservation Fund.*

Specific requirements for other native trees (excluding cottonwoods) will be determined through coordination with the County and City on an as-needed basis.

2.7 WILDLIFE

ECORP recently prepared a Biological Assessment of the *Rio Del Oro Project* site. This assessment has been included in the application package.

2.7.1 Description of Habitats

Vegetation communities occur primarily within the low-lying areas between the tailing piles. Vegetation communities identified within the Project site can generally be grouped into three categories: woodland, scrub, and grassland communities.

Additionally, approximately 0.224 acres of jurisdictional wetlands (0.008 acre seasonal wetland swale, 0.047 acre seasonal wetland and 0.169 acre ephemeral drainage) exists within the *Rio Del Oro Project* site. In addition, 8.8 acres of non-jurisdictional wetlands were identified in the Project site. All wetlands will be fenced prior to Project initiation, and no mining or other activities will occur

within 100 feet of any wetlands until the appropriate approvals and permits are in place, unless the wetland is already adjacent to an existing road, which will continue to be used throughout the life of the Project.

In order to ensure that any significant impacts to the wetlands will be properly mitigated, the Project has two (2) general mining phases. Phase 1 includes mining the portions of the site that do not have any wetlands. Phase 2 will involve mining of the material located below and around the wetlands. Phase 2 activities will not commence until GenCorp obtains the required approvals and permits from the Corps, the U.S. Fish and Wildlife Service ("Service"), the Central Valley Water Quality Control Board ("Board"), and the California Department of Fish and Game (DFG); collectively referred to hereafter as the "Resource Agencies." It is anticipated that, at a minimum, these permits will require GenCorp to ensure "no net loss" of identified wetlands in accordance with state and federal requirements.

2.7.2 Special Status Wildlife Species

The seasonal wetlands and vernal pools on the Project site represent habitat for the federally-threatened vernal pool fairy shrimp (*Branchinecta lynchi*) and the federally-endangered vernal pool tadpole shrimp (*Lepidurus packardii*). Gibson and Skordal conducted wet season surveys during 2001 on the *Rio Del Oro* Project site. Vernal pool fairy shrimp were documented in two seasonal wetlands located within the *Rio Del Oro* Mining Project site on the 2005 verified delineation. Vernal pool tadpole shrimp were documented in five features located adjacent to, but not within, the Project site on the 2005 verified delineation. California linderiella were observed during both survey years in a variety of seasonal wetlands, ponds, and riparian wetlands (Gibson and Skordal 2000a, 2001). Midvalley fairy shrimp were not observed on-site during these survey efforts. The Corps, in consultation with the Service, is ultimately responsible in making the determination of potentially suitable habitat.

Gibson and Skordal conducted elderberry surveys on the *Rio Del Oro* Project site during July and August 2000. The elderberry plant (*Sambucus mexicana*) is the exclusive host plant of the federally-threatened valley elderberry longhorn beetle (*Desmocerus californicus dimorphus*). There are 266 elderberry plants located within the *Rio Del Oro* Project site. Evidence of Valley elderberry longhorn beetle occurrence (i.e., exit holes) was observed on 37 (14 percent) of these shrubs. A 100-foot buffer will be fenced around all elderberry bushes. All elderberry bush locations will be verified in the field prior to installation or moving of the portable plant so that no valley elderberry longhorn beetle habitat is affected during mining. All elderberry bushes will be fenced prior to Project initiation. No mining or other activities will occur within 100 feet of any elderberry bushes

until the appropriate approvals and permits are in place, unless the elderberry bush is already adjacent to an existing road, which will continue to be used throughout the life of the Project.

In order to ensure that any significant impacts to the elderberry bushes will be properly mitigated, the Project has two (2) general mining phases. Phase 1 includes mining the portions of the site that do not have any elderberry bushes. Phase 2 will involve mining of the material located below and around the elderberry bushes. Phase 2 activities will not commence until GenCorp obtains the required approvals and permits from the Resource Agencies listed above. It is anticipated that, at a minimum, these permits will require GenCorp to prevent the take of any species protected by the Endangered Species Act in accordance with state and federal requirements.

Plant communities on-site represent potentially suitable habitat for a number of regionally occurring special-status bird species. Potentially occurring special-status birds include nesting raptors (white-tailed kite, Cooper's hawk, Swainson's hawk, northern harrier, burrowing owl, and other common raptor species), nesting songbirds (loggerhead shrike, lark sparrow, and California thrasher), and wintering or migrant birds (sharp-shinned hawk, ferruginous hawk, golden eagle, merlin, and tricolored blackbird). The destruction of active migratory bird nests, including those of raptors, is a violation of the MBTA, and disruption or destruction of an active raptor nest is also a violation of California Fish and Game Code section 3503.5. Furthermore, the destruction of nests of special-status bird species would constitute a violation of the federal or California Endangered Species Acts, or other applicable laws, depending on the status of the species.

Prior to commencing mining activities, the Applicant will retain a qualified biologist to perform a pre-construction survey during nesting season, and not more than 12 months prior to the commencement of ground disturbing activities, to determine whether any special-status bird species potential nesting sites are present. The biologist shall survey the Project Site and within 100 feet of the project site boundaries. If active nests are not found during the pre-construction survey, further mitigation shall not be required at that time. If active nesting sites are discovered, the biologist shall submit the result to the Department of Fish and Game, and the Operator. Construction activities shall not take place within 500 feet of the raptor nests and 100 feet of other migratory birds until the young have fledged. Trees containing nests that must be removed as a result of Project activities shall be removed during the non-breeding season (September to January).

In the event that an occupied nest site of a protected bird species is discovered during Project tree removal operations, the Operator shall protect the nest tree, screening trees, and replacement trees, shall apply the provisions of 14 CCR 919.2(d), and shall immediately notify the Department of Fish and Game. Appropriate mitigations will be devised through consultation with the agencies and the Operator. The specific protection measures to be implemented will be based on the establishment of buffer zones, compliance with year round restrictions, and the established critical periods for each species.

2.8 AIR RESOURCES/CLIMATOLOGY

The *Rio Del Oro* mining Project plans to use a portable processing plant to minimize fugitive dust emissions associated with hauling aggregate material to the plant. A copy of the Air Pollution Control Plan prepared for the proposed operation, which will be submitted to the Sacramento Metropolitan Air Quality Management District, is included in the application package.

2.9 LAND USES AND AESTHETICS

2.9.1 Existing and Surrounding Land Uses

The proposed mining site is distant from any non-industrial uses. The Project site is surrounded by Teichert's Grantline mining site to the west, vacant land owned by Aerojet to the south; Teichert's Grantline mining processing plant and Tsakopoulos-Bachman's industrial property to the east; and Aerojet-General Corporation's mining/industrial property to the north. The nearest designated residential area is located approximately 3,100 feet southeast of the proposed site.

2.9.2 Visual Impact to These Areas

Because mining will occur in a relatively remote area, visual impacts of the operation will be minor. Additionally, natural re-vegetation will occur as mining is completed, thereby resulting in a low level of visual change to the landscape.

3.0 DESCRIPTION OF PROPOSED MINING OPERATION

The type and extent of mining will affect reclamation planning. The following sections describe the mining operations and identify the aspects of the operation that are pertinent to the design of an effective Reclamation Plan.

3.1 DIMENSIONS, ACREAGE

The 1,300-acre Project site is owned by GenCorp. Approximately 600 acres of the proposed mining area, consisting of dredge tailings, will be disturbed. The actual disturbed acreage may be more or less depending on market conditions and on-site aggregate availability. The applicant proposes to mine these tailings to an elevation of 155 to 180 feet.

3.2 INITIATION AND TERMINATION

Mining will commence immediately following approval of the Project and will continue for up to 10 years from the approval date. Therefore, the dates of initiation and termination are estimated as July 12, 2007 and July 12, 2017 respectively.

3.3 PRODUCTION SCHEDULE

Production rates will vary as a function of market demand. However, the estimated production rate from the mining proposed in this application is approximately 1.5 to 4 million cubic yards per year, with a total of approximately 5 to 11 million cubic yards to be mined. A portion of the mined and processed material may be used on-site for reclamation.

3.4 MINING PLAN, PHASING

The Project has two (2) general mining phases. Phase 1 includes mining the portions of the site that do not have any elderberry bushes or wetlands. All elderberry bushes and wetlands will be avoided until GenCorp obtains the required approvals and permits from the Resource Agencies. No mining or other activities will occur within 100 feet of any elderberry bushes or wetlands until the appropriate approvals and permits are in place, unless the elderberry bush or wetland is already adjacent to an existing road, which will continue to be used throughout the life of the Project. Phase 2 occurs after all required permits and approvals are obtained by GenCorp from the Resource Agencies related to mitigation of the elderberry bushes and wetlands. The material located below and around the elderberry bushes and wetlands will be mined in Phase 2. Environmental constraint areas C and F, which may be mined at some time in the future, will honor the overall phasing of the project. Constraint areas which contain elderberry or wetland species would not be mined in Phase 1.

It is estimated that Phase 1 will take approximately 6 to 8 years to complete, Phase 2 is expected to take 2 to 4 years to complete; although it is difficult to estimate the term of mining for each individual phase due to market fluctuations. Please see Exhibit H, Mining Plan, which depicts the progression of mining during the two phases. The nature of dredge tailings is such that material quality may vary from one row of cobbles

to the next. Therefore, due to material quality and other potential site development constraints, the operator must maintain flexibility to discontinue mining of one cobble row in exchange for beginning another. As mining progresses, reclamation will immediately follow extraction and load-out activities. Because the operator will be concurrently reclaiming tailing rows as part of its mining plan, a row-by-row reclamation plan is not feasible. In most cases, reclamation of a row of cobbles would begin prior to the completion of the mining of that row. Nonetheless, the operator proposes to submit a semi-annual, RDO Mining and Reclamation Status Report ("Status Report") which will include the following:

- Description of the proposed mining and reclamation areas for the following six months;
- Prior mining areas, the reclamation status of those areas, and an updated exhibit; and
- Representative cross-sections for areas of proposed disturbance.

Representative cross-sections for areas of proposed disturbance shall be included as part of the Status Report. The updated Status Report and exhibits will be submitted to the Director as a supplement to this Reclamation Plan.

Additionally, because Phase 2 is contingent on GenCorp permitting, there is a chance that Phase 2 may not be mined. Under this scenario, the site topography at the end of Phase 1 would be the final site configuration. Site topography and typical cross-sections, excluding those areas that would fall under Phase 2, will be provided with each semi-annual letter report.

Mining and site reclamation operations include:

- Removal of aggregate material by means of front-end loader, bulldozer, excavator, and/or scraper;
- Processing of the excavated material with a portable crushing and screening plant; and
- As the mining progresses across a phase, the excavated areas will be reclaimed to final reclamation grades. Minor finished grading and slope contouring will be performed with motor graders, scrapers or bulldozers.

3.5 PROCESSING

All processing of mined material will occur at the *Rio Del Oro* Project site. A portable crushing and screening plant will be used to process the material. A portion of the mined material may be sold unprocessed.

3.6 WATER REQUIREMENTS

Water requirements for this site will be limited to that necessary for dust control of the material itself and the unpaved access/haul roads. The estimated use is 50,000 to 200,000 gallons per day (depending on the material's in place moisture as well as the hours of operation). Water will be supplied from one of two sources: 1) the County municipal water line located on the north side of White Rock Road; or 2) Boeing's groundwater extraction and treatment (GET) system along Douglas Road at extraction well EX-25. A water truck will transport water to the active portions of the mining site.

The EX-25 GET facility is located along Douglas Road near the intersection with the IRCTS Beta Complex entrance road. The GET facility discharges treated groundwater to Morrison Creek to the north under a NPDES permit. EX-25 currently operates at approximately 400 gallons per minute; and the discharge of treated groundwater would continue when Granite does not use the water.

3.6.1 Waste Water

No waste water will be produced or disposed of as a part of this mining operation at the mining site.

3.6.2 Drinking Water

Potable water will be brought to the site to provide safe drinking water for employees.

3.6.3 Sewage Disposal

One existing septic system is currently used on a limited basis by the Clark Cattle Company at the By-Dry area; and an inactive septic system is located at both the DM14 area and at the Sigma Complex. During operations, portable toilets will be brought to the site and maintained on a regular schedule.

3.7 ENERGY REQUIREMENTS

Energy requirements for the proposed mining operation are limited to that needed to extract, transport and process materials.

Petroleum fuels and lubricants are required for the vehicles used to mine the aggregate material, the portable crushing and screening plant, the equipment used to reclaim the mined areas, and the equipment used to load out the construction aggregate products. The scale loadout area will require electric power (which may be temporarily provided with a diesel generator. Petroleum fuels and lubricants may be stored onsite.

3.8 NOISE AND EMISSIONS

Mining Operations will include the use of bulldozer(s), front-end loader(s) or excavator(s), scraper(s), water truck(s), motor grader(s), and a portable crushing and screening processing plant. These mining operations may affect noise and emissions.

3.8.1 Noise

Noise is generally defined as "unwanted sound." Mineral resource extraction, hauling, screening loading and other site activities will create noise. Brown and Buntin Associates (BBA), acoustical and noise consultants, have been retained by the applicant to conduct noise studies and prepare a technical noise report for the proposed Project. The Noise Analysis has been included as part of the application.

As mentioned previously, the nearest proposed off-site residences are located approximately 3,100 feet east of the Project site. The nearest off-site active non-residential structures are industrial facilities, located within approximately 200 feet of the Project boundary. This area is zoned SPA. Additionally, substantial sources of ambient noise exist in the vicinity of the Project site, including traffic noise from White Rock Road and frequent jet landings at Mather Field.

3.8.2 Dust, Odors, Vehicular Emissions

Minimal soil disturbance is expected to occur as a result of mining operations because no topsoil removal is required to access the dredge tailings. However, water trucks will be used to maintain a moist aggregate and haul road surface, thereby minimizing fugitive dust. The portable plant will limit the travel distance between the mining operations and processing operations, thus decreasing fugitive dust emissions. Additional dust controls on the processing plant itself will consist of enclosures, wet suppression (water sprayers), and bag houses. In addition, the revegetation which will occur as part of the reclamation activities will help to control dust. A copy of the Air Pollution Control Plan prepared for the proposed operation, which will be submitted to the Sacramento Metropolitan Air Quality Management District, has been included in the application submittal.

3.9 HOURS OF OPERATION/NUMBER OF EMPLOYEES

The City Zoning Code limits the hours for all mining operations unless modified by the conditions of approval or a subsequent entitlement granted by the Zoning Administrator. The hours allowed by Code are 6:00 a.m. to 10:00 p.m., Monday through Friday, and 6:00 a.m. until 3:00 p.m. on Saturdays. The applicant requests permission to

operate on a 24 hours per day, 7 days per week basis, if required. The Applicant believes this request is reasonable given the remoteness of the site and the fact that the proposed mining operation is distant from any residential use.

The number of employees working on-site at any one time is anticipated to be twelve (12).

3.10 TRANSPORTATION

This Project is expected to generate an average of 500 truck trips per day. The actual number of truck trips depends on overall market conditions. Transportation during concurrent reclamation activities will not add appreciably to the mining effects. Trucks will enter and leave the site from White Rock Road and occasionally from Douglas Road.

3.11 HAZARDOUS MATERIALS

The project will not involve the handling, storage, or transportation of hazardous materials. Any trash generated on site will be hauled off to a local landfill.

A Hazardous Materials Business Plan (HMBP) will be prepared for this site. All plant employees shall be trained according to the HMBP. The HMBP includes criteria for identification of potential hazardous sites and discusses the timing, course of action, and responsibilities of interested parties. The HMBP will also address contamination from both the aerospace and industrial activities and potential contamination above and beyond the expected occasional cans, empty drums, cables, and other items that were associated with the historic dredger mining operations.

In the unlikely event that potentially hazardous materials are encountered during the mining operations, Granite will contact GenCorp and the Department of Toxic Substances Control (DTSC) within 24 hours to determine whether the materials are, in fact, hazardous. No operations will occur within the potentially contaminated area until clearance is received from GenCorp and DTSC.

If the contamination from a known constraint area is found to be more extensive or different than indicated by the existing data, the constraint areas will be expanded to reflect the more extensive area. The constraint area restrictions as outlined in the Reclamation Plan shall apply to the more extensive constraint areas.

Additionally, no mining waste will be generated by this project. All processed materials will be sold or used on site for reclamation. No waste water will be generated on site since water will only be used for dust suppression. Portable toilets will be used on site and will be maintained on a regular schedule.

3.12 MAINTENANCE AND FUELS

Any petroleum fuels or lubricants stored on site will be kept in the staging/sales area. Fuel will be stored in above-ground containers with secondary containment as required by law. An approved Spill Prevention, Control, and Countermeasures (SPCC) Plan will guide reporting, control, and cleanup activities in the event of a spill on-site.

Equipment fueling will be accomplished using mobile fuel trucks which will come on-site to service equipment. All rubber-tired equipment will be fueled in a designated area which will have an impermeable base. Fueling and maintenance activities associated with track-mounted equipment shall be conducted with proper safeguards to prevent hazardous materials releases. Absorbent booms will be stored in the fueling/maintenance area to allow rapid response and containment of any spills during maintenance activities.

4.0 DESCRIPTION OF PROPOSED RECLAMATION

This Reclamation Plan outlines typical reclamation activities and site-specific techniques required before mining, during mining, and at final site reclamation. These measures were developed to:

- Comply with local and State laws, regulations, and mitigation measures;
- Minimize wind and water erosion;
- Blend the mined lands into the surrounding landscape; and
- Return the site to a beneficial end use.

Reclamation objectives include controlling drainage, stabilizing soils, lessening the time needed for the vegetation of the site to recover, and providing an environment conducive to natural reestablishment of vegetation. Appendix C is the Revegetation and Grazing Management Plan for the Reclamation Plan.

4.1 SUBSEQUENT USES

After the proposed mining is complete, the land will be undeveloped open space and will be used for seasonal grazing, similar to the grazing which currently occurs on the property and adjacent properties. Ultimately, the site may also be used for urban/industrial development in the future. The removal of cobbles from the site makes it more viable for ultimate urban development.

4.2 IMPACT ON FUTURE MINING

The proposed Project calls for returning the land to its existing use of grazing. The reclamation will not detrimentally affect the feasibility of future mining in the area. Only the tailings within the proposed area will be mined.

4.3 RECLAMATION SCHEDULE

Reclamation of the site will occur concurrently with mining operations. As mining progresses, reclamation will immediately follow extraction and load-out activities. Because the operator will be concurrently reclaiming tailing rows as part of its mining plan, a row-by-row reclamation plan is not feasible. In most cases, reclamation of a row of cobbles would begin prior to the completion of the mining of that row. Please refer to Exhibit I for a description of the Reclamation Plan. The dredging operation discarded wire rope, empty lubricant drums, and possibly other metallic debris into the tailings. This debris will be stockpiled and sent to a scrap yard and/or landfill when a load of material has accumulated.

4.4 POST-MINING TOPOGRAPHY

4.4.1 Slope Stability

The proposed mining plan will return the subject property to a condition more like its natural state, by removing most of the man-made dredge tailing mounds. The undisturbed boundaries of the dredged area indicate that the natural terrain once sloped from elevations of approximately 190 feet along the north and east edges of the site to elevations of approximately 155 feet along the south and west edges of the site. Thus, the natural terrain consisted of relatively flat ground with slopes of approximately 1-2%. All side slopes will be reclaimed at a maximum 2:1 (horizontal:vertical) inclination per geotechnical recommendation.

4.4.2 Drainage

As discussed above, the site's natural drainage patterns were heavily modified by previous gold dredging operations. No interim drainage swales or ponds are necessary because the site consists of coarse dredge tailings and water infiltration is high. While the final grade of the mined area will be lower than adjacent ground, it will not create a drainage issue for the following reasons: 1) the area being mined has high water infiltration because it consists of previously disturbed dredge tailings and fines; and, 2) there is no through drainage in the area of the site where mining is taking place. Furthermore, it should be noted

that the original mining and Reclamation Plan also provided for drainage through infiltration as well.

4.4.3 Deposition of Old Equipment

Mobile equipment will primarily be used for mining, processing, and reclamation. Only mobile equipment will be used in this mining and processing operation. All scale facilities and ancillary facilities will be removed from the site upon completion of mining.

4.5 RESOILING

No overburden exists in the tailing area to be mined. However, fine material will be placed over the cobble area for reclamation. Pursuant to the Revegetation and Grazing Management Plan attached as Appendix C, fine material will be placed to provide a minimum of 6-inches of soil as necessary.

4.6 REVEGETATION

A Revegetation and Grazing Management Plan is attached as Appendix A. This plan describes soil and site preparation, revegetation, erosion control and management, noxious weed management, test plots and reclamation monitoring and performance standards.

4.7 EROSION AND SEDIMENT CONTROL

No overburden exists in the tailings areas to be mined. The cobble rows will be mined slightly below the grade of the surrounding ground. The excavated areas will be sloped to contain any sediment or runoff. Stockpile locations will typically be within the excavation areas. The reclaimed areas will be hydroseeded on a periodic basis, but not longer than six (6) months after operations within a cobble row are complete. The scale area will be graded to drain to a detention basin. Erosion control management is described in Appendix A, Revegetation and Grazing Management Plan. Revegetation efforts will comply with the standards set forth in the Revegetation and Grazing Management Plan.

A Storm Water Pollution Prevention Plan has been prepared for this site despite the fact that no storm water is expected to discharge offsite. Performance standards and BMPs for erosion and sediment control, drainage, and diversion structures are included in the SWPPP.

A basin design memo from Cunningham engineering is included as an appendix in the SWPPP. Per the memo, in the event of a 100-year annual rainfall distribution, at the end

of the water year, the pond will be 52% full. The storm water retention basin for the Staging/Sales Site shall be constructed to comply with the design memo. Inlet locations and specifications are included in the SWPPP. An emergency spillway was not included in the design because the top of the basin is surrounded by cobble.

4.8 PUBLIC SAFETY

The proposed mining site is relatively distant from non-industrial uses. As stated previously, the nearest planned residential development is located approximately 3,100 feet east of the proposed site. As such, public health and safety will not be impacted.

Reclamation of this site will involve the creation of open space/grazing area by leaving the previously mined site "as is." As such, no hazardous materials will be utilized in this process. Additionally, although TCE, a contaminant, has been found in groundwater beneath the proposed mining site, this contamination is far beneath the surface (over 100 feet). Since the mining depths are above the groundwater table, there will be no disturbance of the groundwater. Accordingly, any contamination in the groundwater has no relationship to proposed mining activities and vice versa.

4.9 PERFORMANCE STANDARDS

SMARA Section 2772 (a) requires that the Reclamation Plan establish "site-specific criteria for evaluating compliance with the approved Reclamation Plan, including topography, revegetation, and sediment and erosion control." The following discussion sets forth minimum site criteria, or performance standards, for the various aspects of site reclamation. Monitoring of reclamation performance standards will be conducted by a qualified individual or group, agreed upon by the applicant and the City. The attached Revegetation and Grazing Management Plan describes specific reclamation monitoring and performance standards for this plan. In addition, the City of Rancho Cordova, pursuant to City Code Section 20.040.070 (d) provides the following standards:

- (d) Unless otherwise Specified in the approved Reclamation Plan, the reclamation of mined lands shall be carried out in accordance with the following requirements:

1. Reclamation Timing

- a. The reclamation of mined lands shall occur as soon as practical following completion of mining operation at successive locations within the mining site as required by the schedule in the approved Reclamation Plan.

- b. The reclamation of lands shall occur as soon as practical following completion of mining operations, except where the permanent reclaimed condition of mined lands cannot be achieved within one year due to the regulatory approvals (e.g., compliance with the California Environmental Quality Act) required for the ultimate land use contemplated or proposed for the property (e.g. urban development). In such case only interim reclamation, pursuant to section 20.040.070(c), need be accomplished within one year, and final reclamation shall be completed as soon as it is possible to complete the reclamation in compliance with the above regulatory approvals, but in no case, shall reclamation take more than three years.

2. Disposal of Overburden and Mining Waste

- a. Permanent piles or dumps of overburden and waste rock placed on the land shall be made stable, shall not restrict natural drainage without provision for diversion, and shall have an overall smooth or even profile subject to the satisfaction of the of the City Engineer. Where practical, such permanent piles or dumps shall be located in the least visible location at the mining site.
- b. Old equipment and inert mining wastes shall be removed or buried subject to the approval of the hearing officer.
- c. Toxic materials shall be removed from the site or permanently protected to prevent leaching into the underlying groundwater, to the satisfaction of the Planning Department.

3. Re-vegetation

- a. All permanently exposed lands that have been denuded by mining operations shall be re-vegetated to provide ground cover sufficient to control erosion from such lands.
- b. All plantings shall be established and maintained in good horticultural condition. The re-vegetation shall be able to survive under natural conditions.
- c. Re-vegetation methods shall take into account the topography and existing growth patterns and mixes of flora present at and adjacent to the site of mining operations in order to create a more natural appearance. Plantings shall avoid rigid, geometric patterns and shall utilize natural scatterings.

- d. Where the ultimate intended or proposed use of mined lands would be a level of development inconsistent with extensive permanent vegetation, the amount of vegetation required for reclamation need not be more than sufficient to prevent erosion.

4. Re-soiling

- a. Re-soiling measures shall take into consideration the quality of soils which may be required to sustain plant life pursuant to any re-vegetation that the hearing officer may require in its approval of the applicant's Reclamation Plan.
- b. Coarse, hard material shall be graded and covered with a layer of finer material or weathered waste. A soil layer shall then be placed on this prepared surface. Where quantities of available soils are inadequate to provide cover, native materials shall be upgraded to the extent feasible for this purpose.

5. Final Slopes

- a. Final slopes shall be engineered and contoured so as to be geologically stable, to control the drainage there from, and to blend with the surrounding topography where practical. On the advice of the City Engineer, the Planning Department may require the establishment of terrace drains to control drainage and erosion.
- b. Final slopes shall not be steeper than two feet horizontal to one foot vertical (2:1) unless the applicant can demonstrate to the Planning Department's satisfaction that a steeper slope will not:
 - (1) Reduce the effectiveness of re-vegetation and erosion control measures where they are necessary;
 - (2) Be incompatible with the alternate future uses approved by the commission of the site; and
 - (3) Be hazardous to persons that may utilize the site under the alternate future uses approved for the site.

6. Drainage, Erosion, and Sediment Control

- a. Any temporary stream or watershed diversion shall be restored to its state prior to any surface mining activities unless the Planning

Department deems otherwise based on recommendations from the City Engineer.

- b. Stream bed channels and stream banks affected by surface mining shall be rehabilitated to a condition which would minimize erosion and sedimentation, except that such rehabilitation need not attempt to restore or mimic natural conditions where the contemplated or proposed ultimate use of the reclaimed property would be inconsistent with the maintenance of restored or rehabilitated stream bed channels and stream banks.
- c. Re-vegetation and re-grading techniques shall be designed and executed so as to minimize erosion and sedimentation. Drainage shall be provided to natural outlets or interior basins designed for water storage, with such basins subject to the approval of the City Engineer. In addition, final excavation shall eliminate potholes and similar catchments so as to prevent potential breeding areas for mosquitoes.
- d. The final grading and drainage of the site shall be designed in a manner to prevent discharge of sediment above natural levels existent prior to mining operations.
- e. Silt basins which will store water during periods of surface runoff shall be equipped with sediment control and removal facilities and protected spillways designed to minimize erosion when such basins have outlet to lower ground.
- f. No condition shall remain after reclamation which will or could lead to degradation of groundwater quality below applicable standards to the Regional Water Quality Control Board or any other agency with jurisdiction over water quality.

7. Backfilling and Grading

- a. Subject to the approval of the City Engineer, backfilled and graded areas shall be placed to avoid excessive settlement and to the degree necessary to accommodate anticipated future uses.
- b. Materials used in the refilling (if necessary) shall be of a quality suitable to prevent contamination and/or pollution of groundwater. If materials for backfilling and grading are obtained from an area other than the site of surface mining operations, such materials shall be

included and the approximate quantities identified in the applicant's Reclamation Plan.

8. **Reservoirs, ponds, lakes or any body of water created as a feature of the Reclamation Plan shall be approved by the City Engineer and the Planning Department.**

4.10 MAINTENANCE, MONITORING, AND REMEDIAL MEASURES

Pursuant to CCR Section 2773(a), the success of reclamation will be monitored for three years, or until performance standards are met, provided that, during the last two years, there has been no human intervention, including for example, irrigation, fertilization, or weeding. Remedial measures will be implemented as necessary to achieve the performance standards.

4.11 REPORTING

Once the reclamation activities for a phase have been completed, monitoring activities will commence and will continue until the City is satisfied that performance standards have been met. Reporting of the progress of reclamation will be relayed to the City on an annual basis.

Pursuant to SMARA Section 2774(b), the City shall conduct an annual inspection of the mining operation to determine compliance with SMARA. The City shall notify the Director within 30 days of the date of completion of the inspection that the inspection has been conducted.

5.0 COST OF RECLAMATION

A reclamation cost estimate is provided in Appendix B.

6.0 APPLICANT STATEMENT OF RESPONSIBILITY

The Applicant's Statements of Responsibility and Lead Agency Certification are provided as Appendix C.

LEAD AGENCY CERTIFICATION

I, the undersigned, hereby certify that this reclamation plan complies with the applicable requirements of Articles 1 and 9 (commencing with Sections 3500 et seq. and 3700 et seq., respectively) of Chapter 8 of Division 2 of Title 14 of the California Code of Regulations, and with the requirements of the Surface Mining and Reclamation Act, Sections 2710 et seq.

Signed this _____ day of _____, 20____.

Planning Director _____

STATEMENT OF RESPONSIBILITIES

I, the undersigned, hereby agree to accept full responsibility for reclamation of all mined lands as described and submitted herein and in conformance with the applicable requirements of Articles 1 and 9 (commencing with Sections 3500 et seq. and 3700 et seq., respectively) of Chapter 8 of Division 2 of Title 14 of the California Code of Regulations, the Surface Mining and Reclamation Act commencing with Section 2710 et seq., and with any modifications requested by the administering agency as conditions of approval.

Signed this 3 day of July, 2007.

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
1.	The applicant will meet in good faith to discuss the possible creation of a "Reclamation Authority" as authorized by the State of California.	Within 90 days of the approval date of the Mining Permit	Planning	
2.	The Granite Construction Mining and Reclamation Plan is approved by the Planning Commission as of July 26, 2007, subject to the Conditions of Approval/MMRP, Reclamation Plan and the Financial Assurance Cost Estimate. The Mining Permit is valid for ten, 10 years from the date of approval.	Expires 10 years from July 26, 2007	Planning	
3.	The Applicant shall hold harmless the City, its Council Members, its Planning Commission, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.	During all phases of the project	Planning	
4.	Granite Construction is authorized to operate on a 24 hours per day, 7 days per week basis. If during the mining, the City receives complaints regarding nighttime mining operations, the Planning Director shall evaluate the technical merits of the complaints and at his discretion shall work with the applicant to modify mining operations to ensure compliance with General Plan and Zoning Code standards. As necessary to resolve the conflict, the hours for the mining operations could be changed to operate at the normal time periods of 6:00 a.m. to 10:00 p.m., Monday through Friday, and 6:00 a.m. until 3:00 p.m. on Saturdays, only	During all phases of the project	Planning	

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification</u> (date and Signature)
5.	The applicant shall mitigate the potential for track-out on-site. If track-out still occurs, the project applicant shall require paved streets adjacent to construction sites to be washed or swept daily to remove accumulated dust. This requirement shall be included as a note in the reclamation plan submittal.	During all phases of the project	Public Works	
6.	Maintain security fencing around the perimeter of the site, and provide warning/trespass signs to comply with the Zoning Code. All perimeter fencing shall be retained until post-reclamation development of the project site occurs.	During all phases of the project	Planning	
7.	Should the City Engineer determine that an unexpected and significant, project related traffic problem has occurred during the course of the mining operation and transfer of materials off-site, he/she will work with the applicant to implement appropriate mitigation measures. On-site mitigation shall be initially encouraged by the City such as truck metering or queuing. The operator shall agree to cooperate and pay its fair share as determined by the Public Works Director for the construction of off-site improvements, if needed.	During all phases of the project	Public Works	
8.	The proponent shall ensure the moisture content of the material being conveyed; if used in the future, to the processing plant is sufficient to avoid visible dust emissions from the loading and unloading points.	During all phases of the project	Planning	

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
9.	In the unlikely event the mining operation encounters any former waste disposal area, mining activities shall immediately cease and the following agencies shall be contacted to determine the appropriate course of action: • Sacramento County Environmental Management Department, Environmental Health Division: (916) 875-8416. • State Department of Toxic Substances Control: (916) 255-3601. • Central Valley Regional Water Quality Control Board: (916) 255-3000.	During all phases of the project	Planning	
10.	Mining equipment and any toxic substance associated with mining or reclamation operations shall be protected from flooding and from contact with surface water.	During all phases of the project	Planning	
11.	The discharge of wastewater (including aggregate process water) to surface waters or surface water drainage courses is prohibited.	During all phases of the project	Planning	
12.	No polluting substance or toxic compound shall be applied to the mining surface area. Any form of pollutant used on the site shall be contained and not disposed of onsite.	During all phases of the project	Planning	

Conditions of Approval

Section 1		Timing/ <u>Implementation</u>	Enforcement/ <u>Monitoring</u>	<u>Verification</u> (date and Signature)
	<i>Prior to Issuance of the Work Authorization Permit</i>			
13.	Applicant shall pay the City any outstanding balance incurred by the City for the processing of the mining permit.	Prior to the issuance of the work authorization permit	Planning	
14.	The applicant shall comply with all the mitigation measures included in the Mitigated Negative Declaration adopted July 26, 2007 and pay the costs of any technical consultant services incurred during implementation of the MMRP. The initial estimate of these costs is \$10,000. If the initial estimate exceeds the actual monitoring costs, the balance shall be refunded to the proponent, and if the actual monitoring costs exceed the initial estimate, the proponent shall be responsible to pay the additional amount.	Prior to the issuance of the work authorization permit	Planning	
15.	Provide the City of Rancho Cordova with a performance bond in the amount of \$644,928 made payable to the City of Rancho Cordova and the Department of Conservation of the State of California to financially guarantee reclamation of the property. The amount of the bond shall be subject to annual review and adjustment, pursuant to the requirements of the City's Mining Ordinance.	Prior to the issuance of the work authorization permit	Planning	
16.	The applicant and the City shall negotiate an agreement establishing the terms, conditions and method of determining the payment of a percentage of the retail sales (not to exceed 1% of the gross sales) generated by the sales of mined materials removed from the City and sold off-site.	Prior to the issuance of the work authorization permit	Finance	

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
17.	The applicant shall be required to install signs, to the satisfaction of the Public Works Department, alerting the traveling public to trucks entering/exiting the property.	Prior to the issuance of the work authorization permit	Public Works	
18.	The applicant shall enter into an agreement with the City to address damages and impacts to City roadways directly attributable to the project. Impacts include, but are not limited to; public improvements necessitated by the project and accelerated wear on public infrastructure. The form of the agreement may include a fee per unit of material hauled away from the site and/or a capital fee to the satisfaction of the Public Works Department. The applicant shall prepare a roadway condition assessment for the City's review prior to hauling material off-site which describes the current condition of the impacted City roadways.	Prior to the issuance of the work authorization permit	Public Works	
19.	All haul route exit drives shall be paved minimum 100-feet prior to the point of exit to public right-of-way and swept on a regular basis to the satisfaction of Public Works.	Prior to the issuance of the work authorization permit	Public Works	
20.	Obtain appropriate permits from Public Works and provide adequate drain facilities into the established flood control system, in accordance with the Sacramento County Improvement Standards. The drainage plan shall mitigate the increase in surface runoff into Morrison Creek and shall show Best Management Practices (BMPs) to prevent erosion and sedimentation in those swale areas.	Prior to the issuance of the work authorization permit	Water Resources- Drainage	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification</u> (date and Signature)
	<i>Prior to Certification of the Completion of the Reclamation Plan</i>			
21.	The project proponent shall prepare for approval by the Planning Director a Tree Replanting Plan representing the size, species, and location of trees to be planted in compliance with mitigation measure MM 4.2 of the Final Mitigated Negative Declaration. The plan shall seek to place trees within the vicinity of the project and consistent with whatever use is planned for or located on the property.	Prior to Final Certification of the Reclamation Plan	Planning	

ITEM 10.6.

Mitigation Measures

Section 2		Timing/ Implementation	Enforcement/ Monitoring	Verification (date and Signature)
MM 1.1	The project proponent shall ensure that night time lighting levels be maintained at the minimum level necessary to provide for security and safety at the project site. All night time lighting shall be shielded and aimed appropriately to prevent any direct upward illumination or light directed at adjacent properties. If the City receives complaints from any residents of adjacent areas of nuisance lights, the project proponent shall take immediate action to prevent lights from producing significant light or glare at adjacent properties. All on-site stationary lighting shall comply with this requirement throughout the entirety of operation of the project. Vehicle and all other mobile equipment lights (except for any lights mounted on the mobile processing plant) are exempt from this requirement for safety reasons. However, the use of high beams shall be limited within 1,500 feet of the western boundary of the project site to those times when they are required for safety reasons. Signs visible to truck drivers shall be posted along any haul roads within 1,500 feet of the western boundary of the project site that state that high beams are to be used only as required for safety. All drivers shall be notified of this requirement prior to operating on-site.	Throughout project operation once homes are occupied within the Rio Del Oro project or within 1,500 feet of any portion of the project site.	City of Rancho Cordova Planning Department and Code Enforcement Department.	
MM 3.1a	The project proponent shall require that the operators water all haul roads and all exposed soils at least twice daily during construction, mining and reclamation activities.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	

ITEM 10.6.

Exhibit B to the Resolution

Mitigation Measures

MM 3.1b	The project proponent shall require that the operators limit vehicle speed for on-site construction vehicles to 15 miles per hour on any unpaved roadways at all times. Signs stating the speed limit and that dust control measures are in effect shall be placed at each entrance/exit of the site and along all haul roads. Truck and equipment operators shall be notified that dust abatement is a concern and of the 15 mph speed limit.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
MM 3.1c	The project proponent shall require that, when transporting materials by truck during mining and reclamation activities, loads shall be covered or two feet of freeboard shall be maintained by the operator. Compliance with this measure shall be enforced by both the City and the project foreman.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
MM 3.1d	The project proponent shall ensure that all exposed soil existing after mining of the project site is seeded with non-invasive species and mulched with certified weed-free straw mulch immediately after mining. The amount of exposed soil at any one time shall be minimized as much as possible. Seeding and straw mulching shall be conducted as the project progresses, immediately following regrading of the soil. All seeding shall be conducted according to California Stormwater Quality Association (CASQA) guidelines, as shown in their California Stormwater BMP Handbook (EC-4). All straw mulch application shall be conducted according to CASQA guidelines, as shown in their California Stormwater BMP Handbook (EC-6). All seeded and mulched areas shall be inspected daily to ensure dust is controlled during the establishment period. Water shall be applied to any areas known or suspected to generate dust during any high wind events (winds greater than 15 miles per hour).	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	

ITEM 10.6.

Mitigation Measures

MM 3.1e	The project proponent shall provide a plan for approval by the City and the Sacramento Metropolitan Air Quality Management District (SMAQMD) demonstrating that the heavy-duty (>50 horsepower) off-road vehicles to be used in the construction and operation of the proposed project will achieve a fleet-averaged 20 percent NOx reduction and a 45 percent particulate reduction compared to the most recent CARB fleet average. The project proponent shall submit to the City and SMAQMD a comprehensive inventory of all off-road equipment, equal to or greater than 50 horsepower, that will be used an aggregate of 40 or more hours during the project. The inventory shall include the horsepower rating, engine production year, and hours of use or fuel throughput for each piece of equipment. The inventory shall be updated and submitted monthly throughout the duration of the project, except that an inventory shall not be required for any 30-day period in which no activity occurs; and, The project proponent shall ensure that emissions from all off-road diesel powered equipment used on the proposed project sites does not exceed 40 percent opacity for more than three minutes in any one hour. Any equipment found to exceed 40 percent opacity shall be repaired immediately, and the City and SMAQMD shall be notified within 48 hours of identification of non-compliant equipment. A visual survey of all in-operation equipment shall be performed at least weekly by a qualified third-party professional, and a monthly summary of the visual results shall be submitted to the City and SMAQMD throughout the duration of the project, except that the monthly summary shall not be required for any 30-day period in which no construction activity occurs. The monthly summary shall include the quantity and type of vehicles surveyed as well as the dates of each survey. The SMAQMD and/or other officials may conduct periodic site	Equipment Inventory shall be submitted prior to site disturbance. Remainder of measure shall be complied with throughout construction and operation of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
---------	---	--	---	--

ITEM 10.6.

Mitigation Measures

	inspections to determine compliance. Nothing in this section shall supersede other SMAQMD or state rules or regulation. In the event construction equipment meeting the requirements set forth above is determined not to be available, the project proponent shall notify the City and SMAQMD. Upon verification that required low-emission construction equipment is not available, the City may waive this measure. This requirement shall be included as a note in all project construction plans.			
MM 3.1f	The project proponent shall offset excess emissions (to below the 65 lbs/day threshold of significance) by paying an off-site operational mitigation fee to the Sacramento Metropolitan Air Quality Management District (SMAQMD) Operational Mitigation Fee Program. The final amount of the fee is to be determined by SMAQMD in consultation with the project proponent during the stationary air quality permit process. The project proponent shall provide documentation of the payment of the fee to the City prior to site disturbance.	Prior to site disturbance.	SMAQMD in consultation with the City of Rancho Cordova Planning Department.	
MM 3.2	Mining conducted by the project proponent shall be phased such that aggregate located generally in the western portion of the project site is mined early in the process. Mining shall be phased so that mining generally progresses from west to east as much as possible during the project life. The project proponent shall coordinate with Elliott Homes and GenCorp Realty Investments to ensure that mining is phased to reduce impacts to new development.	Throughout all phases of the project.	City of Rancho Cordova Planning Department.	
MM 4.1a	Prior to each phase of construction or mining or any other site disturbance between the dates of March 1 and August 31, a determinate survey shall be conducted to determine if	All necessary surveys shall be provided to the	City of Rancho Cordova Planning	

Mitigation Measures

	active nesting by birds protected under the Migratory Bird Treaty Act (MBTA) or other special-status bird species is taking place. Surveys shall be conducted according to the following requirements: • The survey(s) shall be conducted by a qualified biologist or other equivalent professional • The survey(s) shall be conducted no more than 30 days and no less than 14 days prior to site disturbance to occur between March 1 and August 31 for each year the proposed project would operate. • The survey(s) shall include all areas within 250 feet of the project site. • A copy of the survey(s) shall be provided to the City of Rancho Cordova no less than 7 business days prior to site disturbance. If any special-status bird species are found to be nesting within the survey area, the project proponent shall immediately contact the City of Rancho Cordova Planning Department in order to determine the appropriate mitigation, if any, required to minimize impacts to nesting birds. No activity of any kind may occur within 250 feet of any nesting activity or as otherwise required following consultation with the City Planning Department and the California Department of Fish and Game until such time as the young have fledged. If all activities are to be completed outside the nesting season (identified above), determinate surveys shall not be required.	City of Rancho Cordova Planning Department no less than 7 days prior to site disturbance between March 1 and August 31. Surveys shall be repeated for each year the project plans to operate.	Department in consultation with the California Department of Fish and Game.	
--	---	--	--	--

ITEM 10.6.

Mitigation Measures

MM 4.1b	The project proponent shall update determinate surveys for potentially occurring special-status species or their habitat using protocol acceptable to the regulatory agencies with authority over these species, or assume species presence within the area of project activity. - If any special-status species or their habitat are indicated or assumed, a detailed plan which describes the specific methods to be implemented to avoid and/or mitigate any project impacts upon special-status species to a less than significant level will be required. This detailed Special Status Species Avoidance/Mitigation Plan shall be prepared in consultation with the U.S. Fish and Wildlife Service (USFWS) and the California Department of Fish and Game (CDFG), and shall emphasize a multi-species approach to the maximum extent possible. The Special-Status Species Avoidance/Mitigation Plan shall be submitted to the City Planning Department for approval. - Where project impacts include take of a State listed animal species, a "2081-incidental take" permit shall be obtained from the CDFG and permit conditions implemented, pursuant to the California Endangered Species Act. Proof of such a permit shall be provided to the City of Rancho Cordova Planning Department prior to site disturbance. Determinate surveys for potentially occurring special-status species shall be conducted no more than three months prior to site disturbance. A copy of all determinate surveys shall be provided to the City Planning Department no less than seven days prior to site disturbance.	Determinate surveys shall be performed no more than three months prior to site disturbance. Any required avoidance/mitigation plans or permits listed above shall be provided to the City Planning Department prior to approval of improvement/grading plans or prior to site disturbance, whichever comes first.	City of Rancho Cordova Planning Department in consultation with the California Department of Fish and Game.	
---------	---	--	--	--

ITEM 10.6.

Mitigation Measures

MM 4.1c	No disturbance, during any phase of the proposed project, within 100 feet of any wetlands or ephemeral drainages identified in the wetland delineation for the Rio Del Oro Specific Plan shall take place until such time as the approved mitigation is in place properly addressing the impacts to vernal pools and other seasonal habitats that support vernal pool fairy shrimp and vernal pool tadpole shrimp in such a manner that there will be no net loss of habitat (acreage and function) for these species in the Laguna Formation (pursuant to City Policy NR.2.1). The project proponent shall prepare and submit an annual Habitat Monitoring Report (HMR) to the City, which documents efforts to avoid sensitive habitat areas and the associated monitoring efforts. Included in the HMR will be the appropriate documentation of GenCorp's (or others) permitting and mitigation efforts. The project proponent will provide all required permits and approvals to the City before impacting sensitive habitat areas. The HMR shall also include a schedule of planned activities including the following: • The location of the proposed vernal pool and seasonal wetland habitat site(s) and a detailed map of showing the acreage, distribution, and type of wetlands to be created to ensure no net loss in wetland habitat acreage, values and functions. The compensation wetlands shall be designed to, at a minimum: meet or exceed the hydrophytic conditions and operating functions of the existing wetlands proposed for impact.	Prior to approval of grading and improvement plans and construction plans prior to any ground-disturbing activity.	City of Rancho Cordova Planning Department.	
---------	---	--	---	--

Mitigation Measures

	• A monitoring plan to assess whether the compensation wetlands are functioning as intended. Specific performance standards for hydrologic, floral, and faunal parameters shall be proposed to determine success of the created wetlands. The monitoring plan shall specify the corrective measures/modifications to be implemented in the event that monitoring indicates that the performance standards are not being met. • A maintenance plan for the wetland preservation/mitigation areas describing the measures to be implemented to assure that they are maintained as wetland habitat in perpetuity. • A requirement that fencing be installed around all existing vernal pools that are within fifty feet of any haul route, spoil zone, stockpile zone, creation zone, or other construction area. The fencing shall be of high visibility material and limit access to the project site. Fencing shall be placed no closer than 10-feet to the delineated, verified perimeter of existing vernal pools. • A requirement that a qualified biological resources monitor, approved by the City be on the site(s) to ensure compliance with identified mitigation for the duration of all the proposed activities. The construction manager shall submit bi-annual compliance reports to City monitor for review for a period of five years. • The vernal pool and seasonal wetland habitat site shall be surveyed by a qualified biologist no more than 30 days prior to the onset of construction for the presence of raptor and federal and state listed bird nesting sites,			
--	--	--	--	--

ITEM 10.6.

Mitigation Measures

	unless it is determined that construction will occur outside of the breeding season for all species likely to occur on site or observed present. If active nesting sites are observed present all state and federal guidelines pertaining to active nesting sites shall be strictly adhered to in consultation with a qualified biologist. • The project proponent shall grant full access to the vernal pool and seasonal wetland habitat site to the City for the monitoring of construction activities and mitigation compliance. Access shall be granted during all construction activities and the City monitor may issue stop work orders if mitigation non-compliance is identified. • The project proponent shall specify that measures for reuse or disposal of excavated material are suitable for use at project site. The plan should minimize the elapsed time between excavation and reuse and provide adequate stockpile coverage and protection from wind and water erosion during the entire storage period. If excavated material is unsuitable for reuse at the project site, the plan shall include specific information regarding the eventual reuse or disposal site, transportation method(s), disposal reuse management, and schedule. • A spill prevention and response plan to the satisfaction of the City. • A requirement that all disturbed areas be revegetated by the following methods: hydro seeding, drill seeding, or spreading of upland seed bearing soil. The method of revegetation shall be approved by a qualified wetland			
--	--	--	--	--

ITEM 10.6.

Mitigation Measures

	specialist and to the satisfaction of the City. Incorporation of the use of non-toxic soil stabilizers according to manufacture's specifications to all inactive construction areas. Use non-toxic binders to exposed areas after cut and fill operations and hydro seeded areas. The vernal pool and seasonal wetland habitat site shall be watered as directed by the City of Rancho Cordova Department Public Works and the SMAQMD and the frequency shall be based on the type of operation, soil and wind exposure. The project proponent shall submit the proposed Habitat Monitoring Plan (HMP) to the City for endorsement prior to grading permit approval or any groundbreaking activity and initiation of mitigation activities (including mitigation land acquisition). Execution of mitigation measure 3.10-1a of the Rio Del Oro Specific Plan EIR/EIS would constitute compliance with this measure and no additional action will be required, provided that the actions conducted pursuant to mitigation measure 3.10-1a included mitigation for loss of wetlands within the project site (to the standard set by City Policy NR.2.1).			
MM 4.1d	The project proponent may conduct construction or operation of the proposed project in those areas that lie more than 100 feet from any trees, elderberry shrubs, wetlands, or ephemeral drainages prior to the satisfaction of mitigation measure MM 4.1c providing that the standard set of best management practices are employed when working in areas within 250 feet of these features including:	All BMPs shall be shown on all plans for the proposed project prior to approval. Measure shall be complied with continuously until	City of Rancho Cordova Planning Department in consultation with the Public Works Department,	

Mitigation Measures

	• Implementation of erosion control measures during all construction and operation including installation of long-term erosion control devices such as straw wattles, hay bale check dams, and silt fencing as required; • Removal of cover vegetation as close as practicable to the time of construction or mining; • Confinement of construction equipment and associated activities to the areas to be mined (as shown in Figure 2 and excluding those areas identified as "constraints areas" shown in Figure 5); • Reestablishment of stream bank contours following construction and installation of permanent erosion control as needed; • Prohibiting refueling of construction related equipment within 250-feet of the aquatic environment; • Maintenance of hazardous materials spill kits in proximity to all aquatic crossings; • Compliance with state and federal permits; • Performance of proper sediment control; • Formulation and adherence to a spill prevention and response plan; • Monitoring of construction and mining activities near specified features;	the end of the project or compliance with mitigation measure 4.1c.	Sacramento County Department of Water Resources, and the California Regional Water Quality Control Board.	
--	--	--	---	--

ITEM 10.6.

Mitigation Measures

	• Removal of all construction and operational spoils, remaining materials and miscellaneous litter for proper off-site disposal; and • Post-construction monitoring and supplemental revegetation of all disturbed areas. These requirements shall be conducted according to City standards and to California Stormwater Quality Association standards. These measures can be included in the Stormwater Pollution Prevention Plan (SWPPP) required by the Public Works Department, the County Department of Water Resources, and/or the California Regional Water Quality Control Board. While these measures may be combined with a SWPPP, the project proponent shall ensure that all BMPs required in this measure are complied with throughout the life of the project, regardless of the requirement or contents of a SWPPP. A qualified biological or stormwater monitor shall be contracted for monitoring of the condition and quality of these measures throughout the life of the project. Quarterly reports shall be submitted to the City Planning Department throughout the life of the project, indicating the presence, use, condition, and replacement (as needed) of all protective BMPs. If the conditions of mitigation measure 4.1d are met, either through the actions of the project proponent or compliance with mitigation measure 3.10-1a of the Rio Del Oro Specific Plan EIR/EIS by the project proponent for that project, the requirements of this measure will be considered met and the conditions of any actions conducted pursuant to measure			
--	---	--	--	--

ITEM 10.6.

Mitigation Measures

	4.1d or 3.10-1a shall be followed instead.			
MM 4.1e	No project activity shall proceed within 100 feet of areas containing VELB habitat (i.e., elderberry shrubs) until a BO has been issued by USFWS, and the project proponent has abided by all pertinent conditions in the BO relating to the proposed project, including conservation and minimization measures, intended to be completed before on-site action. Conservation and minimization measures are likely to include preparation of supporting documentation that describes methods for relocation of existing shrubs and maintaining existing shrubs and other vegetation in the preserve. Relocation of existing elderberry shrubs and planting of new elderberry seedlings shall be implemented on a no-net-loss basis. Detailed information on monitoring success of relocated and planted shrubs and measures to compensate (should success criteria not be met) would also likely be required in the BO. Ratios for mitigation of VELB habitat will ultimately be determined through the ESA Section 7 consultation process with USFWS, but shall be a minimum of "no net loss." A VELB mitigation plan is currently being developed through ESA Section 7 consultation with USFWS. The mitigation plan will also address the proposed delisting of VELB and any mitigation to be implemented if the delisting occurs prior to project implementation due to requirements under CEQA. Implementation of this plan would satisfy mitigation requirements for the removal of elderberry savanna, a sensitive habitat as identified by DFG, as well as single elderberry shrubs. A copy of the USFWS-approved mitigation plan shall be submitted to the City before the approval of any grading or improvement plans or any ground-disturbing activities within 100 feet of VELB habitat.	Prior to the approval of grading permits or any ground-disturbing activity within 100 feet of VELF habitat.	City of Rancho Cordova Planning Department in consultation with the California Department of Fish and Game and the U.S. Fish and Wildlife Service.	

ITEM 10.6.

Mitigation Measures

	Should delisting of VELB occur, a mitigation plan that would compensate for the removal of elderberry savanna, a sensitive habitat as identified by DFG, would still be required. The mitigation plan shall be submitted to and approved by DFG and the City before the approval of any grading or improvement plans or any ground-disturbing activities that would affect elderberry savanna for all project phases. Execution of mitigation measure 3.10-4b of the Rio Del Oro Specific Plan EIR/EIS would constitute compliance with this measure and no additional action will be required, provided that the actions conducted pursuant to mitigation measure 3.10-1a included mitigation for loss of elderberry shrubs within the project site.			
MM 4.1f	The project proponent shall ensure that constraints Area B shown in Figure 5 is expanded to include the whole of the area to be dedicated as elderberry preserve according to the Rio Del Oro Specific Plan EIR/EIS, as shown on Exhibit 3.10-3 of that document. Updated plans showing this expanded constraints area shall be submitted to the City Planning Department for review and approval prior to initiation of any site disturbance within 250 feet of existing Elderberry shrubs on the project site.	Prior to site disturbance within 250 feet of any Elderberry shrub on the project site.	City of Rancho Cordova Planning Department.	
MM 4.2	Prior to any site disturbance, a certified arborist or similarly qualified professional, approved by the City, shall conduct a full tree survey for the project site. The tree survey shall indicate the size, species, and general health of all trees located on the project site that exceed 6 inches diameter at breast height (dbh). If any native oaks or other native trees of 6 inches or greater dbh, multi-trunk native oaks or native	Prior to approval of grading permits and prior to any site disturbance.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	trees of 10 inches or greater dbh, or non-native trees of 18 inches or greater dbh that have been determined by a qualified professional to be in good health are found to exist in the project site, such trees shall be avoided if feasible. If such trees cannot feasibly be avoided, the project proponent shall do one of the following prior to site disturbance within 100 feet of any on-site trees: • All such trees that will be removed or otherwise damaged by project implementation shall be replaced at an inch-for-inch ratio. A replacement tree planting plan shall be prepared by a qualified professional or licensed landscape architect and shall be submitted to the City for approval before removal of trees; or • The project proponent shall submit a mitigation plan that provides for complete mitigation of the removal of such trees in coordination with the City by a method comparable to an inch-by-inch replacement. The mitigation plan shall be subject to City approval. If the City adopts a tree preservation ordinance at any time in the future, any future project activities shall be subject to that ordinance instead. If mitigation measure 3.10-3 of the Rio Del Oro Specific Plan EIR/EIS is satisfied, and the actions conducted pursuant to that measure include the proposed project site and the trees within, this measure shall be considered met and no further action is required.			
MM 5.1a	The project proponent shall ensure that throughout all phases of the proposed project no mining activities or other ground disturbance occur within 150 feet of any structures or equipment located on-site as a result of historic rocket testing, including concrete pads associated with those	Coordination with Planning Department staff shall occur prior to any ground	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	activities. These structures are located in the general area of "Environmental Constraints Area C", as identified by the project proponent. The project proponent shall coordinate with Planning Department staff to ensure that activities are excluded from the proper portions of the project site prior to site disturbance in order to ensure that no activities take place in these locations. All on-site employees and truck drivers shall be notified of those areas to be avoided prior to working on the site.	disturbance on-site. Measure shall be in force throughout all phases of the proposed project.		
MM 5.1b	The City Planning Department shall be notified immediately if any cultural resources (e.g. prehistoric or historic artifacts, structural features, unusual amounts of bone or shell, fossils, or architectural remains) are uncovered during construction. All construction must stop immediately in the vicinity of the find and an archaeologist that meets the Secretary of the Interiors Professional Qualifications Standards in prehistoric or historical archaeology or a paleontologist shall be retained by the project proponent to evaluate the finds and recommend appropriate action. The recommendations of the archaeologist and/or the paleontologist shall be implemented prior to continuing construction.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	
MM 5.2	The City Planning Department shall be notified immediately if any human remains are uncovered during construction. All construction must stop immediately in the vicinity of the remains. The Planning Department shall notify the County Coroner according to Section 7050.5 of California's Health and Safety Code. If the remains are determined to be Native American, the procedures outlined in State CEQA Guidelines 15064.5(d-e) shall be followed.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Exhibit B to the Resolution

Mitigation Measures

MM 6.1	As mining occurs on the project site, all tailing piles over 20 feet in height shall be cut at a slope of 1.5 horizontal to 1 vertical or shallower. At no time shall mining activity on such piles allow the slope to exceed that amount. If slopes cut at 1.5 to 1 appear to exhibit signs of potential failure (small localized slides, other signs of slope erosion, etc.) then mining shall continue at a grade of 2 feet horizontal to 1 foot vertical, or shallower, thereafter.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	
MM 7.1a	As construction and operation of the proposed project occurs, all debris, trash, refuse, and abandoned, discarded, and/or out-of-service items shall be removed from the proposed project sites and deposited off-site in an appropriate disposal facility and in a timely manner. No storage of any these materials shall occur on those portions of the site designated as environmentally sensitive areas/receptors (e.g. wetlands).	Measure shall be implemented throughout all phases of construction and operation. All such materials shall be completely removed prior to release of any portion of the site for other uses.	City of Rancho Cordova Planning Department.	
MM 7.1b	If any underground storage tanks (UST) are discovered during construction activities, the City Planning Department must be contacted and all construction activities within 500 feet of the UST shall cease immediately. The UST shall be removed as required by the County Environmental Management Department (EMD), Hazardous Materials Division. In addition, groundwater and soil investigation for contamination and remediation in the tank vicinity shall be conducted if required by the EMD.	Measure shall be implemented throughout all phases of construction and operation.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

MM 7.2a	No site disturbance shall occur within areas D or G of the Environmental Constraints Areas, as shown in Figure 5 for the project at any time. No improvements of roads or other infrastructure existing in those areas shall be conducted unless clearance for such activity is provided by the City, the Department of Toxic Substances Control (DTSC), and the California Regional Water Quality Control Board (CRWQCB) after adequate review of the proposed action and its environmental impacts are assessed by all parties. New truck travel roads, either permanent or temporary, shall not be constructed within these areas at any time. Nor shall any existing roads within these areas be used during mining operations unless those roads are cleared for such use by the DTSC and CRWQCB.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department, in consultation with the California Department of Toxic Substances Control and the California Regional Water Quality Control Board.	
MM 7.2b	No site disturbance shall occur within areas A, B, C, E, F, or H of the Environmental Constraints Area, as shown in Figure 5 , until such time as the Department of Toxic Substances Control (DTSC) and the California Regional Water Quality Control Board (CRWQCB) has released those areas for mining. Documentation stating that those areas are safe for mining and that clearance has been given by both the DTSC and GenCorp must be provided to the City at least 10 days prior to initiation of mining activities or other site disturbance in those areas.	Throughout all phases of the proposed project.	California Department of Toxic Substances Control and the California Regional Water Quality Control Board, in consultation with the City of Rancho Cordova.	
MM 7.3	No activities that include the use of open flame or sparks, such as welding or burning of waste materials, shall be conducted except in areas previously cleared by mining and devoid of vegetation or within the "sales and staging" area of	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department and	

ITEM 10.6.

Mitigation Measures

	the project site (as shown in Figure 4). Operations that could ignite fires shall be surrounded by a fire buffer of at least 15 feet on all sides. This buffer shall provide protection to any flammable materials including existing vegetation. Operations that could ignite fires shall not be conducted during any high wind events (winds generally in excess of 15 miles per hour). The project proponent shall ensure that spark arrestors are installed and operating normally within the exhaust system of all engines in mining and processing vehicles and equipment at all times. All vehicles used on the project site shall be equipped with fire extinguishers and all on-site personnel shall receive training in their use and application. An Emergency Communication Plan shall be developed for the proposed project that describes clear procedures to follow in the event of a fire on the project site. A copy of this plan shall be provided to the City of Rancho Cordova Planning Department for reference purposes prior to the initiation of mining activities.		the Sacramento Metropolitan Fire District.	
MM 8.1	The project proponent shall have a licensed professional engineer evaluate the structural integrity of the crossings of Morrison Creek on the private road north of Douglas Road in order to determine whether the crossings will handle the increased loads associated with the proposed project. Final design and specifications of any improvement of the crossings required is to be approved by the licensed engineer and submitted to the City for review and approval. All required permits shall be obtained for any improvement, including but not limited to a Streambed Alteration Agreement from the California Regional Water Quality Control Board.	Prior to use of the southern access road to Douglas Road.	City of Rancho Cordova Public Works Department.	

ITEM 10.6.

Mitigation Measures

	Improvements to the crossings are the full financial responsibility of the project proponent. Improvements must be constructed prior to use of the access road to Douglas Road. If this access road is not to be used by the project, no improvement of the crossings is required.			
MM 8.2	The project proponent shall include the specific BMPs in the Stormwater Pollution Prevention Plan (SWPPP) for the proposed project. Additionally, these BMPs shall be implemented throughout the operation of the proposed project. All BMPs shall be executed to the level of standard published by the California Stormwater Quality Association's Construction Stormwater BMP Handbook. BMPs to be utilized shall include, but are not limited to: • NS-8 Vehicle and Equipment Cleaning; • NS-8 Vehicle and Equipment Fueling; • NS-10 Vehicle and Equipment Maintenance; • WM-1 Material Delivery and Storage; • WM-2 Material Use; • WM-3 Stockpile Management; • WM-4 Spill Prevention and Control; • WM-5 Solid Waste Management; and, • WM-6 Hazardous Waste Management.	Measures shall be included in the SWPPP for the project and on all improvement, grading, or mining plans. All measures shall be implemented throughout all phases of the proposed project.	City of Rancho Cordova Public Works Department in coordination with the County of Sacramento Department of Water Resources.	
MM 11.1	Upon occupation of one or more residences in the Rio Del Oro Specific Plan area to the west of the project site, the project proponent shall ensure that no mining or aggregate processing is conducted within the following minimum distances from the nearest occupied residences: • No mining may occur within 840 feet of the nearest occupied residence in the daytime. No mining may occur within 1,560 feet of the nearest occupied residence in the	Throughout operation of the proposed project upon occupation of one or more homes to be constructed in the Rio Del Oro	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	nighttime. - No aggregate processing may occur within 1,270 feet of the nearest occupied residence in the daytime. No aggregate processing may occur within 2,155 feet of the nearest occupied residence in the nighttime. These minimum distances may be revised by the City of Rancho Cordova in the event that the project proponent provides additional data, prepared by a qualified noise professional, which shows that noise levels at or below current City Noise Standards would be, or actually are, experienced at the nearest occupied residence from mining and/or processing operations. Mining operations and aggregate processing may be conducted within these minimum distances only under the following conditions: - The project proponent shall incorporate temporary noise barriers such as berms or product stockpiles of a sufficient height to block sight lines between occupied homes and processing/mining operations. All temporary noise barriers shall be shown on project plans and submitted to the City Planning Department for review and approval prior to construction. - The project proponent shall provide an acoustical analysis prepared by a qualified noise professional showing that the temporary noise barriers are sufficient to reduce noise at the project boundary below current City noise standards of 55 dB L_{eq} daytime/45 dB L_{eq} nighttime.	Specific Plan area.		
MM 11.2a	The project proponent shall ensure that the Douglas Road access point is utilized only between the hours of 7:00 AM and 6:00 PM on weekdays and 8:00 AM and 6:00 PM on	Throughout all phases of the proposed project.	City of Rancho Cordova Planning	

ITEM 10.6.

Mitigation Measures

	weekends. The gate at that access point shall remain locked outside of those hours to discourage unauthorized use.		Department in consultation with the Sacramento Metropolitan Fire District.	
MM 11.2b	Prior to the occupation of homes in any portion of the Rio Del Oro or Westborough developments, the project proponent shall post signage visible to residents providing a name, address, and 24-hour phone number for information and/or complaints regarding the mining activities of the proposed project. Placement of the signage immediately adjacent to White Rock Road is considered sufficiently visible. Signage shall also include the address and main phone number for the City Planning Department. Signage meeting the above requirements shall also be installed prior to site disturbance at the entrance at Douglas Road in a location plainly visible from Douglas Road.	Signage shall be posted prior to occupation of homes within the Rio Del Oro or Westborough projects.	City of Rancho Cordova Planning Department.	
MM 15.1	The project proponent shall ensure that no trucks traveling to or from the proposed project via the Douglas Road access point utilize the intersection of Sunrise Boulevard and Douglas Intersection between the hours of 7:00 AM and 9:00 AM and between the hours of 4:00 PM and 6:00 PM, except when required by local projects served by the proposed project. All drivers shall be notified of this requirement in writing prior to operation to and from the project site. The project proponent shall post signage at the Douglas Road access point that clearly notifies drivers both entering and leaving the site of the time restriction.	Throughout operation of the proposed project.	City of Rancho Cordova Planning Department and Public Works Department.	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
1.	The applicant, Granite Construction Company shall meet with City staff prior to the issuance of the Project RC06-224A work authorization permit, July 26, 2017 to review the conditions of approvals and Mitigation Monitoring Plan.	Prior to July 26, 2017	Planning/ Public Works	
2.	The Granite Construction Mining and Reclamation Plan is approved by the City Council as of July 26, 2007, subject to the Conditions of Approval/MMRP, Reclamation Plan and the Financial Assurance Cost Estimate. The Mining Permit is valid for 5 years from the date of July 26, 2017 (original mining permit end date) with an optional 5 year renewal thereafter.	Expires 5 years from July 26, 2017 with an optional 5 year renewal thereafter	Planning	
3.	The Applicant shall hold harmless the City, its Council Members, officers, agents, employees, and representatives from liability for any award, damages, costs and fees incurred by the City and/or awarded to any plaintiff in an action challenging the validity of this permit or any environmental or other documentation related to approval of this permit. Applicant further agrees to provide a defense for the City in any such action.	During all phases of the project	Planning	
4.	Granite Construction is authorized to operate on a 24 hours per day, 7 days per week basis. If during the mining, the City receives complaints regarding nighttime mining operations, the Planning Director shall evaluate the technical merits of the complaints and at his discretion shall work with the applicant to modify mining operations to ensure compliance with General Plan and Zoning Code standards. As necessary to resolve the conflict, the hours for the mining operations could be changed to operate at the normal time periods of 6:00 a.m. to 10:00 p.m., Monday through Friday, and 6:00 a.m. until 3:00 p.m. on Saturdays, only.	During all phases of the project	Planning	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification</u> (date and Signature)
5.	The applicant shall mitigate the potential for track-out on-site. If track-out still occurs, the project applicant shall require paved streets adjacent to construction sites to be washed or swept daily to remove accumulated dust. This requirement shall be included as a note in the reclamation plan submittal.	During all phases of the project	Public Works	
6.	Maintain security fencing around the perimeter of the site, and provide warning/trespass signs to comply with the Zoning Code. All perimeter fencing shall be retained until post-reclamation development of the project site occurs.	During all phases of the project	Planning	
7.	Should the City Engineer determine that an unexpected and significant, project related traffic problem has occurred during the course of the mining operation and transfer of materials off-site, he/she will work with the applicant to implement appropriate mitigation measures. On-site mitigation shall be initially encouraged by the City such as truck metering or queuing. The operator shall agree to cooperate and pay its fair share as determined by the Public Works Director for the construction of off-site improvements, if needed.	During all phases of the project	Public Works	
8.	The proponent shall ensure the moisture content of the material being conveyed; if used in the future, to the processing plant is sufficient to avoid visible dust emissions from the loading and unloading points.	During all phases of the project	Planning	
9.	In the unlikely event the mining operation encounters any former waste disposal area, mining activities shall immediately cease and the following agencies shall be contacted to determine the appropriate course of action: • Sacramento County Environmental Management Department,	During all phases of the project	Planning	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
	Environmental Health Division: (916) 875-8416. • State Department of Toxic Substances Control: (916) 255-3601. • Central Valley Regional Water Quality Control Board: (916) 255-3000.			
10.	Mining equipment and any toxic substance associated with mining or reclamation operations shall be protected from flooding and from contact with surface water.	During all phases of the project	Planning	
11.	The discharge of wastewater (including aggregate process water) to surface waters or surface water drainage courses is prohibited.	During all phases of the project	Planning	
12.	No polluting substance or toxic compound shall be applied to the mining surface area. Any form of pollutant used on the site shall be contained and not disposed of onsite.	During all phases of the project	Planning	
<i>Prior to Issuance of the Work Authorization Permit</i>				
13.	Applicant shall pay the City any outstanding balance incurred by the City for the processing of the mining permit.	Prior to the issuance of the Project RC06-224A work authorization permit	Planning	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
14.	The applicant shall comply with all the mitigation measures included in the Mitigated Negative Declaration adopted July 26, 2007 and pay the costs of any technical consultant services incurred during implementation of the MMRP. The initial estimate of these costs is \$10,000. If the initial estimate exceeds the actual monitoring costs, the balance shall be refunded to the proponent, and if the actual monitoring costs exceed the initial estimate, the proponent shall be responsible to pay the additional amount.	Prior to the issuance of the Project RC06-224A work authorization permit	Planning	
15.	A performance bond made payable to the City of Rancho Cordova and the Department of Conservation of the State of California to financially guarantee reclamation of the property. The amount of the bond shall be subject to annual review and adjustment, pursuant to the requirements of the City's Mining Ordinance.	Prior to the issuance of the Project RC06-224A work authorization permit	Planning	
16.	The applicant and the City shall negotiate an agreement establishing the terms, conditions and method of determining the payment of a percentage of the retail sales (not to exceed 1% of the gross sales) generated by the sales of mined materials removed from the City and sold off-site.	Prior to the issuance of the Project RC06-224A work authorization permit	Finance	
17.	The applicant shall be required to install signs, to the satisfaction of the Public Works Department, alerting the traveling public to trucks entering/exiting the property.	Prior to the issuance of the Project RC06-224A work authorization permit	Public Works	
18.	The applicant shall enter into an agreement with the City to address damages and impacts to City roadways directly attributable to the project.	Prior to the issuance of the	Public Works	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
	Impacts include, but are not limited to; public improvements necessitated by the project and accelerated wear on public infrastructure. The form of the agreement may include a fee per unit of material hauled away from the site and/or a capital fee to the satisfaction of the Public Works Department. The applicant shall prepare a roadway condition assessment for the City's review prior to hauling material off-site which describes the current condition of the impacted City roadways.	Project RC06-224A work authorization permit		
19.	All haul route exit drives shall be paved minimum 100-feet prior to the point of exit to public right-of-way and swept on a regular basis to the satisfaction of Public Works.	Prior to the issuance of the Project RC06-224A work authorization permit	Public Works	
20.	Obtain appropriate permits from Public Works and provide adequate drain facilities into the established flood control system, in accordance with the Sacramento County Improvement Standards. The drainage plan shall mitigate the increase in surface runoff into Morrison Creek and shall show Best Management Practices (BMPs) to prevent erosion and sedimentation in those swale areas.	Prior to the issuance of the Project RC06-224A work authorization permit	Water Resources-Drainage	
<i>Prior to Certification of the Completion of the Reclamation Plan</i>				
21.	The project proponent shall prepare for approval by the Planning Director a Tree Replanting Plan representing the size, species, and location of trees to be planted in compliance with mitigation measure MM 4.2 of the Final Mitigated Negative Declaration. The plan shall seek to place trees within the vicinity of the project and consistent with whatever use is planned for or located on the property.	Prior to Final Certification of the Completion of the Reclamation Plan	Planning	

ITEM 10.6.

Conditions of Approval

Section 1		<u>Timing/ Implementation</u>	<u>Enforcement/ Monitoring</u>	<u>Verification (date and Signature)</u>
	<i>Supplemental Conditions to the Permit Renewal RC-06-224A</i>			
22.	Prior to operations under the permit renewal, the applicant shall execute a Roadway Impact and Truck Management Program Agreement that will satisfy Condition No. 7 and Condition No. 18 of the original permit and the terms of a Truck Management Plan Operational Agreement executed between the City and County of Sacramento.	Prior to the issuance of the Project RC06-224A work authorization permit	Public Works	
23.	Truck access to Highway 50 shall be from Sunrise Boulevard and not from Zinfandel Drive. With the exception of local deliveries, no through trips shall be allowed on White Rock Road west of Sunrise Boulevard	During all phases of the project	Public Works	
24.	Prior to operations under the permit renewal, the applicant shall execute a Payment Agreement that will satisfy Condition No. 16 of the original permit.	Prior to the issuance of the Project RC06-224A work authorization permit	Public Works	

ITEM 10.6.

Mitigation Measures

Section 2		Timing/ Implementation	Enforcement/ Monitoring	Verification (date and Signature)
MM 1.1	The project proponent shall ensure that night time lighting levels be maintained at the minimum level necessary to provide for security and safety at the project site. All night time lighting shall be shielded and aimed appropriately to prevent any direct upward illumination or light directed at adjacent properties. If the City receives complaints from any residents of adjacent areas of nuisance lights, the project proponent shall take immediate action to prevent lights from producing significant light or glare at adjacent properties. All on-site stationary lighting shall comply with this requirement throughout the entirety of operation of the project. Vehicle and all other mobile equipment lights (except for any lights mounted on the mobile processing plant) are exempt from this requirement for safety reasons. However, the use of high beams shall be limited within 1,500 feet of the western boundary of the project site to those times when they are required for safety reasons. Signs visible to truck drivers shall be posted along any haul roads within 1,500 feet of the western boundary of the project site that state that high beams are to be used only as required for safety. All drivers shall be notified of this requirement prior to operating on-site.	Throughout project operation once homes are occupied within the Rio Del Oro project or within 1,500 feet of any portion of the project site.	City of Rancho Cordova Planning Department and Code Enforcement Department.	
MM 3.1a	The project proponent shall require that the operators water all haul roads and all exposed soils at least twice daily during construction, mining and reclamation activities.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	

ITEM 10.6.

Mitigation Measures

MM 3.1b	The project proponent shall require that the operators limit vehicle speed for on-site construction vehicles to 15 miles per hour on any unpaved roadways at all times. Signs stating the speed limit and that dust control measures are in effect shall be placed at each entrance/exit of the site and along all haul roads. Truck and equipment operators shall be notified that dust abatement is a concern and of the 15 mph speed limit.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
MM 3.1c	The project proponent shall require that, when transporting materials by truck during mining and reclamation activities, loads shall be covered or two feet of freeboard shall be maintained by the operator. Compliance with this measure shall be enforced by both the City and the project foreman.	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
MM 3.1d	The project proponent shall ensure that all exposed soil existing after mining of the project site is seeded with non-invasive species and mulched with certified weed-free straw mulch immediately after mining. The amount of exposed soil at any one time shall be minimized as much as possible. Seeding and straw mulching shall be conducted as the project progresses, immediately following regrading of the soil. All seeding shall be conducted according to California Stormwater Quality Association (CASQA) guidelines, as shown in their California Stormwater BMP Handbook (EC-4). All straw mulch application shall be conducted according to CASQA guidelines, as shown in their California Stormwater BMP Handbook (EC-6). All seeded and mulched areas shall be inspected daily to ensure dust is controlled during the establishment period. Water shall be applied to any areas known or suspected to generate dust during any high wind events (winds greater than 15 miles per hour).	During all phases of the project.	City of Rancho Cordova Planning Department and SMAQMD.	

ITEM 10.6.

Mitigation Measures

MM 3.1e	The project proponent shall provide a plan for approval by the City and the Sacramento Metropolitan Air Quality Management District (SMAQMD) demonstrating that the heavy-duty (>50 horsepower) off-road vehicles to be used in the construction and operation of the proposed project will achieve a fleet-averaged 20 percent NOx reduction and a 45 percent particulate reduction compared to the most recent CARB fleet average. The project proponent shall submit to the City and SMAQMD a comprehensive inventory of all off-road equipment, equal to or greater than 50 horsepower, that will be used an aggregate of 40 or more hours during the project. The inventory shall include the horsepower rating, engine production year, and hours of use or fuel throughput for each piece of equipment. The inventory shall be updated and submitted monthly throughout the duration of the project, except that an inventory shall not be required for any 30-day period in which no activity occurs; and, The project proponent shall ensure that emissions from all off-road diesel powered equipment used on the proposed project sites does not exceed 40 percent opacity for more than three minutes in any one hour. Any equipment found to exceed 40 percent opacity shall be repaired immediately, and the City and SMAQMD shall be notified within 48 hours of identification of non-compliant equipment. A visual survey of all in-operation equipment shall be performed at least weekly by a qualified third-party professional, and a monthly summary of the visual results shall be submitted to the City and SMAQMD throughout the duration of the project, except that the monthly summary shall not be required for any 30-day period in which no construction activity occurs. The monthly summary shall include the quantity and type of vehicles surveyed as well as the dates of each survey. The SMAQMD and/or other officials may conduct periodic site	Equipment Inventory shall be submitted prior to site disturbance. Remainder of measure shall be complied with throughout construction and operation of the project.	City of Rancho Cordova Planning Department and SMAQMD.	
---------	---	--	---	--

ITEM 10.6.

Mitigation Measures

	inspections to determine compliance. Nothing in this section shall supersede other SMAQMD or state rules or regulation. In the event construction equipment meeting the requirements set forth above is determined not to be available, the project proponent shall notify the City and SMAQMD. Upon verification that required low-emission construction equipment is not available, the City may waive this measure. This requirement shall be included as a note in all project construction plans.			
MM 3.1f	The project proponent shall offset excess emissions (to below the 65 lbs/day threshold of significance) by paying an off-site operational mitigation fee to the Sacramento Metropolitan Air Quality Management District (SMAQMD) Operational Mitigation Fee Program. The final amount of the fee is to be determined by SMAQMD in consultation with the project proponent during the stationary air quality permit process. The project proponent shall provide documentation of the payment of the fee to the City prior to site disturbance.	Prior to site disturbance.	SMAQMD in consultation with the City of Rancho Cordova Planning Department.	
MM 3.2	Mining conducted by the project proponent shall be phased such that aggregate located generally in the western portion of the project site is mined early in the process. Mining shall be phased so that mining generally progresses from west to east as much as possible during the project life. The project proponent shall coordinate with Elliott Homes and GenCorp Realty Investments to ensure that mining is phased to reduce impacts to new development.	Throughout all phases of the project.	City of Rancho Cordova Planning Department.	
MM 4.1a	Prior to each phase of construction or mining or any other site disturbance between the dates of March 1 and August 31, a determinate survey shall be conducted to determine if	All necessary surveys shall be provided to the	City of Rancho Cordova Planning	

ITEM 10.6.

Mitigation Measures

	active nesting by birds protected under the Migratory Bird Treaty Act (MBTA) or other special-status bird species is taking place. Surveys shall be conducted according to the following requirements: • The survey(s) shall be conducted by a qualified biologist or other equivalent professional. • The survey(s) shall be conducted no more than 30 days and no less than 14 days prior to site disturbance to occur between March 1 and August 31 for each year the proposed project would operate. • The survey(s) shall include all areas within 250 feet of the project site. • A copy of the survey(s) shall be provided to the City of Rancho Cordova no less than 7 business days prior to site disturbance. If any special-status bird species are found to be nesting within the survey area, the project proponent shall immediately contact the City of Rancho Cordova Planning Department in order to determine the appropriate mitigation, if any, required to minimize impacts to nesting birds. No activity of any kind may occur within 250 feet of any nesting activity or as otherwise required following consultation with the City Planning Department and the California Department of Fish and Game until such time as the young have fledged. If all activities are to be completed outside the nesting season (identified above), determinate surveys shall not be required.	City of Rancho Cordova Planning Department no less than 7 days prior to site disturbance between March 1 and August 31. Surveys shall be repeated for each year the project plans to operate.	Department in consultation with the California Department of Fish and Game.	
--	--	--	--	--

Mitigation Measures

MM 4.1b	The project proponent shall update determinate surveys for potentially occurring special-status species or their habitat using protocol acceptable to the regulatory agencies with authority over these species, or assume species presence within the area of project activity. - If any special-status species or their habitat are indicated or assumed, a detailed plan which describes the specific methods to be implemented to avoid and/or mitigate any project impacts upon special-status species to a less than significant level will be required. This detailed Special Status Species Avoidance/Mitigation Plan shall be prepared in consultation with the U.S. Fish and Wildlife Service (USFWS) and the California Department of Fish and Game (CDFG), and shall emphasize a multi-species approach to the maximum extent possible. The Special-Status Species Avoidance/Mitigation Plan shall be submitted to the City Planning Department for approval. - Where project impacts include take of a State listed animal species, a "2081-incidental take" permit shall be obtained from the CDFG and permit conditions implemented, pursuant to the California Endangered Species Act. Proof of such a permit shall be provided to the City of Rancho Cordova Planning Department prior to site disturbance. Determinate surveys for potentially occurring special-status species shall be conducted no more than three months prior to site disturbance. A copy of all determinate surveys shall be provided to the City Planning Department no less than seven days prior to site disturbance.	Determinate surveys shall be performed no more than three months prior to site disturbance. Any required avoidance/mitigation plans or permits listed above shall be provided to the City Planning Department prior to approval of improvement/grading plans or prior to site disturbance, whichever comes first.	City of Rancho Cordova Planning Department in consultation with the California Department of Fish and Game.	
---------	---	--	--	--

ITEM 10.6.

Mitigation Measures

MM 4.1c	No disturbance, during any phase of the proposed project, within 100 feet of any wetlands or ephemeral drainages identified in the wetland delineation for the Rio Del Oro Specific Plan shall take place until such time as the approved mitigation is in place properly addressing the impacts to vernal pools and other seasonal habitats that support vernal pool fairy shrimp and vernal pool tadpole shrimp in such a manner that there will be no net loss of habitat (acreage and function) for these species in the Laguna Formation (pursuant to City Policy NR.2.1). The project proponent shall prepare and submit an annual Habitat Monitoring Report (HMR) to the City, which documents efforts to avoid sensitive habitat areas and the associated monitoring efforts. Included in the HMR will be the appropriate documentation of GenCorp's (or others) permitting and mitigation efforts. The project proponent will provide all required permits and approvals to the City before impacting sensitive habitat areas. The HMR shall also include a schedule of planned activities including the following: • The location of the proposed vernal pool and seasonal wetland habitat site(s) and a detailed map of showing the acreage, distribution, and type of wetlands to be created to ensure no net loss in wetland habitat acreage, values and functions. The compensation wetlands shall be designed to, at a minimum: meet or exceed the hydrophytic conditions and operating functions of the existing wetlands proposed for impact.	Prior to approval of grading and improvement plans and construction plans prior to any ground-disturbing activity.	City of Rancho Cordova Planning Department.	
---------	---	--	---	--

ITEM 10.6.

Mitigation Measures

	• A monitoring plan to assess whether the compensation wetlands are functioning as intended. Specific performance standards for hydrologic, floral, and faunal parameters shall be proposed to determine success of the created wetlands. The monitoring plan shall specify the corrective measures/modifications to be implemented in the event that monitoring indicates that the performance standards are not being met. • A maintenance plan for the wetland preservation/mitigation areas describing the measures to be implemented to assure that they are maintained as wetland habitat in perpetuity. • A requirement that fencing be installed around all existing vernal pools that are within fifty feet of any haul route, spoil zone, stockpile zone, creation zone, or other construction area. The fencing shall be of high visibility material and limit access to the project site. Fencing shall be placed no closer than 10-feet to the delineated, verified perimeter of existing vernal pools. • A requirement that a qualified biological resources monitor, approved by the City be on the site(s) to ensure compliance with identified mitigation for the duration of all the proposed activities. The construction manager shall submit bi-annual compliance reports to City monitor for review for a period of five years. • The vernal pool and seasonal wetland habitat site shall be surveyed by a qualified biologist no more than 30 days prior to the onset of construction for the presence of raptor and federal and state listed bird nesting sites,			
--	--	--	--	--

ITEM 10.6.

Mitigation Measures

	unless it is determined that construction will occur outside of the breeding season for all species likely to occur on site or observed present. If active nesting sites are observed present all state and federal guidelines pertaining to active nesting sites shall be strictly adhered to in consultation with a qualified biologist. • The project proponent shall grant full access to the vernal pool and seasonal wetland habitat site to the City for the monitoring of construction activities and mitigation compliance. Access shall be granted during all construction activities and the City monitor may issue stop work orders if mitigation non-compliance is identified. • The project proponent shall specify that measures for reuse or disposal of excavated material are suitable for use at project site. The plan should minimize the elapsed time between excavation and reuse and provide adequate stockpile coverage and protection from wind and water erosion during the entire storage period. If excavated material is unsuitable for reuse at the project site, the plan shall include specific information regarding the eventual reuse or disposal site, transportation method(s), disposal reuse management, and schedule. • A spill prevention and response plan to the satisfaction of the City. • A requirement that all disturbed areas be revegetated by the following methods: hydro seeding, drill seeding, or spreading of upland seed bearing soil. The method of revegetation shall be approved by a qualified wetland			
--	--	--	--	--

ITEM 10.6.

Mitigation Measures

	specialist and to the satisfaction of the City. • Incorporation of the use of non-toxic soil stabilizers according to manufacture's specifications to all inactive construction areas. Use non-toxic binders to exposed areas after cut and fill operations and hydro seeded areas. The vernal pool and seasonal wetland habitat site shall be watered as directed by the City of Rancho Cordova Department Public Works and the SMAQMD and the frequency shall be based on the type of operation, soil and wind exposure. The project proponent shall submit the proposed Habitat Monitoring Plan (HMP) to the City for endorsement prior to grading permit approval or any groundbreaking activity and initiation of mitigation activities (including mitigation land acquisition). Execution of mitigation measure 3.10-1a of the Rio Del Oro Specific Plan EIR/EIS would constitute compliance with this measure and no additional action will be required, provided that the actions conducted pursuant to mitigation measure 3.10-1a included mitigation for loss of wetlands within the project site (to the standard set by City Policy NR.2.1).			
MM 4.1d	The project proponent may conduct construction or operation of the proposed project in those areas that lie more than 100 feet from any trees, elderberry shrubs, wetlands, or ephemeral drainages prior to the satisfaction of mitigation measure MM 4.1c providing that the standard set of best management practices are employed when working in areas within 250 feet of these features including:	All BMPs shall be shown on all plans for the proposed project prior to approval. Measure shall be complied with continuously until	City of Rancho Cordova Planning Department in consultation with the Public Works Department,	

ITEM 10.6.

Mitigation Measures

	• Implementation of erosion control measures during all construction and operation including installation of long-term erosion control devices such as straw wattles, hay bale check dams, and silt fencing as required; • Removal of cover vegetation as close as practicable to the time of construction or mining; • Confinement of construction equipment and associated activities to the areas to be mined (as shown in Figure 2 and excluding those areas identified as "constraints areas" shown in Figure 5); • Reestablishment of stream bank contours following construction and installation of permanent erosion control as needed; • Prohibiting refueling of construction related equipment within 250-feet of the aquatic environment; • Maintenance of hazardous materials spill kits in proximity to all aquatic crossings; • Compliance with state and federal permits; • Performance of proper sediment control; • Formulation and adherence to a spill prevention and response plan; • Monitoring of construction and mining activities near specified features;	the end of the project or compliance with mitigation measure 4.1c.	Sacramento County Department of Water Resources, and the California Regional Water Quality Control Board.	
--	--	--	---	--

ITEM 10.6.

Mitigation Measures

	• Removal of all construction and operational spoils, remaining materials and miscellaneous litter for proper off-site disposal; and • Post-construction monitoring and supplemental revegetation of all disturbed areas. These requirements shall be conducted according to City standards and to California Stormwater Quality Association standards. These measures can be included in the Stormwater Pollution Prevention Plan (SWPPP) required by the Public Works Department, the County Department of Water Resources, and/or the California Regional Water Quality Control Board. While these measures may be combined with a SWPPP, the project proponent shall ensure that all BMPs required in this measure are complied with throughout the life of the project, regardless of the requirement or contents of a SWPPP. A qualified biological or stormwater monitor shall be contracted for monitoring of the condition and quality of these measures throughout the life of the project. Quarterly reports shall be submitted to the City Planning Department throughout the life of the project, indicating the presence, use, condition, and replacement (as needed) of all protective BMPs. If the conditions of mitigation measure 4.1d are met, either through the actions of the project proponent or compliance with mitigation measure 3.10-1a of the Rio Del Oro Specific Plan EIR/EIS by the project proponent for that project, the requirements of this measure will be considered met and the conditions of any actions conducted pursuant to measure			
--	---	--	--	--

ITEM 10.6.

Mitigation Measures

	4.1d or 3.10-1a shall be followed instead.			
MM 4.1e	No project activity shall proceed within 100 feet of areas containing VELB habitat (i.e., elderberry shrubs) until a BO has been issued by USFWS, and the project proponent has abided by all pertinent conditions in the BO relating to the proposed project, including conservation and minimization measures, intended to be completed before on-site action. Conservation and minimization measures are likely to include preparation of supporting documentation that describes methods for relocation of existing shrubs and maintaining existing shrubs and other vegetation in the preserve. Relocation of existing elderberry shrubs and planting of new elderberry seedlings shall be implemented on a no-net-loss basis. Detailed information on monitoring success of relocated and planted shrubs and measures to compensate (should success criteria not be met) would also likely be required in the BO. Ratios for mitigation of VELB habitat will ultimately be determined through the ESA Section 7 consultation process with USFWS, but shall be a minimum of "no net loss." A VELB mitigation plan is currently being developed through ESA Section 7 consultation with USFWS. The mitigation plan will also address the proposed delisting of VELB and any mitigation to be implemented if the delisting occurs prior to project implementation due to requirements under CEQA. Implementation of this plan would satisfy mitigation requirements for the removal of elderberry savanna, a sensitive habitat as identified by DFG, as well as single elderberry shrubs. A copy of the USFWS-approved mitigation plan shall be submitted to the City before the approval of any grading or improvement plans or any ground-disturbing activities within 100 feet of VELB habitat.	Prior to the approval of grading permits or any ground-disturbing activity within 100 feet of VELF habitat.	City of Rancho Cordova Planning Department in consultation with the California Department of Fish and Game and the U.S. Fish and Wildlife Service.	

ITEM 10.6.

Mitigation Measures

	Should delisting of VELB occur, a mitigation plan that would compensate for the removal of elderberry savanna, a sensitive habitat as identified by DFG, would still be required. The mitigation plan shall be submitted to and approved by DFG and the City before the approval of any grading or improvement plans or any ground-disturbing activities that would affect elderberry savanna for all project phases. Execution of mitigation measure 3.10-4b of the Rio Del Oro Specific Plan EIR/EIS would constitute compliance with this measure and no additional action will be required, provided that the actions conducted pursuant to mitigation measure 3.10-1a included mitigation for loss of elderberry shrubs within the project site.			
MM 4.1f	The project proponent shall ensure that constraints Area B shown in Figure 5 is expanded to include the whole of the area to be dedicated as elderberry preserve according to the Rio Del Oro Specific Plan EIR/EIS, as shown on Exhibit 3.10-3 of that document. Updated plans showing this expanded constraints area shall be submitted to the City Planning Department for review and approval prior to initiation of any site disturbance within 250 feet of existing Elderberry shrubs on the project site.	Prior to site disturbance within 250 feet of any Elderberry shrub on the project site.	City of Rancho Cordova Planning Department.	
MM 4.2	Prior to any site disturbance, a certified arborist or similarly qualified professional, approved by the City, shall conduct a full tree survey for the project site. The tree survey shall indicate the size, species, and general health of all trees located on the project site that exceed 6 inches diameter at breast height (dbh). If any native oaks or other native trees of 6 inches or greater dbh, multi-trunk native oaks or native	Prior to approval of grading permits and prior to any site disturbance.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	trees of 10 inches or greater dbh, or non-native trees of 18 inches or greater dbh that have been determined by a qualified professional to be in good health are found to exist in the project site, such trees shall be avoided if feasible. If such trees cannot feasibly be avoided, the project proponent shall do one of the following prior to site disturbance within 100 feet of any on-site trees: • All such trees that will be removed or otherwise damaged by project implementation shall be replaced at an inch-for-inch ratio. A replacement tree planting plan shall be prepared by a qualified professional or licensed landscape architect and shall be submitted to the City for approval before removal of trees; or • The project proponent shall submit a mitigation plan that provides for complete mitigation of the removal of such trees in coordination with the City by a method comparable to an inch-by-inch replacement. The mitigation plan shall be subject to City approval. If the City adopts a tree preservation ordinance at any time in the future, any future project activities shall be subject to that ordinance instead. If mitigation measure 3.10-3 of the Rio Del Oro Specific Plan EIR/EIS is satisfied, and the actions conducted pursuant to that measure include the proposed project site and the trees within, this measure shall be considered met and no further action is required.			
MM 5.1a	The project proponent shall ensure that throughout all phases of the proposed project no mining activities or other ground disturbance occur within 150 feet of any structures or equipment located on-site as a result of historic rocket testing, including concrete pads associated with those	Coordination with Planning Department staff shall occur prior to any ground	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	activities. These structures are located in the general area of "Environmental Constraints Area C", as identified by the project proponent. The project proponent shall coordinate with Planning Department staff to ensure that activities are excluded from the proper portions of the project site prior to site disturbance in order to ensure that no activities take place in these locations. All on-site employees and truck drivers shall be notified of those areas to be avoided prior to working on the site.	disturbance on-site. Measure shall be in force throughout all phases of the proposed project.		
MM 5.1b	The City Planning Department shall be notified immediately if any cultural resources (e.g. prehistoric or historic artifacts, structural features, unusual amounts of bone or shell, fossils, or architectural remains) are uncovered during construction. All construction must stop immediately in the vicinity of the find and an archaeologist that meets the Secretary of the Interiors Professional Qualifications Standards in prehistoric or historical archaeology or a paleontologist shall be retained by the project proponent to evaluate the finds and recommend appropriate action. The recommendations of the archaeologist and/or the paleontologist shall be implemented prior to continuing construction.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	
MM 5.2	The City Planning Department shall be notified immediately if any human remains are uncovered during construction. All construction must stop immediately in the vicinity of the remains. The Planning Department shall notify the County Coroner according to Section 7050.5 of California's Health and Safety Code. If the remains are determined to be Native American, the procedures outlined in State CEQA Guidelines 15064.5(d-e) shall be followed.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

MM 6.1	As mining occurs on the project site, all tailing piles over 20 feet in height shall be cut at a slope of 1.5 horizontal to 1 vertical or shallower. At no time shall mining activity on such piles allow the slope to exceed that amount. If slopes cut at 1.5 to 1 appear to exhibit signs of potential failure (small localized slides, other signs of slope erosion, etc.) then mining shall continue at a grade of 2 feet horizontal to 1 foot vertical, or shallower, thereafter.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department.	
MM 7.1a	As construction and operation of the proposed project occurs, all debris, trash, refuse, and abandoned, discarded, and/or out-of-service items shall be removed from the proposed project sites and deposited off-site in an appropriate disposal facility and in a timely manner. No storage of any these materials shall occur on those portions of the site designated as environmentally sensitive areas/receptors (e.g. wetlands).	Measure shall be implemented throughout all phases of construction and operation. All such materials shall be completely removed prior to release of any portion of the site for other uses.	City of Rancho Cordova Planning Department.	
MM 7.1b	If any underground storage tanks (UST) are discovered during construction activities, the City Planning Department must be contacted and all construction activities within 500 feet of the UST shall cease immediately. The UST shall be removed as required by the County Environmental Management Department (EMD), Hazardous Materials Division. In addition, groundwater and soil investigation for contamination and remediation in the tank vicinity shall be conducted if required by the EMD.	Measure shall be implemented throughout all phases of construction and operation.	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

MM 7.2a	No site disturbance shall occur within areas D or G of the Environmental Constraints Areas, as shown in Figure 5 for the project at any time. No improvements of roads or other infrastructure existing in those areas shall be conducted unless clearance for such activity is provided by the City, the Department of Toxic Substances Control (DTSC), and the California Regional Water Quality Control Board (CRWQCB) after adequate review of the proposed action and its environmental impacts are assessed by all parties. New truck travel roads, either permanent or temporary, shall not be constructed within these areas at any time. Nor shall any existing roads within these areas be used during mining operations unless those roads are cleared for such use by the DTSC and CRWQCB.	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department, in consultation with the California Department of Toxic Substances Control and the California Regional Water Quality Control Board.	
MM 7.2b	No site disturbance shall occur within areas A, B, C, E, F, or H of the Environmental Constraints Area, as shown in Figure 5 , until such time as the Department of Toxic Substances Control (DTSC) and the California Regional Water Quality Control Board (CRWQCB) has released those areas for mining. Documentation stating that those areas are safe for mining and that clearance has been given by both the DTSC and GenCorp must be provided to the City at least 10 days prior to initiation of mining activities or other site disturbance in those areas.	Throughout all phases of the proposed project.	California Department of Toxic Substances Control and the California Regional Water Quality Control Board, in consultation with the City of Rancho Cordova.	
MM 7.3	No activities that include the use of open flame or sparks, such as welding or burning of waste materials, shall be conducted except in areas previously cleared by mining and devoid of vegetation or within the "sales and staging" area of	Throughout all phases of the proposed project.	City of Rancho Cordova Planning Department and	

ITEM 10.6.

Mitigation Measures

	the project site (as shown in Figure 4). Operations that could ignite fires shall be surrounded by a fire buffer of at least 15 feet on all sides. This buffer shall provide protection to any flammable materials including existing vegetation. Operations that could ignite fires shall not be conducted during any high wind events (winds generally in excess of 15 miles per hour). The project proponent shall ensure that spark arrestors are installed and operating normally within the exhaust system of all engines in mining and processing vehicles and equipment at all times. All vehicles used on the project site shall be equipped with fire extinguishers and all on-site personnel shall receive training in their use and application. An Emergency Communication Plan shall be developed for the proposed project that describes clear procedures to follow in the event of a fire on the project site. A copy of this plan shall be provided to the City of Rancho Cordova Planning Department for reference purposes prior to the initiation of mining activities.		the Sacramento Metropolitan Fire District.	
MM 8.1	The project proponent shall have a licensed professional engineer evaluate the structural integrity of the crossings of Morrison Creek on the private road north of Douglas Road in order to determine whether the crossings will handle the increased loads associated with the proposed project. Final design and specifications of any improvement of the crossings required is to be approved by the licensed engineer and submitted to the City for review and approval. All required permits shall be obtained for any improvement, including but not limited to a Streambed Alteration Agreement from the California Regional Water Quality Control Board.	Prior to use of the southern access road to Douglas Road.	City of Rancho Cordova Public Works Department.	

ITEM 10.6.

Mitigation Measures

	Improvements to the crossings are the full financial responsibility of the project proponent. Improvements must be constructed prior to use of the access road to Douglas Road. If this access road is not to be used by the project, no improvement of the crossings is required.			
MM 8.2	The project proponent shall include the specific BMPs in the Stormwater Pollution Prevention Plan (SWPPP) for the proposed project. Additionally, these BMPs shall be implemented throughout the operation of the proposed project. All BMPs shall be executed to the level of standard published by the California Stormwater Quality Association's Construction Stormwater BMP Handbook. BMPs to be utilized shall include, but are not limited to: • NS-8 Vehicle and Equipment Cleaning; • NS-8 Vehicle and Equipment Fueling; • NS-10 Vehicle and Equipment Maintenance; • WM-1 Material Delivery and Storage; • WM-2 Material Use; • WM-3 Stockpile Management; • WM-4 Spill Prevention and Control; • WM-5 Solid Waste Management; and, • WM-6 Hazardous Waste Management.	Measures shall be included in the SWPPP for the project and on all improvement, grading, or mining plans. All measures shall be implemented throughout all phases of the proposed project.	City of Rancho Cordova Public Works Department in coordination with the County of Sacramento Department of Water Resources.	
MM 11.1	Upon occupation of one or more residences in the Rio Del Oro Specific Plan area to the west of the project site, the project proponent shall ensure that no mining or aggregate processing is conducted within the following minimum distances from the nearest occupied residences: • No mining may occur within 840 feet of the nearest occupied residence in the daytime. No mining may occur within 1,560 feet of the nearest occupied residence in the	Throughout operation of the proposed project upon occupation of one or more homes to be constructed in the Rio Del Oro	City of Rancho Cordova Planning Department.	

ITEM 10.6.

Mitigation Measures

	nighttime. - No aggregate processing may occur within 1,270 feet of the nearest occupied residence in the daytime. No aggregate processing may occur within 2,155 feet of the nearest occupied residence in the nighttime. These minimum distances may be revised by the City of Rancho Cordova in the event that the project proponent provides additional data, prepared by a qualified noise professional, which shows that noise levels at or below current City Noise Standards would be, or actually are, experienced at the nearest occupied residence from mining and/or processing operations. Mining operations and aggregate processing may be conducted within these minimum distances only under the following conditions: - The project proponent shall incorporate temporary noise barriers such as berms or product stockpiles of a sufficient height to block sight lines between occupied homes and processing/mining operations. All temporary noise barriers shall be shown on project plans and submitted to the City Planning Department for review and approval prior to construction. - The project proponent shall provide an acoustical analysis prepared by a qualified noise professional showing that the temporary noise barriers are sufficient to reduce noise at the project boundary below current City noise standards of 55 dB L_{eq} daytime/45 dB L_{eq} nighttime.	Specific Plan area.		
MM 11.2a	The project proponent shall ensure that the Douglas Road access point is utilized only between the hours of 7:00 AM and 6:00 PM on weekdays and 8:00 AM and 6:00 PM on	Throughout all phases of the proposed project.	City of Rancho Cordova Planning	

ITEM 10.6.

Mitigation Measures

	weekends. The gate at that access point shall remain locked outside of those hours to discourage unauthorized use.		Department in consultation with the Sacramento Metropolitan Fire District.	
MM 11.2b	Prior to the occupation of homes in any portion of the Rio Del Oro or Westborough developments, the project proponent shall post signage visible to residents providing a name, address, and 24-hour phone number for information and/or complaints regarding the mining activities of the proposed project. Placement of the signage immediately adjacent to White Rock Road is considered sufficiently visible. Signage shall also include the address and main phone number for the City Planning Department. Signage meeting the above requirements shall also be installed prior to site disturbance at the entrance at Douglas Road in a location plainly visible from Douglas Road.	Signage shall be posted prior to occupation of homes within the Rio Del Oro or Westborough projects.	City of Rancho Cordova Planning Department.	
MM 15.1	The project proponent shall ensure that no trucks traveling to or from the proposed project via the Douglas Road access point utilize the intersection of Sunrise Boulevard and Douglas Intersection between the hours of 7:00 AM and 9:00 AM and between the hours of 4:00 PM and 6:00 PM, except when required by local projects served by the proposed project. All drivers shall be notified of this requirement in writing prior to operation to and from the project site. The project proponent shall post signage at the Douglas Road access point that clearly notifies drivers both entering and leaving the site of the time restriction.	Throughout operation of the proposed project.	City of Rancho Cordova Planning Department and Public Works Department.	

**ROADWAY IMPACT AND TRUCK
MANAGEMENT PROGRAM AGREEMENT
FOR THE GRANITE CONSTRUCTION MINING OPERATION
(PERMIT RENEWAL)
BETWEEN THE CITY OF RANCHO CORDOVA AND
GRANITE CONSTRUCTION COMPANY, INC.**

This ROADWAY IMPACT AND TRUCK MANAGEMENT PROGRAM AGREEMENT (hereafter the "**Agreement**") is dated for reference purposes as of ~~February 2, 2017~~ **201** by and between the CITY OF RANCHO CORDOVA, a municipal corporation of the State of California (hereafter the "**City**"), and GRANITE CONSTRUCTION COMPANY, a California corporation (hereafter the "**Operator**") (the City and Operator being collectively referred to herein as the "**Parties**"). This Agreement is made and entered into in accordance with Condition 22 to the Renewal of the Permit for the Granite Construction Mining Operation (hereafter referred to as "**Project**" or "**Permit Renewal**") approved by the City Council on the 5th day of December, 2016. Terms with initial capitalization used but not defined in this Agreement shall have the meanings given to them in the Project Approvals, as defined below.

RECITALS

A. The Planning Commission for City approved the Surface Mining and Reclamation Permit for the Granite Construction Mining Operation, Project No. RC-06-224, by Resolution No. 101-2007, on July 26, 2007 (hereafter the "**Original Permit**"). The Original Permit, which expires on July 26, 2017, provides for renewal for five (5) years, with optional five (5) year renewals thereafter, subject to City Council approval.

B. Operator intends to continue to remove aggregate resources from portions of the Project, which is located within the City limits, as identified on Exhibit A to this Agreement (hereafter the "**Project Site**"), which is incorporated herein by reference. On the 5th day of December, 2016 (the "**Project Approval Date**"), the City Council approved the renewal of the permit for the Project, which shall become effective on July 26, 2017 (hereafter the "**Permit Renewal**" and the "**Permit Renewal Date**"). There are no modifications to the Mining and Reclamation Plan, and the renewal of the permit for the Project does not require further environmental review under the California Environmental Quality Act, CEQA Guidelines Section 15162.

C. The Project Site is an important source of aggregate for the City and the Sacramento metropolitan area. Aggregate material that is extracted from the Project Site will be used in local and regional projects and sales within the City are expected to generate certain tax revenues. Materials hauled from the Project Site by truck will impact roadways within the City and, in order to address impacts to roads anticipated by such activities, the City imposed Condition No. 18 on the Original Permit, which requires as follows:

The applicant shall enter into an agreement with the City to address damages and impacts to City roadways directly attributable to the project. Impacts include, but are not limited to: public improvements necessitated by the project and accelerated wear on public

infrastructure. The form of the agreement may include a fee per unit of material hauled away from the site and/or a capital fee to the satisfaction of the Public Works Department. The applicant shall prepare a roadway condition assessment for the City's review prior to hauling material off-site which describes the current condition of the impacted City roadways.

To satisfy Condition No. 18 of the Original Permit, the City and Operator entered into an agreement, titled the "Roadway Impact Agreement for the Rio del Oro Mining Project Between the City of Rancho Cordova and Granite Construction Company" (hereafter the **"2008 Roadway Impact Agreement"**), which is attached hereto as Exhibit G.

D. On December 15, 2011, Sacramento County adopted the Sacramento County Quarry Truck Management Plan (the **"TMP"**), attached hereto and incorporated herein as Exhibit B. in order to address quality of life impacts resulting from truck trips used to transport materials mined within a designated jurisdictional area. On January 24, 2012, the City entered into the Quarry Truck Management Plan Operational Agreement with the County of Sacramento (the **"TMP Operational Agreement"**), attached hereto and incorporated herein as Exhibit C. Both the TMP and the TMP Operational Agreement require the imposition of a per ton fee, referred to herein as the **"TMP Per Ton Fee"** on specified new projects and permit renewals.

E. Pursuant to the TMP and the TMP Operational Agreement, and to extend and satisfy the Conditions 7 and 18 of the Original Permit, the City imposed Condition No. 22 on the Permit Renewal, as follows:

Prior to operations under the Permit Renewal, the Applicant shall execute a Roadway Impact and Truck Management Program Agreement that will satisfy Condition No. 7 and Condition No. 18 of the Original Permit and the terms of a Truck Management Plan Operational Agreement executed between the City and the County of Sacramento.

These per ton fees required by Condition No. 22 on the Permit Renewal are referred to herein as the **"Roadway Per Ton Fee and the TMP Per Ton Fee,"** respectively.

F. The distribution map for the Project, required by Paragraph 10 of Exhibit B to the TMP (the **"TMP Granite Construction Mining Operation – Rancho Cordova - Distribution Figure"**) is attached hereto and incorporated herein as Exhibit D. The TMP Granite Construction Mining Operation – Rancho Cordova – Distribution Figure may be modified from time to time as set forth in Section 2.4.2 of this Agreement and Paragraph 11 of the TMP, and subject to the requirements in Sections 2.9 and 2.10 of the TMP Operational Agreement, which requires continuous access along Grant Line Road and Jackson Highway within the City, and continuous and direct access along White Rock Road, subject to the limitations set forth therein. Consistent with the requirements of the TMP Operational Agreement, The City has imposed certain limitations on truck routes in Condition No. 23 of the Permit Renewal, as follows:

Truck access to Highway 50 shall be from Sunrise Blvd., and not from Zinfandel Drive. With the exception of local deliveries, no through trips shall be allowed on White Rock Road west of Sunrise Blvd.

The distribution route used by trucks transporting materials from the Project Site is referred to herein as the “**Truck Route**”, for purposes of calculation of the TMP Per Ton Fee (Section 2.2 of this Agreement) and monitoring of compliance with the Truck Route Enforcement Plan (attached hereto and incorporated herein as Exhibit E).

G. Conditions 7 and 18 of the Original Permit and 22 of the Permit Renewal are sometimes referred to herein collectively as the “**Conditions**.” As set forth in Section 1.1 of this Agreement, the City and Operator desire to enter into this Agreement in response to and in satisfaction of the Conditions.

AGREEMENT

NOW THEREFORE, the City and Operator do hereby agree as follows:

1. PURPOSE OF AGREEMENT; INCORPORATION OF RECITALS; DEFINED TERMS.

1.1 Purpose of Agreement. Execution of this Agreement by the Parties and performance by Operator hereunder shall constitute full satisfaction of Conditions 7 and 18 of the Original Permit and Condition 22 of the Permit Renewal.

1.2 Incorporation of Recitals; Defined Terms. The Parties acknowledge and agree upon the accuracy of the Recitals hereto and incorporate them herein by this reference. The “**Project Approvals**” consist of (1) the Original Permit and related conditions of approval; (2) the Mining and Reclamation Plan approved with the Original Permit, (3) the Permit Renewal and related conditions of approval. Terms with initial capitalization used but not defined in this Agreement shall have the meanings given to them in the Project Approvals or the 2008 Roadway Impact Agreement.

1.3 Incorporation of Terms of 2008 Roadway Impact Agreement. The City and Operator entered into the 2008 Roadway Impact Agreement to identify certain project related impacts and infrastructure improvements that would be constructed by Operator to mitigate identified impacts and to provide for the payment of a per ton fee for ongoing road maintenance. A true and correct copy of the fully executed 2008 Roadway Impact Agreement is attached hereto as Exhibit G for reference. The Parties intend, by this Section, to incorporate certain provisions of the 2008 Roadway Impact Agreement to remain in full force and effect, and to acknowledge the completion of certain other obligations of the Operator as stated in the 2008 Roadway Impact Agreement by specifying those sections that no longer remain in force and which shall have no further effect as between the Parties.

1.3.1 Left Turn Lane and White Rock Road Improvements. Operator has completed, to City’s satisfaction, the construction of infrastructure improvements identified in the 2008 Roadway Impact Agreement, Section 2.1 (Left Turn Lane) and Section 2.3 (White Rock Road Rehabilitation Work), and the Parties agree that except for any definitions that remain applicable, the provisions of Sections 2.1, 2.1.1, 2.1.2, 2.1.3, 2.3, 2.3.1, 2.3.2, 2.3.3, 2.3.4 and 2.3.5, inclusive, of the 2008 Roadway Impact Agreement have no further force or effect.

The provisions of Section 2.3.6, including subsections (a) – (d), inclusive, each of which pertains to future maintenance to an identified road, shall remain in full force and effect, and are not superseded by this Agreement.

1.3.2 Traffic Signalization. Section 2.2 (and Sections 2.2.1 – 2.2.2(a)-(d), inclusive) of the 2008 Roadway Impact Agreement pertain to the potential future installation of traffic signalization at the intersection of White Rock Road and Grantline Road, and provide the City with the right to re-evaluate, on terms specified therein, the potential installation of a traffic signal in the future. The provisions of Sections 2.2, 2.2.1, 2.2.2 and 2.2.2(a)-(d), inclusive, are incorporated herein by this reference and shall remain in full force and effect, and are not superseded by this Agreement.

1.3.3 Payments and Fees. The provisions of Section 3 (and Sections 3.1-3.6, inclusive and all subsections contained therein) are superseded by Section 2 of this Agreement and shall have no further force and effect.

1.3.4 Costs of Traffic, Road Impact or Other Studies. The provisions of Section 4 of the 2008 Roadway Impact Agreement regarding payment for any Future Impact Studies (as that phrase is defined therein) is incorporated by reference, shall apply as though fully set forth herein, and shall remain in full force and effect, and are not superseded by this Agreement.

1.3.5 Other Terms of the 2008 Roadway Impact Agreement. The Parties have set forth remaining terms of the 2008 Roadway Impact Agreement in this Agreement, with modifications as negotiated by the Parties, and the terms of this Agreement are intended to supersede the terms of the 2008 Roadway Impact Agreement, with such terms having no further force or effect, except for those provisions stated above in Sections 1.3.1, 1.3.2 and 1.3.4. In the event of any inconsistency in the terms of this Agreement and the 2008 Roadway Impact Agreement, the terms of this Agreement shall prevail.

2. FEES AND PAYMENTS.

2.1 Roadway Per Ton Fee; Amount. Operator agrees to pay the City a fee equal to three cents (\$0.03) per gross ton of Mined and Removed Materials from the Project Site (the “**Roadway Per Ton Fee**”) that is trucked or hauled from the Project Site. For purposes of this Agreement, the term “**Mined and Removed Materials**” is defined in Section 2.3.1 of this Agreement. The City may not increase the amount of the Roadway Per Ton Fee during the term of the Project Approvals, and such fee shall not apply to materials mined and removed by conveyor.

2.1.1 Timing For Payment of Roadway Per Ton Fee. Operator shall make and deposit payments of the Roadway Per Ton Fee due under this Agreement on an annual basis coinciding with the City’s fiscal year, which runs from July 1 to June 30, with each payment of Roadway Per Ton Fee for the subject fiscal year due to the City within forty-five (45) calendar days after the end of the City’s fiscal year. Operator shall deposit these payments with the City Finance Department. Operator shall pay a late fee of two and one-half percent

(2.5%) per month on a prorated basis for any payment not made within ten (10) days after the date due.

2.1.2 Statements. Each payment of Roadway Per Ton Fee made by Operator under this Agreement shall be accompanied by the following: (a) a Statement of Quantities; (b) a calculation of the payment due based upon the Statement of Quantities; and (c) a record of truck tickets regarding Mined and Removed Materials for the applicable fiscal year certified by a California Weighmaster. Subject to approval by City, which shall not be unreasonably withheld, Operator may substitute an alternative computerized tracking method that substantiates the amount of Mined and Removed Materials. For purposes hereof, the term “**Statement of Quantities**” shall mean an annual statement indicating the total tonnage of Mined and Removed Materials during a subject fiscal year.

2.1.3 Purpose of Roadway Per Ton Fee. The purpose of the Roadway Per Ton Fee is to fully compensate the City during the entire Term of this Agreement for wear and tear on City roadways, for unspecified future damage that may occur to any and all portions of White Rock Road or to any other City roadways which may be needed as a result of Granite’s operations on and removal of materials from the Project Site. The Parties acknowledge and agree that Granite’s obligation to pay the Roadway Per Ton Fee shall fully satisfy any other obligation that Granite may have at any time during the Term of this Agreement (as defined in Section 3 of this Agreement) towards any repairs or improvements to City roadways.

2.2 ~~TMP Per Ton Fee:~~

2.2.1 ~~TMP Per Ton Fee; Amount.~~ Beginning on July 26, 2017 (hereafter the “**Permit Renewal Effective Date**”), Operator agrees to pay the County of Sacramento a fee (hereinafter, the “**TMP Per Ton Fee**”) equal to Twelve Cents (\$0.12) per gross ton of Mined and Removed Materials, as that term is defined in Section 2.3.1 of this Agreement, and that are removed from the Project Site pursuant to the terms of the TMP, attached as Exhibit B. The amount of the TMP Per Ton Fee shall be adjusted during the term of the Permit Renewal, but only as authorized by and consistent with the terms of Paragraph 6 of Exhibit B to the TMP. The distribution of funds shall be determined as more specifically set forth in Paragraph 9 of Exhibit B to the TMP. The anticipated distribution percentages of Truck Routes (hereafter the “**TMP Distribution Figure Percentages**”) are identified in Exhibit D to this Agreement, and shall establish the distribution between the City and County and/or other jurisdictions, with such percentages subject to revision from time to time as set forth in the TMP.

2.2.2 ~~Documentation of Truck Route; Changes to Method for Documenting Truck Route.~~ In order to document actual Truck Routes as required by the TMP and the TMP Operational Agreement, Operator shall implement one of the following alternatives to identify the Truck Route:

(a) The Operator shall require each driver of a truck leaving the Project Site to identify (a) whether the delivery destination is within the City limits or outside of the City limits and (b) for those deliveries outside of the City limits, the point of ultimate destination. For each aggregate truck leaving the Project Site, the Operator shall maintain a log

identifying by date, (a) tonnage transported and (b) the Major Road (as identified on Exhibit D) that will be used for delivery of aggregate materials, and (c) whether the delivery destination is within City limits or outside City limits. Operator shall maintain this log and provide a copy, quarterly, to the County and the City; or

(b) For purposes of this Agreement, a “**Haul Tag**” is a written record that includes the identification of the truck, job, customer and weight of materials included that is maintained by the Operator in the regular course of business to establish point of sale. The Operator shall provide City and County with a report that estimates Truck Routes based on a comparison of Haul Tags and actual distribution routes, observed quarterly, when mining operations are occurring. Operator shall perform a random check at least quarterly to assure that trucks are following the prescribed Truck Route by observing which direction trucks are turning on White Rock Road, Sunrise Blvd and Grant Line Road, and shall maintain a copy of the report for review by the City or County upon demand. Such report shall include percentages of truck trips traveling in each direction on such roads observed in the spot check. Such report should also assess the Haul Tags in comparison to the Truck Routes; or

(c) The City and Operator may agree to develop a different means for documenting Truck Routes during the term of the mining permit. City shall notify County of any changes in the manner for documenting Truck Routes.

Based on such information derived from the reports provided pursuant to this Section, and as allowed by the terms of the TMP, City or County may submit a request for modifications to the TMP Distribution Figure Percentages identified on Exhibit D to this Agreement.

2.2.3 ~~Alternative Method to Determine Truck Route~~

Distribution for Annual Sales Less than 250,000 Tons. City acknowledges that the collective cost to Operator, City and County to implement the administrative requirements for accounting for the distribution of Truck Routes may exceed the value of the TMP Per Ton Fee in years in which annual sales generated from the Project Site are less than 250,000 Tons of Mined and Removed Materials (i.e., generating less than or equal to approximately \$30,000 in TMP Per Ton Fees). City agrees to negotiate in good faith with County and other entities anticipated to receive payments of the TMP Per Ton Fee a distribution method that relies upon reasonable estimates of Truck Routes as an alternative to the record-keeping described herein. In the event an alternative method to calculate Truck Route distribution is agreed to by the affected jurisdictions in the TMP Program, that alternative method shall be attached to this Agreement as an Exhibit F, without further necessity of amending the other terms stated herein. The provisions of this Section do not obligate either City or County to agree to any alternative method for calculating Truck Route distribution.

2.2.4 Satisfaction of TMP Requirements. Operator’s payment of the TMP Per Ton Fee and the provision of the quarterly report identified in Section 2.2.2, and observance of the applicable requirements and obligations set forth in the TMP and the TMP Operational Agreement shall constitute full compliance by Operator with the TMP Per Ton Fee requirements.

2.3 Computation Method for Fees and Inspection Rights. The following computation method and inspection rights shall apply to the Roadway Per Ton Fee and the TMP Per Ton Fee.

2.3.1 Definition of Mined and Removed Materials. For purposes of this Agreement, the term "**Mined and Removed Materials**" shall mean and include sand, gravel, rock, and other aggregate and/or construction materials mined and permanently removed from the Project Site by truck during the Term of this Agreement. Mined and Removed Materials does not include any materials removed by conveyor.

2.3.2 Weighing of Materials. All Mined and Removed Materials shall be weighed prior to removal from the Project Site through certified scales to be installed and maintained and operated at all times by a Certified Weighmaster.

2.3.3 Records. Operator shall keep full, true and accurate books of account during the Term hereof containing: (a) all necessary data for computation of Roadway Per Ton Fees and TMP Per Ton Fees due hereunder; and (b) certified weight receipts of all Mined and Removed Materials.

2.3.4 Inspection Rights. Solely for the purpose of verifying the amounts of Mined and Removed Materials and Roadway Per Ton Fees and TMP Per Ton Fees due under this Agreement, the City and County shall have the following rights and privileges:

(a) At any reasonable time and from time to time during the Term of this Agreement upon not less than three (3) calendar days' prior written notice, and subject to Section 6 hereof, the right to have a duly authorized agent or representative of the City or County, when accompanied by a representative of Operator but at their own risk, to enter upon the Project Site for the purposes of making such examinations, inspections and verifications as such representative or agent may reasonably desire; and

(b) The right to examine any of the items delivered by Operator pursuant to Section 2.1.2 and 2.2.2 hereof; and

(c) Upon not less than ten (10) calendar days' prior written notice by City or County to Operator, and subject to Section 4 hereof, the right during regular business hours for Operator and Operator's authorized experts, accountants and auditors to review and inspect Operator's records and books of account relevant to payment of the Roadway Per Ton Fee and TMP Per Ton Fee and the Project Site, together with the right, at the expense of the City or County, as applicable, to make a copy or copies of the relevant portion of Operator's books and records. Operator will keep and maintain its book and records relevant to payment of the Roadway Per Ton Fee and TMP Per Ton Fee and the Project Site for at least three (3) years from the date of payment to the City or County, as applicable.

2.4 ~~Truck Routes and Enforcement.~~

2.4.1 ~~White Rock Road Access.~~ Pursuant to Section 15(a) of Exhibit B to the TMP and Sections 2.10 and 2.10.1-2.10-3, inclusive, of the TMP Operational Agreement, City shall provide guaranteed, reasonable and continuous access on White Rock Road in the City to Operator for up to three (3) million tons of aggregate production per year. As required by Section 2.10.3 of the TMP Operational Agreement, this tonnage per year limitation shall not be reduced by either local quarry truck trips, as that term is defined in paragraph 9 of Exhibit B to the TMP, using White Rock Road in the City, or by any temporary access allowed by the City to other participating quarry operators due to construction activities on Grant Line Road or Jackson Highway.

2.4.2 ~~Truck Routes.~~ With the exception of local deliveries, Operator agrees to implement the Truck Route Enforcement Plan, attached hereto and incorporated herein as Exhibit E, to ensure that trucks follow the truck route established in the Project Approvals as depicted in Exhibit D or as modified per Paragraph 11 of the TMP. Such Truck Route Enforcement Plan shall be reviewed after the second year of any truck operations from the Project Site and then four years thereafter to determine whether there are issues with the Truck Route or enforcement thereof. Should the City determine that Truck Routes are not being followed and/or adequately enforced, the parties shall meet and confer to determine whether additional enforcement measures are necessary and/or whether an alternative route should be established after an appropriate traffic analysis has been performed. Any proposed changes to the route shall be consistent with the restrictions in the TMP, as more specifically set forth in Paragraph 15(a)-(c), inclusive, of Exhibit B to the TMP.

2.4.3 ~~City's Obligations Under TMP Operational Agreement.~~ The provisions in this Section 2.4 are intended to comply with the City's obligations under the TMP Operational Agreement with the County and the City shall, consistent with the TMP Operational Agreement, provide continuous access along Grantline Road and Jackson Highway within the City limits. Continuous and direct access along White Rock Road, as required by the TMP Operational Agreement, shall be as specified in Section 2.4.1 of this Agreement.

3. ~~TERM OF AGREEMENT.~~ This Agreement shall be binding and in effect for a term (the "**Term**") beginning on the Permit Renewal Date and ending on the later to occur of the following: (a) the expiration or termination of the Project Approvals, as the same may be extended from time to time, or (b) completion and cessation of all mining, processing and related activities by Operator on the Project Site.

4. ~~CONFIDENTIALITY AGREEMENT.~~

4.1 ~~Nondisclosure of Confidential Materials.~~ Except to the extent required by the California Public Records Act (California Government Code Section 6250 *et seq.*) ("**CPRA**") or other applicable laws, the City, in order to protect Operator's financial and commercial interests, shall not cause or permit any Confidential Materials to be disclosed to, or made accessible to, any person, firm or entity other than those employees of the City, attorneys and accountants of the City, or consultants of the City who are immediately and directly involved

in the administration of this Agreement and who are subject to the confidentiality provisions of this Section 4. For purposes hereof, "**Confidential Materials**" shall mean any Statement of Quantities, any other statement accompanying a payment of Per Ton Fees, any records of payments or payment amounts made under this Agreement, information obtained pursuant to or in connection with Section 2.3.4, or any other related documents, information, statements or materials.

4.2 Public Records Act Requests. If City receives a request for disclosure of any Confidential Materials ("**Document Request**"), then City shall immediately notify Operator of the Document Request as well as the identity of the individual or entity making the Document Request and shall also provide a written copy of the Document Request to Operator by the most expedient means (e.g., facsimile, e-mail, etc.). If City believes that it is obligated to disclose any or all of the documents identified in the Document Request pursuant to the CPRA or other applicable laws, then at least five (5) business days prior to making any disclosure under or pursuant to the Document Request, City shall provide written notice to Operator of City's intention to make the disclosure, which notice shall include, without limitation, a written description of (a) each and all of the documents that City intends and believes it is obligated to disclose, and (b) the legal basis requiring such disclosure. Operator shall then have the option to request that the City decline such disclosure and to advise the City of any grounds for same; Operator shall provide City with such request no later than three (3) business days after receiving notice from the City. If Operator timely requests that the City decline such disclosure, and the City Attorney determines that Operator has provided legally sufficient ground to decline the request, then the City shall respond to the Document Request declining to make the disclosure and providing the appropriate grounds or exemption. Operator, at Operator's sole cost, shall then defend and indemnify the City from any action related to such response. If the City Attorney disagrees with Operator's position, then the City shall notify Operator within one (1) business day of that fact, providing Operator with the opportunity, at Operator's sole cost, to file a declaratory relief action to determine whether the documents must be disclosed. Such declaratory relief action must be filed no later than five (5) business days after the City notifies Operator that the City Attorney disagrees with Operator's position. The City shall also notify the party making the Document Request that Operator has requested the opportunity to file a declaratory relief action to determine if the documents are exempt from disclosure.

5. DISPUTES

5.1 Notice and Cure; Meet and Confer. Prior to filing suit for any claim under this Agreement for any alleged breach, the aggrieved Party shall first give the other Party an opportunity to cure the alleged breach by sending written notice to the breaching Party and giving the breaching Party a minimum of thirty (30) days from the receipt of notice to cure the alleged violation. Either Party may request that the Parties meet and confer to discuss the alleged breach within the thirty (30) day period after the notice to cure the alleged violation is received.

5.2 Arbitration For Certain Controversies. Any controversy between the Parties regarding the terms or conditions of this Agreement and/or any claim arising out of or relating to this Agreement or its breach (with the exception of Operator's non-payment of the Per Ton Fee), shall be submitted to binding arbitration upon the written request of one party after the

service of that request on the other party. The arbitration shall be initiated by written notice of a demand to arbitrate sent by certified mail, return receipt requested, by one party to the other party. The Parties shall attempt to agree on a retired judge of the Superior Court of the State of California to be the Arbitrator. If the Parties cannot agree, then the Superior Court of the Sacramento County shall choose an impartial Arbitrator whose decision shall be final and conclusive on all parties, and it may be confirmed thereafter as a judgment by the Superior Court of the State of California, subject only to challenge on the grounds set forth in California Code of Civil Procedure Section 1286.2. The validity and enforceability of the Arbitrator's decision is to be determined exclusively by the California courts. The City and Operator shall each have the right of discovery in connection with any arbitration proceeding in accordance with Code of Civil Procedure Section 1283.05. The Parties shall equally share the costs and fees of the Arbitrator. Each Party shall pay its own engineers', attorneys' and other professionals' fees. The sole and exclusive venue for the arbitration and or any legal dispute shall be Sacramento County, California.

6. INDEMNIFICATION; INSURANCE.

6.1 Indemnity Requirements. To the fullest extent permitted by law, Operator shall indemnify, defend (with counsel acceptable to City) and hold harmless City (including its officers, agents, members, employees, affiliates, and representatives) from and against any and all claims, demands, actions, losses, liabilities, damages, expenses, liabilities and all costs incidental thereto, including cost of defense, settlement, arbitration and reasonable attorneys' fees ("**Claims**") arising out of, pertaining to, or resulting from (a) the negligent, reckless or willful acts of omissions of Operator, its offices, agents or employees, or the acts of omissions of anyone else directly or indirectly acting on behalf of Operator or for which Operator is legally liable under law, of (b) Operator's performance of its obligations under this Agreement. Without limitation, such obligations to defend, hold harmless and indemnify the City under this Section 6.1 shall not apply to the extent that such Claims are caused by the sole negligence, active negligence, or willful misconduct of the City, and shall exclude punitive and consequential damages of any kind.

6.3 Insurance Requirements. Operator shall procure, maintain, and keep in force at all times during the Term of this Agreement, at Operator's sole expense, all that insurance described in Exhibit E to the 2008 Roadway Impact Agreement.

7. General.

7.1 Notices. All notices required or permitted to be given hereunder shall be in writing and shall be delivered in person, sent by overnight delivery service (such as Federal Express) or sent by certified mail, return receipt requested, postage fully prepaid thereon, addressed as follows:

City: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Attn: City Manager and Public Works Director

Operator: Granite Construction Company
4001 Bradshaw Road
P.O. Box 15287
Sacramento, CA 95851

Attention: Materials Manager &
Materials Resource Manager

With a mandatory copy to:
Granite Construction Company
P.O. Box 50085
Watsonville, CA 95077-5085
Attention: General Counsel

And to:
Brewer Lofgren LLP
650 University Avenue, Suite 220
Sacramento, CA 95825
Attention: Martha Clark Lofgren

No party shall refuse or evade delivery of any notice.

7.2 Interpretation. It is agreed and acknowledged by the parties hereto that the provisions of this Agreement have been arrived at through negotiation, and that each party has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

7.3 Counterparts. This Agreement may be signed in several counterparts and all so signed shall constitute one and the same agreement, binding on all of the parties hereto, notwithstanding that all of the parties are not signatory to the original or same counterparts,

7.4 Successors And Assigns. Each and every provision of this Agreement shall bind and inure to the successors in interest of the parties hereto, in the same manner as if such parties had been expressly named herein.

7.5 Governing Law. This Agreement and the rights and duties of the parties hereunder shall be governed by the laws of the State of California, without giving effect to such state's conflict of law principles. Any legal action filed by the parties with respect to this Agreement shall be filed in Sacramento County, California.

7.6 Attorneys' Fees. Each Party to this Agreement shall bear its own attorneys' fees in connection with the negotiation and drafting of this Agreement. If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or

interpret the provisions of this Agreement, then the prevailing party in any such action shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose. For purposes hereof, the "prevailing party" shall be the party that recovers substantially the relief sought by said party, whether by judgment, settlement, dismissal or otherwise. Operator shall have no obligation to reimburse the City for any attorneys' fees incurred in connection with any future disputes over the construction of this Agreement, unless and until an determination is made by an arbitrator or by a court of competent jurisdiction which establishes that the City is the prevailing party, as defined in this section, in connection with any such dispute.

7.7 Effect Of Invalidity. If any term of provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term or provision of this Agreement shall continue to be valid and shall be enforced to the fullest extent permitted by law.

7.8 Effect Of Waiver. No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act, except those of the waiving party, which shall be extended by a period of time equal to the period of delay.

7.9 No Agency, Partnership Or Joint Venture. Nothing in this Agreement shall be deemed or construed to create the relationship of principal and agent, a partnership, joint venture or any other association between the parties.

7.10 Entire Agreement. This Agreement (including any exhibits hereto) is the final expression of and contain the entire agreement between the Parties with respect to the subject matter hereof and, except as provided for in Section 1.3 of this Agreement, supersedes all prior understandings with respect thereto. This Agreement may not be modified, changed, supplemented, superseded, canceled or terminate, nor may any obligations hereunder be waived, except by a written instrument signed both Parties hereto or by a party's agent duly authorized in writing or as otherwise expressly permitted herein. The Parties do not intend to confer any benefit hereunder on any other person, firm or corporation other than the Parties hereto and their lawful successors and assigns.

CONTRACT 175-2016

IN WITNESS WHERE OF, the Parties have executed this Agreement as of the date first set forth above.

SACRAMENTO COUNTY QUARRY TRUCK MANAGEMENT PLAN

Revised
December 15, 2011**RESOLUTION NO. 2011-0938****RESOLUTION OF THE BOARD OF SUPERVISORS, OF THE COUNTY OF
SACRAMENTO, STATE OF CALIFORNIA, ESTABLISHING A QUARRY TRUCK
MANAGEMENT PLAN FUNDING MECHANISM PROGRAM FOR QUALITY OF
LIFE IMPROVEMENTS FOR EASTERN SACRAMENTO COUNTY**

WHEREAS, since 2002, Sacramento County (County) has received three separate applications for aggregate quarries to be located in the eastern sector of the County;

WHEREAS, Teichert Quarry was approved by the Board of Supervisors (Board) on November 30, 2010, and Stoneridge Quarry was heard by the Board on December 7, 2011 and final Board action is tentatively scheduled in January of 2012;

WHEREAS, the third remaining application, Milgate Quarry, has yet to be heard by the Board;

WHEREAS, other quarrying proposals to be located in the eastern sector of the County may be advanced in the future;

WHEREAS, the Teichert and Stoneridge Quarries and these other various quarries will, if approved, generate considerable truck related traffic;

WHEREAS, each quarry when approved either has been or will be required to analyze and mitigate its California Environmental Quality Act ("CEQA") identified traffic capacity, air quality and noise impacts;

WHEREAS, in addition to such CEQA identified impacts, the Board recognizes that there may be various perceived "quality of life" concerns, stemming from said truck traffic, which are not subject to analysis and mitigation as required under CEQA;

WHEREAS, the Board desires to establish a voluntary non-CEQA based funding mechanism whereby aggregate quarry operations in eastern Sacramento County can commit to providing partial funding for the implementation of various roadway related improvements to help address perceived "quality of life" concerns stemming from said aggregate truck traffic;

WHEREAS, said aggregate truck related quality of life concerns will be to land uses located in an area of concern which includes the area south of the City of Folsom consisting of the City's south of U.S. Highway 50 sphere of influence area, a portion of the City of Rancho Cordova and a portion of unincorporated Sacramento County;

WHEREAS, said area of concern is depicted, jurisdiction by jurisdiction, in Exhibit A;
and

WHEREAS, the Board desires to enhance comity between the three affected jurisdictions and settle existing and avoid future litigation.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of the County of Sacramento does hereby establish the Quarry Truck Management Plan (TMP) Funding Mechanism Program, attached hereto as Exhibit B:

1. Section 2.4.5.B of the Development Agreement by and between the County of Sacramento and Teichert & Sons, Inc., dated 30 November, 2010, requiring the adoption of a TMP program, is hereby deemed satisfied by the adoption of this Resolution.
2. In order for the City of Rancho Cordova to receive funds from this Quarry TMP Funding Mechanism, the City must dismiss with prejudice its lawsuit against the County and Real Party in Interest Teichert regarding the Teichert Quarry (Sacramento Superior Court Case Number 34-2010-80000747) within 45 days of the adoption of this Resolution. If a final judgment has been entered by the Superior Court prior to the lapse of said 45 days, Rancho Cordova must enter into an agreement with the County before receipt of funds from the TMP Funding Mechanism which provides: (1) that Rancho Cordova will not appeal any decision rendered by the Superior Court

(2) that Rancho Cordova waives any claim for an award of attorneys' fees stemming from said case from either the County or Real Party in Interest Teichert and (3) pledges that Rancho Cordova will not, in the event it has prevailed before the Superior Court, file a subsequent action challenging the Teichert Quarry EIR. Said agreement must be executed within 60 days of the adoption of this Resolution.

3. Section 2.4.4 of the Development Agreement by and between the County of Sacramento and Angelo G. Tsakopoulos and Katherine Tsakopoulos, requiring the adoption of a TMP program, will be deemed satisfied by the adoption of this Resolution, upon approval of the Development Agreement by the Board of Supervisors.

BE IT FURTHER RESOLVED that Exhibits "A" through "B" are hereby incorporated into and made a part of this resolution establishing a Quarry Truck Management Plan Funding Mechanism Program.

On a motion by Supervisor MacGlashan Seconded by Supervisor Nottoli, the foregoing resolution was passed and adopted by the Board of Supervisors of the County of Sacramento, State of California, at a regular meeting thereof this 14th day of December, 2011, by the following vote, to wit:

AYES:	Nottoli, Peters, Serna, Yee, MacGlashan
NOES:	None

December 15, 2011EXHIBIT B
Eastern Sacramento County
Quarry Truck Management Plan Funding Mechanism Program

1. All new quarry or other mining proposals and renewals of existing quarry or other mining permits (quarry or quarries), located within the Quarry TMP Participation Area (Participation Area), as depicted in Figure I, may elect to participate in the Quarry TMP Funding Mechanism Program.
2. Those jurisdictions located within the Participation Area may similarly elect to participate in the Quarry TMP Funding Mechanism Program.
3. The Quarry TMP Funding Mechanism Program shall consist of a twelve (12) cents per ton contribution on all aggregate material produced and sold from the participating quarries. Aggregate material shall include raw materials sold or transferred to affiliates or subsidiaries for the production of concrete, asphalt or other products. Asphalt oil, water, cement or other ingredients from outside sources shall not be included in the tonnage measured, although, the sale of recycled materials shall be included.
4. A quarry operator electing to participate in the Quarry TMP Funding Mechanism Program shall execute a development agreement, or other similar binding obligation, with the County which mandates payment of the twelve (12) cents per ton contribution specified in Paragraph 3. In the event a quarry is approved by a participating jurisdiction other than the County, a quarry electing to participate in this program shall execute a similar agreement with that jurisdiction.
5. The Quarry TMP Funding Mechanism Program contribution (contribution) shall be collected for the term of each quarry use permit and any extensions thereto granted up to a total of one hundred (100) years, subject to modification as provided in Paragraphs 6 and 7 below.
6. In recognition of the fact that the value of a ton of aggregate may fluctuate, the twelve (12) cents per ton contribution will be adjusted every eight (8) years for the first twenty four (24) years that the contribution is in place (year 8, year 16, and year 24) by applying an Adjustment Factor to the contribution, provided that, in no event will the adjustment be more than one half (1/2) cent per year (e.g. four (4) cents in any adjustment period), and in no event shall the adjustment reduce the cents per ton contribution to less than twelve (12) cents per ton during the same twenty four (24) year period. The Adjustment Factor shall be defined as the proportion of the value of a ton of aggregate material as of one year from the date of the first aggregate material sale from the first quarry

participating in this program to the value of a ton of aggregate material as of the date eight (8) years after the first aggregate material sale from the first quarry participating in this program. The value of a ton of aggregate for purposes of the eight (8) year review shall be the annual gross revenue received for aggregate material (aggregate material as defined in paragraph 3) from all participating quarries divided by the annual total tons of aggregate material sold from all participating quarries. The participating quarries shall provide a report with this information to the County within ninety (90) days of the triggering dates outlined above. The County will maintain this information as confidential and calculate the Adjustment Factor to be applied to the cents per ton contribution by averaging the data provided by participating quarries. The adjusted contribution shall apply to all of the participating quarries located in the Participation Area.

Beginning on the twenty fourth (24th) year that the contribution is in place, there shall be an evaluation of the amount of the contribution every ten (10) years thereafter. The evaluation of the contribution shall be considered by the County Board of Supervisors and shall be based on the following factors:

- a. The total amount of the contribution collected to date;
- b. The total amount of contributions that have been expended to date;
- c. The quality of life improvements that have been constructed to date;
- d. The quality of life improvements that still need to be constructed;
- e. The maintenance costs associated with the quality of life improvements;
- f. The total amount of funding and adjustments to that funding collected and expended toward quality of life improvements by non-quarry contributors; and
- g. Whether the participating quarry operations will be competitive in the regional market given the contribution.

The Board's evaluation may result in a reduction to the per ton fee. In the event that the quality of life improvements have not been completed by the fiftieth (50th) year that the contribution is in place, the contribution will be reduced to an amount necessary to provide for ongoing maintenance of the quality of life improvements that were previously constructed and shall extend for the balance of the permitted life or extended permit life up to a total of one hundred (100) years of each quarry operation.

7. If a jurisdiction approves a new quarry or renews an existing quarry that is located within the Participation Area and that quarry elects to not participate in the Quarry TMP Funding Mechanism Program or provides a cents per ton contribution that is less than the amount established in Paragraphs 3 and 6 above, then the contribution amount applicable to all quarry operators shall be adjusted to reflect the lowest contribution amount and the jurisdiction that approved such quarry shall not be entitled to receive any of the benefits of the Quarry TMP Funding Mechanism Program including the cents per ton contribution. Additionally, a quarry approved or renewed by a jurisdiction other than Sacramento County will not require any subsequent approvals from Sacramento County prior to commencing operations.
8. The County shall be responsible for the collection of the Quarry TMP contributions, which shall occur as described in Figure II.
9. The County shall also be responsible for distributing the collected contributions to the participating jurisdictions. The distribution of contributions shall be based upon the relative distribution of through (not local delivery) quarry truck traffic established as part of the project approval for each quarry relative to each jurisdiction that elects to participate in the Quarry TMP Funding Mechanism Program. Local quarry trucks are defined as those quarry trucks with a delivery destination located within the Participation Area. Through quarry trucks are defined as those quarry trucks with a delivery destination located outside of the Participation Area. For quarry truck distribution routes that share a jurisdictional boundary, the affected jurisdictions shall share in the contributions for that route. Distribution of contributions for Teichert Quarry and for Stroneridge Quarry shall be as depicted in Figures III and IV, respectively.
10. As additional quarries are approved and elect to participate, distribution figures shall be added to this program for those quarries. Said distribution figures shall be based upon the anticipated distribution of quarry truck traffic as established at the time of the project approval.
11. The County shall review and revise the figures referenced in Paragraphs 9 and 10 to represent changes that may occur over time to the trip distribution patterns associated with each participating quarry or changes in jurisdiction boundaries. Said review and revision shall occur every four (4) years from the effective date of the Resolution creating this program or sooner should a significant changed condition occur. Participatory

quarries shall be responsible for ensuring that their through quarry trucks utilize the through truck haul routes established on the distribution exhibits.

12. Participating jurisdictions shall share those contributions intended for quarry truck routes which straddle jurisdictional boundaries. However, the County will assign any contributions it receives for Prairie City Road or Scott Road (east) towards quality of life improvements on Prairie City Road. The County shall also assign any contributions it receives for White Rock Road toward quality of life improvements to White Rock Road.
13. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, jurisdictions must enter into an operational agreement with the County. All such operational agreements shall contain the following:
 - a. That distribution of contributions for quality of life improvements shall be made by the County on an annual basis consistent with Paragraphs 9 through 12.
 - b. That contributions shall only be used for the purpose of designing, approving, financing, constructing and maintaining quality of life roadway improvements related to quarry truck traffic from participating quarries. Such roadway related improvements may include, but are not limited to, any of the following: special quarry truck lanes (including grade separation) and associated improvements, rubberized asphalt, sound wall extensions, and landscaping enhancements as well as right of way acquisition for any such improvements.
 - c. That contributions shall not be used in lieu of nexus based traffic mitigation fees and/or CEQA based mitigations for road capacity improvements or for normal road maintenance, with the exception of maintenance of quality of life improvements identified in this TMP.
 - d. That, prior to commencement of construction of quality of life improvement projects pursuant to this program, appropriate CEQA review shall be conducted by the jurisdiction proposing such improvements. Where the quality of life improvements are located within more than one jurisdiction, the jurisdictions may review such improvements jointly.
 - e. That an annual report shall be provided to the County by any jurisdiction receiving contributions which accounts for the use of those contributions during the prior year.

- f. That contributions shall be held in a separate account, specifically identified for Quarry TMP quality of life improvements, and shall not be available to the general fund of the receiving jurisdiction.
 - g. That the County shall provide guaranteed, reasonable and continuous direct access for all aggregate trucks from quarries participating in this program and traveling along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway. Except as stated in paragraph 14 below, there shall be no limit set on the volume of such quarry truck trips that is permitted to travel along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway within the unincorporated County.
14. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, the operational agreement with the City of Folsom shall be consistent with the provisions of the agreement between the County and the City of Folsom relating to transportation, adopted by both jurisdictions on December 6, 2011, which provisions are incorporated herein by reference as well as the provisions of this Quarry TMP Funding Mechanism Program and shall contain, in addition to the provisions of Paragraph 13, the following:
- a. That the City will set no limit, following annexation, on the volume of participating quarry truck traffic which is allowed to pass through the Folsom SOI area for quarry trucks that have agreed to pay a baseline cents per ton contribution of \$0.12 as provided in Sections 3 and 4
 - b. That the City, following annexation, shall provide guaranteed, reasonable and continuous direct access through the Folsom SOI area for participating quarry truck traffic traveling to and from U. S. Highway 50. The City may, however, assign such traffic to Scott Road (east), Prairie City Road and any future extension of Oak Avenue, or any combination thereof, provided that at all times participating quarry truck traffic is provided with said guaranteed, reasonable and continuous access. Said assignment of traffic shall include the ability to limit hours trucks may traverse a particular road so long as guaranteed 24 hour per day access is provided along one of the enumerated routes.

- c. That the City quality of life improvements shall generally be the improvements depicted in Figure V, as well as (1) improvements to the Prairie City Road/Highway 50 interchange as determined by or negotiated with the California Department of Transportation, (2) improvements to the Prairie City Road and White Rock Road intersection as determined by the County and the City in consultation with the Sacramento Southeast Connector Joint Powers Authority.
 - d. That contributions for the City will begin to accrue upon annexation of the Folsom SOI area.
15. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, the operational agreement with the City of Rancho Cordova shall be consistent with the provisions of this Quarry TMP Funding Mechanism Program and shall contain, in addition to the provisions of Paragraph 13, the following:
- a. That the City shall provide guaranteed, reasonable and continuous direct access for aggregate trucks from quarries participating in this program which travel along Grant Line Road and Jackson Highway. There shall be no limit set on the volume of such quarry truck trips permitted to travel along Grant Line Road and Jackson Highway.
 - b. That the City shall provide guaranteed, reasonable and continuous direct access on White Rock Road in the City for Granite and Milgate aggregate trucks resulting from an annual aggregate production level equivalent to four (4) million tons. Unless otherwise revised through an amendment to this agreement and subject to the consensus by the City, Granite, and Milgate, the four (4) million tons per year aggregate production shall be apportioned as follows:
 - 1) Three (3) million tons of aggregate production shall be assigned to Granite Construction Company via an aggregate production site that would directly access White Rock Road.
 - 2) One (1) million tons of aggregate production shall be assigned to Milgate quarry.

- c. The four (4) million ton limitation stated above shall not be reduced by either local aggregate truck trips using White Rock Road in the City of Rancho Cordova or by any temporary access allowed by the City to other participating quarry operators due to construction activities on Grant Line Road or Jackson Highway.
16. In the event that a participating jurisdiction initiates a legal action based upon quarry truck traffic challenging an application for a new quarry, or the renewal of an existing quarry located within the Participation Area, then that jurisdiction shall automatically be terminated from participating in this program and no longer be eligible to receive any contributions pursuant to it. This provision shall, however, only be applicable where a quarry project has entered into a development agreement, or other similar binding obligation, wherein it becomes obligated to make the contribution payments established in Paragraph 3.
17. In order to participate in this program, Teichert must first amend its development agreement with the County so that the Construction Market Equalizer in Section 2.5 of the agreement shall only apply to Sections 2.4.1 through Section 2.4.4.3 and is rendered inapplicable to Sections 2.4.5.A, 2.4.5 B and 2.4.6. In addition, Teichert shall commit, in its amended development agreement, not to route Teichert Quarry and Teichert Grantline Plant trucks, moving to and from U.S. Highway 50, via White Rock Road and Sunrise Boulevard, White Rock Road and Zinfandel Drive and/or White Rock Road and a future Rancho Cordova Parkway.
18. No participating quarry trucks will utilize White Rock Road or any other roadways within the current jurisdictional boundaries of the City of Rancho Cordova except for quarry trips identified in Paragraph 15b above and quarry truck trips making local deliveries, or if temporarily necessary due to construction along either Grant Line Road or Jackson Highway. Any said temporary use of City of Rancho Cordova roadways shall be subject to review and approval by the City of Rancho Cordova prior to use of those roadways.
19. If the City of Rancho Cordova or the City of Folsom initiates any legal action against the Stoneridge Project, then the City(s) that brought forward that legal action shall not receive any Quarry TMP funding contribution from the Stoneridge quarry. If the Folsom SOI landowners initiate any legal action against the Stoneridge Project, then the City of Folsom shall not receive any Quarry TMP funding contribution from the Stoneridge quarry.

Figure IICalculation, Payment and Verification of Aggregate Funds Cents per Ton Contributions.

Payments required by the TMP Resolution shall be made within 30 days of the following quarterly dates each year: March 31, June 30, September 30, and December 31. The first quarterly contribution shall be due at the end of the first quarter during which quarry makes its first sale. Together with each payment, quarry shall provide County with a statement indicating the tons of Aggregate Material sold and the calculation of the contribution being made. Quarterly payments shall be based upon the tonnage produced and sold from the Project site and the rates provided pursuant to the TMP Resolution. Payments to County shall be made to County of Sacramento TMP Fund account and delivered to the County CEO Office, or such address as County may designate in writing. All transmittals of payments shall be copied to the Sacramento County Planning Division and the Sacramento County Department of Transportation.

The County may audit, as it determines necessary, the tonnage of Aggregate Material being produced and sold at the Project site and the contributions paid to County to verify that the amount of payment correctly reflects actual tonnage sold.

The County shall provide all participating jurisdictions with appropriate documentary support for the calculation and distribution of the cents per ton contributions. Any participating jurisdiction may request the County to perform an audit of material produced and funds distributed. Such audits shall not be requested more frequently than every other year.

(1) Assumes that the City of Folsom has annexed the Folsom SOI area.

EXHIBIT C
QUARRY TRUCK MANAGEMENT PLAN OPERATIONAL AGREEMENT

Revised (01-23-12)

County Contract No. 52361
City Contract No. 10-2012

**QUARRY TRUCK MANAGEMENT PLAN OPERATIONAL AGREEMENT BETWEEN
THE COUNTY OF SACRAMENTO
AND
THE CITY OF RANCHO CORDOVA**

This Quarry Truck Management Plan Operational Agreement (Agreement) is made and executed this ____ day of January 2012 by and between the County of Sacramento, a political subdivision of the State of California, (County) and the City of Rancho Cordova (City). Collectively, the County and City may be referred to as the Parties. Individually, the County and City may be referred to as a Party.

RECITALS

- A. Since 2002, County has received three separate applications for aggregate quarries to be located in the eastern sector of the County; and
- B. The Teichert Quarry was approved by the Board of Supervisors (Board) on November 30, 2010, and the Stoneridge Quarry was approved by the Board on January 10, 2012; and
- C. The third remaining application, the Milgate Quarry, has yet to be heard by the Board; and
- D. Other quarrying proposals to be located in the eastern sector of the County may be advanced in the future, including a quarry proposal by Granite Construction Company; and
- E. The Teichert, Stoneridge, and Milgate Quarries and these other various quarries will, if approved, generate considerable truck related traffic; and
- F. Each quarry when approved either has been or will be required to analyze and mitigate its California Environmental Quality Act (CEQA) identified impacts, including but not limited to traffic capacity, air quality and noise impacts; and
- G. In addition to such CEQA identified impacts, the Board recognizes that there may be various perceived "quality of life" concerns, stemming from the truck traffic, which are not subject to analysis and mitigation as required under CEQA; and
- H. On December 14, 2011, the Board adopted Resolution Number 2011-0938 which establishes the Quarry Truck Management Plan (TMP) Funding Mechanism Program (TMP Program), attached for reference as Attachment 1, a voluntary non-CEQA based funding mechanism whereby aggregate quarry operations in eastern Sacramento County can commit to providing partial funding for the implementation of various roadway related improvements to help address perceived quality of life concerns stemming from the quarry truck traffic; and

Revised (01-23-12)

County Contract No. 52361

City Contract No. 10-2012

- I. The perceived quality of life concerns related to the aggregate truck traffic from the quarry projects may impact the current and future residents and businesses located in an area of concern which includes a portion of the City as depicted in Exhibit A to the TMP Program; and
- J. By entering into this Agreement, the City agrees not to exercise its present rights to restrict truck traffic on City roadways under State law, including but not limited to Vehicle Code Section 35701, in consideration for the benefits and payments provided for in this Agreement; and
- K. The conditions of approval for the Teichert and Stoneridge Quarries also include provisions to install infrastructure to monitor quarry truck traffic at defined locations along the quarry truck haul routes; and
- L. The City desires to participate in the TMP Program and receive funding for quality of life improvements along designated through quarry truck routes within said area of concern.

NOW THEREFORE, in consideration of the above Recitals, which are an essential part of the Agreement and are therefore incorporated by reference, and for other good and valuable consideration, the receipt and adequacy of which is acknowledged, it is hereby agreed as follows:

AGREEMENT

1. **County Actions.** In addition to the applicable provisions of the most recently adopted TMP Program, which is hereby made a part of this agreement, County hereby agrees to be bound by and implement the following provisions:

1.1 The County shall be responsible for the collection of the TMP Program contributions as described in the TMP Program. The County shall exercise its best efforts and exhaust all reasonable remedies to collect the TMP Program contributions from participating quarries, but in no event shall the County be liable to the City in the event such efforts are unsuccessful.

1.2 On or before April 30 of each year, the County shall be responsible for distributing to the City the City allocated TMP Program contributions collected by the County during the prior calendar year pursuant to the provisions of, and in order to implement paragraphs 9 through 12 of Exhibit B to the TMP Program. The distribution of the TMP Program funds to the City shall include any interest that may have accrued on those funds being held by the County on behalf of the City. Distributions to the City shall be authorized by the Director of the Department of Transportation or his/her designated delegate. The County shall provide to the City, at the time TMP Program funds are distributed, an accounting of the total program contributions received from the participating quarries and the allocations paid out to the participating jurisdictions.

Revised (01-23-12)

County Contract No. 52361
City Contract No. 10-2012

1.3 The County shall be responsible for monitoring and evaluating the quarry truck trip distribution patterns associated with each participating quarry. The relative quarry truck distribution may change over time to reflect new aggregate market areas being served by participating quarries or other changes in aggregate distribution. These distribution changes may result in increases or decreases in quarry truck traffic on roadways within the City's jurisdiction, compared to the figures referenced in paragraphs 9 and 10 of the TMP Program. In order to ensure accurate and transparent monitoring of quarry truck trip distribution patterns, the County shall utilize the most appropriate tracking technology and generate annual reports showing quarry truck traffic distribution during the calendar year. If the annual report indicates a quarry truck trip distribution pattern that differs by more than ten percent (10%), compared to the most recently approved figures referenced in paragraphs 9 and 10 of the TMP Program, on any through quarry truck route, the County or the City, by submitting to the County a written request, may initiate an adjustment to the City's funding allocation pursuant to paragraph 11 of Exhibit B to the TMP Program. The County shall respond to City with a proposed recalculation of the City's allocation within 30-days of the date the City submits its request. City and County shall mutually agree on any revision to the TMP Program funding distribution to the City.

1.4 The County shall provide guaranteed, reasonable, continuous, and direct access for all aggregate trucks from quarries participating in this program and traveling along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway within the unincorporated County. Except as stated in paragraph 14 of Exhibit B to the TMP Program, there shall be no limit set on the volume of such quarry truck trips that is permitted to travel along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway within the unincorporated County.

1.5 The County Department of Transportation shall be responsible for managing and administering all aspects of the TMP Program. All costs associated with the County managing and administering the TMP Program (Administrative Costs) shall be paid from the TMP Program funds. The Administrative Costs shall be apportioned to and subtracted from the yearly TMP Program distribution to each participating jurisdiction based on the proportion of the gross distribution of the TMP Program funds to each jurisdiction to that of the total gross TMP Program funds collected on a yearly basis. The City shall be responsible for all costs associated with a request by the City for the County to perform an audit of material produced and funds distributed pursuant to Figure II of Exhibit B to the TMP Program. The Administrative Costs deducted from TMP Program funds by the County shall not exceed one and one-half percent (1.5%) of the total gross TMP Program funds collected on a yearly basis.

1.6 The County shall provide all quarries and jurisdictions participating in the TMP Program with reasonable notification prior to any proposed amendment to this Agreement.

1.7 County acknowledges and agrees that should the County initiate a legal action based upon quarry truck traffic challenging an application for a new quarry, or the renewal of an

Revised (01-23-12)

County Contract No. 52361
City Contract No. 10-2012

existing quarry located within the TMP Participation Area, as defined in Figure I of Exhibit B to the TMP Program, (Participation Area), then the County shall automatically be terminated from participating in the TMP Program and no longer be eligible to receive any contributions pursuant to it. This provision shall, however, only be applicable where a quarry project has entered into a development agreement, or other similar binding obligation, wherein it becomes obligated to make the contribution payments established in the TMP Program. If the County is excluded from the benefits of the TMP Program, the remaining participating jurisdictions shall meet and confer to determine which agency will assume administrative responsibilities and make other amendments to the TMP Program as necessary.

1.8 In the event the City violates any material provision of this Agreement, the County shall have the right to unilaterally withhold the distribution of the TMP Program funds allocation to the City. At least 60-days prior to withholding a distribution of TMP Program funds to the City, the County shall provide the City with a written notice of said violation(s) and request the City to cure the violation(s). Upon remedy of the City's violation(s), the County shall distribute the City's TMP Program funds allocation pursuant to this Agreement. The specific provisions of this section shall not apply to sections 2.1, 2.2, 2.11, and 2.12 of this Agreement. County's enforcement of the provisions of this section shall not be construed in part or in whole as a material violation of this Agreement.

1.9 The County shall make a good faith effort to enter into an Operational Agreement with the City of Folsom (Folsom Operational Agreement) that is substantially similar to this Agreement. The County shall notify the City's Public Works Director prior to approval of the Folsom Operational Agreement if the County is considering terms that are materially different than the terms of this Agreement. The Parties agree to work cooperatively to modify this agreement if deemed necessary by either Party.

- 2. City Actions.** The City hereby agrees to be bound by and implement the applicable provisions of the adopted TMP Program. In addition, City hereby agrees to be bound by and implement the following provisions:

2.1 The City shall dismiss with prejudice its lawsuit against the County and real party in interest, Teichert regarding the Teichert Quarry (Sacramento Superior Court Case Number 34-2010-80000747) by January 27, 2012, in order for this Agreement to be effective and the City to receive funds from the TMP Program.

2.2 Pursuant to paragraph 7 of Exhibit B to the TMP Program, if the City approves a new quarry or renews an existing quarry within its jurisdiction that is located within the Participation Area, and that quarry does not participate in the TMP Program or provides a cents per ton contribution that is less than the amount established in the TMP Program, then the contribution amount applicable to all quarry operators subject to the TMP Program shall be adjusted to reflect the lowest contribution amount, and the City shall not be entitled to receive any of the benefits of the TMP Program including the cents per ton contribution. Additionally, a quarry approved or renewed by City will not require any subsequent

Revised (01-23-12)

County Contract No. 52361
City Contract No. 10-2012

approvals from the County prior to commencing operations. Nothing in this agreement shall prevent the City from taking unilateral action, so long as it is consistent with State law, to restrict truck traffic, including quarry truck traffic, on City roadways in the event the City is excluded from the benefits of the TMP Program.

2.3 Those contributions intended for quarry truck routes where the City and the County share jurisdictional boundaries shall be shared by the City and the County as indicated in the most recently adopted Figures III and IV of Exhibit B to the TMP Program, as well as indicated in any new distribution figures for additional quarries included in an adopted TMP Program pursuant to paragraph 11 of Exhibit B to the TMP Program.

2.4 TMP Program funds received by the City shall only be used for the purpose of designing, approving, financing, constructing and maintaining quality of life roadway improvements related to quarry truck traffic from participating quarries. Such roadway related improvements may include, but are not limited to, any of the following: special quarry truck lanes (including grade separation) and associated improvements, rubberized asphalt, sound wall extensions, and landscaping enhancements as well as right of way acquisition for any such improvements. The City is entitled to utilize up to one and one-half percent (1.5%) of the TMP Program funds it receives on administrative and enforcement costs related to the TMP Program and this Agreement.

2.5 TMP Program funds received by the City shall not be used in lieu of nexus based traffic mitigation fees and/or CEQA based mitigations for road capacity improvements or for normal road maintenance, with the exception of maintenance of quality of life improvements.

2.6 Prior to commencement of construction of quality of life improvement projects located within the City, or within the shared jurisdiction of the City and the County, and funded with TMP Program funds, appropriate CEQA review shall be conducted by the City. Where the quality of life improvements are located within the City and County, the City and County may review such improvements jointly.

2.7 Once the City has received funds from the County pursuant to the TMP Program, the City shall thereafter provide an annual report to the County which accounts for the City's use of those contributions during the prior year for the duration that the City receives funds from the TMP Program.

2.8 The City shall hold TMP Program funds in a separate account specifically identified for TMP Program quality of life improvements. The City's TMP Program funds shall not be available to, or loaned to the City's general fund.

2.9 The City shall provide guaranteed, reasonable, continuous, and direct access for quarry trucks from quarries participating in the TMP Program which travel along Grant Line Road and Jackson Highway in the City. There shall be no limit set on the volume of such quarry truck trips permitted to travel along Grant Line Road and Jackson Highway in the City.

Revised (01-23-12)

County Contract No. 52361
City Contract No. 10-2012

2.10 The City shall provide guaranteed, reasonable, continuous, and direct access on White Rock Road in the jurisdiction of the City for quarry truck trips with destinations within the City. and for In addition, the City shall provide guaranteed, reasonable, continuous, and direct access on White Rock Road in the City for Granite Construction Company and Milgate Quarry aggregate trucks passing through the City en route to a final destination outside the City resulting from an annual aggregate production level equivalent to four (4) million tons. Unless otherwise revised through an amendment to this Agreement and subject to the consensus by the City, Granite Construction Company, and Milgate Quarry, the four (4) million tons per year aggregate production shall be apportioned as follows:

2.10.1 Granite Construction Company shall be entitled to distribute three (3) million tons of aggregate production per year on White Rock Road from its aggregate production site that would directly access White Rock Road.

2.10.2 The Milgate Quarry shall be entitled to distribute one (1) million tons of aggregate production per year on White Rock Road.

2.10.3 The four (4) million ton per year limitation stated above shall not be reduced by either local quarry truck trips, as that term is defined in Paragraph 9 of Exhibit B to the TMP Program, using White Rock Road in the City, or by any temporary access allowed by the City to other participating quarry operators due to construction activities on Grant Line Road or Jackson Highway, except as otherwise provided in this agreement.

2.11 City acknowledges and agrees that should the City initiate a legal action, based upon quarry truck traffic challenging an application for a new quarry, or the renewal of an existing quarry located within the TMP Participation Area, then the City shall automatically be terminated from participating in the TMP Program and no longer be eligible to receive any contributions pursuant to it. This provision shall, however, only be applicable where a quarry project has entered into a development agreement, or other similar binding obligation, wherein it becomes obligated to make the contribution payments established in the TMP Program.

2.12 If the City initiates any legal action against the Stoneridge Project, then the City shall not receive any Quarry TMP funding contribution from the Stoneridge quarry.

2.13 In the event the City does not receive payment from the County of its allocation under the TMP Program within 90-days of the date the fees are due to be paid by the County, or if the County otherwise violates any material provision of this Agreement, including but not limited to sections 1.1 and 1.2 of this Agreement, or if the City is no longer entitled to receive the benefits of the TMP Program for any reason, the City shall have the right to unilaterally restrict truck traffic on City roadways consistent with State law. The City shall provide the County and affected quarries with a written request to cure the violations at least 60-days prior to enacting such a restriction. Upon remedy of the County's violation, the City shall cease to restrict truck traffic on City roadways.

Revised (01-23-12)

County Contract No. 52361

City Contract No. 10-2012

3. **Enforcement.** Participating jurisdictions should coordinate enforcement efforts using the most appropriate technology, which may include a GPS tracking system, to ensure participating quarries comply with the TMP Program truck route restrictions. The City, however, is not limited by the TMP Program or this Agreement from taking any enforcement action it sees fit, including but not limited the issuance of fines and citations to quarry trucks, either owned by a participating quarry or operating as an independent contractor for a participating quarry, that operate in violation of the TMP Program.
4. **No Modification.** No addition to or modification of any term or provision of the Agreement shall be effective unless set forth in writing and signed by the Parties.
5. **Entire Agreement.** The Parties agree that this Agreement sets forth the final entire agreement between them and relating to the subject matter and that this document merges and supersedes all prior discussions, agreements, understandings, representations, and all other communications between them relating to the subject matter of this Agreement.
6. **Warranty of Authority.** Each Party represents and warrants that it has the right, power and authority to execute this Agreement.
7. **Written Waiver.** A waiver of any Party's right to enforce any provision of this Agreement shall not be effective unless such a waiver is made expressly in writing. An express waiver of any one breach shall not be deemed a waiver of any other breach of the same or any other provision of this Agreement.
8. **Joint Preparation.** The language of all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any party. No presumptions or rules of interpretation based upon the identity of the party preparing or drafting the Agreement, or any part thereof, shall be applicable or invoked.
9. **Equal Dignity.** This Agreement may be altered, amended, modified or otherwise changed with approval by the Parties' legislative bodies at a public meeting and in writing duly executed by an authorized representative of each of the Parties.
10. **Notice.** All notices and demands which either party is required or desires to give to the other shall be given in writing by certified mail, return receipt requested with appropriate postage paid, by personal delivery, or by private overnight courier service to the address set forth below for the respective party, provided that if any party gives notice of a change of name or address or number, notices to that party shall thereafter be given as demanded in that notice. All notices and demands so given shall be effective only upon receipt by the party to whom notice or demand is being given.

RESOLUTION NO. 2012-0045

**APPROVE QUARRY TRUCK MANAGEMENT PLAN OPERATIONAL AGREEMENT
WITH THE CITY OF RANCHO CORDOVA AND
DELEGATE AUTHORITY TO THE DIRECTOR OF THE DEPARTMENT OF
TRANSPORTATION TO APPROVE AND SIGN A QUARRY TRUCK MANAGEMENT
PLAN OPERATIONAL AGREEMENT WITH THE CITY OF FOLSOM**

WHEREAS, on December 14, 2011, the Board of Supervisors of the County of Sacramento adopted Resolution No. 2011-0938 establishing a Quarry Truck Management Plan (TMP); and

WHEREAS, the Quarry TMP requires local jurisdictions to enter into Quarry TMP Operational Agreements with the County to allow the participation in and receipt of revenue from the Quarry TMP; and

WHEREAS, a draft Quarry TMP Operational Agreement with the City of Rancho Cordova has been presented to the Board in the form attached hereto; and

WHEREAS, Department of Transportation is in the process of preparing a similar Quarry TMP Operational Agreement with the City of Folsom; and

WHEREAS, the proposed Quarry TMP Operational Agreements will establish agreements in compliance with specifically delineated provisions of the adopted Quarry TMP.

BE IT RESOLVED AND ORDERED that the Quarry TMP Operational Agreement with the City of Rancho Cordova in substantially the form attached hereto is hereby approved, and the Director of the Department of Transportation is hereby authorized to execute said Agreement on behalf of the COUNTY OF SACRAMENTO, a political subdivision of the State of California, and to do and perform everything necessary to carry out the purpose of this Resolution; and

BE IT RESOLVED AND ORDERED FURTHER that the Director of the Department of Transportation is hereby authorized to approve and execute a similar Quarry TMP Operational Agreement with the City of Folsom in compliance with the Quarry TMP as adopted by Resolution No. 2011-0938, subject to approval of the Agreement by County Counsel.

Approve Quarry Truck Management Plan Operational Agreement With The City Of Rancho Cordova And Delegate Authority To The Director Of The Department Of Transportation To Approve And Sign A Quarry Truck Management Plan Operational Agreement With The City Of Folsom

Page 2

On a motion by Supervisor Peters, seconded by Supervisor Serna, the foregoing Resolution was passed and adopted by the Board of Supervisors of the County of Sacramento this 24th day of January, 2012, by the following vote, to wit:

RESOLUTION NO. 2011-0938

**RESOLUTION OF THE BOARD OF SUPERVISORS, OF THE COUNTY OF
SACRAMENTO, STATE OF CALIFORNIA, ESTABLISHING A QUARRY TRUCK
MANAGEMENT PLAN FUNDING MECHANISM PROGRAM FOR QUALITY OF
LIFE IMPROVEMENTS FOR EASTERN SACRAMENTO COUNTY**

WHEREAS, since 2002, Sacramento County (County) has received three separate applications for aggregate quarries to be located in the eastern sector of the County;

WHEREAS, Teichert Quarry was approved by the Board of Supervisors (Board) on November 30, 2010, and Stoneridge Quarry was heard by the Board on December 7, 2011 and final Board action is tentatively scheduled in January of 2012;

WHEREAS, the third remaining application, Milgate Quarry, has yet to be heard by the Board;

WHEREAS, other quarrying proposals to be located in the eastern sector of the County may be advanced in the future;

WHEREAS, the Teichert and Stoneridge Quarries and these other various quarries will, if approved, generate considerable truck related traffic;

WHEREAS, each quarry when approved either has been or will be required to analyze and mitigate its California Environmental Quality Act ("CEQA") identified traffic capacity, air quality and noise impacts;

WHEREAS, in addition to such CEQA identified impacts, the Board recognizes that there may be various perceived "quality of life" concerns, stemming from said truck traffic, which are not subject to analysis and mitigation as required under CEQA;

WHEREAS, the Board desires to establish a voluntary non-CEQA based funding mechanism whereby aggregate quarry operations in eastern Sacramento County can commit to providing partial funding for the implementation of various roadway related improvements to help address perceived "quality of life" concerns stemming from said aggregate truck traffic;

WHEREAS, said aggregate truck related quality of life concerns will be to land uses located in an area of concern which includes the area south of the City of Folsom consisting of the City's south of U.S. Highway 50 sphere of influence area, a portion of the City of Rancho Cordova and a portion of unincorporated Sacramento County;

WHEREAS, said area of concern is depicted, jurisdiction by jurisdiction, in Exhibit A;
and

WHEREAS, the Board desires to enhance comity between the three affected jurisdictions and settle existing and avoid future litigation.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of the County of Sacramento does hereby establish the Quarry Truck Management Plan (TMP) Funding Mechanism Program, attached hereto as Exhibit B:

1. Section 2.4.5.B of the Development Agreement by and between the County of Sacramento and Teichert & Sons, Inc., dated 30 November, 2010, requiring the adoption of a TMP program, is hereby deemed satisfied by the adoption of this Resolution.
2. In order for the City of Rancho Cordova to receive funds from this Quarry TMP Funding Mechanism, the City must dismiss with prejudice its lawsuit against the County and Real Party in Interest Teichert regarding the Teichert Quarry (Sacramento Superior Court Case Number 34-2010-80000747) within 45 days of the adoption of this Resolution. If a final judgment has been entered by the Superior Court prior to the lapse of said 45 days, Rancho Cordova must enter into an agreement with the County before receipt of funds from the TMP Funding Mechanism which provides: (1) that Rancho Cordova will not appeal any decision rendered by the Superior Court

(2) that Rancho Cordova waives any claim for an award of attorneys' fees stemming from said case from either the County or Real Party in Interest Teichert and (3) pledges that Rancho Cordova will not, in the event it has prevailed before the Superior Court, file a subsequent action challenging the Teichert Quarry EIR. Said agreement must be executed within 60 days of the adoption of this Resolution.

3. Section 2.4.4 of the Development Agreement by and between the County of Sacramento and Angelo G. Tsakopoulos and Katherine Tsakopoulos, requiring the adoption of a TMP program, will be deemed satisfied by the adoption of this Resolution, upon approval of the Development Agreement by the Board of Supervisors.

BE IT FURTHER RESOLVED that Exhibits "A" through "B" are hereby incorporated into and made a part of this resolution establishing a Quarry Truck Management Plan Funding Mechanism Program.

On a motion by Supervisor MacGlashan Seconded by Supervisor Nottoli, the foregoing resolution was passed and adopted by the Board of Supervisors of the County of Sacramento, State of California, at a regular meeting thereof this 14th day of December, 2011, by the following vote, to wit:

AYES:	Nottoli, Peters, Serna, Yee, MacGlashan
NOES:	None
ABSENT:	None
	None

EXHIBIT B
Eastern Sacramento County
Quarry Truck Management Plan Funding Mechanism Program

1. All new quarry or other mining proposals and renewals of existing quarry or other mining permits (quarry or quarries), located within the Quarry TMP Participation Area (Participation Area), as depicted in Figure I, may elect to participate in the Quarry TMP Funding Mechanism Program.
2. Those jurisdictions located within the Participation Area may similarly elect to participate in the Quarry TMP Funding Mechanism Program.
3. The Quarry TMP Funding Mechanism Program shall consist of a twelve (12) cents per ton contribution on all aggregate material produced and sold from the participating quarries. Aggregate material shall include raw materials sold or transferred to affiliates or subsidiaries for the production of concrete, asphalt or other products. Asphalt oil, water, cement or other ingredients from outside sources shall not be included in the tonnage measured, although, the sale of recycled materials shall be included.
4. A quarry operator electing to participate in the Quarry TMP Funding Mechanism Program shall execute a development agreement, or other similar binding obligation, with the County which mandates payment of the twelve (12) cents per ton contribution specified in Paragraph 3. In the event a quarry is approved by a participating jurisdiction other than the County, a quarry electing to participate in this program shall execute a similar agreement with that jurisdiction.
5. The Quarry TMP Funding Mechanism Program contribution (contribution) shall be collected for the term of each quarry use permit and any extensions thereto granted up to a total of one hundred (100) years, subject to modification as provided in Paragraphs 6 and 7 below.
6. In recognition of the fact that the value of a ton of aggregate may fluctuate, the twelve (12) cents per ton contribution will be adjusted every eight (8) years for the first twenty four (24) years that the contribution is in place (year 8, year 16, and year 24) by applying an Adjustment Factor to the contribution, provided that, in no event will the adjustment be more than one half (1/2) cent per year (e.g. four (4) cents in any adjustment period), and in no event shall the adjustment reduce the cents per ton contribution to less than twelve (12) cents per ton during the same twenty four (24) year period. The Adjustment Factor shall be defined as the proportion of the value of a ton of aggregate material as of one year from the date of the first aggregate material sale from the first quarry

participating in this program to the value of a ton of aggregate material as of the date eight (8) years after the first aggregate material sale from the first quarry participating in this program. The value of a ton of aggregate for purposes of the eight (8) year review shall be the annual gross revenue received for aggregate material (aggregate material as defined in paragraph 3) from all participating quarries divided by the annual total tons of aggregate material sold from all participating quarries. The participating quarries shall provide a report with this information to the County within ninety (90) days of the triggering dates outlined above. The County will maintain this information as confidential and calculate the Adjustment Factor to be applied to the cents per ton contribution by averaging the data provided by participating quarries. The adjusted contribution shall apply to all of the participating quarries located in the Participation Area.

Beginning on the twenty fourth (24th) year that the contribution is in place, there shall be an evaluation of the amount of the contribution every ten (10) years thereafter. The evaluation of the contribution shall be considered by the County Board of Supervisors and shall be based on the following factors:

- a. The total amount of the contribution collected to date;
- b. The total amount of contributions that have been expended to date;
- c. The quality of life improvements that have been constructed to date;
- d. The quality of life improvements that still need to be constructed;
- e. The maintenance costs associated with the quality of life improvements;
- f. The total amount of funding and adjustments to that funding collected and expended toward quality of life improvements by non-quarry contributors; and
- g. Whether the participating quarry operations will be competitive in the regional market given the contribution.

The Board's evaluation may result in a reduction to the per ton fee. In the event that the quality of life improvements have not been completed by the fiftieth (50th) year that the contribution is in place, the contribution will be reduced to an amount necessary to provide for ongoing maintenance of the quality of life improvements that were previously constructed and shall extend for the balance of the permitted life or extended permit life up to a total of one hundred (100) years of each quarry operation.

7. If a jurisdiction approves a new quarry or renews an existing quarry that is located within the Participation Area and that quarry elects to not participate in the Quarry TMP Funding Mechanism Program or provides a cents per ton contribution that is less than the amount established in Paragraphs 3 and 6 above, then the contribution amount applicable to all quarry operators shall be adjusted to reflect the lowest contribution amount and the jurisdiction that approved such quarry shall not be entitled to receive any of the benefits of the Quarry TMP Funding Mechanism Program including the cents per ton contribution. Additionally, a quarry approved or renewed by a jurisdiction other than Sacramento County will not require any subsequent approvals from Sacramento County prior to commencing operations.
8. The County shall be responsible for the collection of the Quarry TMP contributions, which shall occur as described in Figure II.
9. The County shall also be responsible for distributing the collected contributions to the participating jurisdictions. The distribution of contributions shall be based upon the relative distribution of through (not local delivery) quarry truck traffic established as part of the project approval for each quarry relative to each jurisdiction that elects to participate in the Quarry TMP Funding Mechanism Program. Local quarry trucks are defined as those quarry trucks with a delivery destination located within the Participation Area. Through quarry trucks are defined as those quarry trucks with a delivery destination located outside of the Participation Area. For quarry truck distribution routes that share a jurisdictional boundary, the affected jurisdictions shall share in the contributions for that route. Distribution of contributions for Teichert Quarry and for Stroneridge Quarry shall be as depicted in Figures III and IV, respectively.
10. As additional quarries are approved and elect to participate, distribution figures shall be added to this program for those quarries. Said distribution figures shall be based upon the anticipated distribution of quarry truck traffic as established at the time of the project approval.
11. The County shall review and revise the figures referenced in Paragraphs 9 and 10 to represent changes that may occur over time to the trip distribution patterns associated with each participating quarry or changes in jurisdiction boundaries. Said review and revision shall occur every four (4) years from the effective date of the Resolution creating this program or sooner should a significant changed condition occur. Participatory

quarries shall be responsible for ensuring that their through quarry trucks utilize the through truck haul routes established on the distribution exhibits.

12. Participating jurisdictions shall share those contributions intended for quarry truck routes which straddle jurisdictional boundaries. However, the County will assign any contributions it receives for Prairie City Road or Scott Road (east) towards quality of life improvements on Prairie City Road. The County shall also assign any contributions it receives for White Rock Road toward quality of life improvements to White Rock Road.
13. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, jurisdictions must enter into an operational agreement with the County. All such operational agreements shall contain the following:
 - a. That distribution of contributions for quality of life improvements shall be made by the County on an annual basis consistent with Paragraphs 9 through 12.
 - b. That contributions shall only be used for the purpose of designing, approving, financing, constructing and maintaining quality of life roadway improvements related to quarry truck traffic from participating quarries. Such roadway related improvements may include, but are not limited to, any of the following: special quarry truck lanes (including grade separation) and associated improvements, rubberized asphalt, sound wall extensions, and landscaping enhancements as well as right of way acquisition for any such improvements.
 - c. That contributions shall not be used in lieu of nexus based traffic mitigation fees and/or CEQA based mitigations for road capacity improvements or for normal road maintenance, with the exception of maintenance of quality of life improvements identified in this TMP.
 - d. That, prior to commencement of construction of quality of life improvement projects pursuant to this program, appropriate CEQA review shall be conducted by the jurisdiction proposing such improvements. Where the quality of life improvements are located within more than one jurisdiction, the jurisdictions may review such improvements jointly.
 - e. That an annual report shall be provided to the County by any jurisdiction receiving contributions which accounts for the use of those contributions during the prior year.

- f. That contributions shall be held in a separate account, specifically identified for Quarry TMP quality of life improvements, and shall not be available to the general fund of the receiving jurisdiction.
 - g. That the County shall provide guaranteed, reasonable and continuous direct access for all aggregate trucks from quarries participating in this program and traveling along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway. Except as stated in paragraph 14 below, there shall be no limit set on the volume of such quarry truck trips that is permitted to travel along Prairie City Road, Scott Road (east), White Rock Road, Grant Line Road and Jackson Highway within the unincorporated County.
14. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, the operational agreement with the City of Folsom shall be consistent with the provisions of the agreement between the County and the City of Folsom relating to transportation, adopted by both jurisdictions on December 6, 2011, which provisions are incorporated herein by reference as well as the provisions of this Quarry TMP Funding Mechanism Program and shall contain, in addition to the provisions of Paragraph 13, the following:
- a. That the City will set no limit, following annexation, on the volume of participating quarry truck traffic which is allowed to pass through the Folsom SOI area for quarry trucks that have agreed to pay a baseline cents per ton contribution of \$0.12 as provided in Sections 3 and 4
 - b. That the City, following annexation, shall provide guaranteed, reasonable and continuous direct access through the Folsom SOI area for participating quarry truck traffic traveling to and from U. S. Highway 50. The City may, however, assign such traffic to Scott Road (east), Prairie City Road and any future extension of Oak Avenue, or any combination thereof, provided that at all times participating quarry truck traffic is provided with said guaranteed, reasonable and continuous access. Said assignment of traffic shall include the ability to limit hours trucks may traverse a particular road so long as guaranteed 24 hour per day access is provided along one of the enumerated routes.

- c. That the City quality of life improvements shall generally be the improvements depicted in Figure V, as well as (1) improvements to the Prairie City Road/Highway 50 interchange as determined by or negotiated with the California Department of Transportation, (2) improvements to the Prairie City Road and White Rock Road intersection as determined by the County and the City in consultation with the Sacramento Southeast Connector Joint Powers Authority.
 - d. That contributions for the City will begin to accrue upon annexation of the Folsom SOI area.
15. In order to participate in this Quarry TMP Funding Mechanism Program and receive contributions for quality of life improvements, the operational agreement with the City of Rancho Cordova shall be consistent with the provisions of this Quarry TMP Funding Mechanism Program and shall contain, in addition to the provisions of Paragraph 13, the following:
- a. That the City shall provide guaranteed, reasonable and continuous direct access for aggregate trucks from quarries participating in this program which travel along Grant Line Road and Jackson Highway. There shall be no limit set on the volume of such quarry truck trips permitted to travel along Grant Line Road and Jackson Highway.
 - b. That the City shall provide guaranteed, reasonable and continuous direct access on White Rock Road in the City for Granite and Milgate aggregate trucks resulting from an annual aggregate production level equivalent to four (4) million tons. Unless otherwise revised through an amendment to this agreement and subject to the consensus by the City, Granite, and Milgate, the four (4) million tons per year aggregate production shall be apportioned as follows:
 - 1) Three (3) million tons of aggregate production shall be assigned to Granite Construction Company via an aggregate production site that would directly access White Rock Road.
 - 2) One (1) million tons of aggregate production shall be assigned to Milgate quarry.

- c. The four (4) million ton limitation stated above shall not be reduced by either local aggregate truck trips using White Rock Road in the City of Rancho Cordova or by any temporary access allowed by the City to other participating quarry operators due to construction activities on Grant Line Road or Jackson Highway.
16. In the event that a participating jurisdiction initiates a legal action based upon quarry truck traffic challenging an application for a new quarry, or the renewal of an existing quarry located within the Participation Area, then that jurisdiction shall automatically be terminated from participating in this program and no longer be eligible to receive any contributions pursuant to it. This provision shall, however, only be applicable where a quarry project has entered into a development agreement, or other similar binding obligation, wherein it becomes obligated to make the contribution payments established in Paragraph 3.
17. In order to participate in this program, Teichert must first amend its development agreement with the County so that the Construction Market Equalizer in Section 2.5 of the agreement shall only apply to Sections 2.4.1 through Section 2.4.4.3 and is rendered inapplicable to Sections 2.4.5.A, 2.4.5 B and 2.4.6. In addition, Teichert shall commit, in its amended development agreement, not to route Teichert Quarry and Teichert Grantline Plant trucks, moving to and from U.S. Highway 50, via White Rock Road and Sunrise Boulevard, White Rock Road and Zinfandel Drive and/or White Rock Road and a future Rancho Cordova Parkway.
18. No participating quarry trucks will utilize White Rock Road or any other roadways within the current jurisdictional boundaries of the City of Rancho Cordova except for quarry trips identified in Paragraph 15b above and quarry truck trips making local deliveries, or if temporarily necessary due to construction along either Grant Line Road or Jackson Highway. Any said temporary use of City of Rancho Cordova roadways shall be subject to review and approval by the City of Rancho Cordova prior to use of those roadways.
19. If the City of Rancho Cordova or the City of Folsom initiates any legal action against the Stoneridge Project, then the City(s) that brought forward that legal action shall not receive any Quarry TMP funding contribution from the Stoneridge quarry. If the Folsom SOI landowners initiate any legal action against the Stoneridge Project, then the City of Folsom shall not receive any Quarry TMP funding contribution from the Stoneridge quarry.

Figure II**Calculation, Payment and Verification of Aggregate Funds Cents per Ton Contributions.**

Payments required by the TMP Resolution shall be made within 30 days of the following quarterly dates each year: March 31, June 30, September 30, and December 31. The first quarterly contribution shall be due at the end of the first quarter during which quarry makes its first sale. Together with each payment, quarry shall provide County with a statement indicating the tons of Aggregate Material sold and the calculation of the contribution being made. Quarterly payments shall be based upon the tonnage produced and sold from the Project site and the rates provided pursuant to the TMP Resolution. Payments to County shall be made to County of Sacramento TMP Fund account and delivered to the County CEO Office, or such address as County may designate in writing. All transmittals of payments shall be copied to the Sacramento County Planning Division and the Sacramento County Department of Transportation.

The County may audit, as it determines necessary, the tonnage of Aggregate Material being produced and sold at the Project site and the contributions paid to County to verify that the amount of payment correctly reflects actual tonnage sold.

The County shall provide all participating jurisdictions with appropriate documentary support for the calculation and distribution of the cents per ton contributions. Any participating jurisdiction may request the County to perform an audit of material produced and funds distributed. Such audits shall not be requested more frequently than every other year.

PARTICIPATION AREA

Note: Trucks have the option to occasionally enter and leave via Douglas Road (Jurisdictional Distribution). However, this is unlikely to occur.

EXHIBIT E
TRUCK ROUTE ENFORCEMENT PLAN

With the exception of local deliveries, aggregate trucks going to or from the Project Site will use the Truck Routes depicted on Exhibit D. Except for local deliveries that require the use of Zinfandel Blvd., truck traffic to and from the site shall not use Zinfandel Blvd to access Highway 50, and will use either Sunrise Blvd. or Prairie City Road or other eastern access point to Highway 50. Truck traffic heading south of White Rock Road shall be directed to either Sunrise Blvd. or Grant Line Road. The Operator shall provide signage at the exit of the load out area regarding the Truck Routes. The Operator shall implement a program to provide drivers with notice of, and to ensure compliance with, designated Truck Routes. The program shall include the following provisions to bar drivers who are found to have violated these restrictions from being served at the site:

- First violation – driver is given a warning;
- Second violation – driver is barred from the facility for one month; and
- Third violation—driver is permanently barred from the facility.

The Operator shall submit to the Planning Department an annual summary of any violations and actions taken.

EXHIBIT G
2008 ROADWAY IMPACT AGREEMENT

ROADWAY IMPACT AGREEMENT
FOR THE RIO DEL ORO MINING PROJECT
BETWEEN THE CITY OF RANCHO CORDOVA AND
GRANITE CONSTRUCTION COMPANY

This ROADWAY IMPACT AGREEMENT (hereinafter called "Agreement") is dated for reference purposes as of March 28, 2008, by and between the CITY OF RANCHO CORDOVA, a municipal corporation of the State of California (hereinafter referred to as the "City"), and GRANITE CONSTRUCTION COMPANY, a California corporation ("Granite") (the City and Granite being collectively referred to herein as "the Parties"), with reference to the following facts:

RECITALS

A. Granite desires to remove aggregate resources from portions of land which is located within the City limits and which is more specifically within areas designated as the Inactive Rancho Cordova Test Site (south of White Rock Road) and is also within The Aerojet Specific Planning Area as set forth in Exhibit A and Exhibit D of Sacramento County Ordinance No. SZC 95-0014. In March of 2006, the Planning Director for the City of Rancho Cordova Planning Department made a determination that Granite's request to surface mine within the Project Site (as defined below) is a permitted use according to the provisions of The Aerojet Specific Planning Area ("SPA Determination").

B. Following issuance of the SPA Determination, on or about July 26, 2007 (the "Project Approval Date"), pursuant to Resolution No. 101-2007, Granite received various project approvals from the City in connection with Granite's removal of aggregate resources from portions of the Project site, including without limitation the following (the "Project Approvals"): (1) a Mining and Reclamation Plan (the "Mining and Reclamation Plan") for the Rio Del Oro Mining Project aka the Granite Mining Project (hereinafter referred to as "Project"), and (2) a Mitigation Monitoring and Reporting Program and Conditions of Approval For the Granite Mining Project (the "MMRP/Conditions"), and (3) adoption and certification of a Final Mitigated Negative Declaration in accordance with the California Environmental Quality Act. Mining activities at the Project site are permitted by the Project Approvals to continue for up to ten (10) years from the Project Approval Date, subject to Granite's receipt of any appropriate extensions.

C. The Project site is an important source of aggregate for the City and the Sacramento metropolitan area. Aggregate material that is extracted from the Project site will be used in local and regional projects and sales of the material within the City of Rancho Cordova are expected to generate certain tax revenues.

D. The Planning Commission adopted several conditions of approval for the Mining and Reclamation Plan. Condition 18 to the Mining and Reclamation Plan as contained in the MMRP/Conditions ("Condition 18") states:

The applicant shall enter into an agreement with the City to address damages and impacts to City roadways directly attributable to the project. Impacts include, but are not limited to: public improvements necessitated by the project and accelerated wear on public infrastructure. The form of the agreement may include a fee per unit of material hauled away from the site and/or a capital fee to the satisfaction of the Public Works Department. The applicant shall prepare a roadway condition assessment for the City's review prior to hauling material off-site which describes the current condition of the impacted City roadways.

Condition 7 to the Mining and Reclamation Plan as contained in the MMRP/Conditions ("Condition 7") states:

Should the City Engineer determine that an unexpected and significant project related traffic problem has occurred during the course of the mining operation and transfer of materials off-site, he/she will work with the applicant to implement appropriate mitigation measures. On-site mitigation shall be initially encouraged by the City such as truck metering or queuing. The operator shall agree to cooperate and pay its fair share as determined by the Public Works Director for the construction of off-site improvements, if needed.

E. Condition 7 and Condition 18 are sometimes referred to herein collectively as the "Conditions". As set forth in Section 1.1 of this Agreement, the City and Granite desire to enter into this Agreement in response to and in satisfaction of the Conditions.

AGREEMENT

NOW THEREFORE, the City and Granite do hereby agree as follows:

1. PURPOSE OF AGREEMENT; INCORPORATION OF RECITALS; DEFINED TERMS.

1.1 Purpose of Agreement. Execution of this Agreement by the Parties and performance by Granite hereunder shall constitute full satisfaction of Condition 18. Without limiting any other provisions of this Agreement, the parties further understand and agree that the terms and conditions of this Agreement shall serve to satisfy Condition 7 with regard to any project related impacts resulting from Granite's mining operations on the Project Site so long as and to the extent that the Per Ton Fee provided for in Section 3 of this Agreement is sufficient in amount to cover and/or address said impacts. City shall make the determination of the adequacy of funds available from the Per Ton Fee to satisfy Condition 7, subject to the provisions set forth in Section 3 of this Agreement. If and to the extent that the City determines that the Per Ton Fee is not sufficient in amount to cover and/or address project related impacts which are the express subject of Condition 7, then Granite shall be obligated to pay its fair share of the costs of addressing such impacts, provided that Granite's fair share is determined in a reasonable manner with due consideration for all relevant factors, including without limitation the use and contribution to impacts by Granite, the use and contribution to impacts by other parties, the remaining term of the Project Approvals, and the estimated or expected time that Granite will continue its mining operations on the Project Site. Granite's fair share discussed in the previous sentence shall be determined by means of a traffic impact study which evaluates unexpected and significant project related impacts as well as the extent to which operations at the Project Site contribute to such impacts. The City shall fund the cost of any such traffic impact study from the Per Ton Fee collected as specified in Section 3 of this Agreement. If the traffic impact study determines that Granite shall pay a proportionate share of improvements as a direct result of Project related impacts, then Granite shall thereafter pay its fair share of the cost of any traffic impact study as set forth in Section 4 herein.

1.2 Incorporation of Recitals; Defined Terms. The Parties acknowledge and agree upon the accuracy of the Recitals hereto and incorporate them herein by this reference. Terms with initial capitalization used but not defined in this Agreement shall have the meanings given to them in the Mining and Reclamation Plan.

2. INFRASTRUCTURE IMPROVEMENTS.

2.1 Left Turn Lane.

2.1.1 Designs. The City acknowledges that at the request of the City and prior to the date of this Agreement, Granite, at the sole cost and expense of Granite, has heretofore caused to be prepared and delivered to the City certain designs for a left turn lane to access the Project site from White Rock Road (the "Left Turn Lane"), which designs were prepared by Cunningham Engineering under

Project No. 847.03 and dated on or about 11/26/07 and a copy of which are attached hereto as Exhibit A and incorporated herein by this reference (the "Left Turn Lane Design"). The City approved the Left Turn Lane Design in an email dated November 26, 2007, and the City hereby ratifies that approval.

2.1.2 Construction. Granite, at Granite's sole cost and expense, shall cause and complete construction of the Left Turn Lane improvements pursuant to and in accordance with the Left Turn Lane Design attached hereto as Exhibit A. Granite shall obtain any and all permits necessary to construct the Left Turn Lane improvements. Construction of the Left Turn Lane improvements shall be subject to periodic inspection by the City and subject to final approval by the City upon completion. The City shall not unreasonably withhold acceptance of the Left Turn Lane upon receiving a notice of completion from Granite. Granite shall pay all reasonable fees associated with the permits issued for and/or City inspection of the Left Turn Lane improvements. For purposes of this Agreement, "Substantial Completion" means that the subject improvement has been completed in a manner sufficient to allow it to be put to its intended use, subject only to completion of punch-list items and subject to the approval of the Public Works Department.

2.1.3 Use of Project Site. Notwithstanding anything herein to the contrary, Granite may prepare the Project site for the extraction of aggregate materials prior to the completion of the Left Turn Lane, but shall not transport aggregate materials from the Project site for sale or re-sale or other commercial use prior to Substantial Completion of the Left Turn Lane improvements.

2.2 Traffic Signalization.

2.2.1 Traffic Signal Studies. The City acknowledges that at the request of the City and prior to the date of this Agreement, Granite has heretofore delivered to the City various data and/or studies (the "Traffic Signal Studies") with regard to the need for a traffic signal at the intersection of White Rock Road and Grantline Road (the "Traffic Signal"). The Traffic Signal Studies include without limitation the data and/or studies prepared by Fehr and Peers provided to the City as Section 3.14 of the Rio Del Oro Specific Plan Draft EIR/Draft EIS dated on or about December 8, 2006. The Parties acknowledge and agree that based upon information contained in the Traffic Signal Studies and the conclusions stated therein, and subject to the provisions of Section 2.2.2 hereof, no Traffic Signal or other additional traffic signalization is needed to allow Granite to commence or continue mining activities as allowed for under the Project Approvals at the Project site, and that Granite shall have no obligation to construct any traffic signalization prior to the commencement of site preparations or prior to the transport of aggregate materials for sale or re-sale from the Project site.

2.2.2 Traffic Signalization Re-Evaluation. Notwithstanding the foregoing provisions of Section 2.2.1 hereof, the City's Public Works Department reserves the right from time to time during the Term of this Agreement to re-evaluate the need for the Traffic Signal ("Signalization Re-Evaluation") in connection with operations at the Project site. As more specifically described in this Section 2.2, the City and Granite intend that Granite shall thereafter contribute its fair share, based upon Project impacts, to any future installation of a Traffic Signal.

(a) **Scope of Signalization Re-Evaluation.** Any Signalization Re-Evaluation conducted by the City shall consist of a traffic signal study that will include an assessment of traffic impacts that have been generated by the Project, and that will evaluate whether those impacts constitute Significant Unsignalized Intersection Impacts and therefore warrant installation of a traffic signal. For purposes hereof, a "Significant Unsignalized Intersection Impact" shall mean that Project generated traffic has caused any of the following: (i) an unsignalized intersection operating at level of service (LOS) "D" or better to degrade to an unacceptable LOS "E" or LOS "F", and/or (ii) an increase of five (5) seconds or more of control delay at an unsignalized intersection in Rancho Cordova operating at an unacceptable level of either LOS "E" or LOS "F", and/or (iii) Crash Experience signal warrant conditions to occur as described in Section 4C.08 of the 2003 Manual on Uniform Traffic Control

Devices for Streets and Highways – 2003 Edition, a copy of which is reproduced at Exhibit D attached hereto and made a part hereof.

(b) Costs of Signalization Re-Evaluation. If the City determines to undertake a Signalization Re-Evaluation, then the City shall fund the cost of any Signalization Re-Evaluation from the Per Ton Fee collected as specified in Section 3 of this Agreement. If the Signalization Re-Evaluation determines that Granite shall pay a proportionate share of the cost of installation of a traffic signal as a direct result of Project related impacts, then Granite shall thereafter pay its fair share of the cost of the Signalization Re-Evaluation as set forth in Section 4 herein.

(c) Results of Signalization Re-Evaluation and Review by Granite. If and to the extent that during the Term of this Agreement the City undertakes a Signalization Re-Evaluation and as a result thereof determines that a Traffic Signal is necessary due to a Significant Unsignalized Intersection Impact attributable to the operations at the Project site, and if the City desires or intends for Granite to share in the cost of such Traffic Signal, then (1) the City shall promptly deliver to Granite notice and a copy of the Signalization Re-Evaluation and provide to Granite all documents, materials, assessments and reports supporting the determination that a Traffic Signal has become necessary; and (2) Granite shall have a period of not more than ninety (90) days to review and assess said Signalization Re-Evaluation and determination and all documents, materials, assessments and reports supporting the same and to provide the City with any contrary documents, materials, assessments and reports that might call into question the Signalization Re-Evaluation and determination; and (3) the City and Granite shall meet and confer to discuss items (1) and (2) above.

(d) Granite Contribution Towards Traffic Signal. If the City reasonably determines, based solely upon objective data and the standards set forth above and after following the protocols set forth above, that the Traffic Signal is still needed, then the City will reasonably determine the appropriate fair share percentage of the costs of installing the Traffic Signal that should be borne by Granite (herein, the "Granite Signal Share"), given all relevant factors (including without limitation use by Granite, use by other parties, time remaining in the Term of this Agreement, estimated time that Granite will continue its operations on the Project site, etc.) and shall notify Granite of said Granite Signal Share. Granite shall pay the Granite Signal Share within sixty (60) days following completion of construction and/or installation of the Traffic Signal by the City and Granite's receipt of an appropriate invoice from the City for same.

2.3 White Rock Road Rehabilitation Work.

2.3.1 Background; Construction Obligation. The parties acknowledge that (a) the Project site will require access to and travel along White Rock Road, (b) portions of White Rock Road have heretofore failed under technical standards due to heavy use over the years and as a result of deferred maintenance by the County of Sacramento, (c) Granite did not (either negligently, intentionally or solely) cause damages to any portions of White Rock Road, and (d) the City presently expects that improvements to White Rock Road will commence within approximately five (5) to ten (10) years after the date of this Agreement as part of other improvements planned for White Rock Road by the City, developers and/or other regional transportation improvement efforts (the "White Rock Road Reconstruction"). Recognizing the current conditions on White Rock Road, and in order to facilitate aggregate mining operations at the Project site, the Parties agree that Granite, at Granite's sole cost and expense, will undertake and perform the Rehabilitation Work (as defined in Section 2.3.2) on that portion of White Rock Road commencing at the eastern City limit and continuing to Fitzgerald Drive (the "Repair Segment").

2.3.2 Description of Work. For purposes of this Agreement, the "Rehabilitation Work" to be performed by Granite shall mean and consist solely of the following:

(a) Chip Seal Preparation. Subject to Section 2.3.2(d) hereof, repair all areas of high-severity rutting identified in the Roadway Condition Assessment as being located within the Repair Segment to create a surface suitable for performance of the Chip Seal Work.

(b) Chip Seal Work. Subject to Section 2.3.2(d) hereof, apply a terminal blend asphalt rubber chip seal on all portions of the Repair Segment in order to fill voids and cracks in the road surface and to rejuvenate the structural capabilities of the pavement structure and surface (the "Chip Seal Work"), which Chip Seal Work shall be performed in accordance and/or consistent with the specifications described in Exhibit B attached hereto.

(c) Slurry Seal Work. Apply a slurry seal over the completed Chip Seal Work in order to create a "cape seal" and to provide a smooth and hard wearing surface that locks in the Aggregate materials to minimize flying particles that are likely to damage windshields (the "Slurry Seal Work"), which Slurry Seal Work shall be performed in accordance and/or consistent with the specifications described Exhibit C attached hereto.

(d) Asphalt Removal and Replacement. If and to the extent that specific areas of the Repair Segment are unsuitable for successful repair by means of the Chip Seal Work and Slurry Seal Work as reasonably agreed upon by Granite and the City (herein, "Exception Areas"), then Granite shall remove and replace the asphalt sections of said Exception Areas using existing Sacramento County standard pavement sections. The replacement section shall consist of four (4) inches of asphaltic concrete over twelve (12) inches of aggregate base or a single lift of ten (10) inches of asphaltic concrete (at the contractor's option). Prior to placement or installation of asphalt and/or aggregate base materials, the sub-base shall be compacted to 95% per ASTM D-1557. If unsuitable sub-base materials are encountered during removal of existing asphalt and/or aggregate base, then the unsuitable sub-base materials shall be removed/excavated up to a depth of three feet (3.0'). A suitable fabric shall then be placed at the bottom of the removal/excavation area described in the previous sentence, aggregate base materials shall be placed over the fabric or compacted sub-base, and the aggregate base shall be compacted to 95% per ASTM D-1557.

2.3.3 Construction and Completion of Rehabilitation Work.

(a) Commencement. Granite shall commence the Rehabilitation Work as soon as reasonably practicable following the Effective Date of this Agreement, given applicable weather conditions. City certifies that it has reviewed and approved the on-ground paint markings of the areas that will be the subject of the Chip Seal Work and those Exception Areas that will be the subject of asphalt removal and replacement. Granite shall obtain any and all permits necessary to construct the Rehabilitation Work.

(b) Sign. Granite, at Granite's cost and expense, shall post at least one temporary sign along the Repair Segment indicating and advertising that the subject road improvements are made possible by the City of Rancho Cordova and Granite Construction Company.

(c) Debris. Promptly on or before completion of the Rehabilitation Work, Granite shall use reasonable efforts to remove debris generated in connection with the Rehabilitation Work. Granite shall indemnify, defend and hold harmless the City from any losses, costs expenses or claims made by third parties for windshield damages to vehicles caused by any such debris generated and not removed by Granite in connection with the Rehabilitation Work.

(d) Use of Project Site. The City agrees that Granite may immediately commence on-site activities to prepare for mining operations at the Project Site and that neither commencement nor completion of the Rehabilitation Work is a condition to same, provided, however, that Granite shall not remove any aggregate materials from the Project Site for either sale or re-sale until substantial completion of the Rehabilitation Work as set forth in this Agreement.

2.3.4 City Approvals. The City represents and warrants that it has had adequate opportunity to review Exhibit B and Exhibit C attached hereto, that it has approved the specifications stated therein, and that the City will approve in writing that the Rehabilitation Work meets the terms of this Agreement upon completion so long as the specifications identified in Exhibits B and C have been satisfied by Granite. In the event the City (either directly or through its inspecting agents) at any time determines or believes that Granite has failed to meet or satisfy any material portion of the specifications of Exhibit B and/or Exhibit C in connection with construction of the Rehabilitation Work, then the City will promptly notify Granite in writing of same, which notice shall specify the reasons or grounds for said failure.

2.3.5 Life Expectancy of Rehabilitation Work. Given the expectations of the parties for the occurrence of the White Rock Road Reconstruction as described in Section 2.3.1 hereof (but notwithstanding the actual date of or any delay in the commencement or completion of same), the Rehabilitation Work is required and expected to have a useful life expectancy of approximately five (5) years. Except as otherwise stated in Section 2.3.6 of this Agreement, Granite shall have no obligation or responsibility for the quality, condition or repair of the Rehabilitation Work beyond five (5) years after substantial completion of the Rehabilitation Work.

2.3.6 Future Maintenance to Repair Segment. As more fully and expressly set forth in this Section 2.3.6, the Parties intend that (a) Granite shall perform certain interim repairs to the Repair Segment during the Term of this Agreement as set forth in Section 2.3.6(a); and (b) if the White Rock Road Reconstruction Work has not commenced within five years after the date of this Agreement and if Granite's mining operations will continue on the Project Site in a substantial manner for a material period of time thereafter, then the parties may elect to perform an assessment to determine if additional improvements to the Repair Segment are necessary as and to the extent set forth in Section 2.3.6(b); and (c) the City shall have the right to conduct a biennial assessment of the condition of the Repair Segment in order to determine if additional repairs are necessary during the Term of this Agreement as set forth in Section 2.3.6(c), provided that repairs required pursuant to Section 2.3.6(c) will take into account use of the Repair Segment by other industrial users with heavy truck traffic and will be apportioned as set forth herein. The agreement of the parties with regard to the foregoing is as follows:

(a) **Material Interim Repairs.** For the Term of this Agreement, Granite, at Granite's sole cost and expense, shall make the following repairs to the Repair Segment if and to the extent the need for said repairs resulted directly from Granite's operations on the Project Site and related uses of the Repair Segment (herein, "**Material Interim Repairs**"): (1) repairs to pavement with high-severity potholes as described in ASTM D6433-03 standards; (2) repairs to pavement with high-severity edge distress as described in ASTM D6433-03 in which the effective roadway width is reduced by twelve inches (12") or more; and (3) high severity shoulder drop-offs resulting from high severity edge cracking as described in ASTM D6433-03. To the extent Material Interim Repairs are necessitated and are not solely caused by Granite's operations on the Project Site and related uses of the Repair Segment, Granite shall pay only its fair share of the cost of such Material Interim Repairs

(b) **Five-Year Assessment.** In the event that the White Rock Road Reconstruction has not commenced within five (5) years after the substantial completion of the Rehabilitation Work, and if Granite's mining operations on the Project Site are reasonably expected to continue in a substantial manner for a material period of time after said five (5) year period, then at the request of the City, Granite and the City shall meet in good faith to determine if additional improvements, repairs or rehabilitation work is needed on the Repair Segment as a result of objectively verifiable damages and/or wear and tear directly caused by mining operations by Granite on the Project Site (the "**Five-Year Assessment Work**"). At any time beginning five (5) years after substantial completion of the Rehabilitation Work and continuing for six (6) months thereafter, the City may elect to perform a traffic or roadway impact study to determine if any Five-Year Assessment Work is necessary. If the City determines to undertake such studies, the City shall fund the cost of any such studies from the Per Ton

Fee collected as specified in Section 3 of this Agreement. If any of these studies determine that Granite shall pay a proportionate share of improvements as a direct result of Project related impacts, Granite shall thereafter pay its fair share of the cost of any of these studies as set forth in Section 4 herein.

If the Parties reasonably determine that any such Five-Year Assessment Work is needed, then the City will reasonably determine the appropriate fair share percentage of the costs of the Five-Year Assessment Work that should be borne by Granite (herein, the "Granite Five-Year Share"), given all relevant factors (including without limitation use by Granite, use by other parties, time remaining in the Term of this Agreement, estimated time that Granite will continue its operations on the Project site, etc.) and shall notify Granite of said Granite Five-Year Share. Granite shall contribute and/or pay the Granite Five-Year Share within sixty (60) days following completion of construction and/or installation of the Five Year Assessment Work by the City and Granite's receipt of an appropriate invoice from the City for same, provided that the City demonstrates that the Per Ton Fee to be paid pursuant to Section 3 of this Agreement is inadequate to otherwise fund such Five-Year Assessment Work. While the City need not demonstrate that it is also charging other industrial users of the Repair Segment for the Five-Year Assessment Work as a condition to Granite paying the Granite Five-Year Share, the amount of the Granite Five-Year Share to be paid by Granite shall be limited to Granite's share of the Five-Year Assessment Work based on Granite's proportionate usage when taking into consideration usage of the Repair Segment by all other industrial users. Other costs of the Five-Year Assessment Work shall be paid by the City through whatever other sources the City may determine, which may or may not include contribution by other industrial users. In the event Granite elects to conclude mining operations at the Project Site at or before the end of the Five-Year Assessment, then Granite shall pay for the costs of Project related impacts that have occurred through the date that Granite concludes its mining operations and that must be repaired in order to return the Repair Segment to substantially the same condition as currently exists pursuant to the 2007 Roadway Condition Assessment referenced in 2.3.6(c)(1) of this Agreement.

(c) **Biennial Assessment.**

(1) **Roadway Condition Assessment.** Granite, at the sole cost and expense of Granite, has heretofore caused to be prepared and delivered to the City certain roadway condition assessments (individually and collectively, the "2007 Roadway Condition Assessment") with regard to the then current condition and state of repair of White Rock Road from the Eastern City limit to Luyung Drive, including without limitation the following: (A) the data and/or studies prepared by Nichols Consulting Engineers under Project No. 07.35.38 and dated on or about July 31, 2007; (B) the roadway visual condition assessment performed in accordance with ASTM 6433-03 and resulting pavement condition index (PCI) evaluation using Army Corps of Engineers PAVER software program completion in September of 2007; (C) the overlay pavement design based on traffic information as described in the Traffic Signal Studies, which overlay pavement design was performed in accordance with the California Department of Transportation Hot Mixed Asphalt (HMA) Rehabilitation Design Code Version 3.1, using pavement strength data provided by Nichols Consulting Engineers under project No. 07.35.35; and (D) the new roadway construction design for White Rock Road based on traffic information as described in the Traffic Signal Studies, which new roadway construction design was performed in accordance with the California Department of Transportation Flexible Design Code Version 1.0. The City has had an opportunity to review and verify the conditions described in the 2007 Roadway Condition Assessment, verifies that the 2007 Roadway Condition Assessment provides an accurate description of the road conditions described therein, and accepts the 2007 Roadway Condition Assessment as satisfying the last sentence of Condition 18.

(2) **Performance of Biennial Assessment.** Every two (2) years during the Term of this Agreement, the City may request an update to the 2007 Roadway Condition Assessment (a "Biennial Assessment") to determine whether during the course of the mining operation upon and transfer of materials from the Project site a material and detrimental change has occurred in the condition of the roadway(s) that was/were the subject of the 2007 Roadway Condition Assessment,

normal wear and tear excepted. The sole purpose of the Biennial Assessment shall be to identify any material and detrimental changes to the condition of the roadway(s) that was/were the subject of the 2007 Roadway Condition Assessment and the likely causes of such changes. For purposes of this Section 2.3.6(c), a material and detrimental change shall have occurred if there are damages that would qualify for Material Interim Repairs. If a Biennial Assessment is requested by the City, then the parties shall use good faith and reasonable efforts to cause the subject assessment to be conducted during the months of June-September, with the first such Biennial Assessment to occur not earlier than June of 2009. The costs of each Biennial Assessment shall be funded from the Per Ton Fee collected as specified in Section 3 of this Agreement. If the Biennial Assessment determines that improvements are required pursuant to the standards set forth in this paragraph, Granite shall thereafter pay its fair share of the cost of any of the Biennial Assessment as set forth in Section 4 herein.

(3) **Results of Biennial Assessment; Apportionment of Charges.** Following receipt of each Biennial Assessment, Granite and the City shall use good faith and due diligence to meet and confer to discuss the subject assessment and any proposals for necessary repairs or operational changes to correct or mitigate for material and detrimental changes to roadway identified in the Biennial Assessment and which occurred during the course of the mining operation upon and transfer of materials from the Project site, normal wear and tear being excepted. Any required mitigation by Granite, including but not limited to construction of infrastructure improvements and/or payment of additional fees to the City, shall be limited to a determination of Granite's fair share contribution towards the material and detrimental changes in light of the existence of other industrial users of White Rock Road and giving consideration to Granite's payment of the Per Ton Fee described herein.

(d) **Other Expenses for Maintenance of White Rock Road.** City acknowledges and agrees that Granite's fair share contribution to repairs to White Rock Road necessitated by normal wear and tear shall be paid for and covered by the Per Ton Fee as more specifically set forth in Section 3.6 of this Agreement.

3. **PAYMENTS AND FEES.**

3.1 **Per Ton Fee; Amount.** Granite agrees to pay to the City a fee equal to three cents (\$0.03) per gross ton of Mined and Removed Materials (the "Per Ton Fee"). For purposes of this Agreement, the term "Mined and Removed Materials" shall mean and include sand, gravel, rock, granite, and other aggregate and/or construction materials and/or precious metals and gemstones mined and permanently removed from the Project site during the Term of this Agreement. The City may not increase the amount of the Per Ton Fee during the term of any of the Project Approvals.

3.2 **Timing For Payment.** Granite shall make and deposit payments of the Per Ton Fee due under this Agreement on an annual basis coinciding with the City's fiscal year, which runs from July 1 to June 30, with each payment of Per Ton Fee for the subject fiscal year due to the City within forty-five (45) calendar days after the end of the City's fiscal year. Granite shall deposit these payments with the City Finance Department. Granite shall pay a late fee of two and one-half percent (2.5%) per month on a prorated basis for any payment not made within ten (10) days after the date due.

3.3 **Statements.** Each payment of Per Ton Fee made by Granite under this Agreement shall be accompanied by the following: (a) a Statement of Quantities; (b) a calculation of the payment due based upon the Statement of Quantities; and (c) a record of truck tickets regarding Mined Materials for the applicable fiscal year certified by a California Weighmaster. For purposes hereof, the term "Statement of Quantities" shall mean an annual statement indicating the total tonnage of Mined and Removed Material during a subject fiscal year.

3.4 **Computation Method And Inspection Rights.**

3.4.1 All Mined and Removed Materials shall be weighed prior to removal from the Project site through certified scales to be installed and maintained and operated at all times by a Certified Weighmaster.

3.4.2 Granite shall keep full, true and accurate books of account during the Term hereof containing: (a) all necessary data for computation of Per Ton Fees due hereunder; and (b) certified weight receipts of all Mined and Removed Materials.

3.4.3 Solely for the purposes of verifying the amounts of Mined and Removed Materials and Per Ton Fees due under this Agreement, the City shall have the following rights and privileges:

(a) At any reasonable time and from time to time during the Term of this Agreement upon not less than three (3) calendar days' prior written notice, and subject to Section 6 hereof, the right to have a duly authorized agent or representative of the City, when accompanied by a representative of Granite but at their own risk, to enter upon the Project site for the purposes of making such examinations, inspections and verifications as such representative or agent may reasonably desire; and

(b) The right to examine any of the items delivered by Granite pursuant to Section 3.3 hereof; and

(c) Upon not less than ten (10) calendar days' prior written notice by the City to Granite, and subject to Section 6 hereof, the right during regular business hours for Granite and Granite's authorized experts, accountants and auditors to review and inspect Granite's records and books of account relevant to payment of the Per Ton Fee and the Project site, together with the right, at the expense of the City, to make a copy or copies of the relevant portion of Granite's books and records. Granite will keep and maintain its books and records relevant to payment of the Per Ton Fee and the Project site for at least three (3) years from the date of payment to the City.

3.5 **No Contribution.** The City shall not be responsible to obtain contribution from any other parties, landowners or users of the Repair Segment to offset or reimburse Granite for the costs of the Rehabilitation Work. However, in the event the City contends that funds derived from the Per Ton Fee are inadequate to cover future maintenance of the Repair Segment as set forth in Section 2.3.4 of this Agreement, the City shall provide an itemization to Granite of all other funds received from other industrial users of the Repair Segment and shall establish that other industrial users are paying a fair share contribution towards ongoing maintenance and repair of the Repair Segment.

3.6 **Purpose of Per Ton Fee.** Payment of the Per Ton Fee shall be in addition to performance of Granite's express obligations under other sections of this Agreement, and shall be in addition to any obligations imposed on Granite pursuant to any agreement between Granite and the City related to Condition 16 of the Mining and Reclamation Plan. The purpose of the Per Ton Fee is to fully compensate the City during the entire Term of this Agreement for wear and tear on City roadways, for unspecified future damage that may occur to any and all portions of White Rock Road or to any other City roadways, and for the costs of any other road or traffic related improvements (including without limitation turn lanes, signalization, or general maintenance or repairs) which may be needed as a result of Granite's operations on and removal of materials from the Project site. Except as expressly set forth in other sections of this Agreement with regarding to Granite's obligations to undertake or pay for the Rehabilitation Work, the Material Interim Repairs, the Left Turn Lane Improvements, the Granite Signal Share, the Granite Five-Year Share (provided that the City determines that the Per Ton Fee is not otherwise sufficient per Section 2.3.6(b) hereof), or the repairs required following a Biennial Assessment pursuant to Section 2.3.6(c) hereof, the Parties acknowledge and agree that Granite's obligation to pay the Per Ton Fee shall fully satisfy any other obligation that Granite may have at any time during the Term towards any repairs or improvements to City roadways (including without limitation turn lanes,

signalization, or general or special maintenance or repairs) referenced in the second sentence of this paragraph or otherwise referenced in or required by Condition 18. Furthermore, payment of the Per Ton Fee (and performance of this Agreement) shall be deemed to satisfy Condition 7 as and to the extent described in Section 1.1 hereof.

4. COSTS OF TRAFFIC, ROAD IMPACT OR OTHER STUDIES REQUIRED BY THIS AGREEMENT.

To the extent the City determines to conduct additional traffic or impact studies (including but not limited to the studies and assessments referenced in Sections 1.1, 2.2.2(b), 2.3.6(b), and 2.3.6(c)(2) of this Agreement) ("Future Impact Studies") the City shall fund the initial cost of such Future Impact Studies from the Per Ton Fee. If, after the completion of a Future Impact Study, there is a determination that Granite's direct, Project related impacts have caused a requirement for additional traffic improvements or maintenance (as specifically defined and set forth in this Agreement), Granite shall thereafter contribute its fair share towards the cost of the Future Impact Study.

5. ISSUANCE OF WORK AUTHORIZATION PERMIT AND COMMENCEMENT OF MINING ACTIVITIES.

Upon execution of this Agreement, the City shall issue a Work Authorization Permit to allow for the commencement of mining activities on the Project site. The Work Authorization Permit shall allow for all activities permitted on the Project Site under the Project Approvals and/or applicable law, including without limitation site preparation; construction and/or installation of project improvements, utilities, scales, etc.; and excavation, mining and processing of aggregate resources; but excluding the right to transport aggregate materials from the Project site for sale or re-sale until substantial completion of the Left Turn Lane improvements and the Rehabilitation Work. The Work Authorization Permit shall also allow for construction and/or installation of all of the infrastructure improvements required by Section 2.1 and Section 2.3 of this Agreement, including without limitation the Rehabilitation Work and the Left Turn Lane improvements.

6. TERM OF AGREEMENT. This Agreement shall be binding and in effect for a term (the "Term") beginning on the Project Approval Date and ending on the later to occur of the following: (a) ten (10) years after the Project Approval Date, or (b) the expiration or termination of the Project Approvals, as the same may be extended from time to time, or (c) completion and cessation of all mining, processing and related activities by Granite on the Project site.

7. CONFIDENTIALITY AGREEMENT.

7.1 Nondisclosure of Confidential Materials. In order to protect Granite's financial and commercial interests, the City shall not, to the extent allowed by the California Public Records Act (California Government Code Section 6250 *et seq.*) ("CPRA") or other applicable laws, cause or permit any Confidential Materials to be disclosed to, or made accessible to, any person, firm or entity than those key employees of the City, attorneys and accountants of the City, or consultants of the City who are immediately and directly involved in the administration of this Agreement and who are subject to the confidentiality provisions of this Section 6. For purposes hereof, "Confidential Materials" shall mean any Statement of Quantities, any other statements accompanying a payment of Per Ton Fees, any records of payments or payment amounts made under this Agreement, information obtained pursuant to or in connection with Section 3.4.3, or any other related documents, information, statements or materials.

7.2 Public Records Act Requests. If City receives a request for disclosure of any Confidential Materials ("Document Request"), then City shall immediately notify Granite of the Document Request as well as the identity of the individual or entity making the Document Request and shall also provide a written copy of the Document Request to Granite by the most expedient means (e.g.,

facsimile, e-mail, etc.). If City believes that it is obligated to disclose any or all of the documents identified in the Document Request pursuant to the CPRA or other applicable laws, then at least five (5) business days prior to making any disclosure under or pursuant to the Document Request, City shall provide written notice to Granite of City's intention to make the disclosure, which notice shall include, without limitation, a written description of (a) each and all of the documents that City intends and believes it is obligated to disclose, and (b) the legal basis requiring such disclosure. Granite shall then have the option to request that the City decline such disclosure and to advise the City of any grounds for same; Granite shall provide City with such request at least three (3) business days after receiving notice from the City. If Granite timely requests that the City decline such disclosure, and the City Attorney determines that Granite has provided legally sufficient ground to decline the request, then the City shall respond to the Document Request declining to make the disclosure and providing the appropriate grounds or exemption. Granite, at Granite's sole cost, shall then defend and indemnify the City from any action related to such response. If the City Attorney disagrees with Granite's position, then the City shall notify Granite within one (1) business day of that fact, providing Granite with the opportunity, at Granite's sole cost, to file a declaratory relief action to determine whether the documents must be disclosed. Such declaratory relief action must be filed no later than five (5) business days after the City notifies Granite that the City Attorney disagrees with Granite's position. The City shall also notify the party making the Document Request that Granite has requested the opportunity to file a declaratory relief action to determine if the documents are exempt from disclosure.

8. DISPUTES.

8.1 Notice and Cure; Meet and Confer. Prior to filing suit for any claim under this Agreement for any alleged breach, the aggrieved Party shall first give the other Party an opportunity to cure the alleged breach by sending written notice to the breaching Party and giving the breaching Party a minimum of thirty (30) days from the receipt of notice to cure the alleged violation. Either Party may request that the Parties meet and confer to discuss the alleged breach within the thirty (30) day period after the notice to cure the alleged violation is received.

8.2 Arbitration For Certain Controversies. Any controversy between the Parties regarding the terms or conditions of this Agreement and/or any claim arising out of or relating to this Agreement or its breach (with the exception of Granite's non-payment of the Per Ton Fee), shall be submitted to binding arbitration upon the written request of one party after the service of that request on the other party. The arbitration shall be initiated by written notice of a demand to arbitrate sent by certified mail, return receipt requested, by one party to the other party. The Parties shall attempt to agree on a retired judge of the Superior Court of the State of California to be the Arbitrator. If the Parties cannot agree, then the Superior Court of Sacramento County shall choose an impartial Arbitrator whose decision shall be final and conclusive on all parties, and it may be confirmed thereafter as a judgment by the Superior Court of the State of California, subject only to challenge on the grounds set forth in California Code of Civil Procedure Section 1286.2. The validity and enforceability of the Arbitrator's decision is to be determined exclusively by the California courts. The City and Granite shall each have the right of discovery in connection with any arbitration proceeding in accordance with Code of Civil Procedure Section 1283.05. The Parties shall equally share the costs and fees of the Arbitrator. Each Party shall pay its own engineers', attorneys' and other professionals' fees. The sole and exclusive venue for the arbitration and or any legal dispute shall be Sacramento County, California.

9. INDEMNIFICATION; INSURANCE.

9.1 Indemnity Regarding Construction Related Items. To the fullest extent permitted by law, Granite shall indemnify, defend (with counsel acceptable to City) and hold harmless City (including its officers, agents, members, employees, affiliates, and representatives) from and against any and all claims, demands, actions, losses, liabilities, damages, expenses, liabilities and all costs incidental thereto, including cost of defense, settlement, arbitration and reasonable attorneys' fees ("Claims") arising out of, pertaining to, or resulting from the negligent, reckless or willful acts or

omissions of Granite, its officers, agents or employees, or the acts of omissions of anyone else directly or indirectly acting on behalf of Granite or for which Granite is legally liable under law, in each case with respect to the construction and/or performance by Granite of the Left Turn Lane improvements, the Rehabilitation Work, and/or Material Interim Repairs. Without limitation, such obligations to defend, hold harmless and indemnify the City under this Section 9.1 shall not apply to the extent that such Claims are caused by the sole negligence, active negligence, or willful misconduct of the City.

9.2 Indemnity Regarding Non-Construction Related Items. To the fullest extent permitted by law, Granite shall indemnify, defend (with counsel acceptable to City) and hold harmless City (including its officers, agents, members, employees, affiliates, and representatives) from and against any and all claims, demands, actions, losses, liabilities, damages, expenses, liabilities and all costs incidental thereto, including cost of defense, settlement, arbitration and reasonable attorneys' fees ("Claims") arising out of, pertaining to, or resulting from (a) the negligent, reckless or willful acts or omissions of Granite, its officers, agents or employees, or the acts of omissions of anyone else directly or indirectly acting on behalf of Granite or for which Granite is legally liable under law, with respect to any matters other than those described in Section 9.1 hereof, or (b) Granite's performance of its obligations under this Agreement with respect to any matters other than those described in Section 8.1 hereof. Without limitation, such obligations to defend, hold harmless and indemnify the City under this Section 8.2 shall not apply to the extent that such Claims are caused by the sole negligence, active negligence, or willful misconduct of the City, and shall exclude punitive and consequential damages of any kind.

9.3 Insurance Requirements. Granite shall procure, maintain, and keep in force at all times during the Term of this Agreement, at Granite's sole expense, all that insurance described in Exhibit E attached hereto.

10. GENERAL.

10.1 Notices. All notices required or permitted to be given hereunder shall be in writing and shall be delivered in person, sent by overnight delivery service (such as Federal Express) or sent by certified mail, return receipt requested, postage fully prepaid thereon, addressed as follows:

City: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670
Attn: City Manager and Public Works Director

Granite: Granite Construction Company
4001 Bradshaw Road
P.O. Box 15287
Sacramento, CA 95851
ATTN: Materials Manager &
Materials Resource Manager

With a mandatory
copy to: Granite Construction Company
P. O. Box 50085
Watsonville, CA 95077-5085
Attention: General Counsel

And to: Diepenbrock Harrison
400 Capitol Mall, Suit 1800
Sacramento, CA 95814
ATTN: Bradley Elkin and Mark Harrison

No party shall refuse or evade delivery of any notice.

10.2 Interpretation. It is agreed and acknowledged by the parties hereto that the provisions of this Agreement have been arrived at through negotiation, and that each party has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

10.3 Counterparts. This Agreement may be signed in several counterparts and all so signed shall constitute one and the same agreement, binding on all of the parties hereto, notwithstanding that all of the parties are not signatory to the original or same counterparts,

10.4 Successors And Assigns. Each and every provision of this Agreement shall bind and inure to the successors in interest of the parties hereto, in the same manner as if such parties had been expressly named herein.

10.5 Governing Law. This Agreement and the rights and duties of the parties hereunder shall be governed by the laws of the State of California, without giving effect to such state's conflict of law principles. Any legal action filed by the parties with respect to this Agreement shall be filed in Sacramento County, California.

10.6 Attorneys' Fees. Each Party to this Agreement shall bear its own attorneys' fees in connection with the negotiation and drafting of this Agreement. If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provisions of this Agreement, then the prevailing party in any such action shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose. For purposes hereof, the "prevailing party" shall be the party that recovers substantially the relief sought by said party, whether by judgment, settlement, dismissal or otherwise. Granite shall have no obligation to reimburse the City for any attorneys' fees incurred in connection with any future disputes over the construction of this Agreement, unless and until an award is made by an arbitrator or by a court of competent jurisdiction that the City is the prevailing party in connection with any such dispute.

10.7 Effect Of Invalidity. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term or provision of this Agreement shall continue to be valid and shall be enforced to the fullest extent permitted by law.

10.8 Effect Of Waiver. No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act, except those of the waiving party, which shall be extended by a period of time equal to the period of delay.

10.9 No Agency, Partnership Or Joint Venture. Nothing in this Agreement shall be deemed or construed to create the relationship of principal and agent, a partnership, joint venture or any other association between the parties.

10.10 Entire Agreement. This Agreement (including any exhibits hereto) is the final expression of and contains the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior understandings with respect thereto. This Agreement may not be modified, changed, supplemented, superseded, canceled or terminated, nor may any obligations hereunder

be waived, except by a written instrument signed both Parties hereto or by a party's agent duly authorized in writing or as otherwise expressly permitted herein. The parties do not intend to confer any benefit hereunder on any other person, firm or corporation other than the parties hereto and their lawful successors and assigns.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first set forth above.

EXHIBIT B
SPECIFICATIONS/STANDARDS FOR CHIP SEAL WORK

10-1. PERFORMANCE RELATED MODIFIED BINDER SEAL

Performance Related Modified Binder seal coat shall consist of an application of a modified asphalt binder and hot screenings precoated with paving asphalt. Performance Related Modified Binder shall conform to the provisions specified for Medium Type seal coat in Section 37-1. "Seal Coats," of the State of California Standard Specifications dated 2006 and these special provisions.

MODIFIED ASPHALT BINDER

Upon request the Contractor shall provide samples of all materials to be used in the modified asphalt binder. The binder formulations shall consist of the following information:

Modified asphalt binder shall be a homogeneous and storage stable material conforming to the following requirements:

Specification Designation	AASHTO Designation	Test Requirement
Tests on Original Binder		
Specific Gravity @ 15.5 °C	T 228	Report
Pounds per Gallon @ 15.5 °C		Report
Gallons per Ton @ 15.5 °C		Report
DSR, G*/sin delta @ 70° C, kPa	T 315	2.2 min.
Penetration, 39.2° F, 200g/60s, dmm	T 49	25 min.
Penetration, 77° F, 100g/5s, dmm	T 49	40 - 90
Softening Point, °C	T 53	82 min.
Flash Point, °C	T 48	232 min.
Rotational Viscosity @ 163° C, cps	T 316	250 - 1000
Elastic Recovery, 25 °C, %	T 301	70 min.
Chip adhesion,	ASTM D3625	Pass
Tests On Residue from RTFO (AASHTO Designation T 240)	T 240	
Softening Point, °F	T 53	Report
Mass Loss after RTFO, wt%	T 240	0.6 max.
Test on PAV Residue (100° C) (AASHTO Designation PP-1)	R 28	
BBR, creep stiffness @ -12° C MPa	T 313	300 max.
BBR, m-value @ -12° C	T 313	0.300 min.

Upon request, a Certificate of Compliance can be furnished to the Engineer in conformance with the provisions in Section 6-1.07, "Certificates of Compliance," of the Standard Specifications. The certificate shall certify that the material which the certificate represents conforms to the provisions specified in these special provisions.

When placing performance related modified asphalt seal coat at intersections, left turn lanes, gore points, and other irregular areas, modified asphalt application shall not be in excess of that which can be covered with screenings within 10 minutes.

When joining edges against areas with screenings, the joint shall be swept clean of excess screenings prior to the adjacent application of modified asphalt binder. Transverse joints of this type shall be constructed by placing roofing paper across and over the end of the previous performance related modified asphalt seal coat application. Once the spraying has progressed beyond the paper, the paper shall be removed immediately.

The longitudinal joint between adjacent applications of screenings shall coincide with the line between designated traffic lanes. Longitudinal joints shall be overlapped for complete coverage. The overlap shall not exceed 4" inches.

Joint edges shall be swept clean of overlapping cover material prior to application of adjacent asphalt binder. Reasonable precautions shall be taken to avoid skips and overlaps at joints.

At longitudinal joints with screenings, the edge shall be broomed back and blended to eliminate differences in elevation. The joints shall be free from ridges and depressions and shall have a uniform appearance consistent with the adjacent sealed surface.

SCREENINGS

Screenings shall consist of broken stone, crushed gravel or both. At least 90 percent by mass of the screenings shall consist of crushed particles as determined by California Test 205. California Test 205, Section D, definition of a crushed particle is revised as follows: "A particle having 2 or more fresh mechanically fractured faces shall be considered a crushed particle."

The percentage composition by mass of screenings shall conform to the following grading:

Screenings shall conform to one of the following grading requirements prior to precoating with paving asphalt.

Coarse 12.5-mm max. size	
Sieve Sizes	Percentage Passing
19.0-mm	100
12.5-mm	85-100
9.5-mm	0-30
4.75-mm	0-5
2.36-mm	—
1.18-mm	—
600-µm	—
75-µm	0-2

Medium 9.5-mm max. size	
Sieve Sizes	Percentage Passing
19.0-mm	—
12.5-mm	100
9.5-mm	85-100
4.75-mm	0-15
2.36-mm	0-5
1.18-mm	—
600-µm	—
75-µm	0-2

Screenings shall be preheated to a temperature between 140°C and 175°C and then precoated with 0.5 to 1.0 percent asphalt by mass of dry aggregate and the amount shall be determined by the contractor. The pre-coating of screenings shall be performed in an asphalt concrete plant. Stockpiling of screenings after preheating and precoating with asphalt will not be permitted.

Canvas or similar covers that completely cover each load of precoated screenings shall be used during hauling to minimize temperature drop of the precoated screenings. Screenings shall be spread when the temperature of the precoated screenings is not less than 220°F (105°C).

Screenings shall conform to the following quality requirements immediately prior to preheating:

SCREENINGS QUALITY REQUIREMENTS		
Test Parameters	California Test	Requirements
Los Angeles Rattler Loss (100 Revolutions)	211	10 Max.
Los Angeles Rattler Loss (500 Revolutions)	211	40 Max.
Film Stripping	302	25 Max.
Cleanliness Value	227	84 Min.
Durability	229	52 Min.

EQUIPMENT

The equipment used by the Contractor for hot-applied seal coat (modified asphalt binder) operations shall conform to the following:

Exhibit B
Page 3 of 5

- A. Self-propelled power brooms shall clean the existing pavement and remove loose screenings without dislodging screenings set in the polymer modified asphalt binder. Gutter brooms or steel-tined brooms shall not be used.
- B. A minimum of 3 operational pneumatic-tired rollers conforming to the provisions specified in Section 39-5.02, "Compacting Equipment," of the Standard Specifications, except that the rollers shall carry a minimum loading of 1360 kg on each wheel and an air pressure of 690 ± 35 kPa in each tire, shall compact the seal coat.
- C. A self-propelled screenings spreader, equipped with a screenings hopper in the rear, belt conveyors to carry the screenings to the front, and a spreading hopper shall spread the screenings.
- D. A self-propelled computerized rate controlled distributor truck shall be used for applying polymer modified asphalt binder. The distributor truck shall be equipped with a heating unit, a pump or pumps that spray the polymer modified asphalt binder within ± 0.15 L/m² of the specified rate and a fully circulating spray bar that applies the binder without a streaked or otherwise irregular pattern. The distributor truck shall be equipped with a tachometer, pressure gages, volume measuring devices, and thermometer and computerized rate control.
- E. Trucks for hauling screenings shall be equipped so that screenings can be discharged from the tailgate. Trucks shall be equipped with a device to lock onto the hitch at the rear of the screenings spreader. Haul trucks shall be compatible with the screenings spreader so that the dump bed will not push down on the spreader when fully raised. Haul truck dump beds shall be designed so that, while dumping into the receiving hopper, screenings shall be prevented from spilling on the roadway.

PREPARATION FOR SEAL COAT

Surfaces to receive hot-applied modified asphalt binder shall be prepared in conformance with the provisions specified for preparing surfaces to receive asphaltic emulsion as specified in Section 37-1.04, "Preparation for Seal Coat," of the Standard Specifications.

APPLYING MODIFIED ASPHALT BINDER

Polymer modified asphalt binder shall be applied in conformance with the provisions specified for applying asphaltic emulsion in Section 37-1.05, "Applying Asphaltic Emulsion," of the Standard Specifications, except the second, third, fourth, and fifth paragraphs shall not apply.

Modified asphalt binder for-performance related modified asphalt seal coat shall be applied where shown on the plans at a rate not to exceed 2.3 L/m² unless approved by the Engineer.

Modified asphalt binder shall not be applied when weather conditions are unsuitable or when the pavement is damp or wet. Excessive wind is considered an unsuitable weather condition. Asphalt binder shall be applied when the atmospheric temperature is approximately 18°C or above and the pavement surface temperature is 26°C or above. Polymer modified asphalt binder shall not be applied until sufficient screenings are available to immediately cover the binder being applied.

The Contractor shall determine the exact application rate of the modified asphalt binder. The Contractor document the exact spread rate used and shall be within 10% of the selected spread rate.

SPREADING SCREENINGS

Screenings for performance related modified binder seal shall be spread in conformance with the provisions specified for spreading screenings on asphaltic emulsion in Section 37-1.06, "Spreading Screenings," of the Standard Specifications, except the first, fifth, sixth, and seventh paragraphs shall not apply.

Screenings for performance related modified asphalt seal coat shall be applied where shown on the plans at a rate not to exceed 21 Kg/m² unless document field conditions require otherwise.

The Contractor shall determine the exact application rate of the screenings. The Contractor shall notify the exact spread rate used and shall be within 10% of the selected spread rate.

FINISHING

Modified asphalt binder seal coat shall be finished in conformance with the provisions for finishing screenings spread on asphaltic emulsion in Section 37-1.07, "Finishing," of the Standard Specifications, except the second and third paragraphs shall not apply. In addition, the following shall apply:

- A. Removal of excess screenings shall be completed before uncontrolled traffic is permitted on the modified asphalt binder seal coat.
- B. Initial rolling of the modified asphalt binder seal coat shall consist of a minimum of one complete coverage with three pneumatic-tired rollers and shall begin immediately behind the screenings spreader. The distance between the rollers and the screenings spreader shall not exceed 60 m at any time during the spreading of screenings operations.
- C. A minimum of 3 complete coverages, after the initial coverage, shall be made with pneumatic-tired rollers on the modified asphalt binder seal coat. Each coverage of the roller shall be as defined in Section 39-6.03, "Compacting," of the Standard Specifications.
- D. An initial brooming shall be performed after completion of the final rolling and prior to routing public traffic on the modified asphalt binder seal coat.
- E. A minimum of 3 complete coverages as defined in Section 39-6.03, "Compacting," of the Standard Specifications with pneumatic tired rollers, after the initial coverage, shall be made on the performance related asphalt-rubber seal coat. When determined by the Contractor, the final roller coverage may be made with one steel wheel roller weighing 7.25 tonnes minimum and 9 tonnes maximum. If a steel wheel roller is used, the roller shall be operated in the static mode only.
- F.

Sweeping shall be a multi-step operation following final rolling of the screenings. Loose screenings shall be removed from the roadway surface and abutting adjacent areas. Loose screenings shall be disposed of at least 46 m from the nearest waterway.

EXHIBIT C
SPECIFICATIONS/STANDARDS FOR SLURRY SEAL WORK

MICROSURFACING

Microsurfacing shall consist of cleaning newly placed rubberized chip seal; mixing a polymer modified, cationic microsurfacing emulsion (MSE), water and additives, mineral filler, and aggregate and spreading the mixture on a pavement surface. The Microsurfacing shall be constructed in accordance with applicable sections of State of California Standard Specifications dated 2006 and these special provisions.

MATERIAL

The materials for microsurfacing shall conform to the following requirements:

MICROSURFACING EMULSION (MSE)

Microsurfacing Emulsion (MSE) shall be homogenous. The polymer shall be milled or blended into the asphalt or blended into the emulsifier solution prior to the emulsification process. The MSE shall contain a minimum of three (3%) percent polymer solids based on mass of MSE residual asphalt. A Certificate of Compliance can be furnished upon request

The MSE shall conform to the following requirements:

Requirements for Polymer Modified, Cationic Microsurfacing Emulsion (MSE)**Tests on MSE:**

Test	Test Method	Requirement
Viscosity @ 25°C, SSF	AASHTO T 59	15-90 sec
Sieve Test, max.	AASHTO T 59	0.30%
Settlement, 5 days, max.	ASTM D 244	5%
Storage Stability, 1 day, max.	AASHTO T 59	1%
Residue by Evaporation, min.	California Test 331	62%

Tests on Residue from Evaporation Test:

Test	Test Method	Requirement
G* @ 20°C, 10 rad/sec, MPa	AASHTO TP 5	Report Only
Penetration @ 25°C	AASHTO T 49	40-90
Phase Angle @ 50°C, 10 rad/sec, PA (max) - PA base	AASHTO TP 5	Report Only
Softening Point, min.	AASHTO T 53	57°C
Stiffness @ -12°C, MPa, and M-value	AASHTO TP 1	Report Only

WATER AND ADDITIVES

Water shall be of such quality that the asphalt will not separate from the MSE before the

microsurfacing is placed on the pavement. If necessary for workability, additives that will not adversely affect the microsurfacing product may be used.

MINERAL FILLER

Mineral filler shall be Portland cement or hydrated lime that is free of lumps. Portland cement shall be either Type I, Type II, Type III or a combination thereof. The type of mineral filler shall be determined by the Contractor based on laboratory mix designs. The mineral filler will be considered part of the aggregate gradation requirement.

AGGREGATE

The aggregate used for microsurfacing shall be Type II or Type III as indicated for the street. The material shall be free from vegetable matter and other deleterious substances. Aggregate shall be free of lumps and oversize particles. *One hundred (100%) percent of the parent aggregate shall be larger than the largest stone in the gradation to be used.*

Aggregate shall conform to the grading and quality requirements prior to the addition of the MSE. If aggregates are blended, each component aggregate shall conform to the Sand Equivalent and Durability Index requirements.

The percentage composition by mass of aggregate, including mineral filler, shall conform to the following grading requirements:

TYPE II	
Sieve Sizes	Percentage Passing
9.5-mm	100
4.75-mm	94 - 100
2.36-mm	85 - 90
1.18-mm	40 - 70
600-µm	25 - 50
75-µm	5 - 15

TYPE III	
Sieve Sizes	Percentage Passing
9.5-mm	100
4.75-mm	70 - 90
2.36-mm	45 - 70
1.18-mm	28 - 50
600-µm	19 - 34
75-µm	5 - 15

The aggregate, excluding mineral filler, shall conform to the following quality requirements:

Test	California Test	Requirement
Sand Equivalent, min.	217	68
Durability Index, min.	229	55
Percentage of Crushed Particles, min. ¹	205	100%
Los Angeles Rattler Loss at 500 Rev., max. ²	211	35%

Notes:

1. California Test 205, Section D. is amended to read: "Any particle having 2 or more freshly, mechanically fractured faces shall be considered a crushed particle."
2. California Test 211, Los Angeles Rattler, shall be performed on the parent aggregate before crushing.

MIX DESIGN

The percentages of each individual material proposed in the mix design shall be shown in the laboratory report. Adjustments may be required during construction based on field conditions. Individual materials shall be within the following limits.

MSE Residual Asphalt	5.5% to 9.5% by dry mass of aggregate
Water and Additives	As needed
Mineral Filler	0% to 3% by dry mass of aggregate

The mix design and aggregate tests shall be performed by a laboratory capable of performing the applicable International Slurry Surfacing Association (ISSA) tests. The proposed microsurfacing mixture shall conform to the specified requirements when tested in conformance with the following tests:

Test	ISSA Test Method	Requirements
Wet Cohesion @ 30 Minute (Set), min. @ 60 Minute (Traffic), max.	TB* 139	12 kg-cm 20 kg-cm
Excess Asphalt, max.	TB* 109	540 g/m ²
Wet Skidding, min.	TB* 114	90%
Wet Track Abrasion Loss 6-day Soak, max.	TB* 100	810 g/m ²
Displacement Lateral, max. Specific Gravity After 1000 Cycles of 57 kg, max.	TB* 147A	5% 2.10
Classification Compatibility, min.	TB* 144	(AAA, BAA) 11 grade points
Mix Time @ 25°C, min.	TB* 113	Controllable to 120 Seconds

TB* = Technical Bulletin

The laboratory that performed the tests and designed the mixture shall sign the laboratory report. The report shall show the results of the tests on individual materials and shall compare their values to those required by these Special Provisions. The report shall clearly show the proportions of aggregate, water (minimum and maximum), additive usage, mineral filler (minimum and maximum), and MSE residual asphalt content (minimum and maximum) based on the dry mass of aggregate. The laboratory shall report the quantitative effects of moisture content on the unit mass of the aggregate (bulking effect) in conformance with the requirements of ASTM Designation: C 29M. Previous laboratory reports covering the same materials may be accepted provided the material test reports were completed within the previous eighteen (18) months. The mix design shall further show the recommended changes in water, additive, and mineral filler proportions for high temperature weather conditions by reporting proportions of materials required for sixty (60) seconds of mix time with materials heated to 38°C. This 38°C mixing report will not be required for projects requiring nighttime application.

The component materials used in the mix design shall be representative of the microsurfacing materials proposed by the Contractor for use on the project.

At the expiration of the time allowed for closure of lanes, the microsurfacing mixture shall be sufficiently cured to support unrestricted traffic.

PROPORTIONING

Aggregate, water, additives (if used), mineral filler, and MSE shall be proportioned by volume utilizing the mix design approved by the Engineer. If more than one kind of aggregate is used, the correct amount of each kind of aggregate to produce the required grading shall be proportioned separately, prior to adding the other materials of the mixture, in a manner that will result in a uniform and homogeneous blend.

The aggregate shall be proportioned using a belt feeder operated with an adjustable cutoff

gate. The height of the gate opening shall be determinable. The MSE shall be proportioned by a positive displacement pump. Variable rate emulsion pumps, if used, shall be calibrated and used in the pump's calibrated condition in conformance with California Test 109 prior to usage.

The delivery rate of aggregate and MSE per revolution of the aggregate feeder shall be calibrated at the appropriate gate settings for each mixer-spreader truck used on the project in conformance with California Test 109.

The aggregate belt feeder shall deliver aggregate to the pugmill with such volumetric consistency that the deviation for any individual aggregate delivery rate check-run shall not exceed two (2%) percent of the mathematical average of three (3) runs of at least three (3) tonnes each. The emulsion pump shall deliver MSE to the pugmill with such volumetric consistency that the deviation for any individual delivery rate check-run shall be within two (2%) percent of the mathematical average of three (3) runs of at least 1135 L each. The water pump shall deliver water to the pugmill with such volumetric consistency that the deviation for any individual delivery rate check-run shall be within two (2%) percent of the mathematical average of three (3) runs of at least 1135 L each.

The MSE storage tank shall be located immediately before the emulsion pump and shall be equipped with a device which will automatically shut down the power to the emulsion pump and aggregate belt feeder when the MSE level is lowered to a point where the pump suction line is exposed.

A temperature-indicating device shall be installed in the emulsion storage tank at the pump suction level. The device shall indicate the temperature of the MSE and shall be accurate to within 5°C.

The belt delivering the aggregate to the pugmill shall be equipped with a device to monitor the depth of aggregate being delivered to the pugmill. The device for monitoring the depth of aggregate shall automatically shut down the power to the aggregate belt feeder whenever the depth of aggregate is less than the target depth of flow. A second device shall be located where the device will monitor the movement of the aggregate belt by detecting revolutions of the belt feeder. The devices for monitoring no flow or belt movement shall automatically shut down the power to the aggregate belt when the aggregate belt movement is interrupted. The device to detect revolutions of the belt feeder will not be required where the aggregate delivery belt is an integral part of the drive chain. To avoid erroneous shutdown by normal fluctuation, a delay of three (3) seconds will be permitted between sensing and shutdown of the operation.

MIXING AND SPREADING EQUIPMENT

The microsurfacing shall be mixed in continuous pugmill mixers of adequate size and power for the type of microsurfacing to be placed. All indicators shall be in working order

prior to commencing mixing and spreading operations.

Mixer-spreader trucks shall be equipped to proportion the aggregate, water, additives (if used), mineral filler, and MSE by volume. Rotating and reciprocating equipment on mixer-spreader trucks shall be covered with metal guards.

The mixer-spreader truck shall not be operated unless low-flow and no-flow devices and revolution counters are in good working condition and functioning and metal guards are in place. The required indicators shall be visible while walking alongside the mixer-spreader truck.

Aggregate feeders shall be connected directly to the drive on the emulsion pump. The drive shaft of the aggregate feeder shall be equipped with a revolution counter reading to the nearest one-tenth (1/10) of a revolution.

In addition to the provisions in the fourth paragraph of Section 5-1.10, "Equipment and Plants," of the Standard Specifications, the identifying number of mixer-spreader trucks shall be at least 75 mm in height, located on the front and rear of the vehicle.

The microsurfacing mixture shall be spread by means of a spreader box. However, when wheel path depressions have a cross section that is deformed 12.5 mm or more, the individual wheel paths shall first be filled utilizing a wheel path depression (rut) box.

SPREADER BOX

The spreader box shall be capable of placing the microsurfacing a minimum of 3.6 m wide and shall prevent the loss of microsurfacing from the box. Spreader boxes over 2.38 m in application width shall have baffles, reversible motor driven augers or other suitable means to insure uniform application on superelevated sections and shoulder slopes. Spreader box skids shall be maintained in such manner as to prevent chatter (wash boarding) in the finished mat. The spreader box shall be clean and free of microsurfacing and MSE at the start of each work shift.

The spreader box shall have a series of strike-off devices at the rear of the box. The leading strike-off device shall be fabricated of steel, stiff rubber or other suitable material. The number of strike-off devices shall be determined by the Contractor. The first strike-off device shall be designed to maintain close contact with the pavement during the spreading operations, shall obtain the thickness required, and shall be capable of being adjusted to the various pavement cross sections for application of a uniform microsurfacing finished surface. The final strike-off device shall be fabricated of flexible material suitable for the intended use and shall be designed and operated to ensure that a uniform texture is achieved in the finished surface of the microsurfacing. The final strike-off device shall be cleaned daily and changed if problems with longitudinal scouring occur.

Flexible fabric drags attached to the rear of the spreader box shall not be used.

WHEEL PATH DEPRESSION (RUT) BOX

The wheel path depression (rut) box shall be designed to have adjustable strike-off devices to regulate the depth and shall have a width of between 1.52 m and 1.81 m. Hydraulic augers, or similar devices, shall be installed and shall be capable of moving the mixed material from the rear to the front of the filling chamber. These devices shall also be capable of guiding the larger aggregate into the center, deeper section of the wheel path depression, and forcing the finer material toward the outer edges of the spreader box. In areas inaccessible to the wheel path depression (rut) box, the microsurfacing mixture may be spread by other methods.

PREPARATION FOR MICROSURFACING

Before placing the microsurfacing, the pavement surface shall be cleaned by sweeping, flushing or other means necessary to remove loose particles of paving, dirt, and other extraneous material. When required by local conditions, the roadway surface may be fogged with water ahead of the spreader box. The application of the fog spray may be adjusted to suit temperatures, surface texture, humidity, and dryness of pavement.

A paint binder (tack coat) of asphaltic emulsion shall be applied to all Portland cement concrete surfaces when there is a contract item for the work or when the work is required in these Special Provisions. The asphaltic emulsion for paint binder (tack coat) shall be grade SS1, SS1h, CSS1, CSS1h, CQS1, or CQS1H and shall conform to the provisions in Section 94, "Asphaltic Emulsions," of the Standard Specifications. The asphaltic emulsion shall be mixed in the proportion of one part of emulsion (which contains up to forty-three (43%) percent water) to three (3) parts water. The mixture shall be applied at the approximate rate of 0.20 to 0.50 L/m². When asphaltic emulsion is used as a paint binder (tack coat), microsurfacing shall not be placed until the asphaltic emulsion has cured.

PLACING

The microsurfacing mixture shall be uniformly spread on the existing surfacing within the rate specified without spotting, rehandling, or otherwise shifting the mixture.

The microsurfacing mixture shall not be placed when directed by the Engineer, or when the ambient temperature is below 10°C, or during unsuitable weather. Microsurfacing shall not be placed if rain is imminent or if there is the possibility that there will be freezing temperatures within twenty-four 24 hours.

When wheel path depressions have a cross section that is deformed 12.5 mm or more, the individual wheel paths shall first be filled utilizing a wheel path depression (rut) box. The depth of the wheel path depression shall be determined after adjacent ridges have been removed. The maximum single application for wheel path depressions shall be 25 mm.

Wheel path depressions of depths greater than 25 mm shall require multiple applications in each depression.

Wheel path depression repair shall be constructed with a slight crown to allow for initial compaction by traffic on the microsurfacing.

Freshly filled wheel path depressions shall be compacted by traffic for a minimum of twelve (12) hours before additional lifts of microsurfacing material are placed for rut filling purposes or as surface courses.

Microsurfacing shall be spread at a rate within the following ranges of pounds of dry aggregate per square yard.

Microsurfacing Type	Location	Spread Rate
Type II	Full Lane Width	12-18
Type III	Full Lane Width	20-25

Longitudinal joints shall correspond with the edges of the final traffic lanes. The Engineer may permit other patterns of longitudinal joints if the patterns will not adversely affect the quality of the finished product.

Through traffic lanes shall be spread in full lane widths only. Longitudinal joints common to two (2) traffic lanes shall be butt joints with overlaps not to exceed 76 mm. Building paper shall be placed at the transverse joints to avoid double placement of the microsurfacing. Other suitable methods to avoid double placement of the microsurfacing will be allowed. Hand tools shall be available to remove spillage.

The mixture shall be uniform and homogeneous after placing on the surfacing and shall not show separation of the MSE and aggregate after setting. The completed surface shall be of uniform texture and free from ruts, humps, depressions, or irregularities.

Adequate means shall be provided to protect the microsurfacing from damage by traffic until such time that the mixture has cured sufficiently so that the microsurfacing will not adhere to or be picked up by the tires of vehicles.

COMPACTION

Microsurfacing shall be rolled after microsurfacing coat has cured sufficiently to not pick up on the vehicle tires, but not more than 24 hours after placement. The roller shall be a ten-ton (10) self-propelled pneumatic with tire pressure of 50 psi and a water spray system. Microsurfacing coat shall be given two complete coverages with the roller.

TRAFFIC OVER TREATED AREAS

Placement of the microsurfacing shall cease a minimum of one (1) hour before the surface will be ready for unrestricted traffic.

The microsurfacing shall be swept approximately twenty-four (24) hours after placement to remove loosened or shed aggregate particles. Sweeping shall be performed in such a manner that the microsurfacing will not be damaged.

TEST STRIP

The Contractor shall construct a test strip for evaluation by the Engineer. The test strip shall be 100 m to 150 m long, shall replicate the full production placement of microsurfacing, and shall consist of the application courses specified. The test strip shall be constructed at the same time of day or night that the full production of microsurfacing will be placed and may be constructed in two (2) days or nights when multiple course applications are specified.

The Engineer will evaluate the completed test strip after traffic has been allowed on the completed test strip for twelve (12) hours to determine if the mix design and placement procedure are acceptable. If the mix design or the placement procedure is determined by the Engineer to be unacceptable, the test strip will be rejected, the Contractor shall make modifications, and a new test strip shall be constructed. The new test strip will be evaluated by the Engineer. The cost of materials and placement of the test strips, which have been rejected, shall be borne by the Contractor, and will not be considered as part of the contract work. If ordered by the Engineer, rejected test strips shall be removed at the Contractor's expense.

CALIBRATION AND MEASUREMENT

All microsurfacing trucks are to be calibrated before starting work on the project. Each truck is to be calibrated for the material source to be used. If the material source is changed, the trucks must be calibrated for the new source.

CLEAN-UP

The Contractor shall clean up the job site prior to acceptance of the work. All dirt, spoil, and debris of any nature shall be removed and the entire site shall present a clean, workmanlike appearance.

EXHIBIT D
SECTION 4C.08 OF MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES
FOR STREETS AND HIGHWAYS – 2003 EDITION

Section 4C.08 Warrant 7, Crash Experience

Support:

The Crash Experience signal warrant conditions are intended for application where the severity and frequency of crashes are the principal reasons to consider installing a traffic control signal.

Standard:

The need for a traffic control signal shall be considered if an engineering study finds that all of the following criteria are met:

- A. Adequate trial of alternatives with satisfactory observance and enforcement has failed to reduce the crash frequency; and
- B. Five or more reported crashes, of types susceptible to correction by a traffic control signal, have occurred within a 12-month period, each crash involving personal injury or property damage apparently exceeding the applicable requirements for a reportable crash; and
- C. For each of any 8 hours of an average day, the vehicles per hour (vph) given in both of the 80 percent columns of Condition A in Table 4C-1 (see Section 4C.02), or the vph in both of the 80 percent columns of Condition B in Table 4C-1 exists on the major-street and the higher-volume minor-street approach, respectively, to the intersection, or the volume of pedestrian traffic is not

less than 80 percent of the requirements specified in the Pedestrian Volume warrant. These major-street and minor-street volumes shall be for the same 8 hours. On the minor street, the higher volume shall not be required to be on the same approach during each of the 8 hours.

Option:

If the posted or statutory speed limit or the 85th-percentile speed on the major street exceeds 70 km/h or exceeds 40 mph, or if the intersection lies within the built-up area of an isolated community having a population of less than 10,000, the traffic volumes in the 56 percent columns in Table 4C-1 may be used in place of the 80 percent columns.

**EXHIBIT E
INSURANCE REQUIREMENTS**

Pursuant to Section 8.3 of the Agreement to which this Exhibit E is attached, Granite shall procure, maintain, and keep in force at all times during the Term of this Agreement, at Granite's sole expense, the following insurance:

3-9.01 General Liability.

General Liability Insurance including, but not limited to, protection for claims of bodily injury and property damage liability, personal and advertising injury liability, contractual and products and completed operations liability. Coverage shall be at least as broad as "Insurance Services Office Commercial General Liability Coverage Form CG 0001" (occurrence). The limits of liability shall be not less than:

Each Occurrence	One Million Dollars (\$1,000,000)
Personal & Advertising Injury	One Million Dollars (\$1,000,000)
Products and Completed Operations	Two Million Dollars (\$2,000,000)
Aggregate	
General Aggregate	Two Million Dollars (\$2,000,000)
Fire Damage	One Hundred Thousand Dollars (\$100,000)

The Products and Completed Operations coverage shall be maintained for at least two years after termination of the Agreement.

3-9.02 Automobile Liability.

Automobile Liability Insurance providing protection against claims of bodily injury and property damage arising out of ownership, operation, maintenance, or use of owned, hired, and non-owned automobiles. Coverage shall be at least as broad as "Insurance Services Office Business Auto Coverage Form CA 0001," symbol 1 (any auto). Use of any symbols other than symbol 1 for liability for corporate/business owned vehicles must be declared to and approved by the City. If there are no owned or leased vehicles, symbols 8 and 9 for non-owned and hired autos shall apply. Personal automobile insurance shall apply if vehicles are individually owned.

The limits of liability shall not be less than:

Corporate/business owned or commercially insured vehicles, including non-owned and hired, \$1,000,000 Combined Single Limit. Individually owned vehicles, \$500,000 Combined Single Limit or, if split limits are used, \$250,000 per person, \$500,000 each accident, \$100,000 property damage.

3-9.03 Workers' Compensation.

Workers' Compensation Insurance, with coverage as required by the State of California (unless Granite is a qualified self-insurer with the State of California), and Employers' Liability coverage. The limits of Employers' Liability shall not be less than:

Each Accident	One Million Dollars (\$1,000,000)
Disease Each Employee	One Million Dollars (\$1,000,000)
Disease Policy Limit	One Million Dollars (\$1,000,000)

The Workers' Compensation policy required hereunder shall be endorsed to state that the Workers' Compensation carrier waives its right of subrogation against the City, its officials, directors, agents, employees and volunteers.

In the event Granite is self-insured, Granite shall furnish a Certificate of Permission to Self-Insure by the Department of Industrial Relations Administration of Self-Insurance, Sacramento.

3-9.04 Granite's Equipment.

Granite, and each of its subcontractors, shall separately insure its own equipment for loss and damage. Such policies shall include, or be endorsed to include, a waiver of subrogation against the City, its City Council, officers, directors, agents, employees and volunteers which might arise by reason of damage to the Granite's property or equipment (owned, leased, hired or borrowed) in connection with work performed under this Agreement by Granite.

3-9.04.E Other Provisions.

1. Granite's General Liability policy shall contain the following provisions:
 - a. The City, its City Council, officers, directors, agents, employees, and volunteers shall be covered as additional insureds as respects liability arising out of the acts or omissions by or on behalf of Granite, or premises owned, occupied, or used by Granite. The policy shall contain no special limitations on the scope of coverage afforded to the City, its City Council, officers, directors, agents, employees and volunteers.
 - b. Granite's General Liability policy shall be specifically endorsed to name the City, its City Council, officers, directors, agents, employees and volunteers as additional insureds utilizing ISO form CG 20 10 11/85 or its equivalent to provide additional insured coverage, including completed operations. If the additional insured form does not include completed operations, the General Liability policy shall be endorsed to add completed operations using ISO form CG 20 37 07/04 or its equivalent - if commercially available and at a reasonable cost. If Granite's General Liability policy utilizes blanket or automatic additional insured coverage, the coverage shall include or be endorsed to include completed operations.
 - c. Granite's General Liability policy shall be endorsed to include a waiver of subrogation in favor of the City as named on the "Additional Insured" endorsement. Such waiver of subrogation shall be on ISO Form CG 24 04 10/93 "Waiver of Transfer of Rights of Recovery Against Others to Us" or its equivalent.
 - d. For any claims related to this Agreement, Granite's insurance coverage shall be primary insurance as respects the City, its City Council, officers, directors, agents, employees and volunteers. Any insurance or self-insurance maintained by the City, its City Council, officers, officials, employees, agents, or volunteers shall be excess of Granite's insurance and shall not contribute with it.
 - e. Granite's General Liability insurance policies shall contain an endorsement stating that any aggregate limits shall apply separately to the construction obligations set forth in this Agreement.
 - f. Granite's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
2. Granite's Automobile Liability policy shall name the City, its City Council, officers, directors, agents, employees and volunteers as additional insureds utilizing ISO form CA 20 48 02/99 Designated Insured, or its equivalent.
3. Each insurance policy shall state that coverage shall not be cancelled by Granite or the City, reduced in scope of coverage or in limits, non-renewed, or otherwise materially changed unless the insurer(s) provide thirty (30) days written notice to the City, prior to such change. Ten (10) days prior written notice shall be given to the City in the event of cancellation due to nonpayment of premium.

4. All of Granite's insurance coverage, except as noted below, shall be placed with insurance companies with a current A.M. Best rating of at least A-:VII.

Exceptions:

- a. Underwriters at Lloyd's of London, which are not rated by A.M. Best.
 - b. Workers' Compensation which is provided through a State Compensation Insurance Fund or a qualified self-insurer for Workers' Compensation under California law.
5. Granite shall sign and file with the City the following certification prior to commencing performance of any construction under the Agreement:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for worker's compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the Work of this Agreement."

Said certification is hereby deemed included in this Agreement, and signature and return of this Agreement shall constitute signing and filing of the said certification.

6. The City, at its discretion, may require new types of insurance coverage or increase the limits of insurance coverage required hereunder at any time during the Term of the Agreement by giving thirty (30) days written notice to Granite. Granite shall immediately procure such insurance or increase the limits of coverage and provide certificates of insurance, including copies of all required endorsements, to the City within thirty (30) days of receipt of the City's request.
7. The required insurance coverage shall be subject to the approval of the City, but any acceptance of insurance certificates by the City shall in no way limit or relieve Granite of its duties and responsibilities in this Agreement.
8. If Granite fails to procure or maintain insurance as required by this Exhibit E, or fails to furnish the City with proof of such insurance, then the City, at its discretion, may procure any or all such insurance and at City's election premiums for such insurance shall be promptly reimbursed to the City by Granite and/or shall be deducted and retained from any sums due Granite under the Agreement. Failure of the City to obtain such insurance shall in no way relieve Granite from any of Granite's responsibilities under the Agreement. Any failure of Granite to maintain any item of the required insurance (if such failure is not cured in accordance with Section 7.1 of the Agreement) is sufficient cause for termination of the Agreement.
9. The City is authorized to execute amendments and waivers, with or without conditions, to the insurance requirements of this Agreement. The City will provide such amendments or waivers in writing to Granite.
10. Granite shall require all its subcontractors to maintain adequate insurance.

The failure of the City to enforce in a timely manner any of the provisions of this Exhibit E shall not act as a waiver to enforcement of any of these provisions at any time during the term of the Agreement.

3-9.04.F Deductibles and Self-Insured Retention

Any deductible or self-insured retention that applies to Commercial General Liability or Automobile Liability must be declared to and approved by the City.

City of Rancho Cordova Contract Routing Form

Complete all fields and use n/a if not applicable.

1. Contractor/Company name: Granite Construction
2. Services to be Provided (Description for PO): Roadway Impact and Truck Management Program Agreement
3. Resolution Number and Council Adoption Date: Resolution No. 138-2016 adopted December 5, 2016,
4. Responsible Person and Department: Elizabeth Sparkman, Public Works Department

5. Contract Activity:

Routing Notes:

This agreement was negotiated as a condition of approval on the mining permit renewal. The agreements were previously reviewed by Peter Hayes at Meyers Nave. The City will receive 3 cents per ton for roadway impacts and a proportionate share of 12 cents per ton for quality of life impacts. The agreement remains in place until mining operations cease or the permit expiration in July 2027, whichever first occurs.

Rev. 4-17-13

**PAYMENT AGREEMENT
FOR THE RIO DEL ORO MINING PROJECT
BETWEEN THE CITY OF RANCHO CORDOVA AND
GRANITE CONSTRUCTION COMPANY**

This Payment Agreement (hereinafter called "**Agreement**") is made and entered into this 2 day of February 2017, by and among the CITY OF RANCHO CORDOVA, a Municipal Corporation of the State of California (hereinafter referred to as the "**City**") and GRANITE CONSTRUCTION COMPANY, a California corporation (hereinafter referred to as "**Operator**") (the City and Operator being collectively referred to herein as "**the Parties**"). This Agreement is made and entered into in accordance with Condition 16 to the renewal of the mining permit for the Rio del Oro Mining Project (or "**Project**"), as that term is defined below, approved by the City Council on the 5th day of December, 2016. Terms with initial capitalization used but not defined in this Agreement shall have the meanings given to them in the Project Approvals, as that term is defined below.

RECITALS

A. Operator intends to continue to remove aggregate resources from portions of the Rio Del Oro site, which is located within the City limits, pursuant to the approval by the City Council by Resolution No. 137-2016 (the "**Permit Renewal**"), which has an effective date of July 26, 2017 (the "**Permit Renewal Date**"). The area approved for mining operations in the Permit Renewal (the "**Mining Site**") is located within areas designated as the Inactive Rancho Cordova Test Site (south of White Rock Road), as more precisely described in the Permit Renewal and as depicted on Exhibit A to this Agreement. As set forth in the Permit Renewal and the Mining and Reclamation Plan, Operator may remove aggregate material from the Mining Site for a period of up to five (5) years, with optional five (5) year renewals thereafter, subject to City Council approval.

B. The Mining Site is an important source of aggregate for the City and the Sacramento metropolitan area. Aggregate material that is extracted from Mining Site and which will be used in local and regional projects and sales within the City of Rancho Cordova is expected to generate certain tax revenues. In addition, the City desires to receive a portion of the retail sales of aggregate materials which are removed from the City of Rancho Cordova and for which the point of sale is outside the City of Rancho Cordova, as set forth in this Agreement.

C. On December 5, 2016, the City Council approved the Permit Renewal, including without limitation the extension of the Mining and Reclamation Plan. The Permit Renewal involved no modifications to the existing Mining and Reclamation Plan or other changes aside from renewal of the existing permit, and therefore the Permit Renewal does not require further environmental review under the California Environmental Quality Act, CEQA Guidelines Section 15162. The Permit Renewal, the Mining and Reclamation Plan and all conditions of approval related thereto constitute the "**Project Approvals**" for purposes of this Agreement.

D. Condition 24 of the Permit Renewal states:

Prior to operations under the Permit Renewal, the applicant shall execute a Payment Agreement that will satisfy Condition No. 16 of the original permit.

NOW THEREFORE, in satisfaction of Condition 16 of the Original Permit and Condition 24 of the Permit Renewal, the City and Operator do hereby agree as follows:

DEFINITIONS

For purposes of this Agreement, the following terms shall be deemed to have the following definitions:

1. GROSS CONTRIBUTION

The Term “**Gross Contribution**” shall mean one percent (1%) of the Gross Sales, as that term is defined in this Agreement.

2. GROSS SALES

The term “**Gross Sales**” shall be defined to apply only to retail sales of Mined Materials, as that term is defined in this Agreement, and to other goods and materials that are recovered from the Mining Site and removed from and sold outside the City of Rancho Cordova and are subject to sales tax under California law (“California Sales Tax”).

3. MINED MATERIALS

The term “**Mined Materials**” shall mean and include sand, gravel, rock, granite, and other aggregate and/or construction materials and/or precious metals and gemstone mined, recovered and removed from the Mining Site.

4. OPERATOR FACILITY

The term “**Operator Facility**” shall mean and include any facility or plant owned or controlled by Operator that processes or sells Mined Materials removed from the Mining Site.

5. STATEMENT OF QUANTITIES

The term “**Statement of Quantities**” shall mean a quarterly statement indicating the total tonnage of Mined Materials permanently removed from the Mining Site during a subject fiscal quarter with the intent to process the materials outside the City of Rancho Cordova and/or to generate Gross Sales from the subject materials.

6. STATEMENT OF SALES

The term “**Statement of Sales**” shall be mean a quarterly statement of Gross Sales subject to this Agreement, the purpose of which statement shall be to reconcile for any given

fiscal quarter the Statement of Quantities for such quarter with the Gross Sales generated from the Mined Material removed from the Mining Site during such quarter. Without limitation, each Statement of Sales (a) shall include the total retail sales of Mined Materials by Operator or an Operator Facility, that are subject to California Sales Tax and which have been made by Operator or Operator Facility ("Operator Facility") outside the City of Rancho Cordova that processes or sells Mined Materials, subject to and as defined in this Agreement, and (b) shall include an adjustment factor to account for the ratio of total Operator Facility sales attributable to the Mined Materials, as well as a waste adjustment factor, if any, for each Operator Facility to account for any waste generated while processing mined material from the site.

7. TRANSACTION RECORD

The term "**Transaction Record**" shall mean a written record of invoices and/or receipts for retail sales of Mined Materials during the Term of this Agreement to the extent that the point of sale of said Mined Materials is outside of the City of Rancho Cordova and said Mined Materials are removed from the City of Rancho Cordova.

AGREEMENT

1. TERMS

Operator hereby agrees to pay the Gross Contribution to the City on a quarterly basis pursuant to the terms and conditions set forth in this Agreement. Execution of this Agreement by Operator shall fully satisfy Condition 16 of the Original Permit and Condition 24 of the Permit Renewal.

2. DURATION

This Agreement and Operator's obligation hereunder shall remain in effect for a period of five (5) years, beginning on the Project Renewal Date, and ending five (5) years thereafter (the "**Term**"), unless the Permit Renewal is otherwise extended by approval of the City Council for a period not to exceed five (5) years, in which case this Agreement and Operator's obligation hereunder shall automatically and without further action by the Parties be extended by the same period by which the Permit Renewal is extended.

3. COMPUTATION METHOD AND INSPECTION RIGHTS

Operator shall keep and maintain an appropriate Transaction Record. Within 72 hours after receipt by Operator of written notice from the City to do so, Operator shall provide to the City a computation of the Gross Contribution to be paid by Operator from time to time hereunder, which shall be computed directly from said Transaction Record. Transaction Records shall be maintained by Operator and available for inspection for a period of at least three (3) years.

4. STATEMENT

Each payment of Gross Contribution made by Operator under this Agreement shall be accompanied by the following: (a) a Statement of Quantities; (b) a Statement of Sales; (c) a calculation of the payment due based upon the foregoing; and (d) a record of truck tickets for the weighmaster (example attached as **Exhibit 1**).

5. CONFIDENTIALITY AGREEMENT

Except to the extent required by the California Public Records Act (California Government Code Section 6250 *et seq.*) (“**CPRA**”) or other applicable laws, the City, in order to protect Operator’s financial and commercial interests, shall not cause or permit any Transaction Record, Statement of Quantities, Statement of Sales, records of payments, payment amounts made under this Agreement or other related documents, information, statements or materials to be disclosed to, or made accessible to, any person, firm or entity than those officers, directors and key employees of the parties hereto, attorneys and accountants of the parties hereto, or consultants or vendors who are immediately and directly involved in the process of performing, assisting or cooperating with Project activities, including permitting and entitlement activities, or mining and processing activities as the case may be. If City receives a request for disclosure of any of the documents identified above (“**Document Request**”), then City shall immediately notify Operator of the Document Request as well as the identity of the individual or entity making the Document Request and shall also provide a written copy of the Document Request to Operator by the most expedient means (e.g., facsimile, e-mail, etc.). If City believes that this is obligated to disclose any or all of the documents identified in the Document Request pursuant to the CPRA or other applicable laws, then at least five (5) business days prior to making any disclosure under or pursuant to the Document Request, City shall provide written notice to Operator of City’s intention to make the disclosure, which notice shall include, without limitation, a written description of (a) each and all of the documents that City intends and believes it is obligated to disclose, and (b) the legal basis requiring such disclosure. Operator shall then have the option to request that the City decline such disclosure and to advise the City of any after grounds or same; Operator shall provide City with such request no later than three (3) business days after receiving notice from the City. If Operator timely requests that the City decline such disclosure, and the City Attorney determines that Operator has provided legally sufficient ground to decline the request, then the City shall respond to the Document Request declining to make the disclosure and providing the appropriate grounds or exemption. Operator, at Operator’s sole cost, shall then defend and indemnify the City from any action related to such response. If the City Attorney disagrees with Operator’s position, then the City shall notify Operator within one (1) business day of the fact, providing Operator with the opportunity, as Operator’s sole cost, to file a declaratory relief action to determine whether the documents must be disclosed. Such declaratory relief action must be filed no later than five (5) business days after the City notifies Operator that the City Attorney disagrees with Operator’s position. The City shall also notify the party making the Document Request that Operator has requested the opportunity to file a declaratory relief action to determine if the documents are exempt from disclosure.

6. PAYMENT STRUCTURE

Operator shall make and deposit payments of Gross Contribution due under this Agreement on a quarterly basis coinciding with the City's fiscal year, which runs from July 1 to June 30, with each payment of Gross Contribution for the subject quarter due to the City within forty-five (45) calendar days after the end of the subject fiscal quarter. Operator shall deposit these statements with the City Finance Department. Operator shall pay a late fee of two and one-half percent (2.5%) per month on a prorated basis for any payment not made within ten (10) days after the date due.

7. DISPUTES

Prior to filing suit for any claim under this Agreement for any alleged breach, the aggrieved Party shall first give the other Party an opportunity to cure the alleged breach by sending written notice to the breaching Party and giving the breaching Party a minimum of thirty (30) days from the receipt of notice to cure the alleged violation. Either Party may request that the Parties meet and confer to discuss the alleged breach within the thirty (30) day period after the notice to cure the alleged violation is received.

8. INDEMNIFICATION AND INSURANCE

To the fullest extent permitted by law, Operator shall indemnify, defend (with counsel acceptable to City) and hold harmless City (including its officers, agents, members, employees, affiliates, and representatives) from and against any and all claims, demands, actions, losses, liabilities, damages, expenses, liabilities and all costs incidental thereto, including cost of defense, settlement, arbitration and reasonable attorneys' fees ("**Claims**") arising out of, pertaining to, or resulting from (a) the negligent, reckless or willful acts of omissions of Operator, its offices, agents or employees, or the acts of omissions of anyone else directly or indirectly acting on behalf of Operator or for which Operator is legally liable under law, of (b) Operator's performance of its obligations under this Agreement. Without limitation, such obligations to defend, hold harmless and indemnify the City under this Section 8 shall not apply to the extent that such Claims are caused by the sole negligence, active negligence, or willful misconduct of the City, and shall exclude punitive and consequential damages of any kind.

9. NOTICES

All notices required or permitted to be given hereunder shall be in writing and shall be delivered in person, sent by overnight delivery service (such as Federal Express) or sent by certified mail, return receipt requested, postage fully prepaid thereon, addressed as follows:

City: City of Rancho Cordova
2729 Prospect Park Drive
Rancho Cordova, CA 95670

Attn: Materials Manager & Materials Resource Manager

With a mandatory copy to: Granite Construction Company
P. O. Box 50085
Watsonville, CA 95077-5085
Attention: General Counsel

And to: Brewer Lofgren LLP
650 University Avenue, Suite 220
Sacramento, CA 95825
Attn: Martha Clark Lofgren

No party shall refuse or evade delivery of any notice.

10. INTERPRETATION

It is agreed and acknowledged by the Parties hereto that the provisions of this Agreement have been arrived at through negotiation, and that each Party has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. Therefore, the normal rule of construction that any ambiguities are to be resolved against the drafting party shall not apply in construing or interpreting this Agreement.

11. COUNTERPARTS

This Agreement may be signed in several counterparts and all so signed shall constitute one and the same agreement, binding on all of the parties hereto, notwithstanding that all of the parties are not signatory to the original or same counterparts.

12. SUCCESSORS AND ASSIGNS

Each and every position of this Agreement shall bind and inure to the successors in interest of the parties hereto, in the same manner as if such parties had been expressly named herein.

13. GOVERNING LAW

This Agreement and the rights and duties of the parties hereunder shall be governed by the laws of the State of California, without giving effect to such state's conflict of law principles. Any legal action filed by the parties with respect to this Agreement shall be filed in Sacramento County, California.

14. ATTORNEY FEES

If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, then the prevailing party in any such action shall be entitled to reasonable attorney's fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for the purpose. For purposes hereof, the "prevailing party" shall be the party that recovers substantially the relief sought by said party, whether by judgment, settlement, dismissal or otherwise.

15. EFFECT OF INVALIDITY

If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term or provision of this Agreement shall continue to be valid and shall be enforced to the fullest extent permitted by law.

16. EFFECT OF WAIVER

No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act, except those of the waiving party, which shall be extended by a period of time equal to the period of delay.

17. NO AGENCY, PARTNERSHIP OR JOINT VENTURE

Nothing in this Agreement shall be deemed or construed to create the relationship of principal and agent, a partnership, joint venture or any other association between the parties.

18. ENTIRE AGREEMENT; EFFECT OF PRIOR AGREEMENT

This Agreement (including any exhibits hereto) is the final expression of and contains the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior understandings with respect thereto. In particular, this Agreement is intended to supersede and replace the provisions of the Payment Agreement for the Rio del Oro Mining Project between the City of Rancho Cordova and Granite Construction Company dated March 28, 2008. This Agreement may not be modified, changed, supplemented, superseded, canceled or terminated, nor may any obligations hereunder be waived, except by a written instrument signed both Parties hereto or by a party's agent duly authorized in writing or as otherwise expressly permitted herein. The Parties do not intend to confer any benefit hereunder or any other person, firm or corporation other than the Parties hereto and their lawful successors and assigns.

Routing Notes:

This agreement was negotiated as a condition of approval on the mining permit renewal. The agreements were previously reviewed by Peter Hayes at Meyers Nave. The City will receive 3 cents per ton for roadway impacts and a proportionate share of 12 cents per ton for quality of life impacts. The agreement remains in place until mining operations cease or the permit expiration in July 2027, whichever first occurs.

Rancho Cordova, CA 95670
Attention: June Cowles

RE: Renewal of Surface Mining and Reclamation Permit for the Granite Construction Mining Operation

Dear Mrs. Cowles,

Construction Company ("Granite") has enclosed the application to renew the Surface Mining and Reclamation Permit, approved by the Rancho Cordova Planning Commission, Resolution No. 101-2007, on July 26, 2007 and Resolution No. 137-2016, on December 5, 2016 (See Attachment 1). We have included below the pertinent information related to the application.

Permit Renewal Information:

Property Owner: Aerojet Rocketdyne ("Aerojet")

Applicant: Granite Construction Company ("Granite")

Project Description: Granite, as the operator, and Aerojet as the property owner, intend to renew the Surface Mining and Reclamation Permit for the Granite Mining Operation, Project No. RC-06-224, approved by Resolution No. 101-2007 of the Planning Commission of the City of Rancho Cordova on July 26, 2007 and Project No. RC-06-244A, approved by Resolution No. 137-2016 of the Planning Commission of the City of Rancho Cordova on December 5, 2016. The permit, which expires on July 26, 2022, shall renew for five (5) years, with optional five (5) year renewals thereafter (subject to City review and approval).

As noted in the original permit application, the areas included within Project RC-06-024 and the approved permit are within the lands owned by Aerojet as Special Planning Area ("SPA"); i.e., within areas designated as both Inactive Rancho Cordova Test Site (south of White Rock Road) and the Industrial Zone (north of White Rock Road). The Planning Director determined in March 2006 that the proposed mining use was a "permitted new use" within Exhibit B to the SPA (See Attachment 2). This determination by the Planning Director was not appealed to the City Council and is therefore final.

The applicant does not request modification to the approved mining permit and reclamation plan, any conditions of approval, the Payment Agreement No. 176-2016 or the Road Impact and TMP Agreement No. 175-2016.

Environmental Analysis: Granite submits that the exemption under CEQA Guidelines 15300 and 15301 (Existing Facilities) is applicable, as follows:

15300: "...The Secretary of Resources has found that the following classes of projects listed in this article do not have a significant effect on the environmental, and they are declared to be categorically exempt from the requirement of the preparation of environmental documents."

15301: Existing Facilities "Class 1 consists of the operation...permitting...of existing private structures, facilities, mechanical equipment, or topographical features involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination...The key consideration is whether the project involves negligible or no expansion of an existing use...."

Conditions of Approval MM.1-MM15-.1, inclusive, are the mitigation measures derived from the Mitigated Negative Declaration approved by the Planning Commission in Resolution No. 101-2007 and shall remain applicable to the renewal of the permit (See Attachment 3).

We look forwards to reviewing the permit renewal application with you at your earliest convenience.

Sincerely,
Granite Construction Company

MEMORANDUM

ITEM 12.1.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Kim Juran, Administrative Services Director
SUBJECT: **PRESENTATION OF FINAL PROPOSED SPENDING PLAN FOR FISCAL YEAR 2022-23 MEASURE H, MEASURE R, AND AMERICAN RESCUE PLAN ACT FUNDS**

RECOMMENDATION

Receive information and provide direction.

RESULT OF RECOMMENDED ACTION

Based on City Council feedback from this presentation, staff intends to return with finalized appropriation resolutions for Measure H, Measure R, and American Rescue Plan Act at the meeting on June 20, 2022.

BACKGROUND

The City adopted the Fiscal Year 2021-23 Operating Budget in June 2021. Even though this two-year budget provides appropriation authority to the City through June 30, 2023, City staff re-evaluate revenue performance throughout the two-year budget cycle and make adjustments to the budget when necessary. While the City's General Fund is the primary funding source for day-to-day operations, the community has entrusted the City with approving two add-on sales tax measures (Measure H and Measure R) that fund enhanced programs and projects throughout the City that would otherwise not be possible. Due to higher than anticipated growth of these sales tax revenues, the City initiated discussions with the City Council to develop an updated expenditure plan for Measure H and Measure R that fully utilizes anticipated revenues for the upcoming fiscal year. These City Council discussions began on March 29, 2022 and continued through the months of April and May, with the most recent discussion occurring at the May 16, 2022 council meeting.

In addition to the two voter approved sales tax measures, the City was allocated \$15.58 million in American Rescue Plan Act (ARPA) funds in Spring 2021. As final guidance on the eligible use of these ARPA funds was still being developed throughout 2021, an initial discussion with the City Council on potential uses of ARPA funds occurred on August 2, 2021, followed by a more in depth discussion on November 1, 2021, during which the City Council identified priority initiatives to be funded through ARPA. The U.S Treasury issued its final guidance on the use of ARPA funds in January 2022, which resulted in some significant modifications to how funds could be utilized. Thus, one additional discussion with the City Council occurred on March 29,

2022, to revisit the proposed programming of ARPA funds given the revised guidelines.

This presentation is intended to provide the City Council with one final review of the proposed allocation of these three funding sources. This overview also provides a comprehensive view of how all three funding sources combine to fund the identified priority projects and programs for Fiscal Year 2022-23. The City is fortunate to have a total of \$38 million of funds available from these three funding sources to provide enhanced programs and projects for the community as it emerges from the pandemic. Based on City Council feedback from this presentation, staff intends to return with finalized appropriation resolutions for all three funds along with other annual budget actions on consent on June 20, 2022.

FISCAL IMPACT AND FUNDING SOURCE

No fiscal impact. The direction provided by the City Council will inform and finalize the spending plan for the combined \$38 million of funding in Fiscal Year 2022-23 for Measure H, Measure R, and the American Rescue Plan Act.

MEMORANDUM

ITEM 12.2.

DATE: June 6, 2022
TO: Honorable Mayor and Council Members
FROM: Brandon Luke, Chief of Police
SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT 2022-52 FOR PROFESSIONAL SERVICES WITH SHOTSPOTTER, INC. IN AN AMOUNT NOT TO EXCEED \$1,194,000 THROUGH JUNE 30, 2026**

RECOMMENDATION

Adopt the Resolution.

RESULT OF RECOMMENDED ACTION

Adoption of the Resolution would allow the Rancho Cordova Police Department to move forward with implementing ShotSpotter technology in the City.

BACKGROUND

ShotSpotter is a technology that combines wide-area acoustic surveillance coupled with centralized cloud-based analysis to provide contracted law enforcement agencies alerts of gunfire. The ShotSpotter technology provides precise location information related to the location of gunfire, including latitude/longitude and the street address. It provides officers the number of rounds and exact time shots were fired and identifies fully-automatic or high-capacity weapons. ShotSpotter also has the capability to identify multiple shooters as well as their position, speed, and direction of travel if they are moving. This information is vital to emergency response times, public and officer safety, rendering medical aid, witness and suspect identification and immediate investigative follow-up. These benefits will lead to an increase in gun crime arrests which will, in turn, improve community safety.

The technology increases officer efficacy by directing responding personnel to the accurate coordinates of registered gunfire. This limits the time officers spend driving undirected in the area, looking for the exact location where the gunfire was reported, thus drastically reducing response times. The rapidity of response is essential for successful outcomes and increased efficiency. ShotSpotter separates and identifies gunfire from other noises that may be mistakenly reported as gunfire. This prevents the unnecessary dispatch of officers and allows for improved resource allocation.

ShotSpotter activations are accomplished via multiple networked acoustic sensors deployed over a wide area that communicate registered gunshot activity back to a central server. A

trained technician then analyzes the audio information to ensure the activations resulted from gunfire. Once the activation is confirmed as gunfire, the location information and audio clip are forwarded to the law enforcement agency. The agency notification process occurs within sixty seconds from the initial gunfire activation.

Nationwide, on average, less than 20% of gunfire incidents are reported to law enforcement. According to surrounding agencies who employ ShotSpotter, the data suggests that the reporting rate is even less than the 20% figure. ShotSpotter activations and notifications support a much higher rate of reporting and response to gunfire. ShotSpotter service areas are solely delineated based on previously collected information related to gunfire and gun crime. The ShotSpotter program intends to create a safer community by ensuring timely emergency response, resource allocation, and reducing gun crimes.

The Rancho Cordova Police Department is requesting authorization to enter into a four-year agreement with Shot Spotter, Inc. in an amount not to exceed \$1,194,000 to deploy this technology throughout the City.

FISCAL IMPACT AND FUNDING SOURCE

The total amount of the four year contract term for ShotSpotter technology is \$1,194,000 and will be paid through the City's allocation of American Rescue Plan Act funds.

CITY OF RANCHO CORDOVA

RESOLUTION NO. XX-2022

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA, STATE OF CALIFORNIA, AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACT 2022-52 FOR PROFESSIONAL SERVICES WITH SHOT SPOTTER, INC. IN AN AMOUNT NOT TO EXCEED \$1,194,000 THROUGH JUNE 30, 2026

WHEREAS, ShotSpotter combines wide-area acoustic surveillance technology coupled with centralized cloud-based analysis to provide contracted law enforcement agencies alerts of gunfire; and

WHEREAS, ShotSpotter technology provides precise location information related to the location of gunfire, including latitude/longitude, the street address and number of rounds fired; and

WHEREAS, this information is vital to emergency response times, public and officer safety, rendering medical aid, witness and suspect identification and immediate investigative follow-up; and

WHEREAS, nationwide, on average, less than 20% of gunfire incidents are reported to law enforcement; and

WHEREAS, the benefits of the ShotSpotter system will lead to an increase in gun crime arrests which will, in turn, improve community safety;

NOW, THEREFORE, BE IT HEREBY RESOLVED THE CITY COUNCIL OF THE CITY OF RANCHO CORDOVA DOES authorize the City Manager to Execute Contract No. 2022-52 for Professional Services with Shotspotter, Inc. in an amount not to exceed \$1,194,000 through June 30, 2026.

PASSED AND ADOPTED by the City Council of the City of Rancho Cordova on the 6th day of June 2022 by following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

ATTEST:

Donald Terry, Mayor

Stacy Leitner, CMC
City Clerk

**PROFESSIONAL SERVICES AGREEMENT BETWEEN
THE CITY OF RANCHO CORDOVA AND
SHOTSPOTTER, INC.**

THIS AGREEMENT for professional services is made by and between the City of Rancho Cordova, a California municipal corporation ("City"), and ShotSpotter, Inc. a Delaware corporation ("Professional") as of April 5, 2022.

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Professional shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. Additional terms and conditions regarding use of the Professional's services are set forth in the ShotSpotter Respond Services Agreement attached as Exhibit B. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, or Exhibit B, the Agreement shall prevail.

- 1.1 Term of Services.** The term of this Agreement shall begin on the date first noted above and shall end forty-eight (48) months from the date the subscription services specified in ShotSpotter Proposal ID RANCOCA030422 attached hereto at Exhibit A are made available to the City, unless otherwise terminated as provided in Section 8 of this Agreement..
- 1.2 Standard of Performance.** Professional shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Professional is engaged in the geographical area in which Professional practices its profession. Professional shall prepare all work products required by this Agreement in a substantial, first-class manner and shall conform to the standards of quality normally observed by a person practicing in Professional's profession.
- 1.3 Assignment of Personnel.** Professional shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Professional shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.
- 1.4 Time.** Professional shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided in Section 1.2 above and to satisfy Professional's obligations hereunder.

Section 2. COMPENSATION. City hereby agrees to pay Professional a sum not to exceed \$1,194,000 notwithstanding any contrary indications that may be contained in Exhibit A, for services to be performed under this Agreement. In the event of a conflict between this Agreement and Exhibit A, regarding the amount of compensation, the Agreement shall prevail. City shall pay Professional in accordance with the payment terms set forth in Exhibit A. The payments specified therein shall be the only payments from City to Professional for services rendered pursuant to this Agreement unless amended in

Last Revised June 2021

writing between the City and Professional. Professional shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City, Professional shall not bill City for duplicate services performed by more than one person.

Professional and City acknowledge and agree that the four-year total price set forth in Exhibit A is a firm fixed price for the Coverage Area defined therein and does not include any fees for Expert Witness or Optional Additional Services.

- 2.1 Invoices.** Professional shall submit invoices in accordance with the payment terms set forth in Exhibit A. Invoices shall contain the Professional's name and address and the payment amount due per Exhibit A.
- 2.2 Payments.** City shall make payments, based on invoices received in accordance with the payment terms set forth in Exhibit A. City shall have 30 days from the receipt of an invoice that complies with all of the requirements above to pay Professional.
- 2.3 Total Payment.** City shall pay for the services to be rendered by Professional pursuant to this Agreement and Exhibit A. City shall not pay any additional sum for any expense or cost whatsoever incurred by Professional in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement except as otherwise approved by the City as stated below.
- In no event shall Professional submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.
- 2.4 Payment of Taxes.** Professional is solely responsible for the payment of employment taxes incurred under this Agreement and any similar federal or state taxes. Unless otherwise included as a line item in Exhibit A, the fees due under this Agreement exclude any sales, use, value added or similar taxes that may be imposed in connection with this Agreement. Unless exempt from such taxes, the City shall be responsible for payment of, or if applicable reimbursement to Professional, of all sales, use, value added or similar taxes imposed upon this Agreement by any level of government, whether due at the time of sale or asserted later as a result of audit of the financial records of either the City or Professional. If exempt from such taxes, the City shall provide to Professional written evidence of such exemption.
- 2.5 Payment upon Termination.** In the event that the City or Professional terminates this Agreement pursuant to Section 8, the City shall compensate the Professional for all fees earned up to the date of such termination.

Last Revised June 2021

- 2.6 **Authorization to Perform Services.** The Professional is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Professional shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Professional only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein.

City shall furnish physical facilities such as desks, filing cabinets, and conference space, as may be reasonably necessary for Professional's use while consulting with City employees and reviewing records and the information in possession of the City. The location, quantity, and time of furnishing those facilities shall be in the sole discretion of City. In no event shall City be obligated to furnish any facility that may involve incurring any direct expense, including but not limited to computer, long-distance telephone or other communication charges, vehicles, and reproduction facilities.

Section 4. INSURANCE REQUIREMENTS. Before beginning any work under this Agreement, Professional, at its own cost and expense, shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Professional and its agents, representatives, employees, and subcontractors. Professional shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Professional shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Professional's bid. Professional shall not allow any subcontractor to commence work on any subcontract until Professional has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution. Professional shall maintain all required insurance listed herein for the duration of this Agreement.

- 4.1 **Workers' Compensation.** Professional shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Professional. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Professional may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the Contract Administrator. The insurer, if insurance is provided, or the Professional, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

Professional shall provide thirty (30) days' prior written notice by certified mail, return receipt requested, to the City if any such coverage will be cancelled. Professional shall

Last Revised June 2021

notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

The requirement to maintain Statutory Worker's Compensation and Employer's Liability Insurance may be waived by the City upon written verification that Professional does not have any employees.

4.2 Commercial General and Automobile Liability Insurance.

4.2.1 General requirements. Professional, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000) each occurrence; TWO MILLION DOLLARS (\$2,000,000.00) aggregate; and automobile liability insurance for the term of this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00). The commercial general liability and automobile liability insurance shall be per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a commercial general liability insurance or an automobile liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

4.2.2 Minimum scope of coverage. Commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (most recent edition), Code 1 (any auto). No endorsement shall be attached limiting the coverage.

4.2.3 Additional requirements. Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

- a. City and its officers, employees, agents, and volunteers shall be covered as additional insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Professional, including the insured's general supervision of Professional; products and completed operations of Professional; premises owned, occupied, or used by Professional; and automobiles owned, leased, or used by the Professional. The coverage shall contain no special limitations on the

scope of protection afforded to City or its officers, employees, agents, or volunteers.

- b. The insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
- c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
- d. Any failure of Professional to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
- e. Professional shall provide thirty (30) days' prior written notice by certified mail, return receipt requested, to the City in the event that the required coverage will be cancelled. Professional shall notify City within fourteen (14) days of notification from Professional's insurer if such coverage is suspended, voided or reduced in coverage or in limits.

4.3 Professional Liability Insurance. Professional, at its own cost and expense, shall maintain for the period covered by this Agreement professional liability insurance for licensed professionals performing work pursuant to this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000) covering the licensed professionals' errors and omissions.

4.3.1 Any deductible or self-insured retention shall not exceed \$150,000 per claim.

4.3.2 An endorsement shall state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

4.3.3 The following provisions shall apply if the professional liability coverages are written on a claims-made form:

- a. The retroactive date of the policy must be shown and must be before the date of the Agreement.
- b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the Agreement or the work, so long as commercially available at reasonable rates.

- c. If coverage is canceled or not renewed and it is not replaced with another claims-made policy form with a retroactive date that precedes the date of this Agreement, Professional must provide extended reporting coverage for a minimum of five (5) years after completion of the Agreement or the work. The City shall have the right to exercise, at the Professional's sole cost and expense, any extended reporting provisions of the policy, if the Professional cancels or does not renew the coverage.
- D. A copy of the claim reporting requirements must be submitted to the City prior to the commencement of any work under this Agreement.

Alternatively, the Professional may be self-insured for professional liability/E&O.

4.4 **All Policies Requirements.**

- 4.4.1 **Acceptability of insurers.** All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.
- 4.4.2 **Verification of coverage.** Prior to beginning any work under this Agreement, Professional shall furnish City with certificates of insurance and with original endorsements effecting coverage required herein. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. In the event of a claim, the City reserves the right to require complete, certified copies of all required insurance policies, which copies shall be treated as the confidential information of the Professional.
- 4.4.3 **Subcontractors.** Professional shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
- 4.4.4 **Waiver of Subrogation.** Professional hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Professional, its employees, agents, and subcontractors.
- 4.4.5 **Notice of Reduction in Coverage.** In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Professional shall provide written notice to City at Professional's earliest possible opportunity and in no case later than fourteen (14) days after Professional is notified of the change in coverage.

Last Revised June 2021

4.5 Remedies. In addition to any other remedies City may have if Professional fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Professional's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Professional to stop work under this Agreement or withhold any payment that becomes due to Professional hereunder, or both stop work and withhold any payment, until Professional demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

Section 5. INDEMNIFICATION AND PROFESSIONAL'S RESPONSIBILITIES.

5.1 General Requirement. Professional shall indemnify, defend with counsel selected by the City, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Professional or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Professional shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Professional or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Professional to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Professional from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Professional acknowledges and agrees to the provisions of this Section and that it is a material element of consideration. Notwithstanding the foregoing, if a claim, lawsuit, or liability results from or is contributed to by the negligent or wrongful acts or omissions of the City, or its officers, employees, agents, or volunteers, Professional's obligations under this provision shall be reduced to the extent of such actions or omissions based on the principle of comparative fault.

Last Revised June 2021

- 5.2 **PERS Indemnification.** In the event that Professional or any employee, agent, or subcontractor of Professional providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Professional shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Professional or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.
- 5.3 **Design Professionals.** To the extent that the services under this Agreement include design professional services subject to California Civil Code Section 2782.8, as may be amended from time to time, Professional's duty to indemnify under Sections 5.1 and 5.2 shall only be to the maximum extent permitted by California Civil Code Section 2782.8.
- 5.4 **Limitation of Liability.** Except for its Intellectual Property infringement indemnity obligations under Section 9 of Exhibit B, Professional's cumulative liability for all losses, claims, suits, controversies, breaches or damages for any cause whatsoever arising out of or related to this Agreement, whether in contract, tort, by way of indemnification or under statute, and regardless of the form of action or legal theory shall not exceed two (2) times the amount paid to Professional under this Agreement, or the amount of insurance maintained by Professional available to cover the loss, whichever is greater. The foregoing limitations shall apply without regard to any failure of essential purpose of any remedies given herein.

In no event shall either party, or any of its affiliates or any of its/their respective directors, officers, members, attorneys, employees, or agents, be liable to the other party under any legal or equitable theory or claim, for lost profits, lost revenues, lost business opportunities, exemplary, punitive, special, indirect, incidental, or consequential damages, each of which is hereby excluded by agreement of the parties, regardless of whether such damages were foreseeable or whether any party or any entity has been advised of the possibility of such damages.

Section 6. STATUS OF PROFESSIONAL.

- 6.1 **Independent Contractor.** At all times during the term of this Agreement, Professional shall be an independent contractor as defined in Labor Code Section 3353, and shall not be an employee of City. Nothing contained in this Agreement shall be construed to be inconsistent with the foregoing relationship or status. City shall have the right to control Professional only insofar as the results of Professional's services rendered pursuant to this Agreement and assignment of personnel pursuant to Subparagraph 1.3; however, otherwise City shall not have the right to control the means by which Professional accomplishes services rendered pursuant to this Agreement. Professional shall have no power or authority by this Agreement to bind the City in any respect. All employees and

Last Revised June 2021

agents hired or retained by Professional are employees and agents of Professional and not of the City. The City shall not be obligated in any way to pay any wage claims or other claims made against Professional by any such employees or agents, or any other person resulting from performance of this Agreement.

Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Professional and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of City and entitlement to any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits. Professional shall not allow any employee to become eligible for a claim for PERS benefits.

- 6.2 Professional Not an Agent.** Except as City may specify in writing, Professional shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Professional shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

Section 7. LEGAL REQUIREMENTS.

- 7.1 Governing Law.** The laws of the State of California shall govern this Agreement.
- 7.2 Compliance with Applicable Laws.** Professional and any subcontractors shall comply with all laws and regulations applicable to the performance of the work hereunder, including but not limited to, the California Building Code, the Americans with Disabilities Act, and any copyright, patent or trademark law. Professional's failure to comply with any law(s) or regulation(s) applicable to the performance of the work hereunder shall constitute a breach of contract.
- 7.3 Other Governmental Regulations.** To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Professional and any subcontractors shall comply with all applicable rules and regulations to which City is bound by the terms of such fiscal assistance program.
- 7.4 Licenses and Permits.** Professional represents and warrants to City that Professional and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions. Professional represents and warrants to City that Professional and its employees, agents, any subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required to practice their respective professions. In addition to the

foregoing, Professional and any subcontractors shall obtain and maintain valid Business Licenses from City during the term of this Agreement.

- 7.5 Nondiscrimination and Equal Opportunity.** Professional shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Professional under this Agreement. Professional shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Professional thereby.

Professional shall include the provisions of this Subsection in any subcontract approved by the Contract Administrator or this Agreement.

Section 8. TERMINATION AND MODIFICATION.

- 8.1 Termination for Non-appropriation of funds.** The City may terminate this Agreement upon reasonable notice to Professional in the event that sufficient funds have not been appropriated for any fiscal year to maintain the subscription services to be provided under this Agreement. In such event, this Agreement and the license granted in Exhibit B shall be terminated on the last day of the fiscal year for which appropriations were made, without penalty to the City; provided, however, that the City shall be responsible for payment of fees due up to the date of such termination.

- 8.2 Extension.** City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Subsection 1.1. Any such extension shall require a written amendment to this Agreement, as provided for herein. Professional understands and agrees that, if City grants such an extension, City shall have no obligation to provide Professional with compensation beyond the maximum amount provided for in this Agreement except as otherwise agreed to in such amendment. Similarly, unless authorized by the Contract Administrator, City shall have no obligation to reimburse Professional for any otherwise reimbursable expenses incurred during the extension period.

- 8.3 Amendments.** The parties may amend this Agreement only by a writing signed by all the parties.

- 8.4 Assignment and Subcontracting.** City and Professional recognize and agree that this Agreement contemplates personal performance by Professional and is based upon a determination of Professional's unique personal competence, experience, and specialized

Last Revised June 2021

personal knowledge. Moreover, a substantial inducement to City for entering into this Agreement was and is the professional reputation and competence of Professional. Except in the event of a merger or acquisition of all or substantially all of Professional's assets, Professional may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. In such event, the Professional shall provide notice to the City as soon as reasonably possible. Professional shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.

8.5 Survival. All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Professional shall survive the termination of this Agreement.

8.6 Termination for Breach. If either party materially breaches any of the terms of this Agreement, the non-breaching party may terminate the Agreement following thirty (30) days' prior written notice to the party alleged to be in breach, provided such breach has not been cured within said thirty (30) day period, or as otherwise agreed to in writing by the parties for a breach not susceptible to cure within such thirty (30) day period. In the event of a violation of the Professional's intellectual property rights, Professional may terminate this Agreement immediately upon written notice to the City.

In the event of termination for any reason, the City's access to the subscription services will be discontinued as further defined in Exhibit B, section 5, paragraph C.

Section 9. KEEPING AND STATUS OF RECORDS.

9.1 LICENSE AND OWNERSHIP. The terms defining license, ownership, and use of the Professional's subscription services to be provided under this Agreement are set forth in Exhibit B attached hereto.

9.2 Professional's Books and Records. Professional shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Professional pursuant to this Agreement.

9.3 Inspection and Audit of Records. Any records or documents that Section 9.1 of this Agreement requires Professional to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds TEN THOUSAND DOLLARS (\$10,000.00), the

Last Revised June 2021

Agreement shall be subject to the examination and audit of the State Auditor, at the request of City or as part of any audit of the City, for a period of three (3) years after final payment under the Agreement.

Section 10 **MISCELLANEOUS PROVISIONS.**

- 10.1 Attorneys' Fees.** If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.
- 10.2 Venue.** In the event that either party brings any action against the other under this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Sacramento or in the United States District Court for the Eastern District of California.
- 10.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
- 10.4 No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 10.5 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the parties.
- 10.6 Use of Recycled Products.** Professional shall prepare and submit all reports, written studies and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.
- 10.7 Conflict of Interest.** Professional may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Professional in a "conflict of interest," as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Professional shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 *et seq.*

Professional hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of the City. If Professional was an employee, agent, appointee, or official of the City in the previous twelve months, Professional warrants that it did not participate in any manner in the forming of this Agreement. Professional understands that, if this Agreement is made in violation of Government Code §1090 *et seq.*, the entire Agreement is void and Professional will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Professional will be required to reimburse the City for any sums paid to the Professional. Professional understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code § 1090 and, if applicable, will be disqualified from holding public office in the State of California.

- 10.8 Solicitation.** Professional agrees not to solicit business at any meeting, focus group, or interview related to this Agreement, either orally or through any written materials. This provision shall not pertain to any request from the City to the Professional to provide demonstrations of additional services or products, including quotes or proposals for same.
- 10.9 Contract Administration.** This Agreement shall be administered by Kim Juran ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.
- 10.10 Notices.** Any written notice to Professional shall be sent to:
ShotSpotter, Inc.
Attn: CFO
39300 Civic Center Dr., Ste. 300
Fremont, CA 94538
Email Address (for Insurance Update Requests)
xxx@shotspotter.com
- Any written notice to City shall be sent to:
Kim Juran
Administrative Services Director
2729 Prospect Park Drive
Rancho Cordova, CA 95670
kjuran@cityofranhocordova.org
- 10.11 Integration.** This Agreement, including the scope of work attached hereto and incorporated herein as Exhibit A, and the compensation schedule therein, and the additional terms and conditions governing use of the Professional's subscription services attached hereto and incorporated herein as Exhibit B, represents the entire and integrated agreement between City and Professional and supersedes all prior negotiations, representations, or agreements, either written or oral.

10.13 IRS Form W-9. Professional shall complete and submit Internal Revenue Service Form W-9 to the City before execution of this Agreement. The City's Finance Director shall have authority to waive this requirement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first set forth above, which date shall be considered by the Parties to be the effective date of this Agreement.

Executive Summary

Introduction

ShotSpotter is pleased to present this proposal to the Rancho Cordova Police Department. The proposed ShotSpotter Respond solution is designed to identify, locate, and track active gunfire, and will support the Department's efforts to more effectively respond to and investigate gunfire incidents. The proposed solution is deployed across the country, serving agencies of all sizes that are committed to leveraging our real-time gunfire intelligence to reduce gun violence and build community trust.

The ShotSpotter gunshot detection, alert, and analysis services provide what would be otherwise unobtainable, critical real-time gunfire intelligence. The core capabilities of the ShotSpotter solution are:

- **DETECT** – ShotSpotter detects and locates gunfire incidents enabling a fast, precise response to over 90% of shooting incidents within the targeted areas. This has a powerful deterrent effect and disrupts the gun violence cycle.
- **PROTECT** – ShotSpotter helps to protect officers by providing them with comprehensive data on the actual amount of gunfire activity that occurs in the neighborhoods they patrol and provides critical situational awareness when responding to specific incidents.
- **CONNECT** – By applying community policing-oriented best practices, ShotSpotter provides a unique opportunity for law enforcement agencies to connect with vulnerable communities. Rapid response to gunfire incidents in communities that have been most impacted by gun violence builds positive attitudes towards law enforcement and leads to more constructive engagements and cooperation.

ShotSpotter has become an indispensable crime-fighting tool for these agencies, in light of the community dynamics that fuel gun violence and the well-documented challenges of relying solely on 9-1-1 calls for service:

- **Under-reporting of persistent gunfire:** Nationwide, on average, less than 20% of gunfire incidents are reported to 9-1-1. Why don't residents call? The answer is complex, but typically involves the following concerns:
 - Recognition: "Was that gunfire, fireworks, or something else?"
 - Retaliation: "If they find out I called, will they come after me?"
 - Resignation: "No one came the last time I called..."

Without ShotSpotter, most law enforcement agencies are working with an 80% to 90% deficiency in their gun violence-related intelligence.

- **Late and inaccurate information:** When a citizen reports a gunfire incident, the 9-1-1 call typically comes several minutes after the event has occurred, and, based on analysis, the location provided is usually mislocated by 750 feet (on average). As a result, valuable time and resources are wasted trying to locate the incident, greatly diminishing the opportunity to identify suspects and witnesses, recover evidence, and, most important, render life-saving aid to victims.

The ability to receive near real-time gunfire intelligence data provides law enforcement agencies with a critical advantage in their efforts to reduce and prevent gun violence and improve officer safety. Specific results include:

- Officers can more quickly and more accurately go directly to the scene of the shooting
- Situational awareness is vastly improved over what is available when relying solely on the 9-1-1 system
- Law enforcement has a better chance of arriving before the shooter has left the scene
- Officers are much more likely to find evidence in the form of shell casings (which, in conjunction with NIBIN/IBIS, provide valuable investigative leads) and/or other ground truth that can aid in the investigation
- Officers are more likely to find witnesses who may have information that can aid in the investigation
- Community engagement is heightened, which often translates into more information from the community (e.g., tip lines, field interviews, etc.)
- Targeted enforcement (precision policing) is enhanced
- More court-admissible and scientifically sound forensic evidence is available to strengthen prosecutions of the worst offenders

How it Works

Based on an analysis of known gunfire-related crimes, the ShotSpotter team designs and deploys networked sensors within the targeted coverage area. These acoustic arrays detect and locate gunshot activity within the coverage area and report that information to ShotSpotter's Incident Review Center (IRC) which is staffed 24/7/365. ShotSpotter uses a two-factor incident review process to minimize false alerts. The first tier is performed by sophisticated AI software. Once the software has performed an initial review and filtered out any incidents that are determined not to be gunfire (e.g., helicopter noise, fireworks, etc.), the data is received at our IRC.

The IRC review process is performed by a team of highly trained acoustic experts. In addition to examination of the incident audio, the review process involves examination of visual characteristics of the detected pulses and the incident, such as the number of participating sensors, the wave form, pulse alignment, and the direction of sound. The IRC review results in publishing (Gunshot or Probable Gunshot) or dismissal (Non-Gunshot) of the incident with a high level of precision. If the reviewer classifies the incident as a gunshot, the reviewer sends an alert, including location information and an audio snippet, to law enforcement agencies via a password-protected application on a mobile phone, in-car laptop, or computer. In addition to the dot on the map and audio, ShotSpotter provides details such as number of shots fired, whether multiple shooters are involved, and whether high-capacity and/or fully automatic weapons are being used. This entire process (i.e., recording the impulsive sound, two-factor review, and publishing alerts to authorized users) is designed to be completed in less than 60 seconds (but is often completed within 25 to 30 seconds).

ShotSpotter customers receive a contextually rich, detailed gunfire alert that enables a fast, precise, and safer response to gunfire incidents. In addition, ShotSpotter alerts can also trigger other technology platforms such as cameras that can pan and zoom in the direction of an event. ShotSpotter has also successfully integrated with a wide range of third-party applications such as CAD, RMS, License Plate Readers, drones, and other applications.

We appreciate your consideration of our proposal. ShotSpotter is committed to your success and we look forward to partnering with you to make ShotSpotter a key component of your efforts to reduce gun crime in the City of Rancho Cordova.

Company History

ShotSpotter was founded in 1995 and has been providing gunshot detection solutions since its inception. ShotSpotter is the world leader in gunshot detection, with over 850 square miles operational; more than 14 million incidents reviewed; and 34 issued patents. ShotSpotter is a publicly traded corporation (NASDAQ: SSTI) with approximately 175 full-time employees and is headquartered in Fremont, California.

ShotSpotter provides precision-policing solutions for law enforcement to help deter gun violence and make cities, campuses, and facilities safer. Our flagship product, ShotSpotter Respond™, is the leading gunshot detection, location, and forensic analysis system, and is trusted by more than 120 cities. Other product offerings include:

- ShotSpotter SecureCampus®, designed to provide outdoor gunfire coverage at university and school campuses
- ShotSpotter SiteSecure™ for critical infrastructure designed to detect gunfire attacks on commercial and federal buildings, electrical substations, airports, and large outdoor structures
- ShotSpotter Connect™ (formerly Missions™), which uses artificial intelligence-driven analysis to help strategically plan patrol missions and tactics for maximum crime deterrence
- ShotSpotter Investigate™, a cloud solution for case management to improve overall clearance rates across all crime categories
- ShotSpotter Labs, which focuses on innovative applications of ShotSpotter to help protect wildlife and the environment; currently helping combat rhino poaching in South Africa and will soon launch other applications for global wildlife protection, such as combatting illegal blast fishing in Malaysia with underwater sensors

Proposed Coverage Area

ShotSpotter systems are deployed to provide coverage for a specified area, bounded by a specific coverage area perimeter. ShotSpotter will design the coverage area based upon the Department's requirements and based upon analysis of historical crime data. The area delineated by a blue and red boundary in the image below is a rough estimate of the recommended coverage area based on the Department's specifications and on analysis of the Department-provided crime data as described below. The blue boundary is a simplified design for the first two square miles of ShotSpotter coverage, targeting the City's highest crime areas, while avoiding a highly customized coverage area. The red boundary extends the proposed coverage area. The precise size of the area (i.e., in square miles) can only be verified with actual acoustic propagation information; therefore, the final coverage area may vary. ShotSpotter will perform this verification during the installation process.

Figure 1: Proposed ShotSpotter Coverage Area = 4.85 square miles

Using the data provided by the Department for January 1, 2019 through November 7, 2021, the map above depicts the preliminary coverage boundaries. ShotSpotter will collaborate with Department stakeholders to determine the final coverage boundaries and any resulting adjustments to the proposal to address the Department's needs and priorities. The heat map in Figure 1: Proposed ShotSpotter Coverage Area depicts the following within the 4.85 square mile coverage area (outlined in blue and red):

Icon	Crime Type Definition	Quantity	Percentage of Totals
"	Gun-related Homicides	4	67%
	Aggravated Assaults	72	75%
	Calls for Service for Shots Fired and Threats w/ a Gun	824	66%

ShotSpotter Respond Service Overview

ShotSpotter helps law enforcement agencies by directing resources to the precise location of more than 90% of gunfire incidents. ShotSpotter rapidly notifies first responders of shootings via dispatch centers, in-vehicle computers, and smart phones. Instant alerts enable first responders to aid victims, collect evidence, and identify witnesses. ShotSpotter's actionable intelligence can then be used to prevent future crimes by positioning law enforcement when and where crime is likely to occur. ShotSpotter gunshot detection and location services are delivered as an easily implemented Software as a Service (SaaS) solution, with no requirement for customer investment in or maintenance of expensive hardware or software. ShotSpotter hosts, secures, monitors, and maintains the ShotSpotter infrastructure. Contracts are based on an affordable one-year or multi-year subscription agreement, and the subscription includes unlimited licenses for the proposed ShotSpotter applications.

ShotSpotter Dispatch™ and ShotSpotter Respond™ Applications

The ShotSpotter Dispatch and ShotSpotter Respond applications are used by Call Takers, Dispatchers, and Patrol Officers in the field. Real-time notifications of gunfire incidents are delivered to these apps and include the following data:

- Incident location (dot on the map)
- Type of gunfire (single round, multiple round)
- Unique identification number
- Date and time of the muzzle blast (trigger time)
- Nearest address of the gunfire location
- Number of shots
- District identification
- Beat identification

Figure 2: ShotSpotter Dispatch App

A ShotSpotter analyst may add other contextual information such as the possibility of multiple shooters, high-capacity weapons, full-automatic weapons, and the shooter's location related to a building (front yard, back yard, street, etc.). The report also includes an audit trail of the time the alert was published, acknowledged, and closed at the customer facility. All notes entered by Call Takers and Dispatchers added to the alert are time- and date-stamped with the operator's ID. For Patrol Officers, the alert includes an audio snippet of the incident.

Figure 3: ShotSpotter Respond App

ShotSpotter Insight™

ShotSpotter Insight™ enables customers to explore details about prior gunshot incidents in their ShotSpotter coverage area and use the data for investigation and analysis. Crime analysts, investigators, and command staff can view, filter, sort, report, and transform historical gunshot data into meaningful insights, ultimately informing strategies for reducing gun violence.

Insight enables users to find and identify the incidents using an extensive array of filters for date, time, location, keywords, single vs. multiple gunshots, patrol areas, as well as shapes drawn on the map. The shape filters narrow a search for shooting incidents within a radius of a known address, across several blocks, or look for and monitor activity on both sides of a jurisdictional border. Saved reports retain common filter settings for quick retrieval (e.g., "District 4 Gunfire – Last 28 days").

Figure 4: ShotSpotter Insight App

Insight shows how a shooting event unfolded by watching a shot-by-shot animation that details the location and sequence of each shot. The software also highlights other nearby incidents that may be potentially related based on its relative distance and time of occurrence.

Insight comes with a set of reports that make it easy to share incident data throughout an agency:

- The Investigative Lead Summary report give details of a shooting incident including audio, location, sequence, and timing of each shot fired. This report is often used to share incident audio and details with colleagues, aid investigators with collecting evidence at the scene of a shooting and conducting better interviews of witnesses, suspects, and victims, or attach to a case file.
- The Multi-Incident report provides a summary of shooting incidents broken out by single, multiple, and probable gunshot incidents as well as any non-gunfire incidents if they were included in the search. The summary is followed by details for each incident including the date, time, location, number of rounds, CAD ID, Respond ID, and other details.

For custom ad hoc reporting and analysis, Insight can export incident data to other off-the-shelf products such as Microsoft Excel, Tableau, Google Earth, ArcGIS, and other tools.

Mobile Alerts

Real-time gunfire alert data can be delivered to smart phones and smart watches via the Respond smartphone application, available for use on iPhones and Android platforms. The gunfire location is displayed as a dot on a map, and the data also includes the number of rounds fired and access to the incident audio.

Figure 5: Smart Watch Notification

Figure 6: ShotSpotter Respond App Smartphone Notification

Notifications API (Optional)

The ShotSpotter Notifications API (available as a separately priced option) allows client applications to receive accurate, timely details about ShotSpotter gunfire alerts, including precise latitude and longitude (geolocation), GPS-synchronized timestamps, incident audio, and situational context provided by the 24x7x365 ShotSpotter Incident Review Center. Typical integrations include:

- Video Management Systems (VMS)
- Computer-Aided Dispatch (CAD) systems
- Records Management Systems (RMS)
- Automated License Plate Readers (ALPRs)
- Crime analysis and statistics packages (including COMPSTAT software)

Each Notifications API license pack is available for an annual subscription fee that includes:

- Up to three (3) interfaces
- Establishing an instance of the API for the Department on ShotSpotter-hosted servers
- Consulting with the Department and third parties to ensure the API operates according to the API specifications
- 24x7 alerts to up to three third-party interfaces
- Supporting the third party and Department as systems are upgraded

Additional API licenses can be purchased in packs of three interfaces.

Investigative Lead Summary

ShotSpotter recently introduced a new, on-demand report available through the ShotSpotter Respond application. The Investigative Lead Summary (ILS) provides useful details about the location, timing, and sequence of each shot fired during an incident. The ILS is very valuable on scene, helping law enforcement find shell casings, confirm witness accounts, and identify suspects. ILS reports are available immediately after an incident occurs through a single click of a button within the mobile, web, or desktop ShotSpotter Respond application.

The ILS will fulfill the majority of law enforcement agency needs, particularly in situations where a report is not intended for presentation to court (since the ILS report is electronically produced, it is not court admissible).

Figure 7: ShotSpotter Investigative Lead Summary (ILS)

Detailed Forensic Reports and Expert Witness Testimony

In nearly all the criminal proceedings in which our experts have been called to testify, ShotSpotter has produced detailed, round-by-round analysis of the timing and location of the shots fired by one or more weapons. To the best of our knowledge, no other acoustic-based gunshot detection system has been accepted in a court of law as providing this kind of forensic evidence.

Figure 8: ShotSpotter Detailed Forensic Report (DFR)

ShotSpotter data supports detailed forensic analysis of gunfire incidents, including:

- Weapon type (e.g., automatic vs. semi-automatic)
- Number of rounds fired
- Possibility of multiple shooters

Unlike the ILS, the DFR is a court-admissible document prepared by our forensic engineers. The DFR is intended to be used by attorneys as part of a court case for the exact, verified timing, sequence and location of each shot fired. Secondly, DFRs are available for use by law enforcement to obtain search warrants or to investigate Officer Involved Shootings. DFRs are available upon written request, and our goal is to deliver all DFRs within ten business days of the request.

To support prosecutions, audio snippets provide powerful demonstrative evidence to prosecutors and allow jurors to gain a deeper understanding of the victims' experience of the incident. For prosecutors who wish to have a ShotSpotter expert witness testify regarding a DFR, to help interpret and clarify crime scene activity derived from ShotSpotter data, or provide other forensic consultation services, these services are available for an hourly fee.

In 17 states and in the District of Columbia, ShotSpotter evidence and ShotSpotter expert witness testimony have been successfully admitted in over 100 court cases. ShotSpotter forensic evidence has prevailed in nine Frye challenges, including four in California, and five Daubert challenges throughout the United States.

Onboarding Services

Concurrent with the sensor design and deployment activities, ShotSpotter will provide a series of onboarding services to prepare the Police Department to maximize the value of the ShotSpotter service. These standard onboarding steps will be refined to best serve the Department team and ShotSpotter users. ShotSpotter onboarding services are designed to:

- Ensure successful ShotSpotter activation (go-live)
- Ensure full utilization of the features and functions available with the ShotSpotter service
- Ensure that the Department's Best Practices are refined, as needed, to respond most effectively to the gun crime intelligence data being delivered for the coverage area
- Track and monitor the efficacy of the ShotSpotter service

ShotSpotter has assembled a Customer Success Team of professionals with more than 100 years of combined law enforcement experience. The mission of this team of Consultants, Trainers, and Analysts is to maximize customer success with the ShotSpotter service. This team is available to our customers both pre- and post-production to advise, train, and guide them on the most effective use of the tools and services available with the ShotSpotter solution. The following provides a high-level overview of ShotSpotter's standard Customer Onboarding Services, which will be tailored to support the Department:

Getting Started

Prior to contract execution, a ShotSpotter Customer Success Director will work with the Department's project team to plan the onboarding process, beginning with an onsite Customer Kick-Off Meeting with all stakeholders. The teams will review the program objectives, lay out the key implementation steps, agree on a targeted activation date (go-live), and establish a protocol for ongoing communication throughout the onboarding process. ShotSpotter will schedule biweekly status calls with the Department's Program Manager and other project leaders to maintain regular communication throughout the implementation process.

Best Practices

Early in the Customer Onboarding Process, ShotSpotter's Customer Success team, led by the assigned Customer Success Director, will work with the Department's Program Manager and other project leaders to schedule and conduct a series of Best Practices sessions. These sessions will assist the Department in establishing response protocols and procedures to manage the gunshot alerts and gun crime intelligence data that will be provided upon activation of the ShotSpotter service. ShotSpotter will customize and conduct these sessions for each of the following groups of users involved in the gun violence reduction program in the targeted coverage area:

- Program Management
- Dispatch/Communications
- Field Operations/Patrol
- Investigations
- Prosecution
- Intelligence & Crime Analysis

User Training

ShotSpotter will assign a Customer Success Director to the Department to ensure that we deliver consistent, quality best practices training based on the Department's needs to maximize the value of our service. The Customer Success Director will remain engaged with the Department for the duration of our relationship. In preparation for the planned cutovers, ShotSpotter will assign a Trainer to the Department to train each group of users on the ShotSpotter applications, including Respond, Dispatch, ShotSpotter Administrative Portal, and ShotSpotter Insight. The Trainer will conduct a Training Orientation with the Department's Program Manager to ensure all users are properly trained on the relevant applications. ShotSpotter's Trainer will work with the Department to tailor a training program that addresses the unique needs and/or scheduling constraints of the Department users. The training will be performed through a combination of remote instructor-led live training, train-the-trainer, and on-line recorded computer-based training.

Agency Metrics/KPIs (Key Performance Indicators)

ShotSpotter Customer Success team members, led by the assigned Customer Success Director, will work with the Department's Program Manager and Command staff to review, define, and adopt a set of agency metrics, or Key Performance Indicators (KPIs), to establish and monitor the efficacy of the ShotSpotter service and related agency Best Practices. It is important to ensure that the agency and all stakeholders have visibility (and routines in place) to track the program metrics or KPIs needed to monitor the status of the program and to make informed decisions regarding resources, response protocols, and the best practices to drive success.

Onsite Support During Service Activation (Go-Live)

On the day of ShotSpotter service activation to a live production status, ShotSpotter's Customer Success Director will be on site to ensure that the transition is smooth, that the established best practices are being implemented as planned, and that user questions are answered quickly. Prior to cutover, ShotSpotter team will facilitate an introduction to the ShotSpotter Support organization to review the support process and introduce the designated Technical Support Engineer to the Department. Following system activation, the designated Technical Support Engineer will facilitate a series of Status Calls with the Department to review the performance of the service. The Customer Success Director will continue to work with the Department to review and results being achieved by each group of users involved in the gun violence reduction program.

Ongoing Customer Support

As an ongoing service, the Customer Support organization will publish a monthly Scorecard to the Department to communicate details on system performance and our service including the number of Gunshot Alerts, Misses, Mislocated Incidents, Misclassified Incidents, and other useful metrics. This report will be reviewed by the designated Technical Support Engineer on a monthly basis and any and all concerns will be discussed and addressed.

ShotSpotter standard customer support includes 24/7 assistance with user accounts, software interface, tools, features, incident (re)classification, and review. Tier 1 Support is provided by our Incident Review Center (IRC). IRC staff have extensive experience with ShotSpotter applications and provide real-time support of basic issues, and first level of support for information gathering and triage for advanced troubleshooting by Tier 2 Support. The Tier 2 Support Team comprises technically advanced, experienced Customer Support professionals who are responsible for advanced levels of troubleshooting and analysis, IT Support, mapping issues, etc.

Support Level	Tier 1 Support (IRC)	Tier 2 Support (Customer Support)
Features	• Login support • Report a misclassification • Report a missed incident • Report a mislocated incident • Basic audio request • General/application questions • Request for ILS	Normal Support: • Analysis of missed gunshots • Detailed audio search • Performance analysis • Integration issues Critical Support: • System outage
Hours of Operation	24x7x365	Normal Support: 5 am – 11 pm Pacific Time Zone Escalation: 24x7x365

Customer References

ShotSpotter has more than 120 customers covering over 850 square miles. ShotSpotter is the leader in the development and deployment of wide area acoustic gunshot detection and location systems. Today, ShotSpotter provides gunshot detection and location services to law enforcement agencies across the country. Among these are:

- Sacramento County, CA
- Sacramento, CA
- San Francisco, CA
- Oakland, CA
- Richmond, CA
- San Pablo, CA
- East Palo Alto, CA
- Fresno, CA
- Bakersfield, CA
- Las Vegas, NV

Pricing

ShotSpotter systems are deployed to provide coverage for a specified area. ShotSpotter offers our Lower Tier Pricing Program to communities that have less than 100 sworn officers or less than 50,000 residents, which allows these agencies to address gun violence. This pricing includes one-time Service Initiation fees and Onboarding fees, as well as reduced subscription fees for a two square mile coverage area. This (maximum) two square mile coverage area targets the City's highest crime areas while avoiding a highly customized coverage area. Additional coverage beyond that is offered at the ShotSpotter's standard rates.

4.85 mi² Coverage Area

Pricing	Coverage Area Size	One-Time Service Startup Fees (Initiation & Onboarding)	Annual Subscription Fees*	Discount for Multi-Year Term**	Total
Lower Tier	2.0 mi ²	Included	\$99,000 x 4	N/A	\$396,000
Standard	2.85 mi ²	\$28,500	\$199,500 x 4	(\$28,500)	\$798,000
			FOUR-YEAR TOTAL:		\$1,194,000

*ShotSpotter's current Lower Tier Pricing Program annual subscription fee is \$49,500 per square mile for the first two (2) square miles and includes One-Time Service Initiation Fees for those two (2) square miles. The coverage beyond two (2) square miles will be at ShotSpotter's standard annual subscription rate of \$70,000 per square mile plus a One-Time Service Initiation Fee of \$10,000 per square mile.

**See Pricing Assumptions below for details.

Forensic Consultation Services

Forensic Consultation Service Fee (Expert Witness Services)	\$350/hour
Expert Witness Testimony Services are available upon request and billed separately at the above rate.	

Optional Additional Services

Interface License

Notifications API License Pack	\$9,500/year
• Recurring annual subscription fee • Includes up to three interfaces • Does not include costs required from other vendors to implement or support the planned interfaces	

Payment Terms

Payment for the service initiation, onboarding, and subscription shall be as follows:

Two-Year Payment Terms

- 50% of Year 1 fees due upon execution of agreement (\$149,250)
- 50% of Year 1 fees due upon ShotSpotter activation (live) status (\$149,250)
- 100% of Year 2 fees due prior to 1st anniversary of ShotSpotter live status (\$298,500)
- 100% of Year 3 fees due prior to 2nd anniversary of ShotSpotter live status (\$298,500)
- 100% of Year 4 fees due prior to 3rd anniversary of ShotSpotter live status (\$298,500)

Expert Witness Testimony Services are available upon request and billed separately at the above rate.

Pricing Assumptions

This pricing is submitted based on the following assumptions:

- This pricing assumes that the services will be delivered under the terms of the ShotSpotter Respond Services Agreement to which this Proposal will be attached as Exhibit A.
- The Multi-Year Term Commitment discount will be applied to the one-time Service Initiation fees and is contingent upon ShotSpotter receiving a multi-year term commitment allowing us to invoice automatically for each annual subscription term over the term of the agreement, without any requirement for obtaining additional approvals, purchase orders, or notifications.
- The pricing assumes that the Department will provision network access to meet ShotSpotter minimum specifications and requirements for all computers (PCs and MDCs) that will access the ShotSpotter service.
- This pricing does not include any state or local taxes; if taxes are applicable, we will be happy to provide an amended price quotation upon request.
- This pricing remains valid for ninety (90) days from the date of this proposal.

	ATTACHMENT A – SERVICE LEVEL AGREEMENT	16

This ShotSpotter® Respond™ Services Agreement (this “Agreement”) is attached to incorporated as Exhibit B to the Professional Services Agreement (the “Professional Services Agreement”) entered into by and between ShotSpotter, Inc. (referred to herein as “ShotSpotter”), with offices located at 39300 Civic Center Dr., Suite 300, Fremont, CA 94538, and the City of Rancho Cordova, California (hereinafter referred to as “Customer”), with offices located at 2729 Prospect Park Drive, Rancho Cordova, CA 95670 ShotSpotter and Customer may also be referred to in this Agreement individually as a “Party” or collectively as the “Parties”.

The Professional Services Agreement, its Exhibit A ShotSpotter Proposal RANCOCA030422, and this Exhibit B and its attachment(s) define the deliverables, implementation, and subscription services for ShotSpotter’s gunshot location system (“ShotSpotter® Respond™ Gunshot Detection, Location, and Forensic Analysis Service”) to be provided under the Professional Services Agreement.

In consideration of the Parties’ mutual covenants and promises set forth in this Agreement, the Parties agree as follows:

1. ATTACHMENTS

The following attachments (“Attachments”) are attached to, and incorporated in this Agreement:

- A. Service Level Agreement

2. DEFINITIONS

All capitalized terms not otherwise defined in this Agreement shall have the meanings set forth below:

- A. Insight means the internet portal to which Customer will have access to Reviewed Alerts.
- B. Confidential Information means that information designated by either Party as confidential or proprietary as further defined in Section 6 of this Agreement.
- C. Coverage Area means the area in square miles covered by the Services as set forth in Exhibit A to the Professional Services Agreement and any subsequent amendments thereto.
- D. Data means all data created, generated, modified, compiled, stored, kept, or displayed by ShotSpotter in performance of the Subscription Services, including the Software.
- E. Reviewed Alerts means the data reviewed by ShotSpotter’s incident review staff related to gunfire incidents detected by the ShotSpotter Gunshot Detection, Location, and Forensic Analysis Service.
- F. ShotSpotter Respond System means the ShotSpotter Respond Gunshot Detection, Location, and Forensic Analysis Service provided on a subscription basis under this Agreement.
- G. Software means the ShotSpotter Respond Gunshot Detection, Location, and Forensic Analysis Service, Reviewed Alerts, ShotSpotter Respond™, and ShotSpotter Dispatch™ and ShotSpotter® Insight applications to which Customer will have access under this Agreement on a subscription basis. The term Software shall also mean any new applications supplemental to the Subscription Services provided by ShotSpotter to Customer subsequent to the execution date of this Agreement, and if purchased by Customer, the ShotSpotter API Subscription License.

- H. Subscription Services means the services provided to Customer on a subscription basis to access, and ShotSpotter's maintenance of, the Software.
- I. System means collectively the Software and Subscription Services provided under this Agreement.

3. SUBSCRIPTION SERVICES

- A. ShotSpotter will install the ShotSpotter Respond System in the Coverage Area specified in Exhibit A attached to the Professional Services Agreement. ShotSpotter will host the Subscription Services and may update the functionality and Software of the Subscription Services from time to time at its sole discretion and in accordance with this Agreement.
- B. ShotSpotter will be responsible for determining the location(s) for installation of acoustic sensor(s) (the "Sensors") that detect gunshot-like sounds, and obtaining permission from the premise's owner/property manager/lessee.
- C. The ShotSpotter Respond System acoustic Sensor may use wired, wireless, or cellular wireless communications which necessitates the existence of a real-time data communications channel from each Sensor to the ShotSpotter hosted servers via a commercial carrier. The unavailability or deterioration of the quality of such wired, wireless, or wireless cellular communications may impact the ability of ShotSpotter to provide the Subscription Services. In such circumstances ShotSpotter will use commercially reasonable efforts to obtain alternate wired or wireless cellular communications or adjust the coverage area as necessary. In the event ShotSpotter is unable to do so, ShotSpotter will terminate the Subscription Services and refund a pro-rata portion of the annual Subscription Services fee to Customer.
- D. ShotSpotter will provide Customer with user documentation, online help, written or recorded video training material, and other applicable documentation (as available).
- E. ShotSpotter will provide reasonable efforts to respond via email to requests for support relating to incident classification as defined in the Support Level Matrix provided in Attachment A.
- F. During the term of this Agreement, ShotSpotter will provide real-time gunfire analysis and alert services. After an explosive (or impulsive) sound triggers enough ShotSpotter Sensors that an incident is detected and located, audio from the incident is sent to the ShotSpotter Incident Review Center (IRC) via secure, high-speed network connections for real-time qualification. Within seconds, a ShotSpotter professional reviewer analyzes audio data and recordings to confirm gunfire or explosions. The qualified alert is then sent directly to the Customer's dispatch center, PSAP, mobile/patrol officers, and any other relevant safety or security personnel, as determined by the Customer. ShotSpotter's IRC will review gunfire incidents as further defined in Attachment A.
- G. The Subscription Services provided under this Agreement shall consist of (i) providing access to the Customer of Reviewed Alerts delivered via the Insight password-protected internet portal and user interface supplied by ShotSpotter; (ii) providing Customer access to historical Reviewed Alerts and incident information via the Software; and (iii) other services as specified in this Agreement and its Attachment(s).

- H. ShotSpotter will use commercially reasonable efforts to respond to support requests as set forth in the Support Level Matrix provided in Attachment A. These requests may be made to ShotSpotter through one of the following methods: 1) email to support@shotspotter.com; 2) Live Chat through our ShotSpotter applications; 3) A phone call to our Customer Support organization at 888,274.6877, option 4. These are the only methods ShotSpotter will receive and respond to support requests.

A Tier 1 (as defined in the Support Matrix in Attachment A) ShotSpotter Customer Support specialist will be responsible for receiving Customer reports of missed incidents, or errors in the Subscription Services, and, to the extent practicable over email or telephone, making commercially reasonable efforts to assist the Customer in resolving the Customer's reported problems. In the event the problem cannot be resolved within 24 hours, requiring further research and troubleshooting, ShotSpotter will use commercially reasonable efforts to resolve the issue within seventy-two (72) hours of receipt of the report. In the event that the ShotSpotter service is fully nonfunctional, and it is not due to power outage or other reasons that are outside of ShotSpotter's control, ShotSpotter will work continuously to restore functionality of the Subscription Services in accordance with the standard ShotSpotter user documentation provided with the Subscription Services as soon as reasonably possible, and no later than seventy-two (72) hours of receipt of the report.

I. FORENSIC REPORTS.

- i. Investigative Lead Summary ("ILS"). ShotSpotter provides an on-demand report available through the ShotSpotter Respond Application. The Investigative Lead Summary (ILS) provides useful details about the approximate location, timing, and sequence of each shot fired during an incident. The ILS is very valuable on scene, helping law enforcement find shell casings, confirm witness accounts, and identify suspects. ILS reports are available immediately after an incident occurs via the mobile, web, or desktop ShotSpotter Respond application (machine-generated). The ILS is not a court-admissible document.

- ii. Detailed Forensic Report ("DFR"). If requested by Customer, ShotSpotter will provide a DFR for any ShotSpotter-detected incidents, including Reviewed Alerts. The DFR is intended to be a court-admissible document used by attorneys as part of a court case for the exact, verified timing, sequence and location of each shot fired. Secondly, the DFR is available for use by law enforcement to obtain a search warrant or to investigate an Officer Involved Shooting.

DFRs must be requested in writing and addressed to the ShotSpotter Customer Support Department. Requests may be submitted via the Forensics Services page under the Law Enforcement tab on ShotSpotter's website (www.shotspotter.com). ShotSpotter will use commercially reasonable efforts to provide a DFR within ten (10) business days of receipt of the request.

J. EXPERT WITNESS SERVICES.

ShotSpotter offers reasonable expert witness services, including Reviewed Alerts, for an hourly fee as set forth in Exhibit A to the Professional Services Agreement, as well as reimbursement of all travel and per diem costs. If requested to provide such services, ShotSpotter will invoice the Customer for the number of hours expended to prepare for and provide expert witness testimony,

and actual travel expenses, upon completion of the services. Customer understands that ShotSpotter undertakes to provide individuals whose qualifications are sufficient for such services, but does not warrant that any person or his or her opinion will be accepted by every court. ShotSpotter requires at least fourteen (14) days prior notice of such a requirement in writing from the Customer. Customer must include dates, times, specific locations, and a point of contact for ShotSpotter personnel. Due to the nature of legal proceedings, ShotSpotter cannot guarantee that its services described in this section shall produce the outcome, legal or otherwise, which Customer desires. Payment for expert witness services described shall be due and payable when services are rendered regardless of the outcome of the proceedings.

4. INITIAL TERM AND RENEWAL

The initial term of the Subscription Services shall be for a period of forty-eight (48) months commencing on the date that the Subscription Services are made available to the Customer via Insight. Fees will be paid on an annual basis in accordance with Exhibit A to the Professional Services Agreement, subject to the Customer's appropriation of funding.

Following the initial term, the Subscription Services may be renewed for successive periods of one year each (or multiple years as mutually agreed upon in writing by the Parties), in accordance with the following procedure. ShotSpotter shall provide Customer with a renewal notice stating the renewal fees, terms, and conditions for the next successive renewal term approximately ninety (90) days prior to the expiration date of the then current term. Customer acknowledges that the Subscription Services fees, terms and conditions, and service levels hereunder are subject to change and that such fees, terms and conditions, and service levels may vary from those applicable to this Agreement in successive renewal terms. Following the initial term, annual Subscription fees are subject to increase at a rate of 5% for Customers whose annual subscription fee is less than the current ShotSpotter list price.

If Customer fails to renew prior to expiration of the then current subscription term, the Subscription Services will terminate in accordance with Section 5.C. At its discretion, ShotSpotter may remove the ShotSpotter Gunshot Detection, Location, and Forensic Analysis Service and any components from the Coverage Area at that time. If ShotSpotter does not remove the ShotSpotter Gunshot Detection, Location, and Forensic Analysis Service from the Coverage Area, Customer may reinstate the Subscription Services at a later date by renewing this Agreement and payment of the applicable reactivation and Subscription Services renewal fees; however, Customer will not have access to any Reviewed Alerts that they would have had access to during the lapsed period.

5. LICENSE, OWNERSHIP, AND DATA RIGHTS

In consideration for and subject to the payment of the annual Subscription Services fees as set forth in Exhibit A to the Professional Services Agreement, Customer is granted a non-transferrable, non-exclusive and terminable license ("License") to use the Subscription Services and Data as set forth in this Section 5. Please read the terms and conditions of this Agreement carefully. By using the Subscription Services and Data, you agree to be bound by the terms and conditions of this Agreement. If you do not agree to these terms, you must notify ShotSpotter and discontinue any use of the Subscription Services and Data.

A. Rights in Data.

For the purposes of this Agreement, "Data" is defined as data, information, and electronic files created, generated, modified, compiled, displayed, stored or kept in the course of providing the

Subscription Services, including, without limitation, information in Reviewed Alerts accessible through the Service and/or Software.

ShotSpotter shall own and have the unrestricted right to use the Data for internal purposes such as research or product development. ShotSpotter may provide, license, or sell Data on an aggregated basis to third parties (excluding press or media) to be used for research or analytical purposes, or for law enforcement and/or security purposes.

ShotSpotter will not release or disseminate to any person or entity Data related to or consisting of specific forensic or law enforcement sensitive incident information pertaining to any active inquiry, investigation, or prosecution, unless in response to a valid order or subpoena issued by a court or other governmental body, or as otherwise required by law. ShotSpotter will not release, sell, license, or otherwise distribute the gunfire alert Data to the press or media without the prior express written consent of an authorized representative of the Customer.

Customer shall have the unrestricted right to download, make copies of, distribute, and use the Data within its own organization, exclusively for its own internal purposes, and for purposes of detecting and locating gunfire, routine archival recordkeeping, evidence preservation, and investigative, or evidentiary, and prosecutorial purposes. Customer shall not provide to, license the use of, or sell Data to any third parties, which restriction will not pertain to the collaboration with other law enforcement agencies for the purposes of investigating and prosecuting crimes detected by the ShotSpotter systems.

B. License and Restrictions.

Software and Subscription Services. The Software is the proprietary product of ShotSpotter, licensed to Customer on an annual subscription basis. The ShotSpotter Software may incorporate components supplied to ShotSpotter under license by third-party suppliers, and may be protected by United States patent, trade secret, copyright law and international treaty provisions. All such rights in and to the Software and Subscription Services any part thereof is the property of ShotSpotter or, if applicable, its suppliers. All right and title to the ShotSpotter computer programs, including, but not limited to related documentation, technology, know-how and processes embodied in or made available to Customer in connection with the Subscription Services, patent rights, copyrights, trade secret rights, trademarks, and services marks remain with ShotSpotter. Customer may not make any copies of the written materials or documentation that accompany any component of the Software, or use them, or any other information concerning the Subscription Services that ShotSpotter has designated as confidential, for any purpose other than bona fide use of the Subscription Services or Software for in accordance with the terms of this Agreement, nor allow anyone else to do so. Customer shall not: (i) modify, adapt, alter, translate, copy, perform, or display (publicly or otherwise) or create compilations, derivative, new, or other works based, in whole or in part, on the Software, or on the Subscription Services; (ii) merge, combine, integrate, or bundle the Software, in whole or in part, with other software, hardware, data, devices, systems, technologies, products, services, functions, or capabilities; (iii) transfer, distribute, make available the Subscription Services, or Software to any person other than Customer; or (iv) sell, resell, sublicense, lease, rent, or loan the Subscription Services or Software, in whole or in part. No component of the Subscription Services, or Software may be used to operate a service bureau, rental or time-sharing arrangement.

Data. Customer's rights to use the Data are defined in paragraph A of this section 5.

Nothing in this Agreement shall be construed as granting any right or title to the Software, Data or any component thereof, or any other intellectual property of ShotSpotter or its suppliers to Customer.

Customer shall not alter, remove or obscure any copyright, patent, trademarks, confidential, proprietary, or restrictive notices or markings on any component of the Subscription Services, Software or any documentation.

Customer acknowledges that the ShotSpotter System has been determined by the United States Department of State to be a controlled commodity, software and/or technology subject to the United States Export Administration Regulations of the U.S. Department of Commerce. Customer is specifically prohibited from the export, or re-export, transfer, consignment, shipment, delivery, downloading, uploading, or transmitting in any form, any ShotSpotter Software, Data, documentation, or any component thereof or underlying information or technology related thereto, to any third party, government, or country for any end uses except in strict compliance with applicable U.S. export controls laws, and only with the express prior written agreement of ShotSpotter. In the event that such written agreement is provided, Customer shall be responsible for complying with all applicable export laws and regulations of the United States and destination country, including, but not limited to the United States Export Administration Regulations of the U.S. Department of Commerce, including the sanctions laws administered by the U.S. Department of Treasury, Office of Foreign Assets Control (OFAC), the U.S. Anti-Boycott regulations, and any applicable laws of Customer's country. In this respect, no resale, transfer, or re-export of the ShotSpotter Respond System or any ShotSpotter Respond System component exported to Customer pursuant to a license from the U.S. Department of Commerce may be resold, transferred, or reported without prior authorization by the U.S. Government. Customer agrees not to export, re-export or engage in any "deemed export," or to transfer or deliver, or to disclose or furnish, to any foreign (non- U.S.) government, foreign (non-U.S.) person or third party, or to any U.S. person or entity, any of the ShotSpotter Respond System, or ShotSpotter Respond System components, Data, Software, Services, or any technical data or output data or direct data product thereof, or any service related thereto, in violation of any such restrictions, laws or regulations, or without all necessary registrations, licenses and or approvals. Customer shall bear all expenses relating to any necessary registrations, licenses or approvals.

Use, duplication, or disclosure by applicable U.S. government agencies is subject to restrictions as set forth in the provisions of DFARS 48 CFR 252.227-7013 or FAR 48 CFR 52.227-14, as applicable.

In addition to the foregoing, Customer shall not disclose, discuss, download, ship, transfer, deliver, furnish, or otherwise export or re-export any such item(s) to or through: (a) any person or entity on the U.S Department of Commerce Bureau of Industry and Security's List of Denied Persons or Bureau of Export Administration's anti-proliferation Entity List; (b) any person on the U.S. Department of State's List of Debarred Parties; (c) any person or entity on the U.S. Treasury Department Office of Foreign Asset Control's List of Specially Designated Nationals and Blocked Persons; or (d) any third party or for any end-use prohibited by law or regulation, as any and all of the same may be amended from time to time, or any successor thereto.

C. Termination.

Customer agrees that its right to use the Subscription Services, Software and Data will terminate following thirty (30) day's prior written notice due to a material breach of the terms of this Agreement, including failure to pay any sums to ShotSpotter when due, or failure to renew the Subscription Services prior to expiration of the then current subscription term unless such has been cured within said thirty (30) day period. In the event of a breach of ShotSpotter's intellectual property rights, ShotSpotter at its sole discretion may terminate this Agreement immediately upon written notice to Customer. In the event of termination, Customer's access to the Data and Software will be terminated, and ShotSpotter will cease delivering Reviewed Alerts, and disable Customer's access to the Data. Customer agrees that ShotSpotter shall not be liable to Customer nor to any third party for any suspension of the Subscription Services resulting from Customer's nonpayment of the Subscription Services fees as described in this section.

D. Modification to, or Discontinuation of the Subscription Services.

Upon reasonable notice to Customer, ShotSpotter reserves the right at its discretion to modify, temporarily or permanently, the Subscription Services (or any part thereof). In the event that ShotSpotter modifies the Subscription Services in a manner which removes or disables a feature or functionality on which Customer materially relies, ShotSpotter, at Customer's request, shall use commercially reasonable efforts to restore such functionality to Customer. In the event that ShotSpotter is unable to substantially restore such functionality, Customer shall have the right to terminate the Agreement and receive a pro-rata refund of the annual Subscription Services fees paid under the Agreement for the subscription term in which this Agreement is terminated. Customer acknowledges that ShotSpotter reserves the right to discontinue offering the Subscription Services at the conclusion of Customer's then current term. Customer agrees that ShotSpotter shall not be liable to Customer or to any third party for any modification of the Subscription Services as described in this section.

E. New Applications.

From time to time, at ShotSpotter's discretion, ShotSpotter may release to its customer base, new applications supplemental to the Subscription Services. Customer's use of such new applications shall be subject to the license, warranty, intellectual property, and support terms of this Agreement. Prior to general release, ShotSpotter may request Customer to act as a pre-release test site for new applications, or major upgrades. Provided that Customer agrees in writing to such request, ShotSpotter will provide a pre-release package explaining the details and requirements for Customer's participation.

F. No Use by Third Parties.

Use by anyone other than Customer of the Subscription Services, documentation, and Data is prohibited, unless pursuant to a valid assignment of this Agreement as set forth in Section 18 of this Agreement.

6. CONFIDENTIALITY AND PROPRIETARY RIGHTS

A. ShotSpotter Privacy Policy.

ShotSpotter has structured its technology, processes and policies in such a way as to minimize the risk of privacy infringements from audio surveillance while still delivering important public safety benefits to its customers. These efforts to maintain privacy include the following:

- 1) ShotSpotter will not provide extended audio to customers beyond the audio snippet (1 second of ambient noise prior to a gunshot, the gunshot audio itself, and 1 second after the incident). ShotSpotter will vigorously resist any subpoena or court order for extended audio that goes beyond an audio snippet.
- 2) ShotSpotter will not provide a list or database of the precise location of Sensors to police or the public if requested and will challenge any subpoenas for this location data.

B. ShotSpotter Confidential Information.

Customer acknowledges and agrees that the source code, technology, and internal structure of the Software, Data, and Subscription Services, as well as documentation, operations manual(s) and training material(s), are the confidential information and proprietary trade secrets of ShotSpotter, the value of which would be destroyed by disclosure to the public. Use by anyone other than Customer of the Subscription Services, documentation, and Data is prohibited, unless pursuant to a valid assignment under this Agreement. Unless prohibited by applicable law, the terms and conditions of this Agreement, including pricing and payment terms shall also be treated as ShotSpotter's confidential information. Customer shall not disassemble, decompile, or otherwise reverse engineer or attempt to reconstruct, derive, or discover any source code, underlying ideas, algorithms, formulae, routines, file formats, data structures, programming, routines, interoperability interfaces, drawings, or plans from the Software, or any data or information created, compiled, displayed, or accessible through the Subscription Services, in whole or in part. Customer agrees during the term of this Agreement, and thereafter, to hold the confidential information and proprietary trade secrets of ShotSpotter in strict confidence and to not permit any person or entity to obtain access to it except as required for the Customer's exercise of the license rights granted under this Agreement. Nothing in this Agreement is intended to or shall limit any rights or remedies under applicable law relating to trade secrets, including the Uniform Trade Secrets Act as enacted in applicable jurisdictions.

C. Customer Confidential Information

During the term of this Agreement or any subsequent renewals, ShotSpotter agrees to maintain Customer information designated by the Customer as confidential to which ShotSpotter gains access in the performance of its obligations under this Agreement, and not disclose such Customer Confidential Information to any third parties except as may be required by law. ShotSpotter agrees that Customer's Confidential Information shall be used solely for the purpose of performing ShotSpotter's obligations under this Agreement.

D. Obligations of the Parties.

The receiving Party's ("Recipient") obligations under this section shall not apply to any of the disclosing Party's ("Discloser") Confidential Information that Recipient can document: (a) was in

the public domain at or subsequent to the time such Confidential Information was communicated to Recipient by Discloser through no fault of Recipient; (b) was rightfully in Recipient's possession free of any obligation of confidence at or subsequent to the time such Confidential Information was communicated to Recipient by such Discloser; (c) was developed by employees or agents of Recipient independently of and without reference to any of Discloser's Confidential Information; or (d) was communicated by Discloser to an unaffiliated third party free of any obligation of confidence. A disclosure by Recipient of any Discloser Confidential Information (a) in response to a valid order by a court or other governmental body; (b) as otherwise required by law; or (c) necessary to establish the rights of either party under this Agreement shall not be considered to be a breach of this Agreement by the Recipient; provided, however, that Recipient shall provide prompt prior written notice thereof to the Discloser to enable Discloser to seek a protective order or otherwise prevent such disclosure. The Recipient shall use reasonable controls to protect the confidentiality of and restrict access to all Confidential Information of the Discloser to those persons having a specific need to know for the purpose of performing the Recipient's obligations under this Agreement. The Recipient shall use controls no less protective than Recipient uses to secure and protect its own confidential, but not "Classified" or otherwise Government-legended, information. Upon termination of this Agreement the Recipient, as directed by the Discloser, shall either return the Discloser's Confidential Information, or destroy all copies thereof and verify such destruction in writing to the Discloser.

Unless the Recipient obtains prior written consent from the Discloser, the Recipient agrees that it will not reproduce, use for purposes other than those expressly permitted in this Agreement, disclose, sell, license, afford access to, distribute, or disseminate any information designated by the Discloser as confidential.

7. LIMITED WARRANTIES

ShotSpotter warrants that the Software will function in substantial conformity with the ShotSpotter documentation accompanying the Software and Subscription Services. The Software covered under this warranty consists exclusively of the ShotSpotter Dispatch, ShotSpotter Respond, and ShotSpotter Insight applications and user interface made available to the Customer under this Agreement. ShotSpotter will provide support services as defined in Attachment A Service Level Agreement.

- A. ShotSpotter further warrants that the Subscription Services, Data, and Software shall be free of viruses, Trojan horses, worms, spyware, or other malicious code or components.
- B. The Subscription Services are not designed, sold, or intended to be used to detect, intercept, transmit, or record oral or other communications of any kind. ShotSpotter cannot control how the Subscription Services are used, and, accordingly, ShotSpotter does not warrant or represent, expressly or implicitly, that use of the Subscription Services will comply or conform to the requirements of federal, state, or local statutes, ordinances, and laws, or that use of the Subscription Services will not violate the privacy rights of third parties. Customer shall be solely responsible for using the Subscription Services in full compliance with applicable law and the rights of third persons.
- C. ShotSpotter does not warrant or represent, expressly or implicitly, that the Software or Subscription Services or its use will: result in the prevention of crime, apprehension or conviction of any perpetrator of any crime, or detection of any criminal; prevent any loss, death, injury, or damage to

property due to the discharge of a firearm or other weapon; in all cases result in a Reviewed Alert for all firearm discharges within the designated coverage area; or that the ShotSpotter-supplied network will remain in operation at all times or under all conditions.

- D. ShotSpotter expressly disclaims, and does not undertake or assume any duty, obligation, or responsibility for any decisions, actions, reactions, responses, failure to act, or inaction, by Customer as a result of or in reliance on, in whole or in part, any Subscription Services or Reviewed Alerts provided by ShotSpotter, or for any consequences or outcomes, including any death, injury, or loss or damage to any property, arising from or caused by any such decisions, actions, reactions, responses, failure to act, or inaction. It shall be the sole and exclusive responsibility of the Customer to determine appropriate decisions, actions, reactions, or responses, including whether or not to dispatch emergency responder resources.
- E. Any and all warranties, express or implied, of fitness for high-risk purposes requiring fail-safe performance are hereby expressly disclaimed.
- F. The Parties acknowledge and agree that the Subscription Services is not a consumer good, and is not intended for sale to or use by or for personal, family, or household use.

EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 7, SHOTSPOTTER MAKES AND CUSTOMER RECEIVES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF NON-INFRINGEMENT, QUALITY, SUITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. CUSTOMER OBLIGATIONS.

Customer acknowledges and agrees that ShotSpotter's duties, including warranty obligations, and ability to perform its obligations to Customer under this Agreement shall be predicated and conditioned upon Customer's timely performance of and compliance with Customer's obligations hereunder, including, but not limited to:

- A. Customer agrees to pay all sums due under this Agreement when they are due pursuant to the payment terms in Exhibit A to the Professional Services Agreement.

Customer's address for invoicing:

City of Rancho Cordova
Attn: Accounts Payable
2729 Prospect Park Dr.
Rancho Cordova, CA 95670

- B. Customer agrees to use reasonable efforts to timely perform and comply with all of Customer's obligations allocated to Customer under this Agreement, including providing assistance to ShotSpotter, as needed in obtaining premise permissions for installation of the Sensors.
- C. Customer shall not permit any alteration, modification, substitution, or supplementation of the ShotSpotter Subscription Services or web portal, or the combining, connection, merging, bundling, or integration of the ShotSpotter Subscription Services or web portal into or with any other system, equipment, hardware, software, technology, function, or capability, without ShotSpotter's express prior written consent.

- D. Unless otherwise expressly agreed in advance in writing by ShotSpotter, Customer shall not authorize or appoint any contractors, subcontractors, original equipment manufacturers, value added integrators, systems integrators, or other third parties to operate, or have access to any part of the Subscription Services.
- E. In order to use the Subscription Services, Customer must have and maintain access to the World Wide Web to enable a secure https connection from the Customer's workstation(s) to ShotSpotter's hosted services, either directly or through devices that access Web-based content. Customer must also provide all equipment necessary to make such (and maintain such) connection.
- F. ShotSpotter will assist the Customer in initially setting up passwords and user names for Customer's employees, agents, or representatives to whom Customer designates access to the Subscription Services ("Authorized Users"). Thereafter, Customer shall be responsible for assigning passwords and user names for its Authorized Users. Customer shall be responsible for maintaining the confidentiality and use of Customer's password and user names and shall not allow passwords and/or user names to be shared by Authorized Users; nor shall Customer permit any unauthorized users to access the Subscription Services.
- G. Customer shall comply with all applicable laws, rules and regulations relating to the goods and services provided hereunder.

9. INTELLECTUAL PROPERTY INFRINGEMENT

ShotSpotter will, at its expense, defend and indemnify Customer from and against losses, suits, damages, liability, and expenses (including reasonable attorney fees) arising out of a claim asserted in a lawsuit or action against the Customer by a third party unrelated to the Customer, in which such third party asserts a claim that the Subscription Services and/or Software, when used in accordance with ShotSpotter's user documentation, infringes any United States patent which was issued by the U.S. Patent and Trademark Office, or United States copyright which was registered by the U.S. Copyright Office, as of the effective date of Customer's agreement to license the ShotSpotter Respond System (collectively "Action"), provided that Customer provides ShotSpotter with reasonably prompt notice of any such Action, or circumstances of which Customer becomes aware that could reasonably be expected to lead to such Action including but not limited to any cease and desist demands or warnings, and further provided that Customer cooperates with ShotSpotter and its defense counsel in the investigation and defense of such Action.

ShotSpotter shall have the right to choose counsel to defend such suit and/or action, and to control the settlement (including determining the terms and conditions of settlement) and the defense thereof. Customer may participate in the defense of such action at its own expense.

This Section 9 shall not apply and ShotSpotter shall have no obligation to defend and indemnify Customer in the event the Customer or a third party modifies, alters, substitutes, or supplements any of the Subscription Services, or Software, or to the extent that the claim of infringement arises from or relates to the integration, bundling, merger, or combination of any of the same with other hardware, software, systems, technologies, or components, functions, capabilities, or applications not licensed by ShotSpotter as part of the Subscription Services, nor shall it apply to the extent that the claim of infringement arises from or relates to meeting or conforming to any instruction, design, direction, or specification furnished by the Customer, nor to the extent that the Subscription Services or Software are used for or in connection

with any purpose, application, or function other than detecting and locating gunshots exclusively through acoustic means.

If, in ShotSpotter's opinion, the Subscription Services, or Software may, or is likely to become, the subject of such a suit or action, does become the subject of a claim asserted against Customer in a lawsuit which ShotSpotter is or may be obliged to defend under this section, or is determined to infringe the foregoing patents or copyrights of another in a final, non-appealable judgment subject to ShotSpotter's obligations under this section, then ShotSpotter may in full and final satisfaction of any and all of its obligations under this section, at its option: (1) procure for Customer the right to continue using the affected Subscription Services or Software, (2) modify or replace such Subscription Services or Software to make it or them non-infringing, or (3) refund to Customer a pro-rata portion of the annual Subscription Services fees paid for the Subscription Services for the term in which the Agreement is terminated.

This Section 9 states the entire liability of ShotSpotter and is Customer's exclusive remedy for or relating to infringement or claims or allegations of infringement of any patent, copyright, or other intellectual property rights in or to the Subscription Services, the ShotSpotter Gunshot Detection, Location and Forensic Analysis Service components, and Software. This section is in lieu of and replaces any other expressed, implied, or statutory warranty against infringement of any and all intellectual property rights.

10. INDEMNIFICATION AND LIMITATION OF LIABILITY

ShotSpotter shall, at its expense, indemnify, defend, save, and hold Customer harmless from any and all claims, lawsuits, or liability, including attorneys' fees and costs, arising out of, in connection with, any loss, damage, or injury to persons or property to the extent of the gross negligence, or wrongful act, error, or omission of ShotSpotter, its employees, agents, or subcontractors as a result of ShotSpotter's or any of its employees, agents, or subcontractor's performance pursuant to this Agreement. ShotSpotter shall not be required to indemnify Customer for any claims or actions caused to the extent of the negligence or wrongful act of Customer, its employees, agents, or contractors. Notwithstanding the foregoing, if a claim, lawsuit, or liability results from or is contributed to by the actions or omissions of Customer, or its employees, agents, or contractors, ShotSpotter's obligations under this provision shall be reduced to the extent of such actions or omissions based upon the principle of comparative fault.

In no event shall either Party, or any of its affiliates or any of its/their respective directors, officers, members, attorneys, employees, or agents, be liable to the other Party under any legal or equitable theory or claim, for lost profits, lost revenues, lost business opportunities, exemplary, punitive, special, indirect, incidental, or consequential damages, each of which is hereby excluded by agreement of the Parties, regardless of whether such damages were foreseeable or whether any Party or any entity has been advised of the possibility of such damages.

Except for its Intellectual Property infringement indemnity obligations under Section 9 of this Agreement, ShotSpotter's cumulative liability for all losses, claims, suits, controversies, breaches or damages for any cause whatsoever arising out of or related to this Agreement, whether in contract, tort, by way of indemnification or under statute, and regardless of the form of action or legal theory shall not exceed two (2) times the amount paid to ShotSpotter under this Agreement, or the amount of insurance maintained by ShotSpotter available to cover the loss, whichever is greater. The foregoing limitations shall apply without regard to any failure of essential purpose of any remedies given herein.

11. DEFAULT AND TERMINATION; REMEDIES

- A. Either Party may terminate this Agreement in the event of a material breach of the terms and conditions of this Agreement upon thirty (30) days' prior written notice to the other Party; provided that the Party alleged to be in breach has not cured such breach within said thirty (30) day period.
- B. Customer may terminate this Agreement upon reasonable notice to ShotSpotter in the event that sufficient funds have not been appropriated for any fiscal year to maintain the Subscription Services set forth in this Agreement. In such event, this Agreement shall be terminated on the last day of the fiscal year for which appropriations were made, without penalty to Customer; provided, however, that Customer shall be responsible for payment of fees due up to the date of such termination.
- C. In addition to the termination provisions in Section 5.C for failure to pay annual Subscription Services fees, upon the occurrence of a material breach of Customer's obligations under this Agreement not susceptible to cure as provided in the preceding paragraph, ShotSpotter may at its option, effective immediately upon written notice to Customer, either: (i) terminate ShotSpotter's future obligations under this Agreement, terminate Customer's License to use the Subscription Services and Software, or (ii) accelerate and declare immediately due and payable all remaining charges for the remainder of the Agreement and proceed in any lawful manner to obtain satisfaction of the same. In either case, Customer shall also be responsible for paying court costs and reasonable attorneys' fees incurred by or on behalf of ShotSpotter, as well as applicable repossession, shipping, repair, and refurbishing costs.

12. FORCE MAJEURE

In no event shall ShotSpotter be liable for any delay or default in its performance of any obligation under this Agreement caused directly or indirectly by an act or omission of Customer, or persons acting under its direction and/or control, fire, flood, act of God, an act or omission of civil or military authority of a state or nation, strike, lockout, or other labor disputes, inability to secure, delay in securing, or shortage of labor, materials, supplies, transportation, or energy, failures, outages or denial of services of wireless, power, telecommunications, or computer networks, acts of terrorism, sabotage, vandalism, hacking, natural disaster or emergency, war, riot, embargo, or civil disturbance, breakdown or destruction of plant or equipment, or arising from any cause whatsoever beyond ShotSpotter's reasonable control. At ShotSpotter's option and following notice to Customer, any of the foregoing causes shall be deemed to suspend such obligations of ShotSpotter so long as any such cause shall prevent or delay performance, and ShotSpotter agrees to make and Customer agrees to accept performance of such obligations whenever such cause has been remedied.

13. ENTIRE AGREEMENT

This Agreement and its Attachment(s) represent the entire agreement and understanding of the Parties and a final expression of their agreements with respect to the subject matter of this Agreement and supersedes all prior written or oral agreements, representations, understandings, or negotiations with respect to the matters covered by this Agreement.

14. GOVERNING LAW

The validity, performance, and construction of this Agreement shall be governed by the laws of the state of California, without giving effect to the conflict of law principles thereof. The United Nations Convention on Contracts for the International Sale of Goods is expressly disclaimed and shall not apply

15. NO WAIVER

No term or provision of this Agreement shall be deemed waived and no breach excused unless such waiver or consent is in writing and signed by both Parties. Any consent by either Party to, or waiver of, a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of, or excuse for any other, different, prior, or subsequent breach.

The failure of either Party to enforce at any time any of the provisions of this Agreement shall not constitute a present or future waiver of any such provisions or the right of either Party to enforce each and every provision.

16. SEVERABILITY

If any term, clause, sentence, paragraph, article, subsection, section, provision, condition or covenant of this Agreement is held to be invalid or unenforceable, for any reason, it shall not affect, impair, invalidate or nullify the remainder of this Agreement, but the effect thereof shall be confined to the term, clause, sentence, paragraph, article, subsection, section, provision, condition or covenant of this Agreement so adjudged to be invalid or unenforceable.

17. DISPUTE RESOLUTION

If the Parties disagree as to any matter arising under this Agreement or the relationship and dealings of the Parties hereto, then at the request of either Party, ShotSpotter and Customer shall promptly consult with one another and make diligent, good faith efforts to resolve the disagreement by negotiation prior to either Party taking legal action. If such negotiations do not resolve the dispute within sixty (60) days of the initial request, either Party may take appropriate legal action.

18. ASSIGNMENT

This Agreement may not be assigned or transferred by either Party, nor any of the rights granted herein, in whole or in part, by operation of law or otherwise, without the other Party's express prior written consent, which shall not be unreasonably withheld. Provided, however, that ShotSpotter may assign or transfer this Agreement and/or ShotSpotter's rights and obligations hereunder, in whole or in part, in the event of a merger or acquisition of all or substantially all of ShotSpotter's assets. No assignee for the benefit of Customer's creditors, custodian, receiver, trustee in bankruptcy, debtor in possession, sheriff, or any other officer of a court, or other person charged with taking custody of Customer's assets or business, shall have any right to continue or to assume or to assign these without ShotSpotter's express consent.

19. COMPLIANCE WITH LAWS

During the term of this Agreement ShotSpotter will comply with all applicable local, state, and federal laws, statutes and regulations.

20. EQUAL EMPLOYMENT OPPORTUNITY

ShotSpotter is committed to equal-employment principles, and the provisions outlined in the Equal Opportunity Clauses of Executive Order 11246, (41 CFR 60- 1.4), section 503 of the Rehabilitation Act of 1973, (41 CFR 60-741.5(a)), section 402 of the Vietnam Era Veterans Readjustment Act of 1974, (41 CFR 60-250.5(a)), and, the Jobs for Veterans Act of 2003, (41 CFR 60-300.5(a)) as well as any other regulations pertaining to these orders. ShotSpotter's decisions and criteria governing its hiring and employment practices are made in a non-discriminatory manner, without regard to age, race, color, national origin, citizenship status, gender (including pregnancy, childbirth or medical condition related to pregnancy or childbirth), gender identity or expression, sex, religion, creed, physical or mental disability, medical condition, legally protected genetic information, marital status, veteran status, military status, sexual orientation, or any other factor determined to be an unlawful basis for such decisions by federal, state, or local statutes.

21. GENERAL PROVISIONS

- A. The provisions of this Agreement shall not be construed in favor of or against either Party because that Party or its legal counsel drafted this Agreement, but shall be construed as if all Parties prepared this Agreement.
- B. This Agreement is made for the benefit of the Parties, and is not intended to benefit any third party or be enforceable by any third party. The rights of the Parties to terminate, rescind, or agree to any amendment, waiver, variation or settlement under or relating to this Agreement are not subject to the consent of any third party.

ATTACHMENT A – SERVICE LEVEL AGREEMENT

ShotSpotter Respond Gunshot Location System

Reviewed Alert Service Levels

Summary

Under the terms and conditions of the ShotSpotter Services Agreement between ShotSpotter, Inc. (“ShotSpotter”) and Customer, ShotSpotter commits to meet or exceed the following Service Level Agreement (SLA) standards as it provides its ShotSpotter Gunshot Location Services¹:

Service	SLA and Measurement
Gunshot Detection & Location	90% of unsuppressed, outdoor gunfire incidents, using standard, commercially available rounds greater than .25 caliber, inside the Coverage Area will be detected and located within 25 meters of the actual gunshot location.
Reviewed Alerts	90% of gunshot incidents will be reviewed and published in less than 60 seconds.
Service Availability	The ShotSpotter Gunshot Location System service will be available to the Customer 99.9% of the time with online access to ShotSpotter data, excluding scheduled maintenance windows.

Gunshot Detection & Location Performance

ShotSpotter will detect and accurately locate to within 25 meters of the actual gunshot location 90% of unsuppressed, outdoor gunshots fired inside the contracted coverage area using standard, commercially available rounds greater than .25 caliber.

Reviewed Alerts Service

The ShotSpotter real-time Incident Review Center (IRC) will review at least 90% of all gunfire incidents within 60 seconds. This human review is intended to confirm or change the machine classification of the incident type, and, depending on the reviewer’s confidence level that the incident is or may be gunfire, will result in an alert (“Reviewed Alert”) sent to the Customer’s dispatch center, patrol car mobile data terminals (MDT), and officer smartphones (via the ShotSpotter App), based on the following criteria:

Incident Type	Action
High confidence incident is gunfire	Reviewed Gunfire Alert, (Single Gunshot “SG” or Multiple Gunshots “MG”) sent to Customer’s dispatch center, patrol car mobile data terminals (MDT), and officer smartphones (via the ShotSpotter Respond App)
Uncertain if incident is gunfire or not	Reviewed Probable Gunfire (“PG”) Alert sent to Customer’s dispatch center, patrol car MDTs, and officer smartphones
Low confidence incident is gunfire	No alert will be sent; incident available for Customer review in the incident history available through Insight

¹ See attached “ShotSpotter – Definition of Key Terms” for a complete definition of terms associated with this SLA and further details in the expanded definitions listed below the Summary. The basis for this SLA and performance measurement will be total gunshot incidents as defined by the Definition of Key Terms.

Reviewed Alerts are sent to the Customer's dispatch center, patrol car MDTs, and officer smartphones. Information in a Reviewed Alert will include the following:

- "Dot on the map" with latitude and longitude indicating the location of the incident.
- Parcel address closest to location of the incident.
- When available, additional situational awareness data points may be included, such as:
 - Qualitative data on the type/severity of incident: Fully automatic, High Capacity
 - Other comments (if any)

The ShotSpotter Respond App, and Insight provide the Customer with full and immediate access to incident history including information ShotSpotter uses in its internal review process. This information includes, among other things, the initial incident classification and any reclassifications of an incident, incident audio wave forms, and incident audio files. This data access is available as long as the Customer is under active subscription.

Service Availability

The ShotSpotter Respond System² will be able to detect gunfire and available to users with online access to ShotSpotter data 99.9% of the time, on a 24x7 by 365 day per year basis, excluding: a) scheduled maintenance periods which will be announced to Customer in advance; b) select holidays; and c) third party network outages beyond ShotSpotter's control.

Customer SLA Credits

Each Service Level measurement shall be determined quarterly, the results of which will be reviewed during the periodic account review meetings with Customer. For each calendar quarter that ShotSpotter does not meet at least two of the three above standards, a fee reduction representing one free week of service (for the affected Coverage Area) for each missed quarter shall be included during a future Customer renewal.

Service Level Exclusions and Modifications

ShotSpotter takes commercially reasonable efforts to maintain Service Levels at all times. However, Service Level performance during New Year's Eve and Independence Day and the 48-hour periods before and after these holidays, are specifically excluded from Service Level standards. During these excluded periods, because of the large amount of fireworks activity, ShotSpotter uses fireworks suppression techniques³.

The ShotSpotter sensors send incident information to the ShotSpotter cloud via third party cellular, wireless or wired networks. ShotSpotter is not responsible for outages on the third-party networks.

² Respond service includes all database, applications, and communications services hosted by ShotSpotter, Inc. at our data center and specifically exclude Customer's internal network or systems or 3rd party communications networks, e.g. Verizon, AT&T, Sprint/T-Mobile, or Customer's Internet Service Provider.

³ ShotSpotter will put the ShotSpotter system into "fireworks suppression mode" during this period in order to reduce the non-gunfire incidents required for human classification. ShotSpotter will formally inform the customer prior to the system being placed in fireworks suppression mode and when the mode is disabled. While in fireworks suppression mode, the incident alerts determined to be fireworks are not sent to the reviewer nor the Customer dispatch center, patrol car MDTs, and officer smartphones; however, these non-gunfire incidents will continue to be stored in the database for use if required at a later time.

Service Failure Notification

Should ShotSpotter identify any condition (disruption, degradation or failure of network, cloud, servers, sensors etc.) that impacts ShotSpotter's ability to meet the Gunshot Detection & Location standard (above), ShotSpotter will proactively notify the Customer with: a) a brief explanation of the condition; b) how the Customer's service is affected; and c) the approximate timeframe for resolution. ShotSpotter will also notify the Customer once any such condition is resolved.

Customer Responsibilities

The purpose of the Reviewed Alert service is to provide incident data to the Customer, reviewed, analyzed and classified in the manner described above. However, it is the sole responsibility of the Customer to interpret the data provided, and to determine any appropriate follow-up reaction or response, including whether or not to dispatch emergency responder resources based on a Reviewed Alert. ShotSpotter does not assume any obligation, duty or responsibility for reaction, response, or dispatch decisions, which are solely and exclusively the responsibility of Customer, or for the consequences or outcomes of any decisions made or not made by the Customer in reliance, in whole or in part, on any services provided by ShotSpotter.

Customer must inform ShotSpotter when Verified Incidents of gunfire are missed by the ShotSpotter Respond System in order to properly calculate Performance Rate, as defined below.

Customer is responsible for providing any required workstations, mobile devices and internet access for the Customer's dispatch center, patrol car MDTs, and officer smartphones, or Insight.

Support Level Matrix

Support Level	Tier 1 Support (IRC)	Tier 2 Support (Customer Support)
Features	• Login support • Report a misclassification • Report a missed incident • Report a mislocated incident • Basic audio request • General/application questions • Request for ILS	Normal Support: • Analysis of missed gunshots • Detailed audio search • Performance analysis • Integration issues Critical Support: • System outage
Hours of Operation	24x7x365	Normal Support: 5 am – 11 pm Pacific Time Zone Escalation: 24x7x365

ShotSpotter – Definition of Key Terms

The ShotSpotter Respond System will provide data for correct detection and accurate location for ninety percent (90%) of detectable (outdoor, unsuppressed) community gunfire which occurs within a coverage area, the “Coverage Area”, provided the measurement is Statistically Significant, as defined below. This performance rate shall be calculated as a percentage as follows:

$$\text{Performance Rate} = \frac{\text{NumberAccuratelyLocated}}{(\text{NumberAccuratelyLocated} + \text{NumberNotDetected} + \text{NumberMislocated})}$$

where the “Performance Rate” is a number expressed as a percentage, “NumberAccuratelyLocated” is the number of “Gunfire Incidents” occurring within the Coverage Area during the specified period for which the ShotSpotter Respond System produced an Accurate Location, NumberMislocated is the number of Verified Incidents (a “Verified Incident” is an incident where Customer has physical or other credible evidence that gunfire took place) for which the ShotSpotter Respond System produced an inaccurate location (i.e., a Mislocated Incident), and NumberNotDetected is the number of Verified Incidents for which the ShotSpotter Respond System failed to report a location at all (i.e., Missed Incidents).

An “Accurate Location” shall mean an incident located by the ShotSpotter Respond System to a latitude/longitude coordinate that lies within a 25-meter radius of the confirmed shooter’s location (25 meters = approximately 82 feet). “Detectable Gunfire” incidents are unsuppressed discharges of ballistic firearms which occur fully outdoors in free space (i.e. not in doorways, vestibules, windows, vehicles, etc.) using standard commercially available rounds of caliber greater than .25.

ShotSpotter Review Period is measured as the period commencing when the Incident Review Center (IRC) receives the alert and the first audio download to the time it is published to the customer

ShotSpotter Respond System performance is guaranteed after a “Statistically Significant” set of incidents has been detected in accordance with timeframes set forth herein and following DQV and commercial system acceptance. The ShotSpotter Respond System is designed to detect gunfire which is typically well distributed throughout the Coverage Area; however, performance should not be construed to mean that 90% of gunfire fired at any given location within the Coverage Area will be detected and located within the guaranteed accuracy.

The ShotSpotter Respond System is not a “point protection” system and is therefore not designed to consistently detect gunfire at every single location within the Coverage Area, but rather to Accurately Locate 90% of the Detectable Incidents in aggregate throughout the entire Coverage Area. There may be certain locations within the Coverage Area where obstacles and ambient noise impede and/or overshadow the propagation of acoustic energy such that locating the origin at those positions is inconsistent or impossible. The Performance Rate calculation is thus specifically tied to the Community Gunfire across the entire Coverage Area.

Statistically Significant shall be defined as measurements and calculations which shall be performed as follows: (a) Across an entire Coverage Area; (b) Aggregating over a period of at least 30 days under weather conditions seasonally normal for the area; and (c) Provided that the total number of gunfire incidents being counted is equal to or greater than: (i) thirty (30) incidents for systems of up to three (3) square miles of Coverage Area, or (ii) ten (10) incidents multiplied by the number of square miles of Coverage Area for systems where one or more Coverage Areas are three (3) square miles or larger.

Form (Rev. October 2018) Department of the Treasury Internal Revenue Service	Request for Taxpayer Identification Number and Certification ▶ Go to www.irs.gov/FormW9 for instructions and the latest information.	Give Form to the requester. Do not send to the IRS.
---	--	---

W-9

**Request for Taxpayer
Identification Number and Certification**

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

Print or type.
See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.	
2 Business name/disregarded entity name, if different from above	
3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes. ☐ Individual/sole proprietor or single-member LLC ☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____ Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate ☐ Other (see instructions) ▶ _____	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from FATCA reporting code (if any) _____ (Applies to accounts maintained outside the U.S.)
5 Address (number, street, and apt. or suite no.) See instructions.	Requester's name and address (optional)
6 City, state, and ZIP code	
7 List account number(s) here (optional)	

Part I

Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number	
or	
Employer identification number	

Part II

Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Cat. No. 10231X

Form **W-9** (Rev. 10-2018)

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Form W-9 (Rev. 10-2018)

Page 3

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation
• Individual	Individual/sole proprietor or single-member LLC
• Sole proprietorship, or	
• Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	
• LLC treated as a partnership for U.S. federal tax purposes,	Limited liability company and enter the appropriate tax classification. (P= Partnership; C= C corporation; or S= S corporation)
• LLC that has filed Form 8832 or 2553 to be taxed as a corporation, or	
• LLC that is disregarded as an entity separate from its owner but the owner is another LLC that is not disregarded for U.S. federal tax purposes.	
• Partnership	Partnership
• Trust/estate	Trust/estate

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space on line 4 any code(s) that may apply to you.

Exempt payee code.

• Generally, individuals (including sole proprietors) are not exempt from backup withholding.

- Except as provided below, corporations are exempt from backup withholding for certain payments, including interest and dividends.
- Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.
- Corporations are not exempt from backup withholding with respect to attorneys' fees or gross proceeds paid to attorneys, and corporations that provide medical or health care services are not exempt with respect to payments reportable on Form 1099-MISC.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space in line 4.

- 1—An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2)
- 2—The United States or any of its agencies or instrumentalities
- 3—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities
- 4—A foreign government or any of its political subdivisions, agencies, or instrumentalities
- 5—A corporation
- 6—A dealer in securities or commodities required to register in the United States, the District of Columbia, or a U.S. commonwealth or possession
- 7—A futures commission merchant registered with the Commodity Futures Trading Commission
- 8—A real estate investment trust
- 9—An entity registered at all times during the tax year under the Investment Company Act of 1940
- 10—A common trust fund operated by a bank under section 584(a)
- 11—A financial institution
- 12—A middleman known in the investment community as a nominee or custodian
- 13—A trust exempt from tax under section 664 or described in section 4947

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 13.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 7
Broker transactions	Exempt payees 1 through 4 and 6 through 11 and all C corporations. S corporations must not enter an exempt payee code because they are exempt only for sales of noncovered securities acquired prior to 2012.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 4
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 5 ²
Payments made in settlement of payment card or third party network transactions	Exempt payees 1 through 4

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

B—The United States or any of its agencies or instrumentalities

C—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities

D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(1)(i)

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(i)

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

H—A regulated investment company as defined in section 851 or an entity registered at all times during the tax year under the Investment Company Act of 1940

I—A common trust fund as defined in section 584(a)

J—A bank as defined in section 581

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account) other than an account maintained by an FFI	The actual owner of the account or, if combined funds, the first individual on the account ¹
3. Two or more U.S. persons (joint account maintained by an FFI)	Each holder of the account
4. Custodial account of a minor (Uniform Gift to Minors Act)	The minor ²
5. a. The usual revocable savings trust (grantor is also trustee)	The grantor-trustee ¹
b. So-called trust account that is not a legal or valid trust under state law	The actual owner ¹
6. Sole proprietorship or disregarded entity owned by an individual	The owner ³
7. Grantor trust filing under Optional Form 1099 Filing Method 1 (see Regulations section 1.671-4(b)(2)(i)(A))	The grantor ⁴
For this type of account:	Give name and EIN of:
8. Disregarded entity not owned by an individual	The owner
9. A valid trust, estate, or pension trust	Legal entity ⁴
10. Corporation or LLC electing corporate status on Form 8832 or Form 2553	The corporation
11. Association, club, religious, charitable, educational, or other tax-exempt organization	The organization
12. Partnership or multi-member LLC	The partnership
13. A broker or registered nominee	The broker or nominee

For this type of account:	Give name and EIN of:
14. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district, or prison) that receives agricultural program payments	The public entity
15. Grantor trust filing under the Form 1041 Filing Method or the Optional Form 1099 Filing Method 2 (see Regulations section 1.671-4(b)(2)(i)(B))	The trust

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name and you may also enter your business or DBA name on the "Business name/disregarded entity" name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see *Special rules for partnerships*, earlier.

***Note:** The grantor also must provide a Form W-9 to trustee of trust.

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
